PREAMBLE/PURPOSE

Section 1. Parties. This contract is between the City of Youngstown (hereinafter referred to as the "City" or "Employer") and the International Brotherhood of Chauffeurs, Teamsters, Warehousemen and Helpers, Local 377 (hereinafter referred to as the "Union").

Section 2. Purpose. The purpose of the City of Youngstown and the International Brotherhood of Teamsters Local 377 in entering into this contract is to set forth their understanding as to mutually acceptable rates of pay, hours of work and other conditions of employment, including a means for equitable adjustment or settlement of alleged grievances.

Section 3. Intent. It is the intent of the parties to promote orderly and peaceful relations with the included employees to insure uninterrupted operation of City services, and to achieve the highest level of employee performance consistent with safety, good health and sustained effort.

Section 4. Implementation. The parties agree that they shall obtain the necessary implementing legislation upon the execution of this agreement.

ARTICLE 1 **RECOGNITION**

Section 1. Recognition. The City recognizes Teamsters Local 377 as the sole and exclusive collective bargaining agent for all employees in the street department and covered by this Agreement for the purposes of collective bargaining with respect to wages, hours of employment, and all other terms and conditions of employment.

Section 2. Inclusion. The provisions of this Agreement shall be applicable to all employees of the City Street Department occupying the classifications listed in Appendix A.

Section 3. Exclusion. All fiduciary, management, confidential, professional, supervisory, intermittent, temporary, seasonal, probationary, and employees in the classifications of General Foreman, Construction Foreman, Mechanic Foreman, Junior Systems Analyst, and Clerk/Timekeeper shall not be included in the bargaining unit. It is understood that litter control employees are not in this bargaining unit or covered by this Contract. Employees not specifically included in the bargaining unit are excluded.

ARTICLE 2 **SCOPE OF CONTRACT/MID-TERM BARGAINING**

Section 1. This contract, unless expressly stated to the contrary, it is mutually agreed, supersedes and cancels all other written contracts with the exception of local working conditions established by the respective department heads, and together with any letter(s) of understanding executed concurrently or subsequent to the signing of this contract, constitutes the complete and entire understanding and agreement between the parties, except as specifically provided for in Section 2, and concludes collective bargaining for the term of this contract.

The parties acknowledge that during the negotiations which resulted in this contract, each had the unlimited right and opportunity to make its demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the contract and agreement arrived at by the parties after the exercise of that right and opportunity are set forth in this document.

Therefore, the City and the Union for the duration of this contract, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this contract.

Section 2. Mid-Term Bargaining. If the City is contemplating any changes that would affect the wages, hours, and/or conditions of employment not otherwise provided for in this contract, then the City, prior to making such change, shall inform the Union of said proposed change and negotiate with the Union over the proposed change. If the parties are unable to reach agreement and the City unilaterally implements, the Union may execute a notice to negotiate over the issue, in accordance with O.R.C. 4117.

ARTICLE 3 **NON-DISCRIMINATION**

Section 1. Neither the City, its agents, agencies, or officials, nor the Union, its agents or officers will unlawfully discriminate against any bargaining unit member on the basis of age, sex, race, color, religion, national origin, national ancestry, genetic information, military status, or disability as provided under state or federal law.

Section 2. There shall be no intimidation or coercion of employees into joining the Union or continuing their membership therein. There shall be no discrimination, restraint, coercion against, or interference with the rights of any employee because of membership or non-membership in the Union.

Section 3. Gender Neutral. Within the provisions of this Agreement, it is the intent of the parties that all references to gender specific terms (e.g., his, he, etc.) be construed to include the opposite sex.

ARTICLE 4 **NO STRIKE/NO LOCKOUT**

Section 1. There shall be no strikes, work stoppages or interruption or impeding of work. No officer or representative of the Union shall authorize, instigate, aid or condone any such activities. No employee shall participate in any such activities.

Section 2. There shall be no lockouts.

ARTICLE 5

UNION ACTIVITY

Section 1. There shall be no Union activity on City time, except as provided for by this agreement and approved by the City or its designated representative. The parties agree that incidental conversations that do not interfere with the operations of the Employer shall not be considered a violation of this article.

ARTICLE 6

Section 1. Union Membership. All employees of the bargaining unit shall be eligible to become members of the Union and to retain such membership if they so choose.

Section 2. Check Off. The City agrees to deduct monthly dues and/or back dues amounts, assessments and initiation fees as designated by the Union in writing. This is to include the uniformly required membership dues of the Union and the same as to authorized assessments of the Union. The deductions by the City are to be made on the authority of signed check-off cards.

These cards are to be signed by each member. The individual Union shall defend and indemnify the City against any claims or demands against it arising out of the above deductions.

Section 3. Fair Share Fee. In recognition of the Union's services as the bargaining representative, all members of the bargaining unit shall either be members of the Union or share in the financial support of the Union by paying a service fee. The assessment and collection of all fair share fees, including but not limited to automatic payroll deductions, shall be in accordance with Ohio Revised Code, Section 4117.09(C). During the life of this Agreement, the City shall deduct fair share/service fees levied by the Union from the pay of each employee. All covered employees in the bargaining unit who sixty (60) days after the date of their hire are not dues paying members of the shall pursuant to law pay a fair share fee to cover each employee's prorata share of: (1) the direct costs incurred by the Union in negotiating and administering this Agreement and of settling grievances and other disputes arising under this Agreement; and (2) the Union's expenses incurred for activities normally and reasonably employed to effectuate its duties as the exclusive representative of the employees in the bargaining unit covered by this Agreement. The fair share fee amount shall be certified to the City by the treasurer of the local union, in writing.

The deduction of the fair share fee from the earnings of the covered employee shall be automatic and does not require a written authorization for payroll deduction. Payment to the Union of the fair share fee amount shall be made in accordance with the information, in writing, given to the City as to the amount designated to be paid by the employees who are subject to paying the fair share fee under this contract. All disputes concerning the amount of the fair share fee shall not be subject to the grievance procedure of this Agreement. Disputes of this nature shall be resolved under the Union's internal rebate reduction procedure. The Union will notify all members of the bargaining unit of its internal rebate procedure. In doing this the employees will be advised of the procedure or procedures that provide for a rebate of expenditures that are used in support of partisan politics or ideological causes not germane to the work of the employee organization in its collective bargaining with the City.

The Union shall defend and indemnify the City against any and all claims and demands against it arising out of the fair share fee deduction procedures.

ARTICLE 8 **WORK RULES**

Section 1. The Union recognizes that the Employer, under this Agreement, has the right to promulgate and implement new and revised work rules, regulations, and policies and procedures which regulate the conduct of employees and the conduct of the Employer's services and programs.

Section 2. Prior to implementation or modification of any new or existing rule, regulation, policy or procedure which affects members of the bargaining unit, the Employer will notify the Union and meet with the Union to discuss the matter prior to the date of implementation.

No employee shall be reduced in pay or position (including working suspensions), fined (i.e., forfeiture of accrued leave), suspended, discharged, or removed except for grounds stated in Section 2 of this article. The Employer may take disciplinary action against any employee in the bargaining unit for just cause. Forms of disciplinary action are:

2. Written reprimand.

6. Reduction in pay or position.

An employee who is given a working suspension (i.e., suspension of record) shall be required to report to work to serve the suspension and shall be compensated at the regular rate of pay for hours worked. The working suspension shall be recorded in the employee's personnel file in the same manner as other disciplinary actions having the same effect as a suspension without pay for the purpose of recording disciplinary action.

Section 2. Incompetency, inefficiency, dishonesty, drunkenness, immoral conduct, insubordination, discourteous treatment of the public, neglect of duty, absence without leave, substance abuse, failure of good behavior, any conduct unbecoming a representative of the

Employer, violations of City or department work rules, policies, procedures, or any other acts of misfeasance or malfeasance or nonfeasance, shall be cause for disciplinary action.

Progressive discipline shall take into account the nature of the violation, the employee's record of discipline, the employee's record of conduct, and shall normally begin with a letter of instruction and cautioning and/or a written reprimand.

Section 4. Whenever the Employer determines that an employee may be suspended, reduced in pay or position, or terminated, a predisciplinary meeting will be scheduled to provide the employee an opportunity to respond to the charges. The Employer shall notify the employee and the Union in writing of the charges against the employee. This notification shall also include the time and place of a predisciplinary meeting, to be held not sooner than twenty-four (24) hours nor later than seventy-two (72) hours following issuance of the notice.

The employee may be accompanied by a Union steward or officer during the predisciplinary meeting. Should the employee not wish to be represented by the Union, a Union Representative shall be allowed in the disciplinary meeting as an observer only. The employee shall have an opportunity in this meeting to respond orally to the charges prior to discipline being imposed. Any resolution to the disciplinary action by the employee and the Employer shall be consistent with the terms and provisions of this Agreement. An employee who is disciplined may file a grievance in accordance with the grievance procedure herein.

Section 5. Appealable disciplinary actions must be filed at the appropriate level of the grievance procedure within seven (7) calendar days from receipt of the notice of discipline by the employee. Disciplinary actions not involving a loss in pay may be appealed through the grievance procedure, but are not subject to the arbitration procedure.

Section 6. Records of disciplinary action shall cease to have force and effect or be considered in future discipline matters, provided that there has been no other intervening discipline, according to the following schedule:

Letters of Instruction and Cautioning	six (6) months
Written Reprimands	twelve (12) months
Suspensions, Fines, and Reductions	twenty-four (24) months

Discipline for drug and alcohol related offenses or violations of the parties' Drug and Alcohol Testing policies are not subject to the provisions listed above and shall be considered in all future discipline, for a period of ten (10) years.

Section 7. Expired Disciplinary Records. The parties agree that records of discipline that are no longer active, according to the schedule set forth above, shall be removed from the employee's active personnel file and placed in a separate inactive file. Inactive disciplinary records shall not be used in evaluating the level of discipline to be issued to bargaining unit members.

ARTICLE 10
GRIEVANCE AND ARBITRATION PROCEDURES

Section 1. Definition. A grievance is any dispute involving the interpretation or application of this collective bargaining Contract.

Section 2. Designated Stewards. The Union shall identify in writing to the Mayor/Designee those persons who are authorized by the Union to process grievances (i.e., stewards). The City shall not be required to engage in the grievance procedures herein if the Union is represented by someone other than a properly authorized steward or business agent.

Section 3. Procedure Generally. Nothing in this article shall be interpreted as discouraging or prohibiting informal discussions of a dispute by the employee and the City prior to the filing or starting of the grievance.

Where an employee/Union elects to file a grievance, all grievances shall be processed on the Union's grievance forms that appear in Appendix D of this Agreement. Grievances must be started within fourteen (14) days following the occurrence that initiated the dispute, and all grievances must be filed and processed at each step of the procedure to be valid.

Section 4. Procedure.

Step 1. Department Head/Designee. Within fourteen (14) days of the grievant having knowledge of the event on which the grievance is based, but not later than thirty (30) days after the actual date of the occurrence initiating the grievance, the employee may request that the Union submit the grievance, in writing, to the head of the department or his authorized representative.

All documents to be considered in Step 2 must be dated, signed by the employee and copies presented to the Mayor/Designee in the Law Department prior to the step 2 meeting.

If the grievance is timely presented to the head of the department or his representative, a meeting shall be arranged within fourteen (14) calendar days to consider and discuss the dispute. Within seven (7) calendar days following the meeting, the department head/designee shall render a written decision on the grievance.

If the employee/Union is not satisfied with the decision of the department head/designee, within ten (10) calendar days of the decision, the Union may process the grievance to Step 2.

Step 2. Mayor/Designee. Upon receipt of the Step 1 appeal, the City's representative shall either grant the remedy requested by the employee, deny the grievance, or hold a meeting to evaluate the grievance. If a meeting is held, within seven (7) calendar days of this meeting, the Mayor/Designee shall issue a written decision and transmit a copy of same to the Union and the affected employee.

Step 3. Arbitration. Within thirty (30) calendar days after the decision of the City's representative, or within thirty (30) calendar days from the date the City's representative should have rendered a

decision, the grievance may be appealed to arbitration. This appeal to arbitration is conditioned on the signed approval of the appeal by the appropriate representative of the Union.

Section 5. Selection of the Arbitrator. Within ten (10) calendar days from the receipt of the properly signed appeal for arbitration, the parties shall confer for the purpose of selecting an arbitrator. If the parties fail to agree, the Union may request a panel of seven (7) Ohio resident, National Academy certified arbitrators from the American Arbitration Association (AAA). Once AAA submits the panel of arbitrators to the parties, each party shall have fourteen (14) calendar days from the mailing date in which to strike any name to which it objects, number the remaining names to indicate the order of preference, and return the list to the AAA.

Section 6. Hearing Procedure. If the question of the arbitrability of the issue is raised, the arbitrator shall rule first on this question. If the arbitrator rules that the grievance is arbitrable, he or she then shall proceed to conduct a hearing on the merits.

Section 7. Hearing Fees/Costs/Facilities. The City shall furnish an appropriate room and facilities for the arbitration hearings and if this involves costs, said costs shall be equally borne by the City and the Union. The arbitrator's fees and other expenses shall be borne by the losing party, except that if the arbitrator renders a split decision, the arbitrator's fees and other expenses will be shared equally by the parties. The cost associated with the appearance of witnesses, attorneys, the production of documents or other fees whether they be for consultants or otherwise shall be borne solely by the party which calls the witnesses or employs the attorneys or consultants.

Section 8. Decision/Restrictions on the Arbitrator. The arbitrator's decision shall be binding upon the City, the Union, and the grievant, subject to the provisions of the Ohio Revised Code. The authority of the arbitrator shall be subject to the following limitations:

- A. The arbitrator shall have no power to add, delete or modify any of the terms of this Contract or to rule on any matters except when this Contract is in full force and effect. The arbitrator shall have no power to establish language for this Contract or to change any existing wage rates or fringe benefits.
- B. The arbitrator shall have no authority to impose any obligations upon the City unless clearly required by an express provision of this Contract.
- C. All findings and decisions for back pay shall be limited to the amount of wages the employee otherwise would have earned less any unemployment compensation that he may have received during the period in question and wages or salaries earned from other source during that period.

Section 9. Arbitration Timelines. All grievances shall be submitted to AAA within thirty (30) calendar days of the grievance being submitted for arbitration or the grievance will be considered untimely.

Section 10. Grievance Times Limits and Forfeitures. If the deadline for acting within the grievance procedure falls on a non-business day, the applicable timeline shall be extended to the next business day.

If the grievant or Union fails to advance a grievance to the next step, within the time limitations provided in this article, the grievance shall be resolved on the basis of the City's last answer.

If the City fails to hold a hearing or issue a decision within the time limits provided in this article, the grievant or the Union may appeal the grievance to the next step, in accordance with the applicable time limitations. Where a grievance is resolved based on failure to appeal the matter to the next step, the resolution shall not be considered to set precedent for future grievance over the same issue.

Grievances resolved for the reason that either party failed to act within the prescribed time limitations shall not be considered a precedent for any other case. Time limits established by this article may be extended by mutual agreement of the parties.

Section 11. Grievance Documents/Copies. In all steps of the above grievance procedure, the Union shall be required to prepare the copies of the grievance. The City shall be required to acknowledge receipt and provide copies acknowledging receipt to the Union.

ARTICLE 11 **PERSONNEL FILES**

Section 1. The City may compile and maintain an official personnel file for each employee. This file shall be maintained in appropriate City department(s) or division(s) as designated by the Employer.

Section 2. Notification of Personal Information Change. Each employee shall notify the City as to his or her change of address and/or phone number at least within fourteen (14) calendar days of said change or changes. If there is a failure of notification as to any change of address or phone number, the address or phone number last given to the City shall be used for notification as to call out of the said employee or any other notification at the peril of the employee.

ARTICLE 12 **LAYOFF AND RECALL**

Section 1. It is the intent of the parties, through this article, to establish an objective procedure by which a reduction in force may be accomplished, should the need arise, and supersede the provisions of ORC 124.321 to 124.328, OAC 123: 1-41-01 to 123: 1-41-22, and all local rules and regulations of the City of Youngstown Municipal Civil Service Commission governing work force reductions.

Section 2. Notice. Whenever the Employer determines that a reduction in force (i.e., layoff or job abolishment) is necessary, the Employer shall notify the affected employee(s) in writing at least fourteen (14) calendar days prior to the date of the reduction. This notice requirement

only applies to the original employee(s) selected for reduction, and does not apply to employee(s) displaced as a result of bumping.

Section 3. Procedure. When the Employer determines that a reduction in force or layoff is to be made within the bargaining unit, it shall occur by departmental seniority within the affected classification. Departmental seniority, defined as being seniority with the City Street Department, is calculated in accordance with Article 17, Seniority. The member with the least amount of departmental seniority in the affected classification shall be laid off first.

Section 4. Bumping Procedure. An employee who is laid off may utilize his departmental seniority to displace an employee with less departmental seniority in another equal or lower paid bargaining unit classification provided that he is qualified to perform the essential functions of the position. Upon receipt of notice as described in Section 2, the affected employee or his Union steward shall notify the Employer by the end of the workday on which notice was given of his intent to exercise his bumping rights and what equal or lower classification, if any, he seeks to displace into. An employee that is displaced from his position, or his Union steward, shall notify the Employer by the end of the next workday following the day on which notice was given of his intent to exercise bumping rights and what equal or lower classification, if any, he seeks to displace into.

Section 5. Recall. A bargaining unit member laid off under this article shall remain on the layoff list for two (2) years. When the Employer determines that it wishes to recall laid off members of the bargaining unit, the City shall recall from that list in reverse order in which the member was laid off.

Employees shall be given seven (7) calendar days advance notice of recall and such notice shall be sent to the employee's last address on record. It shall be the responsibility of the employee(s) to keep the Employer advised of his current address and maintain any required licensure or certification required for his position. Employees who refuse recall shall lose all seniority and recall rights. Employees who fail to remain qualified to perform the duties of their position will lose all seniority and recall rights.

ARTICLE 13 **LABOR MANAGEMENT COMMITTEE**

Section 1. Each of the parties hereto acknowledges the rights and responsibilities of the other party and agrees to discharge its responsibility under this contract. The Union, its officers and representatives and members are bound to observe the provisions of this contract. The city, its officers and representatives are bound to observe the provisions of this contract.

Section 2. There shall be established a Labor Management Committee consisting of three (3) members of management and three (3) members of the Union. This Committee shall meet at least once each quarter and more often by mutual agreement.

Section 3. Purpose. The purpose of this Committee shall be to meet and discuss the administration of this Agreement, matters of health and safety and other matters of mutual interest

or concern to the parties. The parties shall meet each calendar quarter of the year. The parties shall provide each other with an agenda of the issues to be discussed and a list of names of the parties who will be in attendance, at least one week prior to the scheduled date of the meeting.

ARTICLE 14

DRUG AND ALCOHOL TESTING PROGRAM

Section 1. The Employer's Drug and Alcohol Testing Program and CDL Drug and Alcohol Testing Program are attached as an addendum to this agreement at Appendix B and are fully incorporated herein. The parties agree that all employees of the Youngstown Street Department bargaining unit members will be subject to the City's Drug and Alcohol Testing Program. Where applicable, bargaining unit members holding CDLs are also subject to the City's Drug and Alcohol Testing Program. The listing of controlled substances which may be tested for will be updated periodically as warranted by statutory updates/societal changes. Updates will be reviewed with the Union in a labor-management meeting pursuant to the provisions of Article 13 herein.

ARTICLE 15

LICENSURE MAINTENANCE/REPORTING REQUIREMENTS

Section 1. The parties agree that certain classifications within the bargaining unit require, as a basic condition for employment, the employee to obtain and maintain a valid motor vehicle operator's license, Commercial Driver's License, or other job-related license.

Section 2. The parties agree that the following provisions shall govern instances where an employee fails to maintain the required licensure.

- A. **1st Offense- Failure to Maintain Licensure with Notice to the Employer.** The parties agree that if an employee fails to maintain the necessary licensure, but notifies the Employer prior to the beginning of the workday following the date that the employee knew, or should have known, of his failure/suspension/revocation, then the employee may be demoted to a classification where the job duties do not constantly require the licensure, if a vacancy is available, and assigned duties that do not involve the required licensure, so long as such work exists, but for no longer than six (6) months.

Should the Employer determine that no vacancy exists or that non-licensure work is no longer available, the employee will be placed on an unpaid leave of absence until such time as the failure/suspension/revocation is remedied or lifted. Within fourteen (14) calendar days of the failure/suspension/revocation being remedied or lifted, the employee shall take the necessary actions to reinstate his license, present to the Employer the valid necessary license, and return to duty. An employee that fails to take the necessary steps to reinstate his license and/or return to duty within the fourteen (14) calendar days of the failure/suspension/revocation being remedied, shall be considered to have voluntarily resigned from his position.

- B. 1st Offense- Failure to Maintain Licensure without Notice to the Employer. The parties agree that if an employee fails to maintain the necessary licensure, and fails to notify the Employer of such failure/suspension/revocation as described above, then the employee shall be subject to discipline, up to and including termination, for failure to remain qualified to perform the duties of his position.
- C. 2nd Offense- Failure to Maintain Licensure. The parties agree that if an employee fails to maintain the necessary license for a second time, where his classification requires the maintenance of a valid license, then the employee shall be subject to discipline, up to and including termination, for failure to remain qualified to perform the duties of his position.

Section 3. Annual License Checks. Each employee shall be required to complete a waiver for the Employer that will allow it to check/verify the status of any job related licensure annually.

Section 4. Vehicle Usage. Bargaining unit employees will be permitted to utilize City vehicles for CDL examinations, so long as the CDL is a requirement for City jobs.

Section 5. Attempts to Qualify. Any limitations on the number of qualifying attempts that may be taken will follow applicable state laws.

ARTICLE 16

NOTIFICATION OF EMPLOYMENT INFORMATION/STATUS

Section 1. Contact Information. All bargaining unit members are required to ensure that all of their contact and address information is kept current and, upon demand, complete the necessary forms so that the City can ensure that its files and contract information are accurate and up to date.

Section 2. Dependent Status Information Reporting. All bargaining unit members are required to provide notification to the City, within one (1) week of the occurrence of a potentially eligibility changing event, so that the City can report such information to its insurance carrier. Not by way of limitation of the foregoing requirement, illustrative examples of events or the types of events that shall require notice to the Employer are:

1. A change in the marital status of the employee (e.g., marriage, divorce, dissolution, annulment, death, etc.).
2. A change in college enrollment status of the employee's child or dependent. (e.g., withdrawal, dismissal, expulsion, full-time to part-time status, etc.).
3. A change in the identity of or status regarding any of the employee's children or dependents (i.e., adoption, custody status arrangements, birth, death, etc.)
4. The attainment of nineteen (19) years of age by any child or dependent of the employee.

5. The attainment of twenty-five (25) years of age by any child or dependent of the employee that is a full-time student.
6. Mental or physical disability of any dependent affecting dependency status.

Section 3. Documentation. The City may require that an employee provide the insurance company documentation establishing and/or verifying any information that is required to be provided under this article.

Section 4. Reimbursement. Effective January 1, 2010, in the event that the employee fails to provide notification to the Employer as described above, and public funds are expended for coverage, benefits, or other costs that otherwise would not have been paid had the accurate employment information been provided, the employee will be required to reimburse the Employer for those monies that were inappropriately expended. The employee shall be required to enter into a repayment plan and execute any documentation that the Employer determines to be necessary to facilitate the repayment in a prompt manner. The plan shall be entered into within thirty (30) days of the event first being brought to the attention of the employee. The Employer agrees to act reasonably in setting the requirements of the repayment plan.

The parties agree to enter into a reasonable reimbursement plan which may include the forfeiture of monetary payments due under the contract, payroll deductions, forfeiture of accrued paid leave, etc. In the event that an employee does not make arrangements for reimbursement in full, the Employer may take whatever actions deemed necessary to achieve repayment, including the involuntary withholding/offset from payments due under the contract or at separation, if necessary.

Section 5. Discipline. Any employee that intentionally or willfully: (1) refuses to enter into the mandatory reimbursement agreement, (2) refuses to fully complete any initial or updated request for information required by the Employer, (3) refuses to provide documentation as directed by the Employer, or (4) provides inaccurate information shall be subject to termination for insubordination and/or dishonesty. Any employee that otherwise fails to report any of the informational changes to the Employer as required by this article shall be subject to discipline, pursuant to the terms of the parties' agreement.

ARTICLE 17 **WORK WEEK/SCHEDULING**

Section 1. Work Week Defined. Each employee's normal work schedule shall be determined by the Employer. The normal workweek for full-time bargaining unit employees shall consist of forty (40) hours of work performed during a seven (7) consecutive day, one hundred sixty-eight (168) hour period, established by the Employer. The normal workweek is scheduled Monday through Friday.

Section 2. Work Scheduling/Adjustments. The Union acknowledges that it is the management right of the Employer to schedule and/or adjust work schedules to meet the operational needs of the Employer. Should the Employer determine that substantial changes in

the regular schedule are necessary, the Employer shall meet and discuss the changes with the Union at least two (2) weeks prior to the date of implementation.

In the event that exigent circumstances arise which makes a two (2) week meeting notice impossible, a meeting may be called by the department head at the earliest opportunity. Exigent circumstances shall be defined as unanticipated circumstances due to weather changes, equipment failure, call off of three (3) or more employees at one time, and/or supply chain failures.

Section 3. Declared State of Emergency. In the event that the Mayor declares a state of emergency, the parties agree that the City may utilize outside contractors/entities to supplement street department services.

ARTICLE 18 **HOURS OF WORK/OVERTIME**

Section 1. Workday and Workweek. The normal work day shall consist of eight (8) consecutive hours, including lunch periods, in a twenty-four (24) hour period. The normal work week shall consist of forty (40) hours made up of five (5) consecutive eight (8)-hour days, Monday through Friday, within a seven (7) day, one hundred sixty-eight (168) hour period.

Section 2. Pay Period. The normal pay period shall consist of eighty (80) hours made up of ten (10) days of eight (8) hours each.

Section 3. FLSA Overtime. Overtime due to bargaining unit members under the Fair Labor Standards Act (FLSA) shall be paid in accordance with the Act. Overtime due to bargaining unit members under the parties' agreement shall be paid according to the contract.

Section 4. Contractual Overtime. An employee shall receive one and one-half (1.5) times his hourly rate for each hour or fraction thereof which he works in excess of eight (8) hours in a twenty-four (24) hour period, or in excess of forty (40) hours in a seven (7) day period.

Section 5. Hours Worked for Contractual Overtime. Overtime shall be paid based on all hours an employee is in "pay status" even if the hours were not actually worked. "Pay status" includes time paid for vacation.

Section 6. Call Out Procedure. The parties agree to maintain the current practice regarding call-out during the term of this Agreement, except that employees using vacation, personal holiday time, or personal time on Friday will remain eligible for weekend overtime. In the event that an oversight is made in this regard, the employee will be afforded the next opportunity to accept a call-out.

ARTICLE 19 **SHIFT BIDDING**

Section 1. When the Employer determines that its operational needs require the usage of additional shifts, the following procedure shall be used to allow employees to select their shift preference.

Section 2. Determination. The Employer shall have the sole and exclusive discretion in determining the need for additional shifts, allocating the number of personnel needed on each shift, allocating the job classifications needed on each shift, allocating specific licensures needed on each shift, and establishing any other requirement that will be made part of the shift bid prequalification.

Section 3. Procedure. Once the Employer establishes the available spots for bid on a shift, members will be permitted to bid their shift preference by departmental seniority, with the most senior members receiving his preference. All bids are subject to the operational needs of the Employer and irrespective of the result, the Employer may adjust the bid if it determines that it requires specialized licensure or other need on another shift. In making the adjustment, the Employer agrees that the member with the least amount of departmental seniority in the affected classification and who possesses the necessary licensure, if applicable, shall be affected.

ARTICLE 20 **SENIORITY**

Section 1. Definitions. Total Seniority is defined as the length of continuous uninterrupted full-time service with the City of Youngstown. Department seniority is defined as the length of time an employee has been continuously employed by the City Street Department. Classification seniority is defined as the length of continuous uninterrupted full-time service in a specific classification.

Section 2. Probationary Period. An employee shall have no seniority during his probationary period, but upon successful completion of his probationary period, seniority shall be retroactive to the first day of hire.

Section 3. Seniority Roster. A seniority roster shall be established showing each employee's length of service in the department and his division. The City shall post this roster in a conspicuous place. Said roster shall be updated at least every six months, if necessary.

Section 4. Length of continuous service is broken by:

- A. Voluntary termination (resignation);
- B. Discharge for cause;
- C. Failure to return to work after layoff or any approved leave of absence within fourteen (14) days after notification to return by registered mail addressed to the employee's last address on City records, unless unable to return due to illness or disability or unless such time is extended by the City.

ARTICLE 21 **PROMOTIONAL VACANCIES**

Section 1. Posting. Whenever the Employer determines that a promotional vacancy exists in a bargaining unit classification, and it intends to fill the vacancy, a notice of the opening shall be

posted for ten (10) workdays in the Department. For informational purposes, each posting shall indicate the classification, the position control number, the location of the job, the pay rate, the minimum qualifications established in the job description, the date the posting goes up, and the date the posting expires.

Section 2. Bidding/Testing. Those positions within the laborer classification series (i.e., laborer, driver/laborer, operator/laborer) shall be made available for bid to bargaining unit members. During the posting period, bargaining unit members may bid for the job by submitting a written application to the Department Head and the Mayor's Designee. The Union steward may submit a bid for a vacant position on behalf of an employee who is not present at work during the posting period. Such bids shall be signed by the steward on behalf of the employee and shall be verified by the employee personally within thirty (30) days of the date the posting originally went up.

For all other positions, the Employer shall utilize civil service testing to establish eligibility lists for appointments, and, at its sole discretion, determine the manner of test given (i.e., closed testing, open competitive examination, etc.). Once an eligibility list is generated, appointment shall be made pursuant to the Ohio Civil Service Law. Any issue concerning the award of a tested vacancy shall be handled through the applicable statutory appeals process and shall not be eligible for the parties' grievance procedure.

Section 3. Bid Vacancy Award. The Employer shall award a bid vacancy to the most senior qualified employee using department seniority within ten (10) working days of the bid period closing.

Section 4. Probationary Period. An employee who is awarded a promotional opportunity under the bidding procedure will serve a probationary period of one hundred twenty (120) calendar days. During this promotional probationary period, if the Employer determines that the employee's performance is unsatisfactory, he shall be returned to his former job.

ARTICLE 22

TEMPORARY JOBS/ASSIGNMENTS

Section 1. When an opportunity for work in a higher paying temporary job/assignment becomes available, the Employer agrees to offer that opportunity by total seniority to bargaining unit members. In order to be eligible for the opportunity, the employee must satisfy all of the position's minimum qualifications and be capable of performing all of the essential functions of the position.

ARTICLE 23

OUT OF CLASSIFICATION ASSIGNMENTS

Section 1. Opportunities. The Union acknowledges that it is the management right of the Employer to determine when an out-of-classification work opportunity is available and from which classification it is to be offered.

Section 2. Rate of Pay. Effective April 24, 2010, where an employee working in a lower classification is directed to perform duties in a higher classification for more than one (1) hour, he shall receive the probationary rate of pay for the higher classification, if applicable, for those hours worked or the permanent rate for the higher classification, whichever is less. In any event, such assignment shall result in an employee receiving an increase above the employee's current rate for those hours worked in the higher classification. Where an employee is assigned to perform work in a classification having a lesser rate of pay than the employee normally receives, he shall be paid his regular rate for those hours worked in the lower classification.

Section 3. Assignment. The Union acknowledges that it is the management right of the Employer to assign work and manage its operations. When an opportunity for out-of-classification work is offered, the Employer agrees to offer that opportunity by departmental seniority within the selected classification where the assignment will be made and to those employees presently available. In order to be eligible for an out-of-classification opportunity, the employee must satisfy all of the position's minimum qualifications, be capable of performing all of the essential functions of the position, and be presently available. The Employer agrees, however, that should it determine that an out-of-classification assignment must be ordered, the Employer shall order the least senior, presently available, scheduled employee capable of performing the essential functions of the position to perform the work.

ARTICLE 24 **SALARY AND WAGES**

Section 1. Bargaining unit members' wage rates are attached to this agreement as Appendix A and incorporated by reference. For the duration of the parties' Agreement, bargaining unit members shall receive the following general wage increases.

Effective January 1, 2020, bargaining unit members shall receive a one and one half percent (1.5%) general increase.

Effective January 1, 2021, bargaining unit members shall receive a one percent (1%) general increase.

ARTICLE 25 **INSURANCE BENEFITS**

Section 1. Medical and Hospitalization Insurance. The City of Youngstown shall continue to provide to each bargaining unit member and his/her family medical, hospitalization and prescription insurance coverages and benefits comparable to the summary of coverages and benefits attached hereto as Appendix E or subsequently modified as provided in this section and elsewhere in this article. In the event of a modification, the modified insurance coverage will be appended to the Agreement as Appendix E.

Section 2. Vision/Dental Coverage. The City agrees to continue the program of providing coverage for existing vision and dental insurance except that this benefit will be entirely funded and administered by the City, except as stated herein.

Section 3. Life/ADD Insurance. The City will carry life insurance with a death benefit in the amount of twenty thousand dollars (\$20,000) per year. The accidental death and dismemberment insurance will be in the same amount.

Section 4. Insurance Waiver. If any member of the bargaining unit elects to refuse the coverage set out in Section 1, then the member shall be paid one hundred thirty-one dollars and twenty cents (\$131.20) per month payable in monthly increments. Each employee who elects this payment shall demonstrate that he receives like or better coverage elsewhere. A bargaining unit employee whose spouse works for the City of Youngstown shall not be eligible for this incentive. Such election is contingent upon the bargaining unit member documenting any and all existence of alternative health care coverage and executing a waiver of the City's group plan and further waiving any action for damages or reimbursement resulting for such election. Employees and the City shall abide by all COBRA rules and regulations.

Section 5. Employee Contributions. Effective January 1, 2012, employees shall contribute ten percent (10%) of the total premium for medical, hospitalization, prescription, vision, and dental coverage, not to exceed a cap of one hundred dollars (\$100.00) per month for single coverage and two hundred dollars (\$200.00) per month for family coverage.

Effective January 1, 2016, employees shall contribute ten percent (10%) of the total premium for medical, hospitalization, prescription, vision, and dental coverage.

Section 6. Carrier Changes. If, during the life of this agreement, it becomes necessary for the Employer to change carriers, the Employer agrees to meet with the Union in advance of such action.

Section 7. The City shall designate a full-time employee who will act as a liaison between the bargaining unit members and any insurance carrier for all insurance, Workers' Compensation and injured on duty pay.

Section 8. Each new bargaining unit member will be provided a full and complete copy of the insurance policy. Within thirty (30) days of any change of carrier coverage, the City will also provide each bargaining unit member with all such changes of coverage policy provisions.

Section 9. Health Insurance Review Committee (HIRC). The Union acknowledges the Employer's right to determine to provide coverage through a selected insurance provider, a consortium, to self-insure, or to utilize a combination of the preceding.

The Union agrees that the City may create and maintain a health insurance review committee (HIRC) for the purpose of studying and recommending cost containment programs for medical, prescription, and dental coverages, reviewing usage, and recommending changes to the plan and benefit levels. Once created, the Union agrees to participate in the committee. The committee

shall consist of one (1) representative from each of the bargaining units, one (1) non-bargaining unit employee, and a number of management representatives of the Employer equivalent to the total number of city bargaining unit representatives participating. The insurance committee shall have the authority to recommend alterations to the plan and benefit levels and/or recommend adjustments to coverage levels through majority vote.

Specifically, the committee may recommend any of the following options:

- A. To keep the same plan and/or benefit levels and pass on any cost increases to the parties consistent with the levels set forth in Section 5 of this article; or
- B. To change the plan and/or alter the benefit levels so that there is no increase in the cost of the plan; or
- C. To change the plan and/or alter the benefit levels to reduce or minimize the increase in the cost of the plan to be passed on to the parties.

Recommendations of the committee will not be unilaterally changed by the City. Recommendations of the committee and Employer actions to carry out those recommendations are final and shall not be subject to the grievance procedure. If, however, the committee makes no recommendation by April 15 or fifteen (15) calendar days prior to the plan expiration date as applicable, for the following plan year, the City may unilaterally adjust the plan and benefit levels, and cost increases, if any, will be passed on to the parties consistent with the levels set forth in Section 5 of this article. Recommendations of the committee and Employer actions to carry out those recommendations, or actions of the Employer in the event that the committee fails to act, are final and shall not be subject to the grievance procedure.

ARTICLE 26 **LONGEVITY**

Section 1. All employees who have completed three (3) years service with the City, in any division of the City's work force, shall be eligible for longevity payment in the amount of sixty-five dollars (\$65.00) for each completed year of continuous, uninterrupted, full-time service with the City. Longevity shall be paid for each year of service in any division of the work force in the City completed as of October 1. Payment shall be made in the first week of December, and the maximum payment shall be limited to twenty-five (25) years of service.

ARTICLE 27 **NON-USE OF SICK LEAVE**

Section 1. Bargaining unit members that maintain a minimum balance of one hundred twenty (120) hours of sick leave and do not use their sick leave during the agreed upon time periods shall be eligible to receive a quarterly incentive payment in the amount of one hundred fifty-nine dollars and ninety-two cents (\$159.92), provided, however, that an employee is ineligible for said bonus (incentive) if a disciplinary suspension is incurred during the particular quarter. Quarterly time periods are measured as follows:

First Quarter	January 1 - March 31
Second Quarter	April 1 - June 30
Third Quarter	July 1 - September 30
Fourth Quarter	October 1 - December 31

Section 2. Payment Timing/Conditions. The cash incentive payments for non-use of sick leave are not to be paid on a pro-rated basis, under any circumstances. Payments shall be paid by the City at the end of the month of November or early December in the calendar year in which it is earned, and shall be based on the previously completed four (4) quarters (i.e., fourth quarter of the prior year and the first three (3) quarters of the current year).

ARTICLE 28 **SHIFT DIFFERENTIAL**

Section 1. Amount. The parties agree that the shift differential pay shall be as follows:

Thirty-five cents (\$.35) for the 3:00 p.m. to 11:00 p.m. shift
Fifty-five cents (\$.55) for the 11:00 p.m. to 7:00 a.m. shift

Section 2. Guidelines. In administering and determining eligibility for shift differential payments, the following guidelines shall be utilized:

- A. **Determination of 1st, 2nd, 3rd Shift.** The shifts starting between 5:00 a.m. and 11:00 a.m. shall, for purposes of shift differential payments, be determined to be the first or day shift; the shifts starting after 11:00 a.m. and up to and including 7:00 p.m. shall be determined to be the second or afternoon shift; any shift starting after 7:00 p.m. through and including 5:00 a.m. shall be deemed the third or night shift.
- B. **Rate.** Those employees who start their turn in the times designated for each shift shall be paid the appropriate rate plus the appropriate shift differential as the second or afternoon, and third or night shifts for the full eight-hour shift worked or any hourly portion thereof.
- C. **No Split Differential Rates.** The employee shall not be eligible for a change in shift differential rate during the eight hours of a shift worked. If the employee works in excess of eight hours, however, he is entitled to an increase in shift differential for the period exceeding eight hours for which he worked, where appropriate.
- D. **Call-Out Prior to Shift.** In the instance where the employee is called out prior to his regular scheduled first shift, he shall be eligible for shift differential payment for the time worked prior to his scheduled starting time.
- E. **No Differential Payment for 1st Shift Hours.** In no case shall an employee be paid shift differential for any hours worked during his first regularly scheduled day shift.
- F. **No Duplication/Pyramiding.** There shall be no duplication of shift differential payments nor shall this section be interpreted to permit duplication of premium pay.

ARTICLE 29
TOOLS AND EQUIPMENT

Section 1. Mechanics and Welders shall not be required to provide their own equipment and tools in order to perform their job duties.

The Employer will provide the tools and equipment so that Mechanics and Welders will no longer be required to provide such items.

ARTICLE 30
UNIFORM ALLOWANCE

Section 1. Amount. The City shall provide uniforms to bargaining unit members. The City will also provide an allowance of one hundred twenty-five dollars (\$125.00) in 2020 and one hundred fifty dollars (\$150.00) in 2021 for steel toe boots. Payment, if applicable, shall be made in June of each year, and shall not be prorated.

Section 2. Proper Dress Required. Continued payment of this benefit is conditioned on the agreement that any employee receiving this benefit shall be properly dressed while on the job. Proper dress means that the employee is attired in clothing that is of the proper color, is clean, and is in good repair. Failure to be properly dressed for duty may subject an employee to discipline.

Section 3. The City shall have the right to designate the color of shirt that each employee must wear at all times on the job. The color designated by the City will be distinctive, and the City will notify bargaining unit members of the designated color prior to issuing payment of this benefit.

ARTICLE 31
COMMERCIAL DRIVER'S LICENSE BONUS

Section 1. The City will pay a yearly bonus of one thousand one hundred dollars (\$1,100) to each bargaining unit member who possesses a commercial driver's license (CDL).

Effective January 1, 2018, the City will pay a yearly bonus of two hundred-fifty dollars (\$250) to each bargaining unit member who possesses a valid Class B commercial driver's license.

Notwithstanding the above, any employee hired prior to January 1, 2016 and holding a Class B license shall continue to receive the one thousand one hundred dollars (\$1,100) CDL bonus.

Section 2. Any Class B license holder who successfully completes the process to obtain a Class A license will be paid a one-time bonus of one thousand dollars (\$1,000). Any employee who

receives the one-time lump sum bonus for obtaining a Class A license is required to complete a minimum of twelve (12) months of service following receipt of the Class A license. Should an employee leave City employment prior to completion of the twelve (12) months, the CDL bonus will be deducted from the final pays.

ARTICLE 32 **PERS PICK-UP**

Section 1. The Employer agrees to “pickup” (assume and pay) as a fringe benefit eight and one-half percent (8.5%) of the employee’s statutorily required PERS contribution share to the Ohio Public Employees Retirement System (OPERS) that the individual employee is required to pay pursuant to Federal and Ohio laws, resulting in no modification of the employee’s taxable salary. Any additional percentage of the statutorily required employee PERS contribution will be withheld through salary reduction from the gross pay of each employee, thereby reducing the employee’s taxable salary by such percentage, and remitted on behalf of the employee to PERS along with the “pick up” referenced previously. No employee shall have the option of receiving the statutorily required contribution directly instead of having it “picked up” by the City of Youngstown.

Section 2. Reporting. The City shall, in reporting and making remittance to the PERS, report that the employee’s contribution has been made as required by statute. The gross wage or salary of the employee subject to the “pick up” provided by this section shall not change as a result of this “pick up.”

Section 3. Notwithstanding Sections 1 and 2 above, employees hired on or after June 1, 2014, shall be responsible for the full statutorily required employee PERS contribution.

ARTICLE 33 **YMCA BONUS**

Section 1. The Employer agrees that it shall continue to reimburse bargaining unit members one hundred forty-five dollars (\$145.00) annually for a City of Youngstown YMCA membership.

| 5. Fourth of July | 11. Personal Holiday |

Section 2. Holiday Work Rate. The employee who works any of the foregoing holidays, not including the personal holiday, shall receive his normal holiday pay, plus time of one and three-quarters (1 3/4) times for each hour worked.

Section 3. Holiday Pay Eligibility. In order to be eligible to receive holiday pay, an employee must work his regularly scheduled shift before and after the holiday

Section 4. Closure of City Hall. In the event that City Hall is closed, those employees who work that day shall receive eight (8) hours of personal holiday time.

ARTICLE 35 **VACATIONS**

Section 1. Benefit. It is the intent of the parties to supersede ORC 9.44. Each full-time employee shall accrue vacation time on the basis of full-time continuous service with the City according to the following schedule:

After one (1) year of service	2 weeks
After five (5) years of service	3 weeks
After eleven (11) years of service	4 weeks
After seventeen (17) years of service	5 weeks

Notwithstanding the above, any employee hired on or before January 1, 2017, shall remain eligible to accrue six (6) weeks of vacation after twenty-three (23) years of service.

Section 2. Eligibility/Usage. The length of vacation is determined by an employee's full-time employment anniversary date with the City of Youngstown, Ohio. The City will continue to utilize a "use-it-or-lose-it" vacation policy. In conformity with current practice, an employee must complete one (1) year of service before being eligible for vacation leave. Upon completion of this one (1) year of service, the employee will be entitled to utilize a prorated amount of vacation earned from the employee's initial hire date until December 31 of the anniversary year. Effective January 1 of the next year, the employee will be eligible to take the earned amount of vacation as outlined in Section 1 of this article.

Section 3. Vacation Pay/Cashout. For each week of vacation, the eligible employee shall receive his/her normal week's pay (40 hours) in accordance with his/her regular pay scale at the start of the vacation. By agreement between the City and the employee involved, vacation benefits may be liquidated in cash.

Section 4. Vacation Scheduling. Vacation requests are subject to the operational needs of the Employer. In any specific department or division, the employee with the most department seniority shall receive first preference for selection of vacation time. However, the City reserves the right to allocate the vacation schedule in order to assure the orderly operation of the department.

Section 5. Carry-Over. Vacation benefits cannot be carried over from one calendar year to the next. Any accrual will be lost if not used before December 31 of the year of entitlement.

ARTICLE 36 **SICK LEAVE**

Section 1. Accrual. Each employee shall be eligible to earn sick leave at the rate of one and one quarter days per month, not to exceed fifteen (15) days per year. An employee may not earn sick leave while on sick leave, injured on duty leave, leave of absence or lay off. Sick leave may be accumulated without limit.

Section 2. Status/Benefit Entitlement During Leave. Sick leave compensation shall be computed at the employee's normal daily or hourly rate at the time absence occurs. An employee on sick leave or injured on duty leave shall be considered as being on the payroll and entitled to all benefits thereof, save those mentioned in Section 1 of this article.

Section 3. Usage. Employees may use sick leave, upon approval of the Employer, for the following reasons:

- A. illness, injury, or pregnancy-related condition of the employee;
- B. exposure to contagious disease that could be communicated to and jeopardize the health of other employees;
- C. examination of the employee, including medical, psychological, dental, or optical examination, by an appropriate licensed practitioner which cannot be scheduled during non-work hours;
- D. illness, injury, or pregnancy-related condition of a member of the employee's immediate family where the employee's presence is reasonably necessary for the health and welfare of the affected family member;
- E. examination including medical, psychological, dental, or optical examination of a member of the employee's immediate family by an appropriate practitioner where the employee's presence is reasonably necessary.

Section 4. Charging of Sick Leave. Sick leave shall be charged in minimum increments of one (1) hour. An employee shall be charged for sick leave only for days upon which he would otherwise have been scheduled to work. Sick leave payment shall not exceed the normal scheduled workday or workweek earnings.

Section 5. Notification. When an employee is unable to report to work due to illness or injury, he shall notify his immediate supervisor, or other designated person, at least one-half (1/2) hour prior to the start of his shift, unless an emergency prevents such notice.

Section 6. Documentation. The Employer may require an employee to furnish a satisfactory written, signed statement to justify the use of sick leave. This statement will be accepted if legible, subject to verification at a later time by the City. If medical attention is required, or the absence is greater than three (3) days, a certificate stating the nature of the illness from a licensed physician shall be required to justify the use of sick leave.

The certificate must state that the employee was examined, the date and time of such examination, that the employee cannot work, and the expected return date. Falsification of either an application for injured on duty leave, a written signed statement or a physician's certificate shall be grounds for disciplinary action, including dismissal. The applicable ordinances shall be followed for sick leave usage and documentation.

Section 7. Sick Leave Transfer. It is the intent of the parties to supersede ORC 124.38. An employee who transfers to the City from another public agency shall not be credited with any unused accumulated sick leave.

Section 8. Employer Required Examination. If the Employer has a reasonable basis for believing that an employee is no longer mentally or physically capable of performing the essential functions of his position, or poses a threat to himself or others, the Employer may order an examination by an appropriately qualified medical professional, at the Employer's expense.

Upon receipt of the medical professional's opinion on fitness for duty, the Employer, the Union, and the employee will meet to discuss possible alternatives and/or accommodations. If no alternative or accommodation is mutually agreeable, then the employee will be placed upon disability leave or disability separation.

Section 9. Patterned Absence/Abuse. Any employee suspected of abusing sick leave and/or showing a pattern of abuse shall be subject to counseling by the general foreman or his designee. A pattern of abuse consists of absence while on sick leave as evidenced by a frequency or pattern contiguous or related to holidays, weekends, vacation and/or consistent regular usage, or a method of usages of available sick leave. Further abuse/patterned use of sick leave or pattern abuse will result in disciplinary action, up to and including termination.

ARTICLE 37 **INJURY ON DUTY LEAVE**

Section 1. Injured on duty leave (IOD) shall be granted to any employee certified by the City as injured in the course and scope of City employment. Certification will not be unreasonably withheld by the City.

The employee shall be paid Injured on Duty (IOD) pay from the City instead of Temporary Total Benefits from the Bureau of Workers' Compensation but only if the employee obtains medical treatment from a schedule of providers designated by the City (see Appendix C). An employee who chooses to seek treatment from a medical provider who is not included in the City's schedule of providers will not be entitled to IOD, but will be entitled to any benefits the Bureau of Workers'

Compensation will allow. The City reserves the right to add or delete health providers from the City's schedule of providers.

Section 2. Procedure. An employee claiming to be injured on duty shall notify his immediate supervisor by the end of the employee's shift of an alleged work place injury which occurred during that shift in order for the City to consider certification of the alleged injury. The employee may report an injury without actually filing for IOD/Workers' Compensation for up to the time limits allowed by the Bureau of Workers' Compensation. Once an employee files for IOD/Workers' Compensation, IOD will not commence until all City required documentation is received by the City. Until such time, the employee will be continued on payroll with sick leave, vacation or A/T for any time off duty. Such time will be reimbursed upon the City's grant of IOD pay. If such return of documents exceeds seven (7) calendar days, time will not be reimbursed unless a physician's cooperation or lack thereof makes such impracticable. The Employer shall have the responsibility to present necessary documentation to the employee at the time the injury is reported and the employee shall have the responsibility to ensure timely completion of this documentation.

Section 3. Continued Participation. Continued participation in the IOD program is dependent on the employee participating in an injury-related rehabilitation or return-to-work program. If, however, an employee files for temporary total or permanent total disability or is working elsewhere during the time the employee claims to be disabled from his City job, or is found to be performing tasks that are in conflict with the reported injury, all City benefits will immediately stop (including, but not limited to, the accumulation of sick, vacation or any other leave, eligibility for holiday pay and the Employer's contribution to the employee's pension fund).

Section 4. Eventual Denial of Claim. If, after a Bureau of Workers' Compensation determination or the administrative appeals process, whichever stage finalizes the process, it is found by the Bureau, the Industrial Commission or a court that the claim is not related to the employee's City job, the employee must reimburse the City for all IOD used by any means available: accumulated sick leave, vacation or regular biweekly pay deductions. The amount so used must be repaid within a twelve (12)-month period.

Section 5. City Denial of Claim. If the City does not certify a claim, the employee will be permitted to use his/her sick leave, vacation leave or A/T time which shall be reimbursed if, after the Bureau determination or the administrative appeal process, whichever stage finalizes the process, it is found by the Bureau, Industrial Commission or a court that the claim was incurred in the scope of City employment.

Section 6. Vocational Rehabilitation Program. Any employee granted IOD who is referred to a Bureau Vocational Rehabilitation Program will be required to apply for, attend and fully cooperate with said program. Failure to fully cooperate with the Bureau Vocational Rehabilitation Program may result in loss of IOD benefits.

Section 7. Duration. Wages and all benefits, except sick leave as excluded by Article 36, Section 1, for those off-duty on IOD will be continued for up to three hundred sixty-five (365) calendar days, two thousand eighty hours (2080), in a three (3) year period from the date of injury if all

requirements above are met. After that period an employee unable to return to work can file for Workers' Compensation TT, but will not continue to be eligible for City benefits including sick or vacation accrual. Hospitalization benefits for an employee who has exhausted IOD but is unable to return to work will be continued for another six (6) months if the employee continues to provide the City with doctors' reports stating that he is unable to return to work at least one time per month. After exhaustion of this six (6)-month period, the City shall treat such as a "reduction of hours" Cobra-qualifying event and make necessary modifications to the employee under COBRA. Employees on IOD must use their accumulated vacation as required by Article 35, Vacations. The employee's annual vacation usage will extend IOD by the amount of days equal to that allotment. This language does not require that vacation time be taken instead of IOD benefits except in those situations where an employee would otherwise not be able to take vacation within the year the employee is required to use it or lose it.

Section 8. False Claims/Abuse. The City reserves the right to recoup benefit payments to any employee who is guilty of submitting a false claim or abuse of the privilege covered in this article, or working for another employer while on injury leave, and to take disciplinary action. Examples of what might constitute "abuse" as used in this section include an employee's refusal to perform the duties associated with his/her transitional work duty assignment, failure to comply with the terms outlined in this Agreement, etc.

Section 9. Light Duty Work. Both the City and the Union recognize that an employee may be assigned to a light duty assignment in any City department, subject to any demonstrated physician restriction. If the employee is able to work in a light duty work assignment, the City may provide work within the Department, if available. A light duty work assignment shall not exceed sixty (60) days, unless permitted by the City.

An employee cannot refuse to accept a light-duty work assignment. Only an employee's physician may provide evidence supporting an employee's inability to accept a light-duty work assignment. Upon receipt of such an opinion, the City reserves the right to send an employee for an independent medical examination at the City's expense or to initiate disability separation proceedings in accordance with the City's Municipal Civil Service Rules. Time spent on a light-duty assignment shall constitute time off under these IOD provisions.

ARTICLE 38 **BEREAVEMENT LEAVE**

Section 1. Bargaining unit employees shall be eligible for bereavement leave, not to exceed three (3) scheduled duty days, for death in their immediate family. Paid bereavement leave shall only apply when the funeral services, including the calling hours, shall fall on regularly scheduled work days. Immediate family shall include the employee's spouse, child (natural or adopted), father, mother, father-in-law, mother-in-law, grandparent or grandchild, brother or sister, brother-in-law or sister-in-law.

If not reimbursed to the City within thirty (30) days, the City will deduct the amount from the employee's net pay, and the employee may be subject to discipline.

Section 2. Dismissal/Release from Jury Service. In the event that an employee reports for jury duty and is dismissed or an employee is released from duty with more than three (3) hours left in the workday, he shall return to work. An employee that fails to return to work may be subject to discipline.

ARTICLE 41
PERSONAL DAYS

Section 1. Amount. The Employer agrees to provide each bargaining unit member with two (2) personal days annually, one (1) of which will be paid by deducting eight (8) hours of sick leave from the employee's sick leave bank and the other which will be unpaid. Use of these days will not impact payments under Article 24.

Section 2. Scheduling. All requests for personal day usage are subject to the operational needs of the Employer. Bargaining unit members shall provide a minimum of twenty-four (24) hours advance notice of the date sought when submitting a request to use a personal day.

ARTICLE 42
RETIREMENT AND SEVERANCE

Section 1. When an employee retires or leaves City employment for any other reason, the City shall pay him the full value of his accumulated vacation time and thirty-five percent (35%) of the value of his accumulated sick leave, not to exceed two hundred forty (240) hours. This shall be paid on the basis of the employee's current basic hourly wage or on the basis of the hourly wage at the time the benefit was accrued, whichever is greater.

Section 2. If an employee dies prior to retirement, the City shall pay his estate, the full value of his accumulated vacation time, and thirty-five percent (35%) of the value of his accumulated sick leave,

not to exceed two hundred forty (240) hours. This shall be paid on the basis of the hourly wage at the time the benefit was accrued, whichever is greater.

ARTICLE 43 **ATTENDANCE/SAFETY INCENTIVE PROGRAM**

Section 1. Purpose/Scope. In order to promote safety in the workplace, decrease the amount of preventable sick leave usage, and reduce IOD/Workers' Compensation claims, the City may offer to bargaining unit members a leave conversion program. The City may, at its sole discretion, discontinue the program during the first quarter of any year.

Section 2. Participation Criteria. Bargaining unit members are required to maintain a minimum balance of eight hundred (800) hours of sick leave. "Balance" is what an employee has as of December 31 of the program year.

These minimum balances must be maintained in order to qualify for program participation. The conversion of paid leave under this program may not exceed the maximum amounts set forth below or reduce the participant's balance below the minimum amounts described previously. Conversion of paid leave under this program is to be done in minimum increments of one (1) hour.

Section 3. Conversion/Liquidation Options. An employee that satisfies the criteria for participation and achieves the following goals may convert a maximum of one hundred (100) hours of paid leave annually utilizing any combination of the following options:

- A. An employee who utilizes no sick leave during a calendar year (January 1 – December 31) may liquidate up to eighty (80) hours of paid sick leave at the rate of forty percent (40%) of his current hourly rate.
- B. An employee who has no lost time due to a work-related injury claim (IOD) during a calendar year (January 1 – December 31) may liquidate up to forty (40) hours of paid leave at a rate of forty percent (40%) of his current hourly rate.
- C. Section 4. Payment Maximum/Schedule. The combined amount of paid leave that may be converted shall not exceed one hundred (100) hours for any given year. Payment will be made during the first quarter following the year in which the employee participated in the program. The parties agree that the first payout will be during the first quarter of 2008 for the 2007 benefit year.

Section 5. Procedure. If the employee is eligible, he shall notify the Employer by December 1 of each year as to how much paid leave, if any, he desires to sell back. The paid leave sold back

to the Employer shall be that which is earned during the previous year and paid to the employee by January 30 of the following year.

Section 6. Any full-time employee, who during his career was off on sick leave due to an extended illness or injury, may make a request to the Appointing Authority to not consider sick leave time used for those purposes against his percentage of earned sick leave, for the purposes of Sections 1 and 2. It is within the Appointing Authority's sole discretion as to whether or not to grant such a waiver.

ARTICLE 44

A requirement for employment must be an employee who is free from drug dependence, illegal drug use or drug and alcohol abuse.
2. Liability could be found against the City and the employee if the City fails to address and ensure that employees can perform their duties without endangering themselves or the public.

The illegal possession and use of drugs and narcotics by employees is a crime in this jurisdiction and clearly unacceptable.
4. Further, the magnitude of harm and risk are increased where Employees carrying out safety sensitive functions are impaired. Thus, those personnel occupying safety-sensitive positions are subject to greater scrutiny for the use of illegal drugs or the abuse of drugs or alcohol.

B. Definitions

2. "Safety sensitive functions" means all time an employee is at work or required to be in readiness for work.
3. "Reasonable suspicion" means an apparent state of facts, circumstances or information which exists from an inquiry by the supervisor or from a creditable source which would induce a reasonably intelligent and prudent person to believe the employee was under the influence or using drugs/narcotics.

C. General Rules

1. Employees shall not take any narcotics or dangerous substances unless prescribed by a person licensed to practice medicine. Employees who are required to take prescription

Appendix B (Continued)

Employees to be tested under reasonable suspicion shall be driven to the test site by a supervisor.

A supervisor who orders a drug or alcohol test when there is a reasonable suspicion of the use of alcohol or any drug or narcotic shall forward a report containing the facts and circumstances directly to the department head. The employee shall be verbally advised of any applicable reasonable suspicion at the time of the test and receive a written statement of the same reasonable suspicion within twenty-four (24) hours of the test.

4. Reporting or remaining on duty after a positive alcohol (0.04 IBAC or greater) or drug test;
5. The consumption of any alcohol within eight (8) hours of an accident by any employee subject to a post-accident test.

NOTE: Employees who test between 0.02 and 0.0399 BAC must be removed from safety-sensitive duties and cannot return to such duties until twenty-four (24) hours have elapsed, or until a re-test for alcohol is less than 0.02.

Safety-Sensitive Functions Include:

1. All time a covered employee is at work or required to be in readiness for work.
2. All time spent aboard, servicing or driving a commercial motor vehicle or waiting to be dispatched.
3. All time spent repairing, loading or unloading a commercial vehicle or supervising same.

Pre-Employment Testing

All applicants the City intends to hire whose duties will include operation of a commercial vehicle and safety sensitive functions will be subject to a urine test for drugs. This includes testing of individuals already employed by the City transferring to commercial driver and safety sensitive positions.

Reasonable Suspicion Testing

Required if a supervisor or management person has reasonable suspicion to believe that a covered employee is under the influence of alcohol or drugs, using illegal drugs, or had a substance abuse problem. Employees to be tested under reasonable suspicion shall be driven to the test site by a supervisor and may be accompanied by a union representative upon request.

Post-Accident Testing

Will occur in four (4) situations:

1. Any accident involving a fatality;
2. Any accident in which the driver is cited and there is disabling damage to the vehicle(s) requiring tow-away;
3. Any accident in which the driver is cited and off-site medical treatment for anyone is required; or

Appendix B-1 CDL Drug And Alcohol Testing Policy For CDL Licensees (Continued)

4. Any accident involving damage to a City vehicle where testing is directed by a supervisor/manager.

Employees must immediately notify the City about the accident, remain available for drug and alcohol testing and not consume any alcohol for eight (8) hours after the accident, or until an alcohol test has been administered. See instructions for post-accident procedure attached.

Random Testing

Ten percent (10%) of all covered employees must be randomly tested for alcohol per year and fifty percent (50%) must be randomly tested for drugs per year.

All covered employees will be included in a computer-based random selection pool and names of employees selected for testing shall be returned to the random pool after testing to insure that each employee's chances of being selected are the same.

Transportation to Testing Site

Unless otherwise provided in an applicable collective bargaining agreement or the employee lacks transportation, the City is not obligated to provide transportation to the testing site for a random drug or alcohol test. Use of a City vehicle, if available, shall be at the discretion of the employee's supervisor. Employees shall be reimbursed mileage for use of their own vehicle upon submission of a proper request.

Return to Duty Testing and Follow-Up Testing

Any employee who has violated any of the Act's alcohol/drug misuse rules must be evaluated, treated (when indicated), must successfully complete treatment and be given a return to duty test with passing results as a condition for resuming safety sensitive functions. The alcohol test result must be less than 0.02 BAC, and the controlled substance test must be negative. After required treatment and/or return to duty, the employee will be subject to a minimum of six (6) unannounced follow-up tests during the first twelve months and up to 60 months as determined by the substance abuse professional (SAP).

Alcohol Testing Procedures

Alcohol tests shall be by Breathalyzer (EBT) administered by a certified Breath Alcohol Technician (BAT).

The test shall take place at a location that assures privacy and denies access to unauthorized individuals. The employee will provide photo ID and has the right to request ID of the BAT.

Appendix B-1 CDL Drug And Alcohol Testing Policy For CDL Licensees (Continued)

The EBTs used shall generate results on forms prescribed under 49 CFR, Part 40, which identify the employee by a unique number and identify the EBT used. A copy of the result will be provided to the employee.

A confirmation test will be required of any result showing an alcohol concentration level of 0.02 or greater. Positive test results shall be immediately transmitted to an employer representative in a confidential manner.

An employee testing 0.02 or above shall not operate a City vehicle and shall be removed from duty for no less than twenty-four (24) hours. If the employee was driven to a testing site by a supervisor, the supervisor shall drive the employee home after testing or the employee may choose to contact a family member or other individual to drive him/her home. If the employee drove himself/herself, the employee will remain at the test site until a supervisor arrives to drive the employee home. The employee shall be responsible to make arrangements for his/her vehicle left at work or the testing site.

Drug Testing Procedure

Drug testing shall be by urinalysis for the presence of metabolites of marijuana, cocaine, opiates, amphetamines, and phencyclidine (PCP). A "split sample" method of collection will be used.

In the event that the primary specimen tests positive, a confirmatory test will be performed. An employee may request a re-test within 72 hours of being informed of a positive result and may have the re-test performed at a different DHHS certified laboratory at the employee's cost.

Urine collection for controlled substances shall be at a collection site which shall have in place sufficient security measures to ensure that no unauthorized personnel handle specimens or gain access to the laboratory process or to the area where records are stored, and shall use chain of custody procedures and chain of custody forms prescribed by 49 CFR, Part 40. The date, time and purpose of handling or transfer and every individual in the chain of custody shall be identified and documented.

Specimen collection shall occur in a private setting and procedures shall be used that do not demean, embarrass or cause physical discomfort to the employee. The collection site technician shall be of the same sex as the employee to be tested. The employee will provide photo ID.

A tamper-proof seal shall be used on the containers and they shall be labeled with the date, employee's identifying number and shall be initialed by the employee. The employee shall also be required to sign a certification on the custody and control form that the sample is his/hers.

The laboratory shall report test results in a manner ensuring confidentiality to the employer's Medical Review Officer (MRO).

Appendix B-1 CDL Drug And Alcohol Testing Policy For CDL Licensees (Continued)

The MRO shall report only that the test was positive or negative and if positive, for which drugs. However, the MRO may reveal the quantitative test results to the employer, the employee or decision maker in a lawsuit, grievance or by other proceedings initiated by or on behalf of the employee and arising from a verified positive drug test.

The MRO will contact the employee directly, where possible, for a medical interview prior to verifying a test result as positive.

Any employee shall upon written request have access to any records relating to his or her drug test.

Refusals to Test

An employee's refusal will be considered as a positive test. Refusal includes failure to appear for any test or to remain at the testing site until testing is completed; refusal to sign the prescribed form(s); failure to provide sufficient breath or urine sample to complete the test without adequate medical explanation for the failure; failure to undergo a medical evaluation directed by the MRO; failure to cooperate with any part of the testing process; and having an adulterated or substituted test result.

Any person refusing to take a pre-employment test will not be hired. An employee refusing to take a return to duty test cannot be returned to duty.

Required Evaluation And Treatment

No covered employee known to be using drugs, or known to have tested positive for drugs shall be permitted to perform or continue to perform safety-sensitive functions.

Any covered employee found to have engaged in prohibited drug or alcohol use shall be informed of available resources to evaluate and resolve problems with the misuse of alcohol and drugs and provided with a list of substance abuse professionals and counseling and treatment programs.

The covered employee must be evaluated by a substance abuse professional (SAP) to determine what assistance, if any, the employee needs; must follow any rehabilitation program prescribed; must be evaluated to determine that he/she has properly followed said rehabilitation program; and, after a determination that he/she has successfully complied with an education and/or treatment program, must pass a return to duty alcohol or drug test.

Discipline

The following discipline shall apply to violation of this policy.

Appendix B-1 CDL Drug And Alcohol Testing Policy For CDL Licensees (Continued)

Except where a specific labor contract provides otherwise, covered employees who have tested positive for the first time with no other disciplinable offenses, shall be subject to disciplinary action not to exceed thirty (30) days suspension for a first offense, so long as the employee enters and successfully completes the rehabilitation program recommended by a Substance Abuse Professional.

A covered employee who has not been certified by a SAP as having successfully complied with an education or treatment program and/or has not tested negative on a return to work test shall not return to safety-sensitive functions but may return to work at non safety-sensitive functions if, in the discretion of the department management, such non-safety-sensitive functions are available; and after completion of any disciplinary suspension.

A covered employee who tests positive, for a second time, on an above-defined drug and alcohol test, will be subject to immediate termination.

Refusal to test, follow-up positive drug or alcohol tests, or failure to successfully complete a Substance Abuse Professional recommended program will subject a covered employee to immediate termination.

Costs

The cost of a SAP assessment and all confirmatory, back to work, or follow-up drug or alcohol testing required to be done after an initial drug or alcohol test with positive results, will be borne by the employer.

The cost of an employee requested retest of a urinalysis sample and the cost of an alcohol or drug rehabilitation program (including testing while in a rehabilitation program) required under this policy after a positive drug or alcohol test result shall be the responsibility of the employee.

An employee who tests positive on a drug or alcohol test, and cannot return to work pending a negative re-test or completion of a drug or alcohol rehabilitation program, will be required to use accrued paid vacation or personal leave, accrued paid sick or medical leave, or unpaid leave pursuant to the City of Youngstown's Family Medical Leave Act Policies and Procedures.
