PREAMBLE

Section 1 This agreement, entered into by the City of Oberlin, hereinafter referred to as the “Employer”, and the Ohio Patrolmen’s Benevolent Association or its successor in interest, hereinafter referred to as the “OPBA”, has as its purpose the following:

To comply with the applicable requirements of Chapter 4117 of the Ohio Revised Code; to set forth the full and complete understandings and Agreements between the parties governing the wages, hours, terms and other conditions of employment for those patrol officers in the Employer’s Police Department included in the bargaining unit as defined herein; and to provide a peaceful procedure for the resolution of differences in accordance with the grievance procedure contained herein.

ARTICLE I – RECOGNITION

Section 1.1 The Employer recognized the OPBA as the sole and exclusive representative for those employees of the Employer in the bargaining unit. Wherever used in this Agreement, the term “bargaining unit” shall be deemed to include those individuals employed full-time in the following classification:

Patrol Officers

Section 1.2 Notwithstanding the provisions of this Article, management, confidential, professional, supervisory, part-time, temporary, seasonal, reserve and employees in the unclassified service shall not be included in the bargaining unit.

Section 1.3 All positions and classifications not specifically established herein as being included in the bargaining unit shall be excluded from the bargaining unit.

Section 1.4 The Employer will furnish the OPBA a list of all employees in the included classification covered by this Agreement indicating their starting date of employment annually and supplement such list as new employees are hired.

ARTICLE II – DUES DEDUCTION

Section 2.1 The City agrees to deduct Union membership dues in accordance with this Article for all employees eligible for membership in the bargaining unit upon successful completion of their individual probationary periods, or 60 days from their date of employment, whichever is less.

Section 2.2 The City agrees to deduct regular Union membership dues once each month from the pay of any employee in the bargaining unit eligible for membership upon receiving written authorization signed individually and voluntarily by the employee. The signed payroll deduction form must be presented to the City by the employee. Upon receipt of the proper authorization, the City will deduct Union dues from the payroll check for the next pay period in

which dues are normally deducted following the pay period in which the authorization was received by the City.

Section 2.3 The parties agree that the City assumes no obligation, financial or otherwise, arising out of the provisions of this Article regarding the deduction of membership dues, fees or assessments. The Union hereby agrees that it will indemnify and hold the City harmless from any claims, actions or proceedings by any employee arising from the deductions made by the City pursuant to this Article. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

Section 2.4 The City shall be relieved from making such individual “check-off” deductions upon an employee’s: (1) termination of employment; (2) transfer to a job other than one covered by the bargaining unit; (3) layoff from work; (4) an unpaid leave of absence; or (5) revocation of the check-off authorization. Said revocation must be submitted to the City in writing.

Section 2.5 The City shall not be obligated to make dues deductions from any employee who, during any dues months involved, shall have failed to receive sufficient wages to make legally required deductions in addition to the deduction of Union dues.

Section 2.6 The parties agree that neither the employees nor the Union shall have a claim against the City for errors in the processing of deductions unless a claim of error is made to the City in writing within thirty (30) days after the date such an error is claimed to have occurred. If it is found an error was made, it will be corrected at the next pay period that the Union dues deduction would normally be made by deducting the proper amount.

Section 2.7 Deductions provided for in this Article are subject to the approval of the Finance Director or designee and shall be made during one (1) pay period each month. In the event a deduction is not made for any Union member any particular month, the City, upon written verification of the Union, will make the appropriate deduction from the following pay period if the deduction does not exceed the total of two (2) months regular dues. The City will not deduct more than two (2) months regular dues from the pay of any Union member.

Section 2.8 The rate at which the dues are to be deducted shall be certified to the payroll clerk by the Treasurer of the Union during January of each year. One (1) month advance notice must be given to the payroll clerk prior to making any changes in an individual’s dues deductions.

Section 2.9 The City agrees to remit a warrant in the aggregate amount of the deductions to the Union.

ARTICLE III – MANAGEMENT RIGHTS

Section 3.1 Except as specifically limited herein, the Employer shall have the exclusive right to manage the operations, control the premises, direct the working forces, and maintain maximum efficiency of operations. Specifically, the Employer’s exclusive management rights include, but are not limited to, the sole right to hire, discipline and discharge for just cause, lay off and promote; to promulgate and enforce reasonable employment rules and regulations, to

reorganize, discontinue, or enlarge any operation, or division within the police department; to transfer (including the assignment and allocation of work operations -divisions) within or to other operations -divisions; to determine the work methods and the number and location of facilities; to determine the manner in which all work is to be performed; to determine the size and duties of the work force, the number of shifts required, and all work schedules; to establish, modify, consolidate, or abolish jobs; and to determine staffing patterns, including, but not limited to assignment of employees, numbers employed, duties to be performed, qualifications required, and areas worked; subject only to the restrictions and regulations governing the exercise of these rights as are expressly provided herein.

Section 3.2 The OPBA recognizes and accepts that all rights and responsibilities of the Employer not expressly restricted or modified herein and as permitted by law shall remain the function of the Employer.

ARTICLE IV – EMPLOYEE RIGHTS

Section 4.1 An employee has the right upon request to the presence and advice of an OPBA representative at any pre-disciplinary hearing.

Section 4.2 Before an employee may be charged with any violation of the Rules and Regulations for a refusal to answer questions or participate in an investigation, he shall be advised that his refusal to answer such questions or participate in such investigation could be the basis of such a charge.

Section 4.3 Questioning or interviewing of an employee in the course of an internal investigation will be conducted at hours reasonably related to the employee's shift, unless operational necessities require otherwise. Interrogation sessions shall be for reasonable periods of time and time shall be provided for rest periods and attendance to physical necessities. In addition, the employee may record such interrogation if he has recording device available so as not to delay the investigation. The Employer may have a transcript of such recording at the Employer expense.

Section 4.4 When an investigation moves from investigatory to accusatory and/or the affected employee reasonable believes disciplinary action may result, the affected employee shall have the right to request and have a Union representative present. Such request shall not unreasonably delay the continuation of the investigation.

Section 4.5 An employee may request an opportunity to review his personnel file, add memoranda to the file clarifying any documents contained in the file, and may have a non-employee representative of the OPBA present when reviewing his file. A reasonable request for copies of items included in the file shall be honored. All items in an employee's file with regard to complaints and investigations will be clearly marked, with respect to final disposition.

Section 4.6 In the course of an internal affairs investigation, a polygraph or computer voice stress analyzer (CVSA) examination will be administered only with the consent of the employee under investigation.

Section 4.7 Complaints by civilians which may involve suspension or discharge of an employee, shall be in writing and signed by the complainant. The Employer will furnish a copy of the complaint to the employee whom the complaint has been filed against prior to questioning or prior to the pre-disciplinary hearing, whichever occurs first.

Section 4.8 Records of written reprimands and/or verbal reprimands that are more than three (3) calendar years old shall not be used against the employee for purposes of progressive discipline. Calendar year begins with the date of infraction.

ARTICLE V – NO STRIKE/NO LOCKOUT

Section 5.1 The Employer and the OPBA recognize that a strike would create a clear and present danger to the health and safety of the public and that this Agreement provides machinery for the orderly resolution of grievances. The parties, therefore, agree to the following:

A. During the term of this Agreement, the OPBA shall not authorize, cause, engage in, sanction or assist in any sick call, work stoppage, strike, sympathy strike, or slowdown which affects the Employer or his operations. Should any employee(s) engage in a sick call, work stoppage, strike, sympathy strike or slowdown, the OPBA will promptly do whatever it can to prevent or stop such unauthorized acts, including the preparation of a letter addressed to the Employer stating “the strike action is not sanctioned by the OPBA and that all employees should return to work immediately.” Such letter shall be signed by the ranking OPBA officer of the Local and the appropriate non-employee OPBA representative.

Section 5.2 In addition to any other remedies available to the Employer, any employee or employees, either individually or collectively, who violate Section 1 of this Article are subject to discipline or discharge by the Employer.

Section 5.3 During the term of this Agreement, the Employer shall not cause, permit or engage in any lockout of its employees unless those employees shall have violated Section 1 of this Article.

Section 5.4 Nothing in this Article shall be construed to limit or abridge the Employer’s right to seek other available remedies provided by law to deal with any unauthorized or unlawful strikes.

ARTICLE VI – ASSOCIATION REPRESENTATION

Section 6.1 One (1) representative will be recognized by the Employer as the Union representative in accordance with this Agreement upon the receipt of a letter so identifying him and signed by an OPBA staff representative.

Section 6.2 The parties recognize that it may be necessary for an employee representative

of the OPBA to leave a normal work assignment while acting in the capacity of representative. The OPBA recognizes the operational needs of the Employer and will cooperate to keep to a minimum the time lost from work by a representative. Before leaving an assignment pursuant to this section, the representative must obtain approval from his supervisor. The Employer will compensate a representative at the normal rate for the time spent in the good faith processing of grievances, and at any meetings at which the Employer requests a representative to be present during regular working hours.

Section 6.3 The Director or Assistant Director of the OPBA shall be allowed a cumulative total of twenty-four (24) hours off per year without pay to attend OPBA Director meetings. Such employees shall provide the Employer with at least thirty (30) days advance written notice of the date(s) being requested.

Article VII – DISCIPLINE

Section 7.1 Disciplinary action taken by the Employer shall be for just cause.

Section 7.2 All non-probationary employees who are suspended, demoted or discharged, shall be given written notice regarding the reason(s) for the disciplinary action. Appeals of disciplinary action shall be through the grievance and arbitration procedures contained herein.

Section 7.3 Prior to any discipline being imposed, the non-probationary employee shall be given a meeting to respond to the Chief of Police or his designee.

ARTICLE VIII – GRIEVANCE PROCEDURE

Section 8.1 The term “grievance” shall mean an allegation by a bargaining unit employee or the Employer that there has been a breach, misinterpretation, or improper application of this Agreement. It is not intended that the grievance procedure be used to affect changes in the Articles of this Agreement nor those matters not covered by this Agreement.

Section 8.2 If specific administrative agency relief of judicial or quasi-judicial nature is provided for by the ordinances of City of Oberlin, statutes of the State of Ohio or the United States for review or redress of specific matters (such as Worker’s Compensation, Unemployment Compensation, etc.), such matters may not be the subject of a grievance or be processed as such. It is expressly agreed that all matters within the jurisdiction of the Oberlin Civil Service Commission, excluding the specific provisions as contained in the Labor Agreement, shall remain so and shall not be subject to a grievance within the meaning of this Article. All grievances must be processed at the proper step in order to be considered at subsequent steps and the following procedure will be observed:

Step 1 An employee who has a grievance must submit it in writing to the Lieutenant within ten (10) calendar days after the occurrence of the events upon which his grievance is based. The grievance shall include the name and position of the grievant, the provision(s) of the Agreement involved in the grievance; the time and place where the alleged events or

conditions giving rise to the grievance took place, the identity of the party responsible for causing the said grievance; and a general statement of the nature of the grievance and the redress sought by the grievant. The grievance shall be signed and dated by the grievant and/or the steward. The Lieutenant or his designee shall give the answer within ten (10) calendar days after receipt of the grievance. The Lieutenant's or his designee's answer shall be given to the grievant or the OPBA.

Step 2 If the employee's grievance is not satisfactorily settled at Step 1, the grievant shall, within ten (10) calendar days after receipt of the Step 1 answer, present such grievance to the Chief. The Chief shall meet with the grievant representative of the OPBA within ten (10) calendar days after the written grievance has been filed with the Chief, and a written answer shall be given within ten (10) calendar days after the Step 2 meeting. The Chief's answer shall be presented to the grievant or the OPBA.

Step 3 If the grievance is not satisfactorily settled with the written decision at the conclusion of Step 2, a written appeal of the decision may be filed with the City Manager within ten (10) calendar days from the date of the rendering of the decision at Step 2. Copies of the written decisions shall be submitted with the appeal. The City Manager or his designee shall meet with the grievant and/or a representative of the OPBA within ten (10) calendar days after the receipt of the appeal. The City Manager or his designee shall issue a written decision to the employee and his OPBA representative within ten (10) calendar days from the date of the meeting.

Step 4 In the event a grievance is unresolved after Step 3, then within ten (10) calendar days after the rendering of the decision at Step 3, the grievant may submit the grievance to arbitration. Within this ten (10) calendar day period, the parties will meet to attempt to mutually agree upon an arbitrator. If such agreement is not reached, the parties will promptly request the Federal Mediation and Conciliation Service to submit a panel of arbitrators and will choose one (1) by the alternative strike method.

The arbitrator shall have no power or authority to add to, subtract from, or in any manner, alter the specific terms of this Agreement or to make any award requiring the commission of any act prohibited by law or to make any award that itself is contrary to law or violates any of the terms and conditions of this Agreement.

The hearing or hearings shall be conducted pursuant to the "Rules of Voluntary Arbitration" of the American Arbitration Association.

The fees and expenses of the arbitrator and the cost of the hearing room, if any, shall be borne by the losing party. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred by the other party.

Employees who are reasonably necessary to the resolution of the grievance shall attend the arbitration hearing without the necessity of subpoena and shall be compensated at their regular hourly rate for all hours during which attendance is required by the Employer. Any request made

by either party for the attendance of witnesses shall be made in good faith, and shall not adversely affect the operations of the department.

Section 8.3 The time set forth in the Grievance Procedure shall, unless extended by mutual written agreement of the Employer and the OPBA, be binding, and any grievances not timely presented, or timely processed thereafter, shall not be considered a grievance under this Agreement. Any grievance not timely processed by the Employer at any of the preceding steps may be immediately referred to by the OPBA to the next level.

Section 8.4 Calendar Days as provided within the Grievance procedure shall not include Saturdays, Sundays or Holiday.

Section 8.5 An employee may present grievances and have them adjusted, without the intervention of a representative of the OPBA, as long as the adjustment, if any, is not inconsistent with the terms of the Agreement.

ARTICLE IX – NON-DISCRIMINATION

Section 9.1 Neither the Employer nor the OPBA shall discriminate against any bargaining unit employee on the basis of age, sex, race, color, creed, national origin, or handicap, as defined in Title VII of the Civil Rights Act of 1964, as amended, or Chapter 4112 ORC. The OPBA shall share equally with the Employer the responsibility for applying this provision of the Agreement.

Section 9.2 Where there is an alleged violation of the provisions of Title VII or Chapter 4112 ORC that qualifies for appeal under the rules of the Equal Employment Opportunity Commission, or the Ohio Civil Rights Commission, such matter shall not be appealable through the grievance procedure contained in this Agreement. However, the Employer, the employee and their representative, if desired by the employee, may meet in an effort to resolve the alleged violation prior to the appeal to any outside agency.

Section 9.3 The Employer agrees not to interfere with the rights of bargaining unit employees to become members of the OPBA, and the Employer shall not discriminate, interfere, restrain, or coerce any employee because of any legal employee activity in an official capacity on behalf of the OPBA, as long as that activity does not conflict with the terms of this Agreement.

Section 9.4 The OPBA agrees not to interfere with the rights of employees to refrain or resign from membership in the OPBA, and the OPBA shall not discriminate, interfere, restrain, or coerce any employee exercising the right to abstain from membership in the OPBA or involvement on OPBA activities.

Section 9.5 All references to employees in this Agreement designate both sexes, and wherever the male gender is used, it shall be construed to include male and female employees.

ARTICLE X – OBLIGATION TO NEGOTIATE

Section 10.1 The Employer and the Union acknowledge that during negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining/negotiations and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Section 10.2 Therefore, for the life of this Agreement, the Employer and the Union each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to negotiate collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement.

ARTICLE XI – CONFORMITY TO LAW

Section 11.1 This Agreement shall be subject to and subordinated to any applicable present and future Federal laws. The invalidity of any provision(s) of this Agreement by reason of any such existing or future law shall not affect the validity of the surviving provisions.

Section 11.2 If the enactment of legislation, or a determination by a court of final and competent jurisdiction renders any portion of this Agreement invalid or unenforceable, such legislation or decision shall not affect the validity of the surviving provisions of this Agreement, which shall remain in full force and effect as if such invalid provision(s) thereof had not been included herein.

ARTICLE XII – DUTY HOURS

Section 12.1 The regular working period for all employees covered by this Agreement will be eighty (80) hours in a two (2) week period. It is expressly understood that scheduling of employees within such two (2) week periods is an exclusive management right.

Section 12.2 Employees shall normally be paid for an average of eighty (80) hours of work per pay period. An employee incurring an unexcused absence or unpaid absence shall have their pay appropriately reduced either in the pay period within which the unpaid absence (s) occur, or in the pay period immediately following in accordance with established payroll procedures.

Section 12.3 Employees shall not have their pay docked during pay periods where they may be scheduled for less than eighty (80) hours provided the employee works or is in active pay status for the full work period or work schedule.

ARTICLE XIII – OVERTIME PAY

Section 13.1 All employees for work performed in excess of forty (40) hours in a pay

period, when approved by the supervisor in charge or the Police Chief, shall be compensated at the employee's regular base rate of pay, times one and one-half (1-1/2), for all such hours of overtime.

Section 13.2 For purposes of this Article, all hours paid, except sick leave hours, shall be included in the computation of overtime. However, sick leave hours used for medical appointments that cannot otherwise be scheduled during the employee's off-duty hours and approved by the Chief or his designee in advance, shall be considered as hours worked in the computation of overtime.

ARTICLE XIV – DOUBLE BACK/CALL-IN/REPORT PAY/COURT TIME/STAND-BY/ COMP TIME

Section 14.1 If an officer is required to work in excess of eight (8) hours in any twenty-four (24) hour period, excluding shift change, then the result shall incur overtime for that officer; i.e., double-backs. However, if an officer requests to work a double-back shift, then the officer shall not receive overtime for those hours worked. This does not preclude an officer from signing up for overtime which would result in a double-back situation.

Section 14.2 No employee shall be compensated for time fifteen (15) minutes prior to or after their regular shift without the specific prior approval of the Chief of Police or his designee. Any time worked past fifteen (15) minutes shall be compensated at the applicable rate of pay from the end of their regular shift in increments of tenths of an hour.

Section 14.3 An employee may elect to be compensated for overtime worked in the form of compensatory time. Compensatory time may be accrued up to a maximum of one hundred twenty (120) hours per calendar year. Requests for use of compensatory time shall normally be submitted by the tenth (10th) of the month preceding the date(s) being requested or as manpower needs otherwise allow. Approval of compensatory time requests shall be at the sole discretion of the Chief of Police or his designee. Compensatory time earned but unused in any calendar year shall be paid in the last pay of December of the applicable year.

Section 14.4 Whenever an employee is called into work by the Chief or his designee or is scheduled for court appearances on behalf of the Employer at a time disconnected from and not abutting his normally scheduled work hours, such employee shall be compensated for a minimum of three (3) hours at time and one-half (1-1/2) the employee's regular rate of pay. Employees shall be required to log in and out with the dispatcher on duty. The Employer may require that employees work three hours of call-in time. However, any employee called into work who actually reports to work and is then sent home shall be compensated for one (1) hour of work at his regular rate of pay. Any employee called into work, and subsequently advised not to report shall not be entitled to call-in pay.

Section 14.5 Any employee scheduled in at a time which does not abut his regular scheduled work shift to attend in-service training or other departmental meetings shall be compensated for a minimum of two (2) hours at time and one-half his regular rate of pay.

Section 14.6 When the Employer calls in an off-duty officer to fill a vacancy in the shift, the following shall apply: a rotating call-in roster shall be adhered to and maintained by the bargaining unit. In the event that all available off-duty officers in the bargaining unit are called to fill a vacancy and none of them agrees to work, the officer at the bottom of the roster shall be required to report for duty to fill in the vacancy.

Section 14.7 With the prior approval of the Chief of Police or his designee, employees may be allowed to exchange shifts. Overtime shall not be incurred as the result of such exchange and hours of work shall be calculated as if the affected employees worked their regularly scheduled shifts. Any employee involved in a shift exchange who subsequently calls off work on the work day to be exchanged shall be responsible for finding a timely replacement. Such replacement shall be considered and recorded as an additional shift exchange and shall not result in an overtime situation.

Section 14.8 At the sole discretion of the Chief of Police, required or approved school or training time may be scheduled to replace an employee's regularly scheduled duty hours. Such designated school or training time shall not result in an overtime situation being incurred by the Employer. This provision shall not apply to internal departmental training sessions.

Section 14.9 Whenever an employee is required by the Chief of Police to "stand-by" for immediate call to duty, where the employee is engaged to wait for such call and is unable to leave the specified area of Lorain County, such employee shall be compensated at the rate of one-half (1/2) of his regular base rate of pay for all hours on "stand-by".

Section 14.10 All differential time slips shall be turned in prior to midnight at the end of the work week. Time not turned in will revert to compensatory time. Officer-in-charge pay will be lost.

ARTICLE XV – HOLIDAYS

Section 15.1 All full-time employees shall be entitled to holiday time for the following holidays:

New Year's Day	Indigenous Peoples' Day (as recognized City-wide)
Martin Luther King, Jr's Birthday	Thanksgiving Day
Washington's Birthday	Day after Thanksgiving
Memorial Day	Christmas Eve (Effective December 24, 2020)
Independence Day	Christmas Day
Labor Day	

Section 15.2 Holiday time shall be added onto an employee's vacation time at the rate of eight (8) hours per holiday. If an employee also works the holiday such employee shall be paid for all hours worked on the holiday at the rate of one and one-half times his regular hourly rate of pay. In order to receive holiday compensation, an employee must work the scheduled day before and

the scheduled day after the holiday and the holiday itself. For purposes of the Article, medically documented sick leave and other approved paid leaves shall count as working a scheduled day.

Section 15.3 Holidays as set forth in Section 1 above shall be recognized on the date on which the holiday actually falls, as identified by a list of the dates provided by the bargaining unit and approved by the Employer. This list shall be submitted on or before January 1 of each year.

ARTICLE XVI – VACATIONS

Section 16.1 All full-time employees of the bargaining unit shall be entitled on their anniversary date of employment of each year to the following paid vacation provided they have worked at least one thousand forty (1,040) hours in the preceding anniversary year and have accrued the required years of service as follows:

<u>Length of service</u>	<u>Vacation</u>
After six (6) months	5 days
After one (1) year	10 days
After five (5) years	15 days
After ten (10) years	18 days
After fifteen (15) years	20 days
After twenty (20) years	25 days

Section 16.2 Earned vacation shall be awarded after the employee's first six (6) months of employment in accordance with the above schedule, provided the employee is employed by the Employer at that time. There shall be no proration of vacation time.

Section 16.3 Vacation time shall be taken at a time approved of by the Appointing Authority.

Section 16.4 Any employee who quits or is terminated or retires and has unused vacation time, shall receive such vacation time or shall be paid for such time.

Section 16.5 Vacation time shall not be carried over from one year to another without the express written authorization of the Employer. Any vacation time that is unused within the year granted shall be deemed forfeited unless otherwise approved by the Employer. Such approval shall be handled on an individual basis and shall not be unreasonably denied.

Section 16.6 Employees hired after January 1, 1992, shall not be permitted to carry-over prior service credit from other public employers for vacation purposes.

ARTICLE XVII – SICK LEAVE

Section 17.1 Sick leave shall be defined as an absence with pay necessitated by: (1) illness or injury to the employee; (2) exposure by the employee to a contagious disease communicable to other employees; or (3) serious illness, injury or death in the employee's immediate family.

Section 17.2 All full-time employees shall earn sick leave at the rate of 4.6 hours per pay period in active pay status up to a maximum of fifteen (15) days per year. Sick leave shall accumulate without limit from year to year.

Section 17.3 An employee who is absent on sick leave shall notify his supervisor or designee of such absence and the reason therefore prior to the start of his work shift each day he is to be absent. At least two (2) hours prior notification is preferred, but not required.

Section 17.4 Sick leave may be used in segments of not less than one (1) hour.

Section 17.5 Before an absence may be charged against accumulated sick leave, the Chief may require such proof of illness, injury or death as may be satisfactory to him, or may require the employee to be examined by a physician designated by the chief and paid by the Employer.

Section 17.6 If the employee fails to submit adequate proof of illness, injury or death upon request of the Chief, or in the event that upon such proof as is submitted or upon the report of medical examination, the Chief finds there is not satisfactory evidence of illness, injury or death sufficient to justify the employee's absence, such leave may be considered an unauthorized leave and shall be without pay.

Section 17.7 Any abuse of sick leave or the patterned use of sick leave shall be just and sufficient cause for discipline as may be determined by the Chief.

Section 17.8 The Chief may require an employee who has been absent due to personal illness or injury, prior to and as a condition of his return to duty, to be examined by a physician and paid for by the Employer, to establish that he is not disabled from the performance of his normal duties and that his return to duty will not jeopardize the health and safety of other employees.

Section 17.9 When sick leave is used due to illness, injury or death in the immediate family, "immediate family" shall be defined as the employee's spouse, parent(s), stepparent(s), sisters, brothers, children, stepchildren, or one for whom the employee stands in loco parentis, grandparent(s), father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandchild, same or different sex domestic partners or any relative residing in the employee's home.

Section 17.10 An employee who transfers from this department to another department of the Employer shall be allowed to transfer his accumulated sick leave to the new department.

Section 17.11 Any employee who has accumulated sick leave earned from being employed by the State of Ohio or any other political subdivision of the State of Ohio and who has become employed by the Employer within ten (10) years from his termination from such other public employer, shall be allowed to transfer said accumulation to his sick leave accumulation with the Employer, providing that such sick leave accumulation shall be limited to the existing maximum

accruable amount in effect at the time of transfer in this Agreement.

Section 17.12 Upon retirement, an employee shall be entitled to receive a cash payment equal to his daily rate of pay at the time of retirement, multiplied by the total number of accumulated but unused sick days earned by the employee and certified by the City Auditor, providing that such resultant number of days to be paid shall not exceed thirty (30) days at one hundred percent (100%), and up to an additional sixty (60) days at thirty- three and one-third percent (33 1/3%).

Section 17.13 An employee eligible for cash payment pursuant to Section 17.12 above may, at his option, elect to take an early retirement with the monetary value of such cash payment being applied towards said early retirement.

ARTICLE XVIII – PERSONAL LEAVE

Section 18.1 All employees shall, in addition to all other leave benefits, be granted four (4) personal days per calendar year which are to be taken within the year earned or be forfeited. Such leave shall be prorated for new hires upon employment.

Section 18.2 Personal days shall only be taken with the advance approval of the officer in charge or Chief of Police.
