A. Recognition

The Board recognizes the Blanchester Education Association, Ohio Education Association and the National Education Association, hereinafter referred to as the Association, as the sole and exclusive bargaining representative, for the purposes of and as defined in Chapter 4117 *Ohio Revised Code*, for all certified, non-supervisory personnel (excluding substitutes and employees working less than half-time), both full and part-time, on leave, or on a per diem, hourly basis, employed by the District. The Association recognizes that the Superintendent, Principals, and other administrative personnel as defined in Chapter 4117 *Ohio Revised Code* are excluded from the bargaining unit. The athletic director, when working under a teaching license, will be part of the bargaining unit.

Recognition of the Union shall continue in full force and effect until such time as a challenging employee organization is successful in gaining exclusive representative status in strict adherence to the provisions of Ohio Rev. Code § 4117.05 and § 4117.07.

Part-time is defined as being employed to teach fifty percent (50%) of the time or less.

The term member shall be used to refer to members of the bargaining unit.

B. Statement of Principles

- E. Members who work in addition to the contracted 7½ hour day, at the request of the building administrator, shall be paid at the rate of \$25 per hour.
- F. When an intervention specialist is assigned an IEP caseload in excess of the state maximum caseload, the member will be compensated \$100 for each additional IEP and \$50 for each quarterly report. Payment shall be made with the first pay in June.

ARTICLE 13 – PREPARATION PERIODS

- A. All members in grade levels six through twelve (6-12) shall be provided with at least one (1) preparation period per day, equal in length to one regular class period.
- B. All members at the elementary level shall be scheduled with at least two hundred twenty-five (225) minutes planning time per week.

ARTICLE 14 – INTERNAL SUBBING

- A. In the event substitutes are not available, members may be asked to volunteer to serve as internal substitutes during their regularly scheduled preparation periods. In a co-teaching situation, the co-teacher shall be the sole internal substitute teacher.
- B. In the event no one volunteers, the principal will assign members on planning time on a rotating basis to serve as an internal substitute.
- C. When events scheduled by the Board and/or administration require a teacher to be away from his/her teaching assignment, a substitute will be provided for his/her classroom/class periods. On days a member is absent due to illness or leave, every attempt will be made to find a substitute. If a substitute cannot be obtained, any member serving as an internal substitute shall be paid at the rate of twenty-five dollars (\$25.00) per hour.
- D. When personal absence (other than illness or contract leave) is scheduled by a member and approved by building administrator and requires said member to be away from his/her teaching assignments, it shall be the member's responsibility to obtain an internal substitute for that period/periods. The internal substitute selected by the member can only sub during his/her planning period. The member must notify the building principal, in writing, with the name of the internal substitute prior to taking personal absence. The Board, under these circumstances, is not required to pay for the internal substitute.

ARTICLE 15 – COMPLAINTS AGAINST MEMBERS

A. Informal Procedure

Complaints against members originating outside of the public school system shall be handled as follows:

1. A complaint received by a Board member or the Superintendent concerning a member shall be referred to the appropriate administrator.
2. The administrator shall inform the member of the complaint, the identity of the complainant, and provide an opportunity to settle the complaint.
3. A credible anonymous complaint received by an Administrator will be investigated, discreetly, by the Administrator.

B. Formal Procedure

If the complaint cannot be settled informally, the following procedures shall be followed:

1. The member has the right to Association Representation at every level of the formal complaint procedure.

2. At the request of the complainant or member, a meeting of the member, principal and the complainant will be arranged at a reasonably convenient time to discuss the complaint. Said meeting shall not be required to address allegations of abuse, neglect or violations of the law. The principal shall provide the member a written statement of the complaint at least twenty-four (24) hours before the meeting. The statement shall be in sufficient detail to apprise the member of the complaint.
3. If a satisfactory resolution does not occur, either party may appeal to the Superintendent.
4. If either party is dissatisfied with the results of the meeting at the Superintendent level, an appeal can be made to the Board. The Board shall handle the appeal in Executive Session.

ARTICLE 16 – PERSONNEL FILES

A. File Location

A personnel file for each member shall be maintained in the office of the Superintendent. To the extent permitted by law, this shall be considered a confidential file and the only official file of recorded information of members maintained by the Board and administration.

B. Access to File

1. Individual members shall have access to their personnel file upon request and at times mutually agreeable to the member and administration but not to exceed two (2) business days. Requests of members to have access to their personnel files shall be handled by the Superintendent or his/her designee.
2. Access to a member's personnel file shall be in accordance with *Ohio Revised Code* 149.43. A member shall be informed when someone requests to see his/her file.

C. File Information

1. The member will sign the original document as verification of notification by the Administration before it is placed into the member's personnel file. The signature of the member does not necessarily indicate agreement with the contents of the document. A copy of any information placed in a member's file shall be given to the member.
2. The member shall have the opportunity to place a statement in his/her file in reply to any material placed in said file by the Board.
3. Anonymous letters or materials that lack substantiation shall not be placed in a member's file, nor shall such materials be used to support employment or discipline decisions.

D. Review of Materials in File

1. Any materials entered into a member's file may be reviewed as to the accuracy, relevance, timeliness, or completeness of such material.

2. Information in the personnel file may be removed upon mutual agreement of the member and the administrator making the entry with the approval of the Superintendent.
3. Reprimands will be removed from a bargaining unit member's file after five (5) years, provided there have been no further reprimands received for the same or similar offense..

E. Anecdotal Files

The principal may maintain a separate anecdotal file provided, however, said file shall be subject to all provisions of this article.

F. Copies of Materials

A member will be entitled to a copy of any material in his/her file and provided with a copy upon request.

G. Privacy Act

The provisions of this section shall constitute the adoption and implementation of rules providing for the operation of the system of teacher personnel files in accordance with the provisions of Chapter 1347 of the *Ohio Revised Code*.

ARTICLE 17 – REDUCTION IN FORCE

When the Board determines it is necessary to reduce the number of bargaining unit positions, the following shall be followed:

A. Attrition

To the extent possible, the number of members affected by a reduction in force will be minimized by not employing replacements for members who retire, resign, or whose limited contracts are not renewed for reasons other than reduction in force. Attrition alone may not be sufficient to accomplish necessary reduction.

B. Reductions

Reductions needed beyond those available by attrition will be made by suspending contracts. Those contracts to be suspended under RIF will be chosen as follows:

1. All (continuing contract and limited contract) members in the bargaining unit will be placed on seniority lists (continuing contract and limited contract) in each teaching field for which they are certificated/licensed.
2. RIF Procedure for members who are not “Teachers”. Members who are not considered “teachers” under the OTES model and Teacher Evaluation Policy shall have their contracts suspended according to seniority in the event of a reduction in force. Reductions in any area of certification/licensure will be made from the bottom of the seniority list for that area of certification/licensure. Reductions will be made from the limited contracts list before proceeding to the continuing contracts list. A member affected may elect to displace a less senior member in another area of certification/licensure if he/she currently holds the required certification/licensure. At the

request of the Superintendent, said member may be required to take a board-paid 3-semester hour curriculum and methods course (or related course) if the member has not taught in the area of certification/licensure within the last five (5) years.

3. RIF procedures for members who are “teachers”. Members who are considered “teachers” under the OTES model and Teacher Evaluation Policy shall have their contracts suspended in the event of a reduction in force according to the following procedure, subject to the Superintendent’s right of assignment per ORC 3319.01:
 - a. First, position(s) vacated as a result of voluntary resignation, retirement, or death will not be filled.
 - b. Second, all contracts of reemployed retirees in affected areas shall not be renewed.
 - c. Third, limited contract members shall be reduced utilizing the following order:
 - i. Currently held valid licensure/certification
 - ii. Competency as determined by formal evaluation
 - iii. When evaluations are comparable, reductions shall occur in the reverse order of seniority.
 - d. Fourth, continuing contract members shall be reduced utilizing the following order:
 - i. Currently held valid licensure/certification
 - ii. Competency as determined by formal evaluation
 - iii. When evaluations are comparable, reductions shall occur in reverse order of seniority.

C. Defining Comparability

1. For the purposes of determining a teacher’s evaluation rating, the most recent three (3) evaluations shall be used to compute a rating unless 3 evaluations are not available, in which case the available evaluations shall be used. Accomplished shall be given a score of 4, Skilled shall be given a score of 3, Developing shall be given a score of 2, and Ineffective shall be given a score of 0.

The three most recent scores shall be averaged. The evaluation rating shall be the rating that corresponds most closely to the average.

Examples: Teacher A was rated Skilled, Accomplished, and Skilled on the most recent 3 evaluations. The average of 3, 4 and 3 is 3.33. The corresponding rating would be Skilled for the purpose of RIF.

2. For the purpose of determining which evaluations are comparable, all members rated “Accomplished” and “Skilled” shall be deemed comparable to one another, all members rated “Developing” shall be deemed comparable to one another, and all members rated “Ineffective” shall be deemed comparable to one another.

For the 2015-2016 school year, all members will be considered to have comparable evaluations for the purpose of a reduction in force (“RIF”).

D. Recall

The names of members whose limited contracts are suspended in a reduction in force will be placed on a recall list for twenty-four (24) months from the date of the reduction. Members on the recall list will have the following rights:

1. No new members will be employed by the Board while there are members on the new recall list who are certified for the vacancy.
2. If there is a vacancy to be filled, as determined by the Board in its sole and exclusive discretion, then the suspended employee who holds the proper license/certificate to fill the vacancy will be recalled on the basis of performance. Seniority will not be the basis for recall except where teachers' final summative evaluation ratings are "comparable", as defined above.
3. If a vacancy occurs in a member's area of certification/licensure, the eligible member (as specified in 2 above) will be notified of the vacancy by certified mail. It is the member's responsibility to keep the Board informed of his/her current address.
4. The member is required to respond to the district office within five (5) business days from the date of mailing. A member who fails to respond within five (5) business days or who declines to accept the position will be removed from the recall list.
5. Refusal of substitute work shall not be reported as refusal of suitable work for unemployment purposes, nor shall such refusal result in a members' removal from the recall list.
6. A member on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave, and salary schedule placement as he/she attained at the time of layoff. (Credit for additional training or prior experience will be granted where allowed by O.R.C.). A member on the recall list who is unemployed and does not otherwise have group coverage available may continue to participate in those benefits which are provided to members in active employment provided the member pays the group rates for such benefits in advance on a monthly basis.

E. Seniority List

The seniority list will be posted annually by October 15. The Board shall prepare and post on the designated bulletin board in each building/worksite, a seniority list that includes contract type, certification/license, date of hire, and number of years actually worked in the district. Said list shall be provided to the Association on or before the date of posting.

F. Seniority List Posting

Each employee shall have a period of thirty (30) calendar days after posting of the seniority list in which to advise the Board or its agents in writing of any inaccuracies which affect his/her seniority. The Board or its agents shall investigate all reported inaccuracies and make such adjustments as may be in order and post the updated list immediately. No protest shall be considered after thirty (30) calendar days after the posting of the seniority list and the list shall be considered as final until the next posting.

ARTICLE 18 – VACANCIES AND TRANSFERS

A. Vacancy Defined

1. A vacancy may occur due to retirement, resignations, transfers or non-renewal of contracts. A vacancy refers to all Bargaining Unit positions requiring a certificate including supplemental positions. The Superintendent/designee will provide the BEA President with written notice of any administrative vacancies.

B. Posting of Vacancies

1. The Superintendent's office shall send an email of Bargaining Unit positions to unit members. Vacancies shall not be filled until five (5) business days except between July 1 and the first day of September.

Email notice for supplemental positions shall be sent at least five (5) business days prior to filling the position.

2. The email notice shall include the following:

- a. Position(s) available
- b. Title of position
- c. Requirements for the job
- d. Deadline for application
- e. Effective starting date and duration
- f. Any additional pertinent information
- g. General description of duties

3. The President of the Association will receive a copy of each email notice.

4. If a member is interested in applying for any positions which may become available during the summer break, he/she shall file an email request in the Superintendent's office to receive copies of summer job postings. Such request will be valid for one summer and must be re-filed for the following summer.

C. Building Assignments

1. Specific building assignments shall be for one school year only and may be changed at the discretion of the Superintendent.
2. Unless notified of a change by August 1, an employee's current position remains in effect.

D. Voluntary Transfers

1. Any member desiring a change of building assignment, grade level or subject area, shall discuss the matter with the building principal and then submit a written request for transfer to the Superintendent on or before April 30 of the current school year. In addition, a member may request a transfer in response to a posted vacancy which occurs after April 30.
2. Any member, if properly certificated and otherwise qualified, who requests consideration for a vacancy, shall be interviewed for the vacancy.
3. If a member is denied a voluntary transfer, he/she may request written reasons and/or a conference with the Superintendent to discuss the reasons.

E. Involuntary Building Transfers

1. Upon request, members shall be given an interview to explain the reasons why an involuntary building transfer was recommended.
 - a. The principal to whom the member is directly responsible, who deems a transfer advisable, shall first discuss the matter with the member involved. If the transfer is mutually agreeable, they shall submit the request in writing to the Superintendent.
 - b. If the personal conference with the member and his/her building principal does not result in agreement, the principal shall state the reason(s) in writing within two weeks and submit the copies of the report to the member and the Superintendent.
2. A member may request in writing a conference with the Superintendent to further discuss and investigate the reasons for and against an involuntary transfer.
 - a. The conference shall be scheduled within two (2) weeks from the date of written request at a time convenient to all parties concerned. Final disposition of the conference shall be forwarded in writing to the member and his/her building principal by the Superintendent within two (2) weeks.
 - b. The process for selection will be in accordance with the criteria in Section F. below.

F. Selection

1. The following criteria are to be used in making the annual assignment and transfers, in no particular order:
 - Desire of member regarding assignment or transfer.
 - Member's seniority.
 - Contribution which member could make to students.
 - Qualifications of member compared with those of outside candidates for position to be filled.
 - Opportunity for professional growth.
 - The endorsement of the principal.
2. When the certification/licensure of members is equal and, in the opinion of the Superintendent, the qualifications are equal, a transfer shall be made on the basis of seniority. (Voluntary transfer is awarded to the most senior, involuntary transfer to the less senior).
3. Seniority in this section is defined as total years experience in the District. In the event of a tie in District seniority, then total years experience in the building will be considered followed by total years experience in the subject matter or grade level.
4. The Superintendent has final responsibility for assigning the members to the position of instruction for which they are best qualified. Voluntary transfer may be made at the request of any member or involuntary transfer upon the initiative of the Superintendent which in his/her judgment shall serve the best interest of the schools.

G. General Provisions

1. No transfer shall be completed except after consultation with the building principal and member involved.
2. The procedural aspects of a transfer are grievable; however, the reason(s) for a transfer are not.
3. If conditions are such that a transfer takes place that does not allow for proper preparation for the member, a request can be made for a substitute for a period not to exceed four (4) school days. The use of the substitute would allow the member preparation time in order to properly prepare for the classroom. Such days shall not be available if the transfer occurs over breaks in the school calendar of seven (7) calendar days or more.

ARTICLE 23 – EVALUATION

The evaluation procedures in the Board’s Teacher Evaluation Policy and this Article shall apply to “Teachers” as that term is defined in the Board’s Teacher Evaluation Policy.

This Article shall be consistent with statutory provisions regarding evaluations and the Ohio Department of Education’s Ohio Teacher Evaluation System (OTES).

2. Each unit member whose contract is due to expire at the end of that school year and who is under consideration for non-renewal shall be formally observed not less than three (3) times.
3. Unit members who are on leave for at least 50% of the school year may not be evaluated, at the election of the Board.
4. Unit members who have submitted a notice of retirement that has been accepted by the Board by December 1st of the school year in which the evaluation is otherwise required to be conducted may not be evaluated, at the election of the Board.
5. The Board and the Association are committed to using the Ohio Teacher Evaluation System (“OTES”), as it currently exists as the model for assessing teacher performance. Revisions and amendments to OTES required by law or recommended by ODE will be grounds for the parties to convene discussion in the LMC. To this end, the parties agree that the OTES model will be followed for:
 - i. Self-Assessment Summary Tool
 - ii. Calculating Student Growth Measures
 - iii. Calculating the Final Summative Rating
 - iv. Professional Growth and Improvement Plans

Unit members receiving a summative rating of “skilled” on their most recent evaluation shall be evaluated once every two years. In the event a Teacher being evaluated other than annually because of a rating of “skilled” or “accomplished” receives student academic growth measures “below expected levels”, the Teacher and credentialed evaluator will collaborate on a plan of improvement and the Teacher will be formally evaluated the following school year.

In any year in which a Teacher is not formally evaluated as set forth above, he/she must be observed on at least one (1) occasion by a credentialed evaluator and he/she must be given at least one (1) post-conference.

7. The Board and the Association agree that the following OTES Resources will be utilized by the District, as necessary and appropriate, in evaluating performance as part of the OTES Model:
 - i. Self-Assessment Summary Tool
 - ii. Professional Growth Plan

- i. If only two (2) observations are required:
 - 1st formal observation by December 31st
 - 2nd formal observation by April 15th
 - ii. If three (3) observations are required:
 - 1st formal observation by December 31st
 - 2nd formal observation by March 1st

The step in the teacher evaluation procedure shall be completed within the same amount of time that the teacher and/or evaluator was not available due to absence or approved leave (i.e. if an evaluator/teacher is absent for five (5) work days, the step in the teacher evaluation procedure shall be conducted/completed within five (5) work days of the evaluator/teacher's return to work).
10. Evaluations shall be considered when making reduction in force and promotion decisions. Seniority shall not be a basis for making reduction in force and recall decisions, except when making a decision between teachers who have comparable evaluations.
11. Areas of refinement noted on the Observation Report and Walkthrough forms shall be accompanied by recommendations for improvement.
12. The Board shall consider evaluations when it proceeds according to statute to remove poorly performing teachers. Removal shall mean termination for good and just cause pursuant to Ohio Revised Code 3319.16.

The length of the members' workday shall not exceed seven and one-half (7-1/2) hours. The starting and dismissal times for members and students will vary from building to building and the duty assignments of individual members may be changed so long as the number of hours during which the members are required to be present does not change. During the seven and one-half hour workday, time will be scheduled for common planning at each building and all members at the secondary/middle school level shall be provided with at least one (1) preparation period per day, equal in length to one regular class period, and all members at the elementary level shall be scheduled with at least two hundred twenty-five(225) minutes planning time per week. - design thematic teaching units;
- plan communications to parents and community;
- supervise independent lab work of students;
- schedule individual and small group counseling for students;
- establish and evaluate short and long range goals for the school, grade levels, subject areas, and individual students;
- plan for team teaching;

- brainstorm innovative approaches to teaching and learning;
- visit community locations to display student work;
- conduct faculty meetings;
- complete applications for financial grants;
- train and supervise teen peer counseling sessions; and
- schedule I.E.P. conferences.

Each Building Leadership Team shall establish a common planning agenda according to the needs of the building. Staff members shall begin meetings promptly and use the time profitably. Members within an established group shall designate a chairperson who will be responsible for reporting the group's planning efforts to the BLT and/or full faculty.
