Any grievance not answered by the Employer within the stipulated time limits may be advanced by the Union to the next step in the grievance procedure. Any grievance not advanced to its next step within the stipulated time limits by the Union shall be considered resolved at the last step's reply. The parties shall meet to select an arbitrator within ten (10) working days of receipt of the list.

For the first arbitration between the Employer and the Union during the term of this Agreement, the Employer shall be the first to strike a name from the list, and then the other party shall strike a name, and alternate in this manner until one name remains on the list. The remaining name shall be designated as the arbitrator to hear the dispute in question. All procedures relative to the hearing shall be in accordance with the Rules and Regulations of the FMCS or the American Arbitration Association, Cleveland, Ohio Office; whichever organization is being utilized.

For subsequent arbitrations, the first strike shall alternate between parties. The arbitrator shall hold the arbitration promptly and issue a decision within a reasonable time thereafter.

The first question to be placed before the arbitrator will be whether or not the alleged grievance is arbitral. If the arbitrator determines the grievance is within the purview of arbitrability, the alleged grievance will be heard on its merits before the same Arbitrator at the same hearing.

The decision of the arbitrator shall be binding upon the Union, and the Employer. All costs directly related to the service of the arbitrator shall be borne by the losing party. Expense of any witnesses shall be borne, if any, by the party calling the witness.

Section 22.02. Continuation of Wage Payments. Due to the hazard of blood borne pathogens and infectious disease exposure to firefighters and EMS personnel who respond to emergency medical and hazardous materials incidents and as a result of the State of Ohio Workers Compensation Plan not allowing a Worker's Compensation claim for exposure only, the City agrees to pay for diagnostic testing to determine if an infectious disease has been contracted. Further, the City agrees to pay a maximum of \$1,500 per employee for those employees who wish to participate in medication treatment for HIV prophylaxis after exposure as provided by medical centers. Treatments for HIV exposure shall conform to the current Center for Disease Control (CDC) standards. The Mayor may, at regular intervals, require written proof of continuing disability from the Employee's physician and, in some instances, may require an examination of the Employee by a physician of the Mayor's choice to determine the extent and probable duration of the disability.

Such examination will be at City expense. If it is determined by such examination that the Employee is physically able to return to active Full-time employment, the Mayor shall promptly direct the Employee to return to work on the next Monday following the conclusion of the examination. Failure by the Employee to return to work as directed will be considered as voluntary termination, unless an appeal is filed with the Mayor not later than the third regular business day after the notice to return to work is received.

Section 22.07 Injury-On-Duty Leave. Injury-on-Duty leave, as specified in Section 22.02 hereof, will not be charged against sick leave. Any light-duty assignment will be paid at the Employee's normal wage rate, provided that one-third of the light-duty time and two-thirds of the very-light-duty time worked by the Employee shall be charged against injury-on-duty leave.

Upon the conclusion of such investigation, the Fire Chief shall issue a written reprimand for a first offense. In any subsequent offense, the Fire Chief shall have the right to take disciplinary action up to and including discharge pursuant to Article 13.
