D. Reemployment of Retired Teachers

Notwithstanding anything in this agreement or the Ohio Revised Code, persons who have retired from STRS or other public employee retirement system (reemployed teacher), if employed by the Board, shall be subject to the following provisions:

- 1. Reemployed teachers shall be placed on the salary schedule in accordance with Article 14, but shall not advance beyond Step 10. Reemployed teachers will be subject to the same evaluation system in place for the teachers of the district.
- 2. The length of the contract shall be for one (1) year and shall automatically expire without any requirement that the Board give a notice of nonrenewal. Such teacher shall not be deemed reemployed when notice of nonrenewal is not given.
- 3. In the event of a reduction in force, reemployed teachers shall have no seniority, shall not accumulate seniority, and shall have no recall rights.
- 4. Reemployed teachers are not eligible for any severance pay or any conversion of unused sick leave, and are not eligible to participate in any retirement incentive program.
- 5. Reemployed teachers shall have the option to participate in the Board's insurance program.
- 6. Reemployed teachers shall commence their employment with zero (0) days of accumulated sick leave and shall earn sick leave at the rate of one and one-quarter (1 ¼) days per month of service. The Board may advance a reemployed teacher up to five (5) days of sick leave.

7. The Board is not obligated to rehire or give any preference in hiring decisions to teachers who have retired from Tri-County North Schools or any other school district.
8. With respect to supplemental contract positions, reemployed teachers have only the rights set forth in this paragraph. The provisions of the Ohio Revised Code shall apply in filling vacant supplemental contract positions except the Board shall offer such positions first to the employees of the district (other than reemployed teachers) who have a license issued under RC 3319.22 and who are qualified to fill the position, and thereafter the Board shall offer such positions to reemployed teachers, before advertising such positions as available to any licensed individual who is qualified and not employed by the Board.

ARTICLE 16 - SUPPLEMENTAL CONTRACTS

All teachers assigned additional responsibilities and granted additional compensation for such responsibilities shall be given a written contract that is in addition to their regular contract in keeping with the Ohio Revised Code. Whenever possible said contract shall be issued within fifteen (15) days of Board action on said contract and returned within five (5) days of receipt. Such supplemental contract shall include the following information:

- A. Name of said teacher.
- B. Name of the school district and Board of Education for which responsibilities shall be performed.
- C. Statement of additional responsibility(ies) and compensation to be provided for each.
- D. Dates within which compensation is being provided for said responsibility.
- E. Total compensation-supplemental.
- F. Provision that all necessary implementing procedures have been completed by the Board prior to the offering of the contract followed by the signature of the Board President and Treasurer of the Board.
- G. Provision for signature and date of signing by the teacher.
- H. All payments for supplemental contracts shall be paid as follows: one-half at the midpoint of the activity and the remainder upon completion and with the approval of the appropriate administrator. All payments will be made on the regular check. If, due to administrative error, payment is not made in a timely manner, then a separate check will be issued as soon as possible.

ARTICLE 17 - REDUCTION IN FORCE

- A. When, in the judgment of the Board, it becomes necessary to reduce the teaching staff because of decreased enrollment of pupils in the district, return to duty of regular teachers after leaves of absence, including suspension of schools or territorial changes affecting the district, or for financial reasons (including grade or curricular reorganization), such reduction will be made by nonrenewal or suspension of contracts in accordance with the following procedure.
- B. If the Board effects staff reduction of continuing or limited contracts by suspending teachers' contracts, such contract suspensions shall comply with Section 3319.17 of the Ohio Revised Code. When making a reduction of force, whether implemented by nonrenewal of contracts, or by suspension of contracts, or by a combination of nonrenewals and suspensions, the Board shall not give preference to any teacher based on seniority except when making a decision between teachers who have comparable evaluations. For purposes of a reduction in force (including Displacement Rights and Recall Rights), evaluations shall be deemed comparable when the teaching performance ratings (on the most recent summative evaluations) show that the teachers under consideration have equal teacher performance ratings. For example, if each of two teachers has a performance rating of "Developing" on his/her most recent summative evaluation, then for purposes of RIF, those two teachers are comparable and seniority would apply; the teachers are not comparable if one teacher has a performance rating that is higher than the other, such as when one teachers has a rating of "Skilled" and the other teacher has a rating of "Developing".
- C. If the Board effects staff reduction by nonrenewal of teachers' contracts, such contract nonrenewal of teachers' contracts, such contract nonrenewals will be made on a system-wide basis in accordance with the following procedures:
1. Nonrenewal of contracts will occur to limited contract teachers by certificated/licensed area after giving consideration to the needs of the district. The Board shall not give preference to any teacher based on seniority, except when making a decision between teachers who have comparable evaluations.
 2. Certificated/licensed areas must be on record in the teacher's personnel file by March 1 of any school year.
- D. Displacement Rights
- Any teacher displaced from his/her current teaching assignment under Paragraph B of this section may displace a teacher in another teaching field if the displaced teacher's most recent performance evaluation is higher than the other teacher, or the displaced teacher's most recent performance evaluation is comparable to the other teacher and the displaced teacher has greater seniority. In order for a teacher's area(s) of certification/licenses to be considered, that teacher's certificate(s)/licenses showing such area(s) must be in the teacher's official personnel file as set forth above. The teacher exercising displacement rights may only do so in the field(s) in which he/she holds a certificate/license.
- E. It is understood that voluntary transfer requests may be considered, and involuntary transfers effected, in order to assign teachers whose contracts have not been non-renewed or suspended so as to meet the staffing needs of the district.

F. Seniority

As used in this Contract, seniority shall be defined as continuous full time employment of a professional employee in the district beginning with the first date the professional employee reported for duty under his/her most recent regular employment contract. Seniority shall be prorated for all professional employees on less than full-time status as follows: 840 hours or more in one school year = one (1) year credit; 630 to 839 hours in one school year = one-half (1/2) year credit; less than 638 hours in one school year = no credit. Where seniority among two or more affected teachers is equal under this definition, preference shall be given priority as follows:

1. Total number of years of teaching experience.
2. Date of employment as determined by Board minutes.
3. Amount of training in subject areas or field, (i.e., the number of college credits beyond the BS).
4. Additional ties in seniority shall be broken by lot.
5. Continuous employment shall include all time on sick leave, all time on Board-approved paid leave of absence, all time on military leave of absence, all time of disability retirement to a maximum of five (5) years, and all time during suspension or nonrenewal for reduction in teaching staff reasons if the teacher is reinstated.
6. Unpaid leaves of absence shall not constitute an interruption in continuous service. However, the time that the teacher was on such unpaid leave will not be counted in total years of service in determining seniority rights hereunder.
7. Seniority shall be lost when a teacher resigns or leaves the employ of the Board due to nonrenewal for non-reduction in teaching staff reasons or termination of contract.

G. Recall Rights

Teachers whose contracts have been suspended or non-renewed because of a reduction in force reasons shall have rights to recall as follows:

1. Recall rights shall be limited to twenty-four (24) months.
2. Teachers whose contracts were non-renewed or suspended shall be recalled to a vacancy in the inverse order of nonrenewal or suspension, as positions become available in their area of certification/licensure at the time of recall. Provided however, seniority shall not be the basis for recalling a teacher, except when making a decision between teachers who have comparable evaluations. Teacher must notify the district of any changes in their area of certification/licensure.
3. A teacher notified of recall to a position may turn down the first offered position, allowing the Superintendent to offer said position to the next person on the recall list who is qualified to fill said position. The person making the turndown would retain his/her position on the

recall list. If a teacher refuses recall to another position, said teacher's name shall be removed from the recall list. Provided however, no teacher whose continuing contract has been suspended shall lose the right of recall and restoration to continuing service status by reason of having declined recall to a position that is less than full-time or, if the teacher was not employed full-time just prior to suspension of the teacher's continuing contract, to a position requiring a lesser percentage of full-time employment than the position the teacher last held while employed in the district.

4. Teachers on recall status shall have the responsibility for keeping the Superintendent informed of their current address, name change, and telephone number. Notification of recall shall be by certified mail at the teacher's last known address. Failure to contact the Superintendent to accept such recall within five calendar days of the date of such mailing shall remove the teacher from recall status.
5. Teachers whose contracts have been suspended with the above provisions shall be placed at the top of the districts substitute list and given preference in receiving offers of employment, if the teacher meets the requirements necessary to be placed on the County Superintendent's list, providing that those requirements do not violate the terms of this Agreement or prohibit the RIFed teacher from applying for unemployment benefits.

H. Notice of Contract Suspension

Whenever possible, notice of any impending reduction in force shall be given to the Association President thirty (30) days prior to the Board taking action under this Article.

The Association and Board agree that the provisions of this Article 17 do not conflict with the requirements of Ohio Revised Code Section 3319.17

Peer Assistance & Reflection Program (PAR)

The purpose of the PAR program is to support the professional improvement of teachers who receive an annual performance rating of Ineffective, or who have received annual performance ratings of Developing for two consecutive years. The goal of the program is to provide such teachers with the relevant professional development experiences to help them move to and sustain a Skilled or Accomplished level of performance. It is important to note that PAR in this program does not stand for Peer Assistance and Review.

A list of volunteer mentors will be created each fall from teachers who have received a Skilled or Accomplished level of performance the previous year. One of these mentors may be selected by a teacher to assist such teacher in developing and implementing strategies for improving performance and fostering growth. Teachers who have received an annual performance rating of Ineffective are encouraged to use mentors and the PAR program to develop and implement strategies for meeting the expectations of such teacher's improvement plan.

ARTICLE 18 - PERSONNEL FILES

Individual members of the instructional staff shall have access to their personal file upon request and appointment. Such access shall be in the presence of an administrator and shall not include any information placed in the file as part of the information gathered prior to the teacher's employment. The teacher shall have the right to have one (1) copy made of any information in the file (subject to the restrictions stated above), at his/her expense. - C. No anonymous materials shall be placed in a teacher's personnel file.

Statements or comments on any entry by either the member of the instructional staff or administrators stated above may be attached to documents entered into the personal files of members of the instructional staff.

After three (3) years, if no subsequent entries of the same or similar nature have occurred, the material will be removed from the file.

Letters of recommendation used for initial employment are confidential items and are not to be shown to the individual teacher.

ARTICLE 19 - PROFESSIONAL GROWTH/TUITION REIMBURSEMENT

- A. The Board and Association believe that continuing education and professional growth are beneficial to the quality of classroom instruction.
- B.
1. The Board will establish an individual account of \$700.00 per year for each unit member for coursework that is part of a Master's Degree program. Such funds may be used for activities that are not part of a Master's Degree program if the teacher and administration mutually agree.
 2. After the individual has obtained a Master's Degree, such individual's account shall be \$500.00 for professional growth that is based on a mutually (between the teacher and administration) agreed upon activity that must meet the definition of "highly qualified" staff development and is tied to one of the following: TCN's school improvement plan; or, TCN's North Central accreditation; or, the individual teacher's evaluation goals.
 3. Tuition reimbursement for coursework:
 - i. Reimbursement shall be payable upon submission of proof of successful completion (passing grade of "B" or above) of coursework or training to the Board or Treasurer. The classes must be completed within the school year (July 1 through June 30). In order to obtain reimbursement, by June 30 the teacher (a) must fill out and submit Addendum 5; and (b) all classes, coursework and training must be completed no later than June 30. (Grades for the coursework/training may be submitted after June 30, so long as all classes, coursework and training are completed by June 30.)
 - ii. Classes taken after the last year of this Contract, and successfully completed in accordance with the provisions heretofore stated, shall fall under the provisions of the Contract in force at that time.
 4. Professional leave requests:
 - i. Leave requests must be submitted to the administration no later than two (2) weeks prior to the scheduled date of leave.
 - ii. Leave expenses, up to the amount of the individual's account, shall be reimbursed upon the submission of the appropriate receipts to the Board Treasurer. [Provided, however, that the Board will pay in advance (or issue a purchase order) tuition and/or registration fees of \$200 or more for an activity if the required paperwork (Addendum 4 – Professional Day Request) is presented, with appropriate administration approvals, to the Board Treasurer not less than fifteen (15) days prior to the activity's early registration deadline.]

- iv. In the event one or more approved professional leave days occur on a calamity day, or is/are otherwise not actually used, it is the employee's responsibility to cancel their professional leave day(s) within five (5) work days of intended use; otherwise the employee will be charged as if the day(s) was/were actually used. (This five-day rule does not apply if the employee is unable to timely cancel his/her use of professional leave due to the employee being physically unable to complete it.

5. Professional Development Bonus:

In addition to the Professional Growth/Tuition Reimbursement payments, a Professional Development Bonus shall be paid to teachers, as follows. With the last regular pay in September, the Board shall include and pay to each full-time teacher a Professional Development Bonus of \$300.00 (less all usual deductions/withholdings except STRS). In the same manner, part time teachers shall receive a Professional Development Bonus that is prorated according to hours worked.

- C. To the extent a program has federal monies less than the amounts described in paragraph B above, the Board shall supplement such funds so that the total amount of each account shall be equal to that set forth in said paragraph B.
- D. The District shall pay for the cost of all substitute days used by the teacher.

ARTICLE 20 - LEAVE OF ABSENCE

- A. Upon approval of the Superintendent and the Board, a teacher may be granted leave of absence without pay for reasons listed below. Request for such leave shall be submitted to the Superintendent in writing. Failure to complete the terms for which leave was requested shall be grounds for termination of leave and/or contract. Leave shall be for up to one (1) year, with the exact amount of leave coordinated with FMLA leave under Article 20 B., such that the amount of leave granted under Article 20 A. shall be equal to the difference between 52 weeks and the number of weeks of FMLA leave the employee has taken (or will take) during the twelve-month period described in Article 20 B. An additional year of leave under Article 20 A. may be granted upon proper application and subject to the approval of the Superintendent and the Board.

Requested for such leave shall be submitted to the Superintendent in writing at least thirty (30) days prior to the first day of the expected leave. An extension, if requested, shall be requested in writing to the Superintendent at least thirty (30) calendar days prior to the termination of the initial leave.

Leaves of absence shall not be granted beyond the life of the employee's current contract.

Hourly rated teachers shall not be granted leaves of absence, except as may be required under FMLA.

Prior to June 1, teachers on leave of absence are required to submit, in writing, their intentions for returning to work. Failure to do so may result in termination of contract at the June Board meeting. The Superintendent shall notify the teacher of this provision prior to May 1. Such notice shall be by certified mail.

All Board contributions toward fringe benefits shall cease during the period of the granted leave, except as provided in Article 20 B.

A teacher returning from leave shall be placed in the same position from which leave was granted, or in another position for which the teacher is fully qualified.

If, at the end of the maximum period of leave, the teacher does not return to work or has not qualified for disability under STRS, the contract will be terminated.

Employees wishing to continue their participation in district group insurance programs shall state such intentions with their request for leave of absence. An employee may continue to participate in district group insurance programs providing he/she is willing to assume the premium cost of such coverage, except as otherwise provided in Article 20 B. Such payments shall be made, in advance, by the employee in the manner prescribed by the Treasurer's Office.

REASONS FOR LEAVE:

1. A teacher under contract may be granted by the Board of Education a leave of absence of not more than two (2) years as per Ohio Revised Code 3319.13.

Personal Illness: Requests must be accompanied by a statement from the attending physician which states the nature of the illness and recommendation for such leave, and shall be granted in accordance with Ohio Revised Code 3319.13. A teacher returning from leave of absence for the reason of illness, maternity, or disability shall present verification by the teacher's physicians of ability to return to work.

2. Assault Leave under Article 21.
3. A teacher under contract shall be entitled to a leave of absence without pay for the care of a newborn or adopted child. The right to child care leave expires at the end of the month period beginning on the date of the birth or placement for adoption. Adoption leave is also subject to the provisions of Article 23.
4. The Board of Education may grant a leave of absence without the request of the teacher in accordance with Ohio Revised Code 3319.13 and 3319.16.

B. The Board and employees shall have whatever rights, duties, discretion, and responsibilities as are set forth in the Family and Medical Leave Act of 1993 (29 U.S.C. Sec. 2601, et seq.) as is or may be amended ("FMLA"), and in accordance with the following provisions.

1. For purposes of determining the "12-month period" in which an eligible employee is entitled to twelve (12) weeks of leave, said 12-month period shall be a "rolling" 12 month period measured backward from the date an employee uses any FMLA leave.
2. An employee who takes FMLA leave and who wishes to continue participating in group insurance programs must state such intention along with their written request for leave of absence. Such an employee may continue to participate in the Board's group insurance program during the leave on the same terms and conditions that would have applied had no leave been taken. The premium portion payable by the employee is due on the first day of the month in advance. Upon expiration of FMLA leave, the employee may continue dental and/or hospital insurance by making payments in accordance with COBRA regulations; to continue to be enrolled in the life insurance plan, the employee must pay the entire premium each month.
3. An employee that is on FMLA leave due to his/her own serious health condition which made the employee unable to perform hi/her job duties may not return to work without furnishing a certification from the employee's health care provider that the employee is able to resume work. Upon request by the administration, and at the Board's expense, and employee shall present himself/herself to a physician to conduct such independent examination from any physician included in the "network" for the Board's group insurance plan; provided, however, that the employee may not choose a physician who has previously seen the employee as a patient or who is a member of a medical group that has seen the employee as a patient. If the opinion of the employee's physician and the opinion of the Board-paid physician differ, the administration may require a third opinion, again at the Board's expense, from a third physician mutually agreed upon by the first two physicians. The third opinion shall be final and binding.
4. An employee on FMLA leave shall, at not less than fourteen (14) day intervals, report to the Superintendent the employee's status and intent to return to work.

5. Upon expiration of FMLA leave, the employee shall be assigned to the same position held before taking leave, if the position is available; if not, the employee will be assigned to a similar position. An employee who does not return to work upon the expiration of FMLA leave shall have his/her employment terminated.
6. Whenever an employee is required to provide a certificate from a health care provider, the form attached hereto as Addendum 7 shall be used.

ARTICLE 21 - ASSAULT LEAVE

The Board shall provide assault leave for teachers who are absent due to any physical disability caused by an assault which occurs during the course of Board employment for a period recommended and approved by the Board. Such leave shall not cause any loss in pay, nor be charged against sick leave accumulated by the teacher.

Medical verification shall be provided for assault leave which extends beyond five (5) days. The Board may require medical examination by a physician of the Board's choice. In such event the Board shall pay the full cost of the examination.

Teachers who use assault leave shall complete the assault leave as soon as possible. All cases of assault are to be investigated as thoroughly as possible. The teacher(s) shall cooperate fully with administration and law enforcement officers in the apprehension and prosecution of persons charged with assault.

In the event that the injury qualifies the employee for compensation under the provisions of the Workmen's Compensation Law, the Board will pay the difference between the individual's daily salary and the amount paid by Workmen's Compensation.

All assault leave shall be counted against the amount of FMLA leave the employee is entitled to receive under Article 20.

Employees shall use the KIOSK system to request use of assault leave. In the event the KIOSK system is (due to technical problems with the system) not available, an employee may use the form set forth in Addendum 3.

In the event one or more approved assault leave days occur on a calamity day, or is/are otherwise not actually used, it is the employee's responsibility to cancel their assault leave day(s) within five (5) work days of intended use; otherwise the employee will be charged as if the day(s) was/were actually used. (This five-day rule does not apply if the employee is unable to timely cancel his/her use of assault leave due to the employee being physically unable to complete it.

The Addendum 3 paper form, upon completion by the employee, must be submitted to the principal, who will submit them to the Treasurer.

E. Sick Leave Bank

In the event an employee has exhausted his/her accumulated sick leave and, upon notification by the Office of the Treasurer of the advance of five days from the District, the employee will, prior to actual use, contact TCNEA and request to use days from the Sick Leave Bank. Rules and Guidelines for the Sick Leave Bank

Individual teachers can request annually up to twenty (20) days of additional sick leave in five-day increments from the days of sick leave that have been deposited in the Sick Leave Bank. The Sick Leave Bank may accumulate donated days to a maximum of 120 days. In the event the TCN Executive Committee determines that additional days need to be requested from the staff in order

to replenish the Bank, each teacher that has an accumulated sick leave balance greater than sixty (60) days may contribute one of those days to the Bank, provided however that the total days in the Bank may not exceed the maximum of 120 donated days. All new hires, whose first day of reporting to work is during the month of August, must donate a day by September 30; if the first day to report to work is at any other time, the new employee must donate a day within thirty days of the first date of work. If the donations are not timely, it shall be deemed that the employee has declined participation. (See Addendum 9 for Authorization Form)

All use of the Sick Leave Bank must be due to catastrophic circumstances. Catastrophic situations are often life-threatening and definitely life-altering. In addition, in order to qualify as a "catastrophic", there must be a critical illness and/or injury to the teacher or a member of the teacher's immediate family (parent, brother, sister, spouse, child [natural, step, or adopted], parent-in-law, any blood relation regularly residing as a member of the teacher's household who stands in the same relationship as the aforementioned).

Application to receive days from the Sick Leave Bank shall be made to the TCN Executive Committee in writing, and must have attached the diagnosis and prognosis from a licensed physician attending the individual concerned. All information shared with the committee will be considered confidential in nature and will be treated as such by members of the TCN Executive Committee and the Superintendent. The teacher may apply for days in five (5) day increments. If additional days are requested, another application must be submitted.

No individual will be permitted to use more than sixty (60) days from the sick Leave Bank during his/her career with the District.

Days from the Sick Leave Bank are not intended to be, and may not be, used in lieu of, or to forestall, an application to the State Teachers Retirement System for Disability.

A teacher must present a doctor's excuse for each use of sick leave beyond five (5) days in a single year if, for each of the two preceding school years, such employee has used eight (8) or more days of sick leave for non-FMLA reasons.

During the beginning of the school year in which such a teacher will be subject to the doctor's excuse requirement, the administration and the employee shall meet, confer, and explore options for improving the teacher's attendance. As a result of the conference, the administration may require a written attendance improvement plan.

Upon such teacher's use of the fifth day sick leave the administration shall send written notice to the teacher that, for the remainder of the school year, the teacher must present a doctor's excuse for each subsequent use of sick leave. A teacher who fails to present the required doctor's excuse shall be subject to progressive discipline as follows:

- a. First Offense: Written Warning

During March, April, May, and June of each school year, not more than three (3) teachers per building may take such leave on the same day. If three (3) work days' notice is not given, or if more than three (3) teachers per building have already requested such leave on the same day in March, April, May, or June, then the teacher must provide a reason which meet one or more of the following criteria. In case of conflict, requests will be honored on a first come, first-serve basis. Exception to this three (3) member limitation may be made at the discretion of the Superintendent.

If a request is not made at least three (3) work days prior to the date of the leave, the teacher shall give telephone notice to the appropriate building principal and also contact the sub hotline.

If a leave request has been submitted to the Building Principal (or his/her secretary) not less than seven (7) work days prior to the intended use and the teacher does not hear to the contrary at the beginning of one (1) work day prior to the day requested of the leave, then the request will be deemed granted.

Personal/emergency leave days may be used in half-day increments.

The Superintendent shall make the final determination of any request for personal/emergency leave.

Employees shall use the KIOSK system to request use of personal leave. In the event the KIOSK system is (due to technical problems with the system) not available, an employee may use the form set forth in Addendum 3.

In the event one or more approved personal leave days occur on a calamity day, or is/are otherwise not actually used, it is the employee's responsibility to cancel their personal leave day(s) within five (5) work days of intended use; otherwise the employee will be charged as if the day(s) was/were actually used. ARTICLE 28 - GRIEVANCE PROCEDURE

A grievance is a complaint of an alleged violation, misinterpretation or misapplication of the negotiated Agreement entered into between the Board and the Association, setting forth the understanding of the parties upon those matters negotiated and agreed to.

A grievant may be an individual teacher or a group of teachers having the same or similar premise giving rise to the grievance, or the Association. Grievances filed by a group of teachers or filed by the association shall identify the teachers, and any relief granted or awarded shall be limited to those teachers named.

No grievance may be filed or maintained concerning a matter which is the subject of a charge with a state or federal agency or a complaint in a state or federal court, nor with respect to any provision of this Agreement which is expressly exempted from the grievance procedure, either in part or whole.

Any recommendation by the Superintendent, or action by the Board, to terminate, renew, or non-renew the contract of any teacher shall not be deemed a grievance and may not be processed as such.

Grievance Procedure:

- Step I.** The grievant shall present the grievance orally, and expressly identify it as a grievance, to his/her Building Principal in a face-to-face meeting within ten (10) days after the grievant has knowledge or should have knowledge of the facts which give rise to the grievance, but in no instance later than fifteen (15) days after the occurrence.
- Step II.** If the grievance is not resolved at and during the oral discussion, the grievant shall present his/her grievance in writing by fully completing the prescribed Grievance form I within seven (7) days after the discussion in Step I and submitting it to his/her Building Principal. The Principal will investigate the grievance, and the grievant may request a conference on the facts of the grievance.
- The request for conference will be noted on the form. Such conference will be held within seven (7) days and the grievant may be represented at such hearing by the Association. The Principal will reply, in writing, within seven (7) days following receipt of the grievance or conference, whichever is applicable.
- Step III.** If the answer of the Principal does not resolve the grievance, then the grievant may refer the grievance to the Superintendent or Designee by fully completing the prescribed Grievance Form II within seven (7) days after receipt of the reply in Step II. The grievant may request a conference on the facts of the grievance. The conference shall be held within seven (7) days and the grievant may be represented at such a conference by a person of his/her choice. The Superintendent or Designee will reply, in writing, within seven (7) days following receipt of the grievance or the grievance conference, whichever is applicable.

Step IV. Arbitration

If the Superintendent's or Designee's reply does not resolve the grievance, then the Association may demand arbitration by filing a demand for arbitration with the American Arbitration Association within fifteen (15) days of the receipt of the Step III response.

The demand for arbitration shall request that the American Arbitration Association provide the parties with a panel of at least seven (7) arbitrators experienced in public employment disputes from which the parties can select an arbitrator. The American Arbitration Association shall not have the authority to independently designate an arbitrator is selected. Each party shall strike those names unacceptable and return the list to the American Arbitration Association. Any arbitrator appearing on the list of acceptable arbitrators from both parties shall be designated as the assigned arbitrator.

The arbitrator shall review the grievance and submit his/her decision to the parties. Unless the decision exceeds the powers granted to the arbitrator in this Agreement or is otherwise contrary to law, the decision of the arbitrator shall be final and binding upon all parties. The arbitrator shall not have the power to add to, subtract from, or modify the terms of this Agreement and shall only have the authority to interpret the provisions of this Agreement as the same relate to the specific grievance appealed to arbitration. No arbitrator may issue an award which is contrary to the Board of Education's power to adopt budgets, establish funds, or allocate resources to funds pursuant to Chapter 5705 of the Ohio Revised Code.

In the event it is claimed by the Administration that any matter filed as a grievance is not a grievance within the meaning of this contract, or is otherwise not arbitrable, such dispute may be appealed to arbitration with the arbitrator having the authority only to rule on such arbitrability issues prior to convening a hearing on the merits of the dispute.

The Board and the Association shall equally share the fees and expenses of the arbitrator and any expenses incidental to the arbitration proceedings. Each, however, shall be responsible for any additional expense incurred, including fees and expenses of representatives.

Neither party will be permitted to assert in any arbitration proceeding any ground or to rely on any evidence that was not fully disclosed to the other party prior to the time the Superintendent (or his/her designee) issued the decision at Step III, unless such information could not reasonable be expected to have been known.

A party who offers such new information shall fully disclose the information to the other party at the earliest date the information becomes known.

Miscellaneous:

If the decision on a grievance is not appealed within the time limits specified at any level of the procedure, then the grievance will be deemed settled on the basis of the disposition at that Step and the teacher forfeits his/her right to continue to the next Step.

If the Administration does not abide by the specified time limit, the teacher filing the grievance may proceed to the next step of the grievance procedure.

Grievances and all related correspondence and documentation will be retained separately from a grievant's personnel file. Only notations regarding a grievance settlement which requires a change to an entry or record in a personnel file may be attached to that item in the file.

No censure or other adverse action will be taken against any grievant or administrator participating in this grievance procedure.

Time limits specified herein may be altered by mutual agreement of the parties in writing.

An employee who does not personally appear and testify before the Board (when the Board imposes discipline) shall forfeit the right to appeal such discipline. If discipline is imposed by an administrator, the employee must personally appear and testify before that administrator in order to be able to appeal such discipline.

For arbitration hearings, not more than four (4) employees (whether grievant, grievant's representative, or witnesses subpoenaed by the grievant or the grievant's representative) shall be excused from work without loss of pay, benefits, or privileges.

An employee may be represented at any stage of the grievance procedure by an Association representative. Only the Association shall have the right to appeal a grievance to arbitration.

ARTICLE 40 - LOCAL PROFESSIONAL DEVELOPMENT COMMITTEE

The parties agree as follows:

The Tri-County North LPDC (TCN/LPDC) shall review and approve individual Professional Development Plan (IPDP) proposals by teachers and administrators based on the format and program established by the TCN/LPDC and the Preble County Consortium of Schools LPDC (PCCSLPDC), in accordance with O.R.C. 3319.22 and the Department of Education Regulations 3301-24-08. Each educator who desires to fulfill the license renewal is responsible for the design of an IPDP, subject to approval of the TCN/LPDC. The plan shall be based on the needs of the educator, the students, the school, and the District. The TCN/LPDC shall not have any authority to make any decision requiring the expenditures of the Board funds without express prior approval of the Board of Education.

A. TCN/LPDC Membership

The TCN/LPDC shall be comprised of five (5) members. Three (3) members shall be teachers and two (2) will be from the administrative team. Initial appointments shall be made prior to September 1, 1998. When the committee is considering the plan of an administrator, treasurer, or other school business official, the number of teacher committee members will be reduced by two (2). The members of the committee, who are teachers, will determine which two members will temporarily leave the committee. If the administrator who submits a plan is a member of the TCN/LPDC, he/she will be replaced for the purposes of considering his/her plan only, by an administrator to be named by the Superintendent.

B. Appointment, Terms, Stipend

The three (3) teacher members shall be appointed as per the TCNEA Constitution and By-Laws. The administrative team members will be appointed by the Superintendent. The LPDC teacher members will serve rotating terms as per the TCNEA Constitution and By-Laws. The administrative members will also serve rotating terms.

Members of the LPDC shall elect a Chairperson from the teacher members at the first meeting of the LPDC. Additionally, the LPDC will determine its operating procedures and meeting schedule by consensus. The number of meetings shall be held so to keep District costs at a minimum. Where consensus is not possible, a vote of a simple majority of the members present will be required. A quorum shall be three of the five committee members to conduct LPDC business. A minimum of two teachers and one administrator shall constitute a quorum for taking action on a

classroom teacher's IPDP. Two administrators and one teacher shall constitute a quorum for taking on an administrator's IPDP. The Board shall be responsible for clerical and record keeping service for the TCN/LPDC.

D. Appeals

Either party may request a written explanation of the decision of the TCN/LPDC and may appeal the decision to the Preble County Consortium LPDC. If the State Department established a second level of appeals at the State level, either party may appeal to that level. The approval or disapproval of an IPDP plan is not subject to the grievance procedure in the Negotiated Agreement.

E. Relationship To and Role of Preble County Consortium of Schools Local Professional Development Committee

1. The Preble County Consortium of Schools Local Professional Development Committee (PCCSLPDC) will develop the format for individual Professional Development Plan (IPDP) proposals, facilitate the training needs of TCN/LPDC members, coordinate county-wide in-service activities, help provide information for county-wide program decisions, establish a county-wide Entry-Year Program, maintain a Mentor Program, and serve as the appeals board when an educator's IPDP is not approved by the TCN/LPDC.
2. Teacher members of the PCCSLPC from the Tri-County North Local School District will be appointed in accordance with the Constitution and By-Laws of the Association.
3. Compensation for all Tri-County members of the PCCSLPDC shall use release time as needed, with approval of the Superintendent. Compensation for meeting of the PCCSLPDC outside the school day shall be paid \$17.50 per hour. Release time and compensation shall become effective July 1, 1998.

1. The stipend listed shall be paid if the position is filled. The listing of a position does not guarantee that the position will be filled. In the event the minimum number to constitute a team (as established by the Superintendent) is not met as of the first game/event of the season, the supplemental contract shall be deemed suspended. The employee shall be paid prorata according to the calendars days completed out of the total days scheduled.

2. Written verification of job completion shall be given by the person under contract to his/her supervisor who shall promptly forward proper verification to the Treasurer. The supplemental evaluation shall be completed at this time.
3. If a position is shared, the salary shall be divided by mutual agreement.
4. Pilot program plans including objectives, schedule, and plan of activities may be submitted to the Board of Education after input from the TCNEA. Any disagreement by the TCNEA shall be included in the submission to the Board. Salary for programs beyond the regular school day will be set by the Board of Education. Upon completion of the program and the submittal of a written evaluation, a decision by the Board will be made regarding the continuation of the program. If continued, a salary established by negotiations with the Association will be added to the Supplemental Salary Schedule in the appropriate area.
5. Salary for a person holding two athletic positions in the same season shall be a total of the greater salary and one-half the lesser salary.
