ARTICLE 1 – RECOGNITION PREAMBLE

- 1.01 Recognizing that providing a high quality of education for the children of the Tuscarawas Valley Schools is the paramount aim of this school district, and that good morale in the teaching staff is necessary for the best education of the children, we do hereby declare that:
 - 1.011 The Board of Education, under law, has the responsibility of establishing policies for the district.
 - 1.012 The Superintendent and his staff have the responsibility of carrying out the policies established.
 - 1.013 The professional teaching personnel have the ultimate responsibility of providing the best possible education in the classroom.
- 1.02 The Tuscarawas Valley School Board also recognizes that the best interests of public education will be served by establishing procedures to provide an orderly method for the Board of Education and representatives of the Tuscarawas Valley Teachers' Association to discuss matters of common concern, and to reach a mutually satisfactory agreement on these matters.
- 1.03 The Tuscarawas Valley Local Board of Education (hereinafter referred to as the "Board") recognizes the Tuscarawas Valley Teachers' Association, an affiliate of the OEA/NEA, (hereinafter referred to as the "Association") as the sole and exclusive bargaining representative for all regular, full-time and part-time certified employees of the district and, subject to the provisions of Article 36, hourly rate tutors (hereinafter collectively referred to as "bargaining unit members"). The bargaining unit does not include substitute teachers. Administrative and supervisory staff as defined by ORC 4117 are specifically excluded from the bargaining unit.
- 1.04 Any challenge to the Association by a competing organization shall follow the specific guidelines established by the State Employment Relations Board (SERB). The challenging organization shall bear the total expense of the election.

ARTICLE 2 – MANAGEMENT RIGHTS

- 2.01 The Board hereby retains and reserves unto itself, limited only by Ohio Revised Code, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Ohio, and of the United States.
- 2.02 The exercise of these powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this contract.

ARTICLE 3 – ASSOCIATION RIGHTS

- 3.019 Use school technology/equipment for Association purposes provided that the Association requests and receives permission in advance from the building principal and provided that the Association reimburses the Board of Education for the actual cost of the supplies or photocopying cost.

ARTICLE 4A – COLLECTIVE BARGAINING NEGOTIATIONS PROCEDURES

- 4A.01 "To Bargain Collectively" means to perform the mutual obligation of the public employer, by its representatives, and the representatives of its employee to negotiate in good faith at reasonable times and places with respect to wages, hours, terms and other conditions of employment and the continuation, modification, or deletion of an existing provision of a collective bargaining agreement, with the intention of reaching an agreement. This includes executing a written contract incorporating the terms of any agreement reached. The obligation to bargain collectively does not mean that neither party is compelled to agree to a proposal nor does it require the making of concession.
- 4A.02 Either the Association or the Board may initiate negotiations upon written request to the other party and the SERB Board during the month of March of the calendar year of the expiration of this

contract. The first session shall be not more than 120 days or less than 90 days prior to the expiration of the contract.

4A.03 Within fifteen (15) days of the date of receipt of such request, the Board and Association shall hold their first negotiation session, unless extended beyond fifteen (15) days by mutual agreement. The first session may not be extended beyond sixty (60) days prior to the expiration of the contract.

4A.04 At the first session, both sides will exchange all proposals to be negotiated. Upon the exchange of fully written proposals, no issues may be added for consideration without mutual consent of both parties. At the time of exchange, the chairperson of each team shall explain and clarify the items presented for negotiations.

4A.05 Agreement

4A.051 If consensus is reached on those matters being negotiated, the understanding shall be reduced to writing and submitted first to the Association and then to the Board for consideration. The Association shall act upon the written understanding within a ten (10) day period from the date of the conclusion of negotiations. Said Agreement shall then be presented to the Board for its consideration at its next Special or Regular meeting which shall not be more than fourteen (14) days after notice of the action taken by the Association.

4A.06 If the written understanding is ratified and adopted by the parties, the contract shall be signed by the President and Secretary of the Association and the Superintendent, Treasurer and President of the Board.

4A.07 The Board shall provide every teacher as well as all administrators and Board Members with electronic access to the contract.

4A.08 All sessions shall be considered an executive session unless agreed otherwise by both parties.

4A.081 Consultants may be used if deemed advisable by either party.

4A.082 During the period of consideration, interim reports of progress may be made to the Association by its representatives. The Board may be informed by its representatives. Joint reports may be made if mutually agreed upon in advance.

4A.09 Both teams shall be represented by no more than five (5) members. Neither team shall have any control over the selection of members to the other team.

4A.10 The Board and Superintendent agree to furnish the Association's negotiation committee chairperson upon request, all legally available information that will assist the Association in developing intelligent, accurate, and constructive proposals including but not limited to:

4A.101 Salary grid of all teachers in the bargaining unit, for both regular and extended service

4A.102 Class Size Data

4A.103 New teachers and their Building Assignments

4A.104 Such information will be furnished to the Association within ten (10) days of the request.

- 4A.11 The Treasurer will provide copies of monthly Fund Balances, Bills, Receipts, and Minute Reports and Agenda for Board meetings to the Association President.
- 4A.12 While discussions are in process, any release prepared for news release shall be approved by both groups. If impasse is declared, either party may release information without the other party's consent, provided however, any such releases shall be limited to the status of negotiations and the general issues remaining unresolved. There shall be no disclosure of the specific proposals, counterproposals or positions taken by either party. In the event of a strike, this limitation is inapplicable.
- 4A.13 As items and issues at the table reach tentative agreement, they should be initialed by the chief spokesperson of each group and removed from further bargaining, including impasse.
- 4A.14 Impasse
- 4A.141 If after 45 days, all issues have been discussed and no tentative agreement has been reached, either party may declare impasse.
- 4A.142 The party who declares impasse shall request of the Federal Mediation and Conciliation Service (FMCS) the appointment of a mediator.
- 4A.143 The assigned mediator shall have the authority to recommend but not to bind either party to any agreements.
- 4A.144 The procedure set forth in this Article represents a mutually agreed dispute settlement procedure which supersedes the procedures contained in O.R.C. 4117.14, except that the Association does retain the right to strike by following the procedures required in O.R.C. Chapter 4117.
- 4A.15 Complete Agreement
- 4A.151 The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals on any subject within the scope of bargaining. The understandings and agreements arrived at by the parties after the exercise of the right and opportunity are set forth herein, and the parties agree that this Agreement constitutes the entire contract between them.
- 4A.152 Except as otherwise specifically provided in the written provisions of this Agreement, the Board has the sole and exclusive right to make all decisions relevant to the conduct and management of the schools herein.
- 4A.16 Affects Bargaining
- 4A.161 The parties agree that when conditions exist during the term of the contract which affect any mandatory subject of bargaining, the parties will meet within fifteen (15) days of such occurrence to negotiate the issue. All negotiations shall be in accordance with the procedures included in this Article.

ARTICLE 4B – INTEREST BASED BARGAINING NEGOTIATIONS PROCEDURES

- 4B.01 Parties may voluntarily and mutually agree to enter into collaborative bargaining utilizing the Interest-Based Bargaining process. Should the parties mutually agree to follow the collaborative bargaining process, the Federal Mediation Conciliation Service (FMCS) will provide training and facilitation of the Interest-Based Bargaining negotiations process as needed. Should the parties not mutually agree to enter into collaborative bargaining, all other provisions as outlined in Section 4A above will be followed.

ARTICLE 4C – CONSENSUS STATEMENTS

- 4C.01 The following consensus statements were developed in partnership with TVTA and the TVLS Board of Education. These items reflect a commitment on behalf of both parties and are not subject to grievance procedures. To the greatest extent possible:
- Employees will have access to the school building, classrooms, instructional materials, technology, etc. at least 1-2 weeks before the start of school.
 - Employees will be provided an uninterrupted block of planning time daily. Every effort will be made to ensure that teachers' planning time is self-directed.
 - Two teachers will be assigned to lunch/recess/activity periods to ensure proper supervision and safety of students (especially at TV Middle and TV High School).
 - The Association and District agree all district staff should provide safe, reasonable, non-medical help to students to the best of their abilities.

ARTICLE 4D – ADMINISTRATION/UNION LEADERSHIP TEAM

- 4D.01 The Board of Education and TVTA agree to the formation of an administration/union leadership team. The team will meet annually and as requested by either party for the purposes of communication, positive problem solving, and working together to address non-contractual issues.

ARTICLE 5 – GRIEVANCE PROCEDURE

5.01 Grievance Defined:

- 5.011 A grievance is a complaint involving the alleged violation, misinterpretation or misapplication of the terms of the written agreement entered into between the Board of Education and the Association.
- 5.012 A grievant shall mean a teacher or a group of teachers, or the Association alleging that some violation, misinterpretation, or misapplication of the aforementioned Agreement has actually occurred. A grievance alleged to be a "group" grievance shall have arisen out of similar circumstances affecting each member of said group.

- 5.013 A complaint is a minor disagreement which may become a grievance if left unattended.
- 5.014 No grievance may be filed concerning a matter which has been made the subject of a court action initiated by a Tuscarawas Valley teacher, administrator, the Association and/or Board.
- 5.015 As used in this section, "days" means calendar days.
- 5.016 A grievant shall have the right to take an Association Representative with her/him to any grievance meeting.
- 5.02 Purpose and Objectives:
- 5.021 The primary purpose of this procedure shall be to obtain, at the lowest administrative level and in the shortest period of time, equitable solutions to grievances, which may arise from time to time. Both the Board and the Association agree that grievance proceedings shall be handled in a confidential manner. Nothing contained herein shall be construed as limiting the individual rights of a teacher having a complaint or problem to discuss the matter informally with members of the Administration through normal channels of communication, without intervention and/or consultation of the Association, provided the adjustment is not inconsistent with the terms of the existing Agreement.
- 5.03 Procedure:
- 5.031 The grievant(s) shall initiate action within thirty (30) days of the time when the grievant is or should have been aware of the event or situation upon which the grievance is based or such grievance is deemed waived.
- 5.032 The grievant(s) is first to discuss the grievance or complaint(s) with their principal who should endeavor to effect a solution. (If the grievance does not directly involve a specific principal, this step may be by-passed.)
- 5.033 If the grievant is not satisfied with the result of the informal meeting, within fifteen (15) days a written grievance may be filed with the Superintendent. After holding a hearing the Superintendent shall respond in writing within ten (10) days of the hearing of the grievance. If a hearing is not held within fifteen (15) days, the grievant may proceed to arbitration.
- 5.034 If the grievant is not satisfied with the decision of the Superintendent, the Association may, within five (5) days after receiving the Superintendent's decision submit the matter to arbitration.
- 5.0341 The Board and the Association shall request the American Arbitration Association to submit a list of seven (7) nominees. From this list each side will have the right to strike one name until a person is selected. The striking of the first name shall be determined by the toss of a coin. The remaining person would then proceed to hear the matter in dispute, and will issue a decision no later than thirty (30) calendar days from the date of the close of the hearings. The Arbitrator's decision will be in writing and will set forth the findings of fact, reasoning and conclusions on the issue.

5.0342 The Arbitrator shall have no power to alter, add to, or subtract from the terms of the Agreement, or to make any award which is inconsistent with the terms of this Agreement or contrary to law. The decision of the Arbitrator shall be binding on the grievant(s), the Association, the Board and the Administration.

5.0343 The cost for the services of the Arbitrator including expenses, if any, will be paid equally by the Board and the Association.

- 5.04 Failure of the grievant to initiate a grievance within the time provided in Section 5.031 or to appeal a grievance disposition from any level to the next within the time limits specified shall be deemed to have waived such grievance. Failure of any administrator to meet the time limits for response shall be deemed to be a rejection of the grievance and the grievant may proceed to the next level of the grievance procedure.
- 5.05 Teachers may present any grievance or complaint with full assurance that such presentation will in no way prejudice their standing or status with the school system.
- 5.06 If a teacher attends an arbitration hearing, either as a witness and/or grievant, the teacher will not be docked pay or leaves.

13.012 This non-renewal procedure for teachers who have been employed for three (3) or fewer years supersedes all provisions of ORC 3319.11 and ORC 3319.111, and such teacher shall have no right to challenge said non-renewal pursuant to ORC 3319.11 or 3319.111.

13.02 Non-renewal of Limited Teaching Contracts for employees who have been Employed for More than Three (3) Years or who were Employed on or Before July 1, 1999

13.021 Any member of the bargaining unit employed under a limited contract for more than three (3) years or who were employed on or before July 1, 1999, and whose regular teaching contract the Board intends not to renew shall be notified in writing on or before April 30 of the Board's intention not to re-employ the teacher. Prior to Board action on a teacher's contract, the Superintendent shall make a recommendation to the Board with respect to the renewal or non-renewal of the teacher's contract.

13.022 Such contract non-renewal shall be in accordance with ORC 3319.11.

13.023 Such teachers shall have the right to appeal the non-renewal of their contract pursuant to ORC 3319.11 and such employees shall not have the right to request reinstatement through the negotiated grievance procedure.

13.03 After the completion of three (3) years of service in the district, no teacher shall be non-renewed without just cause.

ARTICLE 14 – PERSONNEL FILES

14.01 A teacher shall have the right to view all materials within his/her personnel file(s) during business hours. The Superintendent or his/her designee shall be present at any such viewing. A teacher may request a copy of any or all items in the file, except those items that a teacher has waived his/her right to see prior to employment with the Board. The teacher shall be supplied a copy of any information contained in the file. The teacher may be requested to do the copying herself/himself. The teacher may have a representative present when viewing the file.

14.02 Prior to any document being placed in a teacher's file, the document shall be shown to the teacher. The teacher will initial and date the document to verify seeing it. Such initialing and dating will not be construed as agreement with the item, only that the item has been seen. The only exceptions to this provision will be annual salary notices, leave request forms, certification certificates, college transcripts, worker's compensation, and unemployment compensation forms.

14.03 A teacher can, at any time, write a rebuttal or explanation statement for any item contained in the personnel file. The rebuttal will be attached to the item being rebutted.

14.04 All documents included in a teacher's file shall be dated and identifiable as to source.

14.05 The teacher's personnel file shall contain all pertinent information regarding the teacher, including complaints, if any.

14.06 If any material relating to a teacher is kept other than in the teacher's personnel file, such material shall be made available to the teacher upon request.

ARTICLE 15 – COMPLAINTS AGAINST TEACHERS

- 15.01 Openly talking out problems or concerns is the first line of dealing with complaints.
- 15.02 It is deemed most desirable that initial attempts to settle complaints against teachers should be made informally through personal, private conferences at the school level among teacher, pupil, parent, principal, and other appropriate staff personnel.
- 15.03 Since open communication with the community is also desirable, it is not only impossible, but also inappropriate to try and restrict parental comments or complaints to administrators and/or board members about staff members.
- 15.04 However, should the comments or complaint warrant consideration or investigations the following shall apply:
 - 15.041 The parent shall be encouraged to first discuss the concern personally with the teacher involved.
 - 15.042 If the parent is not going to contact the teacher, then the administrator shall advise the teacher of the complaint and allow for a response from the teacher.
 - 15.043 The teacher shall have the right to representation of his/her choosing at any meeting regarding a parental complaint.
- 15.05 The Administration will, as soon as possible, but not later than 5 days following the complaint, notify any member of the bargaining unit of any complaint made against the member of the bargaining unit which may be considered in the evaluation of that member's job performance. The complaint shall be in writing and specify the individual(s) making the complaint. Failure to notify the member of the bargaining unit will preclude this administrator from raising the issue on the evaluation or in any other forum. This does not apply to complaints alleging possible abuse or criminal conduct which is the subject of an investigation by a governmental agency. This does not apply to extra-curricular duties.

ARTICLE 16 – REDUCTION IN FORCE

- 16.01 Any reductions in force will be made in accordance with ORC 3319.17.
- 16.02 Ten (10) calendar days before the Board acts on a reduction in force, the individual teacher(s) and the Association President will be notified in writing by the Superintendent.
- 16.03 The Superintendent shall determine the teaching field affected. Example: one (1) high school English position, two (2) elementary teaching positions, etc.
- 16.04 The Superintendent's recommendations shall be made according to the subjects listed on the teacher's license/certificate (in force on April 1st of the year the decision is made to reduce staff).

- 16.05 Within the area of licensure/certification affected, teachers designated as "Ineffective" on the most recent OTES evaluation will be suspended before teachers with other effectiveness ratings. Teachers with other effectiveness ratings will be considered comparable and suspensions will be based on seniority. All limited contract teachers shall be suspended before any teachers on continuing contracts.
- 16.06 Seniority will be defined as the length of continuous service in the district.
- 16.07 Where seniority among two or more affected teachers is equal under this definition, preference shall be given in priority as follows:
- 16.071 Total number of years of teaching experience.
- 16.072 Date of employment as determined by Board Minutes.
- 16.073 The greater amount of training in subject areas or field (ex: the number of college credits beyond the Bachelor's Degree).
- 16.074 In the case of two or more teachers being hired at the same Board Meeting, then determination will be based on date/time stamp on the employee application on file in Central Office. Additional ties in seniority shall be broken by lot.
- 16.075 Continuous employment shall include all time on sick leave, all time on military leave of absence, all time on disability retirement to a maximum of five (5) years, and all time during suspension for reduction in teaching staff if the teacher is reinstated.
- 16.076 Unpaid leaves of absence shall not constitute an interruption in continuous service. However, the time that the teacher was on such unpaid leave will not be counted in total years of service in determining seniority rights hereunder.
- 16.08 A teacher being displaced from their present teaching field, but certified in another subject area(s) or grade level(s), shall be allowed to displace another teacher at that level or area if he/she has greater priority according to Items 16.05 through 16.076.
- 16.09 Teachers who have taught for two (2) years or more in the district and whose limited or continuing contracts have been suspended through RIF procedure shall have recall rights to restoration of service as follows:
- 16.091 Recall rights shall be limited to twenty-four (24) months.
- 16.092 Teachers whose contracts were suspended shall be recalled to a vacancy in the inverse order of suspension as positions become available in their area(s) of licensure/certification. Teachers must notify the district of any changes in their area(s) of licensure/certification.
- 16.093 Teachers on recall status shall have the responsibility of keeping the Superintendent informed of their current address, name change, and telephone number. Notification of recall shall be by certified mail at the teacher's last known address. Failure to contact the Superintendent to accept such recall within ten (10) calendar days of the date of the mailing shall remove the teacher from recall status.

- 16.10 No new teachers will be employed in the district as long as someone on the recall list is licensed/certified for such position.
- 16.11 Teachers placed on the RIF list may continue with the district's group insurance policies by notifying the Treasurer, in writing, prior to the receipt of their last paycheck, and by paying the full premium on those policies they wish to keep in force. The payment must be made to the third party administrator on or before the first of each month.

ARTICLE 17 – SICK LEAVE

17.01 Sick Leave Days Calculation:

17.011 Each teacher shall earn sick leave at the rate of one and one-quarter (1 ¼) days per month (fifteen days maximum per year).

17.014 Teachers new to the district and who have not had the opportunity to accumulate or transfer sick leave or those who have exhausted their sick leave shall have available ten (10) days of sick leave in advance, to be charged against sick leave subsequently earned. Additional days will be cumulative beginning with the month of employment in which an employee is again eligible to begin accumulation. In the event a teacher who has been advanced sick leave under this section leaves paid employment status with the Board prior to having earned the sick leave previously advanced, such teacher shall reimburse the Board for unearned sick leave paid under this section, to be repaid through deduction from the final paycheck. If the final paycheck is insufficient, the teacher shall reimburse the district.

17.02 Use of Sick Leave

17.022 The Board of Education recognizes an employee's need for leave at the time of birth or adoption of a child. Employees are entitled to all the rights provided by the Family Medical Leave Act in these situations.

Female bargaining unit members may use up to thirty-five (35) days of paid sick leave at the time of the birth or adoption of a child. Male bargaining unit members may use up to ten (10) days of paid sick leave at the time of the birth or adoption of a child. In the case of death of a member of the immediate family, no more than five (5) days may be used, unless extended by permission of the Superintendent.

If there are no members of the bargaining unit on the same or higher step of the salary schedule who donate, then any member may donate up to five (5) days and the absent teacher would receive the donator's per diem rate of pay.

- 19.02 Each teacher may have up to three (3) personal leave days each year, which may be taken in minimum increments of ½ day.
