**NORTHWOOD LOCAL SCHOOL DISTRICT BOARD OF EDUCATION/
NORTHWOOD LOCAL SCHOOL SUPPORT PERSONNEL/OEA/NEA**

This AGREEMENT made and entered into by and between the Board of Education of the Northwood Local School District and the Northwood Local School Support Personnel/OEA/NEA, as follows:

PURPOSE STATEMENT

The Board, Administration, Teachers and Staff will devote their best mutual efforts to provide the students of the District an excellent education in an environment that promotes the development of responsible young adults equipped with the skills and motivation to contribute positively to the greater community.

ARTICLE I

NEGOTIATING PROCEDURES

1.1 Recognition

The Board recognizes the Northwood Local School Support Personnel-OEA-NEA as the sole and exclusive representative for members of the bargaining unit, which shall consist of all nonteaching employees of the Board including, but not limited to, food service employees, bus drivers, mechanics, study hall monitor, aides, library aides, custodians and maintenance employees.

Excluded from the bargaining unit are: Treasurer, Treasurer's Assistant, Cafeteria Manager, Secretaries, substitutes, seasonal employees, students, confidential, supervisory or management level employees as defined in 4117.01 of the Ohio Revised Code.

All employees of the bargaining unit as described herein are entitled to all rights, benefits, and privileges, and are subject to all duties, responsibilities and obligations of this Contract unless otherwise specified.

The Union recognizes the Board as the legally-elected body, which, according to the Ohio Revised Code, has final authority and sole responsibility of establishing district policy.

The Union recognizes that the Board has the right to establish new positions, job descriptions, hours worked and wages. Said positions will be members of the Union unless they are supervisory in nature.

The Board and the Union recognize the Superintendent as the Chief Executive Officer of the school system.

1.2 Statement of Principles

1. The Board of Education of the Northwood Local School District, hereinafter referred to as the “Board,” and the Union state that the purpose of the procedures established in this Agreement is to promote harmonious and cooperative relationships between the Board and its non-certificated employees and to protect the public and the welfare of Northwood School children by assuring orderly and uninterrupted operation of the public school system. For, and in aid of that purpose, the principles stated in succeeding sections of this article shall govern the interpretation and application of the remaining provisions of this Agreement and the procedures set forth therein.
2. It is recognized that sole authority to resolve any matter which may be a subject of negotiation is reposed in the Board and the unitary function of the procedures established by this Agreement is to assure consultation between representatives of the Board and representatives of its non-certificated employees precedent to Board discharge of its decision-making responsibility. Compliance with the procedures set forth in this Agreement will constitute the consultation contemplated by the parties as a predicate to Board determination of any issue which may be a subject of negotiation.
3. The terms of this Agreement, and the procedures established therein, shall not prevent, and shall not be construed to prevent, the Board from performing its obligations within such time and in such manner as may be required by law, nor from making such determinations and taking such actions preliminary thereto as may be required to ensure timely compliance with the requirements of law.

1.3 Subjects of Negotiation

Representatives of the Board and the Union will negotiate all matters concerning salaries and such other terms and conditions of employment with the authority of the Board to resolve as the parties may agree are proper subjects of negotiation.

1.4 Requests for Negotiation

1. Upon request of either party for a meeting to open negotiations, a meeting date shall be set within fifteen (15) days following such request. All proposals for negotiations by the Union shall be submitted in writing at the first meeting and the Board shall submit in writing to the Union representatives all of its proposals for negotiations no later than the second meeting. No additional proposals shall be submitted by either party following the designated meeting unless agreed to by both parties. Neither party is obligated to meet sooner than ninety (90) days prior to the expiration date of any current agreement.

2. Proposals shall in form and detail specify that to which agreement is sought in terms acceptable to the proponent without clarification or supplementation which, if agreed to by the other party, shall express the whole agreement between the parties with respect thereto. Topical listings of items proposed for negotiation (“laundry lists”) shall constitute a clear failure of compliance with this requirement and may be disregarded.

1.5 Negotiation Meetings

1. Negotiation meetings shall be scheduled at the request of the parties, and, until negotiations are concluded, either party may require at each meeting a decision on the date, time, and place of a subsequent meeting.
2. Meetings shall be scheduled at reasonable intervals, places and times and to avoid conflict and interference with school and employment schedules.
3. Negotiation meetings shall be closed to the press and the public.
4. Either party may recess for caucuses of reasonable length at any time.

1.6 Representation

Representation at negotiation meetings shall be limited to five (5) representatives of the Board and five (5) representatives of the Union. If the Chief Negotiator for either team is unable to be present at the negotiating session, the other shall be notified as soon as possible and the meeting shall be rescheduled. The selection of the negotiation teams shall be the sole right of each respective party. All negotiations shall be conducted exclusively between said teams.

1.7 Agreement

1. Tentative agreement on negotiation items shall be reduced to writing and initialed by the representatives of each party, but such initialing shall not be construed as final agreement.
2. Final agreement reached through negotiation shall be reduced to writing and submitted to the personnel represented by the Union for approval, and all of the Union negotiators shall recommend and urge approval. Upon approval by the personnel represented by the Union, the Agreement shall be submitted to the Board for approval, and all of the Board’s negotiators shall recommend and urge approval. If approved by both parties, the Agreement shall then be signed on behalf of the parties, and shall be adopted in resolution form as the policy of the Board.

1.8 Disagreement

In the event the parties cannot reach an agreement, either party can declare impasse; at which time, a Federal Mediator shall be requested to mediate the issues not resolved. The role of the mediator shall be that of a facilitator. Any suggestions, comments or opinions shall in no way be binding on either party.

Following good-faith efforts by the parties at mediation, should the mediator or either party determine that an impasse still exists, the parties shall proceed to fact-finding in accordance with Ohio Revised Code Section 4117.14(C)(3) and shall thereafter follow the negotiating procedures set forth in Ohio Revised Code Section 4117.14.

ARTICLE II

GRIEVANCE PROCEDURE

A grievance is defined as an alleged violation of a specific article or section of this Agreement or the application of or the interpretation of Board of Education policies which conflict with provisions of this Agreement. If any such grievance arises, there shall be no stoppage or suspension of work of the employee(s) because of such grievance. Such grievances shall be submitted on the prescribed form which shall be available in the school office and from the NLSSP building representative.

The term “grievance” shall not apply to any matter in which the Board of Education is without authority to take final action. A grievance is defined as an alleged violation by a bargaining unit member, members, or the NLSSP of a specific article or section of this Agreement or the application of or the interpretation of Board of Education policies. The term “Grievant” means a bargaining unit member, members, or the NLSSP.

A “party in interest” is the person(s) making the complaint and any person who might be required to take action or against whom action might be taken to resolve the complaint. Beyond Level I, any “party in interest” may be accompanied by a person(s) of their choice. An NLSSP representative will be permitted to attend all meetings that involve the resolution of the grievance.

The term “days,” when used in this document, shall exclude weekends, vacation days, summer recess, spring break, Christmas break, and holidays on which there is no school.

The failure of the grievant to act on any grievance within the prescribed time limits will act as a bar to any further consideration of the grievance, and any administrator’s failure to give a decision within the time limit prescribed for one level permits the grievant to proceed to the next level. The time limits, however, may be extended by mutual agreement in writing.

Step 1 (Local School)

Within ten (10) working days of the time a grievance arises, the employee shall first discuss the grievance with their principal or appropriate supervisor. If the Employer fails to correct the reported violation or fails to respond in any fashion within ten (10) working days of the informal meeting, then the employee may proceed to Step 2.

Step 2 (Local School)

The employee will present the grievance in writing to his/her supervisor or appropriate administrator within ten (10) working days of the Step 1 response. Within ten (10) working days of the receipt of the written grievance, the supervisor or administrator shall give his/her answer in writing to the Union and employee.

Step 3 (Central Office)

In the event a grievance has not been satisfactorily resolved at Step 2, the grievant may file, within ten (10) working days of mailing or hand delivery of Step 2 answer to the employee and the Union representative, a copy of the grievance report form with the Superintendent of schools. At this time, the appropriate administrator must be served written notice of this appeal by the grievant. The Superintendent shall conduct the hearing or designate an appropriate administrator to conduct the hearing on the written grievance at which time information may be presented by the grievant and person against whom the grievance was filed. This hearing shall be held within ten (10) working days after the receipt of the grievance by the Superintendent. The Superintendent and/or the designated administrator shall render a decision in writing within ten (10) working days following the hearing. Copies of the written decision shall be forwarded to the grievant and the building principal or other appropriate administrator and President of NLSSP.

Step 4 (Board of Education)

If the grievance has not been satisfactorily resolved at Step 3, the grievant may file, within ten (10) working days of receipt by mail or hand delivery of Step 3 answer, a copy of the appropriate grievance report form with the Board of Education. Said copy shall be sent to the Superintendent, President of the Board of Education, and Treasurer of the Board of Education. The Board of Education, no later than its next regular meeting or ten (10) working days of receipt of Step 3 answer, whichever shall be later, will hold a hearing on the grievance. The hearing shall be conducted through submission of oral presentation at Board level. A member of the Board of Education will preside over the deliberations. Due process will be provided. Disposition of the grievance in writing, by the Board of Education, shall be made no later than ten (10) working days thereafter. A copy of such disposition shall be forwarded to the grievant, building principal, designated central office administrator, and President of NLSSP. In the event the grievant and/or NLSSP disagree with the disposition of the Board of Education, they must notify the Board within ten (10) working days of receipt of the Board's disposition of their intent to petition for binding arbitration. The Local has thirty (30) calendar days from the date of

the Board disposition to appeal their case by petitioning the American Arbitration Association to provide a list of seven (7) arbitrators.

Step 5 (Binding Arbitration)

- A. The decision of the Arbitrator shall be final and binding upon both parties and shall be complied with within thirty (30) calendar days unless otherwise mutually agreed upon by the Board of Education and NLSSP.
- B. The expenses and compensation of the Arbitrator shall be solely paid by the group whom the decision is rendered against. In the case of a split decision, the Arbitrator will determine the portions paid by the parties.
- C. The sole power of the arbitrator shall be to determine if the terms of this Agreement have been violated, and the arbitrator shall have no power or authority to make any decision which modifies, alters or amends the terms of this Agreement or which is a violation of the terms of this Agreement.

ARTICLE III

CONDITIONS OF EMPLOYMENT

3.1 Agency Shop

Each employee covered by this Agreement, with the exception of Treasurer, Assistant to Treasurer, Supervisor of Food Services, Secretaries, and any present employee who was not a member of NLSSP prior to September 1, 1997, who fails voluntarily to acquire or maintain membership in the Union, shall be required after the probationary period provided in this Agreement or sixty (60) days following the beginning of employment, whichever is less, or the effective date of this Agreement, whichever is later, to pay the Union a fair-share fee, which shall not exceed the dues paid by members of the Union who are in the bargaining unit covered by this Agreement; provided that any employee who has been declared exempt for religious convictions by the State Employment Relations Board shall not be required to pay said fair-share fee. However, such employee shall pay, in lieu of such fair-share fee, on the same time schedule as Union dues are payable, an amount of money equal to such fair-share fee to non-religious charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Code, mutually agreed upon by such employee and the Ohio Education Association State Treasurer. Such employee shall furnish to the Union State Treasurer written receipts evidencing payment to such agreed-upon non-religious charitable fund. Failure to make such payment or furnish such receipts as proof of payment shall subject such employee to the same sanctions as would non-payment of Union dues under the Agreement.

On the effective date of this Agreement and for employees hired after the effective date of the Agreement sixty (60) days following the beginning of employment, employees in the unit who are not members of the Union shall pay to the Union a fair-share fee as a condition of employment with the Employer. Such fair-share fee shall not exceed dues paid by members of the Union who are in the bargaining unit. The Union shall notify the Employer of the fair-share fee amounts in the same manner as notification of amounts and changes in the amounts of dues deductions.

Fair-share fees shall be deducted from the payroll checks of the employees in the same manner as regular membership dues are deducted and forwarded by the Employer to the Union in the same manner except that written authorization for deduction of fair-share fees is not required.

In the event the laws of Ohio governing Union security are changed during the term of this Agreement to permit other forms of Union security, the Employer agrees to meet with the Union, upon its request, for the purpose of negotiating a new Union security provision to be incorporated in this Agreement.

3.2 Transportation

1. In order to ensure job opportunity and preference, the bidding procedure for bus routes, field trips, athletic trips and extra runs is defined as follows:
 - a. All bus drivers will be afforded the opportunity to assist in developing bus routes;
 - b. All bus drivers will receive the route schedule two (2) weeks prior to bidding;
 - c. Bus routes will be bid as soon as they are ready prior to the first week of August;
 - d. Bus drivers shall be present during the biweekly bidding procedure for field trips, athletic trips and extra runs to indicate their choice, unless they are forced to leave work during the day of the bidding procedure due to a substantiated illness or injury, unforeseen emergency or driving a route or field trip, in which case the bus driver may bid by proxy. Those drivers who elect to submit their choices in writing waive all rights to challenge the completed bid roster;
 - e. A driver must have completed and returned their medical form to the Superintendent before being permitted to bid on a route;
 - f. The Superintendent or his or her designee will provide a list of students on each individual route prior to bidding;

- g. Regular routes have priority over field trips or any other trips; routes will not be doubled to accommodate field trips -- special trips are excluded. Whenever a field trip is or exceeds six (6) hours or is an overnight trip, regular drivers may bid for the field trip in lieu of regular routes;
- h. Once a route is bid, the said driver will drive that route until the driver resigns or transfers; if a driver wishes to transfer routes they must notify the Superintendent in writing;
- i. Drivers will continue to use the bus that they previously drove when changing routes at the start of a new school year, unless the bus assigned to a particular route has been assigned to accommodate special circumstances. Drivers changing routes in mid-year will drive the bus assigned to the route;
- j. Whenever a vacancy occurs in the transportation department, the position shall be posted and bid according to seniority; and
- k. Regular routes will be bid every three (3) years, beginning with the 2017-18 school year, unless rebidding is required during the intervening years because of major route changes.
- l. Prior to bidding, all routes shall be timed and equalized as much as possible.
- m. The regular workday for bus drivers on regular routes shall be two (2) hours in the morning and two (2) hours in the afternoon.

2. Bidding

All extra trips will be posted and bid on Monday. If a driver is unable to be present at the Monday bid because he or she is on a school-sanctioned trip or his or her regular route, the driver must submit his or her bid in writing, if the driver wishes to bid. If a driver does not work on the morning of bid day, the driver may not bid on any field trips. When the bidding process is finished, regular drivers have the first choice of any trips not selected through the bid process prior to substitutes being called. If additional trips are posted during the week, the drivers may bid the trip according to rotation. If a trip is canceled and rescheduled for another time, the trip is placed on the Monday bid sheet.

Employees shall be notified of any new trip that comes in AFTER the Monday morning bidding no later than 9:00 a.m. on the following day, and anyone interested in the posted trip shall contact the transportation coordinator/Superintendent's secretary by 10:00 a.m. on the second consecutive following day.

Employees shall be notified of any new trip that comes in AFTER the Monday morning bidding that is to occur prior to 10:00 a.m. on the second consecutive following day before 1:30 p.m. Anyone interested in the posted trip shall contact the transportation coordinator/Superintendent's secretary by the time indicated by the bid notice.

When a message is left for a driver regarding a new trip that is to occur no sooner than the second consecutive day following the day the message is left, the employee shall be allowed up to three (3) hours to respond to the message.

Only the driver and his/her spouse may respond as to whether the driver wishes to take any new trips that come in after the Monday morning bidding.

Trip bid sheet shall be made available to each driver on Friday morning before the following Monday bid.

Drivers who are scheduled to drive a field trip and cancel within four (4) days of the trip shall forfeit their bid in rotation on next bid trip, unless an exception is made by the Superintendent or the cancellation was due to an illness.

Bus trips that are not regular runs that are To Be Announced (TBA) shall include the approximate time of the run, if the approximate time of the run is known at the time of the posting.

Any field trip that has been bid and is on the bid sheet but is subsequently canceled and rescheduled within the two-week bid session will automatically remain the bid for the driver who initially bid it, subject to the following exception. If the rescheduled field trip is scheduled on a date on which the driver already has a field trip, the driver will then forfeit the rescheduled field trip.

If an additional field trip comes in after the bidding process and that trip is to occur on the same day a driver is to take a rescheduled trip in accordance with the foregoing paragraph, the driver must take the rescheduled trip and may not take the additional trip, subject to the following exception. If the driver who is to take the rescheduled trip is first in rotation on the bid sheet and can take the additional trip without any conflict with the timing of the rescheduled trip, the driver can bid to take the additional trip.

3. Bus runs which are run when Northwood Schools are not in session shall be posted and assigned on the same basis as field trips. The exception to this position shall be the Penta and Parochial routes. The regular route driver will drive on those days when Northwood is closed and shall be compensated at their daily rate.

4. Regular drivers are given first priority in bidding field trips as long as the trip does not interfere with the regular route. A regular driver is someone who drives an established route on a daily basis.
5. All accidents, student misconduct, which cannot successfully be handled by the driver, mechanical problems, parental concerns and traffic violations are to be reported to the proper administrator immediately. If the problem occurs on Friday, the incident shall be reported to the appropriate administrator immediately by phone.
6. Any special trips (overnight), are not subject to the field trip rate of pay. The Union recognizes that the Board has the right to establish a fair flat rate for said trip. Lodging/meals for drivers will be paid by the Board of Education.
7. The Superintendent has the right to reorganize routes to accommodate special events, examination schedules or other school activities. If the reorganization of routes causes the driver to exceed their two hours of driving in the A.M. or P.M., said drivers will be compensated on an hourly basis.
8. Whenever a field trip is canceled without one hour's notice, the driver will be paid two (2) hours' pay.
9. Bus Routes and Rosters

The Superintendent shall provide each driver with a map of directions and bus stops. The driver is responsible for knowing the students who ride their bus in the morning and afternoon.

The Transportation Coordinator/Secretary will be responsible for maintaining a roster of student riders. The Transportation Coordinator/Secretary shall provide each driver with a current roster for their routes. Drivers shall be responsible to provide updated rosters with name and address changes and deductions to the Transportation Secretary.

If a regular route is reduced in half or increased past four and one half (4 1/2) hours, the route shall be posted for re-bid.

Any retroactive adjustment in pay attributable to a change in the bus driver's workday shall be paid in a check separate from regular payroll payments, which shall be issued on the first regular payday following authorization of such retroactive adjustment by the Board.

10. Seniority Lists for Field Trips/KDN Runs/Regular Routes

1. There will be one seniority list for field trips and to substitute on KDN runs/regular routes. The first person on the list after Monday morning

bidding on field trips will have the first option to substitute if one is needed on a KDN run/regular route. If a substitute is needed on the following consecutive days on the same KDN run/regular route, the person who takes the KDN run/regular route on the list will continue in that substitute assignment.

2. If a substitute is needed on subsequent nonconsecutive days in a particular week on the same KDN run or regular route or is needed on another KDN run or regular route in that week, such substitute assignment(s) will be given to the next and succeeding persons on the bidding list.
3. If a driver knows in advance of a given week that he/she will be absent two (2) or more consecutive days in the week, it will be put on the bid sheet prior to Monday morning bidding, and the driver who bids on it will hold that substitute assignment for that week. If the absence continues without interruption into succeeding weeks, it will be rebid each week.
11. On days when school is delayed due to inclement weather, drivers shall be notified of the delay by 6:30 a.m. when possible to do so. It is understood that schedule changes due to unforeseen events will be made when they need to be made by the administration.
12. If a driver's shift has started prior to the announcement of a school delay or closing, the driver shall be paid a minimum of one (1) hour's pay.
13. School vans transporting students can only be driven by a school bus driver with a CDL license employed by the Northwood Local Schools. If more than nine students are to be transported to sports or other school-sponsored trips, they shall be driven by a school bus driver with a CDL license employed by the Northwood Local Schools, except in the case of trips that have previously been transported in chartered vehicles. If nine or less students are to be transported to sports or other school-sponsored trips, private vehicles may be used. No bargaining unit members will transport students in their private vehicle.
14. Drivers who are required by the Superintendent or his designee to double their routes due to the absence of a driver will receive an added daily stipend of Ten Dollars (\$10.00), which shall be due irrespective of whether the driver takes one or more doubled routes.
15. Drivers may take a reasonable period of time to leave to eat on field trips, provided that the scheduling of the meal period is coordinated with the teacher/coach/chaperone supervising the trip and the driver notifies the teacher/coach/chaperone where he/she will be eating.
16. During periods of their regular workday (two hours in the morning and two hours in the afternoon) when drivers are not driving, they shall be expected to perform

routine cleaning of the buses, complete paperwork, fuel their buses and attend to other similar duties.

17. While operating buses, drivers shall be expected to wear closed-toe and heel shoes.
18. Protocol for Bus Drivers When Northwood Schools is Not in Session
 1. The driver who has originally bid and been assigned the route has the first choice to drive or not to drive. It is the ultimate responsibility of this driver to drive this route.
 2. If this driver does not wish to drive on a day when Northwood is not in session, the route will be put out to bid.
 3. If all association members decline to drive the route, a substitute will be secured if available.
 4. In the event no other driver can be secured, the regularly scheduled driver will have the responsibility of driving as scheduled.
 5. A.M. Runs-Regular drivers who transport Parochial or Penta students from the main campus to their schools will need to drive in the morning when Northwood is not in session. Drivers of Special Needs students will pick them up at their homes and transport them to their regular destination. Driver(s) of Penta and Parochial students will pick them up at designated locations in their neighborhoods.
 6. P.M. Runs-Regular drivers assigned to those routes which pick up children at either Parochial, Special Needs, or Penta will deliver those children to their homes. No additional drivers will be assigned to drive on these days.

3.3 Building Checks

1. The Superintendent or his/her designee may direct a custodian or cleaner to conduct a building check. Such checks are usually for the purpose of inspecting building security problems. However, a check may also be required for building maintenance.
2. The custodians or cleaner will be guaranteed a minimum of one (1) hour's work for each check performed. He/she shall be required to record arrival and departure times through the use of building time clock. Work performed under this section shall be paid at the affected employee's straight time hourly rate unless the work requires the employee to exceed his/her forty (40) hours per calendar week load in which case he/she shall be compensated at one and one-half (1-1/2) times his/her hourly rate of pay.

- a. If the employee elects to take compensatory time off in lieu of overtime pay, such compensatory time shall be granted on a time and one-half basis.
- 3. Whenever a furnace check is required or requested, the appropriate administrator or supervisor and custodian shall mutually agree what criteria is to be used for checks.

3.4 Length of Contract Year

The length of the contract for classified personnel are:

- 1. Bus Driver 181 days + 11 Paid Holidays + Special, Parochial and Penta runs
- 2. Cleaning Personnel 181 days + 11 Paid Holidays
- 3. Custodians/Assistant

The normal workweek shall be Monday through Friday, eight (8) hours a day and forty (40) hours a week for employees working a contract year less than twelve (12) months. For employees working a schedule based upon a full calendar year or twelve (12) months, the normal workweek shall be forty (40) paid hours per week, and the normal workday shall be eight (8) hours, including a half-hour paid lunch. It is recognized and agreed that Northwood employees may be required to work additional hours when necessary and no volunteers are available. Volunteers for additional hours will first be asked from the classification of the work for which additional hours are needed. If there are no volunteers from that

classification, volunteers from other classifications will be asked. If the supervisor finds no volunteers in either of these two groups, he/she may then select an employee for additional hours, provided there is an attempt to assign these hours in an equitable manner.

Beginning with the first Monday in July and ending with the last Friday in July, the workweek for 12-month employees may consist of four (4) days, ten (10) hours per day, including a thirty (30) minute paid lunch. Workdays under this alternate schedule shall be Monday through Thursday, and the workday shall begin at 6:00 a.m. and end at 4:00 p.m. If a holiday falls during this period, the workweek will consist of four (4) days, eight (8) hours per day, including a thirty (30) minute paid lunch. This alternate schedule may also be utilized in the months of June and August during periods when school is not in session with the prior approval of the Building Principal, provided that the schedule is coordinated in such a manner as to assure that activities in the building are properly accommodated.

Time and one-half shall be paid for approved time worked over forty (40) hours in any one (1) week. Anytime an employee of the bargaining unit is required to work on a Sunday, the employee shall receive double time. For purposes of computing overtime, compensatory time, holidays and calamity days shall be regarded as time worked.

When an employee is required to work on any paid holiday, he/she shall be granted pay at the rate of time and one-half plus the holiday pay, or he/she may choose to be granted compensatory time off at the rate of time and one-half his/her regular hours of employment plus holiday pay.

3.5 Discipline of Employees

For good and just cause, the administration may take disciplinary action against any employee.

Where appropriate, principles of progressive discipline will be followed. Normal progressive discipline is:

- a verbal warning,
- a written warning,
- a suspension of 1-3 days
- termination.

The circumstances of each offense must be taken into account. Some offenses warrant immediate termination; in other cases, several warnings or more than one suspension may be appropriate. Progressive discipline may be imposed for related or unrelated incidents by an employee.

In reviewing discipline to determine the penalty to be applied, consideration shall be given to the length of time that has elapsed since prior disciplinary action, if any.

3.6 Vacancies

1. Permanent Vacancy

When a vacancy occurs in classifications included in the bargaining units, a notice, for a period of five (5) working days, will be sent to employees using electronic communication. Whenever the vacancy occurs between the last day of school and August 10, the posting shall be for ten (10) days. All posting will include the position, wages, hours and job description or directions on where to find that information. Current employees of the District shall be given first consideration in the filling of vacancies. Positions will not be posted, nor will individuals who are not employed by the District be interviewed, unless no current employees apply or it is determined that no current employees who have applied are qualified to fill the vacancy as determined by the interview process.

If an employee covered by this Agreement is scheduled for an interview in connection with the filling of a vacancy, the employee shall be notified in writing in advance of any change in the interview schedule.

If the Board determines that a vacancy should be filled, reasonable efforts will be made to fill the vacancy within thirty (30) workdays.

Any employee within a classification who requests transfer will be given the position based on seniority. If no one within a classification applies and the qualifications of those outside the classification are determined equal by the Superintendent or said designee, the employee with the greatest length of seniority within the district will receive the transfer, provided the employee is qualified to fill the vacancy. Any employee who transfers from one classification to another classification shall have a thirty (30) workday trial period. In the event the employee is not able to satisfactorily perform the job, the Board may transfer the employee back to his or her prior classification.

2. Temporary Vacancy

When an employee is on a long-term leave of absence or sick leave lasting or expected to last more than thirty (30) workdays, the position shall be posted as a temporary vacancy and filled within five (5) workdays. Bargaining unit employees may bid on such temporary vacancy. Preference shall be given to the most senior within the same classification. If no one applies within the classification, then the position shall be filled by the most senior bargaining unit member who applies so long as the employee is minimally qualified. The determination of minimal qualifications shall be made by the Superintendent.

Once the temporary vacancy has been filled, any resulting vacancies shall be filled as determined by the Board.

An employee who fills a temporary vacancy shall have a thirty (30) workday trial period. In the event the employee is not able to satisfactorily perform the job, the Board may transfer the employee back to his or her prior position.

When the regular employee returns to work, the employee filling the temporary vacancy shall return to his or her regular position. If the regular employee does not return to work (retirement, resignation or death), a permanent vacancy is created and the position must be posted.

Any employee of the bargaining unit who fills a temporary vacancy or substitutes regardless of length of the vacancy, shall be paid at their current step in their present position.

3.7 Layoff/Recall

If the Board of Education decides to lay off employees in any classification included in the bargaining unit, they will do so beginning with the least senior employee in that classification. Classifications shall be defined as shown under the recognition clause of this document.

Seniority shall be defined as the uninterrupted length of continuous service with the Board in a particular job classification computed from the latest date of hire or appointment to their present classification. Authorized Leaves of Absence shall not be constituted as an interruption of continuous service.

An employee scheduled for layoff in one classification who also holds previous seniority in another classification shall have the right to bump the least senior employee in the former classification providing he/she has greater seniority than the current least senior employee. Such employee shall retain all previous seniority accumulated in that classification. The employee who elects to bump shall retain all rights to recall to the position in which the layoff occurred.

Any openings which occur in a classification from which employees are laid off shall be offered to the most senior employee on the layoff list before the next employee on the list may be considered. (Any employee who declines reinstatement shall be removed from the reinstatement name list.) Recalled employees must report to work within ten (10) days of notification unless an extension is granted by the Board.

The employees shall remain on the recall list for a period of two (2) years from their effective date of layoff. If reinstated from layoff during this period, such employee shall retain all previous accumulated seniority and a notice of reinstatement shall be made by certified mail. It is the responsibility of the employee to ensure that the Board has the correct address and phone number.

Nothing contained in this Agreement shall prevent the Board from complying with the requirements of federal or state laws pertaining to family or medical leaves of absence. The twelve (12) month period in which leaves may be taken under the Family and Medical Leave Act of 1993 shall run from July 1 of one calendar year to June 30 of the succeeding calendar year. However, if that is not possible, the member may call the day of the absence, provided he/she communicates the upcoming absence to the supervisor (or designee), rather than leaving a message on an answering machine.
4. Employees, upon approval of the responsible administrative officer of the District, may use sick leave for absence due to personal illness, pregnancy, injury, exposure to contagious disease that could be communicated to others and for absence due to the fact that the employee is needed to care for a member of the employee's immediate family who has a serious health condition. APPENDIX A

DRUG AND ALCOHOL TESTING

1. Both the Union and Board recognize illegal drug usage and impairment due to alcohol are threats to the safety of our employees, students and the public. The goal of the drug and alcohol testing program is prevention of abuse, the dangers arising therefrom and where possible rehabilitation.
2. Effective January 1, 1996, employees will be required to submit to a drug test and an alcohol test where the employee is involved in an accident or has caused a serious injury to the public, the employee or fellow employees. Further, in accordance with the Omnibus Transportation Employee Testing Act of 1991 and its implementing regulations, employees holding CDL's may be subject to random drug and alcohol testing in accordance with the Act and its regulations.
3. The Board's contract will preserve any specimen collected for at least three (3) months in order that the employee may at Board expense have the sample sent to another laboratory agreed to by the Board and the Union for further analysis. Should a second test produce a result different from the first, a third test will be conducted by a third laboratory agreed to by the Board and the Union, on the same sample, using a methodology selected by the third laboratory.
4. Prior to testing, an employee may reveal any prescription drug and shall supply a physician statement in connection with that prescription drug within 72 hours. The employee will receive due consideration in the determination of potential work violation(s) if the drug is properly prescribed and administered.
5. An employee who is required to take a test for suspected drug or alcohol abuse or following an accident or injury will be permitted to have a Union representative present during testing provided, however, that the testing will not be unreasonably delayed (more than one hour) to allow the attendance of the Union representative.
6. The laboratory selected to conduct the analysis must be experienced and capable in the areas of quality control, documentation, chain of custody, technical expertise and have a demonstrated proficiency in testing. All tests will be conducted using chain-of-custody procedures whereby all specimen samples are sealed, labeled and checked against the identity of the person being tested. Samples shall be stored in a secured and refrigerated atmosphere until tested.
 - a. The alcohol test will be conducted by analyzing a blood sample taken of the employee.
 - b. The drug test will consist of two phases:

The enzyme multiplied immunoassay technique (EMIT) shall be used to screen the urine sample.

Any positive result will be confirmed using the gas chromatography/mass spectrometry (GC/MS) test.

- c. The threshold limits used by the United States Department of Health and Human Services shall be employed in drug testing to determine the quantity of drugs in the specimen necessary to have a positive result.
7. All testing will be paid for by the Board. All employee testing time shall be paid at the employee's regular rate of pay.
8. Employees who voluntarily reveal drug and/or alcohol problems but who have not been involved in other violations of the Board's rules and regulations (other than prohibitions regarding drug and alcohol use) will be referred to the Board's employee assistance program, and in appropriate circumstances, will be transferred to a non-safety sensitive position if one is vacant at the rate of pay for such position. If there is no such vacant position, the employee shall use available paid time off or be placed on unpaid leave of absence. The employee will be permitted to return to a safety sensitive position only upon approval of his/her attending physician and the Board's physician and thereafter shall be subject to regular and random drug testing for the duration of their employment with the Board.
9. All information regarding drug or alcohol testing results will be kept confidential. Only Board personnel who need to know the information will be informed of the results.
10. Employees who are disciplined, including termination, as a result of drug or alcohol use are entitled to contest the discipline through the grievance procedure of the Agreement, provided no employee may be reinstated to a safety-sensitive position where such reinstatement would not be authorized by the Omnibus Transportation Employees Testing Act and its implementing regulations.

Benefits will be determined based on Medical Mutual's medical and administrative policies and procedures. Non-network fees will be paid on a usual, customary and reasonable basis.

The meaning of "usual, customary and reasonable" is:

APPENDIX E-1

Usual	The charge made most frequently for a given service by the physician who rendered a particular service.
Customary	Charges of physicians generally of similar training and experience in that geographical area for same or similar service.
Reasonable	The charge considered for usual medical circumstances or complications requiring additional time, skill, or experience in connection with a particular case.

This document is only a partial listing of benefits. This is not a contract of insurance. No person other than an officer of Medical Mutual may agree, orally or in writing, to change the benefits listed here. The contract or certificate will contain the complete listing of covered services.

In certain instances, Medical Mutual's payment may not equal the percentage listed above. However, the covered person's coinsurance will always be based on the lesser of the provider's billed charges or Medical Mutual's negotiated rate with the provider.

¹Maximum family deductible. Member deductible is the same as single deductible.

²The office visit copay applies to the cost of the office visit only.

³An inhospital benefit period is a period of time beginning when the member enters a hospital or other inpatient facility and ending when he/she has been out for 90 consecutive days.

Dear Ms. Wilkerson:

In the course of our recent negotiations, there was discussion regarding the position of Transportation Coordinator, and it was agreed that said position shall have the duties and responsibilities set forth in the Board's current job description. Further, the District's intent is that said position shall be filled with a member of the NLSSP bargaining unit. If the District determines at any point to fill that position but believes there is no member of the bargaining unit qualified to fill that position, it shall meet with NLSSP representatives to discuss whether any qualified bargaining unit member can be identified.

Dear Ms. Wilkerson:

In connection with our recent negotiations to arrive at a renewal agreement, there was discussion regarding the reporting of sick leave on the payroll stubs for 8-hour, 12-month employees. It was agreed that the payroll stubs for these employees shall reflect sick leave computed in terms of days rather than hours, it being understood that employees shall only be entitled to thereafter take sick leave in full or one-quarter day increments as opposed to in hours.

If the foregoing accurately describes the parties' understanding on this issue, please affix your signatures on the lines provided below.
