ARTICLE I
RECOGNITION

1.01 TERMS OF RECOGNITION

1.011 Recognition Defined

The Board of Education of the Medina City School District (hereinafter "Board") shall continue to recognize the Medina City Teachers Association affiliated with the Ohio Education and the National Education Association (hereafter "Association") as the exclusive bargaining representative for a bargaining unit composed of all regularly employed certificated classroom teachers, guidance counselors, media specialists, in-school learning disability tutors and teachers and coordinator for the District's talented and gifted students program (bargaining unit members) and all other bargaining unit members specified under 7.13, Teacher on Other Assignment.

Substitutes, permanent substitutes, psychologists, hourly-rated home instruction tutors (unless full-time employed in a bargaining unit position in which case the employee is a bargaining unit member to that extent) and management level and/or supervisory employees (e.g., the Superintendent, Assistant Superintendent, Director of Instruction, Director of Student Services, Director of Human Resources, Director of Business Affairs, Human Resources Coordinator, Director of Community Relations, Treasurer, Assistant Treasurer, Athletic Director, Principals, Assistant or Associate Principals, Intervention/Title Services Coordinator, Director of Technology, and Administrative Intern on Administrative Contract) shall continue to be excluded from the bargaining unit.

ARTICLE II

NEGOTIATIONS PROCEDURE

2.01 DEFINITION OF TERMS

2.011 No Reprisal

Representatives of the Board and Association shall participate in negotiations freely without fear of penalty or sanction, reprisal, or recrimination.

2.012 Good Faith Bargaining

Representatives of the Board and the Association will negotiate in good faith all matters within the authority of the Board to resolve.

2.02 TIMETABLE FOR NEGOTIATIONS

2.021 Notice of Intent to Open Negotiations

If either party desires to open negotiations for a successor Agreement, it shall notify the other party in writing not sooner than ninety (90) days nor later than sixty (60) days prior to the expiration date of this Agreement. Notification in writing from the Association shall be delivered to the Superintendent and from the Board shall be delivered to the President of the Association. The party giving notice shall also serve a copy of the written notice, together with a copy of this Agreement, on the State Employment Relations Board.

2.022 Initial Meeting

Within ten (10) days after receipt of such notice, but not later than fifty-five (55) days prior to the expiration date of this Agreement, an initial meeting will be held at which each party will submit, in writing, its proposal(s). Thereafter, additional items shall not be submitted by either party unless the other party consents.

2.03 NEGOTIATION MEETINGS

2.031 Time of Meetings

- A. Meetings shall be at reasonable intervals, places, and times.
- B. If negotiation meetings between the Board and/or its representative(s) and the Association are scheduled during the work day, each member of the Association's Negotiating Team will be relieved of all regular duties.

2.032 Meeting Notification

Where unforeseen circumstances make it impossible for the chief negotiator of either team to be in attendance, or cause him/her to be late, it shall be the duty of that team to notify the other as promptly as possible and both sides shall thereupon agree to the time for the next negotiation session.

2.033 Attendance at Meetings

Meetings shall be closed to the press and the public. Representation shall be limited to a maximum of seven (7) representatives of the Association and seven (7) representatives of the Board.

2.034 Caucuses

Either party may recess for a caucus, of reasonable length, at any time.

2.04 EXCHANGE OF INFORMATION

Each party shall furnish the other, upon reasonable request, all available information pertinent to the issue under negotiation and not privileged by law. The expense of providing such information shall be borne by the party requesting it and such party shall initial for receipt of the requested item(s).

2.05 PROGRESS REPORTS

Periodic progress reports may be issued during negotiations to the public, provided, any such news releases shall have the prior approval of both parties.

2.06 AGREEMENT

2.061 Tentative Agreement

Tentative Agreement on negotiated items shall be reduced to writing and initialed by a representative of each party.

2.062 Final Agreement

The final Agreement reached through negotiations shall be reduced to writing and submitted to the Association for approval. Upon approval by the Association, the Agreement shall be submitted to the Board for approval. If approved by both parties, the Agreement shall then be signed on behalf of the parties.

2.07 DISAGREEMENT

If agreement is not reached by thirty (30) days prior to expiration of this Agreement, either party may request the services of a mediator from the Federal Mediation and Conciliation Service.

EXCLUSIVITY OF PROCEDURE

The negotiations procedure set forth in this Article supersedes and takes precedence over any inconsistent time limits or procedure set forth in Section 4117.14 of the Ohio Revised Code. Mediation, as set forth in 2.07, constitutes the parties' mutually agreed upon, exclusive dispute settlement procedure and shall operate in lieu of any and all of the settlement procedures set forth in Section 4117.14 of the Ohio Revised Code. In the event mediation does not result in an Agreement by the expiration date of this Agreement (or such subsequent date as the parties may mutually agree upon), Section 4117.14(D) (2) of the Ohio Revised Code will apply.

ARTICLE III

GRIEVANCE PROCEDURE

3.01 DEFINITION OF TERMS

3.011 Grievance Defined

- A. A "grievance" is any alleged violation of this Agreement or any dispute with respect of its meaning or application.
- B. All grievances shall be filed at the lowest possible level. The lowest possible level means that level of the grievance procedure at which the administrator hearing the grievance has authority to make a decision.

3.02 RIGHTS OF THE INDIVIDUAL

3.021 Representation

A grievant may appear on his/her own behalf or may be represented at any and all steps of the grievance procedure by an Association representative or its counsel.

3.022 No Reprisal

The fact that a bargaining unit member files a grievance shall not be recorded in his/her personnel file or in any file used in the transfer, re-assignment, or promotion process; nor be used in any recommendation for re-employment or recommendation for other employment; nor shall the grievant, the Association, or its officers, or any member of the Board, or employee of the District be placed in jeopardy or be the subject of reprisal or discrimination for having followed or participated in this grievance procedure.

3.03 ASSOCIATION RIGHTS

3.031 Procedures

- A. The grievant and grievance chairperson of the Association shall receive prior notice of each meeting held to resolve a grievance formally filed. Decisions rendered at each formal level will be made in writing on the form appearing in Appendix A and will be transmitted promptly to the grievant and the grievance chairperson of the Association.
- B. The Association may withdraw its support of a grievance at anytime.
- C. A grievance that affects more than one bargaining unit member may be filed by the Association on behalf of all affected members.

3.04

TIME LIMITS

3.041 Maximum Limits

The number of days indicated at each step is considered a maximum. The time limit specified, however, may be extended by written agreement of the parties.

3.042 Date of Formal Filing

If a written grievance (Level II) is not filed within twenty (20) days after the act(s) of condition(s) giving rise to the grievance occurred, the grievance shall be considered waived. If a grievant cannot reasonably be charged with knowledge of such act(s) or condition(s) on the date of occurrence, this time limit shall be measured from the date upon which the grievant may reasonably be charged with such knowledge.

3.043 Failure to Appeal

If a decision on a grievance is not appealed within the time limits specified at that level of the procedure, the grievance will be deemed settled on the basis of disposition at that level and further appeal shall be barred.

3.044 Failure of Administrator to Respond

Failure at any level of the procedure of an administrator to communicate a decision within the specified time limit shall permit the grievant to proceed to the next level of the grievance procedure.

3.045 Recess Period

In the event a grievance is filed at such time that it cannot be resolved by the close of a work year, the grievance shall continue on time limits, until resolution of such grievance. The parties may mutually agree to extend any or all levels to a certain time. In the event a grievance cannot be resolved before the commencement of Christmas or Spring Recess, further attempts at resolution shall be postponed until the return to school following the recess, unless the parties otherwise agree (the parties shall so agree where irreparable injury would result from a postponement).

3.046 Absence of Administrator

The temporary absence of a principal or the Superintendent shall toll the running of the days during the absence of such principal or Superintendent, but in no case for more than five (5) additional days, unless the parties mutually agree to extend the time to a specific later date.

3.05 HEARINGS

Hearings held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses, entitled to be present to attend. Such hearings shall be conducted so that they do not conflict with the teaching responsibilities of any bargaining unit member involved and do not require the expenditure of any funds on the part of the Board, the Grievant and/or the Association at Levels I through III.

All hearings held under this procedure shall be structured so that due process under the circumstances is accorded both sides.

3.06 PROCEDURAL STEPS

3.061 Level I: (Initial Discussion)

If a bargaining unit member or the Association acting pursuant to the limited provisions of 3.031(C), believes there is a basis for a grievance, he/she must first discuss the matter with the appropriate administrator, at the lowest possible level according to 3.011(B) in an effort to resolve the problem. If the administrator approached is not the appropriate one, that administrator will direct the grievant to the appropriate administrator at the lowest possible level.

3.062 Level II: (Supervisor)

- A. If the Grievant is not satisfied with the results of Level I, or is unable for cause beyond his/her control to discuss the matter with his/her immediate supervisor within the time limit in 3.042, he/she may file a formal written grievance, on the form appearing in Appendix A, to his/her immediate supervisor.
- B. Within five (5) days of receipt of the written grievance, the supervisor shall make a written and signed decision on the form.

3.063 Level III: (Superintendent)

- A. If the Grievant is not satisfied with the result of Level II, he/she may continue the formal procedure by submitting the formal grievance to the Superintendent or his/her designee within five (5) days after receipt of the Level II decision.
- B. Within five (5) days of receipt of the form, the Superintendent or his/her designee shall make a written and signed decision on the form.

3.064 Level IV: (Arbitration)

- A. If the grievance is not resolved at Level III, within ten (10) days after the Association's next regularly scheduled Executive Committee meeting, but in no event more than thirty (30) days after the receipt of the Level III decision, the Association only may request a hearing by an Arbitrator.

- B. The Arbitrator shall be selected pursuant to The Voluntary Labor Arbitration Rules of the American Arbitration Association.
- C. The Arbitration shall be conducted pursuant to The Voluntary Labor Arbitration Rules of the American Arbitration Association.
- D. The American Arbitration Association's administrative fee and the cost of the Arbitrator shall be equally shared by the Board and the Association. If the parties mutually agree to hold an arbitration at a site for which a charge is incurred, the cost shall be equally shared by the Board and the Association. If a party requests a transcript, the reporter's fee will be paid solely by the requesting party unless the other party orders a copy in which case the fee will be equally shared by the Board and the Association; it is mutually understood and agreed that, if a party does not order a copy of the transcript, that party shall not be entitled to obtain access in any manner to the transcript in preparing its brief to the arbitrator.
- E. The decision of the Arbitrator shall be rendered as promptly as possible and shall be binding on all of the parties. The Arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any terms of this Agreement nor shall he/she make any decision contrary to law as determined by a court of competent jurisdiction.

3.065 Shared Leadership Team

- A. In an effort to identify, understand, and resolve problems in matters of mutual concern and to maintain peak efficiency at all levels, the Board and Association have established a joint Shared Leadership Team (SLT). The purpose of the SLT, a group of professional educators representing the certificated teaching and administrative staff of the District, will be to enhance education and the environment in which it occurs and to seek to provide leadership which will evolve in shared problem solving and consensus decision making based on trust and mutual respect. The SLT will operate under guidelines which are established by the SLT itself and which are subject to review by the consensus of the SLT.
- B. The Shared Leadership Team does not replace the grievance process.

ARTICLE IV

EXCLUSIVE ASSOCIATION RIGHTS

4.01 RIGHT TO PAYROLL DEDUCTION OF DUES

4.011 Authorization for Deduction

- A. Upon written authorization of a bargaining unit member, the Board shall deduct from the individual's wages the prescribed amount of United Education Profession membership dues.
- B. The enrollment period for such deductions shall be from September 1 to October 20 each school year. Bargaining unit members who are hired after October 20 in any school year will begin deductions within two (2) pay periods of joining the bargaining unit.

4.012 Length of Authorization

Authorization shall be on a continuing basis from year to year unless a request for withdrawal is submitted, in writing to the Treasurer, as provided in 4.013.

4.013 Notification of Withdrawal of Authorization

Such deduction shall be irrevocable for periods of one (1) year except that authorization may be withdrawn during a period of fifteen (15) days each year ending August 31. Notification of desire to withdraw payroll deduction authorization shall be submitted, in writing, by the bargaining unit member to the Treasurer during such fifteen (15) day period. The bargaining unit member shall furnish the Association President with a copy of such notification.

4.014 Schedule of Deductions

- A. Deductions shall be made monthly in ten (10) equal installments beginning October and ending in July except in the case of members who enroll after October 20. For those members, deductions will be divided equally between the enrollment date identified in 4.011 B and will end in August.
- B. The balance of the annual deduction shall be deducted from the final paycheck of a bargaining unit member resigning his/her position, receiving a leave of absence, or having his/her employment terminated after October 20 of any school year during the duration of this Agreement.

4.015 Transmittal of Deductions

Dues deducted from a bargaining unit member's pay shall be immediately forwarded to the Association Treasurer at his/her home address.

RIGHT TO CONDUCT ASSOCIATION BUSINESS

4.021 Leave to Conduct Association Business

- A. Subject to the Paragraph C below, the Superintendent shall grant an accumulative total of up to thirty-five (35) days leave per school year for bargaining unit members to conduct Association business.
- B. The Association President shall notify the Superintendent five (5) days in advance of the day the bargaining unit member shall be absent. However, in the case of an emergency, notice to the Superintendent shall be made as far in advance of the absence as is possible in order that proper arrangements for handling the duties of the bargaining unit member can be made.
- C. The Association President and the Superintendent shall consult collaboratively to design a daily work schedule for the President that includes contiguous lunch and planning periods and one (1) release period (which release period will also be contiguous, if feasible). If the teaching schedule of any Association President presents logistical problems in satisfying the above additional release time beyond the contiguous lunch and planning, the Superintendent and Association President will meet for the purpose of reaching consensus on such scheduling. For as long as a release time arrangement exists under this Paragraph, the number of leave days granted under Paragraph A above will not exceed thirty (30) per school year.

4.022 Access to Buildings to Conduct Association Business

In order for the Association to administer this Agreement properly for the benefit of the bargaining unit members and the District and to otherwise properly represent the bargaining unit members, the representatives of the Association will have access to all school buildings and to all members, provided that the exercise of this right does not interfere with the educational program.

RIGHT TO INFORMATION

4.031 Agenda and Minutes of Board Meetings

The President of the Association, through the District's use of BoardDocs online, will be provided with copies of minutes of official meetings of the Board and all other documents that Board members receive, that are distributed to Board members at official meetings of the Board as soon as possible after such meetings, but not including:

1. Materials, the release of which is prohibited by law;
2. Materials, the non-release of which is permitted under the law; and

3. Materials given to Board members which do not have to do with the meeting or future Board action.

If not available on BoardDocs at least two (2) days prior to the Board meeting, a copy of the official agenda of the meeting, and any such related attachments, will be given to the same designee at least two (2) days prior to the meeting.

4.032 Newly Employed Bargaining Unit Members

- A. The Association will be provided with the name, job title, work location, home address, home email address, and phone number when available of a newly employed bargaining unit member as soon as such information is available.
- B. The Association will have the right to have placed in the Superintendent's packet to a new bargaining unit member a letter, prepared by the Association, informing the member that the Association is recognized as the exclusive bargaining representative for all members in the District.
- C. Each year, the Association will be provided up to two (2) hours, including lunch, to meet with new bargaining members on the district dedicated New Teacher Orientation Day.

4.033 Retiring Bargaining Unit Member

The Association will be provided with the name and address of a retiring bargaining unit member as soon as such information is available.

4.034 Other Information

The Board will, upon request, provide the Association with any data which will assist it in developing intelligent, accurate, informed, and constructive programs on behalf of the bargaining unit members and their students, together with any other available information which may be necessary for the Association to formulate programs or process grievances under this Agreement.

4.04 RIGHT TO USE BOARD PROPERTY

4.041 Building and Facilities

- A. The Association will have the right to use school buildings without cost at reasonable times for meetings.
- B. If the Association chooses to use a building at a time when a custodian is not normally on duty, the Association shall pay to have a utility worker attend the building during the time of the meeting.

4.042 Inter-School Mail

- A. The Association will have the right to place an Association identification on the mailboxes of all members of the Association and to place notices, circulars and other material in the mailboxes of all bargaining unit members.
- B. The Association will have the right to use the inter-school mail system and district email to distribute material of the type described above.

4.05 NO REPRISALS

No reprisals will be taken against any bargaining unit members by reason of his/her membership in the Association or participation in any of its activities. The Board's obligation to consider and process a grievance alleging a violation of this provision is contingent upon the Grievant voluntarily and knowingly waiving any right to file an unfair labor practice charge with the State Employment Relations Board involving the same circumstances. If an unfair labor practice charge has already been filed, the Board's obligation to consider and process the grievance is contingent upon dismissal of such previously filed charge.

4.06 TEACHER PROFESSIONAL ORGANIZATION STIPENDS

Consistent with Rule 3307-6-01 of the Ohio Administrative Code, the Board will pay a stipend to the Association President, Vice President, Secretary, and Treasurer. The Association shall certify the stipend amounts to the Board's Treasurer, which can in no event exceed the maximum allowed by Rule 3307-6-01. The Association shall promptly and fully reimburse the Board for the total cost of stipends, including any applicable retirement costs.

ARTICLE V
COMPENSATION

5.01 SALARY SCHEDULE

5.011 Salaries

- A. The salary of a bargaining unit member covered by this Agreement is set forth in Appendix C.
- B. A bargaining unit member employed for less than a full day, as defined in 8.021, shall be compensated at the rate of one-seventh (1/7) of the per diem salary of his/her proper placement on the Salary Schedule, as provided for in 5.014, for each hour or fraction thereof he/she works.
- C. For the 2019/2020 school year, eligible bargaining unit members will receive one of the following:
 - 1. Return of the Frozen Step from 2011/2012 school year if eligible for a step that year;
 - 2. \$750 Stipend for those already on Step 27;
 - 3. \$750 Stipend for those hired between 2014-2018 and the bargaining unit member did not get at least three (3) years of experience credit and had at least three (3) years of experience credit at time of initial hire;
 - 4. \$350 for those not in the District or not step/stipend eligible.

5.012 STRS Pickup

The STRS pickup pertains to that portion of the bargaining unit member's individual retirement contribution paid directly to STRS by the Board in addition to stated salary. The STRS pickup will be 4% with the remainder of the individual's contribution paid by the employee through payroll deduction.

5.013 STRS Pickup on the Pickup (See Appendix J)

The STRS pickup described above is considered to be income for which retirement contributions must also be contributed to STRS. Therefore, when paying *pickup on the pickup*, the Board is paying that portion of the employee's normally withheld contribution known as the STRS pickup, i.e. 4%, and an additional 14% of that 4%. This 14% of the 4% is the *pickup on the pickup*.

5.014 Placement on the Salary Schedule

- A. The Board agrees to hire into the bargaining unit only persons holding a valid teaching certificate/license, issued by the Ohio Department of Education for every teaching assignment.
- B. At the time of initial employment full credit for up to ten (10) years of teaching experience shall be given in accordance with the provisions of Appendix C. However, the Board is only obligated to give placement credit on the salary schedule of three (3) years of previous teaching experience which may be fewer years of teaching experience than otherwise would apply. This provision will supercede the requirements of Ohio Revised Code Section 3317.13A and 3317.14. Teaching experience is defined as teaching in a school that holds a state charter such as a public school, private state chartered schools in state or out of state. Excluded are private schools without state charters. Teaching experience granted must have been in a position that required a valid state teaching certificate/license. Included in the aforementioned ten (10) years credit may be up to five (5) years of military experience as defined in the Ohio Revised Code.
- C. A bargaining unit member with previous teaching experience in the District shall, upon re-employment by the District, receive full credit on the Salary Schedule (Appendix C) for all teaching experience and/or military experience as defined in Section 3307.75 of the Ohio Revised Code.
- D. A bargaining unit member with previous teaching experience in the District who has not been engaged in teaching or other related activities specified above, and who completed at least one hundred twenty (120) days of teaching service in his/her last year of employment by the Board shall, upon re-employment by the District, be restored to the next position on the Salary Schedule above that which he/she left.
- E. A teacher who is hired into the bargaining unit shall be given credit of one (1) year on the Salary Schedule for each one hundred twenty (120) full days (840 hours) of service he/she rendered as a substitute teacher within a given school year.
- F. A tutor who is appointed to a full-time position in the bargaining unit as a regular teacher shall be given credit of one (1) year on the salary schedule for each eight hundred forty (840) hours of service as a tutor in the District.
- G. Placement on the columns of the Salary Schedule, designated as "BS+" and "MS+" shall be based upon hours earned after completion of the respective degree.
- H. In the event a bargaining unit member holds two (2) MS degrees earned simultaneously, credit for one (1) MS degree will be given in the MS+ column by subtracting the total number of hours to obtain the MS degree

with the highest hour requirement from the total number of MS program hours earned in both degrees. Graduate credit hours may be counted only once, although they may have been applied to both degree programs.

5.015 Advancement on the Salary Schedule

- A. Upon completion of academic requirements for horizontal movement on the Salary Schedule and the filing of evidence of such accomplishment with the Superintendent, the salary increment shall become effective at the beginning of the school year, on January 1st and/or April 15th, as appropriate. Evidence shall be the transcript of the coursework completed or, if not available, written certification by the Professor(s) with the transcript to follow. A bargaining unit member filing the evidence of qualification for horizontal movement on the Salary Schedule shall begin to receive payment for such movement no later than the second (2nd) pay date following the filing of such evidence.
- B. After initial placement on the Salary Schedule, a bargaining unit member employed under a contract of employment that calls for fewer than one hundred eighty-four (184) days in a school year (that is, under a contract that calls for less than the work year contemplated in 8.01) shall be advanced on the Salary Schedule at the beginning of any semester after he/she has completed one hundred twenty full (120) days (840 hours) of teaching since his/her last advancement on the Salary Schedule.
- C. After initial placement on the Salary Schedule a bargaining unit member employed for less than a full day, as defined in 8.02, shall be advanced on the salary schedule at the beginning of any semester after he/she completed eight hundred forty (840) hours of teaching since his/her last advancement on the Salary Schedule.
- D. On a one-time basis over the course of employment, this amount may be increased by up to an additional thirty (30) days in a given school year if authorized by the Sick Leave Bank Committee. The maximum amount allowed over the course of employment with the District is one hundred twenty (120) days.

6.045 Impact on Attendance Incentive

Donation of days to the Sick Leave Bank shall not adversely affect a bargaining unit member's eligibility for any attendance incentive.

6.05 ADOPTION LEAVE

- A. A bargaining unit member is eligible, upon adoption of a child in the United States, to use accumulated sick leave for up to a total of six (6) calendar weeks, which may be taken before and/or after the date custody is received. Such leave must be taken within a 12-month period, during which period custody is received. If both adoptive parents are Board employees, either or both may use sick leave under this provision with the understanding that the combined sick leave taken by both will not exceed six (6) calendar weeks. The Board may require evidence of adoption and the member is eligible for such leave no more than once per school year.

If a child outside of the United States is adopted, the provision of 6.05(A) will apply with the further understandings that accumulated sick leave may be used for up to a total of eight (8) calendar weeks, which may be taken before and/or after the date custody is received, and the scheduling of leave will be arranged between the bargaining unit member and the Superintendent. However, in the case of an emergency, notice shall be made to the member's immediate supervisor as far in advance of the absence as is possible in order that proper arrangements for handling the duties of the bargaining unit member can be made. If circumstances make advance notice impossible, the member shall notify the member's immediate supervisor of his/her intent to use personal leave as soon as is practicable.

6.063 Purpose of Leave

It is the intent of this Section to provide a bargaining unit member with a means of dealing with personal matters that cannot be handled except during work hours.

6.064 Restrictions

It is understood that a bargaining unit member will not use personal leave to extend a school holiday or break or to miss a professional development day. Days on the school calendar which are "comp" days (e.g., the Wednesday of Thanksgiving week, etc.) are considered as a school break for purposes of this section. Nor may more than two (2) days be taken consecutively.

Exceptions may be made with the approval of the Superintendent or designee, which decision is not subject to grievance unless discriminatory, arbitrary or capricious.

It is also understood that a member will not use any personal leave for the purpose(s) of matters related to other employment for which he/she receives compensation. However, remuneration may be accepted for professional services consonant with one's training and experience as a school employee.

In addition, beginning with the 2019-2020 contract year, personal leave use will be capped at 5% of the bargaining unit on any day eligible for such use. No later than the end of the 2019-2020 contract year, the Association and District will meet to discuss the data relative to personal leave use and the cap. If no mutual agreement is reached to alter the language, the 5% cap will remain.

6.115 Restrictions

Leave shall not be used in cases where the expertise of the bargaining unit member is the basis for the court appearance, but rather, for matters which specifically relate to circumstances which could only have been observed and/or known because of the employment with this District.

- 6.116 It is mutually recognized that leave under this Section to appear as a witness need not necessarily be for the entire day but only for that portion of the day (including reasonable travel time, if applicable) when the person's testimony is required.

6.12 JURY LEAVE

6.121 Right to Leave

For the purpose of satisfying the one hundred twenty (120) paid days requirement for advancement on the Salary Schedule under 6.146, a member shall be credited with up to thirty (30) days beginning with the day on which the leave begins.

6.133 Right to Return from Leave

When applying for parental leave, the bargaining unit member shall specify the duration of the leave which shall coincide with a school semester. Unless otherwise mutually agreed by the Superintendent and the member, the duration of leave shall not be increased or decreased and the member will return to active employment at the beginning of a school semester; provided, however, that in the event of loss of the child or the unforeseen loss of a majority of the spouse's financial support, the member will be entitled, if he/she desires, and if at least fifteen (15) days advance notice of the intent to return is given to the Superintendent to return to active employment by not later than the beginning of the next grading period. A return to active employment shall be to the same position the member held at the time leave commenced, provided that he/she returns not later than the commencement of the next school year; a return to active employment after that shall be to an equivalent position.

- B. A leave with pay for up to two (2) years shall be granted to a bargaining unit member who serves as an exchange teacher, provided that the approved teacher exchange program's guidelines require this and that the member is accepted into the program. Should the District assume financial responsibility for the member on leave, the District would not be obligated to pay the salary and benefits of the teacher who is received in the member's place.
- C. In the event that the program in which the bargaining unit member's participation requires that the District accept an exchange teacher in his/her place, the Board reserves the right to refuse to participate in such a program should that teacher be unacceptable to the District.
- D. The Board will only participate in teacher exchange programs that have an established state, national, or international reputation, i.e. the Fulbright Teacher Exchange Program.

- B. Such leave will begin on the date that the accumulated sick leave and the five (5) additional days, as provided for in 6.033, reaches the zero point, and will be for not less than the period of the bargaining unit member's incapacity, not to exceed a maximum period of two (2) consecutive school years in addition to the remainder of the work year during which it commences.
- C. If the bargaining unit member desires to remain on Medical Leave at the beginning of a work year, as provided for in 6.143(A), he/she may return at the beginning of any grading period during that work year.

6.144 Leave of Absence

- A. A leave of absence of up to the remainder of the school semester and up to four (4) consecutive additional school semesters, without pay, will be granted to a bargaining unit member for family/health and/or obligations for personal reasons other than preparing for or the pursuing of other employment. Return from such leave shall coincide with the start of the school semester.
- B. If the leave taken as per 6.144(A) is for any reason other than health/medical reasons, the bargaining unit member may not take a second (2nd) such leave, except for emergency reason(s), for at least two (2) years. - C. The Sick Leave Bank Committee shall make the determination as to the existence of an emergency situation (defined in 6.042) for the purpose of granting a second (2nd) leave within the restricted two (2) year period. The decision of the committee is not grievable under the Agreement.

- C. A bargaining unit member on a leave of absence under Sections 6.09, 6.13, or 6.14 of this Article will, unless otherwise mutually agreed by the member and the Superintendent, automatically receive an unpaid leave from any co-curricular position the member holds.

It is anticipated that, in most cases, the person will resume the duties of the co-curricular position by not later than the start of the position's duties in the cycle next following the person's return from leave. This

provision, however, does not guarantee that result where (1) the person would not have been retained in the co-curricular position had there been no leave, (2) the leave from the co-curricular position is for more than one full cycle of the position, or (3) if the Superintendent determines circumstances make such resumption of the position's duties impracticable or contrary to the best educational interests of the District (in which case the person will be placed in a related co-curricular position with no loss in pay from what would have occurred if the person had resumed the position's duties).

6.147 Rights Upon Return

When applying for leave of absence, the bargaining unit member shall specify the duration of the leave which shall coincide with a school semester. Unless otherwise mutually agreed by the Superintendent and member, the duration of the leave shall not be increased or decreased and the member will return to active employment at the beginning of a school semester, provided, however, that no exceptional circumstances would occur which would necessitate the member's immediate return to work. Such circumstances would include the death or improvement in health of a family member or the loss of the majority of the spouse's financial support. In cases such as these, if the member so desires, and if at least fifteen (15) days of advance notice is given to the Superintendent to return to active employment, the member shall return to active employment by not later than the beginning of the next grading period. A return to active employment shall be to the same position the member held at the time leave commenced, provided that he/she returns not later than the commencement of the next school year; a return to active employment after that shall be to an equivalent position. A completed survey intent form shall be forwarded to the Superintendent no later than the first day of March preceding the next school year.

The member's notice must specify that Family Leave will be the type of leave taken.

6.163 Insurance Coverage While on Leave

During the leave, for up to twelve (12) weeks per year, the Board shall continue to pay the contributions it makes for a member on the active payroll to continue participation in life, health, prescription drug, and dental insurance.

- D. In addition, continuous service will not be considered to have been broken if a bargaining unit member was non-renewed and then re-employed for the subsequent school year.

7.122 Definition

Job sharing shall be defined as two (2) individuals sharing the same job such that each has one-half (1/2) of the duties/responsibilities and one-half (1/2) of the salary/monetary benefits of the job, unless some other arrangement is approved by the Superintendent and written notice of such arrangement is furnished to the Association President.

Specifically, these assignments are defined by the position titles District-wide Curriculum Coordinator, Administrative Intern, and Media Coordinator. (The position of Coordinator of District Talented and Gifted Students, currently included in the Terms of Recognition, will, in addition, be governed by the paragraphs below.)

A bargaining unit member who accepts one (1) of these positions as “teacher on other assignment” will be considered to be on Leave of Absence from his/her teaching position under the general provisions specified in 6.144, acknowledging that “teacher on other assignment” would be one of the reasons that a member would be granted a leave of absence. It would be acknowledged, however, that the other terms of the leave as specified in 6.145 and 6.146 would not apply.

Rights Upon Return: When accepting the new assignment that is classified as “teacher on other assignment” as described above, the bargaining unit member shall agree to a

duration of leave that shall be no less than one (1) school year. Unless mutually agreed by the Superintendent and member, the leave shall not be increased or decreased, and the member shall return to active employment in his/her previous teaching assignment at the beginning of the next school year, or at the beginning of the next school semester if the term is decreased.

If the assignment of “teacher on other assignment” is mutually agreed to extend to an additional school year(s) beyond one (1) school year, the bargaining unit member’s return to his/her teaching position following the second (2nd) (or more) year(s) will be to at least an equivalent teaching position to that originally held.

The employee/bargaining unit member shall receive a one (1) year limited contract (if employed after the start of the school year, such contract shall be for the remainder of the school year.) If subsequently employed, the employee/bargaining unit member shall be awarded successive one (1) year limited contracts. In no event will the employee qualify for a continuing contract or a multi-year contract. The contract shall be considered to be non-renewed at the end of each school year. Non-renewal in this instance for a superannuate shall not be subject to Section 3319.11 of the Ohio Revised Code.

The employee/bargaining unit member shall be notified no later than April 30 as to the Board’s intent to offer or not offer a new contract for the next school year. Non-renewal of the one (1) year contract is not grievable under the Agreement.

Prior to April 30, the position in question shall be posted as per 10.03. A superannuate shall not be offered the position until the posting period both external and internal has ended.

The employee/bargaining unit member shall be eligible to apply for one (1) year only, co-curricular supplemental positions. Automatic renewal shall not be assumed.

No mentor shall be directed, required, or requested to make any recommendation regarding the employment of his/her Resident Educator.

8.09 PROCESS FOR AN AGREEMENT WAIVER FOR A BUILDING

8.091 Procedure

A bargaining unit member or an administrator who wants to initiate a practice that would not be allowed under this Agreement could obtain a waiver from Article VIII of this Agreement by following the sequence below:

- Step 1. The plan must be put in writing on the proper form (Appendix F) and must contain:
- a. The intended practice;
 - b. Ramifications and implications for the building as a whole;
 - c. Duration;
 - d. Financial implications.

At this point there may be discussion to more completely and accurately complete the form.

Step 2. The plan shall be submitted to the building principal, the Association Vice President, and the Superintendent. They may jointly revise, approve, or disapprove the plan (Association checks to make sure the plan proposal is complete). At the same time, an opportunity for open discussion on the proposal must be provided, preferably at the faculty meeting.

The Association and Superintendent shall reply within ten (10) days.

Step 3. If revisions are needed, repeat Steps 1 and 2.

Step 4. After approval of the plan is granted by both the Association and the Superintendent, the plan shall then be voted on by the Association members in the building. Eighty (80) percent must approve for the plan to remain viable.

Step 5. Disposition of the vote shall be communicated to the Superintendent and the Association Vice President.

Step 6. If the vote is approved, the plan shall become an appendix to this Agreement upon approval of the Association and the Superintendent.

8.10 PROFESSIONAL DEVELOPMENT COMMITTEE

An eleven (11) member Professional Development Committee (PDC) composed of eight (8) bargaining unit members representing the various levels/buildings and appointed by the Association and three (3) administrators appointed by the Superintendent (or designee) is established for the purpose identified below.

8.101 Responsibilities

1. The PDC is responsible for providing input and evaluating professional development.
2. Members of the PDC will serve as liaisons/spokespersons/representatives for other bargaining unit members in the sharing of information, ideas, securing feedback, and reporting back to appropriate staff.
3. The PDC will evaluate and determine awards for the District Staff Development Leave Grants.
4. The PDC is responsible for implementing, coordinating, and evaluating the courses offered through the District's Professional Development Program.
 - The PDC will establish guidelines and bylaws as they apply to the Program.
 - Members of the PDC will act as facilitators for each of the Program course offerings.

- Course offerings approved for the Program will serve the instructional learning needs of the District's staff including classes pertaining to electronic workload. State-mandated professional development for licensure requirements will not be included in these offerings.
- The PDC will develop and maintain an appeals procedure.
- The decisions of the PDC are not grievable.

8.102 Meetings

The PDC will meet monthly throughout the school year and will be provided up to three (3) additional release days to complete the responsibilities of preparing the subsequent school year's menu of Program course offerings.

8.103 Compensation

Each PDC member will be compensated with a yearly stipend of \$1000. In addition, in consideration of the member's participation on the Committee and function as a facilitator, the six (6)-hour professional development obligation outside the work day appearing in 8.012 of this Agreement will be waived.

ARTICLE IX

WORKING CONDITIONS

9.01 CLASS SIZE

Class Size: The number of students for which a teacher is accountable in any one period or in elementary, as defined in 9.011.

Class Load: The total number of students for which a teacher is accountable throughout the course of a day.

The Board will use its best efforts to equalize the number of students in comparable grade levels and/or subject areas in the existing regular classrooms of all school buildings. If any bargaining unit member finds conditions not workable and unreasonable it becomes an item for grievance.

9.011 Class Size Limits/Class Load

The regular education class size limits shall be as follows: (exclusive of art, physical education and music classes at the elementary level, and exclusive of performing music classes at the middle and high school levels.) Art, physical education and music classes at the elementary level are understood to be one homeroom class per period.

Grade PreK	Per state requirement
Grades K-2	25
Grades 3-5	27
Grade 6	29
Grades 7-8	29
Grades 9-12	30

For Grades 7-12 the Class Load shall be as follows:

5 classes/1-2 preps – 150
5 classes/3 preps – 145
6 classes/1-3 preps – 165

Special Education

The Board will comply with the Ohio Operating Standards for serving Children with Disabilities when assigning students to special education teachers. This includes filing for a waiver with the Office for Exceptional Children if a special education teacher exceeds the operating standards limits. If the District does apply for a waiver and it is approved, the special education teacher who is serving more than the defined ratios will be provided compensation on a per student basis over the ratio limit in accordance with 9.014 and 9.015.

High school special education teachers – In any year a special education teacher’s load is over 80 he/she will not have a duty or support study hall. A special education teacher who teaches 5 classes/3preps with a class load of 80 or under will still have a support study hall.

9.012 Basis for Determination of Classroom Enrollment – Elementary

Enrollment for the elementary classroom will be based on: The number of students who are assigned to that classroom for whom the regular classroom teacher is primarily responsible.

Primary responsibility means that the student is:

1. Assigned to the classroom full time; or
2. Assigned to the classroom full time but “pulled out” for instructional purposes less than fifty (50) percent of the instructional day; or
3. *Included* for at least two (2) hours per day as a special education student (one (1) hour for kdg.) in the regular classroom and the regular classroom teacher is without assistance for that student for the majority of instructional time the student is in the teacher’s regular classroom.

9.013 Class Size and Load Limits – Junior High School/Secondary 7-12

The Administration will make every effort to maintain class size of twenty-five (25) students in grades 7-12. However, class size limits for junior high school and for secondary school will not exceed the numbers appearing in 9.011. The class load for grades 7-12 is not to exceed the numbers appearing 9.011 for all classes. If Administration is unable to prevent class load from exceeding the numbers appearing in 9.011 or class size from exceeding the numbers appearing in 9.011 the bargaining unit member shall be compensated as per 9.015.

Junior high school teachers who teach art, music, physical education, consumer science, foreign language or industrial technology, regardless of the grade level (6-8) of the students they teach, will be considered junior high school teachers for both class sizes and class load issues and will fall under the guidelines of 9.013.

A teacher is accountable for a student when he/she is responsible for preparing, monitoring or assessing the student’s academic work and/or academic performance. When it is determined that a student has withdrawn, the teacher’s last date of responsibility will be considered to be the student’s last date of attendance, regardless of the actual date of official withdrawal.

9.014 Determination of Class Size/Load Overload for Compensation Purposes

- A. On the first day of school each semester, each teacher will receive a class size/class load verification form (Appendix H). The teacher must return the form on the fifth (5th) day of school and note any discrepancies

between the official class roster and actual attendance. This form will be used to determine when class size and/or class load exceeds the predetermined limits. When a student is added to class during the semester, it is the responsibility of the teacher to notify the building principal when the class size and/or class load exceeds the predetermined limits. When class size and/or class load exceeds the limits, the teacher shall notify the principal within five (5) days by filling out the appropriate form(s) (Appendix H). Upon receiving proper notification, the principal has five (5) days to correct the situation. If the situation is corrected within five (5) days, the teacher is not entitled to compensation.

- B. If the situation is not corrected, the teacher will receive compensation. The compensation will be prorated to the first (1st) day the class size and/or class load was exceeded. If the teacher fails to submit the appropriate form(s) to the principal within the five (5) day period, and the principal does not correct the situation, then compensation begins on the date the form was received by the building principal. Note, the building principal will still have five (5) days from the date of discovery to correct the situation before compensation is considered.

9.015 Compensation

Bargaining unit members will receive additional compensation for students who are assigned to their classrooms over and above class size limits. Compensation will be allocated as follows:

Grades K-6: For each student assigned full time to the classroom over the class size limit, as specified in 9.011 compensation would be awarded equal to one (1) percent of the base pay. (Ex. 3-5 class size limit is twenty-seven (27). The one (1) percent base rule begins with the twenty-eighth (28th) student and is awarded on a pro-rated basis by day calculated for each semester.)

Grades 7-12: Exceeding Class Load: For each student over the class *load* limit, as specified in 9.011 compensation would be awarded equal to one (1) percent of the base, pro-rated by day, calculated for each semester.
(Ex.: Class Load = 150 students; For each student over one hundred-fifty (150), the teacher would receive one (1) percent of the base multiplied by the fraction of the school year the student was assigned to that teacher for the semester.

$$[(1\% \times \text{Base})] \times (\text{days assigned}/180) = \$ \underline{\hspace{2cm}}$$

(This calculation would be done following each semester.)

Exceeding Class Size: For each student over the class size limit as specified in 9.011, compensation is calculated as described in the preceding paragraph,

except the product of one (1) percent of the base salary is divided by the number of classes taught, to reflect that the student is assigned a fraction of each day.

(Ex.: Class size limit is twenty-nine (29) students. For each student over student number twenty-nine (29), the calculation would be:

$$[(1\% \times \text{Base})/\# \text{ classes}] \times (\text{days assigned}/180) = \$ \underline{\hspace{2cm}}$$

(This calculation would be done following each semester.)

Accounting: Calculations will always be performed in sequence to determine first if class load has been exceeded before any calculations are made for class size. A student for whom a stipend is being paid under the class load calculation cannot be counted in a class size calculation.

9.02 WORK YEAR SCHEDULES

Prior to the last regularly scheduled work day of the school year, the Administration will notify non-elementary bargaining unit members of the potential academic courses they will be teaching for the ensuing school year. All bargaining unit members shall receive the building master schedule prior to the first teacher work day each school year. This schedule shall include all of their planning time. Adjustments to the master schedule after the first teacher work day may be necessary based upon student enrollment, changes in personnel, or other factors.

9.03 ASSIGNMENT TO MORE THAN ONE BUILDING

9.031 Travel Time

The schedule of a bargaining unit member who is assigned to more than one (1) school building will be arranged so that such individual will not be required to engage in an unreasonable amount of interschool travel. The amount of travel time for a member assigned to more than one building in a day shall be mutually determined by the member and the Administration. If the member and the Administration cannot reach consensus on the amount of travel time, then the Superintendent will make the final determination.

9.032 Building Assignment

No member will be assigned to more than three (3) buildings unless by mutual consent of the member and Administration.

9.033 Storage

All members assigned to more than one (1) building will be provided adequate storage for their instructional supplies and materials.

9.034 Communication

If the instructional schedule of a member assigned to more than one (1) building is altered, he/she shall notify the appropriate administrator. Such bargaining unit member shall be notified of any change in his/her schedule as soon as is practicable.

9.035 Schedule

The written instructional schedule will include the home school of a member assigned to more than one (1) building.

9.04 SUBSTITUTE TEACHERS

9.041 Certificated /Licensed Substitutes

Every effort will be made to employ a fully certificated/licensed substitute for every bargaining unit member who is absent.

9.042 Substitute for Special Teachers

Principals shall make every effort to obtain a qualified substitute when a special (i.e., art, music, physical education, L.D. resource, SBH, DH etc.) teacher is absent. An Intervention Specialist substitute will be provided in the event of extended absence.

9.05 STUDENT CONDUCT CODE

9.051 Copies of Code

The Board shall provide each bargaining unit member with a copy of the Student Conduct Code adopted by the Board.

9.052 Adherence to Code

All bargaining unit members shall support enforcement of the Student Conduct Code established and adopted by the Board.

9.053 Discipline of Students

A. A discipline procedure will be established in all District buildings consistent with the Student Conduct Code provided under 9.051. The objectives of establishing these building procedures is to clarify for all staff members, administrators, students and parents acceptable school behavior and the consequences of not following those behaviors.

Each principal will work in conjunction with his/her staff in developing a building discipline plan in accordance with the Student Conduct Code.

B. Once building discipline plans have been established, building principals will work cooperatively with their teaching staffs to develop classroom

behavioral guidelines. It is expected that teachers will develop classroom guidelines independently, consistent with the building plan by October 1 of each school year, and subject to the approval of and kept on file with the principal.

- C. Building discipline plans shall be reviewed and updated on an annual basis. Update of building discipline plans would be subject to any change in District policy, state law and individual building needs.
- D. Bargaining unit members need to be made aware of the disposition of disciplinary referrals to school administrators in all cases where it is practicable. In particular, members need to know the rationale for administrative decisions which would overrule a member's judgment or action in disciplining a student.

9.06 PROTECTION OF BARGAINING UNIT MEMBERS, STUDENTS AND PROPERTY

9.061 Referral of Student to Specialist

When, in the judgment of a bargaining unit member, a student requires the attention of a counselor, speech and hearing therapist, psychologist, or physician, he/she will so inform the building principal. The principal will arrange, as soon as possible, for a conference among himself/herself, the member, and a representative from the office of student services to discuss the problem and to decide upon appropriate steps for its resolution.

9.062 Special Education

- A. The Administration will make every effort to apportion students with special needs evenly and fairly among the teachers and classrooms in order to meet the needs of both the students and the teachers. Appropriate in-service will be provided for teachers who have students with special needs in the regular classroom, including teachers who are assigned co-teaching classrooms.
- B. Special education teachers and speech and language pathologists will receive the following release time that must be scheduled by mutual agreement between the bargaining unit member and administrator:
 - 1. One (1) release day in District to be used for Individual Education Plan (IEP) writing taken in at least one-half (1/2) day increments;
 - 2. An exemption of up to fourteen (14) hours from parent teacher conferences in exchange for time spent by the member outside the work day writing IEPs and participating in IEP meetings;
 - 3. One-half (1/2) release day to plan and one-half (1/2) release day to complete each student's alternative assessment.

9.063 Removal of Student from Classroom

If the principal decides that a pupil, who has been removed from the regular classroom for either disciplinary reasons or to benefit from the special attention of persons provided for in 9.061 should be re-admitted to the regular classroom and the bargaining unit member responsible for the regular classroom objects, the matter will, within twenty-four (24) hours after the decision by the principal, be referred to the Superintendent. The Superintendent will render a final decision in the matter within two (2) days after the conclusion of the referral.

9.064 Building Security

- A. The Board shall take precautions so that all bargaining unit members have the opportunity to work in an environment in which reasonable and prudent measures have been taken to ensure the safety of members while engaged in professional responsibilities.
- B. Toward this end, Security Committees will be formed by each building principal, the objective of which will be to collaboratively design a building security plan based on standardized guidelines under the direction of the Business Manager.
- C. Security Committee meetings will be held a minimum of two times per school year with a building security report, in accord with the District format, due to the Shared Leadership Team by May 1 preceding the new school year.

The Board will use its best efforts to assure that the private lunchrooms are well-ventilated and large enough to comfortably seat at least the number of employees assigned to lunch at any one time.

9.08 ENVIRONMENTAL QUALITY

Reasonable efforts will be made to address air quality concerns which are brought to the attention of the Administration. These efforts may include, but not be limited to an air check by an independent agency.

- B. Medical professionals contracted by the District will administer all medication to students from a centralized location, at designated times of the school day.

9.092 Exceptions

- A. Volunteer bargaining unit members in each school will administer medication and/or first aid to students one (1) only in the event that contracted medical professionals are not available, and two (2) only in the event that they have received proper training that has been certified/verified as required. The Board will comply with Section 3313.713 of the Ohio Revised Code regarding the administration of medication to students.
- B. Each school will be required to have a trained corps of volunteer bargaining unit members to provide assistance in the Administration of medication and first aid during those times when contracted medical professionals may not be available. This group of volunteers will be held harmless from liability in the performance of any volunteer medically related responsibilities.

ARTICLE X

CHANGES IN ASSIGNMENT OR TRANSFER OF PERSONNEL

10.01 ASSIGNMENT

10.011 Assignment Defined

The Superintendent will assign a newly employed bargaining unit member to his/her specific position. Such assignment will include the subject area, where applicable, grade level(s), and building(s).

10.012 Notice of Assignment

The Superintendent will give notice of assignment to a new bargaining unit member as soon as practicable and, except in the case of emergency, not later than July 30th.

10.013 Voluntary Change of Assignment

A bargaining unit member who applies and is assigned to an area of responsibility created by the leave of absence of another member will, upon the exercise of that member's legitimate right to return to this position, return to his/her former position or an equivalent position.

In the event that the position temporarily held by the bargaining unit member was one for which a higher rate of compensation was received, the member shall be entitled to the rate of compensation commensurate with the position to which he/she is returning.

10.02 INVOLUNTARY TRANSFER

10.021 Involuntary Transfer Defined

- A. An involuntary transfer shall be defined as an involuntary change of assignment.
- B. A bargaining unit member whose class has been assigned to another building shall not be considered transferred for purposes of this provision.

10.022 Transfer Procedure

- A. The Superintendent may transfer a bargaining unit member only:
 - 1. After a meeting, or notice of the right to have a meeting with the member; and
 - 2. If the reason(s) for the transfer is not discriminatory, arbitrary, capricious, or without a rational basis in fact; and

3. If the bargaining unit member has been given written notice of transfer and the reason(s) therefore as soon as practicable and, except in case of emergency, not later than July 15.
- B. A bargaining unit member may, at his/her option, be represented by the Association during the consultation with the Superintendent.
 - C. When a transfer is necessary the area of competence, length of service in the District, length of service in the building, grade or subject from which transfer is contemplated for the bargaining unit member, frequency of previous transfers, and other relevant factors, including legal requirements, will be considered in determining which member is to be transferred.
 - D. A bargaining unit member being transferred will be placed only in an equivalent position: i.e., one which, among other things, involves no reduction in salary and no impairment of tenure. However, for people hired into a position with extended time after July 1, 1997, who are later transferred to a position without extended time, the extended time will be reduced on a schedule which would not reduce total salary.

Example: A bargaining unit member on extended time has a total salary which is the sum of the base salary plus the extended time salary. If the member is transferred to a new position not requiring extended time, the salary for that member will remain constant with the total salary of the last year the member was in the extended time position. This will be achieved by gradually reducing extended time and extended time compensation in successive years as base salary increases, keeping total salary constant until such time as it would normally increase considering base salary alone.

10.023 Option to Request Reassignment

- A. A list of open positions in the school system will be made available to a bargaining unit member being transferred.
- B. The bargaining unit member may request, in order of preference, the position(s) to which he/she desires to be reassigned.

10.024 Option to Resign

A bargaining unit member being transferred may choose to resign and seek employment elsewhere. If the member makes such a decision the Board shall hold the individual harmless of Section 3319.15 of the Ohio Revised Code.

10.025 Effects on Class Size

Transfers will not contribute to unreasonable class sizes in the area from which the individual was transferred.

10.031 Vacancy Defined

- A. Unless the provisions of Article XI, Reduction in Staff, are implemented, a vacancy in a bargaining unit position shall exist when:
1. A bargaining unit member dies;
 2. A bargaining unit member resigns;
 3. A bargaining unit member retires;
 4. A bargaining unit member has his/her limited teaching contract non-renewed;
 5. A bargaining unit member has his/her teaching contract terminated;
 6. A bargaining unit member is involuntarily transferred;
 7. A bargaining unit member is voluntarily transferred;
 8. A bargaining unit member is promoted;
 9. A new position is created within the bargaining unit.
- B. A vacancy in a bargaining unit position shall also exist when a bargaining unit member requests and is granted a leave, other than sick leave or assault leave, for more than six (6) consecutive work weeks if the teaching contract of another member, holding proper certification for that position, has been or is to be suspended to achieve a reduction in staff.
- C. A vacancy in a bargaining unit position shall also exist whenever a bargaining unit member requests and is granted a leave which extends beyond the academic year in which the leave commences. Such position will be posted for the academic year beyond the one in which the leave commences.

10.032 Notification Vacancy

- A. Knowledge of a vacancy initiated by a bargaining unit member occurs when the Superintendent has a formal letter. In this instance, the member vacating the position should submit a written notice of resignation as soon as possible. If the Superintendent determines not to fill the vacancy, he/she will so notify the Association President by email.
- B. During the regular work year, email notification of a vacancy will be sent to all bargaining unit members.

- C. During the summer months, when school is not in session, notice of vacancy shall be sent by email notification and by the emergency phone notification system to all bargaining unit members.
- D. A copy of the notice shall be given to the Association at the time notification is made and during the school year a copy of the posting will also be placed in staff break rooms in each building and in each of the high school houses and main office.
- E. In the notification, the qualifications for the position, its duties, and the rate of compensation shall be clearly set forth. The qualifications for a particular position will not be established or changed without advance notice to the Association.

10.033 Length of Notification

- A. A bargaining unit member who desires to be reassigned to such vacancy shall submit his/her application to the Superintendent within the time limit specified in the notification.
- B. When a vacancy occurs before the end of the regular work year, the time limit shall not be less than five (5) days from the date of the notice (but in no event less than three (3) regular scheduled work days).
- C. If a vacancy occurs after the end of the regular work year and during the months of June and July, the time limit shall not be less than ten (10) calendar days from the date of notification.
- D. If a vacancy occurs after the end of the regular work year during the month of August and prior to the start of school, the time limit shall not be less than three (3) week days from the date of notification.

10.034 Shifting Enrollments

In the event that due to shifting enrollments within an elementary building, it becomes necessary to reallocate the staff, bargaining unit members may be voluntarily reassigned within their current building without following the posting procedure.

10.035 Exchange Positions

Bargaining unit members who jointly agree to exchange positions with the Superintendent's approval, may do so without following the posting procedure.

10.04 VOLUNTARY TRANSFER

10.041 Voluntary Transfer Defined

Completed survey forms shall be forwarded to the Superintendent through the building principal no later than the first (1st) day of March.
- B. A bargaining unit member requesting a voluntary transfer within his/her present building shall consult with the building principal and, vacancies existing, shall be given the first consideration.
- C. When vacancies meeting the specific requests are available, a bargaining unit member requesting a voluntary transfer shall be given first consideration providing the member making the request is qualified for the position available. A member requesting a transfer shall be given an opportunity to meet with the principal of the building where the vacancy exists before a final decision is reached.
- D. In addition to the above, a bargaining unit member desiring to be voluntarily transferred to a specific vacancy may notify the Superintendent pursuant to 10.033.
- E. If the request of a bargaining unit member for a voluntary transfer is denied, he/she will, upon request, receive a written explanation of the reason(s) therefore from the Superintendent.

10.05 PROMOTION

10.051 Promotion Defined

A promotion shall be defined as a voluntary change of assignment to a position outside the bargaining unit such as, but not limited to, assistant principal, principal, assistant Superintendent, curriculum director, business manager, etc.

10.052 Temporary Filling of Promotion Positions

Notwithstanding the provisions of 10.03, the Board may fill a vacancy in a promotional position on a temporary basis (i.e., when it is necessary to do so in the best interest of the educational process) provided that the time spent in such temporary assignment shall not be considered in judging the relative qualifications of the applicants for the position. Temporary is defined as less than six (6) months.

10.053 Precedence Clause

Except as otherwise provided in Article XI of this Agreement, no vacancy in a promotional position shall be filled except after compliance with the procedure set forth in this Article.

ARTICLE XI

REDUCTION IN STAFF

11.01 REASON FOR REDUCTION IN STAFF

If the Board decides that it will be necessary to reduce staff, it shall make a reasonable reduction based on a comprehensive plan of program needs for the District. This comprehensive plan of program needs shall take into account the minimal standards promulgated by the Ohio State Department and all pertinent provisions of state and federal law.

11.02 METHODS OF REDUCING STAFF

11.021 Suspension of Teaching Contract

In making such reductions, the Board shall, within each area of certification/licensure affected, suspend the teaching contract of a bargaining unit member, giving preference to members on continuing contracts. The Board shall not give preference to any member based on seniority, except when making a decision between members who have comparable evaluations. The member may request to see the process used to carry out the reduction in force.

11.03 NOTICE OF INTENT TO REDUCE STAFF

11.031 Notice to Association

- A. If the Board contemplates suspending the teaching contract of a bargaining unit member, for reason of reducing staff, it will notify the Association in writing not later than April 1st of the calendar year in which the suspension is to occur. The written notice will include the specific position to be affected, the reason for the action, and the time at which the suspension will become effective. The Association may, within five (5) days after receiving the notice, request a meeting with the Board for the purpose of discussing the need for the suspension(s). The Association will be given the opportunity to present any information which it may have which is relevant to the proposed action of the Board.
- B. If the Board contemplates suspending the teaching contract of a bargaining unit member to provide for the return to duty of another member after a leave, it shall notify the Association in writing not later than fifteen (15) days prior to the effective date of the suspension. The written notice will include the specific position to be affected, the reason for the action, and the time in which the suspension will become effective. The Association may, within five (5) days after receiving the notice, request a meeting with the Board for the purpose of discussing the need for the suspension(s). The Association will be given the opportunity to present any information which it may have which is relevant to the proposed action of the Board.

Such notice will include the reason for the action and the time at which the suspension will become effective. No member will have his/her contract terminated or non-renewed because of a planned reduction in staff.

11.04 RECALL PROVISIONS

11.041 Recall Defined

If there is a vacancy in a bargaining unit position, or a new bargaining unit position is created, bargaining unit members whose teaching contracts are suspended, who are certified to perform the duties in question will be recalled in accordance with the procedure appearing below. Seniority shall not be the basis for recalling a member, except when making a decision between members who have comparable evaluations.

11.042 Recall Procedure

Notice of recall will be given in person or by registered or certified mail to the last address given the Board by the bargaining unit member. A copy of the notice of recall will be given to the Association. If a member fails to respond within ten (10) days after receipt of the notice of recall, he/she will be deemed to have refused the position offered.

11.043 Waiver of Recall Rights

A bargaining unit member whose teaching contract has been suspended will remain on the recall list for twenty-four (24) months after the effective date of his/her suspension unless he/she:

- A. Waives recall rights in writing;
- B. Resigns;
- C. Fails to accept recall to the position held immediately prior to suspension, or to an equivalent position; or

- D. Fails to report to work in a position that he/she has accepted within ten (10) school days after receipt of the notice of recall, unless such bargaining unit member:
 - 1. Is sick or injured; or
 - 2. Has secured temporary employment elsewhere, in which case he/she will be allowed a reasonable amount of additional time before being required to report.

11.05 RESTORATION OF BENEFITS

All benefits to which a bargaining unit member was entitled at the time of his/her suspension, including unused accumulated sick leave and credits towards sabbatical eligibility, will be restored to him/her upon his/her return to active employment. He/she will be placed on the proper step of the Salary Schedule for his/her current position according to his/her experience and education. A member will not receive increment credit for the time spent on suspension nor will such time count toward the fulfillment of time requirements for acquiring tenure. Increment credit for teaching in another District or substituting shall be according to Article V.

11.06 PRECEDENCE CLAUSE

Notwithstanding, any other provision of this Agreement, no vacancy or new position in the bargaining unit will be filled by the Board, until the procedure set forth in this Article has been complied with.

11.07 DEVIATION FROM SENIORITY

If the Board intends, because of the “comparable evaluations” provision of Section 3319.17 of the Ohio Revised Code, to deviate from seniority in suspending a bargaining unit member’s contract, the Board will give the Association President written notice of such intent by not later than the April 1 deadline appearing in 11.031, A. above in which case representatives of the Association and the Board shall meet and confer promptly in an effort to clarify and agree on the specific scope of any such deviation; if the parties are unable to agree, and the member(s) adversely affected by the Board’s intended deviation from seniority wishes to challenge the deviation, the parties shall (notwithstanding Article III of this Agreement) promptly submit the dispute to binding arbitration under the American Arbitration Association’s Expedited Labor Arbitration Rules for a determination of whether the Board’s intended deviation is proper under the statute’s “comparable evaluations” requirement. Similarly, if the Board intends because of the “comparable evaluations” provision of Section 3319.17 to deviate from seniority in recalling a laid-off bargaining unit member, the Board will promptly give the Association President written notice of such intent and, if the member(s) adversely affected by the Board’s intended deviation wishes to challenge the deviation, the parties shall immediately submit the dispute to binding arbitration under the AAA’s Expedited Labor Arbitration Rules. In any arbitration under this Section, it is mutually recognized and agreed that (A) the arbitrator is to focus on the comparability of evaluations in light of applicable law, and (B) the arbitrator is deciding only the specific case before him/her on a non-precedent basis for other cases that may arise.

INSURANCE COVERAGE FOR EMPLOYED SPOUSES OF ELIGIBLE EMPLOYEES

As a result of the collective bargaining process, Medina City School District employees who qualify for family health insurance benefits may now be in a situation where their employed spouse will no longer be covered as primary under the Medina City School District health insurance plan. Your spouse is no longer permitted to receive primary health insurance coverage through Medina City School District's insurance plan if **all three** of the following statements are true:

1. He or she works a minimum of 20 hours per week; AND
2. He or she has "ACCESS TO CONTINUOUS GROUP HEALTH INSURANCE COVERAGE" (explained below) as part of his or her employment; AND
3. He or she pays out of pocket from **0% to 40%** of the health insurance benefit premium cost.

ACCESS TO CONTINUOUS GROUP HEALTH INSURANCE COVERAGE can occur in many situations. Your spouse has such access if:

- He or she can enroll...OR
- He or she can elect to receive a stipend or higher salary in lieu of enrolling in the employer's health insurance plan. (Thus, the spouse could have enrolled in the employer's health insurance plan even if he or she chose not to do so)...OR
- He or she can choose "cafeteria style" insurance benefits from the employer, choosing among health insurance, life insurance, annuity premiums, etc. (Thus the spouse could have enrolled in the health insurance portion of the employer's "cafeteria style" benefits)...OR
- He or she is the owner or partner in a company that provides health insurance benefits to its employees; OR
- His or her employer provides other means of access to continuous health insurance coverage. Please specify _____.

Check one box:

- One or more of the first three numbered statements printed above is false. Specify which statement(s) _____. Please sign the bottom of this form;
- All of the first three statements printed above are true. Your spouse **MUST** enroll in his/her health insurance plan for at least single coverage. Therefore, my spouse's employer will provide primary coverage for him or her (and dependent children if they are enrolled in the

spouse's plan). The Medina City School District's insurance plan will provide secondary coverage...Please check one of the following boxes:

- My spouse is currently enrolled in his or her employer's group health insurance plan. OR
- My spouse will become eligible for his or her employer's health insurance plan on the following date: _____.

I attest that the information provided above is true to the best of my knowledge. I also understand that, should the spouse be eligible for health insurance through his or her employer's program and not enrolled, the Medina City Schools or our insurance carrier will seek to recover any claims that may have been inappropriately paid by our insurance carrier.

STRS PICKUP AND PICKUP ON THE PICKUP DEFINED

STRS Pickup (Employee retirement contribution paid by employer in addition to stated salary)

Bargaining unit members typically have 14% of their salary withheld as a contribution to the State Teachers' Retirement System. In the years where compensation includes STRS Pickup, the portion of the bargaining unit member's salary that is normally withheld is now paid directly to STRS by the school District. When the pickup is 4%, as is negotiated, the employee will have 10% of his/her salary withheld (14% less 4%); the school District will pay the other 4%.

STRS Pickup on the Pickup

The portion of the bargaining unit member's salary that is normally withheld from salary for purposes of the STRS contribution is 14%. When the school District pays a portion of that contribution for the employee as described above under STRS Pickup, that amount of money is considered to be compensation or income for which there must also be 14% withheld and contributed to STRS. Therefore, when the Board pays *pickup on the pickup*, they are paying the portion of the employee's normally withheld contribution, ex. 4% as described above, and 14% of that 4%. The 14% of the 4% (in this example) is the *pickup on the pickup*.

Example:

Base Salary BS and 0 years of experience:	\$43,215	Salary reported to STRS
Normal employee contribution 14%	<u>6,050</u>	
Salary remaining	\$37,165	Take home pay before taxes and deductions

With Board funded pickup and pickup on pickup

	Base Salary: \$43,215	
	Employee contribution 10%: <u>4,322</u>	
	\$38,893	Take home pay before taxes and deductions
Board funded pickup (4% of \$43,215)		\$1,729
Board funded pickup on pickup (14% of \$1,729)		\$ 242
Total Board Funded		\$1,971
Base Salary		\$43,215
Board Pickup		<u>1,971</u>
Salary Reported to STRS		\$45,186

CONSENSUS STATEMENT

PRESERVATION OF FAIR SHARE FEE LANGUAGE

During the collaborative discussions utilizing the interest based bargaining model which resulted in a successor agreement, representatives of the parties reached consensus on the importance of retaining, for possible future use, language previously used for “fair share fee” administration. Former Section 4.02, “Fair Share Fee” is null and void as a matter of law based on Supreme Court decision in *Janus v. AFSCME, Council 31*, 585 U.S. _____ (2018) and will not be implemented, but the language is preserved here for use by the parties should the law change in future years.

4.02 FAIR SHARE FEE

4.021 Payroll Deduction of Fair Share Fee

The Board shall deduct from the pay of bargaining unit members who elect not to become or to remain members of the Association, a Fair Share Fee for the Association’s representation of such non-members during the term of this Agreement. No non-member filing a timely demand shall be required to subsidize partisan political or ideological causes not germane to the Association’s work in the realm of collective bargaining.

4.022 Notification of the Amount of Fair Share Fee

Notice of the amount of the annual Fair Share Fee, which shall not be more than one hundred (100) percent of the unified dues of the Association, shall be transmitted by the Association to the Treasurer of the Board on or about September 15 of each year during the term of this Agreement for the purpose of determining amounts to be payroll-deducted, and the Board agrees to promptly transmit all amounts deducted to the Association.

4.023 Schedule of Fair Share Fee Deductions

Payroll deduction of such annual fair share fees shall commence on the (first (1st) pay date which occurs on or after January 15th annually.) In the case of a bargaining unit members newly hired after the beginning of the school year, the payroll deduction shall commence on the first (1st) pay date following January 15.

4.024 Termination of Membership During the Membership Year

- A. The Treasurer of the Board shall, upon notification from the Association that a member has terminated membership, commence the deduction of the Fair Share Fee with respect to the former member, and the amount of the fee yet to be deducted shall be the annual Fair Share Fee less the amount previously paid through payroll deduction.
- B. The balance of the annual Fair Share Fee shall be deducted from the final pay check of the bargaining unit fee payer resigning his/her position,

receiving a leave of absence or having his/her employment terminated after January 1 of any school year during the duration of this Agreement.

4.025 Transmittal of Deductions

The Board further agrees to accompany each such transmittal with a list of the names of the bargaining unit members for whom all such Fair Share Fee deductions were made, the period covered, and the amounts deducted for each.

4.026 Procedure for Rebate

The Association represents to the Board that an internal rebate procedure has been established in accordance with Section 4117.09(C) of the Ohio Revised Code and that a procedure for challenging the amount of the representation fee has been established and will be given to each bargaining unit member who does not join the Association, and that such procedure and notice shall be in compliance with all applicable state and federal laws and the Constitutions of the United States and the State of Ohio.

4.027 Entitlement to Rebate

Upon timely demand, non-members may apply to the Association for an advance reduction/rebate of the Fair Share Fee pursuant to the internal procedure adopted by the Association.

4.028 Indemnification of the Board

The Association agrees to indemnify the Board for any cost of liability incurred as a result of the implementation and enforcement of this provision provided that:

- A. The Board shall give ten (10) days written notice of any claim made or action filed against the employer by a non-member for which indemnification may be claimed;
- B. The Association shall reserve the right to designate counsel to represent and defend the employer;
- C. The Board agrees to (1) give full and complete cooperation and assistance to the Association and its counsel at all levels of the proceeding, (2) permit the Association or its affiliates to intervene as a party if it so desires, and/or (3) to not oppose the Association or its affiliates' application to file briefs *amicus curiae* in the action;
- C. The Board acted in good faith compliance with the Fair Share Fee provision of this Agreement; however, there shall be no indemnification of the Board if the Board intentionally or willfully fails to apply (except due to court order) or misapplies such Fair Share Fee provision herein.

PRESCHOOL

A committee will be established to identify how to apply contract language to the unique needs and state requirements or bargaining unit members who are employed as Intervention Specialists assigned to District Pre-School classrooms. The committee will work to develop schedules and procedures that meet contractual guidelines in the following areas:

- Parent teacher conferences
- Planning time
- Parent Night
- Professional Development
- Other areas as identified by the committee

The committee will consist of one (1) bargaining team member from the Board and one (1) bargaining team member from MCTA who are signatories to this contract, two (2) pre-school intervention specialists, and two (2) administrators/supervisors.

At the conclusion of the committee work, a Memorandum of Understanding will be presented to the Board and the Association for ratification no later than November 8, 2019.

ELEMENTARY LUNCH/RECESS DUTY ASSIGNMENTS

The Board and the MCTA recognize that coverage for lunch and recess duty in the elementary schools is dependent upon staffing levels in each of the buildings. To more closely align lunch/recess duty assignments across elementary schools in the District, the Board will increase paraprofessional coverage in elementary schools as needed. This will allow for reduced teacher lunch/recess duty and will provide increased planning time in elementary buildings that currently have less staff available to cover lunch/recess duty.

SEVERANCE PAY

MCTA and Administration will research options to maximize the severance payment to employees by utilizing all employee and employer contribution plans allowable by the IRS and the law.

MIDDLE SCHOOL TEAMING

A committee that was established in 2017 to explore a teaming schedule at the District middle schools will continue. The purpose of the committee is to plan for the implementation of teaming schedules at all District middle schools.

SPECIAL EDUCATION TRAINING

Every new co-teaching pair grades 6-12 will be required to attend two (2) half days with Central Office Staff and their building principal prior to when the school year starts. The trainings will be organized as follows:

- 1st half day is District training on co-teaching
- 2nd half day is specific to each co-teaching pair

Follow-up training will be required for the co-teaching pairs which includes observations of their classrooms by Central Office Staff and feedback.

Two (2) half release days will be required of the teams to review progress with administrators and Central Office Staff.
