The bargaining unit shall include all full-time and part-time certificated employees employed fifty percent (50%) or more of the work week or those on reduction in force suspension with recall rights; by way of example, only bargaining unit members would include classroom teachers (K-12, special, vocational, guidance counselors, librarians, nurses, and Title I teachers). Hereinafter, employees in the defined unit will be referred to as employee or bargaining unit members. Excluded from the bargaining unit shall be the Superintendent, Assistant Superintendent, the Treasurer, assistant treasurers, principals, assistant principals, athletic director, all substitutes, educational aides, all non-certificated personnel and all supervisory, management level, and confidential employees as defined in ORC 4117.01 (F), (J), and (K) and 3319.02.

1.02 Recognition of the Board

The Association recognizes the Board as the legally constituted and elected body charged with the authority for operation and the establishment of policies in the Beaver Local Schools and as the employer of all certificated personnel therein.

1.03 Recognition of the Superintendent

The Association and the Board recognizes the Superintendent as the chief executive officer of the school district.

1.04 Bargaining Unit Work

All work currently performed by bargaining unit members shall be deemed bargaining unit work.

ARTICLE II — CONTRACT NEGOTIATING PROCESS AND PROCEDURES

2.01 Directing Requests

Requests for negotiations shall be made by either the Association or the Board by notifying the other party in writing of the intent to bargain with a copy of the notice and existing agreement sent to SERB. The notice to negotiate must be filed at least ninety (90) days prior to the expiration of the current agreement.

2.02 Negotiation Meetings

An agreement will be reached by the Board and representatives of the Association within five (5) days of the request as to the time and place of the meeting which shall be held within thirty (30) days after the request has been submitted, unless

both parties agree to an extension of time. Meetings shall be scheduled with the least interruption of school schedules; however, if mutually agreed upon, Association members of the team may be released from school duties without loss of pay to attend meetings.

Negotiation meetings shall be in executive session, and shall not exceed three (3) hours in length, unless extended by mutual agreement. On the occasion of the initial negotiating session, the parties shall exchange their respective written proposals. Additional or new items shall not be submitted by either party unless mutually agreed upon. Upon the adjournment of each negotiating session, the agenda, time, and place for the next session shall be established.

2.03 Representation

Representative members of the Board of their designees shall meet with representatives of the Association to negotiate in good faith. Representation shall be limited to five (5) representatives each of the Board and the Association. Alternate representation may be used by either side due to an emergency situation. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives from within or outside of the school district. While no final agreement shall be executed without ratification by the Association and approval by the school board, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, make concessions in the course of negotiations, and to develop an agreement which may be recommended to their respective memberships.

2.04 Progress Reports and Tape Recordings

- A. Periodic written progress reports may be issued to the public during negotiations or impasse, provided that any such release shall have the prior approval of both parties.
- B. No tape recorder or mechanical recording devices shall be permitted in any negotiating session.

2.05 Information

Upon reasonable advance request and at no cost to the requesting party, the parties agree to exchange and furnish to one another a copy of all specifically requested materials, resources, or information being used or relied upon said party in the process of negotiations, in its routinely prepared format.

2.06 While Negotiations Are In Progress

A. Matters Subject to Negotiations

1. Matters subject to negotiations shall be wages, hours, and terms and conditions of employment, together with the continuation, modification or deletion of any provisions of the existing agreement.

B. Recesses

1. The chairman of either group may recess his/her group for any independent caucus at any time. Caucuses shall be of reasonable length.

C. Item Agreement

1. As negotiation items receive tentative agreement they shall be reduced to writing and initialed by each party. The initials indicate a tentative agreement has been reached by the respective parties. Once a tentative agreement is reached, no further discussion shall take place on that issue except by mutual agreement.

D. Closing and Processing of Agreement

1. When the respective teams reach or conclude a tentative agreement on all matters before them in negotiations, that tentative agreement shall be reduced to writing, initialed by a representative of both negotiations teams, and submitted for consideration to their respective memberships. Upon adoption and approval, by both parties, three originals shall be fully signed and executed, with one such original to be retained by the Board, one by the Association, and one to the State Employment Relations Board.

2.07 Impasse and Mediation

Upon declaration of impasse, either party may request mediation from the Federal Mediation and Conciliation Service. The assigned mediator shall seek to promote and/or develop an agreement between the parties, and shall have all the necessary authority to call and schedule meetings between the parties for such purpose. Any and all costs and/or expenses charged by the Federal Mediation and Conciliation Services for its services, if any, shall be shared equally by the parties. This procedure represents the parties mutually agreed upon dispute settlement procedure and supersedes the procedure contained in ORC 4117.14.

In the event that the assistance of mediation is unsuccessful in developing an accordence between the parties and producing an agreement, and should an agreement not be reached within ten (10) days of the expiration of the existing agreement, the Association then reserves the right to proceed in accordance with the terms and provisions of Section 4117.14 (D) (2) of the Ohio Revised Code.
