ARTICLE 1. RECOGNITION

The Twinsburg City School District Board of Education (“Board”) recognizes the Twinsburg Education Association (“Association”) as the sole and exclusive representative and negotiating agent for all regular full-time certificated/licensed personnel (Nurses included) and part-time certificated/licensed personnel employed under a regular teaching contract, excluding those who by contract are managerial, administrative or supervisory personnel and all casual substitutes [fewer than sixty-one (61) consecutive days in one position], and part-time employees [employed less than fourteen (14) hours per week]. All other employees are excluded from the bargaining unit. Unless otherwise indicated, the employees above will be hereinafter referred to as "teachers" or "bargaining unit members." The Association’s recognition as the exclusive representative shall continue until such time as it is altered in accordance with the procedures specified in Ohio Revised Code 4117.

Long-term substitute teaching assignments:

- A.** A casual substitute (i.e., a substitute who serves for fewer than sixty-one (61) consecutive days in a single position) may be assigned to a long-term substitute teaching assignment, as the need may arise, to temporarily replace a bargaining unit member who is taking an extended leave of absence, provided the individual possesses/obtains a long-term substitute license from the Ohio Department of Education in the License Type/Teaching Field applicable to the long-term substitute teaching assignment.
- B.** A casual substitute who is given a long-term assignment will, effective his/her sixty-first (61st) day in the long-term assignment, be temporarily afforded the rights of bargaining unit members for the remainder of his/her long-term assignment, including receipt of a FOB to access the building where the assignment is located. In other words, he/she will have the same rights as bargaining unit members with the exception that his/her temporary employment will automatically terminate at the end of the long-term assignment or the end of the school year, whichever occurs first, without need for further Board action (i.e., the Board does not need to evaluate or non-renew him/her pursuant to Ohio Revised Code Sections 3319.11, 3319.111 and 3319.112). If the long-term assignment terminates prior to the conclusion of the school year because the regular bargaining unit member returns from his/her leave of absence, the individual will revert to being a casual substitute and will be used on an as-needed basis to the end of the school year, pursuant to Ohio Revised Code Section 3319.10.

ARTICLE 2. NEGOTIATING PROCEDURES

A. NOTIFICATION

If either party desires to commence bargaining on proper subjects of negotiations, it shall notify the other party, in writing, between February 1 and March 1 of any year the Master Agreement expires. Notification, in writing, from the Association shall be served on the Superintendent and from the Board shall be addressed to the Association President.

B. NEGOTIATIONS MEETINGS

On or before March 15, an initial meeting will be held at which the parties will submit, in writing, their proposals and, thereafter, additional items shall not be submitted by either party unless the other party consents thereto.

All proposals shall be submitted in writing and shall be in their final form. Topical listing of items proposed for negotiations ("laundry lists") shall constitute a clear failure of compliance with this requirement and may be disregarded. Dates mentioned in any of the sections of these Negotiating Procedures may be extended by mutual consent.

Meetings shall be scheduled with the least interruption of school schedules.

Meetings shall be in Executive Session, unless otherwise mutually agreed upon by both parties. Other rules for conducting Negotiating Meetings, which are deemed necessary and not covered by this Procedure, shall be discussed and agreed upon at this first session.

C. NEGOTIATIONS TIME LIMITS

The parties agree to strive to resolve items under negotiation within forty-five (45) calendar days of the first scheduled meeting. However, if both parties agree, extensions of time may be granted. If no agreement is reached, the Disagreement Procedures outlined in this Agreement shall be implemented.

D. SCOPE OF BARGAINING

"Negotiating items" are salaries, fringe benefits, terms and conditions of employment, and such other items as may be mutually agreed upon.

"Good Faith" involves coming to the negotiating table with the intention of negotiating, not of dogmatically pursuing preconceived stands. "Good Faith" requires that the Board and/or Administration and the Association be willing to react to each other's proposals. If a proposal is unacceptable to one party, that party is obligated to give its reasons and/or offer counterproposals. "Good Faith" requires parties to recognize negotiations as a shared process. The obligation of the Board and/or Administration and the Association to meet for the purpose of professional negotiations does not compel either party to agree to a proposal or require the making of a concession.

E. REPRESENTATION

Each team shall limit its representation to six (6) members unless otherwise agreed upon at the first meeting. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party. The parties mutually pledge that their representatives will be granted all necessary powers and authority to make proposals, consider proposals, and make concessions in the course of negotiations.

F. ASSISTANCE

Either party may call upon consultants at the expense of the requesting party. Such consultants may be used in the negotiating meetings. If needed and requested by both parties, clerical assistance shall be provided at mutual expense.

G. INFORMATION

The parties agree to furnish, upon written request and in a reasonable time, available information concerning the financial status of the District and such other information to assist the parties in the development and evaluation of proposals. Access to available information in such form as it may exist constitutes compliance with this provision; and neither party is obligated to develop data or information not in existence, or to re-work, redraft, summarize, compute, or otherwise develop data or information in other than its existing form.

H. WHILE NEGOTIATIONS ARE IN PROGRESS

Caucuses

Either party may caucus for independent discussion at any time. Caucuses shall be for a period of time mutually agreed upon at the time a caucus is requested.

Protocol

No action to coerce, censure, or penalize any bargaining participant shall be made or implied by any other member as a result of participation in the negotiation process.

Item Agreement

As negotiation items receive tentative agreement, they shall be reduced to writing and initialed by a representative of each party. All items are tentatively agreed upon pending settlement of all issues.

Schedule of Meetings

Until all negotiation meetings are completed, each meeting shall include a decision on an agreed to time and place for the subsequent meeting.

I. AGREEMENT

When final agreement is reached through negotiations, the outcome shall be reduced to writing, signed, and submitted to the Association for ratification. Following ratification by the Association, the Agreement shall be submitted to the Board for adoption. Upon official adoption by the Board, the Agreement shall be signed by both parties. No

provisions of the resulting Agreement shall discriminate against any staff member regardless of membership or non-membership in the Association.

J. DISAGREEMENT PROCEDURES

If agreement is not reached within the specified time limits, the parties will endeavor to select a mutually acceptable mediator. If the parties are unable to reach such agreement, either party may request the services of the Federal Mediation and Conciliation Service (FMCS) for the purpose of mediating an agreement. This procedure constitutes the parties exclusive mutually agreed upon alternative Dispute Resolution Procedures, and shall supersede the procedures provided in O.R.C. 4117.14. The parties retain their respective rights as provided in Chapter 4117, Ohio Revised Code.

K. SUMMARY OF NEGOTIATING PROCEDURES

1. Notification. . .between February 1 and March 1.
2. Negotiations. . .commencing on or before March 15.
3. Disagreement Procedures. . .commencing May 1.*

*Unless extended by mutual agreement.

ARTICLE 3. GRIEVANCE PROCEDURE

A. GRIEVANCE POLICY

The parties recognize the need for a procedure whereby bargaining unit members can receive a prompt, impartial, and fair hearing on their grievances. Such procedure shall be available to all bargaining unit members, and no reprisals of any kind shall be taken against any bargaining unit member(s) initiating or participating in this Grievance Procedure.

B. GRIEVANCE DEFINED

A "grievance" is an alleged violation, misinterpretation, or misapplication of the written provisions of this Agreement.

C. PURPOSE AND OBJECTIVES

The primary purpose of this Grievance Procedure shall be to obtain, at the lowest administrative level and in the shortest period of time, equitable solutions to grievances that arise from time to time. Both the Board and the Association agree, to the extent permitted by law, grievance proceedings shall be handled in a confidential manner.

D. RIGHTS OF THE GRIEVANT AND THE ASSOCIATION

1. The Association will designate one (1) or more representatives for processing grievances in each building. The name(s) of the designated representative(s)

shall be given to the Principal of the building concerned and to the Superintendent within one (1) week after such designation.

2. An aggrieved bargaining unit member may appear alone or elect to be represented at any or all steps of the Grievance Procedure by the designated representative and/or the Association.
3. At each formal level, the applicable administrator will issue a written decision that includes the reasons for it, in accordance with the specified timeline. The decision will be promptly transmitted to all parties in interest.
4. Unless as part of a settlement or by direction of an Arbitrator's Award, no records, documents, or communication concerning the processing of a grievance through the Grievance Procedure will be placed in the personnel file of any participant involved in the Procedure. The Board and the Association shall keep the records of the grievance confidential to the extent permitted by law.
5. All grievances shall be filed at the lowest possible level. The lowest possible level means the level of the Grievance Procedure at which the Administrator hearing the grievance has authority to make a decision.
6. Hearings held pursuant to this Grievance Procedure shall be conducted at a time and place that affords a fair and reasonable opportunity for all persons, including witnesses, entitled to be present to attend.
7. The Association may file a grievance if the subject matter involves:
 - a. An alleged violation of the Agreement that involves the rights or privileges granted to the Association, its officers, or its representatives.
 - b. An alleged violation of the Agreement that involves two (2) or more bargaining unit members.
8. Nothing in this Agreement shall prevent the Association from exercising discretion in deciding to pursue or not to pursue a grievance at any level. A grievance may be withdrawn at any level without prejudice.
9. The parties agree that any dispute that is the subject of a grievance is to be resolved through the Grievance Procedure of this Agreement.

E. TIME LIMITS

1. The number of days indicated at each step is considered a maximum. The parties in interest, however, may extend the specified time limits through a written agreement.
2.
 - a. All grievances must be appealed to the next level within ten (10) days of receipt of the disposition at the prior level. Failure to do so shall deem the grievance settled on the basis of the disposition at the previous level.

Failure by the Board at any step of these procedures to communicate its decision on a grievance within the specified time limits shall automatically entitle the grievant to proceed to the next level, unless agreed otherwise as per Section E.1, of this Article.

- b. Except at the informal level, all appeals and dispositions shall be made in writing. Receipt of a "disposition" shall be assumed upon date of hand-delivery of such "disposition" to the grievant, or the date of the postmark on the letter sent to the grievant.
3. If any grievance is not initiated at Level One within twenty (20) days after the grievant knew or reasonably should have known of the event or conditions upon which it is based, the grievance shall be considered waived, shall no longer be deemed a grievance, and may not be processed as such. However, if a condition is recurring, the twenty (20) day time limit will be applied to the most recent occurrence.
4. "Days" shall be regular workdays, which include school days when students are present or being actively instructed, and other days when teaching staff are required to report to work (e.g., Professional Meeting Days, Teacher Work/Record Days, Curriculum Days and/or Data Days) but students are not present or being actively instructed.

F. PROCEDURE

Level One: Informal Discussion

A bargaining unit member with a grievance should first discuss it with his/her Immediate Supervisor or Principal, either individually or with a representative, to try to prevent it from becoming a formal grievance. Unless stated to the Administrator at the initiation of the discussion that such discussion is the Level One Informal Discussion, or so stated when it has become one subsequent to the initiation of the discussion, it shall not be deemed as one for purposes of the informal level of the Grievance Procedure. The Immediate Supervisor/Principal shall issue a written response to the bargaining unit member following the Informal Discussion at Level One. The Administrator shall consider whether he/she has the authority to grant the relief or action the grievant seeks; if the Administrator determines that he/she lacks the authority to resolve the grievance, the Administrator will so notify the grievant in writing and direct the grievant to submit the grievance to Level Three. The Administrator will provide a copy of his/her disposition to the Superintendent.

Level Two: Formal

In the event the aggrieved person is not satisfied with the disposition of the grievance at Level One, the grievant may, within ten (10) days, submit the grievance to Level Two. Within ten (10) days after receipt of the grievance, the Principal or Immediate Supervisor shall conduct a hearing concerning the grievance. The Principal or Immediate Supervisor/Administrator shall issue a written decision within ten (10) days

from the close of the hearing. A copy of the decision shall be provided to the grievant and the Association.

Level Three: Formal

In the event that the grievant is not satisfied with the disposition of the grievance at Level Two, the grievant may, within ten (10) days of receipt of the disposition, appeal the grievance to Level Three.

Within ten (10) days of receipt of the appeal, the Superintendent/designee shall , conduct a hearing concerning the grievance. The Superintendent shall issue a written decision within ten (10) days from the close of the hearing. A copy of the decision shall be provided to the grievant and the Association.

Level Four: Formal

If the grievant is not satisfied with the disposition of the grievance at Level Three, the grievant may request a hearing before the Board. The grievant's request for a hearing before the Board shall be submitted, in writing, to the Superintendent within ten (10) days of receipt of the Level Three disposition. Unless it would violate O.R.C. 121.22 (Ohio's Sunshine Law), the hearing will take place in executive session at the next regular Board meeting that is scheduled to occur at least ten (10) days after the Superintendent receives the grievant's request. If the Board determines that O.R.C. 121.22 requires the grievance to be heard in public session, the Board will provide its explanation for this determination to the Association. The Association may then decide whether to have the grievance heard by the Board at Level Four in public session or to move the grievance to Level Five without a hearing before the Board.

Level Five: Formal

If the grievant is not satisfied with the disposition of the grievance at Level Four, the grievant (through the Association) may demand a hearing before an arbitrator. The grievant's demand for arbitration shall be submitted, in writing, to the Superintendent within ten (10) days following the grievant's receipt of the Level Four disposition. Within ten (10) days following receipt by the Superintendent of the grievant's request for arbitration, the Board (or its designated representative) and the grievant shall mutually petition the American Arbitration Association (AAA) to provide both parties with a list of arbitrators. The arbitrator shall be selected in accordance with the Voluntary Labor Arbitration Rules of the AAA.

Once the arbitrator has been selected, the arbitration of the grievance shall proceed in accordance with the Voluntary Labor Arbitration Rules of the AAA. The arbitrator shall have the authority to consider only a single grievance, or several grievances involving a common question of interpretation or application. The arbitrator shall hold the necessary hearing promptly and issue the decision within such time as may be agreed upon. The decision shall be in writing and a copy shall be sent to the Association and the Board. The decision of the arbitrator shall be binding on the Board, the Association, and the grievant.

The arbitrator shall not have the authority to add to, subtract from, modify, change, or alter any of the provisions of this Agreement, nor add to, detract from, or modify the language therein in arriving at a determination of any issue presented that is proper within the limitations expressed herein. The arbitrator's ruling and opinion shall be confined to the precise issue(s) submitted to the arbitrator, and shall only include observations or declarations of opinion that are directly essential to reaching the determination.

The arbitrator shall in no way interfere with management prerogative involving Board discretion, nor limit or interfere in any way with the powers, duties, and responsibilities of the Board under its policies, applicable law, and rules and regulations having the force and effect of law.

The costs for arbitration shall be shared equally by the Board and the Association.

G. MISCELLANEOUS

1. An "aggrieved" person is a bargaining unit member having a grievance, and shall be referred to herein as the grievant. A "party in interest" is any person who may be required to take action or against whom action may be taken in order to resolve a grievance.
2. Nothing contained herein will be construed as limiting the right of any bargaining unit member having a complaint or problem to discuss the matter informally with any appropriate member of the Administration and having the complaint or problem adjusted without intervention of the Association, provided the adjustment is consistent with the terms of this Agreement and the Association is given the opportunity to be present at such adjustment and to state its views.
3. The Association may have an officer or building representative present at all formal steps of the grievance to represent the interests of the Association.

ARTICLE 4. ASSOCIATION RIGHTS AND RESPONSIBILITIES

The rights and privileges provided in this Article are granted exclusively to the Association as the sole and exclusive bargaining agent for the purpose of representing bargaining unit members.

B. USE OF SCHOOL FACILITIES AND EQUIPMENT

The Association and/or its representatives may use school buildings and equipment at reasonable hours, without cost, provided such use does not interfere with normal

C. USE OF SCHOOL COPIERS/SCANNERS

The Association may use copiers/scanners located within the buildings for Association business, provided that such use does not conflict with school business. The Association may be billed for the actual cost of all materials used. D. BULLETIN BOARDS

The Association may post Association materials on a designated bulletin board that is accessible to bargaining unit members in each building.

E. BUILDING ACCESS

The Association President or his/her designee may visit schools. Upon arrival, the Association President or his/her designee shall notify the Principal of the purpose of his/her visit. Visits to schools must not interfere with teaching and other duties assigned by the Board and Administration, or with other school needs. The Principal may deny access to avoid such interference, provided the Principal does not act arbitrarily and capriciously.

F. USE OF INTERSCHOOL MAIL SYSTEM

The Association may use the interschool mail system.

G. USE OF BARGAINING UNIT MEMBERS' MAILBOXES / EMAIL

The Association has the right to place materials into individual bargaining unit members' mailboxes in school buildings and to send them emails at that District-issued email addresses; employees, however, shall have no expectation of privacy in any emails sent to/from their District-issued email address, and all emails are subject to Board policy, including, but not limited to, the Staff Education Technology Acceptable Use and Safety Policy.

2. Bargaining unit members have the right, upon written request, to review the contents of their personnel files and to receive copies of any documents contained therein at a cost not to exceed the actual cost of reproduction. The first copy of any document shall be provided at no cost. Written request for review of an individual's file shall be directed to the Superintendent/designee. This right to review contents does not apply to pre-employment information.
3. If the bargaining unit member disputes the accuracy, relevancy, timeliness, or completeness of information maintained in the personnel file, he/she may request that the Administration investigate the current status of the information. The Administration shall, within ten (10) workdays after receiving that request, make an investigation to determine if the disputed information complies with O.R.C. 1347.05(F), and notify the member of the results of the investigation and the action it plans to take with respect to the disputed information. If the member is not satisfied with that determination, he/she may include in his/her personnel file, a brief statement outlining his/her position on the disputed information and/or include in the personnel file a notation that the member protested that the information is inaccurate, irrelevant, outdated, or incomplete. Anonymous documents shall not be placed into a bargaining unit member's personnel file.
4. Any such statements or notations incorporated in personnel files by bargaining unit members shall be included in any subsequent release or dissemination of the disputed information. The Administration retains the right to include with the bargaining unit member's statement or notation, its statement that it has reasonable grounds to believe the dispute is frivolous or irrelevant and to include the reasons for such belief.

B. PARENT COMPLAINTS AGAINST BARGAINING UNIT MEMBERS

1. All parents registering a complaint regarding a bargaining unit member shall be directed (at the discretion of the Principal) to discuss the matter first directly with the bargaining unit member. Bargaining unit members shall be informed of any complaint by a parent that may become a matter of record.
2. If requested by the parent or the bargaining unit member, a meeting involving the bargaining unit member, Principal, and the parent, will be arranged as soon as practicable to resolve the problem.

3. If the complaint is not resolved at the preceding meeting, the Superintendent will address the matter.
4. Anonymous letters or material shall not be placed in a bargaining unit member's personnel file, or referenced in any documents contained in the personnel file.
5. In Steps 2 and 3, above, a bargaining unit member reserves the right to be accompanied by an attorney appointed by the Association.
6. These complaint procedures do not apply when confidentiality is required in connection with an imminent or ongoing police investigation, or when the complaint involves Title IX or other allegations of discrimination and/or harassment, which will be addressed in accordance with Board policy. Bargaining unit members are entitled to due process prior to the imposition of discipline related to a violation of Title IX.

C. REPRIMAND OF BARGAINING UNIT MEMBERS & MEETINGS WITH BARGAINING UNIT MEMBERS

1. If a bargaining unit member is alleged to have engaged in misconduct or wrongdoing, the employee's Immediate Supervisor shall investigate the allegations in a timely manner. As part of the investigation, the Immediate Supervisor may conduct a fact-finding interview(s) with the bargaining unit member. The employee may request an Association representative attend the fact-finding interview(s) with him/her. If the alleged misconduct or wrongdoing involves Title IX or allegations of discrimination and/or harassment, the matter will be investigated and addressed in accordance with Board policy. Bargaining unit members are entitled to due process prior to the imposition of discipline related to a violation of Title IX.

Anonymous letters or material shall not be placed in a bargaining unit member's personnel file or referenced in any documents contained in the personnel file.

2. After concluding the investigation, if the Immediate Supervisor determines it is appropriate to issue a reprimand to the bargaining unit member concerning his/her misconduct/wrongdoing, the Immediate Supervisor will schedule a meeting with the bargaining unit member to present the reprimand. The meeting will be scheduled at a convenient time and place. In advance of the meeting, the staff member will be provided with written notice of the nature of the reprimand and the names of persons to be present at the meeting other than members of the Administration. At the meeting, the bargaining unit member will be provided with the opportunity to orally respond to the charges against him/her. The bargaining unit member has the right to be accompanied and/or represented by a representative of the Association at the reprimand meeting.
3. Except in unusual circumstances (e.g., administrator's absence), the Immediate Supervisor will conduct the reprimand meeting within ten (10) workdays of the Immediate Supervisor learning of the allegation of misconduct / wrongdoing.

No reprimand can be issued unless a reprimand meeting has been convened for that incident. Documentation that supports a reprimand may be attached to the reprimand.

4. Reprimands shall be issued by the Immediate Supervisor (i.e., the Building Principal, or, in the case of an intervention specialist, the Building Principal or the Director of Pupil Services), except when the investigation is conducted pursuant to Section C.1. above, in which case the Central Office Administrator will be responsible for issuing the disciplinary sanction. Bargaining unit members are entitled to due process prior to the imposition of discipline related to a violation of Title IX.
5. The Board agrees that no bargaining unit members will be reprimanded in the presence of any student, parent, or other employee (with the exception of an employee acting as a representative of the bargaining unit member being reprimanded). Exchanges between bargaining unit members and administrators shall be professional at all times.
6. If the bargaining unit member is unable to secure representation for a reprimand meeting on a scheduled day, the meeting will be postponed for up to ten (10) workdays in order to provide the bargaining unit member with time to secure representation.
7. If a bargaining unit member is requested to meet with more than one (1) administrator and the employee believes that such meeting may involve discipline, the employee has the right to have a representative present at the meeting. This representative may attend the meeting as an observer or to represent the bargaining unit member.
8. Disciplinary action will not be taken against a bargaining unit member unless the charges are documented in writing and a copy is given to the bargaining unit member.
9. If the bargaining unit member disagrees with the reprimand, the member may file a grievance.
10. A "reprimand meeting" shall be defined as a meeting called for the official purpose of reprimanding a bargaining unit member.
11. A bargaining unit member has the right to request Association representation at any meeting with supervisors.

D. INDIVIDUAL RIGHTS

The Board agrees with the following rights, to the extent they do not interfere with or conflict with the satisfactory performance of the employee's duties and responsibilities; the educational program; negotiated agreements; policies, rules, and regulations of the Board; and the statutory authority of the Board under law:

1. Bargaining unit members have the right to exercise their constitutional rights of political involvement without fear of reprisal or discipline in any form; and
2. Bargaining unit members have the right to participate in professional and civic organizations for their personal benefit and interest.

E. ADMISSION TO SCHOOL ACTIVITIES

With his/her District ID, a bargaining unit member and guest may be admitted to school activities (e.g., school functions held in the District, excluding OHSAA tournament events). A District ID, however, shall not grant a bargaining unit member admission to a benefit-type function designed to raise funds for school-related and charitable activities. Bargaining unit members are expected to assist with crowd control when needed at school activities, which they attend.

F. STAFF SAFETY

1. If a bargaining unit member is the target of a significant assault (i.e., a student engages with the teacher in a physically aggressive manner), the teacher may request to meet with the Principal to discuss the situation. Following the meeting, as appropriate, a plan will be developed to address the student's behavior/conduct; the teacher will be able to provide input on the plan.
2. If a bargaining unit member is assaulted by a student with a disability who has a behavior goal/objective(s) and/or a Behavior Intervention Plan (BIP), the student's IEP / Section 504 team may be convened to address the situation.
3. If a bargaining unit member is assaulted by a student with a disability who does not have a behavior goal/objective(s) and/or a BIP, but the District believes the assault may have been the result of the student's disability, the student's IEP / Section 504 team will meet to determine if a behavior goal/objective(s) and/or BIP should be developed. If a behavior goal/objective(s) or BIP is not appropriate, a meeting will be held in accordance with Section 1 above.
4. Nothing herein, however, shall interfere with or otherwise impact the District's use of its Threat Assessment Team(s)_or procedures for addressing the situation.

ARTICLE 6. LEAVES

A. LEAVE OF ABSENCE

1. Definition

A "leave of absence" is defined as a period of extended absence from duty without pay by an employee with the approval of the Board.

2. Application

Unless otherwise specified under each leave provision, or except in cases of emergency, applications for leave of absence shall be made in writing to the Superintendent at least thirty (30) calendar days in advance of the requested start date of the leave. The application shall specify the proposed starting and completion dates of the leave and the reason for the request. Application for a leave of absence due to illness or disability shall be accompanied by a statement from a physician specifying the nature and duration of the illness/disability. The Board may require individuals requesting a leave of absence for disability to be examined by a Board-selected physician at Board expense at any time during the leave of absence. Requests for a leave of absence due to illness or disability shall be granted by the Board for up to two (2) full school years, but the employee must re-apply annually at the start of each school year. All other requests not specified in this Agreement will be considered on their merits. Failure of an employee to return to work at the expiration of a leave of absence shall be deemed a resignation and all rights and privileges of employment shall be thereby extinguished.

3. Rights while on leave

If eligible, an employee granted a leave of absence shall have the right to continue to participate in all fringe benefit programs at the employee's expense during the leave, unless otherwise specified in this Agreement.

4. Reinstatement

Upon return from an approved leave of absence, the employee shall be entitled to reinstatement to the contractual status held prior to the commencement of the leave. Assignment shall be made by the Superintendent who shall endeavor to reassign the individual to the same position held prior to the leave, or to an equivalent position for which the employee holds valid certification/licensure.

B. ASSAULT LEAVE

Assault Leave involves a paid leave of absence related to an employee being assaulted in the course of his/her employment. An assault involves a person causing or attempting to cause physical harm to another. The Board will provide up to a maximum of thirty (30) workdays for Assault Leave, subject to the following provisions:

1. The employee who has been assaulted must furnish a written, signed statement on a form provided by the Board to request and justify use of Assault Leave. This form is different from and in addition to the District's Incident Report Form, which needs to be filed as soon as possible following the incident (i.e., no later than the end of the next workday, unless the employee is prevented from doing so by the need to obtain medical treatment). Said statement shall completely describe the circumstances and behavior of all pertinent parties. The Assault Leave form must be filed with the Superintendent within five (5)

workdays of the alleged assault unless the employee is incapacitated, in which case it must be filed as soon as possible.

2. In order to qualify for Assault Leave, the employee must seek medical attention within three (3) workdays of the incident and furnish certificate from a licensed physician stating the nature of the disability and its estimated duration before Assault Leave can be approved for payment. If the employee's physician estimates the leave will last longer than four (4) workweeks, the Board may require, at its cost, a second medical opinion to substantiate the employee's inability to work.

Assault Leave granted under these regulations will not be charged under Sick Leave earned or earnable under Section 3319.141 of the Ohio Revised Code, or leave granted under regulations adopted by the Board of Education pursuant to Section 3319.08 of the Ohio Revised Code.

If the employee is disabled by the assault for longer than thirty (30) workdays, the Superintendent may approve an extension of Assault Leave and may require a second medical opinion to substantiate such leave extension, unless the Board at its discretion extends such leave without further medical certification.

During Assault Leave, if an employee qualifies for Workers' Compensation benefits, the Board shall pay the difference in what the employee receives through Workers' Compensation and his/regular compensation. The employee may be encouraged to pursue litigation against the person(s) perpetrating the assault but must agree to give written and/or verbal testimony (i.e., to participate in any internal disciplinary proceedings associated with the assault) to assist the Board and the administration as necessary to ensure appropriate disciplinary action is taken against the attacker.

Any exception beyond the above must be recommended by the Superintendent and approved by the Board.

C. ASSOCIATION LEAVE

The Association shall be granted a total of fifteen (15) days per year, with pay, for attendance at conventions, conferences, and/or other contract-related activities (including short-term absences associated with an employee attending meetings related to the employee's role as an elected official in a State or National office of the Association's affiliated organizations). Such leave shall be granted upon application made through the online attendance management system (e.g., AESOP) not less than five (5) days in advance to the Superintendent except in situations where such notice is not possible. The Association President or designee (who is a member of the Association's Executive Committee) may use Association Leave to attend a Chamber of Commerce luncheon with prior written approval of the Superintendent. If a bargaining unit member wants to utilize Association Leave in an increment less than half (½) a day, the Association must notify the member's Principal in writing at least one (1) week before the event, so a spot-substitute can be found to cover for the affected bargaining unit member. If no spot-substitute can be found, the leave shall be denied.

The Association may take seven (7) additional days per year for the above stated purposes at no cost to the District – i.e., the Association shall reimburse the District for wages, employer STRS contributions, and any associated taxes and deductions resulting from obtaining a substitute. The same notice procedures shall apply to the additional days.

An Association member who is elected to state or national office of the Association's affiliated organization (e.g., President, Vice President, Treasurer/Secretary), and the office requires full-time release for a school year, the bargaining unit member may request an unpaid State/National Association leave for a period of one school year. The employee may continue to participate in the District's health insurance program provided the employee pays the entire cost of the premium during the leave. Additionally, the employee may be paid a stipend during the leave equivalent to his/her regular salary if the Board is first prepaid the full cost of the stipend (i.e., wages, associated taxes, deductions, and STRS employer contributions). The Association agrees to indemnify and hold harmless the District from any and all liability that may result from the payment of this salary. The bargaining unit member shall not advance on the teacher salary schedule for the year the member is on the State/National Association leave.

D. COMPULSORY LEAVE

1. Release time shall be granted with pay when a bargaining unit member is required to perform jury duty. On those days that the bargaining unit member is not required to serve on jury duty, the member shall report to his/her assignment.
2. Release time will be provided with pay when a bargaining unit member is subpoenaed as a witness in a matter, provided the member's testimony is directly related to the individual's employment in the District.
3. The bargaining unit member shall retain any compensation he/she receives for serving on jury duty and any witness fees the member receives based on appearing at a proceeding pursuant to a subpoena, as described in the preceding paragraph.

E. MILITARY LEAVE (RESERVES)

1. A bargaining unit member, who is a member of a reserve component of the Armed Forces of the United States and/or the State of Ohio, shall be granted a leave of absence without loss of pay for such time as the member is in the military service, or field training, for periods not to exceed thirty-one (31) days in any one (1) calendar year. The thirty-one (31) day maximum is regardless of whether the employee is called to active duty and supersedes O.R.C. 5923.05 for purposes of calculating pay due by the Board.
2. A bargaining unit member shall be granted a leave for up to two (2) years when the member leaves the employment of the Board because he/she was called to

active duty in the Armed Services of the United States. The individual shall be re-employed following such leave if application is made in writing within ninety (90) days of honorable discharge from active duty. Re-employment shall be under the same type of contract as was formerly held and shall be at the beginning of the next semester, provided application is made not less than thirty (30) days prior to the first day of the next semester. During the leave, the Board shall pay the lesser of (a) 50% of the difference between the employee's pay at the time of leave and the individual's military pay and allowances, or (b) Five hundred dollars (\$500.00) per month. The parties agree that this paragraph supersedes O.R.C. 5923.05 for purposes of calculating pay due by the Board.

F. PARENTAL LEAVE

A bargaining unit member who is about to become the parent of an infant child or who is a parent of an infant under one (1) year of age may request and be granted a Parental Leave of Absence without pay or benefits, upon compliance with the conditions set forth below.

1. The Parental Leave of Absence shall be for the balance of the school year in which delivery is expected or de facto custody of a child being adopted is received (or prior to receiving such custody, if necessary to fulfill the requirements for adoption).
2. At least thirty (30) days prior to the requested date of the Parental Leave, the bargaining unit member shall file a written leave of absence request, or notice in the case of adoption, with the Superintendent. This request shall include:
 - a. A statement regarding the expected date of delivery, name of attending physician;
 - b. In the case of adoption, notification that the bargaining unit member has begun the adoption process, the name of the adoption official, and the expected date of receipt of custody;
 - c. Date on which leave is requested to begin; and
 - d. Anticipated date of return to service.
3. An extension of one (1) school year shall be granted if delivery or custody is expected after March 1, and such extension is requested by the bargaining unit member no later than March 15 preceding the year for which such extended leave is requested.
4. If the leave is requested for the beginning of a school year, the leave of absence request is required sixty (60) days prior to the bargaining unit member's first scheduled day.
5. Parental Leave may be extended by the Board for one (1) additional school year for "exceptional circumstances" upon the request of the employee to the

Superintendent. The request must be made not later than April 15 preceding the year for which such extended leave is requested.

6. Subsequent to receipt of custody of the infant or termination of pregnancy, application for reinstatement may be made by the bargaining unit member at any time during the school year, and the employee may be reinstated no later than the beginning of the next succeeding school year.
7. Upon return from an approved Parental Leave, the bargaining unit member shall be entitled to reinstatement to a similar position if such position is available, with the same contractual status the bargaining unit member held prior to the leave. If, however, a similar position is not available, the bargaining unit member will be assigned to any other position for which he/she is certificated/licensed.
8. A Parental Leave shall not exempt a bargaining unit member from decisions regarding contractual renewals relating to bargaining unit member appraisal and/or staff reduction.
9. Where the group insurance policy permits, a bargaining unit member on Parental Leave may continue to participate in such benefits by advance payment, on a monthly basis, of the total premium for such benefits.
10. The Superintendent has the option to provide paid leave for a bargaining unit member with expected Parental Leave within the first six (6) weeks of the start of the school year.
11. In the case of adoptions, timelines may be waived at the discretion of the Superintendent.

G. PERSONAL LEAVE

Each bargaining unit member shall be entitled to three (3) days of absence, with pay, each school year (noncumulative) for the purpose of transacting personal business of a nature that cannot be conducted on a weekend or outside the work day, and requires the bargaining unit member's presence. Personal Leave is available for the observance of religious holidays. Personal Leave may not be used to: seek or participate in gainful employment; make application for employment elsewhere; take vacation; and/or to participate or assist in any strike or strike-related activity within or outside the District.

If the date is known, a bargaining unit member must submit notice through the online attendance management system (e.g., AESOP) at least three (3) workdays in advance of the anticipated leave, except if the leave pertains to one of the six situations set forth below in which case the employee must also submit the form contained in Appendix B. Should the employee fail to submit timely notice through the online attendance management system (e.g., AESOP), prior approval of the Principal is required except in emergency situations. Emergencies are those situations that cannot reasonably be anticipated. When a bargaining unit member is absent for personal reasons, a report of such absence, signed by the bargaining unit member and his/her Principal, shall be filed

with the Superintendent or his/her designee on the morning of the bargaining unit member's return. Such report shall contain a certification by the bargaining unit member that the absence was not in violation of this policy. The filing of a false statement by a bargaining unit member shall be considered by the Board as grounds for disciplinary action in such form and manner as the Board may deem advisable, including denial of pay for the day taken.

Personal Leave on the following days shall be only after the approval of the Superintendent or his/her designee, except in emergency situations when only notification is required:

1. The first and last days of school;
2. The school day preceding or following a day (or days) when school is closed for holidays;
3. Open House days, if Personal Leave prevents attendance at Open House;
4. Two (2) days in succession;
5. Parent-Teacher Conference days;
6. Professional Conference/Meeting Day(s), Teacher Work/Record Days, Curriculum Day(s), and/or Data Analysis Day(s).

The form contained in Appendix B must be completed if the Personal Leave day is to be taken on one of the six (6) situations listed (first/last days of school, etc.).

The Superintendent will approve the use of Personal Leave on the above six (6) situations for the following reasons that need to be identified on Appendix B: funeral for an immediate family member; weddings of the employee or an immediate family member; court appearances; emergencies that create a hazardous condition to the teacher's immediate family or property; graduations involving immediate family members; school programs/events of the teacher's child; formal religious functions; moving teacher's child into or out of college or the military; and travel conditions beyond the teacher's control making it impossible to report as assigned (documentation required for this last reason). Exceptions may be made at the discretion of the Superintendent/designee with reasons for the request. "Immediate family member" shall be defined as set forth in Paragraph J.3.e., below.

Any unused personal leave days shall be transferred to the bargaining unit member's accumulated sick leave days.

H. PROFESSIONAL LEAVE

The term "professional leave" does not include days when a bargaining unit member accompanies students to meetings, competitions, and the like. In accordance with Board policy, the Board shall reimburse bargaining unit members for receipted expenses (including fees, meals, lodging, and transportation) they incur while attending

workshops, seminars, conferences, or other professional improvement sessions at the request and/or with the advance approval of the Superintendent for the particular purpose of professional improvement to the Twinsburg City School District and/or to the individual participating.

Such authorization for attendance shall be upon approval by the Superintendent. Bargaining unit members shall be paid for days when they are absent from their regular assignment for such Professional Leave.

For refusal of Professional Leave due to expenses exceeding the building appropriation, subsequent approval may be granted for employees willing to bear some or any of the expenses involved.

I. SABBATICAL LEAVE

1. Definitions

Sabbatical Leave is defined as a leave of absence granted by the Board to a bargaining unit member, for a period not to exceed one (1) school year, to permit the bargaining unit member to engage in professional activities that will be mutually beneficial to the bargaining unit member and the District. At the discretion of the Board, Sabbatical Leave may be granted for the purpose of strengthening or improving the instructional program of the Twinsburg City Schools. If approved by the Board, such leave shall be with part pay equal to the difference between the base salary the bargaining unit member would have earned (exclusive of extracurricular, extended time, or department head compensation) and the salary paid to the replacement employee, plus insurance coverage in accordance with this Agreement. Retirement deductions will be computed on the full base salary, while other applicable deductions will be made in accordance with normal procedure.

2. Eligibility

Eligibility for Sabbatical Leave shall be considered in accordance with the following:

- a. A bargaining unit member may be considered for Sabbatical Leave after six (6) years of service in the Twinsburg City School District.
- b. The number of bargaining unit members on Sabbatical Leave in any one (1) school year will be limited to one (1) from each building; however, the number may vary at the discretion of the Board. No more than five percent (5%) of the teaching staff may be granted Sabbatical Leave simultaneously.
- c. The bargaining unit member must have displayed superior instructional competence and a strong curriculum orientation. Additionally, recognized leadership must have been displayed in instructional and curriculum areas.

- d. A bargaining unit member requesting such leave shall submit a written request, along with a plan for professional growth, to the Superintendent no later than the first week of January.
- e. Applicant must sign an agreement to return to service in the Twinsburg City School District for two (2) consecutive years following the leave, unless causes beyond the control of the individual prevent such a return to service. At the conclusion of the leave, the bargaining unit member must present evidence that the plan of professional growth previously submitted was followed and completed.
- f. After returning from leave, if the bargaining unit member resigns before completing two (2) additional years of service, the bargaining unit member shall owe the Board a salary refund proportional to the amount of additional service not actually rendered. This refund will include amounts paid by the Board for retirement, insurance, and other fringe benefits. Such refunds will be deducted from the bargaining unit member's pay in accordance with a schedule established by the Board Treasurer.
- g. Sabbatical Leave for less than a full school year will be considered by the Board only if a satisfactory replacement can be obtained.
- h. A bargaining unit member returning from Sabbatical Leave will not forfeit retirement or experience credit. Upon return from Sabbatical Leave, the member will assume his/her proper position on the current salary schedule, plus any additional hours earned, and will return to the same position or one similar to his/her prior assignment. If the same or similar position is not available, the member will be assigned to another position for which he/she is certificated/licensed.

J. SICK LEAVE

- 1. Each bargaining unit member shall earn up to fifteen (15) days Sick Leave per school year. Sick Leave shall accumulate at the rate of one and one-quarter (1 1/4) days for each complete month of service. The accumulation of unused Sick Leave shall be unlimited. Sick Leave for each part-time bargaining unit member shall accumulate as provided in the Ohio Revised Code. If a bargaining unit member exhausts his/her sick leave and needs additional days of sick leave, the member may request, using the District form Appendix E, the District advance him/her up to the number of days the member can earn prior to the end of his/her contract year (i.e., July 31), which shall not exceed five (5) sick leave days. Upon verification of the maximum number of days that can be advanced, the Superintendent will approve the request.
- 2. New bargaining unit members shall receive credit for Sick Leave accumulated in any Elementary or Secondary School chartered by the State Department of Education or a public agency in Ohio. The new bargaining unit member is

responsible for supplying to the Board Treasurer the address of his/her former employer to secure a certified record of the accumulated Sick Leave from the former employer.

3. Sick Leave days may be used for the following reasons:
 - a. Personal Illness;
 - b. Personal Injury;
 - c. Exposure to contagious disease that could be communicated to others;
 - d. Pregnancy, and up to six (6) weeks of leave following a regular delivery and up to eight (8) weeks of leave following a c-section delivery without medical certification;
 - e. Activities associated with facilitating adoption or foster care placement of a child, and up to six (6) weeks of leave following the adoption or placement of the child through foster care;
 - f. Illness, injury, or death in bargaining unit member's immediate family. "Immediate family" shall be defined as any resident in the bargaining unit member's home, spouse, brother, sister, child, father, mother, father- or mother-in-law, foster parent, son- or daughter-in-law, brother- or sister-in-law, stepparent, stepchildren, and grandparents. "Immediate family" shall also include grandchildren if the sick leave is due to death, a long-term, catastrophic illness, or a catastrophic injury. The Superintendent may approve additions to this list. Additionally, a bargaining unit member may use one (1) sick leave day for the death of the employee's aunt, uncle or first cousin.

4. Impact of Delayed Start on Use of Sick Leave

A bargaining unit member who utilizes sick leave on a "delayed start" day will be charged a full-day of sick leave.

5. Sick Leave Transfer

- a. When a bargaining unit member has exhausted all of his/her accumulated sick leave (including any request for the District to advance him/her up to five (5) days pursuant to paragraph J.1.) and the member needs additional continuous leave of absence due to his/her own serious health condition for which he/she has missed at least twenty (20) workdays, the employee may request that other bargaining unit members transfer some of their accumulated sick leave days to the requesting employee. The transferred days may be used for absences after the member has missed the initial twenty (20) workdays. A bargaining unit member may not transfer more than five (5) of their accrued sick leave days to the requesting employee. Prior to making such a request, the

bargaining unit member must submit medical certification pursuant to the FMLA. A bargaining unit member may not request or receive a transfer of more sick leave days than his/her medical provider has certified the anticipated length of the employee's absence. A bargaining unit member may not use Sick Leave Transfer to take sick leave during the first eight (8) weeks following the birth of a child.

- b. Upon receiving such a request, the Superintendent will communicate the request to the bargaining unit Appendix E and set a deadline (not less than five (5) workdays) by which bargaining unit members must respond if they intend to transfer some of their accrued sick leave days. Any bargaining unit member wishing to transfer one or more of their accumulated sick leave days to the requesting bargaining unit member shall submit the lower half of Appendix E to the Superintendent. After the deadline, the Superintendent will review the number of sick leave days offered, and will transfer days based upon the order in which the bargaining unit members have submitted their Appendix E, with one day being taken from each employee who has offered a day, until one-day has been taken from each person who offered a day; if additional days are still needed, the administration will go back to the first person who offered more than one day, and take another day from that person, and continue to take one day from each person who has offered multiple days until the administration reaches the total number of days requested or the maximum permitted under this provision. If employees offer more days than the bargaining unit member requested or that can be transferred under this provision, the remaining days offered but not transferred pursuant to this paragraph are retained by the employees who initially offered them. Upon receipt of written direction from the Superintendent, the Board Treasurer shall transfer the specified number of sick leave day(s) to the requesting employee and deduct the corresponding number of sick leave days from the transferring employee's sick leave accumulations.
- c. Bargaining unit members may not transfer more than five (5) sick leave days per year, and are prohibited from depleting their own sick leave accumulation below thirty (30) days. Bargaining unit members with less than thirty (30) days of accrued sick leave are prohibited from transferring any sick leave days to a requesting employee. A receiving bargaining unit member may only receive a maximum of thirty (30) days per school year.

K. RELIGIOUS HOLIDAYS

Bargaining unit members who are prohibited due to their religion from working on Yom Kipper and/or Rosh Hashanah are entitled to take a paid leave of absence on those two (2) days when they occur on scheduled workdays. The bargaining unit member must submit to his/her Principal a written request for the paid religious holiday leave at least one (1) week prior to the requested leave.

L. FAMILY AND MEDICAL LEAVE ACT

The parties incorporate by reference the mandatory provisions of the Family and Medical Leave Act (FMLA) (as amended). FMLA entitlements shall be used concurrently with existing leave entitlements. Seniority shall accumulate during a FMLA leave and existing life insurance shall be maintained. For purposes of this provision, "12-month period" is defined as "the 12-month period measured forward from the date the bargaining unit member's first FMLA leave begins" (i.e., the leave year is specific to each employee). Eligible bargaining unit members are entitled to twelve (12) weeks of leave, or twenty-six (26) weeks of military caregiver leave, during the 12-month period beginning on the first date FMLA leave is taken. The next 12-month period commences the first time FMLA leave is taken after completion of any previous 12-month period.

M. RECALCULATION OF REMAINING PAY

A bargaining unit member who takes an unpaid leave of absence that lasts for twenty (20) or more workdays in a single school year and returns to work prior to the end of the school year, may request the Board Treasurer recalculate the employee's remaining compensation and evenly distribute it over the remaining pays for the school year. Such a recalculation can only occur once in a given school year.

N. ELDER CARE LEAVE

A bargaining unit member may request and be granted Elder Care Leave without pay or benefits, upon compliance with the conditions set forth below.

1. The Elder Care Leave may be taken for up to one (1) school year to care for a parent or step-parent. The Superintendent may extend the leave for up to one (1) additional school year at his/her discretion.
2. The bargaining unit member must request the leave at least thirty (30) days prior to the first scheduled day of leave, absent extenuating circumstances. The bargaining unit member must file his/her written request for Elder Care Leave with the Superintendent, and the request must include the following:
 - a. Medical Certification consistent with the DOL's FMLA medical certification form, including the name of the physician and the reason the employee is needed to provide care for his/her parent or step-parent;
 - b. The date the leave is intended to begin; and
 - c. The employee's anticipated date of return to service.
3. The leave must last through the remainder of the semester or school year, unless the reason for the leave becomes moot. If that occurs, the employee may return by the end of the first interim of the first or third quarter.

4. The Association shall afford the Administration a reasonable extension of time to complete the bargaining unit member's evaluation if the employee's use of Elder Care Leave affects the Administration's ability to complete the evaluation within the time-frames set forth in this Agreement.
5. Failure to maintain any certificate(s)/license(s) shall result in an immediate suspension without pay or benefits until such time as the certificate(s)/license(s) are obtained.

Failure to obtain certification and/or license by the last teacher work day of the school year when the bargaining unit member's teaching license(s)/certificate(s) expired and he/she was suspended per the preceding paragraph shall result in immediate termination of employment. Article 8(M) supersedes and prevails over any and all entitlements contained in O.R.C. 3319.11; O.R.C. 3319.111; O.R.C. 3319.112; O.R.C. 3319.16; O.R.C. 3319.161 and/or any other section of this Agreement.

While the individual's employment contract is suspended, he/she may apply to ODE for a substitute teacher license. If the individual obtains from ODE a substitute teacher license, the Board will offer to employ him/her as a substitute teacher while he/she is completing the course work and/or other prerequisites necessary to renew his/her license(s)/certificate(s). The individual will be paid a "special substitute rate" equivalent to BA Step 0 up until September 30 while the individual is serving as a substitute in the District, and will be able to maintain health insurance benefits pursuant to this Agreement. Thereafter, the individual will be paid the regular substitute rate and will not be eligible for health insurance benefits under this Agreement (COBRA will be available) until his/her license is renewed or the school year concludes and he/she is terminated for failure to renew his/her license in a timely manner.

An individual whose employment is suspended pursuant to this Section, shall remain a member of the bargaining unit, but will only be entitled to the compensation and benefits set forth above.

A. TRANSFER PROCEDURE

It is recognized that from time to time it may be in the best interests for the educational program to transfer members of the licensed/certificated staff from one assignment to another or from one building to another. It is further recognized that such transfer may be desired by either the Administration or a bargaining unit member. When a transfer is being made (whether voluntary or involuntary), the Administration shall normally provide at least two (2) weeks advance notice. If two (2) weeks advance notice is not provided, the bargaining unit member shall be entitled to up to sixteen (16) hours to prepare his/her curriculum/classroom for the new assignment, which will be paid at the Teacher Stipend Rate; said work shall occur outside the regular workday. The preceding sentence does not apply to room transfers or looping that occurs between 4th, 5th and 6th grade.

B. POSTING

1. A "position vacancy" shall be defined as:
 - a. Death of a bargaining unit member;
 - b. Retirement of a bargaining unit member;

- c. Resignation of a bargaining unit member;
- d. Extended leave of absence (for a full school year) of a bargaining unit member;
- e. Creation or restoration of a bargaining unit position (subject to recall provisions);
- f. Non-renewal of a bargaining unit member's contract;
- g. Termination of a bargaining unit member's employment;
- h. Transfer or promotion of a bargaining unit member; or
- i. Expansion of a part-time bargaining unit position to a full-time position.

Notwithstanding the foregoing definitions, the decision to fill or not to fill a vacancy is at the Board's discretion.

- 2. When the Administration determines that a vacancy exists that will not be filled by an involuntary transfer pursuant to Section D. below or through a voluntary transfer utilizing the Voluntary Transfer Request form, the position will be posted for five (5) working days during the school year or seven (7) calendar days during the summer. All bargaining unit members who have applied online as an internal candidate, and who are properly certificated/licensed, shall be provided an opportunity to interview for the position before outside personnel are considered.
- 3. The Board will post new vacant bargaining unit or administrative positions. Postings shall be done by all of the following methods:
 - a. Written posting displayed at the Board of Education Office.
 - b. On the district's website.
 - c. E-mail to each bargaining unit member's District-issued e-mail address.
- 4. In addition to the methods listed in Part 3, if a bargaining unit member provides his or her personal e-mail address to the Director of Human Resources, then the posting shall be e-mailed to the personal e-mail address in such a form as to allow the bargaining unit member to respond only to the sender of the e-mail and that does not disclose the personal e-mail addresses of other bargaining unit members.

C. VOLUNTARY TRANSFER

Bargaining unit members may request changes of assignment in accordance with the procedures set forth below. Change of assignment requests shall refer to, but not be

limited to, the following: (1) change of building, (2) change of grade level, (3) change of subject area or area of responsibility, and (4) newly created position within the Twinsburg City School District.

Voluntary transfer requests shall be initiated by members of the licensed/certificated staff as follows:

1. Annually, in February the Superintendent sends an email to all staff members inquiring whether they intend to resign, retire, or wish to change positions for the following school year. Attached to the email is a Staff Survey and Transfer Request form.
2. Staff members are required to submit the Staff Survey and Transfer Request form to their Principal.
3. Staff members may also apply online as an internal candidate for any open positions. All internal candidates with proper certification/licensure will be afforded an interview. Those interviews will occur separately from any interviews of external candidates.
4. A transfer request shall be active until the start of the next school year.

D. INVOLUNTARY TRANSFER

The Superintendent shall observe the following guidelines when making involuntary transfers:

1. When a reduction of the number of bargaining unit members in the building is necessary, bargaining unit members displaced by such a reduction will be considered for vacant positions elsewhere in the District for which they are certificated/licensed.
2. Notice of a potential involuntary transfer will be given to the affected bargaining unit member and Association President as soon as practicable. The building administrator will meet with the affected bargaining unit member and the Association representative to discuss the proposed transfer. The administrator shall give the bargaining unit member the complete rationale for the proposed transfer and give the bargaining unit member an opportunity to respond.
3. When making involuntary transfers, consideration may be given to certification/licensure; other qualifications; length of service in the building, grade subject area, and the School District; efficient staff utilization; the best interests of the children and the educational program; performance; legal requirements; and other relevant factors.
4. An involuntary transfer will not be made until after the bargaining unit member has been given the opportunity to meet with the Superintendent or his/her designee to discuss the transfer.

5. A bargaining unit member who is involuntarily transferred shall:
 - a. Be supported with resources and supplies that are grade level appropriate.
 - b. Be provided a mentor teacher (Non-Resident Educator) in the grade level of the new assignment.
6. A teacher cannot be involuntarily transferred two consecutive years except in the case of a pandemic or as a result of implementation of a RIS. Nothing herein shall prevent the Superintendent from involuntarily transferring a bargaining unit member to an alternative position related to the bargaining unit member taking a leave of absence (i.e., such an involuntary transfer shall not count toward the limitation set forth in the preceding sentence).
7. The mentors referenced in Paragraph 5.b. above will be compensation at the hourly Teacher Stipend Rate, not to exceed ten (10) hours per full-time mentee per school year. Compensation will be prorated as appropriate. Mentors must document hours worked using District timesheets, which must be submitted to the Building Principal for approval by March 31 of each year.

E. RELOCATION

The District will move the belongings and materials of bargaining unit members who are relocated.

C. PREFERRED PROVIDER – DOCTORS/HOSPITALS

1. The parties agree that one or more Preferred Provider Organization (PPO) programs for hospital and physicians' services shall be provided through the Stark County Council of Governments (COG) Health Insurance Program. Anyone, as of August 1, 2009, who has the traditional Mutual Health Program instead of the PPO, may continue such participation.
2. The selection of the PPO(s), the types of benefits/programs, or any changes therein shall be mutually determined by the representative of the COG and the Stark County OEA office representative.

D. PREFERRED PROVIDER – PRESCRIPTION DRUGS

The Board shall provide, through the Stark County Council of Governments, a preferred provider drug program that, if the employee chooses to utilize, will include the following:

1. The program will be available to employees and their dependents who have "primary" coverage under the District's insurance.
2. The employee will pay the 20% co-payment to the provider, and the remaining 80% will be direct billed to the insurance company. If the yearly maximum has been reached, provisions will be made to refund the employee's 20% co-payment.

Bargaining unit members may purchase additional term life insurance at the group rate, in \$5,000 increments, up to a maximum of \$60,000 coverage in addition to Board paid coverage. Modifications to this provision may be necessary to comply with requirements of the insurance carrier. The value of the life insurance reduces by 50% at age 65. The specific terms of the policy are contained in the life insurance contract.

F. DENTAL INSURANCE

The Board shall provide dental coverage as summarized in Appendix H-2, and pay one hundred percent (100%) of the premium.

G. SECTION 125 TAX SHELTER

This provision does not apply to a participant who had insurance with one COG employer and immediately thereafter, moved to another COG employer. If the spouse is required to pay forty (40%) percent or more of the premium with his/her employer, the requirements of this section shall not apply.

K. SAME SEX MARRIAGE

If state law recognizes same-sex marriages, the COG plan specifications will be modified to include those individuals.

ARTICLE 11. BARGAINING UNIT MEMBER EVALUATION

A. PURPOSE

The evaluation process in the Twinsburg City School District is intended to assist bargaining unit members to achieve greater effectiveness and performance of their work assignments; to assess bargaining unit members' work performance; and to assist the Administration in making personnel decisions.

B. OTES TEACHERS

The Board-adopted Standards-Based Teacher Evaluation policy is incorporated into this CBA as Appendix D-1 and the Evaluation Forms are available through Ohio Evaluation System (OhioES).

1. The Standards-Based Teacher Evaluation procedures contained in this Master Agreement apply to the following employees:
 - a. Teachers working under a license issued under Ohio Revised Code Sections 3319.22, 3319.26, 3319.222 or 3319.226 who spend at least fifty percent (50%) of their time providing content-related student instruction.
 - b. Teachers working under a permanent certificate issued under Ohio Revised Code Section 3319.222 as it existed prior to September 2003 who spend at least fifty percent (50%) of their time providing content-related student instruction.
 - c. Teachers working under a permanent certificate issued under Ohio Revised Code Section 3319.222 as it existed prior to September 2006 who spend at least fifty percent (50%) of their time providing content-related student instruction.
 - d. Teachers working under a permit issued under Ohio Revised Code Section 3319.301 who spend at least fifty percent (50%) of their time providing content-related student instruction.
2. Teachers will be evaluated according to the Ohio Teacher Evaluation Framework, which is aligned with the Ohio Standards for the Teaching Profession adopted under state law. Using the multiple factors set forth in the

Framework, the teacher's Final Holistic Rating will be based upon a combination of informal and formal observations and supporting evidence using the Teacher Performance Evaluation Rubric. The District will use the OTES 2.0 evaluation forms developed by the Ohio Department of Education. To the extent ODE has not issued one or more needed forms, the Evaluation Committee will develop them.

For focused observation(s), teachers will have a minimum of two (2) areas of focus.

Teacher evaluations will contain a Final Holistic Rating:

- a. Accomplished;
 - b. Skilled;
 - c. Developing; or
 - d. Ineffective.
3. Teacher performance will be evaluated during formal observations and periodic informal observations also known as "classroom walkthroughs." Teacher performance is evaluated based on the ODE-approved OTES 2.0 Rubric. In the event of a leave of absence of an evaluator, another credentialed District administrator (including the Curriculum Supervisor or Special Education Consultant) may be assigned.
- a. Except as provided below, every teacher (including those participating for the first time in the Resident Educator Summative Assessment) shall be evaluated based on at least two formal observations (one (1) holistic and one (1) focused) and periodic classroom walkthroughs each school year. The observations and periodic classroom walkthroughs will be conducted by a single evaluator. However, if a teacher is required to develop a professional improvement plan because his/her summative rating was "Ineffective" on the prior school year's summative evaluation, the evaluator may bring in another administrator to assist the teacher in improving in the areas identified in the professional improvement plan. The strategies, activities and processes identified and implemented to assist the teacher shall be documented as a part of the professional improvement process.

The first observation will be completed no later than December 21.

- (1) The Board will not evaluate a teacher who is on a Board-approved leave for more than fifty percent (50%) of the school year. The Principal will determine whether the teacher's leave exceeds fifty percent (50%) of the school year based upon the following calculation: the total number of full-workdays that the

teacher was absent divided by the total number of scheduled teacher workdays for the school year.

- (2) The Board will not evaluate a teacher who has submitted notice of retirement and that notice has been accepted by the Board not later than December 1 in the school year in which the evaluation is otherwise scheduled to be conducted.
- b. Teachers on a limited or extended limited contract who are under consideration for nonrenewal shall receive at least three formal observations in addition to periodic classroom walkthroughs during the school year by not more than two (2) evaluators. Following the first observation, the credentialed evaluator will notify the teacher, in writing as part of the post-observation report, whether the administration considers the teacher to be under consideration for non-renewal.

The first observation must be completed no later than November 1, unless the teacher was hired after September 15, in which case the teacher's first observation will be completed no later than December 21.

The second observation must be completed no later than February 15.

Written notice of nonrenewal will be provided by June 1st and the teacher will receive their final written evaluation report at least five (5) days prior to Board action.

A teacher on a limited contract who is hired after January 1 but before February 15, may be nonrenewed with only two (2) formal observations and a completed evaluation utilizing the non-OTES observation/evaluation instruments. A teacher hired after February 15 will not be subject to evaluation pursuant to this Article. As such, the teacher may be nonrenewed without completion of a formal evaluation. These provisions expressly supersede Ohio Revised Code Sections 3319.11, 3319.111, and 3319.112. Notwithstanding the preceding, if a teacher is hired after February 15 but before April 1, the administration will conduct one (1) formal observation and provide written feedback to the teacher through use of the non-OTES observation/evaluation instrument.

- c. Evaluations of teaching staff must be completed by an administrator in the District who has completed the required training. For teachers who travel between buildings, a single administrator shall be identified to evaluate the teacher, except as otherwise specified in Paragraph 3.a. above. Ordinarily, it will be a building administrator in the building where the teacher spends the majority of his/her time; however, the Superintendent shall have authority to make the final decision concerning who the evaluator(s) will be in order to equitably distribute evaluation responsibilities among credentialed evaluators.

- d. A teacher who has been granted a continuing contract by the Board and received a final summative rating of “Accomplished” on his/her most recent evaluation shall be evaluated every three (3) years. During school year(s) when the teacher is not being formally evaluated, the teacher must still: (1) develop a self-directed professional growth plan, (2) be observed by a credentialed evaluator as part of a scheduled focused-observation, and (3) participate in a post-observation conference with the credentialed evaluator. At the post-observation conference, the credentialed evaluator, in dialogue with the teacher, will determine whether the teacher is making progress on the self-directed professional growth plan. The determination of whether the teacher is making progress will be based upon objective data. If the credentialed evaluator determines the teacher is not making progress, the teacher will be subject to a full-evaluation the following school year.
- e. A teacher who has been granted a continuing contract by the Board and received a final summative rating of “Skilled” on his/her most recent evaluation shall be evaluated every two (2) years. During school year when the teacher is not being formally evaluated, the teacher must still: (1) develop a professional growth plan, (2) be observed by a credentialed evaluator as part of a scheduled focused-observation, and (3) participate in a post-observation conference with the credentialed evaluator.
- f. A teacher who is on a limited multi-year contract and received a final summative rating of either “Accomplished” or “Skilled” on his/her most recent evaluation shall be evaluated every two (2) years. During the school year when the teacher is not being formally evaluated, the teacher must still: (1) develop a professional growth plan, (2) be observed by a credentialed evaluator as part of a scheduled focused-observation, and (3) participate in a post-observation conference with the credentialed evaluator.
- g. Formal observations shall not occur during the first two (2) weeks of school. Informal observations/walkthroughs and pre-conference meetings shall not occur during the first week of school. Observation timelines may be changed due to illness or leave of the teacher or evaluator, such that the deadlines will be extended by the number of days the individual is absent. The May deadlines may not be extended.
- h. Evaluations will be completed by May 1st and each teacher will be provided a final written evaluation report of the results of his/her evaluation by May 10th. A teacher may request to have a TEA representative present at the Final Summative Conference, provided the meeting will not be unreasonably delayed as a result of this request and the request is submitted at least two (2) school days before the scheduled conference.

- i. Each teacher shall annually complete a “Self-Assessment,” utilizing the Self-Assessment Summary Tool. The Self-Assessment Summary Tool shall be completed by the teacher prior to the pre-conference for the first formal observation. The “Self-Assessment” will remain private to the teacher.

- j. Formal Observation Procedure
 - (1) Each of the first two formal observations shall be preceded by a conference between the evaluator and the employee prior to the observation in order for the employee to explain plans and objectives for the classroom situation to be observed. The pre-observation conference will occur no more than five (5) school days prior to each observation. If a third observation is conducted, it may be unannounced (i.e., there will not be a pre-observation conference).
 - (2) A post-observation conference shall be held within ten (10) school days after each formal observation (both holistic and focused) at which the evaluator will discuss the observation. Within five (5) days of the completion of the post-observation conference, the evaluator will provide the teacher with a completed observation rubric.
 - (3) Teachers are responsible for completing their portion of OhioES in a timely manner (i.e., within four (4) school days of receiving electronic notice from the program). Extensions may be approved at the discretion of the credentialed evaluator.

- k. Informal Observation/Classroom Walkthrough Procedure
 - (1) Classroom walkthroughs shall not unreasonably disrupt and/or interrupt the learning environment.
 - (2) Classroom walkthroughs will not last less than five (5) minutes, nor typically more than fifteen (15) minutes.
 - (3) Data gathered from the walkthrough will be shared electronically with the teacher.
 - (4) A completed form must be shared with the employee within two (2) school days.
 - (5) Classroom walkthroughs shall occur a minimum of twice a quarter for the first three (3) quarters of the school year for each teacher being evaluated. Classroom walkthroughs may occur during the fourth quarter, at the discretion of the credentialed evaluator(s).

4. High Quality Student Data (HQSD)

- a. Each evaluation will use at least two (2) measures of District-determined high-quality student data to provide evidence of student learning attributable to the teacher being evaluated. When applicable to the grade level or subject area taught by a teacher, HQSD shall include the value-added progress dimension and the teacher shall use at least one other measure of HQSD to demonstrate student learning.
- b. The credentialed evaluator will use the Rubric, along with conversations and artifacts/evidence presented by the teacher, to determine whether the teacher has met the criteria for using data from the HQSD instrument.
- c. The teacher should use the data generated from the HQSD instrument to provide evidence for any of the components on the teacher's evaluation related to knowledge of the students to whom the teacher provides instruction, the teacher's use of differentiated instruction practices, the assessment of student learning, the use of assessment data, and teacher's professional responsibility and growth.
- d. The teacher shall use the data generated from the HQSD instrument by:
 - (1) Critically reflecting upon and analyzing available data, using information as part of an ongoing cycle of support for student learning;
 - (2) Considering student learning needs and styles, identifying the strengths and weaknesses of an entire class, as well as individual students.
 - (3) Informing instruction and adapting instruction to meet students' needs based upon the information gained from the data analysis.
 - (4) Measuring student learning (achievement and/or growth) and progress toward achieving state and local standards.

5. Professional Growth Plans and Professional Improvement Plans

Based upon the results of the annual teacher evaluation, each teacher must develop either a professional growth plan or professional improvement plan. Absent extenuating circumstances as recognized by the Superintendent (e.g., a teacher is on an extended leave of absence), teachers' Professional Growth Plans must be completed annually by October 1. Professional Growth Plans must have two (2) S.M.A.R.T. goals aligned with the District / Building Strategic Plan.

- a. Teachers whose final summative rating is “Accomplished” shall develop a self-directed professional growth plan that focuses on the most recent evaluation and observations and may choose their credentialed evaluator for the next evaluation cycle from those available in their specific building, provided the evaluators in the specific building have a balanced evaluation schedule (if not, the teachers will select based upon seniority). If the Superintendent determines to assign a second evaluator for a given school year, pursuant to 3.b. above, the Superintendent will select the additional evaluator. The teacher, however, may provide input as to who the second evaluator may be.
- b. Teachers whose final summative rating is “Skilled” shall jointly-develop a professional growth plan with their credentialed evaluator that focuses on the most recent evaluation and observations and may have input on the selection of their credentialed evaluator for the next evaluation cycle.
- c. Teachers whose final summative rating is “Developing” shall develop a professional growth plan that is guided by the assigned credentialed evaluator. The Superintendent will assign the credentialed evaluator for the next evaluation cycle.
- d. Teachers whose final summative rating is “Ineffective” will be placed on a professional improvement plan developed by their credentialed evaluator(s). The Superintendent will assign the evaluator(s) for the next evaluation cycle and approve the professional improvement plan.
- e. Teachers on resident educator licenses who have a mentor teacher assigned may request the mentor participate in the development of an Improvement Plan; however, the mentor teacher shall not have a formal evaluative role.
- f. The improvement plan will outline the following:
 - (1) Specific performance expectations, resources and the assistance to be provided.
 - (2) Reasonable timelines for its completion, but it must be completed by April 15 of the following year.
 - (3) Professional indicators documented as ineffective through the formal evaluation process.

Ordinarily, the improvement plan will consist of no more than two (2) achievable goals.

- g. Mentors/Coaches to be Assigned to Teachers on an Improvement Plan:

- (1) Teachers on an Improvement Plan may request that a Mentor/Coach be assigned to work with them to improve their performance.
 - (2) The Mentor/Coach will be trained to mentor a teacher and will not be the mentee teacher's credentialed evaluator.
 - (3) The Mentor/Coach will be provided release time once a quarter to observe the mentee teacher. The Mentor/Coach will also be compensated at the Teacher Stipend Rate for up to ten (10) hours of work outside the work day with the mentee teacher.
 - (4) The Building Principal will select the Mentor/Coach from a list of qualified teachers who have expressed a willingness to serve as a Mentor/Coach.
 - i. The Mentor/Coach must have continuing contract status and have served as a teacher in the District for at least five (5) consecutive years.
 - ii. The Mentor/Coach must hold a valid teaching certificate/license and normally will be assigned to a teacher with the same area of certification/license.
 - iii. The Mentor/Coach must have demonstrated the ability to work cooperatively and effectively with professional staff members and have extensive knowledge of a variety of classroom management and instructional techniques.
 - iv. The Mentor/Coach shall not have a role in the formal evaluation of the mentee teacher.
 - (5) A teacher's activities as a Mentor/Coach shall not be taken into consideration as part of the Mentor/Coach teacher's evaluation.
 - (6) The Mentor/Coach will not be requested or directed to make any recommendations regarding the continued employment of the mentee teacher.
 - (7) The Mentor/Coach will provide a monthly log to the Building Principal identifying the amount of time the Mentor/Coach spent with his/her mentee teacher and the topics addressed.
 - (8) At any time, either the Mentor/Coach or mentee teacher may exercise the option to have a new mentor assigned.
6. The Board agrees to consider the following factors, in addition to a teacher's final summative evaluation rating, when making an employment decision (e.g., renewal, nonrenewal, promotion, termination) involving a teacher:

- a. Whether the teacher supervised a student teacher, and whether that may have impacted the teacher’s High Quality Student Data (HQSD) and how the teacher was able to use that data to inform instruction;
 - b. Whether the teacher was on an extended (60 days or more) leave of absence (e.g., sick leave, maternity leave), and whether his/her leave may have impacted the teacher’s HQSD and how the teacher was able to use that data to inform instruction;
 - c. Whether one (1) or more students assigned to the teacher’s class was absent forty-five (45) or more days during the school year (or twenty-three (23) days at the high school on a semester alternative block schedule), and whether such absences may have impacted the teacher’s HQSD and how the teacher was able to use that data to inform instruction.
 - d. If a performance rating was affected by one or more of the preceding, it will be documented in the teacher’s final summative evaluating report.
7. If the Ohio Legislature modifies in a material manner the Teacher Evaluation Process, the Parties will meet to determine what changes, if any, need to be made to this Article of the Agreement. Any changes to this Article shall require ratification by the Parties.

C. OSCES COUNSELORS

The Board-adopted Standards-Based School Counselor Evaluation policy is incorporated into this CBA as Appendix D-2 and the Evaluation Forms are available through OhioES.

Consistent with Ohio School Counselor Evaluation System (“OSCES”), the parties affirm that student metrics shall be combined with performance ratings that are assigned in the next school year to achieve an annual summative evaluation rating.

1. The Standards-Based School Counselor Evaluation procedures contained in this Master Agreement apply to employees who hold a license issued pursuant to O.A.C. 3301-24-05 by the Ohio Department of Education in the area of school counseling and who is assigned to a position in that capacity.
2. School counselor evaluations will utilize multiple factors, with the intent of providing meaningful feedback to each school counselor and assigning an effectiveness rating based upon school counselor performance and the counselor’s assessment on selected student metrics. Each school counselor evaluation will result in an effectiveness rating of:
 - a. Accomplished;
 - b. Skilled;

- c. Developing; or
- d. Ineffective.

The specific standards and criteria for distinguishing between these ratings/levels of performance shall be the same as those developed by the State Board of Education, which are incorporated herein by reference.

- 3. School counselor performance will be evaluated during formal observations and periodic informal observations. Such performance will be assessed through a holistic process by trained and credentialed evaluators based upon the following *Ohio Standards for School Counselors*:
 - Comprehensive School Counseling Program Plan;
 - Direct Services for Academic, Career and Social/Emotional Development;
 - Evaluation and Data;
 - Leadership and Advocacy; and
 - Professional Responsibility, Knowledge and Growth.

School counselor performance is evaluated based on the ODE-approved OSCES Rubric. In the event of a leave of absence of an evaluator, another credentialed District administrator may be assigned.

- a. School counselors shall be evaluated based on at least two formal observations of at least thirty (30) minutes each and informal observations each school year by a single evaluator, unless the counselor's evaluator is on a leave of absence. However, if a school counselor is required to develop a professional improvement plan because his/her summative rating was "Ineffective" on the prior school year's summative evaluation, the evaluator may bring in another administrator to assist the school counselor in improving in the areas identified in the professional improvement plan. The strategies, activities and processes identified and implemented to assist the school counselor shall be documented as a part of the professional improvement process.

The first observation will be completed no later than December 21.

- (1) The Board will not evaluate a school counselor who is on a Board-approved leave for more than fifty percent (50%) of the school year. The Principal will determine whether the counselor's leave exceeds fifty percent (50%) of the school year based upon the following calculation: the total number of full-workdays that the counselor was absent divided by the total number of scheduled counselor workdays for the school year.

- (2) The Board will not evaluate a school counselor who has submitted notice of retirement and that notice has been accepted by the Board not later than December 1 in the school year in which the evaluation is otherwise scheduled to be conducted.
- b. School counselors on a limited or extended limited contract who are under consideration for nonrenewal shall receive at least three formal observations in addition to periodic observations during the school year by not more than two (2) evaluators. Following the first observation, the credentialed evaluator will notify the counselor, in writing as part of the post-observation report, whether the administration considers the counselor to be under consideration for non-renewal.

The first observation must be completed no later than November 1, unless the counselor was hired after September 15, in which case the counselor's first observation will be completed no later than December 21.

The second observation must be completed no later than February 15.

Written notice of nonrenewal will be provided by June 1st and the counselor will receive his/her final written evaluation report at least five (5) days prior to Board action.

A counselor on a limited contract who is hired after January 1 but before February 15, may be nonrenewed with only two (2) formal observations and a completed evaluation utilizing the non-OTES observation/evaluation instruments. A counselor hired after February 15 will not be subject to evaluation pursuant to this Article. As such, the counselor may be nonrenewed without completion of a formal evaluation. These provisions expressly supersede Ohio Revised Code Sections 3319.11, 3319.111, and 3319.113. Notwithstanding the preceding, if a counselor is hired after February 15 but before April 1, the administration will conduct one (1) formal observation and provide written feedback to the counselor through use of the non-OTES observation/evaluation instrument.

- c. Evaluations of school counselors must be completed by an administrator in the District who has completed the required training. For counselors who travel between buildings, a single administrator shall be identified to evaluate the counselors, except as otherwise specified in Paragraph 3.a. above. Ordinarily, it will be a building administrator in the building where the counselor spends the majority of his/her time; however, the Superintendent shall have authority to make the final decision concerning who the evaluator(s) will be in order to equitably distribute evaluation responsibilities among credentialed evaluators.
- d. A school counselor who has been granted a continuing contract by the Board and received a final summative rating of "Accomplished" on

his/her most recent evaluation shall be evaluated every three (3) years. During school year(s) when the counselor is not being formally evaluated, the counselor must still: (1) develop a self-directed professional growth plan, (2) be observed by a credentialed evaluator (the observation will consist of an informal observation that will last at least twenty (20) minutes but not more than thirty (30) minutes), and (3) participate in a post-observation conference with the credentialed evaluator. At the post-observation conference, the credentialed evaluator, in dialogue with the counselor, will determine whether the counselor is making progress on the self-directed professional growth plan. The determination of whether the teacher is making progress will be based upon objective data. If the credentialed evaluator determines the counselor is not making progress, the counselor will be subject to a full-evaluation the following school year. Additionally, the counselor must have a rating for the student metrics calculated and it must remain average or higher to continue the less frequent evaluation cycle.

- e. A counselor who has been granted a continuing contract by the Board and received a final summative rating of “Skilled” on his/her most recent evaluation shall be evaluated every two (2) years. During school year(s) when the counselor is not being formally evaluated, the counselor must still: (1) develop a professional growth plan, (2) be observed by a credentialed evaluator (the observation will consist of an informal observation that will last at least twenty (20) minutes but not more than thirty (30) minutes), and (3) participate in a post-observation conference with the credentialed evaluator. Additionally, the counselor must have a rating for the student metrics calculated and it must remain average or higher to continue the less frequent evaluation cycle.
- f. A counselor who is on a limited multi-year contract and received a final summative rating of either “Accomplished” or “Skilled” on his/her most recent evaluation shall be evaluated every two (2) years. During the school year when the counselor is not being formally evaluated, the counselor must still: (1) develop a professional growth plan, (2) be observed by a credentialed evaluator (the observation will consist of an informal observation that will last at least twenty (20) minutes but not more than thirty (30) minutes), and (3) participate in a post-observation conference with the credentialed evaluator. Additionally, the counselor will have a rating for student metrics calculated and it must remain either average or higher to continue the less frequent evaluation cycle.
- g. Formal observations shall not occur during the first two (2) weeks of school. Informal observations and pre-conference meetings shall not occur during the first week of school. Observation timelines may be changed due to illness or leave of the counselor or evaluator, such that the deadlines will be extended by the number of days the individual is absent. The May deadlines may not be extended.

- h. Evaluations will be completed by May 1st and each counselor will be provided a final written evaluation report of the results of his/her evaluation by May 10th. A counselor may request to have a TEA representative present at the Final Summative Conference, provided the meeting will not be unreasonably delayed as a result of this request and the request is submitted at least two (2) school days before the scheduled conference.
- i. Each school counselor shall annually complete a “Self-Assessment,” utilizing the Self-Assessment Summary Tool. The Self-Assessment Summary Tool shall be completed by the counselor prior to the pre-conference for the first formal observation. The “Self-Assessment” will remain private to the counselor.
- j. Formal Observation Procedure
 - (1) The observations will not be conducted when school counselors are engaged in counseling activities with students that require confidentiality.
 - (2) Each of the first two (2) formal observations shall be preceded by a conference between the evaluator and the employee prior to the observation in order for the employee to explain plans and objectives for the classroom situation to be observed. The pre-observation conference will occur no more than five (5) school days prior to each observation. If a third observation is conducted, it may be unannounced (i.e., there will not be a pre-observation conference).
 - (3) A post-observation conference shall be held within ten (10) school days after each formal observation at which the evaluator will discuss the observation. Within five (5) days of the completion of the post-observation conference, the evaluator will provide the counselor with a completed observation rubric.
 - (4) Counselors are responsible for completing their portion of OhioES in a timely manner (i.e., within four (4) school days of receiving electronic notice from the program). Extensions may be approved at the discretion of the credentialed evaluator.
- k. Informal Observation Procedure
 - (1) Informal observations will not be conducted when school counselors are engaged in counseling activities with students that require confidentiality and shall not unreasonably disrupt and/or interrupt the learning environment.
 - (2) Informal observations will not last less than five (5) minutes, nor typically more than fifteen (15) minutes.

- (3) Data gathered during the informal observation will be shared electronically with the counselor.
 - (4) A completed form must be shared with the employee within two (2) school days.
 - (5) Informal observations shall occur a minimum of twice a quarter for the first three (3) quarters of the school year for each counselor being evaluated. Informal observations may occur during the fourth quarter, at the discretion of the credentialed evaluator(s).
1. The District, with input from District school counselors, will select student metrics that will be utilized for school counselor evaluations in the areas of academics, career, and social emotional development. Any modifications to the metrics that will be used in school counselor evaluations will be adopted before the start of the school year. Data from these approved measures of student growth will be scored on four (4) levels, with a score of “1” being the lowest and “4” being the highest.
4. Professional Growth Plans and Professional Improvement Plans

Based upon the results of the annual evaluations, each school counselor must develop either a professional growth plan or professional improvement plan. Absent extenuating circumstances as recognized by the Superintendent (e.g., a counselor is on an extended leave of absence), counselors’ Professional Growth Plans must be completed annually by October 1. Professional Growth Plans must have two (2) S.M.A.R.T. goals aligned to the District / Building Strategic Plan.

- a. Counselors whose final summative rating is “Accomplished” shall develop a self-directed professional growth plan that focuses on the most recent evaluation and observations and may choose their credentialed evaluator for the next evaluation cycle from those available in their specific building, provided the evaluators in the specific building have a balanced evaluation schedule (if not, the counselor will select based upon seniority). If the Superintendent determines to assign a second evaluator for a given school year, pursuant to 3.b. above, the Superintendent will select the additional evaluator. The counselor, however, may provide input as to who the second evaluator may be.
- b. Counselors whose final summative rating is “Skilled” shall be jointly-develop a professional growth plan with their credentialed evaluator that focuses on the most recent evaluation and observations and may have input on the selection of their credentialed evaluator for the next evaluation cycle.

- c. Counselors whose final summative rating is “Developing” shall develop a professional growth plan that is guided by the assigned credentialed evaluator. The Superintendent will assign the credentialed evaluator for the next evaluation cycle.
- d. Counselors whose final summative rating is “Ineffective” will be placed on a professional improvement plan developed by their credentialed evaluator(s). The Superintendent will assign the evaluator(s) for the next evaluation cycle and approve the professional improvement plan. Additionally, a counselor who receives a rating of “Ineffective” on his/her metric of student outcomes or observation performance portion of the cumulative evaluation may choose by May 1 to develop a professional improvement plan. A counselor who elects to develop a professional improvement plan will have input on his/her evaluator(s) for the next evaluation cycle.
- e. The credentialed evaluator may recommend a school counselor be placed on an improvement plan following the receipt of a rating of “Ineffective” on the classroom performance component of the evaluation.
- f. Counselors on resident educator licenses who have a mentor counselor assigned may request the mentor participate in the development of an Improvement Plan; however, the mentor teacher shall not have a formal evaluative role.
- g. The improvement plan will outline the following:
 - (1) Specific performance expectations, resources and the assistance to be provided.
 - (2) Reasonable timelines for its completion, but it must be completed by April 15 of the following year.
 - (3) Professional indicators documented as ineffective through the formal evaluation process.

Ordinarily, the improvement plan will consist of no more than two (2) achievable goals.

- h. Mentors/Coaches to be Assigned to Counselors on an Improvement Plan:
 - (1) Counselors on an Improvement Plan may request that a Mentor/Coach be assigned to work with them to improve their performance.
 - (2) The Mentor/Coach will be trained to mentor a counselor and will not be the mentee counselor’s credentialed evaluator.

- (3) The Mentor/Coach will be provided release time once a quarter to observe the mentee counselor. The Mentor/Coach will also be compensated at the Teacher Stipend Rate for up to ten (10) hours of work outside the work day with the mentee counselor.
 - (4) The Building Principal will select the Mentor/Coach from a list of qualified counselors who have expressed a willingness to serve as a Mentor/Coach.
 - i. The Mentor/Coach must have continuing contract status and have served as a counselor in the District for at least five (5) consecutive years.
 - ii. The Mentor/Coach must hold a valid school counselor certificate/license.
 - iii. The Mentor/Coach must have demonstrated the ability to work cooperatively and effectively with professional staff members and have extensive knowledge of a variety of relevant school counseling techniques.
 - iv. The Mentor/Coach shall not have a role in the formal evaluation of the mentee counselor.
 - (5) A counselor's activities as a Mentor/Coach shall not be taken into consideration as part of the Mentor/Coach counselor's evaluation.
 - (6) The Mentor/Coach will not be requested or directed to make any recommendations regarding the continued employment of the mentee counselor.
 - (7) The Mentor/Coach will provide a monthly log to the Building Principal identifying the amount of time the Mentor/Coach spent with his/her mentee counselor and the topics addressed.
 - (8) At any time, either the Mentor/Coach or mentee counselor may exercise the option to have a new mentor assigned.
5. The Board agrees to consider the following factor, in addition to a counselor's final summative evaluation rating, when making an employment decision (e.g., renewal, nonrenewal, promotion, termination) involving a counselor:
- a. Whether the counselor was on an extended (60 days or more) leave of absence (e.g., sick leave, maternity leave), and whether his/her leave may have impacted the counselor's student metrics;

- b. If a performance rating was affected by the preceding, it will be documented in the counselor’s final summative evaluating report.
6. If the Ohio Legislature modifies in a material manner the School Counselor Evaluation Process, the Parties will meet to determine what changes, if any, need to be made to this Article of the Agreement. Any changes to this Article shall require ratification by the Parties.

D. NON-OTES AND NON-OSCES STAFF

1. Non-OTES/Non-OSCES staff will be evaluated on the same schedule and in the same general manner as OTES teachers and OSCES School Counselors. Specifically,
- a. They will receive at least two (2) observations annually, unless they are under consideration for nonrenewal in which case they shall receive three (3) formal observations;
 - b. A formal evaluation may be waived when an employee is absent more than fifty percent (50%) of the school year, or he/she resigns by December 1; and
 - c. Continuing contract employees with a summative rating of “Accomplished” shall be evaluated every (3) years. Continuing contract employees with a summative rating of “Skilled” shall be evaluated every other year.
2. Credentialed evaluators will conduct at least two (2) site walkthroughs each quarter for the first three (3) quarters of the school year for teachers/counselors who are being evaluated. Site walkthroughs may occur during the fourth quarter, at the discretion of the credentialed evaluator(s).
3. Non-OTES employees must annually develop a professional growth or improvement plan, as applicable.
4. The Evaluation Rubrics for Related Services Staff and the TAP Coordinator shall be available on the District’s shared drive.

E. JOINT COMMITTEE

There shall be a Joint Committee for Evaluation and HQSD (“Evaluation Committee”) for the purpose of developing and recommending revisions to the District’s Standards-Based Teacher and School Counselors Evaluation Systems, including Board Policies 3220 and 3223, and assessing, reviewing, and approving the many facets of HQSD and providing professional development in the area of HQSD.

1. Committee Composition

- a. The Committee shall be comprised of nine (9) Association members appointed by the Association President and nine (9) members appointed by the Superintendent. The members of the committee shall be considered experts in the field of education.
 - b. Committee members shall attempt to be representative of different grade levels and content areas.
2. Committee Operation
- a. Members of the committee will receive training on OTES 2.0.
 - b. The Committee shall meet on an “as needed” basis upon mutual agreement to assess the evaluation procedure.
 - c. All decisions of the committee will be achieved by consensus. If consensus cannot be reached, the Association President and Superintendent will meet to resolve the issue.
 - d. At each meeting, the committee will select an individual to act as the official recording scribe for that meeting.
 - e. The committee shall be authorized to use educational consultants as the Committee deems it appropriate. The cost, if any, shall be borne by the Board.
3. Committee Authority With Respect to HQSD
- a. The Committee will also provide input and feedback concerning the selection and use of teacher/grade level submitted High-Quality Student Data that will be used to guide instructional decisions and meet student learning needs. The Committee will rigorously review and approve high-quality student data instruments that meet the following criteria:
 - (1) Align to learning standards;
 - (2) Measure what is intended to be measured;
 - (3) Be attributable to a specific teacher for course(s) and grade level(s) taught;
 - (4) Demonstrate evidence of student learning (achievement and/or growth);
 - (5) Follow protocols for administration and scoring;
 - (6) Provide trustworthy results; and
 - (7). Do not offend and are not driven by bias.
 - b. The committee shall not have the authority to negotiate wages, hours, or terms and conditions of employment. Should the Committee have

recommendations for revision of the procedure or instruments, they shall submit the recommendations to the parties' bargaining teams.

ARTICLE 12. REDUCTION IN STAFF

When the Board determines it is necessary to reduce the number of bargaining unit members, the following procedures shall apply:

- A.** For purposes of this Article, seniority will be computed from a bargaining unit member's most recent date of hire (i.e., date of Board action employing the member) or first day of most recent continuous actual service as a certificated/licensed or administrative employee of the Board, whichever is earlier. Seniority will continue to accrue during all paid leaves of absence and for a period of two (2) years from the effective date of layoff. Seniority will not be broken by unpaid leaves of absence or employment by the Board in a position outside the negotiating unit. However, time on unpaid leave will not be counted in computing seniority. Bargaining unit members with continuing contracts will have priority over bargaining unit members with limited contracts. If there is a tie on the Seniority List, seniority shall be determined by the flip of a coin.
- B.** By October 15 of each school year, the Superintendent will provide the Association with a list showing the seniority of each bargaining unit member employed by the Board.

The Association may make written request(s) for corrections, additions, or deletions to the list within thirty (30) calendar days from receipt of the list. Thereafter, the list as corrected shall remain in effect until the subsequent list is issued in the following school year. In the event that a bargaining unit member obtains new certification/licensure after the above thirty (30) day correction period, the bargaining unit member shall submit a copy of any such new and additional certification/licensure to the Superintendent not later than the last regularly scheduled school day in March of the school year. If the bargaining unit member has applied for additional certification/licensure but has not received the actual certificate/license by this date, a copy of this application shall meet the requirements of this provision.

Failure to submit the above correction(s) or addition(s) by the respective deadlines precludes use of any such certification(s)/license(s) in that year's Reduction In Staff procedures.

- C.** The number of persons affected by a Reduction In Staff will be kept to a minimum by not employing replacements for employees who retire or resign, whenever possible, or whose limited contracts are not renewed.
- D.** Reductions not achieved through attrition will be made by suspending limited contracts and then continuing contracts of employment. On a case-by-case basis, in lieu of suspending a contract in whole, the Board may suspend a contract in part, so that the bargaining unit member is required to work a percentage of the time the bargaining unit

member otherwise is required to work under the contract and the bargaining unit member shall receive a commensurate percentage of the full compensation the bargaining unit member otherwise would receive under the contract.

1. Before implementing a Reduction In Staff (RIS) by the suspension of contracts, the Board shall give written notice to the Association President of its intent to effect a RIS through the suspension of limited and/or continuing contracts at least ten (10) workdays before Board action. Prior to Board action, the Association shall be given the opportunity to address the Board in Executive Session for the purpose of presenting, both orally and in writing, its views on the proposed RIS.
2. When conducting a RIS, the Board will suspend contracts in accordance with the Superintendent's recommendation who shall, within each teaching field affected, give preference first to teachers on continuing contracts. The Board will not give preference to any teacher based on seniority, except when making a decision between teachers who have comparable evaluations. Bargaining unit members selected for suspension shall be placed on a RIS List. Limited contract bargaining unit members whose contracts are not renewed shall not be placed on the RIS List.

- a. The order of RIS among both groups of limited and continuing contract personnel shall be determined by their performance as indicated on their evaluations. If the evaluations of more than one teacher are comparable, the least senior of that group shall be reduced first.

“Comparable” shall be defined for reduction and recall purposes: Category 1 (Final Summative Evaluation Rating of Ineffective) and Category 2 (Final Summative Evaluation Rating of Developing, Skilled or Accomplished).

Where no evaluation in the District is available, the teacher will be placed in Comparable Category 1.

- b. The RIS shall occur as follows:

Teachers in a Comparable category in accordance with their seniority in the District. The contract of the least senior limited contract employee in the affected teaching field shall be suspended first. Limited contract teachers shall be suspended before continuing contract teachers.

Limited contract teachers in Category 1 in the affected teaching field shall be suspended first, followed by limited contract teachers in Category 2. If additional suspensions are necessary, continuing contract teachers in Category 1 in the affected teaching field will be suspended, followed by continuing contract teachers in Category 2. Within each category, the contract of the least senior limited or continuing contract teacher in the affected teaching field shall be suspended first.

- c. Bumping shall be permitted consistent with reduction in force and the definition of comparable. A bargaining unit member slated for layoff shall be permitted to bump into positions in which the teacher is licensed and is in an equal or higher Category than the person to be displaced.
 - d. Bargaining unit members selected for suspension shall be placed on a RIS List. Limited contract bargaining unit members whose contracts are not renewed shall not be placed on the RIS List.
3. No bargaining unit member contracts will be suspended during the current school year. Bargaining unit member contracts may be suspended for the following school year and bargaining unit members shall be notified of any such suspension not later than July 1.

E. The teachers whose continuing contracts are suspended pursuant to this Article shall have the right of restoration to continuing service status if and when teaching positions become vacant or are created for which any of such teachers are or become qualified. No teacher whose continuing contract has been suspended pursuant to this Article shall lose that right of restoration to continuing service status by reason of having declined recall to a position that is less than full-time or, if the teacher was not employed full-time just prior to suspension of the teacher's continuing contract, to a position requiring a lesser percentage of full-time employment than the position the teacher last held while employed in the District. Seniority shall not be the basis for rehiring a teacher, except when making a decision between teachers who have comparable evaluations as set forth above.

If a laid-off bargaining unit member has been recalled to a position other than that which he/she held immediately prior to his/her layoff, he/she will remain eligible for recall in accordance with the provisions of the above.

Notice of recall will be given by certified mail to the last address given to the Board by a bargaining unit member. A copy of the notice of recall will be given to the Association. If a bargaining unit member fails to respond within ten (10) days after receipt of the above notice of recall, he/she will be deemed to have refused the position offered and forfeits all rights contained in this Article. The bargaining unit member must report to work on the date set forth in the recall notice, which shall be at least ten (10) days after the date of the notice. If a bargaining unit member has secured temporary employment elsewhere, he/she will be allowed ten (10) days additional time before being required to report to work.

A limited contract bargaining unit member who is laid off will remain on the Recall List for twenty-seven (27) months after the effective date of his/her layoff, unless he/she:

- 1. Waives his/her recall right in writing;
- 2. Resigns;
- 3. Fails to accept recall to the position he/she is certified for.

While on layoff, a bargaining unit member will have the option to remain an active participant in fringe benefits programs by contributing thereto the amount necessary to maintain such fringe benefits if permitted by the carrier.

- F. All benefits to which a bargaining unit member was entitled at the time of his/her layoff, unused accumulated Sick Leave, and credits toward Sabbatical Leave eligibility, will be restored to him/her upon return to active employment; and he/she will be placed on the proper step of the salary schedule for his/her experience and education. A bargaining unit member will not receive increment credits for time spent on layoff, nor will such time count toward the fulfillment of time requirements for acquiring tenure.
- G. No vacancy in a bargaining unit position will be filled by the Board until the procedures set forth in this Article have been complied with.
- H. The parties agree that if the law changes during the term of this Agreement to restore the primacy of seniority in the reduction in staff process (i.e., O.R.C. 3319.17 is amended to include language that existed prior to H.B. 153), the parties will meet to address how to modify the language in this Article to reflect the changes to state law with respect to seniority's role in the reduction in staff process.

ARTICLE 13. COMPENSATION

A. BARGAINING UNIT MEMBERS' SALARY

1. The salary index and schedules attached hereto as Appendices C-1, C-2, C-3, and C-4 shall be in effect during the term of this agreement.

<u>Salary Index</u>	(Appendices C-1)
<i>2021 – 2022 School Year</i> 2.25%	(Appendix C-2)
<i>2022 – 2023 School Year</i> 2.00%	(Appendix C-3)
<i>2023 – 2024 School Year</i> 2.00%	(Appendix C-4)

COVID-19 Bonus Stipend

The Board will pay bargaining unit members who worked under a regular limited or continuing contract during the 2020-2021 school and return to work under a regular limited or continuing contract for the 2021-2022 school year, a one-time COVID-19 bonus stipend equivalent to one-half percent (0.5%) of the bargaining unit member's salary as identified in the employee's 2020-2021 salary notice. The stipend will be paid by October 31, 2021.

2. In order to qualify for placement on the BA+16, BA+24, MA, MA+8, MA+16, and/or MA+30 column, a bargaining unit member must earn hours beyond the

appropriate degree from an accredited teacher training college. Notwithstanding the preceding, SLPs may qualify for placement at MA+8, MA+16 and/or MA+30 column based upon earning certification of maintenance hours and OTs may qualify for placement at MA+8, MA+16 and/or MA+30 based upon earning continuing education activity hours toward their biennial license renewal. For purposes of this provision, fifteen (15) certification of maintenance hours (CMH) toward their biennial license renewal shall be considered equivalent to one (1) semester hour – e.g., a SLP would need to earn 120 CMHs in order to move from the MA column to the MA +8 column. Similarly, thirty (30) continuing education activity hours (CEAH) toward their biennial renewal shall be considered equivalent to one (1) semester hour – e.g., an OT would need to earn 240 CEAHs in order to move from the MA column to the MA+8 column. Bargaining unit members must submit to the Director of Human Resources college transcripts/written proof of CMHs/CEAHs and the Salary Upgrade Request form Appendix J by October 1st for advancement on the salary schedule, which shall be effective back to the start of the school year.

3. A bargaining unit member must have one hundred twenty (120) days in pay status per school year in order to be eligible for one (1) year increment credit.
4. To be eligible for the longevity steps at the 16th, and 20th, and 24th years, actual teaching service and employment of ten (10) years within the Twinsburg City School District must be met.

B. PAY

1. Bargaining unit members shall be paid in twenty-four (24) equal installments to be received no later than the 10th and the 24th of each month. If a bargaining unit member retires effective at the end of a school year, he/she will receive his/her final pay in the second pay of June.
2. Direct electronic deposit of pay is mandatory for all bargaining unit members.
3. Payroll information – including, deductions, net pay amount, accumulated sick leave, and accumulated personal leave – will be available on the payday in electronic format.
4. A bargaining unit member who is changing or closing out a bank account must notify the Board Treasurer at least three (3) weeks prior to the payday at which the bargaining unit member wants the change to take effect. New bargaining unit members will receive their first pay in the form of a manual check, and all subsequent pays pursuant to direct deposit.
5. It is the bargaining unit member's responsibility to make sure the Board Treasurer's office receives an accurate checking or saving account number so that the terms of this Article can be implemented.
6. The bargaining unit member can direct deposit with one (1) institution of his/her choice at a time.

C. SPOT SUBSTITUTION

Substitutes holding a certificate/license shall be used, when applicable, in the absence of a regular teacher. The Building Principal shall create a list of those staff members who volunteer to serve in a spot substitute capacity. The Principal will rotate through the list to identify a spot substitute when one is needed. If no teacher on the volunteer spot substitute list is available, then teacher(s) shall be required to substitute if the need arises during preparation periods. Intervention Specialists shall not be taken from a resource room assignment to spot substitute in a regular education classroom; nothing herein, however, will prevent an Intervention Specialist who is assigned to co-teach a classroom from serving as the sole teacher on a given day because the regular education teacher is absent. Additional compensation shall be paid to teachers who substitute during preparation periods for other faculty members. Such compensation to be at the rate of .001 base rate salary per hour, computed to the nearest one-fourth (1/4) hour rounded up or down. Notification of such personnel to fill such substitute role to be selected and notified as early as possible, preferably the day before. This Section C applies to teachers of special education, Title I instructors and all other bargaining unit members.

D. RETIREMENT AND SEVERANCE PAY

Upon retirement, as hereinafter defined, bargaining unit members shall be entitled to their accumulated and unused Sick Leave at the time of retirement, up to a maximum of one-fourth (1/4) of two hundred (200) days. Additionally, bargaining unit members shall be entitled to twenty percent (20%) of the total number of days of accumulated Sick Leave above and beyond the two hundred (200) days. Severance pay is calculated strictly based upon the bargaining unit member's per diem pay rate that is in effect at the time the employee retires, unless the bargaining unit member (1) is a long-term employee (i.e., an individual who has worked for the Board for at least ten (10) years at the time he/she elects to retire), (2) is employed at the time of retirement in a position with fewer hours than he/she worked in the District for the majority of his/her career for reasons solely controlled by the Board (e.g., the Board implemented a Reduction in Staff that resulted in the employee's previous number of hours being involuntarily reduced), and (3) the reduced hour assignment has been in place for three (3) or fewer years at the time the bargaining unit member retires, in which case the employee's severance pay will be calculated utilizing a per diem daily rate that is comparable to what the employee's compensation would have been if he/she was serving in the same position to which he/she was assigned just prior to the involuntary reduction in hours.

E. MILEAGE RATE

1. Mileage is to be paid at the IRS-approved rate.
2. Distance between buildings to be determined and promulgated.
3. Dates and destination to be recorded on approved forms, which are available online.

F. SUPPLEMENTAL CONTRACTS/EXTENDED TIME

1. In the event the Board determines that either an extended contract and/or a supplemental contract is to be offered, then any such bargaining unit member(s) shall be paid in accordance with the schedule in this Agreement. Granting of either an extended contract and/or a supplemental contract for a given year does not obligate the Board to issue a subsequent contract(s) in the following year(s).
2. The following position shall be filled each year, via extended contracts, so long as the Board of Education continues to receive appropriate State funding:

	Minimum	Maximum
Career Based Intervention Coordinator	10 Days	20 Days

3. Effective with the appropriate date of the school year, the following positions may be filled via extended contracts:

	Minimum	Maximum
a. Librarian	10 Days*	20 Days*
b. School Counselors	Minimum	Maximum
(1) High School	10 Days*	20 Days*
(2) Middle School	10 Days*	20 Days*
(3) Intermediate	10 Days*	20 Days*
(4) Elementary	10 Days*	20 Days*

* Librarian / Counselors must consult with their Principal to determine when these days will be worked.

4. Supplemental salaries to be paid:
 - a. At the end of each semester for those activities encompassing the entire school year.
 - b. At the middle and end of each activity for those activities encompassing less than the entire school year.
 - c. At the end of each activity for those activities encompassing several performances and of short seasonal duration of time.
5. Supplemental contracts and extended time shall be computed on the base salary in effect on September 1 of each school year.

6. In the event the Administration determines that insufficient student participation exists, then the Administration may cancel any previously awarded supplemental contract at any time prior to the first scheduled day of the activity and the bargaining unit member shall be paid twenty-five percent (25%) of the supplemental salary.
7. Summer School Teachers and Home Instructors will be paid at the hourly rate of .000709 of the Base Rate.

Supplementals listed as percentage are paid that percentage times base.

EXAMPLE: Head Football = 17% X \$ 24,720.00 = \$ 4,202.40

**Number factor times Head Coach's salary

EXAMPLE: Football Assistant to Head Coach = 0.77 X \$ 4,202.40 = \$ 3,235.84

Game Workers (home games only)

If an employee changes positions within a discipline (i.e., Assistant Soccer Coach becomes Head Coach) the employee's longevity shall be uninterrupted.

I. TEACHER STIPEND RATE

Each bargaining unit member who holds a supplemental contract shall receive his/her supplemental pay separate from his/her regular pay. The Board Treasurer shall be

notified, by the person to whom the holder of the supplemental contract reports, that a portion of the payment shall be made in separate checks, each of which shall be paid according to the following approximate schedule:

The rate of reimbursement shall be fifty percent (50%) of the tuition costs to a maximum of one thousand dollars (\$1,000.00) per bargaining unit member, per year [fifty percent (50%) of \$2,000.00]. To receive the reimbursement, the bargaining unit member must take the course through an accredited college or university, and submit their request (i.e., the Course Approval Request for Tuition Reimbursement form) at the time he/she registers for the class so that a purchase order can be secured. A staff member will be denied reimbursement if he/she submits his/her Course Approval Request for Reimbursement form after the course is completed, unless the registration and course took place on the same day, in which case he/she must submit his/her Course Approval Request for Reimbursement form within two weeks of the conclusion of the class. In order to receive tuition reimbursement for a course that will occur prior to June 30, the staff member must submit his/her Course Approval Request for Reimbursement form prior to April 15. Any Course Approval Request for Reimbursement form submitted after April 15, must be for a course that occurs after July 1. All paperwork associated with completion of the Course must be submitted within ninety (90) calendar days of the completion of the Course; failure to submit the documentation in a timely manner will result in denial of the requested reimbursement.

L. ATTENDANCE RECOGNITION

1. A bargaining unit member who does not use sick leave or personal leave during a semester shall be allowed to cash in one (1) day from his/her accumulation of sick leave for pay at his/her per diem rate. Sick leave transfer to another bargaining unit member does not constitute the use of sick leave. To be eligible to cash in one or two (2) days for pay pursuant to this paragraph, the employee has to be employed by the District for the entire school year. A bargaining unit member may cash in a maximum of two (2) days per school year. The payment for the first semester will be made by the end of February, and the payment for the second semester will be made by the end of August.

2. The following leaves shall not be considered sick or personal leave for the purpose of this provision:
 - a. Death/Funeral of an immediate family member (as defined in Article 6.J.), provided the absence does not exceed five (5) work days.
 - b. Observance of religious holidays for which the bargaining unit member utilizes Personal Leave.

1. A hired retiree shall be placed on the salary schedule in the appropriate column with applicable experience credit to a maximum of five (5) years.
2. A hired retiree shall not be eligible for the Early Retirement Incentive specified in Article 15 herein or severance pay for accumulated sick leave.
3. Seniority for a retiree is broken at the time of retirement. Seniority for hired retirees will return to zero (0) years and remain at zero (0) years for the reemployed bargaining unit member's entire "post-retirement" tenure. In the event of a Reduction In Staff, the reemployed bargaining unit member will not have any of the bumping rights set forth in this Agreement.
4. A hired retiree shall be eligible for no more than a one year contract, and shall be considered automatically nonrenewed at the expiration of the contract without requirement for further Board action. Additionally, hired retirees need not be evaluated in accordance with this Agreement and shall not be eligible for placement on a Recall List pursuant to a Reduction In Staff.
5. The parties expressly agree and fully intend that Article 13, Section M supersede and take precedent over any inconsistent and/or contrary provisions of the Ohio Revised Code, the Ohio Administrative Code, and federal laws and regulations; including, but not limited to, all conflicting provisions of O.R.C. 3317.13, 3317.14, 3319.11, 3319.111, and 3319.112.

Notice on or before December 1	42%
Notice on or before February 1	40%
Notice on or before April 1	38%

- C.** Any bargaining unit member accepting this incentive must complete the entire school year (i.e., work through the last teacher work day).
- D.** It is understood that the Board will be actively seeking replacement bargaining unit members and that the Board will rely upon any and all retirement letters submitted.
- E.** In any school year that ends not more than three (3) work-days into June, teachers who are to retire effective with the start of the following school year may complete their school year on May 31st with 184 days of service. To make up for the missed days, those teachers must complete a project consisting of a mutually agreed upon number of hours corresponding with the number of days in June the teachers would not work. Each year, the number of hours would be calculated based on the number of days missed; for example, in 2018-2019, the teachers had to complete a project that consisted of 22 ½ hours (7.5 hours per day x 3). This project must be pre-approved by the Building Principal. The teacher must submit his/her proposed project not later than February 1st and obtain approval for the project no later than February 28th. The teacher must also complete all of the end-of-year duties not later than May 31st. Teachers must submit their irrevocable letter to retire pursuant to the terms of this Article.

The Labor/Management Relations Committee shall be comprised of no more than seven (7) members of management (appointed by the Superintendent) and no more than seven (7) members of the Association (appointed by the Association President). The Association President can assign different members of the Association to the two meetings dedicated to Special Education. Agenda items shall be submitted to the other party in advance. 3220 - STANDARDS-BASED TEACHER EVALUATION

The Board of Education is responsible for a standards-based teacher evaluation policy which conforms to the framework for evaluation of teachers as approved by the State Board of Education and aligns with the "Standards for the Teaching Profession" as set forth in State law.

The Board adopts the Ohio Teacher Evaluation System ("OTES") model as approved by the State Board of Education.

The Board believes in the importance of ongoing assessment and meaningful feedback as a powerful vehicle to support improved teaching performance and student growth, as well as promotion and retention decisions for teachers.

This policy shall be implemented as set forth herein and shall be included in the collective bargaining agreement with the Twinsburg Education Association ("TEA"), and in all extensions and renewals thereof.

This policy has been developed in consultation with teachers employed by the Board.

The Board authorizes the Superintendent to establish and maintain an ongoing TEA OTES Committee, with continuing participation by District teachers represented by the Certificated Staff and Administration, for the express purpose of recommending necessary changes to the Board for the appropriate revision of the policy.

Definitions

"OTES" - Stands for the Ohio Teacher Evaluation System as adopted by the Ohio State Board of Education in 2020, or as otherwise modified by the State Board of Education.

"Teacher" - For purposes of this policy, "teacher" means a licensed instructor who spend at least fifty percent (50%) of his/her time providing content-related student instruction and who is working under one (1) of the following:

- A. A license issued under R.C. 3319.22, 3319.26, 3319.222 or 3319.226; or
- B. A permanent certificate issued under R.C. 3319.222 as it existed prior to September 2003;
or
- C. A permanent certificate issued under R.C. 3319.222 as it existed prior to September 2006;
or
- D. A permit issued under R.C. 3319.301.

Substitute teachers and teachers not meeting this definition are not subject to evaluation under this policy.

The Superintendent, Treasurer, Business Manager, and any "other administrator" as defined by R.C. 3319.02 are not subject to evaluation under this policy.

"Credentialed Evaluator" - means the appropriately qualified individual, assigned by the District, who is responsible for completing the evaluation process for a teacher. For purposes of this policy, each teacher subject to evaluation will be evaluated by a person who:

- A. meets the eligibility requirements under R.C. 3319.111(D); and
- B. holds a credential established by the Ohio Department of Education (ODE) for teacher evaluation; and
- C. has completed State-sponsored evaluation training and has passed an online credentialing assessment.

The Board will approve and maintain a list of credentialed evaluators as necessary to effectively implement this policy.

“High-Quality Student Data” – means locally-determined data that provides evidence of student learning attributable to the teacher who is being evaluated. When applicable to the grade level or subject area taught, High-Quality Student Data (HQSD) shall include the value-added progress dimension and the teacher shall use at least one other measure of HQSD to demonstrate student learning. HQSD may also include data obtained from the list of Ohio Department of Education approved student assessments.

High-quality student data may not include student learning objectives (SLOs) or shared attribution measures.

"Value-Added" - refers to the EVAAS Value-Added methodology provided by SAS, Inc., which provides a measure of student progress at the District and school level based on each student's scores on State-issued standardized assessments.

"Evaluation Cycle" - means the period of time for the completion of the evaluation procedure. The evaluation cycle is completed when performance assessments are conducted for the current school year and the teacher is assigned a final holistic rating.

"Evaluation Framework" - means the document created and approved by the Ohio Department of Education (ODE) in accordance with R.C. 3319.111(A) that establishes the standards-based framework for the evaluation of teachers developed under R.C. 3319.112.

"Evaluation Instruments" - refers to the forms developed by the ODE, including the "Teacher Performance Evaluation Rubric".

"Evaluation Procedure" - refers to the procedural requirements set forth in this that policy are intended to provide specificity to the statutory obligations established under R.C. 3319.111 and R.C. 3319.112 and to conform to the framework for the evaluation of teachers developed under R.C. 3319.112.

"Final Evaluation Rating" - means the final holistic evaluation rating that is assigned to a teacher pursuant to terms of this policy. The evaluation rating is assigned at the conclusion of the evaluation cycle.

Standards-Based Teacher Evaluation

Teacher evaluations will utilize multiple factors, with the intent of providing meaningful feedback to each teacher and assigning an effectiveness rating based upon teacher performance, student growth, and other locally determined criteria.

Each teacher evaluation will result in an evaluation rating of:

- A. Accomplished;

- B. Skilled;
- C. Developing; or
- D. Ineffective.

The specific standards and criteria for distinguishing between these ratings/levels of performance shall be the same as those developed by the State Board of Education, which are incorporated herein by reference.

The Superintendent shall annually cause to be filed a report to the Ohio Department of Education (ODE) the number of teachers for whom an evaluation was conducted as well as the number of teachers assigned each rating as set forth above, aggregated by teacher preparation programs from which and the years in which the teachers graduated. The Board will utilize the ODE's guidelines for reporting this information.

The Board will not evaluate a teacher who is on a Board-approved leave from the School District for more than fifty percent (50%) of the school year.

The Board will not evaluate a teacher who has submitted a notice of retirement that was accepted by the Board no later than December 1st of the year the teacher was scheduled to be evaluated.

Professional Growth Plans and Professional Improvement Plans

Based upon the results of the annual teacher evaluation, each teacher must develop either a professional growth plan or be placed on a professional improvement plan as follows:

- A. A teacher whose final holistic rating is "accomplished" on his/her most recent evaluation will develop a self-directed professional growth plan and may choose his/her credentialed evaluator for the next evaluation cycle from those available to the Board for that purpose, utilizing the components determined by the District.
- B. A teacher whose final holistic rating is "skilled" will jointly-develop a professional growth plan with his/her credentialed evaluator and will have input on his/her evaluator for the next evaluation cycle, utilizing the components determined by the District.
- C. A teacher whose final holistic rating is "developing" will develop a professional growth plan guided by his/her assigned credentialed evaluator, utilizing the components determined by the District.
- D. A teacher whose final holistic rating is "ineffective" will be placed on a professional improvement plan developed by his/her assigned evaluator, utilizing the components determined by the District.
- E. A teacher who is new to the profession or new to the District will develop a professional growth plan collaboratively with his/her credentialed evaluator, utilizing the components determined by the District.

Board Professional Development Plan

In accordance with the Ohio State Board of Education's State-wide evaluation framework, the Board has adopted a specific plan for the allocation of financial resources to support the professional development of teachers covered by this policy. The plan will be reviewed annually.

Assessment of Teacher Performance

Teacher performance will be evaluated during formal observations and periodic informal observations also known as "classroom walkthroughs." Such performance will be used to determine the teacher's evaluation rating and will be assessed through a holistic process by trained and credentialed evaluators based upon the following *Ohio Standards for the Teaching Profession*:

- A. understanding student learning and development, respecting student diversity, and holding high expectations for all students to achieve and make progress at high levels;
- B. knowing and understanding the content area for which they have instructional responsibility;
- C. understanding and using varied assessments to inform instruction, evaluate and ensure student learning;
- D. planning and delivering effective instruction that advances individual student learning;
- E. creating learning environments that promote high levels of student learning and achievement for all students;
- F. collaborating and communicating with students, parents, other educators, District administrators, and the community to support student learning; and
- G. assuming responsibility for professional growth and performance as an individual and as a member of a learning community.

Formal Observation and Classroom Walkthrough Sequence

- A. A teacher not under consideration for renewal or nonrenewal who is subject to a full evaluation cycle shall be evaluated based on at least two (2) formal observations of at least thirty (30) minutes each and periodic classroom walkthroughs each school year. The first formal observation will be a holistic observation where the evaluator assesses all areas of the rubric demonstrated during the observation as well as information gained from any pre-observation conference or other sources selected by the evaluator. The second and any subsequent formal observation(s) will be focused observations in which the evaluator emphasizes identified focus area(s). Identified focus areas will be selected after completion of the holistic observation, and may include area(s) of relative strength and/or area(s) targeted for improvement. Teachers with a final evaluation rating of Accomplished (from the previous year) will select their own focus area(s). A teacher with a final evaluation rating of Skilled (from the previous year) will select focus area(s) in collaboration with his/her evaluator. A teacher with a final evaluation rating of Developing (from the previous year) will be guided by his/her evaluator in determining focus area(s). A teacher with a final evaluation rating of Ineffective (from the previous year) will have focus area(s) selected by the evaluator. A teacher new to the profession will select focus area(s) in collaboration with his/her evaluator. Evaluators will collect evidence during the focused observation to assess the identified focus area(s). Evaluators will also document evidence to support the final evaluation rating.
- B. A teacher new to the District or any teacher on a limited contract who is under consideration for renewal/nonrenewal shall receive at least three (3) formal observations in addition to periodic classroom walkthroughs.

A teacher who has been granted a continuing contract by the Board and who receives a rating of "Accomplished" on his/her most recent evaluation shall be evaluated once every three (3) years. The teacher will be required to submit a self-directed professional growth plan to the evaluator, and the evaluator will determine if the teacher is making progress on the plan. The professional growth plan will focus on the most recent evaluation of the teacher. The teacher will be provided with at least one (1) formal or informal observation and post-conference in any year that such teacher is not formally evaluated.

The Board will evaluate each teacher who has been granted a continuing contract by the Board and who received a rating of Skilled on the teacher's most recent evaluation once every two (2) years. The teacher and the evaluator will jointly develop a professional growth plan for the teacher and the evaluator will determine if the teacher is making progress on the plan. The professional growth plan will focus on the most recent evaluation and observations of the teacher. Teachers will be provided with at least one (1) informal observation and post-conference in any year that such teacher is not formally evaluated.

Evaluations will be completed by May 1st and each teacher will be provided a written report of the results of his/her evaluation by May 10th. Written notice of nonrenewal will be provided by June 1st.

In evaluating teacher performance, the Board shall utilize the measures set forth by the Ohio Department of Education's OTES "Teacher Performance Evaluation Rubric" for instructional planning, instruction and assessment, and professionalism.

Each teacher evaluated under this policy shall annually complete a "Self-Assessment" utilizing the Self-Assessment Summary Tool and a Professional Growth Plan.

Formal Observation Procedure

- A. Each of the first two (2) formal observations shall be preceded by a conference between the evaluator and the employee prior to the observation in order for the employee to explain plans and objectives for the classroom situation to be observed.
- B. A post-observation conference shall be held after each formal observation.

Informal Observation/Classroom Walkthrough Procedure

A walkthrough is an informal observation in which an evaluator may assess one or more areas in the Teacher Performance Evaluation Rubric.

Evaluators may but are not limited to collecting evidence in any identified focus area(s). Walkthroughs may be announced or unannounced.

A walkthrough shall consist of at least five (5) consecutive minutes, but not more than fifteen (15) consecutive minutes in duration. The walkthrough should be of sufficient duration to allow the evaluator to assess the focus of the walkthrough.

Data gathered from the walkthrough will inform the final evaluation.

Feedback from a walkthrough shall be provided after the walkthrough. The teacher and/or administrator may request a face-to-face meeting to discuss observations relative to the identified focus of the walkthrough.

Classroom walkthroughs shall not unreasonably disrupt and/or interrupt the learning environment.

Use of High-Quality Student Data

At least two measures of high-quality student data will be used as evidence of student learning. The teacher will select student data that will be used in consultation with the evaluator, and will provide evidence that demonstrates the teacher has used the data in accordance with this policy. The evaluator may use the data as evidence to determine a performance rating in any component of the evaluation where applicable.

When applicable to the grade level or subject area(s) taught by a teacher, high-quality student data will include the value-added progress dimension. High-quality student data will meet the following criteria:

- A. aligns to learning standards;
- B. measures what is intended to be measured;
- C. is directly attributable to the teacher being evaluated for course(s) and grade level(s) taught;
- D. demonstrates evidence of student learning; (achievement and/or growth);
- E. follows protocols for administration and scoring;
- F. provides trustworthy results; and
- G. is fair and unbiased.

Teachers must provide evidence to their evaluator which demonstrates that they have used high-quality student data in the following ways:

- A. critically analyze and reflect upon results to support improvement and enhancement of student learning;
- B. assess student learning needs and styles, including the strengths and weaknesses of an entire class as well as individual students in each class;
- C. inform and adapt instruction to meet student needs; and
- D. measure student learning achievement and growth, as well as progress toward achieving state and local standards.

In addition to value-added data, the superintendent may select high-quality data from among state-approved vendor assessments or other locally determined measures or instruments that meet the definition and criteria outlined above.

Annually, the Superintendent shall develop a list of approved high-quality student data in consultation with experts in the field of education and with the District's evaluation committee.

For the purpose of selecting high-quality student data, the Board defines the term "expert" to include members of the District's administrative team, credentialed evaluators, members of the Joint Committee for Evaluation and HQSD, as well as employees or consultants hired by the educational service center, or another private or public entity to provide expertise on student growth and learning.

Final Evaluation Procedures

Evaluators will consider evidence gathered during the evaluation cycle to assign a final holistic evaluation rating, based upon the criteria developed by the Ohio Department of Education.

The evaluator shall submit the final written evaluation using the reporting system prescribed by the Ohio Department of Education (ODE). The teacher will confirm receipt of the same.

Retention and Promotion Decisions/Removal of Poorly Performing Teachers

It is the purpose of this Standards-Based Teacher Evaluation Policy to improve the quality of instruction, enhance student learning, and strengthen professional competence through meaningful feedback and targeted professional development. In addition, the evaluations produced will serve to inform the Board on employment decisions, i.e., retention, promotion of teachers, renewal of teaching contracts, and the removal/nonrenewal of poorly performing teachers.

Definitions:

"Retention" - for purposes of this policy refers to employment decisions on the question of whether or not to suspend a contract pursuant to a reduction in force, non-renew a limited or extended limited contract, or terminate employment for good and just cause. In the case of a reduction in force, seniority will not be considered when making decisions on contract suspensions, except in the instance of comparable evaluations. The decision to non-renew or terminate the contract of a poorly performing teacher may be informed by the evaluation(s) conducted under this policy. However, decisions to non-renew or terminate a teaching contract are not limited by the existence of this policy.

"Promotion" - as used in this context is of limited utility given the fact that teachers covered by this policy are not currently employed in any discernible hierarchy. Nevertheless, when making decisions relative to such matters as determining department or grade level chairpersons, selections to curricular or strategic planning bodies, or teaching assignments, the Board will consider teacher performance as indicated by evaluations.

"Poorly Performing Teachers" - refers to teachers identified through the evaluation process set forth in this policy who demonstrate an inability and/or unwillingness to meet the reasonable expectations of this standards-based evaluation system.

"Comparable Evaluations" - since seniority may not be the basis for teacher retention or other employment decisions, except when deciding between teachers who have comparable evaluations, this refers to teachers within the categories of "Ineffective," "Developing," "Skilled," and "Accomplished."

Removal of Poorly Performing Teachers

Removal of poorly performing teachers will be in accordance with the nonrenewal and termination statutes of the Ohio Revised Code and/or the relevant provisions of the collective bargaining agreement in effect between the Board and the Twinsburg Education Association.

Nothing in this policy will be deemed to prevent the Board from exercising its rights to non-renew, terminate, or suspend a teaching contract as provided by law and the terms of the collective bargaining agreement in effect between it and the Twinsburg Education Association. The evaluation system and procedures set forth in this policy shall not create an expectation of

continued employment for teachers on a limited contract that are evaluated under this policy. The Board reserves the right to non-renew a teacher evaluated under this policy in accordance with R.C. 3319.11 notwithstanding the teacher's holistic rating.

3223 - STANDARDS-BASED SCHOOL COUNSELOR EVALUATION

The Board of Education is responsible for a standards-based school counselor evaluation policy which conforms to the framework for the evaluation of school counselors as approved by the State Board of Education and aligns with the "Standards for School Counselors" as set forth in State law.

The Board of Education adopts the Ohio School Counselor Evaluation System (OSCES) as approved by the State Board of Education.

The Board believes school counselors play a critical role in supporting student learning and success and maintaining a positive school environment. The standards-based system of school counselor evaluations is designed to provide meaningful and consistent feedback to support counselor professional growth and inform employment decisions.

This policy shall be implemented as set forth herein and shall be included in the collective bargaining agreement with the Twinsburg Education Association, and in all extensions and renewals thereof.

The Board authorizes the Superintendent to establish and maintain an ongoing OTES Committee, with continuing participation by District counselors for the express purpose of recommending necessary changes to the Board for the appropriate revision of the policy.

Definitions

"OSCES" – Stands for the Ohio School Counselor Evaluation System as adopted by the Ohio State Board of Education, or as otherwise modified by the State Board of Education.

"School Counselor" – For purposes of this policy, "school counselor" means an employee who holds a license issued pursuant to O.A.C. 3301-24-05 by the Ohio Department of Education in the area of school counseling and who is assigned to a position in that capacity.

Teachers and other employees who do not meet this definition are not subject to evaluation under this policy. Full-time bargaining unit members who do not meet the definition will be evaluated in accordance with Board policy and/or utilizing the evaluation procedures of the collective bargaining agreement in effect between the Board and the Twinsburg Education Association.

"Credentialed Evaluator" – For purposes of this policy, each counselor subject to evaluation will be evaluated by a person who has completed the OSCES training as required by the Ohio Department of Education.

The Board shall authorize the Superintendent/designee to approve and maintain a list of credentialed evaluators as necessary to effectively implement this policy.

"Evaluation Cycle" – is the period of time for the completion of the evaluation procedure. The evaluation cycle is completed when selected student metrics are combined with the counselor performance ratings resulting from performance assessments on the standards that are conducted for the current school year to assign a summative evaluation rating.

"Evaluation Factors" – refers to the multiple measures that are required by law to be used in the school counselor evaluation procedures, including performance on all six (6) areas identified by the standards and the ability to produce positive outcomes using student metrics selected by the Board. School counselors will receive a score in each of the six standards and the student metrics, which shall be weighted equally (1/7 of the final summative score).

"Evaluation Framework" – means the standards-based framework adopted by the State Board of Education for the evaluation of school counselors in accordance with R.C. 3319.113.

"Evaluation Instruments" – refers to the forms used by the school counselor's evaluator as developed locally.

"Evaluation Procedure" – the procedural requirements set forth in this policy are intended to provide specificity to the statutory obligations established under R.C. 3319.113 and to conform to the framework for the evaluation of school counselors developed under R.C. 3319.113.

"Evaluation Rating" – means the final summative evaluation level that is assigned to a school counselor pursuant to terms of this policy. The evaluation rating is assigned at the conclusion of the evaluation cycle when the school counselor performance rating is combined with the results of student metrics. Each completed evaluation will result in the assignment of one (1) of the following evaluation ratings: Accomplished, Skilled, Developing, or Ineffective.

"High Performing School Counselor" – is a school counselor who earns a summative rating of "Accomplished" or "Skilled" on his/her most recent evaluations.

"School Counselor Performance" – is the assessment of a school counselor's performance on each of the six State-adopted standards, resulting in a performance rating. As an evaluation factor, the school counselor performance dimension is based on direct observations of a counselor's practice by a credentialed evaluator. Performance results are reported as a performance rating that may be coded as "1" indicating lowest performance to "4" indicating highest performance.

"Student Metrics" – the locally determined measure(s) that assess a school counselor's ability to produce positive student outcomes.

Standards-Based School Counselor Evaluation

School Counselor evaluations will utilize multiple factors, with the intent of providing meaningful feedback to each school counselor and assigning an effectiveness rating based upon school counselor performance and the counselor's assessment on selected student metrics.

- A. Accomplished;
- B. Skilled;
- C. Developing; or
- D. Ineffective.

The specific standards and criteria for distinguishing between these ratings/levels of performance shall be the same as those developed by the State Board of Education, which are incorporated herein by reference.

The Superintendent shall annually cause to be filed a report to the Ohio Department of Education (ODE) in accordance with requirements mandated by ODE. The Board will utilize the ODE's guidelines for reporting this information.

Assessment of School Counselor Performance

School Counselor performance will be evaluated during formal observations and periodic informal observations. Such performance will be assessed through a holistic process by trained and credentialed evaluators based upon the following *Ohio Standards for School Counselors*:

- A. Comprehensive School Counseling Program Plan;
- B. Direct Services for Academic, Career and Social/Emotional Development;
- C. Evaluation and Data;
- D. Leadership and Advocacy; and
- E. Professional Responsibility, Knowledge and Growth.

Formal and Informal Observations

- A. School Counselors shall be evaluated based on at least two (2) formal observations of at least thirty (30) minutes each and informal observations each school year by a single evaluator, unless the counselor's evaluator is on leave of absence. The first observation will be completed no later than December 21st. Documentation of the observation will be provided to the counselor in a timely manner.

Counselors on a limited contract who are under consideration for nonrenewal shall receive at least three (3) formal observations in addition to periodic informal observations during the school year by not more than two (2) evaluators. The first evaluation must be completed no later than November 1. The second evaluation must be completed no later than February 15. Documentation of the observation will be provided to the counselor in a timely manner. For counselors who travel between buildings, a single administrator shall be identified to evaluate the counselor. Ordinarily it will be a building administrator in the building where the counselor spends the majority of his/her time; however, the Superintendent shall have the authority to make the final decision concerning who the evaluator will be in order to equitably distribute evaluation responsibilities among credentialed evaluators.

- B. A high performing school counselor will be evaluated less frequently as follows.
 - 1. A school counselor who has been granted a continuing contract by the Board and received a final summative rating of "Accomplished" on

his/her most recent evaluation shall be evaluated every three (3) years. During school year(s) when the counselor is not being formally evaluated the counselor must still: (1) develop a professional growth plan; (2) be observed by a credentialed evaluator; and (3) participate in a post-observation conference with the credentialed evaluator. Additionally, the counselor must have a rating for the student metrics calculated and it must remain average or higher to continue the less frequent evaluation cycle.

2. A counselor who has been granted a continuing contract by the Board and who is rated "Skilled" on his/her most recent evaluation shall be evaluated every two (2) years. During the school year when the counselor is not formally evaluated, the counselor must still: (1) develop a professional growth plan; (2) be observed by a credentialed evaluator; and (3) participate in a post-observation conference with the credentialed evaluator. Additionally, the counselor must have a rating for the student metrics calculated and it must remain average or higher to continue the less frequent evaluation cycle.
3. A counselor who is on a limited multi-year contract and received a final summative rating of either "Accomplished" or "Skilled" on his/her most recent evaluation shall be evaluated every two (2) years. During the school year when the counselor is not formally evaluated, the counselor must still: (1) develop a professional growth plan; (2) be observed by a credentialed evaluator; and (3) participate in a post-observation conference with the credentialed evaluator. Additionally, the counselor must have a rating for the student metrics calculated and it must remain average or higher to continue the less frequent evaluation cycle.

Evaluations will be completed by May 1st and each school counselor will be provided a written report of the results of his/her evaluation by May 10th. Written notice of nonrenewal will be provided by June 1st. Formal evaluations shall not occur during the first two (2) weeks of school. Informal observations and pre-conference meetings shall not occur during the first week of school. Observation timelines may be changed due to illness or leave of the counselor or evaluator such that the deadlines will be extended by the number of days the individual is absent. The May deadlines may not be extended.

Each school counselor evaluated under this policy shall annually complete a "Self-Assessment" utilizing the Self-Assessment Summary Tool approved by the Board.

Formal Observation Procedure

The observations will not be conducted when school counselors are engaged in counseling activities with students that require confidentiality.

- a. Each of the first two (2) observations shall be preceded by a conference not more than five (5) school days prior to the observation between the evaluator and the employee in order for the employee to explain plans and objectives for the classroom situation to be observed. If a third observation is going to occur, it may be unannounced. Any additional observations will be announced. If an evaluator plans to conduct more than

two (2) observations for a counselor who is not up for renewal/nonrenewal, the evaluator will notify the counselor following the second observation.

- b. A post-observation conference shall be held within ten (10) school days after each formal observation. Within five (5) days of the completion of the post-observation conference, the evaluator will provide the counselor with a completed observation rubric.
- c. Counselors are responsible for completing their portion of OhioES in a timely manner (i.e., within four (4) school days of receiving electronic notice from the program). Extensions may be approved at the discretion of the credentialed evaluator.

Informal Observation Procedure

Informal observations shall occur a minimum of twice a quarter for the first three (3) quarters of the school year for each counselor being evaluated. Informal observations may occur during the fourth quarter, at the discretion of the credentialed evaluator(s).

The informal observations will not be conducted when school counselors are engaged in counseling activities with students that require confidentiality and shall not disrupt the learning environment. Informal observations will not last less than five (5) minutes nor typically more than fifteen (15) minutes.

An informal observation is a formative assessment process that focuses on one (1) or more of the components included in the State-adopted standards. Data gathered during the informal observation will be shared electronically with the counselor. A completed form must be shared with the employee within two (2) school days.

Assessment of Student Metrics

The Board will select student metrics that will be utilized for school counselor evaluations in the areas of academics, career, and social emotional development. Any modifications to the metrics that will be used in school counselor evaluations will be adopted before the start of the school year.

Data from these approved measures of student growth will be scored on four (4) levels, with a score of "1" being the lowest and "4" being the highest.

Final Evaluation Procedures

Each school counselor's performance rating for each of the six (6) standards will be combined with the assessment of student metrics to produce the final summative.

The evaluator shall provide that each evaluation is submitted to the school counselor for his/her acknowledgement by written receipt. If signed by the employee, the receipt is to be sent to the Superintendent as soon as received.

Professional Growth Plans and Professional Improvement Plans

Based upon the results of the annual evaluations conducted in accordance with this policy, each school counselor must develop either a professional growth plan or professional improvement plan as follows:

- A. Counselors whose final summative rating is “Accomplished” shall develop a self-directed professional growth plan and may choose their credentialed evaluator for the next evaluation cycle from those available in their specific building, provided the evaluators in the specific building have a balanced evaluation schedule (if not, the counselors will select based upon seniority).
- B. Counselors whose final summative rating is “Skilled” shall jointly-develop a professional growth plan with his/her credentialed evaluator and will have input on his/her evaluator(s) for the next evaluation cycle.
- C. Counselors whose final summative rating is “Developing” shall develop a professional growth plan that is guided by his/her credentialed evaluator. The Superintendent will assign the evaluator(s) for the next evaluation cycle.
- D. Counselors whose final summative rating is “Ineffective” will be placed on a professional improvement plan developed by their credentialed evaluator(s). The Superintendent will assign the evaluator(s) for the subsequent evaluation cycle and approve the professional improvement plan.
- E. A counselor who receives a rating of “Ineffective” on his/her metric of student outcomes or observation performance portion of the cumulative evaluation may choose by May 1 to develop a professional improvement plan. A counselor who elects to develop a professional improvement plan will have input on his/her evaluator(s) for the next evaluation cycle.
- F. Counselors on resident educator licenses who have a mentor counselor assigned may request the mentor participate in the development of an Improvement Plan; however, the mentor shall not have a formal evaluative role.

Board Professional Development Plan

In accordance with the State Board of Education's Statewide evaluation framework, the Board has adopted a specific plan for the allocation of financial resources to support the professional development of school counselors covered by this policy. The plan will be reviewed annually.

Retention and Promotion Decisions/Removal of Poorly Performing School Counselors

The evaluations produced will serve to inform the Board on employment decisions, i.e., retention, promotion of school counselors, renewal of employment contracts, and the removal/nonrenewal of poorly performing school counselors.

Definitions:

"Retention" – for purposes of this policy refers to employment decisions on the question of whether or not to suspend a contract pursuant to a reduction in force, nonrenew a limited or extended limited contract, or terminate employment for good and just cause. In the case of a reduction in force, seniority will not be considered when making decision on contract suspensions, except in the instance of comparable evaluations. The decision to nonrenew or terminate the contract of a poorly performing school counselor may be informed by the

evaluation(s) conducted under this policy. However, decisions to nonrenew or terminate an employment contract are not limited by the existence of this policy.

"Promotion" – as used in this context is of limited utility given the fact that school counselors covered by this policy are not currently employed in any discernible hierarchy. Nevertheless, when making decisions relative to such matters as determining employee assignments, the Board will consider school counselor performance as indicated by evaluations.

"Poorly Performing School Counselors" – refers to school counselors identified through the evaluation process set forth in this policy who demonstrate an inability and/or unwillingness to meet the reasonable expectations of this standards-based evaluation system.

"Comparable Evaluations" – since seniority may not be the basis for school counselor retention or other employment decisions, except when deciding between counselors who have comparable evaluations, this refers to counselors within the categories of "Ineffective," "Developing," "Skilled," and "Accomplished."

Removal of Poorly Performing School Counselors

Removal of poorly performing school counselors will be in accordance with the nonrenewal and termination statutes of the Ohio Revised Code and/or the relevant provisions of the collective bargaining agreement in effect between the Board and the Twinsburg Education Association.

Nothing in this policy will be deemed to prevent the Board from exercising its rights to nonrenew, terminate, or suspend a school counselor contract as provided by law and the terms of the collective bargaining agreement in effect between it and the Twinsburg Education Association. The evaluation system and procedures set forth in this policy shall not create an expectation of continued employment for employees on a limited contract that are evaluated under this policy. The Board reserves the right to nonrenew a school counselor evaluated under this policy in accordance with R.C. 3319.11 notwithstanding the school counselor's final summative rating.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	For <u>network providers</u> \$250 Individual / \$500 Family For <u>out-of-network providers</u> \$500 Individual / \$1,000 Family	Generally, you must pay all of the costs from <u>providers</u> up to the calendar year <u>deductible</u> amount before this plan begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. <u>Network preventive care</u> is covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	For <u>network providers</u> \$1,000 Individual / \$2,000 Family For <u>out-of-network providers</u> \$2,000 Individual/ \$4,000 Family	The <u>out-of-pocket limit</u> is the most you could pay in a calendar year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Penalties</u> , <u>Premiums</u> , <u>balance-billing</u> charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. For a list of <u>network providers</u> : AultCare: see www.aultcare.com or call 1-800-344-8858; Medical Mutual: see www.medmutual.com or call 1-800-228-6472.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
