RECOGNITION

The Pickerington Board of Education hereinafter referred to as the “Board” recognizes the Pickerington Education Association, OEA, NEA, hereinafter referred to as the “Association” as the sole and exclusive bargaining representative of the bargaining unit defined in Article 2, Bargaining Unit per ORC Chapter 4117.

ARTICLE

BARGAINING UNIT

For the purposes of defining the bargaining unit, all full and part-time, certified employees shall be included. Excluded shall be the Superintendent, Assistant Superintendent, Directors, Principals, Assistant Principals, Administrative Interns, all other certificated/licensed administrators, Coordinators, Athletic Supervisors, supervisory employees, casual employees, and substitutes that work less than sixty (60) consecutive days in the same assignment.

Notwithstanding the above, part-time and hourly unit members shall have their pay, benefits and other rights under this contract prorated accordingly with the exception of life insurance.

ARTICLE

SCOPE OF NEGOTIATIONS

The obligation to bargain collectively means to negotiate at reasonable times and to execute a written contract incorporating the terms of any agreement reached. The obligation to bargain collectively does not require the Board and the Association to agree to a proposal nor does it require the making of a concession.

Those matters, which are negotiable, are: wages, hours, terms and other conditions of employment and the continuation, modification, or deletion of an existing provision of this Agreement.

PROCEDURES FOR CONDUCTING NEGOTIATIONS

Either party may request negotiations for a successor Agreement by issuing a notice to negotiate to the other party between one hundred twenty (120) and ninety (90) days prior to the expiration of this Agreement. The State Employment Relations Board will also be notified of the intent to open negotiations at this time.

Within fifteen (15) days of receipt of said notice, representatives of the parties shall meet and submit proposals for the successor Agreement. Said proposals shall be comprehensive in nature and no additional issues shall be introduced after the first session without mutual agreement. Subsequent bargaining sessions shall be set at times and dates as are mutually agreed to by the teams.

Negotiation teams will be limited to five (5) members each. Both sides may agree to change this size by mutual agreement.

Negotiation sessions shall be conducted in executive session; however, this does not prohibit the flow of information to either party's constituency.

The style of bargaining shall be mutually decided by the parties prior to negotiations.

Upon request of either bargaining team, a bargaining session may be recessed to permit a caucus.

When negotiations are conducted during regular school hours, release time shall be provided for the Association's bargaining team. (Reference: Article 18)

There shall be three (3) signed copies of the final agreement. One (1) copy shall be retained by the Board, one (1) by the Association, and one (1) shall be submitted to the State Employment Relations Board.

As tentative agreement is reached on each issue, it shall be so noted and initialed by each party. When consensus is reached covering the areas under discussion, the proposed Agreement shall be reduced to writing as a tentative agreement and submitted to the Association and the Board for approval. Following approval by the Association and Board, a contract shall be entered into by both parties. The Association and the Board agree to abide by the terms of the Agreement. The final Agreement, as adopted by the Board and ratified by the Association, will be printed and presented within thirty (30) days. The cost of such printing, including labor and material shall be borne by the Board

In the event an agreement is not reached after forty-five (45) days from the first bargaining session, either of the parties shall have the option of requesting the assistance of a federal mediator under the guidelines of the Federal Mediation and Conciliation Service. In the event

that the services of a mediator are called upon, the mediation process will last twenty-one (21) calendar days from assignment of a mediator and/or the expiration date of the contract, whichever is less. The mediation process may be extended by mutual agreement of the parties.

Within forty-five (45) days prior to the expiration of the contract, the parties, by mutual agreement, may agree to another alternative dispute resolution procedure. Any mutually agreed upon change shall be sent in writing to the State Employment Relations Board.

The Board and Association agree that negotiation sessions will be conducted in executive session. During the times that negotiations are in progress, from the commencement of negotiations until a tentative agreement on all issues submitted for negotiations has been reached or mediation has been concluded without agreement, all public communication will be limited to statements regarding the status of negotiation meetings. Statements regarding proposals or positions are specifically prohibited.

After tentative agreement has been reached on all issues submitted for negotiations or the completion of mediation, each party may issue its own press release or other communication without limitation.

ASSOCIATION RIGHTS

The Association shall be granted the following sole and exclusive privileges:

A. ASSOCIATION PRESIDENT RELEASE TIME

A unit member in the position of President of the Pickerington Education Association, upon agreement with the Superintendent/designee, will be granted a leave of absence between one-half (1/2) and full-time over the period of one (1) school year. The request shall be submitted by February 1st of the school year preceding the year for which the leave is requested. (In the first year of full-time release, the Association shall notify the Superintendent no later than April 1st of the school year preceding the year for which the leave is requested.)

For the year in which the leave is taken, the President of the Association shall receive the same salary benefits, under the same conditions as he/she would receive if not on such leave provided that:

1. The Association shall reimburse the Board for the full amount of the salary including the Board's share of STRS, and Board provided benefits to the President of the Association while on leave. If the Association President's leave is full-time, the Association will reduce its reimbursement up to \$10,000. Such reimbursement to the Board shall be made no later than thirty (30) days after receipt of an itemized statement from the district's treasurer, which will include salary, STRS, and any other fringe benefit costs. By virtue of this arrangement, the Board of Education will not be held responsible for any additional expenditures.
2. Reasonable effort shall be made to replace the President of the Association while on leave with a unit member who is qualified and experienced in the President's subject area(s) of instruction and to do so in a manner which will provide consistent quality education for students.
3. The replacement unit member's contract, if applicable, will be one year in duration and be automatically non-renewed due to filling in for a leave of absence.
4. The schedule configuration or possible temporary reassignment of the President will be determined by the President, the respective building principal, and the Superintendent/designee. The President's schedule configuration and possible temporary assignment will be subject to final approval by the Superintendent.
5. The President will be expected to continue in his/her professional capacity as a teacher in the building, including attendance at staff meetings, Professional Development, parent-teacher conferences, open house and any other required activities relative to the President's position as a teacher. In situations of scheduling conflicts, the President will resolve the conflict in consultation with the Superintendent and/or designee.

6. The leave time shall be used on activities, which benefit the District and unit members.
7. The President of the Association will be expected to maintain a regular daily schedule within the school district with any out of district activities being specifically related to Association responsibilities.
8. The year during which the leave is taken by the President of the Association shall count as a full year on the salary schedule and for purposes of length of service in the district and while on such leave, the President shall be considered a full-time employee for purposes of any reduction in force.
9. Upon completion of the leave, the President will return to a similar position of full-time status as held prior to the leave.
10. This release time shall be in addition to the Association Leave provided for the President in Article 18, Section B (2) of the Master Agreement.
11. Teacher Professional Organization (TPO) Supplemental Contracts

Upon written request by the Association President or Association Treasurer to the district, a supplemental contract(s) shall be issued to an employee(s) for performing work for the Pickerington Education Association. The request shall include the name(s) of the employee(s) performing the work, the time period for the work to be performed and the amount to be paid for the work. The Association shall reimburse the Board for the amount of the supplemental contract and the retirement contributions, employer paid Medicare contributions, and any other payroll taxes required to be paid by the Board on behalf of the employee(s) at the time that such payment is made. The Association agrees to indemnify, defend and hold the Board, its individual Board members and employees harmless from any and all claims arising out of the Board's payment of the TPO Supplemental Contracts, including the payment and remittance of all STRS contributions and payroll taxes.

To comply with STRS rules the employer and employee contributions must be made on compensation from the member's teaching contract, in addition to compensation for Association activities, up to a maximum amount. The maximum amount is determined by multiplying the per diem rate of the teaching salary for 250 days.

B. USE OF SCHOOL FACILITIES FOR MEETINGS

Meetings shall be arranged to avoid interruption of normal instructional programs and in keeping with Board policy governing use of buildings.

C. USE OF SCHOOL EQUIPMENT

Use of school equipment such as: printers, copiers, email and audio-visual machines and Board purchased consumable materials used by the Association, i.e., paper, shall be paid for by the Association at Board cost plus a nominal fee for handling. The Association will turn in each semester a listing of supplies used and number of copies made in order that

the Board may bill it accordingly. Copies will be charged at the Board's current cost. The Association assumes full financial responsibility for any loss or willful damage to Board owned equipment while in use by the Association. The above mentioned equipment may only be used before or after the normal unit member day but not at any time which would conflict with normal school usage of this equipment.

D. USE OF BULLETIN BOARDS

The Board agrees to designate one (1) bulletin board per teacher workroom for use of the Association.

E. SCHOOL COMMUNICATION

The Association has the right to use the regular school mailboxes and email. An email account and document folder will be established for Association use and access by bargaining unit members. All Association use of the District's computer systems shall be in accordance with the District's Acceptable Use Policy and shall be subject to available server space.

F. IDENTIFYING INSIGNIA

The Association may place identifying stickers on unit members' mailboxes.

G. PAYROLL DEDUCTIONS

The Board agrees to deduct from salaries of the unit members, dues for the Association/OEA/NEA and individual associations as said unit members, individually and voluntarily authorize the Board to deduct, and to transmit the monies promptly to the Association. Unit member authorization will be on a form provided by the Association. The Association relieves the Board and all its officers from any liability in dues deduction disputes.

Deductions will be made for twenty (20) pay periods beginning with the second pay in October. Any changes or additions to the authorized deductions must be in the Treasurer's office no later than October 1st. Thereafter, any new hire must file paperwork within forty-five (45) days of hire date. Deductions will be evenly distributed over remaining pays ending with the first pay in August.

H. INFORMATION CONCERNING BOARD MEETINGS

The Association President and Vice-President shall receive an advance copy of the agenda of each Board meeting, including material received by the Board that is intended for public discussion and review. Such material shall be sent at the same time said material is sent to the Board. Every effort will be made to notify each building of special Board meetings.

I. BOARD MEETING PARTICIPATION

The Association shall have the right to address the Board during public discussion at any regular Board meeting with advance notice. The Association will be granted ten (10) minutes to address the Board.

J. GENERAL TEACHERS MEETINGS

The Association shall also have the right to address new unit members during lunch at their orientation meeting prior to the beginning of the school year. The Administration and the Association shall mutually develop and present a maximum of one (1) hour orientation for new unit members regarding provisions of the Master Agreement during their orientation meeting at the beginning of the school year.

K. TRANSACTION OF ASSOCIATION BUSINESS

Duly authorized representatives of the Association and its affiliates may transact Association business on school property at any time before, after or during the regular school day; provided, however, that no such business shall be transacted on any class time.  - a. The Board shall deduct from the pay of members of the bargaining unit who elect not to become or to remain members of the Pickerington Education Association, a fair share fee for the Association's representation of such non-members during the term of this contract. b. Upon termination of membership during the membership year the Treasurer shall, upon notification from the Association that a member has terminated membership, commence the deduction of the fair share fee with respect to the former member, and the amount of the fee yet to be deducted shall be the annual fair share fee less the amount previously paid through payroll deduction.

4. Transmittal of

The Board further agrees to accompany each transmittal with a list of the names of the bargaining unit members for whom all such fair share fee deductions were made, the period covered, and the amounts deducted for each.

**SALARY SCHEDULE RULES AND REGULATIONS/
PROFESSIONAL GROWTH**

A. SALARY SCHEDULE RULES AND REGULATIONS

1. Schedule is based on one hundred eighty-six (186) days of annual service. (Reference: Article 30)
2. Schedule is based on one hundred eighty-seven (187) days for new unit members, plus two (2) pre-employment service days. Unit members who attend the pre-employment service days shall be paid a \$250.00 stipend. The stipend will be paid to unit members on the first possible pay date after completion.
3. A base salary increase of 2.50 percent will be implemented for all unit members for the 2018-2019 contract year.
4. A base salary increase of 2.00 percent will be implemented for all unit members for the 2019-2020 contract year.
5. A base salary increase of 2.00 percent will be implemented for all unit members for the 2020-2021 contract year.
6. Each unit member who has completed training, which would qualify him/her for a higher bracket, shall file with the Treasurer of the Board by September 15th an official transcript to verify Bachelor's and Master's degrees. Official grade slips may be used for verification of 150 hours, MA+15, MA+30, and MA+45. Each unit member who has completed National Board Certification and provides proof of applicable Board Certification semester hours, may also use those hours for certification of 150 hours, MA+15, MA+30, and MA+45.

Salary adjustments will be made according to the following schedule:

- First pay period in October for unit members who submit verification of additional training prior to September 15th. This increase will be retroactive to the beginning of the contract year and will be prorated over the remaining pays.
- Second pay period in February for unit members who submit verification of additional training by January 31st. This increase will be calculated on a per diem basis from the first workday of the second semester through the end of the year and will be prorated over the remaining pays.
- First pay period in June for unit members who submit verification of additional training by May 15th. This increase will be calculated on a per diem basis from May 15th and prorated over the remaining pays.

- See calculation reference sheets in Appendix 1.
 - When a filing deadline falls on a date school is scheduled to be closed, verification must be submitted by the last previous date that school is open.
7. Unit members new to the system who have not previously retired from the teaching profession, and/or a public sector retirement system, may be given full credit for each year of service as a regular public school teacher up to ten (10) years, including up to five (5) years of military service.
 8. Eight (8) continuous months or more of active military service shall equal one year of service credit. Credit for years of service in the military should be determined for periods longer than eight (8) months by multiples of twelve (12) months of actual continuous service with a fractional period remaining to be credited as a year of service or an additional year of service if it is of at least eight (8) months duration.
 9. The 150-hour column shall be defined as at least 150 semester hours and a bachelor's degree.
 10. For a unit member to qualify for the MA+15 column, the MA+30 column, or the MA+45 column, the hours must be graduate level hours earned after the master's degree is conferred. The MA+15, MA+30, and MA+45 columns refer to semester hours of training. Undergraduate hours may be counted with the approval of the Superintendent.
 11. Part-time unit members who do not work every day shall be permitted to move on the salary schedule every two years provided that they have served the equivalent of 120 full workdays or more as of the end of the second year.

B. PROFESSIONAL GROWTH

Each unit member who earns additional professional growth will be eligible for reimbursement providing that all provisions of this article are met. An annual cap of dollars appropriated for professional growth shall be \$120,500 per fiscal year during the term of this contract.

1. Reimbursement Procedures

- a. To receive reimbursement, all unit members must have completed a minimum of one (1) school year in the Pickerington Local Schools. This requirement may be waived by the Human Resources Director if courses are required to achieve Highly Qualified Teacher status or to complete appropriate licensure for high need areas.
- b. Courses considered for reimbursement:

- i. Courses required for renewal of current license/certificate taken in current content area;
 - ii. Courses necessary to upgrade an existing license/endorsements;
 - iii. Courses necessary to earn additional license/endorsements;
 - iv. Courses required by the Human Resources Director to meet Highly Qualified Teacher status.
- c. There shall be four (4) “Pro-Growth Terms” each year, during which time a unit member may request reimbursement for eligible courses.
- i. The annual cap for a given year shall be divided into fifths with one-fifth (1/5) of the funds allocated to each group made available for each of the fall, winter and spring pro-growth terms and two-fifths (2/5) of the funds allocated to each group made available for the summer pro-growth term.
 - ii. For yearlong courses, the deadline for submission of grade slips or a letter from the university and a copy of paid fees or copy of paid university fee receipt is forty-five (45) days after receipt of grade slips or letter. Unit members will receive reimbursement stipends for yearlong courses in lump sum payment within thirty (30) calendar days of the close of whichever pro-growth term the submission falls into.
 - iii. The deadline for submission of grade slips or a letter from the university and a copy of paid fee university receipt for each Pro-Growth Term shall be as follows:
 - Spring Semester/Quarter - received by Treasurer no later than June 30th, pay by July 31st.
 - Summer Term - received by Treasurer no later than September 30th, pay by October 31st.
 - Fall Semester/Quarter - received by Treasurer no later than January 31st, pay by February 28th.
 - Winter Quarter - received by Treasurer no later than April 30th, pay by May 31st.

Each FY reimbursement period shall begin with courses taken in the spring semester/spring term and submitted according to the schedule above.

- iv. Should a grade slip or letter from the university not be available to turn in by these dates, a unit member’s reimbursement will not be paid until the end of the next Pro-Growth Term. In no case shall payment be made after that next Pro-Growth Term.
- v. Cancelled checks and bankcard bills will not be accepted as verification of fee payment.

- vi. Unit members will receive reimbursement stipends in lump sum payment within thirty (30) calendar days after the close of each Pro-Growth Term.
- vii. In no case shall a unit member receive more in reimbursement than the cost of the actual fees.
- d. For the purpose of reimbursement, all hours shall be converted into “Pro-Growth Units” (P.G.U.’s) as follows:

1 graduate semester hour	=	12 P.G.U.’s
1 graduate quarter hour	=	8 P.G.U.’s
1 undergraduate semester hour	=	9 P.G.U.’s
1 undergraduate quarter hour	=	6 P.G.U.’s

At the close of each Pro-Growth Term, the Pro-Growth Units of all requests approved by the Human Resources Department for which grade slips and fee receipts are submitted for reimbursement shall be totaled. This total shall be divided into the funds available in that group for that term to determine an amount per Pro-Growth Unit that each unit member will receive for reimbursement up to but not to exceed 100% of the actual course fees. The treasurer will send a copy of funds spent for each term and amount of funds unused each term to the PEA President as soon as this information is tabulated.

Once all payments are made for a Pro-Growth Term, any unused funds shall be rolled over into the next Pro-Growth Term.

2. Reimbursement Restrictions

- a. When a unit member’s contract is resigned, non-renewed, or terminated, the unit member shall not be eligible to receive professional growth reimbursement for any courses taken during the quarter or semester in which the resignation, non-renewal, or termination is effective unless the course was completed before the effective date of the resignation, non-renewal, or termination.
- b. The maximum number of hours recognized for reimbursement to any one (1) unit member each fiscal year (July 1st thru June 30th) shall be twenty-four (24) quarter hours or sixteen (16) semester hours when paid in accordance with paragraph 1 (C) (3) of this Article. The Board may, however, permit a unit member to exceed the annual quarter or semester hour limits in order to pursue an area of needed educational programming, certification, or licensure, as identified by the district administration. In such cases, the reimbursement for hours approved in excess of the annual limit shall not be deducted from the professional growth funds available for that Pro-Growth Term.
- c. For conferences and workshops in which college credit is earned, the Board will not reimburse the unit member for expenses associated with both the conference and professional growth college credit.

- i. A passing mark of B or higher must be received in order for reimbursement to be paid for any course.
 - ii. A grade marked with pass/fail, must receive a passing mark in order for reimbursement to be paid for any course.
- d. For conferences and workshops that are job embedded and sponsored by the district and for which college credit is offered, the Board will reimburse the unit member for professional growth college credit per the professional growth funds available for that pro-growth term.

- D. The parties intend that if department heads are established, then all department head positions will be offered. Should the financial condition of the district prevent the establishment of all department head positions, an individual department head may be implemented for a specific purpose. In such cases, a committee comprised of three (3) unit members selected by the Association and three (3) administrators will review the need for a particular department head position and make a specific recommendation to the Board.
- E. In the event that department head positions are not established, no unit member shall be asked or required to perform department head duties.
- F. The Association may request an increase in Department Head increments from one-half to full.

INSURANCE BENEFITS

The Board agrees to provide the following insurance benefits for all regular unit members:

A. HOSPITALIZATION AND MAJOR MEDICAL

The terms of the health insurance plan are listed in Appendix 6 for informational purposes. Plan changes may be made during the term of the Master Agreement by agreement of the Insurance Committee, and as approved by the Board of Education and the Pickerington Education Association. The Board will provide the current health plan, or one or more health insurance plans as recommended by the insurance committee and approved by the Board, with Board contributions as follows:

Single coverage	Board pays 80%
	Employee pays 20%
Family Coverage	Board pays 80%
	Employee pays 20%

1. The Board will offer a Section 125 plan with medical and dental insurance.
 - a. Flexible Spending Account (IRS 125). The District will provide a Flexible Spending Account for employee pre-tax contribution medical and childcare expenses to be paid by pre-tax dollars in keeping with provisions of IRS Code 125. The Plan's administrative fees, if any, will be paid by the Board of Education.
 - b. Flexible Spending Account (IRS 125) for Premium Contribution. The District will continue to provide for the employee contribution to medical and dental insurance premiums to be paid by pre-tax dollars in keeping with the provisions of IRS Code 125. The administrative fee, if any, will be paid by the Board of Education.
2. Two married full-time unit members may choose either two (2) single policies or one (1) family policy.
3. If the Board receives a holiday pay from the plan provider, the unit member will receive the holiday pay. Unit members will be reimbursed their share in the subsequent pay period. Per ORC 9.833, the Board shall have an actuary review its reserves. If the actuarial review identifies that levels of reserves in the self-insurance fund exceeds the threshold deemed necessary by the actuarial report, any excess funds attributed to unit members of PEA who subscribe to the insurance shall be applied as a premium holiday. In the event of a premium holiday, a premium credit will be made by March 31st of the plan year. Such

holiday shall be split between PEA and the Board commensurate with insurance splits (i.e. 20%/80%).

4. If the monthly premium costs of the board's health insurance plan increase over the previous year's costs and after negotiations with health care providers and shopping the insurance coverage, the insurance committee will include decrements to the health insurance plan for years two and three (2019-2020, 2020-2021) as follows:

14 – 16% = decrements will = 1%
16.1 – 18% = decrements will = 2.5%
18.1 – 21% = decrements will = 3.5%
21.1+ = insurance committee shall decrement to an 18.5% increase of the insurance costs

B. LIFE INSURANCE

The Board will pay the full amount of the premium for \$40,000 of group term life insurance for each unit member effective through the life of the contract. Members shall be permitted to purchase up to an additional \$40,000 of life insurance subject to the requirements of the insurer and provided that such additional insurance purchases shall be at no additional cost to the Board. Such additional purchases shall be made through payroll deduction.

C. DENTAL INSURANCE

The Board will pay no more than \$55.00 of the monthly premium for dental insurance. Unit members choosing dental insurance will pay the additional cost on a monthly basis through payroll deduction. A copy of the dental plan in effect shall be included in the Appendices. (Reference: Appendix 7)

D. INSURANCE COMMITTEE

1. An insurance committee will be formed and maintained by the Board and Association. The committee will consist of three association members designated by the Association President and three administrative representatives designated by the Superintendent or designee. The insurance committee may utilize the services of consultants, provided that any expenses of such consultants be approved in advance by the Board.
2. The initial insurance committee meeting of the school year will take place no later than October 30th. The insurance committee will meet not less than once each semester on release time. The committee's responsibilities shall include, but not be limited to reviewing all relevant existing health insurance plans, including medical, dental, and life insurance, to identify the most cost-effective method of providing insurance benefits to the employees of the District, analysis of plans, claims and employee wellness initiative, potential impact of PPACA, and consideration of all other issues that may affect the containment of insurance costs and compliance with the law.
3. The committee shall submit recommendations for changes in insurance plan to

the Board and Association. However, no such change shall become effective until approved by the Board and the Association. The Committee shall be co-chaired by an appointee of the Superintendent and an appointee of the Association President. The co-chairs shall jointly schedule and establish the agenda for the insurance committee meetings no later than October 30th. Information regarding plan design or rate options developed or provided by the district's insurance consultant will be provided to the co-chairs.

E. OTHER PROVISIONS

Unit members who render part-time or hourly rated service shall be entitled to the above insurance benefits on a pro-rated formula based on the average number of hours worked per day. However, unit members hired on or after June 30, 2011 with less than a half-time contract shall not be eligible to receive medical or dental insurance benefits provided in this Agreement.

F. OPT-OUT INCENTIVE

1. The Board will pay an annual Opt-Out Incentive to unit members who opt-out of the Board's major medical health insurance plan on or before September 1st of each year. The opt-out incentive shall be paid as follows:

Family Plan: \$4,200 Single Plan: \$2,400

2. The lump sum payment shall be made in the last pay in June of each school year.
3. If coverage is dropped for less than twelve (12) months, the incentive payment will be based on the number of whole months during the contract year for which coverage was dropped.
4. For part-time unit members, the opt-out incentive will be prorated to reflect the proportion of a full-time equivalent (FTE) position held by the unit member.
5. In order to be eligible to receive the opt-out incentive, the unit member must stay off the Board's major medical health insurance plan from September 1st through the remainder of that contract year. However, if the unit member experiences a qualifying event (including, but not limited to the unit member's spouse losing his/her job) then, in such event, the unit member will be eligible to immediately resume his/her health insurance coverage through the Board. The unit member's opt-out incentive will be prorated to reflect the percentage of a full contract year that the unit member was off the PLSD Board's health plan.
6. If the employer of the spouse of a unit member has a health insurance open enrollment period that begins after September 1st, then the unit member may opt-out of the Board's health insurance plan, through the remainder of that contract year. In such event, the above-referenced health insurance opt-out bonus would be prorated to reflect the percentage of a full contract year that the unit member stays off the Board's health plan. In no instance will a unit member be paid the Opt-Out Incentive if he/she is covered by a spouse or parent who is provided Board paid major medical health insurance.

- B. The pick-up percentage shall apply uniformly to all unit members as a condition of employment.
- C. The pick-up shall apply to all compensation including supplemental earnings thereafter.
- D. The parties agree that should the rules and regulations of the IRS or retirement system change, making this procedure unworkable, the parties agree to return, without penalty, to the former method of employee/employer contributions.
- E. Payment for sick leave, personal leave, severance and supplemental contracts, including unemployment and worker’s compensation, shall be based on the unit member’s daily gross pay prior to reduction (e.g., gross pay divided by the number of days in a unit member’s contract).

14

PAY PERIODS

Unit members will be paid twenty-four (24) checks per year. Pays will be on the 5th and 20th of each month. When a pay period falls on a holiday, or on a day school is scheduled to be closed, the paychecks will be available on the preceding workday.

All Board contributions will be shown on the paychecks. Direct deposit notifications will be delivered to employee staff email accounts.

Direct Deposit

Unit members will have their payroll checks directly deposited into a checking or savings account in a bank or federal credit union that participates in the Automated Clearing House (ACH) system. Direct deposit shall be mandatory for new unit members for their first year of employment. Conditions for implementation are as follows:

- A. Direct deposit may be elected by June 30th for the first pay of the succeeding school year and by November 30th for the first pay following January 1st of the new calendar year. Once direct deposit is elected, a unit member may not rescind that election for one (1) year.
- B. Unit members may designate one (1) or two (2) bank accounts and one (1) or two (2) banks. Designation will be made on a form provided by the Treasurer. A voided check or deposit slip must be attached for each account and/or bank designated.

Authorizations for deductions must be in the Treasurer's office no later than Friday noon two weeks preceding the payday. All time sheets for extra duty must be in the Treasurer's office no later than Friday noon two weeks prior to payday.

In addition to established deductions, unit members may authorize a deduction for the following:

1. Contributions to any District-recognized organization (such a contribution would be a minimum of two dollars [\$2.00] per pay period for at least five [5] pay periods).
2. Purchase of U.S. Savings Bonds.

All unit members requested deductions shall be forwarded to the proper authority within fifteen (15) days of said deductions except for credit union deductions which shall be forwarded within five (5) work days.

Unit members may have a deduction for purposes of contributing money to the Pickerington Education Foundation.

SEVERANCE PAY

In accordance with Section 124.391 of the Ohio Revised Code, all unit members who present evidence of retirement from the State Teachers' Retirement System at the time of retirement from active service with the Pickerington Local School District shall be granted severance pay for their accrued sick leave days according to the following provisions:

- A. To be eligible for severance pay, the unit member must meet all of the following: (1) the Board must accept the unit member's resignation for the purpose of retirement; or a former unit member, (2) within 120 calendar days of the unit member's effective date of retirement, the unit member provides the Board with written substantiation from STRS that he/she has been approved for retirement; or the heirs of the unit member may apply to the Board for severance pay no later than one [1] year after the last date of service with Pickerington School System; (3) the Board officially accepts the unit member's request for severance pay based on the former unit member moving from active employment into the retirement system; and (4) the unit member(s) must have been employed by the Pickerington Schools for at least five (5) years at the time of retirement.
- B. Severance pay shall be based upon the unit member's accrued but unused sick leave days at the time of retirement, calculated using one-fourth (1/4) of the value of his/her accrued but unused sick leave days.

Notwithstanding the above, any unit member having the maximum accumulation of two hundred sixty (260) sick leave days will be paid for sixty-five (65) days.

- C. Payment shall be based upon the unit member's daily rate of pay at the time of retirement. A unit member's annual salary divided by the number of unit member contract duty days will result in the daily rate of pay.
- D. Payment of sick leave on this basis shall be considered to eliminate all sick leave credit accrued by the unit member at that time. Such payment shall be made only once to any unit member.
- E. For those unit members who are age 55 or older by the end of the calendar year in which they retire, the Board shall pay, as employer non-elective contributions, the unit member's severance into the employer's 403(b) annuity for purposes of sheltering the unit member's severance pay. Payment in any calendar year shall be made according to limits established by the IRS. Should payment amounts exceed annual IRS limits, residual payments shall be made in the subsequent calendar year(s). For this provision only, if a unit member elects the fixed account, the Board

agrees there will be no annual maintenance fee, administrative fee, deferred sales charge or penalties, advisory fees, or mortality expense charges.

Mortality and expense charges are applicable to the variable fund, and will be charged to the unit member. Charges are made on a pro-rated basis for only the number of days plan funds were in the variable fund.

- F. If a unit member is under age fifty-five (55) by the last day of the calendar year in which they retire, then he/she may choose to shelter all or a portion of his/her severance through their employee 457 or 403(b) plan as long as they meet IRS requirements. Otherwise, the unit member's severance pay shall be paid out within thirty (30) calendar days upon evidence of his/her STRS retirement. Severance pay checks shall be subject to all legal deductions. Eligible unit members shall give written notice to the Board of his/her preferred method of severance payment no later than thirty (30) days prior to their effective date of retirement. If no preference is given to the Board, all of the unit member's severance will be paid out within thirty (30) calendar days through payroll.
- G. Contributions to the unit member's retirement system based upon monies paid or rolled over for accrued unused sick leave will not be made by either the Board or the unit member.
- H. If a unit member, otherwise eligible for retirement and severance pay as stipulated above, dies, payment shall be made to his/her heirs and/or estate in the amount equal to the severance pay for which the unit member would have qualified. Payment of a decedent's severance pay shall be made in accordance with the applicable laws of the State of Ohio.

SICK LEAVE

A. CALCULATION OF SICK LEAVE

1. There shall be fifteen (15) days of sick leave per school year for each full-time unit member employed by the Board. Unit members who render part-time, seasonal, intermittent, per diem, or hourly service shall be entitled to sick leave for the time actually worked at the same rate as that granted like full-time unit members. A unit member employed as a substitute with an assignment to one specific teaching position shall, after sixty (60) days of service, be granted sick leave. The basis for determining the number of days of sick leave for full-time unit members shall be one and one-fourth (1-1/4) days per month for twelve (12) months. Sick leave shall be cumulative to a maximum of two hundred sixty (260) days. Sick leave above two hundred sixty (260) days can accumulate at the rate of 15 days per year for the purposes of sick leave only.

a. Accumulation of sick leave shall be as follows:

All unit members shall accumulate 1.25 days of sick leave each month in accordance with the applicable provisions of the Ohio Revised Code. Part-time unit members shall accumulate 1.25 days of sick leave based on the individual's workday and such accumulation will be posted on the employee's pay stub as such. (For example only: If a unit member works a 3 hour and 45 minute day, that member will receive 1.25 days of sick leave for each month based on that 3 hour and 45 minute work day.)

b. Unit members shall have sick leave deducted according to the following formula:

<u>Amount of Time Absent Per Day</u>	<u>Sick Leave Deduction</u>
More than 6 hours	1.00 day
4 hrs. 1 min. to 6 hrs.	0.75 day
2 hrs. 1 min. to 4 hrs.	0.50 day
Up to and including 2 hrs.	0.25 day

2. At the beginning of a full-time unit member contract year, unit members with a cumulative total of less than five (5) days sick leave will be advanced the number of sick days necessary to bring their beginning total to five (5) days.

3. If a unit member is hired during the school year, he/she shall be credited with sick leave in proportion to the fractional part of his/her term, which remains at a rate of one and one-fourth (1-1/4) days per month.

B. USE OF SICK LEAVE

1. Unit members may use sick leave for absences due to personal illness, disability resulting from pregnancy, injury, exposure to a contagious disease which could be communicated to others, and for illness, injury, or death in the immediate family. For sick leave purposes, immediate family shall be defined as father, mother, sister, brother, husband, wife, son, daughter, grandchildren, grandparents, father-in-law, mother-in-law, sister-in-law, brother-in-law, person or children living in the same household, or another person who has established a similar relationship.
2. Proof of illness or of absence for other reasons must be established with the Superintendent.
 - a. The reason for each absence must be specified in the absence management system.
 - b. A unit member absent more than three (3) consecutive days, or for any number of days suggesting a pattern of possible sick leave abuse may be required to furnish a satisfactory written, signed statement listing the name and address of the attending physician, and the dates when he/she was consulted, to justify the use of sick leave. This is also to be applied to absence due to illness or injury in the immediate family. The signing and filing of such absence report by a unit member shall be certification by him/her that the facts and statements contained in said report are true and correct. The filing of any willfully false statement by a unit member shall be considered by the Board as grounds for suspension or termination of employment under Section 3319.16 of the Ohio Revised Code.
3. At the K-6 level, with prior administrative approval, members may move their PPT to the end of the day, in lieu of using sick leave, to schedule a medical appointment that cannot be scheduled at any other time. The member shall provide verification of the appointment date and start time.

C. Misuse of Sick Leave

When the Superintendent/designee determines that potential misuse of sick leave may exist, a meeting will be arranged with the unit member, administration, and a representative of the Association. The purpose of the meeting will be to discuss the potential misuse of sick leave and to provide the unit member an opportunity to explain, rebut or refute the suspected misuse. If a satisfactory explanation is not provided, action will be taken by the Board, including, but not limited to corrective counseling and progressive discipline.

Falsification of a sick leave statement shall be grounds for serious disciplinary action, including potential termination of employment.

D. OTHER PROVISIONS

1. A unit member planning to request a leave of absence and/or use of sick leave because of disability resulting from pregnancy shall make her request in writing, accompanied with a statement from her doctor indicating the expected delivery date. This request should be made at least forty-five (45) days prior to her expected delivery date. For the purpose of this provision, disability resulting from pregnancy is the period during which the unit member is not physically and/or emotionally capable of performing all the duties, and functions of her position. This beginning date of disability shall be established by written statement of the unit member's doctor. Also, the ending date of the disability shall be established by a written physician's statement.
2. Personnel new to the district having accumulated sick leave in other appropriate Ohio employment, as defined in Ohio Revised Code 3319.141, may transfer a maximum of one hundred twenty (120) days to the Pickerington Schools. If a unit member is transferring accumulated sick leave from another agency, such employment in that agency must have occurred within the past ten (10) years.
3. Any unit member who uses all of his/her accumulated sick leave may substitute unused personal, emergency or other forms of leave provided for under Section 3319.08 of the Ohio Revised Code. Each regularly employed unit member, who used all accumulated sick leave and personal leave during a school year, shall be entitled to an advancement of five (5) days of sick leave. Such sick leave shall be charged against sick leave subsequently accumulated by the unit member.
4. In accordance with the Comprehensive Omnibus Budget Reconciliation Act of 1985 (C.O.B.R.A.), eligible unit members may continue group hospitalization, surgical and major medical, and dental insurance coverage. The cost of such coverage is to be paid by the unit member. Group life insurance coverage may be continued at the member's expense in accordance with the District's life insurance policy in effect at the time.
5. A unit member absent from work in excess of the number of sick leave or other authorized leave days accumulated by the unit member, shall receive a salary deduction calculated by dividing the number of days in the unit member's duty year into gross annual salary thus arriving at a per day deduction.
6. The Superintendent may require that a unit member returning to work after an extended illness, accident, or pregnancy leave, supply the administration with a doctor's statement indicating that he/she is able to return.
7. A member who is pregnant or who is adopting a child may use sick leave pursuant to this section and/or may take an unpaid leave for the period of the member's disability. For this purpose, "period of disability" means the period during which the bargaining unit member is unable to perform the duties of the job as determined by her physician and the provisions of this paragraph. It is presumed that such period extends for a minimum of six (6) weeks beyond birth in the case of birth by normal

delivery and eight (8) weeks beyond birth in the case of a birth by cesarean section. The Board may require medical certification, using the prescribed form, if paid leave is requested beyond the applicable presumed period of disability. If the Board questions such medical certification, the Board may have the employee's condition evaluated, at Board expense, by a Board designated physician. If a disagreement exists between the employee's physician and the Board designated physician, the employee (with Association assistance) and the Board shall mutually agree upon the selection of a third physician, whose opinion shall be final. The cost of physician will be borne by the Board if the physician sides with the employee's physician and by the Association if the physician sides with the Board designated physician. The Board will not question the medical certification provided by the employee under this paragraph arbitrarily or capriciously.

E. SICK LEAVE TRANSFER

The Board will honor written requests from a bargaining unit member to donate one or more sick leave days from the donor's accumulated sick leave to a member under the following conditions:

1. The written request for donation of sick leave shall be forwarded to the Superintendent and the Association President who shall meet and confer if the request falls into the category of "catastrophic". For purposes of this Section normal pregnancy shall not be considered a "catastrophic" illness. Any disagreement between the Association President and the Superintendent shall be resolved using expedited arbitration in accordance with the voluntary rules of the Federal Mediation Conciliation Services (FMCS). Expenses for the arbitrator's services shall be equally shared by the parties.
 - a. Should the Association President and the Superintendent agree that the request falls in the category of "catastrophic", they will forward the request to the Sick Leave Transfer Committee.
 - b. Should the Association President and the Superintendent agree that the request does not represent a catastrophic illness or injury, the request shall then be denied. The member will have the right to request expedited arbitration indicated in paragraph a. above.
2. Donated sick leave days may only be credited to a member who has, or is about to exhaust all of the members' accumulated sick leave and personal leave due to a catastrophic illness or injury of the member or illness of child and/or spouse of the member.
3. Donated sick leave days may only be used for personal catastrophic illness/injury of the member, or illness of child and/or spouse of the member, and may not be used for the illness of other family members.
4. A sick leave donation form, authorizing the Treasurer to deduct donated sick leave days from the donor member's accumulated sick leave and to credit the donated sick

leave day(s) to the member will be sent to unit members for completion. Completed forms will be returned to the committee. The committee will provide the Treasurer with a form indicating the number of days to be transferred, from whom, and the name of the recipient.

5. Any request to donate sick leave days to a member must be submitted to the Treasurer not less than fifteen (15) days prior to any payroll that will include payment for the donated sick leave days.
6. Any member who has reached the maximum sick leave accumulation will have his accumulation reduced by the number of sick leave days donated.
7. Requests for sick leave days will be honored only as long as days are available from donors.
8. The following limitations will apply to this section:
 - a. No bargaining unit member who begins the school year with less than 45 days as of July 1 can donate sick days.
 - b. Donations from a bargaining unit member must be in units of one (1) day or more provided that the donor does not go under 45 days of accumulated sick leave.
 - c. Either the bargaining unit member or the member's spouse and/or child must have the catastrophic illness or injury.
 - d. The bargaining unit member can use donated sick days until disability retirement is effective.
9. No member may use donated sick leave days to defer eligibility for disability retirement under STRS regulations, to claim severance pay, or to transfer to any other public employer.
10. No member may use more than thirty (30) donated sick leave days in total in any year.

A. ASSAULT LEAVE

1. The safety of staff, students, parents, and the general public shall be the primary objective of the District. Assaults and threats of physical violence on unit members will not be tolerated. Unit members who are assaulted or threatened with physical violence shall immediately report the assault on the report form referenced in Appendix A-10. This report will be given to the building administrator for appropriate action in accordance with the Master Agreement, Policy and/or the Professional Code of Conduct for Ohio Educators.
2. The Board shall grant paid assault leave to a unit member that is assaulted in the course of such unit member's employment or while performing services for the Board at school-sponsored activities (whether or not specifically compensated for such activities). In order to receive assault leave, an M.D. (or licensed medical doctor) shall certify that the unit member suffers temporary disabilities as a direct result of the assault that prevents him/her from performing his/her job. The initial allocation of assault leave will be up to ten (10) days as determined by the unit member's physician. Up to one hundred ten (110) additional workdays shall be granted if the need is certified by an M.D. (or licensed doctor). However, if a claim is filed with the Bureau of Workers' Compensation (BWC) and the claim is approved for Temporary Total Disability, Permanent Loss Disability or other lost time benefits, the Board may discontinue paid assault leave on the date that such benefits begin to be paid by the BWC.
3. When a physical assault occurs, a unit member has the right to defend himself/herself and/or obtain assistance.
 - a. The building administrator should be notified to call civil authorities, parents and the Superintendent.
 - b. The Board shall fully support the unit member assaulted or accused of assault while performing his/her assigned duties. In all such cases, the Superintendent's office shall immediately notify the unit member that legal aid from the County Prosecutor's office is available.

B. ASSOCIATION LEAVE

1. The Association shall be granted fifteen (15) days of Association Leave per year and twenty-five (25) days per year in contract negotiation years, provided the Association notifies the Superintendent of the name(s) of the unit member(s) taking the leave.

2. If the Association President is not full-time, the Association President shall be granted additional leave of seven (7) days. The President has the authority to transfer any of these seven (7) days to the total in number one (1) above, during bargaining years. The Association President shall notify the Principal/Superintendent at least twenty-four (24) hours prior to the leave.
3. For the Association Executive Committee members, the leave may be divided into half (1/2) days, as needed.
4. If more days are required for the leave referred to in Sections one (1) or two (2) above, they may be granted upon approval of the Superintendent, provided the Association reimburses the Board for the cost of the substitute for those additional days.

C. CHILD CARE LEAVE

1. A unit member who has given birth or adopted a child shall be entitled, upon request, to an unpaid leave of absence up to one (1) year. This one-year will be available in the following fashion:
 - a. Delivery/adoption occurs in the 1st semester or during the summer prior to the 1st semester, the unit member may take the balance of the 1st semester and all of the second semester.
 - b. Delivery/adoption occurs in the 2nd semester, the unit member may take the balance of the second semester and the next full school year on unpaid leave.
 - c. The unit member may opt to use unpaid leave until the end of the semester in which the delivery/adoption occurred.
 - d. Reference Section H (contract status and assignment upon return).
2. Applications for child care leave shall be in writing, and they shall contain a statement of the expected delivery date, the requested beginning date of the leave of absence, and the date the unit member desires to return. The application will also contain a physician's statement certifying pregnancy.
3. Applications for childcare leave prior to childbirth shall be made at least forty-five (45) days prior to expected delivery date. In the case of adoption, such application shall be made within ten (10) days of the notice from the adoption agency of the expected placement.
4. Unit members on leave of absence shall notify the Superintendent by letter by April 1st of their plans for the ensuing school year. Such intent shall not be construed as a formal commitment for the ensuing school year, unless so stated in the letter. This procedure shall be interpreted as a planning vehicle for the school district, rather than an effort to cause a unit member to make a premature decision regarding employment status.

5. Upon request, a father may be granted an unpaid leave of absence for up to one year. The above procedures and regulations shall be observed in such requests.
6. In the case of a childcare leave related to adoptions, the unit member shall:
 - a. Notify the Superintendent of his/her intent to adopt when he/she is notified by the social agency that the home study is to commence.
 - b. Notify the Superintendent when: (1) the home study has been completed and approved to enable appropriate arrangements for a replacement, and (2) request child care leave and indicate the approximate length of such leave.
 - c. Upon placement of an adoptive child, the requesting unit member shall be granted five (5) days paid leave as an acclimation period.
 - d. In the case of private adoption, the unit member shall notify the Superintendent that application for private adoption has been made and request a childcare leave with an estimate of the beginning and ending date of the leave.

D. MANDATORY COURT APPEARANCES AND JURY DUTY

The Board shall grant a unit member leave for jury duty. The unit member shall receive his/her regular rate of pay and shall be required to notify the Treasurer's office regarding the amount of monies received from the court less expenses, and pay such amount to the Treasurer, as requested. Members required to appear in court by subpoena as a result of the performance of regular teaching or supplemental duties, will be granted leave with pay except when the court appearance is for the purpose of testimony or participation in a matter or proceeding adverse to the Board of Education.

E. MILITARY LEAVE

Military leave shall be granted to unit members according to the Ohio Revised Code.

F. PERSONAL LEAVE

Three (3) personal leave days will be granted each unit member yearly to be used in accordance with the following paragraphs. Part-time, unit members shall have their personal days prorated based upon their full-time equivalent hours worked. Unit members hired after the start of the school year shall be given one (1) personal day for each sixty (60) days contracted.

Requests for personal leave shall be submitted to the building principal at least forty-eight (48) hours in advance of the day requested. A 10% cap for personal day usage will be established per building. A list of building cap limits will be provided on the first school day each year.

The number of allotted personal days will be rounded up to the next whole number. Personal leave requests will be granted on a first come, first serve basis as they are received in AESOP.

Personal leave shall be granted on a day when the cap has been met if the building administrator reasonably determines that an emergency or extenuating circumstance exists (including but not limited to: a wedding; or the day before the wedding of the unit member or the member's child; or the need to attend a school related activity of an immediate family member [spouse or child, or another person who has established a similar relationship] occurring on a school day; all of which cannot be conducted at any other time except during the regular school day).

Unused personal leave days shall be:

- Converted to sick leave accumulation; or
- Cashed in at the current basic sub rate per day (request must be submitted by April 1st regarding intent to cash in the days vs. converting them to sick leave) (Reference Appendix A-11)
- Payment for unused days shall be included in the July 20th pay.

G. SABBATICAL LEAVE

1. Upon written application, not later than April 1 of any school year, a unit member who meets the following qualifications shall be granted a sabbatical leave.
2. All applications for sabbatical leave will be reviewed by a committee consisting of three (3) representatives to be named by the Superintendent, and three (3) representatives to be named by the Association President. The committee shall consider, among other qualifications, the following:
 - a. The proposed program of the applicant as related to professional graduate study, travel, writing, or research.
 - b. The value of the proposed program to the Pickerington Schools, its pupils, and the individual applicant.
 - c. The applicant's total length of service with Pickerington Schools.
3. In order to be eligible for a sabbatical leave, a unit member must have been employed in the Pickerington School District for at least five (5) years.
4. Unit members requesting such leaves must accompany their applications with detailed plans for the proposed use of their sabbatical leaves. Within ninety (90) days after the expiration of his/her leave, the unit member will make a written report to the Superintendent detailing the use, which was made of his/her leave. If the leave was granted for graduate study, the unit member will present to the Superintendent a transcript from the university or college attended.

5. Unit members approved for a sabbatical leave will be notified of their approval by May 15th, or as soon thereafter as possible. A unit member on a sabbatical leave shall be given an employment contract for the year of leave and shall be entitled to a salary equal to the difference between their previous salary and the salary of the substitute teacher replacing them while on sabbatical leave.
6. As a condition of being granted a sabbatical leave, a unit member must agree to return to the Pickerington Schools for a period of one (1) year upon returning from leave. Failure to do so shall require the unit member to refund to the Board all payments received from the Board for sabbatical leave purposes during the leave period. Such refund shall be made within a four (4) month period beginning with the first full month said unit member was to have returned to duty. Such time limit may be extended by agreement of both parties.
7. Unit members on sabbatical leave shall be given full experience credit on the salary schedule and credit for seniority purposes for the period of the leave and shall return to their same or to a similar position as they held at the time the leave commenced.
8. A bargaining unit member on sabbatical leave may maintain health, life, and dental insurance benefits during the period of leave. Any member desiring continuation of such benefits must notify the Treasurer not less than thirty (30) days prior to the commencement of the leave and pay to the Treasurer an amount equal to fifty percent (50%) of the total monthly cost of the insurance not less than ten (10) days in advance of the time that the Board premium payment is due.
9. Any bargaining unit member who purchases retirement credit for the portion of their salary forfeited during the sabbatical leave will pay to STRS both the employee and employer share of retirement contributions.
10. All such sabbatical leaves shall be granted in conformity to the provisions of Section 3319.131 of the Ohio Revised Code.

H. **UNPAID LEAVES**

The Board, with the recommendation of the Superintendent, may grant leave of absence to a unit member with the following stipulations and guidelines being observed:

1. Requests for Leaves of Absence

All requests for leaves of absence shall be submitted in writing to the Superintendent through the appropriate Principal. Such requests shall be delivered to the Superintendent not less than thirty (30) calendar days prior to the requested beginning date of the leave, unless an emergency situation exists as determined by the Superintendent.

2. Types of Leaves of Absence

Leaves of absence may be granted for the following reasons:

- a. Personal illness
- b. Disability
- c. Professional improvement
- d. Illness in immediate family
- e. Military service

A leave of absence may be used only for the purposes stated in the written request. Requests for leaves of absence for personal illness, disability and illness in the immediate family will be granted for the duration of the disability, as determined by the physician. However, a leave of absence may be extended beyond the disability period up to the remainder of the school year upon request of the unit member and if the Superintendent determines that it is in the best interest of the school district to extend the leave.

3. Unpaid Leave for Special Circumstances

The Superintendent/designee may recommend an unpaid leave of absence to allow a unit member to attend to emergencies or other special circumstances that include, but are not limited to attendance at a wedding; the day before the wedding of the unit member or the unit member's child; or attendance at a school related activity of an immediate family member (spouse, child or another person who has established a similar relationship); all of which cannot be addressed at times outside the contracted work day. Whenever possible, accrued personal leave shall be used to attend to such matters. However, unpaid leave may be granted if a unit member's personal leave days are insufficient to allow for attendance at these events.

4. Unpaid Disability Leave

Unit members who have exhausted all available sick leave benefits, who are not disabled under STRS disability retirement standards but who qualify for an unpaid leave of absence for medical reasons shall be required to request such leave from the Board of Education and such leave shall be granted or extended for up to two years.

Unit members who are unable to return to work and who fail to request such leave, or to return to duty upon the expiration of such leave shall be given written notice by the district Treasurer that such action is deemed an abandonment of employment and all further rights to employment in the school district are extinguished.

5. Contract Status

A unit member on a limited contract who has been granted a leave of absence prior to the second semester will have his/her contract run concurrent with the leave. If the contract expires during the leave or if the leave and contract terminate at the same time, the unit member shall be granted an additional one (1) year limited contract. The unit member will return to the appropriate limited contract sequence following a successful evaluation under this one (1) year limited contract.

A unit member on a limited contract, who is on a leave of absence after the start of the second semester whose contract expires during the leave, shall be granted an additional limited contract of the same length as that of the contract currently expiring, provided there has been a successful evaluation completed during the first semester.

6. Assignment Upon Return

The Board cannot guarantee the return of the unit member to the assignment held prior to the leave; however, every effort will be made to return the unit member to a comparable position, acceptable to the unit member.

In cases of a RIF (Reduction in Force) when a leave of absence by a unit member not affected by the RIF would reduce the number of layoffs, that unit member shall, upon request, be awarded his/her former position in the following year as a condition for requesting a leave of absence. Upon return, said position shall not be exempt from the procedures of the RIF policy.

7. Compensation During Leave of Absence

All leaves of absence shall be without pay. Upon returning, the unit member shall resume the same level on the salary schedule assigned at the time the leave commenced, unless one hundred twenty (120) days of service had been completed during the year of the leave of absence. The only exceptions are leaves of absence associated with service in the Armed Forces of the United States. Such service of not more than five (5) years shall be considered as though teaching services had been performed. Continuation of life insurance will be subject to the carrier's policy provisions.

8. Length of Leave of Absence

Leaves of absence for any purpose other than military service may be granted for not more than two (2) years. If the leave commences during the school calendar year, the normal duration of the leave will be until the end of the same school year. In unusual circumstances and upon the recommendation of the Superintendent, the leave may be extended for not more than two (2) full years.

9. Notification of Return

The unit member shall include in his/her request the intended date of return. A leave of absence approved by the Board shall include the starting and ending date of the leave of absence.

All full year leaves will end by the start of the next school year.

Professional improvement leaves will be granted for either one (1) semester or one (1) year only, and a leave of absence for "personal" reasons will not be granted under this provision.

I. **FAMILY AND MEDICAL LEAVE ACT**

Notwithstanding any provision in this Agreement to the contrary, on and after August 5, 1993, each of the parties reserves all rights and responsibilities provided employers and employees under the Family and Medical Leave Act of 1993 (the Act). It is the intent of the parties that all rights regarding leaves provided by the Act shall be solely determined by the provisions of the Act and the regulations adopted there under which will supersede and take the place of all related leave provisions contained in this Agreement.

J. **RELIGIOUS LEAVE**

A unit member may be absent with pay on a religious holiday not included in the school calendar. The holiday must be observed by a bona fide religion or religious body, which has historically observed the religious holiday in such a fashion as to preclude attendance at school. Such absences shall not exceed two (2) days during the school year. A unit member must complete the request in the Absence Management System at least forty-eight (48) hours in advance of the day requested. The request shall state the specific religious holiday requested.

The subcommittee will exist for the duration of the contract period.

E. Professional Development

1. Philosophy

It is the philosophy of the district that professional development should be “high-quality, sustained, intensive and classroom focused” and “not one day or short-term” workshops or conferences. Sending educators to a seminar or providing only limited experiences during which teachers can learn about, discuss, and apply effective instructional strategies will not result in lasting change. Job-embedded professional development is necessary for continuous improvement of instruction to take place. The Ohio Improvement Process indicates that professional development is intentionally aligned with a district’s most pressing needs; this professional development is implemented strategically and is not based on the preferences of individuals but on what must be done to improve the system.

2. District Wide Professional Development Programs

- a. District wide professional development is implemented by the Department of Teaching & Learning in collaboration with the District Transformation Team.
- b. External resources and specialists from the Educational Service Center, the Ohio Department of Education, and other agencies shall be used as determined by the committees responsible for planning professional development education.
- c. The Administrator shall provide members the district professional development agenda at least one week in advance of scheduled professional development. The agenda shall include the professional development description, rationale and professional educator’s standard alignment.
 - i. Members, through the form in Appendix A-23, shall have the ability to propose alternate professional development for the individual or collaborative group that aligns to the District Continuous Improvement Plan (CIP), member’s IPDP or growth/improvement plan.

3. Building Professional Development Programs

- a. Building level professional development will be part of the overall district professional development plan.
- b. BLT will coordinate continuous improvement and professional development plans.
- c. BLT will submit a CIP and PD plan to the Department of Teaching & Learning and will report monthly progress monitoring updates.

- d. Building principals shall provide members the building professional development agenda at least one week in advance of scheduled professional development. The agenda shall include the professional development description, rationale and professional educator’s standard alignment.
- i. Members, through the form in Appendix A-23, shall have the ability to propose alternate professional development for the individual or collaborative group that aligns to the District Continuous Improvement Plan (CIP), member’s IPDP or growth/improvement plan.

4. Individual Professional Development Program

Any unit member, whose annual evaluation by his/her evaluator indicates one or more areas needing improvement, may be requested to participate in an individual professional development program cooperatively designed to improve the unit member’s performance. Participation on the part of the unit member is encouraged, but shall be voluntary, and all expenses shall be borne by the Board.

Outside resources and specialists from the Educational Service Center, the State Department of Education, and other agencies shall be utilized as determined by the committees responsible for planning the professional development education.

5. Academic Transition Peer

Any unit member that changes assignment or is new to the district may be offered an academic transition peer for one semester by mutual agreement. This does not apply to Resident Educators. The Academic Transition Peer shall be compensated at the rate of \$125 per person, per semester.

F. Professional Leave

Such opportunities include the following:

1. Leave of absence for study.
2. Visits to other classrooms.
3. Scheduled meetings involving ESC personnel and individuals from other county schools.
4. Various committee responsibilities that relate to the school district.
5. Workshops within and outside the district.
6. Educational Service Center meetings.
7. State Support Team meetings.

Criteria for Attendance at Professional Meetings/Conferences or Workshops:

The following criteria will be considered when evaluating requests for attendance at professional meetings/conferences or workshops.

- a. To what degree are the content and expected outlines aligned to achieve a common result?
- b. To what degree are the tasks and timelines logically sequenced to achieve the expected outcomes?
- c. To what degree will the experiences, when taken as a whole, improve student performance and change adult practice?
- d. Is there a cost-benefit to the overall plan-weighing the total expected costs against the total expected benefits?
- e. What is the relationship of the above professional development to any other professional development being offered at the district or building level?
- f. In what way does the professional development related to the Building Improvement Plan?

Conference/Workshop Reimbursement Procedures

Conference/workshop attendance rotation is recommended by the building principal to the appropriate district office department. Upon approval from the appropriate district office department, a unit member may be entitled to reimbursement of expenses incurred as a result of attending the conferences or workshop. Should a unit member or an approved replacement not attend a conference or workshop, they will reimburse the district for the registration fee portion that was prepaid. This reimbursement will be deducted from the unit member's pay.

Procedures for unit member involvement as an out-of-district workshop presenter:

- a. Unit members who are to be presenters in another educational institution may use professional leave and the district shall provide the substitute teacher, if any.
- b. Unit members who are presenters for any other organization may use professional leave provided the District is reimbursed for the cost of the substitute, if any.

UNIT MEMBER PERSONNEL FILES

- A. There will be established and maintained one (1) official file on all professional teaching unit members. The file shall be maintained in the office of the Superintendent/designee. Each building may maintain a building personnel file for the purpose of storing evaluation information and other relevant personnel information on an annual basis. The provisions of Section C of this Article shall apply to all information, other than evaluation data, copies of which have been provided to the unit member, contained in the building personnel file. At the end of each school year, the building personnel file information may be incorporated into the District file maintained in the office of the Superintendent/designee.
- B. The Board will make every reasonable effort to protect the confidentiality of bargaining unit members' personnel files, consistent with the Ohio Revised Code. Access to an employee's personnel file shall be in keeping with the applicable provisions of the Ohio Revised Code. The Superintendent or his/her designee will make every reasonable attempt to notify a bargaining unit member when such a person requests access to the member's personnel file.
- C. All materials placed in the personnel file of any unit member shall be properly dated and include the initials of the unit member in whose file the entry is being made and the initials of the administrator placing information in the file. If a unit member disagrees with the content of the material, the unit member shall initial the material; however, the unit member may then attach additional information to the item in question. If the Association or bargaining unit member files a grievance regarding any disputed documents, the disputed documents will not be placed in the personnel file until the grievance procedure is exhausted. In the event the unit member refuses to initial the materials, the administrator shall so record on the document involved and then place the item in the file consistent with this section. Such material shall be considered as a part of the official file.

The unit member may submit letters of merit, which shall be placed in his/her personnel file.

- D. If and when a unit member and the Superintendent or his/her designee agree that there is adequate evidence that certain material in said unit member's official file is irrelevant, inappropriate or false, or if the validity of a complaint is sustained by the grievance procedure, such material shall be removed from the file or corrected.
- E. A unit member shall have the right to inspect his/her personnel file at any time so long as such request is during the normal working hours of the administration offices. The unit member shall schedule an appointment with the Human Resources Department.

- F. All of the above is subject to the Ohio Revised Code.

- G. Any materials of a disciplinary nature shall be removed from the personnel file after two (2) years if there have been no other intervening incidents of the same nature. Matters relating to discipline of such a nature as to warrant retention may be retained in member's official personnel file beyond the two (2) year period of time. If the Association or the bargaining unit member disagrees on the administration's decision pursuant to this section, a committee appointed by the Superintendent and Association President will meet to try and resolve the issue prior to a grievance being filed. The committee shall consist of at least two (2) persons from the administration and two (2) persons from the Association.

UNIT MEMBER PROTECTION

A. Board Policies and Unit Member Handbook

The Board will provide an updated copy of all Board policies and employee handbooks for each building by posting on the District's computer network. Any changes, modifications or additions to Board policies shall be made known, via electronic draft format, to the Association President at or before Board action is being considered.

B. Complaints Against Bargaining Unit Members

1. Purpose: It is the intent of the board that complaints be resolved privately in a discrete manner amongst the complainant and the member. The purpose of this procedure is to determine the factual basis for complaints that have not been resolved concerning actions of members.
2. Any complaint about a unit member considered serious enough to warrant disciplinary action will be communicated to the member. If the complaint is presented in writing the member will be given a copy. The unit member and his/her principal will meet to discuss the complaint. The unit member will be afforded the right to Association representation at any such meeting.
3. When a complaint related to information of which notice to a law enforcement agency is required, the unit member will be so advised to the extent permitted by the law or regulations governing the notification.

C. Discipline

1. Persistent written complaints that have been substantiated may be used in disciplinary action against the unit member, consistent with terms of this Master Agreement. Unit members will be considered to be innocent unless and until the complaint(s) have been substantiated and the unit member has had an opportunity to respond to the complaint(s) pursuant to the Master Agreement. Unit member(s) shall be afforded all due process rights under Federal and State Law.
2. All disciplinary action will be conducted in private. If a meeting is called by an administrator for the purpose of disciplinary action the unit member may be accompanied by the Association President or designee, if he/she so requested. Except in emergency circumstances, the unit member will receive twenty-four (24) hours written notice of a disciplinary conference.
3. Except for a contract termination, appeals of disciplinary actions may be made through the Grievance Procedure.

- a. Any termination of a bargaining unit member will be conducted in accordance with Chapter 3319.16 and 3319.161 of the Ohio Revised Code. The statute shall be the exclusive remedy and no grievance may be initiated under this Agreement.
 - b. Disciplinary action leading to non-renewal or termination will be progressive in nature unless the infraction(s) are serious enough to warrant immediate non-renewal or termination.
 - c. This provision shall not limit the right of the Board to consider termination of teaching contracts when, in the judgment of the Board, termination is warranted.
4. The administration may take progressive disciplinary action against a unit member for just cause. Such disciplinary action for the same or similar offense shall be imposed in the manner set forth below. The Administration may advance one or more steps of discipline, up to a three (3) day unpaid suspension, for infractions that warrant more serious discipline.
 - a. Step 1 – First Offense – Verbal warning to the unit member in a private disciplinary conference, held in an administrator’s office, with the Building Administrator and Association President or designee. The unit member shall be informed that the discussion constitutes a verbal warning.
 - b. Step 2 – Second Offense – Written warning to the unit member. A unit member’s signature shall reflect receipt and not necessarily agreement with the contents. A completed copy will be given to the unit member.
 - c. Step 3 – Third Offense – A unit member may be suspended for up to three (3) school days without pay for just cause. Prior to any suspension, the Superintendent will notify the unit member of the grounds for any such suspension and provide an opportunity for a hearing before the Superintendent. Any appeal of a disciplinary suspension shall be through the grievance procedure and may be advanced directly to arbitration.

- 4th contract 2 year limited
- 5th and all succeeding contracts 3 year limited

The first three one-year limited contracts are probationary contracts. Board action to non-renew such contracts' is not subject to challenge under either the grievance procedure or the provisions of Ohio Revised Code Section 3319.11 or 3319.111. The non-renewal of any subsequent expiring limited contract may be done only for just cause. Such non-renewals are subject to challenge only through the grievance procedure, which shall be the sole and exclusive means of challenge.

B. The Board may interrupt the above sequence upon the recommendation of the Superintendent in the event of documented deficiencies identified through the evaluation procedure and grant not more than two (2) successive one (1) year probationary contracts. In granting a probationary contract, the following procedure will be utilized:

1. The Superintendent/designee will notify, in writing, the unit member of his/her intent to recommend a one (1) year probationary contract before May 15th. Written reasons directed at improvements needed, will be included with the notification from the Superintendent. The Board will notify the unit member by May 30th of its action upon the Superintendent's recommendation. It is agreed that probationary contracts will be for only one (1) year in length. Failure by the unit member to provide written notice of continuing contract eligibility by October 15th shall result in the unit member being eligible only for a limited contract should the unit member's contract be renewed in April of that year. The unit member may reapply for a continuing contract the following year but the Board reserves the right to deny a continuing contract during the term of a multi-year limited contract. If so, then the unit member may apply for a continuing contract by October 15th of the year in which said limited contract expires.

The Association and the Board agree to maintain the District Transformation Team which includes an Evaluation Development Committee (currently known as the OTES subcommittee) and a Student Growth Measures Committee (currently known as the SGM subcommittee).

A. Purpose

The purposes of the committees are to regularly review and recommend policies, procedures and processes, including, but not limited to the evaluation instrument(s), for the evaluation of teachers in the District and to regularly review and recommend policies, procedures and processes, associated with but not limited to the selection, development and implementation of student growth measures.

B. District Transformation Team Composition

1. The District Team shall be comprised of an equal number of Association members appointed by the Association president and an equal number of members appointed by the Superintendent or his/her designee. In addition, each party may appoint up to one ad hoc non-voting member to assist and/or attend Team meetings.
2. Team members shall be representative of various grade levels, specialty areas, and programs from each building within the District.

C. Committee Operation

1. Each committee of the District Transformation Team shall be chaired jointly by the Association President or designee and the Superintendent or designee. The co-chairpersons will develop agendas jointly.
2. Members of the respective committees will receive training in all aspects of the teacher evaluation framework including but not limited to: SLOs, Value Added, shared attribution, linkage and the Ohio Standards for the Teaching Profession no later than the three (3) months after their appointment to the committee and at least once every three (3) years thereafter. The Board shall pay all training expenses.
3. The District Transformation Team will hold an organizational meeting in August of each new school year and establish by mutual agreement a meeting calendar for the year, tasks for each committee to complete, and timelines for the completion of specific tasks.
4. All recommendations of the committee will be achieved by consensus. These decisions and recommendations will be distributed electronically to the full District Transformation Team within five (5) workdays.
5. Members of the committee will receive release time for approved committee work and training. Any approved committee work performed outside of the contractual workday will be paid in accordance with Article 31, Instructional Duties Beyond Day/Year.
6. The committee may establish sub-committees to assist with their work. The District Transformation Team co-chairs, Superintendent/designee and the Association President/designee, will jointly appoint sub-committees.
7. The District Transformation Team and/or its committees shall be authorized to utilize consultant(s) (examples include, but are not limited to, educational consultants, software consultants, credentialing trainers, etc.) as deemed appropriate for the Transformation Team. The cost, if any, of any approved consultants shall be borne by the Board.

D. Authority

1. The District Transformation Team and/or any of its committees shall not have the authority to negotiate wages, hours, or terms and conditions of employment.

2. In the event of legislative action by the Ohio General Assembly that occurs after this Master Agreement becomes effective, that impacts teacher evaluations, and that requires modification to this Agreement to conform to the new statute, the parties to this Agreement shall discuss this topic to determine whether adjustments are appropriate during the term of this Agreement. The interim bargaining procedure, per Article 43, outlined in this Master Agreement, shall be utilized.

ASSIGNMENTS – VACANCIES – TRANSFER

A. TRANSFERS

The final decision on the transfer or assignment of unit members shall remain the Superintendent's. The overriding factor in making decisions will be to assign personnel into positions that are most likely to enhance the education program. Within five (5) workdays of receiving a denial of a request for voluntary transfer or notification of an involuntary transfer, a unit member may request either written reasons for the transfer or denial or a conference with the Superintendent/designee. Throughout this Article, the term "workday" shall mean a day in which District central administration offices are open.

B. POSTING OF UNIT VACANCIES

Vacancies, as determined by the District Administration, will be posted using the District's communication system. The Association President will be sent a copy of all job postings. The notice shall include the position available, qualifications, requirements for the job, deadline for notification of interest, effective start date, and any additional pertinent information. Upon notification of vacancies, unit members will have three (3) workdays in which to respond via the District's communication system. Any unit member who is appropriately certified/licensed (including, where applicable, designated as a "highly qualified" teacher) may apply for the posted vacancy. Voluntary transfer to a posted vacancy will be considered based on the factors noted in Section C, below.

For positions that become available after July 1st through five (5) workdays after the start of the student school year, the Administration shall not be required to post vacancies.

Any position filled after the start of the first student day shall be filled on a temporary basis through the end of that school year. At the end of the school year, it may be posted and filled in accordance with the provisions of this contract.

C. VOLUNTARY TRANSFERS

1. Notwithstanding the exceptions noted in Section B., above, no vacancy shall be filled until a notice of vacancy has been posted for three (3) working days. If a teacher wishes to be considered for any posted vacancy, the teacher shall apply via email to the Superintendent/designee, within three (3) working days. The unit member with the most seniority will be given first consideration for the assignment. However, seniority shall not be the determining factor in the approval of a voluntary transfer unless the following criteria are deemed to be equal:
 - a. Relevant experience;
 - b. Educational training and background;
 - c. Certification/licensure;

- d. Performance evaluations;
 - e. Professional portfolio and information gained through an interview for the vacancy.
2. If administration grants the transfer to a candidate with less seniority or recommends the employment of an outside candidate to fill a vacancy, the candidate with the greatest seniority may request, within two (2) weeks of the date of selection, and be granted a meeting with the Superintendent/designee and the building principal in whose building the vacancy exists. Such unit member may have a representative of the Association at this meeting. The purpose of the meeting will be to answer questions, and if requested by the unit member, to provide written reasons why he/she was not selected to fill the vacancy.
 3. Voluntary transfers will not be available to unit members during the first three (3) years of employment, except for good cause demonstrated to the Superintendent. After the initial three (3) years of employment, transfers will be limited to one voluntary transfer during any two (2) year period.
 4. PEA President/designee shall be provided a list of internal candidates for a posted vacancy within the bargaining unit prior to the commencement of interviews.

D. INVOLUNTARY TRANSFER

In the event it becomes necessary to transfer a unit member to a different instructional assignment, such transfer shall be done on the basis of the least senior unit member transferred first. These procedures will also apply to the reassignment of unit members returning from a leave of absence or childcare leave.

When it is necessary to transfer a unit member because of a shift in enrollment patterns resulting in a reduction of positions in one grade level or building, the transfer procedure will be as follows: (1) transfer of volunteer unit members; and (2) if a sufficient number of volunteers do not come forward, then transfers based on the needs of the affected buildings as determined by the building administrators.

All other involuntary transfers shall be executed according to system-wide seniority, appropriate certification/licensure, and after all voluntary transfers have been completed.

Involuntary transfers may be made without regard to seniority in the event that the transfer of a teacher will enhance the educational programs of the District; or the transfer is necessary to provide a reasonable accommodation to a teacher with a disability; or a teacher is arrested or indicted for any offense that, in the judgment of the Superintendent, requires temporary reassignment.

E. ASSIGNMENT GUIDELINES

No assignment decision shall be arbitrary or capricious and will be for a good reason. In the event a more senior member is not reassigned, the Superintendent will provide written reasons for the denial in keeping with the above. This applies to all transfers.

F. ASSIGNMENT OF STAFF TO A NEW SCHOOL

With the establishment of a new school, the reassignment of staff shall first be to offer staff the opportunity to transfer to both current and new titled positions in the new building. Staff requesting to transfer will be considered based upon seniority and the appropriate certification/licensure, including, where applicable, designation as a “highly qualified teacher.” Interested staff members who meet the qualifications as above would interview with the principal assigned to the new school.

Once staff interested in transferring to the new school have been interviewed and assigned, or denied, the staffing process would revert to the current process starting with the reassignment of teachers whose positions have been affected by enrollment shifts.

This process would only be used during the staffing of any new school.

G. GRADE LEVEL ADVANCEMENT

Subject to the approval of the building principal, two teachers in grades K-4 may agree to a plan for transfer under which each teacher moves one grade level per year, with one teacher moving forward with the class to which that teacher was assigned the previous year and the other teacher moving backward to one earlier grade level. For example, a teacher assigned to a class at grade 3 may advance to grade 4 with the same class, while the other “paired” teacher would move from grade 4 to grade 3.

H. REASSIGNMENT WITHIN BUILDINGS (GRADES K-6)

When it becomes necessary to reassign staff within a K-4 or 5-6 building, the principal shall make reassignments on a voluntary basis to the mutual satisfaction of the principal and the bargaining unit members affected. If this is not possible, the choice of assignments shall be given, in turn, to the affected bargaining unit member(s) with the greatest seniority until all assignments have been made. Reassignments within a building will be made prior to the posting of vacant positions.

I. TEACHER ON SPECIAL ASSIGNMENT

The position of "teacher on special assignment" has been created to assist staff in the development and implementation of education programs, as directed by the Superintendent. The Superintendent shall have the final authority to assign unit members to this position. The creation of any bargaining unit position, including that of teacher on special assignment, does not mean that such position need be filled.

Any assignment to the position of teacher on special assignment shall generally be for the duration of one school year, unless continued for subsequent year(s). Upon completion of such assignment, the bargaining unit member will be reassigned following the procedures outlined in this Article, and in the same manner as applied to a unit member returning from a leave of absence.

Bargaining unit members holding the position of teacher on special assignment shall not be required to evaluate staff.

ARTICLE

VOLUNTARY JOB SHARING

Voluntary job sharing is dependent upon the understanding that student needs and scheduling take precedence over individual bargaining unit members' preferences. This concept is predicated on consensus, conciliation, and cooperation. Also, shared positions shall be reviewed annually and will not be renewed automatically.

A. DEFINITION

1. Job sharing shall be defined as the sharing of duties and responsibilities of one (1) position by two (2) employees.
2. Each job sharing employee shall have a contractual workweek with hours Monday through Friday. Instructional planning time, job responsibilities, duties, and committee work will be shared equitably as determined by consensus among the two (2) bargaining unit members and the building principal.
3. The District's professional development days will be attended full-time by both job sharing employees at no additional cost to the District.
4. Both job sharing employees shall attend any scheduled parent-teacher conferences involving shared students.
5. In the event that one of the job sharing employees resigns, ceases active employment with the district, or if a job share position becomes vacant for any reason, it will be at the discretion of the Superintendent to determine who will assume the vacant portion of the position.

B. COMPENSATION

1. Salary compensation for each job sharing employee shall be prorated according to the amount the bargaining unit member would have earned if the employee were full-time.
2. All other benefits, including insurance (with the exception of life insurance), shall be prorated for job sharing employees.
3. If one of the job sharing employees is absent from work, the other bargaining unit member may assume the full-time duties, compensated on a regular, substitute basis per Board policy. Should it be immediately evident that the other job sharing employee will be absent in excess of fifty-nine (59) days, he/she will be compensated per the employee's regular salary.

C. NOTIFICATION OF INTENT

1. Bargaining unit members who wish to be considered for a job share position for the following year must submit a Letter of Intent to the Superintendent by March 1st. Final approval for any proposed job share position shall be the decision of the Superintendent and building Principal and shall be binding. Within five (5) school days of receiving a denial of transfer, a unit member may request either written reasons for the denial or a conference with the Superintendent/designee.
2. Once a job share proposal has been submitted, a meeting will be held including, but not limited to, the two (2) teachers who may be involved in the time sharing, the Executive Director of Teaching & Learning, building principal and the PEA President. Upon tentative approval of the Executive Director of Teaching & Learning, the two (2) teachers shall meet with the principal of the building where the job sharing is proposed for the purpose of attempting to reach mutual agreement on the duties and responsibilities (including, but not limited to, in-service, staff meetings, parent-teacher conferences), to be performed by each teacher under the job sharing proposed. The job sharing will not occur if the building principal and teachers are unable to reach mutual agreement on the duties and responsibilities to be performed.
3. Any initial job sharing arrangement provided for in this Article shall have a maximum duration of one (1) school year. In order for a particular job sharing arrangement to continue or be renewed for an additional school year, there must be mutual agreement among the building principal and the participating teachers. An agreement to continue a job sharing arrangement for more than one (1) year shall not establish a past practice entitling the participating teachers to continue the job sharing an additional year in the absence of mutual agreement with the building principal.
4. Within five (5) school days of receiving a denial of transfer, a unit member may request either written reasons for the denial or a conference with the Superintendent/designee.
5. Job sharing bargaining unit members who wish to return to full-time positions shall follow the voluntary transfer provisions established in Article 27, Assignments, Vacancies, and Transfers.

REDUCTION IN FORCE PROCEDURES

If the Board determines that it is necessary to reduce the number of certificated/licensed positions, such reductions shall be for one or more of the following reasons:

- A. A decreased enrollment of pupils or a change in enrollment of pupils in a program at the secondary level.
- B. A return of unit members from leaves of absence.
- C. The suspension of school.
- D. Territorial changes affecting the district.
- E. Financial reasons.

The Board shall determine which positions must be eliminated and the number of unit members to be affected by the reduction in staff.

The financial savings to the district from a reduction in force shall not exceed the total financial deficit demonstrated by the Board.

A. DEFINITION OF SENIORITY

Seniority is defined as the period of continuous service with the school district beginning with the date the Board took action to authorize a contract. Unit members who substituted for one hundred twenty (120) days or more in the Pickerington Schools and who are awarded a regular contract immediately following the year of substitution shall be awarded seniority privileges beginning with the first day of substitution.

If district seniority is equal, then the following additional considerations will be made in determining the order of seniority:

- 1. Total years of teaching experience in a state chartered school.
- 2. Date the employment application was received by the school district.
- 3. Total qualifications related to the position in question as determined by the Superintendent.

Seniority shall not be interrupted by either an authorized leave of absence or by a suspended contract because of a reduction in force.

B. ELIMINATION OF POSITIONS AND DETERMINATION OF REDUCTION IN FORCE LIST

1. The administration shall develop a seniority list as soon as practicable after the RIF decision is made.
2. Unit members to be affected will then be identified in order of seniority for each certificated/licensed area affected by the reduction. The sum of the lists of various areas of certification/licensure will equal the number of positions to be reduced.
3. There will be two (2) lists within each certificated/licensed area. One list will be for unit members affected who have continuing contracts and the other list for unit members affected who have limited contracts.
4. Unit members on the RIF list who have limited contracts expiring will be authorized a new limited contract, if determined appropriate through the evaluation procedure.
5. Although the RIF list will be prepared as early as possible, actual suspension of a unit member's contract will not occur prior to August 1st unless an emergency situation exists. In such emergency situations, unit members shall be given a thirty (30) day notice prior to suspension. When a RIF is planned for the next school year, notice of the possible suspension of contract shall be given to unit members by May 30th; however, actual suspension of the contract shall not occur until after July 31st.
6. The Board may send notice of RIF to the affected unit member via electronic mail or other form of communication.

C. IMPLEMENTATION

If it is deemed necessary by the Board to reduce staff, the Board shall proceed to suspend contracts for members in accordance with the recommendations of the Superintendent pursuant to ORC 3319.17. In determining the position(s) to be reduced, eliminated or not filled, the following sequence shall be used, subject to the Superintendent's right of assignment per ORC 3319.01:

1. First, position(s) vacated as a result of a voluntary resignation, retirement or death will not be filled.
2. Second, all contracts of reemployed retirees in affected areas shall not be renewed.
3. Third, contracts of members shall be reduced in the following order:
 - a. Limited contract members who have a final summative rating of ineffective;
 - b. Continuing contract members who have a final summative rating of ineffective;
 - c. Limited contract members who have a final summative rating of developing;
 - d. Continuing contract members who have a final summative rating of developing;
 - e. Limited contract members who have a final summative rating of skilled;
 - f. Continuing contract members who have a final summative rating of skilled;

- g. Limited contract members who have a final summative rating of accomplished;
and
- h. Continuing contract members who have a final summative rating of accomplished.

D. DEFINING COMPARABILITY

For the purpose of determining which evaluations are “comparable”, all members rated “accomplished” shall be deemed comparable to one another; all members rated “skilled” shall be comparable to one another; all members rated “developing” shall be comparable to one another; and all members rated “ineffective” shall be deemed comparable to one another.

E. BUMPING RIGHTS

1. If a member whose contract is suspended due to a reduction in force is certified/licensed for another position(s) in the District, and provided the displaced member has a final summative evaluation rating of “developing” or better, the process set forth in Article 29 C. 1 through 3 will be repeated. If a suspended member has an equal final summative evaluation rating, the suspended teacher must also have greater seniority in order to displace another unit member. It is possible the process will repeat multiple times until the member whose contract is suspended is ultimately determined. Any member displaced with a rating of developing or better may displace another member according to this Article.
2. Appropriate certification/licensure must be on file with the Board on the date the RIF is announced.
3. A unit member will have two (2) workdays to exercise bumping rights. If a unit member does not exercise his/her bumping rights within two (2) workdays, the unit member will be assigned a teaching position.
4. If a vacancy occurs in the original building the year during which a unit member has been transferred, that unit member may request to return to the original building if: (1) school is not in session, (2) if the vacancy occurs prior to August 1st, and (3) the unit member is certified/licensed for the vacancy. Unless the unit member can move back to an original building in the current year, the reassignment process will not be redone unless mutually agreed to by all concerned.

F. RECALL FROM SUSPENSION

1. Unit members whose contracts have been suspended as part of a RIF will be eligible for recall for twenty-four (24) months from the effective date of the suspension.
2. If there is a vacancy to be filled, as determined by the Board in its sole and exclusive discretion, then the suspended member who holds a valid certificate/license to fill the vacancy will be recalled on the basis of his/her final summative evaluation rating. Seniority will not be the basis for recall except where the member’s final summative

evaluation ratings are “comparable”, as defined above. The callback process shall begin with the list of unit members holding continuing contracts, followed by those with limited contracts.

3. When a vacancy occurs, the selected unit member(s) on the callback list shall be: (1) contacted either in person, email, or by telephone and advised of the vacancy, or (2) if personal contact is not confirmed, the unit member shall be notified of the vacancy by registered mail. It is the unit member’s responsibility to keep the District Office personnel informed of his/her whereabouts. The District should be notified of any changes of address, phone number, email, certification/licensure and place of employment.
4. The unit member shall respond to the vacancy opportunity within two (2) workdays of notice if the notice is issued prior to August 1st. If the notice is issued after July 31st, the unit member shall respond within two (2) calendar days.
5. If a unit member declines the vacancy, or does not respond to a vacancy opportunity within two (2) workdays after contact, the opportunity for assignment goes to the next unit member on the callback list according to his/her final summative evaluation rating, or if ratings are comparable, upon seniority. A unit member who declines or does not respond to a vacancy equivalent or greater to the position held when the RIF occurred will be removed from the recall list.
6. If no unit member on the callback list accepts the vacancy in order of seniority, a new unit member from outside the district will be employed for the vacancy.

G. OTHER CONSIDERATIONS

1. No unit member new to the district will be employed until all unit members on the callback list have been reassigned. Exceptions to this will occur when there is no unit member on the callback list certified/licensed for a vacancy or when all unit members on the callback list reject a vacancy.
2. Suspended unit members shall have the right to pay premiums for hospitalization, dental and other insurance benefits as per the provisions of C.O.B.R.A. for a period of eighteen (18) months following the effective date of suspension. Group life insurance coverage may be continued at the member’s expense in accordance with the District’s life insurance policy in effect at the time.
3. During a period of suspension, a unit member’s seniority with the district will be continued; however, a unit member will not be granted experience credit on the salary schedule for the period of time the contract is suspended.
4. A unit member whose contract expires during a period of the contract suspension because of a RIF will be eligible for contract renewal as follows:

- a. A unit member who is suspended for the duration of the contract and who teaches less than one (1) semester on the contract will have his/her contract renewed for the same length as the expiring contract.
 - b. A unit member who teaches more than one (1) semester during a contract and is suspended for the balance will be eligible for contract renewal pursuant to the District evaluation procedures.
5. The parties agree that these procedures apply only to the suspension of contracts as provided under Ohio Revised Code 3319.17. This Article shall not require the Board to fill any vacancy, nor shall it interfere with any other lawful personnel procedures in the District.

Duties will be assigned by the building principal or his/her designee in a fair and equitable way. Total minutes of duty time shall be assigned as nearly equal as possible among unit members. The duty schedule will be prepared in advance with the understanding that unit members may trade duties if the trade is agreeable to both unit members. The building principal shall be notified prior to the duty if times are traded. K-4 unit members shall not be assigned more than one (1) duty per day of not more than fifteen (15) minutes in length.
 - 3. Grades 5 & 6 unit members shall not be assigned more than one (1) duty per day of not more than fifteen (15) minutes in length exclusive of study hall.

- B. The workday for each full-time unit member will include:
 - 1. At least a thirty (30) minute, uninterrupted, duty-free lunch period at a time the cafeteria is serving food. This time shall be completely free of any duty/student contact time, including but not limited to, the time it takes a unit member to get students to lunch and return them to the classroom. Unit members may leave the building during their duty-free lunch period upon notification of the building principal/designee.

 7. Any member directed to sub during their Structured Professional Time (SPT) will be compensated twenty dollars (\$20.00).
 8. The Ohio Improvement Process (OIP) requires teachers to prepare their students' data and analysis prior to participating in the TBT process. This preparation includes but is not limited to grading, data entry, and data analysis. As such, teachers may elect to use the Structured Professional Time (SPT) immediately preceding their first TBT and last TBT of the cycle, for said preparations. Notification shall be given to the Principal if a teacher uses this option.
- C. Scheduled parent-teacher conference days may start at a time different from the regular starting time for unit members as established by the Superintendent (or designee) and the Association President (or designee) with input from the principal and faculty in each building. However, such scheduled time shall not exceed seven and one-half (7-1/2) continuous hours including a one-half (1/2) hour duty-free time for unit members. Days of parent-teacher conferences will be days of instruction for classes not conducting conferences.

At least one (1) of the two (2) pre-service days shall be utilized for uninterrupted teacher preparation for the new school year.

- E. Should it be necessary to close one (1) or more buildings in the district due to an emergency, staff affected may be temporarily assigned to work in other district buildings.
- F. The committee shall begin work no later than September 15th of each school year, at mutually agreed upon meeting times. The committee shall present its findings to both the PEA and the Board of Education no later than December 15th of each school year.

G. Part-Time Unit Members

There will be no assignments of .875 FTE or more, (but less than full-time) offered to unit members unless the unit member so requests in writing. At the secondary level a daily schedule of a minimum of one hundred thirty-five (135) instructional minutes or more will entitle the unit member to two hundred (200) minutes, fifty (50) minutes of professional preparation time per week/day respectively. An equivalent arrangement for professional preparation time will be made for part-time unit members at the elementary level. Professional preparation time may be provided over a week's schedule at the elementary level.

On days when part-time members are paid for attendance at parent-teacher conferences, teacher professional development days and pre-service days, such members shall be in attendance at school for the entire school day.

PROCEDURES FOR DEVELOPMENT OF SCHOOL CALENDAR

A committee shall be established to meet annually upon the call of the Superintendent to recommend to the Board a school calendar.

A. Procedures to Follow in Determining the Yearly Calendar

- 1. The first contractual day will start no earlier than August 10th and the last student day will be no later than May 31st. Unit members will not be required to work:

- | | |
|---------------------------------------|------------------------|

- 3. The committee shall follow federal and state mandates in the development of the school calendar and shall be responsible for identifying teacher conference days and make-up days.
- 4. The recommendation of the calendar committee may be rejected by the Board and may be returned to the committee. The Board has the final authority to establish the calendar.

FACULTY LEADERSHIP TEAM

There shall be established in each building a Faculty Leadership Team (FLT) for the purpose of: 1) providing a forum to express faculty and administrative concerns, 2) reviewing and recommending building level plans and procedures, 3) improving building wide communications between departments and/or grade levels; and where applicable 4) recommending the board approve Category VI-B Article 10 student clubs at the middle, junior high and high schools.

A. Rules and Regulations

1. In the elementary and middle school buildings, the membership of each FLT shall consist of one (1) unit member selected by the Association from each grade level for every ten (10) members or major fraction thereof.
