AGREEMENT

This Agreement, entered into this 1st day of July, 2017 between the Southwest Licking School District Board of Education, (hereinafter “the Board”) and Teamsters Local Union No. 413, affiliated with the International Brotherhood of Teamsters (hereinafter "the Union").

ARTICLE 1 RECOGNITION

- 1.1 The Board recognizes and acknowledges that the Union is the sole and exclusive bargaining representative for all employees in the following positions: Custodian, Head Custodian, Central Copy, In-School Suspension, Computer Room Supervisor, Study Hall Monitor, Cooks, Head Cooks, Assistant Head Cooks, Building Secretaries and Aides employed by the Board, excluding all other employees and classifications as certified by SERB in Case No. 06-REP-03-0045. See SERB certification attached as Appendix A.
- 1.2 **New Positions:** When new positions that have a community of interest with the current bargaining unit are created by the Board or a change in title of a bargaining unit position is made, the recognition status of such positions shall be discussed with the Union within thirty (30) days of establishment of the position. Should the Board and the Union not agree on the inclusion or exclusion of the new position(s) in the bargaining unit within sixty (60) days of the establishment of the position, the Union may petition the State Employment Relations Board (SERB) for a determination regarding the inclusion or exclusion of the position(s) in the bargaining unit. Should such positions be determined to be included in the bargaining unit, the Board and the Union shall meet to determine the appropriate wage for the position(s).

ARTICLE 2 UNION MEMBERSHIP

- 2.1 **Union Membership:** Subject to the provisions in Section 2.1.3 and 2.1.4, all employees covered by this Agreement, who are members of the Union on the effective date of this Agreement, may remain members in good standing, and those who are not members on that date may become and remain members in good standing. All employees hired after the effective date of this Agreement may become and remain members in good standing.
 - 2.1.1 **New Hires:** The Board will notify the Union in writing of all new hires by routinely providing the Steward with a copy of the agenda for each Board meeting and a copy of approved minutes from each Board meeting. In addition, the Union shall be provided the new employee’s name, mailing address, telephone number if the employee releases such information for publication in the staff directory.
 - 2.1.2 **Dues Check-off:** An employee who is a member of the Union, or who has applied for membership, shall sign and deliver to the Treasurer an original authorization in the form to be prescribed by the Union authorizing deduction of membership dues in the Union. Such authorization shall continue in effect from year to year unless revoked or changed in writing. Pursuant to each authorization, the Board shall deduct such dues from the wages of said employee each of the two normal pay periods each month in equal installments. The amounts deducted in any month shall be paid to the Union by the last business day of the current month.

- 2.1.3 List Of Union Membership:** The Union shall timely provide to the Treasurer a statement of the total monthly amount of Union related withholding that should be made for each bargaining unit employee.
- 2.1.4 Fair Share Provision:** It is agreed that all employees who do not join the Union or remain members in good standing shall be required to pay a fair share fee to the Union as a condition of employment. This provision shall not require any employee to become a member of the Union, nor shall the fair share fee exceed dues paid by members of the Union in the same bargaining unit. The deduction of a fair share fee by the Board from the wages of the employee and its payment to the Union is automatic and does not require the written authorization of the employee.
- 2.1.5 Bona Fide Religious Exemption:** All non-members have all rights and privileges in accordance with Ohio Revised Code 4117.09(C) pertaining to bona fide religious exemption.
- 2.1.6 Rebate Procedure:** The Union represents to the Board that:
- a. An internal advanced fee reduction procedure has been established in accordance with Section 4117.09 (c) of the Ohio Revised Code;
 - b. A procedure for challenging the amount of the fair share fee had been established and will be given to each bargaining unit employee who does not join the Union; and
 - c. Such procedure and notice shall be in compliance with all applicable state and federal laws and the Constitution of the United States and the State of Ohio. Where applicable, annually, the Union shall provide the Board, within thirty (30) days after communicating with fair share fee payers, if any, a copy of each communication, if any, the Union sends to fair share fee payers, if any, relating to the deduction of fair share fees, provided, however, that the Union may omit any information which sets forth amounts of monies the Union spends in various categories, or other specific information not necessary to comply with constitutional requirements.

ARTICLE 3 BARGAINING UNIT EMPLOYEE RIGHTS

3.1 Personnel Files:

- 3.1.1** The official personnel files of each employee shall be maintained at the Board's central administration office. No other permanent file shall be maintained.
- 3.1.2** Any employee shall have the right to examine and/or obtain copies of any material from his/her personnel file at the applicable copy charge. Employees shall be permitted to inspect their files during regular office hours upon request. Employees shall be permitted to prepare a written response to evaluations and/or discipline in his/her personnel file and such written response shall be placed in the employee's personnel file.

ARTICLE 4 UNION RIGHTS

4.1 Access to Work Areas, Bulletin Boards and Board Facilities:

4.1.1 Authorized agents of the Union shall have access to the bargaining unit employees work areas during working hours for the purpose of adjusting disputes, investigating working conditions, and ascertaining that the Agreement is being followed, provided that he/she shall not disrupt or interfere with work performance, and provided that he/she gives prior notice to the immediate supervisor and/or building principal in the work area of the day and time the agent intends to arrive. However, Union agents must comply with standard Board procedures for check-in and check-out of outside visitors, where applicable.

4.1.2 The Board agrees to provide a 3' x 5' bulletin board, unless a smaller size is mutually agreed upon due to limited space, for the use of the bargaining unit at a centralized location in each building (for example, near a time clock). The bulletin board may be used to post information and notices of matters of concern to the Union and shall not be used to post obscene or offensive information.

4.2 Union Rights to Information: The Board shall provide to the Union a seniority roster of all bargaining unit employees on the effective date of this Agreement and annually thereafter. The roster shall indicate the employee's present classification and most recent date of hire.

4.3 Printing of Contract: The Board shall assume responsibility for printing the contract and providing copies to all bargaining unit employees. The Union and the Board shall share the cost of printing the contract equally.

4.4 Attendance at Meetings Involving Board and Union: Union members whose presence is necessary or required during working hours in a meeting, hearing, etc. attended by both the Board and the Union concerning matters between the Board and the Union shall be released with no loss of time to participate in said hearing, meeting, etc. However, such meetings/hearings shall be scheduled outside of working hours whenever possible and twenty-four (24) hours' advance notice shall be provided whenever possible.

ARTICLE 5 STEWARDS

5.1 Stewards: The Board recognizes the right of the Union to designate one (1) steward and one (1) alternate per building for the two (2) elementary schools and for the Etna Elementary School and Kindergarten Center combined. The Board recognizes the right of the Union to designate one (1) steward and two (2) alternates per building for the high school and middle school for the purpose of administering this Agreement.

5.2 Grievances and Discipline: The steward (or the alternate, in the absence of the steward) may assist in the investigation, presentation and settling of grievances in his/her assigned building and in representation of a bargaining unit member in a disciplinary matter in his/her assigned building, provided the steward is doing so outside his/her regularly scheduled work hours. However, in the event that a grievance or disciplinary meetings or hearings are scheduled during the steward's (or alternate's, as applicable) regularly scheduled work hours by the administration, the steward (or alternate, as applicable) shall be excused from work without loss of pay to attend, so long as it related to a grievance or disciplinary matter in his/her assigned building.

- 5.3 Union Business:** With reasonable advance notice, the stewards and/or the alternate stewards will be excused from work without loss of pay to attend to Union business, as necessary up to a total maximum (for all stewards and alternates) of forty (40) hours of paid leave each contract year; provided that, said absence shall not unduly disrupt the Board's operations. The request for time off from work under this section shall be in writing on a designated form. The forty (40) hours provided herein shall not carry over from year to year.

**ARTICLE 6
BARGAINING UNIT WORK**

- 6.1** Work that bargaining unit employees are qualified and capable of performing, that traditionally falls within their job classification, and that they are performing as of ratification of this agreement shall not be removed from bargaining unit employees, if the removal of the work would necessitate a reduction of bargaining unit employees covered by this agreement.

**ARTICLE 7
GRIEVANCE PROCEDURES**

- 7.1** A grievance is any matter concerning the interpretation, application and/or alleged violation of this Agreement. In the event a grievance arises between the Board and the Union or an employee(s), it is understood and agreed that it shall be resolved in the following manner.

A "work day" for purposes of this Article is a day from Monday through Friday that the Board office is open.

- 7.2 Procedure:** The aggrieved employee or the Union Steward shall discuss the matter with the employee's immediate supervisor with the objective of resolving the issue informally.

Step 1

If the matter is not resolved informally, the aggrieved employee or the Union Steward shall reduce any grievance to writing, on the grievance form attached as Appendix B to this Agreement, and present it to the employee's immediate supervisor within ten (10) work days of the event-giving rise to the grievance or of the date on which the employee or Union knew or should have known about the grievance. Within seven (7) work days of receipt of the written grievance, the supervisor, the Union Steward and the aggrieved employee will meet. The supervisor will issue a written answer to the grievance within five (5) work days following the meeting to both the aggrieved employee and the Union Steward. Nothing in the section shall preclude the Union Business Agent from participating, if notified by the Union Steward and available at the scheduled time for meeting, but the supervisor shall not be obligated to notify the Union Business Agent of the meeting or to postpone the meeting to enable the Union Business Agent to attend.

Step 2

If the matter is not resolved to the satisfaction of the aggrieved employee and the Union at Step 1, the aggrieved employee may submit the grievance to the Superintendent or designee within five (5) work days following receipt of the Step 1 response. Within seven (7) work days of receipt of the grievance the Superintendent or designee, the Union representative, and the aggrieved employee will meet. The Union representative may be the Union Business Agent as long as the Agent is available at the scheduled time of the meeting or is willing to extend grievance timelines at Step 2 as necessary to enable rescheduling of the meeting. The Superintendent can ask for agreed upon extension of the grievance timelines at Step 2. The Union Business Agent may choose, however, to send a designee (i.e., Steward) to the meeting instead. The Superintendent or designee will issue a written answer to the grievance within ten (10) work days following the meeting to both the aggrieved employee and the Union representative.

Step 3

If the matter is not resolved to the satisfaction of the aggrieved employee and the Union at Step 2, the parties may agree to submit the grievance to Federal Mediation and Conciliation Services (FMCS) mediation within ten (10) work days following receipt of the Step 2 response. The parties should attempt to agree on a FMCS mediator. In the event there is no agreement, the Union will request that FMCS appoint a mediator.

Step 4

If the matter is not resolved to the satisfaction of the aggrieved employee and the Union at Step 2 (or Step 3 if the parties agree to mediation), the Union may advance the dispute to arbitration by serving upon the Board written notice of the intent to submit the matter to arbitration within fifteen (15) work days following receipt of the Step 2 response or the date of mediation, whichever is applicable.

- 7.3 Selection of an Arbitrator:** The parties should attempt to agree on a neutral arbitrator to hear the grievance. In the event there is no agreement, either party may submit a request to the Federal Mediation and Conciliation Services (FMCS) to obtain a list of seven (7) arbitrators from which to select the arbitrator. In the event either party is dissatisfied, for any reason, with the entire panel of arbitrators, a second panel of seven (7) arbitrators shall be requested by the dissatisfied party from the FMCS. To select an arbitrator from the panel, each party shall alternatively strike a name from the list until only one name remains. The remaining name shall be the arbitrator.
- 7.4 Authority of the Arbitrator:** The arbitrator so selected will schedule a hearing at a mutually agreeable date. The arbitrator shall have no power to alter, amend, change, add to or subtract from or modify any of the provisions of this Agreement or any other written agreement made supplementary hereto but shall render a written decision and award resolving the controversy within sixty (60) days after the close of the hearing. The decision of the arbitrator shall be final and binding upon all parties to the dispute.
- 7.5 Expenses of the Arbitrator:** The compensation of the arbitrator and his/her expenses incidental to the arbitration shall be paid by the losing party, if the Arbitrator determines that the party's position lacked a good faith basis in law or fact. Otherwise, the compensation and expenses shall be shared equally by the parties.

- 7.6 Expenses of the Parties:** Each party shall be responsible for all expenses incurred by it in the presentation of its case, including the payment of witnesses, if required. Either party may, at its option and its own expense, have the arbitration proceedings reported and transcribed. If both parties wish to have the proceedings reported and transcribed, they shall share equally in the cost of said reporting and transcription.
- 7.7** If the grievant does not submit a written grievance at Step 1 within ten (10) work days of the event-giving rise to the grievance or of the date on which the employee or Union knew or should have known about the grievance, the grievance will be deemed waived.

ARTICLE 8 DISCIPLINE

- 8.1 Discipline:** The Employer shall not discipline any employee without just cause. Ordinarily, discipline shall be progressive in nature with respect to the same general type of infraction (e.g. attendance/tardiness, work performance, misconduct), in accordance with the procedure set forth below. However, the type and degree of discipline to be issued depends of the facts and circumstances of each case. Certain offenses, designated as “serious offenses,” are serious enough to warrant skipping steps in the progression of discipline.

Serious offenses for which an employee may be terminated, without regard to prior discipline, include intoxication on the job, working under the influence of a controlled substance, and/or a positive drug or alcohol (defined as a .04 or higher) test result. However, if a bargaining unit member voluntarily requests counseling or assistance for a substance abuse problem before the Employer learns of the problem (through a positive test result or otherwise), the bargaining unit member’s job security and/or promotion opportunities will not be jeopardized by his/her request for counseling or referral assistance. A bargaining unit member may not avoid the consequences of a positive test by requesting counseling or assistance for a substance abuse problem after being instructed to submit to a drug test. The definition of a “positive” alcohol test result as .04 or higher for purposes of this provision shall not be construed to preclude discipline of an employee for repeated occurrences of an alcohol test result between .02 and .039.

Progressive Discipline

1. Informal/oral reprimand
2. Written reprimand
3. Suspension without pay
4. Termination

Nothing herein shall preclude the Employer from issuing more than one (1) oral or written reprimand. Neither oral nor written reprimands will be subject to arbitration. A supervisor must give an oral or written reprimand in person and must advise the employee that an oral or written reprimand is being given.

8.2 Timing of Discipline: All discipline shall be issued within ten (10) work days from the time of the last event giving rise to the disciplinary action, or from the time that the Employer knows or should have known about the last event giving rise to the disciplinary action, unless the Employer needs additional time to investigate the potential discipline. If the Employer needs additional time to investigate the potential discipline, the Employer shall issue a written notice to the employee that it has commenced an investigation into possible discipline within ten (10) work days from the time of the last event giving rise to the potential disciplinary action, or from the time the Employer knows or should have known about the last event giving rise to the potential disciplinary action, and shall issue any resulting discipline as promptly as possible thereafter, but in no event more than thirty (30) work days after the date of the investigation notice unless otherwise mutually agreed upon by the Union and the Employer. Any discipline not issued within this time period shall be void.

Further, any verbal or written reprimand issued shall not be used for the purpose of progressive discipline after a period of more than eighteen (18) months, if no intervening disciplinary action has occurred and the pending discipline is not for a same or similar incident. Any suspension of ten (10) days or less issued shall not be used for the purpose of progressive discipline after a period of more than twenty-four (24) months, if no intervening disciplinary action has occurred and the pending discipline is not for a same or similar incident. Any suspension of more than ten (10) days issued shall not be used for the purpose of progressive discipline after a period of more than thirty-six (36) months, if no intervening disciplinary action has occurred and the pending discipline is not for a same or similar incident. At the request of a bargaining unit member, disciplinary documents shall be removed from the employee's personnel file after thirty-six (36) months, provided that there has been no same or similar infraction.

8.3 Employees Receipt of Discipline: Employees shall be provided a copy of all discipline. When an employee is provided or shown a copy of written reprimands or other disciplinary documents, the employee shall acknowledge such receipt or opportunity for review by affixing his/her signature where indicated on the form as requested by the supervisor. Such acknowledgment is for the sole purpose of demonstrating receipt or opportunity for review and shall not constitute agreement on the part of the employee with respect to the contents of the document.

8.4 Union Representation: The Employer agrees that, for any interview with an employee that potentially may lead to discipline, the Employer will not proceed with the interview without offering the employee the opportunity to have one (1) Union representative (Steward or other available representative) present. Except in a serious offense situation requiring immediate investigation, a supervisor or administrator intending to question an employee about a situation that appears likely to lead to suspension or termination will notify the Union Business Agent and offer the Union Business Agent the opportunity to participate in the interview either by phone or in person within three (3) work days. In the event the Employer believes at the time of the interview that the issue may lead to the employee's termination, the employee shall have the right also to have the Union Business Agent present. The employee shall also have the right to have the Union Business Agent present at any *Loudermill* due process conference under Section 8.6 below. The Employer shall provide to the Union a copy of all discipline issued within ten (10) days.

8.5 This Article supersedes and takes the place of ORC Sections governing the discipline of employees, including ORC Section 3319.081.

- 8.6 Pre-disciplinary Procedures:** Before imposing a demotion, suspension or discharge on an employee, the Employer shall hold a *Loudermill* due process conference with the employee to give the employee an opportunity to learn the reasons for the intended disciplinary action and to explain his/her behavior. If the Employer determines that the employee's continued employment prior to the conference poses a danger to persons or property or a threat of disrupting operations, and the conference is not held within seventy-two (72) hours after the Employer requests to schedule the conference, the Employer may then suspend the employee without pay pending the conference to determine final disciplinary action. If after the conference, the Employer determines suspension is not warranted, the employee will be reimbursed for any pay lost due to a pre-conference suspension.

ARTICLE 9 EQUIPMENT AND SAFETY

- 9.1** No equipment shall be utilized which is not safe and in proper working condition. If an employee believes that the equipment is unsafe, she/he shall immediately report the unsafe condition to the Supervisor. The Supervisor shall take appropriate steps to insure that the equipment is in safe working condition. The final decision as to whether the equipment is safe shall remain the responsibility of the Supervisor.
- 9.2** Principals will make an effort to keep the number of students actually in study hall below eight-five (85) students on a daily basis. This provision shall not be construed to require the hiring of additional staff.
- 9.3** The Board will provide training at least two (2) times per year to staff required to dispense medications to students. The mid-year review will cover topics suggested by such staff. No secretary should be required to calculate the amount of insulin to be given to a diabetic student, if the secretary is not comfortable doing so after training by the school nurse.

ARTICLE 10 SENIORITY

- 10.1 Seniority:** System seniority shall be defined as the employee's length of continuous employment with the Board as computed from the employee's most recent date of hire. Bargaining unit seniority shall be defined as the employee's length of continuous employment in a job classification within the bargaining unit. Job classification seniority shall be defined as the employee's length of continuous employment in a particular job classification in the bargaining unit that is computed from the employee's most recent date of entry into such job classification. Employees having the same date of hire, shall be placed on the seniority list using the following criteria in order:
- a. Date of Application
 - b. Alphabetically, by last name
- 10.2 Seniority Lists:** There shall be posted in a conspicuous place seniority lists for each job classification in the bargaining unit.

ARTICLE 11
HOURS OF WORK AND OVERTIME

11.1 Overtime: Except as otherwise provided herein, all overtime hours as defined in this Agreement shall be compensated at one and one-half (1½) times the employee's regular straight-time hourly rate. Overtime is defined as all hours worked in excess of forty (40) hours in any one (1) work week (12:01 a.m. Saturday to midnight the following Friday). Overtime must be authorized in advance by the Superintendent or designee. There shall be no pyramiding or duplication of overtime and/or premium hours.

Unit employees may accumulate a maximum of eight (8) hours per contract year of compensatory time for extra hours worked prior to Thanksgiving and a maximum of eight (8) hours per contract year of compensatory time for extra hours worked prior to the President's Day weekend. Such compensatory time shall be given at a rate of one and one-half (1½) times the actual hours worked in excess of forty (40) hours in any one (1) work week. Such compensatory time must be used on the day before Thanksgiving and/or the Friday before President's Day weekend. This provision shall not prohibit the Board from flexing employees' time based on other extra work hours. The use of compensatory time must be scheduled by mutual agreement.

A custodian who volunteers to do work on a weekend day will be paid overtime, as applicable, for the weekend hours and shall not be required to flex his/her time for those hours, except as follows: if the school district is in fiscal watch or fiscal emergency or if the total overtime for the custodians exceed the cap of three thousand dollars (\$3,000) per fiscal year, all overtime in excess of forty (40) hours must be approved in advance by the Superintendent. If the Board requires a custodian to work on a weekend day because no custodian volunteers and no substitute employee is available, then the custodian required to work on the weekend day shall be paid overtime, as applicable, for the weekend hours and shall not be required to flex his/her time for those hours. If the event is paid for in whole or in part by a source other than the District, custodians will be given the opportunity to volunteer to work and will be paid overtime, as applicable, for the weekend hours and shall not be required to flex their time for those hours.

11.1.1 For the purpose of computing the number of hours for overtime, holidays, vacation, personal leave, sick leave, and compensatory time taken shall not be treated as hours worked.

11.1.2 Custodians will be required to clock in and out for their lunch break.

11.2 Minimum Call-in Time: Any employee called in to work at a time when the employee is not scheduled to work shall receive a minimum of two (2) hours' pay at the employee's regular rate of pay or overtime pay, if applicable under this Agreement.

11.3 Calamity, Epidemics, Inclement Weather Day Pay:

11.3.1 In accordance with the requirements of the Ohio Revised Code, employees shall be paid for all time lost when school is closed due to an epidemic or other public calamity. The Board retains its right to require custodians to come in to work even when school is closed, except in the case of a Level 2 or higher snow emergency in any county through which the employee must drive to get to work.

11.3.2 Consistent with Ohio Revised Code 3319.081(G), nothing in this Article shall be construed as requiring payment in excess of an employee regular wage rate for time worked when school is closed due to an epidemic or other public calamity.

- 11.4 Alternate Annual Schedules:** Employees in the classification of Library Aide will be scheduled to work a total of four (4) days, in any combination immediately prior to and/or immediately following the school year (*e.g.*, four (4) days prior and no days after, two (2) days prior and two (2) days after, etc.), as shall be mutually agreed upon by the library aides in each building with their building principal. Employees in the classification of Secretary assigned to the Middle or High Schools shall be scheduled to work two hundred nineteen (219) days each year, starting August 1st, including all student days and conferences and teacher work days, and continuing until two hundred nineteen (219) days are reached. Employees in the classification of Secretary assigned to the Elementary Schools shall be scheduled to work two hundred nine (209) days each year, starting August 1st, including all student days, conferences and teacher work days, and continuing until two hundred nine (209) days are reached. Employees in the classification of Secretary assigned to the Preschool shall be scheduled to work two hundred four (204) days each year, starting August 1st, including all student days, conferences and teacher work days, and continuing until two hundred four (204) days are reached. Any Secretary currently assigned to the Middle or High Schools and working a job work year of either two hundred four (204), two hundred nine (209) or two hundred twenty-nine (229) days may continue on that schedule until such time as the employee separates from employment, but any replacement hired at that time will be required to work a job year of two hundred nineteen (219) days.
- 11.5** The Employer necessarily retains the right in an emergency situation to require employees to work more than their regularly scheduled hours, including more than forty (40) hours in a work week and/or more than eight (8) hours in a day, as it determines the needs of the District may require. Neither this Article nor any other provision of this Agreement shall be construed as a guarantee of hours per day or per week.
- 11.6** Custodial assignments to areas must be approved at the beginning of each school year by the building principal. The principal shall determine whether any change to the approved assignments is needed. The principal's determination to make or change any custodial assignment may be appealed to the Superintendent by any affected employee(s) by submitting a written request to the Superintendent to review the principal's determination. The decision of the Superintendent on appeal shall be final.

ARTICLE 12 LAY-OFF AND RECALL

- 12.1** Whenever it becomes necessary to reduce the number of employees in a job classification for one (1) of the reasons set forth in ORC 3319.172, or to reduce the number of one-on-one aides for lack of work (if the student to whom the aide is assigned leaves the District or no longer requires a one-on-one aide and there is no new student requiring an aide to whom the aide can be assigned), employees in that classification shall be laid off in the inverse order of seniority under the following rules and in accordance with ORC 3319.172:
- 12.1.1** The person on limited contract with the lowest job classification seniority in the classification affected shall be the first (1st) laid off. If further layoffs are necessary, the same procedure shall be used. No employee on continuing contract in the classification affected shall be laid off until all employees on limited contract in the classification affected have been laid off.

12.1.2 A person laid off under these provisions, who has been employed in one (1) or more classifications in the bargaining unit other than the one from which s/he is being laid off, shall have the right to bump into his/her prior job classification(s) within the bargaining unit as follows: A limited contract employee may bump any other limited contract employee in any prior job classification with lower bargaining unit seniority on the basis of his/her qualifications at the time of layoff. A continuing contract employee may bump any other limited contract employee or, if none, any other continuing contract employee, with lower bargaining unit seniority on the basis of his/her qualifications at the time of layoff.

12.2 Continuing contract employees shall have a right of restoration, to the extent authorized by law.

12.3 In recalling employees to vacancies, employees shall be recalled in the reverse order of layoffs. It shall be the responsibility of the employee to keep the Board advised of his/her current address and telephone number at all times. Laid off employees with recall rights shall be given written notice of recall by certified mail, return receipt requested, mailed to their last known address appearing on their personnel record. The recall notice must advise the employee that he/she shall have seven (7) calendar days after receipt of said notice to notify the Board of his/her intention to return to work. Further, the notice must advise the employee that he/she must make himself/herself available for work within fourteen (14) calendar days after receipt of the recall notice. In the event the employee fails to respond to the notice or fails to make himself/herself available for work in the time prescribed, he/she shall be removed from the seniority list; except that pursuant to ORC 3319.17 and 3319.172, employees have the right to reject an offer of recall for lesser hours of employment without losing their position on the recall list.

ARTICLE 13 EMPLOYEE MATERIALS AND FACILITIES

13.1 Uniforms:

13.1.1 Clothing/Shoe Allowance: Custodians shall be provided a clothing allowance of one hundred and twenty dollars (\$120.00) per fiscal year. Cooks shall be provided a shoe allowance of sixty dollars (\$60.00) per fiscal year. The clothing allowance will be paid the last pay in June without the requirement to submit receipts.

13.1.2 Identification Badges: The Board shall continue to pay the full cost of identification badges, required by the Board to be worn or used by bargaining unit employees.

13.1.3 The Board shall provide seven (7) shirts per year for the length of the Contract for custodians. Shirts must be worn every day, except as otherwise approved by the Building Principal, and be clean and look professional.

13.2 Equipment: Should the Board require use of any equipment or gear to insure the safety of the employee or others, the Board agrees to furnish such equipment or gear. The Board shall continue to furnish all tools necessary for bargaining unit employees to perform their jobs.

ARTICLE 14
LEAVE OF ABSENCE

14.1 Assault Leave: Unit members may receive paid leave of absence which results from physical assault while engaged in the performance of their duties as employees of the Board of Education.

Such leave shall not be charged to sick leave or any other leave and shall be subject to the provisions of ORC 3319.143.

14.1.1 A request for assault leave describing the incident that resulted in the request shall be filed by the unit member with the Board of Education as soon as possible following the incident.

14.1.2 The Board of Education shall furnish, in writing, reasons for denial of a request for assault leave.

14.1.3 As per ORC 3319.143, a signed physician's statement stating the nature of the disability and its probable duration may be required.

14.1.4 In the event of a potential long-term absence, the Board of Education may require updates of the physician's statement at thirty (30) calendar day intervals. In the case of extended absence, the Board of Education may require an examination by a physician of its choice at Board of Education expense.

14.1.5 The unit member shall receive all his/her regular benefits during the period of the leave and shall have the right to return to the same position(s) he/she occupied prior to the leave.

14.2 Unpaid Leave:

14.2.1 Upon prior written request, with permission of the Board upon the recommendation of the Superintendent, a bargaining unit member may be granted by the Board an unpaid leave of absence for a specified period of time, not to exceed one (1) year. Such a leave of absence may be extended for one (1) additional year upon approval of the Board. Employees must use accrued, unused paid leave before being eligible for unpaid leave.

14.2.2 Such leave shall be granted for purposes of paternity, maternity or adoption. Extensions of initial leave requests for the same instances of paternity, maternity or adoption may be granted in accordance with Paragraph 14.2.1 above.

14.2.3 While on leave, the bargaining unit member may participate in the group health care benefits program offered to regular unit members by paying the total cost of the premium to the Board. The terms of such payment are to be established by the Treasurer of the Board. Such terms allow for monthly or other periodic payment as long as payment is received by the Treasurer before disbursement is required.

14.2.4 Seniority status of the bargaining unit member shall not be interrupted by the leave, but the period of the leave shall not count toward accumulated seniority.

14.2.5 A leave of absence shall place a unit member's limited contract in abeyance for the period of the leave (i.e., a unit member who has a two (2) year limited contract and who requests a leave of one (1) year following the first (1st) year of that contract returns to the District with one (1) year remaining on that contract).

14.2.6 Upon the return of a unit member from a leave of absence, the Board may non-renew the contract of a person hired exclusively for the purpose of replacing the bargaining unit member who was on leave.

14.3 Dock Days: An absence without approval by the Superintendent or his/her designee will be a dock day. Such absences are misconduct subject to discipline under Article 8 and may be considered “serious offenses” (for example, consecutive dock days) under Article 8, Section 8.1.

14.4 Court Leave: Employees shall be granted leave with pay for a court appearance, required either by a subpoena or a court order (for civil cases only, not traffic or criminal unless for District or work-related issues, not related to employee conduct). If the employee receives any pay for such appearance, the Board shall only pay the difference between pay received, exclusive of mileage reimbursement, and the employee’s regular hourly rate for the number of regularly-scheduled work hours missed, unless the appearance is for District or work-related issues that do not involve employee misconduct. If an employee appears in court outside of regularly-scheduled work hours, pursuant to subpoena or court order for a District or work-related issue, the employee will be paid for all time spent that is during regularly-scheduled work hours at the employee’s regular rate of pay, plus a stipend of twenty-five dollars (\$25.00) for all hours spent outside of regularly-scheduled work hours on a given day. Employees should notify their supervisor as soon as possible following receipt of a subpoena or court order.

14.5 Personal Leave: Each bargaining unit member shall be granted three (3) days unrestricted personal leave each contract year. These three (3) days of personal leave shall not be deducted from the unused balance of accumulated sick leave. Unused personal leave may not be carried over from one contract year to the next. Bargaining unit members may take personal leave in one-quarter ($\frac{1}{4}$) hour increments.

14.5.1 Whenever possible, Requests for Personal Leave forms should be completed at least forty-eight (48) hours prior to the absence. In the case where this is not possible, the Request for Personal Leave form should be completed as soon after the absence as possible. The Employer shall have the right to deny the use of personal leave because of the lack of an available substitute. Once approved, Personal Leave shall not be rescinded by the Employer without the consent of the affected bargaining unit employee.

14.5.2 Bargaining unit members shall be paid for each day of unused personal leave by multiplying regularly scheduled hours times regular hourly rate or, at the option of the bargaining unit member, up to two (2) days of said unused personal leave may be converted to sick leave and accumulated in the same manner as sick leave earned under Article 20 of this Agreement. Unused personal leave shall be paid on the last pay in June.

14.6 Jury Duty: Employees will be paid by the Board while serving on jury duty, provided that they complete a written request to serve on jury duty and comply with applicable Board regulations.

14.6.1 Employees on jury duty must report at once to the Supervisor or, if Supervisor is absent, Personnel office if they are released from jury duty before the end of their regularly-scheduled work hours.

14.6.2 Within ten (10) work days following receipt of payment from the court for jury duty assignment, the employee must submit said payment to the Treasurer’s office.

14.6.3 Employees will be paid their regular daily straight-time hourly rate of pay for their normal scheduled hours of work while performing jury duty which interferes with their regularly-scheduled hours of work.

14.7 Professional Leave:

14.7.1 Provisions:

Bargaining unit members may be granted employment-related professional leave with reimbursement for actual expenses upon approval of the Superintendent. A request for professional leave may be initiated by an individual unit member and/or may be recommended by the unit member's immediate supervisor or Superintendent. If a unit member seeks approval to attend professional development on a non-work day, the unit member will not be eligible for paid leave on that day, but may apply for reimbursement of actual expenses for attending per 14.7.2 (3.) below.

14.7.2 Conditions:

1. The extent of reimbursement for professional leave available shall be governed by an annual professional leave budget assigned to the 3rd unit upon recommendation of the Superintendent and approved by the Board of Education.
2. Requests for leave shall be submitted on proper forms at least two (2) weeks prior to the date of leave. If disapproved, reason for disapproval will be given to the unit member. No more than one (1) unit member in a particular classification may use professional development leave on the same day unless approved by the Superintendent or designee.
3. The request for leave shall include an estimate of expenses, which shall be limited to transportation, lodging and registration fee and a brief outline of the objectives of this particular professional participation. If the request includes a registration fee, such fee shall be paid by the Board of Education in advance of the leave.
4. Payment for actual expenses, as specified in (3) above, will be made upon submission of a Professional Leave Expense Report along with the necessary accompanying receipts. The Board of Education is obligated to pay no more than the estimated expenses submitted in the Professional Leave Request Form. The Board of Education may pay any expenses which are more than the estimated amount only upon the approval of the Superintendent.

If the unit member does not participate in the applied-for-leave, it is his/her responsibility to carry out the proper cancellation procedures. If an expense is incurred by the Board of Education due to non-attendance, the unit member must reimburse the Board of Education. The unit member shall have no obligation to pay an incurred expense, however, due to Board rescission of approval for the unit member to attend. If the unit member is unable to attend due to emergency circumstances, s/he must discuss the matter with the Superintendent at his/her earliest opportunity. The Superintendent shall have discretion to waive the requirement for the unit member to reimburse the Board for expenses incurred due to non-attendance, if emergency circumstances caused the non-attendance.

5. A short written statement indicating the extent to which stated objectives of the professional participation were met shall be included on the space provided on the Professional Leave Expense Report.

ARTICLE 15 PHYSICAL EXAMINATIONS

- 15.1** The Employer may require employees to have a physical or mental examination, conducted by a physician appointed by the Employer, to determine the employee's capability of performing the duties of his/her position. The Employer shall pay the cost of any such examinations. Examinations required by the Employer are not to exceed one (1) per year, except where the Employer has objective evidence to require additional examinations. If employees are required to submit to such examinations during their normal working hours, they will be paid at their regular straight time hourly rate of pay for time spent in those examinations and for the actual travel time going to the examination location and return from the examination location back to the employee's assigned building. When such examinations are conducted outside an employee's normal working hours, the Employer shall pay employees for time spent at the place of the examination and for the time spent going to and from the place of said examination.
- 15.2** If the Employer requires a physical, mental or other examination, the Employer will appoint the physician to conduct the examination and will pay for it. If the employee wishes to have a second (2nd) opinion, the Employer and employee shall mutually agree to a second (2nd) physician to provide an examination. The employee will pay the cost of the second (2nd) examination. If the first (1st) and second (2nd) opinions conflict in any respect, then either party may request a third (3rd) opinion and the first (1st) and second (2nd) physicians shall mutually agree to a third (3rd) physician to provide an examination. The Employer and Union shall share the cost of the third (3rd) examination. The results of the third (3rd) examination shall be binding upon both parties. If the third (3rd) examination is requested by the Employer and results in the employee's favor, the Union shall be reimbursed for its portion of the costs of the third (3rd) examination.
- 15.3** If the Employer requires a physical, mental or other examination, the Employee will be placed on administrative leave with pay until the Employer can schedule the examination and through the conclusion of the examination. If the employee does not attend the examination as scheduled by Employer, then the administrative leave shall terminate and the employee must request appropriate leave to cover the additional days of absence from work pending the outcome of the examination. The Employer and the employee will both ask the physician to advise the parties verbally of the physician's determination at the conclusion of the examination, prior to issuing a written report.
 - 15.3.1** If the employee desires a second (2nd) opinion, the employee will be placed on administrative leave with pay for up to five (5) working days after the date of the issuance of the verbal opinion by the first (1st) physician. If the employee is unable to obtain a second (2nd) opinion within the five (5) day period, then the administrative leave shall terminate and the employee must request appropriate leave to cover the additional days of absence from work pending the outcome of the second (2nd) examination. Both the Employer and the employee will ask the second (2nd) physician to advise the parties verbally of the physician's determination at the conclusion of the examination, prior to issuing a written report.

15.3.2 If the Employer desires a third (3rd) opinion, the employee will be placed on administrative leave with pay from the date of issuance of the verbal opinion by the second (2nd) physician until the first (1st) date the third (3rd) examination can be scheduled and through the conclusion of the examination. Both the Employer and the employee will ask the third (3rd) physician to advise the parties verbally of the physician's determination at the conclusion of the examination, prior to issuing a written report. If the employee does not attend the examination as scheduled, the administrative leave shall terminate and the employee must request appropriate leave to cover the additional days of absence from work pending the outcome of the third (3rd) examination.

ARTICLE 16 NO STRIKE/NO LOCKOUT

16.1 The Union and employees covered by this Agreement shall not engage in, initiate, authorize, sanction, ratify, support, or participate in any strike, work stoppage, or other concerted disruption of the Board's operations, including the honoring of any strike activity while on Board time by other employees or by non-employees of the Board, during the life of this Agreement, nor will the Board engage in a lockout of bargaining unit employees during the life of this Agreement.

ARTICLE 17 SAVINGS CLAUSE / SEVERABILITY

If a provision of this Agreement is declared to be in violation of State or Federal laws, statutes, regulations or orders, or any revision thereof, now effective or which may become effective during the term of this Agreement, it shall be considered void. In the event that any provision of this Agreement is thus voided, the balance of the Agreement and its provisions shall remain in effect for the term of the Agreement. Either party shall, at the request of the other, renegotiate such voided provisions to comply with the law, but such negotiations shall not include other terms or provisions of this Agreement, except to the extent that they are affected by the voided provision.

ARTICLE 18 WORK RULES/CONTRACT ADMINISTRATION

18.1 Work Rules: When existing published work rules are changed or new published work rules are established, the Union shall receive a copy of the changed or new work rule no later than fifteen (15) days prior to implementation of the rule, except where not possible. To the extent that any work rules are inconsistent with the terms of this Agreement, they are void. The Union retains the right to challenge the application, interpretation and/or reasonableness of any work rule through the grievance and arbitration procedure of this Agreement.

18.2 Supersedes Prior Agreements And Practices: This Agreement supersedes all previous oral and written agreements between the Employer and the Union and between the Employer and any employee, except for Board policies and classified employee handbook, the subject of which are not in conflict with any provision of this Agreement.

Amendments to Agreement: Amendments to this Agreement shall be in writing and must be signed by an authorized representative of each party.

ARTICLE 19
SERS PICK-UP

- 19.1** The Board agrees to “pick-up” each employee’s SERS contribution, at no cost to the Board, using the “salary reduction” method. The amount contributed by the Board on behalf of the employee shall be treated as a mandatory reduction from the contract wages otherwise payable to such employee, for the purpose of federal and state income tax only. This amount is currently tax-deferred for purposes of the employee’s federal and state income tax.
- 19.2** The Employer shall compute and remit its employer contributions to SERS based upon the employee’s total annual wages, including the "pick-up." For federal and Ohio income tax purposes, the Employer shall report as the employee's gross income the total annual wages less the amount of the "pick-up." For municipal income tax purposes, the Employer shall report as the employee's gross income the total annual wages, including the amount of the "pick-up." Income tax withholding shall be computed based upon gross income as reported to the respective tax authorities.
- 19.3** The Board's total combined expenditures for employees' total annual wages otherwise payable under their contracts (including "pick-up" amounts) and its employer contributions to SERS shall not be greater than the amount it would have paid for those items had this provision not been in effect.
- 19.4** The "pick-up" shall be included in the employee's total annual wages for the purpose of computing daily rate of pay, for determining salary adjustments to be made due to absence, or for any other similar purposes.
- 19.5** The "pick-up" shall be a uniform percent for all employees, and it shall apply to all payroll payments made after the effective date of this provision and shall not be at the individual employee's option.
- 19.6** The current taxation or deferred taxation of the "pick-up" is determined solely by the Internal Revenue Service (IRS), and compliance with this section does not guarantee that the tax on the "pick-up" will be deferred. If the IRS or other governmental entity declares the "pick-up" not to be tax deferred, the Board will be held harmless and this section shall be null and void.

ARTICLE 20
SICK LEAVE

- 20.1** Each bargaining unit employee shall be entitled to fifteen (15) days of paid sick leave for each year taken in accordance with the provisions of this Article, accruing at one and one-quarter (1¼) sick days for every month in which they are in pay status. All employees may take sick leave in one-quarter (¼) hour increments. For sick time taken in accordance with the provisions of this Article, employees shall be paid their regular straight-time hourly rate of pay for each hour (or portion of each hour) of sick leave taken.

Employees must call off sick to the AESOP (Automated Educational Substitute Operator) as soon as possible and in no event less than one (1) hour prior to the start of their shift. Failure to comply with call-off requirements, except in the case of emergency, will be subject to discipline under Article 8.

- 20.2** Unused sick leave shall be cumulative without limitation.

20.3 Employees may use sick leave for absence due to personal illness, injury or pregnancy. Sick leave may also be used for absence due to illness or injury in the immediate family (defined for this provision as: parents/guardian, spouse, adult and minor children, grandparents, siblings, and corresponding step- and in-law relations, except as may otherwise be required by law).

20.3.1 Employees may use sick leave for the death of any relative listed in 20.3 above. The length of such absence shall be subject to review, and any limitation on such absence subject to approval, by the Superintendent.

20.4 The Employer maintains the right to investigate any employee's absence or pattern of absences (including dock days), to require a physician's written certification of the nature of any illness or injury of an employee, and/or to require a fitness-for-duty examination by a physician appointed by the Board at the Board's expense. The Employer also maintains the right to require a physician's written certification of an immediate family member's illness or injury. An employee who fraudulently requests sick leave or falsifies a physician's certificate or other sick leave record may be subject to appropriate disciplinary action, up to and including termination.

20.5 Each new employee (employed less than one (1) year) who has insufficient accumulated sick leave to cover an absence shall be advanced up to five (5) days of sick leave. Those days shall not be added to, or supplement, the amount that the employee earns on the basis of completed months of service.

20.6 Employees who are not eligible for Family and Medical Leave may take sick leave for the birth and following the birth of a child for a period of up to six (6) weeks, absent a medical reason to take additional time. Absent a medical reason to take more than six (6) weeks, employees must request an unpaid leave of absence to take such additional time. In order to be granted sick leave due to pregnancy beyond the six (6) week period stated in this paragraph, a physician's statement will be required.

20.7 When an employee is absent for any reason, a report for such absence signed by the employee and their Supervisor shall be completed by such employee on the employee timesheet and shall be filed with the Treasurer.

Such a record, completed and signed by an employee, shall be certification by the employee that the facts and statements contained in the said report are true and correct.

20.8 Up to fifteen (15) days of accumulated sick leave per year will be considered unrestricted and can be used for sick or bereavement leave in connection with a person not listed in 20.3 above, except that more than five (5) days of bereavement leave for the death of someone not listed in 20.3 above shall be subject to approval by the Superintendent. Generally, requests of more than five (5) days for the death of someone not listed in 20.3 above will need to be justified by the need for out-of-state or out-of-country travel or a particularly close relationship or other special circumstances, but such requests shall not be unreasonably denied. These fifteen (15) days are not in addition to the days accumulated under paragraph 20.1 above.

20.9 Recognition for attendance: An employee shall receive one-half (½) day's pay if he/she uses no more than three (3) sick days during the school year.

An employee shall receive one (1) day's additional pay if he/she uses zero (0) sick days during the school year.

This bonus shall be given on the last pay date in June.

20.10 An employee can transfer sick leave from previous public employment according to the provisions of the Ohio Revised Code.

20.11 This Article shall supersede and take the place of the Ohio Revised Code provisions governing sick leave, including ORC 3319.141.

ARTICLE 21 SEVERANCE PAY

Pursuant to Section 124.39, Ohio Revised Code, the Southwest Licking Local Board of Education shall grant severance pay to all employees of the bargaining unit based on:

21.1 Retiring unit members hired prior to the effective date of this Agreement with five (5) or more years of service with the Southwest Licking Local Schools shall receive severance pay for one-quarter (¼) of all accumulated sick leave. Unit members hired prior to or after the effective date of this Agreement who are retiring with less than five (5) years of service with the Southwest Licking School District shall receive severance pay for one-quarter (¼) of sick leave accumulated during their employment with the Southwest Licking School District. Unit members hired after the effective date of this Agreement who are retiring with five (5) or more years of service with the Southwest Licking Local Schools shall be paid a maximum severance of one-quarter (¼) of all accumulated sick leave up to three hundred fifty (350) days (severance pay will be capped at eighty-seven and one-half (87½) days of accumulated sick leave).

21.2 Payment of severance pay shall eliminate all sick leave credit accumulated by the unit member at that time; however, a retiring unit member may choose not to be paid severance for up to fifteen (15) days of accumulated sick leave to be used if re-employed by the Board. It is the bargaining unit member's responsibility to notify the Treasurer's office at least thirty (30) days prior to his/her retirement of his/her desire not to be paid for the full amount of severance pay.

Severance pay will be paid in two (2) installments after the unit member has indicated an intent to retire and the Board has received an application for processing retirement benefits from a retirement system. The first (1st) installment shall be paid within one (1) month of retirement and the second (2nd) installment shall be paid in January or July (to be determined by the unit member) in the calendar year immediately following retirement (the intent is that there shall be two (2) payments made in two (2) different calendar years.)

- 21.3** A bargaining unit member who dies while employed by the Southwest Licking Local Board of Education shall be eligible for severance pay under this Article. Such severance payment shall be made to the primary beneficiary designated for purposes of life insurance under this Agreement, or to any contingent beneficiary, if the primary beneficiary is no longer living or cannot be located. If no beneficiary is designated for the purposes of life insurance provided under this Agreement, or if the designated contingent beneficiary is no longer living or cannot be located, then payment of the severance pay shall be made in a lump sum to the estate of the bargaining unit member.
- 21.4** Unit members leaving the district after twenty (20) or more years of service to the Southwest Licking Local Schools, not eligible to retire under a retirement system, will be granted severance pay as set forth above based on their years of service to the Southwest Licking Schools. Such unit member's severance pay will not be based on sick leave accumulated and transferred from previous employment.

ARTICLE 22 FAMILY AND MEDICAL LEAVE

- 22.1** Notwithstanding anything to the contrary in the provisions of this Agreement, the Board and the employees covered by this Agreement shall each retain all of their respective rights and obligations under the Family and Medical Leave Act of 1993. Family and medical leave for bargaining unit members eligible for the same shall be governed by Board policy, as it may be amended from time to time. In accordance with Board policy, the twelve (12) month period for family and medical leave shall be calculated on a fiscal year basis. Employees covered by this Agreement who actually work fewer than one thousand two hundred fifty (1,250) hours in the twelve (12) month period will not be eligible for Family and Medical Leave under the Family and Medical Leave Act (FMLA). However, if an employee covered by this Agreement has been employed by the Board at least twelve (12) months and has actually worked at least one thousand (1,000) hours, he/she shall be granted up to twelve (12) weeks of unpaid leave for any reason that would constitute a qualifying event under the FMLA. In addition, the Board will continue to pay fifty percent (50%) of the premium for the employee's insurance coverage, if any, during that period of unpaid leave.

ARTICLE 23 SICK LEAVE POOL

There will be a sick leave pool (Pool) for unit members to be established and administered as follows:

- 23.1** In the event a bargaining unit member has a catastrophic illness or injury and has exhausted all of his/her sick leave and personal leave accumulation, the unit member may request sick leave days that have been voluntarily donated to the Pool. For purposes of this Article "catastrophic" shall mean a long-term illness or injury involving, or resulting in substantial, potentially ruinous, consequences, and long-term shall mean more than fifteen (15) work days in total (not necessarily consecutive days, if the illness necessitates intermittent treatment such as chemotherapy). Pool days may be used to participate in a drug or alcohol dependency rehabilitation program but not to otherwise extend sick leave for reasons related to drug or alcohol dependency. Pool usage is limited to catastrophic illness or injury of the bargaining unit member, spouse or children, except by agreement with the Superintendent or designee who will not unreasonably deny a request that would include a parent. In the event the bargaining unit member has been left incapacitated due to catastrophic illness or injury, the member's spouse, children and/or the person with a durable power of attorney for medical needs may fill out the sick leave application (Application). The Board Treasurer shall not transfer donated days to a bargaining unit member without medical verification showing that the employee will miss more than fifteen (15) work days due to a catastrophic illness or injury and the approval of the sick leave committee (Committee).

- 23.2** In order to be eligible to receive sick leave days from the Pool, a bargaining unit member must have, prior to Application for participation in the Pool, donated sick leave to the Pool and met the other guidelines as established by the Committee set forth in this Article. The Committee shall make the guidelines (criteria) available to the Employer. The guidelines shall not require payback of donated leave.
- 23.3** Participation in the Pool shall be voluntary. Bargaining unit members wishing to participate in the Pool are required to fill out a one (1) time enrollment form agreed to by the Committee. Once bargaining unit members elect to join the Pool, they shall be considered a permanent participant unless a written request for withdrawal from the Pool is provided to the Committee. If a bargaining unit member withdraws from the Pool, they are no longer eligible to use Pool days even though they have donated sick leave prior to withdrawal. New and current bargaining unit members not in the Pool who wish to participate must sign the enrollment form within the first (1st) fifteen (15) days of the school year. A bargaining unit member cannot join the Pool midyear unless the bargaining unit member is hired after the first (1st) fifteen (15) days of the school year. In such a case, he/she shall be allowed to join by signing the enrollment form within the first (1st) fifteen (15) days of employment. Contributed leave will not be counted against a bargaining unit member for purposes of determining eligibility for perfect attendance.
- 23.4** If the total days remaining in the Pool reach thirty (30) days, a donation of one-half (½) day of sick leave will be taken from every member of the Pool. The Committee will notify Pool members by email before the one-half (½) day is taken.
- 23.5** The maximum number of days to be issued from the Pool in any one (1) school year will be equal to one-half (½) the number of bargaining unit members as counted on September 1st of the school year.
- 23.6** Any new bargaining unit members who wish to participate in the Pool must have donated at least one-half (½) day of sick leave to be eligible.
- 23.7** Any current bargaining unit member who enrolls in the Pool must have donated at least one-half (½) day of sick leave to be eligible.
- 23.8** The Committee will consist of five (5) members. One (1) from each location and there will be two (2) alternates. All requests to participate in the Pool will be considered and approved/denied in its discretion of the Committee. The decision of the Committee will be final and no appeal process is initiated or inherent in this procedure. Bargaining unit members shall submit an Application to use Pool hours to any Committee member. Bargaining unit members shall be required to attach a doctor's slip to the Application showing they are currently receiving a doctor's care and/or suffering from an illness that has or is expected to cause them to miss more than fifteen (15) work days in total.
- 23.9** In no case shall the Pool prevent or prolong a bargaining unit member from applying for and going on disability retirement. The Committee may require a bargaining unit member to apply for School Employee Retirement System (SERS) disability as a condition of approval or continuance of approval of Pool days.

ARTICLE 24
TUITION FREE ATTENDANCE

All children of bargaining unit members may attend school in the Southwest Licking Local School District ("The District") without payment of tuition with the following exceptions:

- 24.1 Identified special education students will be accepted for existing programs based upon available space not to exceed state special education standards.
- 24.2 Primary kindergarten, unless space is available.
- 24.3 Talented and gifted children. Talented and gifted students may attend tuition free in the middle school so long as it is open to tuition students.
- 24.4 All general education students attending preschool.
- 24.5 If a building is closed to tuition students it will also be closed to children of bargaining unit members not already enrolled in the district.

ARTICLE 25
SERVICE CREDIT

- 25.1 The initial salary schedule placement of a bargaining unit member is based on years of service credited by the Employer. An employee must have served at least one hundred twenty (120) days of the prior year with the District to be awarded one (1) year of service credit and shall, in that case, be awarded one (1) year of service credit.
- 25.2 A bargaining unit member, new to the District, receives credit for each year in the same position with another Ohio school district or county board of MR/DD to a maximum of ten (10) years consisting of one hundred twenty (120) days in a given year. A bargaining unit member, who has previously worked for the District as a substitute employee in the same classification for at least one hundred twenty (120) days in a given school year, shall receive credit for each year.
- 25.3 Credit for each year of leave of absence for active military service shall be in accordance with state and federal law.

ARTICLE 26
PAYROLL PRACTICES

- 26.1 Employees shall be paid in accordance with this Agreement, and individual salary notices shall not be necessary. Employees will be paid the hourly rate for all hours worked as provided for in the negotiated wage schedule of this Agreement.
- 26.2 Employees shall be paid twenty-four (24) equal pays on the fifteenth (15th) and last day of each month. If a pay day falls on a holiday or weekend, the employee will be paid on the work day immediately preceding the holiday or weekend.
- 26.3 Payroll deductions will be made on the fifteenth (15th) and last day of each month. Signed payroll deduction authorizations must be submitted to the Treasurer. Deductions shall be continuous until such time as the employee withdraws such authorization in writing.

- 26.4** Effective with the first (1st) payroll following ratification of this Agreement, all bargaining unit employees shall be required to use automatic direct deposit.
- 26.5** If a payroll check contains an underpayment of an employee's regular wages amounting to more than twenty-five dollars (\$25.00) that is the fault of the Employer, then the error will be corrected within two (2) business days of the date on which the employee brings the error to the attention of the Treasurer's office or of the date on which the Treasurer's office notices the error, whichever is earlier. If a payroll check contains an underpayment of an employee's extra-hour wages in any dollar amount that is the fault of the Employer, then the error will be corrected in the next payroll check after the employee brings the error to the attention of the Treasurer's office or after the Treasurer's office notices the error, whichever is earlier. In the case of overpayment of an employee's regular wages or extra-hour pay, the Board will recover the amount from the employee in a manner determined on a case-by-case basis (in most cases, deduction of the amount from future paychecks spread out over the remainder of the fiscal year will be the preferred method of recovery).

ARTICLE 34 INSURANCE PROVISIONS

34.1 Hospitalization and Major Medical, Vision, and Dental Benefits: Contingent on execution of a mutually satisfactory Participation Agreement between the Board and the Michigan Conference of Teamsters Welfare Fund, health care benefits for:

1. all bargaining unit members employed by the Board prior to July 1, 2005 who are regularly scheduled to work at least fifteen (15) hours per week,
2. all bargaining unit members hired on or after July 1, 2005 and prior to October 1, 2014 who are regularly scheduled to work at least twenty (20) hours per week, and
3. all bargaining unit members hired on or after October 1, 2014 who are regularly scheduled to work at least twenty-eight (28) hours per week

who do not opt out as set forth below and who have fulfilled the eligibility waiting period described below, shall be through participation in an option of the Michigan Conference of Teamsters Welfare Fund Benefit Plan ("Plan") as agreed upon by the parties in each year of this collective bargaining agreement unless the Board determines that the Plan fails to comply with all Ohio "best practices" for school employee health care or it should otherwise become unlawful for the Board to provide health care coverage through the Plan (*e.g.*, if it should become mandatory under state or federal law for the Board to enter into a "pool" for health care). A bargaining unit member shall not be eligible for such benefits until the first (1st) Sunday on or after the thirtieth (30th) calendar day after his/her first (1st) day of work as a regular, not substitute, employee (the eligibility waiting period), except that a retire/rehire shall become eligible on his/her first (1st) day back to work following retirement.

The Plans available to all eligible bargaining unit members for participation shall be Plan 856 - SOA Cafeteria Plan and Plan 737. For bargaining unit members who were employed and eligible for insurance but did not have hospitalization/major medical coverage through the Board as of July 27, 2011, a plan for dental/optical only (Plan 127) shall be available, in addition to Plans 856 and 737. Bargaining unit members enrolled in Plan 127 who elect to opt out or to select either Plan 856 - SOA Cafeteria Plan or Plan 737 will no longer be eligible for Plan 127.

The Board will not be a guarantor of the Plan in any way and shall have no liability in connection with the Plan other than to permit employee participation in the Plan and pay a share of monthly contribution amounts (hereinafter referred to as “monthly premiums”) as set forth below.

It is understood that bargaining unit members must participate in the above Plan, unless they have hospitalization/major medical insurance through a spouse or other family member and are approved by the Plan to opt out of participation. It shall be the responsibility of the bargaining unit member to comply with all opt-out guidelines established by the Plan and to submit the necessary forms, if the bargaining unit member desires to opt out of the Plan in any respect. The Board and the Union shall enter into any necessary memorandum of understanding to enable opt-outs from the Plan.

There will be no reimbursement to a unit member enrolled in another similar hospitalization plan.

The responsibility for notifying the Treasurer and the Michigan Conference of Teamsters Welfare Fund of intent to opt out from participation in the Plan rests with the bargaining unit member. New hires are strongly encouraged to submit the “intent to opt out” form and any additional required paperwork to the Fund as soon as possible after first (1st) day of employment to ensure opt-out approval before contributions must be made to the Plan.

It is further agreed that the Board will pay the following monthly amounts toward the cost of the above described Plan:

34.1.1 Single Premium: Eighty percent (80%) of the actual monthly premium for all bargaining unit members who are regularly scheduled to work at least twenty-eight (28) hours per week or hired prior to July 1, 2005 who are regularly scheduled to work at least fifteen (15) hours per week and all bargaining unit members hired on or after July 1, 2005 and prior to July 1, 2010 who are regularly scheduled to work at least twenty (20) hours per week; and fifty percent (50%) of the actual monthly premium for all bargaining unit members hired on or after July 1, 2010 and prior to October 1, 2014 who are regularly scheduled to work between twenty (20) and twenty-seven point ninety-nine (27.99) hours per week.

34.1.2 Family, Employee + Children or Employee + Spouse Premium: Eighty percent (80%) of the actual monthly premium for all bargaining unit members who are regularly scheduled to work at least twenty-eight (28) hours per week or hired prior to July 1, 2005 who are regularly scheduled to work at least fifteen (15) hours per week and all bargaining unit members hired on or after July 1, 2005 and prior to July 1, 2010 who are regularly scheduled to work at least twenty (20) hours per week; and fifty percent (50%) of the actual monthly premium for all bargaining unit members hired on or after July 1, 2010 and prior to October 1, 2014 who are regularly scheduled to work between twenty (20) and twenty-seven point ninety-nine (27.99) hours per week.

34.1.3 If a bargaining unit member is regularly scheduled to work at least twenty-eight (28) hours per week, the Board would continue to pay eighty percent (80%) of the actual monthly premium if the Board made changes to the route/position that caused the bargaining unit member's regularly scheduled hours to fall below twenty-eight (28) hours. If the bargaining unit member bids/applies for a route/position that is regularly scheduled to work less the twenty-eight (28) hours, the bargaining unit member will not be eligible for insurance even if the bargaining unit member was grandfathered under Article 34.1.

34.1.4 In the event that a bargaining unit member and his/her spouse are both employed by the Board prior to September 1, 2011, the Board will pay the actual family plan monthly premium minus the employee's share of the monthly premium for one (1) single plan. The employee's share of monthly premium for one (1) single plan shall be paid by the married unit members. This provision of the Agreement does not apply to unit members or spouses of unit members who are employed by the Board after September 1, 2011.

34.2 Term Life Insurance: The Board will provide thirty-five thousand (\$35,000) dollars term life insurance to each bargaining unit member employed by the Board prior to July 1, 2005 who are regularly scheduled to work at least fifteen (15) hours per work or to each bargaining unit member hired on or after July 1, 2005 who are regularly scheduled to work at least twenty (20) hours per week or hired after October 1, 2014 who is regularly scheduled to work at least twenty-eight (28) hours per week at no cost to said bargaining unit member. The coverage shall include double indemnity for accidental death and dismemberment.

If allowed by the insurance company providing life insurance to Board bargaining unit members, an eligible bargaining unit member may purchase at his/her own cost additional life insurance. This plan is voluntary and the responsibility of notifying the Treasurer of intent to participate shall rest with the bargaining unit member.

34.3 Confidentiality: The names of individuals who have filed claims for health care benefits, the amounts of claims filed or paid on behalf of any covered person and the medical records relating to any claims shall not be public records subject to any limitation in the public records laws. Reports to be made by the Third Party Administrator to the Southwest Licking Board of Education shall not by individual insured identify the particular treatment, care or diagnosis received by an individual.

34.4 Insurance Committee:

34.4.1 Purpose: An Insurance Committee (Committee) shall meet as the Board deems necessary to develop such proposals as the Committee deems appropriate concerning the level of insurance benefits available and offered. The Committee shall comport with Ohio "best practices" requirements. This standing Committee's responsibilities shall include:

monitoring insurance costs; reviewing and making recommendations to modify benefits; and recommending selection of insurance carriers and/or third-party administrators for all benefits listed in this Article.

34.4.2 Membership: The committee shall consist of the Treasurer and a Building Administrator and two (2) members appointed by Teamsters Local Union 413. The Treasurer shall serve as the chair of the Committee.

34.4.3 Operation: The Committee shall meet at least sixty (60) days in advance of any health care contract rollover/renewal and at other times at the call of the chair. The Committee shall formulate its proposals concerning carriers or third-party administrators, changes in carrier and/or plan design, and/or modification of benefits by a majority vote of all of its members. Any proposal of the Committee shall be presented to the Board to approve or reject same. Any action or inaction of the Board shall be final in each of those regards and not grievable or otherwise subject to appeal. It is understood that the Board will take no action in violation of any participation agreement entered into with the Michigan Conference of Teamsters Welfare Fund.

The Committee is not empowered to unilaterally make changes in health care benefits without ratification by the Unions and approval by the Board. The creation of the Insurance Committee does not diminish or in any way reduce the Board's and Union's rights or responsibilities.

34.5 Monthly premiums shall be paid by bargaining unit members and the Board on a monthly basis, the same amount each month of a plan year, without any front-loading or back-loading of premium amounts.

ARTICLE 35

RE-EMPLOYMENT OF RETIRED BARGAINING UNIT EMPLOYEES

A bargaining unit employee retired from a public sector retirement system ("Re-employed bargaining unit employee") may be re-employed under the following conditions:

35.1 The re-employed employee will start with salary schedule placement experience of up to ten (10) years. The re-employed employee will be advanced one (1) year on the salary schedule for each year of re-employment service to the Employer.

35.2 The re-employed employee will be eligible for life and other insurances offered by the Board, only if he/she is not eligible for such insurances through SERS or other public sector retirement system. The re-employed employee shall have life and other insurance coverage paid for by the Board on the same basis as any other re-employed certificated and/or classified employee of the Board.

35.3 Re-employed employees will be awarded one (1) year contracts of employment that will automatically expire at the end of the applicable school year without notice of non-renewal. No performance evaluations shall be required.

- 35.4** Re-employed employees may be re-employed from year-to-year under the limitations described in Sections 35.5 and 35.6 with Board approval, but shall not be eligible for continuing contract status.
- 35.5** In the event of a Reduction In Force, the re-employed employee will not have any bumping rights under this Agreement.
- 35.6** Such re-employment will not result in the reduction in force of other bargaining unit employees employed at the commencement of each such re-employment contract.
- 35.7** Subject to these provisions, re-employed employees are part of the bargaining unit.
- 35.8** Re-employed employees are eligible for sick leave accumulation commencing with the first year of such re-employment.
- 35.9** Re-employed employees may commence their re-employment with up to fifteen (15) days of accumulated sick leave if said days are carried forward from other prior public employers or the Southwest Licking School District.
- 35.10** Re-employed employees are not eligible to participate in any retirement incentive program nor are they eligible for severance pay.
- 35.11** The Union Business Representative shall be advised of any re-employment situation.

**ARTICLE 36
REASSIGNMENT, VACANCIES AND PROMOTIONS**

- 36.1** When a new job or position is created or a job vacancy otherwise occurs within the bargaining unit and the Employer intends to fill the vacancy, the Employer will post an announcement of such vacancy via District e-mail and on all Union bulletin boards. Said postings shall remain posted for a period of five (5) working days, except from August 1st to the start of school, when the posting period shall be one (1) working day. The posting shall contain the job title of the vacancy, a brief job description including minimum qualifications, the initial location, and the date of the posting and bid deadline date. An employee who holds the job in a different location or different shift may submit an application per 36.2 below to be considered for reassignment to the initial location of the vacancy. This provision shall not prevent an employee from submitting a written request for reassignment to the Superintendent pursuant to 36.7 below. The identification of an initial location shall not be construed as restricting the Employer's management right to assign employees. However, reassignment of an employee shall be in accordance with this Article, including 36.3, 36.6 and 36.8.
- 36.2** Any employee wishing to apply for the posted vacancy must submit an application in writing to the office of the Superintendent or designee by the end of the posting period in order to be considered for the position. The Employee will receive notification that the application was received.

36.3 Filling of Vacancies

As used in this Section, "documented performance deficiency" means:

A specific concern noted in writing either on a Documented Presence or Absence of Performance Deficiency form completed by the employee's supervisor, disciplinary notice, or investigation report mandated by law and/or Board policy.

Unless a concern is noted in writing and provided to the unit member before he/she requests reassignment or bids into a posted vacancy, the employee will be considered to have no documented deficiency.

A. Reassignment within classification other than aide requested

This section applies if a vacancy is posted for a position other than aide and one or more employees in the classification request reassignment under 36.1 to the initial location and/or shift of the vacancy. In that case, requests for reassignment will be reviewed before any other applicants are considered.

The Employer will identify all employees requesting reassignment within the classification who have been in the classification for at least three (3) school years and have no documented performance deficiency within the prior eighteen (18) months. The Employer shall grant the reassignment request of the most senior employee meeting these criteria, using job classification seniority. Only the initial vacancy and up to two subsequent vacancies that result from employee reassignment will be filled using this method, with the next occurring vacancy filled in accordance with section B below.

If no employee requests reassignment who has been in the classification for at least three (3) school years and has no documented performance deficiency within the prior eighteen (18) months, then the vacancy will be filled in accordance with section B below. In other words, employees who do not meet the criteria can still request reassignment to the initial location and/or shift of the vacancy, but they will not receive preferential treatment and will be considered with all other applicants.

B. Filling of vacancies for aides and other classifications when there are no eligible requests for reassignment

This section applies to filling of vacancies for aides and other classifications when no employee requests reassignment who has been in the classification for at least three (3) school years and has no documented performance deficiency within the prior eighteen (18) months.

When filling the vacancy, all timely-filed applications (including those to change assignment that did not meet the criteria set forth in Section A. above) will be reviewed by the Employer and the position will be awarded to the applicant that the Employer deems most qualified. Criteria for selection shall include: skills, qualifications and/or experience relevant to the job to be performed including prior experience within the classification or department, absence of documented performance deficiency within the prior eighteen (18) months, and system and bargaining unit seniority. The Employer will grant an initial interview and give consideration to all bargaining unit applicants who have timely submitted a bid and meet the required qualifications set forth in the job posting. Tests given to determine qualifications shall be uniformly applied to all applicants for a given position who are not in the classification of the vacancy. The applicant(s) not selected for the position will be given the opportunity to receive information concerning the reason why they were not selected, in a timely manner.

If a bargaining unit member and an external applicant are deemed equally qualified, preference will be given to the applicant(s) from within the bargaining unit, if any. If the Employer deems two (2) or more applicants from within the bargaining unit equally qualified, the applicant with the most district seniority will be awarded the position.

- 36.4** The effective date of the filling of the vacancy shall be as soon as possible, but no later than twenty (20) work days after the selection has been made. For purposes of this provision, the calculation of twenty (20) work days shall not include days in the summer, between school years. The Employer will notify the Business Agent and the Steward for the building in which the position being filled is located of the selection.
- 36.5** Nothing in this Article shall be construed to limit or prevent the Employer from temporarily filling a vacant position from the bargaining unit for a ninety (90) work day period of time, pending the Employer's determination to fill the vacancy on a permanent basis. At the conclusion of this ninety (90) work days period, the vacancy must be filled in accordance with Section 36.3 above, or the position abolished.
- 36.6** An employee who is awarded a position to fill a vacancy, whether through reassignment within the classification or a bid across classifications, shall be required to satisfactorily complete a ninety (90) work day trial period. If, during the ninety (90) work day trial period, it is determined that the employee cannot satisfactorily perform the new job or new assignment, the employee will be returned to the employee's previously held position/location/shift at his/her prior rate of pay and with no loss of seniority. An employee who satisfactorily completes a ninety (90) work day trial period shall not be reassigned involuntarily during his/her first twelve (12) months in the new assignment, except: 1) if the employee engages in serious misconduct resulting in discipline at the level of suspension; or 2) in the case of an aide, for one of the reasons set forth below in 36.8(2). If an aide must be involuntarily reassigned within the first twelve (12) months of his/her new assignment, the Superintendent or designee will meet with the aide prior to the move to give the aide input into his/her next assignment.

36.7 Bargaining unit members may request reassignment to another location in the same classification even when there is no vacancy. Such requests must be submitted to the Superintendent or designee by May 1st each school year and will be retained on file for a period of one (1) year. A reassignment request form shall be available to all bargaining unit members. Reassignment requests will be considered before a vacancy is posted, but nothing in this provision guarantees that a reassignment request will be granted.

36.8 Involuntary Reassignment

1. An involuntary reassignment of a unit member (defined as reassignment to another building or another classroom) will be made only after a meeting between the unit member involved and the Superintendent or designee. The unit member and/or the Superintendent may, at their option, have a representative present at such meeting (the unit member may have a Union Steward or, if available at the meeting time designated by the Superintendent or designee, the Union Business Agent). The Superintendent or designee will provide notice to each affected unit member of an involuntary reassignment prior to the official involuntary reassignment date, unless one of the exceptions in paragraph number (2) below apply. If requested by the unit member, the Superintendent or designee will explain and provide in writing the reason(s) for the reassignment to the unit member.
2. Under normal circumstances, notice of an involuntary reassignment for the next school year shall occur by July 10th. Involuntary reassignments after July 10th for the next school year or during a school year shall occur only as a result of a unit member leaving employment with the District after July 10th or during a school year, enrollment changes requiring the hiring of staff or exceeding class size limits, building openings, district realignment, attendance concerns, performance, operational needs (for example, additional building space, building staffing needs, building closure), best interest of students, or liability concerns.
3. The District shall not involuntarily reassign a unit member to another building or classroom after September 1 more than three (3) times per school year, unless the unit member has two (2) or more documented deficiency within the past twelve (12) months or unless otherwise agreed upon by the unit member and the District.

**ARTICLE 37
TERM OF AGREEMENT**

The Employer and the Union agree that this 3rd unit collective bargaining agreement will expire at midnight on the 30th day of June, 2020, unless extended by mutual written agreement of the two parties.
