**ARTICLE I            AGREEMENT**

1.01     This Agreement is made and entered into by and between the City of Painesville, hereinafter referred to as the "Employer," and the Fraternal Order of Police, Ohio Labor Council, hereinafter referred to as the "Union."

**ARTICLE II            PREAMBLE**

2.01     As evidence of their determination to secure mutually beneficial stabilized and harmonious employment relations, each of the parties acknowledges and accepts responsibility for the fulfillment of their respective obligations under this Agreement and pledges full cooperation in carrying out its provisions.

2.02     It is the general intent and purpose of the parties hereto that this Agreement shall set forth the rates of pay, hours of work, and working conditions, and other matters set forth herein and contain the complete Agreement between the parties for the term of this Agreement.

2.03     It is further understood that this Agreement can only be added to, detracted from, altered, amended, or modified by a document in writing signed on behalf of the parties hereto by their duly authorized officers and representatives.

## **ARTICLE III          RECOGNITION**

3.01      The Employer hereby recognizes the Union as the sole and exclusive bargaining agent with respect to wages, hours, and other terms and conditions of employment, as provided by the State Employment Relations Act (O.R.C. 4117) for all full-time employees employed in the Police Division occupying the position of Community Service Officer and School Resource Officer, excluding all part-time, seasonal, and temporary employees. All other employees of the Employer are excluded from the bargaining unit. Said recognition shall continue for a term as provided by law.

## **ARTICLE IV            MANAGEMENT RIGHTS**

4.01     The management and direction of the work force are vested solely in the Employer and shall not in any way be abridged except by specific restrictions as are set forth by this Agreement.

4.02     The Union recognizes that the management of the Employer's business includes but is not limited to the assignment and direction of the working force, the determination of the number of shifts, hours of shifts, and qualifications of employees to be employed or retained by the Employer, the right to hire, suspend, discharge, discipline for just cause, promote, demote, layoff or transfer employees, to make operational improvements, and to maintain reasonable and proper discipline and work rules, and efficiency in accordance with the provisions of this Agreement.

4.03     The foregoing enumeration of management rights shall not be deemed to exclude other rights of management not specifically set forth, the Employer thereby retaining all rights not otherwise specifically covered by this Agreement, regardless of whether or not the same have been heretofore exercised. All of the rights, powers, and authority the Employer had, prior to the signing of this Agreement, are retained by the Employer and remain the exclusive right of management without limitation.

## **ARTICLE V           NON-DISCRIMINATION**

5.01     Neither the Employer nor the Union shall unlawfully discriminate against any employee because of such employee's race, color, religion, sex, age, national origin or disability.

5.02     There shall be no discrimination by the Employer or any of its agents against any employee because of membership in the Union. Likewise, there shall be no discrimination by the Union or any of its agents against any employee because of non-membership in the Union.

## **ARTICLE VI            CHECK-OFF**

6.01     A new employee must elect to participate or not to participate in the Union after thirty (30) days of employment with the Employer, and must present to the Employer a signed authorization card indicating his decision.

6.02     The Employer agrees, upon receipt of the signed authorization card to deduct from the employee, a dues amount on a monthly basis. This deduction shall be for the month in which the card becomes effective, and will be deducted from the second pay period of each month. There will be no deductions taken without a signed authorization card in effect. Should the Employer receive a notice from a bargaining unit member wishing to cease dues deduction and withdraw from FOP/OLC membership, the Employer shall notify the FOP/OLC in writing within seven (7) days of this request.

6.03     The Employer shall, upon receipt of a detailed and itemized invoice from the Union, remit the invoiced amount to the Union Officer as designated by the Union.

6.04     The Employer shall notify FOP/OLC of any new hires within the bargaining unit. Such notification will be in writing to the FOP/OLC within thirty (30) days of their hire date.

6.05     The Union agrees that the Employer assumes no responsibility in connection with the deduction of monies as set forth in this Article, except as in the remittance of the billed amounts as presented by the Union. The Union further agrees to indemnify and save the Employer harmless against any suits, demands, claims, or other forms of liability which can and shall arise out of or by reason of action taken and/or not taken by the Employer in the execution, authorization, or assignment as set forth in this Article.

## **ARTICLE VII            UNION REPRESENTATION AND VISITATION**

7.01     The Employer recognizes the right of the Union to designate an associate or alternate from amongst the employees of the Employer at the location(s) covered hereunder, and the Union shall advise the Employer of such designation.

7.02     The associate shall obtain prior approval of his supervisor before leaving his work place for purposes of investigating a grievance or attending to Union business, and will report back to supervisor immediately upon completion of such duties. Any reasonable request shall be granted provided that it does not interfere with efficient operations. Excessive time consumed by associates handling Union matters shall not be subject to compensation by the Employer, and in no instance shall such investigative time be considered in the computation of overtime. The Associate shall investigate and process grievances for employees through the grievance procedure contained herein. Prior notification of the necessity to leave a work assignment for that purpose shall be given to the Associate's supervisor.

7.03     The Staff Representative of the Union shall be permitted to enter the Employer's premises during regular working hours. The supervisor shall be notified upon arrival and prior to any transaction of business. At no time shall such visitation interfere with the work requirement of any employee(s), or disrupt operations in any way unless expressly permitted by the Employer.

7.04     The Employer will permit the Union to place a reasonable number of bulletin boards, at Union expense, in non-public areas of the work place of the Bargaining Unit.

**ARTICLE VIII      PROBATIONARY PERIOD**

8.01      The probationary period for all newly hired employees shall not exceed Twelve (12) months. Newly hired employees shall have no seniority during probationary period, however, upon completion of the probationary period, seniority shall start from date of hire.

8.02      The Employer shall have the sole discretion to discipline or discharge newly hired probationary employees or to reduce promotional probationary employees to their previous rank and any such action shall not be appealable through any Grievance or Arbitration Procedure herein contained, or any Civil Service procedure.

## ARTICLE IX HEALTH AND WELFARE

9.01 An Employer Pick-up Plan is hereby established in accordance with the requirements as set forth in Section 414(h)(2) of the Internal Revenue Code, in which the Employer agrees to "pick-up" all or a portion of the employee contribution to the Ohio Public Employees Retirement System as may be determined by ordinance of Council for all eligible full-time employees covered by this Agreement, and to pay the amount picked up to the Fund as an Employer contribution in lieu of contributions by the employee. The Ohio Public Employees Retirement System meet the qualification requirements of Section 401(a) of the IRS Code.

9.02 Employees shall not have the option to receive the contributed amounts directly instead of having them paid by the Employer to Ohio Public Employees Retirement System.

9.03 All employees covered by this Agreement shall have their gross compensation, as established by the appropriate Compensation Schedules, reduced by the "picked-up" amounts, at the current PERS rate, to arrive at an adjusted gross compensation amount for Federal and State income tax purposes.

9.04 For the purpose of this section, "retirement" shall mean termination of full-time employment, active service with the Employer to immediately accept pension benefits for which the employee is qualified at the retirement date, from either the PERS or the Ohio Public Employees Retirement System.

9.05 In the event of an "on-duty" death of the employee still in the employ of the Employer, as determined by the respective State of Ohio Pension Fund, the Employer shall pay the employee's estate 100% of the current value of the accumulated unused sick leave credit.

9.06 Health Insurance includes benefit programs providing medical, hospital or surgical benefits, or any combination thereof, covering all full-time employees. The Union agrees to participate in the Joint Health Benefits Committee to evaluate options, select plans to be offered, and address cost sharing issues for insurance coverage during the period covered by this Agreement.

- a) ENROLLMENT – Enrollment in the City's health insurance program is limited to the following periods:
  - 1) within thirty (30) days of initial employment with the City,
  - 2) during the open enrollment period each year, effective January 1 of each year.
  - 3) as changes occur in dependent status due to marriage, childbirth, divorce, etc., but only to add or delete dependents to the program as the result of a bonafide dependent status change.

- b) PREMIUMS – The City will pay such portion of the cost of health insurance as is authorized by the City Council. For the year beginning January 1, 2008, the City will increase its contribution to the insurance package up to 5% over the total cost in 2005, and up to \$100,000 to reserve. The City needs to carry reserves to cover the funding of its claim obligations. Therefore, from time to time within a five (5) year period from the date of the contract, the City will add to the reserve until fully funded. Reserve funding will be determined through vendor lag tables, the City's consultant, and outside actuaries if necessary.
- c) COVERAGE DURING LEAVES OF ABSENCE – Coverage while on a leave of absence from the City is as follows:
  - 1.) All paid leaves of absence and employees approved for FMLA: Participation and coverage will continue as if the employee continued working.
  - 2.) All authorized unpaid leaves of absence: Participation and coverage will continue through the month in which authorized unpaid leave begins. To continue to participate thereafter, the employee must pay the appropriate monthly premium.

9.07 The City Manager shall in accordance with an authorizing resolution of Council, periodically contract with an insurance company authorized to do business in the State of Ohio, for the issuance of a policy or contract of group accident insurance benefits covering all full-time employees covered by this Agreement. This coverage shall be at the expense of the Employer, and shall be limited solely to the employee.

9.08 The insurance policy or contract shall provide that any such covered employee may elect to obtain either both of the following benefits, solely at the employee's expense, by means of an authorized payroll deduction.

- Coverage for himself in excess of the basic amount provided by the Employer.
- Coverage for his spouse.

9.09 Each employee covered by this Agreement shall be eligible to receive an annual flu shot, and shall also be eligible to receive a Hepatitis B series of injections during the life of this Agreement. The cost of these inoculations shall be borne by the Employer.

9.10 Effective July 1, 2015, the City shall provide a twenty-five thousand dollar (\$25,000) life insurance policy for each member of the bargaining unit.

9.11 Employees electing not to participate in the City's health insurance plan, as described in Section 9.06, shall receive a stipend of five hundred dollars (\$500) annually, payable on the second pay period in December of each year by separate check.

9.12 The City will pay up to a total of four hundred fifty dollars (\$450) per year for membership to a fitness facility (gym, YMCA, Planet Fitness, etc.), program (Yoga, 5k, etc) or subscription (Peloton, etc). The City Manager may approve other fitness related items at his/her sole discretion.

## ARTICLE X SENIORITY

10.01 Seniority shall be defined as an employee's uninterrupted length of continuous employment with the Employer. A probationary employee shall have no seniority until he satisfactorily completes the probationary period which will be added to his total length of continuous employment.

10.02 An employee's seniority/employment shall be terminated when one or more of the following occur:

- a) He resigns;
- b) He is discharged for just cause;
- c) He is laid-off for a period of time exceeding two (2) years;
- d) He retires;
- e) He fails to report for work for more than two (2) consecutive working days without having given the Employer advance notice of his pending absence, unless he is physically unable to do so as certified by the appropriate authority;
- f) He becomes unable to perform the essential functions of the job due to illness or injury and is unable to return to work upon the expiration of any leave applicable to him. An employee reinstated due to no longer being disabled pursuant to a pension system findings shall, upon reinstatement, receive his previous seniority credit.
- g) He refuses to recall or fails to report to work within five (5) working days from the date the Employer sends the employee a recall notice.

10.03 If two (2) or more employees are hired or appointed on the same date, their relative seniority shall be determined by their last four digits of their SS#, the highest receives the greater seniority.

10.04 The Employer shall provide a current seniority list to the Union on an annual basis.

## ARTICLE XI            LAY-OFF AND RECALL

11.01    Where, because of lack of work, lack of funds, or abolishment of jobs or functions, the Employer determines it necessary to reduce the size of its workforce, the Employer shall give written notice to the Union president or his designee no less than fourteen (14) days in advance of any such lay-off, indicating how many employees will be affected and what department(s) are being reduced. Such reductions shall be made in accordance with the provisions hereinafter set forth.

11.02    Employees within affected job titles shall be laid off according to their relative departmental seniority with the least senior employee being laid off first, providing that all temporary, seasonal, casual, part-time, and probationary employees within the affected job title(s) in the department are laid off first.

11.03    Recalls shall be in the inverse order of lay-off and a laid off employee shall retain his right to recall for two (2) years from the date of his lay-off.

11.04    In recalls after a layoff, the Employer will offer re-employment to the extent possible, to which additional help is needed to former employees in the classifications involved in the inverse order in which the employee was laid-off provided that:

- 1) the employee is qualified in the opinion of the Employer to perform available work at the time the offer of employment is made; or
- 2) the period of layoff does not exceed two (2) years.

11.05    Notice of recall shall be sent to the employee's address listed on the Employer's records and shall be sent by certified mail. An employee who refuses recall or does not report for work within five (5) working days from the date the Employer mails the recall notice, shall be considered to have resigned his position and forfeits all rights to employment with the Employer.

11.06    Employee(s) scheduled for lay-off shall be given a minimum of fourteen (14) days advance notice of lay-off.

11.07    Each notice of lay-off shall contain the following information:

- 1) The reason for lay-off or displacement;
- 2) The date of lay-off or displacement becomes effective;
- 3) The employee's seniority date in the classification;
- 4) A statement advising the employee of the right to recall and re-employment.

11.08 In the event of extenuating circumstances such as illness, injury, or other good cause preventing the employee from returning within the time limit above, the Employer may grant a reasonable extension, not to exceed thirty (30) days. In the event such illness or injury precludes an employee from returning to work within the time limit above (including extension), such employee shall be by-passed for recall, but shall remain on the recall list, for the remainder of the term of the recall period. The denial of an extension shall not be made in an arbitrary manner.

11.09 A laid off employee will be recalled to the first available job position that they may be qualified to perform in accordance with their seniority. For the purpose of recall, it shall be the employee's responsibility to have a current address on file with the Employer.

11.10 Recall lists shall be kept current by the Employer and available upon request.

## **ARTICLE XII            OUTSIDE EMPLOYMENT**

12.01    Members may engage in outside employment, including private security services, under appropriate circumstances provided the scope of employment does not result in a conflict of interest, subject the Employer to public criticism, or embarrassment, demean the image of the Painesville Police Department, conflict or interfere in any manner with the employee's effective and impartial performance of the duties of his position and the total amount of employment does not interfere with the member's ability to properly perform his duties. If such employment is disadvantageous to the Employer, it shall be terminated upon notification in writing to the member by the Chief of Police. Any member who engages in employment outside of his regular working hours shall be subject to call to perform his regular duties first.

12.02    Private security services shall mean outside police employment to include traffic control on City and State roads, within the City of Painesville, which is performed by members on time over and above their regular work schedule. Members engaged in private security services shall be subject to departmental procedures governing such services and shall be when appropriate as specified in such procedures under the supervisory control of the on-duty shift officer in charge.

## **ARTICLE XIII      WORK WEEK**

13.01    The normal work week shall consist of seven (7) consecutive twenty-four (24) hour periods during which an employee shall be assigned to any five (5) eight (8) hour work days. This applies to all full-time employees. This does not under any circumstance guarantee the number of hours an employee may be required to work, nor does it guarantee forty (40) hours of work in each week. This section is for definitional purposes only.

13.02    The hours of work in the normal work week for each occupational group shall apply to all classes of the group, except those classes where the normal work week upon which compensation is based is otherwise specifically indicated.

13.03    The Employer shall, whenever possible, give an employee no less than fifteen (15) calendar days notice before they make any changes in an employee's normal work week schedule. The affected employee shall be given notice of said change in writing or by departmental e-mail. In the event fifteen (15) calendar days cannot be given, the employee will receive as much advance notice as possible.

13.04    For purposes of clarification for normal workweek, days off will be scheduled in the following manner: Regular days off take precedence over any combination of days (vacation, holidays, comp time, etc. in that order) less than forty (40) total, or singular or partial days. If after the scheduling of regular days off has been completed and the shift is above minimum staffing requirements, additional days off may be scheduled in the following order: singular or partial vacation days, singular or partial holidays, singular or partial comp time days.

## ARTICLE XIV HOLIDAYS

14.01 All full-time employees in active pay status (receiving a pay check) covered by this Agreement shall receive their regular compensation for the following holidays. Any employee on military leave will remain on active pay status for 408 hours, or if called to a tour of active duty, shall receive a single extension up to one year for only the first call into service.

14.02 The following are the approved holidays:

- The first (1st) day of January (New Year's Day)
- The third (3rd) Monday of January (Martin Luther King, Jr. Day)
- The third (3rd) Monday of February (President's Day)
- The last Monday of May (Memorial Day)
- The fourth (4th) day of July (Independence Day)
- The first (1st) Monday of September (Labor Day)
- The eleventh (11th) day of November (Veteran's Day)
- The fourth (4th) Thursday of November (Thanksgiving Day)
- The twenty-fourth (24<sup>th</sup>) day of December (Christmas Eve)
- The twenty-fifth (25th) day of December (Christmas Day)
- The employee's birthday, personal; and choice day shall be scheduled as follows: for the choice and personal day, the employee must notify supervisor no less than one (1) week nor more than one (1) month before. In the event of a birthday holiday, this day may be taken on or after the birthday, and all will be approved by the supervisor in advance, provided that said request does not bring shift strength below minimum manpower requirements, does not cause another officer's regularly scheduled day off to be canceled and rescheduled, nor does such request cause the expenditure of overtime. Note: Employees hired after July 1 shall not receive the "choice" holiday during the first calendar year in which are hired.

14.03 An employee shall forfeit all rights to his holiday pay for any such holiday if he has an unexcused absence on his last regularly scheduled work day preceding such holiday, or on his first regularly scheduled work day immediately following such holiday.

14.04 In addition to the above, any day may be designated as a holiday by proclamation of the President of Council upon approval of the City Council.

14.05 If an employee is required to work on any of the above numbered holidays, they shall be granted a choice of compensation at the rate of eight (8) hours holiday pay and time and one-half (1 ½) for all hours worked that day, or one and one-half (1 ½) times the regular hourly rate in lieu of their straight time rate and an additional compensating day off. If an employee is required to work additional hours on the above mentioned holiday, they shall be compensated at time and one-half (1 ½) for all additional hours worked in addition to one (1) hour of compensatory time, for each hour worked.

## ARTICLE XV VACATION LEAVE

15.01 All employees in active pay status (receiving a pay check) covered by this Agreement, except part-time and seasonal employees, shall earn and be granted, except as provided in Section 2, two (2) weeks of vacation leave with pay each calendar year to compensate for his full-time service performed with the Employer the previous full calendar year. Such vacation leave shall be exclusive of authorized holidays. Any employee on military leave will remain on active pay status for four hundred eight (408) hours or, if called to a tour of active duty, shall receive a single extension up to one year for only the first call into service.

- 15.02
- a) Employees who have completed five (5) years of continuous service with the Employer shall be granted three (3) weeks of vacation leave credit in lieu of the two (2) weeks provided for in Section 1.
  - b) Employees who have completed twelve (12) years of continuous service with the Employer shall be granted four (4) weeks of vacation leave credit in lieu of the two (2) weeks provided for in Section 1.
  - c) Employees who have completed eighteen (18) years of continuous service with the Employer shall be granted five (5) weeks of vacation leave credit in lieu of the two (2) weeks provided for in Section 1.

15.03 In the case of initial employment, employees shall be entitled to use vacation leave credit earned, only after the first anniversary date of their employment with the Employer.

15.04 Employees who have performed less than a full calendar year in the Employer service, as a result of initial employment, termination of employment, authorized leave of absence without pay, or a seasonal or temporary employment, shall earn vacation leave credit multiplied by one-twelfth (1/12) of the number of full calendar months worked during that calendar year.

15.05 An employee of the Employer earning vacation leave credit currently is entitled to have his/her prior service with the State of Ohio, or any of its political subdivisions, including prior Employer service counted as service with the Employer for purposes of computing the amount of his vacation leave credit.

15.06 Notwithstanding provision to the contrary herein, in no case shall an initial employment or temporary employment, either of which is terminated within twelve (12) months of initial employment, for any reason, be granted any vacation leave.

15.07 Absence on account of sickness, injury, or disability in excess of that hereinafter authorized for such purposes may, at the request of the employee, and within the discretion of the department head, be charged against vacation leave credit already earned.

15.08 Each Department Head shall keep necessary records of vacation leave credit allowance and shall schedule vacation leaves with particular regard to seniority of employees and to accord with operating requirements and insofar as possible, with the written requests of employees.

15.09 An employee may carry unused vacation from one year to the next, however the maximum amount that may be carried forward is three (3) weeks.

## ARTICLE XVI      SICK PAY

16.01 Each full-time employee shall be entitled, for each eighty (80) hours of regular time service per pay period, to sick leave credit of 4.6 hours with pay. Said unused sick leave shall accrue and be cumulative without limit.

16.02 An employee eligible for sick leave with pay may use such sick leave upon the approval of the City Manager, only for absence due to illness (including immediate family), injury, exposure to contagious disease which could be communicated to other employees upon the discretion of the Department Head, authorized maternity leave/adoption leave, and illness of an immediate family member.

16.03 In the event of illness in the employee's immediate family, such use of sick leave will be restricted and governed by the following:

- a) The employee's immediate family shall mean: spouse, child or parent. For purposes of this Article, domestic partner, father-in-law, mother-in-law, and step children who reside with the employee are considered immediate family. Such leave shall be limited to ten (10) days annually. However, leave will not be exhausted if an immediate family member requires medical treatment or is hospitalized.
- b) In the event of a death in the employee's immediate family and upon extenuating circumstances, sick leave may be used to extend the authorized bereavement leave, however such extension may not exceed two (2) days.

16.04 Sick Pay may be used in a minimum of ½ hour increments.

16.05 Before an absence may be charged against accumulated sick leave, the HR Manager may require proof of illness, injury or death, or may require the employee to be examined by a physician designated by the City and paid by the Employer. In any event, an employee absent for more than three (3) consecutive work days must supply a physician's report to be eligible for paid sick leave. Any proof requested sooner than the above referenced time frame for illness, injury or death, or a physical examination required or requested by the City shall be at the City's expense.

16.06 If an employee fails to submit adequate proof of illness, injury or death upon request, or in the event that upon such proof as is submitted or upon the report of medical examination, the HR Manager finds there is not satisfactory evidence of illness, injury or death sufficient to justify the employee's absence, such leave may, at the HR Manager's discretion, be considered an unauthorized leave and shall be without pay.

16.07 Any abuse, excessive or patterned use of sick leave shall be just and sufficient cause for disciplinary action.

16.08 Any employee fraudulently claiming sick leave allowance from work for other reasons shall be subject to disciplinary action up to and including termination.

16.09 An employee who is laid-off from employment with the Employer may, if reappointed, have available for his use any unused sick leave existing at the time of his lay-off. An employee who transfers from one position to another, or from one public agency to another in the State of Ohio, shall be credited with the unused balance of his sick leave accrual, but not to be in an amount in the excess of the accrual limit set forth and effective for the employees of the Employer.

16.10 Upon the retirement of the employee or disability retirement of the employee, and the employee has completed ten (10) years of service, such employee shall be entitled to receive a cash payment equal to his basic rate of pay at the time of the above listed condition multiplied by forty (40%) percent of the total number of accumulated unused sick hours earned by the employee up to fifteen hundred (1500) and thirty-three and one-third (33 1/3%) percent for all accumulated and unused sick hours earned by the employee in excess of fifteen hundred (1500) hours. Employees retiring in the years 2002 and 2003 will receive forty percent (40%) of their unused sick leave up to fifteen hundred (1500) hours.

16.11 Members not using sick leave during each calendar quarter shall receive an incentive of twelve (12) hours compensatory time credited to their compensatory time bank.

16.12 Time Donation - It is the intent of the City and Union to provide a sick leave/compensatory time donation program to allow employees to voluntarily assist their co-workers who have exhausted all their paid leave and are in critical need of leave due to serious illness or injury of the employee, a member of the employee's immediate family, up to a total of one thousand forty (1,040) working hours.

On a voluntary basis, employees may donate leave to a fellow employee who is otherwise eligible to accrue and use sick leave. An employee may receive donated leave, per pay period, equal to the number of hours the employee is scheduled to work each pay period. Donated leave will be subject to the conditions in this article.

In no way may donated leave be converted into a cash benefit. Leave will be donated and used on an hour for hour basis and employees using donated leave will be considered on sick leave and will accrue leave and be entitled to any benefits to which they otherwise would be entitled.

If an employee exhausts all his time off, he may apply to the Union for the number of hours needed to cover the employee's upcoming payroll period, and the estimated date he will be able to return to work. The Union will then verify with the Chief that the employee is eligible for sick leave but for the fact that he is out of paid time off. If any members wish to voluntarily donate leave, the Union will supply the Chief or his designee with a schedule, in a form agreed to by the donating individuals and their number of hours to be applied as donated sick leave.

Employees desiring to donate leave will certify the name of the employee for whom the donated leave is intended, the number of hours to be donated and that the leave is donated voluntarily with no provision that the leave will be returned.

Neither donating employees, receiving employees, nor the Union, shall have the right to grieve/arbitrate any or all issues regarding the application of this article/section. Further, the Union releases the City of any and all liability that may arise from the application and utilization of this Article.

16.13 Employees in the department with eight (8) or more years of service with the City may cash out sick leave hours earned but not used in the preceding twelve (12) month period at 40% of the sick leave hours cashed out. Maximum hours eligible for buy out shall be 119.6 hours. Employees must designate such hours by the first pay in October and the payment will be made in the first pay of November.

## **ARTICLE XVII      BEREAVEMENT LEAVE**

17.01 In the event of death in the employee's immediate family, the employee shall be granted bereavement leave of three (3) working days, not to affect the employee's sick leave credit balance. Complaints designated to be unfounded shall not be included in the personnel file of the member and may not be used in any subsequent disciplinary proceeding.

34.09 A member who is charged with violating Division of Police Rules and Regulations and/or the City of Painesville Rules and Regulations, and his bargaining unit representative when one is involved, shall be provided access to transcripts, records, written statements, video-tapes, and results of any polygraph examinations being submitted at the hearing as evidence. Such access shall be provided reasonably in advance of said hearing. The Division of Police and/or the City of Painesville shall be provided access reasonably in advance to the Departmental Hearing, to transcripts, records, written statements, video-tapes, and the results of any polygraph examinations being submitted at the hearing as evidence.

34.10 Any member who has been under investigation by the Division of Police and has been interviewed shall be informed in writing of the outcome of the case at the conclusion of the investigation.

34.11 If any of these procedures are alleged to be violated, such allegations shall be subject to the grievance procedure beginning at Step 3 of the Grievance Procedure.

34.12 Classification of complaints:

- **SUSTAINED:** When the facts obtained support the complaint, the case is classified as Sustained.
- **EXONERATED:** When the evidence indicates that the act complained of did in fact occur but was legal, proper, and necessary, the case is classified as Exonerated.
- **UNFOUNDED:** The act complained of did not occur and that the complaint was false, the case is classified as Unfounded.
- **NOT SUSTAINED:** Those cases which cannot be resolved by investigation, either because sufficient evidence is not available or because of material conflicts in the evidence, are resolved in favor of the accused employee and are classified as Not Sustained.
- **MISCONDUCT NOT BASED ON THE COMPLAINT:** Should investigation reveal that the employee was guilty of misconduct, not part of the original complaint, the case might be classified Misconduct Not Based on the Complaint.

## ARTICLE XXXV DISCIPLINARY PROCEDURE

35.01 This procedure shall only apply to all non-probationary employees covered by this Agreement.

35.02 All employees shall have the following rights:

- a) An employee shall be entitled to representation by a Union representative at each step of the disciplinary procedure.
- b) No recording device or stenographic or other record shall be used during questioning unless the employee is advised in advance that a transcript is being made and is thereafter supplied a copy of the record, at least seven (7) calendar days prior to the date of arbitration. The cost of the transcript will be borne by the party requesting the copy of the transcript.
- c) An employee shall not be coerced, intimidated, or suffer any reprisals either directly or indirectly that may adversely affect his hours, wages, or working conditions as the result of the exercise of his rights under this procedure.

35.03 An employee may resign following the service of a Notice of Discipline. Any such resignation will be processed in accordance with the terms of this Agreement and the employee's employment shall be terminated.

35.04 Discipline shall be imposed only for just cause. The specific acts for which discipline is being imposed and the penalty proposed shall be specified in the Notice of Discipline. The Notice served on the employee shall contain a reference to dates, times and places, if possible. The Employer shall follow the concepts of progressive discipline, unless the offense(s) are of such a serious nature so that progressive discipline is not appropriate.

35.05 Where the appointing authority seeks as a penalty the imposition of any discipline or a suspension without pay, a demotion or removal from service, notice of such discipline shall be made to the Union in writing or via e-mail and also served on the employee personally or by registered or certified mail, return receipt requested.

35.06 Discipline shall not be implemented until either:

- 1) the matter is settled, or
- 2) the employee fails to file a grievance within the time frame provided by this procedure, or
- 3) the penalty is upheld at Step 4 of the grievance procedure.

35.07 The Notice of Discipline served on the employee shall be accompanied by written statement that:

- 1) the employee has a right to object by filing a grievance within seven (7) calendar days of receipt of the Notice of Discipline;
- 2) the Grievance Procedure provides for a hearing by an independent arbitrator as its final step;
- 3) the employee is entitled to representation by a Union representative at every step of the proceeding;
- 4) only employees who have been disciplined in a manner that results in a loss of pay or benefits may appeal such disciplinary action through the grievance procedure. Verbal and written reprimands are only grievable to the City Manager's step of the grievance procedure. After exhaustion of the City Manager's step, the employee may write a letter of rebuttal within 10 (ten) calendar days that will be attached to the discipline.

35.08 If a grievance is filed and pursued within the time frames provided in 35.07, no penalty can be implemented, except as provided in paragraph 12, until the matter is settled or a Step 4 determination has been reached. In the event that the city desires to terminate a member as penalty, this may be done following Step 3 of the Grievance Procedure. This shall not hinder the members ability to exercise Article 37, the Arbitration Process.

35.09 A failure to submit an appeal within the time limits in Section 35.07 shall be construed as a waiver of appeal rights

35.10 A disciplinary matter may be settled at any time. The terms of the settlement shall be agreed to in writing. An employee executing a settlement shall be notified of the right to have a Union representative or to decline any such representation. In the event any employee declines Union representation, the Union shall have a right to be present. A settlement entered into by an employee or the Union on his behalf, shall be final and binding on all parties. The Union shall be notified of all settlements.

35.11 An employee may be suspended with pay at any time during the process if the appointing authority, at its sole discretion, determines the employee's continued presence on the job represents a potential danger to persons or property, or would interfere with the Employer's operations.

35.12 The Union on behalf of all the employees covered by this Agreement and its own behalf, hereby waives any and all rights previously possessed by such employees to appeal any form of disciplinary action (e.g. suspensions, demotion or discharge) to any Civil Service Commission.

35.13 In the administration of a discipline, the City will not take into account or consideration any prior infractions which occurred more than twelve (12) months previously for a counseling, verbal reprimand, or written reprimand, more than eighteen (18) months previously for any suspensions, provided that the employee is or has not been subjected to a reprimand or suspension during this twelve (12) or eighteen (18) month period.

35.14 An employee subject to discipline of a suspension up to termination shall be entitled to a pre-disciplinary hearing. At the hearing, the employee or his Union representative will respond to allegations of misconduct. The employee may present any testimony, witnesses or documents which explain whether or not the alleged misconduct occurred. The employee shall provide a list of witnesses as far in advance as possible, but no later than 24 hours prior to the hearing.

35.15 Any employee under indictment or arrested for a felony or a crime of moral turpitude, who is not disciplined or discharged by the City, shall be placed on a leave of absence without pay until the resolution of the court proceedings. An employee may use accrued vacation or holiday time during the leave. An employee who is found not guilty of charges, or has the charges dismissed with prejudice, shall be returned to work and have any lost straight time pay and/or paid leave restored.

35.16 The Employer agrees that all disciplinary procedures shall be conducted in a private and businesslike manner.

35.17 An employee who has been the subject of an investigation under this section shall be informed of the outcome at the conclusion of the investigation.

## ARTICLE XXXVI GRIEVANCE PROCEDURE

36.01 It is agreed that neither the Employer, its representatives and supervisors, nor the Union, will attempt to bring about the settlement of any contractual issue by means other than the Grievance Procedure.

36.02 A grievance is a dispute or difference between the Employer and the employee covered by this Bargaining Agreement, concerning the interpretation and/or application of this contract. The following procedures shall apply to the administration of all grievances filed under this Agreement, and shall be presented in accordance with the steps outlined below:

### Step 1.

An employee who believes he may have a grievance shall notify his immediate supervisor(s) of the possible grievance within seven (7) calendar days of the occurrence of the facts giving rise to the grievance. This notification shall be in writing, and shall state the aggrieved employee's name, position, date of alleged grievance, and the portion of the Agreement in question giving rise to this grievance. The presentation of this grievance shall be in the employee's own hand. The supervisor will schedule an informal meeting within seven (7) calendar days after the receipt of the grievance, with the employee, and his associate if requested by the employee, to discuss the issues in dispute with the objective of resolving the matter informally, with a written reply of the meeting to be given to the employee, the Union steward, and the Employer.

### Step 2.

If no satisfactory settlement is reached at the Step 1, the grievance may be appealed to the Division Head, or other Employer designate, and the Local Union Staff Representative within seven (7) calendar days after receiving the reply of the Step 1. The appeal shall restate the grievance, and shall include proposed remedy sought by the aggrieved party. A Step 2 answer, reduced to writing, will be given to the aggrieved party within seven (7) calendar days of receiving the written appeal.

Step 3.

If no satisfactory answer is reached at Step 2, the grievance may be appealed to the City Manager and the Union Staff Representative or their designated alternates within seven (7) calendar days after the reply is rendered in Step 2. The appeal shall be reduced to writing, shall contain the original grievance and all subsequent answers/decisions, and be in the employee's own hand. A meeting will be held within fourteen (14) calendar days after the receipt of the Step 2 reply. A written reply will be issued as a result of this meeting within fourteen (14) calendar days following the hearing of the grievance. If no agreement can be reached by the parties as the result of such meeting, the grievance may be submitted to arbitration at the option of the Union or the Employer upon written notice of either party to the other within seven (7) calendar days after the receipt of the Step 3 meeting.

36.03 The time limits set forth in the Grievance Procedure shall, unless extended by mutual written agreement of the Employer and the Union, be binding, and any grievance not timely presented, or timely processed hereafter, shall not be considered a grievance under this contract, and shall not be arbitrable. A failure by the Employer to respond in the above outlined procedure within the times stipulated, will result in the grievance being moved to the next step in this procedure.

36.04 Nothing in this Agreement prohibits an employee from personally bringing matters of a personal nature or concern to the attention of the appropriate officials of the Employer.

## ARTICLE XXXVII ARBITRATION PROCEDURE

37.01 In the event a grievance is unresolved after being processed through all of the steps of the Grievance Procedure, unless mutually waived or having passed through the various steps by timely default of the Employer, then within ten (10) days after the rendering of the decision at Step 3 or a timely default by the Employer at Step 3, the Union may submit the grievance to arbitration. Within this ten (10) day period, the parties will meet to attempt to mutually agree upon an arbitrator.

37.02 The arbitrator shall have no power or authority to add to, subtract from, or in any manner alter the specific terms of this Agreement or to make any award requiring the commission of any act prohibited by law or to make any award that itself is contrary to law or violates any of the terms and conditions of this Agreement.

37.03 The arbitrator shall not decide more than one (1) grievance on the same hearing day or series of hearing days except by the mutual written agreement of the parties.

37.04 The hearing or hearings shall be conducted pursuant to the Rules of Voluntary Arbitration of the American Arbitration Association.

37.05 The fees and expenses of the arbitrator and the cost of the hearing room, if any, shall be divided equally by the parties. Neither party shall be responsible for any of the expenses incurred by the other party.

37.06 The arbitrator's decision and award will be in writing and delivered within thirty (30) days from the date the record is closed. The decision of the arbitrator shall be final and binding upon the Employer, Union, and Grievant.

37.07 The parties shall jointly request the Federal Mediation and Conciliation Service to provide a list of seven (7) impartial arbitrators. The Employer shall strike one (1) name from the list, after the Union shall strike one (1) name. The above process shall be repeated until one (1) person remains on said list. The person remaining on said list shall serve as arbitrator.

37.08 The Union agrees to indemnify and hold the Employer harmless against any and all claims, demands, suits or other forms of liability that may arise out of any determination that the Union failed to fairly represent a member of the bargaining unit during the exercise of his rights as provided by the Grievance and Arbitration Procedures herein contained.

## ARTICLE XXXVIII DETRIMENTAL FORCE

38.01 Any time any Bargaining Unit Member uses force resulting in death, or serious physical harm, to a suspect, the Member may be placed on paid administrative leave and relieved from all duties until the determination is made by competent authority that the act was justified; however, the Member and the Employer may agree that said Member does not need to be relieved in the event that the force has not resulted in a death. Upon returning to work, the Member may be assigned to at least two (2) weeks of duty that does not require the carrying of firearms.

38.02 A critical incident is defined as a situation in which a bargaining unit member uses force resulting in death or serious physical harm to a suspect, or otherwise taking a life or causing serious physical injury in the line of duty. The parties may agree that other situations may constitute a critical incident for purposes of this Article.

38.03 In a critical incident situation directly involving a bargaining unit member, he/she shall not be required to make a statement within the first twenty four (24) hours, except as necessary to protect the safety of the officers and the public, and to preserve evidence, but such inquiries shall be limited to essential basic facts.

38.04 In a critical incident where a weapon has been fired, the weapon will not be taken from the bargaining unit member in view of the public, unless it is necessary to maintain a proper chain of evidence.

38.05 If any counseling is required by the Employer as a direct or proximate result of the critical incident, the expense shall be borne by the Employer to the extent that current hospitalization does not cover. The employee has the right to pick the counselor or physician within the limits of the employee's medical insurance plan.

**Memorandum of Understanding**  
**Community Service Officers Union**

The current Patrol Union's Collective Bargaining Agreement (CBA) provides in a Memorandum of Understanding:

Shift Hours: The City will have ultimate authority to establish such hours, however, once established, the Chief of Police or his designee may not change said hours for a period of six (6) months from implementation, unless mutually agreed upon with the Union. In addition, the chief shall be required to give ninety (90) days notice to the Union prior to implementing any change in shift hours. With regard to shift differential, the shift differential outlined in 22.18 shall apply to all hours worked except those hours in Day shift. If work hours/shift move to anything other than eight (8) hour shifts, the parties shall re-address shift differential.
