A regular part-time employee is defined as an hourly employee working on a regular schedule whose term of employment is for a position of nine and one-half (9 1/2) months per year.

This recognition is granted by the Board on the condition that Local 153 shall admit into membership and shall represent employees within the unit without discriminating on the basis of race, creed, color, religion, national origin, sexual orientation or sex.

There shall be no discrimination or intimidation on the part of the Board and its administration or agents against its employees because of Union membership or the exercise of rights to engage or not to engage in Union activities.

ARTICLE II. NEGOTIATIONS PROCEDURE

- A. Upon the request of Local 153 or the Board, not earlier than ninety (90) calendar days prior to the expiration of this Agreement, the parties may open negotiations for a successor contract. - E. When tentative agreement is reached covering the matters of negotiation, it shall be reduced to writing, reproduced at Board expense for the Local 153 membership to ratify or reject. When approved by Local 153 membership, it shall be presented to the Board for its approval or rejection.
- F. In the event agreement is not reached within thirty (30) calendar days after the first actual negotiating session, either party may request that Federal Mediation and Conciliation Service be notified and requested to furnish the services of a mediator for the purpose of assisting the parties in reaching agreement. The request for a mediator shall be jointly filed. This procedure is intended to serve as an alternate dispute resolution procedure to those set forth in Chapter 4117 of the Ohio Revised Code.
- G. The procedures set forth above may be modified prior to the start of negotiations by joint agreement of the parties. Should that occur, the bargaining shall be governed by the ground rules agreed to modifying these procedures.

- b. Upon the retirement, resignation or other employment termination of a bargaining unit member, the administration shall determine whether to fill, abolish or consolidate the duties of the position.
- c. If the decision is to consolidate the responsibilities of the position with a position(s) currently being held by a bargaining unit member(s) or to not fill the position, no vacancy or opening will exist.

There shall be written notice to the Union President prior to the expiration of the sixty (60) days if the position is unable to be timely filled explaining the reason(s) for such delay.
- f. Among the factors to be considered in filling any vacancy or opening may be evaluations, qualifications, seniority and skill.

4. Classification of newly created positions:

- a. If the opening is a newly created position, prior to its posting, the job description and classification will be sent to the Union President.
- b. If no reply is received within seven (7) calendar days, the classification shall be effective.
- c. If the Union President responds, the Assistant Superintendent-Business and Operations and the Union President shall promptly meet and attempt to determine an appropriate classification for the job. If agreement cannot be reached, the job classification shall be determined by the Assistant Superintendent-Business and Operations.

B. Temporary Positions

- 1. When the District determines additional help is necessary on a temporary basis, temporary aide workers may be employed. The Assistant Superintendent-Business and Operations will provide the Local President with information about any temporary position, including the reasons for the temporary position and the anticipated duration of the temporary position. a temporary one, the Assistant Superintendent-Business and Operations may meet with the OAPSE President to discuss the feasibility of not posting the position and the District will not be required to post if the OAPSE President agrees.

2. Bargaining unit members will be given the opportunity to sign up on a list for additional bargaining unit work occurring outside of their normal work year. When temporary aide work or a special project occurs for a period of time that falls outside of the regular work year, bargaining unit members who have signed up for work outside of their normal work year will be given the opportunity to perform such temporary work or special project if the administration determines the employee is able to efficiently perform the work. No such opportunity will be provided if the temporary work or special project falls within any portion of the bargaining unit member's regular work year.
- C. Bus monitors shall be assigned on a rotating seniority basis for all field trips (starting with the most senior to the least senior).

ARTICLE XI. EMPLOYMENT

- A. The first ninety (90) working days of employment shall be considered as the probationary period. By mutual agreement of the Union and the Board, the probationary period may be extended for up to an additional ninety (90) working days. During this period the probationary employee may be laid off or terminated at the discretion of the Board or their designated representative. All probationary employees shall be subject to a service fee, as defined in Article IV, paragraph G (4) of this Agreement, after ninety (90) calendar days of employment at which point a representative of the union shall be entitled to speak with the employee for 30 minutes during the workday.
- B. At the expiration of the probationary period, if retained, the employee shall receive a one year limited contract. The decision not to retain an employee at the end of the one year limited contract is not considered a disciplinary action under this Agreement. If retained at the expiration of the one year contract, the employee shall be employed on a continuing status. Those bargaining unit members who have been employed more than eighteen (18) months at the time of ratification of this Agreement will be given continuing contracts.
- C. Individuals who are hired pending the completion of a legally required pre-employment criminal background check shall remain on probationary status until such background check has been completed or for the period set forth in Article XI, paragraph A, whichever is greater.

ARTICLE XII. LAYOFF AND RECALL

- A. If it becomes necessary to reduce the number of employees in a job classification due to the abolishment of positions, lack of work, building closures, financial reasons or return of an employee from a leave of absence, the Board may make such reductions through the layoff procedure set forth herein.
- B. The following guidelines for layoff shall apply:
1. Attrition
The number of persons affected by a layoff will be kept to a minimum by not employing replacements, insofar as practicable, for employees who retire, resign, or otherwise vacate a position.
 2. Layoff
In any layoff, seniority shall prevail. Reduction not achieved by attrition shall be accomplished first by laying off new employees in the initial probationary status in the job classification affected. Additional reductions shall begin with the employees with the least seniority in the job classification series affected.
 3. Bumping
An employee laid off from his or her job may, if qualified and if holding greater seniority, bump the least senior employee in any lower classification series. Any employee exercising bumping rights shall be placed on the job classification series salary schedule in accordance with the employee's service in the bargaining unit if (a) the bumping employee is qualified for the position and the employee's most current evaluation was satisfactory, and (b) the bumping employee chooses to exercise the option to bump in the other series. The employee shall have five (5) working days to exercise bumping rights after notification of layoff.

- C. The job classification series are listed below from highest classification series to the lowest, as follows:
1. Swim Aide
 2. Senior Class Advisor/Special Education Aide/Instructional Aide/Teacher Aide

3. Bus Monitor

Employees shall retain rights of recall for twelve (12) months from the date of layoff. Recall rights may be extended for an additional twelve (12) months if the laid off employee notifies the Board of his or her desire to extend recall rights between sixty (60) and thirty (30) calendar days prior to the expiration of the first recall period. The employee must be notified at least sixty (60) calendar days in advance of the scheduled expiration of the first twelve (12) month recall period and advised of the option to extend recall rights. Failure by the Board to provide such notification shall automatically extend recall rights for the additional twelve (12) months. Employees shall be recalled from layoff in reverse order of the layoff. Notices of recall shall be sent by certified mail or registered mail to the employee's last known address as shown in Board records. The recall notice shall state the time, date and place at which the employee is to report back to work. A recalled employee shall be given at least seven (7) calendar days' notice to report to work. Failure to report within the required time shall terminate any recall rights.

ARTICLE XIII. SICK LEAVE

- A. Sick leave with pay shall be earned, paid for and used by employees in accordance with the provisions of Section 3319.141, Ohio Revised Code. In accordance with the provisions of that section, employees will be permitted to accumulate sick leave with pay, at the rate of fifteen (15) days per year to an unlimited accumulation.

Family Illness - Absence due to illness in the family is interpreted to include father, mother, step-parent, spouse, qualified domestic partner, child, step-child or member of the immediate household and is deducted from sick leave. An affidavit may be required to support the claim that it is necessary for an employee to be away from his/her assignment due to family illness.

- B. Bereavement - The regulations as outlined in 3319.141 Ohio Revised Code shall govern bereavement leave.

Family Death - Absence due to death in the immediate family is interpreted to include parent, step-parent, parent-in-law, daughter-in-law, son-in-law, grandparent, grandchild, brother, sister, child, step-child, spouse, qualified domestic partner, niece, nephew, brother-in-law, sister-in-law, aunt, uncle or a member of the immediate household and is deducted from sick leave.

Any employee who does not have at least three (3) days of sick leave accumulation for bereavement leave under this Section shall be entitled up to three (3) days off without loss of pay for bereavement leave due to death in the immediate family.

A qualified domestic partner is defined as the sole domestic partner, not related by blood, who live together in the same residence and intend to do so indefinitely. These individuals are engaged in a committed relationship of mutual caring and support and are jointly responsible for each other's common welfare and expenses. Proof of interdependence includes at least three of the following: (1) common ownership of a vehicle; (2) common ownership of real property; (3) drivers' licenses with common address; (4) proof of joint bank accounts or credit accounts; (5) designated primary beneficiary; and (6) assignment of durable power of attorney or living will.

ARTICLE XIV. PERSONAL LEAVE

- A. Personal leave of absence with pay, not to exceed three days per work year shall be provided. Personal leave must be approved in writing by the immediate supervisor. Such approval shall be obtained in advance except in case of emergency. Personal leave may be used for such occasions as religious holidays, graduation and weddings of members of the immediate family or personal business that cannot be performed at any other time. Personal leave is intended to cover emergency or other business that cannot be performed at any other time. Personal leave is non-cumulative. Requests for personal leave on the day immediately preceding or following a school holiday period will not be approved, except under very unusual circumstances. Personal leave can be granted only when no compensation is received by the employee during time of such leave from other than school funds. When personal leave is requested because of personal business which cannot be performed at any other time, the employee need not describe nor reveal the nature of such business but need only state, in making the request, that the leave is necessary to attend to personal business which cannot be performed at any other time. Unused personal leave at the end of the school year shall be converted to sick leave at the rate of one day of sick leave for each day of unused personal leave and then added to the employee's sick leave accumulation. Personal leave may be used in quarter day increments. Absence for any reason for less than one-quarter day may be handled by the supervising administrator.

OAPSE Local 153 officers pledge their support in obtaining compliance to the spirit and intent of this provision.

- B. Personal leave for newly hired employees during a contract year will be prorated as follows:

<u>Date of Hire</u>	<u>Personal Leave Days</u>
July 1st through October 31st	3

Any employee who works regularly each week on a permanent part-time basis or on a full-time basis and who has ten or more years of service with the Shaker Heights Board of Education, may elect at the time of his/her retirement from active service (retirement from active service shall mean actual retirement under one of Ohio's public employee retirement systems or eligibility for retirement under such retirement systems with retirement from the Shaker schools and election to withdraw retirement funds in a lump sum payment) to receive severance pay in an amount equal to:

		Total Premium	Employee Share
Premium%		100.00%

Remaining Premium	100.00% - <u>EE FTE %</u> = <u>EE Share %</u> X	88.00%	= 35.20%

The Board will maintain a Section 125 plan for premiums only in addition to a flexible account that includes eligible medical expenses and dependent care expenses with participating employees paying whatever the administrative charge is to run the 125 Plan.

If an employee’s spouse is eligible to participate, as a current employee or in their current enterprise or retiree, in group health insurance and/or prescription drug insurance sponsored by his/her employer, enterprise or any public or private retirement plan, the spouse must enroll in such group insurance coverage.

The requirement does not apply to any spouse who works less than 30 hours per week and is required to pay more than 50% of the single premium to participate in the employer’s group health insurance coverage and/or prescription drug insurance coverage.

Upon the spouse’s enrollment in such group insurance coverage, that coverage will become the primary payor of benefits and the coverage sponsored by the Board will become the secondary payor of benefits except when contrary to law.

Any spouse who fails to enroll in any group insurance coverage sponsored by the spouse’s employer, enterprise or any public or private retirement plan, as required by this Agreement, shall be ineligible for benefits under the group insurance coverage sponsored by the Board.

Every employee whose spouse participates in the Board's group health insurance coverage and/or prescription drug insurance coverage shall complete and submit to the Board, upon request, a written certification verifying whether his/her spouse is eligible to participate in group health insurance coverage and/or prescription drug insurance coverage sponsored by the spouse's employer, enterprise or public or private retirement plan. If any employee fails to complete and submit the certification form by the required date, such employee's spouse will be removed immediately from all health and prescription drug insurance coverage sponsored by the Board. Additional documentation may be required.

An employee who submits false information or fails to timely advise the Board of a change in the spouse's eligibility for employer, enterprise or retirement plan sponsored group health insurance and prescription drug insurance and such false information, or such failure results in the Board providing benefits to which the spouse is not entitled, the employee will be personally liable to the Board for reimbursement of benefits and expenses incurred by the Board. - A. For purposes of this Article, total annual salary and salary per pay period for each member shall be the salary otherwise payable under this Agreement, as amended. The total annual salary and salary per pay period of each member shall be payable by the Board in two parts: (1) deferred salary and (2) cash salary. A member's deferred salary shall be equal to that percentage of said member's total annual salary or salary per pay period which is required from time to time by the State Employment Retirement System ("SERS") to be paid as an employee contribution by said member and shall be paid by the Board to SERS on behalf of said member as a "pickup" of the SERS employee contribution otherwise payable by said member. A member's cash salary shall be equal to said member's total annual salary or salary per pay period less the amount, subject to applicable payroll deductions, to said member. The Board's total combined expenditures for members' total annual salaries otherwise payable under this Agreement, as amended, (including pickup amounts) and its employer contributions to SERS shall not be greater than the amounts it would have paid for those items had this provision not been in effect.
- B. The Board shall fulfill its income tax reporting and withholding responsibilities for each employee in such manner as is required by applicable federal, state and local laws and regulations as they may exist at the time of such reporting and withholding, it being the Board's understanding that federal and Ohio income tax laws and regulations presently require it to report as an employee's gross income his/her total annual salary less the amount of the pick-up while applicable municipal income tax laws require it to report as an employee's gross income his/her total annual salary including the amount of the pick-up.
- C. The pickup shall be included in the member's hourly rate for the purpose of computing hourly rate, overtime rate, for determining pay adjustments to be made due to absence, or for any other similar purpose.

- D. Should the Internal Revenue Service determine that the deferred salary would be treated as current taxable income for federal income tax purposes, this section will be void and inoperable.

ARTICLE XXVII. LEAVE OF ABSENCE

A. Leave of Absence

Upon the written request of a bargaining unit member, the Board shall grant an unpaid leave of absence for a period of not more than two consecutive school years where illness or other disability is the reason for the request. An employee who fails to return to work at the conclusion of the granted leave shall be considered terminated.

In the event a delayed award by workers' compensation results in a total combined payment in an amount exceeding the employee's normal daily rate, the excess payment will be returned to the Board.

ARTICLE XXVIII. FAMILY AND MEDICAL LEAVES OF ABSENCE

Employees shall have rights provided by the Family and Medical Leave Act ("FMLA"). Under FMLA, a unit member who has worked at least 1250 hours in the twelve month period preceding the commencement of the leave is entitled to take up to twelve (12) weeks of unpaid leave between July 1 and June 30 of each year because of the birth of a child; the placement of an adoption or foster care child with the employee; for the care of a spouse, child, step-child, parent, or step-parent who has a serious health condition; or because of a personal serious health condition. During such leave, the unit member is entitled to the continuation of health benefits with the same level of Board contribution as otherwise exists. Leave taken pursuant to other provisions of this contract shall count toward the twelve (12) week FMLA entitlement. Thus, if the purpose of a leave qualifies for sick leave, the employee shall take sick leave; if the purpose of the leave qualifies for child care leave, then the employee shall take child care leave under this contract, provided that benefits for the first twelve (12) weeks of the child care leave shall be paid by the Board to the extent the Board otherwise would pay for such benefits. The time off on sick leave or child care leave shall count toward the employee's twelve (12) week FMLA entitlement; that is, the employee shall not be entitled to an additional twelve weeks of FMLA leave after exhausting sick leave or child care leave. The unit member may request or the Board or administration shall designate leave as FMLA leave within 48 hours of the commencement of the leave if the leave is to be counted toward the twelve (12) week FMLA entitlement.

- D. Before exercising the right to refuse to work under Section 4167.06 of the Ohio Revised Code because of a condition which the employee acting in good faith reasonably believes presents an imminent danger of death or serious harm to the employee, the bargaining unit member shall immediately notify his/her immediate supervisor or building principal of the condition. The employee may be temporarily reassigned while the condition is being investigated and/or corrected.
- E. No bargaining unit member shall be in any way discriminated against as a result of reporting any condition perceived to be an unsafe working condition. An employee who wishes to assert a claim of discrimination as defined in Chapter 4167 of the Ohio Revised Code shall use the grievance procedure in this contract as the means for asserting such a claim.

ARTICLE XXX. JOB CLASSIFICATION DESCRIPTIONS

The Union shall be furnished with a job classification description for each job classification in the bargaining unit.

Each bargaining unit job classification description shall be on file in the personnel office and available on request.

ARTICLE XXXI. INVOLUNTARY TRANSFERS

Except to the extent permitted by Section 4117.10 of the Ohio Revised Code, any provision of this Agreement which is contrary to the laws of the United States or the State of Ohio or contrary to the Constitution of the United States or the State of Ohio shall be considered null and void, but all other provisions or applications shall continue in full force and effect.

To the extent permissible by law, it is the intent of the parties that the terms of this collective bargaining agreement supersede and prevail over all provisions of the civil service laws and all conflicting provisions of the Ohio Revised Code. This Agreement represents a completion of negotiations on all bargainable issues for the duration of the Agreement.
