ARTICLE 3 – NEGOTIATIONS PROCEDURE

3.01 Subjects of Negotiation

- A. The Board and the Association will negotiate in good faith on all matters pertaining to wages, hours, or terms and other conditions of employment and the continuation, modification or deletion of an existing provision of this Agreement.

3.02 Requests for Negotiation

- A. If either of the parties desires to negotiate any subject covered by Section 3.01 of this Agreement, it shall notify the other party in writing between ninety (90) days to sixty (60) days prior to the expiration of this Agreement. Notification in writing from the Association shall be served on the Superintendent, and notice from the Board shall be addressed to the President of the Association.

ARTICLE 4 – GRIEVANCE PROCEDURE

4.01 Purpose

The purpose of the grievance procedure is to secure, at the lowest possible administration level, equitable solutions to grievances.

4.02 Definitions

- A. A "grievance" is any alleged violation, misinterpretation or misapplication of any provision(s) of this Agreement, or the discipline or discharge of an employee.
- B. The "grievant" shall mean an employee, the Association, or group of employees. A grievance alleged to be a "group" grievance is that which affects a specific group of bargaining unit members (e.g., elementary school custodians, etc.). All group grievances must identify, on the grievance form, the specific group of employees

seeking redress. In the case of a group grievance, the grievance form shall be signed by the Association President.

- C. The word “day” or “days” shall mean week days exclusive of Saturdays, Sundays, holidays and calamity days.

4.03 Time Limits

Grievances shall be processed rapidly. The number of days indicated at each step of the established procedure shall be maximum, unless extended by mutual consent of the parties at each step. If the grievant fails to meet time maximums the grievance cannot be advanced to the next step, will be considered waived, and cannot be refiled. If the Administration/Board fails to meet the time maximums or to follow the negotiated grievance procedure as per the contract, the grievant may proceed to the next step.

4.04 Miscellaneous

- A. All dispositions, except at the informal level, shall be in writing.
- B. The grievant shall have the right to Association representation at all steps of the grievance procedure (formal and informal). The Association Representative at the informal step must be an employee of the Board unless the grievance involves discipline or discharge.
- C. If meetings between the grievant and a Board representative to discuss a grievance as required by this procedure are held during the workday of the grievant or his/her Association Representative, they shall suffer no loss of pay or benefits as a result of participation in such meetings.
- D. The Association shall be afforded the opportunity to be present at grievance adjustments.
- E. The Association President shall be given copies of all written grievances and adjustments of grievances.
- F. No reprisals shall be taken against any employee initiating or participating in the grievance procedure.
- G. A grievance involving issues which the immediate supervisor does not have authority to change shall be filed initially at Step Three.

4.05 Procedure

- A. STEP ONE:

Informal Procedure

A grievant shall first discuss his/her grievance with his/her principal or other immediate supervisor in an effort to resolve the matter informally.

B. Formal Procedure

STEP TWO:

If a grievance is not resolved under Step One, the grievance and relief sought shall be reduced to writing and filed with the immediate supervisor not later than twenty (20) days after the grievant becomes aware or reasonably should have been aware of the matter giving rise to the grievance. Within five (5) days of receipt of the written grievance, the immediate supervisor shall meet with the grievant, and within four (4) days of the meeting shall indicate his disposition of the grievance in writing to the grievant and the Association.

STEP THREE:

If the grievance is not resolved at Step Two, the grievant may within ten (10) days after receipt of the Step Two written disposition file the grievance with the Superintendent. Within six (6) days thereafter, the Superintendent shall meet with the grievant. Within five (5) days following the meeting the Superintendent shall give the grievant and the Association in writing the Step Three disposition of the grievance which shall include rationale in support of the disposition.

STEP FOUR:

If the grievance is not resolved in Step Three, the grievant may within ten (10) days after receipt of the Step Three written disposition, file the grievance with the Board. Within ten (10) days of receiving the grievance the Board shall notify the grievant and the Association of the date and time of the hearing before the Board. The Board hearing shall be held no later than thirty (30) days after receipt of the grievance.

Within ten (10) days following the hearing, the Board shall give the grievant and the Association the Step Four disposition.

This Step may be waived by mutual agreement of the Association and the Board in favor of moving the grievance directly to Step Five.

STEP FIVE:

If the Association is not satisfied with the disposition in Step Four, the Association may file a demand for arbitration with the American Arbitration Association within ten (10) days of receipt of the Step Four disposition. A copy of the Demand to Arbitrate shall be sent to the Board.

The parties shall select an arbitrator in accordance with the voluntary rules of the AAA.

The arbitrator shall hold the necessary hearing promptly and issue the decision within such times as may be agreed upon. The decision shall be in writing and a copy sent to all parties present at the hearing. The decision of the arbitrator shall be binding on the Board, the Association and the grievant. The arbitrator shall not have the authority to add to, subtract from, or modify any of the provisions of this collective bargaining agreement, nor add to, subtract from or modify the language

therein in arriving at his decision on the issue presented. The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to decide any other issue(s) not so submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching his/her decision.

A copy of the ruling shall be sent to all parties at the hearing. The costs for arbitration shall be borne equally by the Association and the Board, except that each party shall bear the cost of its own representatives.

ARTICLE 5 – ASSOCIATION RIGHTS

5.01 Use of Buildings

- A. The Association shall have the right to use school buildings without charge for Association meetings after the employees' work day at times when the custodian is normally on duty. If the Association is given permission to hold a meeting at times when the custodian is not present, the building principal will determine what charges will be made for custodial time or other services and will provide the Association with an estimate of these charges prior to the meeting.

- C. The Association assumes financial responsibility for loss or damage to school equipment which is caused by Association use.
- D. The Association may use the inter-school mail service. All applicable postal regulations will be adhered to. The Association will pay all actual costs incurred by the Board if the Board is required to charge for this privilege.
- E. Board provided bulletin boards in building office areas shall have designated sections for Association use.

The Board will agree to enroll the legally dependent children of bargaining unit members' tuition free in the District provided:

1. The District has in existence the required educational program and staff to which the child or children must be assigned;
2. Enrollment will not cause class size to exceed the limits established by the Board for intra-district transfers and/or enrollments;
3. The child or children comply with Board and Administration policies, rules and regulations governing the conduct of students;
4. The member provides their transportation;
5. The member agrees to have their child or children assigned to another building should enrollment in the attendance center to which they are assigned require it;

ARTICLE 6 – SICK LEAVE

- 6.01 Employees shall accumulate sick leave credit at the rate of 1 1/4 days per month to a total of fifteen (15) days per year. Accumulation shall be two hundred thirty (230) days. Notwithstanding the amendment of ORC Section 3319.141 in 2011 and Article 40, Section 40.01 of this Agreement, sick leave for regularly employed part-time employees will continue to be credited in accordance with the parties' past practice.
- 6.02 A newly-employed employee who transfers from employment with another public agency in the State of Ohio shall be credited with the unused balance of sick leave from the previous employer, up to a maximum of two hundred twenty (220) days.
- 6.03 Newly-employed employees who have no accumulated sick leave, or employees who exhaust their accumulated sick leave, shall be credited with up to five (5) days sick leave one (1) time per school year. If an employee ends Board employment using advanced sick leave and not earning same, then the per diem amount shall be deducted for said unearned sick leave from the last pay check issued by the Board.
- 6.04 Sick leave may be used for absence due to personal illness, injury, exposure to contagious disease and illness, injury, or death in the employee's immediate family.

- A. Use of sick leave for death in the immediate family shall not exceed three (3) days per occurrence. The Superintendent may grant additional days if necessary.
- B. Use of sick leave for illness or injury in the immediate family shall not exceed five (5) days per occurrence. The Superintendent may grant additional days if necessary.

6.07 Employees returning from sick leave are required to submit to their immediate supervisor a signed written statement on forms prescribed by the Board justifying the use of sick leave. 0	\$300
1	\$200

An additional bonus of \$150 will be paid to bargaining unit employees still having personal leave days and not using personal leave/sick leave in May or June. The District's Treasurer will be responsible for keeping track of which bargaining unit members are eligible for the bonus.

Partial year employment will be prorated based upon the number of work days in the job classification. Employees must be employed at least 50% of the school year to be eligible for this benefit.

- 6.09 The Board and the Association agree to administer a Sick Leave Bank (“Bank”) according to the following requirements:
- A. An annual enrollment period shall be established between September 1 and September 15 for each employee to voluntarily donate not more than three (3) days of accumulated, but unused, sick leave to the Bank. The Bank must have not less than twenty-five (25) days at the end of the enrollment period as a condition of its operations during that school year. All employees who have not previously joined shall be given the opportunity to do so during the next enrollment period.
 - B. New employees hired after September 15 may enroll by donating one (1) sick leave day to the Bank within thirty (30) days after their date of hire.
 - C. A Committee comprised of the Superintendent (or designee), the Association President (or designee), and one (1) administrator chosen by the Superintendent, and one (1) bargaining unit member chosen by the Association President shall administer the Bank. The Committee shall develop the approved form and shall approve applications at its discretion. The Superintendent (or designee) shall serve as chairman.
 - D. Employees who have exhausted all of their sick leave accumulation and all other available paid leave, who have a serious or catastrophic illness, and who have contributed to the Bank may request sick leave days from the Bank. If an employee is medically incapable of making such a request, the request may be submitted by the Association president. The term “serious or catastrophic illness” for this purpose means a life-threatening or disabling long-term illness or injury that requires a substantial recovery period.
 - E. Approved employees shall be granted up to a maximum of forty (40) days from the Bank. The Committee may grant up to an additional ten (10) days for a maximum of fifty (50) days per person, per lifetime.
 - F. Members of the Bank shall be required to provide documentation to the Committee confirming a serious or catastrophic illness and an urgent need for leave days.
 - G. Absences due to alcohol and/or substance abuse of any kind shall not be considered appropriate reasons for application approval.
 - H. The Bank shall not be used as a means for increasing retirement compensation and/or severance pay.
 - I. Employees receiving sick days from the Bank shall be required to repay the Bank at the rate of one (1) day a year for five (5) years. Except in a case of layoff or medical disability, if the employee’s employment with the Board severs for any reason prior to full repayment, the Board will recoup the value of any day(s) not repaid from the employee’s final pay.

- J. Should the Bank be terminated, the days in the Bank will be redistributed on a pro-rated basis to those who contributed.
- K. Unused days contributed to the Bank will be carried over from one school year to the next. The Committee shall provide to the Association and the Board an annual report which includes the total number of accumulated days in the Bank, as well as the names and number of days each member donated. The report shall also include the total number of days that were granted to employees, and who received them.

ARTICLE 7 – PERSONAL LEAVE

9.02 Whenever an employee is absent from school as a result of personal injury, excluding mental anguish, caused by an assault arising out of and/or in the course of his or her employment, he or she shall be paid his or her full wages for the period of such absence for up to one calendar year without having such absence charged to the annual sick leave or accumulated sick leave. Any amount of salary payable pursuant to this section shall be reduced by the amount of any Workers Compensation awarded for temporary disability due to the said assault injury for the period for which such salary is paid. The Board shall have the right to have the employee examined by a physician designated by the Board for the purpose of establishing the length of time during which the employee is temporarily disabled from performing his/her duties; and in the event that there is no adjudication in the appropriate Workers Compensation proceedings for the period of temporary disability, the opinion of the said physician as to the said period shall control.

If the employee gives at least a three (3) day advance notice, approval by the immediate supervisor will not be withheld in the absence of extraordinary circumstances. It is mutually understood that approval will in no event be given for a day during the period from May 1 through June 10 or if approval of the day, coupled with approved personal leave for that day under Article

ARTICLE 14 – VACATION

- 14.01 Each full-time (12-month) nonteaching school employee, including full-time hourly rate and per diem employees, after service of one (1) year with the Board shall be entitled during each year thereafter while continuing in the employ of the Board to vacation leave with full pay for a minimum of ten (10) days.

Such employees shall be paid at this double time rate for not more than a total of five (5) calamity days within a particular school year. Notwithstanding the foregoing language, should the sheriff declare a Level 3 emergency in a county in which a district school is located, an employee who works at that school is not required to report to work during the shift in which the Level 3 emergency occurs.

In addition, any hours worked on a calamity day which was forgiven by the State Department of Education shall be paid at the double time rate. All employees affected by this clause shall be required to return to work when the number of State defined calamity days have been exhausted.

- 15.03 This time worked shall not be regarded as overtime, nor compensated for as such.
- 15.04 The immediate supervisor shall determine which employees are required to work on calamity days and the duration of such scheduled work. Day shift employees shall be

- 15.05 With respect to an extracurricular activity scheduled on a calamity day, which extracurricular activity falls outside the regularly scheduled work hours of the employees required to work on such calamity day, the immediate supervisor shall determine which custodians are required to work with the further understanding that such determination will be on a rotation basis by classification seniority.

The employer, on a monthly basis, shall transmit to the Association a single check in the amount of all dues so deducted.
- 17.02 Association membership is annual with the membership year being September 1 through August 31. Once a member enrolls such membership will be continuous thereafter for each subsequent membership year unless the individual cancels membership. An employee may cancel membership by submitting to the District Treasurer a written withdrawal of dues deduction authorization at least fourteen (14) calendar days prior to the date upon which the employee directs that payroll deduction cease. Within five (5) days of receipt of such request, the Treasurer will notify the Association President of the names(s) of the employee(s) affected.

A. District Seniority shall be defined as the length of regular employment by an employee with the Board as computed from the employee's most recent date of hire.

B. Job Classification seniority shall be defined as the length of regular employment by an employee in a particular job classification as computed from the employee's date of entry into such job classification.

A. Employees approved for the following leaves of absence shall continue to have their seniority accrued while on such leaves:

- x. Leave under the Family Medical Leave Act (FMLA)

B. Upon return to work, all service credit accrued to an employee prior to the unpaid leave of absence shall be counted in computing seniority rights.

18.03 Employees who voluntarily resign or are discharged terminate their seniority.

18.04 Seniority shall take into account probationary periods in accordance with Article 18.

18.05 When an employee transfers or is reassigned to another classification, he/she retains his/her job classification seniority in his/her former classification.

ARTICLE 19 – PROBATIONARY PERIOD

- 19.01 Probationary periods shall be for the use by the Board to determine the fitness and adaptability of any new or transferred employee.
- 19.02 The probationary period for new employees shall be forty-five (45) scheduled work days.
- A. During such probationary period, new employees shall not have seniority rights.
 - B. Upon successful completion of the probationary period, new employees shall be granted seniority computed from their (initial) date of hire.
- 19.03 The probationary period for transferred employees who change job classifications, or who change job positions within the same classification, shall be fifteen (15) scheduled work days. It is mutually understood that a bus driver who moves from a regularly assigned route to a different assigned route will be subject to a five (5) day probationary period. However, the fifteen (15) day period may be shortened by the Superintendent upon receipt of a written request signed by the employee and the immediate supervisor. A copy of the Superintendent's written response will be provided to the employee, the immediate supervisor, and the Association President.
- A. Employees who transfer or are transferred from one job classification to another will not accumulate job classification seniority in their new job classification until completion of the probationary period.
 - B. During the probationary period, such employees will continue to retain seniority in their former job classification.
 - C. Upon successful completion of the probationary period, the employees will acquire seniority in the new job classification for all of the days of the probationary period.
 - D. At the completion of the probationary period, the employee may elect to return to his/her previous classification.

- 19.04 A probationary discharge for a newly-hired employee shall not be subject to the grievance procedure. A discharge, for an employee who has successfully completed the initial probationary period for new hires, shall be subject to the grievance procedure.
- 19.05 The provisions contained herein shall supersede ORC 3319.081 and, therefore, it will not be necessary to issue bargaining unit members individual employment contracts.

ARTICLE 20 – DISCIPLINE/DISCHARGE OF EMPLOYEES

- 20.01 No employee shall be demoted, suspended, or terminated except for violation of written rules and regulations as set forth by the Board or for incompetency, inefficiency, dishonesty, drunkenness, immoral conduct, insubordination, discourteous treatment of the public, neglect of duty, or any other acts of misfeasance, malfeasance, or nonfeasance.

20.02 Employees may only be disciplined for just cause and in compliance with the provisions of this Section.

1. Discipline will be administered in accordance with traditional principles of progressive discipline, recognizing that preliminary levels of formal discipline may be bypassed depending on the severity of the offense and/or the employee's prior record of discipline.
2. Forms of formal disciplinary action are:
 1. Written reprimand;
 2. Suspension without pay (imposed by the Superintendent or designee); and
 3. Termination (imposed by the Board).
3. It is understood that some cases may be dealt with informally and that such informal dispositions will not be recorded in the employee's personnel file.
4. An employee may draft a brief written rebuttal to a formal disciplinary action, which will be attached to the action and placed in the employee's personnel file.
5. Appeal of any formal disciplinary action shall be made exclusively through the grievance procedure appearing in Article 4 of this Agreement. Grievances resulting from discipline which incurs a loss of pay may be initiated at the Step Three of the procedure.
6. Employees are entitled to, but may choose not to have, Association representation at any investigatory or disciplinary conference.

20.03 The parties intend this Article to exclusively govern the discipline and termination of employees and to supersede and take the place of ORC Section 3319.081.

ARTICLE 21 – PERSONNEL FILES

21.01 The Board shall maintain an official personnel file for each employee in the administrative center. All items in the file shall show the date of filing. All documents in the file shall be signed or identified as to source. Any document(s) related to employee job performance other than evaluations as defined by Article 22 below, shall contain a signature acknowledging receipt by the employee. It is understood that such a signature is an acknowledgement of receipt only and does not constitute agreement or disagreement with the contents of the document.

21.02 Each employee has the right to examine his/her file. The employee may be accompanied by a representative. The file will be available within three (3) working days of an employee's request. The employee has the right to attach written comments to any item in the file.

21.03 The file shall not be removed from the administrative center by the employee. One (1) copy of each item in the file may be obtained at no cost. Additional copies may be obtained if the employee pays the reproduction cost.

21.04 Nothing in this Agreement shall prevent any administrator from maintaining a file system for personal use. Such a file shall not be part of the official personnel file as described in Section 21.01 above.

21.05 Each file shall contain a record of when and why the file was opened.

Exceptions to this provision are:

- A. The filing of items
- B. Obtaining information for required reports
- C. Routine personnel functions performed by central office employees

21.06 Items of reprimand placed in an employee's file will be reviewed by the employer after one year. If the reason for the reprimand is determined to be corrected by the Superintendent, the supervisor will attach a letter to the original reprimand indicating the problem has been corrected.

ARTICLE 22 – EVALUATION

22.01 The Board will maintain an evaluation process which shall require:

- A. One (1) written appraisal per school year by the employee's immediate supervisor who is outside the bargaining unit. In cases of extraordinary circumstances, the appraisal may be done by the Superintendent's designee instead of the immediate supervisor so long as the employee has had thirty work days' notice prior to the appraisal conference of who will be doing the evaluation.
- B. Identification of employee's strengths.
- C. Identification of any deficiencies.
- D. Suggestions for improvement.
- E. A conference between the evaluator and employee to review the appraisal.
- F. Opportunity for the employee to append a written statement to the appraisal document.

22.02 Neither the employee nor the Association may grieve the contents of the written appraisal.

22.03 Supervisors shall be trained in evaluation techniques. No discharge shall be invalidated based on alleged inadequate training of the evaluator.

22.04 A member will sign the evaluation form as follows:

I (agree) (disagree) with the evaluation
Signature _____

ARTICLE 23 – COMPLAINTS

- 23.01 If a public complaint regarding an employee’s work performance is considered by the supervisor to be substantial, then the immediate supervisor will meet with the employee to discuss the complaint and attempt to affect a resolution. The immediate supervisor or the employee may request a meeting between the employee, the complainant, and the immediate supervisor at a mutually convenient time.
- 23.02 If the complainant is not satisfied at the immediate supervisor level, it may be appealed to the Superintendent. Such complaints shall be put in writing and signed by the complainant. The Superintendent will meet with the employee to discuss the complaint and attempt to affect a resolution. The Superintendent or the employee may request a meeting between the employee, the complainant and the Superintendent at a mutually convenient time.
- 23.03 In the event the Administration desires to place the record of the conference held between the complainant, employee and immediate supervisor in the employee’s personnel file, the employee shall be notified in writing and be given an opportunity to write a rebuttal to such record for placement in the personnel file. If any resolved complaint is included in an employee’s file, the entry shall specify that the issue was resolved. No notation shall be made in the employee’s file of any anonymous complaint that does not require corrective action on the part of the employee. This paragraph does not prevent an administrator or supervisor from maintaining his personal notes.
- 23.04 An employee may be accompanied by a representative of his/her choosing at any level of the complaint procedure.
- 23.05 The parties recognize that they cannot require the attendance of a complainant at a meeting.
- 23.06 This Article does not restrict the Administration from commencing an investigation as to the authenticity of information related to a complaint. Such investigation may result in the initiation of discipline or discharge.

ARTICLE 24 – POSTING AND BIDDING

- 24.01 When new permanent positions become available, or daily hours in an existing bargaining unit position are increased by one (1) or more hours for at least six (6) consecutive weeks, or vacancies occur, notice of the vacancy including the number of hours will be posted within ten (10) working days. A notice shall be posted conspicuously in all school buildings and the bus garage for a period of five (5) working days. Any bargaining unit member may request the vacancy by sending written notice (bid) to the Superintendent.
- A. During the summer vacation for students, vacancy notices will be posted in the Board office. In addition, a copy will be forwarded to the Association President and to each member who expresses an interest in a different position or in a transfer in his/her letter of intent submitted to the Superintendent’s office March 1 of each year. This letter of intent shall include the following statement for employees to complete:

Please notify me of any vacancy(ies) in the following area(s):

Employees may apply for such vacancies by filing a written request with the Superintendent.

For vacancies occurring after August 1, until the first day of school, the Superintendent need only contact those bargaining unit members who have submitted a letter of intent for the position, and the position may be filled within forty-eight (48) hours. Any secondary vacancies may be filled in the same manner.

- B. Secondary vacancies which may arise from the award of a bid shall be posted in accordance with Section 24.01 and 24.01A, above.
- C. By March 1 of each year, available temporary positions for tractor mowing, lawn mowing, weed-eating, and bus cleaning shall be posted for bid. By June 1 of that same year, a second posting will be made restricted to only tractor mowing, lawn mowing, and weed-eating positions. This provision does not preclude the Administration from having these landscape functions performed by non-bargaining unit person provided that all bargaining unit members on the Board approved mowing list have been offered the required work first.
- D. By October 1 of each year, available temporary positions for snow removal shall be posted for bid.

24.02 The employee bidding on a vacancy who is qualified, as determined by the local Superintendent, to do the job and who has the greatest classification seniority shall be awarded the vacant position. (Note: The Head Cook, Second Cook and Cook Cashier shall be considered as all being in one classification for seniority purposes for cafeteria assignment and/or cafeteria transfer purposes only). In the event no bid is received from employees in the classification where the vacancy exists, the bidding employee who is qualified, as determined by the Superintendent, to do the job who has the greatest District seniority shall be awarded the vacant position.

- A. An employee is qualified for a position within the meaning of Section 24.02 above, if he/she is competent to perform the duties stated in the position description, in the opinion of the Superintendent.

24.03 In the case of identical seniority and qualifications of two employees, the tie should be broken by the following in the order stated: (1) date of the Board meeting hiring the regular employee, and (2) if that doesn't break the tie, then it shall be broken by using the sum of the last four (4) digits of the employee's social security numbers for the high number. If the summation of the social security numbers creates a tie, it shall be broken by the toss of a coin.

24.04 No member shall qualify for a second position which would require the Board to pay overtime on a regular basis.

24.05 An employee who involuntarily transferred into a classification with a lower rate of top pay shall be placed on the step in the new classification which results in the least loss of pay to the transferring employee; provided however, that the employee shall not be placed higher than the third step of the new classification.

24.06 The Superintendent will submit a copy of each posting to the Association President.

ARTICLE 25 – REDUCTION IN FORCE

Whenever the Board deems it necessary to reduce the number of employees due to lack of funds, lack of work, or the abolishment of a position, the following procedures shall apply:

25.01 To the extent possible, the number of bargaining unit members affected by a reduction in force will be minimized by not employing replacements for those employees who retire, resign or are discharged. It is recognized that attrition alone may not be sufficient to accomplish necessary reductions.

25.02 Reductions needed beyond those available as mentioned above, will be made by first laying off temporary employees and then regular employees. RIF employees shall be offered the first opportunity to fill substitute and temporary positions by District seniority.

25.03 The procedure to be used will be as follows:

- A. All members of the bargaining unit shall be placed on seniority lists according to classification. Prior to a reduction in force, the Board will notify the local Association President of the upcoming layoffs and necessity for it. The Board will also prepare a list of names, classifications, and seniority dates of all affected employees.
- B. All layoffs shall begin with the least senior employees within a classification and continue in inverse order of job classification seniority.
- C. A RIF employee(s) that has transferred from one classification to another classification may displace any employee from their current or previous classification provided the employee has less job classification seniority than the displaced employee. Subsequently, any employee who is displaced by a more senior employee shall also have the right to displace a less senior employee within the same classification. An employee entitled to bumping rights must notify the Board within two (2) work days if he/she intends to exercise this right.
- D. If two (2) or more employees subject to layoff have equal job classification seniority, the determination as to who shall be laid off will be made on the basis of the greater District seniority. If District seniority is equal, then the determination shall be made in the following order:
 - (1) date of Board meeting hiring the regular employee, and
 - (2) the sum of the last four (4) digits of the employee's social security numbers for the high number. If the summation of the employee's social security numbers creates a tie, it shall be broken by the toss of a coin.

25.04 The names of employees who are laid off in a reduction in force shall be placed on a recall list for up to twenty-four (24) months from the date of suspension. Those on the recall list shall have the following rights:

- A. Any employee who is laid off and is subsequently eligible for re-employment shall be notified in writing by the Board of an opening within their classification. Such

notices shall be sent by certified mail to the last address given the Board by the employee.

- B. Employees on the recall list will be recalled in reverse order of layoff (i.e., most senior) for vacancies.
- C. Any employee who fails to respond in writing to the Superintendent's office within ten (10) business days, or declines a full-time position, shall forfeit all recall rights.

25.05 The Administration will provide letters of recommendation for bargaining unit members affected by a reduction in force, and will attempt to provide other forms of assistance, where possible, upon request of the bargaining unit members.

ARTICLE 26 – COMMUNICATION COMMITTEE

26.01 Informal committees shall be established as an aid to communications between the staff and Administration. The membership on one (1) committee shall be the Superintendent (or his/her designee) and a maximum of three (3) persons appointed at the discretion of the Superintendent, plus the Association President (or his/her designee) and a maximum of three (3) persons appointed at the discretion of the Association President. In each building another committee shall be formed consisting of the building principal(s) and building Association representative(s).

26.02 These committees shall meet upon the request of the Administration or the Association.

26.03 The purpose of the committees shall be to aid in communications between both parties. The procedures shall consist of informal discussion aimed at clarifying issues or answering questions. The discussions held by these committees shall not be construed as negotiations nor as an official decision-making process. The discussions of these committees shall not result in modifications or additions to this Agreement.

26.04 The minutes of the building's meetings shall be sent to the Superintendent, Association President and Board members.

ARTICLE 27 – LUNCH HOUR/REST BREAKS

27.01 All employees who work six (6) or more hours per day are entitled to an unpaid one-half (1/2) hour uninterrupted break for lunch.

27.02 All employees who work more than a four-hour consecutive block of time shall be entitled to a fifteen-minute rest break during such four hours. This Section does not apply to bus drivers.

27.03 Bus drivers on an all-day field trip shall have lunch as paid time while on the trip.

ARTICLE 28 – CAFETERIA EMPLOYEES

28.01 The immediate supervisor for each cafeteria employee shall be the Director of Special Services.

28.02 Cafeteria Work Schedule

- A. The normal work hours and year for all cafeteria employees shall be:

Head Cook: Six (6) to seven (7) hours per day (inclusive of lunch). One hundred eighty-two (182) days per year (excluding holidays).

2nd Cook: Six (6) to seven (7) hours per day, one hundred eighty (180) days per year (excluding holidays).

Cook/Cashier: Two (2) to six (6) hours per day. One hundred eighty (180) days per year (excluding holidays).

- B. The regular number of hours per day of employees shall not be decreased during the school year except by mutual agreement of the employee and the Superintendent. The scheduling of those hours and rescheduling shall be a management decision, but shall not be done arbitrarily or capriciously. If the employee resigns, retires, dies, or is terminated during a school year, the Board may determine the regular number of hours for the replacement, if any. Between school years, the Board may reduce the regular number of work hours per day of the position, or abolish the position, for lack of funds or lack of work.
- C. The minimum daily cafeteria staffing for each building shall be sufficient to do the work required by the number and types of meals served. The scheduling of the hours shall be determined by the Administration. However, there shall be no arbitrary or capricious change in schedules.

28.03 Absences Covered

In the event of the absence of a cafeteria employee, the cafeteria employee in the affected building with the next highest number of scheduled work hours will substitute for the absent cafeteria employee. This progression will continue until the absence to be covered is the position with the lowest number of scheduled work hours. This absence will be covered by a substitute. This paragraph will only apply when there is more than one cook reporting in a building.

28.04 Banquet Rate

Cafeteria employees will be paid at the regular rate of pay for working special events or banquets.

28.05 Aprons and Towels

The Board, at its expense, will provide each cafeteria employee with his/her own supply of durable aprons, hair nets, and any Board-required protective clothing.

- 28.06 The Board will not change its existing practice of allowing cafeteria employees to consume food prepared in the kitchen.

29.02 Schedules

The regular number of hours per day of an employee shall not be decreased during the school year except by mutual agreement of the employee and Superintendent. The scheduling of those hours and rescheduling shall be a management decision, but shall not be done arbitrarily or capriciously. If an employee resigns, retires, dies or is terminated during a school year, the Board may determine the regular number of hours for the replacement, if any. Between school years, the Board may reduce the regular number of hours per day of a position(s) for lack of funds or lack of work.

ARTICLE 30 – PARAPROFESSIONALS

30.01 Supervision

The immediate supervisor for each paraprofessional shall be the building principal.

30.02 Schedules

The regular number of hours of an employee shall not be decreased during the school year except by mutual agreement of the employee and Superintendent. The scheduling of those hours and rescheduling shall be a management decision, but shall not be done arbitrarily or capriciously. If an employee resigns, retires, dies or is terminated during a school year, the Board may determine the regular number of hours for the replacement, if any and state same when job is posted. Between school years, the Board may reduce the regular number of work hours of a position(s) for lack of funds or lack of work.

30.03 Summer School Work

Summer school paraprofessional positions will be posted and any paraprofessional agreeing to work during summer school shall be compensated according to their current rate of pay according to the Paraprofessional pay scale in this Agreement. The filling of summer school paraprofessional positions will be based on seniority beginning with the most senior applicant and proceeding to the least senior applicant, with the further understanding that an applicant with documented performance problems during any of the immediately preceding three (3) summers may be by-passed.

30.04 A paraprofessional who is required by his/her supervisor to work beyond the regularly scheduled work day must submit to the Treasurer, a supervisor-approved time sheet, within three (3) work days of the end of the pay period in which the day was worked. The time sheet must accurately record such additional time worked and the employee will be

compensated for such additional time at the employee's regular rate (unless by operation of law, an overtime rate applies.)

ARTICLE 31 – CUSTODIAL EMPLOYEES

31.01 Supervision

The immediate supervisor for each custodial employee shall be the Maintenance Supervisor. However, the building principal will have secondary supervisory authority. The Maintenance Supervisor and/or principal may modify the employee's daily work routine in order to complete special projects or address emergency situations.

31.02 Schedules

The regular number of hours per day of an employee shall not be decreased during the school year except by mutual agreement of the employee and Superintendent. The scheduling of those hours and rescheduling shall be a management decision, but shall not be done arbitrarily or capriciously. If an employee resigns, retires, dies or is terminated during a school year, the Board may determine the regular number of hours for the replacement, if any. Between school years, the Board may reduce the regular number of work hours per day of a position(s) for lack of funds or lack of work.

31.03 Uniforms

The Board shall provide custodial employees with work uniforms. The Association agrees that such uniforms will be worn properly during all working hours. The Board shall provide for and pay the cost of laundry service for the uniforms.

31.04 Overtime shall be offered to all custodians and assigned on a rotating basis in accordance with classification seniority. Custodians refusing assigned overtime will be placed at the bottom of the seniority rotation list. A custodian can choose not to be on the list for a school year (July 1–June 30) by giving written notice to the Superintendent (or designee) of that choice prior to July 1. If such notice is received on or after July 1, the custodian will be removed from the list for the remainder of the school year.

31.05 It is mutually understood that there is no obligation to contact a custodian on vacation or other approved leave should an overtime opportunity arise. The supervisor's obligation is to try in good faith to contact the custodian whose name comes up on the rotation list established under Section 31.04 at least one (1) time.

31.06 In the event a custodian is absent from work, then other custodians working in the same building shall be offered, on a classification seniority basis, the opportunity to temporarily work in the absent employee's position.

31.07 A custodian shall be scheduled to work when school buildings are being used for banquets. When overtime work for other events within the District is authorized, the following principles apply;

- A. If the event is being held inside a school in the District, the overtime will be assigned to the custodians who regularly work in the building in which the event is being held.

- B. If the event is being held outside a school, the overtime will be assigned to the custodians who regularly work in the building that is sponsoring the event.
- C. If the event is a multi-school event, the overtime will be divided equally among the custodians of the building that are sponsoring the event. In the event only one (1) or an unequal number of custodians are required in order to accommodate at least one (1) custodian from the sponsoring buildings, the overtime will be rotated between the buildings.
- D. If the outside event is a District-wide event, the overtime will be assigned based upon the District overtime list. The assignment of all overtime will be carried out in accordance with Section 31.04 of this Article.

1. All bargaining unit members, who possess a current CDL, and who desire to drive extra trips shall sign a list on or before the first day of the school year. It is understood that an employee who is not a regular bus driver but who signs the list is eligible to take only those trips that do not interfere with the employee's completion of his/her regularly assigned job duties. Drivers hired after the first day of the school year shall have the right to have their name placed on the extra trip list.
2. The drivers' names shall be placed on the list by seniority. Seniority shall be determined by the most recent date of entry into the bus driver classification.
3. Field trips will be numbered sequentially and dated by the Director of Special Services.

4. The Director of Special Services shall maintain a board in the transportation office that only lists all numbered and dated field trips that will occur within the next eighty (80) calendar days. The selection of field trips by regular bus drivers shall occur as follows:
 - a. Drivers shall choose one (1) trip at a time on a rotation basis beginning with the most senior driver and continuing to the least senior driver. Trips are to be chosen within one (1) working day (6 hours) of being listed. A driver cannot choose a trip that conflicts with the driver's ability on the day in question to perform and complete his/her second District job (if the driver has a second position in a different classification.)
 - b. If a driver refuses to choose a trip, then choosing that trip shall fall to the next senior driver. However, the driver who refuses a trip shall be kept in the seniority rotation unless he/she notifies the Director in writing on the required form that he/she does not want to be considered for field trips for a specified period of time; the form will include a provision for the driver to submit a signed reminder to the Director five (5) to ten (10) work days in advance of the date of his/her reinstatement to trip eligibility, and it is understood that such reinstatement will not affect any trip already assigned. A driver may not use the form to opt out of trip eligibility more than once during a school year.
5. The Director of Special Services shall also have a "short list" posted on the board maintained in the transportation office under Paragraph 4 above. The "short list" shall consist of those trips received by the Director that need to be scheduled or re-scheduled in less than a twenty-four (24) hour period. Field trips appearing on the "short list" shall be assigned on a rotation basis by seniority starting with the next regular driver on the field trip list as stated in Section 33.01, Paragraph A. 1. above. "Short list" trips include:
 - a. New trips
 - b. Cancelled trips that need to be re-scheduled; and
 - c. Turned in trips (trips that a driver is unable to drive)
6. If the Director of Special Services has less than twelve (12) hours advance notice of a trip, or the need for a driver to drive a trip, it is recognized that the Director may assign the trip to whomever is available and willing to take it.
7. It is the responsibility of a driver to notify the Director of Special Services as soon as possible if he/she is unable to drive a trip he/she has chosen. A driver may not turn in a trip unless an unforeseen circumstance occurs after the driver chose that trip that makes driving the trip a genuine hardship.
8. Trips that are cancelled must be listed as cancelled on the board in the transportation office. Trips cancelled and rescheduled within two (2) hours will be kept by the assigned driver. Any driver who is assigned a trip that

is canceled shall have his/her name placed at the top of the list for the next available trip.

9. If a trip is cancelled within one (1) hour from the time it is scheduled to depart, the driver for that trip is guaranteed a minimum of one (1) hour of pay at his/her hourly rate. This provision applies only to trips scheduled to depart outside of the driver's normally scheduled hours.
10. Round trips that conclude in one (1) day shall be taken by the same driver (i.e., will not be "split").
11. The trading of chosen and assigned trips by drivers is not permitted.

B. Four (4) hours additional pay at the end of the school year may be granted for the inside clean-up of busses. Such cleaning shall take place no later than three (3) working days following the end of the school year. A driver who works summer school and is assigned the same bus he/she drove during the school year is responsible for cleaning it at the end of summer school. If the driver is assigned a bus other than the one he/she drove during the school year, then whoever is assigned to clean this bus at the end of summer school will receive up to four (4) additional hours pay. Cleaning shall have the approval of the Director of Special Services.

C. Posting of Extra Trip Assignment List

On a bi-weekly basis the Director of Special Services shall post in the bus garage a listing of all field trips including the date, assigned driver, trip number, activity, destination, departure time, and estimated return time.

D. Paid bus-routing time includes 15 minutes of pre-trip inspection.

33.02 Transportation Assistant/Substitute Bus/Van Drivers

Currently employed transportation assistant/substitute bus/van drivers shall be used as substitutes (on a rotating basis) for all pre-approved leaves and field trips. In addition, transportation assistant/substitute drivers will be offered first opportunity to substitute when regular drivers notify the transportation supervisor by the close of the administrative center that they will be absent the following day.

33.03 Salary

All bus/van drivers will receive an annual salary based upon the length of their routes (hourly rate x number of hours [minimum of four] x number of days). Routes shall be established by September 30 of each school year and once established will remain the same for the remainder of the year. However, routes may be reviewed twice during the school year at the request of the driver or the Director of Transportation.

A bus/van driver who is required to work beyond his/her regularly scheduled work hours must submit to the District Treasurer, a time sheet recording such additional time worked. The employee's supervisor will only approve additional time required and spent for the purpose of preparing student discipline write-ups, meetings with the parents and/or

administrators, and delays caused by breakdowns, pre-school and kindergarten drop-off, inclement weather, and/or bad road conditions.

- 33.04 All regular bus/van drivers hired on or after January 1, 2014, who have been employed for at least one (1) year from their date of hire, shall be reimbursed for all bus/van driving testing and training fees except that reimbursement will not be made for any failed test. Such reimbursement for actual cost shall be paid within thirty (30) days of submission of appropriate documentation to the District Treasurer, and shall in no event exceed a total of \$150.00.

ARTICLE 37 – SERS PICK-UP

37.01 The Board shall pick-up the employee's contribution to the SERS using the salary reduction method of pick-up. This method permits the Board to provide more take-home pay to its employees without additional cost to the Board.

- A. The amount to be picked-up shall be equal to the employee's required contribution to the SERS. The employee's annual compensation shall be reduced by an amount equal to the amount picked-up by the Board for the purpose of State and Federal tax only.

- F. If the foregoing "pick-up" provisions are nullified by subsequent Internal Revenue Service Rulings, Ohio Attorney General Opinions, or other governing regulations, the Board will be held harmless and this Article of the Agreement shall be declared null and void. The Board shall then return to the former method of employer/employee retirement system contribution as soon as necessary.

ARTICLE 38 – SALARY SCHEDULE

38.01 Schedule

All bargaining unit employees shall be paid according to the indexed salary schedule in Appendix “A” in this Agreement and related provisions of this Article as follows:

Effective July 1, 2019, all hourly rates on the salary schedules in effect as of June 30, 2019, shall increase by twenty-three cents (\$0.23).

Representatives of the parties will meet no later than May 4, 2020 for the purpose of bargaining salaries for the 2020-21 school year. If bargaining under this reopener provision does not result in a tentative agreement on salary issues by May 29, 2020, or such alternative date as the parties’ bargaining teams may mutually agree upon, the impasse procedure appearing in Article 3, Section 3.09. of this Agreement will apply.

38.02 Placement

Upon initial employment, employees shall be placed on the salary schedule at the zero step. Current employees who transfer to a classification on which they previously worked shall be credited with all experience earned while working in that classification. Absent any such experience upon transferring, they shall be placed at the zero step. A year’s experience shall consist of at least 120 actual work days.

Building principals will attempt to equitably rotate overtime in each building (see Article 31). Sunday work will be compensated at double time (2x) the regular hourly rate.

39.02 Employees shall be compensated in accordance with the overtime provisions of the Fair Labor Standards Act for work performed in a work week (12:01 A.M. Sunday through

11:59 P.M. the following Saturday). Board approved holidays which fall within the employee's work week shall be counted as a day worked in computing hours for overtime purposes. Also, employees required to work part-time on a calamity day shall count that day as a full day worked in computing hours for overtime purposes. Employees not called into work on a calamity day shall not count the calamity day for overtime purposes.

- 39.03 Compensatory time, in lieu of pay at the overtime premium rate, for authorized overtime hours worked may be taken at the option of the employee. The following principles apply to any such compensatory time:
- A. Compensatory time is credited at the rate of one and one-half (1 1/2) hours for each hour of authorized overtime worked.
 - B. All authorized overtime hours worked must be documented by time sheet, signed by the employee and approved by the principal/supervisor, and submitted each pay period. If the option for compensatory time is not checked on the time sheet, the overtime hours will be paid in accordance with Sections 39.01 and 39.02 of the Article.
 - C. Unless otherwise mutually agreed by the employee and principal/supervisor, compensatory time must be used within the fiscal year in which it is earned or such time will be paid in accordance with Sections 39.01 and 39.02 of this Article. A 3-day advance notice will be given by an employee to the principal/supervisor, whose approval of the employee's preference as to when to take compensatory time will not be unreasonably withheld.

ARTICLE 40 – ENTIRE AGREEMENT/WAIVER OF NEGOTIATIONS

- 40.01 This Agreement supersedes and cancels all previous agreements, verbal or written or based on alleged past practices between the Board and the Association and constitutes the entire agreement between the parties. Any amendment or agreement supplemental hereto shall not be binding upon either party unless executed in writing by the parties hereto.
- 40.02 The Board and the Association acknowledge that during negotiations resulting in this Agreement each party had the right and opportunity to make demands and proposals with respect to any negotiable matter and that this Agreement was arrived at by the parties after the exercise of that right and opportunity. The Board and Association voluntarily waive, during the life of this Agreement, said right and each agrees that the other shall not be obligated to negotiate with respect to any such subject or matter irrespective of whether such matter or subject is specifically referred to or covered in this Agreement, even though such subject matter may not have been within the knowledge or contemplation of either or both parties at the time negotiations were conducted or at the time the parties signed this Agreement.

ARTICLE 41 – SEVERABILITY

- 41.01 This Agreement supersedes and prevails over all statutes of the State of Ohio (except as specifically set forth in ORC Section 4117.10(A)), and all policies, rules and regulations of the employer. However, should the State Employment Relations Board or any court of jurisdiction, determine, after all appeals or times for appeal have been exhausted, that any

provision herein is unlawful, such provision shall be automatically terminated but all other provisions of this Agreement shall remain in full force and effect.

- 41.02 The parties shall meet within ten (10) days after the final determination to bargain over its impact and to bring the Agreement into compliance. If the parties fail to reach agreement over the affected provision, the bargaining impasse procedure of this Agreement shall be used.

ARTICLE 42 – CONTRACT REPRODUCTION

- 42.01 Following ratification of the contract by the Association and the Board, copies of the contract shall be provided electronically to each administrator and supervisor and the union president to be distributed to members.
- 42.02 The cost of printing the contract shall be shared equally by the Association and the Board.

ARTICLE 43 – TUITION REIMBURSEMENT

- 43.01 The Board will set aside five thousand dollars (\$5,000) per school year (July 1 – June 30) for the purpose of reimbursing employees for college courses and workshops taken for college credit.
- 43.02 To be eligible for reimbursement, the employee must be on active status at the time of the course or workshop and must return to the District as an employee the next school year.
- 43.03 The course or workshop for which reimbursement is sought must be pre-approved by the Superintendent (or designee) and be relevant to the educational mission of the District.
- 43.04 Applications shall be made on the forms supplied by the Board. The employee's application, fee receipt, and transcript must be filed with the Board's Treasurer by June 30 at the end of the school year in which the course or workshop is taken.
- 43.05 Reimbursement will be for the actual cost of the course or workshop up to a maximum cap of \$130 per quarter hour or \$199 per semester hour.
- 43.06 The Board's annual \$5,000 allocation under this Article will be utilized to reimburse all initial requests for one (1) course or workshop. If the number of initial requests exceeds the allocation, reimbursement will be determined by dividing the number of initial requests into the allocation. Reimbursement will in no event exceed the actual cost of the course or workshop. If money is left in the fund after all initial single course and/or workshop requests have been submitted and paid, reimbursement for an additional second course or workshop request will be made following the same procedure.
- 43.07 Payment will be made if the course or workshop was successfully completed with a grade of "B" or above (or a grade of "Pass" if the course or workshop was graded on a Pass/Fail basis). Reimbursement will be paid by separate check no later than the following September 30.
- 43.08 It is mutually understood that any payment to an employee under this Article must be in compliance with any applicable income tax regulation.

ARTICLE 44 – BACKGROUND CHECK

- 44.01 The Board agrees to reimburse a bargaining unit member, not more than once within a five-year period, for the cost of a legally required background check. If documentation confirming the bargaining unit member's cost is submitted to the Board's Treasurer, reimbursement will be made by no later than the following September 30th, provided he/she is still employed.

ARTICLE 45 – ONLINE TESTING

- 45.01 To the maximum extent possible, an employee required by the District to take an online computer test shall take such test during regularly scheduled work time, and the Board will facilitate this process by specially making time available occasionally (such as during a waiver or in-service day) for this purpose. If an employee cannot complete a required test during scheduled work time, the employee must submit, within the corresponding pay period to the District Treasurer, a timesheet (approved in advance by the employee's immediately supervisor) recording the additional time taken.

ARTICLE 46 – REPORTING FOR WORK

- 46.01 It is mutually understood that an employee who reports prior to the scheduled work start time and/or stays after the scheduled work end time will not be compensated for any such time outside the normal work day unless actual work during such time is performed and specifically authorized by the employee's supervisor.

ARTICLE 47 – DURATION
