**SECTION 2.2.** The Bargaining units include all full-time, part-time dispatchers and shift supervisors as set forth in the certification issued by the Ohio State Employment Relations Board as described in Case Nos. 01-REP-02-0035 and 02-REP-09-0191.

**SECTION 6.3.** Where there is an alleged violation of the provisions of this Article that qualifies for appeal under the rules of the Equal Employment Opportunity Commission or the Ohio Civil Rights Commission, such matters may not be appealable to arbitration through the grievance procedure contained in this Agreement until the Employer, the employee, and their representatives have met at Step 1 and 2 of the grievance procedure in an effort to resolve the alleged violation prior to the appeal to either of these agencies and the employee has filed a complaint with either of these agencies, and the complaint is rejected.

**ARTICLE 7**  
**GRIEVANCE PROCEDURE**

**SECTION 7.1.** The term "grievance" shall mean an allegation by a bargaining unit employee that there has been a breach, misinterpretation or improper application of this Agreement. It is not intended that the grievance procedure be used to effect changes in the Articles of this Agreement nor those matters not covered by this Agreement.

**SECTION 7.2.** All grievances must be processed at the proper step in order to be considered at the subsequent steps, unless the parties mutually agree otherwise in writing.

Any employee may withdraw a grievance at any point by submitting, in writing, a statement to that effect, or by permitting the time requirements at any step to lapse without further appeal. Any grievance, which is not processed by the employee within the time limits provided, shall be considered resolved based upon management's last answer.

Any grievance not answered by management within the stipulated time limits may be advanced by the employee to the next step in the grievance procedure. All time limits on grievances may be extended upon mutual written consent of the parties.

**SECTION 7.3.** It is the mutual desire of the Employer and the F.O.P., Ohio Labor Council to effect the resolution of grievances at the earliest step possible. In furtherance of this objective, the following procedure shall be followed:

***Step 1:*** In order for an alleged grievance to receive consideration under this procedure, the grievant, with the F.O.P., Ohio Labor Council representative, if the former desires, must identify the alleged grievance on a grievance form to the Supervisor within fourteen (14) calendar days after the employee knew or should have known of the occurrence that gave rise to the grievance. The supervisor shall investigate and provide an appropriate answer within seven (7) calendar days following the date on which the supervisor was presented the grievance.

***Step 2:*** If the grievance is not satisfactorily resolved in Step 1, the grievant, with the F.O.P., Ohio Labor Council representative, if the former desires, may refer the grievance to the Deputy Director within seven (7) calendar days after receiving the Step 1 reply. The Deputy Director shall investigate and provide an appropriate answer within seven (7) calendar days following the date on which the supervisor was presented the grievance.

***Step 3:*** If the grievance is not satisfactorily resolved in Step 2, the employee, with the appropriate F.O.P., Ohio Labor Council representative, if the former desires, may refer the grievance to the 911 Director within seven (7)

calendar days after receiving the Step 2 reply. The Director shall have seven (7) calendar days in which to schedule a meeting with the aggrieved employee and his appropriate F.O.P., Ohio Labor Council representative, if the former desires. The Director shall investigate and respond to the grievant and/or appropriate, F.O.P., Ohio Labor Council representative with seven (7) calendar days following the meeting.

***Step 4: Arbitration:***

If the grievance is not satisfactorily settled in Step 3, the F.O.P., Ohio Labor Council may make written notification that the grievance will be submitted to binding arbitration. A notification for arbitration must be submitted within ten (10) calendar days following the date the grievance was answered in Step 3 of the grievance procedure. In the event the grievance is not referred to arbitration within the time limits prescribed, the grievance shall be considered resolved based upon the third step reply.

Upon receipt of the intent to arbitrate, the Employer or his designee and the representative of the F.O.P., Ohio Labor Council shall, within fourteen (14) calendar days following the notice for arbitration, jointly agree to request a list of seven (7) impartial arbitrators from the Federal Mediation and Conciliation Service.

The parties shall attempt to agree on a submission agreement outlining the specific issues to be determined by the arbitrator prior to requesting the list. Upon receipt of the list of seven (7) arbitrators, the parties shall select an arbitrator within ten (10) working days from the date the list is received. The parties shall use the alternate strike method from the list of seven (7) arbitrators submitted to the parties by the Federal Mediation and Conciliation Service. A coin toss shall be used to determine which party shall be the first to strike a name from the list, then the other party shall strike a name and alternate in this manner until one (1) name remains on the list. The remaining name shall be designated as the arbitrator to hear the dispute in question. All procedures relative to the hearing shall be in accordance with the rules and regulations of Federal Mediation and Conciliation Service.

The arbitrator shall limit his decision strictly to the interpretation, application or enforcement of those specific Articles in this Agreement. He may not modify or amend the Agreement.

The arbitrator shall be without authority to recommend any right or relief on an alleged grievance occurring at any time other than the contract period in which such right originated or to make any award based on rights arising under any previous Agreement. The arbitrator shall not establish any new or different wage rates not negotiated as part of this Agreement. In event of a monetary award, the arbitrator shall limit any retroactive settlement to the date the grievance was presented to the Employer in Step I of the grievance procedure.

The question of arbitrability of a grievance may be raised by either party before the

arbitration hearing of the grievance, on the grounds that the matter is non-arbitrable or beyond the arbitrator's jurisdiction. The first question to be placed before the arbitrator will be whether or not the alleged grievance is arbitrable. If the arbitrator determines the grievance is within the purview of arbitrability, the alleged grievance will be heard on its merits before the same arbitrator.

The findings of the arbitrator shall be binding on all parties. (Any cost involved in obtaining the list of arbitrators shall be equally divided between the Employer and the F.O.P., Ohio Labor Council in the event an alternate list is requested by mutual agreement of the parties). All costs directly related to the services of the arbitrator shall be equally divided between the Employer and the F.O.P., Ohio Labor Council. Expenses of the witnesses shall be borne, if any, by the party calling the witness. The fees of the court reporter shall be paid by the party asking for one; such fees are split equally if both parties desire a court reporter's recording or request a copy of any transcript.

**SECTION 7.4.** All grievances should contain all of the following information to be considered and must be filed using the grievance form mutually agreed upon by both parties.

1. Aggrieved employee's name and signature.
2. Aggrieved employee's classification.
3. Date grievance was first discussed with the Supervisor or Management.
4. Date grievance was filed in writing.
5. Date and time grievance occurred.
6. The location where the grievance occurred.
7. A description of the incident giving rise to the grievance.
8. Specific articles and sections of the Agreement violated.
9. Desired remedy to resolve the grievance.

**SECTION 7.5.** A grievance may be filed by bargaining unit members, or by the F.O.P., Ohio Labor Council, as exclusive representative to enforce its rights under the Agreement, or on behalf of a group of bargaining unit members who are affected by the act or condition giving rise to the grievance in the same or similar manner. The F.O.P., Ohio Labor Council shall not process a grievance on behalf of any member without the member's knowledge and consent. The F.O.P., Ohio Labor Council shall attach a list of names of the members who have consented to the grievance at Step 1. Furthermore, those members will be required to sign the attached list by Step 3 of the grievance procedure. A bargaining unit member has

the right to present grievances and have them adjusted, with or without the intervention of the F.O.P., Ohio Labor Council, as long as the adjustment is consistent with the terms of the Agreement and as long as the F.O.P., Ohio Labor Council may be present at the adjustment.

**SECTION 7.6.** The Employer shall provide the F.O.P., Ohio Labor Council with a list of management's designated representatives for each step of the grievance procedure.

## **ARTICLE 8** **CORRECTIVE ACTION**

**SECTION 8.1.** No employee shall be disciplined or discharged except for just cause.

### **SECTION 8.2.**

- B. Progressive discipline shall take into account the nature of a similar violation or the employee's record of discipline for previous gross misconduct.
- C. The Employer agrees a pre-disciplinary hearing shall take place prior to any discharge or suspension. This hearing is to be held between the Employer, the employee, and their representatives before a party designated by the Employer. The Employer may suspend the employee with pay, pending disposition of the pre-disciplinary hearing.
- D. Details of the progressive discipline rules are outlined and referenced in SOP Section 209.

**SECTION 8.3.** The Employer agrees that all disciplinary procedures shall be carried out in private and in a businesslike manner.

**SECTION 8.4.** All disciplinary investigations shall be conducted in accordance with the provisions of this Article.

- A. An employee may be questioned or requested to write a statement regarding his conduct or action by his supervisor. However, prior to an employee being asked questions during an internal non-criminal investigation, which may lead to suspension without pay or termination of the employee questioned, that employee shall be informed of his right to have F.O.P., Ohio Labor Council representation.

The F.O.P., Ohio Labor Council representation shall be the Union Associate for the employee's bargaining unit, if no F.O.P., Ohio Labor Council representative is available within a reasonable period of time.

- B. Except in circumstances requiring otherwise, an employee will only be asked questions during duty hours. In the event an employee is questioned during non-duty hours, the employee will be compensated at the overtime rate of pay for any time the employee arrives at the work site or any other facility that the questioning may be conducted, until such time he or she is released to off duty status.
- C. Any employee who refuses to answer questions may be charged with insubordination, only after receiving at least one warning that his continued refusal to answer questions may lead to disciplinary action and being read his "Garrity Rights"
- D. No polygraph or truth verification test may be administered without the voluntary consent of the employee.
- E. In evaluating the evidence regarding a complaint about an employee's conduct, the Employer will take into account the length of time which has expired between the date of the alleged incident and the date the complaint is received as bearing on the credibility of the complaining party. In the event a complaint is received from an anonymous source, the Employer will not take action against the employee complained about unless the complaint is supported by other corroborative evidence.
- F. Prior to any suspension without pay or termination of an employee, the employee will be afforded seventy-two-hour (72) notice of the charges against him and an opportunity to review the evidence against him, and cross examining any witnesses against him prior to responding in his own defense. An employee shall have an F.O.P., Ohio Labor Council representative and/or attorney to assist him in responding to the charges at a disciplinary hearing before a decision is made for a suspension without pay or termination.
- G. The employee shall be informed, in writing, of the results of any investigation at the conclusion of the investigation. If the affected employee is in disagreement with the action taken by the Employer, he may file a grievance at Step 2 in accordance with the grievance procedure contained in this Agreement. Such grievance shall be filed within fourteen (14) calendar days.
- H. The Employer will make available to the Union, upon request, a copy of any oral reprimand, written reprimand, suspension, discharge or pre-disciplinary report that the Employer has issued.

**ARTICLE 9**  
**RULES AND REGULATIONS**

**SECTION 9.1. Work Rules:** The Employer shall ensure that all current permanent work rules, policies and procedures are reduced to writing and made available to all bargaining unit members.

**SECTION 9.2. New Work Rules:** The Employer agrees that new work rules adopted after the effective date of this Agreement shall be reduced to writing and provided to all bargaining unit members in advance of their enforcement.

**SECTION 9.3. Effect of Work Rules:** A work rule or policy that is in violation of this Agreement shall be the proper subject of a grievance, as is a work rule not having been applied uniformly to all employees. No employee shall be disciplined for an alleged violation of a work rule, which has not been promulgated as set forth in Section 9.1 and/or 9.2 of this Article.

**ARTICLE 10**  
**LABOR-MANAGEMENT COMMITTEE**

**SECTION 12.4.** Items in violation of any provision of this Article shall be cause for the Employer to remove said item or items. Items removed will be turned over to the Union Associate(s) with an explanation of what has been violated.

**SECTION 12.5.** The F.O.P., Ohio Labor Council shall be permitted to utilize the intra-departmental mailboxes for the purpose of providing information pertaining to F.O.P., Ohio Labor Council business or bargaining unit representation to the bargaining unit members. The F.O.P., Ohio Labor Council agrees that the use of the mailboxes will be reasonable and limited to providing information that is necessary for the normal conduct of F.O.P., Ohio Labor Council business or bargaining unit representation. The Employer reserves the right to deny such access in the event that the use of such boxes interferes with the business of the County or 911's Office business. All mail placed into the mailboxes by the F.O.P., Ohio Labor Council shall be the property of bargaining unit members to whom it is addressed, and such mail shall not be subjected to the Employer's review.

The Employer, upon request from the F.O.P., Ohio Labor Council, agrees to meet and discuss the impact of the layoff on the bargaining unit employees.

**SECTION 14.2.** Employees will be laid off in accordance with their seniority within the classification with the least senior employee being laid off first. All temporary, intermittent, part-time, and seasonal employees in the classification will be laid off before full-time employees.

**SECTION 15.1.** Leave Without Pay: Employees may be granted the following types of unpaid leaves of absence:

**A. Disability Separation Leave**

A physically incapacitated employee may request a disability separation leave. A disability separation leave may be granted for a period of up to two (2) years when the disability continues beyond accumulated sick leave rights and provided the employee is:

1. Hospitalized or institutionalized;
2. On a period of convalescence following hospitalization or institutionalization authorized by a physician at the hospital or institution; or,
3. Is declared incapacitated for the performance of the duties of his position by a licensed physician designated by the Employer. If the Employer designates a physician to determine if an employee is incapacitated and the Employer's

physician declares the employee incapacitated, then the Employer will support any claim filed by the employee for disability to the Ohio Public Employees Retirement System.

It is the employee's responsibility to request a disability separation leave and such leave is not granted automatically when the employee's sick leave or disability leave has expired. Time spent on disability leave prior to a disability separation shall be considered part of the two (2) year time period.

**B. Educational Leave**

An educational leave may be granted for a maximum period of two (2) years for purposes of education, training, or specialized experience which would be of benefit to the 911's Office by improved performance at any level, or for voluntary service in any governmentally sponsored program of public betterment.

An employee shall submit to the Employer pertinent information relating to the training for which the educational leave is requested.

**C. Disability Leave**

Upon request to the Employer, an employee who becomes ill, injured or pregnant shall be granted leave of absence without pay. The employee shall use all accrued sick leave before going on disability leave, subject to the Sick Leave Article.

A medical statement is required indicating the probable period the employee will be unable to work, as well as, the nature and cause of the disability. Should the disability leave of absence without pay exceed six (6) months, the employee may request and be granted a disability separation. If the Employer has reason to believe the employee's illness, injury or pregnancy is inhibiting the usual performance of duties, he may order, in writing, that the employee begin sick leave, vacation leave, or disability leave at an earlier date than that selected by the employee. The employee may appeal such action through the grievance procedure. Medical data supporting the employee's case must accompany the appeal, and pertinent medical records may be released to the Employer's physician.

**D. Maternity Leave**

Upon request to the Employer, an employee who becomes pregnant may be granted maternity leave of absence without pay. If she wishes, the employee may use any or all of her accrued sick leave and vacation leave for pregnancy before going on maternity leave prior to the birth of the baby, and for the recovery period, subject to the Sick Leave Article. All maternity leave and/or Disability leave for maternity reasons shall comply with the Family and Medical Leave Act of 1993.

**E. Personal Leave**

The Employer may grant a leave of absence to any employee for a maximum duration of six (6) months for any personal reasons of the employee. Such a leave may not be

renewed or extended beyond six (6) months. The employee shall include all pertinent information relating to the need for a personal leave of absence with his request for leave.

**F. Authorization for Leave**

The authorization of a leave of absence without pay is a matter of administrative discretion. The Employer shall decide in each individual case if a leave of absence is to be granted. No leave of absence shall be granted for the purpose of working another job. Authorization for leave may not be granted in a disparate manner.

A leave of absence shall be requested on the standard Request for Leave Form.

**G. Sick Leave Credit and Vacation Credit During Leave**

An employee on leave of absence without pay does not earn sick leave or vacation credit. However, the time spent on authorized leave of absence, is to be counted in determining length of service for purposes of extended vacation eligibility or other purposes where tenure is a factor.

**H. Abuse of Leave**

If a leave of absence is granted for a specific purpose, and it is found the leave is not actually being used for such purpose, the Employer may cancel the leave and direct the employee to report for work by giving written certified notice to the employee and the employee may be subject to corrective action.

**I. Reinstatement From Leave**

Upon completion of a leave of absence, the employee is to be returned to the position formerly occupied, or to a similar position if the employee's former position no longer exists. Any replacement in the position while an employee is on leave is to be on a temporary basis, unless otherwise determined by the Employer. An employee may contact the Employer prior to the expiration of said leave and may be granted a reasonable extension for a justifiable cause within the various maximum time limits established under this Article.

**J. Insurance Premiums During Leaves**

Where an employee has requested, and been granted, a disability separation leave, or a personal leave for medical reasons, the Employer shall continue its contribution to the employee's health insurance benefit programs in accordance with the FMLA from the date of approval of the leave, provided the employee makes arrangements with the Employer for the payment of the legally required monthly premiums.

**SECTION 15.2. Leaves with Pay:** Employees may be granted the following types of paid leaves of absence:

**A. Court Leave**

The Employer shall grant full pay when an employee is summoned for any jury duty by the United States, the State of Ohio, or a political subdivision. All compensation for jury duty must be refused by signing the proper County form, unless such duty is performed totally outside of normal working hours. An employee released from jury duty prior to the end of his scheduled workday shall report to work for the remaining hours.

Employees will honor any subpoena issued to them, including those for worker's compensation, unemployment compensation, arbitration, and Board or Review hearings. It is not considered proper to pay employees when appearing in court for criminal or civil cases, when the case is being heard in connection with the employee's personal matters, such as traffic court, divorce proceedings, custody, appearing as directed with juvenile, etc., these absences would be leave without pay or vacation.

**B. Military-Leave**

All employees who are members of the Ohio National Guard, the Ohio organized militia, the State and Federal Militia, or members of other reserve components of the Armed Forces of the United States are entitled to leave of absence from their respective duties without loss of pay for such time as they are performing service in the uniformed services as defined in ORC 5903.01 for up to twenty-two (22) eight (8) hour workdays or not to exceed one hundred seventy-six (176) hours in any one calendar year. The employee is required to submit to the Employer an order or statement from the appropriate military commander as evidence of such duty. This service does not need to be in one continuous period of time.

Employees who are members of those components listed in paragraph one (1) above will be granted emergency leave for mob, riot, flood, civil defense, or similar duties when so ordered, by the Governor to assist civil authorities. Such leave will be without pay if it exceeds authorized paid military leave for the year. The leave will cover the official period of emergency.

**C. Bereavement Leave**

Bargaining unit employees shall be granted up to four (4) days of bereavement leave with pay for death in the immediate family, defined as mother, father, employee's spouse, child, or step-child, brother, sister, step-mother or father, step-brother or sister, grandchildren, step-grandchildren and employee's grandparent. Bargaining unit employees shall be granted up to two (2) days of bereavement leave with pay and the option of two (2) additional days charged to the employee's sick leave, for death of mother-in-law, father-in-law, daughter-in-law, son-in-law, sister-in-law, brother-in-law. The Employer may grant up to two (2) days leave, charged to an employee's Sick Leave, for the death of an employee's Aunt or Uncle (not Great), Niece or Nephew, or Spouse's Grandparent.

One (1) day of bereavement leave (or Sick Leave, in lieu of Bereavement Leave) must be utilized for the day of the funeral. The two days of bereavement leave will not be charged to any other earned leaves. Additional time off without pay, or additional leave chargeable to sick leave may be arranged at the discretion of the Employer.

**D. Family Medical Leave (FMLA)**

Family Medical Leave (FMLA) shall run concurrent with use of accrued sick leave, or other paid leaves, during an authorized Family and Medical Leave.

**E. Paid Parental Leave**

Paid parental leave provides up to six (6) continuous weeks of leave for full time, FMLA eligible employees. It is utilized in the event of birth or adoption of a child where the employee is a biological parent, or legal guardian, and the child resides with the employee. The benefit begins with an initial two weeks (14 calendar days) of leave for which employees shall use their applicable accrued leave time or take unpaid if no appropriate leave is available and is followed by four weeks of leave at 70% of the employee's regular pay. Employees shall use any applicable accrued leave to supplement their pay, up to 100% during the last four weeks of leave. Family Medical Leave will run concurrently as required.

Employees may elect to receive two thousand dollars for adoption expenses in lieu of receiving the leave benefit provided under this section. Such payment may be requested upon placement of the child in the employee's home. If the child is already residing in the home, payment may be requested at the time the adoption is approved.

While an employee is on paid parental leave, they remain eligible to receive all employer paid benefits and continue to accrue all other forms of paid leave as if they were in active pay status. They are ineligible to receive overtime pay, and no portion of their parental leave shall be included in calculating overtime pay. They are ineligible to receive holiday pay. A holiday occurring during the leave period shall be counted as one day of parental leave and be paid as such.

If two employees, both FMLA eligible and either biological parents or legal guardians of the child/children pursue paid parental leave, only one employee is permitted to utilize this benefit. Both employees cannot be on paid parental leave for the same birth or adoption of their child/children.

- Before or after holidays
- Before or after vacation or scheduled days off
- Absence following overtime
- Continued long term pattern of using sick leave without doctor's excuse or medical justification
- Three or more incidents of usage within any thirty (30) day calendar period without medical documentation.

**ARTICLE 34**  
**DRUG/ALCOHOL TESTING**

**SECTION 34.1.** Drug/Alcohol testing may be conducted on employee's post-incident or reasonable suspicion.

A bargaining unit employee may, of his own volition, even if not ordered to do so, undergo a drug and/or alcohol screening test, if he is involved in an on-duty incident or accident involving bodily injury, extensive property damage or death. Testing done under these circumstances will be treated in the same manner as if the employee had been ordered to undergo screening.

**SECTION 34.2.** All drug-screening tests shall be conducted by medical laboratories selected by the Employer. No test shall be considered positive until it has been confirmed by a Medical Review Office (MRO). The procedures utilized by the Director and testing laboratory shall include an evidentiary chain of custody control.

**SECTION 34.3.**

- A. The results of the testing shall be delivered to the Director and the employee tested. An employee whose confirmatory test result is positive shall have the right to request a certified copy of the testing results in which the vendor shall affirm that the test results were obtained using the approved protocol methods. The employee shall provide a signed release for disclosure of the testing results. Refusal to submit to the testing provided for under this Agreement may be grounds for discipline.

If the screening test and confirmatory test are positive, the Director may discipline the employee. The use of illicit substances, on or off-duty, will ordinarily result in termination. The improper use of prescription drugs and/or alcohol may result in a lesser discipline, depending upon the relevant circumstances. Such discipline must be uniform in its application.

**SECTION 34.4.** If the testing required above has produced a positive result, the Director may take disciplinary action and/or require the employee to participate in any rehabilitation or detoxification program that is covered by the employee's health insurance. An employee who participates in a rehabilitation or detoxification program shall be allowed to use sick time, compensatory days, vacation leave, and personal leave days for the period of the rehabilitation or detoxification program. If no such leave credits are available; the employee shall be placed on medical leave of absence without pay for the period of the rehabilitation or detoxification program. Upon completion of such program, and upon receiving results from

a retest demonstrating that the employee is no longer abusing a controlled substance, the employee may be returned to his former position. Such employee may be subject to periodic re-testing upon his return to his position for a period of one (1) year from the date of his return to work. Any employee in a rehabilitation or detoxification program in accordance with this Article will not lose any seniority or benefits, should it be necessary for the employee to be placed on medical leave of absence without pay for a period not to exceed ninety (90) days.

**SECTION 34.5.** If the employee refuses to undergo rehabilitation or detoxification, or if he tests positive during a re-testing within one (1) year after his return to work from such a program, the employee shall be subject to disciplinary action up to and including termination of his employment.

**SECTION 34.6.** Costs of all drug screening tests, and confirmatory tests, shall be borne by the Employer except that any test initiated at the request of the employee shall be at the employee's expense.
