PREAMBLE

- A. It is recognized that the best interest of public education in the City of Niles is the promotion of harmonious relationships between the Niles City Schools and the members of the Bargaining Unit. It is the intent of the parties of this Contract that the procedures set forth herein shall serve as a means for peaceful settlement of all disputes that may arise between them. This is the Contract covering all matters pertaining to wages, hours, terms, and conditions of employment to be observed by those affected.
- B. Unless the Board agrees otherwise in this Contract, nothing in Chapter 4117 of the Revised Code impairs the right and responsibility of the Board to:
- (1) Determine matters of inherent managerial policy which include, but are not limited to areas of discretion or policy such as the functions and programs of the Board, standards of services, its overall budget, utilization of technology, and organizational structure;
 - (2) Direct, supervise, evaluate, or hire employees;
 - (3) Maintain and improve the efficiency and effectiveness of Board operations;
 - (4) Determine the overall methods, process, means, or personnel by which Board operations are to be conducted;
 - (5) Suspend, discipline, demote, or discharge for just cause, or lay off, transfer, assign, schedule, promote, or retain employees;
 - (6) Determine the adequacy of the work force;
 - (7) Determine the overall mission of the Board as a unit of government;
 - (8) Effectively manage the work force;
 - (9) Take actions to carry out the mission of the Board as a governmental unit.

The Board is not required to bargain on subjects reserved to the management and direction of the District except as affect wages, hours, terms and conditions of employment, and the continuation, modification, or deletion of an existing provision of this Contract. An employee or the NEA may raise a legitimate complaint or file a grievance based on the collective bargaining agreement.

ARTICLE I - RECOGNITION

1.01 Statement of Recognition

The Board hereby recognizes the NEA as the exclusive representative of the Personnel as hereinafter defined; and, accordingly, the NEA makes this Contract in its capacity as the exclusive bargaining representative of such hereinafter defined personnel.

1.02 Definition of Bargaining Unit

1.021 Inclusions

The "Bargaining Unit" subject of this Contract shall mean all teachers, as defined in Ohio Revised Code, Section 3319.09, including Guidance Counselors, Dean of Students, Speech Pathologists, and School Nurses.

1.022 Exclusions

Specifically excluded from the Bargaining Unit are the following positions: Superintendent, Principals, Assistant Principals, School Psychologists, Director of Education, and Substitute Employees, Home Instructors, Tutors, and Monitors shall be excluded if they are employed solely for those purposes.

1.03 Definitions

The terms listed below, when used in this Agreement, shall be defined as follows:

- A. Employee: Any employee in the bargaining unit defined in Section 1.02 of this Agreement.
- B. Day: A calendar day.
- C. Workday: A day on which an employee is scheduled to report for work during the regular school year; during the summer recess, any Monday through Friday when the central administration office is open for regular business, excluding recognized holidays.

- F. NEA: The Niles Education Association.
- G. Board: The Board of Education of the Niles City School District.

 - 1. Seniority shall be determined by the length of continuous service as an employee beginning with the first day worked. If two (2) or more employees have the same length of continuous service, then seniority will be determined by:
 - a. The date of the Board meeting at which the employee was hired for the current continuous service, and then by;
 - b. The length of any previous service as an employee in the District, and then by;
 - c. Employee's application date.
 - d. A coin toss, or, if more than two (2) employees are tied, in a drawing of lots, in the presence of the Superintendent and a representative designated by the NEA President. One (1) employee shall flip the coin; the other shall call the toss. The employee who wins the toss shall be placed on the seniority list ahead of the loser.
 - 2. Application
 - a. Seniority will be applied as follows: All employees shall be placed on a seniority list within their area or areas of certification.

 - c. Service rendered beyond the school year or beyond the school day will not be counted toward seniority.
 - d. An employee who leaves the bargaining unit for any position with the District shall not have his seniority interrupted if he/she is eligible to return and does return to the bargaining

- e. Length of continuous service will not be interrupted or affected by authorized leaves of absence, a layoff, or disability retirement.

ARTICLE II - NEGOTIATIONS PROCEDURE

2.01 Inauguration Steps to Agreement

Issues proposed for negotiations shall be submitted in writing to the Superintendent by the President of the NEA, and to the NEA by the Superintendent, on or before April 1st of the year in which the Contract expires. Said proposals shall be specific and complete. A mutually agreed meeting date will be set no later than ten (10) days thereafter, unless all parties agree to a later date.

2.02 Negotiating Teams

The Board and the NEA shall be represented at all negotiating meetings by a team of negotiators, not to exceed five (5) members on each team, excluding any consultant. Neither party shall have any control over the selection of the negotiation representatives of the other party. All negotiations shall be conducted exclusively between said teams. While no final agreement shall be executed without ratification by the NEA and the Board, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and reach tentative agreement in the course of negotiations.

2.03 Meetings

The designated representatives of the Board shall meet with the NEA for the purpose of affecting a free exchange of opinions, facts, proposals, and counterproposals, in order to reach mutual understanding and agreement on appropriate matters submitted for negotiations.

2.031 Good Faith Negotiations

All parties are obligated to deal openly and fairly with each other on all matters and to conduct such negotiations in good faith, but such obligation does not compel either party to agree to a proposal or require the making of a concession.

2.032 Exchange of Information

The Board, the Superintendent, and the Niles Education Association agree to exchange, upon reasonable request, all available information necessary to negotiate intelligently and accurately.

2.033 Caucus

Upon the request of either party, the negotiations meeting shall be recessed to permit the requesting party a reasonable period to caucus.

2.034 Consultants

Consultants may be used if deemed advisable by either party. The expense of such consultants shall be borne by the party requesting them.

2.04 Agreement

As agreement is reached on each issue, it shall be so noted and initialed by each party. When final tentative agreement is reached, the tentative agreement shall be submitted to the membership of the NEA and to the Board for ratification.

2.05 Disagreement

If agreement is not reached within forty-five (45) days after the first negotiation meeting, the teams shall report back to their respective party for further advice and input. Neither party would be required to meet further, but, thirty (30) days prior to contract expiration, either party may request Federal Mediation, and the other side shall join in resumed discussions. Should a new contract not be agreed upon by the expiration date of the original contract, the terms of this procedure shall expire.

2.06 In-term Bargaining

If, during the term of the Contract, in-term bargaining is required under ORC Section 4117.08, the parties shall meet and bargain. If the parties are unable to reach agreement during such in-term bargaining within fifteen (15) days of the first bargaining session, either party may submit the issue to expedited total package final offer binding arbitration in accordance with the procedures stated in Section 3.052 Step IV of this Contract. If neither party invokes binding arbitration, the status quo shall be maintained and will not be subject to change during the remainder of the term of the Contract nor the subject of future bargaining during the term of the Contract.

Should a dispute arise over whether or not bargaining is required, the dispute shall be submitted to final and binding expedited arbitration under rules of the

American Arbitration Association. The status quo shall be maintained pending the outcome of expedited arbitration.

2.07 Labor Management Committee

Board and NEA representatives, to include the Superintendent and the NEA President, shall meet on a quarterly basis to discuss matters of concern raised by either party. Such meeting shall not be for the purpose of circumventing the negotiations procedure or grievance procedure provided in this Contract. Each party shall submit in writing to the other, at least one (1) workday before the meeting, an Agenda listing those matters it wishes to discuss. The meeting may be cancelled or postponed by mutual agreement. The meeting shall not have more than four (4) representatives from each side present, unless by mutual agreement. Meetings shall be chaired alternately by the NEA President and the Superintendent.

ARTICLE III - GRIEVANCE PROCEDURE

3.01 Purpose

This grievance procedure is designed to ensure fair and orderly discussion of grievances without fear of reprisal; to promote open communication between the administration and employees; and to secure resolution of disputes at the lowest possible level.

3.02 Definitions

3.021 A grievance is an alleged violation, misinterpretation, or misapplication of any provision of this Contract.

3.022 The "grievant" is the employee, group of employees, or the NEA filing the alleged grievance.

3.023 "NEA Representative(s)" shall mean the authorized representatives of the NEA.

3.03 No Reprisals

If an employee files a grievance, such fact cannot be used against that employee in any recommendation for reemployment or for any other employment; nor shall the employee or the NEA be placed in jeopardy or be the subject for reprisal or

discrimination for having followed this grievance procedure. Grievance records are to be kept separate from permanent file records.

3.04 General Provisions

3.041 Time Limits

A grievance (Formal Step I) must be filed within fifteen (15) workdays of the date on which the grievant could have known reasonably of the event or condition giving rise to the grievance. The time limits specified in this Article may be extended by written agreement of the respective administrator and the NEA.

3.042 Waiver of Right to File

The grievant's failure to comply with any time limit specified in this article shall constitute a waiver of his/her right to pursue the grievance further.

3.043 Right to Advance

If a disposition of the grievance by the appropriate Board representative is not made within the required time limits, the grievant may pursue the grievance at the next level.

3.044 Notices and Decisions

All notices of hearings and decisions shall be sent to all parties involved at each step.

3.045 Processing Grievances During the Summer

If a grievance is filed near the end of the school year, both parties will attempt to resolve the grievance as soon as possible. Grievances, if not resolved by the end of the school year, shall continue to be processed during the summer.

3.046 Exclusivity

This grievance procedure shall be the exclusive means of resolving disputes concerning the alleged violation, misapplication, or misinterpretation of this Contract.

3.047 NEA Responsibility

Except as provided under the informal grievance procedure, the NEA will be the recognized agent for all employees, and will have the responsibility for preparing, filing, and complying at all levels of the procedure.

3.048 Forms

- a. Forms for the processing of grievances will be found at Appendix A of this contract and will be available from the NEA.
- b. The cost of forms, relative to this article, shall be borne by the Board.

3.049 Attendance at Grievance Meetings

Whenever illness or other incapacity of either party or its representatives prevents attendance at a grievance meeting, the time limit for such meeting shall be extended to a date when such persons can be present. When grievance meetings or hearings required by this Article are scheduled mutually by the parties to be held during working hours, any employee whose presence is required shall be able to attend without loss of pay or accumulated leave.

3.0410 Initial Filing

If the grievance involves more than one work location or a group or class of employees and the immediate supervisor is without authority to grant the relief sought; or arises from the action or inaction of an administrator above the level of the immediate supervisor, it may be filed initially with the Superintendent at Step II of the grievance procedure and the informal discussion may be waived.

3.05 Grievance Procedure

3.051 Informal

The grievant shall first discuss the alleged grievance with his or her immediate supervisor and indicate that the issue may be the subject of a formal grievance. In the event that a request for a meeting by the employee is not honored by the immediate supervisor, the employee shall proceed with the formal step of the procedure.

3.052 Formal

Step I - Immediate Supervisor

If a disposition at the informal stage is unsatisfactory, then the NEA may file a formal grievance at Step I. Within five (5) workdays of receipt of the Grievance Form, the immediate supervisor shall meet with the grievant and the NEA Representative in an effort to resolve the grievance. The immediate supervisor shall indicate his/her disposition of the grievance in

writing within ten (10) workdays after such meeting. The NEA and the Superintendent shall be notified, in writing, as to the disposition of the grievance.

Step II - Superintendent

If the NEA is not satisfied with the disposition of the grievance by the immediate supervisor, within ten (10) workdays of receipt of the Step I disposition, or if no disposition has been made within the above stated time limits, the NEA may submit the grievance to the Superintendent. Within ten (10) workdays, the Superintendent shall meet with the grievant and the NEA Representative. Within ten (10) workdays of the meeting, the Superintendent shall indicate, in writing, his disposition by forwarding it to the NEA. The Superintendent shall report the grievance disposition to the Board no later than its next regular meeting.

Step III - Binding Arbitration

- a. If the NEA is not satisfied with the disposition of the grievance by the Superintendent, or if no disposition has been made within the above stated time limits, the NEA may submit the matter to arbitration by giving to the Superintendent written notice of its intent to do so within fifteen (15) workdays following the receipt of or deadline for the receipt of the Superintendent's disposition of the grievance. The request for arbitration shall be submitted no earlier than three (3) workdays of the notice of intent cited above and shall be submitted to the American Arbitration Association (AAA) under the Voluntary Labor Arbitration Rules of AAA, which rules shall govern the selection of an arbitrator and the conduct of the arbitration proceedings.
- b. The arbitrator's decision will be in writing, and will set forth his/her findings of facts, reasonings, and conclusions on the issue(s) submitted to him/her.
- c. The decision of the arbitrator will be restricted to whether there is a violation, misinterpretation, or misapplication of this Contract and he/she shall specify the remedy, if any, in accordance with the terms of this Contract.
- d. The decision of the arbitrator, on any issue properly before him/her, shall be binding upon the Administration, the Board, the NEA, and all employees concerned.
- e. The arbitrator shall have jurisdiction and authority only to interpret and apply the provisions of this Contract. He/she shall not have jurisdiction or authority to add to, or to detract from or alter, any

provisions of this Contract, nor shall he/she have authority to make any decisions which are prohibited by, or are in conflict with any existing laws.

- f. The costs for all aspects of arbitration shall be shared equally by the Board and NEA.

ARTICLE IV - NEA RIGHTS AND PRIVILEGES

4.01 No Reprisals

The Board and Administration agree that there will be no reprisals, of any kind, taken against the employees for action taken relative to negotiations, and/or membership representation, and/or holding office in the NEA, and/or for the formal filing of a grievance.

The NEA will be provided with copies of the minutes of official meetings of the Board. A copy of the official agenda, or any other public record, will be made available to the NEA President when released to the Board. When it is necessary for an official representative of the NEA to engage in NEA activities directly relating to the NEA's duties as representative of the employees during the school day, they may be given such free time, without loss of pay, as is necessary to perform any such activities. The total number of workdays per contract year shall be six (6). The NEA and its officers recognize and agree that this privilege should not be abused. Additional workdays, if requested, may be approved by the Superintendent. The NEA President shall be assigned a duty-free period of not less than forty-five consecutive minutes each workday for the purpose of conducting NEA business. If the NEA President is unable to be assigned an additional planning period (i.e., K-5 teacher), the President shall be remunerated at a rate of fifty dollars (\$50) per day.

4.10 NEA Dues Deduction

4.101 Authorization

It shall be the duty of the NEA to present the Board Treasurer with written authorization for dues from its members, and the Board Treasurer will deduct the amount in equal deductions twice a month. Deductions shall continue automatically, unless withdrawn. Withdrawal of authorization for NEA dues must be in writing to the NEA and the Board between August 15th and September 15th. If the deduction is not withdrawn, the NEA shall give, in writing, to the Board Treasurer and the employee, no later than September 30th, the amount to be deducted that school year.

4.11 Personal and Academic Freedom

4.111 Private Life

The private life of an employee is not within the appropriate concern or attention of the Board, except as it may directly prevent the employee from properly performing his/her assigned functions during the work day.

4.112 Rights of Citizenship

Employees will be entitled to full rights of citizenship, and no religious or political activities of any employee, or lack thereof, will be grounds for any discipline or discrimination with respect to the employment of such employee, providing said activities are not violative of laws.

4.113 Censorship

The Board and the NEA agree that academic freedom is essential to the fulfillment of the purposes of the District, and they acknowledge the fundamental need to protect employees from any censorship or restraint which might interfere with their teaching functions.

4.114 Restrictions

Academic freedom shall be granted to employees, within the confines of state and federal law and Board policy, in order to create in the classroom an atmosphere of freedom, which permits students to raise questions dealing with critical issues of the time and which maintains an environment conducive to the study, investigation, presentation, and interpretation of the facts which stress the interplay of ideas. The employee is responsible for exercising good judgment in selecting for discussion those relevant issues which he/she may deem to be of value to the maturity and understanding of the students involved.

4.17 School Calendar

The President of the NEA will be given a copy of the proposed school calendar each year thirty (30) days prior to its being presented to the Board for approval. The NEA shall be permitted to make recommendations regarding the school calendar through the Labor Management Committee.

4.18 Niles Teacher Professional Organizations - TPO

- a. The State Teachers Retirement System (STRS) has long allowed teachers, who serve in paid roles within the Association, to include the compensation in the calculation of his/her STRS retirement benefit. The TPO serves as a benefit to those receiving Association compensation by

boosting his/her final average salary calculation, but this benefit can also cost the local association additional money. The Niles Board of Education requires complete reimbursement of the payroll costs associated with this compensation including, but not limited to, the employer portion of the STRS contribution, Medicare tax, and workers' compensation insurance. This language only applies to bargaining unit members who participate in STRS.

b. Annual stipend payment

Consistent with Ohio Administrative Code (OAC) 3307-6-01, the NEA will pay compensation to the following Teacher Professional Organization (TPO) positions:

- Association Vice President: 12% of the local dues
- Association Secretary: 7% of the local dues
- Association Treasurer: 7% of the local dues
- Grievance Chair: 5% of the local dues

Upon written request of the NEA, the following NEA officers shall be assigned to the NEA to conduct NEA business. These employees shall be paid an annual stipend by the Board in the amount listed below. One half of this stipend shall be paid to the employees by December 15 and one half shall be paid to the employees by May 15. The total cost of the STRS contributions will be deducted from the stipend amount and the NEA shall reimburse the Board for the cost of the stipends two weeks prior to the pay date. Payment, by the Board, will be made on a bi-annual basis. The compensation shall be considered annual salary for service to the TPO and shall be in addition to the teacher's regular contract salary and any supplemental and/or extended contract salary he/she is entitled to under this Contract.

The service year for the calculation of the TPO salary shall be defined as September 1 to August 31. The TPO shall certify the name of each person and the amount of the annual salary to the Board Treasurer no later than October 15 of each year. Each certification shall be considered an Addendum to this Contract and shall be subject to all of the provisions of this Agreement.

Such compensation shall not exceed the maximum allowed by OAC 3307-6-01. Any amount of compensation deemed to be in excess of the allowable amount shall be considered non-STRS compensation, subject to all applicable payroll taxes, minus the STRS contribution. The Association shall fully reimburse the Board for the total amount of the

stipends. The Board shall be responsible for the employer STRS contribution and other related payroll taxes and costs.

Upon ratification of this Contract, the Board shall submit a copy of this Contract to the State Teachers Retirement System (STRS) for their review and approval. In the event this language does not comply with STRS requirements, the Association shall have the right to either:

- amend this language to comply with STRS requirements through a Memorandum of Agreement/Memorandum of Understanding, or
- terminate the TPO arrangement with the Board of Education

The decision of the Association shall be transmitted, in writing, to the Board Treasurer.

5.014 Return from Leave

The employee on leave of absence without pay will be returned to the same position held at the time said leave commenced if the employee returns from such leave within one year of the date the leave commenced. Thereafter, and in cases where said position does not exist, the employee shall be made aware of all existing vacancies in the District at the time and shall then be placed according to Sections 6.021 of this Contract.

5.015 Early Return from Leave

An employee desiring to return to active duty before the expiration of the leave of absence shall be granted such return effective no later than the beginning of the next grading period after thirty (30) days written notice to the Superintendent by the employee.

5.016 Reporting Off Duty; Returning to Duty

A. In case it is necessary for an employee to be absent from duty, the employee shall provide notice thereof to a central District-wide electronic call off system (Frontline or similar program) dedicated for that purpose as soon as the necessity for such absence has been determined but not later than 6:15 a.m. for all staff on the date of the absence.

5.02 Sick Leave

5.021 Entitlement

Employees shall be granted one and one-quarter (1-1/4) days' sick leave per month to a maximum yearly accumulation of fifteen (15) days.

5.022 Conversion

A maximum of one hundred fifty (150) sick leave days earned and used in prior employment with another school district or other agency of the State of Ohio, upon presentation of a certified copy from such employers, shall be credited to the employee's account at the time of employment in the manner prescribed by law.

5.023 Accumulation

The maximum number of sick leave days accumulated shall be unlimited.

5.024 Reasons

Sick leave days without loss of pay may be used by all employees for the following reasons:

- a. Personal Illness or Injury;
- b. Illness, Injury, or Death in the Immediate Family;

For illness or injury, the immediate family is construed to mean a family member of the employee residing in the home of said employee and shall also include the employee's spouse/partner,

the employee's or spouse's/partner's parents, grandparents, brother(s), sister(s), son(s), or daughter(s) if not residing with the employee, and any other person for whom the employee or spouse has primary legal responsibility. Up to five (5) days' sick leave shall be granted for death in the immediate family, which shall include, in addition to the above, son-in-law, daughter-in-law, grandchildren, aunts, uncles, nieces, and nephews. When appropriate, additional days may be granted by the Superintendent.

c. Pregnancy;

The use of sick leave after the birth of a child is comparable to the use of sick leave for other medical reasons. As soon as an employee is medically able to come back to work, sick leave pay ends and parental leave shall become effective upon the request of the employee in accordance with Section 5.07.

5.025 Certificate

Each employee shall provide to the Superintendent in a central District-wide electronic call of system (Frontline or similar program), stating the reason for use of sick leave. Falsification of sick leave shall be grounds for disciplinary action, including dismissal. If medical attention is required, or an illness extends over a period of five (5) workdays, a certificate stating the nature of the illness from a licensed physician may be required to justify the use of sick leave.

5.03 Emergency Leave

5.031 An employee may be absent for emergency leave without loss of pay not more than one (1) workday in any one (1) school year for:

- a. The observance of religious holidays where total abstinence from work is required by the employee's faith.

- c. Weather conditions which render it impossible, despite the exercise of all reasonable effort and precautions, to report to work.

- d. Conducting business that cannot be done on Saturday.
- e. Accompanying a member of the immediate family to a terminal upon departing for active service, or meeting a member of the immediate family returning from such active service.
- f. Other situations approved by the Superintendent. In filling out "Request for Emergency Leave" forms pursuant to Reason "g," employees shall provide enough details to permit the request to be properly evaluated. A requested leave for Reason "d" shall be presented to the Superintendent at least one (1) week prior to the date of the requested leave.

5.032 Restrictions: The first six (6) enumerated leaves shall be automatically granted by the Superintendent provided that the appropriate written request is received by the Superintendent at least three (3) days prior to the day of the requested leave (except where the three [3] day notice is not possible). Emergency leave shall not be used for medical appointments and/or procedures when sick days are available.

5.033 However, Reason "d" shall require the approval of the Superintendent if the requested emergency leave day is a Monday or Friday, or the day before or after a holiday. This reason shall not be used for recreational purposes, to seek other employment, accompany a spouse on a business trip or vacation, or other matters of personal gain.

5.04 Personal Leave

5.041 Entitlement

Four (4) days of Personal leave shall be granted to all employees, without loss of pay, each school year on a non-cumulative basis. Said leave shall be granted only upon three (3) days notice in advance. Leave shall not be granted (1) the first week of school; (2) said leave is not to be used the last ten (10) work days of the student school year unless approved by the Superintendent and said leave shall not be granted the day before or the day after any Emergency Leave Day, Sick Leave Day, nor the first day or last day of school, provided that a personal leave day scheduled previously shall not be charged to the employee if the employee subsequently must use sick leave on that day. On those days when statewide testing and/or local testing is being conducted (i.e., ITBS) employees performing such work are encouraged not to use personal leave. The number of employees taking Personal Leave, on any one (1) school day within each building, shall conform to the following schedule:

- a. If the building teaching staff is 30-40, a maximum of four (4) employees per day;

- b. If the building teaching staff is 41 or more, maximum of five (5) employees per day;

The Superintendent may approve of exceptions to any of the above restrictions on the use of personal leave

5.042 Unused Personal Leave

Personal leave days not utilized will be reimbursed during the month of July of each school year at the rate of one hundred fifty dollars (\$150.00) per day not used.

5.043 Request Forms

Requests for Personal Leave shall be made through the District-wide electronic call off system (Frontline or similar program). Upon receiving the online request, the Building Principal makes a determination whether to grant or deny the request. If granted, the request moves to the Superintendent for his/her decision. Decisions regarding approval of personal leave shall be based upon the provisions of this section.

5.05 Personal Leave without Pay

After an employee has exhausted his/her personal leave, an employee may make a written request to the Superintendent to approve leave without pay. Leave will only be granted for special circumstances (i.e., working the polls on Election Day or an unavoidable personal matter that conflicts with regularly scheduled work hours). Approval of said leave without pay is at the discretion of the Superintendent.

5.06 Unpaid Leave of Absence

5.061 Entitlement

5.062 Duration

The duration of unpaid leaves of absence will not be granted beyond that school year and/or the succeeding school year, depending upon the employee's request in accordance with section 3319.13 of the Revised

Code. Employees are encouraged to return from an unpaid leave of absence only at the beginning of each new school year, or at the change of grading periods and/or semesters. The intent of this provision is to assure that students shall have continuity in the classroom program.

5.063 Reinstatement

If an employee returns after one (1) full school year, they are placed in their prior positions or comparable position if in the best interest of the District. The replacement teacher may be put on the RIF list if there is no opening in their respective area of licensure/certification. If the employee does not return from their unpaid leave, that position will be posted.

5.064 Restrictions

The reason for such leave shall not be for the member pursuing employment for him/herself.

5.065 It is understood that no employee shall have a right to such unpaid leave for sporadic or short-term absences, including dock days, whether or not based upon illness (unless qualified under appropriate FMLA leave). For example, unpaid leave may or may not be granted for non-FMLA qualifying absence to extend the employment of an employee where such employee has exhausted all accumulated and/or advanced sick leave, unless the request is for long-term unpaid leave and based upon legitimate medical reasons.

5.07 Parental Leave

5.071 Eligibility

Parental leave shall be granted, upon request, without pay, for a full school year or part of the school year in which it is requested for the purpose of pregnancy, adoption of a child, or child care. This leave, upon request of the employee, shall be extended for up to six (6) months of an additional school year provided the request is made in writing to the Superintendent on or before July 12 immediately preceding the school year for which the extension is requested.

5.072 Application

Request for a parental leave shall be made in writing to the Superintendent as soon as possible, but not later than sixty (60) days prior to the effective date for such leave and such request shall state the expected duration of the leave. In the case of unexpected circumstances, the notice requirement of sixty (60) days shall be waived.

5.073 Reinstatement

In the event the approved leave is for a period of less than sixty (60) work days, the employee's position will be filled with a substitute employee and the employee shall resume the assignment held prior to the granting of this leave, provided the position is still in existence. If the position is not in existence, the employee shall be assigned to a position in accordance with Section 6.02, 6.03, or 6.12 of this Master Contract.

5.074 Salary Credit/Seniority

- a. Salary increments will be granted only if the employee has been on active payroll status for one hundred twenty (120) workdays during the school year.
- b. Upon return from such leave, the teacher will not lose any seniority he/she had prior to the leave of absence but will not accumulate additional seniority during the period of unpaid leave.

5.08 Jury Duty

An employee who is absent from duty for jury service, or to serve as a witness under subpoena, shall be granted leave without loss of pay or other leave for such service. An employee shall not be required to remit to the Board any fee, expense, or other compensation received for service as a juror or witness. The employee shall be required to submit to the Board a copy of the jury summons or subpoena as verification of the leave.

5.09 Absence for Temporary Military Service

5.091 The requirements of ORC 5923.05 or other applicable state or federal law shall apply to leaves for temporary military service.

5.092 A copy of the military orders shall be forwarded to the Superintendent immediately upon receipt.

Any amount of salary payable pursuant to this Section shall be reduced by the amount of any worker's compensation awarded

for temporary disability due to said assault injury for the period for which such salary is paid. If a bargaining unit member is assaulted during the school day, the member shall be granted leave the rest of that school day to deal with any physical stress related to said assault without obtaining any medical verification as long as the bargaining unit member returns to work the following day. If the need for leave extends beyond that school day, the bargaining unit member is afforded seventy-two (72) hours from the time of the incident to provide the District with medical documentation justifying the need for leave.

In order to be eligible for a leave, the employee shall be required to submit a physician's verification that a disabling condition exists due to the assault. The employee shall provide the Board a statement that indicates the nature of the injury, the date of its occurrence, and if known, the identity of the individual(s) causing the assault, the facts surrounding the assault, and the names of the witnesses.

- b. An employee who is assaulted and takes time off to visit a doctor or hospital shall have that time charged to assault leave.

5.11 Miscellaneous

Emergency Leave and Personal Leave Days shall not be used in place of sick leave, unless all days of accumulated sick leave have been exhausted and approval is granted by the Superintendent.

5.12 Sick Leave Bank

The purpose of the Sick Leave Bank (SLB) is to provide paid days for extended personal illness or family illness to NEA members who have exhausted their accumulated sick, personal, and emergency days and who are experiencing prolonged, catastrophic or family illnesses. The SLB shall be governed by the following.

- a. The Bank will operate on a strictly voluntary basis.
- b. Any bargaining unit member with a bank of unused sick days may elect to transfer any portion of accumulated days of sick leave to a specific member of NEA.

5.122 Procedure

Each bargaining unit member who wishes to participate may donate unlimited sick days per year. No initial donation of days is required. The SLB is established to process requests and accommodate transfer of days.

5.1221 If an NEA member needs additional sick days and has exhausted all sick, personal, and emergency days, the following steps must be taken:

- a. A doctor's statement that includes a description of the illness or injury, the anticipated period of recuperation, and the anticipated date of the member's return to work must accompany all applications for withdrawals;
- b. Provide verification that he/she has been under the care of a licensed physician for a minimum of thirty (30) days;
- c. Make application to the SLB for sick leave donation in not less than five (5) consecutive day increments;
- d. Once the SLB has received request, all NEA members will be asked if they wish to donate a day(s) to the requesting member who shall be identified. Requests will be conveyed through school e-mail. Members who wish to donate day(s) have five (5) days to respond via school e-mail. Following the five days, the SLB will notify the requesting member and treasurer's office of the results. If a volunteering member's sick days are being used, they will be notified. Donating member responses will be on a rotating basis. Once the requested number of days has been reached, all members will be notified;
- e. The SLB is not to be used to supplement leave for childbirth (natural or Caesarean section). However, complications arising out of pregnancy or childbirth may be considered by the SLB;
- f. A member may only use up to a maximum of thirty (30) donated days from the SLB per school year
- g. Voluntary donation days to SLB will not be refunded;
- h. NEA will provide the Treasurer with an updated copy of the procedures, rules, and regulations of the SLB, along with amendments, prior to their implementation;
- i. All applications for withdrawal shall be in writing, shall be verified by the SLB, and may be submitted on behalf of an employee by another person when necessary because of the incapacity of the employee;

- j. After review of the request form and the supporting documentation, the SLB may grant all of the days requested (within the limits set forth herein), a portion of the number of days requested, or none of the days requested. All applications will be reviewed on an individual basis;
- k. An employee may apply to the SLB for a withdrawal in advance of the depletion of such employee's accumulated sick leave, to be granted, if needed, upon such depletion. All applications will be reviewed on an individual basis.
- l. Should extreme/extenuating circum-stances exist, the SLB may consider requests beyond the thirty (30) day limit on a case by case basis, with no guarantee of request being granted.
- m. Decisions made by the Committee are final and are not subject to the grievance procedure or challenged otherwise.

5.123 Committee

The SLB shall be appointed by the NEA. The SLB shall establish rules and regulations and make decisions required to administer the Bank, so long as those rules, regulations, and decisions do not modify the agreement contained herein.

5.13 Family and Medical Leave Act

An employee shall be entitled to the applicable provisions of the "Family and Medical Leave Act of 1993" (FMLA). If the employee is eligible for FMLA leave that qualifies for use of sick leave per this Agreement, sick leave and FMLA leave shall run concurrently.

5.14 Professional Leave

Upon the employee requesting Professional Leave via the District's online report off system, the Superintendent may grant said leave with pay to an employee to attend meetings, conferences, or other activities related to the employee's assignments.

The assignment of employees to specific responsibilities within the building rests with the Superintendent, provided that such assignments shall be within the scope of the employee's valid certification/licensure. Individuals with concerns about the placement may request a meeting with the Superintendent and their union representative. The Superintendent shall consider seniority when making assignments along with OTES summative evaluation ratings.

The senior certified employee applicant for a voluntary transfer shall be awarded the position provided he/she meets the minimum qualifications for the position.

6.022 Involuntary Transfers

a. Definition

An "involuntary transfer" is the reassignment of an employee from one building to another, initiated by the Superintendent, for one (1) of the following reasons:

1. enrollment decreases;
2. closing positions, school buildings, etc.;

representative of the NEA may be present at the conference. The Superintendent shall convene such conference within five (5) workdays of receipt of the employees request for the same; the Superintendent shall render his/her opinion on the matter, in writing, within three (3) workdays of his/her conference with the employee. In the event the employee is dissatisfied with the opinion of the Superintendent, then the employee may request expedited final and binding arbitration pursuant to the Expedited Voluntary Arbitration rules of the American Arbitration Association.

2. Employees subject to administrative-initiated transfer shall be offered a choice of available assignments, insofar as possible, for which they may qualify at the time the assignment is made.
3. A copy of the written notice of the transfers shall be given to the NEA.

6.03 Vacancies

6.031 Definition of Vacancy:

A "vacancy" shall be defined as either a newly created position, or a position vacated by an employee which the Board determines to fill. Prior to assignment to a position vacated as a result of a leave of absence, an employee shall be advised in writing by the Superintendent that the assignment is temporary subject to another employee returning from leave. - B. Existing position(s) that become vacant after the August Board Meeting shall be awarded to the most senior bargaining unit member who is on the recall list, provided he/she possesses the proper certification/licensure, if comparable evaluations. the recalled employee. They shall remain in the position for the school year, or whatever portion of the year is remaining.

1. Any bargaining unit member on the recall list who possesses the proper certification/licensure for the vacancy and who is offered a position after the start of the school year and declines the position will not lose his/her recall rights.
2. The Board may, absent a properly certified/licensed individual on the recall list, or if there is a properly certified/licensed individual on the recall list who declines the position after the start of the school year, hire a new employee or a substitute to fill the vacancy for the school year, or whatever portion of the year remains.

C. Vacancies that are filled under the provisions of Section 6.032 B of the Agreement shall be posted for the ensuing school year no later than April 15 of each school year unless extenuating circumstances arise in which the posting will be made as soon as practicable. The Board and the NEA recognize the fact that an adequate number of competent specialists are essential to the operation of an effective educational program. The Board shall provide educational service personnel, as prescribed in the ORC, Section 3317.023.

6.09 Personnel Files

6.091 Personnel File Inspection and Rebuttal Material

All employees will be accorded the right to examine their personnel files in the presence of the Superintendent and to make additions of pertinent rebuttal material in accordance with Section 1347 Revised Code. There shall be no more than one (1) official personnel file maintained for each employee and such file shall be maintained in the Superintendent's Office.

6.092 Restrictions

The right to review letters of recommendation is excluded from the above provision. No item from any anonymous source may be placed in the personnel file.

6.093 Expunging Material from File

Except for evaluations, letters of recommendation, and information relevant to matters such as described in ORC 3319.16, materials will be expunged from the personnel file after a period of three (3) years.

6.094 Employee Knowledge of Items

Negative items may not be placed in an employee's personnel file unless the item has been made known to the employee, the employee has had an opportunity to read the item, and the employee has signed the item.

The employee's signature shall indicate only that the employee has read the item and shall not indicate necessarily agreement with its contents.

6.10 Class Size

Class size is recognized as being an important factor in providing quality education. The Board understands the NEA's interest in attaining a class size of twenty-six (26) pupils to one (1) classroom employee in grades K-5. In grades 6-12, the Board will recognize an average case load of twenty-five (26) students with a max of twenty-eight (28) per class. It is agreed that the Board and the NEA shall meet to discuss class size in accordance with Section 2.07 (Labor-Management Committee).

6.11 Class Load

The work day of the secondary employee shall consist of not more than six (6) assigned duty periods. Such assignment shall be exclusive of the homeroom period, one (1) preparation period, and one (1) lunch period. Teachers who carry six (6) periods in any year will be paid 2.5% of the base per diem rate, to be paid in increments of 1.25% per semester. Upon agreement with the teacher, the building administrator shall be required to provide schedule documentation to the Superintendent.

6.111 Class Distribution

If IEP students are at least 25% of the overall population per class period and/or assignment, teachers will be compensated using the following mathematical formula used to determine the compensation per semester. Teachers who teach in a co-teaching classroom or have an inclusion teacher in their room will not be eligible for compensation for that class or period.

Formula for Calculation

Step 1 – Number of IEP students divided by the total number of students in class.

Step 2 – Take number calculated by Step 1 and multiply by 100.

Step 3 – Number calculated is percentage of IEP students in a class. The percent of IEP students in class shall be rounded to the nearest whole number. The “Rounding Rule” of mathematics shall be used at all times. A digit in the tenths column of 5 (five) or higher shall increase the digit in the ones column by an increment of one (1). For example, six (6) IEP students in a class of twenty-one (21) total students would result in step 2

calculation of .285 multiplied by 100, resulting in the step 3 calculation of 28.5%, which would then be rounded up to 29%.

Once the calculated percentage for compensation of IEP students is calculated, the following rates will be used for compensation to the teacher at the end of each semester.

Percentage of IEP Students

- 25% - 28% = \$50
- 29% - 32% = \$100
- 33% - 36% = \$150
- 37% - 40% = \$200
- 41% - 44% = \$250
- 45% - 48% = \$300
- 49% - 52% = \$350

The employment of replacements for some positions may be necessary in the event that employees in the system do not possess the necessary certification and do not have qualifications and experience equal to the person to be hired for the position, and the position is one that needs to be

filled. Attrition, moreover, may not be sufficient to accomplish a reduction in force in full.

6.123 Suspension of Contracts

a. Exclusivity

Whenever it becomes necessary to implement RIF procedures relative to employees, type of employment contract, OTES evaluations, and areas of certification shall be the exclusive criteria in determining retention or suspension in all cases. Employees notified that their contracts are being suspended for the next school year shall be offered re-employment based upon OTES evaluations, or if comparable evaluations, by seniority, should openings occur in the course of that next school year and the school year subsequent to the next school year for which they have the necessary certification.

Employees who are offered but who decline re-employment for such an opening need not be offered re-employment again in

openings which may occur after the employees' declination of re-employment. Employees offered re-employment in neither the course of the school year following their suspension, nor in the school year subsequent thereto, must make application for employment in accordance with established procedures if they desire to be considered for employment in any school year following notice of suspension and the school year subsequent thereto. The rights herein granted to a suspended employee shall be forfeited by the employee should he/she:

1. waive his or her recall rights in writing;
2. resign;
3. fail to accept recall as provided for herein; or
4. fail to report to work in a position that he or she has accepted within five (5) workdays after receipt of the notice of recall, unless such recalled employee is prohibited from doing so because of physical illness or injuries.

Included in the health insurance plan set forth herein to eligible bargaining unit members is an Internal Revenue Service Section 125 Plan, which will include an employee-funded flexible spending account up to a maximum of two thousand six hundred fifty dollars (\$2,650) annually. This FSA will allow eligible bargaining unit members to use pre-tax dollars to pay unreimbursed medical, dental and/or prescription drug bills as well as to pay child or elder dependent care expenses as allowed under Section 125 of the Internal Revenue Act of 1978. Members may carry over unused funds of up to five hundred dollars (\$500) per year for use in the following year. The Board shall pay all administrative costs of the Section 125 Plan. Election for this plan is voluntary and can be made only per year.

For the initial year of the FSA (2019-2020 contract year only), the Board shall “match” an employee-funded account up to a maximum of five hundred dollars (\$500) provided that the employee has contributed the initial five hundred dollars (\$500) or lesser amount. Such match shall take effect January 1, 2020, with the Board contribution made no later than February 28, 2020.

7.016 Spousal Coverage

To allow for flexibility in enrollment periods, the following provision does not take effect until January 1, 2020.

If the spouse of a bargaining unit member is eligible through an employer that provides employee benefits (Medical/RX) for less than or equal to a monthly contribution of three hundred dollars (\$300), said spouse must apply for and accept such coverage. The bargaining unit member must provide proof from the spouse’s employer that they are enrolled. The

spouse will be removed from the employee's insurance and the employee will be charged for the appropriate level of coverage.

- The spouse has the option of enrolling dependents. The spouse does not have to enroll dependents, and the District cannot force the spouse to enroll dependents. However, dependents may be covered by both the spouse's insurance and the employee's District-provided insurance. Coordination of benefits ("COB") governs which spouse's insurance is primary, and the other, secondary¹.

(¹ The spouse's birthday that falls first in the calendar year is considered the primary insurer while the other spouse's insurance is secondary.)

- The spouse has an additional option of purchasing supplemental insurance through the District either separate from or in addition to purchasing secondary coverage through the District. The spouse may choose the higher deductible plan for secondary coverage, which requires no contribution. If the spouse chooses to enroll in the District's plan (not the higher deductible plan), the bargaining unit member will be required to contribute the appropriate amount that includes his/her spouse as designated by the District's tiers. In this instance, District coverage will serve as secondary coverage.
- If coverage is not available, the bargaining unit member must provide a statement from the spouse's employer stating that coverage is not available.

It is the responsibility of the employee to notify the Treasurer's office of any change in eligibility of a spouse within thirty (30) days of any change. Failure to provide timely notification may jeopardize coverage. If an employee submits false information or fails to timely advise the District of a change in the employee spouse's eligibility for employer (or retirement plan) sponsored group health insurance and/or prescription drug insurance, and such false information or such failure by an employee results in the District providing benefits to which the employee's spouse is not entitled, the employee may be personally liable to the District for reimbursement of benefits and expenses incurred by its insurance plan. Any amount to be reimbursed by the employee may be deducted from the salary or benefits to which the employee would otherwise be entitled. If an employee submits false information, he/she may be subject to disciplinary action by the Board, up to and including termination of employment.

7.017 Entitlement

A. Full-time Employees

The insurance benefits listed in Sections B, C, D, E and F are available for the employees, and their dependent spouses and dependent children to age twenty-six (26), provided that the employee complies with the terms of the policy and the insurance company's procedures concerning matters such as eligibility and enrollment. However, the Board shall have no obligation to provide insurance for a dependent if the employee desiring dependent coverage fails to make written application to the Treasurer or to provide information reasonably requested by the Treasurer to establish the eligibility of dependents. The Board shall bear the cost of the insurance, provided pursuant to this paragraph, during the term of this Contract.

B. Part-time Employees

Part-time employees shall have their benefits prorated according to the amount of time actually worked.

7.018 Maintenance

If the Board changes its insurance carriers currently in effect, then it shall provide a plan which provides the same or augmented benefits.

7.019 Continuation of Benefits

1. Medical insurance coverage may be continued for those who are on any Unpaid Leave of Absence or layoff, at the request of the employee and upon payment of the premium by the employee, as provided for in the COBRA administration of said insurance coverage not later than the completion of the first month of unpaid leave or layoff. Should the employee remain on unpaid leave beyond the initial month, the employee shall submit payment of the full cost of the premium to the Treasurer not later than the 10th of each month. Failure to do so will result in a lapse of coverage.
2. Insurance coverage for employees who have been granted a paid leave of absence shall continue to be provided by the Board with the employee continuing to make the required premium contribution.

7.02 Severance Pay

Any employee of the Board, who qualified for retirement under the State Teachers Retirement System, may use unused accumulated sick leave for severance pay in the following manner and under the following guidelines:

7.021 Calculation

- a. Calculation for the severance benefit shall be thirty-five (35%) percent of the unused accumulated sick leave days, not to exceed seventy (70) days.
- b. All unused Emergency Leave Days shall be credited, annually, to the accrued sick leave days, which shall be used in calculating severance pay at the time of retirement.

7.022 Restrictions

- a. To qualify for severance pay, the employee must have been employed by the Board for eight (8) consecutive years and have contributed to the State Teachers' Retirement System for a minimum of eight (8) years.
- b. The employee shall immediately notify the Superintendent and Treasurer of his/her official date of retirement as established by the STRS and submit proof of retirement as recognized by STRS. Should an employee expire within sixty (60) days prior to the official retirement date established by the STRS, severance pay shall be paid to the employee's estate.

7.023 Payment

- a. An employee who has retired as a result of meeting either the service threshold or the age threshold, both of which are required for retirement, shall receive his/her severance within ninety (90) days from the date following retirement or separation from employment under this provision. Payment shall be considered to eliminate all sick leave, personal leave, and emergency leave credit. Such payment shall be made only once to any employee.

Payment and Deferral of Severance Pay

Notwithstanding anything in this Agreement or Board policy to the contrary, the Board shall adopt a 403(b) Plan ("The Plan") for District employees with terms that comply with the requirements of this Paragraph. Employees shall access "The Plan" by choosing

from a list of District-approved plan providers. The terms of The Plan shall include the following:

Participation in The Plan shall be mandatory for any teacher actively employed, who is or will be age fifty-five (55) years or older in the calendar year in which the teacher retires, or, in the case of a retired/rehired teacher who did not retire from the District/collect severance from the District, resigns.

An employer contribution shall be made on his/her behalf under The Plan in an amount equal to the total amount of the participant's severance.

The required contribution to The Plan shall be made within the timeframe described under this provision regarding the payment of severance pay; however, if the amount payable to The Plan in the calendar year of retirement would exceed the maximum amount that is permitted under the applicable federal income tax law for that year, the remaining amount shall be contributed to The Plan after the first payroll date in January of the next calendar year.

A teacher who is participant in The Plan shall complete The Plan sponsor enrollment package prior to retirement; and unless and until a teacher does so, no contribution of severance pay shall be made to The Plan on behalf of the teacher.

If a teacher is entitled to have a contribution paid The Plan and dies prior to such contribution being paid to The Plan, the contribution shall be paid to a Beneficiary of the teacher in accordance with the terms of The Plan. In the vent no beneficiary was designated by the employee, the Severance Pay will be paid to the deceased's estate.

After adoption of The Plan, any administrative fees shall be borne by The Plan Participants.

Any teacher who is entitled to severance pay who is not an eligible participant in The Plan (i.e., under the age of 55) will continue to be eligible for any and all severance payments and/or retirement incentive payments. The teacher may elect to defer such payments to a tax-sheltered annuity that is tax qualified under Internal Revenue Code Section 403(b) (a "TSA") as permitted by law and Board policy.

All contributions to The Plan, all deferrals to a TSA, and all check payments to teachers, shall be subject to reduction for any tax

withholding or other withholding that the Treasurer, in his/her sole discretion, determines is required by law. Neither the Board nor the Association guarantees any tax results associated with The Plan, referrals to a TSA or check payments made to a teacher.

In the event a teacher is ineligible to participate in The Plan and dies, the Severance Pay shall be paid to the employee's estate.

- b. Severance pay shall be made on a per diem rate at the time of retirement (Contractual salary, excluding all Supplemental Contracts, divided by the total number of workdays in the school calendar).

All unused accumulated sick leave days, in excess of two hundred (200) days up to the maximum allowable at the time of retirement, shall be paid at the rate of fifty dollars (\$50.00) per day.

- c. Employees have the right to use any Board approved retirement agent/brokers who currently works with the District at the time of their severance pay.

7.024 Sick Leave Conservation Incentive

Any member of the bargaining unit who has used one (1) sick day or less during a semester shall be granted a two hundred dollar (\$200) stipend at the end of each semester.

7.03 Retirement Investments

The Administration and the Association will develop a district-wide policy as well as procedures for Internal Revenue Code Section 403(b) Discretionary Accounts and 457 accounts.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is entered into by the Niles City School District Board of Education ("Board") and the Niles Education Association ("Association").

WHEREAS, the Board of Education is responsible for a standards-based school counselor evaluation policy which conforms to the framework for evaluation of school counselors as approved by the State Board of Education and aligns with the "Standards for Ohio School Counselors" as set forth in state law; and

WHEREAS, state law requires that the Board adopt such standards-based evaluation system for school counselors no later than September 30, 2016; and

WHEREAS, state law further provides that such policy must be implemented by the Board of Education for the 2016-2017 school year unless the Board is party to an existing collective bargaining agreement that was in effect on or before September 29, 2015, which addresses the evaluation of school counselors employed by the Board;

WHEREAS, the Board and the Association are parties to a collective bargaining agreement in effect from September 1, 2016 through August 31, 2019 ("Contract"); and

WHEREAS, the Board and the Association wish to enter into a Memorandum of Understanding regarding the use of the Ohio School Counselor Evaluation System ("OSCES").

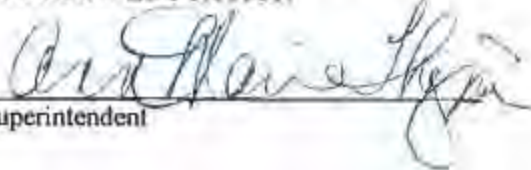

NOW, THEREFORE, BE IT AGREED upon by the Board and the Association as follows:

1. For the 2016-2017 school year, the Board of Education will implement its school counselor evaluation policy. Data obtained through the pilot shall not be the sole basis for making any employment decision concerning any school counselor employed by the Board during the 2016-2017 school year.
2. The parties acknowledge and agree that nothing set forth in this MOU modifies the Contract as it currently exists except as set forth herein. The Board and the Association retain all rights and obligations set forth therein. This Agreement shall not be precedent setting and shall not constitute a past practice of either party.

IN WITNESS WHEREOF, the duly authorized representatives of the Niles City School District Board of Education and the Niles Education Association have executed this Memorandum on the dates opposite their signature.
