## **ARTICLE 1. RECOGNITION AND DEFINITIONS**

### **A. Recognition**

The Board recognizes the Euclid Classified Association OEA/NEA (ECA) as the exclusive negotiations representative of all 12-month employees (full time and part time) and school year employees (full time and part time) in the following positions or classifications: All service and maintenance personnel employed by the Euclid City School District, including the following positions or classifications: Custodians (Pre-Kindergarten, Elementary, Middle, Mobile, HS), Assistant Custodians, Assistant Custodial Trainees, Cleaners, General Trades Maintenance, Grounds Maintenance, Heavy Equipment Operator, Skilled Tradespersons, Service Driver/Grounds Maintenance, and other positions or classifications included on the maintenance and operations classified employees' salary schedule, which positions and classifications shall be considered as a combined single bargaining unit. The foregoing positions and classifications shall be exclusive of employees holding confidential and supervisory positions. Confidential and supervisory positions shall be defined to include supervisors and foremen. These positions include:

1. Supervisor of Food Service
2. Buildings and Grounds Specialist
3. Supervisor of Transportation
4. Electrical Foreman
5. Carpenter Foreman
6. Grounds Foreman
7. Assistant Transportation Supervisor
8. Warehouse Foreman
9. Supervisor of Security
10. Supervisor of Data Processing

## 11. Heating and Maintenance Foreman

### B. Definitions

The terms listed below, when used in this Agreement, shall be defined as follows:

1. Employee: Any employee in the bargaining unit defined in Article 1., Section A. of this Agreement.
2. Day: A calendar day.
3. Workday: Any Monday through Friday when the central administration office is open for regular business, excluding recognized holidays.

For employees newly hired into the Mobile Custodian position during the 2010-2011 school year and thereafter, the following criteria shall apply, along with a job description:

- (a) the Mobile Custodian shall report to the Euclid High School;
- (b) the Mobile Custodian shall work five consecutive days;
- (c) during the school year, the Mobile Custodian shall work from Saturday through Wednesday, working second shift Monday through Wednesday and day shift on Saturdays and Sundays;
- (d) during the summer, the Mobile Custodian shall work from Tuesday through Saturday (no Sundays), working day shift on all days;
- (e) the Mobile Custodian is eligible for overtime work and shall be placed on the Overtime Rotation List; and
- (f) the Mobile Custodian is eligible to assist/fill in at the Fordyce and/or Benjamin Franklin buildings. The Supervisor of Buildings and Grounds shall assign work to the Mobile Custodians as needed.

4. **Immediate Supervisor:** The supervisor or person in a comparable administrative or supervisory position responsible directly for the supervision and direction of an employee and to whom the employee is directly responsible. The immediate supervisors, unless indicated otherwise in writing to ECA, are either the Supervisor of Business Operations or the Building and Grounds Specialist. An immediate supervisor shall not be a person who is a member of the bargaining unit represented by the ECA. This does not limit the responsibility of other employees for distributing daily assignments or reporting on their completion.
5. **Superintendent:** The Superintendent of the Euclid City School District or his/her designated representative. Unless the Superintendent indicates otherwise, the designated representative is the Business Manager.
6. **ECA:** The Euclid Classified Association OEA/NEA.
7. **Board:** The Board of Education of the Euclid City School District.
8. **District:** The Euclid City School District.
9. **District Seniority:** "District seniority" shall be defined as the uninterrupted length of continuous service as an employee, computed from the employee's regular start date. Substitute service is not included, except as provided below regarding tie-breaking. The time spent on any unpaid leave in excess of thirty (30) days, will not be included, although district seniority accrued previously will not be lost. Employees on Workers' Compensation leave shall accrue district seniority while on leave.
  - a. **Bus Driver, Bus Aide, Relief Driver/Bus Aide, Van Driver, or Van Aide Classifications**

In the case of a bus driver, bus aide, relief driver/bus aide, van driver, or van aide, the computation for district seniority shall be based on the actual hours of the route bid as of October 15 for morning (AM), mid-day, and afternoon (PM) assignments and this computation shall be considered the employees' regularly scheduled hours.

b. Breaking Ties

In the event two or more employees have the same hire date, the employee having substitute service in the district in any capacity will be considered the employee with the greater district seniority. If both employees' substitute service dates are the same, the applications used to hire the employees will be reviewed and the employee with the earlier application date will be considered the employee with the greater district seniority. If both employees' application dates are the same or if one or both application dates are unavailable, the employee with greater district seniority will be determined by the flip of a coin in the presence of the affected employees, the ECA President, and the Superintendent.

c. Less Than Full Time

Other than 12-month, full-time employees, district seniority shall be calculated in fractional equivalents to the eight-hour employee (i.e., a six-hour employee carries 3/4 district seniority). Only regularly scheduled hours are considered. This district seniority calculation is applied only to less than full-time employees bidding on a full-time position in another classification.

d. District Seniority List

All employees shall be placed on a district seniority list within their area or areas of classification. A copy of the district seniority list and updates thereto shall be maintained current and shall be provided to the ECA President no less frequently than on October 15 and March 1 of each year and to any employee upon request.

e. Beyond Work Day

Service rendered beyond the normal workday for the classification will not be counted toward district seniority.

10. Types of employees:

- a. 12-month full-time employees are those working 37-1/2 hours or more per week (1,950 hours per year) on a 12-month contract.
- b. 12-month part-time employees are those working less than 37 hours per week on a 12-month contract.
- c. School year full-time employees are those with 9- or 10-month contracts working for 37-1/2 hours or more per week.
- d. School year part-time employees are those with a 9- or 10-month contract working less than 37 hours per week.

The change from defining bargaining unit members as 12-month, short year, full time, and short hour in the 2008-2010 Collective Bargaining Agreement to 12-month, school year, full time, and part time in this 2010-2012 Collective Bargaining Agreement is a housekeeping change that does not alter any term or condition of employment.

## ARTICLE 2. NEGOTIATION PROCEDURE

### A. 1. Notice to Negotiate

If either party to this Agreement wishes to negotiate changes in wages, hours, or other terms and conditions of employment, they shall notify the other party, in writing, of such intent not later than April 1 of the calendar year during which this Agreement is due to expire. Notification in writing from the ECA shall be served upon the Superintendent, and from the Board shall be addressed to the President of the ECA.

### 2. Initial Meeting; Submission of Proposals

After receipt of such notice, but not later than April 15 unless the parties agree mutually to meet at a later date, an initial meeting will be held at which time the party requesting negotiations will submit in writing all of its proposals and the other party will submit in writing all its proposals. Thereafter, additional items shall not be submitted by either party, unless the other party consents thereto.

### B. Meetings

Meetings shall be closed to the press and public. Meetings shall be mutually scheduled by both parties at times such that disruptions of work schedules are minimized.

### C. Negotiation Representatives

Neither party shall attempt to exert any control over the selection of the negotiation representatives of the other party. Neither party shall have more than five (5) members of the bargaining team plus one (1) outside consultant.

### D. Tentative Agreement

Tentative agreement on negotiation items shall be reduced to writing and initialed by the representatives of each party, but such initialing shall not be construed as final agreement. Final agreement reached through negotiations shall be reduced to writing and submitted to ECA members and to the Board by their respective representatives for ratification. Upon

such ratification, two copies of the final agreement shall be signed by the representatives of each party, one copy to be kept by ECA and one copy to be kept by the Board.

**E. Impasse Procedure**

Either party may declare impasse at any time during negotiations whereupon the parties shall jointly request the services of a mediator from the Federal Mediation and Conciliation Service. Mediation shall constitute the parties' mutually agreed upon dispute settlement procedure and shall operate in lieu of any and all the settlement procedures set forth in Section 4117.14 of the Ohio Revised Code.

**F. Employee Relations Meetings**

Representatives of the Board and ECA shall meet monthly on the second Monday of the month at 3:00 p.m. for the purpose of reviewing the administration of this Agreement and to resolve other problems that may arise. Neither party shall bring more than three (3) representatives to the meeting, except with the agreement of the other party. If a Transportation issue is on the Agenda, a transportation employee's, designated by the ECA President, route shall be covered so he/she can participate in the meeting if possible. These meetings are not intended for the purpose of negotiation or to bypass the grievance procedure. Each party will submit to the other, no later than two days prior to the meeting, an agenda of the matters it wishes to discuss. The meeting may be postponed or cancelled by mutual agreement.

## ARTICLE 3. GRIEVANCE PROCEDURE

### A. Definition

A grievance is a claim by an employee or ECA that there has been a violation, misinterpretation, or misapplication of the terms of this Agreement. Grievances shall be processed as set forth in this Article.

### B. Step 1: Informal Procedure

An employee who believes that the basis exists for a grievance shall discuss the grievance with his/her immediate supervisor informally. After the meeting, the employee and the immediate supervisor shall put in writing and sign a statement documenting the date of the meeting, the basis of the grievance, and the resolution reached, if any.

### C. Step 2

If the informal discussion in Step 1 does not effect a satisfactory disposition of the grievance, ECA may submit the grievance in writing on the Grievance Form, completed in full, found in Appendix A, to the Business Manager within twenty (20) workdays of the date the employee could reasonably have known of the act, event, or occurrence giving rise to the grievance. The Business Manager shall arrange for a meeting with ECA to take place within ten (10) workdays after receipt of the grievance. The Business Manager shall provide ECA with his/her written disposition of the grievance within five (5) workdays after the conclusion of the meeting.

### D. Step 3

If the disposition of the grievance by the Business Manager is not acceptable, or if the disposition is not provided within the time limit, ECA may submit the grievance to the Superintendent within ten (10) workdays after the receipt of the disposition of the Business Manager or within ten (10) workdays after the meeting in Step 2, whichever is later. The Superintendent shall arrange for a meeting with ECA to take place within ten (10) workdays of receipt of the grievance. The Superintendent shall provide a written disposition of the grievance to ECA within five (5) workdays of the meeting.

## E. Step 4: Arbitration

If the disposition of the grievance by the Superintendent is not acceptable, or if the disposition is not provided within the time limit, ECA may submit the grievance to arbitration by giving written notice to the Superintendent of its intent to do so within twenty (20) workdays after the receipt of the disposition of the Superintendent or within twenty-five (25) workdays after the meeting in Step 3, whichever is later. ECA shall then, within ten (10) workdays of such notice of intent, request the American Arbitration Association to administer the proceedings under the Voluntary Labor Arbitration Rules of that Association.

### 1. Decision of Arbitrator

The decision of the arbitrator shall be final and binding upon the parties. The arbitrator shall have no authority to add to, subtract from, nor amend the terms of this Agreement.

### 2. Costs of Arbitration

The expenses of witnesses and representatives for either side shall be paid by the party producing such witnesses or representatives. The fees and expenses of the Arbitrator shall be paid by the losing party. If it is not readily apparent who is the loser, then as the Arbitrator may direct.

### 3. Transcripts

Should either party desire a transcript of the arbitration proceedings, that party shall bear the full cost for the transcript. Should both parties request a transcript, then the costs for the transcripts shall be divided equally between the parties.

## F. Time Limits

The time limits set forth in this procedure may be extended only by mutual agreement of the parties. The parties agree that every reasonable effort will be made to expedite the grievance process. If ECA does not submit a grievance to the next step within the time limit, the grievance is deemed withdrawn, unless the time limit is extended by mutual agreement.

G. Expedition of Grievances

A grievance may be submitted initially at Step 2 in a case where the immediate supervisor is without authority to grant the relief sought, or where the grievance arises from the action or inaction of an administrator above the level of immediate supervisor. A grievance may be submitted initially at Step 3 in a case where the Business Manager is without authority to grant the relief sought, or where the grievance arises from the action or inaction of the Superintendent or from a specific Board of Education resolution. A grievance that may be submitted initially at Step 3 must be filed within the usual Step 2 deadline.

H. Record Keeping

All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel file of any employee involved.

I. Rights to Representation

Each party shall have the right to representation of its choosing at all levels of the grievance procedure. For ECA, this representation includes the ECA President, ECA Grievance Chair, and OEA Labor Relations Consultant. Each party shall have the right to have present at such meeting such witnesses as it deems necessary.

J. Attendance at Grievance Meetings

An employee whose presence is required at any grievance meeting described in this Article shall be made available for such meeting without loss of pay or leave. Whenever illness or other incapacity of either party or its representatives prevents attendance at a grievance meeting, the time limit of the grievance meeting shall be extended to such time that such person(s) can be present. Under normal circumstances, such extension should not exceed five (5) workdays.

K. Protected Activity

An employee who participates or intends to participate in any grievance as described herein shall not be subjected to discipline, reprimand, warning, or reprisal because of such participation or intention.

L. Services

Inasmuch as the Board has agreed to arbitrate disputes arising from this Agreement, the ECA agrees that employees may not withhold their services over such disputes unless allowed specifically by this Agreement or by law.

## ARTICLE 4. ECA RIGHTS

### A. ECA Payroll Deductions

Payroll deduction of annual fees, assessments, and contributions shall be provided to ECA by the Board without cost in accordance with the following procedure.

#### 1. Authorization/Deduction Schedule

Upon written assignment authorization of the employee on forms provided by ECA, the Board shall make the authorized annual deduction in equal prorated amounts from two (2) paychecks of the employee each month beginning with the second paycheck received after the start of each school year or with the next paycheck received after such authorization, whichever is later, and continuing through the paycheck received for the first payroll period ending in June of each year.

#### 2. Continuing Deduction

Such authorization shall continue in effect from year to year unless revoked by the employee between July 1 and July 15 of any year. A copy of such revocation shall be provided both to the Board and to ECA.

#### 3. Remittance of Deductions

The deductions shall be remitted to ECA on each pay date. The remittance, at ECA's option, may be deposited directly to a designated financial institution, made available for pickup at the Board office by designated ECA representatives, or be sent to ECA by U.S. mail.

#### 4. Remittance Report

The deduction remittance shall be accompanied by a report showing the employee's name, Social Security number (unless the employee does not consent), and amount of deduction. Upon mutual written agreement of ECA and the Board Treasurer, (1) the report may be transmitted to ECA electronically and (2) the report may show

additions, deletions, and any other changes, all reconciled against the previous report totals.

5. Notice of Change in Amount

ECA shall give written notice to the Treasurer of any change in the amount of deduction at least ten (10) workdays before such change is to be effective.

6. Inapplicability

The authorization and revocation forms described in this Article shall be inapplicable for employees paying the fair share fee.

B. Fair Share Fee

Any employee who is not an ECA member shall pay to ECA a fair share fee as a condition of employment (subject to applicable fair share fee laws) and in an amount equal to, but not to exceed, annual total affiliated dues paid by members of ECA.

1. Effective Dates

This provision shall be effective on the beginning date of employment for employees. The actual effective date of payroll deduction of the fair share fee shall be provided in written notice to the Board Treasurer by ECA.

2. Method of Payment

The Board shall deduct the fair share fee from the paychecks of an employee who is not a member of ECA. The deduction shall be in accordance with the procedures specified in Section A. of this Article. The deduction shall commence in accordance with the effective date of this provision unless the Board Treasurer receives written notice from ECA that such employee has elected another method of payment. If the employee defaults in such other method of payment, the Board shall commence payroll deduction of the appropriate amount immediately upon written notice of such default to the Board Treasurer by ECA.

3. Procedure for Rebate

The ECA represents to the Board that an internal rebate procedure has been established in accordance with Section 4117.09 (C) of the Revised Code and that a procedure for challenging the amount of the representation fee has been established and will be given to each employee who does not join the ECA and that such procedure and notice shall be in compliance with all applicable state and federal laws and the Constitutions of the United States and the State of Ohio.

4. Indemnification of Board

ECA shall indemnify and hold harmless the Board, its members, and its agents (Board) from and against any claim or liability that may arise out of, or by reason of, any action taken by the Board for the purpose of complying with this "Fair Share Fee" provision. ECA shall also pay any judgment or settlement achieved in such cases. ECA shall provide the attorney to represent the Board and ECA in such action; provided that the Board approves the attorney and that such approval will not be unreasonably withheld; provided that the Board gives ECA written notice within ten (10) days of the Board receiving written notice of any claim made or action filed against the Board by a non-member for which the indemnification is claimed; provided:

- a. The Board agrees to (1) give full and complete cooperation and assistance to ECA and its counsel at all levels of the proceeding, (2) permit ECA or its affiliated organizations to intervene as a party if it so desires, and/or (3) to not oppose ECA or its affiliated organizations' application to file briefs *amicus curiae* in the action;
- b. The action brought against the Board must be a direct consequence of the Board's good faith compliance with the fair share fee contract provision provided, however, that there shall be no indemnification of the Board if the Board intentionally or willfully fails to apply (except due to a court order) or misapplies the fair share fee contract provision.

C. ECA Meetings

ECA shall be allowed to hold meetings in District buildings for its official membership meetings at reasonable times and places with no charge to ECA, provided that such meetings shall not disrupt normal school operations nor interfere with other use of the buildings scheduled previously.

D. Mail Service/Mailboxes

ECA shall be allowed use of the Board inter-school mail service, including delivery to employee mailboxes, for ECA communications to and from employees. ECA shall be provided a mailbox at the work location of the ECA President or his/her designee.

E. Bulletin Boards

ECA shall be allowed to post notices and other information regarding ECA activities and concerns on available employee bulletin boards at each work site.

F. Facilities/Equipment

ECA shall be allowed, after notice to a building administrator, to use photocopying machines, audio-visual equipment, facsimile machines, and telephones for official ECA business at all reasonable times when such items are not otherwise in school use. Supplies necessary for the use of such equipment shall be provided by or paid for by ECA.

G. Board Meeting Agenda/Minutes

ECA shall be provided a copy of the full public agenda and minutes of each Board meeting, the same as that provided to other bargaining agents.

H. ECA Reports

ECA shall be allowed to present brief reports and announcements during staff meetings, if approved by the appropriate administrator or supervisor, provided that such approval shall not be withheld unreasonably.

I. Membership Identification

ECA members shall be allowed to wear and otherwise display appropriate pins or other identification of membership in ECA.

J. ECA Leave

Upon written authorization to the Superintendent by the ECA President, an employee shall be granted leave with pay and without loss of other leave for the purpose of conducting ECA business. Such leave shall not exceed three (3) workdays in the aggregate during any fiscal year.

K. ECA Business on District Property

Duly authorized representatives of ECA shall be permitted to meet with employees to transact official ECA business on District property at reasonable times which shall normally be during off-duty or a recognized break, provided that such activity shall not interfere with or disrupt normal Board operations.

L. Bargaining Unit Roster

ECA shall be provided a current bargaining unit roster annually. Such roster shall be provided on March 1 of the current school year and shall include the following information about each bargaining unit member, listed alphabetically by the member's name: home address, home telephone, job assignment.

M. Professional Respect

Employees and supervisors shall treat one another with professional respect. If an interaction is expected to be contentious or becomes contentious, employees and supervisors shall make efforts to conduct or move the meeting to a private area, out of the presence of other employees, students or members of the public.

## **ARTICLE 5. BOARD RIGHTS**

ECA recognizes that the Board has the responsibility and authority to manage and direct on behalf of the public all the operations and activities of the school district to the full extent authorized by law. Except as agreed otherwise in this Agreement, the Board retains all of the rights and responsibilities of public employers as set forth in Section 4117.08 (C) of the Ohio Revised Code.

## ARTICLE 6. EMPLOYMENT PRACTICES

### A. Contract of Employment

July 1 through June 30 shall constitute a contract year for all employees. The Board shall, by July 1 of each year, provide each employee a notice stating the employee's hourly rate, the amount of earned vacation for that year, and contract status as to 9-month, 10-month, or 12-month. An annual calendar shall accompany each notice for each classification showing the number of days to be worked, the number of paid holidays and what they are, as well as the other times the employee in that classification will be off.

A general flex option may be established for any new employee for a skilled trades and general trades maintenance position hired after 7/1/17 as follows:

The work week flexible schedule may be scheduled any day from Monday through Sunday.

The work week shall be a forty (40) hour work week, with the hours based in part on Euclid City Schools District's athletic schedule. The scheduled hours to be worked shall be determined with the employee's input two (2) weeks in advance of working the scheduled hours.

The work week could be, for example but not all inclusive, four (4) ten hour days; five (5) eight hour days; three (3) twelve hour days and one (1) four hour day; or two (2) four hour days, two (2) ten hour days, and two (2) six hour days as long as the schedule equals forty hours per week. There shall be no days scheduled for less than four (4) hours.

### B. Bargaining Unit Work

Except as listed below, the Board shall enter no agreement with a private concern nor with another governmental unit, nor with any person to provide services that are being provided by current employees if such agreement would result in a current employee being placed on layoff status or losing his/her job.

The Board may subcontract cleaning services at the following locations:

1. Central Middle School
2. Early Learning Center
3. Service Building

C. Skilled Tradesman and General Trades Maintenance

1. Skilled Tradesman

Employees assigned to the following positions shall be classified as skilled tradespersons upon meeting the requirements of this Section: plumbers, electricians, mechanics, carpenters, audio/visual technician, heating, ventilation and air conditioning technician, and heavy equipment operators.

A skilled trades classification employee employed before May 1, 2001, shall not be assigned to the second or third shift. A skilled trades classification employee employed after May 1, 2001, may be assigned to work the second or third shift.

The requirements are that an employee possess evidence of:

- a. recognized state and local qualifications to hold the position of journeyman, or
- b. a journeyman card; or
- c. approved and completed school courses or, if provided, comparable local training and experience directly related to the particular trades may be used as credit toward the skilled classification.

2. After the ninety (90) calendar day probationary period for skilled tradesmen, skilled tradesmen will be placed at step 4 of the wage rate for skilled tradesmen classification.

3. Grounds Maintenance
  - a. Two (2) Grounds Maintenance positions shall have a flexible schedule. This position shall be recognized as a bargaining unit position for Euclid Classified Employees/OEA/NEA.
  - b. The work week for the Grounds Maintenance flexible schedule position may be scheduled any day from Monday through Sunday.

- c. The work week shall be a forty (40) hour work week, with the hours based in part on Euclid City School District's athletic schedule. The scheduled hours to be worked shall be determined with the employee's input two weeks in advance of working the scheduled hours.
- d. The work week must cover Friday and Saturday Euclid athletics and could be, for example but not all inclusive, 4 ten hour days; 5 eight hour days; 3 twelve hour days and 1 four hour day; or 2 four hour days, 2 ten hour days, and 2 six hour days as long as the schedule equals forty hours per week. There shall be no days scheduled for less than four (4) hours.
- e. The Supervisor of Building Operations will work with the employees hired in the Grounds Maintenance flex positions to determine a schedule that meets the District's operational needs as well as addresses the employee's scheduling concerns.
- f. The Grounds Maintenance flexible schedule position shall have the same job description as the regular Grounds Maintenance positions except for the flexible schedule as defined above.
- g. The Grounds Maintenance flexible schedule position shall require a Commercial Driver's License (CDL). The employee who is awarded this position shall have one hundred twenty (120) days to acquire a CDL.

D. Personnel Files

- 1. There shall be no more than one (1) personnel file maintained for each employee. The personnel file will be maintained in an administrative office designated by the Superintendent or his or her designee. An employee's immediate supervisor may maintain a temporary personnel file which will be purged annually.
- 2. All employees shall have the right to view their complete file in compliance with the Chapter 1347 ORC. Upon request, an employee shall be provided a copy of any document in the employee's personnel file without charge.
- 3. Materials concerning an employee's conduct, performance, or service may be placed in the employee's file after the employee has been permitted to read the material and has been informed in writing that the item will be placed in the employee's file. The employee shall acknowledge that he/she has read such material by affixing his/her signature and date on the copy to be filed. His/her signature merely signifies that he/she has read the material and does not necessarily indicate agreement with its content. If the employee refuses to sign, a dated note to that effect will be attached to the material filed.
- 4. By mutual agreement of the employee and the Superintendent or his or her designee, material that has been found inappropriate or inaccurate shall be removed from the employee's file.
- 5. An employee shall be permitted to place material in his/her file in answer to material already placed in his/her file. Answers shall be attached to the related materials in his/her file.
- 6. Materials placed in the employee's file must be identified in such a manner that the author and the person placing the material in the file are known.
- 7. All entries into the personnel file shall be dated as to entry (beginning May 2001).

8. Confidential personal information in the nature of medical information is not subject, absent court order, to release as a public record without the employee's permission.

**E. Disciplinary Action**

Disciplinary actions shall be defined as warnings, reprimands (oral and written), suspensions (with or without pay), and discharge. It is understood that discipline shall only be issued for just cause and applied in a progressive/corrective fashion, except serious misconduct.

An initial step in the discipline process should be an investigation which may include an interview with the employee. Should such investigation result in a finding that discipline may be warranted, the following disciplinary procedure shall be followed.

1. The employee shall be notified of the date and time that a pre-disciplinary hearing shall be held. Such notice shall be at least one (1) work day in advance of the hearing date. Additionally the notice of pre-disciplinary hearing shall include the specific charges and the basis of those charges and inform the affected employer of his/her right to have Association representation at any hearing. A copy of this notification shall be sent to the designated Association Representative and ECA President by the Supervisor and/or Business Director.
2. During the hearing, the employee will receive an explanation of the accusations and findings, including evidence of misconduct or performance. The employee shall have the opportunity to respond. Failure to present rebuttal testimony or other evidence at a pre-disciplinary meeting shall not be used as evidence of liability. The employee is entitled to Association representation at the hearing.
3. If the pre-disciplinary hearing results in discipline, the reasons for the discipline shall be reduced in writing and given to the employee no later than ten (10) workdays following the hearing. Preference will be to present such document directly to the employee.
4. The Board may discipline an employee by issuing warnings, written reprimands (oral and written), or a suspension (with or

without pay) which shall be reduced to writing and placed in the employee's personnel file. However, should there be a decision not to discipline an employee, no record of investigation or hearings shall be placed or noted in the employee's file.

5. The employee shall have the right to write a rebuttal which shall be placed in his/her personnel file.
6. If the pre-disciplinary hearing results in administrative recommendation of termination of employment, the affected employee shall have the rights afforded him/her under Ohio Law and this Collective Bargaining Agreement.
7. Nothing in this Article shall prevent the administrator/ supervisor from issuing a warning, verbal or written reprimand provided he/she gives the employee the bases for the discipline and an opportunity to explain.

Except as otherwise indicated, pre-disciplinary meetings shall be treated as confidential "Executive Session" proceedings to the extent permitted by law.

In imposing discipline on a current charge, the Board will not take into account any prior warnings or reprimands which occurred more than twenty-four (24) months previously. Nor will the Board take into account any prior suspensions which occurred more than thirty-six months previously. All previous warnings or reprimands twenty-four months or older shall be removed from the employee's personnel record upon request by the employee, and all previous suspensions thirty-six months or older shall be removed from the employee's personnel record upon request by the employee. The time period begins with the occurrence of the warning, reprimand or suspension.

It is important that employee complaints of unjust discipline be processed promptly; therefore, all such disciplinary action can be reviewed through the grievance procedure beginning at Step 2. This appeal by the affected employee shall be the sole and exclusive remedy available.

A copy of all written notices of discipline of unit members shall be sent to the ECA President.

## **F. Complaints**

Any discipline of an employee on the basis of a complaint by someone other than Board supervisory/administrative personnel may occur only after the matter is reported in writing to the employee and the employee has had the opportunity to discuss the matter with his/her immediate supervisor. The employee shall be entitled to have present at such conference an ECA representative.

## **G. Probationary Period**

All employees who are new to employment with the Board or who transfer to a different classification, for any reason, shall be subject to probationary period of ninety (90) calendar days. Anyone bidding back into their previous position within the same bidding period will not be subject to a probationary period. The purpose of this period is to evaluate the performance of new hires or to evaluate assignment of regular employees to new classifications. Procedures shall be as follows:

1. The first evaluation of the employee's performance should be conducted by the immediate supervisor no sooner than thirty (30) calendar days after the employee has begun the assignment. The immediate supervisor will prepare a written evaluation of the employee's performance and review the written evaluation with the employee.
2. Should the evaluation be unsatisfactory, the immediate supervisor will contact the Superintendent or his or her designee to discuss the evaluation. The Superintendent or his or her designee may, in his/her discretion, discharge the employee, in the case of a new hire; return the employee to his/her previous assignment, in the case of an employee who has transferred from another assignment; or prepare a corrective action plan describing the performance deficiencies and the steps necessary to improve performance.
3. A second evaluation is to occur within the probationary period, following the same procedures (1) and (2) as for the first evaluation.
4. An employee's probationary period may be extended upon agreement with the ECA President and/or ECA officer. Said agreement shall be acknowledged by the ECA President and/or ECA officer in writing.

## H. Employee Evaluation

The performance of each employee shall be evaluated no less frequently than annually for employees in the first year of employment or in the first year assigned to a new position. The evaluation shall not be written and administered by a bargaining unit member.

The parties agree to implement an evaluation pilot program for two (2) years. The program will be created by a committee comprised of the Superintendent/designee and up to three (3) employees appointed by the Superintendent and the Association President/designee and up to three (3) bargaining unit members appointed by the Association President. Under this pilot program, evaluations shall be administered by the employee's supervisor and shall not be written and/or administered by a bargaining unit member. During the evaluation process the supervisor may receive and take into consideration input from the head custodian and a third party independent report. The pilot program will also establish an evaluation process designed to review job performance based on the general duties and responsibilities of each classification

During year one (1) of this pilot program no bargaining unit employee shall have an unsatisfactory evaluation or unsatisfactory report by an independent third party used as evidence in any disciplinary proceeding.

During spring 2018, Administration and ECA shall review and agree upon any changes to the program for the following year. The pilot program shall end upon the last day of this Agreement.

## I. Reduction in Force

A Reduction in Force (RIF) is the elimination of or reduction of a bargaining unit position. In the event that the Board finds it necessary to engage in a reduction in force of bargaining unit positions, it shall follow the procedures and rules set forth in this Section.

### 1. Notice to ECA

Before any reduction in force may occur, the ECA President shall be notified in writing by the Superintendent or designee of the intended layoff, the reason for the layoff, the names of all positions to be

eliminated and all employees to be laid off, and the effective date of the layoff. The Superintendent shall notify the ECA President who the designee is thirty (30) days prior to the written notice. Such notice shall be provided no later than ten (10) workdays before the Board meeting at which the Superintendent will recommend a reduction in force. ECA shall be allowed to address the Board, at the option of ECA, either in public or closed session, before action may occur on the Superintendent's recommendation of a reduction in force.

2. Attrition

The number of employees affected by a reduction in force will be kept to a minimum by not employing replacements for employees who retire or resign whenever possible, or whose employment is ended for other reasons.

3. Notice to Employee

Any employee to be laid off shall be notified of the layoff in writing by the Superintendent no later than twenty (20) workdays before such layoff may become effective. Such notice may not occur before the Board has approved the Superintendent's recommendation for a reduction in force.

4. Layoff

Layoffs shall be implemented by overall district seniority within each classification. The employee with the least overall district seniority in the classification to be reduced shall be laid off. The employee to be laid off shall bump an employee with the least district seniority (who also has less district seniority than the bumping employee) in a classification with the same hourly wage or a lower hourly wage or the next lower hourly wage from a different classification than the one from which he/she was laid off. The employee must be qualified to work in this classification either 1) in accordance with Appendix B Qualified Classifications Chart) or 2) by having previously held the position to be bumped on a regular, non-substitute basis in the District. Additionally, the employee must hold the appropriate license and/or certification required by law or by the job description to perform the work.

5. Recall

Any vacancy in a bargaining unit position shall be filled by the senior qualified employee on lay-off status after the provisions of Section K. of this Article and its subsections have been implemented. "Qualified" means (1) having prior experience in the District in that classification and meeting all minimum qualifications for the classification or (2) being qualified as described in Section 4, above. Notice of recall shall be sent via certified mail, return receipt requested, to the last recorded address of the employee. Such employee shall notify the Superintendent within ten (10) workdays of receipt of the notice of recall of his/her intention to accept or reject re-employment. A laid-off employee accepting such re-employment may not be required to begin work earlier than ten (10) workdays from the date of such acceptance. Rejection of an offer of employment shall operate to remove the employee from the reduction in force list. An employee may remain on the reduction in force list for up to two (2) years.

6. Transfers When RIF Exists

Notwithstanding the provisions of Section K. of this Article regarding transfer, an employee on the reduction in force list shall be offered re-employment to a vacant position before an active senior employee may be transferred to such position if the transfer would deny re-employment to the employee on the reduction in force list.

7. Substituting During Layoff

A qualified employee on layoff status shall be given preference by seniority to substitute for an absent employee.

J. Vacancies

1. Vacancy

A vacancy shall exist when the Board determines to fill a vacant bargaining unit position, opens a new bargaining unit position, changes a ten-month position to a twelve-month position, or changes the hours of a position by fifty percent (50%) or more.

## 2. Bidding

All vacancies will be posted for a minimum of five (5) working days. Nine (9) and ten (10) month employees shall be notified via email of vacancies during the summer recess. All vacancies shall be bid first by those employees within the same classification. After the internal classification bidding is completed, the open position will be bid to all other employees and, if the Board chooses, to external applicants.

Bargaining unit members shall provide the Human Resources office with their current address and telephone number (the telephone number shall be provided at the employee's discretion), and current email address and shall notify the Human Resources office of any changes to their address, telephone number or email address. Bargaining unit members who fail to maintain their current email address with the Human Resources office cannot grieve their not receiving bidding notices via email and/or that they did not receive any other work-related material.

## K. Transfers

A transfer is a movement of an employee from one bargaining unit position to another. A transfer to a vacancy within the same classification shall be made to the employee applicant with the greatest seniority. A transfer to a vacancy in a different classification shall be made based on the factors listed in Section 1. below, which shall be applied both to employee applicants and to non-employee applicants. In the case of a transfer to a different classification, if two (2) or more applicants are judged to be equal in the factors listed below in Section 1., the transfer shall be made with preference to an employee applicant over a non-employee and, among employee applicants, to the employee with greatest seniority. (See Article 8 for transfer procedures within the transportation classifications.)

1. Factors on which transfer to a different classification are based include:
  - a. Ability to perform functional requirements of the job
  - b. Ability to work professionally with other employees

- c. Length of service with an Employer
- d. Past performance
- e. Additional training
- f. Attendance
- g. Competence

The listing is not a rank ordering of factors. Each factor is weighted equally in making the decision to transfer an employee. The Superintendent's or his or her designee's office will review the work record, thoroughly evaluate the personnel, and choose the person with the best qualifications offering the greatest potential for growth and development.

If a test is to be given to rate their abilities, the test will be one that contains standard questions developed in cooperation with the ECA Board. No ECA Board member will participate in the design of a test if that member will be immediately applying for the position for which the test is being developed.

2. An employee who has transferred to a vacancy within the same classification or a different classification shall have five ( 5 ) work days to transfer back to the previous position he/she held for any reason. Bus Drivers, Relief Bus Drivers/Bus Aides, and Bus Aides shall have three (3) work days to transfer back to the previous position he/she held. If an employee opts to return to his/her previous position under this section, the position the employee opted out of need not be reposted.
3. Hourly Rate

Employees holding a position in the same classification may request to switch positions with another employee holding the same position in the same classification, but may be located in a different building, with the mutual agreement of the two affected employees, the ECA Executive Board, and the Superintendent or his or her designee. The Superintendent or his or her designee may also request a position switch under the same terms outlined above.

When an employee changes classifications, he/she will stay on the same step of the hourly rate schedule that he/she is on. No one will drop a step because of a move, but will progress upward until they reach the last step.

4. Mobile Relief Cleaner Pay

The mobile relief cleaner pay schedule is a four-step schedule. Because the mobile relief cleaner pay schedule is not a six-step schedule, if a relief mobile cleaner transfers, the employee's years of service will count as steps and the relief cleaner will be placed onto the appropriate step in the new position.

5. Involuntary Transfer

An involuntary transfer may be made by the Superintendent or his or her designee. Situations that may require or dictate the necessity of an involuntary transfer are:

- a. Wrong skills for the job.
- b. Personality conflicts.
- c. Poor work habits.
- d. Physical handicap or disability in conformity with the Americans with Disabilities Act and any other applicable disability law.
- e. Work force reduction.
- f. Board programs and requirements:
  - (1) Need to transfer skills,
  - (2) Poor attendance,
  - (3) Accident prone,
  - (4) Poor production,

- (5) Seasonal slack,
- (6) Peak periods,
- (7) Necessary job coverage.

- g. To correct a faulty placement.
- h. To eliminate personal friction that affects the efficient operation of the building.
- i. To improve, upgrade, or correct a program or organizational program.
- j. For unsatisfactory performance on the employee's present job.
- k. In the event continued performance of the employee's present job will injure the health of the employee.
- l. In the event injuries or physical limitation causes employees to be unable to do the work of their current classification, but are able to do the work in a different assignment in that classification or in a lower classification.

L. Reassignments

1. Temporary Reassignment

The temporary reassignment of an employee from his/her regular assignment to another assignment on a day-to-day basis may be authorized by the Superintendent or his or her designee whenever a job vacancy should occur due to a leave of absence, vacation, extended periods of illness, or any other cause that may create a temporary long term vacancy. Whenever an employee is temporarily assigned to a job in a higher paying classification, after ten (10) workdays, the employee shall be paid at the higher hourly rate of the job assignment on the current step of the temporarily assigned employee until the higher hourly rate person returns or the job has been permanently filled. If the Superintendent or his or her designee is aware that the temporary reassignment shall last for more than ten (10) days, the employee shall be paid at the higher rate of the job

assignment at the current step on the first day of the reassignment. A temporary transfer should not exceed ninety (90) workdays. Once an employee has been temporarily reassigned to a higher paying classification and that position lasts or is expected to last more than ten (10) workdays, the administration shall not temporarily replace that employee with a second employee prior to or at the ten (10) workdays in that higher paying position if the administration's purpose and intent is solely to prevent the original reassigned employee from reaching the ten workday pay increase.

2. Voluntary Duty Reassignment

If an employee is asked to perform duties voluntarily outside of his/her current assignment and outside of his/her regularly scheduled working hours, and the employee is qualified, the employee shall be compensated at his/her current hourly rate and step or at the hourly rate and step of the assignment for which voluntary duty is being performed, whichever is higher. An example would be: a cleaner, holding a valid bus driver's license, is asked to drive a school bus, before or after his/her regularly scheduled work hours. The cleaner would then be compensated at the higher rate during the voluntary duty.

M. Mandatory Training Program

If additional training for an employee is required by the Board (does not include licensing requirements):

1. The Board will pay or reimburse tuition, mileage, tolls, parking, and necessary lodging.
2. Hours spent in mandatory training shall be included in "hours worked" and the employee shall receive compensation for the training (excluding travel time) at the employee's respective hourly rate.
3. In addition to the above, the Board shall pay bus drivers their regular rate for all time spent in training (excluding travel time) for renewal CDL licensure. The Board shall also pay bus drivers their regular rate for nine (9) hours of classroom instruction for their recertification, as well as three (3) hours of driver training on the bus in connection with their recertification. The three (3) hours may include one (1)

hour for taking the recertification test, but the total hours paid shall be three (3) hours. The maximum hours paid at the bus drivers' regular rate for recertification shall be twelve (12) hours. To be reimbursed for these hours, bus drivers must provide proof of attendance for the classroom instruction.

N. Drug Testing

Mandatory alcohol and drug testing will be required of all employees who are required to hold a CDL license at no expense to the employee. Testing shall occur in accordance with the law. The testing will be performed by the medical advisor selected by the Board. A drug test policy will be established and include procedures, treatment, and disciplinary action, in accordance with Board policy, the negotiated agreement, and applicable laws. An employee who is removed from his/her position as a result of a drug/alcohol test and is not terminated will be allowed to work during a drug rehabilitation program recommended by the Board's physician for the duration of that program in a vacant, non-CDL position for which he/she is qualified, if it does not conflict with attendance at the rehabilitation program. If the employee's commercial drivers license is suspended or revoked, as a result of a drug/alcohol test, and but for the suspended or revoked license the employee could return to driving (i.e., has completed rehab successfully), the employee will be allowed to work in a vacant position for which the employee is qualified.

O. Training Sessions

The Board shall offer a list of online courses to all staff beyond any required training. An employee who completes 2 ½ hours or more of online coursework annually shall be paid fifty dollars (\$50) for the successful completion of the hours of coursework. Once the employee accumulates 2 ½ hours or more of successfully completed coursework (i.e., the employee passed the courses), the employee shall submit to the Superintendent or his or her designee in June of each school year the course completion records certifying the employee has successfully completed 2 ½ hours or more of online coursework. Repeat courses need prior approval by the Superintendent or his or her designee. Repeat courses in successor years need prior approval by the Superintendent or his or her designee.

P. Training and Promotion Program

1. If no qualified employee applies for a vacant Assistant Custodian position, the position will be posted again as a Trainee position with the following stipulations:
  - a. To qualify for the trainee program, the employee shall have completed at least forty (40) hours of shadowing custodians (8 hours in each K-5 building and 8 hours at EHS) prior to being appointed. The forty (40) hours must be approved by the Supervisor of Building Operations with times verified by the ECA Board. The forty (40) hours must be completed on the employee's own time; and
  - b. Attend a two (2) day Dawn Chem Custodial College on employees' own time at district expense for course; and
  - c. Attend an eight (8) hour school dude basic webinar held in a conference room at Administration Offices at no cost to employee but on employee's own time.

Once awarded a Trainee position, the following will apply:

- d. The Trainee has up to fifteen (15) months to complete 200 hours of shadowing our skilled trades ( 40 hours within each trade) or be dropped from the training program. Upon completing the 200 hour program, the Trainee shall become an Assistant Custodian.
- e. The Trainee must commit to fifteen (15) months in the program. If the Trainee does not successfully complete the program, he/she has the option to return to his or her previous classification and will bump the least senior employee in that classification.
- f. A progress review shall be conducted in the fifth (5th) and tenth (10th) months of the fifteen (15) month program. The review shall determine if the trainee is to continue in the program.

2. Any employee qualified to be an Assistant Custodian may apply for a Custodian position, and upon appointment will have up to 12 months to complete the following criteria:
  - a. 6 OPFMA seminars  
Or  
Building Operators Certificate Class
  - b. District to reimburse up to \$350 for one of the above programs upon successful completion.
  - c. And a leadership training module – to be determined/approved by Supervisor of Building Operations.
  - d. If the Custodian does not successfully complete the program, he/she has the option to return to his or her previous classification and will bump the least senior employee in that classification.
  - f. A progress review shall be conducted in the fourth (4th) and eighth (8th) months of the twelve (12) month program. The review shall determine if the custodian is to continue in the program.

**Q. Fee Reimbursements**

The Board shall reimburse an employee for any CDL license renewal costs required for the employee to retain employment with the District. New hires must maintain employment with the Board for twelve (12) months before being reimbursed for a CDL license and/or CDL renewal cost.

The Board shall reimburse up to fifty dollars (\$50) of the cost of license renewal fees necessary to keep any position, including bus drivers, skilled tradesman and custodian positions such as, but not exclusive of, boiler's license, plumbing license, and air brakes.

**R. Job Descriptions**

Whenever the Board establishes a new bargaining unit position, the parties shall, upon request by the Association, negotiate any effects of this new position upon the existing bargaining unit. All job descriptions shall contain at least the following: (1) the job title; (2) the job title of the immediate

supervisor; (3) all qualifications for the position; and (4) a list of the job duties and responsibilities.

S. Assignments for Medical Reasons

An employee removed from an assignment or prohibited from returning to work as a result of failing to pass a medical examination (excluding drug/alcohol testing) required by the Board shall be allowed, upon request by the employee or the Board, to fill a vacant bargaining unit position which the Board intends to fill, and for which he/she is qualified until such medical examination is passed. In such case, no posting of the vacant bargaining unit position is required. Medical qualification for the vacant position is determined by the Board's physician. Nonmedical qualification is determined by the Board. Salary in the vacant bargaining unit position is in accordance with the salary schedule for the vacant bargaining unit position at the same salary step as in the employee's previous position. The former position will be held open no less than thirty (30) workdays. Eligibility to fill a vacant bargaining unit position terminates at the expiration of the employee's leave of absence and failure to accept an offered position ends eligibility for other positions.

## **ARTICLE 7. EMPLOYMENT CONDITIONS**

### **A. School Closing**

1. When the Superintendent, in his concern for student and employee health and safety, declares that all schools are closed because of heavy snow or other severe weather conditions, mechanical emergencies, or other acts or conditions beyond control of the system, all employees will be excused from work with pay (all three shifts) except those designated as "Emergency Staff."

Each department supervisor shall determine the procedure for notifying their employees when the Superintendent declares schools are closed and make that procedure known to the employees.

If schools are closed by the Superintendent once employees have reported to work, the Superintendent or his or her designee or designated administrative staff will determine whether all employees will be excused from work with pay (all three shifts) except those designated as "Emergency Staff." All employees who have reported for work and are excused will be paid their regular wages for the full day. If an employee is not notified at least one (1) hour before the start of an employee's work day and the employee is not designated as "Emergency Staff," the employee shall receive an additional one hour pay at his/her regular rate.

2. All employees will report to work if the Euclid Schools are open.
3. When an emergency occurs necessitating closing one school for part of a day or a full day, all employees are required to work unless they are expressly excused or sent home by the Superintendent or his or her designee.

No compensatory time or additional pay will be provided for these situations whether or not all or part of the staff are required to remain to cover the necessary functions.

F. Identification Cards

All employees shall wear their identification cards (if such cards are issued) while at work. Employees who lose or damage their identification cards or employee identification time clock badge, excluding normal wear and tear, will be charged a fee for a new card, after the second replacement card has been issued. Such fee shall be established by the Treasurer's Department and will be no more than actual replacement cost.

G. Uniforms

Uniforms and a uniform cleaning service shall be provided for all mechanics, which includes grounds crew mechanics and bus mechanics. All mechanics must be in uniform during working hours.

H. Equipment Allowance

Employees in the Skilled Trades who have at least one year of continuous service in the district shall receive an equipment allowance of \$200.00 annually, payable through Accounts Payable. This allowance will be issued in a separate check in one lump sum of \$200.00 in June of each contract year.

The intent of the equipment allowance is to provide funds to employees for the purpose of purchasing tools or related equipment of their trade or

insuring tools of their trade that are owned by the employees and brought onto the job and used for the benefit of the district.

## **ARTICLE 8. LEAVES, HOLIDAYS, AND VACATIONS**

### **A. Absence and Tardiness**

Employees are expected to report to work on time. If an employee cannot report to work at the start of the shift, the employee must telephone his/her supervisor, explain his/her absence, and estimate his/her time of arrival. Upon return to work, the employee must also submit an Employee Absence Report for time not worked. Failure to submit an Employee Absence Report may, in the Board's discretion, result in a dock of pay for the time the employee was absent from work, or in the case of a driver or aide, for the time absent and any routes missed. Failure to report to work or adequately explain such absence may result in loss of pay for the day. Each employee is required to be on the job and ready to work at his/her specified time. Employees shall utilize district absence software program (currently AESOP) to report absences.

Abuse of the time clock, that is punching in or out on the time clock for another employee, when not instructed to do so by the Immediate Supervisor, may, in the Board's discretion, subject both employees to disciplinary action.

Employees who are tardy or leave early may, in the Board's discretion, receive a dock of their pay in 15 minute increments. The Board shall not dock an employee's pay unless the employee arrives/leaves more than the time outlined in the district timekeeping software (presently six (6) minutes).

Any excessive tardiness or unexcused absence from work may, in the Board's discretion, result in disciplinary action.

### **B. Jury Duty/Court Leave**

The Board will pay an employee on jury duty his/her regular per diem rate. The employee shall retain any compensation paid by the court.

Days missed by members subpoenaed to court to testify in a proceeding where the member is not a party to the action shall be treated in the same manner as jury duty. As an example, divorce or domestic disputes where the member is a party are not included.

The employee must provide HR/Personnel with a court certificate attesting to the employee's actual attendance, and the employee may retain any compensation or reimbursement paid by the court.

C. Family and Medical Leave Act Leave

Bargaining unit members shall be entitled to leave as provided in the Family & Medical Leave Act of 1993 and the implementing regulations adopted by the U.S. Department of Labor. For purposes of this section, "12 month period" is defined as "the 12-month period measured forward from the date the bargaining unit member's first FMLA leave begins" (i.e., the leave year is specific to each bargaining unit member). Eligible employees are entitled to 12 weeks of leave during the 12-month period beginning on the first date FMLA leave is taken. The next 12-month period would commence the first time FMLA leave is taken after completion of any previous 12-month period.

D. Sick Leave

Each employee shall earn to fifteen (15) days sick leave with pay for each year under contract which shall be credited at the rate of one and one-quarter (1-1/4) days per month. Employees may use sick leave for absence due to personal illness, pregnancy, injury, exposure to contagious diseases which could be communicated to others, and for absence due to illness, injury, or death in the employee's immediate family.

The immediate family is defined as husband, wife, children, mother, mother-in-law, father, father-in-law, sister, brother, grandparents, and any member of the employee's household or any other person standing in the relationship of one of the above defined individuals.

In the case of death, immediate family will be defined to include the persons above, those persons with whom the employee has such a relationship that the employee requires a leave for bereavement.

When sick leave is used, it shall be deducted from the employee's credit on the basis of one hour for every one hour of absence from previously scheduled work. An employee shall furnish a written, signed statement on the Employee Absence Report to justify the use of sick leave. If medical attention is required, the employee's statement shall list the name and address of the attending physician and the dates he was consulted. Any

sick leave in excess of five (5) days requires such a statement. Falsification of the statement may, in the Board's discretion, be grounds for suspension or termination of employment.

Unused sick leave shall accumulate to a maximum of three hundred and ten (310) days.

**E. Medical Leave of Absence**

A non-teaching employee may request emergency short-term medical leave of absence for a total period not exceeding thirty (30) calendar days. The Superintendent may grant a short-term medical leave of absence providing the employee provides a doctor's certificate indicating the necessity for such leave.

When an employee has exhausted his cumulative sick leave and is still unable to return to work for medical reasons, the Board of Education, upon the recommendation of the Superintendent or his or her designee, will place the employee on a medical leave of absence. Such leave will begin on the day that the cumulative sick leave is completely exhausted and the employee has no earnings due. The leave of absence can be for a period of one month to one year with an option to extend it one additional year. Requests for such leaves must be accompanied by a doctor's certificate and an explanation.

While an employee is on medical leave of absence, the Board will pay its share of the total fringe benefit package for the following periods of continuous service in the district.

The leave periods listed below include any leave time to which an employee may be entitled under the Family Medical Leave Act (FMLA). Family Medical Leave Act periods run concurrently with sick leave.

90 days – 3 years    Maximum of 3 months in any 12-month period  
(FMLA)

More than 3 years    Maximum of 6 months in any 12-month period  
Through 5 years  
(FMLA plus 3 months)

More than 5 years Maximum of 12 months in any 24-month period  
(FMLA plus 9 months)

The calculation of the 12 or 24-month period begins with the first day of the medical leave of absence for the employee.

During the medical leave period, any such employee will be given the opportunity of participating in the hospitalization-group term life insurance programs once the above coverage has been exhausted by forwarding a check or checks to the Finance Department to cover the full cost of said insurance programs.

The Superintendent or his or her designee shall meet with the ECA President or designee and the employee to discuss return to work programs and transitional work programs for employees on Workers Compensation or extended medical leave who are released with work restrictions.

#### F. Sick Leave Donations

In the event a member of the bargaining unit experiences a catastrophic illness or injury and exhausts sick leave as a result, the ECA and the administration shall agree to establish a mechanism to allow for continued medical coverages and/or receipt of compensation. The denial to implement the mechanism shall not be precedent setting, shall not be subject to the grievance procedure and/or an unfair labor practice charge.

#### G. Assault Leave

"Assault" as used in this Collective Bargaining Agreement is understood to be the threat, or attempt to harm, or the resultant harm to a bargaining unit member.

Assault on a bargaining unit member is a most grievous act. Release time shall be given to a bargaining unit member in order to fill out all necessary forms. For that reason, the following administrative policy is to be used.

The Board will provide, at the discretion of the Superintendent or his or her designee, Assault Leave (up to 15 days) wherein a bargaining unit member

is absent due to physical disability resulting from an assault that occurs in the course of an employee's Board employment. If assault leave is granted, the Board will maintain the employee on full pay status during the period of such absence under the provisions of this section.

The employee who has been assaulted must furnish a written, signed statement on forms provided by the Board of Education to justify the use of assault leave.

If medical attention is required, a certificate stating the nature of the disability and its duration from a licensed physician shall be required before assault leave can be approved for payment.

Falsification of either a written signed statement or physician's certificate shall be grounds for suspension or termination of employment.

Assault leave granted under these regulations shall not be charged under sick leave earned or earnable under Section 3319.141 or any other applicable section of the Revised Code.

Procedures to be followed in case of assault:

1. An incident report (available from the principal, health aide, and the business office) must be filled out. If the employee so requests, the employee shall have an opportunity to consult with representation of the employee's choice prior to filing the report.
2. The bargaining unit member must notify a building administrator or other appropriate supervisor if medical attention is needed. Coverage will be provided to enable the bargaining unit member to receive immediate medical attention.
3. Bargaining unit members will be provided with notice of the location of the Board's designated health care facility on an annual basis. If another facility is utilized, the bargaining unit member must be seen by a doctor at the designated health care facility within twenty-four (24) hours, or Monday morning (if medical attention is needed on the weekend) following initial medical care of another facility.

4. The bargaining unit member may file a police report for the assault. This can be done at the Board facility or directly at the Euclid Police Department. An appropriate administrator/supervisor will call the police for the bargaining unit member to enable the bargaining unit member to file a police report at the Board facility. The bargaining unit member may make the report at the Euclid Police Department.
5. If medical attention is needed for a long period of time, a certificate of medical need from a licensed doctor must be sent to the Superintendent's or his or her designee's office. With this certificate on file, the bargaining unit member is ensured under the assault provision that he/she will not be charged for any necessary days or time missed.
6. The administrator and/or bargaining unit member shall make ECA aware of any assault situations.
7. An impartial investigation of the matter will be conducted by the principal or other appropriate administrator or supervisor and ECA President or designee, and a report, including recommendations, will be made to the Superintendent or his or her designee.
8. The Superintendent or his or her designee will review the matter and determine the action to be taken. Notification of this action will be sent to all parties involved.
9. The Superintendent or his or her designee shall render all reasonable assistance to the bargaining unit member in connection with the handling of the incident by law enforcement and judicial authorities including protecting the bargaining unit member's interests.
10. In the case of an assault on a bargaining unit member causing injury for which worker's compensation is paid, the Board will pay the monthly premiums on the adopted medical plan and term life insurance for a period not to exceed two (2) years.

If and when the employee exhausts the fifteen (15) days assault leave, he/she may use sick leave. If sick leave and the assault leave

provided for herein become exhausted, the employee may apply for further assault leave. Whether such additional leave is granted shall be determined solely by the Board and upon the recommendation of the Superintendent or his or her designee. Where the assaulted employee becomes eligible for benefits under the State Employees Retirement System because of age, or where the employee's employment by this district ceases, this leave provision shall no longer apply.

#### **H. Military Leave**

Such leave shall be granted in accordance with state and federal law.

#### **I. Personal Leave**

1. Employees shall be granted three (3) days of personal leave with pay each fiscal year. Personal leave days may be used regardless of the reason for the personal leave day, subject to the limitations herein. Unused personal leave days are non-cumulative. Unused personal leave shall be converted to sick leave at the conclusion of each fiscal year.
2. This provision for paid personal leave is not to be used to extend holidays or recesses.
3. Application for paid personal leave shall, except in emergencies, be made at least three (3) days prior to date of such leave on a form provided by the Board.
4. Requests for two (2) or three (3) consecutive days must have prior approval of the Superintendent or his or her designee.
5. When personal leave is used, it shall be deducted from the employee's credit on the basis of one hour for every hour of absence from previously scheduled work.
6. Personal leave days for new hires during a contract year will be prorated as follows:

New employees hired on a regular basis between:

July 1 through October 31	– 3 days
November 1 through February 28	– 2 days
March 1 through June 30	– 1 day

7. Personal leave knowingly utilized in violation of this policy shall be considered as insubordination and shall result in appropriate disciplinary action, up to and including dismissal.
8. The Board reserves the right to deny a requested personal leave day for operational needs. However, if a requested day is denied for operational needs, the employee has the right to carry over that personal day into the following fiscal year, or to be compensated for the day at the rate found in this section.

J. Parental Leave of Absence

Employees desiring to nurture the newborn child beyond the period provided for under FMLA may make application for a Parental Leave of Absence. Parental leave shall be granted, upon request, without pay, for a full school year or part of the school year in which it is requested for the purpose of caring for a newborn child. This leave, upon request of the employee, may, at the Superintendent or his or her designee's discretion, be extended up to one (1) additional school year, provided the request is made in writing to the Superintendent on or before May 30 immediately preceding the school year for which the extension is requested. If the employee fails to return or give notice of their intent to return at the end of one (1) year, the employee will be deemed terminated.

Request for a parental leave shall be made in writing to the Superintendent or his or her designee not later than thirty (30) days prior to the effective date for such leave and such request shall state the expected duration of the leave. In the case of unexpected circumstances, the notice requirement of thirty (30) days may be reduced or waived.

The Board shall also grant a leave of absence for an adoptive parent for a period up to a maximum of ten (10) calendar months. This provision shall

be in effect for adoptive children six (6) years of age or less. The above provision shall terminate upon the child's sixth (6th) birthday.

The employee shall give the Superintendent or his or her designee thirty (30) working days notice prior to returning from a Parental Leave of Absence.

K. Maternity/Paternity/Adoption Leave of Absence

As soon as possible, an expecting employee must send a letter to notify the Superintendent or his or her designee of the due date. A letter will be sent to the employee confirming the absence and substitute to be assigned (if applicable). If an employee develops physical problems which impair their ability to perform their job tasks as a result of pregnancy or the employees' spouse is disabled due to such pregnancy and requires care of the spouse, the employee shall secure a physician's statement attesting to such incapacity. Upon notice to the employer, the employee shall be eligible for a medical leave of absence.

After the baby is born, the employee is entitled to a six-week maternity leave of absence. The six-week leave begins on the day the baby is born. This leave would be charged against accrued sick time. If the employee exhausts her accrued sick time during the six-weeks, the employee must qualify under the FMLA guidelines to have the balance of the unpaid leave approved.

Employees only receive six weeks regardless of whether or not they are using accrued sick time or on an unpaid FMLA. At the end of the six weeks, the employee must either return to work, request additional time off based on medical necessity (doctor's note required), or if qualified under FMLA, the employee may request an additional 6 weeks unpaid FMLA (refer to FMLA section.)

While an employee is using accrued sick time, or is on an approved unpaid FMLA, the Board will continue to pay the medical benefits (if applicable). If employees exhausts their sick time, and the employee is not eligible for additional leave under FMLA, the employee must pay for the benefits if he or she wish to be included in the Board's medical coverage and term life insurance.

A bargaining unit member who fathers a child and who has responsibilities for the care of the child or mother of the child shall be entitled to two (2) weeks of paid sick leave without medical documentation.

Any bargaining unit member who adopts a child ages 2 and under shall be entitled to three (3) weeks of paid sick leave. For an adopted child over 2 years of age, there is no allowable use of sick leave. Refer to FMLA or child-rearing leaves for procedures for additional unpaid absences.

**L. Professional Leave**

Professional leave may be granted for the purpose of visiting other schools, attending to school business, or rendering professional services and for attendance at professional meetings as approved by the Superintendent or his designee.

Full pay shall be allowed for professional leave without deduction from such leave or cumulative leave, provided no compensation is received by the employee from other than school funds during said leave.

Applications for professional leave shall be made on a form secured from the employee's immediate supervisor. Application shall be completed at least two (2) weeks prior to the intended leave, except where circumstances make this impossible.

**M. Return From Leave**

Upon return from leave granted pursuant to this Agreement, an employee shall be returned to the same position held at the time the leave commenced or, if that position is not available, to a comparable position within the classification.

**N. Paid Holidays**

Vacation dates must not conflict with the Board of Education calendar and program. The starting date for earned vacation is July 1st of each year and must be used by June 30th of the following year with these limitations:

1. Employees who hold positions that would require a substitute in their absence must take their vacation when schools are shut down during the summer, Christmas, or spring vacation. Employees may take up to five (5) days during the school year provided it does not interfere with the regular school program, their position can be covered by a substitute, and having prior approval of the immediate supervisor.

Vacations in the buildings shall be alternated between the custodian and the assistant custodian. The building shall not be left uncovered unless approved by the immediate supervisor. Christmas and spring break vacations shall be assigned based on seniority, with no one person having the option of using both breaks in the same year.

2. Those employees who hold positions that do not require a substitute if they are absent may take their vacation at any time that does not interfere with the regular school programs and having obtained prior approval of the immediate supervisor.
3. If paid holidays fall during an employee's vacation, the employee is entitled to one additional day for the paid holiday, the time to be arranged with the immediate supervisor.
4. All employees who have earned 25 vacation days must schedule at least all but ten (10) days, with five (5) days scheduled in the first semester and five (5) days scheduled in the second semester. Employees shall schedule these ten days in May for the following school year. If a request for a scheduled vacation day in the first semester is denied, employees may carry over that day or days to be scheduled in the second semester. The days may be single days, but must be scheduled. These may be rescheduled upon the

approval of the Superintendent or his or her designee. The remaining days may be used "one day at a time."

All other employees receiving vacations must schedule at least all but five (5) days. The days may be single days, but must be scheduled. These may be rescheduled upon the approval of the Superintendent or his or her designee. The remaining days may be used "one day at a time."

5. Unused vacation is not cumulative to the next year. However, vacation days that cannot be scheduled during the vacation year due to the unavailability of vacation days on the department schedule may be carried over into the following year, but must be used as approved by the end of the July following the vacation year.

7. Any employee transferring or transferred from a less than 12-month, 8-hour position after September 1 of any school year shall be entitled to one day per calendar month worked as of July 1 the following year for the purpose of calculating their earned vacation.
8. Any employee transferred or transferring from a 12-month classification to a 10-month classification shall receive the pro-rated portion of his/her earned but unused vacation leave for the current year prior to said transfer.
9. Any employee retiring or being separated from employment shall, at that time, receive his/her earned but unused vacation leave for the current school year. If separation is immediate, the employee shall be entitled to compensation at his/her current rate of pay for the prorated portion of his/her earned but unused vacation leave for the current year.
10. Vacation time may not be taken without at least a two day notification by closing of previous regular hours. Time off required in an emergency or illness should be charged to personal or sick time, respectively. Vacation time is to be used in four (4) hour increments.

## ARTICLE 9. COMPENSATION

### A. Employee Pay Schedules

The employee pay schedules for the duration of this Agreement shall be found in Appendix C to this Agreement.

Effective July 1, 2017, the Employee Pay Schedule hourly rate amounts shall be increased by 1.5% of the rates in effect on June 30, 2017. In addition to the above, those eligible for a step shall move up one step effective July 1, 2017.

Effective July 1, 2018, the Employee Pay Schedule hourly rate amounts shall be increased by 1.00 % of the rates in effect on June 30, 2018. There shall be no step movement.

### B. Salary Payments

Salaries of employees will be paid every other Friday. If a federal holiday falls on a Friday or other non-workday for employees, checks will be paid on the last workday before the regular payday.

Salaries are figured on an hourly basis times the number of hours in the workday times the number of workdays in the respective calendar work year to determine an annual salary.

Payroll miscalculations resulting in underpayment of employee wages shall be corrected and paid to the employee via a separate check within forty-eight (48) hours of notification to the employer of the miscalculation.

### C. Minimum Call-In – 2 Hours

The Board agrees to pay the employees a minimum of two (2) hours for off-duty call-in. This does not pertain to time worked at the beginning or at the end of an employee's regular workday, or does it pertain to weekend building checks which, when required, are limited to one hour. The intent of the provision is to protect the employee who is asked to give up time on weekends or evenings to cover rentals, special programs or vandalism to buildings. In the event the day custodian is scheduled to close the building

after second shift, two (2) hours will be paid, and the custodian shall work one (1) hour.

**D. Severance Retirement Pay**

Employees who are actively employed on a permanent or part-time basis who elect to retire and have been accepted for retirement by the State Teachers Retirement System (STRS) or the School Employees Retirement System (SERS) shall be paid a lump-sum equal to one-fourth (1/4) of the value of the accrued, but unused sick leave credit to a maximum of sixty (60) days.

Employees not qualifying for paragraph one actively employed on a permanent basis, retiring between the ages of fifty and sixty who have fifteen (15) to twenty (20) years of Euclid service, will receive severance pay equal to one-sixth (1/6) of the accumulative sick leave to a maximum of forty (40) days. Employees not qualifying for paragraph one actively employed on a permanent basis between the ages of fifty and sixty with over twenty (20) years of Euclid service will receive severance pay equal to one-sixth (1/6) of the accumulative sick leave to a maximum of fifty (50) days.

Such payment shall be based on the employee's daily rate of pay at the time of retirement. Payment for sick leave on this basis shall be considered to eliminate all sick leave credit accrued by the employee. Such payment shall be made only once to any employee.

**E. Shift Differential**

This premium will not be paid for any day shift work during the summer, unless the employee has been asked to work on day shift. Workers who ask to be placed on the day shift will not be paid the night premium while working the day shift. The requesting employee shall provide a written request for the shift change.

Any employee assigned to a shift other than the regular day shift shall receive extra compensation equal to two-and-nine-tenths percent (2.9%) of that employee's respective hourly rate while the employee is working that shift.

F. Overtime

Employees who work more than forty (40) hours in a week will be compensated at one and one-half (1-1/2) times the regular hourly rate of pay for all hours worked beyond forty (40) hours. If the employee elects to take compensatory time off in lieu of overtime pay for any overtime worked, such compensatory time shall be granted by the Superintendent or his or her designee on a time and one-half (1-1/2) basis at a time mutually convenient to the employee and the supervisor.

Double time will be granted for the approved holiday listed. No building checks are allowed on these dates with the exception of the High School.

July 4th  
Labor Day  
Thanksgiving Day  
Christmas Day  
New Year's Day  
Easter Sunday  
Memorial Day

No substitute, student, or summer help shall work overtime, unless each employee in that classification, department, or school has declined the overtime. An exception would be if an emergency would arise while that person was working with a full-time employee on that particular job.

No overtime can be paid or compensatory time credited unless it has been authorized by the Superintendent or his or her designee, Transportation Supervisor, or Supervisor of Building Operations in advance of time worked. When overtime is authorized for employees, that overtime will be allocated on a rotating basis by seniority (recharging each school year) within a department or school building and by classification.

Compensatory time will be charged at the number of hours taken and additional minutes will be charged at the rate of 0-30 minutes (1/2 hour), 30-60 minutes (1 hour), etc. An employee shall notify his/her supervisor at least twenty-four (24) hours in advance of using compensatory time. Four (4) hours or fewer of compensatory time on the same day as the request can be approved by the supervisor unless a substitute is needed.

Earned compensatory time will be limited to sixty-four (64) hours in any school year and must be taken by August 1. Payment for unused compensatory time shall be made at the appropriate rate of pay that exists on June 15, in the first pay in September.

An employee who has accrued the maximum number of compensatory hours shall be paid overtime compensation in cash for any additional overtime hours of work.

Payment for accrued compensatory time upon termination of employment shall be calculated at the average regular rate of pay for the final three (3) years of employment, or the final regular rate received by the employee, whichever is the higher.

"Compensatory Time" and "Compensatory Time Off" are defined as hours when an employee is not working and which are paid for at the employee's regular rate of pay. These hours are not counted as hours worked in the week in which they are paid.

#### **G. Longevity Program**

Each actively employed bargaining unit member shall receive an additional salary payment with the first payroll check in December (approximately December 15) of each year in recognition of length of service or longevity in accordance with the following stipulations and schedule.

Once an employee achieves ten (10) years seniority, the employee will be entitled to longevity pay in accordance with his/her original start date. Starting date is the date the employee becomes a bargaining unit member.

1. The only exceptions to being actively employed are in the event that should an employee retire or pass away during any part of the year prior to December 1, such employee's longevity pay shall be prorated to the effective date of retirement or the death of that employee for that year only. Prorated payments will be based on full month of work only.
2. The anniversary date to qualify an employee for longevity in any year shall be the employee's bargaining unit starting date.

3. Any employee who has reached ten (10), fifteen (15), twenty (20), or twenty-five (25) years of employment in any calendar year qualifies for longevity payments as of December 1 of that year.
4. Actively employed means employees on the monthly payroll and accruing earnings as of December 1 of that year.

If an employee is on a medical leave of absence, such employee's longevity pay shall be determined based on the last completed month of work for that year only. Employees on unpaid leaves of absence in excess of thirty (30) days will have their seniority date for longevity purposes recalculated. This means that they will not accrue seniority while on an unpaid leave and will not accrue longevity.

Longevity pay shall be computed on total number of years only, in accordance with the following schedule:

a. Longevity Payments

(1)	Ten (10) or more years	\$ 550
(2)	Fifteen (15) more years	700
(3)	Twenty (20) or more years	800
(4)	Twenty-five (25) or more years	1200

H. Mileage; Other Expense Reimbursement

Employees required to use their personal car during the workday shall be paid mileage at the rate established by the Board for all personnel plus the actual costs of tolls and parking.

Employees will not be requested nor required to use their private vehicle to haul heavy or dirty material such as plaster, concrete, etc.

**13. Calculations for Medical Insurance**

The following hourly basis will be used for calculating medical insurance:

Additional documentation may be required.

If an employee submits false information or fails to timely advise the Board of a change in a spouse's eligibility for employer (or public retirement plan) sponsored group health insurance and/or prescription drug insurance, and such false information or such failure results in the Board providing benefits to which a spouse is not entitled, the employee will be personally liable to the Board for reimbursement of benefits and expenses, including attorney's fees and costs, incurred by the Board. Any amount to be reimbursed by the employee may be deducted from the benefits to which the employee would otherwise be entitled.
