## **ARTICLE 1**

### **STATEMENT OF PRINCIPLES**

- 1.1** The Board of Education of the Minster Local School District together with the Minster Teachers' Association recognizes that the development and operation of educational programs of the highest quality for the benefit of the students and their communities is a responsibility which requires, for its effective discharge, cooperation between the Board, the Superintendent, administrative staff, and the teaching staff speaking through their designated representatives. Since these groups have the same ultimate aim of providing the best educational opportunities for all pupils, results of scientific investigation, evaluation of experimental efforts, or the analysis of effective instructional programs should be used to determine what is best for the education of pupils. Therefore, relationships must be established and maintained which are based upon this common interest and the concept of education as a public trust and as a professional calling. Thus, the Association subscribes to the current Code of Ethics of the Education Profession as adopted by the National Education Association and Ohio Education Association.
- 1.2** The Board of Education, the Superintendent, the administrative staff, and the teaching staff can best attain their common objectives and discharge their respective responsibilities if each utilizes the ability, experience, and judgment of the other in resolving matters of concern which affect the quality of the total educational program.
- 1.3** It is the purpose of this document to establish this relationship between the Board of Education and the Minster Teachers' Association, and to set forth an orderly procedure for the consideration and resolution of matters of concern. Thus, the parties do hereby agree as follows:

## **ARTICLE 2**

### **RECOGNITION**

#### **2.1 RECOGNITION OF ASSOCIATION**

**2.1.1** The Minster Board of Education hereinafter called the "Employer," hereby recognizes the Minster Teachers' Association/OEA/NEA, hereinafter called the "Association," as the sole and exclusive representative of all regular certified teaching personnel for the purposes of Collective Bargaining as defined in Chapter 4117 of the Ohio Revised Code.

#### **2.2 RECOGNITION OF SUPERINTENDENT**

**2.2.1** The Board of Education recognizes the school Superintendent as its chief executive officer and the person to whom it looks for educational leadership. It shall be the function of the Superintendent and the Board or their designated representatives to meet in accordance with established procedure with representatives of the Association in an effort to reach mutual understanding and agreement on all appropriate matters submitted for negotiation.

#### **2.3 SEVERABILITY**

**2.3.1** In the event there is a conflict between a provision of this Agreement and any applicable state or federal law, or valid rule or regulation adopted by a federal agency or a state agency pursuant thereto, the terms and conditions of this Agreement shall prevail as to that provision, except as may be provided by ORC 4117.10(A).

**2.3.2** If, during the term of this Agreement, there is a change in any applicable state or federal law, or valid rule or regulation adopted by a federal agency or a state agency pursuant thereto, which would invalidate any provision of the Agreement, the parties may request to meet and negotiate any invalid provision of the Agreement. The request to meet and negotiate will be honored within sixty (60) calendar days unless the number of days is increased through mutual agreement.

#### **2.4 ASSOCIATION DUES DEDUCTIONS**

**2.4.1** Teachers may authorize payroll deductions on the scheduled teacher workday prior to the beginning of each school year for professional dues to be deducted in twenty-four (24) equal payments, two (2) per month, commencing with the first pay period. If for any reason the Board fails to make a deduction for any employee as above provided, it shall make that deduction from the employee's next pay in which such deductions is normally deducted after the error has been called to its attention (in

writing) by the employee. The Association agrees to hold the Board and its designees harmless for any and all errors arising out of the dues deduction procedures. The Association agrees to assume full responsibility for correcting any and all errors arising out of the dues deduction process.

- 2.4.2** The Board Treasurer is authorized to make deductions and salary adjustments in accordance with the prescribed duties of the office and upon receipt of the proper authorization forms.

In addition it is the requesting party's obligation to notify the State Employment Relation Board of the offer to negotiate by serving upon SERB a copy of the written notice to the other party.

#### **5.2 MEETINGS**

- 5.2.1** An agreement will be reached within three (3) calendar days of the request as to the time and place of the meetings, which shall be held within seven (7) calendar days after the request has been submitted, unless both parties agree to an extension of time. Until all negotiation meetings are completed, each meeting shall include a decision on an agreed time and place for the next subsequent meeting unless mutually agreed otherwise. The parties of this Agreement may mutually waive or change negotiating meeting procedures.
- 5.2.2** All proposals shall be submitted in writing by both parties at the initial meeting. After the second meeting new proposals shall not be submitted by either party unless by mutual agreement.
- 5.2.3** Original proposals shall be written and in language suitable for inclusion in the final agreement. If the change is a minor change in existing language, the proposal shall give specific reference to the word, sentence, or paragraph to be changed with the new language included.
- 5.2.4** Topical listings of items proposed for negotiations (i.e., laundry list) shall constitute a clear failure of compliance and may be disregarded.
- 5.2.5** Either party may call for a caucus of up to approximately thirty (30) minutes or by mutual agreement extend such caucus.
- 5.2.6** Bargaining sessions shall last a maximum of three (3) hours unless by mutual agreement the time is extended.

### **5.3 NEGOTIATION TEAM**

- 5.3.1** The Board and the Association shall be represented at all negotiations by a team of negotiators not to exceed three members each, or four members each in the event that either party wishes to include an outside consultant. The team shall be composed of certified personnel, the Minster Teachers' Association and members of the Minster Board of Education or administration. Each team shall have the option of adding one outside negotiator each, who is not a member of the Minster Teachers' Association or a member of the Minster Board of Education, having given at least seven (7) calendar days' notice of intent to do so. The Treasurer may be included at the table as a consultant when both parties agree. The MTA will maintain one consistent member at the table each day/evening when meetings are held.
- 5.3.2** An advisor may be available for either side, but either party must caucus with him/her outside the meeting room: he/she is not to be an observer of the actual negotiation sessions, except as noted in the previous paragraph. At the request of either side, the negotiation sessions may be taped and those tapes are then to be available to either side.

### **5.4 NEWS RELEASES - WHILE NEGOTIATIONS ARE IN PROGRESS**

- 5.4.1** During any phase of negotiations, including mediation, there will be no public releases of information to the media unless agreed upon by both parties and in such instances releases are agreed upon, said releases shall be in writing and both parties shall approve of the releases prior to their dissemination.

It is understood that the exception to this could exist in the Dispute Resolution Procedure, in that if the mediator is asked to release information, neither party has control over what he releases except as defined in that procedure.

- 5.4.2** Both parties may issue progress reports to their members so as to keep their members informed with respect to the progress of negotiations.
- 5.4.3** It shall be the responsibility of both parties to inform their respective members that all progress reports are confidential and any information derived from such reports shall not be disclosed to the general public.

### **5.5 INFORMATION**

- 5.5.1** The parties agree during negotiations to provide each other, upon written request, and within a reasonable time, regularly and routinely prepared information for development and evaluation of proposals. Access to such information in such form as it exists constitutes compliance with this provision and neither party is obligated to develop data or information not in existence or to rework, redraft, summarize, compute, or otherwise develop data or information in other than its existing form.

## **5.6 AGREEMENT**

- 5.6.1** As items are agreed to, they shall be (T.A.'d) and signed off and when final agreement is reached through negotiation, the outcome shall be reduced to writing and submitted to the Association for ratification. The negotiated agreement must be ratified by the Association and submitted to the representative of the Board of Education within fourteen (14) calendar days of the date in which the parties finalize the agreement. Upon official adoption by the Board, the Agreement shall be signed by both parties, and shall become a part of the official minutes of the Board and the Association, and become binding on both parties.
- 5.6.2** If the Board of Education fails to act upon the agreement at the next regularly scheduled board meeting after the agreement is submitted to the representative of the Board of Education, it becomes effective.
- 5.6.3** If the Board of Education rejects the proposed agreement, either party may reopen all or part of the entire agreement.

## **5.7 MUTUALLY AGREED DISPUTE RESOLUTION PROCEDURE**

- 5.7.1** Pursuant to Section 4117.14 (C) (1) and 4117.14 (E) of the Ohio Revised Code, the parties have established this mutually agreed upon Negotiations and Dispute Resolution Procedure which supersedes the procedures listed in Section 4117.14 (C) (2) - (6) and any other procedure to the contrary.
- 5.7.2** In the event agreement is not reached thirty (30) days prior to the expiration of the collective bargaining agreement, the Board and the Association shall meet in an attempt to agree on a mediator. If agreement is not reached in three (3) calendar days, then the Association and the Board of Education shall jointly request the services of a mediator from the Federal Mediation and Conciliation Service (FMCS) unless the parties agree to an alternative mediation service.
- 5.7.3** Except by mutual consent, the selection and mediation process shall not extend for more than thirty (30) calendar days from the date of declaration of impasse. The parties shall be permitted to postpone or extend the mediation process by not more than fifteen (15) days and shall not extend beyond the expiration of this Agreement except by written agreement of the parties prior to such expiration. All such extensions shall be for a specified period of time.
- 5.7.4** The mediator shall meet with the parties or their representatives either jointly or separately, and shall take such steps as he/she may deem appropriate to persuade the parties to resolve their differences and to affect a mutually acceptable agreement. The mediator shall not, without the consent of both parties, recommend terms of settlement.

## **ARTICLE 6**

### **GRIEVANCE PROCEDURE**

#### **6.1 DEFINITIONS**

- 6.1.1** A grievance is a complaint by the Association or by one or more teachers that there has been a misinterpretation of, or misapplication of the provisions of this agreement, which occurred since the ratification of this agreement by both parties. If two or more complainants have the same grievance, a joint grievance may be processed as a single grievance at this and succeeding steps.
- 6.1.2** A "Grievant" shall mean a teacher or group of teachers or the Association filing a grievance.
- 6.1.3** A "Party in Interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.
- 6.1.4** "Appropriate Administrator" for purposes of the grievance procedure, shall mean the lowest level administrator having the authority to resolve the grievance.
- 6.1.5** An "Aggrieved Person" is the person or persons making the claim.

#### **6.2 PURPOSE**

- 6.2.1** The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

#### **6.3 PROCEDURES**

- 6.3.1** An individual or group of employees may initiate a grievance through the Association following unsuccessful resolutions at the Informal Level.
- 6.3.2** The Association may initiate a grievance if its rights have been violated as defined in Definition 1 above, following the unsuccessful resolution at the Informal Level.
- 6.3.3** A grievance may be withdrawn at any step by the grievant.
- 6.3.4** The grievant has the right to be accompanied by the MTA president or other members of the bargaining unit at the Informal Level, Level 1 and Level 2 of the procedure. He/She has the right to be accompanied by a representative of OEA or legal counsel at Levels 3 and 4. If the grievant intends to be accompanied by legal

counsel at any of the Level 3 or Level 4 meetings with the administration, the grievant must provide the Superintendent written notice of that fact at least 48 hours prior to the meeting. If the grievant fails to provide the Superintendent with such notification, the Superintendent and grievant will reschedule the meeting within a reasonable amount of time and all meeting and response timelines shall be extended by a corresponding number of days with no penalty to the Board.

#### **6.4 TIME LIMITS**

- 6.4.1** Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual written agreement.
- 6.4.2** Failure at any step in this procedure to communicate decisions in writing as called for on a grievance within the specified time limits permit the grievance to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step and there shall be no further right of appeal.
- 6.4.3** In the event a grievance is filed at such a time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year could result in harm to an aggrieved person, the grievance shall be processed within the time limits and completed as soon as is possible following the close of the school year.

#### **6.5 INFORMAL PROCEDURE**

- 6.5.1** A sincere attempt should be made to resolve any grievances by oral interview between the complainant and the Principal before differences become formalized as grievances. He/She may be accompanied by the MTA president or other member of the bargaining unit.
- 6.5.2** If the grievance is not resolved to the satisfaction of the grievant by the informal procedure, the grievant may further pursue the grievance within twenty (20) calendar days after the fact or condition upon which the grievance is based by submitting a formal grievance form.

#### **6.6 FORMAL PROCEDURE**

##### **6.6.1 Level One - School Principal (Or Immediate Supervisor)**

- 1. If the grievant is not satisfied with the outcome of the informal procedure, the grievant may file a written grievance within seven (7) calendar days following the informal decision or within twenty (20) calendar days of the fact or condition

upon which the grievance is based. Forms for this purpose shall be available in each school office. The written grievance shall be directed toward the Principal or immediate supervisor. Information copies are to be sent by the grievant to the Association President and to the Superintendent.

2. The Principal or immediate supervisor within seven (7) calendar days after receipt of the grievance shall render a written decision to the aggrieved person with a copy to the Association President and to the Superintendent.

#### **6.6.2 Level Two - Superintendent of Schools**

1. If the grievant is not satisfied with the decision concerning his/her grievance at Level One, he/she may, within seven (7) calendar days after the decision is rendered, refer such grievance in writing to the Superintendent.

2. The Superintendent shall schedule a meeting to take place within seven (7) calendar days from the receipt of the written grievance with the purpose of resolving the grievance. The parties in interest shall have the right to include in the representation such witnesses and representatives as they deem necessary to develop facts pertinent to the grievance.

3. The Superintendent shall, within seven (7) calendar days after the meeting, render a decision in writing to the building Principal, grievant, and the MTA president.

#### **6.6.3 Level Three - Board of Education**

1. If the grievant is not satisfied with the deposition made by the Superintendent, the grievant may initiate Level Three by completing a proper Grievance Report Form and submitting it to the Board by filing a copy with the Treasurer of the Board and the Superintendent within seven (7) calendar days after receipt of the Superintendent's decision.

2. At the next regularly scheduled Board meeting, the Board shall meet with the grievant, the Association representative and the Superintendent or his designee, to review the grievance and attempt to resolve same.

3. Within seven (7) calendar days of such meeting, the Board shall reduce its disposition of the grievance to writing and forward a copy thereof to the grievant, the Association and the Superintendent.

4. Upon mutual agreement of the parties to the grievance, the grievance may be submitted to Level Four without a hearing before the Board.

#### **6.6.4 Level Four - Arbitration**

1. If the grievant(s) is (are) not satisfied with the disposition in Level Three, he/she (they) may request to the Association that the grievance be submitted to arbitration within seven (7) calendar days after receipt of the disposition at Level Three. The grievant's (s') request for arbitration shall be by certified mail, with return receipt

requested, to the Association and to the Superintendent or if the Association is the grievant, to the Superintendent. The Superintendent or his designated representative and the Association shall mutually petition the American Arbitration Association (AAA) to provide both parties with a list of seven (7) names. A second list of seven (7) names may be requested by either party before the parties select an arbitrator by the "alternate strike method." An arbitrator shall be selected from the first or second list by the "alternate strike method." Each party shall have three strikes. The Association shall strike first.

Once the arbitrator has been selected, he/she shall conduct a hearing on the grievance in accordance with the rules and regulations of the AAA.

2. The arbitrator shall hold the necessary hearing promptly and issue the decision within such times required by the AAA rules or as may be agreed upon. The decision shall be in writing and a copy sent to all parties present at the hearing. The decision of the arbitrator shall be binding on the Board, the Association, and the grievant. Binding arbitration shall be the sole and exclusive remedy for an alleged violation of this Agreement. The Association, Association representative or individual bargaining unit members may not file any unfair labor practice charge or any other action to enforce the rights provided by this Agreement.

3. The arbitrator shall not have the authority to add to, subtract from, or modify any of the provisions of this collective bargaining contract, nor to add to, detract from, or modify the language herein, arriving at his/her decision concerning an issue presented that is proper within the limitations expressed herein. The arbitrator shall not have the authority to rule contrary to the law of the State of Ohio. The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to decide any other issue(s) not submitted to him/her. He/she shall not limit or interfere with the powers, duties, and responsibilities of the Board or Administration under Article 4 of this Agreement, any other provision of this Agreement reserving powers and duties to the Board or Administration or any applicable law or regulation having the force and effect of law.

4. No grievance shall be arbitrated together with any other grievance except by mutual consent of the parties.

5. The cost of arbitration shall be shared by the parties, except that each party shall bear the cost of its own representative(s).

## **ARTICLE 8**

### **PARENTAL COMPLAINT PROCEDURE**

- 8.1** When a member of the Public makes a complaint to the Board or any of its members or Administrators concerning an employee, and the concern is thought to be serious enough to become a matter of record, the appropriate Administrator shall inform the employee of the concern in a private meeting. The Administrator and employee shall attempt to resolve the party's complaint.
- 8.2** An Administrator, employee and complaining party shall meet to attempt to resolve the party's complaint unless the Administrator feels a resolution may be more obtainable by meeting with the complaining party without the employee.
- 8.3** Should the complaining party still not be satisfied and bring the concern to the Board, the employee shall be so informed and have the right to provide the Board information concerning the issue.
- 8.4** The employee may have a representative of the Association present at any level.

## ARTICLE 9

### REDUCTION IN FORCE

- 9.1 The board may suspend teacher's contracts in accordance with R.C. 3319.17. In making any such reduction, the board shall proceed to suspend contracts in accordance with the recommendations of the superintendent of schools who shall, within each teaching field affected, give preference to teachers on continuing contracts. The board shall not give preference to any teacher based on seniority, except when making a decision between teachers who have comparable evaluations.
- 9.12 If the Board of Education determines a RIF may occur, Teachers to be RIFed by the start of the following school year must be notified no later than May 10<sup>th</sup> of the previous school year.
- 9.13 A bargaining unit member who is displaced and/or reduced from one teaching area but who currently possesses a continuing contract may displace a member who does not possess a continuing contract in another area in which he/she maintains a current certificate/license. In determining which teacher shall be displaced, the board shall not give preference to any teacher based on seniority, except when making a decision between teachers who have comparable evaluations.
- 9.2 The names of teachers whose contracts are suspended in a reduction in force will be placed on a recall list for up to 24 months from the date of the reduction. Teachers on the recall list will have the following rights:
- 9.2.1 No new teachers will be employed by the Board while there are teachers on the recall list who are certified for any vacancy which may occur within the district.
- 9.2.2 Teachers on the recall list will be recalled in reverse order of suspension for vacancies in areas for which they are certified.
- 9.2.3 If a vacancy occurs, the Board will send a certified announcement to the last known address of all teachers on the recall list who are qualified according to these provisions. It is the teacher's responsibility to keep the Board informed of his current address. All teachers are required to respond in writing, by certified mail, return receipt requested, to the district office within seven calendar days. The most senior of those responding will be given the vacant position. Any teacher who fails to respond within seven calendar days, or who declines to accept the position, will forfeit all recall rights.
- 9.2.4 A teacher on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave, and salary schedule placement as he/she enjoyed at the time of layoff.
- 9.3 The parties agree that these procedures apply only to the suspension of contracts under 3319.17 or for financial reasons. This article shall not require the Board of Education

to fill any vacancy, nor shall it interfere with any other lawful personnel procedures in the district.

- 9.4** No retired teachers will be employed by the Board in any year where a Reduction in Force has occurred, or while there are any teachers on the recall list with the required certification.

## **ARTICLE 10**

### **ASSIGNMENTS, VACANCIES, AND TRANSFERS**

#### **10.1 ASSIGNMENTS**

**10.1.1** Teachers under contract during a school year will be notified in writing of their teaching assignments for the following school year not later than thirty (30) calendar days prior to the beginning of that school year. Such notification shall include the teacher's school assignment and subject assignment. Any change in such assignment required by the needs of the school district will be made known to the teacher, in writing, as soon as possible. Any teacher so affected shall have the opportunity to confer with the Superintendent/designee before the assignment change takes place.

#### **10.2 VACANCIES**

**10.2.1** Vacancies, as determined by the administration, may result from creation of new positions, resignations, Board approved leave of absences, retirement, death, non-renewal, or termination.

**10.2.2** Vacancies for bargaining unit positions will be officially e-mailed to all members. During the school year, normally, no action will be taken to fill such position until it has been posted for five (5) contract days and ten (10) calendar days during the summer.

**10.2.3** Posting of a vacancy shall not be construed as requiring the Board to fill such a position, but is creating an opportunity for employees to indicate an interest in transferring to such a position. In addition to transfer requests received after posting, unfilled voluntary transfer requests submitted as per section 10.3.1 of this article will be considered in filling vacancies which occur during the first nine (9) contract days of the school year. Time limits for posting and filling vacancies do not apply to such positions.

**10.2.4** When vacancies occur ten (10) contract days after the beginning of the school year, the Superintendent may fill such a vacancy on a temporary or tentative basis until the end of the normal school year, at which time the position may be considered, as determined by the Superintendent, open for transfer requests. Recommendations to fill vacancies shall be made at the discretion of the Superintendent. If not currently a bargaining unit member, individuals who fill such positions shall not be considered as such.

**10.2.5** Recommendations to fill the vacancy shall be made by the Superintendent based on the following criteria: certification and qualifications of the applicant, instructional requirements, best interest and needs of the district (e.g., staff balance, better staff utilization), and seniority. Seniority in the district shall mean uninterrupted service from the effective date of the employee's most recent date of hire except that the

Board approved leave of absence shall not constitute an interruption. Not later than May 15 of each year, the Superintendent will prepare a list of vacancies and teaching positions for the following school year. Vacancies to be identified will include those filled on a temporary basis as per section 10.2.4 and others as have arisen under section 10.2.1.

### **10.3 TRANSFERS**

**General Provisions:** For purposes of this article, transfer shall be defined as change from high school to elementary (K-8), or elementary (K-8) to high school, or one area of certification to another.

#### **10.3.1 Voluntary Transfers**

1. Request for transfer will be made in writing by the teacher on or before March 15 of each year. (The request shall set forth the reasons for transfer; the school, grade or position sought; and the applicant's qualifications.) Such request shall not affect the teacher's existing assignment in the event no vacancy exists in the area to which transfer is requested. Such request shall expire on the ninth (9th) contract day of the succeeding school year.
2. Unit members filing appropriate voluntary transfer requests as per section 10.3.1, or who properly apply for the posted position within the five (5) contract days or ten (10) calendar days posting period, may be granted the position in accordance with section 10.2.5.
3. Each unit member that has requested a transfer shall be notified of the disposal of that request. If a vacancy exists and the request is denied or granted to a less senior teacher, the teacher may request and shall be granted a conference with the Principal or Superintendent/designee. Voluntary transfer requests shall not be given priority consideration over staff reduction transfers.

#### **10.3.2 Involuntary Transfers**

##### **Notification of Assignment**

If a teacher is to be involuntarily transferred to another assignment the Superintendent/designee will personally contact the affected teacher. If personal contact is not possible a phone call will be made to the affected teacher. Teachers are responsible for giving written notification to the Superintendent/designee's office of the address and/or telephone number where they can be contacted during the summer when school is not in session if that number is different from what is already on file. The teacher shall be given a minimum of two (2) contract days' notice before receiving students in his/her new position.

## **10.4 JOB SHARING**

- 10.4.1** The job sharing must be approved by the building Principal and the Superintendent on a yearly basis.
- 10.4.2** Applicants for a job-sharing position shall have a minimum of three (3) years teaching experience to qualify.
- 10.4.3** Teachers who want to job share must submit a written plan for approval to the building principal by April 30 of the preceding school year with the following elements:
- a. The grade level, building, and subject to be shared.
  - b. The teachers who will be job sharing. No current staff member shall be required to job share.
  - c. The percentage of the regular full-time work day and exact time schedule each participant proposes to be present on the site plus teaching schedule.
- 10.4.4** A job-sharing plan will be in effect for a full school year.
- 10.4.5** The job-sharing teachers will jointly develop teaching methods and techniques, and grading practices that ensure consistency and compatibility of the program.
- 10.4.6** All negotiated benefits shall be split according to the percentage of a regular full-time workday served by the participant. The costs of job sharing a position shall not exceed the cost of one full time equivalent position.
- a. The typical contractual allotment of three (3) personal leave days per Article 11.7.1 shall be split between the job-sharing teachers, resulting in each job-sharing teacher being allotted one and a half (1.5) personal days.
  - b. Job-sharing teachers will accrue sick leave based on hours worked.
- 10.4.7** Participants shall acquire seniority credit for layoff and salary schedule placement purposes on a proportionate basis; for example, one half-time service provides one-half credit.
- 10.4.8** Job-sharing teachers shall be considered for contract status, evaluation, and layoff on the same basis as other teachers.
- 10.4.9** Each participant must attend all contractually required duties that are required of a full-time teacher (e.g., open house, parent conferences, and faculty meetings).
- 10.4.10** The Superintendent must be notified by March 1 of each year as to whether the participants wish to continue in the present arrangement or return to full-time contract status.

**10.4.11** The participant who wants to return to a full-time contract status will be assigned to the first available full-time comparable teaching position for which that teacher is certificated. If there are not enough full-time comparable teaching positions available, then the available position(s) will be filled based on greatest seniority. If both job-sharing participants have not been offered a full-time position by June 30, then the participants must continue in the job-sharing for one more school year.

## **ARTICLE 11**

The Treasurer shall automatically advance days as required for the absence of an employee which qualifies as sick leave. The advancement shall be limited to a maximum of five (5) contract days advanced during any one school year.

##### **11.1.2 Accumulation of Sick Leave**

Professional personnel will earn sick leave at the rate of 1 ¼ contract days sick leave per month which is fifteen (15) contract days annually. 3. Jury duty -- The Board of Education shall pay a full-time employee, including hourly and per diem employees, the difference between such employee's regular compensation and the remuneration received for serving as a juror (O.R.C. 3313.211).   - b. All absence which qualifies for sick leave will be deducted from sick leave. If an absence qualifies for sick leave, an individual may not be forced to use a personal day in lieu of sick leave.
  - c. All sick leave requests are subject to the approval of the Superintendent.
5. Requests
  - a. Professional staff shall notify his/her Principal or designee or any absences as soon as possible so that appropriate arrangements can be made to secure a substitute. Except in emergency situations, lesson plans from the teaching staff must be available to the substitute.

  - c. Falsification of the use of sick leave is grounds for suspension or termination of employment as provided in Section 3319.16 O.R.C.
  - d. Failure to follow the administrative guidelines will result in a reduction in pay for the contract days in question until the guidelines have been properly followed.

### **11.3 FAMILY AND MEDICAL LEAVE**

**11.3.1** In accordance with the Federal Family and Medical Leave Act of 1993, an employee who has been employed for at least 12 months and for at least 1,250 hours during the previous 12 month period is entitled to an unpaid leave of absence of up to twelve (12) continuous weeks during any contract year (July 1 - June 30) for one of the following reasons:

- a. because of the birth of a son or daughter of the employee and in order to care for such son or daughter;
- b. because of the placement of a son or daughter with the employee for adoption or foster care;

- c. in order to care for a spouse, or a son, daughter or parent of the employee, if such spouse, son, daughter or parent has a serious health condition; or
- d. because of a serious health condition that makes the employee unable to perform the functions of the position of such employee.

**11.3.2** If the employee already has been absent during the contract year for one of the reasons listed in (a) through (d) above, the leave will be considered a part of the 12-week period such that any other leave the employee is entitled to take under this policy will be for 12 weeks less the amount of such absent time already taken in that contract year.

**11.3.3** An employee must provide the Superintendent at least 30 days advance written notice before Family and Medical Leave is to begin if the need for the leave is foreseeable. If 30 days notice is not practicable, notice must be given as soon as practicable.

**11.3.4** If the Superintendent or designee has reason to doubt the validity of the certification of the employee's need for the leave, he/she may require the employee to obtain a second opinion from a school physician. If the second opinion is in conflict with the first, the Superintendent or designee may require the employee, at the Board's expense, to see a mutually agreed upon health care provider to give a final and binding opinion.

**11.3.5** The employee must pay his or her contribution to health benefits to the Treasurer by the 25th of each month if the employee wants continued coverage for the following month.

**11.3.6** During the employee's leave, the Superintendent or designee may require the employee to report in writing periodically on the employee's status and intent to return to work.

**11.3.7** If an employee goes on leave due to his or her own serious health condition that made the employee unable to perform his or her job, the employee must obtain and present a certification from the health care provider that the employee is able to resume work before returning to work.

#### **11.4 MATERNITY LEAVE**

**11.4.1** A female teacher who is granted Family and Medical Leave under Section 11.3 for reasons of pregnancy may upon application, be granted and use accumulated sick leave for a period of six (6) weeks (42 calendar days); normally, two (2) weeks (14 calendar days) prior to date of delivery as determined by the physician, and four (4) weeks (28 calendar days) following the termination of pregnancy as a part of the Family and Medical Leave.

**11.4.2** Sick leave as authorized under this section shall not exceed that number of accumulated and unused sick leave days to the credit of the teacher and earned

during the period of such leave. Sick leave days are only deducted for contract days the employee is absent.

**11.4.3** The Superintendent, at his/her sole discretion, may grant an extension of a leave beyond the Family and Medical Leave provided in Section 11.3.

**11.4.4** A teacher who returns from maternity leave following the use of leave of absence or sick leave shall be assigned to the same position which was held at the time the leave commenced, or if that position is no longer in existence, to a substantially equivalent position for which she hold certification.

Should it be necessary to implement reduction in force policies or transfer and reassignment policies, they shall take precedence or priority of importance in assigning the returning teacher.

## **11.5 ADOPTION LEAVE**

**11.5.1** It is realized that each adoption would differ in time required to finalize the paperwork and to pick up the child. Given the variance in need, the employee must file a request for leave documenting the need, the contract day or days needed, the destination for finalizing the adoption and the pick up of the child. This documentation must include a statement from the adoption agency indicating the custody date, etc. Also any contract day(s) needed for court appearance(s) must be documented with a statement from the court. This leave is to be made available for finalizing the adoption. These contract leave days will be deducted from sick leave.

**11.5.2** Advance arrangements such as applications, visitations and child searches are to be conducted through the use of personal days or non-contract days.

**11.5.3** The Board will consider a request for a non-paid leave due to the adoption of a child under the Family and Medical Leave policy under Section 11.3.

## **11.6 PROFESSIONAL LEAVE**

**11.6.1** Professional staff members may attend professional meetings, conferences, or visitations which provide the opportunity to advance professionally. Professional staff members who attend such meetings or conferences shall be considered assigned to duty with full payment of salary and benefits. Request for professional leave shall be submitted in writing on forms which shall be provided to all professional staff at the Principal's office. The Superintendent has the right to approve or disapprove such requests except that any request to attend out of state meetings must be approved in advance by the Board of Education.

**11.6.2** Reimbursement shall be made based on current Board policy and in line with advanced approval and/or not to exceed recommendations.

## **11.7 PERSONAL LEAVE**

**11.7.1** Except as provided in Article 10.4.6, each certified staff member shall be allotted three (3) personal days. These contract days are unrestricted except as specified below.

**11.7.2** The following procedure shall apply:

1. The teacher shall fill out, sign and submit the request to use personal leave to the building principal at least three (3) school days prior to the day of requested leave on the personal leave form provided by the Board. During the month of May, teachers must submit requests to the building principal at least five (5) school days prior to the day of requested leave on the personal leave form provided by the Board. In case of emergency, a teacher shall verbally notify the principal of the need for personal leave and submit the form on the day of his/her return.
2. If approved by the Principal, the application shall be forwarded to the Superintendent.
3. The Superintendent has the authority to control the number of requests for any one particular day.
4. A teacher may not use a personal day on a teacher in-service day.
5. If a teacher has sick leave days available, a teacher may not use personal leave days for reasons for which sick leave may be used under Article 11.1. In other words, a teacher must exhaust his/her sick leave days prior to using personal leave days for the reasons provided under Article 11.1.3, 11.1.4 or 11.1.5.
6. A teacher may carry over one (1) day or cash out at the substitute rate. The certified staff member must inform the Treasurer in writing of his/her decision about whether to carry over a day or cash out day(s) by the teacher work day at the end of the school year. If the staff member fails to notify the Treasurer by that date, then one personal day will be carried over to the next school year and any other unused personal days will be cashed out. The payment shall not be considered as salary for STRS credit and will be made by separate check in a lump sum in July.

## **11.8 DISABILITY LEAVE**

An employee who is granted Family and Medical Leave under Section 11.3 because of his/her own serious health condition may use any accumulated sick leave as a part of the period of leave.

## **11.9 SABBATICAL LEAVE**

The Board of Education may grant a sabbatical leave without pay upon the recommendation of the Superintendent of Schools to qualified personnel for the purpose of study, travel, and for such other purposes as may be approved by the Board of Education.

#### **17.5 Formal Observation Procedure**

- A. The first formal observation shall be preceded by a conference between the evaluator and the employee prior to the observation in order for the employee to explain plans and objectives for the classroom situation to be observed. Subsequent observations will be unannounced
- B. A post-observation conference shall be held after each formal observation.

#### **17.6 Informal Observation/Classroom Walkthrough Procedure**

- A. Classroom walkthroughs shall not unreasonably disrupt and/or interrupt the learning environment.
- B. Data gathered from the walkthrough must be placed on the form designated in Teacher Evaluation Form.
- C. A completed form will be shared with the employee within two days of the walkthrough.

#### **17.7 Assessment of Student Growth**

In determining student growth measures, the Board adopts the Ohio Department of Education's Ohio Teacher Evaluation System (OTES), which calculates student growth by assessing achievement for an individual student occurring between two (2) points in time. It is important to note that a student who has forty-five (45) or more absences (excused or unexcused) for the school year will not be included in the determination of student academic growth.

In general, the Board will utilize the following categories to determine this aspect of a teacher's evaluation, depending upon the instructor involved:

- A1. Teachers instructing in value-added subjects exclusively<sup>1</sup>;
- A2. Teachers instructing in value-added courses, but not exclusively<sup>2</sup>;
- B. Teachers instructing in areas with Ohio Department of Education approved vendor assessments with teacher-level data available; or
- C. Teachers instructing in areas where no teacher-level value-added or approved vendor assessment are available<sup>3</sup>.

<sup>1</sup> If a teacher's schedule is comprised only of courses or subjects for which the value-added progress dimension is available, until June 30, 2014, the majority (i.e., greater than twenty-five (25%) of the student growth factor of the evaluation will be based upon the value-added progress as determined for each such teacher. After July 1, 2014, the entire student academic growth factor of the evaluation (i.e. fifty percent (50%)) shall be based on the value-added progress dimension.

2 For these teachers, value added will be used for the student academic growth factor in proportion to the part of a teacher's schedule of courses or subjects for which the value-added progress dimension is applicable. Teachers with multiple subjects that have value-added data will be issued reports for a composite of reading and math; for other assessments (approved vendor and local measures), the assessment data measures should be representative of the teacher's schedule.

3 If used, only one (1) "shared attribution" measure can be utilized per instructor.

The 2014-2015 school year will begin using the 50% teacher performance and 50% student growth measure framework. The alternative framework will be discussed as an option when the framework is completely developed by ODE. An agreement between the Board and the MTA will be needed to change frameworks.

Where value-added methodologies exist for A1 and A2 teachers, the Board will utilize them in the evaluation process, to the extent set forth in the Appendix of the "District Student Growth Measurement Index." Teachers instructing in value-added courses, but not exclusively, will utilize teacher value-added and locally determined measures proportionate to the teacher's schedule.

When an approved Ohio Department of Education vendor assessment is utilized in the measurement of student growth, it will be included in the evaluation process for B teachers to the extent set forth in the Appendix of the "District Student Growth Measurement Index."

When neither teacher-level value-added data nor Ohio Department of Education-approved assessments are available, the District shall use locally-determined Student Growth Measures for C teachers as set forth in the Appendix of the "District Student Growth Measurement Index." Student Growth Measures may be comprised of SLOs, shared attribution, and/or non-Value-Added vendor data.

An SLO must be based upon the following criteria: Baseline and Trend Data, Student Population, Interval of Instruction, Standards and Content, Assessment(s), Growth Targets, and Rationale for Growth Targets. When new SLO's are developed or revised, the process will include consultation with teachers employed by the Board. The Board's process for creating and revising SLO's is set forth in the Appendix of the "District OTES Student Growth Measures Manual." Discuss this process now that 4<sup>th</sup> grade is departmentalized how to ensure rigor.....

Data from these approved measures of student growth will be scored on five (5) levels in accordance with the Ohio Department of Education/OTES guidance and converted to a score in one of three (3) levels of student growth:

- A. above;
- B. expected;
- C. below

## **17.8 Final Evaluation Procedures**

Each teacher's performance rating will be combined with the assessment of student growth measures to produce the summative evaluation rating, based upon the following "Evaluation Matrix":

		<b>Teacher Performance</b>			
		Accomplished	Skilled	Developing	Ineffective
Above		Accomplished	Accomplished	Skilled	Developing
Expected		Skilled	Skilled	Developing	Developing
Below		Developing	Developing	Ineffective	Ineffective

The evaluator shall provide that each evaluation is submitted to the teacher for his/her acknowledgement by written receipt. If signed, by the teacher, the receipt is to be sent to the Superintendent as soon as received.

### **17.9 Professional Growth Plans and Professional Improvement Plans**

Based upon the results of the annual teacher evaluation as converted to the "Evaluation Matrix" above, each teacher must develop either a professional growth plan or professional improvement plan as follows:

- A. Teachers whose performance rating indicates above expected levels of student growth and an accomplished performance rating will develop a professional growth plan and may choose their credentialed evaluator from those available to the Board for that purpose, utilizing the components set forth in the "Teacher Evaluation Form."
- B. Teachers whose performance rating indicates expected levels of student growth will develop a professional growth plan collaboratively with his/her credentialed evaluator and will have input on his/her evaluator for the next evaluation cycle, utilizing the components set forth in the "Teacher Evaluation Form"
- C. Teachers whose performance rating indicates below expected levels of student growth will develop a professional improvement plan with their credentialed evaluator. The administration will assign the evaluator for the subsequent evaluation cycle and approve the professional improvement plan, utilizing the components set forth in "Teacher Evaluation Form."

### **17.10 Core Subject Teachers - Testing for Content Knowledge**

Beginning with the 2015-2016 school year, core subject area teachers must register for and complete all written examinations of content knowledge selected by the Ohio Department of

Education if the teacher has received an effectiveness rating of "Ineffective" on his/her annual evaluation for two (2) of the three (3) most recent school years.

If a teacher passes the examination set forth above and provides proof of that passage to the Board, the teacher will be required, at the teacher's expense, to complete professional development that is targeted to the deficiencies identified in the teacher's evaluations conducted under this policy.

Any teacher passing the examination set forth above will not be required to take the examination again for three (3) years, regardless of the teacher's evaluation ratings or the performance index score ranking of the building in which the teacher teaches.

No teacher shall be responsible for the cost of taking an examination set forth above.

#### **17.11 Board Professional Development Plan**

In accordance with the Ohio State Board of Education's statewide evaluation framework, the Board has adopted a specific plan for the allocation of financial resources to support the professional development of teachers covered by this policy. The plan will be reviewed annually.

#### **17.12 Retention and Promotion Decisions/Removal of Poorly Performing Teachers**

It is the purpose of this Standards-Based Teacher Evaluation Policy to improve the quality of instruction, enhance student learning and strengthen professional competence through meaningful feedback and targeted professional development. In addition, the evaluations produced will serve to inform the Board on employment decisions, i.e., retention, promotion of teachers, renewal of teaching contracts, and the removal/nonrenewal of poorly performing teachers.

#### **Definitions**

**"Retention"** for the purposes of this policy refers to employment decisions on the question of whether or not to suspend a contract pursuant to a reduction in force, non-renew a limited or extended limited contract, or terminate employment for good and just cause. In the case of a reduction in force, seniority will not be considered when making decisions on contract suspensions, except in the instance of comparable evaluations. The decision to non-renew or terminate the contract of a poorly performing teacher may be informed by the evaluation(s) conducted under this policy. However, decisions to nonrenew or terminate a teaching contract are not limited by the existence of this policy.

**"Promotion"** as used in this context is of limited utility given the fact that teachers covered by this policy are not currently employed in any discernible hierarchy. Nevertheless, when making decisions relative to such matters as determining department or grade level chairpersons, selections to curricular or strategic planning bodies, or teaching assignments, the Board will consider teacher performance as indicated by evaluations.

**"Comparable Evaluations"** since seniority may not be the basis for teacher retention or other employment decisions, except when deciding between teachers who have comparable

evaluations, this refers to teachers within the categories of “Ineffective,” “Developing,” “Skilled,” and “Accomplished.”

### **17.13 Removal of Poorly Performing Teachers**

Poorly performing teachers may be removed, upon recommendation of the Superintendent, either through non-renewal or termination, when the following has been demonstrated:

- A. Failure of a core subject area teacher required to take a written examination to pass such examination.
- B. Failure of a core subject area teacher required to take a written examination to complete required professional development
- C. Failure of core subject area teacher to complete all required written examinations
- D. Receipt of an “Ineffective” rating by a core subject area teacher in the evaluation following passage of a written examination and completion of required professional development.
- E. Receipt by any teacher of two (2) consecutive evaluations with an “Ineffective” rating

Nothing in this policy will be deemed to prevent the Board from exercising its rights to nonrenew, terminate, or suspend a teaching contract as provided by law and the terms of the collective bargaining agreement in effect between it and the Minster Teachers Association. The evaluation system and procedures set forth in this policy shall not create an expectation of continued employment for teachers on a limited contract that are evaluated under this policy. The Board reserves the right to nonrenew a teacher evaluated under this policy in accordance with R.C. 3319.11 notwithstanding the teacher’s summative rating.

3. Each teacher enrolling for medical insurance shall pay the following percentages per month of the premium cost:

Effective January 1, 2018: 11%

Effective January 1, 2019: 11.25%

4. If the premiums increase at any time after January 1 of any calendar year, the Board of Education will pay those increases in addition to its percentage paid until December 31 of that year.
