AGREEMENT

PREAMBLE

THIS AGREEMENT is made and entered into by and between THE CLEVELAND MUNICIPAL SCHOOL DISTRICT (hereinafter referred to as the "District") and the SEIU/ DISTRICT 1199, WV/KY/OH, THE HEALTH CARE AND SOCIAL SERVICE UNION, CTW, CLC (hereinafter referred to as the "Union"), and collectively referred to as "the Parties".

This Agreement has as its purpose the promotion of harmonious relations between the District and the Union, the establishment of an equitable and peaceful procedure for the resolutions of differences, and the establishment of rates of pay, hours of work and other conditions of employment.

ARTICLE 1.

RECOGNITION

Section 1. The District recognizes the Union as the sole and exclusive bargaining representative in all matters pertaining to salaries, fringe benefits, hours of work and all other conditions of employment for all ESS; all cafeteria workers, including lunchroom attendants, but not lunchroom managers; all junior and senior library aides; maintenance men; all clerical positions below and inclusive of the classification of Data Processing System Analyst I; and such additional classifications in which the majority of employees request representation of the Union. The list of active and inactive classifications is contained in Appendix A. The District recognizes the integrity of the bargaining unit and will not take action for the sole purpose of eroding the bargaining unit. No students or volunteers shall be used to replace any bargaining unit member.

Section 2. New Job Classifications. Whenever the District does create or establish any new job classifications of non-certified personnel, for those specific classifications set forth in Article 1,

Section 1 above, the District shall send written notifications of such action to representatives of the Union. In its notifications, the District shall describe the work to be performed by this classification and the Union will have the same opportunity as all other unions to include said employees in its bargaining unit. If the District creates or establishes any new job classifications in which the employees perform work substantially similar to the work being performed by employees then represented by the Union, the employees in the newly created or established job classification shall be represented by the Union beginning with the first day of employment of any such employees. The full terms and conditions of the Agreement shall apply to those employees as of the first day of their employment, except that the District and the Union shall meet immediately after the Union is informed that the District will create or establish such new job classification to negotiate the rate of pay to be received by said employees.

ARTICLE 2

UNION SECURITY, DUES DEDUCTIONS, AND C.O.P.E. DEDUCTIONS

Section 1. For purposes of this Article, an employee shall be considered a member of the Union if the employee tenders to the Union periodic dues and initiation fees through payroll deduction.

Section 2. The Union will be responsible for securing authorization from its members, in any form accepted by the Union, for dues to be deducted from members' wages and remitted to the Union. The Union will be responsible for providing the District written confirmation of its members for whom such authorization has been secured. Upon receipt of such written confirmation from the Union, the Employer shall deduct from the wages due said employee each pay period, and remit to the Union, the regular dues and initiation fees, as established by the Union and required by this Article. The initiation fees shall be deducted in two consecutive months beginning with the pay

period after receipt of the confirmation from the Union.

The Employer shall be relieved from making any such check off deductions upon (1) termination of employment; (2) transfer to a job other than one covered by the bargaining agreement; (3) lay off from work; (4) unpaid leave of absence; or (5) revocation of the check off authorization in accordance with its terms or applicable law.

The Employer shall not be obligated to make deductions of any kind from any employee, who, during the pay period in which the dues were deducted from the employee, shall have failed to receive sufficient wages to equal the deductions.

Section 3. The Employer shall remit to the Union all deductions for dues and initiation fees made from the wages of employees for the preceding pay period, together with a list that includes all employees from whom dues and initiation fees have been deducted, the amount deducted from the employee for the pay period, the employee's rate of pay and his/her number of hours worked and/or paid for under this agreement for such pay period, excluding overtime (i.e., work paid at 1.5 times usual rate), longevity, and differential pay.

Section 4. The Employer agrees to furnish to the Union each month with the names of newly hired employees, their addresses, social security numbers, for Union purposes only, consistent with federal and state law, employee identification number, classifications of work, and dates of hire; the names of terminated employees, together with their dates of termination; the names of employees on leaves of absence; and any address changes that may apply to existing employees. Such reports shall be submitted electronically.

The Employer agrees to furnish the Union, upon request, an electronically alphabetized list of employees, their current addresses, social security numbers, for Union purposes only, consistent with federal and state law, employee identification numbers, contact number(s) on file,

classifications of work, descriptions of pay, their dates of hire and District employee e-mail addresses where applicable.

Section 5. It is specifically agreed that the Employer assumes no obligation, financial or otherwise, beyond administrative costs, arising out of any of the provisions of this Article, and the Union hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions, or proceedings by an employee arising from deductions made by the Employer hereunder, including the cost of defending against such. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

Section 6. Upon receipt of the written confirmation described in Section 2, above, the Employer shall deduct from the wages due said employee each pay period the sum specified in said authorization and remit same to the Union for its political action fund, together with a list that includes all employees for whom such deductions have been made and the amount deducted for such employees. The Union agrees to indemnify and hold harmless the Employer in any matters arising out of the Employer's compliance with this provision in accordance with Section 2 above.

ARTICLE 3.

NON-DISCRIMINATION

Both the District and the Union recognize their respective responsibilities under Federal and State Civil Rights Laws, Fair Employment Practice Acts and other similar constitutional and statutory requirements. Therefore, both parties hereby reaffirm their commitments, legal and moral, not to discriminate in any manner relating to employment on the basis of race, color, creed, national origin, sex, age, sexual orientation, gender identity, or handicaps. Both the District and the Union recognize the right of all employees and all applicants for employment to be free to join or not to join the Union and to participate in Union or legal concerted activities. Therefore, both parties agree that

there shall be no discrimination, interference, restraints, coercion or reprisal by the District or the Union, or by any agent or representative of either party, against any employee or any applicant for employment because of Union membership or because of any lawful activity in an official capacity on behalf of the Union.

Section 3. The parties shall meet once every month, unless the Union or District chooses not to meet. Meetings shall be held during working hours unless otherwise mutually agreed. Before any meeting is scheduled, a written agenda containing a description of the topics to be discussed must be submitted by the Union and management to each other, at least five (5) days before the meeting. These agendas as well as the meetings themselves shall not consist of disputes which are subject to the grievance procedure.

Section 4. The results of such meetings shall neither alter the provisions of this Agreement nor be construed as continued negotiations on terms and conditions as set out in the Agreement.

Section 5. If the parties mutually agree, a third party (e.g., FMCS) shall be selected to participate in such meetings to assist in the improvement of the labor relationship. The third party's participation shall be terminated upon the mutual agreement of the parties

ARTICLE 7.

LEGAL AND DECLARED HOLIDAYS

Section 1. Employees shall receive holiday pay based on their regular appointed hours of work during the school year for each of the following holidays. They will receive this pay provided that within a single school calendar year they are in pay status and actually work the days immediately before and after the holiday:

New Year's Day (January 1)
Martin Luther King, Jr. Day (the third Monday in January)
President's Day (the third Monday in February)
Good Friday
Memorial Day (the last Monday in May)
Independence Day (July 4th) *
Labor Day (the first Monday in September) *
Veteran's Day (the 11th of November)
Thanksgiving Day (the fourth Thursday in November)
Thanksgiving Friday (the day following Thanksgiving Day)
Christmas Day (December 25)

Veteran's Day will be observed in years when it falls on Friday, Saturday, Sunday, or Monday. In years when Veteran's Day falls on Tuesday, Wednesday, or Thursday, the District will observe Discoverer's Day. In years when Veteran's Day is not officially observed by the District, bona fide veterans will have the opportunity to utilize a special privilege day to participate in Veteran's Day events.

For purposes of the holiday provisions of this Agreement, the phrase "actually work" is defined to mean working, on paid vacation or on paid leave (e.g., sick, special privilege, jury duty, etc.).

For ten-month employees hired before July 1, 1988, "actually work" shall be defined to mean actually work the last scheduled day before and the first scheduled day after the Independence Day

and Labor Day holidays. For ten-month employees hired on or after July 1, 1988, "actually work" shall be defined to mean actually work the last scheduled day before and the first scheduled day after the Labor Day holiday.

Section 2. Should New Year's Day, Independence Day, Veteran's Day and/or Christmas Day occur on a Saturday, the immediately preceding Friday will be observed as the paid holiday. Likewise, should any of these holidays occur on a Sunday, the immediately following Monday will be observed as the paid holiday.

Section 3. Any Monday which may immediately precede or any Friday which may immediately follow New Year's Day, Independence Day and/or Christmas Day will also be granted as a paid holiday provided that the employee is in pay status and actually works on the work days immediately before and after the holiday. For ten-month employees hired before July 1, 1988, "actually work" shall be defined to mean actually work the last scheduled day before and the first scheduled day after the Independence Day and Labor Day holidays.

Section 4. Regular employees working on the day before Christmas, will be given one-half (1/2) of their regularly appointed daily hours as holiday pay. When such early release occurs, regular employees not scheduled to work on those days will be given one-half (1/2) of their regularly appointed daily hours as holiday pay provided they are in pay status and actually work on the work days immediately before and after the holiday.

ARTICLE 8.

SICK LEAVE WITH PAY

Section 1. Each current regular employee shall be credited with paid sick leave at the rate of .75 days for only the first twenty (20) pays during the school year up to a maximum of fifteen (15) days. Accordingly, there are twenty (20) pays during the school year which will afford the employee fifteen (15) total sick days. Unused sick leave shall be cumulative without limitation.

Section 2. Paid sick leave may, upon approval, be granted only for pregnancy leave and pregnancy-related medical conditions, actual sickness or injury, confinement by reason of contagious disease or visits to a doctor or dentist for medical care of the employee or his/her immediate family (i.e., spouse, child, parent, sibling) as defined by Family Medical Act Leave guidelines.

Section 3. Each employee is required to submit a written signed statement to justify the use of paid sick leave within three work days after his/her return from sick leave. Falsification of a statement is grounds for a suspension or termination of employment. Any bargaining unit member who misses greater than three (3) consecutive days of work shall submit a written doctor's statement.

Section 4. At the District's request, a certificate from a licensed physician shall be required of an employee immediately upon return to work from paid sick leave if the District suspects sick leave abuse, or to confirm the wellness of the individual to return to work.

When a bargaining unit member requires the use of sick leave exceeding three (3) consecutive days of work, the bargaining unit member shall provide written verification from a certified health care provider. The information on the requested certification described above shall include the contact information for the health care provider, the date the medical condition began

and date upon which the employee can perform the essential functions of his/her job. For sick leave to care for a family member, a statement of the care needed and an estimate of the length of time the care is necessary; and either the dates of any planned leave or the estimated frequency and duration of expected incapacity due to the condition.

Any bargaining unit employee who does not provide the requested certification within the time requested or fails to provide a complete and sufficient certification shall be given ten (10) working days to resubmit the certification. The District shall identify the specific information needed to complete the certification. If the bargaining unit employee does not submit within ten (10) working days, the bargaining unit member may be denied an excused absence and be subject to the District attendance policy.

Application for sick leave to be used where the employee anticipates that he or she will be absent more than five (5) days, shall be applied for thirty (30) days in advance, or as soon as reasonably possible. The leave application must state the beginning date of the leave, and the estimated duration of the leave so that appropriate plans can be made for staffing. All bargaining unit members must endeavor to schedule routine or regularly scheduled medical, dental or optical examinations or treatments for themselves or their immediate family outside of the regular school/work day whenever possible.

Section 5. Employees who render service on a part-time basis shall accumulate sick leave at the same rate granted to full-time employees, calculated in accordance with Revised Code Sections 3319.141 and 124.38, but shall only accumulate sick leave at the rate while working their regular appointed hours.

Section 6. Any employee, who has exhausted his/her/her paid sick leave, or a new employee, may be advanced up to five (5) days' paid sick leave within the current year. This advanced paid sick

leave will be recovered during the remainder of the school contract year as sick leave is earned. Remaining unearned paid sick leave charged to an employee, will, at the end of the school year, or at the termination of service, whichever occurs earlier, result in loss of pay.

Section 7. Paid sick leave for night and summer school employees represented by the Union will be allowed from the employee's accumulated paid sick leave earned during the regular school year. An employee reporting sick on a regular day assignment will be paid for the night assignment, but a proportionate amount of a day's sick leave will be calculated by the Chief Financial Officer and deducted from his/her accumulated paid sick leave in addition to the deduction from his/her accumulated paid sick leave for his/her day's absence. An employee reporting sick on a summer school assignment may use his/her accumulated paid sick leave and will have a proportionate amount of a day's sick leave deducted from his/her accumulated paid sick leave in a manner to be calculated by the Chief Financial Officer.

Section 8. An employee who is hurt on the job shall have the option of using his/her paid sick leave, Workers' Compensation benefits consistent with the Transitional Work Program attached as Appendices D and E, or his/her vacation, whichever he/she prefers. The parties agree that the District will implement the Transitional Work Program, effective July 1, 2007.

Section 9. The District will place in each employee's pay voucher the current amount of accumulated but unused paid sick leave.

Section 10. An employee returning to work after a paid sick leave of three (3) months or less shall be entitled to return to his/her pre-leave job classification and geographic area of assignment. An employee returning to work from a paid sick leave of more than three (3) months shall not be entitled to return to his/her pre-leave job classification and geographic area; however, the District will make a reasonable effort to return the employee to his/her pre-leave job classification and

geographic area of assignment, provided that the employee possesses the skills, qualifications and ability

to perform the job. If the District is unable to return the employee to his/her pre-leave job classification and geographic area of assignment, the District will make reasonable efforts to return the employee to a comparable job classification within the District. The employee will be returned to his/her pre-leave classification and, if possible, his/her pre-leave geographic area of assignment when a vacancy arises, so long as the employee possesses the skills, qualifications and ability necessary to perform the job.

Section 11. Sick Leave Donation. Sick day donations shall be governed by the "Guidelines for Donating Sick Leave." (Appendix F).

Section 12. Absence Abuse. See Attendance Control Memorandum of Understanding

ARTICLE 9.

ATTENDANCE POLICY

Section 1. Application. As a result of the 2013 negotiations there was a Memorandum of Understanding (MOU) created that outlined the formation of a committee to design a new Attendance Control Policy. The committee, comprised of representative bargaining units, 244, 407, 436, 860, 777, 1199, CBCTC and including members of CMSD management, worked together to create a fair and consistent policy for all members. The following Attendance Policy has been developed to provide a clear understanding of employee attendance expectations as well as deter and/or address absenteeism.

The District shall apply this attendance policy uniformly to all members.

This attendance policy supersedes all prior attendance policies applicable to members of the representative bargaining units, 244, 407, 436, 860, 777, 1199, CBCTC. This attendance policy shall

be applied on January 1, 2014. The District shall not use any absences, AWOL, or tardiness occurring prior to January 1, 2014 as a basis for implementing discipline under this article. The district shall not apply this policy retroactively and all members shall begin with a clean slate. However, it is understood that an employee that is in the hearing process and/or serving a suspension under the current absentee policy on January 1, 2014 (or on the date of ratification, if applicable) will be governed under the prior CBA absentee policy (if applicable).

The District agrees that an incident resulting in discipline under this policy cannot be used as a basis for discipline-by the District under any other District or departmental policies, procedures, rules or regulations. All rights afforded by Loudermill and Weingarten shall apply.

An employee may appeal disciplinary action arising under the attendance policy. Such an appeal must be made in accordance with Article XXVII (Grievance Procedure).

A single attendance infraction may only be disciplined under one of the appropriate areas: Absence Abuse, Tardiness, or AWOL. An employee may not be disciplined for the same infraction under multiple processes (absence abuse, tardiness, or AWOL).

Section 2. Definitions:

Absence Occurrence: any unexcused absence including a single day or a combination that would total half of your regularly scheduled shift. Medical documentation must be provided within 48 hours (2 working days) of the employee's return to work or the absence will be considered unexcused

Excused absence: an absence that qualifies for (i) documented sick leave (ii) Family Medical Leave; (iii) military leave, and (iv) assault leave or is an otherwise documented medical absence. An excused absence also includes any vacation leave, funeral leave, jury duty, special privilege or other documented leave so long as the leave is approved by the District. Medical documentation must

be provided within 48 hours (2 working days) of the employee's return to work or the absence will be considered unexcused. District forms are not considered documentation.

Pattern of absence: shall be unexcused absences occurring repetitively including but not limited to: (i) before or after vacation and/or personal leave; (ii) before or after weekends or holidays; (iii) immediately before or after paydays; (iv) when difficult jobs or assignments are scheduled; (v) during certain times of the month/year.

Tardiness Instance:

1. Being late to work at the beginning of the scheduled starting time.
2. Being late to work returning from lunch (if applicable)
3. Being late to work returning from contractual break (if applicable)

Look Back Period: Any rolling 60 workdays

Early Departure: Any time a person leaves work earlier than their scheduled quitting time.

All scheduled time must be accounted for in a daily time record.

Unexcused absence: any documented day or any part thereof an employee is not on an excused absence pursuant to the excused absence definition. At any hearing under this policy, the employee has the right to bring his/her documentation evidencing excused absences, including physician certification.

Absent Without Leave (AWOL): Employees who do not report to work and do not provide acceptable notice when possible are considered AWOL.

Absence Reporting: Supervisors must inform employees of the departmental absence reporting practices on an annual basis in writing, including where, when and whom to call when reporting an absence. Employees must report all absences prior to the start of their work time, or as soon thereafter as possible. If an employee fails to report his/her absence, the employee will be

considered absent without leave until a reasonable explanation is subsequently provided.

Absence Recordkeeping: All absences must be reported accurately by the employee on the District's Employee Absence Forms. (i.e. sick leave, vacation, special privilege, etc.)

Section 3. Absence Abuse Process

It is the policy of the Cleveland Metropolitan School District to review employee attendance on a periodic basis, but no less than every 60 workdays.

- a. District employees accrue fifteen (15) days of sick leave per year, and three (3) days of special privilege leave.
- b. The initial basis for review of possible disciplinary action under the absence abuse process shall be where district records show that the employee has absence occurrences totaling the Absence Hours identified in the Absence Occurrence Schedule within a look back or where any employee exhibits a pattern of absence within any time period.
- c. An employee who fails to adhere to the attendance requirements is subject to progressive discipline as detailed in the schedule of progressive discipline described in this policy. For the purpose of this absence abuse policy, a one (1) year rule applies. For example, if an employee's previous discipline was within a one (1) year time period, the employee will progress to the next step of the progressive discipline schedule. Violations of more than one (1) year at the time of discipline will not be used by the district to determine the appropriate progressive discipline.
- d. When the district grants an employee an approved leave of absence, the time between the effective date of the approved leave of absence and the effective date of the employees approved return to duty will not be considered in computing the one- year period described above.

EXAMPLE: If an employee is first placed on the absence abuse list on 7/01/13, and has another infraction on 9/08/13, the date of the last infraction (9/08/13) begins the one-year time frame for application of the absence abuse policy. For example, an employee receives a written warning under the policy on 9/01/13, a one-day suspension for violation of the policy on 12/1/13. On 9/02/14, and the employee once again violated the policy; The next step of discipline will be a five-day suspension. Accordingly, the 9/02/14 infraction continues the progressive discipline as outlined under the policy for the next 12 months. However, if an employee completes one year with no new infraction of the attendance policy he / she shall be removed from the absence abuse list.

- e. The employee is responsible for monitoring his/her own attendance and absences. However, the district will notify the employee in writing where the employee has missed more than the Absence Hours identified in the Absence Occurrence Schedule within a look back period and that further absence occurrences may subject the employee to progressive discipline.

Absence Occurrence Schedule

Based on an employees scheduled daily contractual hours, the absence hours listed below are used to determine when an employee will be considered for and/or continued in the Absence Abuse Program.

Scheduled Daily Contractual Hours	Absence Hours for Consideration
0:00 -3.99	10
4.00 - 5.99	20
6.00 -8.00	30

f. Informal Supervisory Conference: The Union and the District require an informal attendance conference between the employee and their supervisor to discuss attendance and/or tardiness issues. The supervisor shall identify the problem(s) and attempt to resolve the issue through a discussion with the employee. The supervisor shall offer constructive suggestions and shall attempt to aid the employee in resolving the issue. It is understood that this conference will not result in disciplinary action. This section does not include AWOL

PROGRESSIVE DISCIPLINE - Absence Abuse

The following six progressive steps will be preceded by a pre-disciplinary hearing. The employee and the union will be notified in writing by the District as to the date and time of such hearing in accordance with Article XXVII (Grievance Procedure). The employee may request the presence of a union representative at the hearing.

Step One: Verbal Warning.

An employee accumulating more than the Absence Hours identified in the Absence Occurrence Schedule, or showing a pattern of absence, within 60 workdays, will be placed in the Absence Control Program at Step One and receive a verbal warning. The Department Director or designee will issue and memorialize the verbal warning to the employee and inform the employee that the next absence occurrence within a twelve-month period will result in the issuance of a written warning

Step Two: Written Warning.

Following receipt of a verbal warning issued at Step One, when an employee incurs an additional absence occurrence within a twelve-month period, the employee will receive a written warning. The

Department Director or designee will issue the written warning to the employee and inform the employee that the next absence occurrence within a twelve-month period will result in the issuance of a one (1) day suspension, without pay.

Step Three: One (1) Day Suspension Without Pay.

Following receipt of a written warning issued at Step Two, when an employee incurs an additional absence occurrence within a twelve-month period, the employee will receive a one (1) day suspension, without pay. The accompanying letter of suspension will include the warning that the next absence occurrence within a twelve-month period will result in the issuance of a five (5) day suspension, without pay.

Step Four: Five (5) Day Suspension Without Pay.

Following receipt of a one (1) day suspension, without pay, issued at Step Three, when an employee incurs an additional absence occurrence within a twelve-month period the employee will receive a five (5) day suspension, without pay. The accompanying letter of suspension will include the warning that the next absence occurrence within a twelve-month period will result in the issuance of a ten (10) day suspension, without pay.

Step Five: Ten (10) Day Suspension Without Pay.

Following receipt of a five (5) day suspension, without pay, issued at Step Four, when an employee incurs an additional absence occurrence within a twelve-month period the employee will receive a ten (10) day suspension, without pay. The accompanying letter of suspension will include the warning that the next absence occurrence within a twelve-month period will result in termination of employment.

Step Six: Termination.

If, after receiving a verbal warning, written warning, the one-day suspension, the five day suspension,

and the ten day suspension as outlined above, and the employee incurs an additional absence occurrence within a twelve-month period, the employee will be terminated.

It will be the responsibility of the Department Director, or his/her designee, to review and monitor the employee time records for compliance with the Absence Abuse Policy.

Section 4. Absence Without Leave (AWOL) Abuse Process. District employees are responsible for reporting to work at their regularly scheduled times. If an employee is unable to report to work due to illness or for any other emergency or circumstances beyond the employee's control, the employee must, directly or indirectly, inform his or her Department Supervisor and/or radio dispatch no more than one (1) hour after the start of work, unless the emergency incapacitated the employee.

Employees who do not report to work and do not provide acceptable notice as described above will be considered AWOL.

In addition to failing to report to work or providing acceptable notice as outlined above, an employee will also be considered AWOL, if he or she leaves his or her worksite before the end of the shift or workday or for scheduled breaks, without the approval of his or her Supervisor.

The reason for absence will be noted AWOL and the employee will not receive pay for this period.

An employee will be considered absent without leave (AWOL) under the following circumstances and subject to progressive discipline as outlined below:

Any tardiness incident lasting more than 60 minutes is considered AWOL.

An employee who commits AWOL violations is subject to progressive discipline as detailed in the schedule of progressive discipline described in this policy. For the purpose of the AWOL Abuse Program a one (1) year rule applies. For example, if an employee's previous discipline was within a one (1) year

time period, the employee will progress to the next step of the Progressive Discipline Schedule. Violations of more than one (1) year at the time of discipline will not be used by the District to determine the appropriate progressive discipline.

Example: If an employee is first placed on the AWOL list on 7/01/13, and has another infraction on 9/08/13, the date of the last infraction (9/08/13) begins the one-year time frame for application of the AWOL policy. For example, an employee receives a one-day suspension under the policy on 9/01/13. A five-day suspension for the violation of the policy on 12/01/13. On 9/02/14, the employee once again violates the policy. The next step of discipline will be a ten-day suspension. Accordingly, the 9/02/14 infraction continues the progressive discipline as outlined under the policy for the next 12 months. However, if an employee completes one year with no new infraction of the AWOL policy, s/he shall be removed from the AWOL list.

PROGRESSIVE DISCIPLINE - AWOL

The following four progressive steps will be preceded by a pre-disciplinary hearing. The employee and the union will be notified in writing by the District as to the date and time of such hearing in accordance with Article XXVII (Grievance Procedure), and if applicable, said employee may request the presence of a union representative at the hearing.

Step One: One (1) Day Suspension Without Pay.

When an employee has been found AWOL, the employee will be placed in the AWOL Abuse Program at Step One and receive one (1) day suspension without pay.

The Department Director or designee will issue the one-day suspension to the employee and inform the employee in writing that the next AWOL occurrence within a

twelve-month period from the step one occurrence will result in the issuance of a five (5) day suspension without pay.

Step Two: Five (5) Day Suspension Without Pay.

Following receipt of a one-day suspension issued at Step One, when an employee is found to have incurred an additional AWOL occurrence within a twelve-month period, the employee will receive a five (5) day suspension without pay. The Department Director or designee will issue the five-day suspension to the employee and inform the employee in writing that the next AWOL occurrence within a twelve-month period from the step two occurrence will result in the issuance of a ten-day suspension, without pay.

Step Three: Ten (10) Day Suspension Without Pay.

Following receipt of a five-day suspension issued at Step Two, when an employee is found to have incurred an additional AWOL occurrence within a twelve-month period, the employee will receive a ten (10) day suspension, without pay. The accompanying letter of suspension will include the warning that the next AWOL occurrence within a twelve-month period from the step three occurrence will result in termination of employment.

Step Four: Termination

If after receiving the one-day suspension, the five-day suspension, and the ten-day suspension outlined above, and the employee is found to have incurred an additional AWOL occurrence within a twelve-month period, the employee will be terminated.

AWOL Resignation. Employees who are AWOL for ten (10) consecutive scheduled workdays may be deemed AWOL resigned. The employee must be notified in writing of such a determination in person or by certified mail to his or her last known address. The affected employee must contact his or her

supervisor and Human Resources in writing within two (2) weeks of said notification, to explain the failure to report to work.

If the employee fails to supply a satisfactory explanation, as determined by the Deputy Chief of Human Resources, within two (2) weeks of the date of the letter, he or she shall be deemed AWOL resigned, and scheduled for a termination hearing.

Deeming an employee AWOL resigned does not preclude any employee's right to a termination hearing under the terms of the collective bargaining agreement or preclude the employee from grieving the District's decision to terminate the employee.

Section 5. Tardiness Control Process Employees are expected to work a full shift. Any employee who is tardy is subject to being docked for every minute tardy. The District has no provision for make-up time. Whenever an employee is tardy from work as outlined herein, the employee will not be permitted to work beyond the end of his or her scheduled shift, solely for the purpose of restoring lost time.

A supervisor may excuse a tardiness incident when justifiable circumstances exist.

An employee who fails to adhere to the Tardiness Control Policy is subject to progressive discipline as detailed in the schedule of progressive discipline described in this policy. For the purpose of this Tardiness Control Policy, a 60 work day rule applies.

Informal Supervisory Conference: The Union and the District require an informal attendance conference between the employee and their supervisor to discuss attendance and/or tardiness issues. The supervisor shall identify the problem(s) and attempt to resolve the issue through a discussion with the employee. The supervisor shall offer constructive suggestions and shall attempt to aid the employee in resolving the issue. It is understood that this conference will not result in

disciplinary action. This section does not include AWOL.

Example: If an employee first placed on the tardiness abuse list on 7/01/13, and has another infraction on 9/08/13, the date of the last infraction (9/08/13) begins the 60 workday-time-frame for application of the Tardiness Abuse Policy. For example, an employee receives a written warning under the policy on 9/01/13. A one-day suspension for the violation of the policy on 12//01/13. On 6/02/14, the employee once again violates the policy. The next step of discipline will be a three-day suspension. Accordingly, the 6/02/14 infraction continues the progressive discipline as outlined under the policy for the next 60 workdays. However, if an employee completes 60 workdays with no new infraction of the Tardiness Abuse Policy, s/he shall be removed from the tardiness abuse list.

PROGRESSIVE DISCIPLINE - Tardiness

The following seven progressive steps will be preceded by a pre-disciplinary hearing. The employee and the union will be notified in writing by the District as to the date and time of such hearing in accordance with Article XXVII (Grievance Procedure), and if applicable, said employee may request the presence of a union representative at the hearing.

Step One - Verbal Warning.

The Department Director or designee will verbally warn the employee that because the employee has at least three tardiness instances within a two-week period, any three tardiness instances within the next 60 workdays will result in the issuance of a written warning. The verbal warning shall be memorialized in writing.

Step Two - Written Warning.

Following receipt of a verbal warning issued at Step One, the next 3 tardiness instances will result in a written warning letter stating that 2 further tardiness instances within the next 60 workdays will lead to a one-day suspension.

Step Three - One (1) Day Suspension Without Pay.

Following receipt of a written warning issued at Step Two, the next 2 tardiness instances will result in a one-day suspension. The accompanying letter of suspension will include the warning that the 2 tardiness instances within the next 60 workdays will result in a three-day suspension.

Step Four - Three (3) Day Suspension Without Pay.

Following the one-day suspension at Step Three, the next tardiness instance will result in a three-day suspension. The accompanying letter of suspension will include the warning that the next tardiness instances within the next 60 work days will result in a five-day suspension.

Step Five - Five (5) Day Suspension Without Pay.

Following the three-day suspension at Step Four, the next tardiness instance will result in a five-day suspension. The accompanying letter of suspension will include the warning that the next Tardiness instances within the next 60 work days will result in a ten-day suspension.

Step Six - Ten (10) Day Suspension Without Pay.

Following the five-day suspension at Step Five, the next tardiness instance will result in a ten-day suspension. The accompanying letter of suspension will include the warning that the next tardiness instance within the next 60 workdays will result in suspension pending discharge.

Step Seven - Termination Without Pay.

If after receiving a verbal warning, written warning, and four progressive suspensions as outlined in the preceding six steps, the employee has a tardiness instances within the next 60 workdays, the

employee will be terminated.

It will be the responsibility of the Department Director, or his/her designee, to review and monitor employee timecards for compliance with the Tardiness Control Program.

The level of health insurance, prescription drug insurance, dental, and vision coverage provided, or in the case of self-insurance, under the self-insurance program, will be the same as provided on December 31, 2016, unless as otherwise summarized in Appendix G, infra. The effective date of coverage shall be the first of the month following thirty (30) calendar days of employment. All pre-existing conditions will be covered where an employee chooses during the election period to change plans, unless currently restricted by HIPAA guidelines.

Employees whose annualized income is more than \$27,000, who enroll in either single or family coverage will pay the following monthly contributions for Aetna, and MMO SuperMed Plus PPO effective July 1, 2019: an amount equal to ten percent (10%) of the monthly premium (COBRA equivalency). The employee contribution based upon the COBRA equivalency rate shall be calculated and become effective for the coverage periods beginning January 1, 2019 and recalculated effective

each January 1 thereafter.

The monthly contributions for Aetna and MMO SuperMed Plus PPO shall be subject to the following monthly caps for the duration of this agreement: (i) for single coverage - \$100.00 and (ii) for family coverage - \$220.00. The tests and assessments shall be at no cost to the employee/covered spouse if billed by the provider as preventative care services as defined below and in Appendix G. Results will be shared only with the individual employee (in the case of a covered spouse, only with that spouse) and the employee's physician (in the case of the covered spouse, only with the covered spouse's physician). Where the District is the primary provider for healthcare to the employee and the employee's spouse, both the employee and spouse must successfully complete the testing and assessment to receive the lower rate set forth in this paragraph. The testing and/or assessment shall be conducted through the employee's physician (or, if the employee's spouse is being tested/assessed, by the spouse's physician). The physician shall complete the form attached in Appendix G and submit that form to an independent third party mutually selected by the District and the Union. The tests and assessments shall be at no cost to the employee/covered spouse if billed by the provider as preventative care services as defined below and in Appendix G. Results will be shared only with the individual employee (in the case of the covered spouse, only with the covered spouse) and the employee's physician (in the case of the covered

spouse, only with the covered spouse's physician). Where the District is the primary provider for healthcare to the employee and the employee's spouse, both the employee and spouse must successfully complete the testing and assessment to receive the lower rate set forth in this paragraph. The physician shall complete the form attached in Appendix G and submit that form to an independent third party mutually selected by the District and the Union. 2. The Cafeteria Plan will be designed to meet the requirements of Internal Revenue Code ("IRC") Section 125 and applicable regulations. Accordingly, each bargaining unit member will have an opportunity on an annual basis in November to enroll in the Cafeteria Plan. The election to participate may not be revoked during the current plan year unless there is a change in the employee's circumstances that, in accordance with IRC Section 125, permits the employee to change his or her election under the plan (e.g., divorce, death of spouse, change in employment status, a child losing eligibility for coverage, a court order requiring coverage, or other enrollment rights consistent with federal law). Details of the Cafeteria Plan will be provided on an annual basis at the time of enrollment and will also be available through the Human Resources Department.
3. Under the Cafeteria Plan, each employee will be allowed to make a pre-tax "salary reduction" election up to the maximum amount allowable under IRC Section 129 (currently \$5000 per year), and receive a corresponding credit under a child care/dependent care FSA. Under the dependent care FSA, reimbursement may be received for dependent care expenses described in IRC Section 129.

4. In addition, each bargaining unit member during open enrollment or other qualifying event, will be allowed to make a separate pre-tax "salary reduction" election up to the established Internal Revenue Service (IRS) limit for that tax year, at the start of open enrollment and receive a corresponding credit under a health care FSA. - a. Both hospitalization/prescription drug and group life insurance protection will be

extended into the summer months for covered persons employed in positions which are normally school year active only. This includes personnel as defined in Section 548 of the Administrative Code.

Changes could include increased use of mail order prescriptions, drug deductibles, and such other modification as the Subcommittee may want to consider; and (4) such other matters as the Subcommittee may elect to explore.

Discharge of an employee prior to the completion of the probationary period shall not be subject to the grievance procedure herein or any Civil Service Commission procedures. An employee must complete his/her probationary period before the employee is eligible for a transfer or promotion.

ARTICLE 21.

UNION RIGHTS

Section 1. It shall not be a violation of this Agreement, and it shall not be a cause for discharge or disciplinary action for any employee to refuse to do work normally done by striking members of another Union.

Section 2. Officers and/or staff representatives of the Union shall be permitted to enter the District's premises during working hours but at no time shall such visitation rights interfere with the work requirements of any employee or disrupt operations in any way unless expressly permitted by the District. The District agrees that during working hours, on the District's premises and without loss of pay, designated Union representatives shall be permitted to:

1. Collect Union dues, initiation fees and assessments (if these funds are not collected through payroll deduction);
2. Post Union notices;
3. Distribute Union literature;

4. Solicit Union membership during other than the employees' working time;
5. Attend negotiating meetings;
6. Transmit communications, authorized by the Union or its officers, to the District or its representatives; and
7. Consult with District representatives, Union officers, or other Union representatives concerning enforcement, interpretation, application or violation of any provision of this Agreement.

Section 3. The District specifically agrees that there will be no reduction of the hours worked by any employee represented by the Union without negotiations with the Union.

Section 4.

1. The Union shall have the authorization to use the school mails for matters pertaining to its members.
2. The Union may conduct Union business, other than membership meetings, on the school property during the hours of employment. The conduct of such business shall not interfere with the operation of the Cleveland Metropolitan School District, nor hinder any employee's scheduled work.
3. The Union shall be permitted use of the bulletin boards in each school building, or other buildings, for the posting of notices concerning official Union business. The Union shall not post inappropriate material.
4. Permits shall be issued to the Union for Union meetings in District owned or operated buildings and other facilities, without any charge to the Union, unless the District incurs additional costs solely because of the holding of the meeting.

Section 5. The District will make every effort to cooperate with the Union to keep abreast of all

pertinent programs and developments affecting working conditions of the employees.

Section 6. The Union will be given two computer print-outs in October and February of each year; one alphabetically by employee name and the other by work site. The print-out shall include the following information:

- Employee name;
- Employee number;
- Date of appointment to current position;
- Current rate of pay;
- Asterisk the names of the employees whose union dues are being collected through District payroll deduction; and
- Code by employment status.

Such print-outs will not be shared with private or commercial agencies for promotional purposes.

Section 7. The District will provide the Union with the opportunity to make a presentation on this Agreement for bargaining unit employees as part of the District's pre-school orientation meetings. If additional employee orientation sessions are held for new employees, the Union will be given an opportunity to make a presentation for the newly hired employees provided it does not interfere with the services or operations of the District.

Section 8. If a committee is formed that includes other bargaining unit personnel to address issues that materially affect or impact the duties of members of this bargaining unit, the Union will be provided immediate notice of the formation of the committee, and the Union shall have the opportunity for input into this committee on such issues.

Section 9. The District recognizes the right of the Union to select Delegates, and Alternate

Delegates for purposes of ascertaining whether the Agreement is being fulfilled and to provide employees at the various facilities of the District with Union Delegates.

Section 10. The District agrees that the Delegates or Alternate Delegates designated by the Union may be released from duty if the need arises to assist in the problems related to all personnel represented by the Union without loss of pay during working hours. In addition, the Grievance Chair, Executive Board member, or other similar-ranking single individual as the Union may select, shall be allowed one day per week for the purpose of handling Union Business. The Board shall not unreasonably deny the release of any Delegate, Alternate Delegate, Grievance Chair, Executive Board Member, or other Union representative.

Section 11. Permission is to be secured from the proper designated supervisor by a Delegate or Alternate Delegate who desires to be so released to visit or to otherwise assist in resolving problems or matters of concern. Section 12. The District and the Union both recognize the benefits or training as related to Union leadership. The District shall release the Union Delegates and Executive Board members to attend selected Union related activities including leadership development programs. The Union Delegates and Executive Board members shall submit the appropriate leave of absence form in advance, to attend the Union related activity. The District will bear no cost associated with the training.

ARTICLE 22

DIETARY, ESS, AND CLERICAL JOB POSTING - TRANSFERS AND PROMOTIONS

The provisions of this Article apply to all bargaining unit positions other than those set forth in Article 50.

Job Posting and Transfer. In the event the District elects to fill a vacancy in any of the classifications represented by the Union, the District will electronically post the job opportunity including the work location, appropriate pay band, and the number of hours for a minimum of ten (10) working days. In addition, the District shall also send the posting to bargaining unit members through the District email system.

The District will establish a pool of eligible candidates comprised of employees who file preferential forms or respond to job postings and applications from individuals who are not District employees. All individuals hired into classifications represented by the Union will be obtained through this Candidate "Pool" Process.

Seniority based on length of service as a legally and permanently appointed employee and meritorious service shall be the basis for transfers, promotions, or filling of vacancies within the service. Such vacancies shall be filled as soon as practicable after such vacancies occur. In the filling of such vacancies, references will be made to the preferential lists of employees on file in the appropriate office at the date when vacancies occur.

1. Lateral Transfers (Job and Work Site Preference). All lateral transfers within classifications represented by the Union shall be administered through the use of a preferential form system. Beginning July 1, 2010, preferential forms shall be in effect from July 1 through June 30 of each school year.

The bargaining unit member shall list each preference on the form in the order

of that bargaining unit member's priority.

The Lateral Transfer of ESS to fill vacancies shall be based upon seniority and meritorious service. Each shall be given 50% weight as the basis for transfers within the service. Such vacancies shall be filled as soon as practicable after such vacancies occur. In the filling of such vacancies, references will be made to the preferential lists of employees on file in the appropriate office at the date when vacancies occur.

“Meritorious service” shall be determined by giving equal weight to the employee’s evaluations, attendance record and disciplinary records.

2. Special Transfers. Special Transfers are transfers requested by either the bargaining unit members or administrators for the purpose of promoting the best interests of the District. The special transfer process shall be completed within thirty (30) work days of any such request. In the event it becomes necessary to assign, reassign or transfer a member, whether voluntary or involuntary on the part of the member for the purpose of promoting the best interest of the District, the Chief Talent Officer/designee shall first meet with the member, the employee’s immediate supervisor, and the Union designee. Assignment, reassignment or transfer shall not be delayed due to the unavailability of meeting participants who have been duly notified. The District shall notify the Union in advance of any periods of time that special transfers cannot occur due to staffing adjustments.

The special transfer provisions may not be used as a form of discipline.

3. Promotions. All promotions into classifications represented by the Union will be made through the Job Posting and Candidate "Pool" process. The District will establish a pool of eligible candidates from responses to District promotional postings. As promotional vacancies occur, the District will, subject to its hiring requirements, recommend qualified

candidates from the pool to fill the promotional position. All promotions shall occur within two (2) weeks or as soon as practical after the effective date established by the District for the promotion.

When an employee is promoted into a higher classification, the employee will receive an increase in compensation of either three increments, or be paid the minimum salary for the position, whichever is greater. When an employee is promoted two or more levels in a promotional classification series, the employee will receive an increase in compensation of six increments or be paid the minimum salary for the position, whichever is greater.

4. Governing Guidelines. The recommendation for all new hires, lateral transfers, filling of vacancies, and promotions will be governed under the following guidelines:

- a. First consideration will be given to qualified employees in the same classification who have on file a preferential form requesting a lateral transfer;
- b. Second consideration will be given to qualified employees who have responded to relevant job postings; and
- c. Third consideration will be given to all qualified candidates who do not fall within categories 1 or 2.
- d. Any ESS hired on or after July 1, 2010, shall be classified as "Permanent Various". Such ESS shall not have permanent building/location assignments but will be assigned as needed by the District. Permanent/various ESS shall put in a preferential list by school within a region so he/she can be assigned to any school in the region as determined by the District. Permanent/various ESS may be assigned to different schools within a region with two work days' notice and shall work the same hours as the previous assignment.

The District will not hire an individual who is not a bargaining unit employee where there are

current employees who have requested a transfer or bid on an opening so long as the bargaining unit employees are qualified, as determined by the criteria set forth below.

In making selections among candidates in any of the above categories, the District will abide by its recruitment and selection regulations. In determining whether or not an individual is qualified, the District will adhere to the principle of meritorious service and specifically will evaluate the individual's skill, ability, work record, disciplinary record, attendance record, evaluations, recommendations, experience, education, training, and other relevant factors, such as assessment results and test scores. Where the District determines that two or more individuals are equally qualified, the District shall recommend for hire the individual with greatest seniority. The parties agree that these procedures shall supersede any applicable Civil Service statute, rule, or regulation.

Thanksgiving Wednesday, Easter Monday, and days during Winter or Spring breaks are work days for twelve (12) month / 260 day employees. In order to take off one or more of these days, an employee must use an approved personal day (vacation or special privilege day).

The Board shall make best-faith efforts to identify and communicate to the Union the starting date(s) by May 1 of each year. However, the Parties recognize that reasonable modifications may be required by the District after this date upon the recommendation of the CEO.

ARTICLE 23.

LAYOFFS - DISPLACEMENT AND BUMPING RIGHTS - RECALLS

Section 1. No regular employee shall be laid off until after all normal attrition and bumping rights specified herein have been effectuated. Layoffs shall be made on a classification-by-classification basis. Employees shall be laid off in inverse order of their service with the District in the job category in which the layoff occurs. "Job category" shall be defined as either: clerical, dietary, or ESS. If an employee is

targeted for layoff status, he/she will be offered any available positions within his/her classification without regard to the normal bidding procedure. The process for determining seniority in the event of a tie-breaker is as follows:

1. Original hire date; in job category
2. Date application signed (manually or electronically); and
3. Last four digits of the employees' social security number with the highest number being laid off first.

In the event layoffs become necessary, the District will notify an individual identified by the Union by certified mail when possible at least thirty (30) days prior to the effective date of the proposed layoffs. When the District notifies the Union, the notification letter shall provide the following:

1. Classifications affected by layoffs;
2. The Union members targeted for layoff;
3. Seniority lists by classification; and
4. Recall lists by classifications.

The District shall schedule a meeting with the Union within ten (10) days of the District's mailing the certified notice of layoff to the Union. At that time, the Union may present any information it believes could assist the District in its layoff decisions. The District will review the information and consider the Union's information and presentation. The Union's failure to meet with the District shall not infringe upon the District's Management Rights nor postpone or delay the District's right to move forward with the layoffs.

The Union members targeted for layoff shall be given the opportunity to rank their assignment preference based upon bumping rights. The District shall not unreasonably deny such preference.

Section 2. Consistent with Section 1, after reviewing the Union's information and presentation, if the District determines that layoffs are still necessary, the District will use its best efforts to notify the Union members targeted for layoff ten (10) work days prior to the actual layoff date(s). The District will notify the employee via certified mail at the employee's address as contained in Human Resources. P.O. Boxes are not valid addresses. Where the Union member's last known address is a P.O. Box, the Union member's school or building of assignment shall serve as the last known address. The District shall also provide a copy of all lay-off notices to a designee identified by the Union.

Prior to any layoff or bumping, all temporary and probationary employees in the affected classifications shall be laid off. Employees who are targeted for layoff shall have the right to bump to a previously held classification provided that an employee cannot bump into a previously held higher pay band position if the employee was either voluntarily or involuntarily moved from such position and shall maintain their current wage rate or the top of the pay band, whichever is less. In no event will an employee be laid off where there is a less senior employee still employed anywhere in the District in the classification.

Section 3. Employees who are laid off or eventually bumped out of a classification shall be placed on a recall list for all classifications from which they have been laid off or bumped. Each recall list will rank employees in accord with their service in the classification on that list. Employees will be recalled to work or recalled to a previously held classification in the order in which they appear on the recall list. An employee shall remain on a recall list for two (2) years after his/her layoff or bumping out of a classification. The District shall provide the Union with a recall list for each classification in which it represents employees.

Additions to those recall lists shall be sent, in writing, to the Union as soon as the employees are

laid off from or bumped out of a classification. A complete updated list shall be provided to the Union at least quarterly.

Section 4. When a vacancy occurs within a classification, the vacancy shall be filled by the employees on the recall list for that classification in the order in which the employees are ranked on the list.

The District shall send notification by certified mail to the Union and the laid off employee of vacancies to be filled from the recall list.

The letter sent to the Union shall include the name of the laid off employee(s), the vacant position/classification, and the building/location of the vacant position as they become available.

The District will attempt on three (3) occasions within 48 hours to contact the laid off employee via telephone using the last known telephone number on record. If the District is able to contact the laid off employee by telephone, the employee will be given the opportunity to accept or reject the vacant position over the phone. If, after three (3) good faith attempts within the 48-hour period described above, the District has not reached the employee, the next senior laid off employee in that classification will be offered the position. The employee who the District was unable to contact will be offered the next available position in his/her classification.

The District will then send a letter to the employee by certified mail indicating the laid off employee's acceptance or rejection of the vacant position. Included with the letter will be a form to be completed, signed, and dated by the laid off employee indicating acceptance or rejection of the vacant position, and return instructions.

An employee who is offered such a vacancy, in writing, and refuses to accept that position shall be removed from the recall list. The District will not fill any position with a new hire while a recall list for that classification is in effect. All day-to-day, substitute, or probationary employees shall

be hired from the recall list for the classification in which employees are needed, if such a recall list exists. However, the employees who wish to be on the day-to-day substitute list must inform the District of that in writing at the time their layoff becomes effective. The District will offer each employee the appropriate request form to be placed on that list prior to the last day of work of that individual laid-off employee.

Section 5. Temporary layoffs (six (6) weeks or less) occasioned by occurrences such as strike, calamity, or act of God shall be made on a classification-by- classification basis. Employees temporarily laid off shall be laid off in inverse order of their service with the District on a site-by-site basis in the classification in which the layoff occurs. There shall be no bumping between sites in effectuating a temporary layoff.

Section 6. An employee who leaves the bargaining unit for a position within the District shall retain his/her seniority from the employee's previous classification for a period of one (1) year. If during that one-year period, the employee is bumped out of or laid off from the non-bargaining unit position, the employee may return to this bargaining unit, if a vacancy exists and no other bargaining unit employee is on the recall list that can perform the duties of that vacant position. In such a case, the employee shall return to the bargaining unit with the same seniority, for layoff and recall purposes only, as when the employee left the bargaining unit.

If, after the above one-year period, the employee is bumped out of or laid off from the non-bargaining unit position, the employee may return to this bargaining unit, if a vacancy exists and no other bargaining unit employee is on a recall list that can perform the duties of that vacant position. In such a case, the employee shall return to the bargaining unit and be considered a new employee, for purposes of layoff and recall only.

Notwithstanding the above, the employee who leaves and then returns to this bargaining

unit under this Section shall retain seniority from the date the employee was originally hired as a permanent employee for all other purposes except for layoff and recall.

Section 7. Displacement. As used in this section, "displacement" shall mean a bargaining unit member who is without a position due to a building closure or program ending. Such a person shall be referred to as a "displaced person."

A displaced bargaining unit member will be notified of building closures and/or program termination as soon as reasonably possible after the determination is made and approved by the CEO and/or the Board of Education as appropriate.

The District will identify the open bargaining unit positions, including those in which members are able to exercise their bumping rights. The displaced bargaining unit member(s) and Union will be notified by the District of the date and time of the meeting to review these positions which shall include the building location, number of contracted hours and hours of work. An open position list will be provided in writing to the Union and displaced members prior to the meeting. At the meeting, the displaced bargaining unit member(s) shall have ranked his/her preferences for the open positions and shall select the open positions by seniority. The Union shall have the right to have one or more representatives present at this meeting and the Union and the affected bargaining unit members shall have the opportunity to observe the selection process and the Union shall have the right to monitor the selection process. If a member is unable to attend, he/she may designate in writing an individual to select on his/her behalf. The District will use its best efforts to have the displacement meeting will take place prior to the end of the school year. This process takes precedence over a non-displaced employee's preference list.

The parties agree that this procedure shall supersede any applicable Civil Service statute, rule, or regulation.

Section 8. Employees who are laid off or eventually bumped out of a classification shall be placed on a recall list. Employees will be recalled to work in the order in which they appear on the recall list except that if an employee has received the lowest evaluation rating for at least the initial and six (6) months evaluations, as set forth below, and is then laid off (in order of seniority), the District may decide to recall a less senior laid-off former bargaining unit member prior to recalling such individual. If there is more than one employee with the lowest rating, the most senior employee with the lowest rating shall be recalled before the less senior employee with the lowest rating. An employee shall remain on a recall list for sixty (60) months after his/her layoff or bumping out of a classification. The District shall provide the Union with the recall list.

ARTICLE 24

JOB DESCRIPTIONS

The District will furnish to the Union upon request a list of all job classifications represented by the Union and corresponding job descriptions.

ARTICLE 25

DISCIPLINE

Section 1. Discipline only for just cause - Employees covered by this agreement shall be disciplined, demoted, suspended, or discharged only for just cause under arbitral law.

Section 2. Progressive discipline - Progressive discipline shall apply, consistent with the District's right to bypass any or all steps of progressive discipline, depending upon the nature of the offense.

Section 3. The process for termination or suspension of any bargaining unit member without pay for

good and just cause shall be as follows:

1. If the administrator determines after preliminary investigation that a bargaining unit member may have engaged in conduct that could lead to a recommendation for termination or suspension without pay, the bargaining unit member is entitled to a fact-finding/pre-disciplinary hearing. The administrator shall have twenty (20) work days after knowledge of the alleged violation to complete the preliminary investigation and notify the member of his/her determination that the member may have engaged in conduct that could lead to either a termination or suspension without pay.
2. The fact-finding/pre-disciplinary hearing will be held before the appropriate Deputy Chief/Executive Director or designee appointed by the CEO in accordance with Loudermill and Weingarten in 3, 4 and 5 below, the bargaining unit member and the union are entitled to written notice of the allegations and the right to request representation and also to be provided with copies of any written evidence related to the allegations.

4. The bargaining unit member will be given a meaningful opportunity to respond to the allegations.
5. Not later than ten (10) days after the hearing, the administrator shall notify the bargaining unit member and the Union in writing of the recommendation. If no discipline is recommended, the notification shall so state. If discipline is recommended, the notification shall state the discipline and the rationale, and shall provide a copy of the notice to the CEO.
6. If the administrator recommends termination or suspension without pay, the

CEO/designee shall review the evidence to determine whether the recommended discipline is warranted.

7. The CEO shall make a recommendation regarding discipline within 30 days.
8. The Board can adopt or modify the recommendation but cannot impose more severe discipline.
9. The Board shall notify the bargaining unit member and the Union of its decision.
10. Termination or suspension without pay shall be effective immediately; disciplinary action of less than thirty (30) days shall not become effective until grievance procedures (including arbitration) have been exhausted, except for reasons of physical incapacity, mental incapacity, or reasonable suspicion of criminal or moral violation.
11. The bargaining unit member can appeal the discipline through the grievance procedures specified in the CBA.
12. Garrity Rights. Any bargaining unit member covered by this Agreement shall be afforded full treatment and protection under his or her Garrity rights. Refusal to answer questions on the grounds that answers may incriminate the bargaining unit member shall not be subject to disciplinary action.

The Weingarten Protocol set forth in Article XX.VI Grievance Procedure sets forth the process to be followed regarding investigatory interviews, i.e., meetings that may lead to disciplinary action, thereby granting the employee the right to union representation during the discussion.

13. All meetings or hearings held in regard to disciplinary action which an employee is required to attend will be held during the employee's working hours, whenever possible. If such meetings or hearings are held outside of an employee's working hours,

he/she shall be compensated for the time spent at the meeting or hearing.

14. Progressive discipline, which ordinarily and involves increasingly severe levels of discipline, beginning with a verbal warning and concluding with termination, shall apply consistent with the District's right to bypass any or all steps of progressive discipline, depending on the nature of the offense.

If there are insufficient openings to accommodate the requests, the positions will be filled by seniority within the classification.

For dietary staff, the first right of refusal only applies if the food service operation remains the same as when the building closed.

For school secretaries, the first right of refusal only applies if the grade levels are the same as when the building closed.

If a formal school closing committee is formed by the District, the Union shall select a representative to serve on the committee and release time shall be provided whenever meetings or school visits are scheduled during the school day.

The parties agree to develop a joint committee to discuss the District's plan for permanent and/or temporary building closures. A discussion item of the committee will be to review any displaced individuals affected by such building closures.

ARTICLE 27.

Number of Days Indicated are the Maximum; Extension By Written Mutual Agreement. In order that grievances may be processed as rapidly as possible, the number of days indicated at each level are maximum. Every effort shall be made to expedite the procedures; however, the time limits may be extended by written mutual agreement of both parties. Time limits, specified in this procedure may be extended by written mutual agreement of the parties. The failure of the District to comply with any time limit within ten (10) days, providing all facts, information or other documentation were available or should have been available, will result in the automatic dismissal of any grievance action by the District. Similarly, failure of the Union to comply with any time limits within ten (10) days will result in the automatic dismissal of the grievance/action. The District will cooperate fully with the Union to find methods to expedite the grievance procedure to the maximum extent practicable.

the Union shall be made to the Union grievance chair and the Administrative Organizer.

Under Garrity, a bargaining unit employee, who as part of or subject to a District investigation, disciplinary proceeding or grievance hearing, would be normally expected to answer questions regarding their official duties and who refuses to answer on the ground that answers may tend to incriminate them will not be subject to disciplinary action. An employee exercising his/her Garrity right has a right to his/her own private legal representation at his/her own cost.

Union's right to be present at all stages. The Union shall have the right to have its representatives present at all stages and/or steps of the specified grievance procedure, including mediation and arbitration, either in person and/or by phone.

Thirty-day limitation, except where grievance is continuing. If the grievance procedure is not initiated within thirty (30) days after the aggrieved party knew, or should have known, of the event or condition upon which it is based, the grievance shall be considered waived, except for those grievances which are continuing in nature.

Any grievance at any step of the grievance procedure may be settled and any settlement that is reached shall be reduced to writing and signed by both parties.

GRIEVANCE PROCEDURE: Grievances shall be resolved as follows:

STEP ONE:

If a dispute arises between the parties as to the meaning or interpretation or application of any provision of this Agreement or a claim or complaint based on an event which affects a term or condition of employment, an aggrieved employee and/or Union representative shall submit a written grievance, in person or electronically, to the District Step One Hearing Officer within thirty (30) days of when the employee knew or should have known of the event giving rise to the grievance. The District's Designated Step One Hearing Officer shall take the necessary steps to consider the merits of the grievance. The District Step One Hearing Officer shall have six (6) working days in which to adjust the matter. If the District Step One Hearing Officer is the cause of the grievance, this first step shall be heard by another person designated by the Director of Labor Relations, or the Union or grievant can have the matter proceed directly to Step 2. The written grievance answer shall be delivered to the Union and grievant within six (6) working days of the hearing and shall state the rationale for the decision.

STEP TWO:

If the matter is not satisfactorily adjusted at Step One within six (6) working days, the grievance shall be submitted within six (6) additional working days to the District Step Two Hearing Officer by the Union or the employee, unless no Step One decision has been timely rendered, in which case, the Union or the employee shall have the option to wait until such time as the Step One decision is rendered or the Union or the employee decides to proceed to Step Two. The District has the right to postpone a decision with written notification to the Union with a mutually agreed upon timeline for rendering of the decision. A Step Two meeting shall be held within six (6) working days after presentation of the written grievance among the Director of Labor Relations, the grievant, and Union Representatives, either in person or by phone, to fully discuss the grievance. Both sides shall present evidence either by witnesses or by signed affidavit or affirmation to address the issues raised

in the grievance, provided however, where the subject of the grievance is termination, the District is required to present its evidence with respect to the employee's alleged wrongdoing by witnesses only, where possible (excluding students). Within ten (10) working days after the hearing, a written response to the grievance shall be sent to the grievant and the Union, stating the specific grounds for, evidence regarding and rationale for the decision.

STEP THREE:

Mandatory Mediation. If the grievance is not resolved at Step Two, within thirty (30) working days following submission of the District's Step Two response, a representative of the Union will notify the District, in writing, of its intent to mediate. The District and a representative of the Union shall utilize the grievance mediation process in an attempt to resolve a grievance before going to arbitration. The objective is to find a mutually satisfactory resolution of the dispute. A single mediator shall be chosen by the parties. A mediator may be chosen by the parties by informal means. If the parties cannot agree, the mediator shall be selected under the procedures of the Federal Mediation and Conciliation Service (FMCS). Two (2) representatives of the Union, and all necessary witnesses who are employees of the District shall receive their regular salaries or wages for the time spent in the grievance mediation proceeding, which shall be during working hours as stated in this Agreement.

The mediation conference with respect to a particular grievance shall be scheduled in the order in which the grievance is appealed to mediation with the exception of suspension or discharge grievances which shall have priority.
2. Within fifteen days, both parties shall notify FMCS and mutually agreeable arrangements shall be made for the conference.

The parties must submit a signed, joint request for FMCS assistance. The parties must agree that grievance mediation is not a substitute for contractual grievance procedures.

3. The grievant is entitled to attend the mediation.
4. The parties must waive any time limits in their labor agreement while the grievance mediation step is being utilized.
5. The grievance mediation process is informal and the rules of evidence do not apply. No record, stenographic or tape recordings of the meetings will be made.
6. The mediator's notes are confidential and will be destroyed at the conclusion of the grievance mediation meeting. FMCS is a neutral agency created to mediate disputes and maintains a policy of declining to testify for any party, either in court proceedings or before government regulatory authorities.
7. The mediator will use problem solving skills to assist the parties, including joint and separate caucuses.
8. The mediator has no authority to compel a resolution.
9. If the parties cannot resolve the problem, the mediator may provide the parties in joint or separate session with an oral advisory opinion.
10. If the parties cannot resolve the grievance, they may proceed to arbitration according to the procedures in this Agreement
11. Nothing said by the parties during a grievance mediation, nor any documents prepared for a mediation session can be used during arbitration proceedings.
12. The parties must agree to hold FMCS and FMCS Commissioners harmless for any claim for damages arising from the mediation process.
13. Any grievance settlement shall be reduced to writing and signed by the parties.

14. Expedited Grievance Procedure - In the event a bargaining unit member is suspended for ten (10) working days or less, the bargaining unit member and/or a representative of the Union may omit STEP 1 of the grievance procedure and file a written or electronic request with the Director of Labor Relations for a STEP 2 hearing, which shall take place, either in person or by phone, within forty-eight (48) hours after said filing.

STEP FOUR: Arbitration

1. If the matter is not resolved at Step Two or the grievance mediation process, the Union shall have the right within thirty (30) work days following the completion of the mediation process to submit the matter to arbitration by informing the District that the matter is to be arbitrated. The fees and expenses of the Arbitrator and the cost of the arbitration shall be borne equally by the District and the Union. Two (2) representatives of the Union and all necessary witnesses who are employees of the District shall receive their regular salaries or wages for time spent in the arbitration proceeding, if conducted during working hours.
2. The Arbitrator shall render a written decision and award resolving the controversy and ordering all appropriate relief. The decision and award of the Arbitrator shall be final and binding on the District, the Union, and the employees' affected. The Arbitrator is prohibited from making any decision or award adding to or subtracting from or modifying in any way the provisions of this Agreement or which is contrary to law.
3. The arbitration hearing shall be held and the award shall be made in Cuyahoga County, Ohio.
4. The Union shall request a panel of seven (7) arbitrators from FMCS. An Arbitrator will be selected from the FMCS in accordance with the voluntary labor arbitration rules.

EXPEDITED ARBITRATION

1. The Union has the right to expedited arbitration for any non-class action issue for which the District may immediately impose discipline pursuant to Step III, Paragraph 12 of this Article. Upon such declaration, the Union and the District will make immediate (within 24 hours) arrangements with the Federal Mediation and Conciliation Service for the expedited arbitration procedure and such procedure shall begin as soon as the Federal Mediation and Conciliation Service can initiate a hearing. It shall be the specific request of both the Union and the District to have a decision within seven (7) days of the hearing. Notwithstanding anything to the contrary above, the parties may by mutual written agreement, choose another expedited arbitration procedure.
2. Class action grievances may be expedited by mutual agreement between the Union and the District.
3. A non-class action issue shall be defined as an issue which impacts on five (5) or fewer bargaining unit members.

Civil Service Superseded. This provision supersedes and preempts any Civil Service procedures and the parties agree that Civil Service shall have no jurisdiction over any grievance.

ARTICLE 28.

The Union shall process the letter of inquiry and where the Union believes it necessary, it may request in writing from the Chief Talent Officer or his/her designee information to enable the Union to respond to the inquiry. Information requested shall be provided to the Union in writing within thirty (30) calendar days of receipt by the Chief Talent Officer of the request of the Union. Thereafter, the Union will respond to the member.
4. No employee shall be required to perform a duty that is in violation of any applicable state law, city ordinance, rule or regulation issued by any federal, state or local regulatory agency, board or commission.

6. No material derogatory to a bargaining unit member's conduct, service, character, or personality shall be placed in the member's file unless the member has the opportunity to read and discuss the material in question with the author. A member shall be provided with a copy of the material within six (6) working days, excluding days the member or supervisor is absent. After being provided a copy of that material, a member shall be given the opportunity to discuss the material as soon as possible after the receipt of the material by the supervisor but not later than ten (10) working days, excluding days the member or supervisor is absent, after such receipt. All such materials authorized by supervisory personnel shall be signed and dated. These time restrictions may be

extended where circumstances warrant. The member shall acknowledge that such material has been read by affixing his/her signature on the actual copy to be filed, with the understanding that such signature merely signifies that the material to be filed has been read, and does not indicate agreement with its content. If the member refuses to sign the actual copy to be filed, it shall be noted on that copy by the supervisor involved who shall also procure the signature of one witness who must be present when the member refuses to sign. The signature of the witness shall constitute acknowledgement for the purposes of this paragraph. Any such material placed in a member's file, after the date of this Agreement, without the acknowledgment of the member as set forth in this Article, cannot be used against the member in any proceeding, and is to be removed from the file. The employee shall have the right to answer any material filed, and his/her answer shall be attached to the file copy.

Where a supervisor is not normally stationed at the building where the member is assigned, or where a member is not normally stationed at the building where the supervisor is assigned, the material shall be provided to the member within twenty (20) working days of receipt and an opportunity to discuss the material will be scheduled no later than twenty (20) working days after the member is provided a copy, without reference to the absence of the member or supervisor. The employee shall have the right to answer any material filed, and that answer shall be attached to the file copy. Upon an appropriate request by an employee, he/she shall be permitted to examine his/her file. An employee may not remove or change any documents or information in his/her personnel file except in accordance with law.

7. If the District conducts a study on staffing, the District will seek input from the Union as it

develops the plan. If the District develops a procedural manual for union members, the District will seek input into developing the procedural manual from three (3) representatives designated by the Union. By seeking input the District does not waive any of its Management Right outline in Article 41 of this Agreement.

8. If it is necessary for an employee to leave the premises for emergency and/or illness, the employee shall report only to the supervisor in charge.
9. The District will consult with the appropriate Union Delegates with respect to the selection of required uniforms.

Once implemented all employee pay records, except W-2 forms, but including pay stubs and reimbursement checks, shall be in electronic format and shall not be provided in paper format. The bargaining unit member shall have access to a working computer at his/her assigned building to use/print (if needed) all pay stubs, payroll records, reimbursement checks, etc. Until the new system is implemented, a printed statement shall be delivered in sealed envelopes, and shall include the employees earned sick time, vacation, and overtime earned from the pay period. Permit earnings shall be paid in the current pay period, but not to exceed two pay periods. Permit earnings will be referenced on the payroll stub, including the event and the date the event worked, provided the new payroll system has the capability to provide such information.

All employees must use direct deposit. However, a bargaining unit member will have the option of using a district pay card system when such a system is operational.

Until the new system is implemented, the District shall place improved information on pay slip as follows:

12. An employee shall be notified when garnishee orders are received by the District. Such notification shall be given as soon as such order is received.
 13. The Union shall have the right to utilize the District's email system. The District may review any literature intended to be sent out through email. The Union agrees to comply with any reasonable policy by the District regulating email and the District network policy. Upon request of a member, he/she shall be provided an email account upon submission of the required consent form.

- b. All Dietary and ESS employees shall be allowed a thirty (30) minute uninterrupted, unpaid break. To be "uninterrupted" means that no duties shall be assigned to employees by management during the unpaid lunch break.
- c. All personnel will be scheduled in keeping with the needs of their assignments. Deviations may be authorized to meet unusual or unexpected operational

requirements.

Section 2. On a case-by-case basis, and subject to prior approval of management, based on operational needs, overtime hours will be offered to employees in an equitable manner among affected employees at the specific site. For other overtime, the District and the Union shall develop a policy for the equitable distribution of overtime.

Section 3. If an employee is found to have been improperly passed over for an overtime opportunity, his/her remedy shall be limited to an offer of the next available opportunity for overtime of equal or greater hours. The District shall not be required to pay for missed overtime opportunities with cash, except where the Union establishes that such improper pass over was intentional.

Section 4. In addition to any breaks provided by Section 1, above, employees who are assigned to work seven and three-quarters (7- 3/4) paid hours or over are entitled to two (2) uninterrupted fifteen (15) minute breaks. A minimum of nineteen (19) hours of employment is hereby made available, if possible, to all employees to ensure the continuation of their coverage under all insurance programs. The District has the right to assign employees with hours below nineteen (19) to other non-classification duties where agreeable with the employee and at the appropriate rate of pay.

Whenever an employee working under the General Fund, i.e., non-dietary employees, regularly working at a facility, is terminated for any reason or laid off and the District has decided to fill the vacancy, or where hours are expanded in that classification, the remaining employees, by seniority, shall be permitted to acquire, at their respective facility, the available hours of the terminated or laid-off employee, or expanded hours, provided that said increase for the employee does not result in more than forty (40) hours per week. Further, the District will not assign any ESS in a facility whereby the employee is performing his/her duties alone in any property, unless the ESS consents to the assignment. The District will assign ESS consistent with the ESS Contingency Plan.

The purpose of this provision is to maximize an employee's hours worked per week. If an employee is hired or employed for less than nineteen (19) hours, said employee shall be offered any other available hours at other locations within and outside of his/her normal job responsibilities for which he/she is qualified, agreeable to the employee, in order to increase his/her hours of work per

1. The ESS can agree to either work the full normal shift hours alone or work any partial amount of the remaining normal shift hours after the District staffing leaves. Time not worked shall be made up within ten (10) days.
2. If the ESS chooses not to work alone in the building at any time, the ESS must be given one (1) of the following choices:
 - a. The ESS shall be allowed to make up any missed portion of the full shift by coming in no more than one hour prior to the ESS's regular shift unless prior approval by the Facilities Manager. The make-up hours identified above cannot be used for any overtime calculations.
 - b. The ESS may be afforded the opportunity to work the remainder of his/her shift at another building while District staffing is present.
3. If the District offers overtime on a day that a ESS elects to come in early to work their regular number of hours, then upon the completion of those hours, the ESS will be given the opportunity to work the overtime at the time and one half rate.
4. If the ESS declines all options, the ESS waives his/her right to work that day. However, the ESS's refusal to work shall not be deemed an unexcused absence under the Absence Abuse Policy.
5. ESS will not be allowed to use sick time arbitrarily if they choose not to work beyond the

time the Custodian leaves.

Note:

All time must be made up within the ten (10) day period identified above. If not, the District is not obligated to allow the ESS to make up the missed time.

If more than ten (10) hours need to be made up, the custodian, the facilities manager, and the affected ESS will develop a plan in good faith to make up the time.

ESS Notification: Every ESS is required to give the custodian a telephone number for contact purposes only. It is the ESS's responsibility to inform the custodian of any change to the telephone number.

When the Facilities Manager receives notification that the absence of one or more ESS will result in only one ESS reporting on a particular day, the Facilities Manager must make every effort to contact that ESS. The Facilities Manager must inform the ESS of the absence and allow the ESS to report to work in compliance with the above-mentioned options.

If the Facilities Manager cannot contact the ESS on the first try the Facilities Manager's office will make 2 additional attempts to make contact. If contact cannot be made and the ESS arrives for regular duty at the regular time, and does not choose to stay beyond the time that the custodian, assistant custodian, or District designee leaves, then the ESS has the right to choose one of the above-mentioned options.

Multi-ESS Building Where Staffing Is Reduced: The custodian must develop a schedule that outlines what is to be cleaned, the corresponding day that the cleaning is to take place, and who is responsible for the cleaning. The custodian, assistant custodian, and laborer are to assist in the

cleaning of the building wherever there has been a reduction in staff. No exceptions.

If at any time there is no ESS reporting to perform the cleaning duties, the custodian and the rest of the custodial staff are to address all restrooms, corridors, and empty all trash throughout the building and provide other needed services that can be performed in the prescribed normal workday.

No overtime shall be granted or worked to clean the building, unless offered and authorized by the Facilities Manager.

Section 4. Effective July 1, 2017, all ESS that work in traditional school buildings will become twelve month employees. The hours of work for the ESS will be eight (8) hours per day/ forty (40) hours per week during the school year. Shift hours will be determined by the District. Employees may submit written requests for modification of shift hours to the Facilities Manager. The District shall consider and respond to any such request within fourteen (14) days of receipt of the written request. During the summer, the ESS will work a minimum of six (6) hours per day/thirty (30) hours per week. Those ESS positions that were considered 12 month employees prior to July 1, 2017 shall continue to work their existing schedules and hours.

Section 5. As used in this contract the term “cleaner” will be changed to Environmental Service Specialist (“ESS”).

The parties shall begin negotiations with respect to any provision or provisions of this contract determined to be void or in violation of law, as specified herein, and any provision of this contract affected by such a conclusion, within fifteen (15) days of the determination of such voidness or violation of the law.

ARTICLE 42.

MANAGEMENT RIGHTS

Except as specifically limited herein, the District shall have the sole and exclusive right to control all functions, operations and set all policies regarding the Cleveland Municipal School District, including, but not limited to, the sole and exclusive right to:

1. Determine matters of inherent managerial policy in the best interest of children which include, but are not limited to areas of discretion or policy such as the functions and programs of the public employer, standards of services, its overall budget, utilization of technology, and organizational structure;
2. Direct, supervise, evaluate or hire employees;
3. Maintain and improve the efficiency and effectiveness of operations;
4. Determine the overall methods, process, means, or personnel by which operations are to

be conducted;

5. Suspend, discipline, demote, or discharge for just cause, or lay off, transfer, assign, schedule, promote or retain employees;
6. Determine the adequacy of the work force;
7. Determine the overall mission of the District as a unit of government;
8. Effectively manage the work force;
9. Take actions to carry out the mission of the District as a governmental unit.

Notwithstanding Section 4117.08 of the Ohio Revised Code, the District is not required to bargain on any subjects -- including, but not limited to, those enumerated above -- reserved to and retained by the District under this Article.

Therefore, the Union agrees that during the life of this Agreement, the District shall have no obligation to bargain collectively with respect to the exercise of any rights reserved to and retained by it in this Article. Provided, however, that where the exercise of such a management right impacts upon the wages, hours or other terms and conditions of employment of employees in this bargaining unit, the District will bargain collectively with the Union over the effects of such management decisions when requested by the Union.

ARTICLE 43.

STRIKES AND LOCKOUTS

There shall be no strikes, walkouts, sick-outs, or any other like or similar work stoppage during the life of this Agreement. Any employee engaging in such conduct will be subject to discipline, up to and including discharge.

In addition, the District may utilize the procedures and rights contained in Ohio Revised Code § 4117.15 and § 4117.23.

There shall be no lockout during the life of this Agreement.

ARTICLE 44.

DURATION OF AGREEMENT

This Agreement shall be effective from July 1, 2019 through June 30, 2020 and shall remain in full force and effect from year to year thereafter unless on or before December 1, 2019 and on or before December 1 any year thereafter, prior to expiration, either party gives written notice to the other of the intention to negotiate on any or all of the provisions of the Agreement. If any such notice is given, the parties shall enter into negotiations, no later than February 1, 2020 and February 1 any year thereafter and this Agreement shall remain in full force and effect until the June 30 immediately following such notice.

ARTICLE 45.

DRUG TESTING

When there is reasonable cause to believe that an individual employee is using illegal drugs or alcohol at work or is under the influence of drugs or alcohol at work, and/or pursuant to current District COL Drug Testing regulations such employee will be directed to report to the District designated physician or medical clinic, on District time and expense, for a fitness for duty examination. This will involve appropriate testing, including possible urine or blood tests or breathalyzer exam as determined by the appropriate medical personnel. The circumstances supporting the allegation shall be reduced to writing, signed by two (2) referring supervisors who have received drug/alcohol abuse education, and provided to the appropriate personnel and the Union prior to testing.

An employee may be referred for such fitness for duty screening if two (2) referring

supervisors who have received drug/alcohol abuse education have a reasonable suspicion that the employee is then under the influence of alcohol or a controlled substance. The demand for a urine, blood or breath specimen shall be made based only upon specific, objective facts, and reasonable inferences drawn from those facts in light of experience, that the employee is then under the influence of drugs or alcohol so as to endanger fellow employees, the public, or otherwise adversely impact on the employee's ability to perform his/her job duties. In addition, employees may be referred for mandatory urine, blood or breathalyzer tests to determine substance abuse as part of a disciplinary probation for employees who have violated the District's drug and alcohol rules.

An employee shall be entitled to the presence of a Union representative before testing is administered. An employee who refuses to take a drug or alcohol test may be discharged immediately by the District.

As it concerns urine samples for drug testing, subject employees will undergo an initial screening (EMIT) test. For any positive results, a confirmatory test employing the gas chromatography/mass spectrometry (GC/MS) test will be used. The District will insure that there is a continuous chain of custody of any sample taken from an employee. Specimen collection will occur in a medical setting and the procedures shall not demean, embarrass, or cause physical discomfort to the employee.

The results of a drug or alcohol screening test will be kept strictly confidential. An employee who tests positive for drugs and/or alcohol will have the opportunity to review the test results and, if desired, a reasonable opportunity to rebut the results. Copies of any such evaluation shall be provided to the District and to the individual tested. Where urine or blood samples have been taken, the samples will be preserved for a reasonable period of time and such employee will have the opportunity to take these samples to a reputable physician, or laboratory of his/her choosing for a

re-testing. An employee shall be deemed to have failed an alcohol test if:

1. The person has concentration of ten-hundredths (10/100) of one-percent (1%) or more by weight of alcohol in his/her blood;
2. The person has a concentration of ten-hundredths (10/100) of one (1) gram or more by weight of alcohol per two hundred ten (210) liters of his/her breath;
3. The person has a concentration of fourteen-hundredths (14/100) of one (1) grain or more by weight of alcohol per one hundred (100) milliliters of his/her urine.

Employees who may be drug or alcohol dependent are encouraged to voluntarily seek professional assistance through a reputable treatment program. The District's Employee Assistance Program (EAP) can provide counseling and referral. All records of an employee seeking medical rehabilitation for drug and alcohol dependency, either through the EAP or otherwise, will be kept strictly confidential. Voluntary assistance should be sought before dependency affects job performance so as to endanger fellow employees, the public, or otherwise adversely impact on the employee's ability to perform his/her job duties.

The EAP program does not supplant the normal discipline and grievance procedure. An employee subjected to disciplinary charges which include substance abuse on the job will be given access to the drug or alcohol screening results, the ability to have privately tested the blood or urine samples at an independent laboratory and the opportunity to rebut any allegations of substance abuse. Any charging letter issued to an employee which included allegations of substance abuse on the job shall list the basis upon which it was determined that there was reasonable cause to believe the employee was using drugs or was under the influence of drugs or alcohol at work.

Any employee found to have positive screens for drugs and/or alcohol must be given medical

clearance by a qualified physician acceptable to the District before returning to work.

An employee who fails a drug or alcohol test for the second time during his/her employment with the District may be discharged immediately by the District, subject to just cause and the provisions of the grievance procedure.

The District, after bargaining with the Union, shall adopt random drug testing policies only for employees who are required to be randomly tested under law (e.g., Department of Transportation regulations regarding employees required to have a Commercial Driver's License).

The District is not responsible for any legal obligations and costs for claims based on the Union's duty of fair representation.

The Union shall be indemnified and held harmless by the District for any violation of an employee's constitutional common law, or statutory rights.

The District agrees that it will implement this or a substantially similar drug/alcohol testing procedure with all other District employees.

ARTICLE 46.

EMPLOYEE DISCLOSURE REQUIREMENTS

Section 1. Disclosure of Criminal Violations. Any employee who pleads guilty to or is convicted of any offense set forth in Section 3319.39 of the Ohio Revised Code, any substantively comparable ordinance of a municipal corporation or any substantively comparable statute of another State shall be required to disclose such conviction or plea of guilty to the School District. Failure to do so can result in disciplinary action up to and including termination. Convictions of, or pleas of guilty to the offenses described above are not an automatic bar to continued employment, but the District has the right, on a case-by-case basis and for just cause, to terminate employees convicted of such offenses, in the future.

Section 2. Disclosure on Employment Application. Pursuant to the Management Rights clause, the District reserves the right to take appropriate disciplinary action with regard to employees who fail to truthfully fill out their employment application.

Section 3. Disclosure of Arrest Warrants. Employees knowledgeable of outstanding arrest warrants must notify the School District of the warrant and resolve the warrant as expeditiously as possible. An employee may use a vacation day or a restricted special privilege leave day to resolve the warrant; otherwise, an employee arrested on a warrant will not be allowed to return to pay status until submission of documentation that the warrant has been resolved.

Section 4. Pre-Employment Criminal Background Investigation. Pursuant to Section 3319.39 of the Ohio Revised Code the employment of any employee is conditional until a criminal records check has been completed and reveals that the employee has not been convicted of any of the crimes listed in that statute.

Provided: This Section shall not apply to the above-described offenses for which a plea of guilty, or conviction was made prior to October 29, 1993, unless such plea or conviction was misrepresented on the employee application. Except as required on the employment application, employees shall not be required to disclose O.R.C. 3319.39 convictions or guilty pleas occurring between October 29, 1993 and the date of execution of the reopener provisions. However, such non-disclosure shall not insulate the employee from disciplinary action as set forth in Section 1, above, where such conviction or guilty plea has ultimately come to the attention of the District.

Provided further, that employees who are conditionally employed under the term of this Section shall otherwise be subject to the terms of this Agreement.

The District agrees that it will implement this or a substantially similar Employee Disclosure procedure with all other District employees.

ARTICLE 47.

HEALTH AND SAFETY

1. Assault and Battery on Employee: When a bargaining unit member believes that he/she has suffered an assault, the bargaining unit member shall immediately, or as soon as possible, complete a Division of Safety and Security Incident Report Form and provide a copy to the building administrator/designee.

The District will investigate all claims of assault and inform the bargaining unit member and the Union of the results of its investigation.

If the District determines that an assault did occur, the District shall take immediate action, consistent with applicable law, District policy, regulations, and where applicable, the Student Code of Conduct.

The District will inform the bargaining unit member of its final determinations.

2. The District will provide protective services to the best of its ability. Employees represented by the Union will have meetings with high level representatives of the District, in response to agenda(s) submitted by the Union.
3. The administration shall exert its best efforts to protect all employees in this bargaining unit from verbal abuse and physical assault while engaged in the performances of their duties.
4. The administration will provide proper lighting at entry and exit doors and parking lots based on District facilities current configurations.
5. Where an employee has reasonable belief that equipment or supplies may cause bodily harm, the employee's immediate supervisor shall be notified of such belief, along with

the employee's department head. Employees who have a medically verified detrimental reaction to chemicals may cease the use of such chemicals. If the District so desires, it may require the employee to submit to a physical examination (paid for by the District) to challenge the employee's medical verification. If the employee's doctor and the District's doctor disagree concerning the employee's medical verification concerning reaction to chemicals, the Union and the District shall meet and choose a third doctor whose decision will be final. The expense of the third doctor will be borne equally by the Union and the District.

6. The District agrees to provide all employees clean eating space within their facility.
7. Adult sanitary facilities shall be made available to all employees at all school facilities.
8. The parties will discuss at the Labor-Management Committee the availability/use of emergency communication devices for emergency communication for dietary staff and ESS staff.
9. The parties will discuss at labor management committee meetings the need to provide, on case by case basis ergonomic furniture.
10. The administration will exterminate the buildings within a reasonable time after verification that insects or rodents are present.
11. The District will perform routine cleaning of ventilation and air ducts as determined by District administration.
12. In those buildings with an automatic heating and cooling system, the temperature shall not be set below sixty-eight (68) degrees when employees are working in the building. The heating and cooling system at those buildings with boilers will be discussed at the Labor-Management Committee.

13. When and if the Kentucky building is used as a District facility, the ESS assigned to that building and the other school on that campus site shall clean the Kentucky building first. The ESS will then finish their shift cleaning the other building(s) on that campus.
14. Within 60 days of contract ratification, the Executive Director of Food Services (or designee) shall meet with the three members designated by the Union and develop a plan to address serving food on multiple floors when elevators are down in school buildings or not operational.

ARTICLE 48.

EVALUATIONS

EVALUATION MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is entered into between the Board of Education of the Cleveland Municipal School District (the "District") and the signatory unions (collectively referred to as the "Unions") to this Memorandum as follows:

1. As part of the 2013 negotiations for successor contracts between the District and Unions, the District made a number of proposals related to evaluations and how the evaluations are to be used in employment related matters.
2. The District and Unions agreed that the development of the evaluation system and the use of the results of the evaluations on employment related matters may be best addressed by establishing an Evaluation Committee composed of members appointed by the District and members appointed by the Unions.
3. Given this, the District and Unions have agreed to the following:
 - a. The District shall have the right to appoint up to five District Representatives to the

Evaluation Committee but in no event shall the District representatives comprise more than 25% of the committee. There shall be Co-Chairs, one designated by the District and one designated by the Unions.

- b. Each signatory union shall have the right to appoint two representatives who shall be bargaining unit members or union staff to the Evaluation Committee.
 - c. The Evaluation Committee shall mutually agree upon one or more outside consultants to help the parties develop the evaluation system. The parties may mutually agree to a different consultant, should they mutually agree to replace the first consultant. The District shall pay for the outside consultant(s).
 - d. The Evaluation Committee shall conclude its work with a final recommendation being issued no later than May 1, 2014. There shall be quarterly presentations to District and Union leadership regarding the Committee's progress, timelines, and pending issues.
 - e. Upon recommendation by the Evaluation Committee, the evaluation system shall become effective July 1, 2014.
 - f. If the Evaluation Committee is unable to agree upon an evaluation system by May 1, 2014, the consultant(s) shall make a binding recommendation to the Board and Unions which shall become effective July 1, 2014.
4. The specific charge to the Evaluation Committee is as follows:
- a. The Evaluation Committee shall develop an evaluation instrument based upon to the extent possible objective criteria.
 - b. In developing this instrument, the Evaluation Committee may employ one or more outside consultants to help the Evaluation Committee develop the evaluation

instrument and process.

- c. Each of the signatory unions shall have the right to establish individual union specific subcommittees to develop portions of the evaluation instrument specific to the respective bargaining unit's positions. For example, the Custodians have the right to establish a subcommittee to develop portions of the evaluation instrument relevant to the Custodian's job duties and responsibilities.
- d. The Evaluation Committee shall address how and the extent to which the evaluation ratings should be used for any or all employment, including recall decisions, except as set forth in sub-paragraph g below.
- e. The Evaluation Committee shall address the timing and sequence of evaluations.
- f. The Evaluation Committee shall address if, when, and the nature of professional development assistance to be provided to "at risk" employees.
- g. The Evaluation Committee shall have no authority to recommend that the evaluation system have any relationship to layoff, wages, overtime, overtime opportunities, work schedules, bidding, summer job assignments, or extra work opportunities. With respect to recall decisions, if an employee has received the lowest evaluation rating for at least the initial and six (6) months evaluations, as set forth below, and is then laid off (in order of seniority), the District may decide to recall a less senior laid-off former bargaining unit member prior to recalling such individual.
- h. The evaluation system developed by the Evaluation Committee shall provide that if an employee receives the lowest evaluation rating established by the Evaluation Committee, the employee shall be re-evaluated in six (6) months, and if the employee receives the lowest evaluation rating on the evaluation at the conclusion

of this twelve (12) months period, then the employee can be terminated for just cause and interim reviews, which shall occur no less frequently than every ninety (90) days during the twelve (12) month review process, necessary to assist any employee who has received the lowest evaluation rating. If at the conclusion of this twelve (12) month process, the final composite evaluation is still of the lowest ranking, the employee shall be subject to termination. However, if at the conclusion of this twelve (12) month process the final composite evaluation is above the lowest rating, the employee shall be removed from this process and returned to the normal evaluation cycle unless a different cycle is agreed to by the Union and District.

The evaluation system shall provide that only the employee's termination may be grieved and that the Arbitrator is limited as follows:

In rendering a decision (regarding the evaluation process which led to the employee's termination) the Arbitrator shall only consider whether or not:

- i. the employee's evaluation failed to adhere substantially to the evaluation process including, but not limited to providing a corrective action plan;
- ii. there is a mistake in fact in the evaluation; and
- iii. the District's actions were arbitrary and capricious.

In the event the Union is able to demonstrate that any of the provisions of 1-3 above are applicable, the Arbitrator shall then determine if the applicability of any of those provisions materially affected the outcome of the evaluation process. If the Arbitrator determines that it did not materially affect the outcome of the evaluation process, the Arbitrator shall render a decision in favor of the Board and the employee shall be dismissed. If the Arbitrator determines that it did materially affect the

outcome of the evaluation process, the Arbitrator shall only have the authority to return the grievant to the earliest point in the process where the violation of 1-3 above occurred.

The above timelines may be extended by mutual agreement.

ARTICLE 49.

MILITARY LEAVE

Bargaining Unit members shall be permitted to take military leave consistent with state and federal law.

This Article applies to the following job classifications; School Secretary, Chief Secretary, Principal Secretary, Senior Secretary and Junior Secretary.

If the member decides during the term of this agreement to opt into the School Secretary classification, the member must meet the requirements of the School Secretary job description, including passing the School Secretary assessment instrument. The District will seek input and participation from the Union in developing the School Secretary assessment instrument. Any member who does not pass the assessment shall be given the opportunity to retake the assessment on the next scheduled testing date.

Additionally, any member holding one of the "old" classifications who bids on a School Secretary position and receives a satisfactory score on the assessment will be subject to reclassification to the School Secretary classification.

Current bargaining unit members in the old classifications will be eligible for a one-time \$500

stipend if they take the assessment and receive a satisfactory score and are reclassified and will be placed on the School Secretary salary schedule at the higher of their current salary or the minimum School Secretary salary.

A Chief Secretary may apply and be selected for or receive a special transfer to a School Secretary position while remaining in their classified salary schedule without being required to otherwise reclassify as a School Secretary.

School Secretary Job Postings

Secretary Job Posting and Selection will be governed by this Article. Job posting will be posted on the District website at any time, for any length of time. Preferred skills and/or training may be identified in the job posting as preferred. The District will maintain a candidate pool that includes both internal and external candidates at all times. Candidates' for open School Secretary positions may be required to take the Secretarial Assessment Tool. Candidates' scores on the assessment will be considered in the decision as to whether a candidate will be placed in the candidate pool.

The hiring manager may interview internal and external candidates and select and hire based on the following hiring criteria: an interview score, skills, experience (District and non-District), employment records, performance evaluations, attendance records, and specific school needs. The interview score will be determined using a rubric developed with the Union's input and will outline a specific scoring mechanism that gives preference to qualified members.

The hiring manager may interview internal and external candidates at the same time, however, all qualified members who respond to the job posting must be interviewed. Exceptions may be made with mutual agreement between the District and the Union in cases with a large volume of candidates. Only members with a performance rating of skilled or above on their most recent evaluation, will be eligible for consideration. Where the District determines that two or more individuals are equally qualified, based

on the hiring criteria above, the District shall recommend for hire the individual with greatest seniority. The parties agree that these procedures shall supersede any applicable Civil Service statute, rule, or regulation.

Special Transfers

Special Transfers are transfers requested by either the bargaining unit members or administrators for the purpose of promoting the best interests of the District. The special transfer process shall be completed within thirty (30) work days of any such request. In the event it becomes necessary to assign, reassign or transfer a member, whether voluntary or involuntary on the part of the member for the purpose of promoting the best interest of the District, the Chief Talent Officer/designee shall first meet with the member, the principals of the affected building, the employee's immediate supervisor, and the Union designee. Assignment, reassignment or transfer shall not be delayed due to the unavailability of meeting participants who have been duly notified. The District shall notify the Union in advance of any periods of time that special transfers cannot occur due to staffing adjustments.

The special transfer provisions may not be used as a form of discipline.

Work Days

For those secretaries who work less than twelve (12) months per school year, the number of contract days per school year shall be 220 days for those assigned to traditional calendar schools and shall be 230 days for those assigned to extended-year schools, which shall include any mandatory professional development days, regardless of the number of contractual holidays observed in the calendar year.

Thanksgiving Wednesday, Easter Monday and days during Winter or Spring breaks are work days for twelve (12) month/260 day employees. In order to take off one or more of these days an employee must use an approved personal day (vacation or special privilege day).

The Board shall make best-faith efforts to identify and communicate to the Union the starting date(s) for secretaries by May 1 of each year. However, the Parties recognize that reasonable modifications may be required by the District after this date upon the recommendation of the CEO.

SIDE LETTER - REGARDING STAFF DEVELOPMENT TRAINING

Subject to the availability of appropriate funding, the District will consider the feasibility of implementing staff development training for Union members.

**SIDE LETTER - REGARDING ALL EMPLOYEES
RECLASSIFIED UNDER THE 2017 AGREEMENT**

Effective July 1, 2017, all employees who were reclassified under the 2017 Collective Bargaining Agreement SHALL carry their previous classification seniority into their new classification.

SIDE LETTER - INCLUSION OF PRESCHOOL MONITOR INTO SERB

The Parties agree that the Preschool Monitor shares a community of interest with Dietary I (Lunchroom Attendant and should be included into the Union's existing bargaining unit. The parties shall submit a joint petition for amendment of certification to SERB directly following the execution of this agreement.

The Parties agree that the CBA and Appendixes shall be considered amended to reflect the inclusion of the Preschool Monitor. The Preschool Monitor shall have all rights and benefits afforded to bargaining unit members in accordance with the CBA.

The Parties have agreed upon a job description for the Preschool Monitor position that

reflects the actual duties of the position. The current state of the job description is identified in Exhibit 1 and is subject to future revision consistent with the collective bargaining agreement. The Preschool Monitor's rate of pay shall be consistent with Dietary I (Lunchroom Attendant) detailed in Appendix B of the CBA.

The District has identified all employees currently serving in a Dietary 1 (Lunchroom Attendant) who will be converted into the position of Preschool Monitor based on having previously completed duties more closely aligned with those of the Preschool Monitor than those of the Dietary 1 (Lunchroom Attendant) position. The District will execute the automatic conversion of those employees' position during the summer of 2019. The employees to be converted are identified in Exhibit 2 (the "converted employees"). The classification of remaining Dietary 1 (Lunchroom Attendant) employees will not be affected by the conversion. Converted employees' dates of seniority and years of service accrued within the Dietary 1 (Lunchroom Attendant) position will automatically convert to dates of seniority and years of service within the Preschool Monitor position regardless of any date a converted employee's actual duties became more closely aligned with the duties of the Preschool Monitor position. All converted employees' seniority and service history within the Dietary 1 (Lunchroom Attendant) position will be forfeited. Total years of service with the District will not be affected by the conversion.

Once the conversion takes place, the positions will be treated as two separate and distinct job classifications for all purposes. The District will review the designations of whether an employee shall convert to the Preschool Position or remain in the Dietary 1 (Lunchroom Attendant) position in advance of the conversion.

IN WITNESS WHEREOF, the parties have set their hand and seal this 12th day
of September 2019.

APPENDIX C
MEMORANDUM OF UNDERSTANDING
CAREER LADDER

A. All Career Ladder issues raised in these negotiations shall be deferred to the Career Ladder Committee. Any unresolved issues at the Committee level shall be referred to the Deputy Administrator for Support Services for a resolution. If no resolution can be achieved at the level of Deputy Chief of Human Resources, the Chief Executive Officer shall be the final arbiter for all unresolved issues. Both the Union and the District representatives shall submit their respective positions in writing to the Chief Executive Officer. Nothing in this clause shall be construed to limit the final decision-making authority of the District with regard to financial matters.

B. The Board of Education is committed to the concept of the Clerical Career Ladder and is prepared to extend the operation of the ladder in existence until the expiration of the current collective bargaining agreement between the Union and the District. Funding shall be contingent upon the availability of financial resources as determined by the Chief Executive Officer. Persons currently placed in clerical career ladder positions shall maintain their career ladder positions, absent a uniform District-wide reduction in the clerical work force.

APPENDIX D

RETURN TO WORK / TRANSITIONAL WORK PROGRAM

General. Any employee who is assaulted or disabled while in the performance of his/her duties, under such circumstances as would cause such injury or disability to be compensable under the Workers' Compensation Laws of the State of Ohio shall have the following options:

Option A.

Remain on the regular payroll of Management through the Cleveland Municipal School District Wage Continuation Program; or,

Option B

Go off the regular payroll on an unpaid Workers' Compensation leave and receive compensation through the Bureau of Workers' Compensation, if eligible.

However, an employee who has settled his/her workers' compensation claim with Cleveland Municipal School District through the Industrial Commission will not be eligible to participate in the Return-to-Work/Transitional Work Program for the conditions which were settled. An employee who elects to participate in the Cleveland Municipal School District Wage Continuation Program agrees to the terms and stipulations as described in the Cleveland Municipal School District Return to Work/Transitional Work Policy. (See Appendix E).

An employee unable to return to the job classification in which he/she was working when the injury or disability occurred due to permanent restrictions as described by the treating physician, shall have the option of bidding in accordance with the provisions of the Collective Bargaining Agreement to a different job classification for which they are qualified and able to perform within their work restrictions. He/She will receive the rate of pay for the job in which he/she is placed. If that transfer results in loss of his/her current benefits under the Collective Bargaining Agreement, that employee will continue with the benefits that he/she had at the time of the injury or disability. However, an employee assigned in this manner must bid on the next available job(s) for which he/she is qualified and be able to perform within his/her restrictions, to continue with the benefits. If an employee refuses to bid or accept any bid which is awarded, the employee's eligibility for benefits will be based upon the hours assigned to the position to which he/she had transferred due to his/her restrictions.

Option A. Cleveland Municipal School District Wage Continuation Program

Eligibility Requirements and Benefits. Eligibility for the Cleveland Municipal School District (CMSD) Wage Continuation Program requires the employee to be off work due to a work related injury, provided the employee reports the injury within twenty-four (24) hours of the incident of illness or injury. A Workers' Compensation claim will be filed for payment of medical benefits through the Bureau of Workers' Compensation. Paid leave shall be granted for a period of time as recommended by a Provider from the CMSD Preferred Provider Panel not to exceed two (2) years from the date of injury or until the employee's work restrictions reach a permanency level, whichever occurs first, during which time the employee will remain on the District's payroll, provided proof of continued temporary disability is submitted. Such proof shall be accompanied by a "statement of attending physician" setting forth the illness or injury, work restrictions, if any, estimated duration of disability, and estimated return to work date. Attending physician statements must be submitted to the District within forty-eight (48) hours of treatment. Should these requirements not be fulfilled by the employee, a request for wage continuation extension may not be considered. All benefits, including insurance, will continue during the duration of the Wage Continuation Program.

APPENDIX E

TRANSITIONAL WORK POLICY

Statement of Policy

Cleveland Municipal Schools has experienced ever increasing costs in the area of Workers' Compensation. It is the goal of both management and labor to implement a return to work/transitional work program that will assist in reducing these costs as well as benefiting the injured employee and Management. These benefits include, but are not limited to:

For Employees

- Increased morale
- Full wage vs. 72%, then 66-2/3% after 12 weeks of BWC compensation
- No interruption of benefits
- More "hands-on" claims management
- Ability to return to work as determined by physician

For Management

- Reduced workers' compensation costs
- Increased productivity
- Decreased absenteeism
- Increased employee relations
- More "hands-on" claims management
- Assistance with compliance to ADA and FMLA

This program shall emphasize that job accommodation, modified duty activity or transitional work will not aggravate the medical condition of injured employees. Every effort will be made to ensure that their safety and health will be protected while they are working within physical restrictions. Additionally, job accommodation, alternate duty assignments, and transitional work are meant to be temporary, not permanent work assignments.

Goals & Objectives

Managed return to work allows employees who are temporarily or partially disabled due to work-related injuries or illnesses to return to the workplace in a restricted or modified capacity and be productive before they are able to return to their normally assigned duties at full capacity. The goals and objectives for the Cleveland Municipal Schools Return to Work/ Transitional Work program include, but are not limited to:

- Develop a plan to return injured employees to work safely and in a meaningful capacity, without risk of re-injury, aggravation of the injury, or risk to others.
- Ensure that managed return-to-work develops within the requirements of the Americans with Disabilities Act (ADA) and applicable state laws.
- Coordinate with Human Resources representatives.
- Create an effective process for monitoring injured employees from the date of injury or illness until the injury is resolved or the injured worker is maximum medically improved (MMI) / placed under permanent work restrictions.
- Focus on what the employee can do, not on what he or she cannot do
- Focus on the temporary nature of the modified work assignment or job accommodation.
- Enlist the support and commitment of management, labor, and co-workers.
- Perform detailed job assessment/analysis for each job classification identifying the physical demands and requirements of each job, especially for jobs or classifications that have a high accident rate, to include:
 - a. the essential and nonessential tasks,
 - b. the tools, machines, and equipment used,
 - c. posture requirements,
 - d. height and weight of object to be lifted and/or moved,
 - e. endurance factors, such as degree of strength and physical demands required.

- Develop detailed job descriptions (including essential and nonessential functions and physical requirements) to help medical care providers and medical care reviewers understand the physical and mental demands of each job.

Return to Work Options

When an injury occurs, Management intent is to return the employees to work as quickly as circumstances permit as determined by the provider of record. Instead of waiting until an injured employee reaches maximum medical improvement (MMI), or 100 percent recovery, to bring the employee back to work, the focus should be on what the employee can do during recovery to accommodate the injury or disability. (One hundred percent recovery means the employee has regained his or her pre-injury physical capacity. MMI means the employee has recovered as much as possible.)

Managed returns to work options include job accommodation, temporary alternate or modified duty assignments, and transitional work. Positions identified for such assignments are not intended to replace vacant positions. Return to work positions are recognized as temporary, supplemental positions and are not considered to be regular bid jobs or to become regular bid jobs. Such positions within the District 1199 bargaining units are intended for District 1199 employees and not employees of any other bargaining unit unless specifically agreed to by the affected Union President(s) and Management.

Job accommodation. The first choice is to bring the employee back to his/her regular job through a process called job accommodation, which is intended to allow employees to return to their regular jobs while recovering from an injury. Accommodation may require some modification of the injured employee's regular assignment. For example, it may be possible for the employee to return to his/her regular job with instructions not to perform specific activities or to complete only a limited number of the tasks usually performed in a day's time. This type of job modification is often most desirable because it enables injured workers to perform familiar work. It also helps avoid injuries that could result from performing unfamiliar tasks.

Temporary alternate duty assignments. If job accommodations are not possible, another option is to place the disabled employee in temporary alternate duty assignments. In some cases, provisions shall be made to allow employees to temporarily perform work in a different job classification or even a different department. An employee may only temporarily perform work in a different union under this program so long as the affected Union President(s) and Management agree in writing. Alternate duty assignments shall be integrated into mainstream operations as much as possible. Jobs or tasks for alternate duty assignment shall be identified in advance and reviewed by both management and labor for approval. Each alternate duty job shall be assessed/ analyzed and its physical requirements documented. Returning injured employees will be matched with suitable alternate work, given his/her medical restrictions. Alternate

duty assignments shall keep pace with the injured worker's improvement and shall not be considered either long-term or permanent.

Transitional work. An important part of both job accommodation and temporary duty assignments is a concept known as transitional work (work hardening). With work hardening, injured employees may return to their regular job or an alternate job on a reduced schedule (in keeping with their medical restrictions), possibly working only a two- to three-hour work-day during early recovery. The number of hours gradually increases to keep pace with the employee's recovery and rehabilitation and is tailored to the employee's changing medical restrictions. Other work hardening activities could include exercise programs to rebuild strength, and these could be obtained off-site in a hospital or rehabilitation center setting.

Coordinating with Treating Physician

A Cleveland Municipal Schools preferred provider network and facility(s) will be selected by the District. The employee will not be responsible for the cost of treatment by the CMSD preferred provider network and facility.

Employees sustaining a work related injury that requires medical attention at a medical treatment facility (i.e., sprains, simple fractures, etc.) will receive treatment by a program physician or medical facility. The program physician, along with rendering a diagnosis and prognosis, will determine if the employee is capable of returning to work, and under which option as described above. This plan will include any necessary rehabilitation plan to be followed, the approximate duration of any return to work assignment, and indicate any physical therapy the injured employee may require. The program physician(s) may require follow-up medical evaluations.

Employees sustaining a work related emergency/trauma injury (i.e., life threatening, severe body injury) may be treated at any medical treatment facility to which emergency medical personnel transport them. The employee will subsequently be examined by the program physician. The designated program physician will determine if the employee is capable of returning to regular duties, or, if restricted, returning to work under the options as described above. This plan will include any necessary rehabilitation plan to be followed, the approximate duration of any return to work assignment, and indicate any physical therapy the injured employee may require. The program physician(s) may require follow-up medical evaluations.

An employee may, after the initial evaluation by the program physician, elect to continue treatment with their personal physician provided the program physician's recommendations are followed and the employee continues to follow up with the program physician and their treatment recommendations as directed. The employee will sign any necessary waivers to allow their personal physician(s) to release information to the program

physician. The employee's program physician will be the physician of record for Workers' Compensation purposes.

Upon the program physician's determination that an injury requires the employee to be off work, paid leave shall be granted by Management so long as the employee reported the injury within twenty-four (24) hours of the incident of illness or injury.

Employees in an alternate work assignment shall be evaluated at least once a week and any appropriate modifications and upgrades shall be discussed with the program physician. A medical release from either the program or personal treating physician of an injured worker is required prior to returning an employee in an alternate work assignment to his/her original position.

Employees who sustain injury in the course of and arising out of their employment under such circumstances as would cause such injury or disability to be compensable under the Workers' Compensation Laws of the State of Ohio who choose NOT to be evaluated by the program physician or who choose NOT to follow that physician's recommended program and go only to the physician of their choice are NOT entitled to any paid wage continuation benefits contained in this program.

Compensation

An employee working in the return to work/transitional work program will be compensated at their regular rate of pay. The employee will not be entitled to bid rights, overtime (unless the employee is performing within his/her bid position and overtime does not violate work restrictions), etc., since the employee is not fit to perform all of the duties of the classification. With regard to the rights of other employees, the employee in the return to work transitional work program will be deemed not to be working out of classification.

An employee shall be given up to two (2) hours release time, if needed, to attend workers' compensation hearings.

An injured employee will make every effort to schedule follow-up examinations and/or physical therapy during non-working hours. These appointments shall be coordinated with the Cleveland Municipal Schools' Managed Care Organization. If scheduling during non-working hours is not possible, an employee shall be given up to two (2) hours release time with approval of Management, if needed, for follow-up appointments and/or physical therapy appointments.

Permanent Restrictions/Disability

In the event that an employee cannot be returned to work due to permanent restrictions in their regular job or alternate position, he or she will no longer be eligible for the District's Salary and Wage/Transitional Work program. In this event, he or she will be referred to Human Resources and instructed to apply for appropriate work accommodations. Human Resources will determine whether or not reasonable accommodations can be made under their guidelines.

In the event that an employee is released off of work for a consecutive 3-month period, or under work restrictions for a consecutive 6-month period, CMSD may schedule an Independent Medical Examination (IME) to determine the employee's work restrictions and/or the duration of the restrictions (temporary or permanent) as well as the employee's feasibility for vocational rehabilitation and act upon the doctor's recommendations accordingly. CMSD will continue to have the ability to schedule another IME at its discretion every three months thereafter for as long as the employee remains in the program. Should the Independent Medical Physician release the employee to work with restrictions, find that the restrictions have become permanent, or find that the employee is eligible for vocational rehabilitation, the light duty job offer, permanency finding, and/or vocational opinion will be sent to the employee's preferred provider for his or her review and opinion. Should an agreement not be reached between the physician who conducted the IME and the employee's preferred provider on the employee's work restrictions and/or vocational rehabilitation eligibility, and if the employee so requests, a third opinion will be obtained from another Independent Medical Physician. The third opinion shall be determinative of the employee's work status, restrictions, and/or vocational rehabilitation eligibility status under the program and shall not be subject to further appeal or review. Failure of the employee to follow such recommendations will result in the employee becoming ineligible for the program.

APPENDIX F
GUIDELINES FOR DONATING SICK LEAVE

Employees of the Cleveland Municipal Schools are granted a specified number of sick leave days each year, and unused days accumulate without limit. The District and Unions are cooperating with employees who wish to "donate" days from their accumulated totals to other employees who are in need of sick leave for a serious illness or injury, but who have exhausted their own supplies. The District and Unions Joint Health Care Committee will continue to assess this program as it progresses.

Donated sick days used by a recipient represent an additional cost to the District. Each day used costs the District 100% of the user's daily rate, funds which would not have been expended if the sick day had remained in the donor's accumulated total. For this reason, and for the protection of both the donor and recipient, the District will regulate these transactions, in cooperation with the Joint Health Care Committee. The following guidelines will govern the practice of donating sick days.

6. Sick leave may be donated only for a serious illness or serious injury of the employee or the employee's immediate family.
7. The request to donate sick days will be made only on the official District form attached to these guidelines and must be reviewed by the employee's Supervisor. Any employee may donate to any other employee.
8. For all occurrences of five (5) consecutive work days or more, recipients of donated sick days must file with the Division of Employee Services an application for medical leave, or a letter from their physician describing their condition and prognosis, or a copy of their application for disability leave. This information shall be segregated from the employee's general personnel file and will not be subject to disclosure pursuant to a public records request.
9. Completed requests to donate sick days will be submitted by the Supervisor to the Division of Employee Services, which will check for medical leave or disability applications before forwarding them to the Payroll Division for processing.
10. An employee may receive an annual total of no more than 50 donated sick days.
11. The total of an employee's sick day donations to all recipients may not exceed 5 days per year with the following additional limitation: Only employees with an accumulated sick leave balance of 15 or more days may donate more than one day per year, and must, after the donated days are subtracted, maintain a balance of at least fifteen (15) sick days.

12. The donation of sick days is irrevocable. Any donated days which are not used by the recipient will remain credited to the recipient's accumulated sick day total and will not be returned to the donor by the District.
13. Unused donated sick days will not count toward the severance pay of the recipient. The total of all donated sick days, whether used or not, will be subtracted from the recipient's sick leave balance at retirement.
14. Donations to either classified or certificated recipients are permitted, regardless of the classification of donor.
15. The donation of sick leave days by one employee to another is a charitable act to be undertaken at the sole discretion of the donor. No employee has a right to expect to receive donated days, and no undue pressure on employees to donate sick days to another employee will be allowed. Solicitation of sick days must be undertaken by a third party, not by the intended recipient.
16. The sick day donation process is a discretionary service; any employee's refusal to donate will not be subject to formal grievances.
