If the FOP disputes the Employer's determination of bargaining unit status, the parties shall meet in attempt to resolve their disagreement within fourteen (14) calendar days from the FOP's notification to the Employer. If the parties agree on the determination, it shall be implemented as agreed by the Employer and the FOP. D. Where grievance hearings, or other meetings, have been authorized by the Employer, or his representatives, to be held during regular duty hours of the aggrieved employee, the FOP Representative and the aggrieved party in attendance shall not suffer loss in regular pay or benefits. The FOP Representative shall be recognized by the Employer as the appropriate Representative at Step One of the Grievance Procedure.

ARTICLE 6: GENDER AND NON – DISCRIMINATION

A. GENDER: All references to employees in this Agreement designate both sexes, and whenever the male gender is used, it shall be construed to include male and female employees.

B. NON – DISCRIMINATION: Neither the Employer nor the Union will unlawfully discriminate against any bargaining unit employee on the basis of age, sex, race, color, creed, national origin or religion.

ARTICLE 7: GRIEVANCE PROCEDURE

A. GRIEVANCE DEFINED

A grievance is a claim that there has been a misinterpretation, violation, or misapplication of any of the provisions of this agreement. Any grievance shall contain specific reference to the provisions of the agreement allegedly violated.

B. QUALIFICATIONS

A grievance can be initiated by the FOP or any aggrieved bargaining unit member. Where a group of bargaining unit members desire to file a grievance involving a situation affecting each bargaining unit member in the same manner, the FOP or the Grievance Chairman shall file a class action grievance on behalf of all the employees named in the grievance. Such attempt at informal resolution shall be made by the member-grievant within fourteen (14) calendar days following the events or circumstances giving rise to the grievance or when they reasonably should have been first known by the member/grievant.

C. GRIEVANCE PROCEDURE

The following steps are the implementation steps and procedures for handling member's grievances:

STEP ONE - PRELIMINARY STEP

A member having an individual grievance will first attempt to resolve it informally with the Chief Deputy. All other steps contained in this Article shall apply to the processing of the grievance. At this step the grievance may be submitted orally or in writing; however, a Grievance Representative may accompany the grievant should the latter request his attendance. The Chief Deputy will document the date and time of the informal meeting and provide a copy of said documentation to the member/grievant. The Chief Deputy shall respond orally or in writing within fourteen (14) calendar days. If the member is not satisfied with the response from the Chief Deputy at this Step, he may pursue the formal steps, which follow. Before a grievance is placed in writing pursuant to Step One, such grievance shall be screened by the Grievance Chairman or appropriate alternate. In making this decision to continue with this procedure the Grievance chairman shall weigh the facts and be assured that a clear violation of the contract has occurred. Grievance hearings and discussions may be conducted while the bargaining unit member is on duty or off duty. The employer shall weigh such factors as time restraints, significance of the grievances, scheduling and other factors, to determine when to conduct said hearings and discussions.

In the absence of an agreement between the grievant and the grievance chairman the grievant may pursue their complaint on their own initiative. In this instance the grievant will attend all hearings at a no loss, no gain.

Example: If the grievant is on duty during any meeting he/she will remain on duty. If the grievant is off duty he/she will not be compensated for any meetings.

STEP TWO - CHIEF DEPUTY

1. When a member has a grievance, for which the Chief Deputy's response in the Preliminary Step is unsatisfactory, he may then submit said grievance in writing to the Chief Deputy on the grievance form agreed upon by the parties. Such form must be submitted to the Chief Deputy within fourteen (14) calendar days following the response from the Preliminary Step. The Chief Deputy shall document on the form, the date of its receipt. Grievances submitted beyond the fourteen (14) calendar day time limit shall not be considered.

2. Within fourteen (14) calendar days of his receipt of the written, grievance, the Chief Deputy shall affix his written response to the form, date and sign his response, and return one copy of it to the grievant. If the aggrieved member does not refer his grievance to the Third Step of the Procedure within fourteen (14) calendar days after his receipt of the

decision rendered in this Step, the grievance shall be considered to be satisfactorily resolved.

STEP THREE - SHERIFF

1. Should the member-grievant not be satisfied with the answer in Step Two, within fourteen (14) calendar days thereafter, he may appeal the grievance to this Step Three by delivering or having delivered a copy of the Grievance form containing the written responses at the prior Steps and any other pertinent documents, to the Sheriff. The Sheriff shall document the date to the form, accurately showing the date he received the form.
2. Within fourteen (14) calendar days of his receipt of the Grievance form, the Sheriff shall schedule and conduct a meeting to discuss the grievance with the Grievance Chairman or his duly authorized designee. The Grievance Chairman or his duly authorized designee may bring with him to the meeting the member-grievant and the appropriate Grievance Representative. The Sheriff shall be informed of the parties that will attend the meeting.
3. Within fourteen (14) calendar days of the meeting in this Step, the Sheriff shall submit to the Grievance Chairman and the member-grievant a written response.

STEP FOUR - ARBITRATION

1. If the parties are unable to satisfactorily resolve the grievance at the final step of the Grievance Procedure, it may be appealed, by the FOP to a mutually selected arbitrator. Such appeal must be presented to the Sheriff by the FOP in writing fourteen (14) calendar days from receipt of the Sheriff's final response to the grievance at the final step of the Grievance Procedure. Should the parties be unable to agree upon a mutual selected arbitrator, then the Federal Mediation and Conciliation Service ("FMCS") shall be requested to submit a panel of seven (7) qualified arbitrators from which one shall be selected. Failing to mutually agree upon an arbitrator from this panel, the Parties shall strike names alternatively with the party's right to strike the first name to be determined by a flip of a coin. All decisions reached by the arbitrator shall be final and binding on both parties with the expenses charged by the arbitrator to be borne equally by both parties.

D. AUTHORITY OF ARBITRATOR

The Arbitrator shall conduct a fair and impartial hearing on the grievance, hearing and recording testimony from both parties and applying the rules of the FMCS or the SERB. It is expressly understood that the ruling and the decision of the arbitrator, within his function as described herein, shall be binding.

1. Arbitration costs. The cost of any proof produced at the direction of the arbitrator, the fees of the arbitrator and the rent, if any, for the hearing room shall be borne equally by the parties. The expenses of any non-employee witness shall be borne, if at all, by the

party calling them. Additionally, the expenses of any employee of the Department who is not on scheduled duty shall be borne, if at all, by the party calling them. The fees of the court reporter shall be paid by the party asking for one; however, such fee shall be split equally if both parties desire a reporter or request a copy of the transcript.

An employee requested to appear at the arbitration hearing by either and whose presence is necessary shall attend without the necessity of a subpoena, although either party may, if it so chooses, subpoena the individual.

The Department shall compensate an employee who is on duty and scheduled to work at the time of the arbitration hearing and whose attendance is necessary and requested by either the FOP or the Department at the employee's regular hourly rate of pay, solely for the period of the time it is necessary for him to attend and testify at the hearing.

Where practicable, the employee witness shall be placed on call for purpose of his attendance so that the department does not necessarily incur increased costs. It is agreed that any request for attendance shall be made in good faith and the calling of a witness shall not unduly interfere with the operation of the Department.

2. Arbitrator's Finding. All decisions reached by the arbitrator shall be final and binding on both parties. The arbitrator's decision and award will be in writing and will specifically state both the rationale for the decision as well as the finding and holding.

Said decision shall be mailed to the FOP and the Sheriff or his designee, within thirty (30) days from the date the record is closed. It is understood that the record is not closed until the parties have submitted post-hearing briefs, where such a request is made.

E. TIME LIMITS

It is the Department's and the FOP's intention that all time limits in the above grievance shall be met. To the end of encouraging thoughtful responses at each Step, the grievant and the Department's designated representative may mutually agree, at any Step, to time extensions for the Department's answers. Any extensions will be placed in writing for both parties to sign. In the absence of such mutual extensions, the grievant may, at any Step where a response is not forthcoming within the specific time limits, presume the grievance to have been granted by the County/Department in full, and the County/Department shall immediately implement the requested remedy. All times referred to shall be extended if either the employee involved or the Sheriff or his designee is required to attend or be involved in the prosecution of a felony trial or grand jury proceedings.

F. REPRESENTATIVES IN MEETINGS

In each Step of the Grievance Procedure outlined in Section 4, certain specific representatives are given approval to attend the meetings therein prescribed. It is expected that, in the usual grievance, these will be the only representatives in attendance at such meetings. However, it is understood by the parties that, in the interest of resolving grievances at the earliest possible Step of the Grievance Procedure, it may be beneficial that other representatives, not specifically designated, be in attendance. Therefore, it is intended that either party may bring in additional representatives to any meeting in the Grievance Procedure, but only upon advance mutual agreement among the parties specifically designated to attend that such additional representative(s) has input which may be beneficial in attempting to bring resolution to the grievance.

G. GRIEVANCE FORM

Such forms will be supplied by the FOP.

H. NON-DISCRIMINATION

No member or official of the FOP shall be removed, disciplined, harassed or discriminated against because he or she has filed or pursued a grievance under this Procedure.

ARTICLE 8: DISCIPLINE

A. DISCIPLINE FOR CAUSE

1. No bargaining unit member shall be reduced in pay or position, suspended, removed or reprimanded except for just cause. The Employer will issue the disciplinary action within fourteen (14) calendar days from the time the issue of the discipline comes to the Employer's attention. Except for serious offenses including but not limited to dishonesty, direct insubordination and dereliction of duty, discipline shall be applied in a corrective, progressive and uniform manner. Progressive discipline may involve, but not limited to oral and/or written warnings, oral and/or written reprimand or employee counseling prior to imposition of suspension or removal.

2. Progressive discipline shall take into account the nature of the violation, and the employee's record of discipline.

3. The Employer agrees not to discharge or suspend an employee without first arranging for a hearing. This hearing is to be held between the Employer, the employee, and their representatives before a neutral party. However, no prior hearing is required to temporarily suspend the employee for up to forty-eight (48) consecutive hours without pay, pending disposition, until a pre-disciplinary hearing can be arranged. Any additional suspension time prior to the hearing shall be with

pay. Said hearing must occur within fourteen (14) calendar days. The time limits of this provision may be mutually extended. Any suspended time that exceeds the discipline shall be reimbursed.

B. The Employer agrees that all disciplinary procedures shall be carried out in private and in a businesslike manner.

C. All disciplinary investigations shall be conducted in accordance with the provisions of this Article.

1. An employee may be questioned or requested to write a statement regarding his conduct or action by his supervisors. However, prior to an employee being asked questions during an internal non-criminal investigation which may lead to suspension without pay or termination of the employee questioned, that employee shall be informed of his right to have FOP representation. The FOP representative shall be the union steward for the employee's bargaining unit. Should the union steward not be available an alternate FOP representative may be present upon the employee's request and there shall be a written agreement by the employer and employee acknowledging the employee to be questioned is in agreement with the attendance of the substitute FOP representative. A failure to agree to an alternate representative will allow for a continuance of the meeting until the union steward is available for such meeting. Furthermore, a member may not refuse to answer questions in an internal non-criminal investigation of his or her conduct. A member is entitled to the reading of a Garrity Warning prior to being ask questions during a non-criminal investigation that could lead to suspension without pay or termination.

2. In the event FOP representation is requested in such investigatory interview, no questions shall be asked the employee without the employee's FOP representative being present. The employee may consult with the FOP representative at any time during the investigation.

3. Except in circumstances requiring otherwise, an employee will only be asked questions during duty hours. In the event an employee is questioned during non-duty hours, the employee will be compensated at his appropriate rate of pay for the time spent being questioned.

4. A member may refuse to answer questions in an internal criminal investigation of his conduct. The employee is entitled to the reading of Miranda Warning. However, any employee questioned during an internal criminal investigation who refuses to answer questions regarding the conduct of another person may be charged with insubordination and, if found guilty, disciplined accordingly only after receiving at least one warning that his continued refusal to answer questions may lead to discipline action.

5. No polygraph or mechanical truth verification tests may be administered.

6. In evaluating the evidence regarding a complaint about an employee's conduct, the Sheriff will take into account the length of time which has expired between the date of the alleged incident and the date the complaint is received as bearing on the credibility of the complaining party. In the event a complaint is received from an anonymous source, the Employer will not take action against the employee complained about unless the complaint is supported by other corroborative evidence.

7. A member shall be given a minimum of 48 hours notice prior to a pre-disciplinary hearing. At this time the member will be provided a statement of the charges, the discipline which could be recommended, and a list of the evidence. Materials and/or statements, which may substantiate said discipline will be made available to the member upon request. The Sheriff or designated representative may grant a request *for* an extension to a hearing date mutually acceptable to the Sheriff and the Union Representative. Should an extension be agreed upon, the date and time of the hearing will be declared at the time the extension is agreed upon.

The employee may choose to: (1) appear at the pre-disciplinary hearing and present an oral or written statement in response to the statement of charges; (2) appear at the pre-disciplinary hearing and have one (1) chosen representative present an oral or written statement in response to the statement of charges; or, (3) elect in writing to waive the opportunity to have a pre-disciplinary hearing. The failure of an employee to appear and/or pursue of these three options will be deemed a waiver of the employee's right to have a pre-disciplinary hearing.

8. Grievances on disciplinary action will be submitted to Step Three, (the Sheriff) of the grievance procedure. Such grievances must be submitted to the Sheriff within fourteen (14) calendar days of receipt of the notice of disciplinary action to be taken.

ARTICLE 9: RULE AND REGULATIONS

A. WORK RULES

No member shall be disciplined for an alleged violation of a work rule of which she has not been informed as set forth in Section A and/or B of this Article.

D. WORKER'S COMPENSATION POLICY

The union recognizes that temporary placement may occur in a position outside those contained in the bargaining unit and/or may require employees outside the bargaining unit to have temporary placement in a position currently covered by the bargaining unit. In such cases, employees shall be covered by the collective bargaining agreement covering their regular position. The parties agree that any conflict between this section and any other section of the written agreement shall be resolved in favor of this section.

D. The union and employer realize the importance of communication and information sharing. The union agrees to attend one agency wide meeting per year at a no loss/no gain arrangement. For instance, if working you are paid and if on time off you will not be compensated. The one meeting per year, when scheduled, will be declared as the no loss/no gain meeting and will last no longer than 90 minutes from the scheduled start time as posted in the notice.

ARTICLE 11: PERSONNEL FILES

The employee will be permitted to obtain one (1) copy of this personnel file, at no expense, upon written request. If there are any additions to said employee's personnel file, said employee will be provided one (1) copy free of charge of said additions. Additional copies of items contained in said employee's personnel file may be obtained at the cost of twenty-five cents (\$0.25) per page. B. Bulletin boards may be used by the Lodge or Labor Council for posting notices of the following types:

1. Recreational and social.

ARTICLE 13: SENIORITY

A. "Seniority" shall be computed on the basis of uninterrupted length of continuous full time service with the Employer. The testing program will be done not less than every ninety (90) days (three months) and will be paid for by the county.

In addition to the testing, the county will also pay the annual fee for membership for each employee who participates satisfactorily in the program. This will be a one person membership to the YMCA, or such other local health or physical facility approved by the Sheriff. However, if the employer determines that this program is not economically feasible, then he will no longer provide the memberships and no longer conduct any testing of the members. This is done to give each employee a place to exercise and to encourage wellness.

NONDISCRIMINATION

It is not the intent of the parties to discriminate against any individual with a disability. The purpose of the Health and Wellness Program is to determine whether an employee is able to perform the essential functions of his or her job and is fit for duty as provided in Section 1630.14 (c) of the employment regulations of the Americans with Disability Act of 1990.

BUREAU OF WORKER'S COMPENSATION COVERAGE

WHEN IS IT APPLICABLE?

WHEN IT IS NOT APPLICABLE?

- When engaged in off-duty competitive sports.
- When engaged in any physical activity not prescribed and approved in the individual officer's fitness plan.

- Any off-duty officer who sustains a job-related injury must promptly notify his/her immediate supervisor.

TESTING AND PROGRESSIVE DISCIPLINE SYSTEM

AN OVERVIEW

All employees who comply with the minimum acceptable levels (at the moderate fitness ratings) of all three phases of the health and physical fitness evaluation (HPFE) have significantly completed all requirements of the health and physical fitness program (HPFP) of the Lawrence County Sheriff's Department

The physical fitness will be done by the YMCA facility or one member from the bargaining unit and one member of management provided each of these members have received a training class on managing a physical fitness program. If it is determined that an employee has a deficiency in certain testing areas, they will receive counseling in areas regarding their deficiency.

Any of the testing procedures can be modified at the discretion of the Sheriff to compensate for an employee who has sustains a prohibiting injury by being allowed to do a comparable type exercise or test procedure. Any test procedure that the employee cannot perform due to a prohibiting injury may be waived at the discretion of the Sheriff.

Physical examinations for those employees who wish to have an examination prior to the Department's initial mandatory testing may receive an examination by the County's physician at the expense of the County. All testing will be done while the employee is on duty, if possible. If testing cannot be done while the employee is on duty, the employee will be paid at the appropriate rate or compensatory time will be given to the employee.

An employee enters Level 1 of the testing and progressive discipline system if:

1. He/she fails to comply with the minimum acceptable levels in any phase of the HPFE as outlined in the evaluation program.

Once into the progressive system, all retesting to determine level of compliance in phase one, two or three will be conducted at the testing facility.

Once the employee meets the minimum acceptable standards he/she is removed from the progressive discipline system. All charts used for testing and to show sufficient progress are attached to this policy and procedure and are marked as charts A, B, C, D, E, and F.

All employees will be tested in all three different phases at each interval:

1. Cardiorespiratory endurance (1.5 mile walk/run test)
2. Strength (upper strength/push-ups and bench press) (abdominal Strength/sit-ups)
3. Flexibility (sit and reach test)

Each employee will give an earnest effort to diligently apply himself during the testing procedures.

LEVEL 1 - This level will provide the employee an opportunity to come into the office of the Sheriff or Chief Deputy for direction and guidance to assist him/her in a self-improvement program and discuss the area(s) the employee needs to improve. The employee will be retested within 90 days.

MEMORANDUM OF UNDERSTANDING

This memorandum of understanding is entered into by the parties hereinafter referred to as The Lawrence County Sheriff (employer) and The Fraternal Order of Police, Ohio Labor Council Inc. (FOP). The parties wish to document the current practice of assigning overtime, call-out and details as covered by Articles 19, 20 and 34 of the current contract.

Now therefore the parties agree to the following terms.

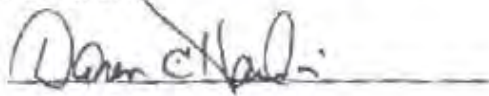

- 1) The parties are currently in negotiations for a successor agreement, with the current contract having expired on December 31, 2018.
- 2) The employer is or will be soon in negotiations with the sergeants bargaining unit, which is now represented by the teamsters.
- 3) The parties wish to continue a congenial and harmonious working relationship between the employees represented by the FOP and the teamsters.
- 4) When overtime is posted on the board for volunteers to sign up, the overtime is assigned based upon classification seniority first, then if the most senior employee has more overtime hours it goes to the employee with the least amount of hours. All overtime shall count for the current month except any mandated overtime, such as court subpoena, mandated call out or mandated stay over. The officer with the least amount of overtime shall be awarded the overtime.
- 5) Off duty details are assigned by overall seniority with the least amount of detail hours.
- 6) Call-out is assigned by classification seniority, and then overall departmental seniority.
- 7) The overtime board, off duty details and call-out are currently assigned to and worked by both patrol deputies and sergeants as a combined road patrol classification, and the parties wish to continue this practice.
- 8) If during negotiations the sergeants wish to change this practice this MOU shall become null and void and the parties shall return to the table to negotiate new language concerning these issues in articles 19, 20 and 34.
- 9) Matron call out is assigned first to female corrections officers beginning with the most senior employee, then to female employees by departmental seniority. Call out shall be on a rotational basis such that all out of classification females will receive approximately the same amount of call out opportunities.
