AGREEMENT

ARTICLE 1

PURPOSE

Section 1.1. This Agreement is made between the CUYAHOGA COMMUNITY COLLEGE DISTRICT (hereinafter referred to as the "College") and OHIO COUNCIL 8 AND LOCAL 2678 OF THE AMERICAN FEDERATION OF STATE, COUNTY, AND MUNICIPAL EMPLOYEES, AFL-CIO (hereinafter referred to as the "Union"). The male pronoun or adjective where used herein refers to the female also unless otherwise indicated. The term "employee" or "employees" where used herein refers to all employees in the bargaining unit. The purpose of this Agreement is to provide a fair and responsible method of enabling employees covered by this Agreement to participate through Union representation in the establishment of terms and conditions of their employment and to establish a peaceful procedure for the resolution of differences between the College and its employees who are members of the bargaining unit.

ARTICLE 2

RECOGNITION

Section 2.1. The College hereby recognizes Ohio Council 8 and Local 2678 of the American Federation of State, County and Municipal Employees, AFL-CIO, as the exclusive representative for all full-time and part-time non-supervisory employees of the College for the purpose of collective bargaining with respect to establishing wages, hours and other terms and conditions of employment for all members of the bargaining unit as specified in Section 2.3. (a) and (b) of this Article.

Section 2.2. Part-time employees covered by this Agreement shall include those employees who at the time of their hire are regularly scheduled to work twenty (20) or more hours per week, those employees who actually work a minimum of 500 hours in the six (6) month period immediately succeeding their date of hire, or those employees who actually work a minimum of 500 hours in any succeeding six (6) month period. Once part-time employees meet the eligibility requirements for membership in the unit, they shall remain a member of the unit until such time as their seniority is broken in accordance with Section 11.2 of this Agreement. All part-time, non-supervisory employees of the College, as of the date of ratification of this Agreement, who are members of the bargaining unit shall remain as members of the bargaining unit until such time as their seniority is broken in accordance with Section 11.2 of this Agreement. Such part-time employees are covered by all terms of the Agreement except for those sections in which the term "employee" is preceded by the words "regular full-time."

Section 2.3. The unit consists of non-supervisory employees of the College in the components and job classifications listed below:

A. Plant Operations and Logistics Unit

1. The members of such bargaining unit are all full-time Plant Operations and Logistics Unit employees and part-time, non-supervisory employees who at the time of their hire are regularly scheduled to work twenty (20) hours or more per week, those employees who actually work a minimum of 500 hours in the six (6) month period immediately succeeding their date of hire, or those employees who actually work a minimum of 500 hours in any succeeding six (6) month period in the components and job classifications listed in Appendix A of this Agreement.
2. The following categories of employees are excluded from the Plant Operations and Logistics bargaining unit:
 - (a) **All management level and command staff employees.** "Management Level Employees" means any individual who formulates policy on behalf of the public employer or who may reasonably be required on behalf of the public employer to assist in preparation for the conduct of collective negotiations, administer collectively negotiated agreements, or who has a major role in personnel administration.
 - (b) **All supervisory employees.** "Supervisor" means any individual who has authority, in the interest of the public employer, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other public employees; or to responsibly direct them; or to adjust their grievances; or to effectively recommend such action, if the exercise of such authority is not of a merely routine or clerical nature but requires the use of independent judgment.
 - (c) **All confidential employees.** "Confidential Employees" means any employee whose functional responsibilities or knowledge in connection with the issues involved in dealings between the public employer and its employees would make their membership in an employee organization incompatible with their official duties.
 - (d) All employees who work less than twenty (20) hours per week or have never worked 500 hours in any six (6) month period of employment.

- (e) All student assistants and College work study employees.
- (f) All temporary and seasonal personnel.
- (g) All police officers, security personnel and guards as defined by the Ohio Public Sector Collective Bargaining Act.
- (h) All employees included in any other recognized collective bargaining agreement.

B. Campus Police and Security Services Unit

1. The members of such bargaining unit are all full-time employees in the Campus Police and Security Services Unit job classifications listed in Appendix B of this Agreement and part-time, non-supervisory employees who at the time of their hire are regularly scheduled to work twenty (20) hours or more per week, those employees who actually work a minimum of 500 hours in the six (6) month period immediately succeeding their date of hire, or those employees who actually work a minimum of 500 hours in any succeeding six (6) months period.
2. The following categories of employees are excluded from the Campus Police and Security Services bargaining unit:
 - (a) **All management level and command staff employees.** "Management Level Employees" means any individual who formulates policy on behalf of the public employer or who may reasonably be required on behalf of the public employer to assist in preparation for the conduct of collective negotiations, administer collectively negotiated agreements, or who has a major role in personnel administration.
 - (b) **All supervisory employees.** "Supervisor" means any individual who has authority, in the interest of the public employer, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other public employees; or to responsibly direct them; or to adjust their grievances; or to effectively recommend such action, if the exercise of such authority is not of a merely routine or clerical nature but requires the use of independent judgment.
 - (c) **All confidential employees.** "Confidential Employees" means any employee whose functional responsibilities or knowledge in connection with the issues involved in dealings between the public employer and its employees would

make their membership in an employee organization incompatible with their official duties.

- (d) All employees who work less than twenty (20) hours per week or have never worked 500 hours in any six (6) month period of employment.
- (e) All student assistants and College work study employees.
- (f) All temporary and seasonal personnel.

ARTICLE 3

NON-DISCRIMINATION

Section 3.1. Both the College and the Union recognize their respective responsibilities under Federal and State civil rights laws, fair employment practice acts, and other similar constitutional and statutory requirements. Therefore, both parties hereby affirm their commitments, legal and moral, not to discriminate in any manner relating to employment on the basis of race, color, religion, sex, sexual orientation, creed, national origin or ancestry, age, disability, or status as a disabled or Vietnam-era veteran. Furthermore the College will not discriminate on the basis of disability, provided the disability does not impair the person's ability to substantially perform the work and employing a disabled person would not significantly increase the occupational hazards affecting either the disabled person, other employees, the general public or the facilities in which the work is performed. Moreover, the College will make reasonable accommodations whenever legally required to do so. Reasonable accommodations will be handled on an individual case-by-case basis and will be non-precedent setting. The College will notify the Union prior to any accommodation, which impacts on this Agreement.

Section 3.2. The College recognizes the right of all employees and all applicants for employment to be free to join the Union and participate in lawful concerted Union activities. Therefore, the College agrees that there shall be no discrimination, interference, restraint, coercion, or reprisal by the College against any employee or any applicant for employment because of Union membership or because of any lawful activity in an official capacity on behalf of the Union. The Union recognizes the right of all employees and all applicants for employment to be free not to join the Union and agrees that there shall be no discrimination, interference, restraint, coercion, or reprisal by the Union against any employee or any applicant for employment because of non-union membership.

ARTICLE 4

UNION SECURITY AND CHECK-OFF

Section 4.1. All employees in the bargaining unit covered by this Agreement who are members of the Union on the date this Agreement is signed and all other employees in such bargaining unit who become members of the Union at any time in the future shall, for the term of this Agreement, continue to be members of the Union, and the College will not honor dues deduction (check-off) revocation from any such employee except as provided herein.

Section 4.2. Effective August 1, 1984, all bargaining unit employees who are not members in good standing of the Union, shall be required to pay a fair share fee to the Union as a condition of continued employment.

4.2.1. All bargaining unit employees hired after August 1, 1984, who do not become members in good standing of the Union shall be required to pay a fair share fee to the Union effective ninety (90) calendar days from the employee's date of hire as a condition of employment, or in the case of part-time employees not regularly scheduled to work twenty (20) hours or more per week as of their date of hire, effective the beginning of the six (6) month period immediately following the six (6) month period during which the part-time employees worked sufficient hours to be covered by this Agreement.

4.2.2. The fair share fee amount shall be certified to the College by the Treasurer of the Local Union. The deduction of the fair share fee from any earnings of the employee shall be automatic and does not require a written authorization for payroll deduction. Payment to the Union of fair share fees shall be made in accordance with the regular dues deductions as provided herein.

Section 4.3. The College will deduct regular initiation fees and monthly dues from the pay of employees covered by this Statement upon receipt from the Union of individual written authorization cards voluntarily executed by an employee for that purpose and bearing his signature. Provided that:

4.3.1. An employee shall have the right to revoke such authorization by giving written notice to the College and the Union at any time during the fifteen (15) day period preceding the termination of this Agreement, and the authorization card shall state clearly on its face the right of an employee to revoke during that period; and

4.3.2 The College's obligation to make deductions shall terminate automatically upon timely receipt of revocation of authorization or upon termination of employment or transfer to a job classification outside the bargaining unit.

Section 4.4. All deductions under Sections 4.2 and 4.3, together with an alphabetical list of names of all employees whose fees and/or dues have been deducted, shall be transmitted to the Union no later than the tenth (10th) day following the end of the pay period in which the deduction is made, and upon receipt, the Union shall assume full responsibility for the disposition of all funds deducted.

4.4.1. The Union will indemnify and hold harmless the College from any or all claims made by an employee against the Union and/or the College arising from improper dues or initiation deductions.

4.4.2. At the time the Union is furnished the above information, the College shall furnish the Union the names of all newly hired employees covered by this Agreement together with their address as it appears on the records of the College.

ARTICLE 5

P.E.O.P.L.E.

Section 5.1. The College will deduct voluntary contributions to the AFSCME International Union P.E.O.P.L.E. (Public Employees Organized to Promote Legislative Equality) Committee from the pay of employees covered by this Statement upon receipt from the Union of individual written authorization cards voluntarily executed by an employee for that purpose and bearing his signature. Provided that an employee shall have the right to revoke such authorization by giving written notice to the College and the Union at any time, and the authorization card shall state clearly on its face the right of an employee to revoke.

ARTICLE 6

UNION REPRESENTATION

Section 6.1. Employees selected by the Union to act as Union representatives for the purpose of processing grievances under the Grievance Procedure shall be known as "Stewards." Each steward shall have an alternate who shall act as the steward when the steward is absent from work or unavailable. However, a steward shall not be considered unavailable if he or she is on release time attending to the processing of grievances or other Union business. (Stewards and their alternates shall not simultaneously be on paid release time status). The Local Union shall notify the College by January 15 of each calendar year of the names of the stewards. Failure to provide the names of the stewards shall relieve the College from providing any copies of disciplinary action to the steward. The College will recognize stewards in the following numbers and locations:

6.1.1 **Plant Operations and Logistics Unit** The Plant Operations and Logistics Unit shall be allowed two (2) stewards at the Metropolitan Campus who shall represent all downtown locations (who shall not work the same shift), one (1) steward at the Eastern Campus to include representing Corporate College East (CCE), and one (1) steward at the Western Campus to include representing Brunswick and one (1) steward at Corporate College West (CCW) or Westshore to represent CCW and Westshore.

6.1.2. **Campus Police and Security Services Unit** The Campus Police and Security Services Unit shall be allowed two (2) stewards at the Metropolitan Campus who shall represent all downtown locations (who shall not work the same shift), one (1) steward at the Eastern Campus to include representing Corporate College East (CCE), and one (1) steward at the Western Campus to include representing Brunswick and one (1) steward at Corporate College West (CCW) or Westshore to represent CCW and Westshore.

Section 6.2. Each steward shall represent the employees in his or her unit as designated in Section 6.1, unless the designated steward is unavailable, in which case the designated alternate steward shall act in place of the regular steward. The Union will notify the College, in writing, of the identity of each steward and alternate steward. If the need arises to adjust either the number of stewards or the agreed upon areas of representation as provided for in Section 6.1, the College and the Union will endeavor to resolve the matter in a mutually satisfactory manner. Need shall be based upon a substantial increase or decrease in employment.

6.2.1. A Union representative, being the President (or in the absence of the President, the Vice President) a steward, (or in the absence of a steward, the alternate steward) shall be permitted to attend to the processing of grievances during working hours without loss of pay.

6.2.2. Any Union representative who desires to process grievances or conduct other authorized Union activity on College time shall contact his supervisor to make arrangements for the conduct of the Union activity. The supervisor shall not unreasonably or arbitrarily withhold permission for or delay the arrangements for the Union activity.

6.2.3. Upon obtaining prior approval from the supervisor, the steward, or the alternate steward shall be permitted to investigate grievances, adjust grievances, or meet with management to address contractual matters within his own work location pursuant to Section 6.1. of this Article during working hours without loss of pay and such approval shall not be arbitrarily or unreasonably refused. The President or Vice President may attend in place or in the absence of the steward or alternate steward. This right shall not be abused and, if abused, shall be withdrawn from the individual abusing the privilege. Before withdrawing the right granted by this Section, the parties shall meet in an effort to resolve the charge or charges of abuse forming the basis for the threatened withdrawal from the individual abusing the privileges.

6.2.4. For the purposes of conducting union business only, the College will provide no more than two (2) parking permits to Union officers who have to travel between campuses to conduct such Union business.

Section 6.3. A steward having an individual grievance in connection with his own work may ask for the Local Union President to assist him in adjusting the grievance with his supervisor.

Section 6.4. Stewards and alternate stewards shall not be involuntarily transferred from their respective areas of representation and shifts during the term of office except upon agreement between the College and the Union.

Section 6.5. In the event of a reduction in force and within the provisions of the bumping procedure, efforts will be made to retain the Union President, Vice President, recording secretary, treasurer, the stewards, and alternate stewards in the same geographic location, if it becomes necessary for them to change jobs because of the bumping procedures.

Section 6.6. There shall be a Grievance Committee consisting of the Local Union President, Vice President, and three (3) stewards to be selected by the Union to meet with the College on grievances.

Section 6.7. The College agrees to provide newly hired bargaining unit members with a copy of this Agreement and an information packet supplied by the Union at new employee orientation.

ARTICLE 7

COLLEGE MANAGEMENT RIGHTS

Section 7.1. Except as specifically limited by explicit provisions of this Agreement, the College retains the sole and exclusive right to manage its operations, buildings, and plants, and to direct the working force consistent with the provisions of this Agreement. The right to manage shall also include the authority to establish policy and procedures governing and effecting the operations of the College and without limiting the generality hereof includes the right:

7.1.1. To utilize personnel methods and means in the most appropriate and efficient manner possible;

7.1.2. To manage, direct, supervise and evaluate the employees of the College;

7.1.3 To hire, promote, transfer, assign, schedule or retain employees in positions within the College;

7.1.4. To establish reasonable work rules and reasonable rules of conduct; and to provide the Union with a copy of the same;

7.1.5. To suspend, discharge, or take other disciplinary action against employees for just cause;

7.1.6. To determine the size, composition and adequacy of the work force and to lay off employees in the event of lack of work or lack of funds or under conditions where the College determines in its discretion that the continuation of such work or that the number of employees performing such work is unnecessary;

7.1.7. To determine the mission of the College and to efficiently fulfill that mission including the transfer, alteration, curtailment or discontinuance of any goods or services consistent with the Agreement and the hiring and employment of non-College personnel provided in this paragraph shall not be used for the purpose of undermining the Union or discriminating against any of its members;

7.1.8. To determine the overall methods, process, means or personnel by which operations are to be conducted; and to take actions to carry out the mission of the College;

7.1.9. To determine all matters of inherent managerial policy which include, but are not limited to, areas of discretion or policy such as the functions and programs of the College, standards of services, its overall budget, utilization of technology and organizational structure.

7.1.10. These aforementioned College management rights shall be exercised in accordance with the provisions of this Agreement and any other applicable law.

Section 7.2. In addition, unless otherwise restricted by an express term of this Agreement, all management rights are exclusively reserved by the College. Further, the exercise of any enumerated or reserved management rights shall not be subject to negotiation with respect to such decision.

ARTICLE 8

DISCIPLINE

Section 8.1. The College will not discipline a non-probationary employee without just cause. The College retains the right to discipline and discharge employees for just cause. The College reserves the right to publish prohibited conduct through its Employee Code of Conduct Policy, 3354-1-43-02.

Section 8.2. Any form of discipline for any matter will be considered for determining a greater level of discipline for any subsequent offenses.

Section 8.3. The College will administer a system of progressive discipline based on its assessment of the facts on a case-by-case basis. The disciplinary measures the College may consider are as follows:

1. Documented Verbal Warning
2. Written Warning
3. Suspension
4. Discharge

Section 8.4. The College has the right to give more than one warning or reprimand in lieu of suspension or may issue a higher level of discipline depending on the circumstances. Higher levels of discipline may occur for first offenses.

Section 8.5. Any non-probationary employee who is disciplined, including suspension or discharge, shall be given a written notice of such disciplinary action, stating the reason(s) for the disciplinary action. The notice shall be distributed to the employee within forty-eight (48) hours, excluding Saturdays, Sundays, holidays and Level 2 closings, of the College's decision to discipline the employee. The Union President and steward shall be provided a copy of the notice.

Section 8.6. Pre-Disciplinary Hearing

8.6.1. Any employee who is investigated for an offense which may result in a suspension or a discharge will be given a pre-disciplinary hearing to informally present his statement about the facts and circumstances of the proposed discipline. The employee is entitled to Union representation at the meeting if the employee so desires. Attendance is limited to the Union President or his representative and one (1) Union steward.

8.6.2 The employee will have waived his opportunity for a meeting if he fails to attend the scheduled meeting. His discipline will be based on the facts known to the College at that time.

8.6.3. Said findings shall be completed no later than fifteen (15) calendar days following the completion of the due process meeting. For the purposes of this section, the parties acknowledge that the issuance of the pre-disciplinary findings shall be the date on which the College has determined that it has knowledge of cause to issue a disciplinary action.

8.6.4. The College shall issue discipline within a reasonable period of time, but no later than fifteen (15) calendar days after it has knowledge of the cause. The calendar fifteen (15) day requirement for the issuance of disciplinary action shall be waived in

situations that require an investigation concerning an allegation of workplace harassment and/or illegal activities. The College may place employees on paid administrative leave pending the outcome of an investigation.

8.6.5. Thereafter, any employee who has been discharged or suspended for a specific number of days will be given a written discipline notice with a statement describing the reason(s) for which he has been suspended or discharged. The notice will be given to the employee within five (5) working days of the suspension or discharge. The employee will be notified of the opportunity to have a steward present at the time the suspension is issued and upon request of the employee, a steward shall be present at the time of notification. Further, if the employee so requests, he shall be promptly granted a private interview with his steward before the employee is required to leave the premises.

8.6.6. Discipline shall become part of the employee's work record when it is entered in the employee's personnel record maintained by Human Resources. Copies of any disciplinary action will be furnished to the employee, the steward, the President of the local Union, and the Ohio Council 8 representative.

8.6.7. The signing of any materials to be placed into an employee's personnel record will not indicate an agreement by the employee as to the contents of the material but does acknowledge he has seen it.

Section 8.7. In imposing discipline on current charge, the College will not take into consideration any prior infraction, which occurred more than two (2) years previously, unless the infraction involved Gross Misconduct, which will be maintained as active and ineligible for consideration for the remaining term of employment.

Section 8.8. Notwithstanding any other provisions of this Agreement or other College policies, all matters relating to disciplinary actions affecting a non-probationary employee shall be subject solely to the Grievance Procedure herein contained. No disciplinary actions shall be appealable to the State Personnel Board of Review.

Section 8.9. Gross Misconduct is defined as any violation of the following offenses which occur on College property, including leased property, or in any College vehicle, including leased vehicles: assault, menacing, aggravated menacing, domestic violence, illegal drug possession and/or distribution, driving under the influence of drugs or alcohol, driving while impaired, sex offenses, and dereliction of duty, all as defined by the Ohio Revised Code.

This definition includes felony convictions resulting from conduct on or in College property and violations of the College's Harassment Policy.

Section 8.10. It is important that employee complaints of unjust suspension or discharge be processed promptly. Therefore, all such disciplinary action may be reviewed through the Grievance Procedure beginning at Step 3.

ARTICLE 9

GRIEVANCE PROCEDURE

Section 9.1. A grievance is a dispute or difference between the College and the Union or between the College and an employee concerning the interpretation and/or application of any provision of this Agreement, including any and all disciplinary actions. When a grievance arises, the following procedure shall be observed:

Step 1: An employee who has a grievance shall take the matter up with his supervisor, either alone or accompanied by his steward, but in any event, not later than ten (10) working days after the event giving rise to such grievance. The supervisor shall make arrangements for a meeting with employee and/or the steward if requested, at the earliest time during that shift consistent with operational needs. The supervisor shall respond to the grievant within twenty-four (24) hours of the Step 1 meeting.

Step 2: If the matter is not satisfactorily adjusted at Step 1, the aggrieved employee and his steward may file a formal written grievance with the employee's department head on a form provided by the College within three (3) working days following the date of the Step 1 written response, but not more than thirteen (13) days from the date of origin of the grievance.

The department head shall meet with the employee and the steward within three (3) working days from the date the Step 2 grievance is received in an attempt to resolve the grievance. The department head shall give a written answer to the steward within three (3) working days following the meeting. If the grievance is denied, the written answer shall set forth the reason or reasons.

Step 3: If the grievance is not satisfactorily settled at Step 2, the Union may, within seven (7) working days after receipt of the Step 2 answer, appeal the grievance to the Vice President of Human Resources or designee. The Vice President of Human Resources or designee and the Local Union Grievance Committee shall consider the grievance at the next monthly Labor Management Committee meeting. The Regional Director of Ohio Council 8 and/or his designee shall participate in the meeting. A written answer to each grievance shall be given to the Union within ten (10) working days after the Step 3 meeting.

Step 4: Group and individual grievances with the exception of discipline and discharge grievances may be appealed by the Union to mediation if the grievance is not satisfactorily settled at Step 3 within fifteen (15) calendar days from the date of the written response and by mutual agreement of the College and the Union.

- (a) The Mediator will be mutually selected by the College and Union on a case by case basis. Mediator selection will be from FMCS or SERB mediation services.
- (b) The dates, times, and places of mediation sessions will be determined by mutual agreement of the parties. The fees and expenses to be charged by the mediators shall be negotiated between the panel participants and the parties. Fees and expenses for grievance mediation shall be shared equally by the parties. Rules for mediation are located in Appendix G of this Agreement.
- (c) If the grievance is not satisfactorily settled at Step 3, or at mediation, the Union may, within thirty (30) calendar days after the date of receipt of the Step 3 answer or mediation session, submit the grievance to arbitration. In that event the College and the Union shall meet in an attempt to select a mutually satisfactory arbitrator. If they are unable to do so within ten (10) working days of this meeting, the Union shall notify the Federal Mediation and Conciliation Service of its intent to so arbitrate a grievance.

The Federal Mediation and Conciliation Service shall submit a panel of arbitrators to each party, and the arbitrator shall then be chosen in accordance with FMCS's then applicable rules. The fees and expenses of the arbitration shall be borne equally by the parties.

- (d) In the event a grievance is submitted to arbitration, the arbitrator shall have jurisdiction over the said grievance. However, in reaching his decision the arbitrator shall have no authority to add or subtract from or modify in any way any of the provision of this Agreement. The arbitrator shall issue a decision within thirty (30) calendar days after submission of the case to him, and his decision shall be final and binding on the Union, the employee, and the College.

Section 9.2. Group Grievance. In the event that employees have a group grievance, it shall be sufficient if the steward or local union president submits the grievance on behalf of all named and similarly affected employees. A group grievance shall be only one in which the fact questions and the provisions of the Agreement alleged to be violated are the same as they relate to each and every employee in the group. A group grievance which affects a substantial number of employees may be initially presented by the Union at Step 2 or Step 3 of the grievance procedure.

The Union shall identify the job classification, location, and shift of those employees involved in the grievance on the designated grievance form. If this information is not included on the form, the College may return the grievance to the Union for completion and the College shall not consider this grievance as untimely filed.

Section 9.3. Working days where used herein this procedure, excludes Saturdays, Sundays, or holidays, or when closed for a Level 2 closing.

Section 9.4. The Union shall have the right to withdraw a grievance anytime subsequent to processing through Step 2. Furthermore, the Union shall be allowed to introduce new information relative to grievances anytime during the grievance procedure, whenever that information is discovered. However, this language shall not be interpreted to allow the Union to modify or amend any grievance after Step 3.

Section 9.5. The time limits provided in the Grievance Procedure may by mutual written agreement, be extended and/or waived. In the event the College fails to answer a grievance at Step 2 or Step 3 within the established time limit, the Union may give notice in writing to the Vice President of Human Resources or designee that the grievance will be considered granted unless the College answers the grievance within five (5) working days following the date of receipt of the notice given by the Union to the Vice President of Human Resources or designee.

Section 9.6. A meeting between the Vice President of Human Resources or designee and the local Grievance Committee shall be held on the fourth Thursday of each month or other mutually agreed upon date for the purpose of considering grievances then pending at Step 3 and for the purpose of considering mutual problems, if any. Mutual problems to be considered at such a meeting shall be only those submitted as agenda items at least three (3) working days prior to the scheduled meeting; and if there are no agenda items for consideration and no grievances pending at Step 3, the meeting as scheduled shall be canceled.

Section 9.7. Neither the grievant, nor the Union, nor necessary witnesses shall suffer any loss of pay by reason of attendance at a Step 4 hearing during their regular working hours. The College reserves the right to challenge the necessity of witnesses.

Section 12.1. Five (5) days of eight (8) hours each shall be the standard work week for regular full-time employees, starting 12:01 a.m. Monday and ending at midnight the following Sunday. Wherever practicable, the workweek shall be five (5) consecutive workdays. This paragraph is intended to be construed only as a basis for overtime and shall not be construed as a guarantee of hours per day or per week. Overtime shall not be paid more than once for the same hours worked.

Section 12.2. In the event it is necessary to change the regular hours of work, regular starting and regular quitting time of any shift and schedule of hours as presently constituted, the College shall first give the Union thirty (30) days advance notice of its intentions and shall meet with the Union prior to the implementation of any changes for the purpose of allowing the Union the opportunity for input into the final decision and discussion regarding which employee(s) will be required to change shifts. However, the College retains the sole and unrestricted right to implement changes in the regular hours of work, the regular starting and regular quitting time of any shift and schedule of hours.

Section 12.3. Overtime

12.3.2. The College shall be the sole judge of the necessity of overtime. The College agrees that overtime opportunities will be distributed as equally as practicable among regular full-time employees in the same job classification, campus and shift, and agrees to first offer the overtime opportunity to regular full-time employees in the same job classification, campus, and shift before offering the overtime opportunity to part-time employees in the same job classification, campus and shift.

12.3.3. Overtime opportunities may be offered at the other campuses prior to being mandated and such overtime shall not be considered as a temporary transfer. Overtime may initially be refused, but if sufficient employees do not voluntarily accept, the College shall assign the overtime work to regular full-time employees within the classification, campus and shift involved in the reverse order of seniority and such employees must work such overtime when assigned.

12.3.4. The College will notify employees at least twenty-four (24) hours in advance when they will be required to work overtime for a College-sponsored special event.

12.3.5. In order to assist all parties to monitor the distribution of overtime opportunities, the overtime distribution lists shall be maintained on a current basis and shall be posted every two (2) weeks at the close of each bi-weekly pay period. Employees cannot claim discrepancy if they have not received overtime opportunities as a result of their being on an approved leave of absence.

12.3.6. Sick leave payments are not included in determining the number of hours actually worked in a given workweek.

12.3.7. All paid personal leave (16.2.); holiday and vacation hours shall be counted as hours worked for the purpose of computing overtime.

Section 12.4. Scheduling

Deviations from the posted schedule may be made in order to meet the operational needs of the department, but the College shall not change the posted schedule to avoid payment of overtime. The College shall give the involved employee and his steward notice of any such changes as far in advance as circumstances reasonably allow. A steward will be allowed to be present when the College notifies an employee of a schedule change or of overtime availability.

12.4.2 It is the intent of the College to attempt to work out scheduling of all employees on a fair and equitable basis as is practicable, and the College and the Union shall meet to attempt to resolve any inequitable scheduling of work. A copy of the schedule will be sent to the Union President upon posting. Changes in the schedule will be made available to the local Union as soon as practicable. LATERAL TRANSFERS - PERMANENT

Section 20.1. After regular full-time employees at the campus where an opening exists have been offered and have refused to transfer shifts, and before the opening is posted for bid in accordance with Article 21, a regular full-time employee who has completed one (1) year of service may exercise his job classification seniority for the purpose of transferring within the same work location or to another work location at another campus within the same classification when an opening occurs if the applicant possesses the same skills as those required by the opening.

Once the College determines that an opening has occurred, the supervisor in the appropriate department shall individually contact each employee who is eligible for transfer to advise them of the opening. Employees will sign off on a form created by the College when contacted and again if they elect to bid.

Employees shall be given one work week after being contacted by the supervisor in which to bid on the opening. Failure to bid within the week constitutes refusal of the lateral transfer. The job will be awarded to the most senior employee who bids.

Section 20.2. A regular part-time employee who has completed one (1) year of service may exercise his job classification seniority for the purpose of transferring within the same work location or to another work location at another campus within the same classification when an opening occurs if the applicant possesses the same skills as those required by the opening.

Once the College determines that an opening has occurred, the supervisor in the appropriate department shall individually contact each employee who is eligible for transfer to advise them of the opening. Employees will sign off on a form created by the College.

Employees shall be given one work week after being contacted by the supervisor in which to bid on the opening. Failure to bid within the week constitutes refusal of the lateral transfer. PERMANENT PROMOTIONS AND VACANCIES - JOB BIDDING

Section 21.1. When in the judgment of the College, a full-time or part-time bargaining unit job vacancy occurs or a new job is created, the College shall post said vacancy on the online job application system for a period of two (2) consecutive weeks. The notice shall contain the job classification, title, salary, grade, department, campus, shift, and job description. Employees who wish to be considered for the posted job must utilize the online application system. Regular part-time employees and outside candidates shall be permitted to apply for full-time positions, but will be considered for such positions only after all full-time employees have been considered. All full-time job postings will provide the following notification: Full-time bargaining unit members will be considered first for vacant positions.

Section 21.2. Selection For Non-police Officer Vacancies. All applications timely filed will be reviewed by the Staffing Advisory Committee, which shall include a bargaining unit member in the vacant position's job classification component who is currently assigned to the location of the vacancy. Said bargaining unit member shall be selected by the Union President. In determining whether an applicant is qualified, the College shall give consideration to physical ability, aptitude, skill, experience, qualifications as stated in the position vacancy notice and such other matters as it usually considers in filling a vacancy whether with present employees or newly hired employees. The position vacancy notice will be consistent with the actual job duties and responsibilities of the job.

Section 21.3. In awarding the position, the College will first give preference to employees with the most job classification seniority in the same job classification. Otherwise, the senior applicant shall receive the promotion if qualified unless those junior to him who have applied for the position have qualifications substantially greater than the senior applicant. If no application is received or none of the applicants are qualified for the job vacancy, the College may fill the job by hiring a qualified new hire or otherwise. Applicants to the position will be notified in writing regarding the selection within fourteen (14) calendar days.

Section 21.4. To communicate the disposition of all open non-faculty positions to the Union, the College will follow the following procedure. The College will:

21.4.1. furnish the Union president and vice president a notice of all open non-faculty positions;

21.4.2. inform the Union president and vice-president of the names of all applicants for a posted vacancy;

21.4.3. inform the Union president and vice-president of the successful bidder, if any;

21.4.4. inform the Union president and vice-president of all jobs that have been filled by new hires.

21.4.5. The College shall not use temporary transfers to avoid permanent filling of a bargaining unit position.

Section 21.5. Police Officer Selection All internal and external applications for police officer positions timely filed will be reviewed by the Staffing Advisory Committee, which shall include a police officer who is currently assigned to the location of the vacancy. Said police officer shall be selected by the Union President. In determining whether an applicant is qualified, the College shall give consideration to the following: interview results, written examination, if a written examination is conducted, assessment of job skills, psychiatric examination, background investigation, polygraph/voice stress analysis and physical examination. The pool of candidates shall be ranked based on the above criteria. Part-time Police Officer applicant(s) will be considered before an external candidate.

Section 21.6. Promotions and Lateral Transfers

21.6.1. A regular full-time employee or regular part-time employee awarded a job under these provisions will be given reasonable help and supervision and shall be allowed a reasonable period of time to demonstrate an ability to perform the job, but not more than twenty-two (22) work days. He will be considered to have demonstrated an ability to perform

the new job when he satisfactorily performs the required duties with no more supervision than is required by other qualified regular full-time employees or regular part-time employees on the same or similar jobs and when his record as to quality and quantity of work meets the standards applicable to the job. If he fails to demonstrate an ability to perform the job, he shall be returned to his former job. Similarly, all other employees who advanced as a result of the initial opening shall be returned to their former jobs. Any claim of personal prejudice or Union discrimination may be taken up as a grievance.

21.6.2. It is recognized that the filling through posting of a job vacancy may create problems in filling the job vacated by the promoted employee and that more than one job may have to be posted as a result of successful bidding on the original posting.

21.6.3. It is agreed that in following the posting process, the College shall have reasonable time to fill all jobs made vacant through the process and that if the College finds it impossible to immediately fill the vacated job, promotion to the originally posted job shall not occur until all jobs have been filled except that if the jobs are not filled within sixty (60) calendar days after a vacancy has occurred, the promotion shall go forward.

Section 21.7. An employee changing jobs through the job posting procedure or any newly hired bargaining unit employee shall be ineligible to apply for a lateral transfer, change in work shift, or a promotion until six months subsequent to the date of hire, if a newly hired employee, or six months subsequent to the date of entry to the job obtained through posting, if a regular full-time employee.

Section 21.8. A promoted employee shall be entitled to a minimum increase in pay equal to a step on the schedule from which he was promoted.

Section 21.9 When a regular full time vacancy occurs, or a new full time job is created, part time employees who make application will be considered prior to non-employees.

ARTICLE 22

BACKGROUND CHECKS

Section 22.1. In addition to background checks that are required by federal and state law, the College may perform criminal background checks on employees who are promoted.

Section 22.2. Except for broader checks required by state or federal law, background checks will be confined to any felony conviction within seven (7) years from the time of the check.

Section 22.3. If a background check is performed on an employee, the employee will be notified of the background check and be provided a copy of the report. The background check shall be performed by an agency independent of the College. The results of background checks will be kept confidential. The results of the check will be given to the Office of Human Resources only.

Section 22.4. If the employee's background check reveals a felony conviction, the employee may be discharged.

ARTICLE 23

LAYOFF

Section 23.1. Whenever in the judgment of the College it is necessary to reduce the work force, those employees in the job classification(s) affected shall be laid off from such job classification(s) on the basis of seniority, provided the remaining employees possess the proper ability to perform the services required. Laid-off employees shall have access to and be governed by the bumping rules. In reducing the work force, the following conditions will apply:

23.1.1. temporary employees shall be laid off first;

23.1.2. seasonal employees laid off second;

23.1.3. part-time employees working less than twenty (20) hours per week third;

23.1.4. part-time employees working twenty (20) hours or more per week but less than forty (40) hours per week fourth;

23.1.5. probationary full-time employees laid off fifth.

All prior to the layoff of any full-time employees with seniority, unless the temporary, seasonal, part-time or probationary employee is the only qualified person to fill the job he is holding. Further, before any exceptions to the above order of layoff are made, the College will first meet with the Union to discuss the reason for the exception and the Union shall have the right to grieve the College's decision if the parties fail to reach an agreement.

Section 23.2. Where possible, the College will give written notification of the possibility of layoff to the employee(s) affected and the Union sixty (60) calendar days in advance of the contemplated effective date. The employee(s) affected and the Union will be given written notice of an actual layoff not less than fourteen (14) calendar days in advance of the effective date. The College shall meet and confer with the Union to discuss alternatives to layoffs prior to

the fourteen (14) day notice if the Union so requests. At the time of the fourteen (14) day notice, the College shall meet with the Union for the purpose of providing the Union with a current seniority list.

Section 23.3. The College shall pay its portion of health care insurance until the end of the month in which the employee is laid off. Thereafter, while on layoff, the laid-off employee may elect to remain in the College's health insurance program at the employee's cost and subject to the insurance carrier's regulations in accordance with the provisions of COBRA.

Section 23.4. If two (2) or more employees have the same date of hire and seniority, then seniority will be determined by alphabetical order of last names with "A" being the most senior and "Z" being the least senior.

ARTICLE 24

RECALL FROM LAYOFF

Section 24.1. The College shall provide the Union President and Ohio Council 8 with a recall list and copies of all notices of recall. The Union will be notified of all recall responses. A laid off employee is responsible for keeping the College informed of his/her current address. Notices of recall will be sent by certified mail.

Section 24.2. The recall notice shall inform the employee of the recalled job classification, rate of pay, campus location and shift assignment. The recall notice shall also inform the employee of his/her right to remain on the recall list rather than be reinstated to a lower-graded job classification held prior to the layoff.

Section 24.3. Whenever, in the judgment of the College, it is necessary to increase the work force in a job classification following a layoff, employees will be recalled in order of seniority provided that the recalled employee has the proper ability to perform the available work. College authorized new or vacant positions shall first be offered, in seniority order, to the most senior pre-layoff job title incumbent on the internal displacement list or recall list, provided the employee has the proper ability to perform the available work. Recall or reinstatement will continue in order of seniority.

Section 24.4. An employee who, as a result of the procedures set forth in this Article, is laid off will be deemed to be on the "recall list." An employee, who, as a result of the procedure set forth in this Article, is placed in a different job classification in the same or lower salary grade or in a position with fewer hours than that held by the employee prior to the job reduction shall be on an "internal displacement list." Employees on the recall list retain recall rights, while employees on the internal displacement list retain upward bumping rights as set forth in this Article.

Section 24.5. An available position will be awarded to the most senior employee who indicates his/her acceptance of recall or reinstatement. An employee on layoff has 72 hours from receipt by certified mail of notice of recall to return to work unless the College determines a longer period is acceptable or necessary. In addition, an employee recalled may request an extension of up to two (2) weeks to return to work provided that the employee notifies the College of his/her intent to return to work within 72 hours from receipt of the notice of recall. Such requests for extension shall not be unreasonably denied.

Section 24.6. Affected employees will have recall or reinstatement rights for a period of twenty four (24) months in the job classification held prior to the initial layoff, bump or involuntary reduction in hours.

Section 24.7. Employees may choose to remain on the recall or reinstatement list rather than accept recall to a position in a lower grade. An employee who is offered a position in his/her former job classification and who refuses the offer shall not be entitled to further recall or reinstatement rights under this Article.

Section 24.8. No new employees shall be hired in a job classification until all employees on the recall or internal displacement list who have the proper ability to work in that job classification and desire to return to work have been offered recall or reinstatement.

Section 24.9. Following recall from layoff, the employee shall retain all seniority accumulated prior to layoff.

Section 24.10. While employees remain on the recall list, an employee returning from a leave of absence shall be placed on the list in accordance with his/her seniority.

Section 24.11. An employee who is recalled or reinstated to his/her former salary grade shall be compensated at his/her former rate of pay, plus any additional increases provided during the layoff period.

An employee recalled or reinstated to a lower salary grade position shall be paid at his/her former rate of pay, plus any additional increases provided during the layoff period, unless such rate is higher than the top of the lower grade range. In that event, the top rate of the lower grade will apply.

ARTICLE 25

25.1.1. Any other equal or lower-rated job than his present job provided that he is reasonably qualified to try such a bump.

25.1.2. In determining whether a regular full-time employee seeking to bump another by bumping is able to fill the requirements of the job, he shall be given five (5) days trial on the job. This five (5) day trial is not a training period, but an opportunity for the bumping regular full-time employee to demonstrate his proficiency on the job. During such trial period, the supervisor will give him any information or special instruction that he would normally give to a regular job classification holder and advise him where to find needed equipment. If the regular full-time employee fails to qualify, he must relinquish this job classification to another eligible applicant or to the original job classification holder and he himself shall go on layoff, unless he elects to bump into a lower-rated classification than the one from which he originally bumped.

25.1.3. Any regular full-time employee successfully bumping another regular full-time employee must keep the job he has bumped into until he is recalled to his previous classification, transferred, or promoted to another job or is laid off in a further reduction in the working force.

25.1.4. Any regular full-time employee laid off from his job classification who declines to exercise his right to bump, or who is unable to do so, shall be laid off. The regular full-time employee may elect whether to bump or to be laid off within three (3) days after being advised that he will be laid off.

25.1.5 Any regular full-time employee who is required to change shifts on his job classification due to reduction in the work force must do so without access to the Bumping rules.

Section 25.2. No new regular full-time employee shall be hired into any job classification until all regular full-time employees on layoff status from that job classification desiring to return to work have been recalled to that job classification and no new regular part-time employee shall be hired into any job classification until all regular part-time employees on layoff status from that job classification desiring to return to work have been recalled to that job classification.

ARTICLE 26

NEW JOB CLASSIFICATION

Section 26.1. If changes occur in the method of operation or the equipment used in a job and if the changes are substantial or if a new job is established which has not been previously classified, the College shall meet with the Union for the purpose of negotiating a pay and rate classification or placing the job in an existing classification.

26.1.1. In the event the College and the Union are unable to reach agreement on the issue, the College shall establish a temporary rate and classification and will promptly notify the Union in writing. Thereafter, the Union can file a grievance to Step 3 of the Grievance Procedure; and if the matter goes to arbitration, the arbitrator shall have the authority to establish a new rate and classification or to place the job in an existing classification which shall be retroactive to the date the College placed the temporary rate into effect. Any rate and classification mutually agreed to by the College and the Union or decided by arbitration shall become a part of the Wage Agreement attached hereto.

ARTICLE 27

The performance evaluation form shall be completed by the employee and supervisor. Both the supervisor and the employee shall sign the evaluation form.

If an employee has been reassigned to a new supervisor within one month of the evaluation date, the new supervisor should consult with the previous supervisor in completing the evaluation if possible. Section 38.2. The completed performance evaluation form will be discussed with the employee. Following a discussion with his supervisor concerning the performance evaluation, the employee will be granted the opportunity to prepare a statement, which he may have added to the evaluation form. MISCELLANEOUS

Section 39.1. Departmental Policies. The College agrees to meet and confer with the Union regarding proposed changes to departmental policies which affect employees' terms and conditions of employment. The College also agrees to provide the Union with copies of such departmental policies.

Section 39.2. Temporary Agencies. The College agrees that it will not utilize temporary agency personnel or supervisors for the purpose of permanently replacing bargaining unit employees in the same job classification or when permanent employees are on layoff except in emergency situations. It is recognized that the nature of the service provided by the College requires considerable flexibility in scheduling of personnel which in many cases is better served by utilization of part-time personnel. It is recognized that in many cases it is desirable to use full-time personnel in preference to a multiplicity of part-time employees. If it is claimed by the Union that the College is abusing its rights to use part-time employees, the parties will meet to discuss the situation.

Section 39.3. Privatization/Sub-Contracting. Before the College subcontracts any work that eliminates current bargaining unit member jobs, it shall provide the Union with reasonable notice and allow it to attempt to negotiate provisions that would eliminate the need for subcontracting. The Union may arbitrate the College's rejection of the Union's final offer to avoid subcontracting but the only issue is whether the College's rejection of the Union's offer was an abuse of discretion.

Section 39.4. Labor-Management Committee. A joint Labor Management Committee shall be established to meet on a monthly basis or at other times by mutual agreement, to discuss matters of mutual concern. The union committee shall consist of no more than five (5) representatives, including AFSCME Ohio Council 8 representatives. All meetings shall be held during normal business hours, and all employees who attend these meetings shall do so without loss of pay or benefits.

Section 39.5. Safety Committee. A joint Labor-Management Safety Committee shall be established to meet for a maximum of two (2) hours, on a quarterly basis, or at other times as mutually agreed for the purpose of discussing health and safety concerns. The Union shall be entitled to five (5) representatives, including the AFSCME Ohio Council 8 representative.

All meetings shall be held during normal business hours, and all employees who attend these meetings shall do so without loss of pay or benefits. Any reasonable claim of unsafe working conditions will be handled on an expedited basis by the College Safety Committee. An employee may also utilize the Grievance Procedure provided in this collective bargaining agreement.

Section 39.6. Asbestos Removal. The College shall provide the Union President and Ohio Council 8 with copies of the air quality tests conducted prior to and immediately after any asbestos abatement in any area, upon request, if such tests or reports are available to the College.

ARTICLE 40

TECHNOLOGICAL CHANGES AND RESTRUCTURING

Section 40.1. The College reserves the right to introduce technological changes into the workplace. However, consistent with this right, it is the intent of the College, in the event that the College introduces significant technological changes that eliminate positions or classifications to give the Union written notification of the possibility of such changes sixty (60) days in advance of the proposed effective date. The employee or employees affected and the Union will be given written notice of the actual implementation of such significant technological changes fourteen (14) calendar days in advance of the change. The College will meet and discuss with the Union concerning the effect of such changes on the members of the bargaining unit.

Section 40.2. In the event the College introduces significant new automated equipment or technological changes which eliminate an employee's position while creating other new positions, the new positions will be filled in accordance with the permanent promotion procedure contained in this collective bargaining agreement. Employees whose positions are eliminated and who do not successfully bid on any newly created positions shall be entitled to resort to the remedies under the layoff procedures contained within this collective bargaining agreement.

Section 40.3. In the event the College introduces significant new automated equipment or technological change to an existing position or classification, the College shall provide appropriate training for the incumbent(s) in order that they can properly use the equipment required by the specific position.

ARTICLE 41

TRAINING AND PROFESSIONAL DEVELOPMENT

Section 41.1. The College agrees to provide opportunities which promote continuing education training and upgrading of employees. These opportunities will enable employees to increase knowledge and skill and advance career goals.

Section 41.2. The Union may advise and consult with the Office of Human Resources on the possible development, content and format of career advance programs, courses and workshops to be made available to the bargaining unit employees.

Section 41.3. The College will continue to pay the registration fee, travel per diem and release time for professional development conferences, seminars, etc. pertaining to an employee's job.

Attendance at such functions may be required by the College and in any event must be approved by the College. Whether or not an employee attends such functions is a decision within the sole discretion of the College. However, where the College requires a bargaining unit employee to attend such a function during what are normally non-working hours, then that employee will be paid at the appropriate rate for the time during which he/she actually attends said function.

Section 41.4. All full-time and part-time police officers shall be paid their appropriate hourly rate for all hours engaged in College-ordered weapons qualification.

Section 41.5. Should a Police Officer not qualify under the firearm qualification standard said Police Officer shall be demoted to an unarmed Security Officer classification until such time as the employee is able to qualify, but not to exceed three (3) months.

ARTICLE 42

HEALTH CARE COMMITTEE

Section 42.1. The parties agree to establish a health care committee with representation of two (2) members from the bargaining unit. Release time will be granted for all appointed representatives to participate in the meetings. Meeting dates will be established by the committee as needed, but no less than one per semester. The committee will make recommendations to the Vice President Human Resources or designee.

ARTICLE 43

SUCCESSOR

Section 43.1. The provisions of this Agreement shall be binding upon the College and its successors. This Agreement shall cover all future locations which the College may operate during the term of this Agreement. The parties acknowledge that each future location will have unique circumstances that may limit the College's control over that particular location and/or certain portions of a location that may be a component of a partnership with another organization. The parties agree to discuss future locations with the union in labor-management meetings.

ARTICLE 44

DURATION

Section 44.1. This Agreement shall be effective from the date of ratification of this Agreement until midnight on June 30, 2020 and thereafter, from year to year, unless at least ninety (90) days prior to said expiration date, or any anniversary thereof, either party gives timely written notice to the other of an intent to negotiate on any or all of its provisions.

Section 44.2. Upon timely written notice of an intention to reopen negotiations, an initial conference will be arranged no later than forty-five (45) days prior to the termination date of the Agreement. Nothing in this section shall be deemed to prevent an agreement between the College and the Union to extend the termination date.

IN WITNESS WHEREOF, the parties have hereunto set their hands.

APPENDIX G

RULES FOR MEDIATION

Mediators will be asked to provide a schedule of available dates and cases and mediation sessions will be scheduled in a manner which assures that the mediator will be able to handle multiple cases on each date unless otherwise mutually agreed.

Representatives designated by each party shall have the right to be present at the mediation conference. Each party will have a representative vested with full authority to resolve the issues being considered.

The mediator may employ all of the techniques commonly associated with mediation including private caucuses with the parties, but the taking of oaths and the examination of witnesses shall not be permitted and no verbatim record of the proceeding shall be taken. The purpose of the mediation efforts is to reach a mutually agreeable resolution of the dispute. There will be no procedural constraints regarding the review of facts and arguments. There will be no formal evidence rules. Written materials presented to the mediators will be returned to the party at the conclusion of the mediation conference.

Mediation efforts will be informal in nature and shall not include written opinions or recommendations from the mediator. In the event that a grievance that has been mediated is appealed to arbitration, there shall be no reference in the arbitration proceeding to the fact that a mediation conference was or was not held. Nothing said or done by the mediator may be referenced or introduced into evidence at the arbitration hearing. Nothing said or done by either party for the first time in the mediation conference may be used against it in arbitration.

At the mediation conference the mediator shall first seek to assist the parties in reaching mutually satisfactory settlement of the grievance with the parameters of the collective bargaining agreement. If a settlement is reached a settlement agreement will be entered into at the mediation conference. The mediator shall not have the authority to compel; the resolution of the grievance.

If a grievance is unresolved at the end of the mediation session the mediator will provide an oral advisory opinion as to how the grievance is likely to be decided if it is presented at arbitration. This opinion is non-binding and inadmissible in any subsequent proceeding.

Appendix I

FAMILY AND MEDICAL LEAVE

The Family and Medical Leave Act (FMLA) does not invalidate any provision of the collective bargaining agreement. Below are outlined the major points of the FMLA, including the agreements between the College and the Union on any discretionary items in the FMLA.

A. Types of FMLA Leave.

1. Eligible bargaining unit employees so electing shall, upon written request or with verbal notification if written request is not practical, be granted an FMLA leave of absence without pay for up to, but no more than twelve (12) work weeks, for the following reasons:
 - (a.) birth of a son or daughter and in order to care for such son or daughter within 12 months of birth (birth leave);
 - (b.) the placement of a son or daughter for adoption or foster care within 12 months of placement (placement leave);
 - (c.) care of a spouse, son, daughter, or parent, if such individual has a "serious health condition" (family health leave);
 - (d.) the employee's own "serious health condition" which makes the employee unable to perform the functions of his/her position (employee health leave).
 - (e.) a "qualifying exigency" arising out of the fact that the employee's spouse, son, daughter or parent is on active duty or call to active duty status as a member of the National Guard or Reserves in support of a contingency operation (military leave).
2. Pursuant to FMLA, the College will grant an eligible employee, up to twenty-six (26) work weeks of unpaid leave, to care for a spouse, child, parent or next of kin (nearest blood relative) who is:
 - (a.) an Armed Forces member (including the military reserves and National Guard) undergoing medical treatment, recuperation, or therapy, is otherwise in an outpatient status, or is otherwise on the temporary disability retired list with a serious injury or illness incurred or aggravated in the line of duty while on active duty that may render the individual medically unfit to perform his or her military duties; or

(b.) a person who, during the five (5) years prior to the treatment necessitating the leave, served in the active military, Naval, or Air Service, and who was discharged or released therefrom under conditions other than dishonorable (a “veteran” as defined by the Department of Veteran Affairs) and who has a qualifying injury or illness incurred or aggravated in the line of duty while on active duty that manifested itself before or after the member became a veteran (Military Caregiver Leave).

3. An eligible employee is entitled to a combined maximum of twenty-six (26) work weeks of FMLA leave in a single 12-month period.

B. **Definition of "serious health condition"**. Under FMLA, “serious health condition” means an illness, injury, impairment, or physical or mental condition that involves either:

1. Inpatient care (*i.e.*, an overnight stay) in a hospital, hospice, or residential medical-care facility, including any period of incapacity (*i.e.*, inability to work, attend school, or perform other regular daily activities) or subsequent treatment in connection with such inpatient care; or

2. Continuing treatment by a health care provider, which includes:

(a.) A period of incapacity lasting more than three consecutive, full calendar days, and any subsequent treatment or period of incapacity relating to the same condition that also includes:

i. Treatment two or more times by or under the supervision of a health care provider (*i.e.*, in-person visits, the first within 7 days and both within 30 days of the first day of incapacity); or

ii. One treatment by a health care provider (*i.e.*, an in-person visit within 7 days of the first day of incapacity) with a continuing regimen of treatment (*e.g.*, prescription medication, physical therapy); or

(b.) Any period of incapacity related to pregnancy or for prenatal care. A visit to the health care provider is not necessary for each absence; or

(c.) Any period of incapacity or treatment for a chronic serious health condition that continues over an extended period of time, requires periodic visits (at least twice a year) to a health care provider, and may involve occasional episodes of incapacity. A visit to a health care provider is not necessary for each absence; or

(d.) A period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective. Only supervision by a health care provider is required, rather than active treatment; or

(e.) Any absences to receive multiple treatments for restorative surgery after accident or other qualifying injury or for a condition that would likely result in a period of incapacity of more than three consecutive days if not treated.

C. **Request for Leave.** Request for such leave must be submitted in writing to the College's leave administrator at least thirty (30) days before the leave is scheduled to begin, or as soon as it is practicable if the need for leave is not foreseeable. The employee is required to provide:

1. Medical certification supporting the need for leave due to a serious health condition affecting the employee or an immediate family member.
2. Appropriate Armed Forces documentation supporting the need for a "qualifying exigency".
3. Periodic reports, not more often than every 30 days, during FMLA leave regarding the employee's status and intent to return to work.

D. **Eligibility.** Bargaining unit members who have completed twelve (12) months of service with the College, which need not be consecutive, and have completed at least 1250 hours of service during the previous twelve (12) month period shall be eligible for FMLA leave.

E. **Designating FMLA Leave.** Employees requesting an FMLA leave must first use accrued paid leave benefits, if applicable, such as sick leave, and vacation (if applicable), and Employee may take personal leave at their own option. The accrued paid benefits will be deducted from the FMLA twelve-week entitlement. Only applicable sick leave of more than five (5) consecutive work days will be deducted from the twelve-week FMLA entitlement except in the case of an intermittent/reduced FMLA leave schedule. The unpaid FMLA leave will only become effective after all applicable paid benefits have been exhausted.

F. **Intermittent/Reduced Leave Schedule.** FMLA leave may be taken intermittently or on a reduced leave schedule under the following circumstances:

1. to care for a sick family member when medically necessary;
2. for an employee's own serious illness when medically necessary;
3. for a birth or placement of a child for adoption or foster care within twelve (12) months of birth or placement with the approval of the College.

(a.) "Intermittent leave" is taken in separate blocks of time due to a single illness or injury

(i.e., leave for medical appointments, physical therapy, chemotherapy, etc.) spread over a period of time. "Reduced leave schedule" is a leave schedule which reduces the usual number of hours per work week or hours per day worked by the employee.

(b.) The College may temporarily transfer an employee on intermittent or reduced leave schedule to a vacant bargaining unit position for which the employee qualifies and at the equivalent pay, benefits, and terms and conditions of employment by mutual agreement of the College and AFSCME. Once the intermittent or reduced leave schedule has been completed, the employee must be transferred back to the same position that the employee held prior to taking the FMLA leave or to an equivalent position.

- G. **Return to Work.** Any employee taking an unpaid FMLA leave shall, upon return from the leave, be restored to the position of employment held by the employee when the leave commenced; or to an equivalent bargaining unit position with the equivalent pay, benefits and other terms and conditions of employment. If the leave exceeds the maximum time allowed by the FMLA, an attempt will be made to place the employee in the same position, but where this is not possible or practical, the employee will be offered another position for which the employee is qualified as soon as one is available.
- H. **Insurance.** For an employee on FMLA leave , the College will continue to pay its portion of the costs of health and life insurance benefits and the employee will continue to pay her/his portion. Arrangements will be made for the employee to pay his/her share of health insurance premiums while on leave. After the expiration of the approved FMLA leave, if the employee remains on leave, which is unpaid and does not qualify under STD or other College approved sick leave, the employee is required to pay the full amount of the costs for continued coverage including the employee's share and the employer's share of the cost. The College may recover premiums it paid during an employee's unpaid FMLA leave to maintain health coverage for an employee who fails to return from FMLA leave, unless
1. the employee provides certification that he/she failed to return because of an occurrence that, but for the expiration of the employee's FMLA leave, would qualify for unpaid leave under FMLA; or
 2. the employee failed to return due to circumstances beyond his/her control.
- I. **Certification.** The College will require written certification, on a form substantially the same as the applicable U.S. Department of Labor Forms, by a health care provider of the need and purpose of the leave for a FMLA family or employee health care leave.

The College has the right to require the employee to obtain the opinion of a second health care provider designated or approved by the College in the event the College has reason to doubt the validity of the written certification provided by the employee.

The College will pay the costs associated with obtaining the second opinion. In a case in which the second opinion differs from the opinion in the original written certification, the College has the right to require that the employee obtain the opinion of a third health care provider mutually designated or approved by the College and the employee. The College will pay the costs associated with obtaining the third opinion. In that case, the opinion of the third health care provider shall be considered final and binding.

- J. **FMLA Period.** An employee is entitled to FMLA once every 12 months based on a rolling calendar year. The College shall compute the twelve (12) month period as calculated retroactively from the date the leave commences.
- K. **Notice of Employee Rights.** When an employee gives notice of the need for FMLA leave, the College shall provide the employee with a notice substantially the same as U.S. Department of Labor Form W-H 381 containing at least the following specific information:
1. whether the leave requested qualified as FMLA leave, including a statement similar to that appearing on Form W-H 381, regarding why leave does not qualify;
 2. that the leave will be counted against the employee's annual FMLA leave entitlement;
 3. any requirement that the employee provide medical certification;
 4. that the employee must use applicable substitute accrued paid leave and have it considered FMLA leave;
 5. whether the employee will be required to make premium payments, and, if so, how the payments must be made;
 6. whether the employee will be required to present a fitness-for-duty certificate in order to be restored to employment;
 7. that the employee has the right to be restored to the same or an equivalent position upon return from FMLA leave;
 8. the employee's potential liability for the payment of health premiums paid during the employee's FMLA leave if the employee does not return to work after taking FMLA leave; and

9. that the College may require employees on FMLA leave to report periodically, but not unreasonably, on their status and intent to return to work. If an employee provides an unequivocal notice of his/her intent not to return to work, the College's obligations under the FMLA to maintain health benefits (subject to COBRA requirements) and to restore the employee to his/her previous position cease.

L. **Restrictions on Leave Where Spouses are Employed by the College.** A husband and wife who are eligible for FMLA leave and are employed by the College are permitted to take only a combined total of twelve (12) work weeks of leave during any 12-month period if the leave is taken:

1. for birth of a son or daughter or to care for the child after birth;
2. for placement of a son or daughter for adoption or foster care, or to care for the child after placement; or
3. to care for a parent (but not a parent "in-law") with a serious health condition.

In addition, the spouses will be limited to a total of twenty-six (26) work weeks off between the two when the leave is for Military Caregiver Leave only or is for a combination of Military Caregiver Leave, Military Emergency Leave, leave for the birth and care of a newborn child, placement of a child for adoption or foster care, or to care for a parent who has a serious health condition.

M. **Absence Report.** Any absence approved for FMLA leave must be so indicated on the employee's absence report in the appropriate paid or unpaid column.
