## ARTICLE I – NEGOTIATIONS PROCEDURE

### A. Preamble

This agreement is made by and between the Huntington Board of Education, hereinafter referred to as the "Board," and the Huntington Local Education Association, hereinafter referred to as the "Association."

### B. Recognition

The Board recognizes the Association as the sole and exclusive bargaining agent for all certified personnel in the school district, including Technology Coordinator, but not including confidential employees, casual substitutes, casual employees, supervisors, administrative personnel, the school nurse, school psychologist and speech therapist.

### C. Management

The Board, by law, is recognized as the official policy-making body of the School District. The Board, in keeping with state law, individual contracts, and past and future negotiated policies, has the authority to manage the school including, but not limited to those rights set forth in Ohio Revised Code 4117.08.

### D. Negotiations Procedure

Either the Association or the Board may initiate negotiations by filing a Notice to Negotiate with the other party within one hundred twenty (120) and sixty (60) days prior to the expiration of the agreement. Within fifteen (15) working days of transmittal of said notice, the parties shall hold their first negotiation session. The first negotiating session shall be for the purpose of exchanging proposals and determining any ground rules deemed necessary. At any negotiation session, either party may be represented by no more than five (5) representatives. Either party may bring up to two (2) additional representatives to a particular session with the agreement of the other party.

### E. Scope of Bargaining

Both parties agree to bargain with respect to wages, fringe benefits, and other conditions of employment.

### F. Dispute Settlement Procedure

If, after forty-five (45) days prior to the expiration of the agreement, agreement has not been reached on all items under negotiations, either party may call for the services of the Federal Mediation and Conciliation Service (FMCS) to assist in negotiations. If a party calls for FMCS involvement, the other party shall join in a joint request. This is the final step in the negotiations procedure and is intended to supersede the statutory dispute resolution procedure set forth in O.R.C. 4117 et seq.

G. Agreement

When final agreement is reached through negotiation, the outcome shall be reduced to writing and submitted to the Association for ratification. Following the ratification by the Association, the Agreement shall be submitted to the Board for adoption. Upon official adoption by the Board, the Agreement shall be signed by both parties.

**ARTICLE II – ASSOCIATION RIGHTS**

A. Use of Buildings

The Association shall have the right to use school facilities for membership meetings, and such use shall be in accordance with the general Board policy regarding use of buildings by any private organization.

B. Use of Equipment

With permission of the Superintendent, the Association shall have the right to use school equipment for the purpose of publishing monthly Association meeting agendas. Other uses may be approved by the Superintendent with Board approval. In all cases, costs for use of such equipment by the Association shall be paid for by the Association.

C. Bulletin Boards

The Board shall provide adequate bulletin board space in each building for Association purpose. The Association shall have the right to post notices of its activities and matters of Association concern on such bulletin board space.

D. Mail System

The Association may use the internal mail system of the school and place Association communications in the mail boxes provided each teacher in the system.

E. Association Announcements

An Association representative shall be provided time during all building meetings of the teaching staff to make routine Association announcements.

F. Transaction of Association Business

Representatives of the Association shall be permitted to transact official Association business on school property provided that this shall not interfere with or interrupt the assigned duties of the teachers. Any representative of the Association who is not an employee of the Board shall upon entering the building first report to the building

principal. If such representative requests to meet with a teacher, such a meeting shall be held only before school, after school, or during the teacher's duty free lunch period or unassigned periods, unless otherwise waived by that building principal.

G. Association Information

Annually the district shall provide the association president with a tentative list of the names, addresses, telephone numbers and building assignments for all bargaining unit members.

### **ARTICLE III – GRIEVANCE PROCEDURE**

A. A "grievance" is a claim by a member or the bargaining unit or the Association based upon an alleged violation, misapplication, or misinterpretation of this Agreement.

A "grievant" is an individual(s) or entity that filed the grievance.

B. A "grievance procedure" is a method by which an individual or group of employees can express a complaint, problem, or dispute without fear of reprisal and obtain a fair hearing at progressively higher level.

C. Nothing contained herein shall be construed as limiting the individual rights of a member of the bargaining unit to discuss the grievance informally with members of the administration through normal channels of communication, without the intervention and/or consultation of the Association provided that the grievant agrees with the terms of the adjustment.

D. The primary purpose of this procedure shall be to obtain at the lowest level and in the shortest period of time, equitable solutions to grievances, which may arise from time to time.

E. Both parties agree that grievance proceedings should be handled in a confidential manner.

F. A grievant shall initiate action within fifteen (15) days of becoming aware of an event or condition upon which the grievance is based. If the initiation of such action is longer than fifteen (15) days, the right to use the procedure described can be considered waived.

G. A "day" is defined as a working day. When school is not in session for the summer break, a day shall be defined as weekday.

H. Procedure

1. Time Limits

Time limits stipulated should be adhered to strictly as maximums to insure rapid resolution to problems and issues concerned. Lack of adherence to the time limits by the grievant can result in the declaration that resolution has been obtained by the last level of hearings. Lack of adherence to the time limitations by the Board results in the grievance progressing to the next step of the grievance procedure. Time limits may be extended only by mutual agreement of all parties concerned.

2. Level One – Informal

Within fifteen (15) days from the time the grievant knew or should have known of an event or condition that the grievant considers a grievance, he/she shall discuss the problem with his/her immediate supervisor. He/she may do this alone or with his/her Association representative.

3. Level Two – Formal

- a. In the event the grievant is not satisfied with the disposition at the informal meeting he/she may initiate the formal procedure by filing a written grievance with his/her immediate supervisor within fifteen (15) days of the informal meeting.
- b. In all levels of the formal procedure, official Grievance Report Forms shall be prepared in triplicate; one (1) for the grievant; one (1) for the administrator, one (1) for the Association.
- c. Within ten (10) days of the filing of the written grievance the immediate supervisor will issue a written response to the grievance.

4. Level Three

- a. If the grievant is not satisfied by the disposition of the immediate supervisor, he/she may seek a hearing with the Superintendent and/or his/her designated representative by completing step two (2) of the Grievance Report Form in triplicate and submitting it to the Superintendent within ten (10) days of receipt of the Level Two answer. Within the next ten (10) days a hearing shall be arranged between the grievant, up to two (2) representatives of the Association if requested by the grievant, the Superintendent or his/her designee and/or a representative of the Board if requested by the Superintendent or his/her designee.
- b. The written disposition of the Superintendent or his/her designee shall be made to the grievant and to the Association President within ten (10) days.

5. Level Four

- a. If with the written approval of the Association, the grievant is not satisfied with the disposition in Level Three, he/she may request that the issue be submitted to arbitration within ten (10) days after the disposition in Level Three.
- b. The arbitrator shall be selected from a list of Arbitrators provided by the American Arbitration Association using the alternate strike method. Either party has the right to request a second list of arbitrators. If either party elects to request a second list, such election shall be made prior to striking the first list.
- c. The arbitrator will have only the authority to determine whether there was a violation, misinterpretation, or misapplication of the Master Contract.
- d. The arbitrator shall make his/her report and recommendations in triplicate to the grievant, the Superintendent, and the President of the Association. His/her decision shall be adhered to by all parties previously mentioned. The report shall be issued within thirty (30) days of the arbitration hearing.
- e. The cost of the arbitrator shall be shared equally by the parties. Each party shall be responsible for compensating his/her own representative(s).

I. General Provisions

The procedures contained in this Article constitute the sole and exclusive method of redressing grievances arising from this Agreement during the life of this Agreement and any extensions thereof.

However, leave for court appearance shall not be granted in a civil action arising out of Board employment if the teacher requesting the leave is an adverse party to, or witness against, the Board of Education or any administrator in the district.

I. Family and Medical Leave Act of 1993

The parties agree to abide by the provisions of the federal Family and Medical Leave Act of 1993.

## **ARTICLE V – EMPLOYMENT CONDITIONS**

A. Reduction in Force

If the Board determines it is necessary to reduce the number of bargaining unit positions under O.R.C. §3319.17 or for decrease in funds, the following procedures shall apply.

1. Reductions shall be made by the suspending of contracts based upon the Superintendent's recommendation. Those contracts to be suspended will be chosen as follows:
  - a. All members of the bargaining unit will be placed on a seniority list for each teaching field for which they are properly certificated/licensed. Teachers serving under continuing contracts will be placed at the top of the list, in descending order of seniority. Teachers serving limited contracts will be placed on the list under continuing contract teachers, also in descending order of seniority.
  - b. Seniority will be defined as the length of continuous service as a certified employee under regular contract in this district.

- (1) Board approved leaves of absence will not interrupt seniority but time spent on such leave shall not count toward seniority.
    - (2) If two or more teachers have the same length of continuous service, seniority will be determined by:
      - a) The date of the board meeting at which the teacher was hired, and then by;
      - b) The date the teacher signed his/her initial employment contract in the district, and then by;
      - c) Any remaining ties will be broken by lot.
  - c. Recommended reductions in a teaching field will be made by selecting the person lowest on the seniority list for that area of certification who is currently assigned to a position in that teaching field. A teacher so affected may elect to displace a teacher who holds a lower position on a seniority list for another area of certification, provided he/she is certificated in that second area.
2. The names of teachers whose contracts are suspended in a reduction in force will be placed on a recall list for eighteen (18) months from the date of the reduction. Teachers on the recall list will have the following rights:
- a. Teachers on the recall list will be recalled in order of seniority for vacancies in areas for which they are certificated.
  - b. If a vacancy occurs, the Board will send certified announcements to the last known address of all teachers on the recall list who are qualified according to these provisions. It is the teacher's responsibility to keep the Board informed of his/her current address. All teachers are required to respond in writing to the district office within ten (10) calendar days. The most senior of those responding will be given the vacant position. Any teacher who fails to respond within ten (10) calendar days, or who declines to accept the position, will forfeit all recall rights.
  - c. A teacher on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave, and salary schedule placement as he/she enjoyed at the time of layoff.
3. The parties agree that these procedures apply only to the suspension of contracts under O.R.C. 3319.17 or for decrease of funds. This article shall not require the Board to fill any vacancy, nor shall it interfere with any other lawful personnel procedures in the district.

B. School Calendar and Contract Year

1. Martin Luther King Jr. Day shall be designated in the teachers' schedules as a non-work, non-assigned day for the members of the bargaining unit.
2. The number of days in a teacher's regular contract year shall be one hundred eighty-four (184) days. Days for which school is closed due to public calamity, after five (5) days are missed, days 6, 7 and 8 shall be Blizzard Bag days. Teachers shall report to work on all days school is closed for students after day 8, at the discretion of the Superintendent. On days that school is closed for students, and teachers are required to report, the days shall be used as a teacher work day or professional development.
3. If a teacher attends three-out-of-four after-school, academic, student or parent-oriented events, as identified by administration, (not including athletic events), the teacher will receive a stipend in the amount of \$200, separate from payroll, no later than June 30.

C. Individual Regular Contract

1. The Board and the Association agree that all teachers employed by the Board shall be issued written contracts in accordance with the Ohio Revised Code. Such contracts shall include the following information:
  - a. Name of teacher.
  - b. Name of the school district and the board of education employing said teacher.
  - c. Type of contract, limited or continuing. If limited, the number of years the contract is to be in effect.
  - d. Tentative assignment of subject(s) and/or grade(s) to be taught.
  - e. Annual compensation to be paid for the first year of the contract.
  - f. Basis of determining compensation (initial placement will be no higher than Step 17).
  - g. Number of pay days.
  - h. The school calendar in days and inclusive dates.
  - i. Teacher agreement that he/she shall abide by the Board adopted policies at time of employment.

- j. Provision that rules and regulations of the Board governing professional staff shall upon request be made available for the teachers' review.
- k. Provision for signature and date of signature of the teacher being contracted.

D. Individual Supplemental Contract

1. The Board and Association agree that all teachers assigned additional responsibilities and granted additional compensation for such responsibilities shall be given a written contract that is in addition to their regular contract in keeping with Ohio Revised Code. Such supplemental contract shall include the following information:
  - a. Name of said teacher
  - b. Name of the school district and the board of education for which responsibilities shall be performed
  - c. Number of years contract is to be in force
  - d. Statement of additional responsibility and compensation to be provided
  - e. Dates within which compensation is being provided for said responsibility
  - f. Provision for signature and date of signing by the teacher
2. The Board and the Association agree that on each supplemental contract for which most duties are performed during a specific period of time less than the school year, the following shall be added:

"It is understood that the teacher signing this seasonal contract shall perform such duties as outlined in this contract during the effective dates of this contract and that such duties cannot be entirely limited to specific beginning and ending dates during the school year. Both parties agree that duties related to the major responsibilities as outlined in this contract shall be performed by the individual signing this contract throughout the life of this contract."
3. Salaries to be paid for supplemental duties shall be paid in one (1) of two (2) methods at the option of the teacher:
  - a. Pay shall be divided into equal payments, the first of which shall be paid on a date half way between the beginning and end of such duties and the second shall be paid on the pay period following completion of the duties; or
  - b. Pay shall be divided in each pay period and added to the regular salary.

4. Employees must notify the Treasurer within thirty (30) days of the signing of the supplemental contract of the payment option they desire. Failure to timely notify the Treasurer will automatically result in the implementation of payment option "a" for that employee.
5. Should the Board wish to add a supplemental position to those listed in Appendix F, it shall notify the HLEA, and bargain the pay for such position. Bargaining shall take place in accordance with O.R.C. §4117.
6. Supplemental contracts are from one (1) to three (3) years, and expire at the end of the contract, and are not subject to the nonrenewal provision in Section V (1) below of this negotiated agreement.
7. Non-certified individuals and certified individuals who are not bargaining unit members will have the supplemental contracts they hold expire every year.
8. If the Board and administration have the intention of renewing an existing coach's contract, the association agrees that the position does not have to be posted. All other terms of supplemental contracts will apply.

E. Employment of Retired Certified Personnel

1. For purposes of salary schedule placement, a previously retired teacher ("PRT") will be re-employed at zero (0) experience on the B.S. degree level. A PRT may not advance beyond the zero (0) experience level on the certificated/licensed salary schedule.
2. PRTs will be awarded one-year contracts of employment that will automatically expire at the end of the applicable school year without notice of non-renewal.
3. PRTs may be re-employed from year to year under limitations as described in paragraph 2, above, with Board approval, but shall not be eligible for continuing contract status.
4. PRTs will not accrue seniority.
5. PRTs shall not be eligible to participate in contractual retirement incentive program, if any, or for severance pay upon separation from employment.

K. Non-renewal Procedures

1. a. The principal of each school is responsible for submitting to the Superintendent of Schools, not later than the second week of January, a written report concerning any teachers who are experiencing negative teaching performance. Nonrenewal of a teacher's regular limited contract shall be due to a teacher's failure to instruct, supervise, and provide a safe environment for his or her students, as determined from the formal evaluation procedure. The report shall include a statement of what has been done to help the teacher, and copies of all evaluations performed pursuant to the Evaluation Procedure. A copy of the report shall be given to the teacher.
  - b. Not later than May 1, the principal shall:
    - (1) Make a second written report to include a statement of any further efforts to help the teacher.
    - (2) If the principal becomes convinced that the teacher should be non-renewed, he must submit the report and recommendations for non-renewal to the Superintendent, with a copy being given to the teacher.
  - c. If the Superintendent is considering a recommendation for nonrenewal, he/she shall notify the teacher in writing, stating reasons for nonrenewal by no later than fifteen (15) calendar days prior to any contract decision by the Board.
2. Prior to any Board action of nonrenewal of a teacher's contract the Board shall:
    - a. Notify the teacher in writing that his/her contract is to be discussed. Such notification shall take place at least five (5) school days prior to any contract decision by the Board.
    - b. The teacher will, upon request, be granted a meeting with the Board. At this meeting the Board will give the teacher oral reasons for nonrenewal of his/her contract. The teacher will then be given an opportunity to show cause why such teacher's contract should be renewed. At this meeting the exchanges between the parties shall be held in executive session except as otherwise provided by law. The teacher or Board may be represented at all such meetings by representatives of their choice.

L. Community Complaint Procedure

1. Action concerning a complaint by a member of the community other than a student shall be initiated by the following procedures:

- a. If requested by the complainant or the teacher, a meeting involving the teacher, the principal, and the complainant shall be arranged at a mutually convenient time to discuss the complaint.
  - b. If the complaint is unresolved, it may be submitted to the Superintendent.
  - c. If such conferences do not lead to understanding and resolution of the problems involved, the complainant may pursue further action by submitting in writing to the Board of Education a complaint against a teacher. The Superintendent shall give a copy to the teacher.
2. In each of the steps above, a teacher shall have the right to be involved in all conferences held, pursuant to this section, and may be represented by a representative of his/her choosing. Conferences regarding such complaints shall be private.

M. Contract Status

1. No teacher shall be placed in a teaching position unless he/she is certificated in the specific area, or, at the request or agreement of the Superintendent, is working toward certification to be completed within three years and who obtains and renews their supplemental license.
2. It is the responsibility of the teacher to provide a copy of his/her teaching certificate to be kept on file in the Superintendent's office by August 1 unless extended by the Superintendent. The teacher is responsible for securing a renewal of his/her teaching certificate prior to the school year in which the certificate will expire.
3. No teacher shall be required to accept a supplemental assignment without a contract.
4. The Board of Education shall enter into contracts for the employment of all teachers. The Board fixes their salaries, which may be increased but not decreased during the term for which the contract is made unless it is made as follows: If there is a reduction in salary, below that paid during the preceding school year, it must be a part of a uniform plan affecting the entire district.
5. Contracts for the employment of teachers shall be of two (2) types: limited contracts and continuing contracts. A limited contract is a contract for a term not to exceed five (5) years. A continuing contract is a contract which shall remain in effect until the teacher is terminated, resigns, elects to retire or is retired according to law. A continuing contract may be granted only to teachers holding professional, permanent or life certificates.
6. Limited contracts shall be offered in the following manner:

- a. Upon initial employment, no less than a one-(1) year contract shall be issued by the Board.
  - b. The second (2nd) and third (3rd) contracts issued by the Board shall be for no less than one (1) each year.
  - c. The fourth contract issued by the Board and thereafter shall be no less than two (2) or more than five (5) years in length.
  - d. If the Superintendent intends to recommend a limited contract of a duration that is fewer years than the one the teacher has which is expiring, the Superintendent shall furnish to the teacher reasons for the issuance of the lesser contract duration, and the teacher shall be given those written reasons no later than ten (10) calendar days prior to any Board action.
- 7.
- a. When a teacher becomes eligible, during the life of a limited contract, for a continuing contract, he/she may notify the Superintendent in writing. Upon receipt of such written notification, the Superintendent shall meet with the teacher to check the records to determine the teacher's eligibility for a continuing contract. If eligible, and if the teacher has had a current, better than satisfactory evaluation, the Superintendent shall recommend and the Board shall enter into a continuing contract with the teacher for the next school year regardless of the teacher's current limited contract status. If the evaluations are not successful to the degree that a continuing contract is merited, the teacher shall retain his/her limited contract pursuant to Section b. below.
  - b. A teacher who has received a professional certificate/license and who is teaching under an expiring limited contract shall be eligible for a continuing contract as provided under Ohio law. For teachers eligible for continuing contract status as provided for in Section 7-a. herein, the Board reserves its legal prerogative to grant one additional limited contract.

8. Release from Contract

Teachers are sometimes offered positions in other school systems which may provide professional advancement and may cause a teacher to ask to be released from a contract in the local schools. The Board's first obligation is to the children in the school. The Board may release a teacher after July 10th if a suitable replacement can be found and it is felt that the educational program of the school will not be impaired.

N. In-Service Training

The Huntington Local Board of Education shall be responsible for providing an in-service program. There shall be no more than three (3) in-service training meetings per year. The dates and programs for these meetings shall be jointly agreed upon by the Superintendent and a committee of two (2) appointed by the Association. Except in unusual circumstances, the joint committee shall report to the Board the context of the programs before they take place. Any teacher electing such method of payment shall be required to send written notification to the Treasurer and Superintendent of the District no later than December 1 of any school year.
3. If a teacher earned additional credit hours during the school year which qualify him/her for a higher place on the salary schedule, that teacher shall be placed on the appropriate level of the salary schedule for the first pay period after the teacher has notified the Superintendent of the additional credit hours earned. Notification shall consist of submitting to the Superintendent a copy of the transcript which shows additional credit hours earned.
4. The salary schedule shall be based upon the training and experience of the teacher. Full experience credit shall be given for teaching experience in accordance with the teacher salary schedule, only if the experience is in state supported public school systems or private and church supported schools that are certified by the State of Ohio Department of Education. Credit shall be granted for other teaching experience, if the employee can show written evidence that such experience is equivalent to teaching experience for which credit is given in accordance with this section.

The amount contributed by the Board on behalf of the employee shall be treated as a mandatory salary reduction from the contract salary otherwise payable to such certified employees.
2. The total annual salary for each employee shall be the salary otherwise payable under their contracts. The total annual salary shall be payable by the Board in two (2) parts: (1) deferred salary and (2) cash salary. An employee's deferred salary shall be equal to that percentage of said employee's total annual salary which is required by STRS to be paid as an employee contribution by said employee and shall be paid by the Board to STRS on behalf of said employee as "pick-up" of the STRS employee contribution otherwise payable by the employee and shall be payable subject to applicable payroll deductions, to said employee.

6. The "pick-up" shall be a uniform percent for all certified employees, and it shall apply to all payroll payments made after the effective date of this provision and shall not be at the individual employee's option.
7. The current taxation or deferred taxation of the "pick-up" is determined solely by the Internal Revenue Service (IRS) and compliance with this section does not guarantee that the tax of the "pick-up" will be deferred. If the IRS or other governmental entity declares the "pick-up" not to be tax deferred, this section shall be null and void and the STRS contribution procedure in place prior to the effective date of this provision shall be in effect.

In any case, should the spouse's insurance be eliminated or altered below the coverage provided by the Huntington Local School District, the school's insurance would become effective immediately upon notification to the Treasurer.
4. Exception: Double coverage shall exist if the insurance carrier for the spouse's group plan is a carrier other than the current carrier.

However, if none of the above are applicable, the employee may not re-enroll for a period of twenty-four (24) months from the withdrawal from the program.

The Superintendent shall receive written notification from any eligible bargaining unit member wishing to participate in the plan by March 1 of that year. Failure of a bargaining unit member to retire during the first year of eligibility will result in the total forfeiture of all rights to the one-time \$15,000 severance bonus. Payment shall be made upon final certification of retirement from active service by STRS to the Board.

F. Dental Insurance

The Board shall provide through a carrier licensed in the State of Ohio, the following schedule of dental insurance benefits for each teacher and each teacher's family. The Board shall provide ninety percent (90%) of the cost of this coverage. (See Appendix G for specifications.)

2. Such service shall be required by the principal or his/her assistant after reasonable effort has been made to obtain a substitute. Such requested assistance shall be made on a rotation basis throughout the staff related to availability. It is understood that any request by an administrator to a teacher to substitute for another teacher is subject to payment under the provisions herein.
3. It shall be the responsibility of the certificated staff member to report such service for payment on the proper form to the building principal, who shall submit such forms to the Board offices.
4. A regular teacher supervising a student teacher should not be consistently required to assume the duties of substitution for an absent teacher.

The Board will appropriate Thirty Thousand Dollars (\$30,000) for each year of the contract. Unused amounts will be carried over year to year.
2. The amount to be Two Hundred Dollars (\$200.00) per semester hour, paid when the teacher returns for the following contract year unless the amount appropriate, plus carry over, if any, is not sufficient to cover all the hours taken by the teacher. When this occurs, the total number of semester hours (up to ten) by all teachers will be divided into the appropriate amount to obtain a new rate per hour. This rate will then be multiplied by the number of hours each teacher qualified and they will be reimbursed accordingly.
3. The reimbursement will be effective for courses taken September through August with full payment paid to teachers the following September, providing prior approval of course work in the field of education was obtained from the Superintendent; the teacher remains in the employment of Huntington Schools; and a grade of B or better was received. No conditionally hired employee shall be considered a member of the bargaining unit until such time as the provisions of ORC 3319.39 have been completed and the applicant is found eligible for employment. - B. No employee shall be disciplined without just cause and compliance with applicable provisions of this Contract.
- C. - D. Employees will be reprimanded in private.
- E. In the event that it becomes necessary to suspend an employee, there shall be a preliminary hearing scheduled prior to the action. The employee shall have at least forty-eight (48) hours' notice of such hearing, unless the parties mutually agree to
