Any party in interest may be represented by another person, of their own choosing, at all stages of the grievance procedure.

The Association agrees to notify all non-members of their right to become members of the Association during the month of September.

The NBEA indemnifies the Board of Education from this provision in the contract with the following understanding:

Records concerning such litigation shall not be part of the employee's personnel records.

Where a conviction has become final or the action of the employee was deliberate or malicious as opposed to merely careless, the Board reserves the right to take disciplinary action against a member for the same action which gives rise to litigation only in

accordance with the provisions of this agreement. However, if the employee has been acquitted of the criminal offense or the prosecution is commenced but is terminated without conviction or acquittal, no disciplinary action may be taken by the Board of Education.

- H.** The Board shall provide adequate release time for any employee who is required to attend any disposition, any pre-trial hearing, and any or all state and federal court hearings involving any and/or all claims of liability. The employee may request in writing, if the first sample, of a split sample is positive; that the second sample of the split sample, shall be tested by a different "National Institute on Drug Abuse" (NIDA) certified lab. If the second test is negative, the test will be cancelled and the entire test shall be considered negative. The employee's request must be made within 72 hours following notice of verified positive test on the primary test.

The MRO, prior to verifying a positive test result, shall give the employee an opportunity to discuss the test result.

If the employee declines the opportunity to discuss the test or is unable to be contacted after reasonable efforts, the MRO may verify the test result.

Following verification of a positive test result, the MRO shall refer the case to the board's employee assistance or rehabilitation program.

- iii) Sick leave may be used by any driver who is under the care of a Substance Abuse Professional as a result of a violation of the drug or alcohol provisions of this contract or the law. Providing the driver successfully completes a substance abuse program, the Board will provide and pay the cost of the SAP and any program that the driver is required to participate in as determined by the SAP. If sick leave is exhausted, the driver will be placed on unpaid leave
- iv) Drivers will be allowed to work as substitutes for non SSF positions for which they may qualify during any term of driving prohibition.

Participation in the sub pool cannot interfere with normal duty. If no one on the list accepts an offer of as-needed work, a substitute outside the unit may be used. E. RETIREMENT/SEVERANCE

As a result of the District's desire to provide an enhanced severance pay plan for the benefit of its employees the Board shall pay to members' severance pay as follows:

1. Retirement Benefit

Upon retirement of a member of the bargaining unit, the Board of Education shall pay to such employee a sum equal to the employee's daily rate of pay at retirement, excluding supplemental salary, times twenty-five per cent (25%) of the total accumulated sick leave days (to a maximum of twenty-five per cent (25%) of 275 days). Any employee hired after September 1, 1992 shall be required to serve no less than five (5) years in the North Baltimore Local School District to be eligible for such payment.

- a. For the purpose of Section 1 above, retirement shall mean disability or service retirement in the School Employees' Retirement Service System (SERS).

Severance will include death. In the case of death, severance will be paid to the beneficiary(ies) designated by the employee on the form attached as Appendix B, or in the absence of a beneficiary designation, severance is to be paid to the estate of the deceased employee.

- b. Prior to this payment, the Treasurer of the Board of Education must have evidence in his/her possession that the classified employee is in fact in a status of retirement or is deceased. This evidence shall be an affidavit or written notification supplied by the SERS or in the event of the employee's death, a death certificate.

2. Separation Benefit

Upon separation of service from the North Baltimore School District, a member of the bargaining unit having ten (10) or more years of service in the North Baltimore School District shall be paid a sum equal to the employee's daily rate of pay at the date of separation, excluding supplemental salary, times twenty-five per cent (25%) of the total accumulated sick leave days (to a maximum of twenty-five per cent (25%) of two hundred and seventy-five (275) days that he/she has in public employment. No employee terminated for cause pursuant to 3319.16 and 3319.161 shall be eligible for such payment.

Sick leave that has been transferred to another employer is not eligible for separation payment. Additionally, sick leave that has been paid out in severance by North Baltimore Schools and/or any other public employer is not eligible for transfer.

3. **Pay Systems**

- a. The Board shall make two (2) payments. The first payment will be issued on the first payroll in September of the year the employee retires. The second payment will occur in the following year on the first payroll in September.
- b. All payments shall be made directly to the member. Such payment(s) shall be considered to eliminate all sick leave accrued by the employee at the time of payment.

4. **Retirement Pickup**

In accordance with Internal Revenue Code Section 414 (h) (2) and applicable IRS ruling there under, the Board agrees to pick-up an Employee's required contribution to the State Employees Retirement System (SERS). The pick-up shall be a "salary reduction" pick-up of the entire amount of the Employee contribution, which the Employee is required to contribute to SERS, based upon the salary provided in this contract. Thus, the cash salary that is payable to the Employee shall be reduced by the amount of the salary reduction pick-up amount; in furtherance of the foregoing, the Treasurer is hereby authorized to pay the amount of the pick-up directly to SERS as an employee contribution of the Employee; and the amount paid to SERS by the Treasurer shall not be considered as current taxable income for Federal, State and School District Income Tax for the Employee. No Employee shall have the option of receiving cash in lieu of the fringe benefit. The salary reduction pick-up amount shall be included in the contract salary of the Employee for all other purposes, including calculations of daily rate of pay, salary to be paid due to absences from employment, severance pay, life insurance or other employee benefits; and unless otherwise required by law, considered as compensation of the Employee for purposes of Ohio Revised Code Section 33107.01 (U).

This section is not to be misconstrued as pick-up or pick-up on the pick-up for salary increase purposes.

F. EMPLOYMENT OF RETIREES

- 1. Where an SSP vacancy exists which the Board may fill by hiring a non-teaching employee who is not already employed by the Board, the Board may consider and employ Retirees for a vacancy after Article XXIII, D has been followed upon the recommendation of the Superintendent. For purposes of this Article, a Retiree is an individual who has attained service retirement status with the School Employees Retirement System.
- 2. A Retiree shall be placed at step zero (0) in the appropriate classification column and thereafter may advance on the schedule on the same basis as other non-teaching employees.

Continuation of the employment of a Retiree is through offering a new one-year or two-year contract recommendation of the Superintendent. The requirements of Article XXVII of the negotiated agreement shall not apply to Retiree contracts. A Retiree is not eligible for a continuing contract regardless of years of employment as a retiree with the Board. A Retiree is eligible for part-time work through the substitute pool only if no other bargaining unit member is interested in such offers.
4. For the purposes of Seniority and/or any reduction-in-force, an SSP retiree shall earn seniority with the District beginning with his/her employment as a non-teaching employee. For those former non-teaching employees employed by the District as a retiree, a new status as a retired non-teaching employee shall be deemed to be a break in service for purposes of seniority.

There shall be no difference in the type of seniority between a retiree's seniority and a regular employee's seniority should the District effect a reduction-in-force, except that it is recognized that all retirees are employed on a one year or two year limited contract and shall be placed on a separate seniority list by classification area. For purposes of a RIF, continuing contract employees shall have seniority over regular limited contract employees and regular limited employees shall have seniority over any rehired retiree.

RIF'd employee's names shall be placed on a Recall List as set forth in Article XXV of the Agreement and RIF'd employees shall be recalled in the reverse order of layoffs.

Retirees may be hired for part-time work through the substitute pool, salary rates/stipend will be pro-rated accordingly.

Rehired retirees are entitled to all other negotiated agreements of the Contract not specifically addressed herein. Rehired retirees will not be entitled to any paid leave under this Contract. Rehired retirees will not be credited with any years of experience upon rehire. Rehired retirees will be eligible for single insurance coverage to be paid by the District at the current rate offered to Association members on a pro rated basis. Should a rehired retiree wish to purchase family coverage, such employee will be responsible for the difference between the negotiated rate for Association members for single coverage and the negotiated rate for Association members for family coverage.
