- B. The parties to this Agreement agree that there has been a full and complete effort to present and discuss proposals and there are no other understandings than those contained in the negotiated agreement. The negotiated Agreement supersedes any and all agreements between the parties hereto and is a final and complete agreement of all negotiated items that are in effect throughout the term of said agreement.

ARTICLE 1 – BOARD RIGHTS

Complaints from the public will be directed to the staff member, principal of the school involved, supervisor or the Superintendent.

In addition, the Board of Education will make available one "high option" PPO Plan. If this option is taken by the bargaining unit member, the Board will contribute the same dollar amount towards the premium for that option that it would for core health care coverage. 1. The pick-up percentage shall apply uniformly to all members of the bargaining unit as a condition of employment. The pick-up shall apply to all compensation including supplemental earnings thereafter.
2. The parties agree that should the rules and regulations of the IRS, or retirement system change making this procedure unworkable, the parties agree to return, without penalty, to the former method of employee/employer contributions.

4. Such salary reduction shall not result in a salary which is less than the salary available under the State minimum salary schedule. Should the reduction calculation result in a salary that is less than the State minimum salary schedule, pro rata reduction shall result with the employee contributing that portion which falls below such State minimum level.

E. 125 Plan:

The Board of Education will make available to each member of the Association a 125 Plan. The plan will annuitize the medical insurance premium, medical expenses and dependent care. Under the state framework, the evaluation will result in one of the following effectiveness ratings: (1) Ineffective; (2) Developing; (3) Skilled; or (4) Accomplished.
 - 4. The teacher effectiveness rating shall be derived from a summative evaluation where fifty (50) percent of the overall evaluation is based on student growth measures as provided for in this agreement and fifty (50) percent of the overall evaluation is based on a teacher's performance rating as provided for in this agreement. The fifty (50) percent teacher performance rating is aligned with the Ohio Standards for the Teaching Profession and the framework for evaluation of teachers developed by the State Board of Education.

Informal classroom visits may occur at any time to spot-check ongoing instructional activities, assess compliance with established building organizational routines and provide a vehicle for direct communication between professional employee and administrator. As opposed to a formal observation or a walkthrough, informal classroom visits will not generally result in a formal written report and/or a scheduled post-conference unless there is a concern observed that could negatively impact a teacher's overall evaluation. This information shall be communicated to the teacher within three (3) work days.

J. Finalization of Evaluation

1. Summative Evaluation Report

In the event that the teacher and the evaluator cannot agree on the evaluator's expectations for the improvement plan, the teacher may request an Association representative to facilitate further discussion between the teacher and the evaluator. If agreement is not reached by October 15, the evaluator shall implement an improvement plan that shall govern for purposes of the evaluation. The teacher shall have the right to appeal such implementation to the Superintendent. The Superintendent shall have the final decision without further appeal.

Fifty (50) percent of a teacher's evaluation must be comprised of student growth measures. The extent to which Value-Added, alternative student academic progress measures, ODE-Approved Assessments, and Locally-determined Measures (student learning objectives ("SLOs")) are used to calculate the student-growth component of a teacher's evaluation will be in accordance with State law and regulation. 1. Any minor, technical or other immaterial failure to comply with the evaluation procedures by the Board, which do not prejudice the substantial rights of a counselor, or that are not the fault of the administration, shall not serve to inhibit the right of the Board to non-renew or otherwise terminate the contract of a counselor.
- 2.. While the substance of an evaluation shall not be subject to the grievance procedure, the determination as to whether the procedures of this Article have been materially complied with shall be subject to the grievance procedure.

ARTICLE 21- STAFF APPLYING FOR CONTINUING CONTRACT

Staff applying for continuing contract status shall inform the administrator and Superintendent by October 1 of a given school year. The staff member will be evaluated in that given year using eTPES procedures.

ARTICLE 22- CALAMITY DAYS

- A. "Calamity Days" are defined as any days schools are closed by the Administration due to snow, or other inclement weather, calamity, or energy reasons.

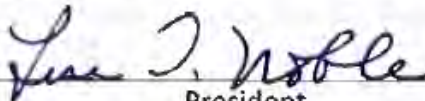

- B. Staff shall not be required to report to work on the first five (5) calamity days of any school year, and such days shall not be made up. There shall be no loss of wages and benefits for days 1 through 5.
- C. Individual teachers shall prepare blizzard bag lessons/eDay lessons for calamity days six (6), seven (7) and eight (8). Days 6, 7 and 8 count as teacher work days. On such days, teachers shall be required to report to their buildings. In the alternative, teachers may remain at home to respond to student/parent emails and to provide necessary assistance only if the teacher can connect to the internet, the District's web-based software, and have access to any other technology that is necessary to accomplish their duties.
- D. Beginning with calamity days nine (9) and beyond, staff shall remain home and make-up the days with no additional compensation.
- E. When the administration determines that a delay in the starting time is necessary, teachers shall report no later than thirty (30) minutes prior to the scheduled commencement of classes.
- F. When the administration determines that an early dismissal is warranted, teachers shall not be required to remain more than thirty (30) minutes following the dismissal of students.
- G. However, the Superintendent may make such emergency decisions necessary, in the best interest of the school district's education process, which would alter the defined normal procedures to be followed in the event of canceling, delaying, or early dismissing school.

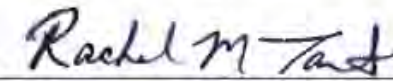

ARTICLE 23 - DURATION

This agreement, subject to adoption by the Board, shall be effective as of its execution and shall expire on June 30, 2021.
