- B. Two and one-half (2 1/2) days for in-service: one (1) day prior to the first day of instruction, one-half (1/2) day subsequent to the last day of instruction, the remaining inservice day will be designated as flexible inservice credit.

- 4.011 **CALAMITY DAYS:** In the event that the start of the school day for students is delayed because of weather, teachers will be required to report before students. However, the established reporting time for teachers will be delayed for the same amount of time that the start of the school day is delayed for students. If it becomes necessary to make up days beyond five (5) calamity days in the school year calendar, the Superintendent and the CEA President and/or its representative shall meet to discuss the date/times of the makeup days. The Superintendent will develop a recommendation as to when these days are to be scheduled after having met with the CEA's President or its representative. The decision regarding the make up of school days beyond the five (5) calamity days shall be made by the Board of Education after receiving the recommendation of the Superintendent. The CEA President and/or its representative shall be granted an opportunity to meet with the Board to discuss the CEA's concerns regarding the Superintendent's recommendation prior to the Board's decision. The Board shall not be required to compensate teachers for days made up in order for the Board to comply with the statutory requirements for a minimum school year.
- 4.012 **FLEXIBLE INSERVICE DAY:** A total of five (5) hours of flexible inservice credit is required. It is to be selected by the teacher with administrator approval. Required training for supplemental contracts or education for credit, CEU or licensure requirements shall not be approved under this provision. Flexible inservice credit shall be completed during non-contract hours. Teachers shall report flexible inservice hours by May 1 on a form developed by the administration.
- 4.013 **OPEN HOUSE:** A teacher's attendance at Open House shall be voluntary in accordance with current practice. The Board and the CEA mutually agree that parent-teacher relations are an integral part of the total teaching-learning process. Therefore, all members of the Bargaining Unit are encouraged to participate in Open House activities in their respective school buildings.

4.014 **PROFESSIONAL IN-SERVICE DAYS:** Pending State approval, students will be dismissed early at the conclusion of each of the first three (3) grading periods, i.e., Grading Periods 1, 2 and 3. During the time of early dismissal, half of the time will be used by the teachers for grade preparation, reporting, and record keeping. The remaining time will be for professional in-service provided by the Administration.

4.02 **SCHOOL DAY:** Teachers will not be required to be in the building any longer than seven (7) consecutive hours, including the lunch period, except on those days when there are faculty meetings scheduled.

4.021 **FACULTY MEETINGS:** Teachers may be required to attend only twelve (12) thirty (30) minute faculty meetings per year inclusive of professional development.

4.022 **DUTY-FREE LUNCH:** Each teacher shall be entitled to at least thirty (30) consecutive minutes of a duty-free lunch period each school day during the hours a cafeteria meal is available (on those days the cafeteria is open).

4.023 **CHANGES IN STARTING/ENDING TIMES:** Whenever the Board establishes or changes the starting and ending times for buildings or programs, the CEA shall have their seven (7) hour work day clearly identified. Teachers acknowledge that it is in the best interest of the students and their safety to be supervised in the buildings at the conclusion of the school day. Teachers will make their best effort to insure that students are supervised during dismissal times.

4.024 **SCHOOL CANCELLATIONS:** The Board will allow the equivalent of not more than five (5) "calamity days," or school closings (33 instructional hours for K-12) per academic year. Calamity days are the sole determination of the Superintendent. Any school closing made beyond the allocated five (5) days shall be made up in accord with the Board approved contingency plan. Teachers shall not be compensated for days determined by the Board to be "made up" due to school closings after receiving payment for five (5) calamity days in any academic year.

#### 4.03 **PLANNING TIME**

4.04 **BREAKS FOR ESP TEACHERS:** Each building principal will establish procedures with the Building Advisory Council regarding the need for ESP teachers to receive breaks caused by unexpected circumstances.

4.05 **GRADING PERIODS:** There will be nine (9) week grading periods with interim reports issued to all students during the second and fourth grading periods. Teachers will use report forms.

- Three hours after school and three hours the following morning
- Six hours on one evening after school
- Three hours each on two evenings after school

Each Principal's Advisory Committee shall determine the method to be used at its building for the following year and notify the Superintendent by April 1. The Superintendent's Advisory Committee will resolve any issues with building conference schedule selections. At the elementary level, all instructional staff will schedule parent conferences on the school's Open House day. Those parents not scheduled at that time will be contacted by telephone or letter by the staff member.

If the scheduling of parent/teacher conferences in any of the above ways jeopardizes funding, such option will be eliminated.

- 4.062 **CONTACTING PARENTS, ELEMENTARY:** All elementary instructional staff will be responsible for contacting parents of students enrolled in their classes to schedule conferences for all students.
- 4.063 **CONTACTING PARENTS, SECONDARY:** All secondary instructional staff will be responsible for providing a list of students whose parents are to be contacted for conferences. The Guidance Department, with the assistance of the instructional staff, during a planning period, will be responsible for contacting by telephone the parents of students whose names have been provided.
- 4.07 **CLASS PREPARATIONS:** Every attempt will be made to limit teacher class preparation in grades 7-12, to three (3) per semester. In the event this limit is not possible, preference for class assignments will be given according to certification and seniority, with the least senior teacher receiving the additional preparations.
- 4.08 **STAFF FACILITIES AND MATERIALS**

- F. Each building will have an adequate designated parking area (for all members of the Bargaining Unit), separate from student and visitor parking.

**4.09 CLASS SIZE**

- A. No class shall exceed the following size limitations except band, choir and orchestra:

- E. Special education students who spend more than half their instructional time in one self-contained classroom or departmentalized class for the entire semester shall be counted toward the class size limit. When a special education teacher is assigned to the class for more than half time, the student(s) are exempt from class size limitations as outlined in 4.09A. A teacher who is assigned a special education student for any of the class/subject departmentalization groupings as defined in paragraph C shall be paid the overload payment of \$41.20 per student per class/subject per semester (student must be enrolled for at least 9 weeks of the semester).

Low incidence students, if included in a regular classroom on a continuing basis, shall be counted as the equivalent of two (2) non-low incidence students for the purpose of class size.

5.028 **JOB DESCRIPTIONS:** The CEA and the Administration shall agree on developing job descriptions, which shall be dispersed to the teachers within thirty (30) days from the date of adoption by the Board.

5.06 **SUPPLEMENTAL CONTRACTS**

5.061 **SUPPLEMENTAL SALARY PLACEMENT:** All supplemental contracts must be placed on the negotiated salary schedule.

5.062 **SUPPLEMENTAL YEARS OF EXPERIENCE:** Any change of assignment in the same sport on the supplemental athletic schedule will not nullify previous years of experience. Changes made from one sport to another will result in a return to zero (0) years of experience.

5.063 **SUPPLEMENTAL POSTING:** Whenever a vacancy occurs in a position covered by a supplemental contract or when a new supplemental contract position is created, the Superintendent will post the vacancy for fourteen (14) calendar days after the Board of Education accepts the resignation or approves the creation of a new supplemental contract position.

However, the Board will post the position held by the non-licensed individual in accordance with Section 5.063 before renewing his/her contract. If a Bargaining Unit member applies for the position previously held by the non-licensed individual, the Board has the discretion to fill the position with the non-licensed individual.

Copies of the notices of supplemental vacancies shall be mailed to each member on the RIF list at the last address of record.

6.02 **EVALUATION PRINCIPLE:** Throughout the school year, each teacher will be visited by the supervisory personnel. The purpose of these visits will be to assist the teacher in examining his/her teaching efforts and making constructive suggestions for implementation and improvement. It is hoped that all teachers would welcome the visits of each supervisor or administrator and utilize them to gain suggestions and ideas. If, at any time during the year, a teacher has a project or special program which he/she believes is unusual, it would be most appropriate to extend an invitation to the various supervisors and administrators to attend.

6.03 **EVALUATION OBJECTIVES:** The purpose of this evaluation procedure is:

A. To provide for continuous and constructive improvement of the performance of the professional teaching staff through objective evaluation of the individual teaching process and to recognize superior teaching performance.

Such notification shall be made at least ten (10) days prior to the Board action on their Contract, such teachers shall have the right to meet with the Board in Executive Session with representation to discuss the intended action on their Contract.

Neither spouse is eligible to receive "opt-out" payments if both receive coverage through the Consortium.
- H. Eligible bargaining unit members who chose to forgo their right to coverage shall receive an "opt out" benefit in the amount of twelve (12%) percent of the annual premium costs of the most expensive PPO alternative for which they were eligible during the month of June of the school year of non-participation. Bargaining unit members who forego their right to coverage but are receiving health insurance coverage from the Trumbull County Schools Insurance Consortium as part of family coverage are not eligible for the "opt out".
- I. An eligible bargaining unit member that has declined the available coverage under this contract who suffers a "catastrophic change" (e.g., divorce, birth of a child, etc.) shall thereafter have the right to select and receive coverage from among the PPO's for which they are eligible under the previous provisions of this Section and in accord with the requirements of the insurer. Any

“opt out” payments shall be reduced proportionately to the time that coverage is thereafter extended; and, if an overpayment has occurred, the bargaining unit member shall remit such overpayment to the Treasurer within thirty (30) days of extension of coverage to him/her.

- J. If the Consortium adopts health risk assessment programs as provided by and recommended by the insurance carrier, each bargaining unit member and their dependents must participate by completing questionnaires and/or participate in assessments. Although bargaining unit members would be encouraged, based upon their assessment/testing results to participate in health improvement programs and/or disease management programs as part of this health coverage package, they would not be required to do so.
- K. All employees will be required to provide (spouse and child) eligibility documentation as required by the Trumbull County Schools Insurance Consortium.

11.102 **LIFE INSURANCE:** The Board will pay the cost of a life insurance policy in the face amount of \$50,000 for each member of the Bargaining Unit. In addition, an employee may purchase additional life insurance in \$10,000.00 increments at his/her own expense upon approval of the carrier.

11.103 **DENTAL INSURANCE**

Effective January 1, 1992, the Board shall provide the upgraded dental program coverage agreed to by the parties on September 3, 1991. The Board shall pay one hundred (100%) of the monthly premium costs for a single or family plan.

- B. This dental program will include one hundred percent (100%) payment on diagnostic and preventive

expenses; eighty percent (80%) payment on restoration; and sixty percent (60%) on orthodontia.

- C. The maximum individual deductible per calendar year shall be: \$25.00; and the maximum family deductible per calendar year shall be: \$75.00.

### 11.13 PROFESSIONAL DEVELOPMENT REIMBURSEMENT

11.131 **ELIGIBILITY:** A Bargaining Unit member who has taught in the Champion Local School District at least one year and returns to the district the following year is eligible for college tuition reimbursement. If a Bargaining Unit member resigns before September 1, he/she forfeits any reimbursement. A Bargaining Unit member who enrolls in a course relating to his/her employment through an accredited college or university shall receive tuition reimbursement from the Board upon successful completion of the work. The employee must notify the Superintendent of the intended schoolwork. Approval of the course work must be obtained in advance. All qualifying hours taken after August 31, 2000, shall be included in this agreement. Successful completion of work shall be defined as a "B" or above or a "pass" in a pass/fail class. Only accredited professional development for licensure (renewal or upgrade), or leading to an advanced degree will be approved.

The reimbursement amount mentioned below shall be paid after presentation of: (1) a fee receipt; (2) evidence of obtaining a grade of "B" or better, or a "pass" in a pass/fail class; (3) the documents shall be provided to the Treasurer's office on or before September 15.

In the event that the number of teachers who have applied, and who have successfully completed their approved courses, and the amount of money due and owing exceeds the maximum of thirty thousand dollars (\$30,000.00) allocated for all staff per year, then the Treasurer shall compute an equitable distribution within the limits set forth in the first paragraph after all teachers' hours from the prior twelve (12) months have been verified. Payment will be made per year with the

second regular pay in October following the September 1<sup>st</sup> to August 31<sup>st</sup> eligibility year. The first payment reflecting this increase from previous limits will be in October of 2022 for the period of September 1, 2021 – August 31, 2022. ### **ARTICLE XIV MISCELLANEOUS PROVISIONS**

14.01 **PRINTING OF AGREEMENT:** Within thirty (30) days of contract acceptance the Board and the CEA will share equally the cost of printing the Master Agreement.

14.02 **SEVERABILITY:** If any provision of this contract or any application of the provisions of this contract is determined to be either inconsistent with legislation or contrary to law by the highest court of competent jurisdiction to which an appeal has been made, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect. If the Ohio General Assembly, the U.S. Congress, the Ohio Department of Education, or the Ohio or U.S. Supreme Court take action requiring the Board to make changes in programs or policy that effect the wages, hours, terms and/or conditions of employment of members of the Bargaining Unit, the Board and CEA agree to utilize the procedures identified in the negotiations procedure.

14.03 **ECONOMIC RESOURCE CONSIDERATION:** It is contemplated that money items in this Agreement have anticipated Federal or State money for the term of this contract.

14.04 **NO SUBCONTRACTING:** No work previously performed by laid off employees and/or work performed by current employees shall be subcontracted. No current non-Bargaining Unit member shall be assigned to fill a Bargaining Unit position or perform Bargaining Unit work while an eligible employee remains on layoff status.

14.05 **NO REPRISALS:** There shall be no reprisals by the Board, their officers or agents against the CEA, its officers, members and agents or against any employees, students, parents or other Board personnel for their part in or support of any previous job actions by the CEA.

There shall be no reprisals by the CEA, their officers, agents or members, against the Board, Board members, the Superintendent, administrators or other employees of the Board, parents and/or students for their part, if any, in any previous job actions by the Champion Education Association.
