ARTICLE 1 – AGREEMENT

Section 1.1. Agreement. This Agreement is made and entered into by and between the City of Bexley, Ohio (hereinafter referred to as “City”), and the Fraternal Order of Police, Capital City Lodge No. 9 (hereinafter referred to as “Lodge”).

Section 1.2. Purpose. This Agreement is made for the purpose of setting forth the understandings and agreements between the City and the Lodge governing the wages, hours, terms and other conditions of employment for those employees (herein identified as “member” or “members”) included in the Bargaining Units as defined herein.

Section 1.3. Severability. If a court of competent jurisdiction finds any provision of this Agreement to be contrary to law, or if the City and the Lodge mutually agree that any provision is invalid by operation of law, such provision shall be of no further force and effect, but the remainder of the Agreement shall remain in full force and effect. In the event of such invalidity, the City and the Lodge will schedule a meeting at a mutually agreeable time, within thirty (30) days of one party’s written request to the other, to negotiate alternative language on the subject matter held to be or found to be invalid.

Section 1.4. Amendment of Agreement. No changes in this Agreement shall be negotiated during its duration unless the City and the Lodge agree in writing to so amend the Agreement.

Section 1.5. Past Benefits and Practices. The City and Lodge agree that any past benefit or practice which is not contained in this Agreement shall not be altered or discontinued until the City has notified the Lodge of such intention and provided an opportunity for the Lodge to provide input through discussion at a Labor Relations Meeting.

ARTICLE 2 – RECOGNITION

Section 2.1. Recognition. The City recognizes the Lodge as the sole and exclusive representative of all members included in the Bargaining Units described herein in any and all matters relating to wages, hours, terms and other conditions of employment, and the continuation, modification, or deletion of an existing provision of this Agreement and for the administration of this Agreement.

Section 2.2. Bargaining Units. The Bargaining Units shall consist of (1) all full-time regular policemen and policewomen in the rank of Police Officer; and (2) all full-time regular police officers in the rank of Sergeant. Excluded from inclusion within either unit are the positions of Captain and Chief. The inclusion and exclusions are as certified by the Ohio State Employment Relations Board in Case No. 84-VR-05-1116, dated January 30, 1985 and in case No. 95-REP-08-0148, dated October 4, 1995.

Reference in this Agreement to member(s) shall refer to members of both bargaining units, unless specified otherwise.

ARTICLE 3 – LODGE SECURITY

Section 3.1. Dues Deduction. The City agrees to deduct Lodge membership dues as certified by the Lodge to the City once each month upon written authorization signed by a member on a form to be provided and which may be presented to the City by the member or representative. The City shall also deduct initiation fees and assessments of the Lodge upon presentation of a written deduction authorization by the member.

The City shall provide the Lodge with one (1) additional payroll deduction space for the purpose of the Lodge providing additional member benefits.

Section 3.2. Fair Share Fee.

As a consequence of the decision in *Janus v. AFSCME, Council 31, et al.* (decided June 27, 2018), the City and the Lodge have agreed to remove prior provisions pertaining to the payment of fair share fees by non-members; and, the City and Lodge agree that fair share fees may no longer be deducted from non-members' pay. The City and the Lodge agree further that, in the event there are changes in the law that permit the collection of fees or other financial support from non-members of the Lodge through payroll deduction, the Lodge and the City shall enter into good faith negotiations to address and permit the collection of such fees and/or financial support through payroll deduction.

Section 3.3. Lodge Responsibility. The parties agree that the City assumes no obligations, financial or otherwise, arising out of the provisions of this Agreement regarding the deduction of Lodge dues. The Lodge hereby agrees that it will indemnify and hold the City harmless from any claims, actions or proceedings including the defense thereof, by a member arising from deductions made by the City pursuant to this Article. If requested, the Lodge shall provide its legal counsel (at no cost to the City) to defend the City in any claim, action or proceeding. Once the funds are remitted to the Lodge, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Lodge.

Section 3.4. City Responsibility. The City shall be relieved from making individual dues deduction payments to the Lodge when a member: (1) resigns or is separated from City employment; (2) is laid off from City employment; (3) provides written revocation of dues deduction authorization to both the City and the Lodge; (4) is on an unpaid leave of absence when the dues deduction would otherwise be due; or (5) at any time when dues are otherwise due, fails to receive sufficient wages to make all legally required deductions in addition to the deduction of Lodge dues, provided that the member's dues shall thereafter be deducted in the first available pay period in which the member has sufficient wages to make the dues deduction in addition to all legally required deductions.

Section 3.5. Errors in Processing. It is agreed that neither the members nor the Lodge shall have a claim against the City for errors in the processing of deductions unless a claim of error is made to the City in writing within sixty (60) days after the date such an error is claimed to have occurred. If it is found an error was made, it will be corrected at the next pay period that the Lodge dues or fee deduction will normally be made by deducting the proper amount. Payroll collection of dues shall be authorized for the Lodge only, and for no other organization attempting to represent the members within the bargaining units as herein determined.

Section 3.6. Bulletin Board. The Lodge shall be permitted to continue to maintain a Lodge bulletin board at Department headquarters. Lodge bulletins, Lodge material, and communications of interest to members only shall be permitted to be posted on this board. No derogatory material shall be posted on the Lodge bulletin board.

Section 3.7. Ballot Boxes. The Lodge shall be permitted, upon prior notification to the Chief, to place a ballot box at Department headquarters for the purpose of collecting members' ballots on all Lodge issues subject to ballot. Such box shall be the property of the Lodge and neither the ballot box nor its contents shall be subject to the Department's review.

Section 3.8. Use of Intra-Department Mail System and City E-Mail. The Lodge shall be permitted reasonable use of the intra-department mail system, i.e. access to members' mail slots, for the direct distribution of material pertaining to collective bargaining, contract administration, or other similar business germane to the Lodge's role as exclusive representative. The Lodge shall observe established Departmental procedure for the distribution of all such materials; however, the material, when placed in a sealed envelope clearly marked as a Lodge communication, shall not be subject to review by the City and/or Department. The lodge shall also be provided access to the City's e-mail system for purposes of communicating with its members in regard to matters for which the Lodge may use the Intra-Department mail system. No assurance of confidentiality shall attach to the Lodge's use of the City's e-mail system.

Section 3.9. Lodge Training and Release Time. If a written request is provided to the Chief at least ten (10) days in advance, the Chief shall not unreasonably deny for at least one (1) Grievance Representative to attend Lodge sponsored training seminars and/or the FOP national or state conferences. Time off under this section shall not exceed a total of three (3) days per year for all Grievance Representatives.

ARTICLE 4 – NONDISCRIMINATION

Section 4.1. Joint Pledge. Neither the City nor the Lodge shall discriminate against any member on the basis of age, sex, sexual orientation, race, color, creed, religion, ancestry, national origin, disability, military service, or application for participation in the Ohio Workers' Compensation Program, as provided by law.

Section 4.2. City Pledge. The City agrees not to interfere with the rights of members to become members of the Lodge, and the City shall not discriminate, interfere, or coerce any member because of Lodge membership or because of or regarding his or her activities as an officer or other representative of the Lodge.

Section 4.3. Lodge Pledge. The Lodge agrees not to interfere with the rights of a member to refrain from or resign from membership in the Lodge, and the Lodge shall not discriminate, interfere, restrain, or coerce any member for exercising the right to abstain from membership in the Lodge.

ARTICLE 5 – GRIEVANCE PROCEDURE

Section 5.1. Grievance Defined. A grievance is defined as an allegation that there has been a breach, misinterpretation or improper application of any term or terms of this Agreement.

Section 5.2. Qualifications. A grievance may be filed by member(s) or by the Lodge as exclusive representative to enforce its rights under the Agreement or on behalf of a group of members who are affected by the act or condition giving rise to the grievance in the same or similar manner. The Lodge shall not process a grievance on behalf of any member without the member's knowledge and consent. A member has the right to present grievances and have them adjusted, without intervention of the Lodge, as long as the adjustment is consistent with the terms of this Agreement and as long as the Lodge is present at the adjustment.

Section 5.3. Jurisdiction. Nothing in this Grievance Procedure shall deny members the opportunity to appeal to and/or exercise their legal right to appear before any judicial or administrative forum, except the Bexley Municipal Civil Service Commission as hereinafter provided. If a member elects to pursue such a judicial or administrative remedy, and an administrative tribunal or court takes jurisdiction, a member is thereafter precluded from seeking a remedy under the Grievance Procedure. In that this Grievance Procedure culminates in final and binding arbitration, the Bexley Municipal Civil Service Commission shall have no jurisdiction to receive and determine any appeals relating to matters which are proper subjects under this Grievance Procedure.

Section 5.4. Grievance Procedure. The following steps and procedures shall be utilized in the resolution of grievances.

While the following steps and procedures are to be utilized in the resolution of grievances, a member and his or her immediate supervisor are encouraged, but not required, to informally discuss whether a matter in dispute might be resolved without the filing of a grievance.

Informal Discussion Procedure: A grievance may be processed through an oral discussion with the grievant's immediate supervisor within seven (7) calendar days of the day the grievant became aware or should have become aware of the incident giving rise to the grievance. If the informal discussion is used, the immediate supervisor shall meet informally with the grievant. Neither the supervisor nor the grievant shall be represented in these informal discussions, except by a local grievance representative.

Formal Procedure:

A. Step One.

1. If the grievance is not resolved to the satisfaction of the grievant using the informal discussions outlined above, or if the informal discussions are not utilized, the grievance shall be reduced to writing and filed with the grievant's immediate supervisor no later than fourteen (14) calendar days from the date the grievant became aware or should have become aware of the incident giving rise to the grievance. This

written grievance shall be submitted to the supervisor on the Grievance Form. The supervisor shall date-stamp the Form on the date of its receipt.

2. As soon as is practicable, but no later than seven (7) calendar days after his or her receipt of the written grievance, the immediate supervisor shall affix his or her written response and return one copy of it to the grievant.

B. Step Two.

1. Should the grievant not be satisfied with the response to the grievance at Step One of the procedure, the grievant may appeal the grievance to the Chief. The grievant shall initiate this appeal within seven (7) calendar days after receipt of the Step One response by delivering a copy of the Grievance Form containing the written responses from prior steps, and any other pertinent documents, to the office of the Chief. The Office of the Chief shall date-stamp the Grievance Form on the date of its receipt.
2. Within fourteen (14) calendar days of his or her receipt of the Grievance Form, the Chief shall investigate the grievance and shall schedule and conduct a meeting to discuss the grievance with the grievant. The grievant may bring to the meeting a Grievance Representative and/or a non-employee Lodge Representative. The Chief may be joined in the meeting by any designated representative. The parties may mutually agree to the attendance of other persons.
3. At the meeting called for at this Step, the grievant, the Grievance Representative, and/or Lodge Representative will be permitted to give a full explanation of the grievance and the material facts relating thereto. The Chief may elect to inquire of the grievant or respond in the meeting in addition to the required written response.
4. Within seven (7) calendar days after the meeting at this Step, the Chief shall submit to the grievant a written response to the grievance, which response shall be signed and dated.
5. The Chief may name a designee to investigate, hear, and respond to the grievance.

C. Step Three.

1. Should the grievant not be satisfied with the response to the grievance at Step Two of the procedure, the grievant may appeal the grievance to the Mayor/Safety Director. The grievant shall initiate this appeal within seven (7) calendar days after receipt of the Step Two response by delivering a copy of the Grievance Form containing the written responses from prior steps, and any other pertinent documents, to the office of the Mayor/Safety Director. The Mayor/Safety Director shall date-stamp the Grievance Form on the date of its receipt.
2. Within fourteen (14) calendar days of receipt of the Grievance Form, the Mayor/Safety Director shall investigate the grievance and shall schedule and conduct

a meeting to discuss the grievance with the grievant. The Grievant may bring to the meeting a Grievance Representative and/or a non-employee Lodge Representative. The Mayor/Safety Director may be joined in the meeting by the Chief and designated City Representative(s).

3. At the meeting called for at this Step, the grievant, the Grievance Representative and/or Lodge Representative will be permitted to give a full explanation of the grievance and the material facts relating thereto. The Mayor/Safety Director may elect to inquire of the grievant or respond in the meeting in addition to the required written response.
4. Within fourteen (14) calendar days after the meeting at this Step, the Mayor/Safety Director shall submit to the grievant a written response to the grievance, which response shall be signed and dated.
5. Should the grievant not be satisfied with the Mayor/Safety Director's response to his or her grievance at Step Three, he or she shall notify the Grievance Representative of his or her desire to proceed to arbitration. The Grievance Representative will present the grievant's request for arbitration to the Lodge President. Should the Lodge determine to proceed to arbitration with the grievance, the Lodge President shall so notify the City by written notification. This written notification shall be delivered by hand or received by the office of the Mayor/Safety Director within fourteen (14) calendar days after the grievant's receipt of the Mayor/Safety Director's written response.
6. The Mayor/Safety Director may name a designee to investigate, hear, and respond to the grievance.

Section 5.5. Time Off For Presenting Grievances. A member and Grievance Representative shall be allowed time off from regular duties with pay for attendance at scheduled meetings under the Grievance Procedure with prior approval of their respective supervisors. If approval is withheld, any applicable time limit shall thereby be extended for the period of time necessary to allow the grievant and/or representative time off to attend such meetings. When a grievance meeting is held on a shift other than the scheduled shift hours of the grievant and/or his or her Grievance Representative, both the grievant and the Grievance Representative shall be compensated for the time spent in the grievance meeting. At no time shall attendance at a grievance meeting by a Grievance Representative result in overtime pay. Such time off with pay when not on a regularly assigned shift shall not be considered as hours worked or paid status when calculating overtime.

Section 5.6. Time Limits. It is the City's and the Lodge's intention that all time limits in the above Grievance Procedure shall be met. However, to the end of encouraging thoughtful responses at each Step, the parties' designated representatives may mutually agree, at any Step, to time extensions, but any such agreement must be in writing and signed by the parties. In the absence of such mutual extensions, either party may, at any Step where a submission of the grievance appeal or a response is not forthcoming within the specified time limits, presume the grievance to have been advanced to the

next Step in the Procedure on the day following the expiration of the time limit. Any Step in the Grievance Procedure may be waived by mutual consent.

If an office specified for receipt of a grievance, grievance appeal, or grievance response is closed for an entire day, which day is the last day of the time period prescribed for the filing of a grievance or a response to a grievance or grievance appeal, the grievance, grievance appeal, or response may be filed on the next day on which such office is open.

Section 5.7. Representatives In Meetings. In each step of the Grievance Procedure outlined in Section 5.4 after the Informal Discussion, certain specific representatives shall be given approval to attend the meetings therein prescribed. It is expected that, in the usual grievance, these will be the only representatives in attendance at such meetings. However, it is understood by the City and the Lodge that, in the interest of resolving grievances at the earliest possible step, it may be beneficial that other representatives, not specifically designated, be in attendance. Therefore, the parties may mutually agree to the attendance of other representatives.

Section 5.8. Grievance Forms. The City and the Lodge shall develop jointly a Grievance Form. Such forms will be supplied by the Lodge and made available to all Grievance Representatives.

Section 5.9. Appeal From Mayor's Disciplinary Decision. As provided at Section 10.4, a member may appeal a disciplinary decision made by the Mayor/Safety Director directly to arbitration without resort to the steps in the grievance procedure set forth in Section 5.4.

ARTICLE 6 – ARBITRATION

Section 6.1. Selection of Arbitrator. Unless agreement is reached by mutual agreement as to the selection of an arbitrator, the City or the Lodge, through designated representatives will request the American Arbitration Association to submit a panel of seven (7) labor arbitrators (with residences and/or business offices in Ohio) from which the City and the Lodge shall select one by mutual agreement. If an agreement cannot be reached as to one mutually acceptable arbitrator from the panel, an arbitrator will then be selected by the representatives of the parties by alternatively striking names and selecting the final remaining name. Either the City or the Lodge shall have the option to completely reject the list of names and request another list only once.

Section 6.2. Authority of Arbitrator. The arbitrator shall conduct a fair and impartial hearing on the grievance hearing testimony and evidence from both the City and the Lodge, unless the City and the Lodge mutually agree to submit their dispute on written stipulations. The arbitrator shall not have authority to add to, subtract from, modify, change or alter any provision of this Agreement. The arbitrator shall expressly confine himself or herself to the precise issue(s) submitted for arbitration and shall, absent mutual agreement of the parties, have no authority to determine any other issue not so submitted. The arbitrator shall not issue observations or declarations of opinion which are not directly essential in reaching a decision on the issue(s) in question. The arbitrator shall not establish any new or different wage rates not negotiated as part of this Agreement. In disciplinary cases, the arbitrator shall have the authority to affirm, disaffirm or modify said discipline.

The question of arbitrability of a grievance may be raised by either the City or the Lodge before the arbitrator hears the merits of the grievance. If a question of arbitrability is raised, the arbitrator may either rule on this issue or reserve ruling on the same and hear the merits of the grievance before issuing a ruling on this question.

The decision of the arbitrator shall be final and binding upon the Lodge, the grievant, and the City, subject to appeal under the provisions of Chapter 2711 of the Ohio Revised Code.

Section 6.3. Arbitration Costs. The costs of any proof produced at the direction of the arbitrator, and the rent, if any, for the hearing room shall be borne equally by the City and the Lodge. The expenses of any non-employee witnesses shall be borne, if at all, by the party calling them. The fees of the court reporter shall be paid by the party asking for one; such fees shall be split equally if both the City and the Lodge desire a reporter or request a copy of any transcript. Any affected member in attendance for such hearing shall not lose pay or any benefits to the extent such hearing hours are during his or her normally scheduled working hours on the day of the hearing. All costs directly related to the services of the arbitrator shall be paid by the losing party.

If there is a dispute as to whom is the losing party, the arbitrator shall make such determination. If the arbitrator upholds the position of each party in part, the arbitrator shall allocate which fees shall be borne by each party. Nothing herein precludes the parties' ability to reach a settlement wherein the arbitrator's fees are allocated by mutual agreement of the parties.

Section 6.4. Arbitrator's Award. The arbitrator's decision will be in writing and should be mailed to the Lodge and the City within thirty (30) days from the date the hearing record is closed.

ARTICLE 7 – LODGE REPRESENTATION

Section 7.1. Lodge Representatives. Representatives of the Lodge shall be admitted to the City's facilities for the purpose of processing grievances or attending meetings.

Section 7.2. Grievance Representatives. The Lodge President shall designate no more than three (3) Lodge members of the Police Officer Bargaining Unit, preferably one from each shift, and one (1) Lodge member of the Sergeant's Bargaining Unit, to serve as Grievance Representatives.

It is understood that Grievance Representatives may, while on duty, assist members in the processing of grievances and consult with Lodge Representatives and members in regard to contractual matters, provided that advance supervisory approval is obtained and provided such activity does not interfere with, disrupt, or interrupt normal departmental operations.

Section 7.3. Lodge Negotiations Committee Members. Not more than three (3) Lodge members of the Police Officer bargaining unit and one (1) Lodge member of the Sergeant's bargaining unit shall be released with pay to attend negotiations meetings where the meeting coincides with the member's duty time. If any of the three (3) members of the police officer's bargaining unit or the member of the sergeant's unit's duty hours do not coincide with negotiations meeting times shall be compensated at his or her straight time rate, through either straight time pay or through hour for hour compensatory time, for attendance at negotiations meetings.

If any Lodge members beyond the three (3) members of the police officers unit and one (1) member of the sergeant's unit desire to attend negotiations, they may do so but will not be compensated.

ARTICLE 8 – MANAGEMENT RIGHTS

Section 8.1. Management Rights And Responsibilities. To the extent provided by law, the City retains the exclusive right and authority to administer the business of the City of Bexley in addition to other functions and responsibilities which are required by law, and the full right and responsibility to direct the operations of the Department, to promulgate rules and regulations and to otherwise exercise the prerogatives of management, which more particularly include but are not limited to the following:

- A. Determine matters of inherent managerial policy which include, but are not limited to, areas of discretion or policy such as the functions and programs of the public employer, standards of service, its over-all budget, utilization of technology, and organizational structure;
- B. Direct, supervise, evaluate or hire members;
- C. Maintain and improve the efficiency and effectiveness of governmental operations;
- D. Determine the overall methods, process, means, or personnel by which governmental operations are to be conducted;
- E. Suspend, discipline, demote, or discharge for just cause; or layoff, transfer, assign, schedule, promote, or retain members;
- F. Determine the adequacy of the work force;
- G. Determine the overall mission of the employer as a unit of government;
- H. Effectively manage the work force; and
- I. Take action to carry out the mission of the public employer as a governmental unit.

Section 8.2. Matters Bargained And Not Bargained. The exercise of the foregoing powers, rights, authority, duties and responsibilities, the adoption of reasonable policies, rules and regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the express terms of this Agreement. The City is not required to bargain with the Lodge during the term of this Agreement on subjects reserved to its management and direction, except as affect wages, hours, terms and conditions of employment and the continuation, modification or deletion of a provision of this Agreement.

ARTICLE 9 – INTERNAL REVIEW PROCEDURE

Section 9.1. Requirements. These requirements shall apply to internal investigations.

- A. Reasonably in advance of an investigation interview, written notification will be given to a member containing the allegations made against the member. This notification shall also contain the specific facts which support the allegations against the member and advise the member as to whether the investigation is criminal or administrative in nature.
- B. Upon receipt of notification of an administrative investigation interview, a member, or his or her Lodge Representative, may make a public records request to the Chief to obtain all records relative to the administrative investigation which are subject to release under the State Public Records Law. The Chief will provide such requested public records to the member and/or his or her Lodge Representative, reasonably in advance of the investigation interview.
- C. Investigation interviews shall be scheduled so that the member has a reasonable opportunity to obtain a Lodge Representative, who shall be permitted to be present at the investigation interview. Where the reasonable opportunity has been provided and a Lodge Representative has been contacted to attend a scheduled interview, the City need not wait more than two (2) hours after the originally scheduled interview time to conduct the interview without the Lodge Representative should the Lodge Representative be absent or unavailable at the originally scheduled time. Further, it is understood that if the expected result of the interview is that the member to be interviewed will receive no discipline greater than a documented counseling, the member's opportunity to contact a Lodge Representative will be limited to the contacting of a Grievance Representative who shall be permitted to represent the member at the interview. If during the interview, the City becomes aware of issue(s) not previously known that could result in the member receiving discipline greater than a documented counseling, the City will immediately terminate the interview and afford the member the opportunity to contact a Lodge Representative other than a Grievance Representative. The member is to be advised at the beginning of the interview if it is a criminal investigation interview.
- D. All investigation interviews shall be taped by the City. A copy of the tape and transcript, if made, shall be provided by the City to the member being investigated, or to his or her Lodge Representative, if requested.
- E. No anonymous complaints will be acted upon by the Chief, unless there is sufficient corroborative evidence.
- F. No member under investigation or member called as a witness shall be charged with insubordination for failing to answer questions at an investigation interview unless the member is first advised that such failure may be the basis for such charge.

- G. Notification shall be provided to the member upon conclusion of the investigation as to its outcome.
- H. No polygraph examination of the member shall be conducted without a member's consent.
- I. These same requirements shall apply to members called as witnesses.

Section 9.2. Exceptions. It is understood that the minimum requirements specified in Section 9.1 do not extend to day-to-day communications which occur between a supervisor and a member, including but not limited to the following occurrences: performance evaluations; training; counseling sessions; work-related instructions; or meetings or the furnishing of reports concerned with the initial investigation at that point in time. However, when a supervisor or investigator has determined that an internal investigation interview of a member is warranted due to allegations made against the member, the member shall be notified in writing that he or she is subject to such an investigation interview, and the provisions of Section 9.1 shall apply.

Section 9.3. Complaint Philosophy. The City acknowledges that it will consider the lapse of time between the date an alleged incident occurs and the date the complaint is actually filed as one mitigating factor in the evaluation of the merit of the complaint. The City will adopt a complaint form utilizing appropriate notice language consistent with statutory requirements.

ARTICLE 10 – CORRECTIVE ACTION AND RECORDS

Section 10.1. Corrective Action For Cause. No member shall be reduced in pay or position, suspended, removed, or reprimanded, except for just cause.

Section 10.2. Progressive Corrective Action. The principles of progressive corrective action will be uniformly followed with respect to minor infractions, as determined by the Chief. The progression may include a documented counseling, a written reprimand, and a suspension or reduction in pay for the same or related offenses prior to reduction in pay and position or dismissal. The City may deviate from this progression for serious job related misconduct or for any serious criminal misconduct.

Section 10.3. Departmental Hearings. Prior to a Departmental hearing before the Mayor/Safety Director, the member will receive from the Chief a written statement of all charges and specifications. At such hearing, the member will be allowed to be represented by a Lodge Attorney or Lodge Representative, will be allowed to call witnesses and will be given an opportunity to cross-examine adverse witnesses.

A member who is charged, or his or her Lodge Attorney or Representative, may make a request for a continuance of the hearing which shall be granted by the Mayor/Safety Director, where good cause is shown.

If a member is charged with serious offenses which could result in suspension or dismissal, the member may be relieved from performance of regular duty without loss of pay until a Departmental hearing is held on these allegations.

Section 10.4. Appeal From Mayor's Disciplinary Decision. A member may appeal a disciplinary decision made by the Mayor/Safety Director directly to arbitration without resort to the steps in the grievance procedure set forth in Section 5.4. Such appeal must be made with the approval of the Lodge President within fourteen (14) calendar days of the member's receipt of the disciplinary decision of the Mayor/Safety Director. In order to invoke the arbitration process, the appeal must be delivered to the Office of the Mayor/Safety Director within this fourteen (14) calendar day period.

Section 10.5. Duration Of Records. Progressive disciplinary records shall be maintained as follows:

- A. Documented counseling may be retained for no more than one (1) year after the date of issuance, provided that no intervening discipline of the same or similar nature occurs within this one (1) year period, and the record of documented counseling shall have no further force and effect and shall be removed from the file upon request of the member. The retention period shall be extended for a like period of time if disciplinary action of the same or similar nature is taken against a member.
- B. Written reprimands may be retained for no more than two years after the date of issuance, provided that no intervening discipline of the same or similar nature occurs within this two (2) year period, and the record of a written reprimand shall have no further force and effect and shall be removed from the file upon request of the member. The retention period shall be extended for a like period of time if disciplinary action of the same or similar nature is taken against a member.
- C. Suspensions of less than thirty (30) working days may be retained for no more than four (4) years after the date of issuance, provided that no intervening discipline of the same or similar nature occurs within this four (4) year period, and the record of a suspension shall have no further force and effect and shall be removed from the file upon request of the member. The retention period shall be extended for a like period of time if disciplinary action of the same or similar nature is taken against a member.
- D. Suspensions of thirty (30) working days or more may be retained for no more than six (6) years after the date of issuance, provided that no intervening discipline of the same or similar nature occurs within this six (6) year period, and the record of a suspension shall have no further force and effect and shall be removed from the file upon the request of the member. The retention period shall be extended for a like period of time if disciplinary action of the same or similar nature is taken against a member.
- E. Reductions in pay or position, or removals will not be removed from the member's personnel file.

Section 10.6. Advice and Instruction Memorandum. The Department may use an Advice and Instruction Memorandum for instruction purposes. Such a Memorandum is not part of the disciplinary progression and is not a progressive disciplinary record. An Advice and Instruction Memorandum may be retained for no more than six (6) months after the date of issuance.

Section 10.7. Review Of Personnel Files. Every member shall be allowed to review any of his or her personnel files at any reasonable time upon written request. A member may also authorize his or her Lodge attorney or representative to review the personnel file. Such request shall be made to the supervisor directly responsible for the maintenance of such files and such review shall be made in the presence of such supervisor or designee.

No unfounded, unsubstantiated, inaccurate, irrelevant, untimely or incomplete information shall be maintained in a member's personnel file.

Section 10.8. Disclosure Of Personnel Files. If a request is made to review a personnel file pursuant to Ohio Revised Code Section 149.43 and the City intends to comply with the request, the City will promptly notify the affected member that a request for disclosure has been made. The member shall be allowed to review the file prior to the request being honored if the member chooses.

Section 10.9. Indemnification. In the event that the City incurs or is threatened with liability or litigation as a result of its adherence to the provisions contained in Section 10.8 of this Agreement, the Lodge shall indemnify the City for any resulting monetary liability incurred by the City and shall reimburse the City for all attorneys' fees and related expenses incurred by the City in connection with the City's defense of its actions.

Section 10.10. Inaccurate Documents. Should a member have reason to believe there are improper or inappropriate documents in his or her file, the member may notify the Chief in writing of the alleged improper or inappropriate information. The member shall have the right to submit a written statement detailing his or her objections to the materials in question. If the claim cannot be mutually agreed upon, such disagreement may be resolved by the use of the Grievance and/or Arbitration Procedures.

Section 10.11. Performance Evaluations. A member's signature on any performance evaluation shall be viewed by the parties only as a representation that the member has read it and shall not be viewed as a representation that the member has concurred in any or all of the contents or comments therein. The member shall receive a copy of the evaluation in its final form and nothing shall be added thereafter.

Section 10.12. Placement Of Material in Personnel File. No document which does not include as a part of its normal distribution a copy to the member, or which does not originate with the member, shall be placed in the personnel file unless the member is simultaneously provided a copy. Anonymous material shall never be placed in the member's personnel file.

ARTICLE 11 – WORK RULES AND DIRECTIVES

Section 11.1. New Work Rules. The City agrees that all new or modified work rules shall be reduced to writing and provided to all members in advance of their enforcement.

Section 11.2. Effect of Work Rules. Any charge by a member that a work rule is in violation of this Agreement shall be the proper subject of a grievance, as is a charge that a work rule has not been applied or interpreted uniformly to all affected members. No member shall be disciplined for an

alleged violation of a work rule which has not been promulgated as set forth in Section 11.1 of this Article.

ARTICLE 12 – LABOR RELATIONS MEETINGS

Section 12.1. Philosophy. The City and the Lodge recognize the responsibility each have to make full use of the knowledge, talent and commitment of all who are involved in the delivery of police services to the citizens of the City. The City and the Lodge recognize the benefit to each of exploration and study of issues which may enhance or detract from the ability of the Department to provide the highest standards of service. Toward this end, the City and the Lodge agree to maintain Labor Relations Meetings as an active forum for the expression of mutual concerns.

The City and the Lodge shall not use this forum as a substitute for collective bargaining nor as a mechanism for modifying the Agreement; rather, this forum is seen as an adjunct to the collective bargaining process and as an aid in implementing and maintaining the Agreement. This forum will also be useful as a place to discuss issues which arise outside the context of collective bargaining but which represent impediments to a quality work environment or which threaten the Department's ability to deliver police services in the most efficient manner possible. No issue which is the subject of a pending grievance will be decided in this forum unless mutually agreed to by the City and the Lodge.

Section 12.2. Time Of Meetings. In general, the City and the Lodge will plan to hold meetings on a monthly basis. On a mutually agreeable day and time, the Mayor/Safety Director or his/her designated representative, the Chief of Police, and not more than three (3) other members of management shall meet with not more than three (3) member representatives and two (2) non-member representatives of the Lodge. Upon mutual agreement, nonparticipants may be included in meetings if they are thought to have information or resources which could assist in the resolution of agenda items.

Agendas will be exchanged by both the City and the Lodge in advance of the scheduled meetings with a list of matters to be taken up in the meeting and the names of those representatives who will be attending.

Section 12.3. Purpose. The purpose of such meetings shall be to:

- A. Discuss the administration of the Agreement.
- B. Discuss grievances which have not been processed to the third-party adjudication step of the procedure when such discussions are mutually agreed to by the parties.
- C. Notify the Lodge of changes made or contemplated by the City as permitted by the Agreement which impact members.
- D. Disseminate general information of interest.

- E. Give the Lodge Representatives the opportunity to share the views of members and/or make suggestions on subjects of interest to members, including interpretations of the Agreement where such discussion may prevent the necessity of filing a grievance.
- F. Discuss ways to increase productivity.

Section 12.4. Release of Members. A member who serves as a Lodge Representative in a Labor Relations meeting shall be released with pay to attend the monthly meeting if the meeting coincides with the member's duty time. A member whose scheduled duty hours do not coincide with the monthly meeting time shall be compensated at his or her straight time rate, through either straight time pay or through hour for hour compensatory time, for attendance at the monthly meeting. Not more than one meeting per month shall be compensated in this fashion.

Section 12.5. Miscellaneous. Written responses, reasonably requested by the City or the Lodge during such meetings in regard to items discussed at such meeting, shall be furnished to the receiving party within ten (10) days after such meetings, unless the City and the Lodge mutually agree to a time extension. It is further agreed that if additional labor-management meetings have been requested, and mutually agreed upon, they shall be convened as soon as possible.

ARTICLE 13 – LAYOFFS/JOB ABOLISHMENTS

Section 13.1. Action. When the City determines that a layoff or job abolishment is necessary, the City shall notify the affected members at least twenty-eight (28) days in advance of the layoff or job abolishment. The youngest member in point of service shall be first laid off and any layoffs thereafter shall be by reverse seniority. The City agrees to discuss with the Lodge the impact of the layoff or job abolishments on members prior to the City's notification to the affected employees. During such discussion, the Lodge and the City may examine alternatives to layoff or job abolishment, including but not limited to the use of incentives for senior member retirements.

Section 13.2. Recall And Reinstatement. When members are laid off, the City shall create a recall list. The City shall recall employees from layoff as needed. The recall shall be according to seniority beginning with the most senior member and progressing to the least senior member. A member shall be eligible for recall for a period of three (3) years after the effective date of the layoff.

Notice of recall from a layoff shall be sent to the member by certified mail with copies to the Lodge. The mailing shall be to the last mailing address provided by the member and the member has an obligation to keep the City advised of his or her current mailing address.

The recalled member shall have fourteen (14) calendar days following the receipt of the recall notice to notify the City of his or her intention to return to work and shall have fourteen (14) calendar days following the receipt of the recall notice in which to report to duty, unless a different date is otherwise specified or agreed to.

ARTICLE 14 – MISCELLANEOUS

Section 14.1. Health And Safety. It is agreed that safety is a prime concern and responsibility of the City, the members, and the Lodge. In this regard:

- A. The City agrees to provide safe working conditions and equipment for members. In concert with this provision, all members will be issued bullet proof vests in accordance with City Policy. Such vests will be replaced per the manufacturer's replacement schedule. Members may choose a vest based upon fit, comfort, and threat level as determined by the Department, within the cost range as determined by the City. All members who do not wish to wear such issued vest will be required to sign a vest waiver which indemnifies the City and its agents from any liability resulting from the member's choice to not wear this safety equipment.
- B. The member accepts the responsibility to follow all safety rules and safe working methods of the City. All unsafe working conditions shall be reported by the member to his or her supervisor as soon as any unsafe working condition is known.

Such members are also eligible to participate in additional Incentive Tiers, in lieu of the Tier 1 standards.

Should a member who is required to meet the mandatory standard fail to successfully test at or above the required Tier 1 level, the member will be required to retest within ninety (90) days following such failure, until he or she successfully meets or exceeds the standard. Required retests will be scheduled by the Chief and Fitness Coordinators for all members subject to the mandatory standard.

In the event of a member's death, the payment shall be made to the member's spouse, or secondarily, to his or her estate, but shall not be pro-rated if the member was killed in the line of duty.

Section 16.3. Overtime Calculation. For the purposes of overtime calculations only, longevity pay will be included to calculate the regular hourly rate of pay for the member.

Section 16.4. Shift Differential Pay. Shift differential pay, in the amount of \$1.15 per hour, shall be provided for a forty (40) hour work week and for which the majority of work hours occur after

2:00 P.M. and prior to 7:00 A.M., and to members normally assigned to such hours regardless of the shift hours they actually work, for all hours worked but excluding hours in paid status while on approved leave, except for injury leave.

Section 16.5. Method Of Shift Differential Payment. Shift differential pay shall be paid only for actual hours worked during the workday. Shift differential shall not be paid in addition to regular pay for any hours of leave with pay, except for injury leave. If shift differential pay is applicable and authorized overtime occurs in conjunction with the regular workday, the shift differential shall be paid for each hour of overtime worked. The shift differential pay shall be added to the base hourly rate prior to computing the overtime rate. Shift differential pay is applicable to court appearance time and to hours worked when called back to duty if the member otherwise qualifies for the shift differential pay. Shift differential pay will be paid on a biweekly basis and will not be cumulative under any circumstance.

ARTICLE 17 – HOLIDAYS

Section 17.1. Holidays. The following shall be considered legal holidays for members:

- New Year's Day, January 1
- Martin Luther King Day, third Monday in January
- President's Day, third Monday in February
- Memorial Day, last Monday in May
- Independence Day, July 4
- Labor Day, first Monday in September
- Bexley Day, second Monday in August
- Veteran's Day, November 11
- Thanksgiving Day, fourth Thursday in November
- Christmas Day, December 25

Section 17.2. Holiday Pay On Day Off. When a holiday as set forth in Section 17.1 falls on a member's regularly scheduled day off, that member shall receive eight (8) hours pay at his or her regular rate of pay.

Section 17.3. Holiday Pay On Work Day And Overtime. Whenever one of the holidays set forth in Section 17.1 falls on a member's regularly scheduled work day, that member shall receive eight (8) hours holiday pay at his or her regular rate of pay in addition to regular wages on that day.

Whenever a member works on a holiday on an overtime basis, the member will receive two (2) times his or her regular rate of pay for all overtime hours worked on the holiday. Notwithstanding the number of hours worked on the holiday, the City will pay the member a minimum payment equal to three (3) hours pay for that day. For purposes of this Article, a holiday shall be one of the days listed in section 17.1 beginning at midnight and ending at 11:59 p.m.

Section 17.4. Payment Of Holiday Pay. Holiday pay will be included in the paycheck covering the pay period in which the holiday occurred.

ARTICLE 18 – REGULAR WORK PERIODS AND OVERTIME

Section 18.1. Definition. The workweek shall consist of forty (40) hours based on five (5) consecutive eight (8) hour workdays and two (2) consecutive days off. “Paid status” shall include work hours as well as all hours in paid status while on any approved leave.

Section 18.2. Shift Assignments. The City agrees that all Patrol shift assignments will be made based on seniority through the bidding process. On October 1 of each year, the Chief will post a schedule of Patrol shifts which will be bid starting with the most senior member. The schedule for the next year will be posted by October 15 of each year.

The parties recognize that it is preferable that members should not be regularly scheduled or assigned to perform the duties of a dispatcher except in cases of an emergency, as part of training or when a member is working in a light duty or restricted duty status. The parties shall meet in labor management meetings to discuss how this goal can be accomplished.

Section 18.3. Overtime. All hours in paid status in excess of eight (8) hours per day or forty (40) hours per week shall be compensated at the rate of one and one-half (1 1/2) times the member’s straight time hourly rate of pay, including shift differential increment and longevity increment. No member shall be paid for overtime work, which has not been authorized by a supervisor.

Section 18.4. Compensatory Time. A member may accumulate and maintain up to eighty (80) hours of compensatory time. The member must notify the City each pay period to indicate that this earned overtime will accumulate as compensatory time. Compensatory time off requests must be made in advance and are subject to supervisory approval.

Section 18.5. Compensatory Time Annual Conversion. A member may, at his or her option, be paid out for compensatory time hours which have been accumulated but not used in any calendar year, provided that the member designate to the City by January 31 of the following year the number of hours the member requests to be paid for. Such payment shall be made at the member’s hourly rate of pay as of December 31 of the calendar year in which the compensatory time was earned and accrued. Such payment shall be made in February of the following year.

Section 18.6. Vacation Time Waiver Prohibited. When either annual or casual vacation leave is requested by a member and approved, the member may not thereafter waive vacation leave use in favor of use of compensatory time for the period of time in which vacation leave was requested and approved.

Section 18.7. Time Adjustment. During a given pay period, a member who works hours that would otherwise be compensated at the overtime rate, may, at his/her option and with the approval of the shift supervisor, adjust his or her work schedule during that pay period. Time adjustments will only be approved when staffing levels allow and will not result in additional overtime.

The following examples illustrate time adjustments under this Section:

- A member who works 3pm – 11pm, is called in at 11am to cover a shift shortage. The member may end his/her tour at 7pm if staffing levels permit.
- A member is temporarily assigned to training Monday through Friday. His/her regular days off are Tuesday/Wednesday. The member may take Saturday/Sunday, or any other days off in lieu of the days they are assigned to training.
- A member is subpoenaed to court during their off duty hours and is entitled to three (3) hours overtime. The member may, with supervisory approval, adjust his or her time by taking the three (3) hours off in lieu of receiving overtime pay.

Section 18.8. Application To Special Duty. Special duty is defined as employment by a separate and independent employer of a member performing law enforcement or related activities under provisions whereby the Department: (1) requires the member be hired by a separate and independent employer to perform such duties; (2) facilitates the employment of members by a separate and independent employer; or (3) otherwise affects the conditions of employment of the member by a separate and independent employer. If a member, solely at his option, agrees to be employed on special duty, the hours the member is employed by a separate and independent employer in law enforcement or related activities shall be excluded by the City in the calculation of the hours for which the member is entitled to overtime compensation.

Section 18.9. Substitution (Trading) Of Time. If a member, with the approval of a supervisor, and solely at the member's option, agrees to substitute during scheduled work hours for another member, the hours the member works as a substitute shall be excluded in the calculation of hours for which the member is entitled to overtime. The Department is permitted, but not required, to keep a record of the hours of the substitute work.

Section 18.10. Call In/Court Pay.

- A. When a member is ordered to report to work at a time which is not contiguous to his or her regularly scheduled shift, the member shall be paid for a minimum of three (3) hours at the overtime rate, including any longevity increment. Notwithstanding the above, the provisions of paragraph B shall apply to court appearances.
- B. For court appearances scheduled at a time other than a member's regularly scheduled shift, a member shall be paid a minimum of three (3) hours overtime, including any longevity increment, for all court appearances.
- C. Paragraph A of this Section shall not apply if the member is ordered to report either for a disciplinary hearing where the member is the subject of such disciplinary hearing or for a grievance hearing where the member is the grievant.
- D. If the City provides pagers/cell phones to members as a means of communications, a member will be compensated for the time of response, subject to receipt of a minimum of fifteen (15) minutes of pay at the appropriate overtime rate.

- E. If a member is subject to a subpoena that does not require the member to appear, the member shall have the option to call in to the assigned prosecutor between the hours of 11:30am-12:30pm to ascertain if their appearance is required for court. If the member is not required to appear for the subpoena, then the member shall receive one hour of “call in” pay at the applicable overtime rate.

Section 18.11. Bicycle Patrol. The Chief may create a bicycle patrol and establish special shifts to facilitate the implementation of the patrol. Such shifts may begin during the normal hours of a regular shift and continue into the normal hours of the next regular shift. Staffing of the bicycle patrol will be specific to the patrol and will not adversely effect the granting of vacation nor result in the rebidding of shift assignments as set forth in Section 18.1(A). Bicycle patrol staffing is not considered part of normal staffing patterns contained in Article 20 applicable to vacation scheduling. The Chief may, at his or her discretion, reassign a member from his or her normal shift assignment for the purpose of staffing the bicycle patrol on the member’s regular shift or on the special shift applicable to the patrol.

Section 18.12. Probationary Officer’s Field Training.

- A. During their fourteen (14) week training period, probationary officers will rotate shifts as needed. At the sole option of the Chief, a probationary officer may be required to rotate through an additional three (3) week training period, provided that the Chief retains the option to recommend a probationary officer’s separation for unsatisfactory service without utilization of this additional rotation.
- B. Such shift rotation may result in the assignment of one (1) Sergeant, two (2) non-probationary Police Officers and one (1) probationary Police Officer in training to a given shift. This modified staffing provision is for training purposes only and is not to be utilized for vacation and other leave purposes.

ARTICLE 19 – WORKING OUT OF RANK

Section 19.1. Working Out Of Rank. A member who is required to accept responsibilities and carry out the duties of a higher rank for a period of at least one (1) hour shall be paid at the rate of pay of the higher rank for each hour so worked. Such payment will be for hours actually worked performing the duties of the higher ranked position and specifically does not include payment for leave time at the rate of pay for the higher ranked position

Section 19.2. Field Training Officer. Any member who serves as a Field Training Officer shall receive an additional \$3.00 for each hour the member serves as an FTO.

ARTICLE 20 – VACATION

Section 20.1. Vacation Accrual Rates. The following shall be the vacation accrual rate for members:

<u>Beginning Years of Service</u>	<u>Vacation Hours</u>
6 months	44
2	88
4	112
8	144
12	152
15	184
18	192
22	232

Section 20.2. Personal Leave. In addition to any vacation accrued, each member will receive forty (40) personal hours leave per calendar year, except that during a member’s first calendar year of service, personal leave entitlement is as follows:

- If a member is hired between January 1 and March 31, that member is entitled to forty (40) personal hours to be used during the remainder of that calendar year.
- If a member is hired between April 1 and June 30, that member is entitled to thirty-two (32) personal hours to be used during the remainder of that calendar year.
- If a member is hired between July 1 and September 30, that member is entitled to twenty-four (24) personal hours to be used during the remainder of that calendar year.
- If a member is hired between October 1 and December 31, that member is entitled to sixteen (16) personal hours to be used during the remainder of that calendar year.

Section 20.3. Annual Vacation And Personal Leave Scheduling. Vacation and personal leave, to be taken in eight (8) hour shift increments, may be scheduled on an annual basis as follows:

- A. By November 1 of each year, the Chief will post an annual calendar for the following year. The Chief may designate on the calendar shifts on which no vacation or personal leave will be available, which, if so designated, shall be limited to all shifts on July 4 and the day shift and second shift on Labor Day.
- B. By December 1 of each year, members will indicate on the annual calendar their individual requests for vacation and personal leave for the following year. This shall be completed by rank and seniority. Once a member gives the leave calendar to the member below in rank/seniority, the previous member may not alter their days.
- C. By December 15 of each year, the Chief will post an approved annual calendar for the following year. Any conflicts in request for vacation or personal leave on the annual calendar shall be resolved based upon consideration of rank and seniority within each unit (shift), such that rank and then seniority (length of continuous service within the rank as a City of Bexley Police Officer) shall govern in case of conflict, provided that:

1. The Chief will approve vacation and/or personal leave, provided that such leave will not result in fewer than one (1) Sergeant and three (3) uniformed Police Officers, or four (4) uniformed Police Officers, per shift to be on duty.
 2. If the Department hires an additional officer(s), then the number of officers working will be increased accordingly; and
 3. The Chief retains the right to cancel any vacation or personal leave on any day declared as an emergency pursuant to Section 31.1 and/or when an unexpected and extraordinary situation develops where additional officers are needed to maintain control and to preserve the public safety.
- D. If a conflict later develops, then any readjustment to the approved annual calendar shall be in reverse seniority.

Section 20.4. Casual Vacation And Personal Leave Scheduling. Vacation and personal leave not requested or approved on an annual basis as provided in Section 20.3 may be scheduled throughout the year by written request approved in advance by the Chief or designated supervisor. Normally the Chief or designated supervisor will approve such a request on a first come basis regardless of seniority, provided:

1. The request is not preempted by previously scheduled vacation and personal leave on the annual calendar; and
2. Such leave will not result in fewer than one (1) Sergeant and three (3) uniformed Officers, or four (4) uniformed Officers, per shift to be on duty; and
3. If the Department hires an additional officer(s), then the number of Officers working will be increased accordingly; and
4. Any vacation or personal leave may be canceled on any day declared as an emergency pursuant to Section 31.1 and/or when an unexpected and extraordinary situation develops where additional officers are needed to maintain control and to preserve the public safety; and
5. Members shall be able to take such leave approved by their immediate supervisor in increments of no less than one-half (1/2) hour. This leave may be granted during a shift, or within twenty-four (24) hours prior to planned use, if minimum manpower requirements and work load make it possible. The supervisor's decision to grant or not grant such leave is grievable to step three (Mayor/Safety Director) but is not arbitrable. The supervisor on duty will decide after a call off occurs whether to work short or to opt for a call in.

Section 20.5. Vacation Accrual And Carry Over. Vacation leave may accrue to a member in an amount equal to the accrual of one (1) year's vacation at a member's current accrual rate. Should a member not be able to schedule his or her vacation prior to his or her next anniversary date, the hours

unused will automatically be converted into paid compensation at the rate of the pay in effect in the pay period immediately preceding the anniversary date, and will be included in the first paycheck immediately following the member's anniversary date. Notwithstanding the foregoing, a maximum of eighty (80) hours of vacation leave may be carried over from year to year upon the written request of a member to the Chief. Members with twenty-two (22) or more years of vacation eligibility may carry over a maximum of one hundred and twenty (120) hours of vacation leave upon the written request of a member to the Chief.

Section 20.6. Additional Considerations.

- A. A member who is separated from City Service with at least one year of service through removal, reassignment, retirement or a layoff and who has unused vacation or personal leave to his or her credit, shall be paid in a lump sum for such unused leave to his or her credit at the time of separation.
- B. When a member dies while in paid status, any unused leave to his or her credit shall be paid in a lump sum to the surviving spouse, or to the estate of the deceased.
- C. All vacation hours shall be paid at full pay at the applicable straight time rates; however, if a member is ordered to work while on approved vacation leave, he or she shall be paid at the rate of one and one-half (1 1/2) times the member's straight time hourly rate of pay for all hours worked.

ARTICLE 21 – INSURANCE

Section 21.1. Insurance. Members shall be furnished health care insurance, dental care insurance, and vision care insurance, with the same benefit levels and coverage that is provided to the other employees and elected officials of the City.

Section 21.2. Life Insurance. The City will furnish, at no cost to the member, life insurance in the amount of \$100,000. This coverage amount shall be doubled for a member who is killed in the line of duty. Members shall be afforded the opportunity to purchase additional life insurance coverage solely at the member's expense for any additional coverage.

Section 21.3. Premium Payment. The following percentages of the premiums shall be paid by the City and each member for single or family coverage under the health insurance plan:

PREMIUM SHARE	SINGLE	FAMILY
City	80%	80%
Member	20%	20%

Bargaining unit members shall pay fifty percent (50%) of the monthly premium for vision and dental insurance.

ARTICLE 22 – SICK LEAVE

Section 22.1. Sick Leave Accrual. For each completed eighty (80) hours in paid status, [seventy nine (79) hours or eighty one (81) hours during the pay period when the change from standard time to daylight savings time or vice versa occurs] a member shall earn 4.616 hours of sick leave. The amount of sick leave time, which may be accrued, is 1,920 hours. All hours of sick leave accrued in excess of 1,920 hours shall annually be converted into a cash payment on the basis of one hour of pay for each hour of unused sick leave which shall be paid to a member as soon as practicable after the close of each calendar year. Sick leave shall accrue and be recorded at the member's base rate of pay in effect during the pay period when the sick leave is earned. Each time a member is approved to convert sick leave, the sick leave available which accrued at the lowest base rate of pay shall be credited first. All sick leave accrued prior to the effective date of ordinance 15-90 shall be accounted for as if it has been earned at the base rate of pay in effect on January 1, 1990. Sick leave shall be charged in a minimum amount of one (1) hour.

Section 22.2. Use Of Sick Leave. A member may request sick leave for absences resulting from illness as described below. Sick leave may be requested for the following reasons:

- A. Illness or injury of the member or a member of his or her immediate family.
- B. Exposure of the member or member of his or her immediate family to a contagious disease which would have the potential of jeopardizing the health of the employee or the health of others.
- C. Death of a member of the member's immediate family.
- D. Necessary medical, dental or optical examinations or treatment of the member or a member of his or her immediate family.
- E. Pregnancy, childbirth and/or related medical conditions.

For the purpose of this Article, the "immediate family" is defined as only: mother, step-mother, father, step-father, brother, sister, child, stepchild, spouse, grandparent, grandchild, step-grandchild, mother-in-law, father-in-law, sister-in-law, brother-in-law, daughter-in-law, son-in-law, grandparent-in-law, legal guardian or other person who stands in the place of a parent, or for whom the member stands in loco parentis.

Section 22.3. Sick Leave Approval. A member requesting sick leave shall inform the on-duty supervisor or dispatcher of the sick leave use at least two (2) hours prior to his or her scheduled starting time. Failure to do so may result in denial of sick leave for the period of absence unless the member provides to the Chief a written explanation for noncompliance which the Chief reasonably determines to be acceptable. The member may be required to submit to a medical examination if the City suspects sick leave abuse.

The City may require a member to furnish a satisfactory written, signed statement to justify the use of sick leave. If medical attention is required, a certificate stating the nature of the illness from a

licensed physician or practitioner may be required to justify the use of sick leave. Falsification of illness information given verbally, by written, signed statement, by a physician's or practitioner's certificate or by any other means, shall be grounds for disciplinary action including dismissal.

Prior to returning to duty, any member who is marked off sick for a period of three (3) or more days must provide a certificate from his or her attending physician or practitioner indicating the nature of the illness, the necessity for the member to be marked off and the member's fitness for return to normal police duties.

Section 22.3A. Multiple Mark-Offs. (Excludes pre-scheduled sick leave with proper documentation.) For members, the first two (2) days of the seventh and any subsequent sick mark off in a calendar year will be without pay unless one of the following exceptions apply:

1. Intermittent periods of sick leave for the same illness or injury, documented by the member's attending physician, will be counted as one mark off if they occur within a thirty (30) day period from the date the member returns to work. The member must submit a letter, with the medical documentation specified in this paragraph, to the City requesting that the mark offs be combined.
2. Bereavement leave.
3. FMLA leave.

Section 22.4. Termination Of Service. When a member terminates service, he or she also will receive one (1) hour of pay for each eight (8) hours of unused sick leave to his or her credit for a total unused sick leave up to and including 320 hours; one (1) hour of pay for each four (4) hours of unused sick leave in excess of 320 up to and including 1,000 hours; one hour of pay for each two hours of sick leave in excess of 1,000 up to and including 1,920 hours. The payment shall be calculated in accordance with Section 22.1 and shall constitute payment in full of all sick leave credit accrued but unused by the member. No pay will be made to any member for any unused sick leave, unless it is in excess of 232 hours.

When a member dies while on paid status, all unused sick leave to his or her credit shall be paid in a lump sum to his or her surviving spouse, or secondarily, to his or her estate, at the rate set forth above.

If a member is killed in the line of duty, all unused and accumulated sick leave to his or her credit shall be paid hour for hour, at the rate in effect at the time of the member's death, in a lump sum, to his or her surviving spouse, or secondarily, to his or her estate.

Section 22.5. Wellness Payment. Any member who works an entire calendar quarter of a year without any use of sick leave (including FMLA) shall be paid eight (8) hours of straight time which will be paid, if practicable, the next full pay period. A member may convert these hours to vacation leave, provided that advance notice is given by the member to the Chief of this option by the end of each calendar quarter in which payments would otherwise be made. Use of sick leave as bereavement or use of injury leave under Article 23 shall not deprive a member of the Wellness Payment.

ARTICLE 23 – INJURY LEAVE

Section 23.1. Paid Injury Leave. All members shall be allowed injury leave with full regular salary not to exceed one thousand and forty (1,040) hours for each service connected injury. Injury leave with pay may be extended by the City Council upon such terms as the Council in its discretion may establish. Any injury leave extension decision by City Council is not subject to the Grievance Procedure.

Section 23.2. Distinguished From Sick Leave. The provisions of this Article dealing with injury leave are separate and apart from the contractual provisions relating to the accumulation and usage of paid sick leave.

Section 23.3. Injury Leave Administration. Injury leave may be granted to a member only for injuries determined by a licensed physician (and/or in consultation with a City designated physician at the discretion of the Mayor) to have so disabled such member that he or she cannot perform the duties of his or her position.

For purposes of this Agreement, all heart and respiratory diseases will be considered as on-duty or service-connected injuries.

Section 23.4. Coordination With Workers' Compensation. Injury leave with pay shall not be granted until an agreement is signed by the member and the City whereby the member agrees to reimburse the City for any wage or salary benefits received by the member from the Bureau of Workers' Compensation for the time period for which injury pay is awarded.

ARTICLE 24 – BEREAVEMENT LEAVE

Section 24.1. Bereavement Leave. In the event of the death of a member's immediate family member, as defined in Section 22.2, the member shall be granted three (3) working days off as sick leave with regular pay to attend the funeral or to attend to any other necessary business. If the funeral occurs outside of the State of Ohio, the member may be granted sick leave usage for a maximum of five (5) working days. Employees may use one (1) day of sick leave to attend the funeral or to attend to any other necessary business upon the death of an aunt or uncle. Additional days and leave for the death of persons not listed above may be approved by the Mayor on a case-by-case basis.

ARTICLE 25 – CLOTHING ALLOWANCE

Section 25.1. Clothing and Equipment Allowance. Each member shall be authorized to purchase various articles of clothing and equipment to be worn as part of his or her official uniform or used in the performance of his or her duties as prescribed by the Chief not to exceed one thousand two hundred dollars, (\$1,200) per calendar year. Unless there is a critical need for immediate replacement, orders for clothing and equipment will not be placed by the City between November 1 and December 31 of each year.

Except that during a member's first year of employment, such member shall be outfitted, as per the Chief's list of apparel, at the City's expense. Invoices on such purchases are to be made to the City.

Thereafter, newly hired employees shall be entitled to a pro-rated amount of uniform allowance in the first calendar year of employment.

A member who is transferred from patrol duty to the Detective Bureau shall be entitled to an additional nine hundred dollars (\$900) clothing allowance upon his or her initial transfer to the Detective Bureau.

The City agrees that up to three hundred and sixty dollars (\$360) of the annual clothing allowance may be used, at a member's option, for dry cleaning of uniform parts. The City will contract with a City-approved vendor to provide this service.

Section 25.2. Bulletproof Vests. Each member shall be issued a bulletproof vest at no cost to the member and without deduction from his or her clothing allowance.

All members are mandated to wear such bulletproof vest while on duty or have a signed waiver on file with the City.

Section 25.3. Damaged Items. The City shall replace uniform items damaged in the line of duty. Such replacement shall not be charged to the employee's uniform allowance.

ARTICLE 26 – SPECIAL DUTY

Section 26.1. Special Duty Assignments. Members shall be permitted to work special duty assignments so long as any such special duty assignment does not conflict with the member's regular work schedule and is approved by the Chief. The rate of pay for special duty shall be set by the Chief after consultation with the Lodge.

All special duty assignments, approved by the Chief, within the City of Bexley, shall be worked by members or other officers of the Department. If necessary, any and all special duty assignments may be divided into shifts between two (2) or more members as may be necessary to provide coverage for said assignments. If no members are available to cover a special duty assignment, it may be covered by officers of Departments other than the City of Bexley.

If on-duty personnel and vehicles are available for such use, the Department may permit a member to be transported in a cruiser, from police headquarters to and from the special duty assignment, within the City of Bexley. A member shall be allowed to use regular Departmental equipment (including a walkie and flares) in his or her special duty assignment.

ARTICLE 27 – MILITARY LEAVE/JURY DUTY

Section 27.1. Paid Military Leave of Twenty-Two Days (22) or Less. In each calendar year, members who serve in the Ohio National Guard, Ohio Military Reserve, Ohio Naval Militia, U.S. Air Force Reserve, U.S. Army Reserve, U.S. Marine Corps Reserve, U.S. Coast Guard Reserve, or the U.S. Naval Reserve (defined as "military duty") shall be granted military leave of absence without loss of pay for a period or periods not to exceed twenty-two (22) eight (8) hour days or one hundred seventy-six (176) hours during each federal fiscal year (October 1 to September 30) when a member is ordered to active duty, when a member is ordered to military training exercises conducted in the

field, when a member fulfills his/her unit training assembly requirements, and/or when the Governor of the State of Ohio or the President of the United States declares that a state of emergency exists, and the member is ordered to active duty for purposes of that emergency.

A member's regular wages shall be paid for the period or periods of time so served without deduction or offset for whatever amount such member may receive as military base pay.

Members are required to submit to the City an order or statement from the appropriate military commander as evidence of such duty. There is not a requirement that the service be in one continuous period of time. The maximum numbers of hours for which payment will be made in any one fiscal year under this provision is one hundred seventy-six hours (176).

Members of those components listed in paragraph one above will be granted emergency leave for mob, riot, civil defense, or similar duties when so ordered by the Governor to assist civil authorities. Such emergency leave will be without pay if it exceeds authorized military leave for the fiscal year. Members who are called or ordered to service by the President of the United States or an act of Congress for periods beyond the authorized military leave for the fiscal year shall be compensated consistent with the Ohio Revised Code. The leave will cover the official period of the emergency.

Section 27.2. Military Leave in Excess of Twenty-Two Days and Less Than Thirty-Six Days. Members of those components listed in paragraph one of 27.1 above who exceed twenty-two days (176 hours) of military leave shall be paid the difference of the total of their military wages and allowances and their City wages for active duty military leave beyond the one hundred seventy-six (176) granted each fiscal year for up to thirty-six total days of military leave (288 hours). If the military wages and allowances are higher than the City wage, no difference will be paid. Members will be responsible for all regular deducted benefit segments.

Section 27.3. Court Leave. The City shall grant full pay where a member is summoned for any jury duty or subpoenaed as a witness by any court or other adjudicatory body. All compensation for such duty must be reimbursed to the City unless such duty is performed totally outside of normal working hours. The City will not pay members when appearing in court for criminal or civil cases, when the case is being heard in connection with the member's personal matters, such as traffic court, divorce proceedings, custody, appearing as directed with juvenile. These absences shall be leave without pay or vacation time at the discretion of the member. A member shall request prior approval for court leave.

ARTICLE 28 – TUITION REIMBURSEMENT AND TRAINING

Section 28.1. Participation. Members are eligible to participate in a tuition reimbursement program offered by the City. Participation is voluntary and available to those who elect self-development courses during non-working hours. All course work must be taken in accordance with a planned program of professional improvement approved in advance by the Chief.

Section 28.2. Reimbursement. For approved courses, a member shall be reimbursed one hundred percent (100%) of the tuition expense, to a maximum of \$4,000.00 effective January 1, 2009, provided that the member satisfactorily completes the approved course by attaining a grade of C

or better, or a pass in the case of a pass-fail course. For approved courses, the City shall reimburse one hundred percent (100%) of the expenses incurred for required textbooks. The amount of the reimbursement for textbooks and laboratory fees shall be deducted from a member's maximum reimbursable tuition during each calendar year. No reimbursement is available for any other expense related to course attendance. Reimbursement shall be made to a member upon submission of official transcripts, tuition statements and receipt for textbooks and laboratory fees. However, any member who is granted course credit through verified learning experience or CLEP/DANTES examinations shall be reimbursed the cost of the test and/or application fee.

Section 28.3. Tuition Reimbursement Repayment.
