- B. This agreement supersedes and cancels all previous agreements, verbal or written, or based on alleged past practices between the Board and the Association, and constitutes the entire agreement between the parties. Any amendment or agreement supplemental hereto shall not be binding upon either party unless executed in writing by the parties hereto. Therefore, amendments, alterations, or supplemental agreements hereto, shall not be made by unilateral action of either party unless to do so would be a legal requirement.
- C. The parties acknowledge that in the event that negotiations are required during the term of this Agreement due to changes in the terms or conditions of employment, the parties shall conduct such negotiations according to the procedures set forth in this Agreement. Opening such negotiations shall be the responsibility of the party who desires such change.
- D. This negotiated Agreement on language, shall become effective on September 1, 2019 and shall continue through August 31, 2022. Teacher evaluation language, compensation and the economic package shall be reopened for negotiation for the 2020-2021 school year.
- E. If any provision of this agreement between the Board and Association shall be found contrary to law, then such provision or application shall not be valid, but all other provisions or applications shall continue to remain in full force and effect. The parties agree that should any section of this contract be declared invalid or unenforceable, representatives of the Board and the Association shall meet to develop new language relating directly to the section declared invalid or unenforceable. The scope of this agreement shall include all revisions and/or other changes to this Agreement affecting wages, hours of work and/or other conditions of employment, resulting from the implementation of 20 U.S. Code 6316, Elementary and Secondary Education Act as revised in 2002.
- F. For the purpose of this agreement, bargaining unit member(s) and members shall mean the same.

- C. Not earlier than one hundred twenty (120) calendar days and not later than one hundred five (105) calendar days prior to the expiration date of the negotiated agreement, either party may notify the other in writing of a desire to commence bargaining. It is the responsibility of the parties to submit the appropriate notice/s in accord with R.C. 4117.

Topical lists of items proposed for negotiations ("laundry lists") shall constitute a clear failure of compliance and may be disregarded.
- E. Original proposals of both parties shall be in writing in language suitable for inclusion in the agreement.
- F. The bargaining procedure will be set at the initial meeting. All necessary subsequent meetings shall be held at times and places mutually agreed to by the parties. Either party may require, at each meeting, a decision on the date and time of the subsequent meeting.

- B. Impasse shall be considered to have occurred when agreement is not reached within forty-five (45) days prior to contract expiration. Upon declaration by either party that impasse has been reached, the moving party shall contact the Federal Mediation & Conciliation Service (FMCS) to request the services of a mediator whereupon mediation shall be initiated. This process shall continue until either party or the mediator determines that no further progress is attainable at this initial level of impasse whereupon:
- C. The parties shall request a list of arbitrators from the American Arbitration Association (AAA), the majority of which shall be from the state of Ohio. The AAA list shall contain only arbitrators who are able to serve within fifteen (15) days from selection. The AAA shall at the time of mailing the list to the parties, telephone the representatives of the parties with names on the list to facilitate the selection process. The selection of the arbitrator must be made within fifteen (15) days of the declaration of impasse.
- D. Representatives of both parties will have the authority to call witnesses, hold hearings and confer with either party to effect a recommendation.
- E. The arbitrator may attempt to mediate a resolution at any time during the process if representatives of the parties mutually agree to such mediation.

- F. The arbitrator shall make recommendations for settlement of the unresolved issues within twenty (20) days of the hearing. In making the recommendations, the panel shall take into consideration the factors noted in R.C. 4417.14G(7)(a)(f).
- G. The parties shall accept or reject the arbitrator's recommendation within fifteen (15) calendar days of receipt of the recommendations. If either party rejects the recommendations, the teams shall meet at least once within three (3) days after the above mentioned fifteen (15) day limit to attempt to reach a settlement.
 - 1. If a party fails to vote on the recommendations within the fifteen (15) days, that party shall be viewed as having accepted the recommendations.
 - 2. If either the Board or the Association rejects the recommendations, either party may publicize the findings of fact and recommendations of the fact-finding panel.

A complaint procedure provides a method for interpretation and application of personnel policies and practices.

- C. The "complainant" is the person or group of persons making the claim.
- D. "Days" shall mean actual working school days during the school year, and weekdays during summer vacation except holidays.

4.3 Complaint Procedure

- A. Step One: Informal Step with Supervisor
 - 1. The complainant shall present the complaint orally to the immediate supervisor within ten (10) working days after the complainant has knowledge of the fact which gave rise to the complaint.
- B. Step Two: Formal Step with Supervisor
 - 1. If the discussion does not resolve the complaint, the complainant shall present this complaint in writing by fully completing the Complaint Form within five (5) days after the discussion in Step One and submitting it to the building principal. The building principal or his/her designee will investigate the complaint, and the complainant may request a conference on the facts of the complaint. The request for conference will be noted on the form. Such conference will be held within seven (7) days. The building principal will reply in writing within seven (7) days.

E. Procedure for Appeal from Step Four

Within five (5) days after the receipt of the written disposition at Step Four, the complainant shall submit the Complaint Report Form Level IV to the Board President. The Board shall study the complaint and prior dispositions and shall provide to the parties its decision by the second regular Board meeting subsequent to submission of the complaint to the Board's President.

ARTICLE V---GRIEVANCE PROCEDURE

5.1 Purpose

The purpose of these procedures is to secure equitable solutions to grievances at the lowest possible level of administrator having authority to resolve the grievance.

5.2 Definitions

- A. "*Grievance*" is a claim of a unit member, a group of members, or the Association acting for a group of members that this agreement has been misinterpreted and/or misapplied.
- B. The term "*grievant*" or "*aggrieved*" shall include individual or groups of members of the bargaining unit, or the Association filing for a group represented by the recognized Association. All grievants within the group shall sign the grievance.
- C. "*Party in interest*" shall mean the person, or persons making the claim, including their designated representative as provided for herein, and any person or persons who might be required to act or against whom action might be taken in order to resolve the grievance.
- D. "*Days*" shall mean actual working school days during the school year, and week days during summer vacation except holidays.

5.3 Grievance Steps

- A. Step One - Informal Procedure:

1. If a member believes there is a basis for a grievance, the grievant shall first discuss the problem with the immediate supervisor. The intent is to resolve the problem informally at the lowest possible level, provided the remedy is not inconsistent with the negotiated agreement. Representation for either party at this level will not be permitted.

B. Step Two - Formal Procedure with Supervisor:

1. If the grievance is not resolved within seven (7) days of such informal meeting, the grievant may appeal his grievance within seven (7) days of such informal meeting by submitting a completed Grievance Report Form.
2. Copies of this form showing the date of the occurrence, a statement of the nature of the grievance, the provisions of this agreement allegedly violated, and the relief sought shall be submitted by the grievant to the immediate supervisor. Within five (5) days of receipt of the Grievance Report Form, the immediate supervisor shall meet with the grievant, in an effort to resolve the grievance. The immediate supervisor shall indicate the disposition of the grievance within five (5) days after such meeting by completing Step Two of the Grievance Report Form and sending copies to the appropriate parties. No additional information may be considered at any later step of this grievance procedure if it has not been presented at this step. Both the grievant and the supervisor may be represented at this step.

C. Step Three - Formal Procedure with Superintendent:

1. If the grievant is not satisfied with the disposition of the grievance at Step Two or, if no disposition has been made within the above time limits, the grievant may complete the Grievance Report form, Step Three, and submit the grievance along with the disposition from Step Two to the Superintendent and/or designee within five (5) days of receipt, the Superintendent and/or designee shall meet with the grievant. Within three (3) days of this meeting, the Superintendent and/or designee shall indicate in writing the disposition of the grievance by completing the portion of the Grievance Report Form and sending out the appropriate copies. No additional information may be considered at this step if it has not been presented at Step Two. Both parties may be represented at this step.

D. Step Four - Formal Procedure with Arbitrator:

1. If the grievant is not satisfied with the disposition of the grievance at Step Three, or if no disposition has been provided within the time limits specified in Step Three, the grievant may appeal the grievance to arbitration by completing the Grievance Report Form and filing the

same with the Superintendent within five (5) days of the meeting at Step Three.

2. If the Superintendent and/or designee and the grievant cannot agree as to the arbitrator, he/she will be selected from the American Arbitration Association in accordance with its Voluntary Labor Arbitration Rules then in effect. The arbitrator shall have the authority to consider only a single grievance or several grievances involving a common question of interpretation or application.
3. The arbitrator shall hold the necessary hearing promptly and issue the decision within such time as may be agreed upon, but not more than thirty (30) calendar days after the hearing. The decision shall be in writing and a copy sent to all parties present at the hearing. The decision of the arbitrator shall be binding on the Board, the Association, and the grievant.
4. The arbitrator shall not have the authority to add to, subtract from, modify, change, or alter any of the provisions of the negotiated agreement, nor add to, detract from, or modify the language therein in arriving at a determination of any issue presented that is proper within the limitations expressed herein. The arbitrator shall expressly confine himself/herself to the precise issue/s submitted to him/her or to submit observations or declarations of opinion which are directly essential in reaching the determination.
5. The costs and expenses of the arbitrator and the American Arbitration Association shall be shared equally by the Board and the Association.

5.4 Time Limits

- A. The number of days indicated at each step is considered a maximum. The time limits specified may, however, be extended by written-mutual agreement of the parties in interest.
- B. If a bargaining unit member does not file a grievance in writing or meet informally under 5.3A within seven (7) school days after the act or conditions on which the grievance is based, then the grievance shall be considered waived.
- C. If a decision on a grievance is not appealed within the time limits specified at any step of the procedure, the grievance will be deemed settled on the basis of the disposition at that step and further appeal shall be barred.
- D. Failure at any step of these procedures to communicate the decision on a grievance within the specified time limits shall permit the grievance to proceed to the next step.

- E. All notices of hearing, dispositions of grievances, written grievances, and appeals may be mailed, and shall be deemed to be received three days after postmarked. If hand delivered, the date received and initials of the official shall be recorded thereon.

5.5 Rights of Grievant and the Association

- A. A grievant may have representation of his/her own choice at all steps of the grievance procedure, except at the informal step, and except that a grievant may not have representation at a grievance meeting where that representative is an officer or employee of any teachers' organization not recognized as the exclusive negotiations representative. The person against whom a grievance is filed may also have representation at all steps except the informal one.
- B. Both parties shall provide notification within a reasonable time prior to the grievance meeting of the fact that a representative will attend the grievance meeting.
- C. The Association shall receive advance notice of each formal grievance meeting held to resolve the formal grievance and shall be given a copy of the recommended disposition of such grievance at each step of the grievance procedure. Such written notice and disposition shall be made at the same time and in the same manner as such notice or disposition is required to be sent to the grievant.
- D. Expenses of attendees other than administrative representation will not be paid by the Board, nor will the attendees be excused from their regular duties in order to attend any of the grievance meetings unless excused by the Superintendent. Staff members whose attendance is required by the arbitrator will be excused by the Superintendent.
- E. The fact that an employee files a grievance shall not be recorded in his/her personnel file or in any file used in the transfer, assignment, or promotion process; nor shall such fact be used in any recommendation for re-employment or recommendation for other employment; nor shall the grievant, the Association or its officers be placed in jeopardy or be the subject for reprisal or discrimination for having followed this grievance procedure.
- F. If a grievance appears to rise from the actions of an authority higher than the principal of a school and affects a group or class of teachers, or is a system-wide concern, it may be submitted at Step III.
- G. All parties agree that proceedings shall be kept confidential.

- H. The Association is not bound by this contract in using its discretion in determining at any level of the grievance procedure to withdraw or maintain support of a grievance, and shall have the sole authority to advance grievances to arbitration.

5.6 Miscellaneous

- A. Nothing contained in this procedure shall be construed as limiting the individual right of a member having a complaint or problem to discuss the matter informally with members of the administration through normal channels of communication. However, the Association shall be entitled to have representation of its choice at all meetings involving the formal Grievance Procedure. There shall be no resolutions of grievances at any level of this Grievance Procedure which shall be inconsistent and/or conflict with the terms and conditions of this Negotiated Agreement.

ARTICLE VI---OTHER CONDITIONS OF EMPLOYMENT

 - a. To the extent possible, persons affected by a reduction in force will be kept to a minimum by not employing replacements for employees who retire, resign, or whose limited contracts are not renewed.
 - b. The Association will make every effort to encourage bargaining unit members to notify the office of the Superintendent or designee in writing of his/her intent to request leave, retire, return from leave, or resign.

- a. Board approved leaves of absence will not interrupt seniority, but time spent on such leave shall not count towards seniority.
 - b. If two or more members have the same length of continuous service, seniority will be determined by:
 1. The date of the Board meeting at which the member was hired and by;
 2. The date the member signed the initial contract in the district, and then by;
 3. Any remaining ties will be broken by the Superintendent's review of recent evaluation and judgment regarding the best interests of the district.

A member so affected may elect to displace another member who holds the lowest rated position on the seniority list in another area of certification provided he/she holds a valid certificate in the area and unless:

- a. He/she elects to displace another member who teaches advanced science, advanced math, or advanced foreign language, then he/she must have taught those subjects for at least one hundred and twenty (120) days in the last five (5) school years immediately preceding the date of reduction, unless remediation in course subject is obtained or the member demonstrates adequate proficiency in the area to be taught.
 - b. Notice of intent to displace must be made within ten (10) calendar days of receipt by the member of notice that his/her contract will be suspended. The ten (10) days include date of receipt of notice.

Each unit member is required to respond by certified mail to the district office as to whether or not the position will be accepted. The highest rated and most senior of those from the recall list responding will be given the vacant position. Any unit member who fails to respond or who declines to accept the position within ten (10) calendar days will forfeit all recall rights.
 - e. A unit member on the recall list, upon acceptance of a position, shall return to active employment status with the same seniority, accumulation of sick leave, and salary schedule placement as he/she enjoyed at the time of the layoff.

 - g. Where group life/health insurance policies permit, a unit member whose contract has been suspended may continue to participate in those benefits. Unit members may maintain their health insurance provided they assume the cost of COBRA rates for that insurance.
8. These procedures apply only to the suspension of contracts for reasons as set forth in 6.3(B). This Article shall not require the Board to fill any vacancy, nor shall it interfere with any other lawful personnel practice in the District.

Teacher Performance Evaluation Rubric

The *Teacher Performance Evaluation Rubric* is intended to be scored holistically. This means that evaluators will assess which level provides the best *overall* description of the teacher. The scoring process is expected to occur upon completion of each thirty (30) minute observation and post-conference. The evaluator is to consider evidence gathered during the pre-observation conference, the observation, the post-observation conference, and classroom walkthroughs (if applicable). When completing the performance rubric, please note that evaluators are not expected to gather evidence on all indicators for each observation cycle. Likewise, teachers should not be required to submit additional pieces of evidence to address all indicators. The professionalism section of the rubric may use evidence collected during the pre-observation and post-observation conferences as well as information from the Professional Growth and/or Improvement Plan (if applicable).
