ARTICLE II - NEGOTIATIONS PROCEDURE

201 Scope

All matters pertaining to wages, hours, or terms and other conditions of employment and the continuation, modification, or deletion of an existing provision of this Agreement are subject to collective bargaining between the Board and the Association, unless otherwise prohibited by law.

202 Submission of the Issues

- A. Contract negotiations for the successor to this Agreement will begin no earlier than one hundred twenty (120) calendar days and not later than one hundred (100) calendar days prior to the expiration of this Agreement. The parties shall mutually agree in writing to a starting date for negotiations. If both parties agree, an earlier or later starting date for negotiations may be initiated with a memorandum of agreement reflecting such signed by the President of the Association and the Superintendent representing the Board.
- B. At the first meeting, the respective parties shall meet to exchange all their initial proposals written in their entirety for the purpose of bargaining items within the mandatory scope of bargaining. Any issue submitted after this time shall require mutual agreement of the teams to allow introduction of the new item. Prior to the first meeting, a task force composed of one (1) representative each from the

Association, Board, and Superintendent may meet together as mutually agreed upon to discuss matters of concern or matters for study. Any consensus or conclusions reached will not be binding; the concepts from such may be presented at the first meeting by either the Association or the Board.

203 Negotiating Teams

- A. The Superintendent or his/her designated representative(s) approved by the Board shall meet with the designated representative(s) of the Association to negotiate in good faith. The teams shall be limited to six (6) representatives each.
- B. All negotiations shall be conducted exclusively between said teams. While no final agreement shall be executed without ratification by the Association and the Board, the parties mutually pledge that their representatives shall be clothed with all the necessary power and authority to make proposals, consider proposals and make concessions in the course of negotiations.

204 Negotiating Meetings

- A. Meetings shall be held at reasonable times for the purpose of effecting a free exchange of facts, opinions, proposals and counter proposals in a sincere effort to reach mutual understanding and agreement. All parties are obligated to deal openly and fairly with each other on all matters and to conduct such negotiations in good faith, but such obligation does not compel either party to agree to a proposal or require the making of a concession. Such meetings shall not be conducted during the regular school day unless agreed upon by both parties. The meetings shall be in executive session unless otherwise agreed upon by both parties.
- B. Until all negotiation meetings are completed, each meeting shall include a decision on an agreed time and place for the subsequent meeting.

205 Caucus

Upon the request of either party, the negotiating session shall be caucused or recessed to permit the requesting party a reasonable period to consult with the other team members and/or consultants.

206 Exchange of Information

The Board and the Association agree to furnish to each other, upon reasonable request, all available information on the proposals under negotiation.

207 Progress Reports (News Releases)

Periodic progress reports may be issued during negotiations to the public only if such releases have prior approval of both parties.

208 Protocol

No action to coerce or censor or penalize any negotiating participant shall be made or implied by any other member.

209 Agreement

- A. When agreement has been obtained on all issues submitted to this process, or issues have otherwise been resolved, all issues shall be reduced to writing, signed by members of the teams and presented to the Association and the Board.
- B. The total tentative agreement shall include the following provisions in writing:
 - 1. Provisions of the agreement.
 - 2. Date that said provisions are to be implemented.
- C. Within ten (10) calendar days of the tentative agreement, the Association shall approve or disapprove the agreement.
- D. Once the contract has been approved by the Association, it shall be submitted to the Board for its approval or disapproval no later than ten (10) calendar days from the date of ratification by the Association.
- E. When ratified by both parties, the contract shall be signed by the representatives of the Association and the President, Superintendent, and Treasurer of the Board and entered into the official minutes of the Board. Thereupon, the items agreed to shall constitute a revision of this Agreement.
- F. The signed contract shall be printed by the Association and in sufficient quantity for all teaching staff, administration and the Board within thirty (30) days of signing. The cost of printing will be approved in advance and equally split between the Board and the Association. Additional copies will be at the expense of the ordering party.

210 Dispute Settlement Procedure

- A. If after forty-five (45) calendar days prior to the expiration of this Agreement an agreement has not been reached on all items under negotiations, either party may call for the services of the Federal Mediation and Conciliation Service (FMCS) to assist in negotiations. If a party calls for FMCS involvement, the other party shall join in a joint request. Both parties agree that this procedure is the final step in the dispute settlement procedure.
- B. This dispute resolution procedure is mutually agreed to by the parties under ORC 4417.14 (C)(1)(f) and is intended to supersede the procedures contained in ORC 4117.14.

ARTICLE III - GRIEVANCE PROCEDURE

301 Grievance Defined

A grievance is a complaint that there has been an alleged violation, misinterpretation or misapplication of this Agreement.

302 Grievant Defined

The grievant is the bargaining unit member, his/her designee or the Association having the alleged grievance. However, if the Association is processing a grievance for a bargaining unit member, the Association must have the individual's written permission to proceed.

303 Days Defined

"Days" shall mean actual working school days during the school year and during summer vacation weekdays, Monday through Friday, excluding legal holidays.

304 Rights of the Grievant and the Association

- A. A grievant may appear on his/her own behalf or may be represented at any and all steps of the formal grievance procedure by the Association.
- B. The grievance committee of the Association shall receive notice of each meeting held to resolve the grievance whether formal or informal and shall be given a copy of the recommended disposition of such grievance at each step. Such written notice and disposition shall be made at the same time and in the same manner as such notice of disposition is required to be sent to the grievant.
- C. The fact that a bargaining unit member files a grievance shall not be recorded in his/her personnel file or in any file used in the transfer, assignment, or promotion process; nor shall such fact be used in any recommendation for reemployment or recommendation for other employment, nor shall the grievant, the Association or its officers be placed in jeopardy or be the subject for reprisal or discrimination for having followed this grievance procedure.
- D. A grievance may be withdrawn at any level by the grievant without prejudice or record.

305 Time Limits

- A. The number of days indicated at each step is considered a maximum. The time limits specified may, however, be extended by written agreement of the parties.
- B. If a bargaining unit member does not file a grievance in writing within twenty (20) days after he/she knew or should have known of the act or conditions on which the grievance is based, then the grievance shall be considered waived. If a grievance is continuing in nature, the time limit starts anew after each alleged violation.

- C. If a decision on a grievance is not appealed within the time limits specified at any step of the procedure, the grievance will be deemed settled on the basis of the disposition at that step and further appeal shall be barred.
- D. Failure at any step of these procedures to communicate the decision on a grievance within the specified time limits permits the grievant to proceed to the next step.
- E. All filings of grievances, notices of hearings, and dispositions of grievance shall be handled by certified mail with proof of receipt or hand delivered with written verification of receipt of the grievance.
- F. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, all parties shall use their best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.
- G. All other grievances submitted after May 15 of a school year shall be processed at a time mutually agreeable to by the parties in interest, but no later than the beginning of the next school term.

306 Purpose

- A. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to all grievances.
- B. All parties agree that proceedings shall be kept as confidential as is appropriate.
- C. If the immediate supervisor determines that he/she cannot render a decision in the matter, he/she will automatically forward the grievance to Step II and notify the Association and the grievant of such.

307 Informal Procedure

- A. If a grievant believes there is a basis for a grievance, he/she shall contact the Association President or representative of the Association. The person will then notify his/her principal or immediate supervisor in writing and discuss the matter with him/her in an effort to resolve the problem informally.
- B. Grievances may be adjusted informally provided the adjustment is not inconsistent with the policies and rules of the Board or this contract. The Association will be invited to be present if there is to be an adjustment regarding the contract.

308 Formal Procedure

- A. Step I

If the grievance is not resolved within ten (10) days of such informal meeting, the grievant may present his/her formal claim by submitting a completed Grievance Report Form, Step I, in triplicate (Appendix A). Copies of this form showing the date of the occurrence, a statement of the nature of the grievance and provisions of

policies and/or rules allegedly violated, and the relief sought shall be submitted by the grievant to the immediate supervisor(s). Within ten (10) days of receipt of the Grievance Report Form, the immediate supervisor shall meet with the grievant and/or his/her representative in an effort to resolve the grievance. The immediate supervisor shall indicate his/her disposition of the grievance within five (5) days after such meeting by completing Step I of the Grievance Report Form and returning copies to the grievant, the Association, and the Superintendent.

B. Step II

1. If the grievant is not satisfied with the disposition of the grievance in Step I, or if no disposition has been made within the above time limits, the grievant and/or his/her representative shall complete Grievance Report Form, Step II, and submit the grievance to the Superintendent. Within ten (10) days of receipt, the Superintendent and/or his/her designated representative shall meet with the grievant and/or his/her representative. Within five (5) days of this meeting, the Superintendent shall indicate in writing his/her disposition of the grievance by completing his/her portion of Step II and forwarding it to the grievant, the Association, and the immediate supervisor.
2. If the Grievance Report Form is not forwarded by either the grievant or the Association to the Superintendent within five (5) days after the receipt of the disposition in Step I, the grievance shall be considered settled.

C. Step III

1. If the grievant is not satisfied with the disposition made by the Superintendent, or if no disposition has been made within the above stated time limits, then the grievant and/or his/her representative shall complete Grievance Report Form, Step III, within five (5) days and submit the grievance to the Board by filing a copy with the Board Treasurer. Notification of such appeal shall be given to the Superintendent, the immediate supervisor, and the Association.
2. The Board, at its next regular or special meeting after the filing of the appeal shall meet with the grievant and/or his/her representative and the Superintendent or his/her designee to review such grievance in executive session. If the next regular or special meeting of the Board is scheduled for less than seven (7) days after receipt of the filing, the review will be scheduled for the next following regular or special Board meeting in order to accomplish the notification requirements and the Board shall issue a decision within ten (10) days of the hearing.
3. The Board's action shall be based upon the recommendation of the Superintendent and the arguments presented by or on behalf of the grievant. Copies of the action shall be sent to the grievant, the Association, the Superintendent, and the immediate supervisor.

4. If the grievant and/or his/her representative fail to forward the Grievance Report Form to the Board Treasurer within five (5) days after receipt of the disposition from the Superintendent (Step II), then the grievance shall be considered settled.

D. Step IV

1. If the grievant is not satisfied with the disposition made by the Board, or if no disposition has been made within the above stated time limits, then the grievant and/or his/her representative shall, by letter and within twenty (20) days, submit a demand for arbitration to the American Arbitration Association (AAA) with a copy to the Superintendent, the Association, and the Board Treasurer. Selection of the arbitrator shall follow the rules of the AAA. The costs of these proceedings shall be equally split between the Board and the grievant. The decision of the arbitrator shall be binding on all parties.
2. If the grievant and/or his/her representative fail to appeal to arbitration within the time limits above, the grievance shall be considered settled.
3. The arbitrator shall have no power to add to, subtract from, or modify the provisions of this contract. If there is any question as to arbitrability of a grievance, arbitrability shall be determined by the arbitrator as part of the arbitrator's decision in an expedited fashion prior to ruling on the merits.

ARTICLE IV - LEAVES OF ABSENCE

401 Sick Leave

A. Procedures

1. Each bargaining unit member who is employed by the Board shall be entitled to fifteen (15) days of sick leave with pay for each year under contract, which shall be credited at the rate of (1-1/4) days per month. Bargaining unit members, upon approval of the responsible administrative officer of the School District, may use sick leave for absence due to personal illness, pregnancy, injury, exposure to contagious disease which could be communicated to others, and for absence due to illness, injury or death in the bargaining unit member's immediate family.
2. The Board shall require a bargaining unit member to furnish a written, signed statement on forms prescribed by such Board to justify the use of sick leave. If medical attention is required, the bargaining unit member's statement shall list the name and address of the attending physician and the dates when he/she was consulted.
3. A bargaining unit member who has given birth will be permitted up to thirty (30) consecutive days of sick leave within the same school year following delivery providing said bargaining unit member has accumulated sick leave. The leave will begin on the day of the birth of the child. The bargaining unit member will be paid

during this leave for days scheduled to work until accumulated sick leave is exhausted.

4. Falsification of a statement for justification of sick leave is grounds for a suspension or termination of employment.
5. Upon his/her initial employment by the Dalton Local School District, a bargaining unit member not transferring sick leave from another district shall be granted an advance of five (5) days of sick leave.
6. Bargaining unit members do not accumulate sick leave for time in military service.
7. The maximum accumulated sick leave for any bargaining unit member shall be two hundred fifty-two (252) days.
8. For illness or injury, "immediate family" shall be interpreted to mean: parent, child, spouse, brother, sister, mother-in-law, father-in-law, or any other resident living in the bargaining unit member's home. Leave where other relationships are the reason may be approved first by the principal and then by the Superintendent.
9. For death, immediate family shall be interpreted to mean: parent, child, spouse, sister, brother, aunt, uncle, grandparent, grandchildren, mother-in-law, father-in-law, niece, nephew, brother-in-law, sister-in-law, or any other resident living in the bargaining unit member's home. Leave where other relationships are the reason may be approved first by the principal and then by the Superintendent.
10. Upon returning to duty, all bargaining unit members shall complete the required absence form which will be considered an affidavit, to justify the use of any sick leave.
11. When a bargaining unit member is absent, he/she shall contact the building principal or his/her designee as soon as he/she is aware of the need for use of sick leave.

B. Sick Leave Donation

1. If a member of the bargaining unit is currently absent due to the catastrophic or long-term illness or accident of the bargaining unit member and such member has exhausted all of his/her accumulated sick leave, bargaining unit members may donate up to five (5) days of accumulated sick leave to the absent employee.
 - a. Catastrophic or long term illness is not intended to include normal maternity leave and/or absence due to childbirth. Bargaining unit members seeking donation of sick leave for complications due to pregnancy and/or childbirth must provide, if requested, detailed medical information in support of any sick leave donation request.
 - b. Recuperation from elective surgeries or other elective procedures which could have otherwise reasonably been scheduled during school vacation periods will not qualify for sick leave donation.

- c. The initial determination of whether or not an illness or injury meets the requirements of this section will be made by the DLEA President/designee.
2. No teacher may receive more than an aggregate of thirty (30) donated Sick Leave days in any one (1) school year.
3. The request for donation of Sick Leave days shall be initiated by a teacher on a form (Appendix I) furnished to the DLEA President. It is the responsibility of the Association to notify the bargaining unit of the request and the amount of days donated.
4. The donor shall submit the Sick Leave Donation Authorization Form (Appendix J) to the DLEA president in order to donate days.
5. When the DLEA President has the required paperwork meeting the requirements in this Section, the paperwork will be submitted to the Treasurer for processing.
6. Unused donated sick leave will expire at the end of the final teacher work day.

402 Personal Leave

- A. Each regularly employed bargaining unit member under contract to the Board shall be permitted three (3) unrestricted days of absence during the school year with full pay to conduct personal business.
- B. The following guidelines will be in effect:
 1. Not more than two (2) bargaining unit members in the High School building, and four (4) bargaining unit members in the Elementary/Middle School building may use personal leave during any one day. Administrators may adjust this limit upward in emergency or extenuating circumstances.
 2. Prior approval is necessary except for emergencies.
 3. In an emergency situation the same form must be completed and submitted within two (2) days after the bargaining unit member returns to work.
 4. Request forms are available from the building principal or supervisor and must be submitted to him/her for approval.
 5. The principal or supervisor will act on the request, notify the bargaining unit member, and forward the form to the Board Treasurer for processing.
 6. Requests should be submitted at least two days before the requested date.
 7. Personal leave is not cumulative.
 8. Personal leave is not to be used the day before or the day following any school vacation, school compensation day, or holiday, unless specific

reason is given for the request and the request is approved in advance by the administration or unless such is due to an emergency.

9. Personal days are not to be used during the first and last ten (10) working days of school, or for in-service days, unless approved in advance by the administration or unless such is due to an emergency.

C. Unused personal leave shall be converted on a day-for-day basis to sick leave (until the maximum accumulation of days permitted by Section 401/G is reached) each July 1.

403 Professional Meetings Leave

A. Attending professional meetings, participating in educational opportunities and attending special events relating to school functions are important factors for professional growth of staff. Such activities provide opportunities for bargaining unit members to exchange ideas, visit other professionals, accompany school field trips as deemed appropriate by the administration, meet outstanding individuals in education and related fields, and to observe practices and techniques and/or evaluate materials.

B. Bargaining unit members may request professional development funds to offset the cost of attending approved professional development meetings. Bargaining unit members who attend meetings under this policy shall be limited to two (2) approved meetings per year. On occasion and with prior administrative approval, professional leave may be granted to exceed the maximum of two (2). The Board will allocate five thousand five hundred dollars (\$5,500) annually for professional development. Requests will be processed on a "first come, first served" basis. The funding for professional meetings for the coaching and vocational areas will not be included.

C. Where a meeting grant includes independent funding for expenses, the CAPS set forth in the preceding paragraph do not apply.

D. Since attendance at professional meetings cannot be granted on an unlimited basis, the attached application form (Appendix B), incorporating certain guidelines and/or regulations, will be used to request attendance at such meetings.

404 Compulsory Leave

Release time shall be granted for required appearances in court or other tribunal where the bargaining unit member is a defendant, witness, or on jury duty. The bargaining unit member shall attach to the form, the substantiation given by the court or other tribunal for his/her required attendance. Witness fees and jury duty pay must be forwarded to the Treasurer within ten (10) days of receipt by the bargaining unit member.

405 Child Care Leave

A bargaining unit member may request, and shall be granted, a child care leave of absence without pay or benefits on the conditions set forth below:

- A. The child care leave of absence shall be for the balance of the school year in which the birth of the child is expected. Requests for child care leave must be made in writing at least thirty (30) days prior to its commencement when requested during the school year. When requested during the summer, the request must be made before July 10.
- B. The leave shall be extended for one (1) additional school year, upon written request of the bargaining unit member to the Board made not later than April 1 preceding the year for which such leave is requested. If a bargaining unit member fails to comply with this specific deadline, said bargaining unit member forfeits the right to leave extension.
- C. When the bargaining unit member desires to terminate such leave, application for reinstatement must be made by the bargaining unit member at any time during the school year prior to April 1. Failure to apply for reinstatement prior to April 1 waives the right of the bargaining unit member to be reinstated. If the Board judges it to be educationally sound, it may allow a bargaining unit member to return prior to the beginning of the next school year.
- D. Upon return from child care leave, the bargaining unit member shall be entitled to reinstatement to the same or similar position with the same contractual status which was held prior to the leave.
- E. A bargaining unit member who is adopting a child shall be entitled to an unpaid leave under this Section and subject to these same conditions.
- F. Bargaining unit members on child care leave will continue to have insurance coverage according to the Family Medical Leave Act of 1993, as amended.

406 No Pay Earn Days

Any absences not covered by other leaves herein or which go beyond the maximum accumulated herein may be granted upon the approval of the Superintendent and shall result in the loss of pay based on the contractual daily rate of pay for the bargaining unit member.

407 Association Leave

The Board will grant two (2) days of leave to a representative of the Association for the purpose of attending an Association sponsored meeting.

408 Assault Leave

- A. A bargaining unit member who suffers a physical disability as a result of an unprovoked assault which occurs in the course of employment in the District shall be maintained on full pay for up to thirty (30) days during the resulting absence from his/her assigned duties. Such leave shall not be charged to the sick leave entitlement of the bargaining unit member.

- B. In order to be entitled to assault leave, a bargaining unit member shall:
 - 1. Complete a signed report on forms approved by the District and submit to the Board Treasurer within five (5) workdays of the alleged assault.
 - 2. If medical attention is required, submit a certificate from a licensed physician stating the nature of the disability and its probable duration.
 - 3. Apply for Workers' Compensation.
- C. Upon receipt of these documents, the Superintendent may conduct such investigations and interviews as he/she deems necessary to verify the authenticity and severity of the assault.
- D. Payment for assault leave shall be at the bargaining unit member's rate of pay in effect at the time of the assault or at such increased rate for which the bargaining unit member may become eligible. - g. Individuals with a final summative evaluation rating of “Ineffective” will be selected for layoff at the discretion of the Superintendent.

 - a. Board approved unpaid leaves of absence will not interrupt seniority, but time spent on such leave shall not count toward seniority.
 - b. If two (2) or more bargaining unit members have the same length of continuous service, seniority will be determined by:
 - 1) the date of the Board meeting at which the bargaining unit member was hired; and then by
 - 2) the date the bargaining unit member signed his/her initial employment contract in the District; and then by
 - 3) any remaining ties will be broken by lot.

The bargaining unit member being bumped may in turn bump another bargaining unit member using the same criteria until all bumping is completed. The actual change in teaching assignments will be accomplished through assignment and/or transfer by the Superintendent.
2. Written notice of intent to exercise bumping rights must be given to the Superintendent in writing, with a copy to the Association president, within five (5) days of receipt of the written notice of intent to RIF notification. Within five (5) days of receipt of written notice of intent to exercise bumping rights, the Superintendent will provide notification in writing to the displaced employee, using the same criteria until all bumping is completed, and send a copy to the Association president. All written notifications will be sent the same day using electronic mail.

A bargaining unit member who, at the time of RIF, served less than full-time will be recalled per other recall provisions on an equivalent fractional basis as when the RIF occurred to the nearest one-half (1/2) [i.e. a bargaining unit member who taught part-time would be recalled part-time for an equivalent portion of the day/ contract).

ARTICLE VIII - SUPPLEMENTAL SALARY

801 Calculation of Supplemental Salary

To determine salary for the 2020-2021 school year, multiply index X by the 2020-2021 base salary (BA - No Experience - \$35,341). To determine salary for the 2021-2022 school

year, multiply index X by the 2021-2022 base salary (BA – No Experience - \$36,048). To determine salary for the 2022-2023 school year, multiply index X by the 2022-2023 base salary (BA – No Experience - \$36,769).

802 Initial Years of Experience

Initial years of experience will be determined by the Superintendent.

803 Timing of Payment

Payment for supplemental duties will be made with a separate check on the following basis:

- A. One-half (1/2) of the supplemental salary shall be paid within three (3) weeks of the midway point of the obligation.
- B. The remainder of the supplemental salary shall be paid within three (3) weeks of receiving written notification in the Treasurer’s office of completion of the duties.
- C. A standard form shall be completed for “end of duty” notification.

804 Duration

Supplemental contracts shall have a maximum duration of one (1) year.

805 Schedule

- A. The schedule of positions and index does not imply that the Board must fill any with similar positions and would reflect cooperation and agreement between the Superintendent and the Association.
- B. It may become necessary to split the duties and, therefore, the remuneration for such based upon a variety of factors related to the activity and/or the need at hand or the availability of personnel. The responsibility for an activity and the remuneration for such may be split between the personnel as may be necessary and appropriate. The splitting may occur when two (2) persons who desire such, satisfy the building principal and the Superintendent that such splitting will not adversely affect the activity and, in fact, will strengthen the potential for success of such. In addition, the parties must be in agreement regarding the split - - agreeing to the split and to the percentage of split (duty and stipend). The stipend for each shall be based on the appropriate percentage agreed to by the personnel and Administration. The total percentage for both splitting an activity shall be equal to one hundred percent (100%). The stipend for each person cooperating in the split shall be based on his/her individual experience credit.

903 Professional Development Committee (LPDC)

A. Operation

1. A Local Professional Development Committee (LPDC) shall be established to oversee and review professional development plans for Continuing Education Units, organizing and planning in-service programs, mentor training, mentor programs in conjunction with the Administration, Continuing Education Units (if approved by the State of Ohio), identifying and establishing priorities for District staff development, and serving as one discussion group for instruction and curriculum issues.
2. The term of office for LPDC members shall be three (3) years.
3. The LPDC shall be composed of three (3) persons appointed by the Association and two (2) persons appointed by the Superintendent. Corresponding vacancies arising during the term shall be filled in the same manner.
4. The Chairperson and LPDC decisions shall be determined by majority vote of the LPDC.
5. The LPDC shall develop and maintain an independent appeals procedure for appeals of decisions by the LPDC, whose decisions are not grievable. Administrators, whose plans are denied, may appeal to the Board of Education per the appeals procedure as the alternative to the LPDC's independent appeals process.
6. The LPDC will meet four (4) one-half (1/2) days during the work year. Substitutes will be provided, as necessary, by the Board. The agenda for the meeting will be distributed in advance of the meeting. Additional meetings up to four (4) one-half (1/2) days, established in collaboration with the Superintendent, outside the workday, shall be compensated at the rate of one-half (1/2) substitute pay plus ten dollars (\$10.00) per person per one half (1/2) day.
7. LPDC members shall be afforded the opportunity to attend training related to performance of their duties, subject to the Superintendent's prior approval. Where such training occurs during the regular workday, paid release time shall be granted not subject to any professional leave restrictions but subject to the approval of the Superintendent, whose approval shall not be unreasonably withheld. Such training may constitute an appropriate "equivalent" activity for LPDC members. Expenses for

approved training shall be reimbursed in accordance with provisions of the Collective Bargaining Agreement in force at the time of the training.

8. Secretarial services, certificate/license tracking services, and storage of information and files for the LPDC shall be provided for and/or paid by the Board working in collaboration with the Superintendent.
9. Educational plans shall be submitted in writing to the LPDC for consideration. Any questions that the LPDC may have of an individual shall be submitted to such in writing. If there are further questions or concerns of the LPDC, the individual may be required to appear in person before the LPDC.
10. Miscellaneous
 - a. The LPDC shall keep records of its meetings (minutes), decisions, and recommendations. Copies of such records shall be maintained in the office of the Treasurer.
 - b. The LPDC shall not have authority to revise, change, delete, or modify any article/provision of the collective bargaining agreement except as otherwise provided herein.
 - c. The LPDC shall not have authority to revise, change, delete, or modify any article/provision of state law and regulation.
 - d. In the event of legislative action by the Ohio General Assembly that impacts in anyway on this topic matter, the parties to the collective bargaining agreement agree to reconvene bargaining to make appropriate adjustments, if any.

B. Tuition Reimbursement

The Board shall appropriate for each fiscal year twenty thousand two hundred and fifty dollars (\$24,000) effective July 1, 2020, plus seven hundred fifty dollars (\$750.00) per year for each additional year of the Contract, to provide supplemental pay to bargaining unit members with two (2) or more years at Dalton for earned college credit subject to the following conditions:

1. The college course must be taken in the bargaining unit member's area of certification/licensure, or in directly related fields, or other areas if approved under Section 903B2, below.
2. The bargaining unit member desiring such pay must register with the Superintendent on the appropriate form provided for this purpose prior to enrolling in the college course.
 - a. The Superintendent MAY waive the "prior registration" clause should circumstances merit.

- b. The Superintendent MAY approve accredited correspondence courses/television courses and non-credit coursework.
3. It is the bargaining unit member's responsibility to submit written verification of satisfactory completion of such course(s). Written verification must be in the form of an official transcript of completed credit at an accredited college or university, with a grade of "B" or better ("Pass," if on a pass/fail basis) to the Superintendent at the conclusion of the term (semester, quarter, trimester). In order to be eligible for reimbursement within the same calendar year as that when the course was taken, the official transcript must be received by the Superintendent no later than May 31. Failure to supply official transcript negates reimbursement.
4. The amount of reimbursement shall be determined as follows: Total monies for year divided by total hours submitted during the fiscal year (June 1 - May 31) to determine the value of reimbursement per hour. Each bargaining unit member shall be reimbursed for the number of hours approved X the dollar amount per hour not to exceed six (6) hours per fiscal year. Total payment shall not exceed one hundred percent (100%) of the cost of the course(s). If any money remains, the amount shall be re-divided among the applicants until all funds are gone or all applicants have received one hundred percent (100%) reimbursement.
5. The reimbursement is to be payable as a single sum in a separate check within three (3) weeks following the date ending the fiscal year (July 1 to June 30).
6. Each bargaining unit member receiving pay under this Section, prior to his/her receipt of such pay, shall agree that he/she will teach in this District for at least one (1) full school year following receipt of such pay. If such bargaining unit member fails to teach in the District for the required period, the amount of such tuition pay received during the prior school year shall be deducted from said bargaining unit member's final pay.
7. If the Board requires the bargaining unit member to take a specific course, the bargaining unit member shall be paid one hundred percent (100%) of the tuition within three (3) weeks following the date ending the fiscal year using Board monies rather than the designated Professional Development monies. It is the bargaining unit member's responsibility to submit written verification of satisfactory completion of such course(s). Written verification must be in the form of an official transcript of completed credit at an accredited college or university, with a grade of "C" or better ("Pass," if on a pass/fail basis) to the Superintendent at the conclusion of the term (semester, quarter, trimester). In order to be eligible for reimbursement within the same calendar year as that when the course was taken, the official transcript must be received by the Superintendent no later than May 31. Failure to supply official transcript negates reimbursement.

904 Mileage

Bargaining unit members who are required by the Board and/or Administration to travel to locations outside the District from Dalton school buildings shall be paid the IRS rate per mile traveled. Bargaining unit members who have teaching assignments which require them to travel daily between the Dalton Elementary/Middle School and the High School shall receive a lump sum of one hundred dollars (\$100.00) per year payable in June. This provision does not apply to supplemental assignments.

B. Purchase of Additional Coverage

Bargaining unit members may purchase additional life insurance at the group rate in \$5,000 increments, up to a maximum of \$60,000 coverage in addition to Board paid coverage. Modifications to this provision may be necessary to comply with requirements of the insurance carrier. The value of the life insurance reduces by 50% at age 65. The specific terms of the policy are contained in the life insurance contract.

1007 Dental Insurance

The Board shall provide dental coverage and pay 100% of the premium.

1008 SECTION 125 TAX SHELTER

Tax sheltering of the individual’s contribution for health costs, unreimbursed medical expenses and dependent coverage will be provided, under IRS Section 125.

All COG employers must offer the IRS Section 125 tax shelter provided through the COG. If an employee elects to utilize any of the IRS 125 benefits, the administrative cost shall be shared equally between the employee and the employer

1009 PREMIUM HOLIDAYS: If the employer receives a premium holiday(s), the employees shall not be required to pay their portion of the premium(s) for the holiday month(s).

1010 SPOUSAL COVERAGE: Any new Participants to the COG, after June 30, 2015, with working spouses who have the ability to be covered under an insurance plan through his/her place of employment, will be required to take his/her plan as their primary plan. This provision does not apply to a participant who had insurance with one COG employer and immediately thereafter, moved to another COG employer. If the spouse is required to pay forty (40%) percent or more of the premium with his/her employer, the requirements of this section shall not apply.

1011 SAME SEX MARRIAGE: If state law recognizes same-sex marriage, the COG plan specifications will be modified to include those individuals.

ARTICLE XI - LIABILITY SETTLEMENT

If a settlement occurs in a negligence claim in which a bargaining unit member is named as a party and the settlement is without the express written approval of the affected bargaining unit member, the settlement of the liability claim shall not be used by the Board and/or administration as any detriment, reprisal, or blemish on the employee's record.

No service fee shall be assessed or collected during the first days following a new employee's initial day of actual work.
- C. The Association agrees to hold the Board harmless in any suit, claim or administrative proceeding arising out of or connected with the imposition, determination or collection of service fees or dues, and to indemnify the Board for any liability imposed on it as a result of any such suit, claim or administrative proceeding, including attorney fees and court costs.
