PREAMBLE

This Agreement entered into between the Federal Hocking Local School District Board of Education (hereinafter referred to as the "Board") and AFSCME Local #1292, and Ohio Council 8 of the American Federation of State, County and Municipal Employees, AFL-CIO (hereinafter referred to as the "Union"), has as its purpose the establishment of wages, hours and other terms and conditions of employment as agreed to between said parties and outlined in the following Agreement.

ARTICLE 1 RECOGNITION

The Federal Hocking Local School District Board of Education recognizes Ohio Council 8, American Federation of State, County and Municipal Employees, AFL-CIO and Local #1292, American Federation of State, County and Municipal Employees, AFL-CIO (hereinafter referred to as "AFSCME") as the sole and exclusive bargaining representative for all full-time and regular part-time non-teaching, non-supervisory employees in the following positions: Bus Drivers, Cooks, Head Cooks, Cook/Cafeteria Managers, Custodians, Head Custodians, 2nd Shift Custodians, 3rd Shift Custodians, Custodial Maintenance Assistants, Aides, Secretaries (with the exception of the Superintendent's secretary and Facilities and Student Services Secretary), and Maintenance Mechanics.

Excluded from the bargaining unit are all management level, supervisory, confidential or substitute employees (where appropriate, as defined by ORC Chapter 4117), and other employees/employee classifications not specifically listed above.

Any other full-time non-teaching, non-managerial, non-supervisory, or non-confidential employee classifications established during the term of the collective bargaining Agreement shall also be included in the Union's bargaining unit.

Should any of the abolished classifications be recreated, the classifications will be placed in the bargaining unit.

In the event the Board creates a new classification/position, the parties shall meet to bargain over the classification/position inclusion or exclusion from the bargaining unit. If no agreement can be reached within thirty (30) calendar days after the establishment of the classification/position, either party may submit the dispute for arbitration, in accordance with the provisions of Article 5, Section 3, Step 4. The arbitrator may decide whether classifications/positions are: 1) teaching or non-teaching; 2) full-time or part-time; 3) whether the classifications/positions are managerial, supervisory, or confidential; and, 4) make other relevant unit determinations. The decision of the arbitrator shall be final and binding. In no event, however, shall part-time employees be hired to replace or displace any full-time positions in the bargaining unit.

ARTICLE 2 DUES CHECK-OFF/UNION SECURITY

SECTION 1

The Board shall deduct Union dues in the amounts specified by the Union from the pay of employees twice monthly, with equal amounts being deducted on each of the pay dates, upon receipt of voluntary written signed authorization from the employee for that purpose.

SECTION 2

Effective on the date of this Agreement, all employees who have authorized the deduction of Union dues and all employees who authorize the deduction of dues thereafter, shall continue to have Union dues deducted and dues deduction shall continue without revocation unless an employee withdraws his/her dues deduction authorization in writing sixty (60) to forty-five (45) days prior to the expiration date of this Agreement. A copy of the employee's request for withdrawal shall be forwarded to the Local President. An employee's dues deduction authorization shall be deemed withdrawn if the employee retires, resigns or is terminated.

SECTION 3 FAIR SHARE FEE.

All employees in the bargaining unit who sixty (60) working days from date of hire are not members in good standing of the Union, shall pay a fair share fee to the Union as a condition of employment.

The fair share fee amount shall be certified to the Board by the Treasurer of the Local Union.

The deduction of the fair share fee from any earnings of the employee shall be automatic and does not require a written authorization for payroll deduction. If, however, an audit finding is made against the Board for failure to have written authorization for payroll deduction, the parties shall immediately re-open negotiations on this provision.

SECTION 4

The total amount of dues and fees, together with a separate alphabetical list of the names of employees for whom dues are deducted and for whom fees are deducted, shall be transmitted to the AFSCME Ohio Council 8, 6800 North High, Worthington, Ohio 43085-2512 no later than the ten (10th) day following the end of the last pay period of the month in which the deduction is made. A copy of the alphabetical lists of names shall also be transmitted to the Ohio Council 8, Athens Regional Office.

SECTION 5 PEOPLE CHECKOFF.

The Employer will deduct voluntary contributions to the American Federation of State, County and Municipal Employee International Union's Public Employees Organized to Promote Legislative Equality (PEOPLE) Committee from the pay of an employee upon receipt from the Union of an individual written authorization card voluntarily executed by the employee.

The contribution amount will be certified to the Employer by the Union. Monies deducted shall be remitted to the Union within forty-five (45) days of the date they are deducted. Payment shall be made to the Treasurer of PEOPLE and transmitted to AFSCME, AFL-CIO, AND P.O. Box 65334, Washington, D.C. 20035. The payment will be accompanied by an alphabetical list of the names of those employees for whom a deduction was made and the amount of the deduction. This list must be separate from the list of employees who had union dues deducted and the list of employees who had fair share fees deducted.

An employee shall have the right to revoke such authorization by giving written notice to the Employer and the Union at any time.

The Employer's obligation to make deductions shall terminate automatically upon receipt of revocation of authorization or upon termination of employment or transfer to a job classification outside the bargaining unit.

All PEOPLE contributions shall be made as a deduction separate from the dues and fair share fee deductions.

ARTICLE 3 NON-DISCRIMINATION

SECTION 1

The Board recognizes the right of its employees to be free to join or not to join the Union and the members to participate in Union activities. Employees will not be discriminated against because of Union membership.

SECTION 2

The Board and the Union agree not to discriminate against any employee on the basis of race, color, national origin, age, creed, sex, political affiliation or disability.

SECTION 3

If an employee has a complaint of discrimination against the Union, it shall not become a matter for the grievance procedure. The employee may pursue such complaint through the statutory and/or administrative remedies available.

ARTICLE 4 UNION REPRESENTATION

SECTION 1

Names of all officers, committee members and stewards will be submitted to the Board, in writing, by the Local Union upon election or appointment.

SECTION 3

Union officers and stewards shall not lose pay for time spent in meetings called by the Board or its representatives, during his/her regular scheduled work day.

SECTION 4

The Union shall be permitted space on designated bulletin boards for posting Union notices. One board per center will be designated by the administration as follows:

- High School - kitchen
- Middle School - principal's outer office

- Coolville - principal's outer office
- Bus Garage - outer bulletin board

SECTION 5

The Board will authorize a maximum of six (6) working days per year for duly elected/appointed delegates to attend any Union convention or conference to which Local 1292, Ohio Council 8 is entitled to representation. The Union President will give at least five (5) working days prior notice to the Superintendent or Board President of any delegate taking such leave. This is a total for all delegates in any one year, July 1st thru June 30th.

ARTICLE 5 GRIEVANCE PROCEDURE AND ARBITRATION

SECTION 1

A grievance is defined as any dispute between the Union and the Board or an employee and the Board concerning the application, interpretation or violation of the terms and conditions of this Agreement.

When a grievance is presented to the Employer or the Employer's representative, such shall be time stamped dated and initialed by the person presented with such form.

If school is closed due to holidays, inclement weather or an emergency, time limits on grievances shall be tolled. For example, if a grievance hearing is to be held within seven days and the school is closed for two days due to a calamity, the time limit to schedule the hearing shall be extended by two days.

SECTION 2

Time limits specified hereinafter shall consist of calendar days only. Time limits shall be strictly adhered to by both parties. Any extension of time shall be by mutual consent of both parties in writing. Failure to process a grievance within the specified time limits by the Union shall constitute a forfeiture and the grievance will be deemed won by the Board in accordance with the last answer given by the Board or its designated representative. Failure to process a grievance within the specified time limits by the Board shall constitute a forfeiture and the grievance will be deemed won by the Union in accordance with the relief requested in the original grievance.

It is understood that the aggrieved has the right to representation by either his building steward or the chief steward during any step, one of whom shall be present at the meeting.

SECTION 3 INITIATION OF GRIEVANCE

A grievance shall be initiated within seven (7) days of the occurrence of the cause for the complaint by the aggrieved employee and/or the Union or within seven (7) days after the grieving party becomes aware of the occurrence.

A grievance involving disciplinary action must be filed directly at Step 2 of the grievance procedure within seven (7) calendar days after the disciplinary action was received by the employee.

STEP 1 The aggrieved shall submit the grievance, in writing, to his/her immediate supervisor or building principal within seven (7) days of the initial occurrence of the cause of the complaint. The immediate supervisor or building principal will schedule a meeting with the aggrieved within seven (7) days of receipt of the grievance. If the grievance is not resolved at this meeting, the immediate supervisor or building principal has seven (7) days to file a written response and submit it to the aggrieved.

STEP 2 If the grievance is not resolved at Step 1, it shall be submitted to the Superintendent within seven (7) days. The written grievance shall contain the name of the aggrieved, the facts giving rise to the grievance, the provisions of the Agreement alleged to be violated, the position of the aggrieved and the Union with respect to these provisions and shall indicate the relief requested. A copy shall be submitted simultaneously to the supervisor or principal involved.

The Superintendent or his designated representative shall schedule any necessary meetings with the aggrieved, and the Union representative, and the principal or supervisor and shall issue an answer in writing within seven (7) days after receipt of the written grievance. If the grievance is not resolved at Step 2, it may be appealed to Step 4 by the Union within seven (7) days after receipt of the Step 2 answer. If the Union and Superintendent jointly agree, the grievance may be appealed to Step 3.

STEP 3 If the grievance is not resolved at Step 2, the Union and the Superintendent/designee may refer the grievance to mediation by giving written notice and a request for a mediator to the Federal Mediation and Conciliation Service (FMCS) or the State Employment Relations Board (SERB) within twenty work days of the date the answer was received at Step 2.

The mediator shall meet with both parties and their representatives to attempt to reach a settlement. Any settlement reached shall be reduced to writing and shall be binding upon the grievant, the Union and the Employer.

STEP 4 If the grievance is not settled at Step 3, the Union may appeal the grievance to the Board of Education within seven (7) days of the mediation hearing. Step 3 is an optional step. The decision to mediate is made jointly by the Union and Superintendent. If the grievance is not appealed to mediation, the Union may appeal the grievance directly to the Board of Education within seven (7) days of the receipt of the Step 2 answer. The Board and representative of the Union shall meet no later than thirty (30) days after receipt of the appeal to discuss the grievance and attempt to resolve the issue. A written answer stating the Board's position shall be provided the Union within seven (7) days of this Step 3 meeting.

STEP 5 If a satisfactory disposition of the grievance is not made as a result of the meeting provided for in Step 3 above, the Union shall have the right to appeal the dispute to an impartial arbitrator under and in accordance with the rules of the American Arbitration Association or Federal Mediation and Conciliation Service. Such appeal must be taken within twenty (20) calendar days from the date of the answer given in Step 3 above.

Both parties request that the arbitrator make his decision as early as possible.

SECTION 4 POWERS OF THE ARBITRATOR

It shall be the function of the arbitrator, and he shall be empowered except as his powers are limited below, after due investigation, to make a decision in cases of alleged violation of the specific articles and sections of this Agreement.

- A. He shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
- B. He shall have no power to establish salary structures or change any salary.
- C. He shall have no power to rule on any matter involving employee evaluation.
- D. He shall have no power to change any practice, policy, or rule of the Board nor to substitute his judgment for that of the Board as to the reasonableness of any such practice, policy, rule, or any action taken by the Board. His powers shall be limited to deciding whether the Board has violated the express articles or sections of this Agreement; and he shall not employ obligations and conditions binding upon the Board from this Agreement, it being understood that any matter not specifically set forth herein remains within the reserved rights of the Board. In deciding whether the Board has violated the express Articles or Sections of this Agreement, the arbitrator may consider past practice if raised by either party.
- E. He shall have no power to decide any question which, under this Agreement, is within the responsibility of management to decide. In rendering decisions, an arbitrator shall give due regard to the responsibility of management and shall so construe such responsibility except as it may be specifically conditioned by this Agreement.
- F. There shall be no appeal from an arbitrator's decision if within the scope of his authority as set forth above. It shall be final and binding on the Union, its members, the employee or employees involved, and the Board. The Union shall discourage any attempt of its members, and shall not encourage or cooperate with any of its members, in any appeal to any court or labor board from a decision of an arbitrator.
- G. The fees and expenses of the arbitrator shall be shared equally by the Board and the Union. All other expenses shall be borne by the party incurring them, and

neither party shall be responsible for the expense of witnesses called by the other.

- H. The fact that the grievance has been considered by the parties in the preceding steps of the grievance shall not constitute a waiver of jurisdictional limitations upon the arbitrator in this Agreement.

ARTICLE 6 SENIORITY/BID PROCEDURES

SECTION 1

Seniority shall be defined as the employee's continued employment with the Board and the use of such seniority for conditions of employment prescribed by this Agreement.

Length of Seniority

For the purposes of clarification, it is agreed by both parties (Federal Hocking School Employees, Local #1292, Ohio Council 8 of AFSCME, AFL-CIO and the Federal Hocking Local Board of Education) that seniority will be computed from the most recent date of hire. This date will be considered the date that the employee was hired by the Board into a bargaining unit position. (Board's final date of hire) Employees hired after July 1, 2009 shall have their seniority credited as of their first paid work day. When more than one person is hired on the same date, the person with the most seniority will be determined by the highest roll of dice. Once a tie has been broken, the employee's placement of seniority shall remain.

Two types of seniority are established:

- A. System-wide Seniority - the employee's length of continuous service with the Federal Hocking Local School District, computed from the most recent date of hire into the school district.
- B. Classification Seniority - the employee's length of service in his/her current classification.

SECTION 2 TERMINATION OF SENIORITY

Seniority shall terminate:

- A. If the employee quits.
- B. If the employee retires.
- C. If the employee is discharged.
- D. If the employee takes a position outside of the bargaining unit.

Employees on approved medical leaves of absence (including, but not limited to, Family Medical Leave, Workers Comp, Disability Leave), military leave, and Non-paid leave of absence for professional or educational purposes shall retain, but not accrue, seniority during the period of the leave, except as may otherwise be required by federal law. (i.e., an employee has 6 years, 3 months seniority, leaves for educational purposes for 1 year, when the employee returns they will have 6 years, 3 months seniority).

Full restoration of previous seniority shall be given to all employees who are laid-off and subsequently re-employed within twenty-four (24) months of separation from employment.

SECTION 3

System-wide seniority shall apply to vacancies and promotions in a particular classification, when no employee within that classification meets the requirements for the position or when employees within that classification fail to bid on a vacancy.

SECTION 4

Classification seniority shall apply in the event of transfer, when there shall be choice by seniority or the least senior employee transferred if no senior employee desires the transfer.

When returning to a classification previously held, employees, upon completing their probationary period, shall regain classification seniority previously held.

SECTION 5 SENIORITY LIST

The Union President will be furnished a list setting forth each member's name, classification seniority, and system-wide seniority, upon written request to the Superintendent.

SECTION 6 BID PROCEDURE

- A. It is understood that the Employer will decide when a vacancy exists & whether to fill the vacancy. If the Employer does not fill a vacated position, it shall notify the Union and provide an explanation as to why the position was not filled. Postings will be advertised electronically and posted in each building. Employees shall have the opportunity to bid on such vacancies and promotions by notifying the Superintendent in writing prior to midnight of the last day of the posting, of their desire for the vacant position. Nothing in this Article shall restrict the Employer's right not to fill a posted vacancy. Postings will specify that they are potential vacancies subject to Board approval and will be considered by the Board at the next regularly scheduled Board meeting.
- B. All posted vacancies shall include the initial date of posting, job title, location, hourly rate of the position, hours required, description of the duties, minimum

qualifications and shift. Job descriptions for all bargaining unit positions will be located at each work location and shall be provided to the Union.

C. The Employer shall use the following procedures in choosing a person to fill a vacancy:

1. The position will first be offered to applicants who are currently working in the same classification as the vacancy. Applicants must satisfy the requirements of the job description and must be physically able to perform the duties of the position as listed in the job description for that position. If more than one employee within the classification applies for the vacancy, the employee with the strongest performance evaluations shall be granted the position. If performance evaluations are the same, the employee with the most system-wide seniority shall be granted the position. If an employee has completed their probationary period, prior seniority in their present classification is regained and may be used toward bidding in that series.
2. If no employee from within the same classification as the vacancy applies for the position, all other applicants within the bargaining unit, will then be considered. The employee with the strongest performance evaluations shall be granted the position. If performance evaluations are the same, the employee with the most system-wide seniority shall be granted the position. The employee must meet the qualifications for the position, and must be physically able to perform the duties of the position as listed in the job description for that position.
3. To ascertain whether the most senior applicant is qualified for a position, an interview and test may be conducted by the administration. If the most senior is not qualified, the Employer shall interview the next most senior applicant to ascertain whether the employee is qualified for a position. The Union will have an opportunity to provide suggestions to the administration on the knowledge, skills and abilities necessary to perform the job. If a test is administered, it will be reasonable and job-related. The Employer reserves the right to select personnel for supervisory positions.
4. For purposes of bidding, "Custodian" shall be one classification, which will include the positions of Custodian, Head Custodian, 2nd Shift Custodian, 3rd Shift Custodian, and Custodial Maintenance Assistant; "Cooks" shall be one classification, which will include the positions of Cook, Head Cook and Cook/Cafeteria Manager; and "Mechanic" shall be one classification, which will include the position of Maintenance Mechanic. The remaining classifications for purposes of job bidding are: Secretary, Aide and Bus Driver.

(Example: A custodian bidding on a head custodian position shall have classification seniority for the head custodian position equal to the time spent in any of the custodian series positions.)

- D. Postings will be posted electronically and one shall be posted in each building.
- E.
 - 1. Substitutes will be employed only to fill in for absent employees or until such time as a vacancy which has occurred is filled. A substitute shall not be employed in a particular position for a period of more than five (5) weeks in a school year. Whenever the Employer becomes aware that an employee will be absent for two (2) weeks or more, regardless of the reason for the absence, his/her shift, work location or route shall be offered by seniority, on a temporary basis, to other employees in the same classification, who may transfer into the position until the absent employee returns. The substitute will then be employed in the position remaining after the last temporary vacancy is filled.
 - 2. In the event an employee is on a medical leave of absence, Workers Comp, educational leave or military leave for more than five (5) weeks and the employee's position is filled as a result of a posting, the returning employee shall be entitled to return to his/her original position. Employees displaced by returning employees shall return to their original position.
 - 3. In the event the employee on leave is a bus driver and is on leave at the time routes are bid on in accordance with Article 26, Section 1(D), the employee must bid on a route at that time. If the employee is incapacitated and unable to bid, then the Union President or building steward shall bid on behalf of the employee.
 - 4. It is understood that the parties to this Agreement may agree to extend the five (5) week period for posting positions left vacant by employees on leave.
- F. All posting periods will be for ten (10) calendar days, which will begin the day after pay day (e.g., for a Friday payday, the posting period is Saturday through Friday; for a Thursday pay day, the posting period is Friday through Thursday).
- G. For the purposes of this article, seniority will be computed from an employee's most recent date of hire as determined by the Board minutes. Seniority will continue to accrue during all paid leaves of absence. Seniority will not be broken by unpaid leaves of absence or employment by the Board in a position outside the bargaining unit, but such time will not be counted in computing seniority.

ARTICLE 7 WORKING CONDITIONS

SECTION 1 EXTRA WORK - SUMMER

- A. The Union will provide to the Superintendent, by May 20 of each year, a list by building of those employees who desire additional work in the summer. Employees will be called for any extra work in their own classification first based on their knowledge and skills. If all of these are equal, then seniority will be used to determine summer work. Employees will be employed from another classification if none in the current classification in need are available, and will be called based on their knowledge and skills. If all of these are equal, then seniority will be used to determine summer work.
- B. An employee hired for such work will receive the regular hourly rate established for that classification based on the 0 step, unless the employee has previous experience in the classification in which case the employee will be paid on the appropriate step based on completed years of experience in that classification.
- C. Summer work hours may be changed by the administration with at least a two (2) day written notice to the employee. The two (2) day notice may be waived by the employee, if necessary.
- D. Bargaining unit work performed in the summer shall first be offered to any bargaining unit members who have signed up for the summer work in accordance with this Article before it is offered to any non-member of the bargaining unit.

SECTION 2 PHYSICAL DISABILITY

An employee disqualified from performing assigned duties because of physical disability shall be offered another work assignment if physically able to perform such other duties, meets the competencies required, and provided a vacancy exists. If such vacancy exists, the Union agrees to waive the requirements of bidding in Article 6.

SECTION 3 PAYDAYS

- A. Paydays of non-teaching employees shall consist of twenty-four (24) pays per year with each pay date established by the Treasurer prior to the school year. Should payday fall during a scheduled holiday, employees shall receive payment on the last day prior to the holiday (i.e., if the holiday is on Friday, the employees will receive payment on Thursday).
- B. Employees shall receive compensation through direct deposit. Direct deposit shall be transmitted to the employee's depository institution by the designated payday.

SECTION 4 OTHER WORKING CONDITIONS

- A. The Board will pay employees mileage at the IRS rate per mile when the employee is required to use his/her own vehicle in the performance of school duties at the direction of the building principal, Transportation Supervisor or Superintendent.
- B. In the event of any major organizational changes, or changes in the mode of operation (i.e., bus routes, cafeterias); the Employer agrees to notify the Union, in advance, and schedule a meeting with the Union for input and suggestion, at least sixty (60) calendar days prior to any change(s).

SECTION 5

The Board shall pay for the cost of the driver's abstract, physical, drug tests, training classes, and fingerprinting as required for certificate renewal and re-certification.

SECTION 6

School fees for children of bargaining unit employees shall be waived.

SECTION 7

Each building Site Based Committee shall include one member of AFSCME Local 1292 from the building that shall be binding on the Board only if it is accepted by the Federal Hocking Teachers Association as a change in their master agreement.

ARTICLE 8 HEALTH AND SAFETY

Any concern regarding unsafe or unhealthy conditions shall be reported to the immediate supervisor and, if necessary, placed on the agenda of the Labor/Management meeting.

ARTICLE 9 PERSONNEL FILES

An employee will be permitted access to his/her personnel records in the main district files, at the Superintendent's office. He/she shall be permitted to obtain a copy of his/her files at a cost of ten cents (\$.10) per copy, if requested.

ARTICLE 10

LAYOFF, JOB ABOLISHMENT AND RECALL

Whenever it becomes necessary, as determined by the Employer, to reduce the number of non-certified employees, whether by layoff or job abolishment, the Employer shall proceed as follows:

- A. The Employer shall determine the number of employees to be laid off in each affected classification (i.e., bus drivers, cooks, custodians, aides, secretaries and mechanics).

For purposes of layoff and recall rights, "Custodian" shall be one classification, which will include the positions of Custodian, Head Custodian, 2nd Shift Custodian, 3rd Shift Custodian, and Custodial Maintenance Assistant; "Cooks" shall be one classification, which will include the positions of Cook, Head Cook and Cook/Cafeteria Manager; and "Assistant Mechanic" shall be one classification, which will include the positions of District Mechanic and Head Mechanic. The remaining classifications for purposes of job bidding are: Secretary, Aide and Bus Driver.

- B. The Employer shall endeavor to provide affected employees with at least thirty (30) days' notice of intended layoff, except in emergency circumstances.
- C. The Employer may consider laying off an employee(s) in the classification(s) to be reduced who submits to the Treasurer written notice of his/her willingness to be laid off. The Employer has absolute discretion to lay off or retain any such volunteer(s).
- D. In the absence of a sufficient number of volunteer(s) in the affected classification deemed suitable by the Employer, the Employer shall begin by layoff of temporary and new hire probationary employees in the affected classification, in reverse order of classification seniority. The Employer will next lay off regular employees in the affected classification in reverse order of classification seniority.
- E. An employee who is to be laid off as a result of a reduction in force may bump an employee with less classification seniority. If the employee chooses they may bump an employee with less seniority in another classification, provided that the employee currently is qualified for the position into which he/she seeks to bump. A displaced employee who bumps into a new classification will be assigned to the appropriate wage step in the new classification.
1. After an employee has displaced the less senior employee as set forth herein, he/she may immediately exercise any classification seniority previously accrued in the classification into which he/she has bumped (e.g., a bus driver that is laid off but had previously worked six (6) years as a custodian would have classification seniority over all custodians with less than six (6) years of classification seniority. The displaced, less

senior employee may bump a less senior employee in their classification, following the same procedure on down to the least senior employee receiving the last position available in that classification.

2. The bargaining unit member exercising seniority rights will serve a thirty (30) day trial period after displacing an employee in another classification. If the affected employee does not perform satisfactorily, he/she will be laid off and placed on the recall list.

Part-time employees accrue seniority by days they are employed and not by days worked. Therefore, part-time employees may use their seniority as a full-time employee would.

- F. Employees who are laid off shall be placed on a recall list for a period of twenty-four (24) months. If a position opens up in a classification in which an employee(s) on the recall list was employed at the time he/she was laid off, such employee(s) will be recalled in reverse order of layoff. Bargaining unit employees remaining on the recall list shall be recalled prior to hiring from the outside. Bargaining unit employees must meet the qualifications for the position they are returning to.
1. Written notice will be sent certified mail, return receipt requested to the last known address of such employees. The employee so notified will report, in writing, to the Superintendent of his/her intent to accept re-employment within ten (10) calendar days of receipt of the re-employment notification.
 2. An employee who has properly notified the Superintendent must report to work within thirty (30) days of receipt of the re-employment notification. Laid off employees shall maintain their recall rights for twenty-four (24) months following the day of layoff, except that an employee failing to report to work within thirty (30) days of receipt of the re-employment notification will be terminated.
- G. This Article supersedes and preempts rights under ORC 3319.081 and shall exclusively govern the layoff, job abolishment and recall of employees.
- H. In the event the School District accepts consolidation, the Board will notify the Union as soon as possible, and in any case not later than sixty (60) days after the decision is final.

ARTICLE 11 SUB-CONTRACTING

The Board agrees not to subcontract or contract out work in any classification where employees are capable of performing the work, if such subcontracting would result in the lay-off or displacement of such employees. This Article does not apply to the hiring

of outside contractors for major work on a temporary project. For mowing in the growing season, the Board of Education may use a substitute employee during the school year. During summer break only bargaining unit members may be assigned from the extra work summer list.

ARTICLE 12 DISCIPLINARY PROCEDURES

SECTION 1

The Board shall have the right to discipline or discharge employees, for just cause.

SECTION 2

In disciplining employees, the Board shall utilize the principle of progressive corrective action, except in cases of serious offenses as set forth below. Any offense leads to the next step of discipline in accordance with the following order of discipline:

- A. First Offense: Verbal reprimand/warning, which shall be documented.
- B. Second Offense: Written reprimand/warning
- C. Third Offense: Suspension of five (5) days or less without pay.
- D. Fourth Offense: Suspensions of more than five (5) days without pay.
- E. Any subsequent offense would result in termination.

Rules cannot be listed to cover every situation. Although discipline shall ordinarily be progressive, certain offenses are serious enough to warrant immediate discharge or suspension without regard to previous reprimands or discipline. Discipline shall be commensurate with the offense committed.

SECTION 3

Before imposing discipline on an employee, the Employer shall hold a conference with the employee to give the employee an opportunity to learn the reasons for the intended disciplinary action and to explain his/her behavior. The employee has the right to be accompanied at the conference by Union representative(s), however the Board shall only have to pay one representative. Union President and the employee shall receive two (2) days advance notice of disciplinary conferences stating the type(s) of discipline that may be imposed and the reason(s) for possible discipline. If the Employer determines that the employee's continued employment prior to the conference poses a danger to persons or property or a threat of disrupting operations, it may suspend the employee with pay pending the conference to determine final disciplinary action. However, in the event that the disciplinary conference does not occur within the two (2) days, because of the Union's or the employee's inability to attend within two days, then the suspension shall be without pay thereafter. The Employer shall provide a written disciplinary/non-discipline decision to the employee and the Union President within five (5) working days of the pre-disciplinary conference.

SECTION 4

In taking any disciplinary action against any employee, the Board will not rely on any prior reprimand or suspension of two days or less, which occurred more than twelve (12) calendar months or prior suspensions of three (3) to five (5) days which occurred more than eighteen (18) calendar months, or prior suspensions of more than five (5) days which occurred more than twenty-four (24) months prior to the occurrence upon which the current disciplinary action is based. The disciplinary record will be considered cleared after the expiration of the last offense, providing there has been no intervening disciplinary action.

SECTION 5

A grievance involving disciplinary action must be filed directly at Step 2 of the grievance procedure within seven (7) calendar days after the disciplinary action was received by the employee.

SECTION 6

The Superintendent may impose a suspension without pay for up to 30 days. Only the Board of Education shall discharge an employee. The Employer shall give the employee and Union President written notice of any decision to discipline or discharge the employee. Such actions shall be subject to the grievance procedure.

SECTION 7

This Article supercedes and takes the place of ORC 3319.081-083 and shall exclusively govern the discipline and discharge of employees.

After completion of the probationary period, employees will be credited with seniority from the first date of hire. The employee will be given a wage for the classification to which he/she is transferring, which shall place him/her in the same step of the pay scale as the step he/she was receiving in his/her prior classification. Thereafter, employees shall advance through the remaining steps in accordance with Section 2 above. Employees who are off the scale and transfer to another classification shall be placed in the step closest to their former rate of pay and shall advance through any remaining steps in the same manner as other employees. Final approval of the transfer will be dependent upon good job performance during the probationary period as determined by his/her supervisors' evaluation(s).

During this probationary period, the employee will continue eligibility for all fringe benefits and rights previously afforded him/her under the terms of his/her contract and this negotiated Agreement.

SECTION 4

During the new hire probationary period, the Board shall have the right to discipline or terminate any probationary employee, and such discipline or termination shall not be subject to the provisions of the Grievance Procedure or be otherwise affected by this Agreement. 5. The full-time Head Cook's work day shall be seven and one-half (7 $\frac{1}{2}$) hours including one-half ($\frac{1}{2}$) hour for lunch, provided he/she remains in the immediate vicinity of his/her work area.

SECTION 2 WORK SCHEDULE.

- A. The daily starting and quitting times for all employees shall be established no later than fifteen (15) working days after the start of the school year. These times cannot be changed unless at least two (2) weeks' notice is given to the employee by his/her immediate supervisor or the Superintendent or by mutual consent of both parties, as verified in writing.
- B. Second (2nd) or third (3rd) shift Custodians wishing to work the first (1st) shift in the absence of the Head Custodian may do so upon approval of the Maintenance Supervisor. To be approved the Custodian must be qualified to perform the daily

tasks for the first (1st) shift assignment. Said employee will sign a statement indicating it is a volunteer request and not subject to additional remuneration. In the event the Head Custodian is going to be absent more than two (2) consecutive days, the second (2nd) or third (3rd) shift custodian may be permitted to assume the Head Custodian's duties and receive the additional wage for the Head Custodian's classification provided he/she is qualified to do the Head Custodian's duties and responsibilities. An Assistant Mechanic who works in the classification of District Mechanic shall be paid at the District Mechanic rate of pay.

C. The parties hereby agree that:

1. The Board may establish a ten (10) hour day, forty (40) hour, four (4) consecutive day work week for certain employees or groups of employees provided that each affected employee agrees to such a change in his/her work schedule.
2. In the event an employee's schedule is changed to a ten (10) hour a day, forty (40) hour, four (4) consecutive day work week, as prescribed above, the employee shall receive payment of time and one-half (1 ½) pay for all hours worked over ten (10) in one day or forty (40) in one week for the affected employee(s).

SECTION 3 OVERTIME.

- A.
1. All hours actually worked in excess of eight (8) hours per day or forty (40) hours per week will be paid at the rate of time and one-half (1 ½) the regular rate of pay.
 2. Regular bus drivers driving extra trips will be paid their regular rate of pay for all hours worked. All hours in excess of forty (40) hours will be paid at the rate of time and one-half (1 ½).
- B. The Board will maintain and post an overtime/extra work list at each center. This list will set forth the total number of overtime/extra work hours offered to and/or worked by each employee. Whenever an overtime opportunity arises, it shall be offered first to the employee(s) who normally performs the work who has the least number of hours on the list.

Bus drivers' overtime/extra work list shall be rotated by trip (not hours). The list shall set forth the total number of extra trips offered to and/or driven by each employee. The list shall first be established by most senior offered first trip and shall be rotated. Employees unable to take extra trips due to their regular route shall not be charged for trips they did not take due to their regular route.

Bus Drivers interested in routes during summer break are encouraged to sign the summer break overtime/extra trip roster, which shall work the same as the school year voluntary overtime/extra trip roster. Interested drivers must be present to

sign the weekly trip schedule. The trips scheduled shall be posted as they are received by the Transportation Supervisor, and no later than the last day of the school week, on the bulletin board outside the Transportation Supervisor's office. Drivers will sign-up for trips on the list prior to high school dismissal. If an insufficient number of eligible drivers sign-up on the weekly overtime roster, the Transportation Supervisor will assign the open trip(s).

Drivers shall select all desired trips on the weekly roster by placing an "X" in each of those trips columns. The Transportation Supervisor will assign trips, in the listed order, to the most senior driver on a rotating roster. When all trips are filled for that week's roster, the following week's roster will begin with the next senior driver on the overtime roster.

The bus driver overtime roster will list, in order of seniority, all eligible full-time drivers and all trips available for that week. Trips will be listed with the date of the trip, the starting place of the trips, and the number of drivers needed for that trip. Transportation supervisor shall be the custodian of the original trip schedules and the steward shall be given the original schedules from previous weeks.

Holdover overtime will not be subject to the call out procedure described above. Employees who work holdover overtime will be charged for such time on the overtime/extra work list. When school is not in session, the Transportation Supervisor will assign trips. After the completion of their probationary period, new employees will be placed on the bottom of the seniority list.

- C. It will be the responsibility of the employee who has worked the overtime to submit to his immediate supervisor by the end of the pay period, a signed overtime pay request and time sheet/card. Overtime will be paid on the payday following the pay period in which the overtime was worked.
- D. Overtime must be authorized by the Superintendent and supervisor prior to being worked. Overtime which is performed without the written authorization of the Superintendent or his/her designee will result in disciplinary action as outlined in Article 12, Disciplinary Procedures. In an emergency, the supervisor may verbally approve the overtime. The signed time sheet must indicate the reason for the overtime.

SECTION 4 SUBSTITUTES.

- A. The administration/supervisor has a right to call a substitute to work when a regular employee has not reported for work after first offering to the part-time employees if not working. Extra work shall be offered to qualified, available bargaining unit employees before offering to substitutes.
- B. In a case where no substitutes can be found and no one on the overtime list volunteers, the employee whose turn is first on the list will be assigned to work and must perform the task.

ARTICLE 27 WAGES

Wage rates shall be reflected in Addendum #1. There is no wage increase for the 2020-2021 contract year.

There shall be no title changes that would increase any employee's salary for the purpose of subverting this article.

ARTICLE 28 LONGEVITY

After an employee completes fourteen (14) years of service, he shall receive an additional fifteen cents (\$.15) per hour added to his/her regular hours of pay. All years of service over fifteen (15) years, he/she shall receive an additional two cents (\$.02) per hour added to his/her regular hours of pay. This means an employee gets an additional fifteen cents (\$.15) per regular hour worked in his fifteenth (15th) year, and continues at this longevity figure of an additional two cents (\$.02) per annum through his/her employment.

ARTICLE 29 DRUG AND ALCOHOL TESTING FOR DRIVERS OF SCHOOL OWNED VEHICLES

A. The procedures for conducting drug and alcohol testing of vehicle drivers shall be governed by federal and state law and the Board policy in effect on June 30, 2001. If the Board proposes to change its policy on the issue, then the parties will re-open negotiations on this Article.

B. The procedures for handling violations of the drug and alcohol testing policy are as follows:

1. First Offense:

The Employer may implement up to a ten (10) day suspension without pay, and when the employee tests positive for drugs or alcohol following an accident or an incident involving property damage and/or injury to person(s), then the employee may be terminated. Disciplinary action shall be subject to the grievance procedure.

2. Second Offense:

The Employer has the right to terminate the employee, which shall be subject to the grievance procedure. When the employee tests positive for drugs or alcohol following an accident or an incident involving property damage and/or injury to person(s), then the employee shall be terminated.

- C. Employees who have entered or are awaiting entry into an approved treatment program may use sick leave, vacation time, personal days, and/or any approved unpaid leave during that period of time.
- D. The Employer will attempt to obtain information about rehabilitation/counseling centers and a list of substances that can result in a false positive test to give to employees required to take drug and alcohol testing. Section B(4) of this article shall not be subject to the grievance procedure.

ARTICLE 30 NEGOTIATION PROCEDURES

A. Request for Opening of Negotiations

A request for the opening of negotiations shall be submitted in writing by the Union to the Superintendent or by the Superintendent to the President of the Union and AFSCME Ohio Council 8, Athens Region on or before ninety (90) calendar days prior to the expiration of the current contract. If neither party gives notice of its desire to modify or terminate this Agreement as provided above, this Agreement shall continue in full force and effect from year to year after June 30, subject to modification or termination by either party on ninety (90) days written notice to the other prior to June 30, of any subsequent year. A mutually convenient meeting date shall be set no later than sixty (60) calendar days prior to the expiration of the current contract, unless both parties agree to a later date, to set dates and procedures for the ensuing meetings. A mutually convenient meeting date shall be set no later than thirty (30) calendar days prior to the expiration of the current contract, unless both parties agree to a later date, to adopt an agenda listing those issues which shall be negotiated.

B. Negotiation Procedures

The parties shall meet at times and places agreed upon at the prior meeting. All meetings shall be held in private, unless otherwise mutually agreed.

C. Caucus

Upon request of either party, the negotiation meeting shall be recessed to permit the requesting party a reasonable period of time to caucus.

D. Item Agreement

As negotiated items are agreed upon, they shall be reduced to writing and signed/initialed by the chief negotiator of each party. Such signing/initializing shall be construed as a tentative agreement by both parties on that issue, subject to finalization by ratification by the membership of the Union and adoption/ratification of the Board.

E. Agreement

When an agreement is reached on all items, the outcome shall be reduced to writing. The Employer shall prepare the Tentative Agreement for review. Both parties shall review the Tentative Agreement to determine the accuracy of the document. If the Tentative Agreement is then in proper form, it shall be submitted to the Union for ratification. Upon ratification by the Union, it shall be submitted to the Board of Education for adoption/ratification. If adopted by the Board, the Agreement shall be binding on both parties. Said agreement shall be signed by the Board's representatives and by the Union's representative.

F. Printing and Distribution

After ratification, the agreement will be printed and distributed to each member of the bargaining unit, each administrator, and each member of the Board. As new employees are hired, they shall be provided a copy of the agreement. The Board and the Union will share the cost of printing and distribution equally.

G. Confidentiality

Until impasse has been declared or the contract has expired, whichever is later, no unilateral press releases or other public disclosure of the content of specific negotiations proposals will be made by either party. Joint press releases may be made at any time.

H. Negotiating Teams

The Board and the Union will be represented at negotiations meetings by teams consisting of not more than eight (8) persons, including outside representatives. Either party may bring in other district employees to address specific issues. In addition, and with mutual agreement, either party may bring in a consultant to address specific issues.

I. Impasse Procedures/Mutual Alternate Dispute (MAD) Agreement

If agreement is not reached on matters being negotiated at any time within fifty-five (55) calendar days of the expiration date of this Agreement (or at any later time), either party may declare impasse and request that an impartial mediator be appointed. When impasse is so declared, a Federal Mediation and

Conciliation Service (FMCS) mediator or a mediator from the Bureau of Mediation of the Ohio State Employment Relations Board shall be used. If the parties cannot agree on a mediator, FMCS shall be requested to appoint a mediator, and the selection shall be in accordance with the rules of FMCS.

The mediator shall have the right to hold meetings with the negotiating parties in seeking to affect a resolution to the disagreement(s) in accordance with the rules and regulations of FMCS or SERB.

The Union reserves the right to strike under the provisions of ORC 4117.14, after mediation has been conducted. At that time, the Board may exercise its right to implement.

This impasses procedure is the parties' alternative dispute resolution procedure and is intended to supercede and replace the statutory procedures contained in ORC 4117.14.

J. Termination of Mutual Alternate Dispute (MAD)

The following provisions shall govern termination of the Mutual Alternate Dispute Agreement:

1. This agreement may not be canceled, revoked, or terminated during the term of the current collective bargaining Agreement between the parties or while negotiations for a new collective bargaining agreement are being conducted. This MAD may not be canceled, revoked or terminated prior to or during the period of any Agreement modification.
2. This Agreement may be terminated during the term of any succeeding collective bargaining agreement as follows:
 - A) By giving notice to the other party between the period of ninety (90) to sixty (60) calendar days prior to the termination date of any succeeding collective bargaining agreement.
 - B) This notice must be in writing and must be sent certified mail with a return receipt requested or hand delivered.
3. This Agreement shall not be subject to the grievance and arbitration procedure of the current collective bargaining agreement between the parties or any succeeding collective bargaining agreement.

ARTICLE 31 SICK LEAVE BANK

- A. When a bargaining unit member with over five (5) years of service has exhausted all of his/her accumulated paid leave (i.e. sick leave, personal leave and vacation leave) and experiences a serious, long term illness which a doctor states makes him/her unable to continue working and when that employee is ineligible for disability retirement or is in the process of applying for such, so additional days of sick leave are still needed, then he/she may request through the Union that the additional days be transferred from other District employees' accumulated sick leave.
- B. The Union shall establish an internal policy to recruit donors for such a transfer. Employees wishing to donate sick leave will not be individually solicited.
- C. The Union shall notify, in writing, the Treasurer of the Board of the person(s) donating sick leave days, the number of days to be deducted from each, and the person who shall receive the transferred time. The notice shall include a signed statement by the District employee donating sick leave time, authorizing the Board Treasurer to transfer the time. For record keeping purposes, the sick leave accumulation of an employee will be converted to hours, and then back to days, when sick leave time is transferred.
- D. Donation shall be limited to five (5) days per donating employee per school year from District employees that have an accumulation of at least 150 days.
- E. Sick leave days transferred to a member shall be deducted from the donating employee's sick leave balance. If any of those days are unused by the receiving employee at the end of the current fiscal year, however, then they shall be converted to hours and back to days and credited to the donating employee's sick leave balance.
- F. An employee receiving sick leave time will receive donated sick leave days in ten (10) day increments.

ARTICLE 32 EVALUATIONS

SECTION 1

All bargaining unit employees shall have an evaluation by winter break of each school year by their Supervisor. The evaluation shall be in writing and discussed with the employee.

All employees' evaluations shall be signed by the employee indicating he/she has read and understands the evaluation. Signed evaluations do not indicate agreement with the evaluation by the employee unless so noted by the employee under comment.

The employee may attach a letter of disagreement or rebuttal to the evaluation form, or the employee may ask for a meeting with the Supervisor and their Department Head and a Union Officer to discuss the disagreements.

Failure of the Supervisor to complete the evaluation shall result in the employee receiving the highest score possible.

**ARTICLE 33
DURATION OF AGREEMENT**

This Agreement shall be effective July 1, 2020, and shall continue in full force and effect until 11:59 p.m., June 30, 2021. See Article 30A for negotiations time lines.

The parties will reopen Article 25 (Insurance) each year of the contract. However, the Board will not implement a change to insurance without mutual agreement by the Union.

In witness whereof, the parties hereto have duly executed this Agreement on June 8th, 2020:
