If the grievance is resolved, then the responsible supervisor and the union representative, or his designee, shall sign the grievance report.

Step 2: Commissioner/Division Head:

Step 3: Department of Human Resources:

Grievances which are unresolved following the above steps shall be submitted, in writing, to the Department of Human Resources within five (5) work days following the preceding decision. (b) A grievance may be advanced to any step of the Grievance Procedure--up to and including arbitration--by mutual consent of the parties.

2121.22 Arbitration

(a) If it is the decision of the Union to submit the grievance to arbitration, then the Union shall notify the Department of Human Resources, in writing, within ten (10) work days after the final answer of the City has been received by the Union. The procedure for binding arbitration shall be as follows:

After receipt of the list, the City and the Union shall alternately strike one (1) name from the list. The side to strike the first name shall be chosen by lot.

(c) The arbitrator shall conduct a hearing within thirty (30) days of his selection, at a time, date, and place mutually agreed to by the parties. (e) Provisions of the work rules will not be subject to arbitration, except for paragraph 25 of the solid waste work rules. In the event a dispute occurs as to the reasonableness of the City's actions under paragraph 25 and that dispute cannot be resolved by negotiations, the dispute shall be subject to arbitration with a hearing to be held within thirty (30) calendar days and a decision within fourteen (14) calendar days thereafter. An expedited panel shall be requested from FMCS with immediate selection of an arbitrator upon its receipt no later than three (3) work days

2121.23 Failure to Answer or Appeal

In the event that the City fails to answer a grievance within the time required at any step of the grievance procedure, or if the Union fails to appeal the answer given to the next step of the grievance procedure within the time allowed, then the grievance will be considered settled against the side which has defaulted. Grievances settled by default cannot be the basis of establishing precedent for the settlement of any other grievances. Time limits may be extended by mutual agreement.

Charges must be brought and delivered as described above within ten (10) workdays (Monday through Friday) from the first day after the City had knowledge of the infraction, unless an employee's work related activities are being challenged through litigation, any disciplinary action that could be considered by the City may be deferred pending the conclusion of litigation.

The hearing shall be held by the City's designated hearing officer on a date and time mutually agreed upon but no more than ten (10) workdays (Monday through Friday) after the charges have been served on the employee. In the event the City hearing cannot be held because of the absence of the employee, business agent, division or department head, then it shall be held within ~~five (5)~~ **ten (10)** workdays (Monday through Friday) after the return of the employee, business agent, and/or division or department head.

(b) Charges shall be preferred by the individual originally lodging them, and the Designee of the City shall serve as the Hearing Officer.

(c) The employee shall have the right to be represented at such hearing by the Union. The bargaining representative shall have the right to attend any such hearing held where an employee included in the jurisdiction of the bargaining unit is involved.

(d) The employee shall be presumed to be innocent and the burden shall be on the employer to show fault by the evidence presented at the hearing. The employee or his representative shall have the right to confront and question the accuser, the right to call and examine witnesses in the employee's behalf, the right to have all pertinent records made available and the right to file a written answer to the charges, within five (5) work days (Monday through Friday) following the day of the hearing.

(e) The designee of the City shall hear only the evidence in support of the charges and only the evidence in defense of the charges and shall endeavor to ascertain the truth of the charges. The designee of the City shall make a recommendation to the Mayor on the case within ten (10) workdays (Monday through Friday) following the closing of the hearing.

(f) In appropriate cases, referral to the Employee's Service Program may be considered as an alternative to immediate disciplinary action.

(g) If the recommendation of the designee of the City is for dismissal or demotion, the Mayor shall then review the matter with the parties and render a fair and just decision based on the discussion at that hearing.

(h) Penalties imposed as a result of the hearing shall be in compliance with the Progressive Disciplinary Procedure in Section 2121.27 (Progressive Disciplinary Procedures).

(i) An employee and the Union has the option to go directly to arbitration or the Civil Service Commission.

2121.26 Appeal

(a) Any disciplinary action involving a suspension, demotion or discharge taken against the employee shall, at the option of the employee, be subject to the appeal procedure of the Civil Service Commission or arbitration procedure provided in Section [2121.22](#) (Arbitration). When an employee has elected to file a grievance pursuant to the procedures set forth in said arbitration procedure and subsequently files an appeal to the Civil Service Commission, then said grievance shall be considered waived, the employee having elected to appeal to the Civil Service Commission under the Civil Service Rules, as provided by the Charter of the City.

(b) Any disciplinary action involving a verbal warning shall be subject to the grievance procedure commencing at the operational level. An appeal of the decision may be submitted to the Department of Human Resources whose decision will be final and binding on the parties. Any disciplinary action involving a written warning shall be subject to the grievance procedure commencing at the operational level. An appeal of that decision may be submitted to the Director of Human Resources, whose decision shall be final and binding. Written warnings if grieved would be proper before an arbitrator, furthermore, if said warning is reduced to a verbal as

specified in Section [2121.28](#) (Clearing of Employee's Record) or Step One of the Progressive Disciplinary Procedure shall also be proper before an arbitrator, this would be at Step 3 of the Progressive Disciplinary Procedure or higher.

(c) A copy of the disciplinary action taken may be made available to the employee's steward at the request of the involved employee.

2121.27 Progressive Disciplinary Procedures

In order to insure that all employees are treated fairly, the following standard procedure for imposing disciplinary action on employees guilty of minor infractions shall be followed.

This procedure shall apply to all disciplinary infractions except theft, embezzlement of public funds, being under the influence of alcoholic beverages or abusive drugs during work hours, the use of alcoholic beverages or abusive drugs during work hours, physical violence, offenses involving gross misconduct, or gross insubordination.

Step 1: Verbal Discussion:

When an employee commits a minor infraction for the first time, the matter shall be privately discussed between the employee and appropriate supervisor. The Union Steward shall be informed and may be present so that the Union can be afforded an opportunity to discuss the matter with the employee. A record of the infraction shall be maintained, subject to the provisions of Section [2121.27](#) herein.

Issuance of a verbal warning under this section is a prerequisite to imposing later disciplinary action under the Progressive Disciplinary procedure.

Step 2: Reprimand:

An employee who commits a minor infraction after having received a verbal warning for an earlier infraction shall be given a written reprimand and placed in Step 2 of this procedure. Reprimands shall be discussed with the employee privately. The Union Steward shall be present and informed so that the Union can be afforded an opportunity to discuss the matter with the employee.

A copy of the reprimand will be furnished to the Department of Human Resources, the Union Steward and the Union office.

Step 3: Suspension 1 - 10 Days.

An employee found guilty of a minor infraction within twelve (12) months of issuance of a reprimand shall be suspended without pay for up to ten (10) workdays depending upon the investigation of the cause of the rule infraction, the employee's work record and the seriousness of the infraction.

Step 4: Suspension 11 - 20 Days.

An employee found guilty of another minor infraction within twelve (12) months thereafter shall be suspended without pay for from eleven (11) to twenty (20) workdays, depending upon the investigation of the cause of the rule infraction, the employee's work record and the seriousness of the infraction.

Step 5: Discharge.

An employee found guilty of another minor infraction within twelve (12) months thereafter shall be discharged.

Major Infractions:

With regard to the major offenses of theft, embezzlement of public funds, being under the influence of alcoholic beverages or abusive drugs during working hours, the use of alcoholic beverages or abusive drugs during working hours, physical violence, offenses involving gross misconduct, or gross insubordination, the employee is subject to advanced disciplinary action as deemed appropriate by management, rather than the progressive disciplinary procedure established under this section. The disciplinary action shall also place the employee at the equivalent level in the Progressive Disciplinary Procedure. With regard to subsequent discipline the designated Hearing Officer will have the discretion to only award an appropriate penalty for the subsequent infraction rather than automatically imposing the next step in the P.D.P.

2121.28 Clearing of Employee's Record

Where an employee has gone for one (1) full year since his last disciplinary step, the employee's disciplinary record will be reduced by one (1) step.

Where an employee has gone for eighteen (18) months since his last disciplinary step, the employee's disciplinary record will be cleared.

2121.29 Counseling

When it becomes necessary for a supervisor to counsel an employee, it shall be done in private in a manner which will not cause embarrassment to the employee. It is the intent of the City that counseling be used as a productive matter rather than a punitive measure. Counseling is intended to be corrective rather than punitive and should be used to call attention to proper procedures and expectations. If an employee requests to have a steward present during a counseling, every effort will be made to accommodate the request.

2121.30 Drug and Alcohol Testing/Discipline

The following applies to those individuals who test positive during random, reasonable suspicion, follow-up from a previous violation, testing pursuant to the City's Post-Accident Drug and Alcohol Testing Policy (AP #63), and post-accident drug and alcohol tests conducted pursuant to U.S. Department of Transportation Regulations.

- a) Random Testing. The percentage of employees subject to random testing shall remain in accordance with D.O.T. regulations. The selection of employees for random alcohol and controlled substance testing shall be made by a scientifically valid method that falls within the recommendations of the Department of Transportation. Under the selection process used, each employee shall have an equal chance of being tested each time selections are made.
- b) Alcohol: Discipline – Test Results 0.02 and Above. An employee who tests positive with a blood/breath alcohol level (BAC) of 0.02 or greater will be subject to discipline on the basis of such test. The employee shall be removed from duty until the start of his or her first regularly scheduled workday, but not less than 24 hours following administration of the test. The employee shall use his or her own time to cover this absence.
- c) Any subsequent positive test result of either alcohol or drugs, including a refusal to test, during the remainder of the employee’s course of employment with the City, will subject the employee to advanced disciplinary action up to and including termination in compliance with Section 2121.27 (Progressive Disciplinary Procedures).
- d) Drugs: An employee who tests positive for drugs under this policy shall have the right to request a confirmation test within seventy-two (72) hours of having been notified by the Medical Review Officer of a verified positive test result using the original split sample. If the confirmation test is negative, then all charges related to the original positive drug test will be dropped. If the split sample confirmation test is positive, then the employee shall be responsible for the cost of the confirmation test and may be subject to advanced disciplinary action.
- e) Disciplinary Procedure and Return to Work

1) For First Positive Alcohol/Drug Test

In the event of a positive drug/alcohol test, the employee will be notified of their suspension pending a return to work hearing in compliance with Section 2121.24 (Suspension Without Hearing) and charged in accordance with the appropriate sections(s) of this agreement.

A return to work drug test will be scheduled by the City. The employees must make themselves available at the time the City schedules the return to work drug test.

As a result of a first positive test, the employee will be subject to advanced disciplinary action in compliance with Section 2121.27 (Progressive Disciplinary Procedures).

Should a delay in receipt of the return to work drug screen caused by the City or its medical facility of more than six (6) calendar days occur, the employee will be placed on paid administrative leave until the return to work drug test results are received by the Medical Review Officer. If the test results are positive, then the employee will not receive administrative leave pay from the City.

2) Once an employee has participated in a rehabilitation program, such employee will not be entitled to be eligible for any further City paid/funded rehabilitation programs for the duration of their employment with the City.

3) Return to Work and Placement

After the employee has served any suspension time and satisfied any other disciplinary conditions, the employee may return to work in a non-safety sensitive approved and funded position in the same classification or the same or lesser salary group for which he or she qualifies, or to non-safety sensitive work designated by the division head, provided the employee tests negative and there is no one else who has rights to the position. The employee shall be paid at his or her regular permanent rate of pay for a period of up to ten (10) calendar days pending release by the Substance Abuse Professional (S.A.P.) and thereafter at the regular rate for the position worked. If a non-safety sensitive position is not available, then the employee shall remain off work on his or her own time until released by the Substance Abuse Professional and negatively tested. Each party reserves their rights relative to any other treatment under the contract. An employee's return to work and placement in either a safety sensitive or non-safety sensitive position requires a negative drug/alcohol test result, regardless of whether it is a first or later positive test.

f) Refusal to Test

Discipline: An employee who refuses to undertake a drug or alcohol test, attempts to alter the sample by substituting or additives shall be subject to advanced disciplinary action. A refusal to test will be treated as a positive test result.

g) Substance Abuse Professional and Medical Providers

The employee may use the City's Employee Assistance Program at no expense up to the service limit specified in the City's contract with the Employee Assistance Program. Referrals by the City's Employee Assistance Program shall, to the extent available, be to medical providers covered by the employee's health care plan.

The City and the Union recognize the importance of rehabilitation and treatment for alcohol and drug abuse as part of maintaining a healthy, safe and productive workforce. Employees are strongly encouraged to avail themselves of City services, such as the Employee Assistance Program or others, to prevent those conditions with alcohol and substance abuse.

h) D.O.T. Regulations

This Section is supplemental to the rules and regulations of the U.S. Department of Transportation relative to controlled substances and alcohol use, testing and treatment. 49 C.F.R. Ch. III, Part 382, and 49 CFR Part 40 et al. The terms of this agreement shall be construed in accordance therewith.

- 1) First: Employees will be offered funded vacant positions within the Local 20 jurisdiction within the same classification, within the same or lower salary group, or in a higher salary group if there is no established eligibility list, and provided employees conform to the provisions listed in this section.
- 2) Second: The employee shall have the right to displace the employee in the same classification, within the bargaining unit, with the least amount of continuous service with the City.
- 3) Third: The employee shall displace the employee in the same salary group who has the least amount of continuous service, within the bargaining unit, with the City, provided the affected employee has performed in that classification meets the minimum requirements for the classification and has the ability to perform the duties of that position.
- 4) Fourth: The employee shall drop one or more salary groups and displace the employee in the lower salary group who is working in a classification that the employee has performed and meets the minimum requirements for the classification and has the ability to perform the duties of that position.
- 5) Fifth: Notwithstanding the above procedure, an employee will be allowed to displace an employee in a classification he has not performed in when that classification is in a logical progression from his present classification or a former classification that he has held. Again, the employee must meet the minimum requirements for the classification and have the ability to perform the duties of the position.
- 6) Sixth: The definition "perform in the classification" will include employment outside the City where documentation has been submitted to and approved by the Toledo Civil Service Commission prior to the layoff process. An individual approved must be able to perform the duties of a position.

- 7) Seventh: This process shall repeat itself until the employees having the least amount of seniority within the affected classes have been displaced by employees with greater seniority who have met the conditions set forth above.
- 8) Eighth: Notwithstanding the above procedure, any employee whose position has been identified for elimination or who has been displaced by a more senior employee shall have the right to accept the layoff without repercussion.
- 9) Ninth: In the event there are any seasonal employees working anywhere for the City, permanent employees who have been laid off as a result of this procedure shall have the option of taking those positions by seniority provided they have the ability to perform the duties of such positions or they may choose to take the layoff without repercussion.

(c) The City of Toledo will notify the Union thirty (30) days prior to the effective date of layoffs that the elimination of positions has become necessary.

(d) Any previously Red Circled employee who is laid off or bumped shall retain his Red Circled Status and shall receive the Red Circled Rate for the position that he bumps down to or up to if there is a Red Circle Rate being paid for that position or the higher rate being paid for the position if any exists. The same procedure will apply to recall of an employee.

(e) The City will allow the more senior employee, during a reduction in the work force due to lack of funds or lack of work, to exercise the option of taking the layoff in lieu of the employee about to be laid off.

(f) Employees who have successfully completed the training programs, specified in Section 2121.88 (Training in Service,) will be deemed qualified for purposes of layoff and recall under Sections 2121.47 (Layoff Procedure) and 2121.48 (Recall Procedure.) There shall be a limit on the number of employees deemed qualified in this manner who can fill vacancies and bump into maintenance worker position of 20% of the total maintenance worker positions at the time.

2121.48 Recall Procedure

Employees will remain on this list until they are returned to the classification they occupied in the Division they were in prior to the layoff or displacement, with the following exceptions.

- 1) A five (5) year period has elapsed without recall, in which case, they will be removed from the recall list.
- 2) All employees must accept recall to their former classification.

(b) Before any vacancies are filled, the qualifications of individuals on the recall list will be reviewed by Department of Human Resources personnel to determine if they possess the necessary qualifications. Permanent employees who are judged qualified will be recalled by seniority to fill vacancies in the same or lower salary group of their permanent classification.

(c) In the absence of an eligibility list, individuals on the recall list who are qualified as determined by Department of Human Resources personnel will be allowed to fill positions at a higher salary group than their permanent classification on a provisional basis by seniority provided there are not permanent employees at that salary group or higher who are displaced or laid off who qualify for the job and are willing to accept it.

(d) Prior to hiring from eligibility lists, individuals on the recall list who are qualified as determined by the Department of Human Resources personnel will be allowed to fill vacancies in job classifications at the same salary group and/or in a lower salary group than their permanent classification.

(b) An employee on an approved leave of absence shall continue to accumulate seniority during the period of the employee's absence.

(c) It is the Parties' express intent that this chapter of the Code shall not be applied or interpreted in such a manner as to cause or constitute a violation of any law, specifically including PL 103-3 known as the Family and Medical Leave Act of 1993. Any remedy for violation of this act shall be as set forth in the Act. Employees on an approved FMLA (Family Medical Leave Act) leave may hold fifteen (15) days vacation and fifteen (15) days sick time for later use.

2121.51 Personal Leave up to Five (5) Days

Any request for an excused absence for a period of five (5) work days or less may be granted by the employee's Plant Manager or his/her designee upon written request, but without the necessity of preparing formal leave papers.

Furthermore, employees on such approved leave of absence for thirty (30) calendar days or less shall have their hospitalization-surgical-drug-life insurance benefits continued in force by the City during this period of time.

2121.53 Personal Leave of More than Thirty (30) Calendar Days

(a) A leave of absence for more than thirty (30) calendar days in any calendar year may be granted provided the request meets requirements of Section 2121.50 (Leave of Absence Without Pay).

(b) When a leave of absence for more than thirty (30) calendar days is granted, the employee shall not be entitled to be returned to the position from which the leave was granted, but will be placed in an open position in the same class or in a class at the same salary group provided a vacancy exists, except in the case of a leave of absence for the purpose of securing job related educational experience, in which case the employee shall be returned to the Division from which the leave was granted. The exceptions to this provision are as follows: an employee who is on an industrial injury leave and in the City program with the Program Physician will be entitled to return to his/her position when determined to be physically able to return to work in their classification; or an employee who is on a leave pursuant to the Family and Medical Leave Act of 1993 will be entitled to return as provided therein.

If an employee elects to go on Workers' Compensation pursuant to Section 2121.99 (Injury Pay,) the City may fill that position after thirty (30) calendar days.

The exceptions to this are a leave pursuant to the Family and Medical Leave Act of 1993 or an industrial injury leave as provided in this agreement.

2121.54 Falsification of Request

No employee shall be granted a leave of absence for the purpose of entering employment for another employer or becoming self-employed. If a leave of absence is falsely obtained and the employee is found to be employed by another employer or to be self-employed while on a leave, the employee shall be given the opportunity to resign from service with the City. If the employee fails or refuses to resign, then the employee may be discharged provided that the discharge will be subject to review under the grievance procedure provided herein.

2121.55 Military Leave

An employee who is called or enlists into military service shall be placed on an approved leave of absence during the initial tour of duty. Upon discharge, the employee shall have ninety (90) calendar days to report back to the City to be reassigned in accordance with the law. The male employee shall be entitled to take up to ten (10) days from accrued sick days for the purpose of staying home to assist his family at the time of his wife's delivery. The Union hereby agrees to hold harmless and indemnify the City for any liability which may arise over the enforcement or application of this provision.

(c) It is the Parties' express intent that this section shall not be applied or interpreted in such a manner as to cause or constitute a violation of any law, specifically including PL 103-3 known as

the Family and Medical Leave Act of 1993; provided, however, that any remedy for violation of this Act shall be as set forth in the Act.

2121.57 Sick or Injury Leave

When an employee is sick or has been injured, and the employee has no sick days or injury pay left, and extended Sick or Injury Pay has not been granted, then the employee may apply for a Leave Without Pay as provided in Sections 2121.50 (Leave of Absence Without Pay) through 2121.58 (Employment by Bargaining Agent). This period may be extended on a year-to-year basis by mutual agreement.

2121.59 Work Schedules

(a) Except for emergency situations, work schedules shall not be changed unless the changes are mutually agreed upon by both the City and the Union. This provision shall not be construed to prevent the City from assigning work from one shift to another.

(b) If, under this section, work schedule changes are proposed by the City, and the Union does not mutually agree to the proposed change, then the proposal of the City may be referred to arbitration at the request of the Mayor. The arbitrator shall review the proposed change to determine its reasonableness, including its impact on bargaining unit employees. In the event the arbitrator finds that the proposed change is not reasonable, then that proposal will not be implemented. Where the proposal is found by the arbitrator to be reasonable, it may then be implemented. When the decision is rendered in favor of the City, the arbitrator shall have the authority to compensate for monetary losses to the employees.

The City and the Union shall meet for the purpose of selecting an arbitrator within ten (10) work days after the Mayor has notified the Union, in writing, of the City's desire to refer a proposed change to arbitration. The seniority rotating overtime list shall be established by job classification according to the employee's seniority within the class. It shall also show the original hiring date. All overtime hours worked shall become part of the seniority rotating overtime list of all employees. The list shall be followed except as otherwise provided by divisional agreements.

If an employee is not called for or offered the overtime when entitled, the employee shall be subject to the following procedure:

- 2. In the event of a second or any subsequent misses for the same employee in a calendar year, the affected employee will be compensated in compensatory time or money for any and all lost overtime for that occurrence.**

In addition to the above, if more than one employee is involved in the correction, they shall be moved to the top of the overtime rotating list in the order they appear on the list before the error. The Union will be represented on this Committee by the local Union business representative and one (1) other designated representative. The City will be represented by a designee of the Director of Human Resources and such other representatives as are needed. This Committee will also include representatives from other bargaining units within the City. The Committee will consider all issues brought before it regardless of the bargaining unit impact.

(d) This joint Committee will perform the following functions:

- 1) The Committee shall develop annual goals, objectives, and timetables directly aimed at reducing worker's compensation costs. Goals and objectives not met within established timeframes shall be critically reviewed by the Committee. If the City, in its sole discretion, is dissatisfied with progress in meeting goals and objectives or with the Committee's action or inaction, the City may take such actions as it deems necessary to exact cost containment.
- 2) The Committee shall develop other cost containment measures, which shall include:
 1. Enhanced managed care and utilization review;
 2. Increased claims control and claims audits;
 3. The Committee may develop a safety award program.

Bulletin board placement shall be mutually agreed upon.

2121.88 Training in Service

The City recognizes that it is impossible to select by an examination process, persons who are fully competent when appointed to perform all duties to which they may be appointed. The employee shall be given all help possible to qualify during the employee's probationary period.

The City shall form a Joint Training Committee with appropriate representation from the Administration, Civil Service and the Union to cooperate and assist in the establishment of various training programs to assist City employees in qualifying for promotions to higher positions.

- (a) Tandem Truck Driver
- (b) Refuse Truck Driver
- (c) Water Reclamation Maintenance Worker
- (d) Landfill Equipment Operator

Employees participating in these training programs will do so on a voluntary basis and without added compensation for time spent in training. Successful completion is only intended to qualify the employee to take the Civil Service examination for the classification, not as a substitute for minimum requirements for other purposes. Provided, however, those who successfully complete the training program and pass the Civil Service Exam will be deemed qualified for purposes of layoff and recall under Section 2121.47 (Layoff Procedure) and 2121.48 (Recall Procedure). There shall be a limit on the number of employees deemed qualified in this manner who can fill vacancies and bump into Maintenance Worker positions of 20% of the total maintenance worker positions at the time.

These training programs shall be established by mutual agreement between the parties to this agreement and shall test primarily for actual job performance.

Programs for Refuse Truck Driver, Water Reclamation Maintenance Worker, and Tandem Truck Driver shall only occur before future Civil Service tests for those classifications.

2121.93 Other Employment Compatibility

In the event an employee is injured while engaged in any outside employment, the employee shall not be entitled to any sick leave benefits which have been accumulated by virtue of his employment by the City.

2121.94 Change of Name, Address, Phone Number

When an employee changes his name, address or phone number, he shall within fifteen (15) working days, notify his supervisor on the appropriate forms. Such changes are to be forwarded by the supervisor to the Department of Human Resources who shall correct the employee's records and file such change in the employee's personal history file. The Union shall receive a copy of such notification for all employees in the bargaining unit.

2121.95 Accumulation of Sick Days

Regular employees of the City hired on or before May 18, 1991 shall be credited with sick days in accordance with the following formula 5/19/91: One and one-quarter (1-1/4) days shall be credited for each month of service, not to exceed fifteen (15) days per calendar year. Such days

shall continue to accumulate at such rate without any maximum limitation. An employee granted a leave of absence for thirty (30) calendar days or more shall not accumulate sick pay during the period the employee is on such leave.

Those employees hired on or before 5/18/91 shall have the option of maintaining their current sick leave accrual and severance pay plan as set forth in Part A or the sick leave conversion plan as set forth in part B below. This election shall occur from 2/1/92 to 3/15/92.

Employees hired on or after 5/19/91 shall be covered exclusively by the sick leave plan in Part B.

(A) Employees who elect to maintain their current sick leave accrual and severance pay plan shall be credited with sick days in accordance with the following formula 5/19/91: one and one quarter (1¼) days shall be credited for each month of service, not to exceed fifteen (15) days per calendar year. Such days shall continue to accumulate at such rate without any maximum limitation. Provided the conditions of Section [2121.120](#) (Termination and Severance Pay) have been met, unused sick leave accumulated to the time of termination shall be paid at the rate of one-half (½) for all such accumulated sick time up to two hundred (200) days and full pay for accumulated sick time in excess of two hundred (200) days.

An employee who dies as the direct result of injuries sustained in the course of employment with the City shall receive payment for the full accumulation of sick pay at the time of death or retirement.

(B) (1) Employees hired on or before May 18, 1991 who elect the sick leave conversion plan set forth herein will bank accumulated sick leave through May 18, 1991. This banked sick leave accumulation will be used as the need for sick pay arises or may be converted to cash under the terms set forth in Part (B)(3). Provided the conditions of Section [2121.120](#) (Termination and Severance Pay) have been met, unused sick leave from that banked effective May 18, 1991 will be paid as follows at the employee's regular rate as of May 18, 1991: one-half for all banked sick time up to two hundred (200) days and full pay for accumulated sick time in excess of two hundred (200) days.

(2) On and after May 19, 1991, employees covered by this plan shall be credited with sick days in accordance with the following formula: 3.231 sick hours shall be credited for each pay period of service, not to exceed eighty-four (84) hours per calendar year. Such hours shall continue to accumulate at such rate without any maximum limitation. Once an employee reaches an accumulation of 294 sick hours, he/she shall receive 10 hours per month, and the employee must maintain an accumulated balance of 294 hours in order to continue to receive 10 hours per month. If the employee's sick hours total falls below 294 hours, the employee monthly allotment of sick hours will revert to 7 hours per month (3.231 hours per pay period).

(3) Sick leave hours not used by the end of the year can either be turned in for payment of a percentage of salary as indicated below or carried over until retirement or separation.

At the option of the employee, sick leave hours not used by the end of the year may be paid over into a trust established by the Union or any employee and intended to be a "secular trust"

providing for payment of the amounts accumulated therein at retirement or separation. Such trust shall be trustee and administered by the Union, which shall be solely responsible for such trust.

The maximum number of sick hours allowed for year-end payment will be forty (40). Employees using twenty (20) hours or fewer of sick leave in the preceding calendar year shall be entitled to a conversion to pay at fifty percent (50%). Employees using more than twenty (20) but forty (40) or fewer hours shall be entitled to a conversion at twenty-five percent (25%). Employees with fewer than four hundred twenty (420) hours of accrued sick time or who have used more than forty (40) hours in the preceding calendar year shall not be eligible for this conversion privilege. The employee's accrued sick leave shall be reduced by the number of hours converted to cash.

(4) Provided the conditions of Section [2121.120](#) (Termination and Severance Pay), have been met, unused sick leave accrued after May 18, 1991 will be paid as follows at the employee's regular rate at the time of termination: thirty-three percent (33%) of salary for the first four hundred and eighty (480) hours and fifty percent (50%) of salary for the next four hundred and eighty (480) hours for a maximum of nine hundred and sixty (960) hours.

(5) An employee who dies as the direct result of injuries sustained in the course of employment with the City shall receive payment of the full accumulation of sick pay at the time of death or retirement.

2121.96 Sick Pay Usage

Sick pay is pay to the employee for the necessary absence from duty on a regularly scheduled work day because of illness, injury or exposure to contagious disease suffered by the employee not in the course of their employment, or illness in the employee's immediate family that necessitates the employee's absence from work or would result in serious hardship to the employee's family.

Attendance to the immediate family member at a hospital while undergoing serious medical attention shall be included under the provisions. Sick pay shall not be made for illness or injury incurred as a result of outside employment or as a result of any action within the control of the employee such as intentional self-inflicted wounds, use of drugs or alcoholic beverages, while committing a felony, or other similar action. For the purpose of this section, immediate family shall include only the employee's father, mother, sister, brother, spouse or child. The family illness provision shall be for a limited period of time, not to exceed three (3) days to enable the employee to secure other arrangements for the care of the member of the employee's immediate family.

2121.97 Reporting; Proof of Illness

(a) The employee, while absent on sick pay, must notify the supervisor under agreed practices. When claiming sick days an employee must remain at home caring for their illness or that of their sick family member, unless away receiving medical attention such as in a hospital, at a doctor's office or at a pharmacy, and be able to document the absence from home. If the sick family member does not reside in the home of the employee, the employee shall provide notice when reporting off that they will be at the sick family member's home and its location. The employee shall then remain at the sick family member's home, unless away receiving medical

attention such as in a hospital, at the doctor's office or at a pharmacy, and be able to document the absence from home. An employee who is recuperating from surgery or some other major medical condition who is advised by his physician that a change of location would hasten their recovery, may do so with the approval of the Department of Human Resources. An employee who is recuperating from surgery or other medical condition and who has not been released to return to work by a physician within ten (10) work days does not have to remain at home provided that their physician's statement indicates that remaining home is not necessary to their full and fast recovery. The employee then shall be allowed under these conditions to continue to receive sick pay benefits.

(b) Beginning January 1, 2006. When an employee has used five (5) days or forty (40) hours of sick time in a calendar year that is not FMLA approved, or is not otherwise documented as specified below, then the employee shall be notified that use of more than six (6) days or forty-eight (48) hours of non-FMLA or undocumented sick time that year may be cause for discipline. When the employee's sick time usage that is neither FMLA - approved nor otherwise documented exceeds six (6) days or forty-eight (48) hours. The employee may be subject to discipline pursuant to the PDP for that usage and each additional non-FMLA approved or otherwise undocumented sick day that calendar year.

Effective January 1, 2020, when an employee has used four (4) days or thirty-two (32) hours of sick time in a calendar year that is not FMLA-approved, or is not otherwise documented as specified below, then the employee shall be notified that use of five (5) days or forty (40) hours of non-FMLA or undocumented sick time that year may be cause for discipline. Additional sick time usage that is neither FMLA-approved nor otherwise documented exceeding five (5) days or forty (40) hours, the employee may be subject to additional discipline pursuant to the P.D.P or advanced disciplinary procedure for that usage and for each additional non-FMLA approved or otherwise undocumented sick time that calendar year.

"Documented sick time" for purposes of this paragraph and to paragraph (c) shall be restricted to notes or other documentation from a medical practitioner's office (physician, nurse practitioner, nurse, dentist, chiropractor, physical therapist) and school officials/school nurses on medical or school stationery.

(c) An employee who goes home sick after reporting for work shall receive written notification for the second occurrence in a calendar year that has not been documented in accordance with paragraph (b) above. The written notification shall instruct the employee that the same conduct in the future will result in the employee being required to submit appropriate documentation concerning the reasons for leaving early for the remainder of the calendar year. This provision shall not be applicable when employee has a pre-approved doctors or dentists appointment. Nor shall it apply where an employee authorized to report to work for a partial work day, either before or during that day, when the employee would otherwise take the entire day as sick leave. Authorization to report to work under this provision will be requested by direct verbal communication between the employee and the employer or its designee and confirmed as soon as practicable in writing.

Failure to provide a "Statement of Attending Physician" or documentation when required by this agreement may subject the employee to disciplinary action.

(d) When providing documentation, it shall be presented within five (5) work days after returning to work.

(e) When the use of sick days extends beyond three (3) consecutive work days, the employee shall furnish the City with a "Statement of Attending Physician" in accordance with Division Policies and Procedures and the provisions above.

(f) Any absence from duty as the result of a claimed illness or injury may be investigated, during the employee's normal working hours, by an authorized City representative.

(g) Any employee found guilty of abusing sick pay benefits provisions hereto set forth herein or whose reasons for absence are falsified shall be subject to appropriate disciplinary action.

2121.98 Sick Pay Extension

In the event of the extended illness of an employee and after having exhausted all accumulated sick days, bonus days and vacation days, then a request may be made to the Department of Human Resources for extended sick pay benefits. The employee's prior work record with regard to usage of sick days and the employee's seniority will be taken into account along with where sick leave time is exhausted due to extraordinary circumstances, extra consideration shall be given in determining the eligibility of the employee for such extension. In the event the request is not granted, the employee shall be notified of such action. In the event a sick and accident insurance benefit mutually agreeable is secured, then this benefit shall be discontinued.

2121.99 Injury Pay

(a) Employees injured in the course of and arising out of their employment under such circumstances as would cause such injury or disability to be compensable under the Workers' Compensation Laws of the State of Ohio will be eligible to participate in the City's Injury Pay Program. The Cost Containment Committee referenced below will select the Program Physician(s) and medical facilities from submitted proposals.

- 1) Employees sustaining a work related injury that requires medical attention at a medical treatment facility (i.e., sprains, simple fractures, etc.) will be transported to and treated by a Program Physician or medical facility. The Program Physician, along with rendering a diagnosis and prognosis, will determine if the employee is capable of returning to regular duties, whether a transitional work assignment is appropriate, and the necessary rehabilitation plan to be followed; this plan will include the duration of any transitional work assignment not to exceed 30 calendar days and indicate any physical therapy the injured employee may require. The Program Physician(s) may require follow-up medical evaluations.
- 2) Employees sustaining a work related emergency/trauma injury (i.e., life threatening, severe body injury) may be treated at any medical treatment facility to which emergency medical personnel transport them. The employee will subsequently be examined by the Program Physician. The designated Program Physician will determine if the employee is capable of returning to regular duties or if a transitional work assignment is appropriate and the necessary rehabilitation plan to be followed;

this opinion will include the duration of any transitional work assignment not to exceed 30 calendar days and indicate any physical therapy the injured employee may require. The Program Physician(s) may require follow-up medical evaluations.

- 3) An employee may, after the initial evaluation by the Program Physician, elect to continue treatment with their personal physician provided the Program Physician's recommendations are followed. The employee will sign any necessary waivers to allow their personal physicians to release information to the Program Physician. The employee's personal physician will be the physician of record for Workers' Compensation purposes.

(b) Upon the Program Physician's determination that an injury requires the employee to be off work, wherein the employee reports said injury within twenty-four (24) hours of the incident of illness or injury, paid leave shall be granted by the Department of Human Resources for up to 60 days.

Should such disability exceed sixty (60) calendar days, the Director of Human Resources, on application therefore and proof of continued disability, may extend the period during which such person is carried on the regular payroll. The length of such extended period or periods shall not exceed two (2) years.

Injury pay extension requests, accompanied by a "Statement of Attending Physician" setting forth the illness or injury and the need for additional time, must be presented to the Director of Human Resources no later than one (1) week after the expiration of the original sixty (60) day disability period. If the above requirements are not fulfilled, the request for injury pay extension may not be considered.

(c) Workers' Compensation: At the expiration of the injury leave granted, if the employee is still unable to return to work, the employee may elect in writing to use accumulated sick and other accrued time. If the employee is still unable to return to work, payment of normal wages will be stopped and the Industrial Commission will be requested to begin weekly payment under the provisions of the Workers' Compensation Act.

(d) If the opinion of the employee's treating physician conflicts with that of the Program Physician over any of the issues and such opinion is presented to the City in seven (7) calendar days of the Program Physician's evaluation, and if the physicians cannot agree after consultation, the employee will be referred for a third opinion. The Cost Containment Committee referenced below will establish a panel of occupational health specialists for third opinions. The third opinion shall be determinative of the employee's injury pay status under the contract and shall not be subject to further appeal or review. If the third opinion is consistent with the Program Physician's plan and the employee fails to abide by the rehabilitation plan, or the employee enters and later drops out of the plan, then the City can recoup injury pay advanced from the employee's sick time accumulation. If the employee does not have sufficient sick time balance, the City shall recoup the injury pay by reducing future sick leave earnings by one-half until the injury pay is fully recouped.

(e) Employees who sustain injuries in the course of and arising out of their employment under such circumstances as would cause such injury or disability to be compensable under the Worker's Compensation Laws of the State of Ohio who choose not to be evaluated by the Program Physician

or who choose not to follow that physician's recommended program and go only to the physician of their choice are not entitled to any paid injury leave benefits contained in this collective bargaining agreement. Notice of intent not to participate in the City's Injury Program must be given within three (3) work days of the injury. Any and all work-related injury claims will be processed through and conform with the Workers' Compensation Act.

(f) False Claim: The City reserves the right to recoup benefit payments to any employee who is guilty of submitting a false claim, or abuse of the privileges covered in this section, or working for another employer while on injury leave, and may take disciplinary action.

(g) An employee working in a transitional work assignment will be compensated at their regular rate of pay. The employee will not be entitled to bid rights, overtime, etc., since the employee is not fit to perform all of the duties of the classification. With regard to the rights of other employees, the employee in the transitional assignment will be deemed not to be working out of classification. Vacancies will not be permanently filled by transitional work. Further, it is not the intent of the provision to assign an employee transitional work in a higher salary group if that would prevent another employee from serving as an alternate. An employee whose regular work hours differ from the work hours of the operation where the employee is assigned transitional work shall only be required to work during the hours of his or her regular daytime work shift (e.g. 7:00 - 3:30 instead of 8:00 - 4:45). In addition, an employee shall not incur any parking expenses as a result of engaging in transitional work.

Transitional work assignments will be identified by the Department of Human Resources in consultation with those divisions who have appropriate tasks available. Preference shall be given to assignments within the Local 20 bargaining jurisdiction. The currently available assignments and the tasks involved in each division will be provided in writing to the Union. The Union shall be advised in advance of transitional work placements.

It is not the intent of this section to allow divisions to provide transitional work above that identified nor is a division required to provide transitional work where no such appropriate tasks have been identified and recognized; however, each division shall participate in the transitional work program.

(h) With the intent of this injury program being to minimize time away from work and return the healthy employee to active employment as soon as possible, the Joint Labor-Management Health and Safety Committee (Section 2121.85, Provisions for Safety) will also serve as a Cost Containment Committee for Workers' Compensation.

(i) The employee shall refund the Treasury of the City of Toledo amounts received as Temporary Total Disability benefits under the Ohio Workers' Compensation Law.

(j) An employee not participating in the transitional work program whose position is filled at the time the employee returns to work will be allowed to return to a lower rated position at the employee's regular rate of pay, if there is no vacancy in the employee's classification.

(k) An employee not participating in the transitional work program whose position is filled by an employee performing transitional work at the time the employee returns to work will be allowed to assume his former position or a lower rated position filled by an employee performing transitional work at the employee's regular rate of pay.

2121.100 Return to Work

In the event an employee's physician releases the employee to return to work and the City does not agree and demands an examination by the City's physician, the employee shall remain at his/her current pay status pending the receipt of the results of the examination by the City's physician.

In the event there is a dispute between the City's physician and the employee's physician concerning the employee's ability to return to work and the dispute must be resolved by a third physician, the employee shall remain at his/her current pay status pending the receipt of the decision of the third physician.

All accrued time under the collective bargaining agreement shall continue to accrue during the procedure(s) described in paragraph 1 and 2 above.

Accrued time used by the employee during the procedure(s) described in paragraphs 1 and 2 above shall be reimbursed to the employee when the employee is returned to work.

The City's refusal to allow an employee to return to work shall not subject an employee to a loss of position under Section 2121.50 (Leave of Absence Without Pay.)

Spouses who are both employed by the city must jointly elect only one coverage. 2121.122 Water Reclamation Incentives

(a) Education Bonus. In order to further both the employee's individual interest in improving his or her professional development and education, and the public interest in improved operation of the plant and a more qualified workforce, the City will enact:

Employees in the bargaining unit at the Division of Water Reclamation will receive an annual incentive, payable on November 30 of that year, as follows:

For a wastewater operator license Class I, or collections license Class I, or laboratory license Class I: \$150

For a wastewater operator license Class II, or collections license Class II or laboratory license Class II: \$500

For a Trades Mechanic journeyman status: \$500

For an Electrician journeyman status: \$500

For a Commercial Driver's License (CDL): \$500

To be eligible to receive the incentive for the Commercial Driver's License (CDL), the employee must be willing and able to operate any vehicle that requires a CDL for operation at any time, as determined by management. Management will use the City's payroll records to determine the percentage reduction.

(c) Accident Avoidance. The City proposes an incentive for accident prevention, in which each Local 20 member would receive \$100 annually, if the Division (Local 20 members only) can reduce its accident lost time by 20% (twenty percent), based on the historical average accident lost time usage for the previous three years of record. Management will use the Bureau of Workers' Compensation record.

The Union may, within ten (10) calendar days of such notice, submit a written demand to bargain over such change or changes.
