ARTICLE 1
NEGOTIATIONS AGREEMENT

A. Recognition

1. The Hamilton Local Board of Education, hereinafter referred to as “the Board” or the “Board of Education,” recognizes the Hamilton Local Education Association/OEA/NEA, hereinafter referred to as “the Association” or the “HLEA,” as the sole and exclusive representative of all the members of the bargaining unit, hereinafter referred to as “members” or “unit members” or “employees.”
2. For purposes of recognition and negotiations, the term “bargaining unit” shall mean the certificated/licensed teaching employees, including certificated/licensed classroom teachers, guidance counselors, reading teachers, speech and hearing therapists, librarians, nurses, tutors and all other certificated/licensed employees whose position does not require supervisory duties. Excluded from the unit are the Superintendent and Assistant Superintendents, Principals and Assistant Principals, Administrative Directors, administrative office employees whose position requires a certificate/license in supervision or administration, other administrative and supervisory personnel, and casual day-to-day substitutes.
3. The Hamilton Local School District shall hereinafter be referred to as the “District.”

B. Areas for Discussion and Agreement

1. This recognition constitutes an agreement between the Board and the Association to provide the framework to reach mutual agreement regarding matters related to salary, hours, and the terms and conditions of employment for members of the bargaining unit, and the continuation, modification, or deletion of the provisions of this Agreement.
2. Good faith requires that the Board and Association be willing to react to each other’s proposals. If a proposal is unacceptable, the other side is obligated to give reasons why. Nothing in this Agreement shall compel either party to agree to a proposal or to make a concession.

C. Bargaining Procedures

1. The Board and the Association shall each designate a bargaining team of up to five, not including one legal representative per party and the HLEA President. All bargaining shall be conducted exclusively between the teams.

2. Not less than sixty (60) days prior to the expiration date of the existing Agreement, either party may notify the other of a desire to commence bargaining. Within thirty (30) days, unless there is a mutual agreement otherwise, the parties shall meet and submit issues proposed for discussion. The bargaining agenda will be set at this initial meeting and no additions shall be made without mutual consent. All necessary subsequent meetings shall be held at times and places mutually agreed to by the parties.
3. Time Limits:
 - a. Either party may call caucuses during negotiations.
 - b. Bargaining sessions shall last a maximum of eight (8) hours.
 - c. These limits may be modified by mutual agreement.
4. Prior to and during the period of bargaining, each party will provide the other, upon written request, all regularly and routinely prepared information concerning issues under consideration.
5. Either party may call upon professional or other consultants to assist in negotiations for informational purposes. The expense of such consultants shall be borne by the party requesting them.
6. The bargaining teams shall have the authority to indicate tentative agreement pending final approval by the Board of Education and the Association. When tentative agreement has been reached on all issues, they shall be reduced to writing and submitted to the Board of Education and the Association for approval. Following approval by both parties, the Agreement shall be binding on both parties.
7. Resolving Differences:
 - a. In the event there are proposals that have not been resolved in negotiations between the parties, either party may declare impasse. The expiration date of the contract shall be extended through the mediation process. Upon the declaration of impasse by either party, any unresolved issues shall either be withdrawn by the proposer or considered at impasse and submitted to mediation. If the designated representatives of the Board and the Association are unable to agree upon the selection of a mediator within five (5) calendar days, all unresolved issues shall be submitted to federal mediation within ten (10) calendar days.

- b. If, after a minimum of fifteen (15) calendar days, mediation has not resolved the differences, the Association shall have the right to proceed under Ohio Revised Code (ORC) Section 4117.14(D)(2).
 - c. The expenses of the mediator shall be shared equally by the parties.
 - d. Mediation may extend beyond the expiration date of the contract only with the mutual consent of the parties.
 - e. The parties intend for this dispute resolution procedure to supersede and take the place of the impasse procedure contained in ORC Chapter 4117.
8. Change in Applicable Law
- a. In the event there is a change in any applicable state law, which would invalidate any negotiated policy, the parties will meet to negotiate any necessary change relative to the affected policy only.
 - b. In the further event that the legislature mandates enactment of a negotiable policy, the parties will initiate negotiations within thirty (30) days of the effective date of such legislation. Upon commencement of negotiations, the applicable procedures of this Agreement shall be followed.
 - c. Inability to Reach Agreement – If the parties fail to reach agreement over the affected provision within 30 calendar days after the initial bargaining session, the parties shall jointly request the Federal Mediation and Conciliation Service (FMCS) or, if mutually agreed, an alternate mediation service, for a mediator. The parties pledge to make reasonable efforts in good faith to reach agreement on the unresolved issue(s) within thirty (30) calendar days of the initial mediation session (which timeline may be extended by mutual agreement). Neither party waives any legal remedy that it may have if mediation does not resolve the issue(s) in question.

ARTICLE 2 GRIEVANCE PROCEDURE

A. Definitions

1. A grievance is a claim based upon an event or condition which violates the existing terms and conditions of employment of a unit member, group of unit members, or the Association and/or the interpretation, meaning, or application of any of the provisions of the negotiated agreement.
2. A grievant may be any unit member or group of unit members, or the Association.
3. For the purposes of this Article, a day is defined as a normal workday in which unit members are required to be in attendance.
4. The immediate supervisor is the lowest level administrator having authority to adjust the grievance.
5. Informal Level - Before a formal written grievance, the grievant shall attempt to resolve it by an informal conference with the immediate supervisor as defined above.

B. Procedure

At any level or step, the grievant shall have the right to an Association representative of his/her choice. Any level or step of the grievance procedure shall not be delayed more than one (1) day due to the availability of the Association representative of choice unless mutually agreed to between the parties.

1. Step 1-Immediate Supervisor: Within ten (10) days after the Informal Level step above, the grievant must present the grievance in writing on the mutually agreed upon form (attached as Appendix E) electronically to his/her immediate supervisor. If the written grievance is not filed within twenty-five (25) days after the grievant knew or should have known of the act or condition on which the grievance is based, then the grievance shall be waived.

If the grievance is not within the jurisdiction of the immediate supervisor, the grievant may file the written grievance at Step 2.

The written grievance shall include a clear statement of the facts causing the grievance. It shall include a reference to the specific provision of the memorandum, contract, policy rule or regulation allegedly violated, misinterpreted or misapplied.

Within ten (10) days after receiving the grievance, the immediate supervisor shall communicate an electronic written decision to the grievant.

2. Step 2-Superintendent: In the event the grievant is not satisfied with the decision at Step 1, the grievant may appeal the decision on the appropriate grievance form within ten (10) days to the Superintendent.

At this step, a hearing shall be held within ten (10) days from receipt of the appeal. An electronic written decision shall be issued to all parties within ten (10) days after hearing the appeal.

3. Step 3-FMCS Mediation: In the event the grievant and the Association are not satisfied with the decision at Step 2, the Association may, within ten (10) days after receipt of the Superintendent's disposition, submit a request electronically to the Superintendent for Federal Mediation and Conciliation Service (FMCS) mediation. Within five (5) days of the request, the parties shall mutually attempt to agree on an FMCS mediator. If unable to do so, the parties shall request for FMCS to appoint a mediator. The parties shall participate in an FMCS grievance mediation session, which shall be held as soon as practicable in accordance with the mediator's availability.
4. Arbitration: In the event the grievant and the Association are not satisfied with the results of Step 3, the Association may submit a request in writing electronically that the grievance be submitted to binding arbitration. The request shall be made within ten (10) days of the final mediation session at Step 3. The parties shall immediately attempt to select a mutually acceptable arbitrator either from lists to be developed by the parties or developed by the American Arbitration Association (AAA). If the parties are unable to select an arbitrator within ten (10) days of the request for arbitration, the grievance may be submitted for arbitration to the AAA. The conduct of the arbitration shall be governed by the voluntary labor arbitration rules of the AAA.

The cost of arbitration shall be borne equally by the Board and the grievant. The Arbitrator shall have no power to alter, amend, or change any of the terms of this Agreement. The decision rendered by the arbitrator shall be final and binding upon the parties.

C. Unit Member Processed Grievance

A unit member covered by this Agreement may present a grievance directly and have such grievance adjusted without intervention of HLEA as long as the adjustment is not inconsistent with the terms of this Agreement and HLEA is present at the time of adjustment. HLEA shall be provided copies of any grievance filed by unit members directly and any responses by the District.

D. Timelines

Any grievance not advanced to the next step within the time limits shall be null and void. Failure of the administration or Board to render a decision within the time limits shall automatically advance the grievance to the next step.

4. In the event a unit member performs work under the supervision of more than one administrator, one administrator shall be designated as the evaluating administrator.
5. An evaluator shall be under contract with the Board pursuant to section 3319.01 or 3319.02 of the Revised Code and holds a license designated for being a superintendent, assistant superintendent, principal, administrative specialist, or supervisor issued under section 3319.22 of the Revised Code.

5. Teacher observations and/or post-observation conferences will not be conducted the first or last week of the school year or the day before or after Thanksgiving, winter, or spring break.
6. The timelines contained herein may be extended by mutual agreement, or by the absence of the evaluator or the licensed/certificated employee being evaluated.
7. Article 3.2 of this staff appraisal program shall supersede and take the place of all statutory evaluation requirements, including ORC Section 3319.111.

1. The initial limited contract offered to unit members new to the District shall be for a term of one (1) year. A teacher must be under contract for at least one hundred and twenty (120) school days for that contract to count as the initial limited contract. If employed for less than one hundred and twenty (120) school days the unit member's next contract will be considered his/her first contract.
2. Upon completion of the first contract, such unit member, if re-employed, shall be offered another one (1) year limited contract.
3. Upon completion of two (2) one (1) year limited contracts, such unit member, if re-employed, shall be offered a two (2) year limited contract.

There is no right to grieve this automatic contract expiration, or a Board decision not to offer reemployment. This section is also applicable to any teacher replacing a teacher on a leave of absence.

2. For the third, fourth and fifth years of employment with the District, the non-renewal of a member's contract shall be in accordance with the provisions of ORC Section 3319.11, except that the appeal process will be through the grievance procedure instead of ORC Section 3319.11. The parties intend for the grievance process to supersede and replace the entire ORC Section 3319.11 appeal process.
3. Bargaining unit members with five (5) or more years of continuous current service or more who are notified in writing that it is the intention of the Superintendent to recommend that their contract not be renewed, may, upon written request to the Superintendent within ten (10) calendar days after receipt of the Superintendent's notification, schedule a hearing with the Board in Executive Session at a time mutually convenient to all parties, to show cause why his/her contract should be renewed.
4. The non-renewal of a member's contract with five (5) or more continuous, current years of service, except those who have been placed on the reduction in force list, should be based upon one or more of the following reasons:
 - a. Professional incompetence as determined by the evaluations conducted each year by his/her principal and/or Superintendent or his/her designee in accordance with the staff appraisal program established in accordance with the terms of this Agreement.
 - b. The violation of the policies established by the Board and/or the administration, and/or the terms of this Agreement governing the conduct and employment of each member.
 - c. The violation of a civil or criminal law, which in the judgment of the Board should the member be found guilty, continued employment would not be in the best interests of the school system.
 - d. Immorality
 - e. Or for any other good and just cause which governs the conduct and employment of members of the educational profession.
5. Nothing herein stated shall be construed to deny any member the right of Association representation.

6. A decision in writing shall be rendered by the Board following the termination of the hearing. A copy of said decision shall be sent to the member, the President of the Association and the Superintendent.

The unit member will acknowledge having read such notation by signing on the actual document filed, with the understanding that such signature does not indicate agreement with its contents. The unit member shall also have the right to answer such notation and said answer shall be attached to the file copy.

The two exceptions are if a student is enrolled in online coursework for Option C, or if a student is enrolled in an interactive distance learning course, the teacher need not be HQT.

Any unit member who refers a pupil to a school administrator for disciplinary action shall, that same day, submit a discipline referral report to the school administrator in charge of discipline. One of the copies shall be placed in the pupil's file and one copy shall remain in the principal's office. This report shall include a statement of facts, a summary of the historical conditions preceding the event which resulted in disciplinary action, the steps taken by the unit member to remediate the perceived problem and to motivate the student involved, and a statement describing the disciplinary steps taken by the unit member before referral to the school administrator.

ARTICLE 20
COMPENSATION FOR DEFERRED CONFERENCE/PLANNING TIME AND
ABSORPTION OF STUDENTS

- A. The purpose of this policy establishes guidelines which ensure minimal interruption of the educational process for students when unit members are absent from their normal teaching duties and assignments. When unit members are assigned by their building principals to perform teaching duties during their normal conference/planning time or required to absorb additional students into their class, unit members will be compensated in an equitable manner.
- B. Conference/planning time in the elementary and intermediate grades means those blocks of time when special area unit members are assigned to teach in self-contained classrooms. In a departmental or secondary setting, conference/planning time is that period designated on the unit member's master schedule as the conference/planning period.
- C. The following guidelines will apply to administer this type of compensation:
1. Each building principal will first attempt to secure substitute teachers for all classroom teachers, special area teachers, and intervention specialists who are absent from their assignments. Assignments of additional students to unit members will be made as a last resort to provide the most educationally sound solution to the absence of the regular classroom unit member.
 2. Unit members who receive deferred conference/planning time compensation or absorption will verify on the proper form from the Treasurer's office that they had extended a normal school day by the equivalent amount of deferred conference/planning time before they receive such compensation (time to be made up, on or off school premises, at discretion of unit member). A deferred conference/planning time compensation form must be submitted electronically to and approved by the building principal.
 3. Unit members assigned to a building where absorption of additional students into the unit member's classroom occurs shall receive compensation of two-hundred fifty dollars (\$250.00) on the second paycheck each December. This payment will compensate unit members for the first ten (10) occurrences of absorbing students. An occurrence is defined as each day that a unit member absorbs students, regardless of how many individual students are absorbed.

Unit members who are assigned additional students to be absorbed into their regular classes shall be compensated at the current rate as per Section 5 below, starting with the eleventh (11th) time each year that the member absorbs additional students. The first ten (10) occurrences per member of absorption each year will not be eligible for this additional compensation. Such compensation shall be prorated, based upon the portion of the day and portion of the class being absorbed. Unit members must submit an electronic

- Absorption Compensation form via email to the building principal to receive pay.
4. Compensation for conference/planning blocks of time shall be reimbursed based upon the hourly rate at the fifth step of the B.A. degree level.
 5. Unit members will not be assigned to substitute during their conference/planning time more than twice per semester unless the building principal declares that an emergency exists. Nothing in these provisions shall prohibit unit members from assisting each other; however, unit members will be reimbursed as per number 3 or 4 of this Article for all assigned substitutes or absorption.

ARTICLE 21 REDUCTION IN FORCE

If the Board determines it necessary to reduce the number of teaching positions under ORC Section 3319.17 or for financial reasons, the following procedures shall apply:

- A. Reductions shall be made by suspending contracts based upon the Superintendent's recommendation who shall, within each teaching field affected, give preference to teachers on continuing contracts. The Board shall not give preference to any teacher based on seniority, except when making a decision between teachers who have comparable evaluations. Those contracts to be suspended will be chosen as follows:
1. All unit members will be placed on a seniority list for each teaching field for which they are properly certificated. Unit members serving under continuing contracts will be placed at the top of the list, in descending order of seniority. Unit members serving under limited contracts will be placed on the list under continuing contract unit members, also in descending order of seniority. Unit members will be deemed to have comparable evaluations for the purpose of RIF with those unit members who have the same rating on the performance portion of the evaluation. In the event of a reduction, a unit member who has received a performance rating of Skilled and wishes to appeal the rating may do so by requesting an appeal in writing to the Superintendent. Such appeal shall be heard by the Superintendent/designee within three (3) calendar days. The Superintendent/designee shall review all evidence presented and consider it with the rubric. Within one (1) school day, the Superintendent/designee will announce that he/she has either upheld the performance rating of Skilled or has deemed the rating Accomplished. The decision of the Superintendent/designee shall be final and binding. The rating shall remain in place for the unit member until such time as the next full-cycle summative evaluation rating has been recorded.
 2. Seniority will be defined as the length of continuous service as a certificated employee under regular contract in this District.
 - a. Board approved leave of absence will not interrupt seniority, but time spent on such leave shall not count toward seniority.
 - b. If two or more unit members have the same length of continuous service, seniority will be determined by:
 - the date of the Board meeting at which the unit member was hired, and then by;
 - the date the unit member signed his/her initial employment contract in the District, and then by;

- the initial date of the personal interview.
3. The order of reduction in each certification/licensure area shall be as follows:

 - i. Licensure/Certification;
 - ii. Competency as determined by the performance portion of the evaluation;
 - iii. When evaluations are comparable, the lowest seniority in the District.
 4. A unit member identified to be reduced may displace another unit member if:

The effective date shall be determined by the Board of Education.

The Superintendent/Designee shall notify the HLEA President of the specific reasons for, and the nature of, any anticipated staff reduction no less than twenty (20) calendar days prior to Board action on a reduction in force.

D. The names of unit members whose contracts are suspended in a reduction in force will be placed on a recall list during the duration of this contract from the date of the reduction. Unit members on the recall list will have the following privileges:

1. No new teachers will be employed by the Board while there are unit members on the recall list who are certificated for the vacancy.
2. No transfer, reassignment, or involuntary reassignment shall be made during a period of RIF until all eligible, qualified unit members are offered recall.
3. No non-bargaining unit employee shall be assigned to fill a bargaining unit position while an eligible unit member remains on RIF status.
4. Qualifications for a bargaining unit position shall not be upgraded to prevent the recall of a RIF'd unit member. If the State of Ohio makes any changes related to the qualifications and/or certifications required for a position, the District shall have the ability to fill the position in accordance with the state changes.
5. Unit members on the recall list will be recalled in reverse order of seniority for vacancies in areas for which they are certificated/licensed.
6. If a vacancy occurs, the Board will send a certified announcement to the last known address of all unit members on the recall list who are qualified according to these provisions. It is the unit member's responsibility to keep the Board informed of his/her current address. All unit members are required to respond in writing to the District office within seven (7) calendar days. Any unit member who fails to respond within seven (7) calendar days, or who declines to accept the position, will forfeit all recall rights.
7. A unit member on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave, and salary schedule placement as he/she enjoyed at the time of layoff.

8. Suspended unit members may elect to pay the total premium for group life, hospitalization, and other group insurance benefits pursuant to the applicable COBRA regulations.
- E. The Board retains the right to employ the number of unit members it deems necessary in order to provide the best instructional program on behalf of the school district and the community it represents.
- F. The parties agree that these procedures apply only to the suspension of contracts under ORC Section 3319.17 or for financial reasons. This Article shall not require the Board to fill any vacancy, nor shall it interfere with any other lawful personnel procedures in the District.

**ARTICLE 22
ASSAULT LEAVE**

- A. The Board shall grant up to fifteen (15) consecutive days of paid assault leave due to injury or illness resulting from a physical assault on a unit member which occurs on Board premises or which occurs off Board premises in connection with the performance of assigned duties, subject to the following stipulations:

- A. When a complaint is made to the Board or any of its members or administrators concerning a unit member's conduct or other activities that relate to the unit member's employment duties and the concern is thought to be serious enough to become a matter of record or be reflected in the bargaining unit member's evaluation, the unit member shall be informed of the stated concern by the appropriate administrator within five (5) days. The appropriate administrator and unit member shall attempt to resolve the party's complaint.

- B. When a principal or administrator finds it necessary to make a notation in a unit member's file, which reflects adversely upon a unit member, the unit member will be offered an opportunity to read such notation. The unit member will acknowledge having read such notation by signature on the actual document filed, with the understanding that such signature does not indicate agreement with its contents. The unit member shall also have the right to answer such notation and said answer shall be attached to the file copy. Upon request of the unit member, notations will be destroyed after three (3) years if no disciplinary action has been taken concerning the complaint, and the notation is untimely, incomplete, inaccurate, or irrelevant.

- C. Should the complaining party still not be satisfied and take the concern to the Board, the unit member shall be so informed and have the right to provide the Board information concerning the issue. In no case shall such complaint be grounds for action or reprimand or discipline against a unit member without the unit member having prior notice that would allow the unit member to attempt to resolve the concern or provide information on the issue to the administration.

ARTICLE 24
PROFESSIONAL AND ACADEMIC FREEDOM

- A. It is recognized by the Board and the Association that academic freedom is a student and individual bargaining unit member right and that such freedom is granted to students and unit members by the District in order that they may study, investigate, and interpret concepts when pursuing Ohio Learning Standards.

- B. The unit member shall ensure that all teaching methods and strategies are consistent with the approved Ohio Learning Standards course content. Unit members shall ensure that teaching methods match the needs of the learner and remain within the scope of the Ohio Learning Standards. The Board agrees that it shall guarantee the Constitutional rights of unit members and students within the compliance of this policy.

- C. In the event that a bargaining unit member's written grade or written grade level assignment recommendation is changed, the bargaining unit member will be notified of the change by the unit member's principal. The Board will defend and indemnify any bargaining unit member subjected to suit as the result of a grade or grade level assignment contrary to the member's recommendation.

 2. The HLEA Group bulletin board shall not be used by any member of the bargaining unit for political purposes or contain political content, including, but not limited to, endorsement of a candidate for office or statement of support or opposition to a school levy or bond issue.
 3. Use of the HLEA Group bulletin board shall be subject to the terms of any applicable Acceptable Use Agreement(s) and/or Board policies, including, but not limited to, prohibitions on communications that violate federal or state law.
 4. No member of the bargaining unit shall post messages or content on the HLEA Group bulletin board during the work day, except during teachers' duty-free lunch period.
 5. The HLEA acknowledges and agrees that the Board Superintendent shall have unrestricted access to the HLEA Group bulletin board.
 6. The HLEA agrees to distribute the attached memorandum (Appendix I) at the beginning of each school year upon signing of this Agreement by all parties, to inform its members of the conditions for use of the HLEA Group bulletin board.
 7. The HLEA further agrees that its officers will take responsibility for policing the HLEA Group bulletin board with such frequency as reasonably possible for messages or content in violation of the restrictions set forth in R.2 or R.3 above, immediately deleting any such messages or content. HLEA will notify the Board Superintendent of the same as soon as reasonably possible.
 8. Both parties agree that, if the Board's agents or representatives find any message or content on the HLEA Group bulletin board in violation of the restrictions set forth in R.2 or R.3 above, the Board may remove the message or content and a removal notice containing any removed message or content will be sent to the HLEA President. After HLEA officers have reviewed the removed message or content, if the HLEA disagrees as to whether the

message or content on the HLEA bulletin board violates a restriction set forth in R.2 or R.3 above, representatives of the parties shall confer as soon as reasonably possible to discuss in good faith a means for resolving the dispute. If, as a result of the conference, no resolution is obtained, each party may exercise whatever lawful remedies are available to it in the circumstance.

9. This Agreement shall not be construed to proscribe the Board's remedies or authority under existing Acceptable Use Agreements and/or Board policies.
10. This Agreement shall not be construed to require the continuation of the existing electronic bulletin board if technological changes make continuation impractical and the Board decides to discontinue the existing electronic bulletin board function for all users.
11. If new software or hardware provides a similar communications function, and this function is being made available to other school-related groups, the Board agrees to meet and confer as to how this function can be made available to the HLEA on the same terms and conditions as is offered to the other school-related groups.

S. Board Copy Machines

1. Upon signing of this Agreement by all parties, the HLEA will provide the Board Superintendent with a written list of the HLEA officers/designee (no more than one per building plus the HLEA President) who have authority to make copies of documents for union business.
2. The Board will then permit the identified officers/designee to use copy machines owned or leased by the Board to make copies for union business, provided the officers do so on their non-work time and provided they keep a handwritten log of the number of copies made. Said log shall be subject to Board inspection at any time.
3. The HLEA officers/designee making copies shall also provide advance notice (verbal or via e-mail) to the building principal of when they wish to use the building copier and the number of copies to be made.
4. Copying for instructional purposes must be given priority over copying for HLEA purposes.
5. As with other users, the HLEA may not use the Board copy machines in a manner that violates Board policies or federal or state law, including the copyright laws.
6. For as long as the amount charged by the Board to the public for copies of public records remains \$.10/page (ten cents per page), the HLEA shall also

be charged \$.10/page (ten cents per page) to make copies for union business, except that, if the HLEA provides its own paper for copies, the HLEA shall be charged only \$.05/page (five cents per page) for copies. If the amount charged by the Board to the public for copies of public records is increased above \$.10/page because of an actual cost increase to the Board, then the amount charged to the HLEA to make copies for union business shall be increased by the actual increased cost amount, whether or not the HLEA provides its own paper. (Example: If the charge to the public goes up by \$.02 to \$.12/page because the Board's actual cost increased \$.02, then the HLEA will pay \$.07/page if it provides its own paper.)

7. The parties further agree that, if a copy machine owned or leased by the Board malfunctions while being used by an HLEA officer/designee, the officer/designee should immediately notify the building principal or building secretary. If this occurs after hours when neither the building principal nor building secretary are present, then the officer/designee should immediately notify the building principal of the problem via e-mail.

A. There shall be a ten (10) person labor/management committee, with five (5) members appointed by the Board and five (5) members appointed by the Association.

1. Purpose and Responsibility

Under the negotiated agreement, a labor management committee will be created each school year. The purpose of this committee is to have an open round table discussion of items in the buildings. The committee meets four (4) times a year (once a grading period). The topics that are discussed are items that teachers would like to see resolved.

2. Composition of the Committee

The committee will be made up of ten (10) members. There will be one (1) representative from each building (High School, Middle School, Intermediate School, Elementary School, and Preschool) and five (5) administrators.

3. Selection of members and Filling of Vacancies

The Superintendent will appoint the administrators to the Committee and an administrative team leader, and the Association will appoint the teachers and a teacher team leader to the Committee. 4. Terms of Members

Members will serve terms as determined by their appointing body.

If an appointed team member cannot be present, a substitute may be sent in his/her place.

Meetings will be run by whatever procedure the group agrees to by consensus. If a consensus cannot be reached, Robert's Rules of Order will be used.

If an issue concerns a specific group of people, representatives from that group may be members of the committee for that meeting. (i.e., a specific building issue that principal and teachers from that building may need to be present for the discussion)

6. Decision Making

Decision making will be made by consensus.

7. Meetings

The scheduled meetings will be held the first Thursday after the end of the nine (9) weeks. If there are no issues to be discussed, the meeting can be cancelled if the team leaders agree. Once a topic has been submitted for the agenda, the meeting must be held.

If issues arise that need to be addressed, additional meetings can be scheduled.

8. Record Keeping

The Chair for that meeting shall also serve as secretary and will be responsible for recording the actions of the meeting. Meeting notes will be posted on the LMC Icon.

9. Procedures

For a topic to be brought to the LMC for discussion, it must first have been discussed at the building level. The building administrator, the staff LMC representative, along with other staff members who may be involved, will have a meeting to discuss the issue and try to come to a resolution. This attempt to solve the problem will be documented on the LMC form attached as Appendix J. This step may be bypassed if the issue is of a critical or time sensitive nature. During the 2018-2019 school year, the LMC shall contact the FMCS and schedule training for the committee in consensus-decision making.

If the issue cannot be resolved at the building level meeting, or it is not resolved after a tentative solution has been agreed upon, then the issue can be brought to the LMC.

10. Resolutions/Solutions

Issues that are brought to the LMC can still be taken through the grievance process if a resolution is not reached.

**APPENDIX B
EXTRACURRICULAR SALARY SCHEDULES**

- A. Incoming personnel may be awarded up to five (5) years experience for like services rendered in previous districts.
- B. Previous experience will continue from that point forward within the District.
- C. The Board has the right to determine if any particular supplemental position will be filled. Positions may be split between unit members if the affected members agree to the split. The positions listed in the schedule below will continue to be listed unless there is mutual agreement between the HLEA and the Board to delete a listing.
- D. Supplemental positions may be offered on a contingent basis. If the Board ultimately determines not to field a team/program, the Board can cancel the supplemental contract. However, if the contract is cancelled, the coach/supervisor will receive twenty-five percent (25%) of the total supplemental salary for performing "pre-season" responsibilities.
- E. The Athletic Director will interview candidates for vacant coaching positions. Where the position is an assistant coaching position, the head coach for the sport will also be given the opportunity to interview the candidate if the head coach is available.
- F. Job descriptions for supplemental coaching contracts will be developed by the Athletic Director with the assistance of head coaches and approved by the Board.
- G. Reporting requirements for coaching positions shall be clearly delineated so that the chain of authority is set forth for each person holding a coaching position.
- H. The Athletic Director shall develop an evaluation instrument for coaching positions and shall be responsible for evaluating athletic supplemental contracts. Any changes to the evaluation instrument shall be done with consultation of the head coaches.
- I. Employees will receive all supplemental pay in separate paychecks. Please note the deadlines for turning in a supplemental pay request to the appropriate supervisor (Director of Athletics, Principal, etc.). Teacher Performance Evaluation Rubric

The *Teacher Performance Evaluation Rubric* is intended to be scored holistically. This means that evaluators will assess which level provides the best *overall* description of the teacher. The scoring process is expected to occur upon completion of each thirty (30) minute observation and post-conference. The evaluator is to consider evidence gathered during the pre-observation conference, the observation, the post-observation conference, and classroom walkthroughs (if applicable). When completing the performance rubric, please note that evaluators are not expected to gather evidence on all indicators for each observation cycle. Likewise, teachers should not be required to submit additional pieces of evidence to address all indicators. The professionalism section of the rubric may use evidence collected during the pre-observation and post-observation conferences as well as information from the Professional Growth and/or Improvement Plan (if applicable).

INSTRUCTIONAL PLANNING					
		Ineffective	Developing	Skilled	Accomplished
INSTRUCTIONAL PLANNING	FOCUS FOR LEARNING (Standard 4: Instruction) <i>Sources of Evidence:</i> Pre-Conference	The teacher does not demonstrate a clear focus for student learning. Learning objectives are too general to guide lesson planning and are inappropriate for the students, and/or do not reference the Ohio standards.	The teacher communicates a focus for student learning, develops learning objectives that are appropriate for students and reference the Ohio standards but do not include measurable goals.	The teacher demonstrates a focus for student learning, with appropriate learning objectives that include measurable goal(s) for student learning aligned with the Ohio standards. The teacher demonstrates the importance of the goal and its appropriateness for students.	The teacher establishes challenging and measurable goal(s) for student learning that aligns with the Ohio standards and reflect a range of student learner needs. The teacher demonstrates how the goal(s) fit into the broader unit, course, and school goals for content learning and skills.
	Evidence				
	ASSESSMENT DATA (Standard 3: Assessment) <i>Sources of Evidence:</i> Pre-Conference	The teacher does not plan for the assessment of student learning or does not analyze student learning data to inform lesson plans. The teacher does not use or only uses one measure of student performance.	The teacher explains the characteristics, uses, and limitations of various diagnostic, formative, and summative assessments but does not consistently incorporate this knowledge into lesson planning. Final Summative Rating of School Counselor Effectiveness

Once you determine a rating for each of the rubric areas, based on the available evidence from multiple interactions, look at the larger picture of performance across all areas of the rubric. Although all areas are important for effective school counseling practice, you may find it appropriate to more strongly weight patterns of behavior in one area over another. The key point is that the evaluator should consider no one area in isolation, but should analyze each in relation to all other areas of performance. Determine which of the four performance levels is most appropriate for the school counselor based on this holistic process.

LPDC GUIDELINES

1. **PURPOSE AND RESPONSIBILITY**

The LPDC will be responsible for reviewing and approving professional development plans for recertification and licensure as specified by Ohio law.

2. **COMPOSITION OF THE COMMITTEE**

The Committee will be composed of nine members, including five teachers and four administrators. One teacher from the High School, Intermediate School, Middle School and two (2) from the Elementary School will be on the Committee and shall include the chairperson.

Whenever an administrator's coursework plan is being discussed or voted upon, the local professional development committee shall, at the request of one of its administrative members, cause a majority of the committee to consist of administrative members by reducing the number of teaching members voting on the plan.

3. **SELECTION OF MEMBERS AND FILLING OF VACANCIES**

The Superintendent will appoint the administrators to the Committee, and the Association President will appoint the teachers to the Committee. Vacancies and new appointments will be filled in the same manner. Each party shall use whatever appointment process it chooses.

4. **TERMS OF MEMBERS**

Members will serve terms as determined by their appointing body.

5. **SIGN-OFF PERSON FOR CERTIFICATE/LICENSE RENEWAL**

The Superintendent of the District will be the sign-off person for certificate/license renewal (with the inclusion of the LPDC Chairperson signature).

6. **CHAIRPERSON/SECRETARY AND QUORUM**

Each year the Committee shall select a chairperson by majority vote. The chairperson shall also serve as secretary and distribute minutes by District electronic mail. The administration will provide storage space for the records of the Committee.

A quorum for a meeting will consist of at least five members, including at least two teachers and two administrators. The Committee may not take any official action unless a quorum is present.

Meetings will be run using whatever procedures the group agrees to by consensus. If a consensus cannot be reached, *Roberts Rules of Order* will be used.

7. DECISION MAKING

Every effort will be made to make decisions by consensus. If consensus cannot be reached, a majority vote of a quorum will control as a last resort.

8. MEETINGS

The Committee will determine the number of meetings and the time and place of such meetings. The Committee cannot meet during the teacher workday unless such meeting has been approved pursuant to Section 10 of this Memorandum.

The Committee shall adopt such policies as are required by law for providing notice of meetings of committees of public bodies. All meetings of the LPDC shall be public. Minutes of meetings and records of the LPDC shall be prepared and maintained in compliance with the laws governing the operations of public bodies.

At the end of each school year the Committee will prepare a report on its activities during the year and any suggestions it has for improvement and/or revision to these rules.

9. APPEAL PROCESS

If an educator disagrees with the LPDC's decision, the educator shall be given the opportunity to meet with the LPDC in person to discuss the IPDP and to discuss his/her case. This discussion will also serve to help the educator gain an understanding of the perspective of the LPDC.

If, after the reconsideration process has taken place, the LPDC and the educator are still unable to come to agreement, a third party made up of a panel of three individuals should review the decision. The panel will consist of one licensed educator selected by the LPDC, one licensed educator selected by the educator, and one licensed educator agreed upon by the above two. The panel will review the LPDC's decision and either uphold it or overturn it.

10. MASTER AGREEMENT AND TERMS AND CONDITIONS OF EMPLOYMENT

The LPDC does not have the authority to make any decision or promulgate any rule or procedure which impacts upon the wages, hours, or terms and conditions of employment of bargaining unit members without the express prior approval of the Board of Education (or designee) and the HLEA. If requested by either party, the Board and the HLEA will meet to bargain any proposed impact upon wages, hours, and terms or conditions of employment.

In no event shall the LPDC make any decision or promulgate any rule or procedure that is contrary to the Master Agreement, Board policy, or any law or regulation governing the operation of school districts.

11. TRAINING

The LPDC Chair shall receive yearly inservice of up to three (3) paid days per school year for training subject to the approval of the Superintendent or designee.

12. COMPENSATION

Each LPDC member who has completed the school year will receive an honorarium of 0.036 of the base salary in effect at the beginning of each school year. The LPDC Chairperson will receive an honorarium of 0.072 of the base salary in effect at the beginning of each school year.

SICK LEAVE TRANSFER PROCEDURE AND FORMSProcedures

Members of the bargaining unit with three or more years of continuous service to the district, who have exhausted all available sick leave, may apply to the Sick Leave Transfer Committee (SLTC) for approval as a recipient of transferred sick leave. Allotments of transferred sick leave will be made only for catastrophic incidents, which occur to an employee, their spouse, child, domestic partner, or to any relative of the employee who has been continuously living in the employee's household for at least six (6) months prior to the catastrophic incident. Catastrophic incident is defined as a life threatening or debilitating illness or injury. If the unit member's physician's statement indicates that the employee cannot perform his/her teaching duties due to cancer, stroke, heart attack, non-elective surgery, or accident which requires an extended absence from work, the unit member's first application in a year shall be automatically approved by the SLTC. All other applications must be approved by a majority of the SLTC. A normal pregnancy and delivery, including caesarian, is not considered a catastrophic incident and is therefore excluded from approval for sick leave transfer.

Once an application is approved, the SLTC will determine the number of days to be allocated through the Sick Leave Transfer Program. The maximum number of days a member may receive from the Sick Leave Transfer Program shall not exceed twenty (20) days per contract year. In extreme circumstances, the SLTC will consider a second and third application within the year, but only for catastrophic incidents that occur to the employee. If disability benefits become available, the applicant is no longer eligible for the Sick Leave Transfer Program.

When a member of the bargaining unit has been approved for sick leave transfer, donors may designate up to five (5) days each to be transferred from their accumulated sick leave. No more than five (5) sick leave days may be donated by any one donor per year. Deductions of accumulated sick leave will be divided equally among all donors in whole day units until the approved number is reached. An employee's donation as indicated on the Sick Leave Donor Designation form will not be exceeded. Donors will be notified by the Hamilton Local Education Association (HLEA) of the disposition of the days they designated for transfer. In the event a recipient does not use all the days approved for transfer, the unused days will be returned to the donor(s) by the HLEA in increments of not less than one day.

Upon receipt of the approved Application for Sick Leave Transfer and the Donor Designation Forms, the treasurer will transfer to the recipient as additional sick leave, the days from the donor(s). For purposes of sick leave transfer, one donor day will equal one day for the recipient regardless where each falls on the salary schedule.

Application for Sick Leave Transfer

I specifically acknowledge and agree that the granting of days for sick leave transfer shall be at the sole discretion of the Sick Leave Transfer Committee of the District. I understand that all decisions will be final and binding and not subject to the grievance procedure or any other appeal process. I further agree to abide by such decision and to indemnify and hold harmless the District, the Hamilton Local Education Association, and all their agents for any loss and all claims made against them with respect to the Sick Leave Transfer process.
