ARTICLE 1 – RECOGNITION

- A. The East Clinton Local School District Board of Education, hereinafter referred to as the “Board,” recognizes the East Clinton Education Association, as affiliated with the Ohio Education Association and the National Education Association, hereinafter referred to as the “Association,” as the sole and exclusive agent representing the bargaining unit.
- B. The “bargaining unit” is defined as (A) all full-time certified/licensed employees hired under a regular teaching contract, (B) all certified/licensed employees hired under a regular teaching contract who teach 50% of the time, or more, and (C) certified/licensed employees on Board approved leaves of absence that otherwise qualify. The following are excluded from the bargaining unit: all substitute teachers, aides, non-certified personnel, the Superintendent, building principals, administrative assistant, assistant building principals, athletic director, psychologist and individuals who hold other administrative or supervisory positions.
- C. “Member” as used throughout this agreement, shall mean a member of the bargaining unit as defined in B above.
- D. The Association recognizes that the Board is the duly elected body charged by law with the sole authority to establish the educational and other policies of the district and that the Board retains all of its legal authority except to the extent it is expressly limited by this contract. Unless otherwise agreed to in this Negotiated Agreement, nothing herein impairs the right and responsibility of the Board to:
 - 1. Determine matters of inherent managerial policy which include, but are not limited to, areas of discretion or policy such as the functions and programs of the public employer, standards of service, its overall budget, utilization of technology and organizational structure;
 - 2. Direct, supervise, evaluate or hire employees;
 - 3. Maintain and improve the efficiency and effectiveness of governmental operations;
 - 4. Determine the overall methods, process, means of personnel by which governmental operations are to be conducted;
 - 5. Suspend, discipline, demote, or discharge for just cause, or lay off, transfer, assign, schedule, promote, or retain employees;
 - 6. Determine the adequacy of the work force;

7. Determine the overall mission of the employer as a unit of government;
8. Effectively manage the work force;
9. Take actions to carry out the mission of the public employer as a governmental unit; and
10. Make the rules and regulations by which the students and employees of the Board will be governed.
11. Pursuant to this provision, the parties hereby agree that the Board shall not be permitted to exercise any management rights which alter or modify any existing provision of this agreement. The parties also hereby agree and understand that the Board shall have the right to unilaterally implement any management rights not specifically addressed in the collective bargaining agreement provided that the Board engages in good faith negotiations over the effects of the implementation if requested to do so by the Association. These mid-term negotiations shall be conducted in accordance with the negotiation procedures contained in Article 2 of this contract. The grievance procedure shall be the exclusive process for resolving disagreements/disputes arising under this Article with regard to the Board's compliance with the mid-term/interim bargaining procedures set forth herein.

ARTICLE 2 – NEGOTIATIONS PROCEDURE

A. Definitions

1. “Day” means calendar days unless otherwise indicated.
2. “Good Faith” – The obligation of the parties to bargain with each other for the purpose of reaching an agreement on matters which are submitted to negotiations. All parties are obligated to deal openly and fairly with each other. If a proposal is unacceptable to one of the parties, that party is obligated to give its reasons and offer counterproposals. Such obligation shall not require either party to change their proposal on any matter being negotiated.
3. “Party” – When used, shall mean the Association and the Board.

B. Initiating Negotiations

Negotiations on a successor agreement may begin any time after April 1 during the year the agreement expires. Negotiable items shall be wages, hours, terms and other conditions of employment and the continuation, modification or deletion of an existing provision of the contract.

1. All requests for the initiation of negotiations shall be made in writing. The request initiated by the Association shall be directed to the Superintendent; the request initiated by the Board shall be directed at the President. The written request for negotiations shall include:
 - a. Date of letter
 - b. Statement of matters to be discussed
2. A written reply shall be sent by the receiving party within five (5) calendar days of receipt of said request. This letter shall include:
 - a. Date of letter
 - b. Times, place and date of three (3) proposed dates for the initial negotiation session.
3. All negotiations shall be in accordance with the provision of this contract.

C. Negotiation Sessions

1. The parties shall meet at a time and place as established under Section B of this Article for the first negotiation session. A time, place and date for the next session shall be established before concluding the first and each successive negotiation session.
2. Within one week of the request a mutually convenient date shall be arranged. At the initial session the parties shall exchange their detailed written proposals. No new items shall be submitted thereafter except upon mutual agreement of the teams.

D. Negotiations Team

1. Each team may be made up of a maximum of five (5) people. Each team shall designate a chairperson.
2. The parties may call upon consultants to assist in preparing for bargaining and to utilize them for consultation during bargaining sessions. The expense of the consultants shall be borne by the party requesting them.
3. Each party may have two (2) observers present during bargaining sessions.

E. Information

The designated representative of the Board and the Association agree to make available to each other all available public information in issues being negotiated.

Upon request, the Treasurer shall provide the Association with the following:

1. Training and experience grid
2. Financial Report by Fund (Fund Balance Summary from Monthly Treasurer's Report)
3. SF-3
4. SM-1 and all SM-2s
5. 5-Year Projection
6. Foundation Statement of Settlement
7. Annual Summary Report and rate increase data for all insurance coverage
8. Other Public Documents

F. Bargaining Meetings

1. Bargaining sessions shall not exceed three (3) hours in length unless mutually agreed otherwise.
2. Either group shall have the right to recess for independent caucus at any time. Each caucus shall be limited to one (1) hour unless otherwise mutually agreed.

G. Item Agreement

As negotiation items receive tentative agreement, they shall be reduced to writing and initialed by each party. Such initialing shall not be considered binding or as a final agreement by the parties and it is expressly understood by the parties that the tentative agreement(s) reached on any items may be withdrawn by either party at any time during the negotiation process.

H. Agreement

When an agreement is reached by the teams, that total agreement shall be reduced to writing and signed by the chairperson of each team. Each team will recommend to its members the acceptance of the tentative agreement. The tentative agreement shall be submitted to the Association for possible ratification and the results of the ratification vote by the Association's membership shall be communicated to the Board by the President of the Association. Upon receipt of notification that the Association has ratified the agreement, the Board shall meet within fourteen (14) days to consider the possible approval of the tentative agreement. If the agreement is adopted by the parties, it shall be signed by the respective presidents.

No provision of the resulting agreement shall discriminate against any staff member because of membership or non-membership in the Association.

I. Impasse

In the event that agreement cannot be obtained on all issues being negotiated within 60 days of the first negotiations session, either team may declare impasse on all issues being negotiated except that the teams may mutually agree to withdraw any negotiation issues and submit them to the ratification procedures as herein before described.

If an impasse is reached and declared, the parties shall jointly contact the Federal Mediation and Conciliation Service and request the appointment of a federal mediator.

Mediation shall last for 30 days from the parties' first meeting with the mediator and if an agreement has not been reached within that time, then an impasse shall exist. Once the impasse procedures of this contract have been completed, the teachers may exercise the rights available to them under R.C. 4117.14(D)(2) and the Board may unilaterally implement any or all of its final offer made in negotiations, as permitted by law. The provisions of this dispute settlement procedure shall supersede all other provisions of ORC § 4117.14.

ARTICLE 3 – RENEGOTIATIONS

Negotiations on a successor agreement begin after April 1 on the year the agreement expires. Negotiable items shall be wages, hours, terms and other conditions of employment, and the continuation modification or deletion of an existing provision of the contract.

ARTICLE 4 – GRIEVANCE PROCEDURE

A. Definition of Grievance

1. A “grievance” is a complaint involving the alleged violation, misinterpretation or misapplication of this contract.
2. A “grievant” shall be defined as a member, members or the Association who has allegedly been harmed by the alleged violation, misinterpretation or misapplication of this contract.
3. A “day” shall be defined as calendar days, excluding Saturday, Sunday and holidays.

B. Step One

Within 20 days of the act or omission that gives rise to the grievance, any member having a grievance shall first discuss such grievance with his/her building principal. If an alleged violation occurs outside of the school year, then the time for filing the initial grievance shall not begin until the first teacher work day of the following school year.

The member shall indicate to the principal that this is Step One of the grievance procedure. The Grievant may bring the building representative or other employee of the district to this informal level of the grievance procedure. If the grievant chooses to bring a representative, then the principal may have another employee of the district sit in at the Step One level of the grievance procedure.

C. Step Two

If this discussion at Step One does not resolve the grievance to the satisfaction of the member, he/she shall have the right to file a written grievance with the building principal involved in Step One. If said grievance is not filed within twenty (20) days after the occurrence of the act or condition which is the basis of said grievance, said grievance shall be waived. The written grievance shall contain a statement of the alleged facts upon which the grievance is based and a reference to the specific provision of the contract or Board policy allegedly violated, misinterpreted or misapplied. The grievant shall have a right to request a hearing before the building principal at this level. It shall be at a time mutually agreeable to the grievant and his/her principal. If the grievant is accompanied by an employee of the district at the hearing, the principal may likewise have an employee of the district as a witness and/or observer at said hearing.

The principal shall take action on the grievance within seven (7) days after the receipt of said grievance or, if a hearing is requested, within seven (7) days after the conclusion of said hearing. The action taken and the reasons for the action shall be reduced to writing by the principal and sent to the grievant.

D. Step Three

If the action taken by the principal does not resolve the grievance to the satisfaction of the grievant, the grievant may appeal in writing to the Superintendent or his/her designee. Failure to file such appeal within seven (7) days from the receipt of the written decision of the principal shall be deemed a waiver of the right to appeal. Upon request, a hearing shall be conducted by the Superintendent or designee within seven (7) days of the receipt of the request or at a mutually agreed date. The grievant shall be advised in writing of the time, place and date of said hearing and shall have the right to be represented at such hearing by a representative of the Association and the principal may be represented by a person of his/her choice.

The Superintendent or designee shall take action on the appeal of the grievance within seven (7) days after the conclusion of said hearing or within seven (7) days of the receipt of the grievance if no hearing is requested. The action taken and the reasons for the action shall be reduced to writing and copies sent to the grievant and the building principal and the Association.

E. Step Four

If the action taken by the Superintendent or designee does not resolve the grievance to the satisfaction of the grievant, the grievant may appeal in writing to the Board. The notice of appeal shall be sent to the Superintendent or designee and a copy filed with the Treasurer of the Board. Failure to file such appeal within seven (7) days of receipt of the written decision of the Superintendent or his/her designee shall be deemed a waiver of the right to appeal. The Treasurer shall place the matter on the agenda for the next regular meeting of the Board in executive session. The grievant and the principal shall each have the right to be represented at such meeting by a representative of their choice.

The Board shall act upon such appeal not later than its next regular meeting. Copies of the written decision of the Board shall be sent to the grievant, Superintendent or designee, building principal and the Association.

This shall be the last step for grievances involving alleged violations, misinterpretations or misapplication of Board policy.

F. Step Five

If the action taken by the Board does not resolve the grievance involving an alleged misinterpretation, misapplication or violation of this contract to the satisfaction of the grievant, the grievant may appeal in writing to the Treasurer of the Board that he/she intends to take said grievance to arbitration. The notice of the appeal must be filed within seven (7) days of receipt of the written decision of the Board. If not, the grievant shall be deemed to have waived the right to appeal.

The arbitrator shall be chosen from a list provided by the Federal Mediation and Conciliation Service ("FMCS"). Selection of the arbitrator and the conduct of the hearing shall be in accordance with the procedures established by FMCS. The arbitrator shall hold the necessary hearing promptly and issue the decision within fifteen (15) days of the close of the hearing or as soon as reasonably possible. The decision shall be in writing and a copy sent to all parties present at the hearing. The decision of the arbitrator shall be binding on the Board, the grievant, and the Association.

The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to determine any other issue(s) not so submitted to him/her.

The costs for arbitration shall be shared equally by the Board and the Association.

G. General Provisions

1. No reprisals of any kind will be taken by or against any party or participant in the grievance procedure by either party.

2. Grievance form(s) and any other documents related to the Grievance Procedure shall not be place in the member's personnel file.

ARTICLE 5 – ASSOCIATION RIGHTS

Exclusive recognition shall entitle the Association to the following organizational rights:

- A. The Association shall have the right to utilize a portion of a school building for meetings in the same manner as any other group or member of the public.

In addition, the Association may use a school room for the purpose of a committee or other similar small meeting, provided the use of said classroom has been scheduled in advance with the principal and said meeting does not interrupt or disturb any other previously scheduled activities.

- B. Use of teacher mailboxes to distribute notices, circulars and other Association material. A copy of said material will be given to the principal.
- C. Use of the inter-school mail system to distribute material of the type described above.
- D. The Association will have a separate bulletin board in each teacher lounge or workroom.

Immediate family is defined as meaning spouse, children, brothers, sisters, father, mother, father-in-law, mother-in-law and any relative living in the same household as the member.
- C. Ordinarily, the maximum number of days allowable for such death is five (5). However, additional days will be approved by the Superintendent when there is good cause to do so.
- D. A member may accumulate up to 220 days of sick leave.

- E. If a member is absent for reasons covered by sick leave, before he/she has sufficient time to accumulate sick leave, a deficit of not more than five (5) days will be debited against anticipated accumulated sick leave with the agreement of the member.
- F. At the discretion of the Board, additional sick days may be advanced if the member is assaulted while in the performance of his/her contractual duties.
- G. In order to utilize sick leave, the member must furnish a written, signed statement on a form prescribed by the Board to justify the use of sick leave. If medical attention is required, the written request for sick leave shall include the name and address of each attending physician consulted and the dates when consulted.
- H. Falsification of a sick leave request shall be grounds for termination of employment pursuant to Section 3319.16 of the Ohio Revised Code.

If the Superintendent reasonably believes that a member is using sick leave in an inappropriate manner or is falsifying the request(s) for sick leave, the Superintendent may request that the member provide a physician certificate or other documentation justifying the use of sick leave. Such a request may be made if the member has used fifteen (15) or more days in a school year in such a manner that is frequent and sporadic, and is not related to treatment of a chronic illness or condition. The member shall provide the documentation within ten (10) school days.

ARTICLE 7 – CHILD CARE LEAVE

- A. If requested, child care leave without pay shall be granted to a member to care for his/her newly born or newly adopted child for up to twelve (12) consecutive months, except the member's return from leave must be at the beginning of a school year or the beginning of a semester.
- B. A member shall submit a written notice to the Superintendent at least thirty (30) days prior to his/her initiation of child care leave except where the adoption procedures give less than thirty (30) days' notice. The notice shall state the approximate date the leave shall commence.
- C. While on leave, the member shall be entitled to continue on the group insurance plan provided he/she pays the full cost of the premiums for said coverage to the Treasurer of the Board in advance each month.
- D. At the expiration of the leave, the member shall be offered the same or similar position within his/her area of certification.
- E. Child care leave shall not extend a limited contract past its term but the taking of such leave shall not be the basis for non-renewal.

- F. Seniority shall not accrue while on leave. However, upon return, said member will maintain his/her previous seniority status.
- G. If the member wishes to purchase retirement credit for the period of time he/she is on the unpaid leave, he/she shall pay his/her portion of the retirement contribution as well as the Board's portion of the retirement contribution.

 - 2. Registration fees.
 - 3. Lodging at the rate approved in administrative guidelines.
 - 4. Meals (on overnight trips and not included in the registration fee).
 - 5. Other items of expense connected with the conference, with prior approval. Itemized expenditures must be presented to the Treasurer of the Board, upon the return to the district, to receive final reimbursement.

ARTICLE 9 – SABBATICAL LEAVE

The member may be required to return to the district at the end of the leave for a period of at least one (1) year, unless the teacher has completed twenty-five (25) years of teaching in this state.
- B. The Board may not grant such a leave unless there is available a satisfactory substitute, nor grant such leaves to more than five percent (5%) of the bargaining unit at any one time, nor allow a part salary in excess of the difference between the substitute's pay and

the teacher's expected salary, nor grant a leave longer than one school year, nor grant a leave to any teacher more often than once for each five (5) years of service, nor grant a second time to the same individual when other teachers have filed a request for such a leave.

- C. This section is subject to all other provisions of ORC 3319.131.

ARTICLE 10 – MILITARY LEAVE

- A. Any member who has left or leaves a teaching position, by resignation or otherwise, and within forty (40) school days thereafter entered or enters the uniformed services, and who has returned or returns from such service with a discharge other than dishonorable, shall be reemployed by the Board of the district in which he/she held such teaching position, under the same type of contract as that which he/she last held in such district if the member, within ninety (90) days after such discharge, applies to the Board for reemployment.
- B. Upon such application, the member shall be reemployed at the first of the next school semester, if the application is made not less than thirty (30) days prior to the first of the next school semester, in which case the member shall be reemployed the first of the following school semester, unless the Board waives the requirement for the thirty-day period.
- C. For the purpose of seniority and placement on the salary schedule, years of absence in the service of the armed services of the United States or the auxiliaries thereof, shall be counted as though teaching service had been performed during such time.
- D. The Board in which such member was employed and is reemployed under this section may suspend the contract of the member whose services become unnecessary by reason of the return of a teacher from service in the armed services or auxiliaries thereof, in accordance with Article 15, Reduction in Force.

ARTICLE 11 – PERSONAL LEAVE DAYS

- A. Each full-time member shall have three (3) days of paid personal leave days each school year to transact personal business which cannot be conducted outside the regular workday. Part-time members shall be granted an equivalent amount of teaching time for personal leave on not more than three (3) regularly scheduled school days.
- B. Personal leave shall be governed by the following criteria:
1. Notification for personal leave shall be made to the principal and/or Superintendent at least three (3) days prior to such leave, except in cases of unforeseen circumstances.

2. Personal leave shall not be granted on the first and last day of school, nor on any school day preceding or following a day when school has been closed for holiday or vacation, and on parent conference days.
 3. Unused personal leave days are not cumulative from year to year.

- B. When a member is required to appear in court in an action arising from his/her employment with the Board, he/she shall suffer no loss in pay.

ARTICLE 13 – OTHER UNPAID LEAVES OF ABSENCE

- B. While on leave, the member shall be entitled to continue on the group insurance plans provided he/she pays the full cost of the premiums for said coverage to the Treasurer in advance each month.

- C. At the expiration of the leave, the member shall be offered the same or similar position within his/her area of certification.

Payment pursuant to this provision shall be made in two (2) equal installments as follows:

1. The first payment shall be made within 15 days of the Treasurer's receipt of written confirmation from STRS that the employee is retired and receiving STRS benefit.
2. The second payment shall be made the following January.

ARTICLE 45 – RETIRED EMPLOYEES REEMPLOYED BY THE BOARD

- A. Teachers who have retired and who are or will be receiving benefits through STRS may be employed by the East Clinton Local School District Board of Education. There shall be no expectation that any such teacher, whether formerly an employee of the East Clinton Local Board of Education or not, will be offered employment. The District reserves the right to offer or not to offer such employment selectively, based on the needs of the District, and no reason will be given for declining to offer such employment to anyone pursuant to this provision.
- B. The salary to be paid to the retired member shall be based on the appropriate placement on the existing teacher salary schedule training column with years of experience being granted to a member hired pursuant to this provision to be determined by the Board in its discretion but no less than five (5) years. To the extent this provision shall be in conflict with Chapter 3317 of the Ohio Revised Code or any other section of the Ohio Revised Code, this subparagraph shall supersede and replace those sections of law with which it is in conflict.
- C. If a member hired pursuant to this provision wishes to utilize the health insurance plan offered by the Board, he/she may do so.

- D. Members employed pursuant to this provision shall receive one (1) year limited contracts and shall not be eligible for continuing contracts, regardless of their years of service or license held.
- E. Each one year contract shall automatically expire upon the completion of the year and it shall not be necessary for the District to take formal action to re-employ the member pursuant to 3319.11, Ohio Revised Code, in order to terminate the employment relationship. The employment relationship shall end upon the expiration of the contract in the same manner as a supplemental contract.
- F. Returning retirees are not entitled to any severance benefits or retirement incentive benefits.
- G. In the event of a reduction in force, a member employed pursuant to this provision will not be considered to have any seniority over any other member although a member employed pursuant to this provision will be a member of the bargaining unit.
- H. Members employed pursuant to this provision, upon initial employment, shall start with a zero sick leave accumulation balance but shall earn sick leave at the same rate as other members of the bargaining unit and may carry their balance into the next school year if re-employed by Board. Members employed pursuant to this provision shall start each new school year with a personal leave balance of zero. (Statutory reference: ORC 3319.08).

All of the terms and conditions of employment set forth in the preceding numbered paragraphs shall supersede and replace any sections of the Ohio Revised Code with which they are in conflict including, but not limited to, Sections 3319.11, 3319.111 and Chapter 3317 of the Ohio Revised Code.

Appendix C – OTES Memorandum

MEMORANDUM OF UNDERSTANDING GUIDANCE FOR THE DISTRICT STANDING EVALUATION COMMITTEE

This Memorandum of Understanding (“MOU”) is executed by and between the East Clinton Local School District Board of Education (“Board”) and the East Clinton Education Association (“Association”) to provide guidance with respect to certain matters pertaining to teacher evaluation for the 2019-2020 to 2020-2021 school years.

WHEREAS, the General Assembly has mandated that Ohio Boards of Education implement a standards-based framework for the evaluation of teachers; and

WHEREAS, said legislation required the Board to adopt an evaluation policy that conforms with the State Board of Education’s standards-based framework for the evaluation of teachers, and which contains procedures for using evaluation results for retention and promotion decisions and for the removal of poorly performing teachers; and

WHEREAS, the Board, in consultation with teachers, has implemented said policy, which was adopted by the Board on June 11, 2013.

WHEREAS, representatives of the Board and the Association have also agreed upon certain changes to their Collective Bargaining Agreement (“CBA”), effective as of July 1, 2019 to effectuate the changes mandated by the General Assembly with respect to teacher evaluation, eligibility for continuing contracts and reduction in force; and

WHEREAS, the representatives of the Board who engaged in collective bargaining with the Association and the Association wish to assist the District’s Standing Evaluation Committee (“Evaluation Committee”) with respect to certain matters pertaining to the evaluation of teachers during the 2019-2020 to 2020-2021 school years.

THEREFORE, the parties agree that during the 2019-2020 to 2020-2021 school years and thereafter for the duration of the CBA unless modified upon the recommendation of the Evaluation Committee the following guidelines will be observed in the evaluation of teachers:

A. Observation Procedure:

1. No observations will be conducted during the first ten (10) days of instruction or on the school day immediately preceding Thanksgiving break, Christmas/Winter break and Spring break.

2. The evaluator and teacher will have a pre-conference not more than three (3) work days prior to the observation period.
3. Each observation shall last at least thirty (30) continuous minutes.
4. The evaluator will conduct a post-conference within five (5) work days from the observation.
5. The evaluator will provide the teacher a written report of the observation within ten (10) work days from the observation.
6. If a teacher receives a rating of ineffective in one or more areas following an observation, a mutually agreed plan of action will be developed by the evaluator in consultation with the teacher and promptly implemented. If requested by the teacher, an Association representative will be included in the process. If a change of evaluator request is made by the teacher as part of the process, the change will be considered by the administration. The plan will include a reasonable timeline for the teacher to demonstrate necessary improvement.
7. Each employee shall be evaluated annually.
 - a. A teacher who receives a final summative rating score of "Accomplished" on his/her most recent evaluations may at the discretion of the Superintendent/designee be formally evaluated every three years as long as the teacher receives a Student Growth Measure Score of "Average" or higher in the most recent school year. Teachers who qualify for this exception will receive one formal observation and a post-conference interview with a credentialed evaluator in any year that he/she is exempt from the formal evaluation process. The teacher will also continue to receive a Student Growth Measure score every year.
 - b. A teacher who receives a final summative rating score of "Skilled" on his/her most recent evaluations may at the discretion of the Superintendent/designee be formally evaluated every two years as long as the teacher receives a Student Growth Measure Score of "Average" or higher in the most recent school year.
