An employee who evidences unsatisfactory performance may be returned to his former position at any time during the second half of his probationary period, and may grieve such return only to the third step of the grievance procedure. Nothing herein shall be construed to

preclude the Employer from terminating or otherwise disciplining such an employee under appropriate circumstances.

8.03. All these criteria will be considered to be of equal importance. Each applicant will be considered using the criteria to determine which applicant is best qualified to perform the job duties of the position set forth in the posted position and as determined by the Employer. If two (2) or more applicants are considered substantially equal, then the position shall be awarded to the applicant with the greatest seniority.

8.04. All applicants who have completed the application form will be evaluated, provided they meet the qualifications. The qualified applicants, as determined by the Employer, will be interviewed within fourteen (14) days after the posting is completed.

8.05. The Employer will not consider any applications filed after the fifth (5th) working day of the posting, including the day of the posting. 8.06. All newly hired employees will be required to satisfactorily complete the required probationary period.

9.01. All non-entry level positions, which are defined as Sergeant and Lieutenant positions, will be filled in accordance with this article.

9.02. It is the policy of the Employer to fill all promotions, which are defined as Lieutenant from within the bargaining unit. 9.04. All applicants will be evaluated, provided they meet the qualifications. The qualified applicants as determined by the Employer will be interviewed by the Employer and/or his designee(s) within fourteen (14) days after the posting is completed.

**ARTICLE 10
SENIORITY**

10.01. For purpose of this agreement, a bargaining unit employee's departmental seniority shall be determined by the latest date of full-time employment as an employee of the Erie County Sheriff's Office.

10.02. An employee's seniority shall end and he shall lose re-employment rights except as otherwise stated in this Agreement when:

- A. He voluntarily quits;
- B. He is terminated;
- C. He does not return within five (5) days from the receipt of a notice of recall;
- D. He is on layoff in excess of twenty-four (24) months;
- E. He retires after attaining eligibility to receive benefits as a result of years of service and years of age; and,
- F. If the Employer appoints a person from the bargaining unit(s) to a fiduciary position, he will not lose seniority rights for sixty (60) days, if the individual returns to the unit. One such transfer is permissible per person.

10.03. **Rank Seniority.** An employee's seniority in rank shall be determined by the latest date of appointment to his rank. In the event of a layoff and subsequent displacement to a lower rank, a employee's rank seniority shall continue to accrue as though no displacement had occurred until such time as the employee's recall rights expire. Rank seniority is defined as time served within a rank.

ARTICLE 11 REDUCTION IN FORCE

11.01. The Union recognizes the right of the Employer to lay off an employee(s) when the Employer determines a reduction in force is necessary due to lack of funds, lack of work or the abolishment of positions. A lack of funds means an appointing authority has a current or projected deficiency of funding to maintain current, or to sustain projected levels of staffing and operations. A lack of work means an appointing authority has a current or projected temporary decrease in the workload expected to last less than one year, which requires a reduction of current or projected staffing levels. Abolishment means the permanent deletion of a position(s) from the organization of structure of the appointing authority due to the lack of continued need for the position as a result of a re-organization for the efficient operation of the appointing authority.

11.02. The Employer, having determined a reduction in force is necessary due to the aforementioned reasons, shall notify the Union prior to notifying Employees of an impending layoff.

11.03. The Employer shall determine the classification(s) in which a layoff shall occur and the number of employees to be laid off within each classification. Non-full- time employees shall be laid off prior to any full- time employees. Probationary employees will be laid off prior to full time non-probationary employees.

11.04. A laid off employee shall have the right to displace an employee with less rank seniority or an employee with less departmental seniority in a lower or equivalent rank, provided such employee is qualified/certified to perform the work. The laid off employee may not displace an employee in a rank if the employee does not meet the minimum qualifications of the rank. An employee may exercise the right to displace another employee within five (5) days of the date of receipt of a layoff notice. The failure to exercise the right of displacement shall not affect the employee's recall rights.

11.05. Each employee to be laid off shall be given advance written notice by the Employer. Such written notice shall be mailed by certified mail to the employee's last known address on file with the Employer. Such notice shall be mailed at least seven (7) calendar days before the effective date of the layoff or layoff due to displacement. The day the letter is mailed shall be the first (1st) day of the seven (7) day period. Each notice of layoff or displacement shall contain the following information:

- A. The reason for layoff or displacement;
- B. The effective date of the layoff of displacement;
- C. The employee's accumulated rank and departmental seniority;
- D. The right of the employee to grieve the effects of a layoff or displacement;
- E. A statement advising the employee that he may have the right to displace another employee and that the employee must exercise his displacement rights within five (5) days of the date he is notified that he is displaced or is notified of layoff;
- F. A statement advising the employee of the right to reinstate or re-employment;
- G. A statement that the employee is responsible for maintaining a current address with his appointing authority; and,

- H. A statement that the employee may have the option to convert accrued unused leave, if such opportunity to convert leave exists.

11.06. Recalls from layoff will be in the inverse order of layoff (last laid off, first recalled), within the respective classifications included in the Agreement, however, excepting a reduction in force resulting from the abolishment of position(s), immediately prior to or simultaneously with a recall, a employee who has displaced to a lower rank shall be reinstated to his former rank. Further, no new employee or other employee shall be hired or promoted to a rank from which an employee has been laid off or from which he has displaced to a lower rank, or shall a new employee be hired into a higher rank unless no current employee is qualified for promotion to the higher rank.

11.07. In the case of a recall, the Employer shall provide notice of recall by certified mail, return receipt requested, sent to the last known address of record for the employee. Such notice shall include the date and time for the employee to return to work, which shall not be less than five (5) days after the notice is received. If the employee does not report for work at such time, or does not take receipt of the recall letter within five (5) days or make other arrangements with the Employer, the employee shall not retain further rights to recall. It is the responsibility of each employee to keep the Employer informed of his current address.

11.08. Employees shall retain recall rights, except as otherwise provided herein, for a period of twenty-four (24) months from the date of the layoff. An employee shall not accrue seniority during a period of layoff. Should an employee be on layoff in excess of twenty-four (24) consecutive months, he must re-certify to State specifications in order to remain eligible for recall. The Employer will pay the cost of any employee who must be re-certified upon recall.

11.09. An employee may grieve the effects of a layoff or a displacement commencing at Step 2 (Sheriff) of the grievance Procedure contained in this Agreement.

11.10. An employee who voluntarily resigns from the Department may, with the approval of the employer, be reinstated within one (1) calendar year from the date of his separation to his former position if the position is vacant. If the position is not vacant, then the employee may be reinstated to a similar position providing the employee is qualified to perform the duties of the position.

11.11 This article shall not be triggered if an arbitrator returns a terminated employee to work. The employee last hired shall be released automatically when the terminated employee returns to work in the effected classification.

ARTICLE 12 MILITARY LEAVE

12.01. Permanent employees who are members of the Ohio organized militia, or members of other reserve components of the armed forces of the United States, including the Ohio national guard, are entitled to leave of absence from their respective positions without loss of pay for the time they are performing service in the uniformed services for periods of up to one month, for each calendar year in which they are performing service in the uniformed services.

12.02. The employee is required to submit to the Employer an order or statement from the appropriate military commander as evidence of such duty. The Employer, upon written verification of military leave pay, will pay the

employee his regular rate of pay for no longer than thirty-one (31) days in any calendar year. There is no requirement that the service be in one continuous period of time. The maximum number of hours for which payments may be made in any one calendar year under this provision is two hundred and forty-eight (248) hours.

12.03. Employees who have worked for the employer long enough to complete their probationary period will be granted a leave of absence without pay to be inducted or to otherwise enter military service.

12.04. An appointment may be made to fill a vacancy created when an employee enters military service. However, if the person filling such a vacancy also enters military service, he may be reinstated to the position after completion of service only if the first employee (the original incumbent) fails to apply for reinstatement within ninety (90) days of discharge, or make a written waiver of all rights to the position.

12.05. An employee who re-enlists while on active duty, or a commissioned officer who voluntarily enters on extended active duty beyond that required upon accepting a commission is not eligible for reinstatement.

12.06. Employees who are employees of the Ohio National Guard will be granted emergency leave for mob, riot, flood, civil defense, or similar duties when so ordered by the governor to assist civil authorities. Such leave will be without pay if it exceeds authorized paid military leave for the year. The leave will cover the official period of the emergency.

12.07. A veteran separated or discharged under honorable conditions must make application for re-employment to the former position within ninety (90) days after release from hospitalization due to in-service injury or illness which has not exceeded a period of more than one (1) year. The following procedures apply:

- A. Reinstatement must be accomplished within thirty (30) days after application is received by the Employer;
- B. A photostatic copy of the discharge or certificate of service must accompany all requests for reinstatement or reappointment;
- C. The veteran must be physically qualified to perform the duties of the position. Where a disability sustained in the military service precludes restoration to the original position, the veteran will be placed in a position of line status and pay compatible with his physical condition; and,
- D. The veteran is entitled to all salary benefits or other advancement accruing to the position during military absence as follows:
 1. Sick leave that amount which has been accumulated at the time of entering service;
 2. Vacation leave time spent on military leave will be counted in determining the employee's length of service, but no vacation credit will be accumulated during the time spent on military leave;
 3. Automatic salary adjustments; and,
 4. Any changes in classification or pay range which would have been accrued to the position if the employee had been on the job.

ARTICLE 13 JURY DUTY/CIVIL LEAVE

13.01. Any full time bargaining unit employee who is summoned for jury duty shall be granted jury duty leave with full pay. An employee shall provide the Employer with a copy of the Jury Duty Summons when requesting

such leave. Leaves granted by the Employer under the provisions of this Article shall commence on the date of appearance noted on such a summons. Employees granted such leave shall notify the Employer immediately upon completion of their jury duty obligation. Any compensation or reimbursement for jury duty shall be remitted by the employee to the Employer.

13.02. On occasion where an employee is released early from his jury duty obligation, such employee shall report to work in order to complete his assigned shift, provided that two (2) or more hours remain in such shift after he has been excused from jury duty for that day. In the event an employee's assigned shift does not correspond with the required jury duty appearance time, the Employer shall reassign such an employee to the shift that would correspond with such a jury duty appearance. Should such a reassignment occur, upon the termination of the employee's jury duty obligation he shall return to his regularly scheduled shift, at the discretion of the Employer.

13.03. If an employee is required to appear in a court of law for personal reasons he may elect to take either accrued but unused vacation leave, personal day leave, or leave without pay with the approval of the Employer. Whenever possible, an employee shall give at least one (1) week advance notice of the need for such a leave.

ARTICLE 14 VACATIONS

14.01. Employees are entitled to vacation with pay after one year of continuous service with the employer. The amount of vacation leave to which an employee is entitled is based upon length of full-time service, as listed below. Upon the completion of the first year of continuous full-time service, an employee will receive eighty

(80) hours of lump sum vacation credit. After that initial vacation accrual, employees will receive any additional vacation credit to which they are entitled annually on a bi-weekly basis rather than in a lump sum credit on their anniversary date.

<u>LENGTH OF SERVICE</u>	<u>VACATION</u>
Less than 1 full year	None
1 full year but less than 5 full years	80 hours
5 full years but less than 11 full years	120 hours
11 full years but less than 17 full years	160 hours
17 full years but less than 24 full years	200 hours
24 full years or more	240 hours

For payment purposes, vacation is credited each bi-weekly pay period at the following rates:

<u>Annual Vacation Entitled To</u>	<u>Credit Per Pay Period</u>
80 hours	3.1 hours
120 hours	4.6 hours
160 hours	6.2 hours
200 hours	7.7 hours
240 hours	9.2 hours

14.02. No employee will be entitled to vacation leave nor payment for accumulated vacation under any circumstances until he has completed one (1) year of employment with the Employer.

14.03. Vacations shall be taken in minimum increments of one-half (1/2) hour. Vacations are scheduled in accordance with the workload requirements of the individual divisions. Vacation requests made sixty (60) or more days before the requested vacation date will be awarded based upon seniority. Vacation requests made less than sixty (60) days prior to the requested vacation date will be granted on a first come, first served basis, and seniority will not apply. The Employer shall respond to such vacation requests in a timely and reasonable fashion and in accordance with Article 14.09 of the Bargaining Agreement. Adjustments to the schedule will be made based upon seniority, and in accordance with the workload requirements as determined by the Employer.

14.04 An employee wishing to change his scheduled vacation shall give the Employer as much advance notice as possible. All changes in the schedule shall be made on a "first come-first served" basis for those unscheduled and available weeks remaining. The Employer shall have the right to deny vacation requests if workload requirements so mandate.

14.05. Once the vacation has been approved by the Employer, alteration or cancellation of vacation days off by the Employer shall be based only on unforeseen emergency needs. In the event an approved vacation is canceled or altered by the Employer or his designee, the employee shall be indemnified by the Employer from loss of unrecoverable monetary deposits for reservations or tickets. The employee shall be required to present documentation supporting such claim.

14.06. Generally, an employee is requested to take his vacation leave between the year in which it was accrued and the next anniversary date of employment. However, an employee may elect to accumulate vacation from year to year to a maximum of two (2) years.

14.07. Employees shall forfeit their right to take or to be paid for any vacation leave to their credit, which is in excess of the accrual for two (2) years.

14.08. In the case of the death of a bargaining unit employee, the unused vacation leave to the credit of any such employee shall be paid to the surviving spouse or to his estate.

14.09. For vacation requests submitted less than sixty (60) days in advance under Article 14.03, the Employer shall approve or deny said request within five (5) business days, defined as Monday through Friday excluding Holidays. If a request remains unanswered after five (5) business days, it shall be deemed to have been approved and shall not be cancelled by the Employer except for a declared emergency as defined in Article 31.01 of the bargaining agreement.

ARTICLE 15 HOLIDAYS

15.01. Employees shall be entitled to the following paid holidays:

New Year's Day	1st day of January
Martin Luther King Day	3rd Monday of January
President's Day	3rd Monday of February
Memorial Day	Last Monday of May
Independence Day	4th of July
Labor Day	1st Monday of September
Columbus Day	2nd Monday of October

Veteran's Day	11th day of November
Thanksgiving Day	4th Thursday of November
Friday after Thanksgiving	4th Friday of November
Christmas Day	25th day of December

15.02. An employee is entitled to holiday pay for holidays observed on his day off regardless of the day of the week on which they are observed.

15.03. Employees shall be paid for eight (8) hours at their straight time hourly rate for each of the holidays listed in 15.01 above when no work is performed on such holidays. Employees working on holidays will be paid one and one-half (1½) times their regular rate of pay for each hour worked in addition to eight (8) hours at their straight time hourly rate for each of the holidays listed in Section 15.01 above.

15.04. An employee on vacation or approved sick leave status on the specified holiday will be charged with eight (8) hours vacation or paid leave time and will be paid for the holiday in addition.

15.05. Holiday hours not worked will not be recorded or charged.

15.06. In order to be eligible for holiday pay the employee must be in pay status the last regularly scheduled shift immediately preceding the holiday and the first regularly scheduled shift immediately following the holiday unless the employee has an excused absence. For purposes of this section, excused absence shall be defined as funeral leave as provided in the Agreement, illness which is verified by a physician's certificate, approved vacation leave, and personal day as provided in this Agreement. The employee must be on the active payroll during the week in which the holiday falls.

15.07. Payment for all holidays outlined in §15.01 above shall be deferred until—and made annually to—an employee at his regular straight time hourly rate included in the paycheck that includes the Veterans Day holiday. An employee shall not be entitled to any interest which may accrue on such deferred holiday pay.

15.08 Bargaining unit members shall have the ability to take any/all holiday hours as time off in four (4) hour increments or eight (8) hour increments in lieu of a cash payout at year end. No overtime shall be authorized to cover holiday time off usage.

15.09. An employee who leaves employment with the Employer prior to December of each year other than for reasons outlined in 15.10 shall receive payment in a lump sum and in a separate check for all earned but deferred holiday pay which he has accrued as of the date of his separation. Such employee shall not be entitled to interest which may accrue on such deferred holiday pay.

15.10 An employee shall not be entitled to any holiday pay as provided in this Article during the period he is on an approved leave of absence, or during a period in which he is on layoff.

15.11 Holidays will be defined as starting with the day shift on the actual holiday and ending with the conclusion of the night shift that commences on the actual holiday.

ARTICLE 16 PERSONAL DAYS

16.01. All employees covered by this Agreement shall be entitled to five (5) personal days off with pay in each calendar year. All employees must have successfully completed their probationary period to be eligible for the personal days. The Employer may decline the request for a personal day if the request generates mandatory overtime (or revoke previously approved requests).

16.02. Such personal days must be taken in either four (4) hour or eight (8) hour increments in the calendar year said personal days are earned. There shall be no carry-over of personal days from calendar year to calendar year.

16.03. An employee shall take said personal days at his choosing, with the following criteria:

- A. Request for personal day must be made to the Employer or his designee prior to the requested time off. The Employee shall submit to the Employer a written request for said personal day upon his return to work;
- B. Said day off shall not be in conflict with operations of the department;
- C. Sheriff or his designee shall give written approval of said request;

16.04. An employee who has requested a personal day off, but cannot be scheduled for such by December 31st of the year in which said day was earned, shall be paid for such day at the applicable rate of pay.

16.05. Should an employee not attempt to schedule his personal days off by December 31st of the year in which said days were earned, he shall forfeit said personal days and not be entitled to compensation for such days.

ARTICLE 17 SICK LEAVE

17.01. **Crediting of Sick Leave.** Sick leave credit shall be earned at the rate of 4.6 hours for each bi-weekly pay period in active pay status, including paid vacation, and sick leave, but not during a leave of absence or layoff. Unused sick leave shall accumulate without limit.

17.02. **Expiration of Sick Leave.** If illness or disability continues beyond the time covered by earned sick leave, the employee may be granted a disability leave or a personal leave, at the discretion of the Employer.

17.03. **Charging of Sick Leave.** Sick leave shall be charged for actual time absent. An employee shall be charged for sick leave only for days upon which he would otherwise have been scheduled to work. Sick leave payment shall not exceed the normal scheduled work day or work week earning.

17.04. **Uses of Sick Leave.** Sick leave shall be granted to an employee upon approval of the Employer and for the following reasons:

- A. Illness or injury of the employee or a member of the employee's immediate family where the employee's presence is necessary for the health and welfare of the employee or affected family member;
- B. Death of a member of his immediate family;

- C. Medical, dental or optical examination or treatment of employee which cannot be scheduled during non-working hours;
- D. If a member of the immediate family is afflicted with a contagious disease or requires the care and attention of the employee or when, through exposure to a contagious disease, the presence of the employee at his job would jeopardize the health of others; and,
- E. Pregnancy and/or child birth and other conditions related thereto.

For purposes of 17.04, members of an employee's immediate family are considered to be:

Mother, father, brother, sister, child, spouse, grandparent, grandchild, brother-in-law, father-in-law, mother-in-law, daughter-in-law, son-in-law, sister-in-law, legal guardian, or other person who stands in the place of a parent.

17.05. Evidence Required for Sick Leave Usage. The Employer may require an employee to furnish a standard, written signed statement explaining the nature of the illness or injury, to justify the use of sick leave for either the employee or a member of employee's immediate family. Falsification of either a written, signed statement or a physician's certificate shall be grounds for disciplinary action, up to and including dismissal.

17.06. Notification by Employee. When an employee is unable to work, he shall notify his immediate supervisor or other designated person, as soon as possible, or no later than one (1) hour before the time he is scheduled to work on each day of absence, unless emergency conditions make it impossible or unless the employee has made other reporting arrangements with his immediate supervisor.

17.07. Abuse of Sick Leave. Employees failing to comply with sick leave rules and regulations shall not be paid and may be subject to disciplinary action. If the Employer has reason to suspect that a pattern of sick leave abuse exists, the Employer shall inform the employee in question and the labor council coordinator of the suspicion and the reason for the suspected sick leave abuse. If the employee continues to exhibit the same pattern of sick leave use and does not furnish a physician's statement concerning the illness(s), then the employee may be subject to the discipline procedure. The use of more than thirty-two (32) hours of unexcused sick leave within any 12-month period may establish a prima facie pattern of sick leave abuse.

17.08. Physician Statement. If medical attention is required, the employee shall be required to furnish a statement from a licensed physician notifying the Employer that the employee is unable to perform his duties. When the employee is absent for three (3) or more consecutive days due to illness, the employee shall be required to furnish a statement from a licensed physician notifying the Employer that the employee was unable to perform his duties for those three (3) or more consecutive days. When an employee exceeds four (4) days or thirty-two (32) hours within any consecutive twelve (12) month period, the employee shall be granted sick leave for any additional hours off within that period only upon certification of inability to work by a licensed physician or medical authority.

17.09. Physician's Examination. When reasonable under the circumstances, the Employer may require an employee to take an examination, conducted by a licensed physician or psychologist selected by the Employer, to determine the employee's physical or mental capability to perform the duties of the employee's position. If found not qualified, the employee may be placed on sick leave or disability leave. The cost of the examination shall be paid by the Employer. When presented with a demand signed by the employee or both the employee and the Union, the Employer shall disclose in writing the circumstances leading up to the Employer's decision to require an examination. It is understood by all parties that such a demand and response are to be held in strict confidence and do not constitute publication. If the employee disagrees with the decision of the professional to whom he has been sent, he may seek a second opinion from a professional of substantially equal credentials and

licensure, the cost of which will be borne BY THE employee. If the two opinions are in substantial disagreement the two professionals so rendering those evaluations must mutually agree upon a third professional of substantially equal credentials and licensure whose opinion shall be final and binding. The costs of the third opinion will be borne equally between the employee and the Employer.

17.10. Documentation of Sick Leave Usage. Any employee who is on sick leave must submit proper request for use of such leave to the employer upon returning to work, and no later than the conclusion of the employee's first shift after his/her return to work from sick leave. This notice shall be submitted as per the employer's practice. Excuses provided by a licensed physician, if require and as provided for elsewhere in this article, will be submitted to the Chief Deputy.

17.11. Funeral Leave.

- A. Employees shall be granted up to three (3) consecutive days leave, with the approval of the Sheriff, upon the death of his spouse, child, parent or parent-in-law, sister, brother, grandparent, stepmother, stepfather, stepbrother, stepsister, stepchild, grandchild, or step grandchild. This leave shall not be charged against sick or other leave benefit in this agreement. Additional leave, up to two (2) consecutive days may be taken and charged against sick leave accrual;
- B. On the written request of the employee, the Employer may grant additional sick leave to a maximum of ten (10) days and then, on the employee's request, may grant additional days as the Employer may deem necessary. Such leave shall be granted upon the approval of the Sheriff at the request of an employee for a maximum of five (5) days on the death of a grandchild, wife's legal guardian or person who had stood in loco parentis, brother-in-law, sister-in-law, daughter-in-law, son-in-law. The Employer shall grant a reasonable number of additional days of sick leave at the request of an employee who shows good cause for an extension; and,
- C. Such sick leave/funeral leave must be on consecutive work days and include the day of the funeral. Where the day of the funeral is on a day the employee is not scheduled to work, the consecutive work days will be scheduled with the Employer's representative. The employee may be required to submit a death or obituary notice or form from a funeral director with the standard written, signed statement justifying sick leave. The Employer's record of an employee's use of leave under this section shall distinguish funeral leave from regular sick leave.

17.12 Sick Leave Redemption. After an employee has accrued two-hundred eighty (280) hours of sick leave they may elect to redeem up to forty (40) hours of sick leave per calendar year at 100% of the employee's base rate of pay, or if an employee has five hundred (500) hours of sick time may elect to cash out up to eighty (80) hours of sick time per calendar year at 100% of the employee's base rate of pay, using the following guidelines:

- A. The request must be made to the Sheriff or his designee in writing by May 15th of each calendar year;
- B. The request will list the amount of hours the employee wishes to redeem;
- C. Sick leave must be redeemed out for a minimum of eight (8) hours and in one-hour (1) increments after the initial eight (8) hours; and
- D. The employee will receive the sick leave pay on the second pay period in June of each calendar year.

ARTICLE 18 LEAVES OF ABSENCE WITHOUT PAY

18.01. **Family Leave.** The Family Medical Leave Act (FMLA) shall apply to unit employees on the date it becomes effective as to public agencies. The terms of that Act shall apply except as they may be enlarged by the provisions of Section 18.02. An employee is eligible for family leave upon completion of one (1) year of employment or his probationary period, whichever is greater. An employee, at his discretion, shall not be required to exhaust all paid leave prior to using the Family Medical Leave Act and may hold back up to 40 hours of paid leave.

18.02. **Personal Leave.** The Employer may grant a personal leave of absence without pay to an employee in the bargaining unit. Such leave may be granted for a minimum duration of one (1) week for any personal reasons of the employee, and may not be renewed or extended beyond six (6) months. Upon completion of such a leave of absence, the employee shall be returned to the position which he formerly occupied, or to a similar position if his former position no longer exists. He may be returned to active pay status prior to the originally scheduled expiration of the leave, if such earlier return is agreed to by both Union and Employer. If it is found that leave is not actually being used for the purpose for which it was granted, the Employer may impose discipline up to and including discharge.

18.03. **Failure to Return from Leave of Absence.** An employee who fails to return to duty at the completion of a leave of absence, without reporting to the Employer or his representative, may be terminated from employment.

ARTICLE 19 HOURS OF WORK/OVERTIME

19.01. The standard work period for all full-time employees covered by the terms of this Agreement shall be fourteen days (14) days. The work period shall be computed starting Sunday and ending on the fourteenth day following. Each work period thereafter shall be computed beginning the next Sunday and run for the next fourteen (14) day period. Hours worked shall include holiday time, vacation time, bereavement leave, personal days, and sick leave.

19.02. Each employee, during the fourteen (14) day period outlined above, shall work an average of forty (40) hours per week.

19.03. When an employee is required by the Employer to work in excess of eighty (80) hours in a work period as defined in Section 19.01 above, he shall be compensated at the rate of one and one-half (1-1/2) times his regular rate of pay for all hours worked in excess of eighty (80) in the fourteen (14) day period. Compensation shall not be paid more than once for the same hours under any provision of this Article or Agreement. An employee must be prepared to work overtime without prior notice and all overtime that is scheduled shall be worked.

19.04 An employee may request to be compensated with compensatory time off in lieu of payment to overtime worked. An employee cannot accumulate more than sixty (60) hours at any one time, regardless of how the compensatory time is earned. Any compensatory time, regardless of how it was earned, that exceeds the maximum sixty (60) hours shall be taken in pay.

(A) An Employee may request compensatory time off, as provided for in this Article, provided it does not result in the payment of overtime or present a scheduling conflict or interfere with the orderly operation of

the office. An employee shall be limited to use a maximum of forty (40) hours of compensatory time per calendar month. All requests will be submitted, in writing, to his immediate supervisor who shall either approve or disapprove the request and if approved, will make the appropriate change to the work schedule.

(B) In the event that at the time compensatory time is to be taken, overtime will be created or the regularly scheduled shift will be disrupted (except for training or temporary assignment), then the employee scheduled off shall have his compensatory time revoked, provided the Sheriff or designee gives such employee not less than five (5) days' notice, to be confirmed in writing. Twenty-four (24) hours' notice shall be provided to the Sheriff or designee for cancellation of compensatory time to be confirmed in writing.

(C) SRT Training: Members assigned to the Special Response Team shall have the option of earning hour-for-hour compensatory time for training or pay in accordance with the terms of the collective bargaining agreement.

19.05. All overtime shall be offered to full-time bargaining unit employees prior to being offered to fiduciary and/or part-time employees.

19.06. **Trading Days Off.** Employees of the bargaining unit in the same job classification and with the same assigned duties may be permitted to voluntarily exchange days off. Before any days off can be exchanged, a notification must be filed with the Sheriff's office. The notification shall contain:

- A. The specific day(s) to be exchanged; and,
- B. The signatures of both parties to the exchange.

It is agreed that the exchange of days must be completed within one (1) calendar year. The Employer is hereby indemnified by the signatures to the exchange for any financial liability resulting from a party to the exchange who fails to satisfy the agreement.

19.07. **Shift and Day Off Trade or Exchange.**

- A. Employees with the same job description or assigned basically similar job responsibilities and duties may be permitted, on written request submitted not later than one (1) week in advance, to exchange assigned shift hours for a period of no less than four (4) hours increments nor more than fourteen (14) work days and must be completed within the same pay period; and,
- B. Employees whose job description or job responsibilities and duties are peculiar to them individually may be permitted, on written request submitted no later than one (1) week in advance to exchange one or more scheduled days off for scheduled work days subject to the limitations that such exchanges must occur entirely within the Employer's permanent fourteen (14) day work period.

19.08. Employees shall be entitled to a period of relief of no less than thirty (30) minutes in duration for every eight (8) hour shift worked. The relief period shall commence when the employee physically exits the assigned work station or vehicle.

19.09. Management, at its discretion, shall make a lounge area available where the employees will have privacy to eat or perform other tasks usually done on break, or management may allow the unit employees to exit the Employer's premises.

19.10. Employees agree that they shall endeavor to maintain contact with the Communications Center at all times during the relief period. In the event of a police emergency, all employees will report to the assigned duty stations at once, or as quickly as safety allows.

19.11. It is the responsibility of the Shift Supervisor, or Officer in Charge, to make arrangements for the relief of on-duty unit employees.

19.12. Shift Bidding. Employees shall be permitted to bid on preferred shift assignments/days off, as established by the Employer. The bidding sheet will be posted March 1st, July 1st, and November 1st of each calendar year and will be completed by bargaining unit members within thirty (30) days, after which the employer will assign bargaining unit members who have not bid to un-bid shifts. Shift assignments pursuant to those respective bids shall begin the first full pay period in January, May, and September of each calendar year. Divisions are defined as Road Patrol and Jail. Bargaining unit members shall bid only within their divisions and rank, pursuant to rank seniority. Bargaining unit members who accept a position in a non-biddable assignment may opt out of the assignment after three (3) years provided there are no performance or disciplinary issues as determined by the Employer. Exempt and non-biddable assignments include positions in the Detective Bureau, Commercial Weight Enforcement Deputy, Community Service Program Deputy, and School Resource Deputies (SRO) [both primary (grade K-12) and secondary (college) educational institutions.] During any Christmas or Summer school break, including any closing for emergency reasons longer than one (1) week, the Employer shall create shifts for the SRO's and SRO's shall be permitted to bid on their preferred shift assignment based on seniority.

19.13. Ordering of Overtime. Bargaining unit members cannot be forced or ordered to work more than three (3) overtime shifts during a bargaining unit member's scheduled work week. A bargaining unit member cannot be forced or ordered to work overtime shifts on consecutive days of the bargaining unit member's work week. This section shall not apply to overtime that a bargaining unit member voluntarily accepts. Overtime shall continue to be by rank seniority, within the Employer's guidelines.

19.14. Daylight Savings Time / Time Changes. The Employer shall pay bargaining unit members 8.0 hours who work during the Spring time change, even though the actual worked shift may be 7.0 hours because of the time change. The Employer shall also pay 1.0 hour of overtime for those bargaining unit members who work during the Fall time change.

19.15 Canine Handlers. The Employer and the Union unequivocally agree that the intent of this section of the bargaining unit contract is to provide full compensation as required by the Fair Labor Standards Act of the United States Department of Labor to any employee(s) who are assigned or responsible for the weekly care, feeding, exercising, and boarding of an agency canine for all on-duty and any off-duty hours worked; and to provide for scheduling guidelines for the employee(s) so assigned or responsible. Further, it is the intention of this provision to outline the responsibilities of the employer and the canine handler(s). The employer agrees to provide the costs associated with the initial training of the canine handler and canine and any mandatory certification or recertification for the canine handler and/or canine. The Sheriff reserves the right to discontinue the canine program at any time at his/her sole discretion, to select, assign, and remove any canine handler from his/her assignment; and said selection, assignment, and/or removal may not be grieved or arbitrated by the employee or by the Fraternal Order of Police, Ohio Labor Council.

The Employer and the Union agree that canine handlers shall have their hours of work adjusted throughout the fourteen (14) day work period to either report after the start of their assigned shift(s), or leave before the end of their regularly assigned shift(s), for a total of seven (7) hours per fourteen (14) day work period. This time will

generally be scheduled to be taken in one-half hour or one-hour increments at the end of each affected employee's eight (8) hour shift. If the Employer is unable to adjust the schedule to permit a canine handler to come in late or leave early from his or her shift, the affected employee(s) shall receive straight time pay compensation in lieu of the hours that were not able to be adjusted during the fourteen day work period. The Chief Deputy or his designee may schedule the canine handler(s) at the Chief Deputy's discretion.

The Employer and the Union agree that such compensation is meant to fully compensate canine handler(s) for their off-duty care of their assigned canine(s) including, but not limited to, bathing, brushing, exercising, feeding, grooming, cleaning of the canine's kennel, cleaning and maintaining the canine handler's assigned vehicle, and administering any medications or nutritional supplements to the canine.

The Employer shall pay the canine handler overtime pay for the time spent transporting the canine to and from an animal hospital or veterinarian, provided, however, that the canine handler takes the canine to the animal hospital or veterinarian designated by the Employer. The employer shall have the right to schedule the canine handler to come in late or leave early off of a shift to avoid paying overtime.

In addition, the Employer shall permit each canine handler to dedicate a minimum of sixteen (16) hours per month for the training of his or her assigned canine. Canine handler(s) shall submit their requested training days to the Chief Deputy, or other designee of the Sheriff, at least one week prior to the desired training day. The Chief Deputy, or other designee of the Sheriff, shall have the discretion to deny the canine handler's requested training day(s) for administrative reasons, including, but not limited to, the necessity of paying overtime to cover the canine handler's shift(s).

The employer accepts the following responsibilities:

- A. The canine will be the property of the employer and will be registered in the employer's name. The employer will provide all insurance, necessary licenses and veterinarian services for the canine;
- B. To purchase and furnish the necessary type and amount of food needed to maintain a healthy canine. The employer will supply each canine handler all necessary supplies and/or training aids for the canine as determined by the employer;
- C. To pay any and all necessary medical and veterinary expenses for the canine as determined by the employer;
- D. To provide the initial training of the canine handler and the canine and any state mandated certification and re-certification of the canine handler or the canine;
- E. To pay for the housing of the canine in the event the canine handler goes on any type of leave approved by the employer. If the canine has been judged by the employer to be unfit for continued service by the Sheriff's Office, its handler—as an employee of this agency—shall have the first right to purchase the canine for \$1.00, pursuant to Section 9.62 of the Ohio Revised Code. This provision shall be effective after at least one year of completed service by the canine or the expiration date of the warranty for the canine, whichever comes last. At such time, the canine handler shall no longer be compensated in any manner for care of the canine and, if the canine handler accepts ownership, the canine handler shall assume all costs of ownership;
- F. To purchase and install a kennel, fence, or other item to be installed and kept at the canine handler's residence for the purpose of housing the canine. The parties agree that the kennel, fence, or other items shall remain the property of the employer. The employer has the right to deny this request;

- G. The employer reserves the right to require schedule changes by the canine handler to accommodate activities such as, but not limited to, public relations engagements (school programs, civic group appearances, etc.) and training sessions; and,
- H. To allow the canine handler to only use seven and one-half (7.5) hours of approved leave as long as the canine handler provides at-home care for the canine during any approved leave period of eight (8) hours. This will allow for the employer to avoid paying the canine handler overtime for at-home care for the canine while on approved leave.

The canine handler accepts the following responsibilities:

- A. To house the canine at the canine handler's residence;
- B. To be responsible for the health, safety, and supervision of the canine—both on and off-duty;
- C. To maintain the canine by keeping regularly scheduled veterinary visits, by grooming the canine daily, and by otherwise maintaining and bathing the dog on a regular basis;
- D. To clean and properly maintain the canine handler's agency-assigned vehicle and to disinfect the interior when required;
- E. To receive prior written approval from the Chief Deputy or other designee or the Sheriff before engaging in activities beneficial to the employer beyond the canine handler's authorized duties or canine training and care requirements; and,
- F. To be subject to call-out on a twenty-four (24) hour per day, seven (7) day per week basis without additional compensation for being on call. However, if the canine handler is called out, then he/she shall receive call-in pay according to those terms found elsewhere in this collective bargaining agreement.

For purposes of off-duty canine care, holidays, vacations, sick leave, injured on duty leave, and any other leave shall not be considered actual hours worked for purposes of receiving any overtime compensation. When a canine handler is on vacation or sick leave he/she may request another employee of this agency to care for the canine handler. If such a request is approved in writing, in advance, by the Sheriff or his designee, the canine handler on leave will not receive any regular compensation that he/she would normally receive for the care/maintenance of the canine. The regular compensation for the care/maintenance of the canine that would normally be paid to the canine handler on leave will instead be paid to the employee caring for the canine during the canine handler's leave period, and the canine handler on leave will be charged a full eight (8) hours of leave per day, if an entire shift is taken off.

If a canine is unable to work and not being kept at the canine handler's home, or is lodged in a privately operated kennel for an entire eight (8) hour shift scheduled to be worked by the canine handler, the canine handler will work the entire eight (8) hour shift and will not receive the shortened shift time as noted above for the care and maintenance of the canine.

Furthermore, if a canine handler is on injured on duty leave, workers compensation leave, short term disability leave, long term disability leave, family medical leave, and/or any other type of medical leave and his or her medical restrictions prohibit him or her from performing his or her regular law enforcement duties, he/she shall not be permitted to train the canine. The term "extended" shall be defined as two (2) weeks or more. In such case, if the canine handler does train the canine, such training is not suffered or permitted by the Employer and is not pursued necessarily and primarily for the benefit of the Employer and, thus, the Employer will not compensate the canine handler for said unauthorized training.

For purposes of shift bidding and scheduling, canine handlers will be chosen at the discretion of the Sheriff and the position of canine handler shall be exempt from the shift bid process.
