Bargaining unit members who are required to supervise students during the bargaining unit member's planning period(s) due to the absence/unavailability of teachers, shall be compensated at the rate of ten dollars (\$10.00) per half hour and twenty dollars (\$20.00) per full period. Every attempt will be made to not pull teachers out of the classroom during instructional time with students. Subject to parental availability, the Board will attempt to schedule IEPs in a way that is not unduly disruptive to the teacher.

The final fifteen (15) minutes in grades K-4 shall not be counted as part of the minimum planning time for the homeroom teachers, unless the teacher agrees otherwise.

Minimum number of conference period minutes may be reduced during 1) a late start due to calamity, 2) an altered academic schedule, and 3) a late start due to professional development.

Minimum number of conference period minutes may be eliminated during 1) early release due to calamity, 2) school evacuation or lockdown, 3) field trips, and 4) professional days.

Administration shall avoid removing intervention specialists from their classes to provide coverage for absent teachers for whom no substitute teacher could be secured without first choosing any other teacher who has a conference period at the time.

The student day shall be determined by the South Central Board of Education. Changes in the start and/or end times of the student day may result in changes in the employee's start and/or end times. SCEA members shall be required to arrive at least fifteen (15) minutes prior to the start of the students' day.

2. For employees who work less than three-fourths (3/4) time, the Board will pay a proportion of the dental insurance and vision insurance premiums that equals the percentage of time the employee works. This will be based

on days worked, and will not apply to substitute teachers who work less than sixty (60) days per academic year in the same position.

3. When both spouses are employees of the Board, only one will be eligible to enroll in the family dental insurance program.

4. Employees may elect to receive ten percent (10%) of the current premium in lieu of participating in this insurance coverage. Requests for payment in lieu of participation shall be made under the same guidelines as stated above.

The employee's share of the insurance premium will be paid through payroll deductions.

The Board's expenditures for the Group Vision Service Plan will be determined as follows:

1. The Board will pay 85% of the premiums and the employee will pay 15% per month towards the Group Vision Service Plan and dental insurance for either single or family plans for a certified employee who works three-fourths (3/4) time or more.

2. For employees who work less than three-fourths (3/4) time, the Board will pay a portion of the vision insurance and dental insurance premiums that equals the percentage of time the employee works. This will be based on days worked and will not apply to substitute teachers who work less than sixty (60) days per school year in the same position.

The employee's share of the insurance premium will be paid through payroll deductions.

SECTION 4 – SAFE AND HARMLESS

The South Central Educators' Association will hold the South Central Board of Education and its members safe and harmless, and will indemnify the Board and its members against any loss it or they may sustain by reason of action under this Article, or any finding for wrongful disbursements by any state or federal agency.

The Board shall implement a Section 125 Plan to enable employees to pay for their premium contribution with pre-tax dollars.

The Board shall implement a flexible spending account. Participation in such an account shall be optional for each employee. The Board shall contribute three hundred dollars (\$300) to each employee's account, provided the employee participates in the Board's group health insurance plan for the purpose of premium contribution or flex spending account contribution. For spouses both employed by the Board covered by one family plan, an additional one hundred dollars (\$100) shall be paid by the Board to the flexible spending account of the covered spouse.

The administrative fee for the Section 125 Plan and the flexible spending account will be paid as follows:

1. The Board shall pay the setup fee and the annual administrative fee per participant for the Section 125 Plan.
2. The employee shall pay the monthly administrative fee for the flexible spending account check reimbursement.

Huron-Erie School Employee Insurance Association Working Spouse Coverage Approved as of October 1, 2009

If an employee's spouse is eligible to participate, as a current employee, self-employed individual (other than a sole proprietor) in a business or organization (e.g., partner, member), or retiree in group health insurance and/or prescription drug insurance sponsored by his/her employer, business, organization, or any retirement plan, the spouse must enroll for coverage in such employer, business, organization, or retirement plan sponsored group insurance coverage(s) no later than October 1, 2009.

This requirement **does not apply** to any spouse who:

- Works fewer than 20 hours per week AND is required to pay more than 50% of the single premium to participate in group health insurance coverage and/or prescription drug insurance offered by his/her employer, business, organization, or retirement plan.
- Is employed by another Huron-Erie School Employee Insurance Association (HESE) district, provided the spouse does not receive any available payment (or any other form of remuneration) from that HESE district for waiving health insurance and/or prescription drug insurance coverage.

Upon the spouse's enrollment in any such employer, business, organization, or retirement plan sponsored group insurance coverage, that coverage will become the primary payor of benefits and the coverage sponsored by HESE will become the secondary payor of benefits according to the primary plan's Coordination of Benefits and participation rules.

Any spouse who fails to enroll in any group insurance coverage sponsored by his/her employer, business, organization, or any retirement plan, as required by this Section, shall be ineligible for benefits under such group insurance coverage sponsored by HESE.

It is the employee's responsibility to advise the HESE Health Benefit Plan (the "Plan") immediately (and not later than 30 days after any change in eligibility) if the employee's spouse becomes eligible to participate in group health insurance and/or prescription drug insurance sponsored by his/her employer, business, organization, or retirement plan after October 1, 2009. Upon becoming eligible, the employee's spouse must enroll in any group health insurance and/or prescription drug insurance sponsored by his/her employer, business, organization, or retirement plan unless he/she is exempt from this requirement in accordance with the exemptions stated in this Section.

Every employee whose spouse participates in HESE's group health insurance coverage and/or prescription drug insurance coverage shall complete and submit to the Plan, upon request, a written certification verifying whether his/her spouse is eligible to participate in group health insurance coverage and/or prescription drug insurance coverage sponsored by the spouse's employer, business, organization, or any retirement plan. If any employee fails to complete and submit the certification form by the required date, such employee's spouse will be removed immediately from all group health insurance and/or prescription drug insurance coverages sponsored by HESE. Additional documentation may be required.

If a member submits false information, or fails to, in a timely manner, advise the Plan administrator of a change in a spouse's eligibility for employer (or business, organization, or retirement plan) sponsored group health insurance and/or prescription drug insurance, and such false information or such failure results in the Plan providing benefits to which the member's spouse is not entitled, the member will be personally liable to the Plan for reimbursement of benefits and expenses, including attorney fees and costs, incurred by the Plan. Any amount to be reimbursed by the member may be deducted from benefits to which he/she would otherwise be entitled. In addition, the member's spouse will be terminated immediately from group health insurance and/or prescription drug insurance coverage under the Plan. Members who submit false information may be subject to disciplinary action, up to and including termination of employment.

ARTICLE XV

The Board further agrees that the employee shall have the right to be represented by an attorney of his/her choice and expense at any meeting between the Board's attorney, the

insurance company representative(s), and the attorney representing the insurance company and/or the Board, at any deposition relevant to the claim of liability or damages, and/or at any meeting between the Board and the person claiming any alleged act or omission in connection with any liability suit.

D. The Board shall be required to share with the affected employee all information relative to any claim against that employee that is received by the Board.

E. The Board shall provide adequate release time for any employee who is required to attend any deposition, any pretrial hearing, and any or all court hearings involving any or all claims of liability. The Board agrees that such release time will not result in the employee's loss of pay and/or benefits or deduction from any Board-approved leave.

F. The Board agrees that there will be no media release regarding any liability suit which involves the alleged act or omission of an employee, and that any publicity or media release will require the express, written consent of the employee involved.

G. No records of liability claims or lawsuits shall be kept in a teacher's personnel file, or used in an evaluation of the teacher.

H. Nothing herein shall be construed as requiring the Board of Education to defend and indemnify a member of the bargaining unit where one of the following applies:

1. His/Her acts or omissions were manifestly outside the scope of his/her employment or official responsibilities;
2. His/Her acts or omissions were with malicious purpose, in bad faith, or in a wanton or reckless manner;

ARTICLE XVIII

FAMILY AND MEDICAL LEAVE ACT

A. The parties agree to abide by the terms and provisions of the federal Family and Medical Leave Act of 1993. All benefits guaranteed by the act will be provided to employees covered by this Agreement and shall be in addition to any other benefits provided herein. Furthermore, the benefits of the FMLA are not intended to supersede or diminish any other leave provisions contained in this Agreement.

B. Each eligible employee is entitled to take and shall be granted up to a combined total of twelve (12) weeks of unpaid leave (26 weeks in cases of qualifying military-related leave) per twelve-month period, according to the individual employee's FMLA start date. Eligible employees must give at least thirty (30) days notice before taking leave, when leave is foreseeable. Leave may be taken for the following reasons:

- 1) a serious health condition of the employee that renders the employee unable to perform his/her job
- 2) the birth and first-year care of a child
- 3) the adoption or foster placement of a child
- 4) to care for a child, spouse, or parent who has a serious health condition
- 5) because of any "Qualifying Exigency," due to the fact that the spouse, son, daughter, or parent of the employee is on (or has been notified of an impending call to) "covered active duty" status in the Armed Forces
- 6) an eligible employee who is the spouse, son, daughter, parent or next of kin (nearest blood relative) of a covered service member is entitled to leave to care for that service member

Married employee couples may be restricted to a combined total of twelve weeks FMLA leave within any twelve month period, in cases *other than* the employee's own serious health condition. In cases of FMLA leave to

care for a covered service member, married couples may be restricted to a combined total of twenty-six weeks within any twelve-month period.

C. Sick leave, if available, will run concurrently with the FMLA leave. The school board may require a doctor's certificate for leaves involving a serious health condition that affects either the employee or a family member. The school board may also require second and third opinions (at Board expense) and a fitness for duty report to return to work.

D. Intermittent leave may be taken in accordance with the Family Medical Leave Act.

E. Eligible employees shall be those employees who have worked for the school district for at least one (1) year and who worked for at least 1,250 hours over the previous twelve (12) months.

F. Employees who take leave under this provision are entitled to the continuation of group medical insurance benefits during the period of leave. During this period of leave, the Board shall pay the same premium contribution for medical, dental, vision, and life insurance as would be paid by the Board if the employee were working. Eligibility for life insurance will be subject to the terms of the policy. The Association encourages the Board to obtain a life insurance policy which will cover employees while on an approved unpaid leave.

G. Upon the employee's return from leave granted under this provision, the Board shall return the employee to the same position he/she occupied prior to the leave.

H. The taking of leave under this provision shall not result in the loss of any employment benefit accrued prior to the date the leave commenced nor shall such leave affect the seniority of such employee.

I. Any alleged violation(s) of the FMLA may be processed as a grievance utilizing the provisions contained herein in Article VII. However, pursuit of such grievance shall not prevent an employee from otherwise enforcing his/her rights under FMLA as provided by law.

ARTICLE XIX

TEACHER EVALUATION

Teacher evaluations will be in accordance to Board Policy, State Law, and procedures listed in this article. This article, Board Policy, and State Law prevail over any conflicting provisions in the current collective bargaining agreement.

Teachers not fitting the definition in Board Policy shall be evaluated under the same procedures and guidelines in the Teacher Evaluation Board Policy except they will be exempt from the application of high-quality student data (HQSD). For a teacher who spends less than 50% of his/her time providing student instruction, the effectiveness rating will be attributed to Teacher Performance determined through multiple evaluation factors other than HQSD, through a process based upon the *Ohio Standards for the Teaching Profession*.

Evaluators and teachers will utilize the evaluation tools, components, and calculation system found in eTPES as adopted by the State Board of Education, and/or released by the Ohio Department of Education. Other forms may be used with approval from both the Superintendent/designee and SCEA.

Credentialed Evaluators will conduct evaluations. The Evaluator shall be the SCEA member's direct supervisor, unless unforeseen circumstances occur (e.g. illness). Other District administrators may give input on evaluations to the evaluator. Teachers with multiple district supervisors will be evaluated by the supervisor they have for the majority of their instructional day. North Point ESC Credentialed Evaluators, who are assigned to South Central in an administrative position, may also contribute to the evaluation of SCEA members.

To assess Teacher Performance on Standards, South Central evaluators will use evidence gathered by completing a pre-conference, formal observations of at least 30 minutes, walkthroughs, and other informal observations. Additionally:

- a. Teachers who received an overall rating of Accomplished shall be formally evaluated every three years, in accordance with the Ohio Department of Education Evaluation Requirements for Teachers Rated Accomplished
- b. Teachers who received an overall rating of Skilled shall be formally evaluated every two years, in accordance with the Ohio Department of Education Evaluation Requirements for Teachers Rated Skilled

No preference for seniority shall be given except when making a decision between teachers who have comparable evaluations. Moreover, the parties agree that the evaluations of members of the bargaining unit shall be considered comparable to one another for the purposes of reduction in force.

Other forms of retention decisions shall follow procedures outlined in Article XX – NONRENEWAL of the CBA.

High Quality Student Data (HQSD) shall be determined in accordance with Board Policy, ODE Regulations, State Law, and Regulations. The Superintendent/designee will develop an HQSD Guideline Policy in consultation with SCEA.

ARTICLE XX

NONRENEWAL

SECTION 1 – NONRENEWAL

After three years of service in South Central Schools, a teacher shall not be nonrenewed until evaluation of performance indicates nonrenewal appropriate. Prior to any nonrenewal, the affected teacher shall be advised and directly documented through the evaluation process of the deficiencies forming the grounds of the administrator's recommendation for nonrenewal, and the teacher given a reasonable opportunity to correct such deficiencies.

1. The reason(s) for the nonrenewal of a professional staff member's contract shall be based on the formal evaluation of the professional staff member's ability, unless the Superintendent clearly demonstrates that unusual circumstances other than performance deficiencies warrants nonrenewal.

Notice of the Board's intent to nonrenew the teacher shall be provided in writing prior to Board action.

2. Teachers being considered for nonrenewal will be evaluated in accordance with O.R.C. 3319.111.

3. Upon request, a professional staff member being nonrenewed shall be provided with written reason(s) for nonrenewal of contract or for failure to be advanced to a continuing contract, should he/she be qualified for application for such advancement.

4. A professional staff member who has been notified of the intent to nonrenew, or intent not to grant a continuing contract if the individual is qualified, has the right to undertake with his/her representative a complete review of his/her own personnel file.

5. Any alleged misinterpretation or misapplication of the evaluation section and/or the nonrenewal section may be submitted to the grievance procedure by the professional staff member and/or the Association.

6. Failure to observe the provisions of this agreement shall deem such teacher to be reemployed for the succeeding year.

SECTION 2 – NOTICE OF NONRENEWAL

Notwithstanding Section 3319.11 of the Ohio Revised Code, any member of the bargaining unit employed under a limited contract and whose regular teaching contract is not to be renewed shall be notified in writing pursuant to this agreement. For the purpose of this subsection, posting such written notice in the U.S. Mail by registered or certified mail to such teacher's last known mailing address shall constitute "Notice" to the Member.

ARTICLE XXI

PUBLIC COMPLAINTS ABOUT SCHOOL PERSONNEL

SECTION 1

Constructive criticism of the South Central Schools is welcome through whatever medium when it is motivated by a desire to improve the quality of the education program and to equip the schools of this district to their task more effectively.

SECTION 2

The Board places trust in its employees and desires to support their actions in such a manner that employees are not subjected to criticism and complaints of an unsubstantiated unfounded nature, and/or are defamatory in content.

SECTION 3

Whenever a complaint is made directly to the Board as a whole, or to a Board member as an individual, it shall be referred to the school administration for study and possible solution. The individual employee involved shall be advised of the nature of the complaint and shall be given every opportunity for explanation, comment, and presentation of the facts as he or she sees them.

Whenever a member of the public attempts to discuss a bargaining unit member at a meeting of the Board of Education, he/she shall immediately be informed that this is not an appropriate topic to be handled by the Board and must instead be taken to a building administrator or the Superintendent.

SECTION 4

Whenever a public complaint is made regarding a member of the bargaining unit, the appropriate administrator shall schedule a meeting to discuss the matter. Administration will meet with the parties individually, and will schedule a group meeting if deemed necessary by the administrator and/or the teacher. The employee shall be given every opportunity for explanation, comment, and presentation of facts as he/she sees them. The employee may be accompanied at any such meeting by an Association representative. Should any of the above-stated procedures not be followed, no record of a public complaint against an employee may be made.

ARTICLE XXII

REDUCTION IN FORCE

A. A reasonable reduction in instructional staff members may be made in the event that a reduction becomes necessary as a result of a decreased enrollment of pupils, elimination of subjects or classes, return to duty of regular teachers after leaves of absence, financial reasons, or by reason of suspension of schools or territorial changes affecting the District.

B. When such reduction is deemed necessary, the reduction will be made in accordance with the following provisions:

1. The Superintendent shall provide written notice to the Association with the reasons for the RIF. A seniority list of all employees will be provided with the written notice.

2. The seniority list shall be prepared by listing all teachers according to continuous service in the District within all areas of certification. Those on continuing contracts shall be listed first according to continuous service in the District; then those on limited contracts shall be listed by continuous service in the District.

The list shall include the date of initial employment (continuous) for each employee.

Teachers using any Board approved leave of absence shall not lose the seniority held prior to the leave, nor shall they gain additional seniority for the time on leave (e.g., a leave of absence shall not break any employee's continuous employment).

If ties occur in seniority regarding academic years of service, such ties shall be broken as follows:

- a. first, by earliest date of Board action to employ, and then
- b. by earliest date on which the employees signed their initial employment contracts, and then
- c. by earliest date on which the employees submitted completed job applications, and then
- d. if ties still remain, by lot if and when such becomes necessary in order to implement a staff reduction.

3. Teachers holding temporary certificates shall be the first to have their contracts suspended. If further reductions are necessary, then the Board shall proceed to suspend contracts in accordance with the recommendation of the Superintendent, who shall recommend reductions in a teaching field by selecting the lowest person on the seniority list in that area of certification. A teacher so affected may elect to displace another teacher who holds the lowest position on the seniority list in another area of certification provided he/she holds a valid certificate in the area.

4. A teacher who may be affected by a reduction in force shall be given written notification in a conference with the Superintendent and an association representative of the teacher's choice as soon as the possible need of such reduction becomes known. The notification shall state the reason(s) for the reduction, and reason(s) for the selection of said teacher. The personnel records and all future references of those employees laid off pursuant to this policy shall clearly indicate that such was due to a reduction in force and was not due to unsatisfactory performance.

5. Teachers whose continuing contracts are suspended shall have the right to restoration to continuing service status upon the recommendation of the superintendent. Recommendation will be made in the order of seniority of service in the District, if and when teacher positions become vacant for which any of such teachers are certified, and only among those teachers with comparable evaluations. After restoration rights of teachers with continuing contracts, those on limited contracts shall also be restored in the above-described manner.

C. The teacher shall return to work upon being called back by the Board by registered letter. If the teacher fails to return to work as requested, the teacher shall lose all right to restoration of his/her contract. The teacher shall, at all times, have the obligation of keeping the Board apprised of his/her present address, and the Board shall notify the teacher at the address so filed with the Board. The Board shall have no other duties in seeking to notify the teacher of his/her opportunity to return.

D. A teacher whose contract is suspended shall be placed on a recall list, for a period of two (2) full academic years, stating years of continuous service to the District, subject(s) and/or grade levels certified to teach, and type of contract held at the time of suspension. A teacher may verify new areas of eligibility on the recall list by filing any new certification in the Superintendent's office by April 1. A teacher on the recall list shall be offered a contract for a position for which he/she is certified as positions become available and, only among those with comparable evaluations, in keeping with the seniority provisions (inverse order: last discharged, first employed).

E. A teacher may grieve only that he/she, himself/herself should not have been laid off.

F. Any award for back pay shall be reduced by any compensation, including unemployment compensation received, during the period in which the teacher was actually laid off.

G. The Board reserves the right to nonrenew the contract of any limited contract status teacher pursuant to the terms and conditions of this CBA.

H. During the restoration period, a teacher shall be eligible to have his/her insurance coverage(s) continued under COBRA.

I. If an Association member retires while under a RIF, the member shall be paid 100% of severance during the first year of the restoration period, and 50% of severance during the second year of the restoration period.

J. There may be involuntary transfers used to accommodate RIF recall.

ARTICLE XXIII

CONTRACTS AND SALARY NOTICES

Written teaching contracts and/or salary notices for the next academic year, whichever is appropriate to the individual employee, shall be issued no later than June 1 each academic year, with the contract figure at that time.

If negotiations cause employees' salaries to change subsequent to the issuance of teaching contracts and salary notices, a revised salary notice shall be issued to each employee so affected within thirty (30) days following ratification of a negotiated agreement by both the Association and the Board.

When an employee is advanced to another column on the salary schedule (see Article VIII, Section 4, Paragraph C), he/she shall be issued a revised salary notice within thirty (30) days.

Upon being initially employed by the Board, a teacher will be given a one-year limited contract. After successful completion of this initial contract, the teacher will be eligible for a second one-year limited contract. After successful completion of his/her second contract, a teacher will be eligible for a two-year limited contract. Said teacher will be eligible for additional two-year limited contracts until such time as he/she becomes eligible for a continuing contract. The teacher must apply, in writing, to the Superintendent, requesting the issuance of a continuing contract by April 10.

If a teacher does not successfully complete a limited contract term, he/she may be offered a one-year limited "improvement" contract. In such instance, the employee will be given specific written assistance relating to the teacher's professional improvement. If the desired improvement is realized during the term of the one-year "improvement" contract, the above-stated contract sequence will progress.

ARTICLE XXIV

VACANCIES

All vacancies (including extra-duty) that the Board determines to fill shall be posted in each building in a faculty area and a copy of each posting will be provided to the Association President. When school is not in session, notice of vacancies shall be mailed by special mailing or with the teacher's leave and earnings statement. Vacancies shall be posted for a minimum of five (5) workdays. The Board of Education reserves the right to fill vacancies without posting during the period between August 1 and the first day of school. The Board of Education, in agreement with the Association President, reserves the right to fill vacancies without posting for emergency vacancies.

Current employees shall be offered a conference with the Superintendent for vacancies in the teaching staff, provided said employees are qualified and possess the correct certification. The conference with the Superintendent shall take place before considering outside candidates.

ARTICLE XXV

LABOR/MANAGEMENT COMMITTEE

The Board and SCEA agree to establish a Labor/Management Committee for the purpose of maintaining open communications between the parties. The committee shall be comprised of four (4) members from the SCEA, two (2) members of the Board of Education, the Superintendent and one (1) building principal. This committee shall not be utilized for the purposes of negotiations or the adjustment of grievances.

The Labor/Management Committee shall meet whenever both parties deem it necessary. The SCEA President and the Superintendent shall exchange agendas of issues to be discussed at least one (1) week in advance of the meeting, or as mutually agreed.

ARTICLE XXVI

DRUG-FREE WORKPLACE

The Board and the Association are committed to the national goal of a drug-free workplace. The Board shall adopt a policy regarding a drug-free workplace in accordance with federal law. No change in working conditions or employment practices beyond what is required under federal law shall result from the Board's adoption of such policy unless such changes are bargained and agreed to by both the Board and the Association.

ARTICLE XXVII

ACADEMIC FREEDOM

A. Teachers shall have academic freedom within the confines of the Constitution of the United States and Ohio case law. The parties recognize that academic freedom is a right that must be balanced against the interests of the state in providing a sound, well-balanced educational program, and the interests of students in having a learning environment free from dogmatism and bias.

B. Teachers will be free from censorship and artificial restraints in curriculum approved by the South Central Board of Education as a necessary condition for the successful practice of the teaching profession in a free society. However certain teaching methods or practices may be restricted where such methods or practices are determined by the materials review committee and/or the South Central Board of Education to be educationally unsound, inappropriate for the age or maturity level of students, or are irrelevant to any valid educational objective contained in the curriculum.

C. Each teacher has the final authority to grade students in his/her charge. A change of a student's grade by the principal and/or Superintendent, either in an individual grading period or the final course grade, without the teacher's written consent, will occur only if it is demonstrated the grade was not given in a professional and/or correct manner. Notice of any change will be given, in writing, to the teacher and the student's parents.

ARTICLE XXVIII

BUILDING LEADERSHIP TEAMS

To provide for teacher input into the building level decision-making process, each principal will establish a building leadership team to meet on a regular basis. The purpose of the committee will be to provide the principal with staff input prior to the finalizing of decisions which would have significant impact upon overall building operations, and to provide a forum for detailed discussion which might normally impede the efficiency of a larger, general staff meeting.

Service on the Building Leadership Team shall be on a voluntary basis only. Teacher representatives on the committee shall be selected by those certified staff members in the building who are members of the Association bargaining unit. Up to five (5) members will be selected to serve on an annual basis.

Agenda items for Building Leadership Team meetings may be submitted by the principal or through any teacher representative on the committee.

ARTICLE XXIX

STUDENT DISCIPLINE/TEACHER PROTECTION

The Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom, on school property, and at school functions.

In the fulfillment of his/her responsibilities relative to maintaining control and discipline, an employee shall have the right to consult with the building administrator prior to placing himself/herself into a situation which may cause immediate or potential jeopardy to his/her health or safety.

ARTICLE XXX

CONFLICT OF LAW

SECTION 1

The Board and the Association agree that all items in this agreement which supersede applicable state law and which may permissibly do so under Chapter 4117 of the Ohio Revised Code shall not be affected by this Article. In the event there is a conflict between a provision of this Agreement and any applicable state or federal law, or valid rule or regulation adopted by a federal or state agency pursuant thereto, the applicable state or federal law, or valid rule or regulation adopted by a federal or state agency shall prevail as to that provision. All other provisions of this Agreement which are not in conflict with any applicable state or federal law, or valid rule or regulation adopted by a federal or state agency pursuant thereto, shall continue in full force and effect in accordance with their terms.

SECTION 2

If, during the term of this Agreement, there is a change in any applicable state or federal law, or valid rule or regulation adopted by a federal or state agency pursuant thereto, which would invalidate any provision of this Agreement, then the head negotiators and UniServ Representative will meet to negotiate any necessary change in the Agreement relative to the affected provisions as soon as possible by demand of either party.

ARTICLE XXXI

CLASS SIZE

The Board will make a reasonable effort to keep the class size for Kindergarten through grade 4 to twenty-five (25) pupils per class. For grades 5 through 12, the Board will make reasonable effort to keep the class size to thirty (30). In addition, the Board will make reasonable effort to balance classes within a given department and/or grade level.

Reasonable effort will be made to arrange the schedules of art, music, and physical education teachers in order to minimize the number of preparations per day.

Excluded from the above-stated class size maximum will be band, choir, study hall, and homeroom activities.

The Board will meet State Minimum Standards in regard to class size.

Room size and available work stations shall be considered in the assignment of pupils.

The determination of class size shall take into consideration any extraordinary demands on physical space, teacher contact, and/or teacher supervision.

ARTICLE XXXII

LOCAL PROFESSIONAL DEVELOPMENT COMMITTEE

A Local Professional Development Committee (LPDC) shall be formed pursuant to Ohio Revised Code 3319.22.

A. COMMITTEE COMPOSITION

The committee shall consist of three (3) teachers, selected by the Association, and two (2) individuals selected by the Superintendent. One (1) additional individual may be an employee of the North Point ESC. In the event of a vacancy, a replacement shall be selected by the party making the original appointment.

B. TERM OF OFFICE

The term of office for teacher members shall be two (2) academic years. Terms shall be staggered so that one half (1/2) of the terms expire annually. One half (1/2) of the initial appointments shall be for a three (3) year term to enable such staggering of terms.

C. COMMITTEE OPERATION

The committee chairperson shall be selected by majority vote of the committee members. The committee chair shall be the official designee whose signature shall designate approval and completion of an Individual's Professional Development Plan (IPDP).

Decisions shall be made by majority vote of the committee members present and voting. At the request of an administrative member of the committee, an administrator's IPDP shall be reviewed and subject to approval by the LPDC consisting of a majority of administrators. The number of teachers who will vote on administrator's LPDC shall be reduced to permit such a majority.

The LPDC shall have the authority to establish its operational rules, in compliance with statute. The LPDC shall not have the authority to abridge or alter terms of the CBA or an individual's employment contract.

D. MEETING SCHEDULE AND COMPENSATION

The LPDC shall meet as often as the members deem necessary to complete their work. Not later than September 10 annually, the committee shall post its meeting schedule in each building. Additional meetings may be scheduled as necessary.

Committee members shall be paid four hundred dollars (\$400) per committee member per academic year. The LPDC Leader shall be paid six hundred dollars (\$600) per academic year.

E. HURON COUNTY OVERSIGHT PROFESSIONAL DEVELOPMENT COMMITTEE

A teacher member shall be appointed annually by the LPDC to serve on the North Point Service Center Oversight Professional Development Committee. This Oversight Committee shall act as the body to which a teacher or administrator may appeal the LPDC's decisions regarding the teacher's/administrator's IPDP, based upon the rules established by the LPDC. In cooperation with North Point Educational Service Center staff, the Oversight Committee shall process all necessary paperwork to the Ohio Department of Education as required for renewal of certificates/licenses.

ARTICLE XXXIII

RESIDENT EDUCATOR PROGRAM

The South Central Local School District shall follow the Ohio Resident Educator Program Standards as developed by the Ohio Department of Education.

A. MENTORS/FACILITATORS

1. **Assignment** – No mentor/facilitator shall be assigned more than one (1) Resident Educator or new to the district teacher at a time during an academic year, unless there is a need to do so and the teacher agrees to accept more than one Resident Educator. If a mentor/facilitator is assigned for less than one (1) academic year, compensation shall be prorated.

2. **Confidentiality** – All interaction, written or verbal, between mentor/facilitator and the Resident Educator shall be confidential (except where student safety may be at risk), and shall not be used by either the Board or the Association in termination or nonrenewal actions, unless the matter involves illegal and criminal activities. Any violations of this tenet by the mentor/facilitator shall constitute grounds for immediate removal, as determined by the Superintendent, from the role as mentor/facilitator without recourse to the grievance procedure or ORC 3319.16. Any documents pertaining to the Resident Educator Program and the ODE assessment (RESA) shall be confidential (except where student safety may be at risk) to the extent permitted by law.

ARTICLE XXXIV

PERSONNEL FILE

1. Employees will receive a copy of all materials that are being placed by the Administration in the official personnel file other than the material originally supplied as confidential prior to the employee's hire. Additionally, the employee shall sign and date all materials that are being placed by the Administration in the official personnel file. Such signature does not indicate agreement with the content, but indicates only that the material has been reviewed by the employee prior to its placement in the file.
2. A teacher will have the right to view the contents of his/her official personnel file before or after school or during his/her planning period while employed by the Board, and with prior notification to, and appointment with, the treasurer. He/she shall furthermore be entitled to place rebuttal material in the file concerning items

which he/she views as derogatory provided he/she signs and dates the rebuttal. A representative of the Association shall be permitted, at the member's request, to view a teacher's official personnel file provided the teacher signs a form authorizing him/her to do so.

3. Teachers shall be informed of any complaint by a parent and/or student which is directed toward them when it is placed in the official personnel file.
4. Anonymous letters or materials shall not be placed in the official personnel file.
5. A member shall be entitled to a copy, at his/her expense, or any material in his/her file except for material originally supplied to the Administration as confidential previous to his/her employment.
6. An employee shall be notified in a timely fashion of any request(s) to view the contents of the employee's personnel file.
7. Information in the personnel file may be removed upon mutual agreement of the professional staff member and the administrator making the entry, or the Superintendent.

ARTICLE XXXV

SICK LEAVE DONATION BANK

SCEA recognizes that members may experience a family medical emergency, resulting in a need for additional time off in excess of their available sick leave days. To address this need, all eligible members will be permitted to donate sick leave from their unused balance, in accordance with the policy outlined below.

Member participation in the Sick Leave Donation Bank program is strictly voluntary.

Participants will donate to the general pool, as opposed to a specific employee.

A. ELIGIBILITY TO DONATE SICK LEAVE

1. Members must have fifteen (15) sick leave days in reserve, or have been employed by the district for three academic years to be eligible to donate sick leave.
2. Sick leave shall be donated in full-day increments.
3. Members may donate a maximum of fifteen (15) sick leave days per academic year.
4. Members who wish to donate shall complete a Sick Leave Donation form (Appendix E-1) and submit it to the Association President.
5. Members are not permitted to borrow against future sick leave in order to donate.
6. Members shall be given the opportunity to donate sick days to the pool twice per academic year: on the first of October and the first of March. Leave shall be transferred to the pool by central office within one week of the designated donation days.
7. Members who are currently on an approved leave of absence are not permitted to donate sick leave.
8. Donated days will be deducted from a member's reserve, and not from the current academic year's days.
9. Once sick days are donated, they shall be forfeited, and may not be restored at a future date.

B. ELIGIBILITY TO RECEIVE SICK LEAVE

CRITERION: The member (or a member of his/her immediate family) has been diagnosed with a medical condition that will require the prolonged/extended absence of the member from duty, and will result in a substantial loss of income due to the exhaustion of all paid leave available. ("Immediate family" will be as defined in the current CBA.)

1. The member will complete a Sick Leave Request Form (Appendix E-2) to the Association president, whereupon a meeting of the Sick Leave Donation committee (three SCEA members, the district treasurer, and one administrator) will convene to review the request. Sick leave pool requests will be reviewed on a case-by-case basis.
2. If the recipient member has available sick leave days in his or her balance, this time will be used prior to any donated leave. Donated leave may be used only for time off related to the approved request.
3. Members who receive donated sick leave days may receive no more than ninety (90) donated days within a rolling twelve-month period.

C. LIMITATIONS

1. The decision of the Sick Leave Donation committee is final, and is not grievable.
2. Members are not permitted to solicit other members for donations.

ARTICLE XXXVI

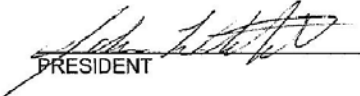

DURATION OF AGREEMENT

1. No change in a specific term of this agreement shall be made during the life of this CBA except by mutual agreement. Any agreement mutually agreed to during the life of this CBA shall be reduced to writing in a *Memorandum of Understanding*, ratified by each party and attached to this CBA.

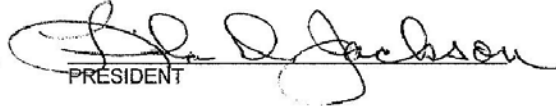

2. This CBA shall become effective the first day of July, 2021, and shall remain in full force and effect through the thirtieth day of June, 2023, both dates inclusive.
