RECOGNITION

The Hilliard City School District Board of Education, hereinafter referred to as "the Board" recognizes the Hilliard Education Association OEA/NEA, hereinafter referred to as "the Association", as the sole and exclusive representative of all regular full-time and part-time licensed/certificated employees except for those licensed/certificated employees identified in Appendix E. Any disagreement regarding the inclusion or exclusion of a new position shall be decided through a joint request for unit clarification to the State Employment Relations Board.

ARTICLE 2

NEGOTIATIONS PROCEDURE

- A. 1. Pursuant to Section 4117.14 (C) (1) and 4117.14 (E) of the Ohio Revised Code, the parties have established the following mutually agreed upon negotiations and dispute resolution procedures which supersede the procedures listed in Section 4117.14 (C) (2)-(6) and any other procedures to the contrary. Nothing herein shall be construed as a waiver of the right provided in Section 4117.14 (D) (2) of the Ohio Revised Code.
2. The scope of bargaining by and between the Board and the Association shall be related to matters of wages, hours, or terms and other conditions of employment and the continuation, modification, or deletion of an existing provision of this Agreement.
- B. **Negotiations Procedure**
1. The collective bargaining representatives of each party shall consist of no more than five (5) individuals.
2. In keeping with Section 4117.14 of the Ohio Revised Code, either party desiring to terminate, modify, or negotiate a successor collective bargaining agreement shall serve written notice of such desire upon the other party. The initiating party must serve the notice not later than March 1 of the year in which the collective bargaining agreement expires and will notify the State Employment Relations Board (SERB) by serving upon SERB a copy of the notice and a copy of the parties' existing Agreement.
3. Within fifteen (15) days of receipt of the notice, the parties shall meet and submit full proposals in writing for consideration. No additional items may be added at future meetings without mutual consent.
4. All the terms and conditions of the existing collective bargaining agreement shall continue in full force and effect, without resort to strike or lock-out until the expiration date of said Agreement, or the expiration of any mutually agreed upon extension.
5. Those Articles in an existing collective bargaining agreement which are not proposed to be modified or terminated by either party, shall become a part of the successor collective bargaining agreement.

C. **Negotiations Process**

1. All negotiating meetings shall be closed to the public and news media. All proposals and counterproposals between the Board and the Association, tentative agreements on individual items, and all notes and minutes taken during the confidential negotiations shall be private communications, not public records. Neither the Board, individually or collectively, or its agents, nor the Association, individually or collectively, or its agents, shall share any documents referred to in this paragraph before, during or after the negotiations process, to any member of the public.
2. The Board shall furnish to the Association, upon reasonable request, existing information which would assist the Association in making proposals for negotiations including, but not limited to, information about operating levies, enrollment, budgets, and other financial data of the school District. The Association shall furnish to the Board's negotiating representatives existing information that would assist the Board in analyzing Association proposals. After the initial negotiations session, all requests for information should be coordinated through the respective spokespersons.
3. As negotiation items receive tentative agreement they shall be reduced to writing and initialed by the spokesperson of each party.
4. When an Agreement is reached on all issues, each party's representatives shall respectively urge and recommend the adoption of such Agreement which shall be reduced to writing and submitted to the Association membership for approval. If approved, the Agreement shall be submitted to the Board for approval at the next regular or special meeting of the Board. When approved by the Association and the Board, the Agreement shall supersede any Board policy, rule, or regulation that may conflict with any term or condition of the Agreement.
5. The Board and the Association may admit up to three (3) observers to negotiation meetings. The parties can mutually agree to admit additional observers. Observers are to retain the confidentiality of the negotiations process.

D. **Inability to Reach Agreement**

1. If on June 1, or a date mutually agreed upon, tentative agreement on all items is not reached, both parties shall utilize the services of the Federal Mediation and Conciliation Service (FMCS).
2. If mediation fails to produce an agreement, within five (5) days after expiration of this Agreement, then the Association in keeping with Section 4117.14 (D) (2) of the Ohio Revised Code may give a ten (10) day written notice of its intent to strike to the Board and SERB.

1. The Association will submit a written authorization signed by the bargaining unit member for payroll deduction on a form provided by the Association to the Board Treasurer on or before October 1 of any year the member begins payroll deduction under this section. Unless revoked or changed in keeping with procedures contained herein, an authorization will continue from year to year. In the event a refund is due a member, it shall be the responsibility of the Association to make such refunds. The Association agrees to indemnify and save the Board harmless against any and all claims that may arise

from or by reason of action taken by the Board in reliance upon any authorization cards submitted by the Association to the Board.

2. The deductions shall be made in twenty-two (22) equal installments (small variance first month acceptable) beginning the month of October and ending the month of August. All money so deducted shall be remitted twice monthly to the Treasurer of the recognized organization.
 3. If a bargaining unit member's employment ends, or if he/she goes on an unpaid status before all deductions have been made, the unpaid balance will be deducted from his/her final payroll check to the extent the final payroll check is sufficient to cover the unpaid balance. If a member revokes his/her authorization before all deductions have been made, the unpaid balance will be deducted from his/her next payroll check after the Board Treasurer receives notification of such revocation. Should a member elect to cease payroll dues deduction the Board shall notify the Association of such, prior to ceasing payroll deduction.
 4. Following completion of each deduction, the Board Treasurer shall remit the amount which was deducted to the Association Treasurer in check form made payable to "The Hilliard Education Association." A list of the bargaining unit members for whom the deductions were made will be included with the first check showing the amount deducted for each member. The Association shall be notified of any subsequent changes.
 5. The Association shall provide the Board Treasurer a list of those bargaining unit members who have authorized payroll deduction, the amount to be deducted for each member, and any new authorization forms received by the Association. This shall be done no later than October 1, each year.
 6. The Association will promptly transmit any authorization from bargaining unit members hired after October 1 to the Board Treasurer who shall attempt to begin deductions with the next payroll, but in no case will deductions begin later than the second payroll after the Board Treasurer receives the authorization form. The total amount to be deducted will be equally divided by the number of pay periods the individual member has remaining in his/her pay plan for that contractual year. Current bargaining members submitting new authorizations must do so no later than October 1 (November 1 for tutors) each year.
 7. Association membership is annual with the membership year being October 15 through October 14 of the following year. Once a member enrolls such membership shall be continuous thereafter for each subsequent membership year unless the individual cancels their membership.
 8. Any member who wishes to cancel their membership must notify the Association President in writing between August 20 and September 20. A member may cancel their membership outside of the aforementioned cancellation period but shall be responsible for all remaining dues and assessments of the current membership year, and by such cancellation acknowledges that he/she is forgoing any rights specifically reserved to members of the Association.
- L. Negotiations, grievance hearings and/or other meetings between the Board and the Association representatives shall be conducted outside the work day to the extent possible. If the Board and Association representatives agree to meet during working hours, the Association representatives shall suffer no loss of pay or benefits as a result of their participation in the meeting.

- M. A bargaining unit member who is on a committee or is an official of the Association, OEA, and/or NEA may be released for up to five (5) days per year with pay to attend state or local association professional meetings. No more than a total of thirty (30) days of Association Leave per year may be taken by members of the bargaining unit, except in a year of contract negotiations the number shall be increased to fifty (50) days. No more than three (3) members in any elementary or sixth grade school, five (5) in any middle school, and five (5) in any high school may take leave on a given day unless approved by the Superintendent/Designee. Application for the leave shall be submitted to the Superintendent/Designee at least five (5) school days in advance of the day for which released time is requested. The Superintendent/Designee may waive this requirement in an emergency. The member shall submit proof of attendance upon the member's return. Any expenses incurred shall be the responsibility of the member
- N. The Association President shall be entitled to full time release. The President will suffer no loss in salary, fringe benefits, or other contractual or statutory advantages to which he/she would have been entitled if working full-time; however, the Association shall reimburse the Board by the end of each semester for the actual costs of the President's replacement resulting from the release time during that semester. The individual entitled to release time shall not be changed during a school year except as the result of a change in the Presidency due to an Association election. The Association President shall meet with the Superintendent/Designee and the building principal not later than June 1 of each year to determine the schedule of the release time. Any extended time, supplemental contract position, or stipend position held by the Association President shall not be subject to the release time provisions of this Section.
- O. Any bargaining unit member subject to the provisions in M and N above, shall suffer no loss in salary or benefits for such service. In addition, Association leaders shall be entitled to be paid by the Association as per the Association's internal procedure for service to the Association. Any compensation that an Association member receives from the Association for such service shall be subject to the provisions of Ohio Administrative Code Rule 3307-6-01.

Upon written request of the Association, Association Leaders shall be paid under the provisions of Article 31 Supplemental Salaries, and Appendix G, for performing work for the Association and/or an affiliate of the Association. The request shall include names(s) of the employee(s) performing the work, the time period for the work to be performed, and the amount to be paid for the work. Any employee so assigned shall be paid a supplemental salary for Association leadership in an amount so designated by the Association. The Association or affiliate shall reimburse the Board for the supplemental pay and for the Board's share of retirement contributions for each such Association Leader within thirty (30) days upon the receipt of an itemized statement from the District's Treasurer. To comply with STRS rules, the employer and employee STRS contributions must be made on compensation from the member's teaching contract, in addition to compensation for Association activities, up to a maximum amount. The maximum amount is determined by multiplying the per diem rate of the teaching salary by 250 days.

- P. The Association shall be provided 2.5 hours on the last day of induction to communicate with newly hired bargaining unit members. The date and time of such communication shall be mutually agreed upon by the Association President and Superintendent/Designee not less than ten (10) calendar days prior to induction week.
- Q. Consistent with law and as set forth below, the Board will not discriminate in employment, the application of any provisions of this Agreement, or by Board Policy on the basis of:
- Age
 - Ethnicity

- National Origin
- Disability
- Religion
- Gender
- Gender Identity
- Sexual Orientation
- Marital Status
- Military Status
- Political Affiliation
- Union Membership and/or protected activity

R. The above Section Q is subject to the grievance procedure appearing in Article 19 of this Agreement. However, in the interest of precluding a Grievant from asserting a claim of wrongful discrimination in multiple forums, it is further understood and agreed that the Association will not pursue an appeal to arbitration (Level Five of the grievance procedure) to a hearing (1) if the Grievant has exercised his/her right to pursue such claim of discrimination in any other forum (administrative, judicial, or otherwise), or (2) the limitations period within which the Grievant may pursue such a claim in another forum has not run out (in which case scheduling an arbitration hearing will be held in abeyance until the limitations period runs out). It is also understood that this provision is solely applicable to the above Section Q.

Normally, limited contracts shall be offered in the following sequence; first contract one (1) year, second contract one (1) year, third contract three (3) years, fourth and succeeding contracts five (5) years. At the end of such interruption of the normal sequence, the Superintendent and Board may elect again to deviate from the normal sequence (following the procedure that appears in the immediately preceding sentence), but in no event will a third successive interruption of the normal sequence occur. After such interruption(s) of the normal sequence, the member's next limited contract, if the member is rehired, will be the contract that would have been granted prior to the interruption(s) in the next sequential order.

Continuing contracts shall be offered by the Board in accordance with the provisions of the Ohio Revised Code except that: to be eligible all bargaining unit members must have served five (5) years in the District.

With respect to members hired before January 1, 1999, the aforesaid twenty-four (24) month period shall continue to be thirty-six (36) months in accordance with the terms of the parties' 1996-98 Agreement.

- B. If the Superintendent intends to recommend the non-renewal of a contract, the bargaining unit member in question shall be given the reason(s) for such a recommendation. - C. Prior to official Board action, bargaining unit member(s) whose contract(s) are subject to non-renewal shall be notified of the date when the Board intends to act on the Superintendent's recommendation.
- D. If the Board non-renews a bargaining unit member's contract against the Superintendent's recommendation, the Board shall give the member written reason(s) for such action in executive session and the member may be accompanied by a representative of his/her choice in such session.
- E. The non-renewal of a bargaining unit member's limited contract during the first twenty-four (24) calendar months of continuous employment (the first thirty-six (36) calendar months in the case of a member hired before January 1, 1999) service shall not be grievable nor challenged in the courts on the basis of this Article.
- I. The provisions of this Article shall not apply to the non-renewal of supplemental, extended service or summer school contracts.

ARTICLE 13

VACANCIES AND TRANSFERS

- A. **Posting**
 - 1. All regular and supplemental contract vacancies and new positions shall be posted in the Board office, in the HR posting folder in District email, and each school building no later than one (1) week after the vacancy occurs. The position shall remain open for five (5) working days after it is posted in the Board office except in cases of emergency. For purposes of this section, emergency shall be defined as a bargaining unit member leaving his/her teaching position between July 10th and the beginning of the next school year without providing the Superintendent with at least ten (10) days prior written notification.
 - 2. All regular postings shall include location and alternative hours if appropriate and available.

3. During the summer, the posting of vacancies and new positions shall be required in the Board office and in the HR posting folder in District email.
4. The Association President will be provided a copy of all job vacancy notices, including new postings.

B. Vacancies, Voluntary Transfer and Reassignment

1. Voluntary transfer may be initiated by filing a written request with the Superintendent or his/her designated representative. The annual "Intention Form" may be used to initiate a request for a voluntary transfer.
2. Bargaining unit members who meet job qualifications as determined by the Board shall be given priority consideration for the vacant position. This provision shall not limit the Board's discretion to interview other applicants or limit its discretion in hiring personnel.
3. Bargaining unit members who have applied for a vacancy in writing that requires Board action shall be notified of the recommendation in writing prior to Board action to fill that vacancy. If Board action is not required, the Superintendent/Designee shall notify in writing all members who have applied for the vacancy of the intended action prior to filling the vacancy. An applicant whose transfer request is denied shall be entitled, if requested, to a conference with the Director of Human Resources and/or the Assistant Superintendent at which the circumstances surrounding the denial will be explained. The applicant may choose to be accompanied to the conference by an Association representative.
4. The Superintendent and Board shall determine when a vacancy exists and whether it shall be filled.

C. Involuntary Transfer and Reassignment

1. When the Superintendent determines an involuntary transfer and/or reassignment is necessary, the bargaining unit member concerned shall be notified in writing of the transfer and the reason(s) for the transfer at the earliest date possible. Upon request, the member may meet with the Superintendent to discuss the reason(s) for the involuntary transfer or reassignment.
2. Should any vacancy occur in a building from which a bargaining unit member has been involuntarily transferred, that member may apply for the vacancy and shall be given priority consideration until the first duty day of the school year following the involuntary transfer, provided the member holds proper certification/licensure for the vacancy. A member's refusal to return to the first available position for which he/she is qualified would automatically terminate this option.
3. Involuntary transfers which occur because of staff reductions caused by declining enrollment or other personnel reductions in a program shall be in reverse order of seniority as defined in Article 17, Reduction in Force, unless the Superintendent determines that it is necessary to deviate there from because of the educational needs of students and the needs and interests of the school system. Involuntary transfers for other reasons shall not be subject to this provision.
4. No teacher will be involuntarily transferred into a position whose regular hours begin prior to "O" period or whose regular hours end after the end of the work day of the elementary school with the latest teacher dismissal time. It is understood that the teacher's regular hours will be consecutive and not split into separate segments.

D. **Elimination of Positions**

1. When a position is to be eliminated, the least District seniored bargaining unit member in that building, in the affected grade level or department, will be the member to be transferred.
2. If a vacancy exists within that building for which the bargaining unit member mentioned in item 1. holds proper certification/licensure, then, at the member's option, he/she shall be assigned that position.
3. If no vacancy exists within that building for which the bargaining unit member is certified/licensed, then, at the member's option, that member may replace the least District seniored member in the same areas of certification/licensure in that building.
4. The least District seniored bargaining unit member being bumped from a position will be placed in a vacant position of his/her choice for which he/she is certified/licensed.
5. For the meaning of the "building", as used in this Section, see Appendix 'F'.

E. The Superintendent shall have the final decision on all transfers and reassignments.

F. Where staffing of an existing school is split and/or a new school is opened, the Administration and Association shall meet and consult in advance for the purpose of attempting to resolve to their mutual satisfaction how staffing will be implemented and other transitional issues.

G. Bargaining unit members authorized by the Administration to pack or unpack materials and/or equipment to be moved to another building shall be compensated at the rate of \$9.00 per hour. To qualify for pay, the member must have prior written authorization from the Superintendent stating: the number of hours to be worked; the beginning and ending date of when the work is to be performed; and a description of the materials and equipment to be packed. The member shall receive payment for authorized work within 30 days of submission of the District form indicating the days and hours worked.

Prior to placing any disciplinary notice or written directive in a bargaining unit member's personnel file, the unit member shall have the opportunity to review the disciplinary notice or written directive and the unit member shall sign the document indicating that it has been seen and read. The signature of the unit member shall not mean that the unit member agrees with the findings stated in the document. A copy of the document will be forwarded to the member, in an envelope marked "Personal and Confidential," through the District's inter-school mail system.
7. Any bargaining unit member has the right to attach a rebuttal statement to any material found objectionable in the school's personnel file pertaining to him/her.
8. If and when a bargaining unit member and the Superintendent/Designee or the administrator involved agree that there is adequate evidence that certain material in the member's file is irrelevant, inappropriate, or false, such material shall be removed from the file or corrected. If the member and the Superintendent/Designee are unable to reach an agreement and the member still feels that the material contained in the file is irrelevant, inappropriate, or false, such member shall have the right to file a grievance to determine whether or not the material should be removed or corrected.
9. The following documents are considered by the Administration to be essential to the record-keeping of the District and are not subject to removal:

However, the documents will remain public records and will be placed in a separate file maintained by the District until destroyed in accordance with Chapter 149 of the Ohio Revised Code.

B. Complaints

A complaint against a bargaining unit member by a student, another employee, parent, or other member of the public will be processed in accordance with the Board's policy on handling complaints against employees. It is recognized that the Board's policy establishes guidelines that normally apply, but also that every complaint must be assessed case-by-case in light of all its surrounding circumstances in order to determine the most appropriate way in which to proceed. In all cases, if any disciplinary or other adverse action is contemplated against a bargaining unit member on the basis of the allegations of the complaint, the member will be afforded an opportunity at a conference with the relevant Administrator to present his/her side of the story before any such action is taken; at this conference, the member may choose to have an Association representative present.

C. Conduct Unbecoming

Reports of "conduct unbecoming" will be made to the Ohio Department of Education under Section 3319.313 of the Ohio Revised Code and the Department's Licensure Code of Professional Conduct for Ohio Educators.

 3. If either party wishes to consider any change or revision to the evaluation procedure or process, including the evaluation instrument, during the term of this agreement, it shall discuss the matter with the committee. If the discussion results in a recommendation by the committee to change or revise the evaluation procedure or process, including the evaluation instrument, during the term of the agreement, then said recommendation shall be subject to acceptance by the Board and the Association.
- B. In so doing, the following guidelines shall be incorporated:
1. All bargaining unit members, during the first month of school, shall be thoroughly advised by the building administrator as to the evaluation procedure and instruments to be used and given a copy of such.
 2. All monitoring or observation of the work performance of a bargaining unit member shall be conducted openly and with full knowledge of the member.
 3. All formal observations shall be at least thirty (30) minutes in length.

 5. All evaluation reports shall be in writing.
 6. Bargaining unit members shall be given a copy of any class visitation report, evaluation, or observation within three (3) school days.
 7. The procedures in paragraph A. shall not apply to supplemental and extended service contracts.
 8. Any change in the Evaluation Procedure or Instrument will be mutually agreed upon by both the Board and Association, reflective of current practice (see Appendix H).
- C. The procedures established under and in this Article shall supersede Section 3319.11 (G) of the Ohio Revised Code.  2. Provide support for Master Teacher candidates throughout the year.
 3. Evaluate Master Teacher applications in the fall and in the spring.

The Office of Professional Learning will keep all records regarding Master Teacher applications and results.

ARTICLE 17

REDUCTION IN FORCE

A. **Reasons**

Reductions in the bargaining unit may only be for the following reasons: declining enrollment, return to duty of regular teachers after leaves of absence, lack of funds, or by reason of suspension of schools or territorial changes affecting the District.

Lack of funds will be verified and is subject to the Grievance Procedure.

B. **Procedures**

Bargaining unit reductions will be made by the suspension of contracts of employment following provisions contained in this Article.

1. The Superintendent/Designee shall give the Association, through its President, a copy of the proposed RIF list at least fifteen (15) days prior to Board action on said Reduction in Force.
2. The Board shall proceed to suspend contracts in accordance with the recommendation of the Superintendent who shall, within the teaching field (area of certification/licensure) affected, give preference to teachers on continuing contracts. The Board shall not give preference to any bargaining unit member based on seniority, except when making a decision between members who have comparable evaluations. The Association President shall be informed and consulted prior to determining the final RIF list. A bargaining unit member to be reduced may elect to displace another member in another certification/licensure area for which he/she holds the proper certification/licensure and has greater seniority, provided the displacing member and the member being displaced have comparable evaluations. If the member has not taught in the new area within the last five (5) years then he/she shall be required to take six (6) quarter hours or four (4) semester hours of course work related to the new assignment within twelve (12) months.

When a reduction in force becomes necessary, the following procedure shall be followed:

a. Limited contract teachers shall be reduced first utilizing the following order:

- (1) Certification/Licensure within the affected teaching field
- (2) Comparable evaluations as defined in this Agreement
- (3) When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior limited contract teacher in the affected teaching field the first to be suspended.

Only when the necessary reduction of staff required exceeds the number of limited contract teachers in the affected field shall continuing contract teachers be reduced by utilizing the following order:

- (1) Certification/Licensure within the affected teaching field
- (2) Comparable evaluations as defined in this Agreement
- (3) When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior continuing contract teacher in the affected teaching field the first to be suspended.

b. Comparable Evaluations

For purposes of determining whether evaluations are “comparable” under this Article, the Board will look only at the teacher performance rubric of any OTES evaluation and disregard the

student growth component of the evaluation until at least three (3) years of student growth data are available. It is further agreed that comparable evaluations shall be defined as follows and RIFs will be conducted in the following order:

- (1) Bargaining unit members without a previous year's evaluation rating, unless notice to the Association President per Section B(1) of this Article is served after May 10;
- (2) Ineffective OTES rating and non-OTES rating of Unsatisfactory
- (3) Developing OTES rating and non-OTES rating of Basic
- (4) Skilled or Accomplished* OTES ratings and non-OTES ratings of Proficient or Distinguished,

*The Board may elect, by adoption of a resolution, to evaluate each teacher who received a rating of Accomplished on the teacher's most recent evaluation once every two years. In that case, the member's most recent rating of Accomplished shall be used when determining comparability.

3. Using the exclusive criteria in this provision, the District will establish the order in which members' contracts are suspended and will recall members in reverse order when a position becomes available for which he/she is certified/licensed. Seniority shall not be the basis for reinstating a member, except when making a decision between members who have comparable evaluations.
4. Any bargaining unit member suspended because of Reduction in Force shall be placed on the District's substitute list upon his/her request.
5. Any bargaining unit member suspended because of Reduction in Force shall have the right to apply through the group insurance carriers to become an individual member of such insurance program at his/her full expense in accordance with the requirements established by the group insurance carriers and COBRA.
6. No new unit member shall be employed by the Board while there are qualified unit members on the Reduction in Force list who desire reinstatement to the job vacancy.
7. The Board must personally communicate via verbally or electronically an offer of reinstatement to said bargaining unit member. If after two (2) business days said member can not be reached the Board shall go to the next eligible person on the RIF list and the said member shall be offered the next available position. It shall be the responsibility of each member to notify the Board, through the Director of Human Resources, of any change in address/phone number. The member's information, as it appears on the Board's records, shall be conclusive when used in connection with an offer of reinstatement or other notice to the member. The member must notify the Director of Human Resources of the acceptance or rejection of said offer by the end of the business day following the offer. If a member fails to accept the offer of reinstatement said member shall be considered to have rejected said offer and shall be removed from the Reduction in Force List.
8. A bargaining unit member on the Reduction in Force list shall, upon accepting an offer of reinstatement, return to the system with the same seniority, accumulation of sick leave days, and salary schedule placement as the member would have received in the year following suspension. As an

example, a member with one (1) year of experience prior to suspension would be given credit for one (1) year of teacher experience on the salary schedule at the time of reinstatement.

9. Bargaining unit members will remain on the Reduction in Force list for a period of twenty-eight (28) months following their suspension

C. **Individual Notification**

1. Bargaining unit members shall be notified of the Superintendent's recommendation to suspend their contracts at least five (5) working days prior to the Board meeting at which the implementation of the Reduction in Force policy will occur.
2. Each bargaining unit member to be suspended will be given notice on or before May 30.

D. **Availability of Seniority and Reduction in Force Lists**

Both the seniority list and the Reduction in Force lists described above shall be made available to building principals and the Association President. In the case of a Reduction in Force the seniority list indicated in Article 41 of this Agreement shall be updated to the month in which Board action is to be taken on Reduction in Force and prior to any such action.

GRIEVANCE PROCEDURE

A. **Policy and Purpose**

1. The Board recognizes that in the interests of effective personnel management, a procedure is necessary whereby its employees can be assured of a prompt hearing on their grievances in order to secure, at the lowest possible administrative level, equitable solutions to their grievances.
2. Such procedures shall be available to all bargaining unit members, and no reprisals of any kind shall be taken against any member(s) initiating or participating in the grievance procedure.
3. The proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

B. **Definitions**

1. A "Grievance" is a complaint involving an alleged violation, misinterpretation or misapplication of this Agreement.
2. "Days" mean calendar days exclusive of Saturdays, Sundays, and holidays.
3. A "Grievant" is the bargaining unit member(s) making the complaint.
4. "Immediate Supervisor" means the person to whom the grievant is directly responsible.

C. **Procedures**

1. Level One

- a. Any bargaining unit member(s) who believes he/she has a grievance shall discuss the grievance with his/her principal or immediate supervisor concerned. The action shall be initiated within fifteen (15) days of the event giving rise to the grievance or the grievance shall be considered waived. The member(s) has the right to be accompanied by counsel, or a representative of his/her choice, or by both.
- b. The grievant must specifically inform the immediate supervisor that he/she is initiating a grievance under this Article.
- c. The above grievance need not be in writing, however, the immediate supervisor shall provide a dated written acknowledgment that the grievance has been filed.
- d. A decision shall be rendered within two (2) days after the presentation of the grievance.

2. Level Two

- a. If the Level One procedure does not resolve the grievance to the satisfaction of the bargaining unit member(s), said member(s) may institute formal proceedings by submitting the grievance, in writing, to the Assistant Superintendent/designee. Such request will be made within five (5) days of the decision at the informal step or the matter will be considered closed.
 - (1) The grievance shall be presented in writing on the Grievance Report Form in Appendix 'D' of this Agreement, and shall contain a concise statement of the facts upon which the grievance is based, and a reference to the specific terms allegedly violated, misinterpreted or misapplied. The grievance shall contain a statement as to the action desired by the grievant.
 - (2) Within five (5) days of receipt of the Grievance Report Form, the Assistant Superintendent/designee shall meet with the grievant in an effort to resolve the grievance. The grievant shall be advised, in writing, of a mutually agreeable time, date, and place of the meeting, and shall have the right to be represented at such meeting by counsel or by a representative of his/her choice, or by both.
 - (3) The Assistant Superintendent/designee shall indicate his/her disposition of the grievance within five (5) days after such meeting by completing the disposition section

Such request must be made, in writing, within five (5) days from the date of the receipted reply of the indicated disposition mentioned in Level Two, paragraph (3), or the matter shall be considered closed.
 - (1) The requested hearing shall be conducted within five (5) days following the receipt of the written request by the Superintendent, unless both parties agree on a later date. The bargaining unit member(s) submitting the grievance shall be advised, in writing, of the mutually agreeable time, date, and place of the hearing, and shall have the right to be represented at such hearing by counsel or by a representative of his/her choice, or by both.
 - (2) The Superintendent shall make a decision on the grievance within five (5) days after the conclusion of the hearing.  - (1) Failure on the part of the grievant, to file such appeal within five (5) days from receipt of the Superintendent's written decision [Level Three, paragraph (2)] on the grievance, shall be deemed a waiver of the right of appeal and the matter shall be considered closed.

A copy of said demand form will be sent to the Superintendent at the same time as the original is sent to FMCS. The arbitrator will be selected in keeping with FMCS's voluntary rules and regulations, except that either party may request a second list of arbitrators. Once the arbitrator has been selected, he/she shall proceed with the arbitration on the grievance in accordance with the FMCS Arbitration Services Program, Part 1404, Chapter XII of Title 29 of the Code of Federal Regulations.

It does not apply to a member who cannot reach his/her work assignment from his/her home.
- e. No more than five percent (5%) of the certificated staff within a particular building will be granted a personal leave day on the same date. The member may, at the Board's discretion, be granted a leave of absence with pay for court appearances in connection with the incident.
- c. If medical attention is required, a certificate from a licensed physician stating the nature of the disability and its probable duration shall be required before assault leave can be approved for payment. Falsification of either a signed statement or a physician's certificate is grounds for either suspension or termination of employment under Section 3319.16 of the Ohio Revised Code.

Said statement must indicate the nature of the illness and recommend that the member be relieved of duties. If the Board requires the member to be examined by the Board appointed physician, it shall assume the cost of the examination.
- c. At least thirty (30) days before a bargaining unit member on a leave of absence for ill health expects to resume his/her duties, said bargaining unit member or someone acting in his/her behalf, must request, in writing, the reinstatement of said member to the staff.

The Board may require medical certification, using the prescribed form, if paid leave is requested beyond the applicable presumed period of disability. If the Board questions such medical certification, the Board may have the employee's condition evaluated, at Board expense, by a Board-designated physician. If a disagreement exists between the employee's physician and the Board-designated physician, the employee (with Association assistance) and Board shall mutually agree upon the selection of a third physician, whose opinion shall be final and the cost of which will be borne by the Board if the physician sides with the employee's physician and by the Association if the physician sides with the Board-designated physician. - b. Eligibility for and the use of leave under the Act shall be governed by the terms of the Act, with the employee and Board retaining all options available to each under the Act. - b. Leave of absence for professional study or for travel may be granted for a period of one (1) year, except at the discretion of the Superintendent/Designee, and only when it can be clearly

demonstrated that the program of the District will not suffer as a result of the granting of such a leave. Absence, without leave having been granted, shall be considered as termination of contract by the bargaining unit member.

- c. Termination of the above two (2) kinds of leave shall be only on written request of the bargaining unit member on leave, said request being filed with the Superintendent/Designee not less than one hundred-twenty (120) days prior to the return to duty of the member. A member's deferred salary shall be equal to that percentage of said member's total annual salary or salary per pay period which is required from time to time by the State Teachers Retirement System ("STRS") to be paid as a member contribution by said member and shall be paid by the Board to STRS on behalf of said member as a "pickup" of the STRS member contribution otherwise payable by said member. A member's cash salary shall be equal to said member's total annual salary or salary per pay period less the amount of the pickup for said member and shall be payable, subject to applicable payroll deductions, to said member. The Board's total combined expenditures for members' total annual salaries otherwise payable under their contracts and applicable Board policies (including pickup amounts) and its employer contribution to STRS shall not be greater than the amounts it would have paid for those items had this provision not been in effect.
- B. The Board shall compute and remit its employer contributions to STRS based upon total annual salary, including the "pickup". The Board shall report for federal and Ohio income tax purposes as a bargaining unit member's gross income said member's total annual salary less the amount of the "pickup". The Board shall report for municipal income tax purposes as a member's gross income said member's total annual salary, including the amount of the pickup. The Board shall compute income tax withholding based upon gross income as reported to the respective taxing authorities.
- C. The pickup shall be included in the bargaining unit member's total annual salary for the purpose of computing daily rate of pay, for determining paid salary adjustments to be made due to absence, or for any other similar purpose.

- D. The pickup shall apply to all payroll payments for the duration of this Agreement.

ARTICLE 34

The Board shall deduct from the pay of bargaining unit members who elect not to become or to remain members of the Hilliard Education Association, a fair share fee for the Association's representation of such non-members during the term of this Agreement. No non-member filing a timely demand shall be required to subsidize partisan political or ideological causes not germane to the Association's work in the realm of collective bargaining.

B. Notification of the Amount of Fair Share Fee

Notice of the amount of the annual fair share fee, (which shall not be more than 100% of the unified dues of the Association), shall be transmitted by the Association to the Treasurer of the Board on or about September 15, of each year during the term of this Agreement for the purpose of determining amounts to be payroll-deducted, and the Board agrees to promptly transmit, all amounts deducted to the Association.

E. Procedure for Rebate and Advance Reduction

The Association represents to the Board that an internal rebate procedure has been established in accordance with Section 4117.09 (C) of the Ohio Revised Code for challenging the amount of the representation fee. This procedure will be given to each member of the bargaining unit who does not join the Association. This procedure and notice thereof shall be in compliance with all applicable state and federal laws and the Constitutions of the United States and the State of Ohio. Upon timely demand, non-members may apply to the Association for an immediate advance reduction of the fair share fee pursuant to the internal procedure adopted by the Association.

F. **Separation of Employment**

If a bargaining unit member's employment ends or if he/she assumes unpaid status with the Board before all the deductions have been made, the unpaid balance shall be deducted from his/her final pay prior to assumption of unpaid status. Each deduction shall be remitted to the Treasurer of the Association, by check, payable to the "Hilliard Education Association". Each such check shall be accompanied by a list of bargaining unit members from whose pay deductions were made and the amount deducted from the pay of each such member.

ARTICLE 36

SPECIAL NEEDS STUDENTS

- A. In most circumstances, participation by bargaining unit members in an alternative service delivery option (ASDO) model for special needs students will be on a voluntary basis. It is mutually recognized, however, that the particular circumstances surrounding a given case may mandate participation by members in such a project. Mandated participation will occur only after case-specific review by the building Administration and Special Education Coordinator.
- B. Appropriate in-service, if needed, will be provided for bargaining unit members who have within their classroom a special needs student. In addition, members may, in consultation with the Administration, access professional leave in accordance with the terms of Article 28, Section A, paragraph 8 of this

Agreement for the purpose of educating themselves on topics and techniques related to special needs students.

- C. It is mutually recognized that the presence of special needs students can have an impact on the appropriate class size and workload of the regular classroom teacher. A good-faith effort will be made by the building Administration to adjust class size where appropriate, taking into account, among other factors, the number of special needs students, the nature of the disabilities involved, the class size prior to mainstreaming, and the extent of support and assistance being provided by ancillary staff members.
- D. On a case-by-case basis, with input from directly affected bargaining unit members (if known), special needs students will be evaluated to determine whether and to what extent the presence of an intervention assistant is appropriate to assist students in caring for personal bodily needs or physical limitations. It is mutually recognized that members are not expected as a matter of course to administer medications to students, perform invasive medical procedures with respect to students, assist students in taking care of personal bodily needs, or physically lifting students, except for school nurses and special services personnel whose training and work assignment foreseeably involves such activities. Other members will not be required to engage in such activities except in emergency situations. In all cases, a member who in good faith engages in such activities will be considered to be acting in accordance with Board policy.
- E. A special education teacher is responsible for implementing all Individualized Education Plan goals and objectives and to work with the regular classroom teachers to accomplish these ends. In addition, a special education teacher may work with any child in the classroom, not just special needs students.

ARTICLE 37

SUBSTANCE ABUSE

A. Substance Abuse

1. No bargaining unit member shall manufacture, use, possess, distribute or be under the influence of any illegal narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, any other illegal substance of abuse or controlled substance as defined by federal and state law in the workplace. No member shall possess, use, distribute or be under the influence of alcohol in the workplace.
2. The "workplace" includes any school building, school property, school-owned vehicles, or any other site for school activities or events. "Under the influence" means the bargaining unit member is affected by the consumption of alcohol or an illegal drug to the extent that impairs the member's job performance or behavior.
3. As a condition of employment, every bargaining unit member will abide by the terms of paragraphs A. 1. and will notify the Board of any conviction for a violation of a criminal drug statute that occurred in the workplace within five (5) days after such conviction.
4. Any bargaining unit member whose physical characteristics, appearance, behavior, or breath odor suggests to a supervisor that he/she may be under the influence of alcohol while in the workplace may be requested to take a breathalyzer test at the local police station or local health facility. Should a supervisor determine from the physical characteristics, appearance, or behavior of a bargaining unit member that he/she might be under the influence of illegal drugs while in the workplace, the member

may be immediately taken to a local health facility for further diagnosis. The President of the Association shall be immediately notified that the member is being transported for testing.

A bargaining unit member found to have violated the terms of this Article may be subject to random alcohol/drug screenings for a period not to exceed twelve (12) calendar months from the date of last violation.

In all instances, the District shall protect a bargaining unit member's privacy during the testing process.

All costs associated with alcohol and drug testing shall be borne by the Board.

5. A bargaining unit member who violates the terms of paragraph A.1. as to use, possession or being under the influence, and whose employment is not terminated, shall satisfactorily participate in a drug abuse assistance or rehabilitation program approved and paid for by the Board. If a member fails to satisfactorily participate in such a program or if the member violates paragraph A. 1. a second time, he/she shall be subjected to disciplinary action. Any member who violates paragraph A. 1. as to the manufacture or distribution of any drug, substance of abuse or controlled substance shall be subject to immediate disciplinary action.
6. This Article does not prohibit a bargaining unit member's use of any drug prescribed by a licensed physician which is consistent with the physician's directions or the use of any over-the-counter drug being used for the purpose for which it was manufactured.

B. Smoke-Free Environment

In the interest of maintaining a smoke-free environment, smoking or any other use of tobacco products is prohibited in all District buildings and vehicles at all times; smoking or any other use of tobacco products is also prohibited on all other District grounds/property during, immediately before, and immediately after the bargaining unit member's assigned duty hours.

ARTICLE 38

ASSOCIATION ADVISORY COMMITTEE

An Association Advisory Committee shall be established consisting of not more than eight (8) members appointed by the Association and not more than eight (8) persons appointed by the Board. This Committee shall meet quarterly to discuss matters of common concern.

ARTICLE 39

LOCAL PROFESSIONAL DEVELOPMENT COMMITTEE

In fulfillment of the requirements of Section 3319.22 of the Ohio Revised Code, the parties have established a District-wide Local Professional Development Committee (LPDC) whose by-laws, appearing in Appendix "K" of this Agreement, are hereby incorporated by reference as part of this Agreement. It is mutually understood and agreed that disputes over whether a provision(s) of Appendix "K" has been violated are subject to the terms of Article 19 of this Agreement, but disputes over the LPDC's approval/disapproval of Individual Professional

Development Plans (IPDPs) are not subject to Article 19. It is mutually agreed that the LPDC's rules for the IPDP process will, upon approval by the Superintendent/Designee and HEA President, be incorporated as part of the LPDC's by-laws.

ARTICLE 40

EMPLOYMENT OF STRS RETIREES

- A. This Article governs the terms and conditions of employment of any superannuate or "other system retirant" (as those terms are statutorily defined for purposes of Section 3307.35 of the Ohio Revised Code) whom the Board may regularly employ in a position that falls within the description of the bargaining unit appearing in Article 1 of this Agreement. Except as otherwise specified below, any such employee will become a bargaining unit member upon employment and be subject to the provisions of this Agreement.
1. For initial placement purposes on the teachers' salary schedule, the employee will receive horizontal and vertical credit in accordance with the current contract language.
 2. The employee will receive a one-year limited contract of employment (if employed after the start of the school year, such contract will be for the remainder of that school year). If subsequently reemployed, the employee will be awarded successive one-year limited contracts. In no event will the employee qualify for a continuing contract or a multi-year limited contract.
 3. The sole requirement for effecting the nonrenewal of the employee's limited contract and severing the employment relationship upon expiration of the employee contract is receipt by the employee of written notice of nonrenewal on or before June 1 of the school year to which the contract applies. The procedures appearing in Section 3319.11 of the Ohio Revised Code, including the post-nonrenewal procedures appearing in Section 3319.11(G), shall not apply to any such contract nonrenewal.
 4. Upon employment, the employee will be credited with zero (0) years of seniority and shall not thereafter accumulate seniority for any purpose under this Agreement.
 5. The employee is not eligible to participate in any medical insurance fringe benefits offered under Article 29 of this Agreement unless the employee is precluded by STRS policy from participating in medical insurance benefits offered through STRS. The employee will be afforded liability insurance under Article 29, Section F of this Agreement. With respect to dental and life insurance fringe benefits under Article 29, the employee will receive full benefits as per contract.
 6. The employee will in no event qualify for fee waivers under Article 26, retirant pay under Article 27 or any retirant incentive, or professional study/travel leave under Article 28, Section B, Paragraph 4 of this Agreement.
- B. The provisions of this Article supersede and prevail over any inconsistent terms that may appear elsewhere in this Agreement or in any part of the Ohio Revised Code.

ARTICLE 41

SENIORITY

A. Historical Context

In light of the facts that both the composition of the bargaining unit and definitions of seniority have changed over the years, the parties recognize and mutually now reaffirm the following significant dates:

1. January 1, 1984 is the date when tutors first entered the bargaining unit.
2. January 1, 1987 is the date when part-time bargaining unit members began to earn and accrue seniority.

B. Seniority Lists

Bargaining unit members shall be placed on a seniority list for each teaching field for which they are properly certified/licensed. It is recognized that tutors constitute a distinct group, separate from all other bargaining unit members, for whom a seniority list is independently maintained and further recognized that seniority for this tutor group does not affect seniority for any other group and vice versa. As to any seniority list, members with continuing contracts will be placed at the top of the list, in descending order of seniority. Members with limited contracts will be placed under continuing contract members, also in descending order of seniority. Annually, by not later than January 1, the Administration will furnish the Association President with copies of all seniority lists, current through the end of the immediately preceding school year.

C. Calculation of Seniority

Seniority shall be determined by length of continuous service within the bargaining unit. Continuous full-time or part-time service will be credited toward an individual's seniority in accordance with the following definitions and principles:

1. Full-time bargaining unit members, except for tutors, are those under contract serving in the District for the full school year (five [5] days per week, thirty-six [36] weeks per year), and extended service, and for more than six (6) hours per day. Members hired under regular contracts to fill vacated or newly created full-time positions shall also be placed on the applicable seniority list in accordance with the provisions of this Article.
2. Part-time bargaining unit members, except for tutors, are those under contract serving in the District for three (3) hours or more per day or a minimum of three (3) days per week with at least five (5) hours per day. Seniority shall be credited in keeping with the provisions of this Article, except that years of seniority for part-time members shall be multiplied by a factor equal to the portion of the day/week worked. Part-time bargaining unit members serving less than as specified above, casual (service contract), and substitute employees do not have seniority rights.
3. Full-time bargaining unit tutors are those under contract serving in the District for at least thirty (30) regularly scheduled hours per work week.
4. Part-time bargaining unit tutors are those under contract serving in the District for fewer than thirty (30) regularly scheduled hours per work week. Seniority shall be credited in keeping with this Article,

except that years of seniority for part-time tutors shall be multiplied by a factor equal to the portion of the day/week worked. Casual (service contract) and substitute tutors do not have seniority rights.

- D. A bargaining unit member's seniority date will be adjusted for unpaid leaves of absence as follows:
1. Adjustments for unpaid leaves will be made using semester increments. No adjustment will be made for leaves of less than a semester. One-half year adjustment will be made for leaves of a semester or more, up to one (1) year. One (1) year adjustment will be made for each full-year leave.
 2. Adjustments in seniority will be calculated at the beginning of each school year using the status of each bargaining unit member for that school year. For individuals who have a change in status during the school year, the adjustment will be made at the time of that change.
- E. Among bargaining unit members with the same length of continuous service after application of the above definitions and principles, seniority shall be determined by the following order:
1. The date of the Board meeting at which the member was hired, and then by
 2. The date on which the member submitted a completed job application, and then by
 3. Length of prior full-time service in the bargaining unit.
 4. After exhaustion of the above, if a tie still exists, a draw will be utilized to break the tie. This drawing shall take place in the presence of the members involved, the Association President, and a member of the Administration.

ARTICLE 42

MISCELLANEOUS

- A. Each bargaining unit member will be provided with a copy of this Agreement. The cost of printing and typing this Agreement will be shared equally between the Board and the Association.
- B. The Board will provide the Association President with two (2) copies of the Board Policy Book. Also, one (1) copy of the Board Policy Book will be available in every school building and may be examined by bargaining unit members.
- C. The Board will continue to staff elementary media centers.
- D. On the workday preceding the first school day in which students are in attendance, bargaining unit members will be on duty to prepare classrooms and programs for students from 1:00 p.m. to 3:30 p.m. This time shall not be interrupted by staff meetings.
- E. Any changes in forms set forth in this Agreement shall be mutually agreed upon by the Superintendent/Designee and the Association President before the changes are implemented.
- F. Throughout this Agreement, unless otherwise specified, "Superintendent" means the Superintendent or the Superintendent's designee.

- G. All in-service increments earned and in place under the program as of December 31, 2001 will remain in place for so long as the employee remains continuously employed in the District.
- H. As required by Section 3302.10(P) of the Ohio Revised Code, the parties incorporate into this Agreement the provisions of Section 3302.10. Section 3302.10 will have no effect on any provision of this Agreement unless the District would meet requirements of Ohio law for the Superintendent of Public Instruction to establish an academic distress commission for the District. Should the District enter into academic distress, the intent of the parties is to emerge from such distress with this Agreement intact to the maximum extent possible.

ARTICLE 43

IMPLEMENTATION AND DURATION

A. **Duration**

This Agreement shall be effective at 12:01 A.M. on July 1, 2018, and shall continue in full force and effect through midnight June 30, 2021.

B. **Severability**

In the event there is a conflict between a provision of this Agreement and Section 4117.10 (a) of the Ohio Revised Code or federal law, or valid rule or regulation adopted by a federal agency as determined by a court of competent jurisdiction, Section 4117.10 (a) of the Ohio Revised Code or federal law or valid rule or regulation adopted by a federal agency shall prevail as to that provision. All other provisions of this Agreement which are not in conflict with Section 4117.10 (a) of the Ohio Revised Code or federal law, or valid rule or regulation adopted by a federal agency, thereto, shall continue in full force and effect in accordance with their terms. The parties will meet to negotiate any necessary change in the Agreement relative to the affected provision within sixty (60) days by demand of either party.

If, during the term of this Agreement, there is a change in Section 4117.10 (a) of the Ohio Revised Code or federal law, or valid rule or regulation adopted by a federal agency pursuant thereto, which would invalidate any provision of this Agreement, as determined by a court of competent jurisdiction, the parties will meet to negotiate any necessary change in the Agreement relative to the affected provision within sixty (60) days by demand of either party.

If, during the term of this Agreement, there is a change in any applicable state or federal law, or valid rule or regulation adopted by a federal agency or a state agency pursuant thereto, which requires the Board to develop policies that affect the term(s), condition(s) of employment, or working condition(s), then the parties will meet to negotiate the additional term, condition of employment, or working condition within sixty (60) days by demand of either party.

- C. The Board and the Association acknowledge that during negotiations resulting in this Agreement, each party had the right and the opportunity to make demands and proposals with respect to any matter and that this Agreement was arrived at by the parties after the exercise of that right and opportunity. The Board and the Association shall voluntarily waive further negotiations, except as provided in B. above, during the life of this Agreement, and each agrees that the other shall not be obligated to negotiate with respect to any subject or matter irrespective of whether such matters or subject is specifically referred to or covered in this

Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both parties at the time negotiations were being conducted or at the time the party signed this Agreement.

- D. This Agreement supersedes and cancels all previous agreements, verbal or written or based on alleged past practices between the Board and the Association and constitutes together with the Recognition and Negotiations Procedure the entire Agreement between the parties. Any amendment or agreement supplemental hereto shall not be binding upon either party unless executed in writing by the parties hereto.
- E. Upon adoption and ratification of this Agreement by the Association and the Board, it shall become binding on all parties.

IN WITNESS WHEREOF the parties have caused this Agreement to be executed on the day and year first above mentioned.
