ARTICLE 1  
PURPOSE OF AGREEMENT

Section 1.01. This Agreement, entered into by the City of Vermilion, hereinafter referred to as the “Employer,” and the Fraternal Order of Police/Ohio Labor Council Incorporated (FOP/OLC) hereinafter referred to as the “Union,” has as its purpose the following: to comply with the requirements of Ohio Revised Code Chapter 4117 (Strikes by Public Employees); to set forth the full and complete understandings and agreements between the Parties governing the wages, hours, terms and other conditions of employment for those employees included in the bargaining unit, as defined in Article 2, Section 2.01 of this Agreement; and to provide a peaceful procedure for the resolution of differences in accordance with the grievance procedure contained in Article 12 of this Agreement.

ARTICLE 2  
APPLICATION OF AGREEMENT TO BARGAINING UNIT

Section 2.01. As used in this Agreement, “bargaining unit” means the following personnel of the Police Division: Part-time Dispatchers and Part-time Patrolmen.

Section 2.02. This Agreement shall be applicable to members of the bargaining unit.

ARTICLE 3  
UNION RECOGNITION

Section 3.01. The Employer recognizes the Union as the sole and exclusive representative for those employees included in the bargaining unit described in the State Employment Relations Board’s order of April 6, 2001, in Case No. 00-REP-09-0210 (Part-time Patrolmen), and in the Board’s order of April 6, 2001, in Case No. 00-REP-09-0211 (Part-time Dispatchers).

Section 3.02. All positions and classifications not specifically referred to in Article 2.01 as being included in the bargaining unit shall be excluded from the bargaining unit.

Section 3.03. Notwithstanding the provisions of this section, management, confidential, fiduciary, supervisory, casual, probationary and seasonal employees, and students whose primary purpose is education or training, shall be excluded from the bargaining unit.

Section 3.04. It is understood that the Parties have voluntarily agreed to engage in multi-unit bargaining pursuant to Ohio Revised Code Section 4117.06. By agreeing to engage in multi-unit bargaining, the Parties have not waived their right to negotiate successor Agreements separately. If either the Employer or the bargaining unit wishes to engage in separate negotiations, it shall provide written notice to the other Party at the time it provides or within five (5) days of receiving Notice of Intent to Negotiate.

ARTICLE 4  
DUES CHECKOFF

Section 4.01. Authorization. The Employer agrees to deduct Union membership dues, fees and assessments in accordance with this section for any employee within the bargaining unit, upon the successful completion of his or her individual probationary period. The Employer agrees to deduct regular Union membership dues once each month from the pay of any employee in the bargaining unit eligible for membership, upon receiving written authorization signed individually and voluntarily by the employee. The signed authorization for dues deduction form (see Appendix C) must be presented to the Employer by the employee. Upon receipt of the proper authorization, the Employer will deduct Union dues from the payroll check for the next pay period in which dues are normally deducted following the pay period in which the authorization was received by the Employer. All dues deducted shall be transmitted to the Fraternal Order of Police/Ohio Labor Council Incorporated, 222 East Town Street, Columbus, Ohio 43215- 4611.

Section 4.02. Fair Share Fee. Upon execution of the Agreement referred to in Article 1.01, each non-probationary employee who is not a member of the Union shall be required as a condition of employment to pay the Union a Fair Share Fee to cover the employee's pro rata share of:

- (1) The direct costs incurred by the Union in negotiating and administering such Agreement and of settling grievances and disputes arising under such Agreement; and
- (2) The Union's expenses incurred for activities normally and reasonably employed to effectuate its duties as the exclusive representative of the employees in the bargaining unit covered by such Agreement.

Fair Share Fees shall be deducted and remitted during the same period as dues, provided the employee has received sufficient wages during the applicable pay period to equal the deduction. The Union and nonmembers shall be governed by Ohio Revised Code 4117.09(C) as it relates to fair share rights and duties. Any employee whose personal beliefs, teachings and tenets or religious principles preclude financial support of an employee organization may be exempted therefrom in accordance with Ohio Revised Code 4117.09(C). All Fair Share Fees deducted shall be transmitted to the Fraternal Order of Police/Ohio Labor Council Incorporated, 222 East Town Street, Columbus, Ohio 43215-4611.

Section 4.03. Obligations of Parties. The Parties agree that the Employer assumes no obligation, financial or otherwise, arising out of the provisions of this section regarding the deduction of Union dues. The Union hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions or proceedings by any employee arising from deductions made by the Employer pursuant to this section. Once the funds

are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

Section 4.04. Employer's Relief From Obligation. The Employer shall be relieved from making such individual "check-off" deductions upon an employee's:

- (1) Termination of employment;
- (2) Transfer to a job other than one covered by the bargaining unit;
- (3) Layoff from work; or
- (4) Taking an unpaid leave of absence.

Section 4.05. Hardship Cases. The Employer shall not be obligated to make dues deductions from any employee who, during any dues months involved, shall have failed to receive sufficient wages to make all legally required deductions in addition to the deduction of Union dues. The Union may waive its rights to dues deductions in hardship cases if written notification is first served upon the City Finance Department.

Section 4.06. Claims for Errors in Processing. The Parties agree that neither the employees nor the Union shall have a claim against the Employer for errors in the processing of deductions, unless a claim of error is made to the Employer in writing within sixty (60) days after the date such an error is claimed to have occurred. If it is found that an error was made, it will be corrected at the next pay period that the Union dues deduction would normally be made by deducting the proper amount.

Section 4.07. Certification and Changes in Rate of Deduction. The rate at which dues are to be deducted shall be certified to the Employer by the Union. One month advance notice must be given the Finance Department prior to making any changes in an individual's dues deductions.

## ARTICLE 5 NONDISCRIMINATION

Section 5.01. Neither the Employer nor the Union shall discriminate against any bargaining unit employee on the basis of age, sex, race, religion, color, or national origin. The Union shall share equally with the Employer the responsibility for applying this provision.

Section 5.02. Where there is an alleged violation of a provision of this Article that qualifies for appeal under the rules of the U.S. Equal Employment Opportunity Commission, the Ohio Civil Rights Commission or the State Employment Relations Board, such matter shall not be appealable through the grievance procedure contained in Article 12. The Employer, the employee and their representatives, however, may meet in an effort to resolve the alleged violation prior to the appeal to any outside

agency.

Section 5.03. The Employer agrees not to interfere with the rights of bargaining unit employees to become members of the Union and the Employer shall not discriminate, interfere, restrain or coerce any employee because of any legal employee activity in an official capacity on behalf of the Union, so long as that activity does not conflict with the terms of the Agreement referred to in Article 1.01.

Section 5.04. The Union agrees not to interfere with the rights of employees to refrain from or resign from membership in the Union, and the Union shall not discriminate against, interfere with, restrain or coerce any employee exercising the right to abstain from membership in the Union or involvement in Union activities.

Section 5.05. All references to employees in the Agreement referred to in Article 1.01 designate both sexes, and wherever the male gender is used, it shall be construed to include male and female employees.

## ARTICLE 6 NO STRIKE - NO LOCKOUT

Section 6.01. The Employer and the Union recognize that a strike would create a clear and present danger to the health and safety of the public and that the Agreement referred to in Article 1.01 provides machinery for the orderly resolution of grievances. The Parties, therefore, agree that during the term of such Agreement the Union shall not authorize, cause, engage in, sanction or assist in any sick call, work stoppage, strike, sympathy strike or slowdown which affects the Employer or its operations. Should any employee(s) engage in a sick call, work stoppage, strike, sympathy strike or slowdown, the Union will promptly do whatever it can to prevent or stop such unauthorized acts, including the preparation of a letter addressed to the Employer stating "that such action is not sanctioned by the Union and that all employees should and have been advised to return to work immediately." The letter shall be signed by the highest ranking local Union officer.

Section 6.02. In addition to any other remedies available to the Employer, any employee or employees, either individually or collectively, who violate subsection 6.01 hereof are subject to discipline or discharge by the Employer. Should disciplinary action be taken in accordance with the provisions of this section, the only question which may be appealed is whether or not the employee(s) did participate in or promote such action.

Section 6.03. During the term of such Agreement, the Employer shall not cause, permit or engage in any lockout of its employees, unless those employees shall have violated the terms of this article.

Section 6.04. Nothing in this section shall be construed to limit or abridge the Employer's and Union's right to seek other available remedies provided by law to deal

with any unauthorized or unlawful strikes.

ARTICLE 7  
MANAGEMENT RIGHTS

Section 7.01. Except as specifically limited in this section, the Employer shall have the exclusive right to administer the business of the City and its departments in addition to all other functions and responsibilities which are required by law. Specifically, the Employer's exclusive management rights include, but are not limited to, the following:

- (1) To manage and direct its employees, including the right to select, hire, promote;
- (2) To promulgate and enforce employment rules and regulations and to otherwise exercise the prerogatives of management;
- (3) To manage and determine the location, type and number of physical facilities, equipment, programs and work services to be performed;
- (4) To determine the goals, objectives, programs and services of the departments and to utilize both internal and external personnel in a manner designed to effectively meet these purposes;
- (5) To determine the size, composition and duties of the work force and the number of shifts required, to establish work schedules, to establish hours of work and to determine staffing patterns, including, but not limited to, the assignment of employees, duties to be performed, qualifications required and areas worked; and to establish, modify, consolidate or abolish jobs (or classifications) only after meeting and discussing the same with affected Union representatives;
- (6) To reduce the work force due to lack of work, lack of funds or for other legitimate reasons which improve the economy or efficiency of the departments;
- (7) To determine when a job vacancy exists, and the standards of quality and performance to be maintained;
- (8) To determine the necessity to schedule overtime and the amount required thereof;
- (9) To maintain the security of records and other pertinent information;
- (10) To determine the overall budget;

- (11) To maintain and improve the efficiency and effectiveness of the Employer's operation; and
- (12) To determine and implement necessary actions in emergency situations.

Section 7.02. The Union recognizes and accepts that all rights and responsibilities of the Employer not expressly restricted or modified herein and as permitted by law shall remain the function of the Employer.

## ARTICLE 8 UNION REPRESENTATION

Section 8.01. Employees selected by the Union to act as Union representatives for the purpose of processing grievances under the grievance procedure set forth in Article 12 shall be known as Representatives. The number of Representatives shall be one from each bargaining unit as follows:

- (1) Part-time Patrolmen; and
- (2) Part-time Dispatchers.

The Union shall designate an alternative Representative for each representative. Alternate Representatives shall serve as Representatives only in the absence of the Representative from work. At the time of his or her designation, a Representative shall have completed his or her probationary period and be employed in the work unit he or she represents.

Section 8.02. The Employer agrees to admit one non-employee Union Representative to the Employer's facility during the Employer's normal office business hours Monday through Friday, upon reasonable advance notice. Upon entering, such non-employee Union Representative shall identify himself or herself to the Employer or the Employer's designated representative. Non-employee Union Representatives shall be admitted for the purposes established in the Agreement referred to in Article 1.01 and shall only be permitted in the areas of the facility designated by the Employer or the Employer's designated representative.

Section 8.03. The Union shall notify the Employer, in writing, of the names of the Representatives and non-employee Representatives before they will be recognized by the Employer. For the purpose of the Agreement referred to in Article 1.01, appropriate Union Representative business is defined as:

- (1) Representation of a member at any step of the grievance procedure;
- (2) Representation of a member at a disciplinary conference when requested by the affected employee if economic detriments are expected to be

imposed upon the employee; and

- (3) Attendance at meetings between the Union and the Employer where his or her attendance is requested.

The Representative shall be permitted reasonable time off with pay to conduct appropriate Union Representative's business as defined in this section during his or her working hours, provided the prior authorization of his or her immediate supervisor is obtained.

Section 8.04. Rules governing the activity of the Union Representative and alternate are as follows:

- (1) The Representative or alternate must obtain, in advance, the authorization of his or her immediate supervisor before beginning Union activities. All Parties shall consider the rigors of the work schedule, and while permission therefore will not be unreasonably withheld, likewise, it is understood that this is an occasional privilege which shall not be abused.
- (2) The Representative or alternate shall identify the reason for the request at the time Union activity time is requested.
- (3) The Representative or alternate shall not conduct Union activities in any work area without notifying the immediate supervisor in charge of that area of the nature of the Union activity.
- (4) The Representative or alternate shall cease Union activities immediately upon the reasonable order of the supervisor of the area in which the Union activity is being conducted or upon the reasonable order of the Representative's or alternate's supervisor.
- (5) Failure to comply with such order may result in disciplinary action if it is found that the Union Representative or alternate is abusing the rules of this section, and continued abuses may result in revocation of the privileges contained in this section.

Section S.05. Any change made in the designation of a Representative or alternate Representative shall be furnished to the Employer before the newly designated Representative or alternate Representative is recognized by the Employer.

## ARTICLE 9 LABOR MANAGEMENT MEETINGS

Section 9.01. In the interest of sound labor-management relations, unless mutually agreed otherwise, once each quarter on a mutually agreeable date and time, representatives of the Employer shall meet with representatives of the Union to discuss

those matters addressed in Section 9.02 contained herein.

Section 9.02. An agenda listing the items to be covered will be furnished and/or exchanged at least five (5) working days in advance of the scheduled meetings. The Union shall also supply the names of those Union Representatives who will be attending. Working days for purposes of this article shall be Monday through Friday, excluding Saturdays, Sundays and holidays. The purpose of such meetings shall be to:

- (1) Discuss the administration of the Agreement referred to in Article 1.01;
- (2) Notify the Union of changes made by the Employer which affect bargaining unit members of the Union;
- (3) Discuss the grievances which have not been processed beyond the final step of the grievance procedure set forth in Article 12, but only when such discussions are mutually agreed to by the Parties;
- (4) Disseminate general information of interest to the Parties;
- (5) Discuss ways to increase productivity and improve efficiency;
- (6) Give the Union Representatives the opportunity to share the views of their members on topics of interest to both Parties; and
- (7) Consider and discuss health and safety matters relating to employees.

Section 9.03. If special labor-management meetings have been requested and mutually agreed upon, they shall be convened as soon as feasible.

Section 9.04. Labor-management meetings are not intended to be negotiation sessions to alter or amend the basic Agreement referred to in Article 1.01.

## ARTICLE 10 NEGOTIATIONS AND AGREEMENTS GENERALLY

Section 10.01. Location of Meetings. Meetings will be held on the premises of the Employer.

Section 10.02. Notice of Intent to Negotiate. If either Party desires to terminate, modify, or negotiate a successor Agreement, such Party shall serve written notice upon the other Party not less than sixty (60) to ninety (90) days prior to the expiration date of the existing Agreement. Notice to modify or terminate this Agreement shall comply with Section 4117-1-02 of the Ohio Administrative Code.

Section 10.03. Dates and Times of Meetings. Sessions will be scheduled by mutual agreement on an as-needed basis and will be normally for three (3) hours maximum duration. If further meeting time is required following adjournment, nothing in this section shall limit the Parties from mutually consenting to schedule a limited agenda meeting immediately following the regularly scheduled meeting.

Section 10.04. Bargaining Committee Makeup. The Union team will consist of no more than three (3) employee participants, plus legal counsel and one union representative. Meetings will be scheduled during employees' off-duty time whenever possible. Upon mutual agreement, meetings of various employee classifications may be held separately.

Section 10.05. Chief Negotiator. There shall be only one (1) principal spokesperson, called the "Chief Negotiator," for the employee classifications (Part-time Dispatchers; Part-time Patrolmen) governed hereby, for each Party, except that he or she may on occasion request one of his or her team members to address a specific issue.

Section 10.06. Data. All requests for data shall be in writing.

Section 10.07. Written Proposals/Materials. All written proposals or materials shall be submitted in sufficient quantity to provide copies for each member of the other Party's bargaining team.

Section 10.08. Agreements.

- (1) Terms and conditions agreed to by the Parties will be reduced to writing, duplicated, dated and signed by the Parties as a tentative agreement. When appropriate, a particular term and/or condition agreed to by the parties will be reduced to writing, duplicated, dated and initialed by the Parties as a tentative agreement on that particular term and/or condition pending tentative agreement on the complete agreement.
- (2) It is understood that such tentative agreements are considered resolved, and they shall be binding on either Party, until such time as total agreement is reached on the entire agreement.
- (3) After final tentative agreement is reached on all terms and conditions, the Union Bargaining Committee will present the agreement to its membership for ratification.
- (4) Upon ratification by the Union and the City Council, the Bargaining Committees will meet within fifteen (15) days to execute the agreement by affixing the signatures of the Parties.

Section 10.09. Meeting Notes. No mechanical recording devices shall be used during negotiating meetings and each Party is responsible for taking its own notes.

Section 10.10. Meeting Arrangements. The date and time of the next negotiating session shall, if possible, be agreed upon before the close of each session.

Section 10.11. Caucuses. A caucus may be called at any time during negotiations by the Chief Negotiator for any of the employee groups which are a Party to the Agreement referred to in Article 1.01. Caucuses should be limited to fifteen (15) minute duration and additional caucuses may be called.

Section 10.12. News Media. It is agreed that, during the negotiating period, neither Party will issue a statement to the news media on an individual basis. If, in the normal conduct of negotiations, such press releases should become necessary, the contents must be mutually acceptable.

Section 10.13. Economics. The Parties will attempt to reach tentative agreement on all non- economic items before the Parties commence negotiations on the language regarding items of an economic nature.

Section 10.14. Waiver. Sections of this article may be waived by mutual consent of both Parties as evidenced by a written agreement signed by both Parties.

## ARTICLE 11 DISCIPLINE

Section 11.01. The Employer may take disciplinary action against any employee in the bargaining unit only for just cause. The Employer may take disciplinary action for actions which occur while an employee is on duty, or which occur while an employee is working under the colors of the Employer, or in instances where the employee's conduct violates his oath of office.

Section 11.02. Except in instances where the employee is found guilty of gross misconduct or guilty of a serious offense, discipline will be applied in a corrective and progressive manner. Progressive discipline shall take into account the nature of the violation, the employee's record of discipline and the employee's record of performance and conduct. Progressive discipline shall be applied for events and circumstances that are similar or like in nature or behavior. Forms of disciplinary action are:

1. written warning
2. written reprimand

3. suspension without pay (at the option of the employee, and with the concurrence of the Employer, accrued vacation or holiday time may be forfeited equal to the length of the suspension. Records of suspension will be maintained.)
4. reduction in pay
5. termination

Section 11.03. Whenever an investigation concerning an employee occurs wherein a disciplinary suspension, non-probationary reduction or removal may result, the affected employee will be notified at the time he is first questioned that such a result is possible. Either party may make audio tapes of investigation sessions. However, neither party is required to make tapes and the unavailability of taping equipment or the inability of either party to make audio tapes shall not serve as a cause for postponement of investigation sessions. Prior to making an audio tape, pursuant to these articles, the party making the audio tape shall notify the other party prior to making such audio tape and will provide a copy of such audio tape to the other party upon request.

Section 11.04. Before an employee may be charged with insubordination for failure to answer questions or for failure to participate in an investigation, he will be advised that such a failure or refusal may be the basis for such a charge and what penalty could result.

Section 11.05. If an anonymous complaint is made against an employee and, after investigation is found to be unsubstantiated, the complaint shall be classified as unfounded. It shall be marked, dated as such, and signed by the Chief or his designee. Unfounded complaints shall not be placed in an employee's official personnel file.

Section 11.06. Prior to an employee receiving a disciplinary suspension, non-probationary reduction, or discharge, a pre-disciplinary conference between the Employer and the affected employee will be scheduled by the Employer. Such conference will be scheduled no earlier than twenty four (24) hours from the time the employee is notified. An employee may have a representative of the FOP/OLC present at such hearing. It shall be the responsibility of the employee to notify and make arrangements for the FOP/OLC representative to be present. If the FOP/OLC representative is not available immediately, the Employer and the FOP/OLC representative shall mutually agree upon a date and time for the hearing. An employee shall be advised in writing of the nature of the charges prior to the hearing and, upon request, shall be provided copies of any evidence to be presented. The disciplinary hearing, if any, shall be completed within thirty (30) calendar days from the presentation to the employee of the written specification of charges unless the FOP/OLC representative is not immediately available, as discussed above. Any disciplinary action

to be administered must be issued within forty-five (45) calendar days of the receipt of the hearing officer's response. When the nature of an offense is such that immediate disciplinary action is necessary, the employee shall be suspended from the active performance of regular duties, without loss of pay until the pre-disciplinary conference is held.

Disciplinary hearings will be conducted by a neutral hearing administrator selected by the Employer. The employee may choose to:

1. appear at the hearing to present oral or written statements in his defense, or
2. appear at the hearing and have an employee or non employee representative of the FOP/OLC present oral or written statements in his defense, or
3. elect in writing to waive the opportunity to have a disciplinary hearing.

Failure to elect and pursue one of these three options shall be deemed a waiver of the employee's right to a disciplinary hearing.

At the disciplinary hearing, the neutral hearing administrator will ask the employee or his representative to respond to the allegations of misconduct which were outlined to the employee.

At the hearing, the employee may present any testimony, witnesses, or documents which he feels may be germane to the charges.

Section 11.07. The Employer agrees that all disciplinary procedures shall be carried out in a private and businesslike manner. Any employee in disagreement with the action taken by the Employer may file a grievance in accordance with the grievance procedure contained in this Agreement.

Section 11.08. An employee may request in writing that oral reprimands and written reprimands cease having force and effect eight (8) months after their effective date; records of suspension of three (3) days or less cease having force and effect 12 months subsequent to their effective date; and records of suspension in excess of three (3) days cease having force and effect eighteen (18) months subsequent to their effective date. This request shall be made to the Chief of Police or his designee and shall be based upon demonstration by the employee that the employee has taken steps to improve his job performance. The employee shall not be eligible where there is intervening disciplinary action taken or pending during the effective period of the discipline.

Section 11.09.

- A. Questioning of members of the bargaining unit shall be for reasonable periods of time and at a time during or abutting normal working hours except where emergency circumstances require otherwise.
- B. Members of the bargaining unit being investigated shall not be threatened, coerced or intimidated.
- C. Members of the bargaining unit shall be advised and furnished a copy anytime material deleterious to the member is placed in his/her personnel file. At such time the member may submit material to comment or clarify any of the deleterious material placed in his/her personnel file.
- D. Members of the bargaining unit shall only be required to submit to a polygraph or CVSA examination if they voluntarily choose to do so.

ARTICLE 12  
GRIEVANCE PROCEDURE

Section 12.01. The term “grievance” shall mean an allegation by a bargaining unit employee that there has been a breach, misinterpretation, or improper application of this Agreement. “Working days” are Monday through Friday, excluding Saturday, Sunday and recognized holidays.

Section 12.02. A grievance may be filed by any member of the bargaining unit. Where a group of bargaining unit members desire to file a grievance involving a situation affecting more than one member of the bargaining unit in a similar manner, one member selected by such a group shall process the grievance. Such grievance shall be defined as a group grievance. Each employee who desires to be included as a grievant shall sign the grievance. Group grievances shall be presented in the first instance step 1. The grievance procedure outlined in Subsection 12.06 shall be used throughout.

Section 12.03. All grievances must be processed and answered at the proper step in the grievance progression to be considered at the next step. Any grievance that is not timely appealed to the next step of the procedure will be deemed to have been settled on the basis of the Employer’s answer at the last completed step.

Time limits set forth herein may only be extended by mutual written agreement of the parties. The aggrieved may withdraw a grievance prior to notice to arbitrate by submitting, in writing, a statement to that effect, or by permitting the time requirements at any step to lapse without further appeal. Any grievance not answered by the Employer or his designee within the stipulated time limits shall be considered to have been appealed to the next step in the grievance procedure.

Section 12.04. Grievances must be filed on the form mutually agreed upon and shall contain, but are not limited to, the following information:

- (1) Date and time grievance occurred;
- (2) Description of incident giving rise to the grievance;
- (3) Articles and sections of the Agreement involved;
- (4) Relief requested; and
- (5) Signature of the employee.

Section 12.05. Disciplinary grievances involving suspension, reduction in rank or discharge are to be appealed directly to Step 3 of the grievance procedure. All other grievances related to disciplinary action are to be filed at Step 1.

Section 12.06. The following steps shall be followed in the processing of a grievance:

Step 1. Within five (5) working days of the incident or knowledge of the incident (but in no case later than twenty (20) working days from the actual facts) which gave rise to the grievance, the aggrieved employee shall submit his written grievance to the Captain, who shall indicate the date and time of receipt of the grievance, and affix his signature to the grievance form. That Supervisor shall respond in writing to the grievant within five (5) working days of receipt of the grievance.

Step 2. A grievance unresolved at Step 1 may be submitted by the grievant to the Chief of Police within five (5) working days from receipt of the Step 1 answer. The Chief of Police shall meet with the grievant and a representative of the FOP/OLC within seven (7) working days of submission of the grievance to Step 2 to discuss the grievance unless the Chief and representative of the FOP/OLC mutually agree in writing to waive the meeting. The Chief of Police shall provide a written response to the grievant within five (5) working days of such meeting.

Step 3. A grievance unresolved at Step 2 may be submitted by the grievant to the Mayor within five (5) working days of receipt of the Step 2 answer. The Mayor may meet with the grievant and a representative of the FOP/OLC, if the Mayor desires, within seven (7) working days of submission of the grievance to Step 3, to discuss the grievance. The Mayor shall provide a written response to the grievant within five (5) working days of such meeting or within five (5) working days of receipt of the grievance .

Grievances unresolved at Step 3 may be submitted to arbitration upon request of the FOP/OLC in accordance with the provisions of Section 12.07 of this Article.

Section 12.07. The FOP/OLC, based upon the facts presented, has the right to decide whether to arbitrate a grievance. Within ten (10) working days from the date of the final answer on a grievance from Step 3, the FOP/OLC shall notify the Employer, in writing, of its intent to seek arbitration of an unresolved grievance.

The Parties shall attempt to draft an agreed upon submission statement. If the Parties are unable to agree upon a submission statement, the arbitrator shall frame the issue or issues to be decided.

The Employer's representative shall notify the FOP/OLC of any question of arbitrability, and of its intent to raise the question at the arbitration hearing.

The arbitrator shall not establish any new or different wage rates not negotiated as part of this Agreement. In the event of a monetary award, the arbitrator shall limit any retroactive settlement to the date the grievance was presented to the Employer in Step 1 of the grievance procedure.

The question of arbitrability of a grievance may be raised by either Party before the arbitration hearing of the grievance on the grounds that the matter is non-arbitrable or beyond the arbitrator's jurisdiction. The first question to be placed before the arbitrator will be whether or not the grievance is arbitrable. If the arbitrator determines the grievance is within the purview of arbitrability, the grievance will be heard on its merits before the same arbitrator.

The decision of the arbitrator shall be final and binding on the grievant, the FOP/OLC, and the Employer. The arbitrator shall be requested to issue his decision within twenty (20) working days after the conclusion of testimony and argument or submission of final briefs.

The cost and fees of the arbitrator shall be borne equally by the Parties. The expense of any non-employee witness shall be borne, if any, by the party calling them. The fees of the court reporter shall be paid by the party asking for one. Such fees shall be split equally if both parties desire a reporter, or request a copy of any transcripts.
