Section 1.

This Agreement is made and entered into by and between the City of Delaware, (hereinafter referred to as the City,) and the Fraternal Order of Police, Ohio Labor Council, Inc. (hereinafter referred to as the Union).

Section 2.

This Agreement is made for the purpose of promoting cooperation, and orderly, constructive and harmonious relations between the City, its employees, and the Union. This Agreement is intended to formalize the issues approved by the negotiating committees of the City and the Employees Union.

Section 3.

The provisions of this Agreement establish certain rights and benefits for the Union and the employees which shall only be coextensive with the terms of this Agreement, and these rights and benefits shall cease and terminate upon the termination date of this Agreement.

Section 4.

This Agreement shall become effective upon ratification by the Union and approval by the City Council and shall remain in full force and effect until December 31, 2022. Unless otherwise indicated, the terms used in this Agreement shall be interpreted in accordance with the provisions of Chapter 4117 of the Revised Code. Where this Agreement makes no specification about a matter, the City and its employees are subject to all applicable State laws or local ordinances pertaining to the wages, hours, and terms and conditions of employment for public employees.

Section 5.

If either party wishes to terminate, modify, or negotiate a successor agreement, it must serve written or electronic notice of that intention upon the other party not less than sixty (60) days prior to the expiration of this Agreement. Upon timely service of such notice, the parties shall collectively bargain in good faith in an effort to reach a successor Agreement. If no such written notice is given, this Agreement will be renewed automatically for one year.

ARTICLE 2

RECOGNITION

Section 1.

The City recognizes the Union as the sole and exclusive representative for all Bargaining Unit members described in Section 2 of this article. The Union is recognized by the City as the sole and exclusive representative in any and all matters relating to wages, hours and terms and conditions of employment, and the continuation, modification, or deletion of any existing provisions of past Agreements between the parties, and the resolution of questions arising under this Agreement.

Section 2.

The bargaining unit shall include the positions of Records Clerk, Senior Records Clerk and Community Service Officer. Excluded from the bargaining unit are all other employees of the City.

ARTICLE 3

DEFINITIONS

For purposes of this bargaining agreement the following terms shall be defined as follows:

Department Head(s): Police Chief.

Department(s): Police Department.

Periods of Employment/Years of Total Service/Years of Service shall always be based upon permanent Full-Time Employment.

ARTICLE 4

PROBATIONARY PERIOD

Section 1.

New hires probationary period. For all full-time employees the probationary period shall be a period of twelve (12) months from the date of full-time employment, during which time an evaluation of performance will be conducted by the employee's immediate supervisor. Any probationary employee off work on an approved leave longer than a thirty (30) day period shall have their probationary period extended for the same time period they are away from work. After successful completion of the probationary period, employees will be credited with seniority from the original date of hire. During the probationary period, the member may be dismissed without recourse to grievance/arbitration procedures in this contract.

ARTICLE 5

MANAGEMENT RIGHTS

Unless the City has set forth in this Agreement a limitation upon the Council's or the City Manager's right or duty to manage the City of Delaware, or the right of the Department Head to manage the Department, the City shall retain all rights imposed upon it by law to carry out the administration of government and management of the City including this Department. The right to manage shall include, but not be limited to:

- A. The right to direct, supervise, evaluate, hire, promote, transfer, assign, schedule, layoff and retain employees, and also to suspend, discipline, demote and discharge for just cause.
- B. The right to effectively manage the work force and to determine the number of personnel needed in the department, or to perform any function; determine services to be rendered, operations to be performed, utilization of technology, organizational structure and overall budget.
- C. The right to determine the appropriate job classifications and personnel by which government operations are to be conducted; determine the overall mission of the unit of government; maintain and improve the efficiency and the effectiveness of government operations; or to subcontract for services.
- D. The right to make reasonable rules to regulate the work force and to establish and amend personnel policies and procedures relating to any matter which is not set forth in the Agreement.
- E. The right to take any necessary actions to carry out the mission of the City.

ARTICLE 6

GRIEVANCEPROCEDURE

Section 1.

Should any difference or dispute arise between the City and any employee or group of employees in the bargaining unit with respect to the interpretation or application of a specific and identified provision of this Agreement, it will be considered a grievance and must be resolved in accordance with the following procedure:

Section 2.

Step 1.

If the Union, any employee or group of employees in the bargaining unit believes that he has a grievance (as defined above), he shall first cite the specific contract clause violated and discuss the grievance with his immediate supervisor within fourteen (14) calendar days of the grievance incident, or within fourteen (14) calendar days of the time the employee should have been aware of the incident. If a satisfactory disposition of the grievance is not made at this stage, then within seven (7) calendar days of such discussion:

Step 2.

The grievance shall be reduced to writing and shall be signed by the aggrieved employee or employees and the bargaining unit representative (with a signature denoting acknowledgment only) and presented to the Chief of Police. Such written grievance shall designate the relief or disposition sought. Any grievance not reduced to writing and submitted to the Chief of Police within that time period shall be considered abandoned. The Chief of Police shall meet with the grievant and his representative within fourteen (14) calendar days of receiving the written grievance. The Chief of Police shall answer in writing the grievance within fourteen (14) calendar days immediately following the meeting. (The day of submission is not counted as a day of this step or any succeeding step.) If satisfactory disposition is not made by the Department Head, then within seven (7) calendar days the grievance shall proceed to step 3.

Step 3.

The grievance shall be presented in person to the City Manager or his/her designee. Such written grievance shall designate the relief or disposition sought. Any grievance not reduced to writing and submitted to the City Manager shall be considered as abandoned. Within fourteen (14) calendar days after he receives the grievance, the City manager will schedule a meeting with the grievant and his representative. The City Manager will answer the grievance in writing within fourteen (14) calendar days following the meeting.

Step 4.

- A. **Appeal to Arbitration.** Should a grievant, after receiving the written answer to his grievance at Step 3 of the Grievance Procedure, still feel that the grievance has not been resolved to his satisfaction, he may, upon approval of the union, request it be heard before an arbitrator. The union, by the Grievance Chairman, must make application to the City Manager or his designee for arbitration within fourteen (14) calendar days of the grievant's receipt of the written answer from the City Manager at Step 3.
- B. **Selection of Arbitrator.** Within fourteen (14) calendar days following receipt of the Union's application for arbitration, the City Manager, or his designee, and a Union Representative will consult and attempt to select an impartial arbitrator by mutual agreement. In the event these representatives cannot reach an agreement on an arbitrator, by joint letter the parties will request the Federal Mediation and Conciliation Service, to submit a panel of nine (9) arbitrators, who are National Academy Certified, from which the City and the Union shall select one by mutual agreement. If agreement cannot be reached as to one mutually acceptable arbitrator from the panel, an arbitrator will then be selected by the representatives of the parties alternately striking names and selecting the final remaining name. Each party may call for a new panel before striking only once per grievance.

The union agrees that the City, at their choosing, may request to use a panel of arbitrators from the American Arbitration Association (AAA). The City agrees that if they request AAA panel, that they shall pay the cost of requesting said panel.

- C. **Authority of the Arbitrator.** The arbitrator shall conduct a fair and impartial hearing on the grievance, hearing and recording testimony from both parties and applying the rules of the F.M.C.S., or A.A.A. The arbitrator shall not have the authority to add to, delete from, or modify any provisions of this Agreement. It is expressly understood that the ruling and decision of the arbitrator, within his function as described herein, shall be binding.
- D. **Arbitrator Costs.** The costs of any proofs produced at the direction of the arbitrator, the fee of the arbitrator and the rent if any, for the hearing room shall be borne equally between the parties. The expenses of any witnesses shall be borne, if at all, by the party calling them. The fees of the court reporter, if any, shall be paid by the party asking for one; such fees shall be split equally if both parties desire a reporter or request a copy of the transcript. Grievants, grievance representatives, and witnesses called by the City who appear at such a hearing during their normally scheduled working hours shall not suffer any loss of pay. Member witnesses other than the grievant or grievance representative called by the Union will be afforded time off without pay or will

be allowed to use accumulated leave time to attend the hearing, manpower needs permitting as determined by the Chief of Police or his designee.

- E. **Arbitrator's Findings.** The arbitrator shall render in writing his findings as quickly as possible within thirty (30) calendar days after the hearing, or within thirty (30) calendar days after submission of post-hearing briefs, if any, and shall forward such findings and all supporting data to the office of the City Manager and to the Union.

Section 3. Time Limits.

It is the Administration's and the Union's intention that all the time limits in the above Grievance Procedure shall be met. To the end of encouraging thoughtful responses at each step, however, the Union and the Administration's designated representative may mutually agree, at any step, to additional short extensions of time, but any such agreement must be in writing and signed by the parties. In the absence of such mutual extensions, any grievance not answered by the City within the stipulated time limits shall be considered to have been answered in the negative and may be appealed to the next step of the grievance procedure. Any step in the grievance procedure may be skipped by mutual consent.

Section 4.

In each step of the grievance procedure outlined in Section 2 above, the grievant and his representative shall be given approval by the City to attend the meetings therein prescribed, manpower needs permitting as determined by the Chief of Police or his designee. Upon prior notice, either party may bring additional representatives to any meeting in the grievance procedure.

Section 5.

No member or official of the Union shall be removed, disciplined, harassed or discriminated against because he has filed or pursued a grievance under these procedures.

Section 6.

A grievant shall not suffer any loss of pay for time spent presenting his grievance in any of the steps in this grievance procedure.

Section 7.

A grievant shall be entitled to a Union representative at steps 2, 3, and 4 of this procedure. The Union representative shall be entitled to present the grievance on behalf of the grievant if the grievant so desires, to ask questions and to have full participation. The grievant's Union representative will not suffer any loss of pay for time spent representing a grievant in discussions under this procedure.

Section 8.

Grievants and grievance representatives should not use City paid time to reduce a grievance or an appeal to writing, to investigate the facts regarding a grievance or facts regarding other similar situations, to engage in discussions with others regarding a

grievance or to otherwise prepare to present a grievance at any of the steps in this procedure.

Section 9.

All meetings regarding this grievance procedure may occur during the grievant's duty hours and the grievant and his representative, if one is desired shall be released from duty for purposes of attending such meetings, provided that neither the grievant or his representative are needed to satisfy the City's manpower needs.

Section 10.

For purposes of this Article, calendar days shall be used for the calculation of "days."

ARTICLE 7

NO STRIKES

Section 1.

Inasmuch as this agreement provides machinery for the orderly resolution of grievances, the City and the union recognize their mutual responsibility to provide for uninterrupted services to the citizens of the City of Delaware. Therefore:

- A. The union agrees that neither it, its officers, agents, representatives, nor members will authorize, instigate, cause, aid, condone, or participate in any strike, work stoppage, or any other interruption of operations or services of the City by its members. When the City notifies the union by certified mail that any of its members are engaged in any such strike activity, as outlined above, the union shall immediately, conspicuously, post notice over the signature of an authorized representative of the union to the effect that a violation is in progress, and such notice shall instruct all employees to immediately return to work. Any employee failing to return to work after notification of the union, as provided herein, may be disciplined, and only the question of whether or not he/she did in fact participate in or promote such action shall be subject to appeal. This provision shall not negate any other legal recourse available to the City as provided by Chapter 4117 ORC.
- B. The City agrees that neither it, its officers, agents, or representatives, individually or collectively, will authorize, instigate, cause, aid, or condone any lockout of members of the union.

ARTICLE 8

INTERNAL REVIEW

- A. Prior to a member being asked questions during an internal investigation which could lead to discipline of the member questioned, that member shall be informed of his right to have union representation if he so desires and requests such representation. If no Union representative is available within a reasonable period of time, then the investigation will continue only if the delay would interfere with the ability of the department to effectively conduct the investigation, but in no event shall it be continued past seventy-two (72) hours absent extenuating circumstances.
- B. In the event union representation is requested in such an investigatory interview, no questions shall be asked the member without the member's union representative being present.
- C. In the event union representation is requested in such an investigatory interview, the member may consult with his union representative before the investigatory interview and the union representative may act as a witness during the interview but may not interfere with the member or investigator during the interview. This does not limit the right of the member to ask for a break during the interview to consult with his or her union representative.
- D. Except in unusual circumstances requiring otherwise, members will only be asked questions during duty hours. In the event a member is questioned during non-duty hours, the member will be compensated at his appropriate rate of pay for time spent being questioned.
- E. A member who refuses to answer questions in an internal investigation of his conduct or the conduct of another person may be charged with insubordination or a like offense, if after being advised that such refusal to answer or refusal may, if continued, be the basis for such a charge. No Member shall be charged with insubordination where such refusal is based on the Member's exercise of rights afforded the Member in regard to a criminal investigation. However, if a Member is provided "Garrity Rights" and is informed by the investigating officer that his or her responses to questions will not be the basis for criminal charges against the Member, and the Member is ordered to answer questions, a Member's refusal to answer questions or refusal to participate in an investigation may form the basis for a charge of insubordination or like offense.
- F. In the event a polygraph or other lie detection examination is used in an internal investigation, the City will not use the results of said examination as the sole basis for imposing discipline but only as a corroborative or investigative tool.
- G. In evaluating the evidence regarding a complaint about a member's conduct, the City will take into account the length of time which has expired between the date of the alleged

incident and the date the complaint is received as bearing on the credibility of the complaining party. In the event a complaint is received from an anonymous source, the City will not take action against the member complained about unless the complaint is supported by other corroborative evidence.

- H. Prior to any suspension without pay or termination of a member, the member will be afforded notice of the charges against him and an opportunity to review the evidence against him prior to responding in his own defense. A member may request a union representative and/or attorney to assist him in responding to the charges before a decision is made for a suspension without pay or termination. However, under no circumstances will the request to have an attorney present be permitted to unreasonably delay holding such a hearing.
- I. Members shall be informed, in writing, if requested, of the results of any investigation in which the member is interviewed and the member is the subject of the investigation, at the conclusion of the investigation.

ARTICLE 9

VACATION TIME AND LEAVE SCHEDULING

Section 1.

The vacation year for members shall end at the close of business on the last day of the last pay period that ends in the month of December.

Section 2.

Each full-time employee shall accrue vacation leave by pay period at the annual rate of work hours based on years of total service which is established in the schedules contained in Section 3 of this article. Years of total service is defined to be the total of all periods of employment for the City of Delaware. Any period of interruption of service due to resignation, layoff, disciplinary suspension, or discharge for cause, will not be included in the computation of total service. Time not in paid status, excepting military leave, shall also be excluded in computing total service. In computing years of service, the higher rate of accrual will be on the first day of the first pay period following the pay period in which the anniversary date falls.

Section 3.

The following vacation accrual schedules are established:

YEARS OF TOTAL SERVICE	VACATION HRS/YEAR	VACATION HRS/PAY
Less than 5 years	80.6	3.1
5 years but less than 10 years	119.6	4.6
10 years but less than 15 years	161.2	6.2
15 or more years	200.2	7.7

Section 4.

Any vacation balance in excess of the maximum number of work hours established in this paragraph shall become void as of the close of business on the last day of the last pay period that ends in the month of December.

YEARS OF TOTAL SERVICE	MAXIMUM ACCRUAL OF VACATION HOURS
Less than 5 years	241.8
5 years but less than 10 years	358.8
10 years but less than 15 years	483.6
15 or more years	600.6

Section 5.

- A. To be eligible for bi-weekly (pay period) vacation accumulation, a member must be in paid status for a minimum of 72 hours within that pay period; except that when a member is required to report for work and does so report and is denied work because of circumstances beyond his control, absence from work for the balance of that day shall not be construed as unpaid work status.
- B. A member in full-time status who is to be separated from the City service through discharge, resignation, retirement or layoff, and who has unused vacation leave to his credit, shall be paid in a lump sum for such unused vacation leave in lieu of granting a vacation leave after his last day of active service with the City. Such payment shall be paid at the member's hourly rate of pay at time of separation. Vacation leave shall not be used as a "bridge" into retirement or separation.
- C. When a member dies while in paid status in the City service, any unused vacation leave to his credit shall be paid in a lump sum to the surviving spouse, or such other person the member may have designated in writing.
- D. Scheduled vacation leave shall be approved in accordance with the guidelines established in this agreement. Annual vacation selections must be completed as soon as possible after the shift bids and no later than December 31st. Annual protected vacation selections can only be made for the year that the bids are in effect. Time off will not be granted for members when it is determined that special events require additional personnel. Members must have earned sufficient time to cover requests for leave by the time the leave is taken. The use of anticipated time beyond that will not be allowed.

Protected time off will be designated as V₁, C₁, P₁ or H₁, representing vacation leave, compensatory time, personal days and holiday time respectively. Only one protected leave per day, be it designated as V₁, C₁, P₁, or H₁, will be ensured whether from the annual vacation pick or other time off requests (see E, below). Additional time off requests for the same day will be designated V₂, C₂, P₂ or H₂.

During the first round sign up period, members may make two (2) selections of vacation leave from eight (8) to fifty (50) hours per selection. Members may make two selections in increments of one-day to four weeks during second and third round vacation selections, respectively. A second time off request for the same day may be granted if staffing permits but will be subject to cancellation.

- E. Time off requests, other than annual vacation selection may be granted no more than sixty days in advance. For time off requests submitted at least sixty days in advance, the most senior member's request will be honored. Time off requests submitted less than 60 days in advance will be handled on a first come first serve basis depending on staffing levels. The time stamped on the request will determine the order of the request. Only V1, C1, P1 or H1 days are protected. A member must notify a supervisor at least three days prior to the cancellation of a time off day. Employees will be notified of the approval or denial of the time off requests in a timely manner. Vacation leave must be taken in ½ hour increments.
- F. Any member ordered to work while on previously approved time off of five or more consecutive days for eight (8) hour employees, or four (4) or more consecutive days for ten (10) hour employees, shall be paid at 1 ½ times their hourly rate for all hours worked unless the Chief of Police declares an emergency exists in the City and all leaves are canceled.

Section 6.

A member may elect to trade three (3) weeks of vacation time for equivalent pay during any calendar year. The Department Head will post a notice in June informing members of the required deadline for selling vacation time. A member must inform the Department Head prior to August 1 of the year preceding the calendar year in which he intends to make the trade and must maintain at least forty (40) hours of vacation time in the employee's account after said trade takes place.

ARTICLE 10

CORRECTIVE ACTION AND RECORDS

No bargaining unit member shall be removed, reduced in pay or position, suspended or reprimanded except for just cause.

The City agrees to follow the principle of progressive corrective action. The Chief of Police may skip any step(s) of progressive action if the violations are of a very serious nature. Further, the City agrees to fairly and equitably discipline members.

A. Review of Personnel Files.

Any member shall be allowed, upon request, to review his personnel file between 8:00 a.m. and 5:00 p.m., Monday through Friday. Such request shall be made to the Chief of Police directly and review shall be made in the presence of the Chief of Police or his designated representative. The City will abide with all federal, state, and local requirements pertaining to public records law.

B. Performance Evaluations.

A member's signature on any performance evaluation, if any, shall be viewed by the parties hereto only as a representation that he has read it; it shall not be viewed as a representation that he concurred in any or all of the contents or comments thereon. The member shall be the last person to sign an evaluation and no evaluation comments may be made on record copies thereafter. The member shall receive a copy of the evaluation in its final form when he signs it. An evaluator's negative comments or marking or performance needing improvement should be supported either by documentation to be attached to the performance evaluation or written on the evaluation itself. The member receiving such negative comments shall have the right to submit a memorandum explaining their reasons for not agreeing to the performance evaluation. The member may also provide any supporting documentation to be attached to the performance evaluation.

C. Use of Prior Discipline.

In assessing proper levels of discipline, the City will take into account the length of time since any previous offenses have occurred. Records of oral counseling will not be used as a basis for further discipline one (1) year or more after issuance. Records of written reprimand will not be used as a basis for further discipline two (2) years or more after issuance. All other forms of discipline shall be removed from the personnel file three (3) years from the date of issuance. Providing there has been no intervening discipline, discipline records after the 1, 2 or 3 year period shall be disposed of in accordance with the City's Public Records Retention Schedule.

ARTICLE 11**WAGES AND PAY PLAN****Section 1.**

The City will implement the Pay Plan listed below which shall be in effect for the periods indicated, except that salary step advancements prescribed in the pay plan shall become effective as follows:

All requests for compensatory time are subject to approval of the department head. Compensatory time shall be taken at a time mutually agreeable to the supervisor and the employee.

ARTICLE 20**INSURANCE****Section 1. Hospitalization, Surgical and Major Medical.**

The City will continue to provide comprehensive hospitalization, surgical and major medical coverage for all full-time members and their dependents. Beginning January 1, 1999, or at some date thereafter, the City may implement a Preferred Provider Organization (PPO). The Plan if implemented will provide for the following deductibles and co-payments as follows:

		NETWORKS PROVIDERS	NON-NETWORK PROVIDERS
Annual Deductible	Single Family	None None	\$ 500.00 \$1000.00
Office Visit Co-pay		\$10.00	<i>N/A</i>
ER Visit Co-Pay		\$50.00 unless admitted into the hospital, otherwise co-insurance will apply in excess of the deductible	<i>N/A</i>
Co-insurance	Single Family	90/10% of first \$1,000 80/20% of next \$3,000 90/10% of first \$2,000 80/20% of next \$5,000	50/50% of first \$5,000 50/50% of first \$10,000

The parties acknowledge that all of the "wellness benefits" added to the plan effective January 1, 1992 are subject to all of the generally applicable plan limits, such as deductibles and co-payments. Contributions will be deducted from the member's gross income prior to taxes, subject to compliance with all applicable federal tax regulations.

Effective January 1, 2012 employees will contribute to the cost of the health benefit plan in an amount equal to 11% of the established monthly COBRA rate utilized by the City. Effective January 1, 2013 employees will contribute to the cost of the health benefit plan in an amount equal to 15% of the established monthly COBRA rate utilized by the City. Annually, on April of the following years, the percentage of COBRA will be established. Annual changes to the calculated COBRA rate will be applied to the monthly employee contributions on the first full pay period in April of

each year.

Contributions will be deducted from all members in a paid status based on twelve (12) months times the monthly rate, divided by the number of pay periods per year (26). An example would be: \$68.33/mo. x 12 = \$819.96, \$819.96/26 pay periods= \$31.53 per pay period. In the event federal tax regulations are changed so that medical benefit plans are no longer tax exempt, the City will not be responsible to pick up the member's tax burden.

The City will permit employees who have alternate health options through a spouse to opt out of the City plan in return for a payment of \$100 per month. Families who have both spouses employed full time by the City of Delaware will not be eligible to opt out of the plan. One spouse will carry the cost of the plan. The employee will provide proof that they do in fact have other coverage before the City will drop that employee's current coverage. The City will continue to provide dental coverage if it is not provided under the employee's spouse's insurance. A member may elect to return to coverage under the City's insurance plan by notifying the City in writing of any substantial changes in circumstances which the member determines justifies such decision. The member must give thirty (30) days' notice of his or her election to return to the City's plan, except in the case of an emergency, such as sudden loss of spouse's coverage, significant cost increase of spouse's coverage, divorce or other change in family status. The plan will comply with Internal Revenue Code Section 125 which governs this matter.

Employees who opt out of the health insurance program will be compensated as follows:

No Coverage	\$ 100 per month
Maintain Prescription Only	\$60 per month
Maintain Dental Only	\$65 per month
Maintain Prescription and Dental	\$55 per month

*** An employee may not elect to have medical coverage only.**

Payments will begin on the first pay period of the month following 30 days' notice of an employee's desire to drop coverage. A form will be provided which will contain all information necessary to discontinue coverage under the plan. The form must be signed and returned to the Department of Administrative Services. Until such time that an employee is effectively dropped from City coverage, they will be subject to any payroll contributions.

All payments made in lieu of insurance coverage will be included as other pay on employee's paycheck. This income will not be included in income subject to PERS contributions but will be subject to all applicable taxes.

Section 2. Prescription Card.

The City will provide a prescription card plan for members and their dependents. The prescription benefits will be the following, with the City paying the higher amount and the employee paying the lesser amount of prescription coinsurance:

Drug	Retail Benefits	Mail Order Benefits
Generic Drugs	80/20%	90/10%
Name Brand Drugs	50/50% with \$25 co-pay for each disbursement	75/25% for name brand drugs with no co-pay

The maximum expense a member will pay for coinsurance is \$500 for Family coverage and \$250 for Single coverage annually for prescription benefits, however, the \$25 co-pay for retail, name-brand drugs will not count towards the calculation of the \$500 or \$250 coinsurance maximum and will **always apply** even after a member reaches the \$500 or \$250 coinsurance maximum expenditure.

Section 3. Dental Care Plan.

The City will maintain dental coverage for all members.

Section 4. Life Insurance.
