STATEMENT OF PRINCIPLES

- 1.1** The Board of Education of the Minster Local School District together with the Minster Teachers' Association recognizes that the development and operation of educational programs of the highest quality for the benefit of the students and their communities is a responsibility which requires, for its effective discharge, cooperation between the Board, the Superintendent, administrative staff, and the teaching staff speaking through their designated representatives. Since these groups have the same ultimate aim of providing the best educational opportunities for all pupils, results of scientific investigation, evaluation of experimental efforts, or the analysis of effective instructional programs should be used to determine what is best for the education of pupils. Therefore, relationships must be established and maintained which are based upon this common interest and the concept of education as a public trust and as a professional calling. Thus, the Association subscribes to the current Code of Ethics of the Education Profession as adopted by the National Education Association and Ohio Education Association.
- 1.2** The Board of Education, the Superintendent, the administrative staff, and the teaching staff can best attain their common objectives and discharge their respective responsibilities if each utilizes the ability, experience, and judgment of the other in resolving matters of concern which affect the quality of the total educational program.
- 1.3** It is the purpose of this document to establish this relationship between the Board of Education and the Minster Teachers' Association, and to set forth an orderly procedure for the consideration and resolution of matters of concern. Thus, the parties do hereby agree as follows:

ARTICLE 2

RECOGNITION

2.1 RECOGNITION OF ASSOCIATION

2.1.1 The Minster Board of Education hereinafter called the “Employer,” hereby recognizes the Minster Teachers’ Association/OEA/NEA, hereinafter called the “Association,” as the sole and exclusive representative of all regular certified teaching personnel for the purposes of Collective Bargaining as defined in Chapter 4117 of the Ohio Revised Code.

2.2 RECOGNITION OF SUPERINTENDENT

2.2.1 The Board of Education recognizes the school Superintendent as its chief executive officer and the person to whom it looks for educational leadership. It shall be the function of the Superintendent and the Board or their designated representatives to meet in accordance with established procedure with representatives of the Association in an effort to reach mutual understanding and agreement on all appropriate matters submitted for negotiation.

2.3 SEVERABILITY

2.3.1 Should any clause of contract be held to be in violation of the law by a court of competent jurisdiction, then that clause of the contract shall be rendered null and void, but the remainder of the contract shall remain in full force and effect.

2.3.2 If, during the term of this Agreement, there is a change in any applicable state or federal law, or valid rule or regulation adopted by a federal agency or a state agency pursuant thereto, which would invalidate an provision of the Agreement, the parties may request to meet and negotiate any invalid provision of the Agreement. The request to meet and negotiate will be honored within sixty (60) calendar days unless the number of days is increased through mutual agreement.

2.3.3 To the extent that any provision of the Board Policy Manual, the Teacher’s Handbook, or other regulation or procedure conflicts with a provision of this agreement, the provision of the agreement shall have precedence.

2.4 ASSOCIATION DUES DEDUCTIONS

2.4.1 Teachers may authorize payroll deductions on the scheduled teacher workday prior to the beginning of each school year for professional dues to be deducted in

twenty-four (24) equal payments, two (2) per month, commencing with the first pay period. If for any reason the Board fails to make a deduction for any employee as above provided, it shall make that deduction from the employee's next pay in which such deductions is normally deducted after the error has been called to its attention (in writing) by the employee. The Association agrees to hold the Board and its designees harmless for any and all errors arising out of the dues deduction procedures. The Association agrees to assume full responsibility for correcting any and all errors arising out of the dues deduction process.

In addition it is the requesting party's obligation to notify the State Employment Relation Board of the offer to negotiate by serving upon SERB a copy of the written notice to the other party.

5.2 MEETINGS

5.2.1 An agreement will be reached within three (3) calendar days of the request as to the time and place of the meetings, which shall be held within seven (7) calendar days after the request has been submitted, unless both parties agree to an extension of time. Until all negotiation meetings are completed, each meeting shall include a decision on an agreed time and place for the next subsequent meeting unless mutually agreed otherwise. The parties of this Agreement may mutually waive or change negotiating meeting procedures.

5.2.2 All proposals shall be submitted in writing by both parties at the initial meeting. After the second meeting new proposals shall not be submitted by either party unless by mutual agreement.

5.2.3 Original proposals shall be written and in language suitable for inclusion in the final agreement. If the change is a minor change in existing language, the proposal shall give specific reference to the word, sentence, or paragraph to be changed with the new language included.

5.2.4 Topical listings of items proposed for negotiations (i.e., laundry list) shall constitute a clear failure of compliance and may be disregarded.

5.2.5 Either party may call for a caucus of up to approximately thirty (30) minutes or by mutual agreement extend such caucus.

5.2.6 Bargaining sessions shall last a maximum of three (3) hours unless by mutual agreement the time is extended.

5.3 NEGOTIATION TEAM

- 5.3.1** The Board and the Association shall be represented at all negotiations by a team of negotiators not to exceed three members each, or four members each in the event that either party wishes to include an outside consultant. The team shall be composed of certified personnel, the Minster Teachers' Association and members of the Minster Board of Education or administration. Each team shall have the option of adding one outside negotiator each, who is not a member of the Minster Teachers' Association or a member of the Minster Board of Education, having given at least seven (7) calendar days' notice of intent to do so. The MTA will maintain one consistent member at the table each day/evening when meetings are held. The Treasurer will be included at the table as an impartial observer able to answer direct questions. She will provide data as requested to either party.
- 5.3.2** An advisor may be available for either side, but either party must caucus with him/her outside the meeting room: he/she is not to be an observer of the actual negotiation sessions, except as noted in the previous paragraph. At the request of either side, the negotiation sessions may be taped and those tapes are then to be available to either side.

5.4 NEWS RELEASES - WHILE NEGOTIATIONS ARE IN PROGRESS

- 5.4.1** During any phase of negotiations, including mediation, there will be no public releases of information to the media unless agreed upon by both parties and in such instances releases are agreed upon, said releases shall be in writing and both parties shall approve of the releases prior to their dissemination.

It is understood that the exception to this could exist in the Dispute Resolution Procedure, in that if the mediator is asked to release information, neither party has control over what he releases except as defined in that procedure.

- 5.4.2** Both parties may issue progress reports to their members so as to keep their members informed with respect to the progress of negotiations.
- 5.4.3** It shall be the responsibility of both parties to inform their respective members that all progress reports are confidential and any information derived from such reports shall not be disclosed to the general public.

5.5 INFORMATION

- 5.5.1** The parties agree during negotiations to provide each other, upon written request, and within a reasonable time, regularly and routinely prepared information for development and evaluation of proposals. Access to such information in such form as it exists constitutes compliance with this provision and neither party is obligated to develop data or information not in existence or to rework, redraft, summarize, compute, or otherwise develop data or information in other than its existing form.

5.6 AGREEMENT

- 5.6.1** As items are agreed to, they shall be (T.A.'d) and signed off and when final agreement is reached through negotiation, the outcome shall be reduced to writing and submitted to the Association for ratification. The negotiated agreement must be ratified by the Association and submitted to the representative of the Board of Education within fourteen (14) calendar days of the date in which the parties finalize the agreement. Upon official adoption by the Board, the Agreement shall be signed by both parties, and shall become a part of the official minutes of the Board and the Association, and become binding on both parties.
- 5.6.2** If the Board of Education fails to act upon the agreement at the next regularly scheduled board meeting after the agreement is submitted to the representative of the Board of Education, it becomes effective.
- 5.6.3** If the Board of Education rejects the proposed agreement, either party may reopen all or part of the entire agreement.

5.7 MUTUALLY AGREED DISPUTE RESOLUTION PROCEDURE

- 5.7.1** Pursuant to Section 4117.14 (C) (1) and 4117.14 (E) of the Ohio Revised Code, the parties have established this mutually agreed upon Negotiations and Dispute Resolution Procedure which supersedes the procedures listed in Section 4117.14 (C) (2) - (6) and any other procedure to the contrary.
- 5.7.2** In the event agreement is not reached thirty (30) days prior to the expiration of the collective bargaining agreement, the Board and the Association shall meet in an attempt to agree on a mediator. If agreement is not reached in three (3) calendar days, then the Association and the Board of Education shall jointly request the services of a mediator from the Federal Mediation and Conciliation Service (FMCS) unless the parties agree to an alternative mediation service.
- 5.7.3** Except by mutual consent, the selection and mediation process shall not extend for more than thirty (30) calendar days from the date of declaration of impasse. The parties shall be permitted to postpone or extend the mediation process by not more than fifteen (15) days and shall not extend beyond the expiration of this Agreement except by written agreement of the parties prior to such expiration. All such extensions shall be for a specified period of time.
- 5.7.4** The mediator shall meet with the parties or their representatives either jointly or separately, and shall take such steps as he/she may deem appropriate to persuade the parties to resolve their differences and to affect a mutually acceptable agreement. The mediator shall not, without the consent of both parties, recommend terms of settlement.

ARTICLE 6

GRIEVANCE PROCEDURE

6.1 DEFINITIONS

- 6.1.1** A grievance is a complaint by the Association or by one or more teachers that there has been a misinterpretation of, or misapplication of the provisions of this agreement, which occurred since the ratification of this agreement by both parties. If two or more complainants have the same grievance, a joint grievance may be processed as a single grievance at this and succeeding steps.
- 6.1.2** A “Grievant” shall mean a teacher or group of teachers or the Association filing a grievance.
- 6.1.3** A “Party in Interest” is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.
- 6.1.4** “Appropriate Administrator” for purposes of the grievance procedure, shall mean the lowest level administrator having the authority to resolve the grievance.
- 6.1.5** An “Aggrieved Person” is the person or persons making the claim.

6.2 PURPOSE

- 6.2.1** The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

6.3 PROCEDURES

- 6.3.1** An individual or group of employees may initiate a grievance through the Association following unsuccessful resolutions at the Informal Level.
- 6.3.2** The Association may initiate a grievance if its rights have been violated as defined in Definition 1 above, following the unsuccessful resolution at the Informal Level.

If the grievant intends to be accompanied by legal counsel at any of the Level 3 or Level 4 meetings with the administration, the grievant must provide the Superintendent written notice of that fact at least 48 hours prior to the meeting. If the grievant fails to provide the Superintendent with such notification, the Superintendent and grievant will reschedule the meeting within a reasonable amount of time and all meeting and response timelines shall be extended by a corresponding number of days with no penalty to the Board.

6.4 TIME LIMITS

6.4.1 Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual written agreement.

6.4.2 Failure at any step in this procedure to communicate decisions in writing as called for on a grievance within the specified time limits permit the grievance to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step and there shall be no further right of appeal.

6.4.3 In the event a grievance is filed at such a time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year could result in harm to an aggrieved person, the grievance shall be processed within the time limits and completed as soon as is possible following the close of the school year.

6.5 INFORMAL PROCEDURE

6.5.1 A sincere attempt should be made to resolve any grievances by oral interview between the complainant and the Principal before differences become formalized as grievances. He/She may be accompanied by the MTA president or other member of the bargaining unit.

6.5.2 If the grievance is not resolved to the satisfaction of the grievant by the informal procedure, the grievant may further pursue the grievance within twenty (20) calendar days after the fact or condition upon which the grievance is based by submitting a formal grievance form.

6.6 FORMAL PROCEDURE

6.6.1 Level One - School Principal (Or Immediate Supervisor)

1. If the grievant is not satisfied with the outcome of the informal procedure, the grievant may file a written grievance within seven (7) calendar days following the informal decision or within twenty (20) calendar days of the fact or condition upon which the grievance is based. Forms for this purpose shall be available in each school office. The written grievance shall be directed toward the Principal or immediate supervisor. Information copies are to be sent by the grievant to the Association President and to the Superintendent.
2. The Principal or immediate supervisor within seven (7) calendar days after receipt of the grievance shall render a written decision to the aggrieved person with a copy to the Association President and to the Superintendent.

2. The Superintendent shall schedule a meeting to take place within seven (7) calendar days from the receipt of the written grievance with the purpose of resolving the grievance. The parties in interest shall have the right to include in the representation such witnesses and representatives as they deem necessary to develop facts pertinent to the grievance.
3. The Superintendent shall, within seven (7) calendar days after the meeting, render a decision in writing to the building Principal, grievant, and the MTA president.

2. At the next regularly scheduled Board meeting, the Board shall meet with the grievant, the Association representative and the Superintendent or his designee, to review the grievance and attempt to resolve same.
3. Within seven (7) calendar days of such meeting, the Board shall reduce its disposition of the grievance to writing and forward a copy thereof to the grievant, the Association and the Superintendent.
4. Upon mutual agreement of the parties to the grievance, the grievance may be submitted to Level Four without a hearing before the Board.

6.6.4 Level Four - Arbitration

1. If the grievant(s) is (are) not satisfied with the disposition in Level Three, he/she (they) may request to the Association that the grievance be submitted to arbitration within seven (7) calendar days after receipt of the disposition at Level Three. The grievant's (s') request for arbitration shall be by certified mail, with return receipt requested, to the Association and to the Superintendent or if the Association is the grievant, to the Superintendent. The Superintendent or his designated representative and the Association shall mutually petition the American Arbitration Association (AAA) to provide both parties with a list of seven (7) names. A second list of seven (7) names may be requested by either party before the parties select an arbitrator by the "alternate strike method." An arbitrator shall be selected from the first or second list by the "alternate strike method." Each party shall have three strikes. The Association shall strike first.

Once the arbitrator has been selected, he/she shall conduct a hearing on the grievance in accordance with the rules and regulations of the AAA.

2. The arbitrator shall hold the necessary hearing promptly and issue the decision within such times required by the AAA rules or as may be agreed upon. The decision shall be in writing and a copy sent to all parties present at the hearing. The decision of the arbitrator shall be binding on the Board, the Association, and the grievant. Binding arbitration shall be the sole and exclusive remedy for an alleged violation of this Agreement. The Association, Association representative or individual bargaining unit members may not file any unfair labor practice charge or any other action to enforce the rights provided by this Agreement.
3. The arbitrator shall not have the authority to add to, subtract from, or modify any of the provisions of this collective bargaining contract, nor to add to, detract from, or modify the language herein, arriving at his/her decision concerning an issue presented that is proper within the limitations expressed herein. The arbitrator shall not have the authority to rule contrary to the law of the State of Ohio. The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to decide any other issue(s) not submitted to him/her. He/she shall not limit or interfere with the powers, duties, and responsibilities of the Board or Administration under Article 4 of this Agreement, any other provision of this Agreement reserving powers and duties to the Board or Administration or any applicable law or regulation having the force and effect of law.
4. No grievance shall be arbitrated together with any other grievance except by mutual consent of the parties.
5. The cost of arbitration shall be shared by the parties, except that each party shall bear the cost of its own representative(s).

PARENTAL COMPLAINT PROCEDURE

- 8.1** When a member of the Public makes a complaint to the Board or any of its members or Administrators concerning an employee, and the concern is thought to be serious enough to become a matter of record, the appropriate Administrator shall inform the employee of the concern in a private meeting. The Administrator and employee shall attempt to resolve the party's complaint.
- 8.2** An Administrator, employee and complaining party shall meet to attempt to resolve the party's complaint unless the Administrator feels a resolution may be more obtainable by meeting with the complaining party without the employee.
- 8.3** Should the complaining party still not be satisfied and bring the concern to the Board, the employee shall be so informed and have the right to provide the Board information concerning the issue.
- 8.4** The employee may have a representative of the Association present at any level.

ARTICLE 9

REDUCTION IN FORCE

- 9.1** The board may suspend teacher's contracts in accordance with R.C. 3319.17. In making any such reduction, the board shall proceed to suspend contracts in accordance with the recommendations of the superintendent of schools who shall, within each teaching field affected, give preference to teachers on continuing contracts. The board shall not give preference to any teacher based on seniority, except when making a decision between teachers who have comparable evaluations.
- 9.12** If the Board of Education determines a RIF may occur, Teachers to be RIFed by the start of the following school year must be notified no later than May 10th of the previous school year.
- 9.13** A bargaining unit member who is displaced and/or reduced from one teaching area but who currently possesses a continuing contract may displace a member who does not possess a continuing contract in another area in which he/she maintains a current certificate/license. In determining which teacher shall be displaced, the board shall not give preference to any teacher based on seniority, except when making a decision between teachers who have comparable evaluations.
- 9.2** The names of teachers whose contracts are suspended in a reduction in force will be placed on a recall list for up to 24 months from the date of the reduction. Teachers on the recall list will have the following rights:
- 9.2.1** No new teachers will be employed by the Board while there are teachers on the recall list who are certified for any vacancy which may occur within the district.
- 9.2.2** Teachers on the recall list will be recalled in reverse order of suspension for vacancies in areas for which they are certified.
- 9.2.3** If a vacancy occurs, the Board will send a certified announcement to the last known address of all teachers on the recall list who are qualified according to these provisions. It is the teacher's responsibility to keep the Board informed of his current address. All teachers are required to respond in writing, by certified mail, return receipt requested, to the district office within seven calendar days. The most senior of those responding will be given the vacant position. Any teacher who fails to respond within seven calendar days, or who declines to accept the position, will forfeit all recall rights.
- 9.2.4** A teacher on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave, and salary schedule placement as he/she enjoyed at the time of layoff.

- 9.3** The parties agree that these procedures apply only to the suspension of contracts under 3319.17 or for financial reasons. This article shall not require the Board of Education to fill any vacancy, nor shall it interfere with any other lawful personnel procedures in the district.
- 9.4** No retired teachers will be employed by the Board in any year where a Reduction in Force has occurred, or while there are any teachers on the recall list with the required certification.

ARTICLE 10
ASSIGNMENTS, VACANCIES, AND TRANSFERS

10.1 ASSIGNMENTS

10.1.1 Teachers under contract during a school year will be notified in writing of their teaching assignments for the following school year not later than thirty (30) calendar days prior to the beginning of that school year. Such notification shall include the teacher's school assignment and subject assignment. Any change in such assignment required by the needs of the school district will be made known to the teacher, in writing, as soon as possible. Any teacher so affected shall have the opportunity to confer with the Superintendent/designee before the assignment change takes place.

10.2 VACANCIES

10.2.1 Vacancies, as determined by the administration, may result from creation of new positions, resignations, Board approved leave of absences, retirement, death, non-renewal, or termination.

10.2.2 Vacancies for bargaining unit positions will be officially e-mailed to all members. During the school year, normally, no action will be taken to fill such position until it has been posted for five (5) contract days and ten (10) calendar days during the summer.

10.2.3 Posting of a vacancy shall not be construed as requiring the Board to fill such a position, but is creating an opportunity for employees to indicate an interest in transferring to such a position. In addition to transfer requests received after posting, unfilled voluntary transfer requests submitted as per section 10.3.1 of this article will be considered in filling vacancies which occur during the first nine (9) contract days of the school year. Time limits for posting and filling vacancies do not apply to such positions.

10.2.4 When vacancies occur ten (10) contract days after the beginning of the school year, the Superintendent may fill such a vacancy on a temporary or tentative basis until the end of the normal school year, at which time the position may be considered, as determined by the Superintendent, open for transfer requests. Recommendations to fill vacancies shall be made at the discretion of the Superintendent. If not currently a bargaining unit member, individuals who fill such positions shall not be considered as such.

10.2.5 Recommendations to fill the vacancy shall be made by the Superintendent based on the following criteria: certification and qualifications of the applicant, instructional requirements, best interest and needs of the district (e.g., staff balance, better staff utilization), and seniority. Seniority in the district shall mean uninterrupted service from the effective date of the employee's most recent date

of hire except that the Board approved leave of absence shall not constitute an interruption. Not later than May 15 of each year, the Superintendent will prepare a list of vacancies and teaching positions for the following school year. Vacancies to be identified will include those filled on a temporary basis as per section 10.2.4 and others as have arisen under section 10.2.1.

10.3 TRANSFERS

General Provisions: For purposes of this article, transfer shall be defined as change from high school to elementary (K-8), or elementary (K-8) to high school, or one area of certification to another.

10.3.1 Voluntary Transfers

1. Request for transfer will be made in writing by the teacher on or before March 15 of each year. (The request shall set forth the reasons for transfer; the school, grade or position sought; and the applicant's qualifications.) Such request shall not affect the teacher's existing assignment in the event no vacancy exists in the area to which transfer is requested. Such request shall expire on the ninth (9th) contract day of the succeeding school year.
2. Unit members filing appropriate voluntary transfer requests as per section 10.3.1, or who properly apply for the posted position within the five (5) contract days or ten (10) calendar days posting period, may be granted the position in accordance with section 10.2.5.
3. Each unit member that has requested a transfer shall be notified of the disposal of that request. If a vacancy exists and the request is denied or granted to a less senior teacher, the teacher may request and shall be granted a conference with the Principal or Superintendent/designee. Voluntary transfer requests shall not be given priority consideration over staff reduction transfers.

10.3.2 Involuntary Transfers

Notification of Assignment

If a teacher is to be involuntarily transferred to another assignment the Superintendent/designee will personally contact the affected teacher. If personal contact is not possible a phone call will be made to the affected teacher. Teachers are responsible for giving written notification to the Superintendent/designee's office of the address and/or telephone number where they can be contacted during the summer when school is not in session if that number is different from what is already on file. The teacher shall be given a minimum of two (2) contract days' notice before receiving students in his/her new position.

10.4 JOB SHARING

- 10.4.1** The job sharing must be approved by the building Principal and the Superintendent on a yearly basis.
- 10.4.2** Applicants for a job-sharing position shall have a minimum of three (3) years teaching experience to qualify.
- 10.4.3** Teachers who want to job share must submit a written plan for approval to the building principal by April 30 of the preceding school year with the following elements:
- a. The grade level, building, and subject to be shared.
 - b. The teachers who will be job sharing. No current staff member shall be required to job share.
 - c. The percentage of the regular full-time work day and exact time schedule each participant proposes to be present on the site plus teaching schedule.
- 10.4.4** A job-sharing plan will be in effect for a full school year.
- 10.4.5** The job-sharing teachers will jointly develop teaching methods and techniques, and grading practices that ensure consistency and compatibility of the program.
- 10.4.6** All negotiated benefits shall be split according to the percentage of a regular full-time workday served by the participant. The costs of job sharing a position shall not exceed the cost of one full time equivalent position.
- a. The typical contractual allotment of three (3) personal leave days per Article 11.7.1 shall be split between the job-sharing teachers, resulting in each job-sharing teacher being allotted one and a half (1.5) personal days.
 - b. Job-sharing teachers will accrue sick leave based on hours worked.
- 10.4.7** Participants shall acquire seniority credit for layoff and salary schedule placement purposes on a proportionate basis; for example, one half-time service provides one-half credit.
- 10.4.8** Job-sharing teachers shall be considered for contract status, evaluation, and layoff on the same basis as other teachers.
- 10.4.9** Each participant must attend all contractually required duties that are required of a full-time teacher (e.g., open house, parent conferences, and faculty meetings).
- 10.4.10** The Superintendent must be notified by March 1 of each year as to whether the participants wish to continue in the present arrangement or return to full-time contract status.

10.4.11 The participant who wants to return to a full-time contract status will be assigned to the first available full-time comparable teaching position for which that teacher is certificated. If there are not enough full-time comparable teaching positions available, then the available position(s) will be filled based on greatest seniority. If both job-sharing participants have not been offered a full-time position by June 30, then the participants must continue in the job-sharing for one more school year.

ARTICLE 11

 - c. All sick leave requests are subject to the approval of the Superintendent.
5. Requests

11.3 FAMILY AND MEDICAL LEAVE

- 11.3.1** In accordance with the Federal Family and Medical Leave Act of 1993, an employee who has been employed for at least 12 months and for at least 1,250 hours during the previous 12 month period is entitled to an unpaid leave of absence of up to twelve (12) continuous weeks during any contract year (July 1 - June 30) for one of the following reasons:

 - c. in order to care for a spouse, or a son, daughter or parent of the employee, if such spouse, son, daughter or parent has a serious health condition; or
 - d. because of a serious health condition that makes the employee unable to perform the functions of the position of such employee.
- 11.3.2** If the employee already has been absent during the contract year for one of the reasons listed in (a) through (d) above, the leave will be considered a part of the 12-week period such that any other leave the employee is entitled to take under this policy will be for 12 weeks less the amount of such absent time already taken in that contract year.
- 11.3.3** An employee must provide the Superintendent at least 30 days advance written notice before Family and Medical Leave is to begin if the need for the leave is foreseeable. If 30 days notice is not practicable, notice must be given as soon as practicable.
- 11.3.4** If the Superintendent or designee has reason to doubt the validity of the certification of the employee's need for the leave, he/she may require the employee to obtain a second opinion from a school physician. If the second opinion is in conflict with the first, the Superintendent or designee may require the employee, at the Board's expense, to see a mutually agreed upon health care provider to give a final and binding opinion.
- 11.3.5** The employee must pay his or her contribution to health benefits to the Treasurer by the 25th of each month if the employee wants continued coverage for the following month.

- 11.3.7** If an employee goes on leave due to his or her own serious health condition that made the employee unable to perform his or her job, the employee must obtain and present a certification from the health care provider that the employee is able to resume work before returning to work.

11.4 PARENTAL LEAVE

11.4.1 Bargaining unit members may use sick leave towards their child care leave, with the following limitations:

- 1) for the birth or adoptive parent, up to ten (10) weeks (70 calendar days) of the birth of the child or placement of the adoptive child; or
- 2) the non-birth parent, up to two (2) weeks (10 calendar) of the birth of the child.
- 3) Teachers who do not qualify for FMLA may still elect to use all accumulated sick and personal leave for up to ten (10) weeks of maternity leave (70 calendar days).

11.4.2 Sick leave as authorized under this section shall not exceed that number of accumulated and unused sick leave days to the credit of the teacher and earned during the period of such leave. Sick leave days are only deducted for contract days the employee is absent.

11.4.3 The Superintendent, at his/her sole discretion, may grant an extension of a leave beyond the Family and Medical Leave provided in Section 11.3.

11.4.4 A teacher who returns from parental leave following the use of leave of absence or sick leave shall be assigned to the same position which was held at the time the leave commenced, or if that position is no longer in existence, to a substantially equivalent position for which she/he holds certification.

Should it be necessary to implement reduction in force policies or transfer and reassignment policies, they shall take precedence or priority of importance assigning the returning teacher.

11.4.5 Extended Unpaid Parental Leave

Teachers may be granted a leave of absence for the birth or adoption of a child, within the first year of life or placement without pay for up to one school year in accordance with the following provisions:

1. A request is made in writing to the Superintendent sixty (60) days prior to the leave start date.
2. An acceptable replacement (if needed) is available for the teacher who is taking leave. If the Board hires a new teacher (“replacement teacher”) to replace the teacher taking unpaid leave under this Section (“teacher”), the replacement teacher’s acceptance of his/her contract constitutes his/her resignation from employment at the end of the teacher’s unpaid leave, and the Board’s approval of this Agreement constitutes its acceptance of the

replacement teacher's resignation, so no further action or written notice of acceptance is necessary from the Board.

3. If granted, such leave shall be without pay and without experiential credit on the salary schedule. The teacher may remain a member of any and all group insurance plans at the individual's expense after the effective date of the unpaid leave in accordance with federal and state regulations.
4. All unpaid leave will be granted in semester increments. The duration of leave shall be as follows:
 - a. If the leave is effective during the first semester, it shall be for the balance of that semester or the balance of the year.
 - b. If the leave is effective during the second semester, it shall be for the balance of the school year, or the balance of the school year plus the next semester. Teachers, who request the next semester option, must do so in writing by March 1.
 - c. If the leave is effective during the summer recess, it shall be for the following semester or the following school year.
 - d. The end of leave date shall coincide with the last contract day within the semester of the requested leave.
5. The initial request for unpaid leave will include the intended return date. If the employee chooses to not return on the intended return date, she/he must provide notice to the Superintendent within 30 days.
6. If a teacher returns from parental leave, he/she will resume the contract status held prior to the leave and be restored to the same position or to an equivalent position. Upon return from leave, the teacher is not guaranteed the actual job assignment held prior to the leave.
7. In the event of a RIF, teachers on unpaid parental leave are subject to the same RIF procedures as active employees.

11.5 PROFESSIONAL LEAVE

11.5.1 Professional staff members may attend professional meetings, conferences, or visitations which provide the opportunity to advance professionally. Professional staff members who attend such meetings or conferences shall be considered assigned to duty with full payment of salary and benefits. Request for professional leave shall be submitted in writing on forms which shall be provided to all professional staff at the Principal's office. The Superintendent has the right to approve or disapprove such requests except that any request to attend out of state meetings must be approved in advance by the Board of Education.

11.5.2 Reimbursement shall be made based on current Board policy and in line with advanced approval and/or not to exceed recommendations.

11.6 PERSONAL LEAVE

11.6.1 Except as provided in Article 10.4.6, each certified staff member shall be allotted four (4) personal days. These contract days are unrestricted except as specified below.

11.6.2 The following procedure shall apply:

1. The teacher shall fill out, sign and submit the request to use personal leave to the building principal at least three (3) school days prior to the day of requested leave on the personal leave form provided by the Board. During the month of May, teachers must submit requests to the building principal at least five (5) school days prior to the day of requested leave on the personal leave form provided by the Board. In case of emergency, a teacher shall verbally notify the principal of the need for personal leave and submit the form on the day of his/her return.
2. If approved by the Principal, the application shall be forwarded to the Superintendent.
3. The Superintendent has the authority to control the number of requests for any one particular day.
4. A teacher may not use a personal day on a teacher in-service day.
5. If a teacher has sick leave days available, a teacher may not use personal leave days for reasons for which sick leave may be used under Article 11.1. In other words, a teacher must exhaust his/her sick leave days prior to using personal leave days for the reasons provided under Article 11.1.3, 11.1.4 or 11.1.5.
6. A teacher may carry over one (1) of the four (4) allotted personal days per year and can cash out one (1) unused personal day at \$200 each school year. The payment shall not be considered as salary for STRS credit and will be made by a separate check in lump sum in the first pay in July.
7. Teachers leaving the district shall be paid out unused personal days at the rate of \$200.

11.7 DISABILITY LEAVE

An employee who is granted Family and Medical Leave under Section 11.3 because of his/her own serious health condition may use any accumulated sick leave as a part of the period of leave.

11.8 SABBATICAL LEAVE

The Board of Education may grant a sabbatical leave without pay upon the recommendation of the Superintendent of Schools to qualified personnel for the purpose of study, travel, and for such other purposes as may be approved by the Board of Education. A plan of professional improvement shall be furnished to the Superintendent prior to Board approval. Upon return from sabbatical leave, a report shall be filed with the Superintendent/designee by the teacher as proof that said plan was followed. If granted, such leave shall be without pay and without experiential credit on the salary schedule. The teacher may remain a member of any and all group insurance plans at the individual's expense after the effective date of the unpaid leave in accordance with federal and state regulations. Upon return from sabbatical leave, the teacher will resume the contract status held prior to the leave and be restored to the same position or to an equivalent position. Upon return from leave, the teacher is not guaranteed the actual job assignment held prior to the leave.

If the Board hires a new teacher ("replacement teacher") to replace the teacher taking unpaid leave under this Section ("teacher"), the replacement teacher's acceptance of his/her contract constitutes his/her resignation from employment at the end of the teacher's unpaid leave, and the Board's approval of this Agreement constitutes its acceptance of the replacement teacher's resignation, so no further action or written notice of acceptance is necessary from the Board.

The Superintendent/Board's decisions under this Section cannot be the subject of a grievance.

11.9 MILITARY LEAVE

11.9.1 Any regular employee who may enlist or be conscripted into the defense forces of the United States for service or training, shall be granted a military leave without pay.

11.9.2 The teacher shall be reinstated to his/her position or an equivalent position for which he/she is certified with full credit including the annual increment(s) under the salary schedule.
