Part-time employees shall accrue seniority pro-rated against the minimal full-time standards as set forth above.

2. Equal Seniority

A tie in seniority shall occur when two (2) or more employees have the same amount of seniority credit as determined by the application of the seniority provisions above.

Ties in seniority shall be broken by the following method to determine the most senior employee:

The employee with the earliest date of hire as determined by the date of the Board meeting at which the staff member was hired, and then the date the staff member signed his/her initial contract in the district and then;

Giving preference to teachers with the greatest, if any, prior bargaining unit service in the district; and then;

If a tie still remains;

By lottery, with the most senior being designated as the employee whose name is drawn first, etc. The procedure shall be implemented in the presence of a designated association representative.

3. Super-Seniority

For layoff purposes only, employees employed under continuing contract shall have greater seniority than employees employed under limited contract.

4. Loss of Seniority

Seniority shall be lost when an employee retires or resigns, is discharged for cause, or otherwise leaves the employment of the Employer.

5. Posting of Seniority List

In addition to the posting provisions required under the reduction in staff provisions, the seniority list shall be provided annually to the Marion Local Education Association President by October 29 of each work year.

F. Complaints Against Teachers

Procedure

Level 2 - Superintendent

If efforts to resolve the complaint do not lead to understanding or resolution of the problem at the Level one, the complaint shall then be submitted to the superintendent.

Level 3 - Board of Education

If efforts to resolve the complaint do not lead to understanding or resolution of the problem at Level 2, it may be submitted to the Board of Education. Such meeting may be held in executive session of the Board.

General Provisions

Pursuant to this procedure, the employee shall be notified and/or invited to any meeting where the complainant has indicated that they have secured professional representation of his/her interests. In the event the complainant has secured counsel, the employee may have up to five (5) days to obtain representation before such meeting takes place.

Conference regarding such complaints shall be private. The employee may be accompanied by representative(s) of their choosing.

Any material placed in the teacher's folder must meet the conditions of Article III of Professional Personnel Files.

G. Family and Medical Leave Act

Bargaining unit members shall be entitled to a leave of absence under the Family and Medical Leave Act of 1993. The School District shall grant such leave in accordance with the rules promulgated under that act. Any contractual unpaid leave may be granted upon request at the expiration of those granted under the Family and Medical Leave Act. Return from any unpaid leave shall be under the same terms as those provided for under the Family and Medical Leave Act. The rights provided under the Family and Medical Leave Act are stated within Board policy.

For the purposes of determining eligibility, the employee's contract date shall be the anniversary date.

H. Instructional and Extra-Curricular Load (Class Size)

Insofar as possible, the teaching load shall be distributed evenly among the staff. Teachers will be notified of schedule and class size 25 days prior to the beginning of school.

Mutual concerns involving, but not limited to, staffing, special education inclusion, discipline, and scheduling shall be discussed through the Professional Management Council (Terms of Agreement).

Selections for extra-curricular supervisors, which are non-athletic related positions, will be handled by the Local Superintendent and Principal with the agreement of the Board of Education. The extra duty pay scale would apply.

Principals will notify personnel when they are to be involved with extra duties prior to the beginning of the school year.

I. Contracts-Limited

1. Contract Sequence

All full-time teachers who are appointed for the first time will be appointed to a one-year contract. After completing a two-year limited contract, a teacher may be rendered a three-year limited contract.

Part-time teachers shall be eligible for one-year limited contracts upon initial appointment. After serving an initial one-year limited contract, part-time teachers may be rendered another one-year limited contract. Part-time teachers shall be defined as those individuals who work $\frac{3}{4}$ or less time.

2. **Non-Renewal Procedure**

- a. If a teacher's performance is questionable, he shall be notified in writing by the principal prior to February 1 in the year his/her contract is to expire. A conference or conferences will be scheduled and the teacher will be given an opportunity to correct the condition. The teacher shall have the right to representation at the above-mentioned conferences(s).
- b. The teacher must be notified in writing, at least 10 days prior to the April board meeting, that the principal will recommend non-renewal of the teacher's contract.

J. **Contracts-Continuing**

1. Any teacher employed by the Board who will become eligible for a continuing contract for the succeeding year, and/or expiration of the current limited contract,

shall provide written notice to the Superintendent that the teacher is eligible for a continuing contract after the beginning of the school year but no later than January 15 of the school year in which their current limited contract with the Board shall expire. This notification must include written documentation supporting the teacher's claim for continuing contract. It is the teacher's responsibility to maintain and track all documents necessary to be approved for continuing contract. A teacher may withdraw his/her request for a continuing contract at any time prior to Board action.

2. Failure to notify the Superintendent by January 15 shall be a waiver of the teacher's eligibility for the continuing contract for the following school year. If the teacher fails to notify the Board and the teacher is reemployed, he/she may be given a one (1) year limited contract for the following school year rather than a continuing contract. To be eligible for a continuing contract for the following year, the teacher must follow the timelines established in Paragraph one (1) above.
3. If a teacher reaches eligibility during the term of a multi-year limited contract, the teacher may still notify the Board of his/her eligibility and the Board may grant the teacher a continuing contract.
4. A teacher becomes eligible upon satisfaction of one of the following:
 1. Teacher has been employed by the board for a period of two (2) years and the teacher has previously attained continuing contract status in another Ohio public school district.
 2. Teacher has been employed in the school district three (3) of the last five (5) years and has a professional certificate.

 4. Upon receiving the notice from a teacher that he/she is eligible for continuing contract and after having completed the evaluations of the teacher as required by Article III, M, if the Board believes that the teacher is in need of further professional development, the Superintendent may recommend the issuance of a one (1) year extended limited contract to the teacher. If the Superintendent intends to recommend an extended limited

contract, the Superintendent must advise the teacher, in writing, of the reasons for this recommendation and shall meet with the teacher upon the teacher's request.

5. A teacher may withdraw this request any time prior to Board action on his/her request.
6. The provisions of this Section are intended to, and shall supersede and replace any conflicting provisions of Ohio Revised code Section 3319.07, 3319.11, 3319.111, 3319.22, Chapter 3301-24 of the Ohio Administrative Code and any and all other provisions of the Ohio Revised Code or Ohio Administrative Code governing the issuance and granting of continuing contracts.

M. Teacher Evaluation

3220 - STANDARDS-BASED TEACHER EVALUATION

The Board of Education is responsible for a standards-based teacher evaluation policy which conforms to the framework for evaluation of teachers as approved by the State Board of Education and aligns with the "Standards for the Teaching Profession" as set forth in State law.

The Board adopts the Ohio Teacher Evaluation System ("OTES") model as approved by the State Board of Education.

The Board believes in the importance of ongoing assessment and meaningful feedback as a powerful vehicle to support improved teaching performance and student growth, as well as promotion and retention decisions for teachers.

This policy shall be implemented as set forth herein and shall be included in the collective bargaining agreement with the MLEA, and in all extensions and renewals thereof.

This policy has been developed in consultation with teachers employed by the Board.

The Board authorizes the Superintendent to establish and maintain an ongoing Evaluation Policy Consultation committee, with continuing participation by District teachers represented by the MLEA, for the express purpose of recommending necessary changes to the Board for the appropriate revision of this policy.

Definitions

"OTES" - stands for the Ohio Teacher Evaluation System as adopted by the Ohio State Board of Education in 2011, or as otherwise modified by the State Board of Education.

"Teacher" – For purposes of this policy, "teacher" means licensed instructors who spend at least fifty percent (50%) of his/her time providing content-related student instruction and who is working under one of the following:

- A. A license issued under R.C. 3319.22, 3319.26, 3319.222 or 3319.226; or
- B. A permanent certificate issued under R.C. 3319.222 as it existed prior to September, 2003; or
- C. A permanent certificate issued under R.C. 3319.222 as it existed prior to September, 2006; or
- D. A permit issued under R.C. 3319.301.

Substitute teachers and teachers not meeting this definition are not subject to evaluation under this policy. Full time bargaining unit members who do not meet the definition will be evaluated utilizing the evaluation procedures of the collective bargaining agreement in effect between the Board and the MLEA.

The Superintendent, Treasurer, and any "other administrator" as defined by R.C. 3319.02 are not subject to evaluation under this policy.

"Credentialed Evaluator" - For purposes of this policy, each teacher subject to evaluation will be evaluated by a person who:

- A. meets the eligibility requirements under R.C. 3319.111(D); and
- B. holds a credential established by the Ohio Department of Education for

- teacher evaluation; and
- C. has completed State-sponsored evaluation training and has passed an online credentialing assessment.
 - D. in evaluation teacher's performance, will not make judgments, or otherwise discriminate, on the basis of an employee's age, gender, identification, race ethnicity, national origin, religion, sexual orientation, marital status, disability, union membership, or union activism.

The Board shall authorize the Superintendent/designee to approve and maintain a list of credentialed evaluators as necessary to effectively implement this policy.

"Core Subject Area" – means reading and English language arts, mathematics, science, foreign language, government, economics, fine arts, history and geography.

"Student Growth" – for the purpose of the District's evaluation policy, student growth is defined as the change in student achievement for an individual student between two (2) or more points in time.

"Student Learning Objectives" ("SLOs") - include goals identified by a teacher or group of teachers that identify expected learning outcomes or growth targets for a group of students over a period of time.

"Shared Attribution Measures" – student growth measures that can be attributed to a group.

"Value-Added" – refers to the EVAAS Value-Added methodology provided by SAS, Inc., which provides a measure of student progress at the District and school level based on each student's scores on State issued standardized assessments.

"Vendor Assessment" – student assessments approved by the Ohio Department of Education that measure mastery of the course content for the appropriate grade level, which may include nationally normed standardized assessments, industry certification exams, or end-of-course examinations for grade level and subjects for which the Value-Added measure does not apply.

Notification

Not later than September 15 of each year, each teacher will have received a copy of the evaluation procedures located in their teacher handbook.

Evaluation Training

In the event that the OTES evaluation process changes, all staff will be notified of the changes by the administration.

Standards Based Teacher Evaluation

Teacher evaluations will utilize multiple factors, with the intent of providing meaningful feedback to each teacher and assigning an effectiveness rating based in equal part upon teacher performance and student growth.

Each teacher evaluation will result in an effectiveness rating of:

- A. accomplished;
- B. skilled;
- C. developing; or
- D. ineffective

The specific standards and criteria for distinguishing between these ratings/levels of performance shall be the same as those developed by the State Board of Education, which are incorporated herein by reference.

The Superintendent shall annually cause to be filed a report to the Department of Education the number of teachers for whom an evaluation was conducted as well as the number of teachers assigned each rating as set forth above, aggregated by teacher preparation programs from which and the years in which the teachers graduated.

Fifty percent (50%) of each evaluation will be based upon teacher performance and fifty percent (50%) on multiple measures of student growth as set forth herein.

Assessment of Teacher Performance

Teacher performance will be evaluated during formal observations and periodic informal observations also known as "classroom walkthroughs." Such performance, which will comprise fifty-percent (50%) of a teacher's effectiveness rating, will be assessed through a holistic process by trained and credentialed evaluators based upon the following *Ohio Standards for the Teaching Profession*:

- A. understanding student learning and development and respecting the diversity of the students they teach;
- B. understanding the content area for which they have instructional responsibility;
- C. understanding and using varied assessment to inform instruction, evaluate and ensure student learning;
- D. planning and delivering effective instruction that advances individual student learning;
- E. creating learning environments that promote high levels of learning and student achievement;
- F. collaborating and communicating with students, parents, other educators, District administrators and the community to support student learning; and
- G. assuming responsibility for professional growth, performance and involvement.

Formal Observation and Classroom Walkthrough Sequence

- A. All instructors who meet the definition of "teacher" under R.C. 3319.111 and this policy shall be evaluated based on at least **two (2)** formal observations at a minimum of 30 minutes for each observation and periodic classroom walkthroughs **each school year**.
- B. Teachers on a limited contract who are under consideration for renewal/nonrenewal shall receive at least **three (3)** formal observations in addition to periodic classroom walkthroughs unless the Superintendent waives the third observation.
- C. A teacher who has been granted a continuing contract by the Board and who receives a rating of "Accomplished" on his/her most recent evaluation shall be formally evaluated once every three (3) years.

- D. A teacher who has been granted a continuing contract by the Board who receives a rating of "Skilled" on his/her most recent evaluation shall be formally evaluated once every two (2) years.

- E. A teacher who receives a "Developing" or "Ineffective" rating shall be formally evaluated each year.

- F. Teachers who are not being formally evaluated because they possess a continuing contract and have received a rating of either "Accomplished" or "Skilled" shall be required to have at least once "off-cycle" observation each year.

- G. Walk-throughs may still take place for teachers during off-cycle evaluation years in which the teacher will not be formally evaluated.

Observations will not be held before September 1st and evaluations will be completed by May 1st and each teacher will be provided a written report of the results of his/her evaluation by May 10th. Written notice of nonrenewal will be provided by June 1st.

In evaluating teacher performance in these areas, the Board shall utilize the measures set forth by the Ohio Department of Education's OTES "Teacher Performance Evaluation Rubric" for instructional planning, instruction and assessment, and professionalism, set forth herein in the Appendix.

Formal Observation Procedure

- A. The first formal observation shall be preceded by a conference between the evaluator and the employee prior to the observation in order for the employee to explain plans and objectives for the classroom situation to be observed. The second observation will be unannounced.

- B. A post-observation conference shall be held after each formal observation within 10 school days after each formal observation. This could be a written document or conversation at the administrators' discretion.

Informal Observation/Classroom Walkthrough Procedure

- A. Classroom walkthroughs shall not unreasonably disrupt and/or interrupt the learning environment.

- B. Data gathered from the walkthrough must be placed on the form designated in Teacher Evaluation Form.
- C. A final debriefing and completed form must be shared with the employee within a reasonable amount of time.

Assessment of Student Growth

In determining student growth measures, the Board adopts the Ohio Department of Education's Ohio Teacher Evaluation System (OTES), which calculates student growth by assessing achievement for an individual student occurring between two (2) points in time. It is important to note that a student who has sixty (60) or more unexcused absences for the school year will not be included in the determination of student academic growth.

In general, the Board will utilize the following categories to determine this aspect of a teacher's evaluation, depending upon the instructor involved:

- A1. Teachers instructing in value-added subjects exclusively¹;
- A2. Teachers instructing in value-added courses, but not exclusively²

OR

- B. Teachers instructing in areas with Ohio Department of Education approved vendor assessments with teacher-level data available; or
- C. Teachers instructing in areas where no teacher-level value-added or approved vendor assessment available.³

¹ If a teacher's schedule is comprised only of courses or subjects for which the value-added progress dimension is available, until June 30, 2014, the majority (i.e., greater than twenty-five (25%) of the student growth factor of the evaluation will be based upon the value-added progress as determined for each such teacher. After July 1, 2014, the entire student academic growth factor of the evaluation (i.e. fifty percent (50%) shall be based on the value-added progress dimension.

² For these teachers, value added will be used for the student academic growth factor in proportion to the part of a teacher's schedule of courses or subjects for which the value-added progress dimension is applicable. Teachers with multiple subjects that have value-added data will be issued reports for a composite of reading and math; for other assessments (approved vendor and local measures), the assessment data measures should be representative of the teacher's schedule.

³ If used, only one (1) "shared attribution" measure can be utilized per instructor.

Where value-added methodologies exist for A1 and A2 teachers, the Board will utilize them in the evaluation process, to the extent set forth in the Appendix of the "District Student Growth Measurement Index." Teachers instructing in value-added courses, but not exclusively, will utilize teacher value-added and locally determined measures proportionate to the teacher's schedule.

When an approved Ohio Department of Education vendor assessment is utilized in the measurement of student growth, it will be included in the evaluation process for B teachers to the extent set forth in the Appendix of the "District Student Growth Measurement Index."

When neither teacher-level value-added data nor Ohio Department of Education-approved assessments are available, the District shall use locally-determined Student Growth Measures for C teachers as set forth in the Appendix of the "District Student Growth Measurement Index." Student Growth Measures may be comprised of SLOs, shared attribution, and/or non-Value-Added vendor data.

An SLO must be based upon the following criteria: Baseline and Trend Data, Student Population, Interval of Instruction, Standards and Content, Assessment(s), Growth Targets, and Rationale for Growth Targets. When new SLO's are developed or revised, the process will include consultation with teachers employed by the Board. The Board's process for creating and revising SLO's is set forth in the Appendix of the "District OTES Student Growth Measures Manual."

Criteria for student growth measures (SGM)

A teacher on an approved leave of absence (30 consecutive work days) may modify the SGM expectation to the length of time they are in the classroom after consultation with their administrator.

Data from these approved measures of student growth will be scored on five (5) levels in accordance with the Ohio Department of Education/OTES guidance and converted to a score in one of three (3) levels of student growth:

- A. above;
- B. expected;
- C. below.

Final Evaluation Procedures

Each teacher's performance rating will be combined with the assessment of student growth measures to produce the summative evaluation rating, based upon the following "Evaluation Matrix":

Teacher Performance

	4	3	2	1
Above	Accomplished	Accomplished	Skilled	Developing
Student Growth Measure	Expected	Expected	Expected	Expected
Below	Developing	Developing	Ineffective	Ineffective

The evaluator shall provide that each evaluation is submitted to the teacher for his/her acknowledgement by written receipt. If signed, by the teacher, the receipt is to be sent to the Superintendent as soon as received.

Professional Growth Plans and Professional Improvement Plans

Based upon the results of the annual teacher evaluation as converted to the "Evaluation Matrix" above, each teacher must develop either a professional growth plan or professional improvement plan as follows:

- A. Teachers whose performance rating indicates above expected levels of student growth will develop a professional growth plan and may choose their credentialed evaluator from those available to the Board for that purpose, utilizing the components set forth in the "Teacher Evaluation Form."
- B. Teachers whose performance rating indicates expected levels of student growth will develop a professional growth plan collaboratively with his/her credentialed evaluator and will have input on his/her evaluator for the next evaluation cycle, utilizing the components set forth in the "Teacher Evaluation Form"

C. Teachers whose performance rating indicates below expected levels of student growth will develop a professional improvement plan with their credentialed evaluator. The administration will assign the evaluator for the subsequent evaluation cycle and approve the professional improvement plan, utilizing the components set forth in "Teacher Evaluation Form."

D. The teacher shall have the right to make a written response to the evaluation and have it attached to the evaluation report to be placed in the teacher personnel file. A copy signed by both parties shall be provided to the teacher.

Core Subject Teachers - Testing for Content Knowledge

Beginning with the 2015-2016 school year, core subject area teachers must register for and complete all written examinations of content knowledge selected by the Ohio Department of Education if the teacher has received an effectiveness rating of "Ineffective" on his/her annual evaluation for two (2) of the three (3) most recent school years.

If a teacher passes the examination set forth above and provides proof of that passage to the Board, the teacher will be required, at the teacher's expense, to complete professional development that is targeted to the deficiencies identified in the teacher's evaluations conducted under this policy.

The following may be grounds for termination of a teacher pursuant to R.C. 3319.16:

- A. failing to complete all required written examinations under this section;
- B. a failing score on a written examination(s) taken pursuant to this section;
- C. a rating of "ineffective" on the teacher's next evaluation after passing all written examinations pursuant to this section and after completion of the required professional development; or
- D. failure of a teacher to complete the required professional development.

Any teacher passing the examination set forth above will not be required to take the examination again for three (3) years, regardless of the teacher's evaluation ratings or the performance index score ranking of the building in which the teacher teaches.

No teacher shall be responsible for the cost of taking an examination set forth above.

Board Professional Development Plan

In accordance with the Ohio State Board of Education's statewide evaluation framework, the Board has adopted a specific plan for the allocation of financial resources to support the professional development of teachers covered by this policy. The plan will be reviewed annually.

Retention and Promotion Decisions/Removal of Poorly Performing Teachers

It is the purpose of this Standards-Based Teacher Evaluation Policy to improve the quality of instruction, enhance student learning and strengthen professional competence through meaningful feedback and targeted professional development. In addition, the evaluations produced will serve to inform the Board on employment decisions, i.e., retention, promotion of teachers, renewal of teaching contracts, and the removal/nonrenewal of poorly performing teachers.

Definitions:

"Retention" for purposes of this policy refers to employment decisions on the question of whether or not to suspend a contract pursuant to a reduction in force, non-renew a limited or extended limited contract, or terminate employment for good and just cause. In the case of a reduction in force, seniority will not be considered when making decisions on contract suspensions, except in the instance of comparable evaluations. The decision to non-renew or terminate the contract of a poorly performing teacher may be informed by the evaluation(s) conducted under this policy. However, decisions to non-renew or terminate a teaching contract are not limited by the existence of this policy.

"Promotion" as used in this context is of limited utility given the fact that teachers covered by this policy are not currently employed in any discernible hierarchy. Nevertheless, when making decisions relative to such matters as determining department or grade level chairpersons, selections to curricular or strategic planning bodies, or teaching assignments, the Board will consider teacher performance as indicated by evaluations.

"Poorly Performing Teachers" refers to teachers identified through the evaluation process set forth in this policy who demonstrate an inability and/or unwillingness to meet the reasonable expectations of this standards-based evaluation system.

"Comparable Evaluations"- Since seniority may not be the basis for teacher retention or other employment decisions, except when deciding between teachers who have comparable evaluations, this refers to teachers within the categories of "Ineffective," "Developing," "Proficient," and "Accomplished."

Removal of Poorly Performing Teachers- Poorly performing teachers may be removed, upon recommendation of the Superintendent, either through nonrenewal or termination, when the following has been demonstrated:

- A. failure of a core subject area teacher required to take a written examination to pass such examination;
- B. failure of core subject area teacher required to take a written examination to complete required professional development;
- C. failure of core subject area teacher to complete all required written examinations;
- D. receipt of an "Ineffective" rating by a core subject area teacher in the evaluation following passage of a written examination and completion of required professional development.

Removal of poorly performing teachers will be in accordance with the nonrenewal and termination statutes of the Ohio revised code and/or the relevant provisions of the collective bargaining agreement in effect between the Board and the M.E.A.

Nothing in this policy will be deemed to prevent the Board from exercising its rights to non-renew, terminate, or suspend a teaching contract as provided by law and the terms of the collective bargaining agreement in effect between it and the MLEA. The evaluation system and procedures set forth in this policy shall not create an expectation of continued employment for teachers on a limited contract that are evaluated under this policy. The Board reserves the right to non-renew a teacher evaluated under this policy in accordance with R.C. 3319.11 notwithstanding the teacher's summative rating.

Student Learning Objectives Committee (SLO Committee)

A. Operational Procedures

1. The SLO committee will receive a substitute teacher or \$23 an hour to perform committee task for any work contracted outside of the school day.

B. Schedule for Student Growth Measures

1. When utilizing vendor assessments as one of the student growth measures, all related materials shall be purchased by the Board, and all affected staff shall be trained on utilization and other considerations prior to the start of the school year or mutually agreed upon date.
2. When utilizing SLO's as one of the SGM's, the teacher shall submit the SLO by August 31st and pre-assessment data by September 30th to the SLO committee for approval.
3. The SLO committee must review and return all submitted SLO's by September 15th.

4. Any un-approved SLO must be returned to the SLO committee for final approval within ten school days of receipt.
5. Any un-approved SLO must be returned to the committee for approval must be returned to the teacher no later than ten school days after receipt.
6. Teachers must submit all SLO post-test results to his/her evaluator by April 15th.

N. Identification of Deficiencies

An employee who has been determined to be deficient in certain respects shall have such deficiencies noted in the formal evaluation. Appropriate remediation will be planned between the employee and the immediate supervisor in order to allow the employee an opportunity to correct such deficiencies.

O. Attendance at Professional Meetings

Teachers may be authorized to attend an educational meeting with permission granted by the Board of Education. Professional leave funds provide for transportation as well as lodging and registration fee reimbursement for meetings, and meals (provided the meals are not part of the registration fee), up to the limit set by Board policy. If limitations on choice of lodging exist at the place of the professional meeting, the Board may authorize reimbursement beyond the set limit.

Authorization may be granted by the Board of Education. Interested teachers shall apply to the local superintendent stating the nature of the meeting, the dates, and the probable cost. Such application should be made before the scheduled Board of Education meeting prior to the professional meeting for which leave is requested. The Board of Education will approve pre-payment on the Professional Leave Request forms. The issuance of Continuing Education Units (CEU's) will not affect either the granting of or the reimbursement for professional leave.

Out-of-state conferences may have different limitations and reimbursement procedures.

P. Membership in Professional Organization

Deductions for professional dues will begin with the seventh (7th) pay of the school year and continue for the remaining pays of that school year. All information concerning these deductions must be presented to the Treasurer prior to November 1.

Afternoon bus duty, if necessary, shall be offered as a supplemental contract. The positions should be posted prior to the beginning of the school year. If no bargaining unit member applies, the building principal may recommend the employment of non-certified individuals.

R. Teacher Day

Unless an emergency exists, building staff meetings shall be held no more than once a month, shall be limited to a maximum of thirty (30) minutes in length, and shall be preceded by at least twenty-four (24) hours advance notice. This restriction does not include curriculum meetings, nor any meeting at which attendance is voluntary, nor meetings during orientation day.

Teachers are to be in their rooms by that 8:10 a.m. Exceptions to the teacher school day shall be those included in the Master Contract Agreement, and requested release time during the school day upon approval by the building administrator.

9-12 Teachers: Attendance at the graduation ceremony will allow teachers to be dismissed early on teacher record day at 1:00 p.m. If graduation is not attended, a teacher is required to work the normal contractual hours.

K-8 Teachers: Attendance at the spring open house will allow teachers to be dismissed early on teacher record day at 1:00 p.m. If open house is not attended, a teacher is required to work the normal contractual hours.

Teachers shared between buildings will consult with building principal.

S. Parent Teacher Conferences

For grades K-4 parent-teacher conferences will consist of the equivalent of two days, and for grades 5-12 parent-teacher conferences will be the equivalent of one day. Times of conferences and scheduled work time will remain as in the previous year unless jointly agreed upon by the association and the administration. Deviations from these times may be made between the building principal and the teacher on an individual basis. Parent-teacher conferences will consist of fifteen (15) minute time blocks which may be doubled by the teacher for individual situations. K-3 teachers are expected to schedule conferences with all their students' parents/guardians. K-3 teachers will coordinate with the principal actual conference times prior to conferences.

T. Retiree Rehires

Any bargaining unit member who retires under STRS and subsequently is reemployed in the district may be hired at a rate of pay different from his or her years of service as specified in the salary index contained in this agreement. The rate shall be no less than 5 years of service and the retired member shall be placed at the appropriate academic training

level. While employed by the district subsequent to retirement, such member who is interested in obtaining health care benefits must opt for the health care benefits at no cost to the board. Such retired member is not eligible to receive a severance payment upon leaving employment with the district. The provision of the agreement and such salary and contract, will not be grievable under the grievance procedures of this agreement nor through any claim or action filed before the State Employment Relations Board (SERB) or any court of law. Reemployed-retired teacher is excluded from receiving the health insurance opt out provision that pays an employee for not participating in the district's health plan. All of the terms and conditions of employment set forth in the preceding paragraphs shall supersede and replace any sections of the Ohio Revised Code with which they are in conflict, including, but not limited to, Sections 3313.202, 3319.07, 3319.08, 3319.11, 3319.111, 3319.141, 3319.22, 3319.17, Chapter 3307, Chapter 3317 of the Ohio Revised Code and Chapter 3301-24 of the Ohio Administrative Code.

ARTICLE IV LEAVES OF ABSENCE

1. Each full-time teacher employed by the Board of Education shall be entitled to sick leave of one and one-fourth (1-1/4) days per month of service (15 days per year); such sick leave shall accumulate to a maximum of 225 days. New first-year teachers in the state of Ohio are entitled to a 15-day sick leave bank providing the teacher accumulates that much sick leave during the contract year. The treasurer will list at least twice per year on or with the paychecks the total number of sick leave days accumulated for the individual teaching employee.
2. Accumulated sick leave shall be available to a school employee for absence due to personal illness, injury, pregnancy, exposure to a contagious disease, and for illness or death in the employee's immediate family. Immediate family is defined as employee's spouse, child, parents and spouse's parents, siblings and spouse's siblings, daughter-in-law, son-in-law, grandchildren or member of employee's immediate household (as established by permanent residence).
3. The employee must furnish a written, signed statement on forms prescribed by the Board of Education after the use of sick leave. If medical attention is required, the employee's statement must list the name and address of the attending physician and the dates when the physician was consulted.
4. For extended illness or injury to the employee which required extended doctor's care and/or hospitalization for a period of more than five consecutive days, a doctor's statement of release for duty must be submitted to the principal/superintendent prior to resuming duty.

5. A maximum of five (5) days of sick leave may be granted because of the death of the following relatives (including in-laws): brother or sister, grandchild, or any other person (not renters) residing within the immediate household.

9. Two days of paid absence will be allowed to a father at the time of birth of a child.
10. An employee may use one sick leave day per year for the death of a close personal friend. If additional time for the one day funeral is needed, or if requests are made to attend the funeral(s) of another friend, then permission must be granted by the superintendent.

Catastrophic Sick Leave Bank

The Marion Local Board of Education shall establish a Catastrophic Sick Leave Bank based on donated "sick leave" for an employee having exhausted all accumulated paid leave, vacation, and personal days as a result of a catastrophic illness or injury. Loans from the bank are limited to the employee or immediate family members as defined in Article IV, Section A, Paragraph 2. Each employee may contribute one day of his or her accumulated sick leave to the Sick Leave Bank during the enrollment period. The Sick Leave Bank Committee as deemed necessary may establish additional open enrollment periods. Only contributors can draw from the bank.

The term "catastrophic illness or injury" shall include only those illnesses or injuries which are calamitous in nature constituting a great misfortune. The "catastrophic illness or injury" must be an unusual, extraordinary, sudden or unexpected manifestation of the forces of nature which cannot be prevented by human care, skill, or foresight (such as cancer, stroke, heart attack, or major surgery).

An affected employee may request through the Association that additional days be transferred to them from the catastrophic Sick Leave Bank. Application must be submitted to the Sick Leave Bank Committee (three employees chosen by the MLEA and three representatives for the Board of Education). Applications will include, but not be limited to, the following information:

1. The nature of the claimed catastrophic illness or injury.
2. Physician(s) diagnosis and prognosis of the catastrophic illness or injury.
3. Projected date of return to duty.

4. Explanation of previous leave usage.

The committee's decision is final and non-grievable.

2. Members of the bargaining unit may withdraw from participation at any time, but the days they have donated are not refundable to them.
3. The maximum number of days that the Sick Leave Bank Committee will grant is 20 days at the end of the enrollment period. Additional days may be granted at the discretion of the Sick Leave Bank Committee upon reapplication.
4. The member who borrows days will pay back days at the rate of 50% of his/her annual accumulated sick leave at the end of the salary contract year, each year until the total number of days borrowed has been restored to the bank.
5. The member who borrows days but whose employment with the district ceases with a deficit balance will have deducted from the final payment the equivalent days times the board of education approved substitute teacher pay. The board of education will deposit this money in the substitute teacher account and credit the sick leave bank the balance due for the departing employee.
6. Those bargaining unit members not interested in the program shall be required to sign a statement to that effect.
7. If a certified/licensed staff member who was eligible at the inception of the Sick Leave Bank chooses to join after the inception they must make up all days which they would have been accessed if they had joined when they were first eligible.

An employee who is absent or expects to be absent from duty shall notify the Mercer County Substitute Teacher Hotline (MCSTH) as early as possible, and such notification shall be given in advance unless conditions beyond the control of the employee make such notification impossible. Memorandum of Understanding

The Marion Local Education Association and The Marion Local Board of Education agree to the following Memorandum of Understanding. This MOU will be effective July 1, 2017 through June 30, 2020.

Marion Local Adjunct Professor Prep Program

Objective:

The purpose of the program is to provide opportunities for teachers to become qualified to teach College Credit Plus (CC+) classes at Marion Local High School. The goal is to have a selection of teachers successfully complete a master's degree program in their discipline, or if possessing a master's degree outside of their discipline, complete eighteen semester hours of graduate credit in their discipline in order to teach CC+ courses. This program is only available to teachers in grades 9-12.

Program Requirements:

- Teacher candidates must apply to the Program in order to be considered. A letter of interest must be submitted to the superintendent. Acceptance will be based on teacher evaluations, district needs and recommendations from building principals.
- The Marion Local Board of Education will reimburse 100% of the tuition and textbooks for graduate classes in the teacher's area of certification. Upon successful completion of the course (C or better or Pass in Pass/Fail courses), the teacher is required to submit an official transcript or grade report and tuition receipt prior to being reimbursed. Reimbursement will be issued within four weeks following submission of grades and receipts.
- Efforts should be made to pursue scholarships or cost effective programs.
- Applicants must have coursework approved by the superintendent prior to the first day of class in order to qualify for reimbursement.
- The teacher must remain an employee of the district for a period of five years beyond the last graduate class the teacher was enrolled while receiving 100% reimbursement. If a teacher leaves the district or is terminated with cause before the five year commitment is fulfilled, he/she must reimburse the Board for any tuition money received as part of this Program minus 20% for each year taught in the district during the five year commitment period. Should a teacher in the Program be subject to a Reduction in Force (RIF) during the five year commitment period there would be no reimbursement obligation.
- If a teacher starts the Program but does not finish (meaning an initial M.Ed. in their discipline or the 18 graduate hours) within five years, he/she must reimburse the Board 40% of any tuition money received as part of this Program.

- Once a teacher is qualified and is teaching an approved CC+ course at Marion Local High School, he/she will receive a stipend of \$500 per course for each semester taught.

-If a teacher is accepted into this CC+ Credentialing Program, the teacher is not eligible for tuition reimbursement under Article VI, Section D of the negotiated agreement.

Article III: M. Teacher Evaluation (pages 21-33)

Include the following language due to changes in state law, and this MOU supersedes contradictions found in the MLEA found on pages 21-33.

1. Beginning in the 2014-2015 school year teachers rated as "accomplished" on their final summative rating through OTES as recorded on ETPES are to:
 - Receive a full evaluation once every three years.
 - Receive at least one observation which is recorded as a permanent record and receive a conference either through a written document or verbal meeting. (Doesn't need to be a full write up from the OTES rubric.)
 - Walkthroughs will still take place during the off years of full evaluations.
2. Beginning in the 2014-2015 school year teachers rated as "skilled" on their final summative rating through OTES as recorded on ETPES are to:
 - Receive a full evaluation once every two years.
 - Receive at least one observation which is recorded as a permanent record and receive a conference either through a written document or verbal meeting. This will be a brief narrative with areas of refinement and reinforcement. It is at the teacher's discretion on whether this observation is announced or unannounced.
 - Walkthroughs will still take place during the off years of full evaluations.
3. Beginning in the 2014-2015 school year teachers rated as "developing" or "ineffective" on their final summative rating through OTES as recorded by ETPES are to:
 - Receive a full evaluation annually.

All teachers in the final year of a limited contract will receive a full evaluation no matter what their rating was in previous year evaluations.

All teachers will be required to collect student growth data every year no matter what their rating was in previous year evaluations.
