The employee shall also have all contractual rights. If there is a question concerning the appropriateness of including said new position/classification in the bargaining unit, the Board and the Union shall meet to discuss the inclusion of said position/classification. Should the parties reach an impasse on the position, the matter shall be submitted to the State Employment Relations Board (SERB).

ARTICLE 3 -- NEGOTIATIONS

A. Scope

The Union shall have bargaining rights for all employees in the bargaining unit on the following subjects:

1. Wages, hours, fringe benefits, and other matters of economic welfare.
2. Dues Deductions.
3. Terms and conditions of employment.

B. Teams

The Board representatives will meet with the representatives of the Union for the purpose of negotiations. The Board's negotiating team and the Union's negotiating team will be limited to not more than six (6) members each. Negotiating meetings shall be scheduled at times that do not interfere with negotiating team members' work shift unless otherwise mutually agreed by the parties. Neither party shall have control over the selection of the other party's team members.

C. Request for Meeting

Upon receipt of a written request for a meeting, either party will have five (5) days to reply to the request. A meeting date shall be agreed to within fifteen (15) days of such request. All days referred to in this section shall be work days.

D. Submission of Issues

All issues for negotiations by the parties shall be submitted in writing at the first meeting. No additional issues shall be submitted by either party following the first meeting unless by mutual consent of the parties.

E. Negotiations Procedures

The parties shall meet at places and times agreed upon at the beginning of the prior meeting. Length of meeting shall not exceed two (2) hours except by mutual consent. Times and places of the following meeting shall be agreed upon at the onset of each session. All meetings shall be held in executive session.

H. Item Agreement

As negotiated items are agreed upon, they shall be reduced to writing and initialed and dated by the chief negotiator of each party. Such initialing shall be construed as tentative agreement by both parties on that item, or issue, subject to finalization by ratification by the membership of the Union and adoption by the Board.

I. Agreement

When an agreement is reached through negotiations, the outcome shall be reduced to writing. Both parties shall review the agreement together to determine the accuracy of the transcript. If the agreement is then in proper form it shall be submitted to the Union and the Board for ratification and adoption. Upon ratification by the Union followed by adoption by the Board the agreement shall become part of the official Board minutes and binding on both parties. Said agreement shall be signed by the Board President, Treasurer, Superintendent, Local Union President and other negotiators.

J. Intent to Recommend

Prior to the negotiated agreement being presented to the Union and to the Board, each member of both negotiating teams shall pledge to recommend adoption of the tentative agreement.

SECTION 1

In the event an agreement is not reached by negotiations for a minimum of sixty (60) days after full consideration of proposals and counter proposals, either of the parties shall have the option of declaring impasse.

SECTION 2

Impasse is whenever the parties have stopped talking to each other at the negotiating table or after many bargaining sessions have been held and the position of the parties have solidified and the parties have become intransigent pertaining to unresolved negotiation issues.

SECTION 3

If impasse is declared by either party, it is with the understanding that impasse proceedings are declared on all issues where agreement has not been reached by either party.

SECTION 4

The parties shall jointly prepare a request for a Mediator and direct such request to the Federal Mediation and Conciliation Service.

The assigned Mediator shall have the authority to call meetings for the purpose of promoting an agreement between the parties.

SECTION 5

The Mediator has no authority to recommend or to bind either party to any agreement.

SECTION 1 - Union Security

- A. Employees covered by this Agreement shall be required to either become or remain a member of the Union, or pay a fair share fee as a condition for retaining employment with the Waterloo Local School District.
- B. As of the effective date of this provision, or sixty (60) days after being hired, whichever occurs first, any employee covered by this Agreement who chooses not to become a member of OAPSE shall be obligated to pay to the Union a monthly fair share fee to reimburse OAPSE for expenses related to collective bargaining, contract administration, or grievance adjustment. Monthly fair share fee payments shall be made by any

employee who is currently a member of OAPSE but who discontinues membership in OAPSE during this agreement.

In addition, any such employee shall furnish to the Union written receipts evidencing the monthly payment of such amounts. In the event any such employee fails to make such payment or fails to furnish such receipts, said employee shall be subject to the same sanctions as an employee who fails to pay membership dues or fair share fee hereunder.
- G. Employees may request deductions at any time during the dues deduction period. Any deductions missed shall be the obligation of the individual employee.
 - 1. Payroll deduction authorization for periodic dues, initiation fees, and assessments shall be continuous except that authorization may be withdrawn if submitted during the period of 15 days from August 16 - August 31 of any year. If dues deduction is not revoked during such period, it shall continue for a successive year. Copies of all revocations shall be made available to the Local Union President and/or Treasurer upon his/her request.

A copy of the reports shall be sent to the State Union Treasurer and to the local Union Treasurer.
 3. The Union shall forward to the Treasurer by September 15 the amount to be deducted for that year if changed from the previous year.
 4. The Board shall no later than October 15 of each year, mail to the State Union Treasurer, a payroll report including names and hours on the salary schedule. A copy of the report shall be sent to the local Union Treasurer.

- I. The Board agrees not to honor any check off authorization or dues deductions authorization executed by an employee in the bargaining unit in favor of any other labor organization(s) representing employees for the purpose of collective bargaining for wages, terms and conditions of employment.
- J. OAPSE/PEOPLE (Ohio Association of Public School Employees/Public Employees Organized to Promote Legislative Equality)

Once a year, during the month of September, employees will have the option to sign up for this deduction which will start the last pay period of October. New employees will be eligible to begin their deduction at the time of Union Application. Such authorization must be executed by the employee and is continuous until revoked by the employee at any time by giving written notice to both the Employer and the Union. The Employer agrees to remit any deductions made pursuant to this provision promptly to the Union together with an itemized statement showing the name of each employee from whose pay such deductions have been made and the amount during the period covered by the remittance.

6. In the event that a case is appealed to an Arbitrator on which he/she determines he/she has no power to rule, it shall be referred back to the Union with a notification to the Administration without decision or recommendation on its merits.

7. The Arbitrator's decision shall be final and binding on the employee or employees involved in the grievance, the Administration, and the Board.
8. The fees and expenses of an arbitration shall be shared equally. Any other expenses resulting from the grievance arbitration shall be borne by the party incurring them except where it is agreed to that such hearing is during a witness's regular hours of employment.

- D. All new employees shall be given a copy of their job description upon employment.

ARTICLE 9 -- BID PROCEDURE

When a vacancy exists due to a resignation, nonrenewal, transfer, promotion or termination in a department or a location assignment, it shall be posted in each building in a conspicuous place for a period of five (5) working days, unless the Board determines not to fill the position in accordance with Article 16 of this Agreement. Any qualified employee may request the vacant position in writing. In the case of current district employees who are attempting to add an additional job onto their current job, the Board is not obligated to award a second job to the individual if the second job will require the employee to work twenty-nine (29) or more total hours in the district per week. Employees who have a second job prior to July 1, 2013 are permitted to continue the second job, regardless of overall hours worked each week. A vacancy shall be posted within five (5) working days of the date on which the vacancy exists. To be eligible to bid on a vacancy, an employee must have been in his/her current position for at least thirty (30) days.

Vacancies occurring during the summer shall be distributed to employees with paychecks. Postings shall be included with the paychecks immediately following the vacancy unless the vacancy occurs within five (5) working days of the distribution of the paychecks. In such cases, the posting will be distributed with the next payroll.

Vacancies shall be awarded in the following sequence (unless the current employee is attempting to gain a second job with the district per the statement above):

1. Employees within the same department of the vacancy based on department seniority and prior satisfactory evaluations within the past three (3) years.
2. Employees from other departments based on qualifications, seniority, and prior satisfactory evaluations within the past three (3) years.
3. If no present employee bids the vacant position or is qualified, the position can then be offered to other qualified applicants.

Determination of qualifications is the decision of administration based on the job description for the vacant position.

Any contractual position that permanently increases by thirty (30) minutes or more shall be posted and filled through the procedure outlined in this Article.

All vacancies shall be filled within thirty (30) working days of the closing of the bids, unless there are no qualified candidates or the Board determines not to fill the position in accordance with Article 16 of this Agreement.

If a temporary position exists for more than ninety (90) workdays, it will then be posted and awarded in accordance with this Article for the remainder of the school year.

Job descriptions shall accompany all job postings.

1. Upon a written request, the Board of Education
 - (a) may grant a leave of absence for a period of not more than one (1) year for educational or professional or other purposes provided the employee has completed three (3) or more years of service; and
 - (b) shall grant such leaves up to two (2) years where illness or other disability is the reason for the request.
2. Upon the return of the employee from a leave, to his/her former position, the Board may terminate the employment of a person hired for the purpose of replacing the returning employee while he/she was on leave.
3. If after the return of the employee from leave, the person employed for the purpose of replacing an employee on leave is continued in employment as a regular employee or if he/she is hired by the Board as a regular employee within a year after his/her employment as a replacement, he/she shall receive credit for his/her length of service with the Board during such replacement period.
4. Any credit awarded to an employee mentioned above shall be in compliance with 3319.081 of the Ohio Revised Code.

B. PERSONAL LEAVE

1. Personal leave shall be granted to allow an employee to meet emergency personal obligations which may not conveniently be taken care of at times other than scheduled work hours. Under no circumstances may personal leave be used for vacation days or gainful employment.
2. Each employee shall be granted three (3) days of personal leave per school year, commencing September 1 and ending August 31. Any unused personal leave days will automatically roll over into sick leave.
3. Personal leave days shall not be approved for the day before or after a legal holiday or vacation period. No personal leave may be used by a nine month employee after May 10th; however, exceptions may be made by the superintendent.
4. Personal leave shall be approved only for either full or half days.

5. A request for a Personal Leave day must be submitted to the immediate supervisor at least 48 hours in advance; however, exceptions to this rule may be made in emergency situations by the Superintendent.
6. Absences must be processed through the Kiosk system.

C. SICK LEAVE

1. Each person employed by the Board shall be entitled to fifteen (15) days sick leave with pay for each year under contract, which shall be credited at the rate of one and one fourth (1 1/4) days per month.
2. Sick leave may be used for absence due to personal illness, pregnancy, injury, exposure to contagious disease which could be communicated to others and for absence due to illness, injury, or death to the employee's immediate family. (Immediate family includes spouse, brother, sister, child, father, mother, father or mother of spouse, foster parent, son or daughter-in-law, brother or sister-in-law, and grandparents). This shall also include corresponding step family relationships. Unused sick leave shall be accumulative without limit.
3. Sick leave may be used for death of a grandchild.
4. Any accumulated sick leave of a person separated from any other public service shall be transferable.
5. Employees who render part time, seasonal, intermittent, per diem or hourly service shall be entitled to sick leave for the time actually worked at the rate earned.
6. All employees shall be entitled to an advancement of five (5) sick leave days if the number of days used exceeds the number accumulated. So long as the employee remains in the employment of the Board, the employee is required to earn back any advanced sick leave days, so no loss in pay results.
7. After five (5) consecutive days of such leave, the employee may be requested to provide to his/her immediate supervisor a written statement from his/her physician authorizing the return to work. Failure to provide such a statement will prevent the employee from returning to active employment. This shall apply only in the case of an employee's illness or injury.
8. Falsification of a statement to justify the use of sick leave may be grounds for termination of employment.

D. ASSAULT LEAVE

1. An employee of the Waterloo Local School District who is required to be absent due to physical disability resulting from an assault which occurs in the course of Board employment while on duty or where required to be in attendance at a school sponsored function, shall be eligible to receive assault leave. Upon determination of eligibility by the Board, such leave shall be granted for not to exceed twenty (20) working days upon the member's delivering to the Treasurer a signed statement on forms prescribed by the Board and maintained by the Treasurer. Such statement will indicate the nature of the injury, the date of its occurrence, the identity of the individuals causing the assault, if known, the facts surrounding the assault and the willingness of the member to participate and cooperate with the Board pursuing legal action against the assailant or assailants.
2. The member shall supply a certificate from a licensed physician stating the nature of the disability and its duration, and file a worker's compensation claim based on the injury. Full payment for assault leave shall not exceed the member's per diem rate of pay, exclusive of supplemental pay and will not be approved for payment until the form and certificate, as provided above, are supplied to the Treasurer. Falsification of either the signed statement or a physician's statement is grounds for suspension or termination of employment under the Ohio Revised Code. Where the member exhausts the assault leave, he/she may use sick leave (provided herein) and if sick leave becomes exhausted, the member may apply for further assault leave.
3. Whether such additional leave is granted shall be determined solely by the Board. Where the assaulted member becomes eligible for benefits under the School Employees Retirement System (SERS), the member shall be eligible to return to employment with the Board according to the Rules and Regulations of SERS.

E. JURY DUTY LEAVE

1. Any regular unit member who is absent from his/her work for jury duty shall be granted pay not to exceed the difference between the jury pay and the pay as a unit member of the Board.
2. Unit members shall turn over within 30 days of time served, the total amount of such fees to the Treasurer's Office in return for their regular check. If the employee fails to do so, their pay will be reduced by days missed.

F. UNION LEAVE

The local Union shall be entitled to a total of eight (8) days with pay per year, to unit members elected or appointed to represent the local Union. In years when contract negotiations are taking place with the Waterloo Local School Board, a total of ten (10) days may be used. Of those ten (10) days available, six (6) are limited to purposes other than negotiations. A written notice specifying the names of such unit members attending the meeting shall be furnished by the Union to the Superintendent.

G. FAMILY MEDICAL LEAVE
