ARTICLE I: GENERAL PROVISIONS

Preamble

The Board of Education of the Princeton City School District (hereinafter referred to as the “Board”) and the Princeton Association of Classroom Educators (hereinafter referred to as “PACE”), as parties to this Contract, recognize that together they provide services essential to the well-being of the students in the Princeton City Schools.

1.01 Definitions

1.011 All references to time periods in days shall mean those days that are part of the regular member contract year. Days shall be counted commencing with the day after the initiating event as the first day.

1.012 A “full-time” member means a member assigned to an eight (8) hour workday.

1.013 A “part time” member means a member assigned to a workday less than eight (8) hours.

1.014 “License” or “licensure” shall be substituted for “certificate” or “certification”, where appropriate.

1.02 Recognition/Bargaining Unit

1.021 The Board hereby recognizes that PACE, an affiliate of the Ohio Education Association (OEA), the Southwestern Ohio Education Association (SWOEA), and the National Education Association (NEA), is the sole and exclusive bargaining agent for all certified personnel employed by the Board as set forth below.

1.022 The group of represented employees shall be referred to herein as the “bargaining unit” and any teacher represented as a member of the bargaining unit shall be referred to herein as a “member”. The bargaining unit shall be defined as including: all full and regular part-time certificated personnel including all teachers, substitute teachers holding a valid teaching certificate on a salaried regular contract basis, counselors, media specialists, nature center personnel, nurses, librarians, psychologists, speech and hearing specialists, hourly paid tutors, teachers in the pre-school, and auxiliary services teachers excluding: management-level employees, supervisors and confidential employees as defined in Ohio Revised Code (ORC) Section 4117.01, substitute teachers who are not on a salaried regular contract basis, persons who no longer hold valid certificates, persons employed less than thirty (30) days pending receipt of background check and criminal record investigation, and all other employees.

1.023 The rights granted herein to PACE shall not be granted or extended to any competing labor organization.

1.03 Bargaining Procedure

- 1.031 This Contract is negotiated pursuant to ORC Chapter 4117, concerning the wages, hours, terms and other conditions of employment for the members of the bargaining unit defined herein. The parties agree that ORC Chapter 4117 shall govern the procedures of bargaining between the Board and PACE.
- 1.032 If, during the life of the contract, issues arise which materially affect wages, hours, terms and conditions of employment, which matters were not sufficiently covered by the existing Collective Bargaining Contract, such issues shall be addressed between the parties by collective bargaining and the parties shall bargain in good faith until impasse or resolution.

ARTICLE II: GRIEVANCE PROCEDURES

2.01 Definition of Grievance

A grievance is a claim or complaint by a member or group of members or PACE that there has been a violation of any provision of this Contract.

2.02 Initiation and Processing

The parties agree to the following procedures. PACE and the Human Resources Director agree a grievance can be initiated at the level which the Administrator/Supervisor has the authority to resolve the grievance.

2.021 Level One is:

The grievant and/or PACE shall first discuss the grievance with his immediate supervisor, with the objective of resolving the matter informally. The grievant and/or PACE must advise the immediate supervisor that the grievant considers the issue a possible violation of the Master Contract.

2.022 Level Two is:

- A. If the grievant is not satisfied with the disposition of his grievance, he may file a written grievance. The written grievance must be submitted to the grievant's principal, or supervisor, or their designee within fifteen (15) working days of the event causing the grievance. The written grievance must contain a full statement of the facts constituting the alleged violation. Once the grievance is reduced to writing, a PACE representative may represent the grievant. Neither the Board nor Administration will recognize any representative of any teacher organization other than PACE and its affiliates.

- B. The principal, supervisor, or designee may conduct a grievance hearing if such hearing is necessary to resolution of the grievance.
- C. The principal, supervisor or designee should communicate his decision in writing to the grievant within five (5) working days after receipt of the written grievance.

2.023 Level Three is:

Within five (5) working days of receipt by the grievant of the decision rendered by the principal or supervisor, such decision may be appealed to the Superintendent. The grievance/appeal shall include when applicable:

- A. A copy of the decision and the grounds for appeal.
- B. A copy of the grievance.
- C. The appeal should be heard by the Superintendent or his designee within fifteen (15) working days of receipt. Written notice of the time and place shall be given to the grievant and PACE at least five (5) working days prior to the hearing.
- D. Within five (5) working days of hearing the appeal, the Superintendent should communicate to the grievant his written decision. A copy of the decision shall be sent to PACE.

2.024 Level Four is:

- A. If PACE is not satisfied with the disposition after receipt of the Level Four decision, PACE may submit the grievance to Arbitration. The arbitration process shall be administered by the American Arbitration Association under its Labor Arbitration Rules. The parties agree to accept the arbitrator's award as final and binding on them unless appealed by either party to the Court of Common Pleas in accordance with Ohio Law.
- B. No grievance will be arbitrable unless PACE provides written notice of its intent to arbitrate within sixty (60) working days of the event causing the grievance.
- C. An arbitrator shall have no authority to add to, subtract from, or modify the terms of this Contract.
- D. The time limits set forth herein shall be strictly applied. The parties may extend the time limits by mutual Contract in writing.

- E. Arbitration shall be the sole and exclusive remedy for redress of grievances arising out of any provisions of this Contract.
- F. Both parties shall have the right to seek enforcement of an arbitrator's award in the Court of Common Pleas.
- G. The cost of the arbitration shall be shared equally by both parties. In cases where either party postpones or cancels a scheduled arbitration, that party shall pay the full cost of any rescheduling fee or cancellation fee.
- H. Claims that have not been raised prior to arbitration may not be raised at arbitration unless three (3) calendar days' notice is provided to the Board's counsel.

ARTICLE III: PACE RIGHTS

3.01 Use of Equipment

3.011 PACE shall have the right to use and/or have access to Board office equipment, computers/e-mail, telephones, and audio-visual equipment, at reasonable times when such equipment is not otherwise in use. PACE shall have access to inter-office mail system.

3.012 PACE shall pay reasonable costs for all materials and supplies incident to such use.

A committee of the PACE President, or designee, and other PACE representatives (members) shall constitute the PACE Committee. Each committee may be assisted by one non-employee representative, who shall be able to fully participate in the discussion, when the committees mutually agree that an agenda item impacts upon, or requires an interpretation of, an express provision of this Contract. Participation of a non-employee representative at a PACE/Administration meeting is limited to the agenda item previously designated by the committees, as a collective bargaining contract issue.
- 3.043 At least seven (7) days prior to the meeting date, each party shall send agenda items to the other party. The chair shall prepare the agenda. PACE dues will be deducted in equal amounts beginning within fourteen (14) days of receipt of the signed authorization form and ending with the May deduction.
- 3.052 All money so deducted shall be direct deposited into the PACE account. A list of employees for whom deductions were made and the amount for each said employee will be sent to the PACE Treasurer. If a member gives written notice to PACE to discontinue such deductions, PACE shall provide to the Board Treasurer the names of said members, and at that time that said dues shall be discontinued. 3.071 The Board shall grant as PACE leave a total of thirty (30) paid working days to be used by one or more members for the purpose of attending a PACE convention, meeting or conference.

- C. For each teacher who is absent on PACE leave for one (1) day, one (1) day's leave shall be subtracted from the balance of PACE leave days until all of the days have been used.

3.072 Additional time may be granted only with the approval of the Superintendent.

3.09 PACE Meeting Time

The first Wednesday of every month shall be considered an unencumbered day so that all members may have the opportunity to attend PACE meetings. The Board shall make every effort to keep the hours of 4:00-6:00 p.m. clear and free for such purpose. It is understood that extracurricular activities such as clubs and athletic teams are excluded from this provision.

3.10 Board Information

- 3.111 The President of PACE will receive copies of the Board agenda electronically on the Friday prior to any meeting of the Board as well as copies of the Board approved minutes within five (5) workdays of approval.
- 3.112 The Board of Education will provide copies of new board policies to the PACE President.
- 3.113 PACE shall be provided a minimum of one (1) hour during the new teacher orientation day.
- 3.114 All applications for grants which necessitate the waiver of any right, privilege, compensation or benefit whatsoever under the collective bargaining Contract between the Board of Education and PACE must have the prior approval of PACE or such waiver shall not be effective.
- 3.115 The EMIS report shall be submitted to the Association President on a monthly basis.

3.11 PACE President

The President of PACE shall be given a PACE bell in addition to their planning bell and unencumbered time. If the PACE President is a member at the Middle School/Junior High or High School, the PACE bell shall not constitute a reduction in instructional time for the purposes of calculating Article 7.11.

ARTICLE IV: MEMBER RIGHTS AND PROTECTION

4.01 No Discrimination - No Reprisal

- 4.011 The Board agrees that it will in no way discriminate against or between members covered by this Contract because of their race, creed, religion, color, national origin, ancestry, age, sex, marital status, disability, sexual orientation, or gender identity. The provisions of this section are subject to the grievance procedure except grievances filed alleging a violation of this section are not arbitrable.
- 4.012 The Board and PACE agree that neither will discriminate against any member with respect to wages, hours, or any terms or conditions of employment, or take reprisals against any member for his participation or non-participation in concerted activities and/or membership or non-membership in PACE.
- 4.013 The Princeton City Board of Education agrees to uniformly apply all policies, rules, regulations and administrative rules and regulations to all members throughout the Princeton City School System.

ARTICLE V: EMPLOYMENT PRACTICES

5.01 Contracts

- 5.011 The limited contract is a Contract between the member and the Board of Education. A limited contract is binding for a specified length of time not to exceed three (3) years.
- 5.012 The continuing contract is a Contract between the member and the Board of Education. A continuing contract is binding until the member resigns, elects to retire, or until the member is terminated or suspended, pursuant to this Contract.
- 5.013 A supplemental contract is a special form of limited contract and is a Contract between the member and the Board of Education whereby the member agrees to perform some particular duty or duties in addition to regular teaching duties in exchange for a specified additional compensation. It may supplement either a limited contract or a continuing contract. Supplemental contracts are binding for the term specified.
- 5.014 Letters of resignation will not be requested of new employees after the initial contract offer.

5.02 Sequence of Limited Contracts

- 5.021 A member employed pursuant to an individual limited contract shall, if such contract is renewed, be awarded a limited contract as follows:
 - A. After the first (1st) year of continuous employment, a one (1) year limited contract;
 - B. After the second (2nd) year of continuous employment, a one (1) year limited contract;
 - C. After the third (3rd) year of continuous employment, a two (2) year limited contract;
 - D. After the fifth (5th) year of continuous employment, a two (2) year limited contract;
 - E. After seven (7) years of continuous employment, series of three (3) year limited contracts.

If a member's summative evaluation rating is Developing or Ineffective and the teacher has been given an Improvement Plan, the District may deviate from the above-outlined progression one time during a member's career with the District. If a member's summative evaluation rating is Accomplished or Skilled, the District

shall proceed through the sequence of limited contracts, or the District may deviate from the progression one time during a member's career with the District and award a longer-term limited contract than the member would have received otherwise.

- 5.022 No member shall have a right to a continuing contract unless such member has given a request to be considered for a continuing contract by August 20. A member must complete the appropriate length of service and have the proper certification on file with the Superintendent's office. The purpose of this provision is to allow the Board sufficient time to conduct an evaluation prior to making the decision to grant or deny a continuing contract. A member may withdraw this request for consideration at any time prior to the Board taking action on the member's contract.

The provisions of this Article are intended to supersede any conflicting provisions of Ohio Revised Code sections 3319.08 and 3319.11 regarding the issuance of continuing contracts.

- 5.023 A. Tutors holding appropriate teaching certificates and who qualify with length of service shall be granted a continuing contract as a tutor. Tutors employed pursuant to a continuing tutor contract shall have seniority as a tutor and shall have displacement rights over less senior tutors holding continuing contracts, and over tutors employed pursuant to a limited tutor contract.
- B. A continuing tutor contract shall not be a guarantee of a number of students, or a guarantee of a minimum number of work hours.
- C. Tutors shall have no right to displace classroom teachers, or other certificated personnel, except other tutors, during a reduction in force.

5.03 Contract Nonrenewal

The nonrenewal of a member's limited contract shall be governed by the applicable sections of the Ohio Revised Code. Any member employed under a limited service contract which is not to be renewed shall be notified in writing on or before the deadline set forth in Ohio Revised Code section 3319.11, which as of the effective date of this contract is June 1st.

5.04 Joint Service Contract

Notwithstanding ORC 3319.08 any newly hired member to the district who is employed to teach and to perform extracurricular duties as head coach of football or girls' basketball or boys' basketball shall be employed on a joint service contract.

- 5.041 The Board shall enter into a written joint service contract for the employment and reemployment of such member. Such contract shall advise the member of the terms of this provision. Such contract shall be a limited contract for a term of one (1) year minimum, up to a maximum term of five (5) years. Such written contract shall

specify the salary and compensation to be paid for teaching and coaching duties, either or both of which may not be diminished during the term for which the contract is made, except as provided in Sections 5.11 of this Contract.

- 5.042 The joint service contract shall not be subject to the provisions of ORC 3319.11 or 3319.111. The provisions of both 3319.11 and 3319.111 are superseded and replaced by the provisions of this Contract.
- 5.043 Should the Board wish to non-renew the joint service contract of a member, the Board shall notify the member in writing on or before May 15, including whether the non-renewal is based on the teaching duties of his or her contract or coaching duties. If the non-renewal is based on teaching duties, and the Board has not completed the evaluation procedure in Section 5.08 of this contract, the member is deemed to be reemployed on a one-year limited contract for the subsequent school year. If the non-renewal is based on performance of extracurricular duties, the member shall be entitled to a conference with the Superintendent to present information pertaining to the recommendation. The member shall have the right to be accompanied by a PACE Representative. This conference shall take place before the Board meeting at which the contract non-renewal will be enacted.
- 5.044 The non-renewal of a joint service contract for reasons related to teaching duties is governed by Section 5.03 of this Contract. The non-renewal of a joint service contract for reasons related to the performance of extracurricular duties is not subject to appeal, grievance or arbitration.
- 5.045 A member employed under a joint service contract cannot resign from part of the responsibilities and retain employment under the remaining responsibilities, without the approval of the Board. A member resigning from either teaching, or supplemental responsibilities without approval shall be deemed to have resigned from all employment.

5.05 Copy of Contract

- 5.051 The Board shall print fifty (50) copies of this Contract for distribution to PACE. PACE shall pay one-half (1/2) of the cost of such printing. The Association President shall be provided a pdf of the signed Contract as well as any amendments or addendums. The Contract and any amendments or addendums will be available on the District website.

5.06 Transfers

- 5.061 A transfer is defined as a change in building assignment.
- 5.062 A member may submit a transfer request through the designated electronic process for any vacancy which has been posted. The request shall specify the vacancy, the

school, grade, certification, and subject/position sought. Receipt of the request for transfer shall be acknowledged by the Board.

- 5.063 Whenever possible, the Board shall notify a member of a transfer which is to be effective the following school year prior to no later than twenty (20) calendar days prior to the first teacher work day.
- 5.064 Members transferred to fill vacancies occurring after August 1st shall be given as much advance notice as possible. A member involuntarily transferred within nine (9) or fewer calendar days of the first teacher work day shall be given two (2) duty-free workdays to complete the transfer. Any member transferred after the commencement of the school year, whether voluntary or involuntary, shall be given two (2) duty-free workdays to complete the transfer. The Board agrees to notify the affected employees of the dates available for the duty-free workdays prior to the effective date of the transfer.
- 5.065 Members who are involuntarily transferred shall upon request be provided specific written reasons for the transfer.
- 5.068 Involuntary transfer of members will be limited to two involuntary transfers in a four (4) year period. The Board reserves the right to transfer any member at any time in the event of licensure and/or Highly Qualified Teacher (HQT) requirements and/or limitations including, but not limited to the areas of ESOL, special education, gifted education and special areas.

5.07 Assignments

- 5.071 An assignment is a change in subject/grade level/position within a building. A member may be assigned to duties in any field in which the member holds a certificate.
- 5.072 The Board will make every effort to notify a member of a change in assignment for the following school year by June 15. PACE recognizes that last minute resignations, changes in enrollment, and transfers may make it impossible to give notice of a change in teaching assignment in every case. The Board will give as much advance notice as possible under the circumstances.
- 5.073 If an involuntary change of assignment is made within nine (9) or fewer calendar days of the first teacher work day, the member will be given two (2) duty-free workdays to prepare for the change of assignment. If a change of assignment voluntary or involuntary, is made after the commencement of the school year, the member will be given two (2) duty-free workdays to prepare for the change. The Board agrees to notify the affected members of the dates available for the duty-free workdays prior to the effective date of the change of assignment.

5.08 Vacancies

- 5.081 Vacancy is defined as when a new position is created, or an employee dies, retires, resigns, is terminated, or is non-renewed. When a vacancy occurs and the administration determines that it is going to fill the vacancy, it shall be posted in accordance with 5.082. Where teacher position becomes available during the course of the school year, the District has the ability to fill position for remainder of year with a substitute.
- 5.082 All vacancies shall be posted by sending the posting to each member at his/her District email address. Members may apply for such positions by submitting a written request through the designated electronic process. Positions shall not be filled for at least ten (10) working days of the email posting. Members will be considered for the position prior to hiring a new employee.
- 5.083 Upon completion of the posting period, the administration may fill the position with an internal candidate, may transfer or reassign an internal candidate, may decide not to fill the position at all or may hire a new employee.
- 5.084 Vacancies occurring between August 1 and the first day of school shall be posted when they occur, but such vacancies may be filled at any time without regard to the posting period.

5.09 Addition of Responsibilities

Prior to requiring a member to undertake additional job duties or responsibilities which are in the nature of those duties and responsibilities and performed pursuant to a supplemental contract, the Board shall advise PACE of the proposed change and negotiate concerning such change.

5.10 Evaluation Procedures

- 5.101 All teachers/counselors as defined by Ohio Revised Code section 3319.111 and 3319.112 shall be evaluated using OTEs/OCES in accordance with the Board adopted evaluation policy, ORC as it currently is written or as it may be amended, this article, and the Evaluation Handbook. and
Any members who are not defined as teachers/counselors per the above-referenced statutes shall be evaluated in accordance with this Article. These members shall be evaluated and observed pursuant to the timelines and frequency applied to the OTEs teachers. *The Danielson Framework for Teaching* (see Appendix L) shall be used for evaluating members who are not required to be evaluated according to Ohio Revised Code section 3319.111 and 3319.112.

Any complaints regarding violations of either this Article, the Board adopted policy, or the Evaluation Handbook supplementing that policy shall be subject solely to the grievance procedure set forth in Article II and it is intended that the

provisions of this section supersede any evaluation requirements of Ohio Revised Code section 3319.11.

The Board shall maintain an Evaluation Team composed of an equal number of teachers appointed by the President of the Association, and administrators appointed by the Superintendent. The Evaluation Team's purpose shall be to review the Board policy, any procedures, and timelines for the evaluation system and make recommendations to the Board of Education. The Evaluation Team shall create the Evaluation Handbook. The Evaluation Team shall meet, as necessary to discuss any conflicts and collaborate on mutually-agreeable solutions.

Except for violation of the evaluation procedure general provision and the evaluation process guidelines as set forth in Section 5.09 of this Contract and the Evaluation Handbook, written evaluations, references, and/or recommendations relating to contract non-renewals or status are not grievable or arbitrable.

5.102 Orientation of staff shall be:

- A. Within four (4) weeks from the 1st day of the evaluation year the evaluator shall hold an orientation meeting at which each member up for evaluation is required to attend. At this orientation meeting each member will be oriented to the procedures, process, criteria, instruments, and evaluation time-table.
- B. The orientation meeting will be offered in each building before or after-school hours within the teacher workday.
- C. All new members will receive copies of any Board adopted materials which become the basis for evaluation.
- D. At the orientation meeting members will receive copies of the forms to be used.
- E. No formal observations shall be held in a building until after the orientation meeting has been held.

5.103 Observations/Evaluations

- A. All formal observations of members shall be conducted openly.
- B. Each formal observation shall be at least 30 minutes in length and include a face-to-face post conference within seven (7) days after the observation. Any day the teacher or administrator is not present in the school will not count as one of the days. The conference may or may not include a written report by the administrator. The first observation shall be completed no later than December 10, the second observation shall be completed no later

than April 1, and the third observation, if it is to be completed, shall be completed no later than May 1.

- C. The building principal or his/her designee shall have the primary responsibility for conducting the evaluation except for related services such as nurses, speech pathologist, special education, etc. These members shall be evaluated by the supervisor/administrator who is primarily responsible for their program area. With the exception of related services evaluators, all evaluators of OTES/OCES shall be licensed administrators employed by the Board of Education who have been credentialed through the Ohio Department of Education. Members who have been evaluated by the same evaluator for two (2) or more consecutive years may have an additional evaluator assigned upon request.
- D. Evaluation procedures are intended to provide a member with a fair assessment of the member's performance. Evaluation procedures are not intended to be a form of disciplinary action, reprimand or reprisal.
- E. Evaluation criteria shall pertain only to performance of duties as an employee of the district.
- F. Oral statements made by the evaluator in the post-observation conference may not be used as evidence in any disciplinary hearing unless the subject was discussed in the written evaluation.
- G. The Board may evaluate each teacher who received a rating of Accomplished on the teacher's most recent evaluation conducted under this section once every three school years so long as the teacher submits a self-directed professional growth plan to the plan administrator that focuses on specific areas identified in the observations and evaluation and the evaluator determines the teacher is making progress on that plan.

The Board may evaluate each teacher who received a rating of Skilled on the teacher's most recent evaluation conducted under this section once every two school years so long as the teacher submits a self-directed professional growth plan to the plan administrator that focuses on specific areas identified in the observations and evaluation and the evaluator determines the teacher is making progress on that plan.

In any year that a teacher is not evaluated as a result of receiving a rating of accomplished or skilled on the teacher's most recent evaluation, an individual qualified to evaluate a teacher under C under this section shall conduct at least one observation of the teacher and hold at least one conference with the teacher. The conference shall include a discussion of the teacher's progress on the teacher's professional growth plan.

- H. A teacher who has submitted a notice of retirement by November 1st will not be evaluated as long as the board of education has accepted the retirement by December 1st.
 - I. If the observation is announced, formal OTES/OCES observations shall be preceded by a conference (“Pre-Conference”) between the evaluator and the employee prior to the observation in order to gather evidence not possible to observe for use in the Teacher Evaluation Rubric.
 - J. The Evaluation Team shall establish the protocol for the use and selection of pre-conference questions to be used in OTES/OCES each year of the contract.
- 5.104 Recommendation(s) in a member’s evaluation is an indicator that the member’s job is at risk.
- 5.105 A. A member shall be given a face-to-face evaluation conference with each formal written evaluation, and shall have the right to discuss the evaluation with the administrator at that conference.
- B. The written evaluation shall be given to the member at least two (2) days prior to the evaluation conference. The evaluation conference shall be held within thirty (30) days after the most recent post observation conference, unless waived by the member. Only the member may waive the two (2) day requirement by signing the appropriate line on the report cover sheet.
- 5.106 Nothing in this Article shall prohibit a member of the Administration from making a classroom visitation and informally discussing the observations with the teacher.
- 5.107 A member may submit additional written statements to the formal evaluation within ten workdays of the post-evaluation conference to the Human Resources Department. A notation shall be made on the evaluation form that there are written attachments.
- 5.108 The criteria for evaluation of members have been established in accordance with the member’s area of licensure or certification.
- 5.109 For the 2019-2020 contract year, student growth measures shall not be utilized for purpose of making decisions related to retention, promotion, removal, and/or reduction of bargaining unit members.

The member shall be advised of the nature of the complaint and shall be given sufficient facts to provide a proper response.

5.112 No record of any unsubstantiated complaint shall be placed in any member's personnel file(s).

5.12 Reduction in Force

5.121 Whenever the Board determines it is necessary to reduce the number of teaching positions, for lack of funds, abolishment of positions, or for any reason provided for under the Ohio Revised Code, the reduction shall be made pursuant to the recommendation of the Superintendent who shall, within each teaching field affected, give preference to teachers on continuing contracts. The Board shall not give preference to any teacher based on seniority, except when making a decision between teachers who have comparable evaluations.

5.122 Displacement rights are defined as the right of a member, whose position has been eliminated, to take the position of another member who has a lesser retention right to the position held than the member taking the position. Displacement rights shall be exercised by all members within their respective contract status (continuing contract or limited contract), with no limited contract member exercising displacement rights over continuing contract members. Displacement shall be limited to areas of the member's licensure/certification. Certifications and licenses must be on file with the Board of Education on the date the reduction in force is announced. A teacher cannot displace another teacher who has a higher evaluation rating. In order for a teacher to displace another teacher with the same teacher performance evaluation rating, the teacher displacing must have seniority over the teacher being displaced.

A. For the purpose of displacement, teachers evaluated under the Danielson Model shall have a numeric rating of 1 – 4 assigned to each of the four (4) ratings with four (4) being the highest. All ratings shall be added together and an average rating score developed.

4.0 – 3.1 = Accomplished
3.0 – 2.1 = Skilled
2.0 – 1.1 = Developing
1.0 – 0 = Ineffective

B. For the purposes of reduction in force, for teachers on OTES/OCES or Danielson, an average rating score developed based on a rolling three-year average, if available. If less than three years are available, the available scores will be used to determine the rating.

C. When determining comparability, the following ratings shall be reduced in the following order with no limited contract member being given preference over a continuing contract member:

1. Ineffective
2. Developing
3. Skilled
4. Accomplished

If a member has been required to obtain a temporary certificate to meet the requirements of the current teaching assignment and also holds a provisional or higher certification/licensure in other teaching fields, that member shall be placed the certification/licensure areas of his/her non-temporary certification/licensure and shall have displacement rights.

- 5.123 A. Seniority for all purposes under this Contract shall be defined as length of unbroken service within the bargaining unit from the first date of work within the bargaining unit. All member seniority is lost when employment is severed by resignation, retirement, and/or by discharge for cause. Previously accumulated seniority within the bargaining unit is retained, but no additional seniority will accumulate during any period when a former member is employed in a supervisory/ administrative non-bargaining unit position. The taking of approved paid leave as provided under this Contract shall not constitute a break in service and seniority will accumulate during such periods. Periods on an approved unpaid leave of absence shall not constitute a break in seniority but seniority shall not accumulate during such periods.
- B. A member seniority list consistent with this Contract shall be prepared by the Board by November 1 of each year. The seniority list shall be in rank order of the member's first date of work as set forth in the preceding section. In the event more than one (1) individual has the same first day of work, the relative placement of such persons on the seniority list shall be determined by the date of Board action. The earlier date shall determine the more senior member.
- C. The member seniority list published pursuant to Section 3.07 shall be published with notation of the certification then on file with the Board of each member. Updates of the list shall be published no less than once a semester. An electronic copy of the published list shall be provided to the PACE President.
- 5.124 A member whose contract has been suspended has a right of recall for two (2) years from the date of the suspension. Seniority shall not be the basis for rehiring a teacher, except when making a decision between teachers who have comparable evaluations. Recall shall be in the reverse order of reduction, with preference

being given to continuing contract teachers. Teachers shall be eligible for recall in the areas of certification/licensure held by the teacher at the time of the reduction.

- A. Recall rights shall continue for a period of two (2) years. Thereafter, a member on layoff shall lose his right to recall.
- B. A full-time member may decline recall to any part-time position or any position not paid on the Teacher Salary Schedule (TSS) in the Appendix A. If the full-time member declines acceptance of a vacancy other than a part-time position or any position not on TSS, he/she shall be removed from the recall list. If a part-time member declines a part-time or full-time position on the TSS, he/she will be removed from the recall list.

5.125 A laid off member may, for eighteen (18) months after the date of layoff, at his expense, continue all insurance benefits by payment of the full group rate premium for such benefits, to the Board monthly. It shall be the Board's obligation to give notice of this right to each member.

5.126 Nothing in this Article is intended to restrict or impact upon the right of the Board to affect a reduction in force through the non-renewal of limited teaching, and/or, supplemental contract.

The PACE President shall receive an electronic directory of all personnel in the District complete with addresses.

5.14 Member Personnel Files

reprimands, administrative directives or accusations, and complaints as defined in Section 5.10 shall be removed from a member's personnel file after three (3) years, upon written request from the member provided there has been no recurring offense of violation.

Prior to appointing Department Heads or Team Leaders, the Board will post a notice on the appropriate bulletin board or give written notice to all affected members.

The supplemental contract levels for department heads are found in Appendix G of this Contract. New department heads will be placed on Level A of the appropriate step.

9.06 Job Sharing

9.061 The Board of Education shall have the right to fill a member position with two members. Participation in a job-sharing arrangement is voluntary. Each member will be responsible for four (4) hours of the eight (8) hour day. The member will be responsible for an AM or PM position. Each member will work all days of the week that school is in session. It shall be each member's responsibility to find a member to serve the other half of his or her assignment. The member must make a request in writing to the building principal. A plan, including names of the two job sharing persons and their schedule must be submitted by March 31 to the Human Resources Director or by sending a separate form by April 14 of the school year prior to the commencement of the job share. Copies of all job share requests will be sent to the PACE President or designee. Notification to job share applicants of the disposition of their requests will be postmarked by May 1. The administration

reserves the right to approve or not approve job sharing arrangements. A member will be credited with a year of service for each year in which the member participates in a job-sharing arrangement.

- 9.062 Health and dental insurance coverage shall be the same as members serving under a half-time contract except that if one job share partner waives in writing medical and/or dental coverage, the other partner may receive medical and/or dental coverage by contributing the same premium share as a full-time member.
- 9.063 When either member in a job share wishes to end the job share arrangement, the steps for reassignment to full time shall be:
- A. The most senior job share member shall remain in the current classroom/grade/building that was shared.
 - B. The least senior job share member shall be reassigned to any vacancy for which he/she is certified.
 - C. If there are no vacancies, the Board shall institute Section 5.11– Reduction in Force. The least senior job share member has all rights contained in that section including bumping.

9.07 Dual Certification

Members commencing employment with the school district holding more than one certificate on the effective date of the member's employment, shall as a condition of continuing employment, maintain all certificates, and shall be required to renew all certificates once.

ARTICLE X: DISCIPLINE

10.01 Discipline

No member shall be disciplined, terminated or suspended without good and just cause including immorality, incompetency, and willful violations of the reasonable rules and regulations adopted by the Board.

- 10.011 All notices of disciplinary action, excluding termination, shall contain a statement that the notice has been served upon the member. Notices shall be specific, and shall, to the extent possible, designate the specific rule or regulation which is violated or otherwise sufficiently apprise the member of the nature of the charge. A member receiving a notice of disciplinary action shall sign the notice and acknowledge receipt on the date of service. If the member refuses to sign the notice, said notice shall be considered received as of the indicated date

of service. PACE shall be provided a copy of all notices of disciplinary action unless the member requests in writing that PACE not be notified.

- 10.012 A notice of termination shall be served by certified mail, return receipt requested. In addition to service by certified mail, the Board may serve a termination notice by personal service. PACE shall be provided a copy of all notices of termination.
- 10.013 If said notice is returned as undeliverable or refused, it shall be determined that the Board has met their obligation to notify. The date of service shall be deemed either the date received by certified mail or the date of personal service, whichever is later.

10.02 PACE Representation

The member shall have the right to request and have PACE representation at any meeting with an administrator in which the member is subject to questioning which may lead to disciplinary action against the member.

10.03 Pre-Disciplinary Hearing

- 10.031 A pre-disciplinary hearing shall be held prior to any disciplinary action, unless the member specifically waives the hearing in writing. The member must have advance notification of the purpose of the hearing and shall have the right to have a PACE representative at the hearing. This section shall not apply in cases of nonrenewal, or any case in which no record is maintained of the supervisor's discussion with a member, even if the member might consider the discussion to be disciplinary in nature. No hearing shall be held sooner than twenty-four (24) hours after the notice has been served on the member.
- 10.032 A pre-disciplinary hearing shall not be necessary for oral reprimands for which a written record is not maintained.
- 10.033 Nothing in this Section shall restrict the right of the Board to temporarily suspend a member for incidents which necessitate the member's immediate removal from the classroom. The member shall be advised of the reasons for removal from the classroom at that time. A pre-disciplinary hearing shall be held within three (3) working days of the suspension. The member shall have the right to have a PACE representative present at the hearing.

10.04 Disciplinary Procedure for Suspension and/or Termination

The Superintendent, or designee, shall give a member written notice of intent to recommend disciplinary action to the Board. This notice shall state the reason for such recommendation in terms sufficiently adequate to understand the charges against the member.

10.05 Appeal Procedure

All disciplinary actions as described in this article are subject to appeal exclusively through the grievance and arbitration provisions of this Contract except contract non-renewals. Statutory appeal rights set forth in Chapter 3319, ORC, shall not be applicable to members. Suspensions without pay and terminations may be appealed directly to arbitration without exhausting the steps of the grievance procedure. Evaluations may not be used by the Board as evidence in disciplinary arbitrations without independent supporting evidence.

ARTICLE XI: MANAGEMENT RIGHTS

11.01 Management Recognition

- 11.011 PACE recognizes that the Board is the legally constituted body responsible for the management, direction and control of all of the public schools of the Board and employees and other personnel employed by the Board, and for the determination of all resolutions, policies, practices, procedures, rules and regulations governing any and all aspects of the Board's school district.

- 11.033 The parties agree that certain provisions of this Contract are intended to supersede applicable or related State Law where the parties are permitted to do so under ORC 4117.10(A) and the following provisions of this savings clause shall not apply.
