Excluded from the bargaining unit are all casual, day-to-day substitutes, the Title I Coordinator, Title and auxiliary tutors hired after the effective date of this agreement and all other employees who have the authority to recommend hiring, discharge, or the discipline of a member of the employee unit or the authority to evaluate the professional performance of those employees during the school day, or the authority to recommend resolutions to grievances.

### **1.02    Election Procedures**

The Association shall remain the bargaining agent unless thirty percent (30%) of the members of the bargaining unit desire an election to determine a change in representatives. Election to determine any question of representation shall be in accordance with rules prescribed by SERB as outlined in Section 4117.07 O.R.C.

## **ARTICLE II                    NEGOTIATIONS PROCEDURE**

### **2.01    Scope of Negotiations**

### **2.02    Procedures for Negotiations**

- A. One hundred twenty (120) calendar days before the expiration of the collective bargaining agreement, negotiations shall be opened. The Association and the Board shall begin negotiating a successor agreement in accordance with the procedures set forth herein.
- B. Unless otherwise agreed upon by the parties, the Board and the Association shall be represented at all negotiations meetings by a team not to exceed five members each. Each party shall be entitled to one observer who may not address negotiations. Each party may call upon consultants or resource persons who may be called upon to address negotiations. Neither

party shall have any control over the selection of the negotiating representatives of the other party.

- C. The parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, and make counterproposals in the course of negotiations.
- D. Each team shall present to the other at the first session its written proposals for consideration. No further items may be added without the consent of the other party. Additional rules for conducting negotiations meetings shall be agreed upon by the parties at the first session.
- E. Tentative agreement on any proposal shall be initialed by both parties prior to adjournment. Before adjournment of each session, the agenda, time, and place of the next session shall be agreed to by the chief negotiators.

#### 2.03 Impasse Procedure

- A. If resolution is not accomplished by the forty-fifth (45th) day prior to the expiration date of the agreement, the Parties will request the services of a mediator from the Federal Mediation and Conciliation Service to assist the Parties in resolving the remaining issues. Any cost incurred will be divided equally between the Association and the Board.

Members are encouraged, whenever possible, to schedule routine doctor, dental and/or other health service provider visits outside of the school day. Members are urged to take the least possible amount of leave, in no less than ¼ day increments, for routine visits.

- D. No teacher shall forfeit accumulated sick leave during an authorized leave of absence. Also, if a certified/licensed staff member is absent because of illness due to a communicable disease definitely traceable to contact made in school, the absence will not be charged against them by the reduction of accumulated sick leave days.
- E. The following relatives are included under immediate family: father, mother, sister, brother, son, daughter, husband, wife, significant other, step-parent, step-children, immediate relative-in-law, grandparent, grandchild, or a blood or marital relative living in the same household. Staff members attending the funeral of a close friend or relative who was not a member of the immediate family as described above, shall be allowed use of sick leave, personal leave, or emergency personal leave.
- F. Paid emergency leave in excess of the limitations herein contained may be granted by the Superintendent of Schools.
- G. An emergency leave request shall be completed by the certified/licensed staff member and submitted with the reason to his or her principal immediately upon return to work after the emergency leave. If emergency leave is denied, the certified/licensed staff member shall be notified orally and in writing at the time of the request.

Certified/licensed staff members who use more than five (5) days consecutive or a total of twenty (20) sick leave days during the school year must provide the Board with medical verification.
- I. Advancement of Sick Leave. It shall be the policy of the Struthers City Board of Education, in those instances where certified/licensed staff are newly hired, and, in those cases where employees have exhausted their sick leave, to allow an advancement of not less than five (5) days of sick leave annually. Moreover, the advancement of this sick leave shall then be charged against any subsequent accumulation by the certified/licensed staff member in question. Finally, the Treasurer shall deduct from the

- A. The Board hereby assures the certified/licensed staff that it will put its full support behind the discipline procedures and policies hereinafter recommended and adopted by the Board in matters of discipline.

The administration and the certified/licensed staff recognize a mutual responsibility for the enforcement of such policies. It is also agreed that such policies will be enforced fairly and consistently without favoritism due to race, creed, color, or sex. It is recognized and agreed that there is a continuing need to review discipline policies and procedures. Such issues will be addressed by the Labor Management Committee set forth in Article 6.23.

- B. All cases of assault suffered by a certified/licensed staff member, in connection with his/her employment, shall be reported immediately to the principal and the Superintendent. A written report shall be filed later with the Superintendent on a form to be provided by the Superintendent's office.
- C. The Board agrees to provide legal counsel to defend any action arising (1) out of an assault on a certified/licensed staff member, (2) out of any disciplinary action taken against a student by a certified/licensed staff member while the employee is working within the scope of his/her employment at school or at a school related function, or, (3) out of any claim, demand, suit or judgment by reason of alleged negligence or other acts resulting in accidental injury to, or death of any person, or in accidental damage to, or destruction of property, within or outside the school building, providing such certified/licensed staff member at the time of the accident resulting in such injury, damage or destruction, was acting in the discharge of duties within the scope of employment or under the direction of the Board. The Board of Education shall not be liable for any acts of vandalism.
- D. If criminal or civil proceedings are brought against a certified/licensed staff member alleging that he or she committed an assault in connection with his or her employment, such certified/licensed staff member may request the Board of Education to furnish legal counsel to defend him or her in such proceedings. If the Board does not provide such counsel and the

certified/licensed staff member prevails in the proceedings, then the Board shall reimburse the certified/licensed staff member for reasonable legal fees incurred by him or her in defending the proceedings. If the certified/licensed staff member is found guilty in a criminal proceeding, there will be no reimbursement and such findings of guilt may constitute cause for dismissal depending on the nature of the crime. If the conviction is reversed, the certified/licensed staff member will be made whole and placed in the first available teaching position for which the certified/ licensed staff member is certified/licensed.

- E. When a certified/licensed employee is absent from school as a result of a physical or serious psychological injury caused by an assault (except among employees), arising out of or in the course of the certified/licensed staff member's employment while at school or at a school related function, the Board of Education shall pay the certified/licensed employee's salary and insurance coverage for the period of absence, up to ninety (90) work days. After ninety (90) days, continuation on assault leave may be continued only upon approval of the Sick Leave Bank Committee and then only for a period of time up to an additional ninety (90) days. Such absence shall not be charged against sick leave. The certified/licensed employee shall be required to complete all accident forms showing the nature, participant, witnesses, and location of assault, furnish a signed statement on forms prescribed, to justify the utilization of assault leave. If medical attention is required, a certificate from a licensed physician stating the nature of the disability and the approximate duration shall be required before assault leave can be approved for payment. In addition, an employee receiving assault leave must agree to provide written and/or verbal testimony to assist the Board and the administration as necessary to insure appropriate disciplinary action is taken against the attacker. In any case, the unit member acting in a personal capacity has the right to take whatever legal action desired. Falsification of either a signed statement or a physician's certificate is grounds for suspension or termination of employment under Section 3319.16 of the Ohio Revised Code.

### 5.03 Parental Leave

- A. Parental leave of absence shall be granted, upon request, to an employee who becomes pregnant, or who becomes a parent by childbirth or adoption. Said leave shall be an unpaid leave of absence and shall be granted for the full school year or part of the school year in which it is requested. Parental leave for pregnancy may begin at any point of the pregnancy and shall continue through the disability connected with delivery. Upon request of the employee, parental leave may be extended for a period up to one (1) additional school year, provided the request is made in writing to the Superintendent of Schools (who has the prerogative to accept or reject said proposal) on or before March 1 immediately preceding the school year for which the extension is requested.

- B. Application for a parental leave shall be made in writing to the Superintendent of Schools not later than thirty (30) working days prior to the effective date for such leave and such request shall state the anticipated duration of the leave.   - 2. An employee whose leave of absence shall expire prior to the beginning of the Spring semester shall notify the office of the Superintendent not later than November 1 if s/he intends to return to active duty at the beginning of the Spring semester.

- C. With advance approval of the Superintendent, any certified/licensed staff member holding office in a professional organization representing an academic discipline or invited to participate in a program of the organization may be excused from duty because of such obligations. ## 5.05 Personal Leave

Certified/licensed staff will be granted three (3) unrestricted personal leave days per year with pay. Personal leave is not accumulative and the following conditions apply:

- B. Personal leave cannot be used for a work stoppage.
- C. Personal leave will not be granted to more than twelve (12) certified/licensed staff members during any one day. Further, not more than four (4) high school, four (4) middle school or four (4) elementary staff members may use personal leave on any one day. The use of personal leave for the day before or after a holiday, or any day after April 30 shall be limited to the first nine (9) employee requests received by the Superintendent. Any request received after these nine (9) will require the approval of the Superintendent. No more than five (5) personal leave day requests for the day before or after a holiday, or any day after April 30 will be approved in any one building.
- F. A certified/licensed staff member has the option of the following: unused personal days shall be rolled into accumulated sick leave, or the staff member shall be compensated at the rate of one hundred dollars (\$100) for each unused personal day. When a bargaining unit member retires, any unused personal leave will be rolled into sick leave at the time of retirement and will be included in severance calculations. A certified/licensed staff who has used the sick leave bank is not eligible for compensation for unused personal days in the school year in which the bank was used. Unused personal days may, however, be rolled into accumulated sick leave.
- G. Personal leave must be taken in one-quarter ( $\frac{1}{4}$ ) day increments.

- H. A certified/licensed staff member may carry over up to two (2) of his/her personal days from one year to be used in the following year for a planned special personal event except that the carried over personal days may not be used for vacations. Request for such carry over must be made in writing no later than May 15th to the SEA President and the Superintendent, stating the dates and type of event to occur in the following year. If the staff member does not use all of the personal days in the following year, s/he may roll the unused personal days into accumulated sick leave.
- I. Except as otherwise stated in this section, an employee's reason for use of personal leave is a private matter, and shall not be subject to scrutiny or questioning by the Board and/or the administration.

#### 5.07 Sick Leave Bank

##### 5.071 Establishment

- A. Each bargaining unit member may contribute one day of his/her accumulated sick leave to the Sick Leave Bank during the enrollment period. The enrollment period will be from August 20 through September 15 of each school year. New teachers hired after the school year has commenced will have four (4) weeks to enroll. The donated day is not returnable.
- B. During the year, additional days may be donated by bank members upon the agreement of the Sick Leave Committee.

#### 5.072 Operational Procedures

- A. Use of days from the Sick Leave Bank will be limited to those individuals who have contributed to the bank during the school year in which they wish to use days from the bank.
- B. Use of days from the Sick Leave Bank will be limited to catastrophic personal injury or long-term illness of the Bargaining Unit member or the Bargaining Unit member's spouse, or the Bargaining Unit member's dependent children. A doctor's statement is required with the application in order to be considered. For disability associated with the normal course of pregnancy and childbirth, use of the Sick Leave Bank shall be limited to a maximum total of thirty (30) workdays of recuperation time after childbirth. Sick Leave Bank members must use accumulated sick leave first and then may use days from the sick leave bank if needed to reach the total of thirty days. Additional use of the Sick Leave Bank beyond the thirty (30) workday maximum for disability associated with childbirth shall be permitted only if such absence would otherwise qualify under this provision.
- C. Use of days from the Sick Leave Bank will be considered only after the individual has used all of his/her accumulated sick leave days and has used possible advances of sick leave days.
- D. The maximum number of days that a person may use is twenty percent (20%) of the total days in the Bank at the end of the enrollment period, or ninety (90) days, whichever amount is less. The Sick Leave Bank Committee will meet to review a recipient's continuing eligibility after forty-five (45) days of Sick Leave Bank use. Additional days may be granted at the discretion of the Sick Leave Bank Committee.
- E. No bargaining unit member shall be actively employed with any other employer, private or public, during the period of time that s/he is receiving benefits from the Sick Leave Bank.
- F. Use of the sick leave bank is a private matter to be discussed only with committee members. Evidence of disclosure of receipt of sick leave bank days shall cause forfeit of said days. Disclosure includes, but is not limited to, discussion with colleagues and/or community members and on any social media.

#### 5.073 Sick Leave Bank Committee

- A. The Bank will be operated on a voluntary basis. A committee shall be formed to administer the Bank and to provide the information whereby the business office of the Struthers City School District will

keep the records. This committee shall be empowered to adopt rules and regulations and to make decisions required to administer the Sick Leave Bank, so long as those rules, regulations, and decisions do not modify the agreement contained herein. 1. Superintendent of Schools of the Struthers City School District or his/her designee.

- B. Should a vacancy occur on the SBC, a replacement for the vacant position shall be appointed by the authority making the original appointment.
- C. One of the three bargaining unit SBC representatives will be selected to act as chairperson of the SBC. The Struthers Education Association President will designate the chairperson prior to the first meeting of the SBC.
- D. The SBC will be responsible for developing the forms needed to operate the Bank except for the Application to Use Days form.
- E. Guidelines will be reviewed annually by the Sick Leave Bank Committee.

#### 5.08 Exchange Leave

- A. Upon recommendation of the Superintendent of Schools, leave for exchange certified/licensed staff positions under either national or international programs may be granted by the Board to certified/licensed staff who have successfully completed their required three (3) year probationary period in the Struthers City School District, and who have completed at least an additional two (2) years of competent service.

- B. The Board shall compensate any certified/licensed staff member granted exchange leave on the basis of equivalent arrangements made through the Office of the Superintendent. Any period served as an exchange shall be applied to the salary schedule as if such period has been served by the certified/licensed staff member in the Struthers City School District.

#### 5.09 Return Following Unpaid Leave of Absence

- A. A certified/licensed staff member who has been granted any unpaid leave of absence (i.e., parental, exchange leave, personal leave without pay, or other long-term unpaid leave) who desires to be reassigned to duty following the expiration of such leave shall adhere to the following procedure:

- B. Reinstatement of the employee to duty following a leave of absence shall be made after the proper notification has been submitted. If the notice of the teacher's intention is not received by the appropriate dates set forth above, the Superintendent will mail an inquiry to the last known address by certified mail with a copy to the SEA President. If no response is received within ten (10) days of the date of mailing such notice, the Superintendent and SEA President shall confer and following this conference, if neither can secure an immediate response from the teacher, the teacher's employment may be considered terminated by the Board.
- C. An employee returning from leave of absence shall be reinstated to a position commensurate with certification/licensure.

#### 5.10 Family and Medical Leave

- A. Teachers are entitled to leave as provided in the Family and Medical Leave Act (FMLA) and its associated regulations. For purposes of this section, "twelves (12) month period" is defined as "the twelve (12) month period

measured forward from the date the employee's first FMLA leave begins" (i.e., the leave year is specific to each employee). The teacher is entitled to twelve (12) weeks of leave during the twelve (12) month period beginning on the first date FMLA leave is taken. The next twelve (12) month period commences the first time FMLA leave is taken after the completion of any previous twelve (12) month period.

1. Purpose: Eligible employee may take up to twelve (12) weeks of FMLA leave in any twelve (12) month period as defined above for the following reasons:

- a. The birth of the employee's child and to care for the child within one (1) year of the child's birth;

- d. The employee's own serious health condition prevents him/her from performing the functions of his/her job.

2. Usage

- a. The employee shall give the Board thirty (30) days notice when the need for leave is foreseeable; otherwise, the notice shall be given as soon as practicable. Employees requesting FMLA leave shall utilize forms provided in the Appendix and the office of the Treasurer.
- b. FMLA leave may be taken intermittently in accordance with law.
- c. An employee shall not be required to substitute unpaid FMLA leave for any paid leave provided by this Agreement.

B. Insurance Continuation: The Board will maintain the employee's coverage under its "Group Health Plan" for the duration of the leave at the level and under the conditions coverage would have been provided if the employee had continued in employment continuously for the period of the leave.

C. For the purposes of processing FMLA requests and related leave, the Board shall utilize applicable forms provided by the Department of Labor.

#### 5.11 Bereavement Leave

Three (3) days bereavement leave shall be granted to teachers due to a death in the immediate family as defined in 5.01 E. The bereavement leave may be used for the actual funeral, for grieving or for business related to the death as needed. Additional bereavement days may be taken from sick leave, personal leave or emergency personal leave.

If the death in the immediate family occurs more than two-hundred (200) miles from Struthers (by AAA estimate), one (1) additional day shall be approved by the Superintendent (with pay) upon proof of need.

Funeral time will be allowed only if the certified/licensed staff member attends the funeral.

One (1) day, or a portion of a day, of bereavement leave shall be granted to teachers due to a death of a Struthers staff member, to be used for the day of the funeral. Funeral time will be allowed only if the certified/licensed staff member attends the funeral. Teachers may agree to cover for one another, at no cost to the Board, to allow for funeral attendance.

#### 5.12 Jury Duty

Employees shall be granted military leave consistent with state and federal law.

### **ARTICLE VI        WORKING CONDITIONS**

#### 6.01 Professional Personnel Records

An official personnel file shall be maintained for all members of the bargaining unit in accordance with Section 1347 O.R.C. The file shall be limited to work

performance, discipline and routine personnel data. No anonymous documents will be placed in the official personnel file.

- A. Each item in the file shall indicate its date of origin and the date it was entered into the file.
- B. Letters which are complaints or warnings from the administration to said employee to improve or to desist from continuing present practices will be placed into employees' files with a copy being forwarded to the employee for his or her signature and date. Said letter is to be personally given to the employee by his or her principal. If a copy with the employee's signature and date is not returned within (ten) 10 working days to signify acknowledgement of letter or else to write a rebuttal, said letter will remain in the file so annotated by the Superintendent. A copy of any such letters will be given to the Association at the time of insertion into the personnel file. Written complaints or other negative material authored by anyone other than administrative personnel are not to be included in the official personnel file.
- C. An employee shall have the right to write a rebuttal to any document in the file and to have the rebuttal placed in the file, provided the rebuttal is submitted within ten (10) working days of the employee receiving the document.
- D. Unfavorable material, other than evaluation documentation, will not be considered by the Board for more than five (5) years after its insertion for any disciplinary action, up to and including nonrenewal and termination under the terms of this Agreement.
- E. An employee may examine his/her file, including building files, by utilizing the provisions of O.R.C. 149.43 in effect as of October 17, 2013 and specific Board Policy 8310 in effect as of November 16, 2010. Both the employee and the administration have the option of having an additional party present at the review.

## 6.02 Just Cause

No employee shall be adversely evaluated, disciplined, non-renewed, or reduced in rank or compensation without just cause.

### 6.021 Option of the Bargaining Unit Member

#### A. Continuing Contract Employees

Any bargaining unit member confronted with the termination of his/her employment contract by the Board shall have the option of challenge to said action by utilizing the provisions of O.R.C. 3319.16

and 3319.161 in effect as of October 6, 2009, or by utilizing the provisions of this Contract.

6.03 Teacher Non-Renewal

The procedures set forth in O.R.C. Section 3319.11, in effect as of March 22, 2013, shall be followed for nonrenewal of limited contract teachers.

6.04 Changes in Teaching Conditions/Terms of Employment

Changes affecting teaching conditions within a building or terms of employment shall only be implemented after notification to the President of the Association and, if requested, following negotiation between the Association and the administration.

6.05 Substitute Teachers

- A. The Superintendent's office shall maintain a list of qualified substitute certified/licensed staff members.
- B. When a certified/licensed staff member is absent, a qualified substitute will be provided when possible.

6.051 Long Term Substitutes

- A. Long-term substitutes are defined as substitute teachers placed in the same assignment for more than sixty (60) work days. All long-term substitutes shall receive a written contract of employment.
- B. The employment of long-term substitutes shall be for the period specified in their contract of employment, and shall automatically expire at the end of that term without action by the Board or further notice to the teacher. Neither the provisions of Article 6.03 Teacher Non-Renewal nor the provisions of Section 3319.11, Ohio Revised Code shall apply to long-term substitutes and the same are specifically superseded.
- C. A long-term substitute shall be granted a year of service credit only if employed for a minimum of one hundred twenty (120) days (at least three and one-half [3½] hours per day) in any one school year.
- D. Neither the provisions of Article 6.06 Reduction in Force, nor the provisions of Section 3319.17, Ohio Revised Code shall apply to long-term substitutes and the same are specifically superseded.
- E. Neither the provisions of Article 6.19 Evaluation nor the provisions of Section 3319.111, Ohio Revised Code shall apply to long-term substitutes and the same are specifically superseded. However, at least one (1) written evaluation using the current contractual evaluation instrument will be provided for a long-term substitute whose employment extends beyond sixty (60) days. The evaluation will be based on at least one thirty (30) minute observation.

- F. Beginning with the 61<sup>st</sup> day of employment in the same assignment, a long-term substitute shall receive all contractual rights except those specified in B. and D. above and shall be placed on the Bachelors step 1 of the salary schedule with full benefits. Prior to that time, long-term substitutes shall be compensated at the substitute rate.

#### 6.06 Reduction in Force

When, by reason of decreased enrollment of pupils, return to duty of regular teachers after leaves of absence, or by reason of suspension of schools or territorial changes affecting the district, and for financial reasons, the Board of Education decides that it will be necessary to reduce the number of teachers, it may make a reasonable reduction. In making such reduction, the Board shall proceed to suspend contracts in accordance with the recommendation of the Superintendent of Schools who shall, within each teaching field affected, give preference to teachers on continuing contracts, except for teachers who are rated "Ineffective" (see 6.06 C.1.), and to teachers who have greater seniority when teachers possess comparable evaluations. Teachers who are rated "Ineffective" shall be suspended first, regardless of contract status (See 6.06.C.1.). So long as they possess comparable evaluations, teachers whose contracts have been suspended shall have the right of restoration in the order of seniority of service in the district if and when teaching positions become vacant or are created for which any of such teachers are or become qualified. Seniority rights shall be determined according to the procedure established in Section 6.06 (B).

##### A. Attrition

Subject only to the exception contained herein, the number of persons affected by a reduction in force will be kept to a minimum by not employing replacements for certified/licensed staff members who retire or resign, or whose contracts are non-renewed. The employment of replacements for some positions may be necessary; however, only in the event that certificated/licensed staff members in the system do not possess the necessary certification/licensure for the teaching position and cannot obtain this necessary certification/licensure. Attrition may not be sufficient to accomplish a reduction in force in full.

Attrition will, however, be utilized to the greatest extent.

##### B. Seniority Rights/Seniority Lists

1. All members of the certified/licensed staff will be placed on a continuously updated seniority list for each teaching field for which they are properly certificated/licensed. Teachers serving on continuing contracts will be placed at the top of the list, in descending order of seniority. Teachers serving on limited contracts

will be placed on the list under continuing contract teachers, also in descending order of seniority.

2. Seniority shall be determined by the length of continuous service in the Struthers City Schools District.

Each teacher, full or part time, shall receive a full year of seniority for every year taught as long as s/he works at least one hundred twenty (120) days in the school year.

- a. Board-approved leaves of absence will not interrupt seniority, but time spent on such leave shall not count toward seniority.
- b. If two or more teachers have the same length of continuous service, seniority will be determined by:
  - (1) The date of the Board meeting at which the teacher was hired, and then by
  - (2) The date the teacher signed his/her initial employment contract in the District.
  - (3) Any remaining ties will be broken by the last four (4) digits of each individual's Social Security Number. The four (4) digits with the lowest number will receive the higher placement.
- c. It is the teacher's responsibility to prove his/her seniority if different from the Board's calculation.

#### C. Suspension

1. To achieve such a reduction in force, the Board may proceed to suspend contracts in accordance with the recommendation of the Superintendent. In making the recommendations, the Superintendent must reduce first bargaining unit members on limited or continuing contracts who have received a final summative rating of "Ineffective" within areas of certification/licensure who are currently assigned to a position in that teaching field. If there are multiple teachers in this group, seniority amongst these limited and continuing contract teachers rated "Ineffective" shall determine the order of reduction within this first group.
2. Should the necessary reduction of teaching positions exceed the number of limited and continuing contract teachers rated "Ineffective" in the affected teaching field, limited contract teachers shall be reduced utilizing the following order:

Limited contract teachers shall be reduced first utilizing the following order:

- i. Certification/Licensure within the currently assigned and affected teaching field.
  - ii. Comparable evaluations as defined in this agreement (i.e., lower rated employees being subject to reduction prior to those with higher ratings).
  - iii. When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior limited contract teacher in the affected teaching field being the first to be suspended.
- a. Should the necessary reduction of teaching positions exceed the number of limited contract teachers in the affected teaching field, continuing contract teachers shall be reduced utilizing the following order:
  - i. Certification/Licensure within the currently-assigned and affected teaching field.
  - ii. Comparable evaluations as defined in this agreement (i.e., lower rated employees being subject to reduction prior to those with higher ratings).
  - iii. When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior continuing contract teacher in the affected teaching field being the first to be suspended.

b. Comparable Evaluations

Comparable evaluations shall be based on the average of three (3) years of summative evaluations. Until three (3) years of applicable data is available, all teachers are considered comparable, except for any teachers who receive a summative evaluation rating of ineffective. (See 6.06.C.1.)

- i. The evaluation ratings specified in this section refer to the final summative evaluation ratings assigned to a teacher. If, for whatever reason, the employee does not possess a final summative rating for the year in which the reduction in force will occur, the employee's last rating will be utilized for the purposes of considering whether employees are "comparable" or "Ineffective." In the event the teacher does not have any prior rating, seniority in the District shall prevail.

For the purposes of this article, SEA members who are not evaluated under OTES shall not be considered in the pool of determining "comparable" and shall be compared only to other non-OTES-

evaluated SEA members within their certification/licensure.

3. A teacher affected by reduction in force may elect to displace a teacher who possesses a comparable or lesser evaluation rating and who holds a lower position on the seniority list for another area of certification/licensure for which the affected teacher is currently certificated/licensed or will become certificated/licensed on or before the first (1st) day of school.
4. Any certified/licensed staff member suspended because of a reduction in force shall have the right to apply through the group insurance/guidelines outlined in this Agreement consistent with COBRA except when other employment provides hospitalization coverage.

D. Recall

The names of teachers whose limited contracts are suspended in a reduction in force will be placed on a recall list for twenty-four (24) months from the time of the suspension of contract, except continuing contract teachers who will remain on the recall list for a continuing period of time, provided they have not accepted employment in a certificated/licensed position in another school district. Teachers on the recall list will have the following rights:

1. No new teachers will be employed by the Board while there are teachers on the recall list who are certificated/licensed for the vacancy.
2. Teachers on the recall list will be recalled by seniority as long as the individual possesses a comparable or higher rating than the other teachers on the recall for vacancies in areas for which they are certificated/licensed. If applicable, continuing contract teachers with the requisite certification/licensure shall be recalled prior to limited contract teachers with the requisite certification/licensure.
3. If a vacancy occurs, the Board will send a certified announcement to the last known address of all teachers on the recall list. It is the teacher's responsibility to keep the Board informed of his/her current address. All teachers are required to respond in writing to the Board office within ten (10) calendar days from the date on the certified announcement. So long as the eligible teachers on recall possess comparable evaluations, the most senior of those responding will be given the vacant position. Any teacher who fails to respond within ten (10) calendar days, or who declines to accept the position, will forfeit all recall rights.

4. A teacher on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave, and appropriate salary schedule placement as s/he enjoyed at the time of layoff. A teacher who is recalled shall be restored to such employment status (i.e. continuing or limited contract) that s/he held at the time of the reduction in force.

E. Supersede State Law

The reduction in force provisions set forth herein shall supersede those set forth in Revised Code Section 3319.17.

6.07 School Year

The school year shall consist of a maximum of one hundred eighty-four (184) days (or, due to the shift in school calendar calculations, this is the equivalent of 1349 1/3 hours). One hundred eighty (180) days (or the equivalent one thousand-three hundred-twenty [1320] hours) shall be instruction days. Two (2) days are professional in-service days. The Association shall be permitted to have a membership meeting of no less than thirty (30) minutes within the beginning district in-service days. Two (2) one-half (½) days will be flexible teacher report days. A joint committee comprised of three (3) Association members, including the SEA President, and three (3) administration members shall be created and shall have authority to determine the flexible time option to be used for the two (2) one-half (½) flexible teacher report days. The 184th day will be used as decided by the DLT. NEOEA day will be a non-work day but may be used as flex time. The parties will comply with state law that sets forth a minimum number of student instructional hours per year.

Release time may be provided at the end of each nine (9) week grading period to facilitate record-keeping responsibilities. Special education teachers responsible for drafting IEPs will receive necessary release time to accomplish that purpose.

6.08 School Day

- A. The normal school day shall not exceed seven (7) hours and twenty (20) minutes. This provision excludes days on which teachers' meetings, parent conferences, and open house are scheduled.

All employees shall attend one (1) open house per school year, if one is scheduled by Administration. For each building in the District, the regular school day will end no later than 2:00 p.m. on the day on which an open house is being held in that building.

All bargaining unit members shall attend no more than two (2) parent-teacher conference nights per school year, as scheduled by Administration. On days of parent-teacher conferences, student dismissal at all buildings

will be according to the building's early dismissal schedule; but no later than 12:45 p.m.

- B. Teachers shall not be assigned duties outside of the seven (7) hour and twenty (20) minute time period unless compensatory time off is provided. Compensatory time shall be during the same pay period and must be at the beginning or end of the scheduled day.
- C. Duty assignments outside of the normal day must be agreed to by the teacher involved.
- D. Teachers attending meetings outside of the normal school day as requested by the administration shall be compensated at an hourly rate in accordance with Article VII, Section 7.09 Hourly Wage. Teachers attending meetings outside of the normal school day as required by some other entity, including but not limited to, Youngstown State University for dual credit courses and The College Board for AP courses, shall be compensated at an hourly rate in accordance with Article VII, Section 7.09 Hourly Wage. Summer enrichment as required by some other entity, including but not limited to, Youngstown State University for dual credit courses and The College Board for AP courses, shall be compensated at a daily rate of fifty dollars (\$50) if agreed to by the SEA President and the Superintendent. Teachers attending meetings on their own initiative for personal or professional development are not entitled to compensation for that attendance. Department heads may be required to attend a maximum of two (2) after school county meetings without additional compensation beyond the supplemental contract.

#### 6.09 After School Meetings

Teachers may be required to remain after school to attend the following staff meetings:

- A. Superintendent of Schools' general staff meeting or other meetings called by the Superintendent of Schools. The Association shall be permitted to have a general meeting at the conclusion of any general staff meeting.
- B. General faculty or other meetings called by the school principal.
- C. Subject Field Groups, Grade Level Groups, or Special Groups as authorized by the Superintendent of Schools, or principal concerned.
- D. Such meetings should not last longer than 4:00 p.m. unless agreed upon by the personnel concerned.
- E. The total of such educationally-oriented meetings shall not exceed ten (10) meetings per year and no more than two (2) meetings per month. Attendance exceptions shall be determined by the building principal.

- F. Certified/licensed staff membership and participation in PTA-sponsored activities before school hours and after school hours shall be voluntary. PTA meetings during school hours are to be attended as per instruction of the building principal.

#### 6.10 Lunch Period

All certified/licensed staff shall have an uninterrupted daily duty-free lunch period in accordance with State law. Other than sign in and sign out, certified/licensed staff shall have no restrictions concerning leaving the building during their respective authorized lunch period. Elementary teachers will be provided the opportunity for a scheduled one-hour lunch two (2) times a week based on a normal five (5) day week as determined by the building administrator.

#### 6.11 Preparation and Planning Periods

- A. All teachers shall have, in addition to their thirty (30) minute lunch period, planning time equal to a minimum of five (5) planning/conference periods per week. Equal time shall not be in blocks of less than thirty (30) minutes each. Additional planning/conference time for consultation and collaboration may be provided for regular classroom teachers who have students with IEPs or 504 accommodation plans.

During lunch and planning/conference periods, teachers may leave their buildings. In case of a personal emergency arising at other times during the school day, the building principal or his/her designee may grant authorization for the teacher to leave the building. In those circumstances, the appropriate leave mechanism may be required as determined by the building principal or his/her designee. Periodically teachers may leave the building after student dismissal at the end of the day, after obtaining authorization from the building principal or his/her designee, without activating any leave mechanism. Any time during the workday when a teacher leaves the building, s/he must sign out and sign in.

Consistent with Article 4.011, the Association President and/or his/her designee shall be authorized to leave the building on official Association business during planning/conference times after notification to the building principal or his/her designee of the location and expected duration of the absence from the building.

- B. Secondary certified/licensed staff should not be assigned classes requiring an unreasonable number of different teaching preparations in any one semester.
- C. If a staff member is asked to use his/her planning period time to substitute for an absent bargaining unit member, s/he will be paid twenty-five dollars (\$25.00) per instructional period. This provision also applies to a staff member who is asked to take extra classes into his/her scheduled

classroom. Study hall teachers are eligible for payment only if more than one additional class is added to the study hall. Payment shall be made the first pay period following the pay period in which the work was performed.

(This provision does not include staff members who agree to cover for each other.)

- D. Intervention specialists will not be pulled from their regularly assigned duties to cover for absent bargaining unit members unless no other alternative is possible.
- E. Special certified/licensed staff (i.e., art, music, physical education, etc.) shall possess the same benefits and working conditions as the rest of the staff. The special certified/licensed staff shall have time to set up special equipment for subsequent classes, time for commuting, daily planning time, etc.

The Association recognizes that some benefits and physical conditions may vary from building to building.

#### 6.12 Participation - Extracurricular Activities and Other After-School Functions

- A. The Board and the Association recognize the importance of teacher participation in extracurricular activities and other after-school functions. Therefore, they agree that teachers should attend some school activities which are held after school or in the evening.

Certified/licensed staff's participation in extracurricular activities or other school functions after the regular school day for which no additional compensation is paid shall be voluntary. Non-participation in such activities shall not be valid items for the certified/licensed staff's evaluation.

- B. School sponsored programs such as tutoring during planning periods, before or after school for remediation, proficiency tests or for standardized college entrance exams such as the ACT, SAT or PSAT, shall be reimbursed at a rate of twenty-five dollars (\$25) per hour.

#### 6.13 Supplemental Contracts

- A. Nothing contained within this article shall be construed to prohibit the Board from offering a supplemental contract to any individual classroom teacher, provided that no individual certified/licensed staff member shall be required to accept a supplemental contract.

Consistent with state law and regulations, all supplemental contracts shall be offered first to qualified certificated/licensed bargaining unit members and then to other individuals when no qualified certificated/licensed bargaining unit member has applied for the position.

- B. Head coaches will be selected first. Thereafter, interested applicants for particular sports will apply for the position of assistant coach in that sport. Successful applicants for these coaching positions will then be identified (i.e., "JV football," "8<sup>th</sup> grade boys basketball," "varsity assistant football coach," etc.) and assigned to a position by the Director of Athletics in collaboration with the head coach for that sport.

Nothing herein shall permit the Board to employ the services of individuals who do not meet the appropriate qualifications as established by state law and/or regulations established by the state to coach an athletic team.

- C. The performance of all athletic coaches will be evaluated in writing by the building administrator in consultation with the Director of Athletics with input, where appropriate, from head coaches.
- D. A unit member who fails to fulfill or substantially complete his/her duties under a supplemental contract by reason of resignation, thereby necessitating the Board to hire a replacement, shall be paid on a prorated basis for that part of the season or activity during which she/he fulfilled the duties. A bargaining unit member who fails to fulfill or substantially complete his/her duties under a supplemental contract by reason of long term illness or injury will retain the supplemental contract with full compensation if replaced by a volunteer(s) until such time as s/he is ready to resume his/her duties. If no volunteer is available, thereby necessitating the Board to hire a replacement, the bargaining unit member shall be paid on a prorated basis. The prorated amount will be determined based upon the number of days required for the particular activity (i.e., for athletic activities, the schedule set by the OHSAA; for "club" activities, the school calendar year, etc.).
- E. In order to receive payment for completed duties under a supplemental contract, a unit member shall substantially complete the duties of the position and process all required paperwork.
- F. Postings shall be in accordance with 6.222 A.

#### 6.14 Medical Examination

The cost of medical examination, when required by the Board, shall be at the Board's expense if the examination is performed by the Board's physician.

Nothing in this section shall be construed to mean that certified/licensed staff members may not be given a physical examination by a private physician (either a doctor of medicine or a doctor of osteopathy) at their own expense. The Board, however, reserves the right to have the certified/licensed staff member examined by its physician, or one mutually agreed upon, at the Board's expense.

#### 6.15 Class Size

- A. The Board and the Association recognize that the pupil-teacher ratio is an important aspect of an effective educational program. Therefore, they agree that the class sizes set forth below are desirable standards.
1. Elementary (K-4) - not to exceed twenty-five (25).
  2. Middle (5-8) - not to exceed twenty-five (25).
  3. High School (9-12) - not to exceed one hundred-twenty-five (125) in English and not to exceed twenty-five (25) per class in any academic subject area.
  4. High School Counselors – 1-350 ratio.
  5. Special Education Resource Rooms – not to exceed more than three (3) grade levels in one (1) class
- B. Unless established for the purpose of implementing a specific, deliberately planned education program, no split-grade classes should be maintained in the elementary schools.
- C. Classroom aides in grades K-6 shall be assigned using the following formula:
1. Academic classrooms with 28-30 students at any time during the school day = one (1) hour per day.
  2. Academic classrooms with 31-32 students at any time during the school day = two (2) hours per day.
  3. Academic classrooms with 33-36 students at any time during the school day = three (3) hours per day.
- When class size at the elementary level exceeds thirty-six (36) pupils for any regular academic classroom teacher, the class will be divided; however, if there is a lack of immediately available physical facilities, provisions should be made for such certified/licensed staff member to have an aide assigned to the classroom for the entire school day. Every effort will be made to maintain reasonably balanced classes
- D. The certified/licensed staff member and/or the Association shall have the privilege of meeting with the Superintendent upon request to discuss exceptions to the foregoing standards.

#### 6.16 Facilities

- A. The Board and the Association agree that it is desirable that each building has the following facilities:

1. Space in each classroom in which certified/licensed staff members may safely store instructional materials and supplies.
2. A certified/licensed staff member's work area containing adequate equipment and supplies to aid in the preparation of instructional materials.
3. An appropriately furnished room, which shall include a telephone, to be used as a faculty lounge.
4. Well-lighted, ventilated, clean staff restrooms with hot and cold running water and appropriate facilities for men and women.
5. Copying equipment which is of adequate capacity for the building.
6. Adequate parking space for all certified/licensed staff.
7. An adequate professional library in each building. Materials generally shall be selected by certified/licensed staff committees.

#### 6.17 Instructional Materials

- A. The Board agrees to provide sufficient instructional materials to insure that each pupil in a classroom has copies for his/her own use. This also means to include supplemental materials, at parallel or other levels, to insure each pupil a broad base or depth in learning.
- B. Instructional materials to be used in the schools, shall continue to be cooperatively selected through joint consultation among the certified/licensed staff and administrators, subject to final approval by the Superintendent. Instructional materials must be adaptable to the Ohio content standards.
- C. The certified/licensed staff will give as much time as necessary to help select the best textbooks, equipment and materials for their classrooms.

#### 6.18 Summer School Program

- A. Positions in the Struthers Summer School shall, to the extent possible, be filled first by certified/licensed staff regularly employed in the Struthers City School District.
- B. In filling such positions, consideration must be given to a certified/licensed staff member's area of competence, experience, major and/or minor field of study, quality of teaching performance, attendance record, and length of service in the District.
- C. All openings for summer school positions must be posted as described in Section 6.222 A and B of this Agreement.

- D. Preference will be given to kindergarten teachers or staff members who previously taught Success by Six.

#### 6.19 Evaluation

**PURPOSE:** The Board, the Administration, and the Association agree that any certified/licensed staff evaluation program is intended to provide ongoing assessment and meaningful feedback to advance the professional development of teachers and to support student growth. The goal of both the evaluator and the certified/licensed staff member must be a sincere attempt to assist in identifying and/or developing best educational practices in order to provide the greatest opportunity for student learning and achievement.

- B. **PROFESSIONAL DEVELOPMENT:** The Board shall provide training for administrators and teachers that ensures an understanding of all processes, forms, rubrics and tools used in OTES.
- C. **FORMAT:** The Board, the Administration, and the Association agree that the standards-based certified/licensed staff evaluation program will conform to the framework for evaluation of teachers developed under ORC Section 3319.112, and will include the following:
1. A uniform instrument for rating members of the certified/licensed staff.

2. The Struthers City Schools will use the OTES evaluation system as developed and updated by the OTES Committee as listed in Appendix G.

D. **EVALUATORS:** Evaluations will be conducted by a credentialed (as established by the ODE for teacher evaluation) principal (employed by Struthers City Schools) or a credentialed associate/assistant principal (employed by Struthers City Schools) within a building in which the staff member is assigned for a majority of the day, or by the credentialed Director of Special Services (employed by Struthers City Schools) if the staff member is a part of the Special Services department. Exceptions to the above are:

1. Teachers whose students evidence above expected levels of student growth may choose their credentialed evaluators for the evaluation cycle.
2. Teachers whose students evidence expected levels of student growth shall have input on the selection of their credentialed evaluators for the evaluation cycle.

E. **TEACHER PERFORMANCE ASSESSMENT STRUCTURE AND PROCEDURES:**

1. A teacher's performance shall be assessed based on the Ohio Educator Standards and rubrics for teaching and the criteria set forth in the evaluation instrument, Appendix G to this Agreement. A teacher shall be required to have no more than two (2) focus areas in the evaluation cycle for any given year.
2. Teacher performance assessments shall be based solely on the evidence provided by the teacher, on the formal observations of the teacher by the teacher's assigned evaluator, and the walkthroughs that are set forth in this Agreement. No misleading, inaccurate, untimely or undocumented information may become part of a teacher's performance assessment. All results and conclusions of performance assessments shall be documented and supported by evidence.
3. All monitoring or observation of the work performance of a teacher shall be conducted openly and with full knowledge of the teacher. The district shall conduct all assessments so as to observe the legal and constitutional rights of teachers; and no teacher performance information shall be collected by video or audio devices, unless approved in advance by the teacher being assessed.

4. All OTES members of the bargaining unit will be evaluated once annually, except:

This copy of evaluation results (the evaluation report) shall be electronically signed by the evaluator and then be electronically signed (with the teacher's pin) by the teacher to verify notification to the teacher that the evaluation report will be placed on file. The teacher's signature should not be construed as evidence that the teacher agrees with the contents of the evaluation report. If a teacher refuses to sign, the evaluation report shall be placed in the teacher's file without his/her signature.
6. For a teacher on a limited or extended limited contract under consideration for non-renewal, a third formal observation is required. The third observation will be either focused or holistic based on the improvement plan. Said teacher would be notified by the evaluator within ten (10) days after the review of the improvement plan. Written notice of nonrenewal will be provided by June 1st.

#### F. FORMAL OBSERVATIONS

There shall be at least three (3) weeks between formal observations. The first formal observation shall be completed by December 31<sup>st</sup>. The second formal observation shall be completed by April 30<sup>th</sup>. If after the second formal observation a teacher's performance is found deficient to the extent that adverse personnel action may result, a minimum of one additional observation shall be conducted prior to April 30<sup>th</sup>.
2. Formal observations shall be preceded by a conference (pre-conference) between the evaluator and the teacher in order for the teacher to explain plans and objectives for the work situation to be

observed. The pre-conference shall take place within two (2) days of the scheduled observation. See Pre-Conference Form Appendix G-3.

3. A conference (post-conference) shall be held after each formal observation and shall be used to inform the teacher if observed instructional practices are aligned with the expectations that are identified in the teacher's professional growth or improvement plan. The post-conference shall take place within five (5) days of the scheduled observation. See Post-Conference Form Appendix G-4.
4. The timelines above may be extended upon mutual agreement of the certified/licensed staff member and the administration.

3. The teacher shall be provided a copy of the walkthrough form no later than two (2) work days following the walkthrough.
4. No less than two (2) walkthroughs, but no more than six (6) walkthroughs, shall be conducted in each formal observation cycle.
5. It is desirable that the walkthroughs take place during different times of day and/or during different class periods.
6. The timelines and/or restrictions above may be changed upon mutual agreement of the certified/licensed staff member and the administration.

2. Professional growth and improvement plans for a school year shall be developed not later than ten (10) days after the completion of the first post conference for teachers in a full evaluation cycle year. Teachers (rated accomplished and/or skilled) not in a full evaluation cycle year shall develop a PGP by October 30<sup>th</sup>.
3. Professional growth and improvement plans shall contain no more than two (2) goals which shall be linked to their focus areas and shall describe the specific performance expectations, resources, and assistance to be provided.
4. The Board shall provide for professional development, and for the allocation of financial resources to accelerate and continue teacher growth and improvement; and to provide support to poorly performing teachers, in accordance with ORC 3319.112. A poorly performing teacher is defined to be a teacher who continues to receive an overall summative rating of ineffective after receiving an ineffective rating for a period of no less than two out of the last three years, and who takes the written examinations required pursuant to section 3319.58 of the Ohio Revised Code, and who completes a remediation and/or improvement plan during the subsequent school year.
5. An improvement plan is a clearly articulated assistance program for a teacher whose final summative rating is ineffective, or who is rated ineffective in an area on the rubric.
6. The improvement plan shall include:

The mentor teacher (coach) shall be chosen according to the same selection criteria (with the exception of mentor training), and will have the same responsibilities, restrictions, protections and compensation as outlined in Article VI, Sections 6.282, 6.283, 6.284, 6.285 and 6.286.

J. FINAL SUMMATIVE RATING

- 1. The district will submit the requirements necessary to arrive at a final summative rating to the Ohio Department of Education, no later than May 30<sup>th</sup>.
- 2. A final summative rating will not be a factor in decisions regarding teacher job action, including but not limited to assignment, transfer and/or non-renewal. No punitive action will be taken as long as the teacher is showing progress consistent with his/her improvement plan.

K. DUE PROCESS

- 1. Teachers who disagree with the rating of performance and/or the summative evaluation rating shall be allowed to request a review by the secondary evaluator; and such request shall be honored by the district.
- 2. A teacher shall be entitled to Association representation at any conference held during this procedure in which the teacher will be advised of an impending adverse personnel action.
- 3. Failure by the district to adhere to any timeline or condition established in this agreement shall render the evaluation, including the summative rating, void and shall automatically require re-employment of the teacher under a continuing contract, if eligible, or an appropriate limited contract if the teacher is not eligible for a continuing contract.
- 4. Any violation of either procedural or substantive due process shall automatically require re-employment of the teacher under a continuing contract, if eligible, or an appropriate limited contract if the teacher is not eligible for a continuing contract.

5. If an employee believes the evaluator has violated the procedure established in Article 6.19, the employee may file a grievance within 10 working days, as defined in Article III, of the employee's receipt of the signed and final version of a written evaluation for the particular school year or portion of a school year.

- d. In the event of legislative action by the Ohio General Assembly that impacts in any way on this topic, the parties to this agreement shall discuss this topic to determine whether adjustments are appropriate during the term of this Agreement. ## **Part II. For Non-OTES Members of the Bargaining Unit**

- A. FORMAT: The Board, the Administration, and the Association agree that the certified/licensed staff evaluation program will include the following:
  1. A uniform instrument for rating members of the certified/licensed staff.
  2. The Struthers City Schools will use the present evaluation system as developed by the faculty and administration in September 1980 as listed in the Appendix G-13.
  3. The parties agree as to the need for a comprehensive review of the teacher evaluation system including the development of a new evaluation instrument(s) and protocol. To that end, faculty members affected by the non-OTES evaluation and appointed by the Association and administrators appointed by the Superintendent will review the current evaluation system. Recommendations for any needed modifications to the evaluation process including the corresponding evaluation instruments will be made within the life of this Agreement. Such recommendations and/or changes in the evaluation process shall be subject to approval by the Board and the Association.
- B. EVALUATORS: Evaluations will be conducted by a principal (employed by Struthers City Schools) or assistant principal (employed by Struthers City Schools) within a building in which the staff member is assigned for a majority of the day, or by the Director of Special Services (employed by Struthers City Schools) if the staff member is in the Special Services department. Strictly prohibited are the use of peer evaluators and the use of any outside agency as evaluators.

The Superintendent of Struthers City Schools shall evaluate when requested by the certified/licensed staff member or principal, or when the Superintendent desires to do so, in accordance with the timelines set forth in Paragraph C. The Association and the Board may agree to waive timelines in extenuating circumstances.

C. TEACHER PERFORMANCE EVALUATION STRUCTURE AND PROCEDURES:

The work performance of all certified/licensed staff shall be evaluated in writing. All limited contract teachers will be evaluated at least twice but no more than four (4) times in each year. The first of these evaluations shall be conducted between September 15 and December 1 and at least one additional evaluation shall be conducted between January 15 and March 31.

All continuing contract certified/licensed staff shall be evaluated at least once every three (3) years. These evaluations shall be conducted by April 30.

D. OBSERVATIONS: Each evaluation of a teacher on a limited contract shall require two (2) observations of not less than thirty (30) minutes each. Each evaluation of a teacher on a continuing contract shall require one (1) observation of not less than thirty (30) minutes each. Each observation shall be made in person. There shall be at least a two (2) week period of time between observations unless a shorter time span is mutually agreed to by the certified/licensed staff member and the evaluator.

If a teacher is deemed to be non-OTES due to contact with a limited number of students, that teacher's performance shall still be assessed based on the Ohio Educator Standards and rubrics for teaching and the criteria set forth in the evaluation instrument, Appendix G to this Agreement.

All monitoring or observation of the work of a certified/licensed staff member shall be conducted openly and with the full knowledge of the certified/licensed staff member. The use of eavesdropping, public address or audio systems and similar surveillance devices shall be strictly prohibited.

E. POST-CONFERENCE: The evaluation conference shall be conducted between the evaluator and the certified/licensed staff member within ten (10) calendar days of the second observation in each evaluation cycle. A copy of the written evaluation shall be submitted to the certified/licensed staff member at the time of such evaluation conference. The certified/licensed staff member shall have the opportunity to review the evaluation report with the evaluator. All evaluations shall be based upon valid criteria for evaluating professional growth. No teacher evaluation will include reference to standardized and/or state mandated testing results.

- F. IMPROVEMENT PLAN: In the event that a teacher is found to have professional difficulties, the written evaluation must include specific recommendations regarding needed improvements and the means by which the teacher may obtain assistance in making such improvements.

The Building Communications Committee, their meetings, discussions that take place, and resolutions reached shall in no way be construed as collective bargaining agreement negotiations, or in any way replace or circumvent the grievance procedure.

#### 6.21 Non-Teaching Duties

- A. The Board and the Association agree that a certified/licensed staff member's primary responsibility is to teach students and that his/her energy should be utilized to this end. The Board and the Association recognize that certified/licensed aides and part-time clerical and non-certified staff employees are useful and necessary in order to implement this principle. Therefore, such personnel will be utilized as much as possible for items such as the following:
  - 1. To supervise study halls, playgrounds, cafeterias, corridors, bus students, or detention.
  - 2. To assist the certified/licensed staff with typing, duplicating, collecting money, attendance, visual aides, correcting papers and themes, distributing milk, plus many miscellaneous details.

- B. Certified/licensed staff shall not be required, nor requested, to drive pupils to activities which take place away from school buildings. The certified/licensed staff are to provide leadership in the coordination of the transportation of the students.
- C. The schedules for custodians and janitorial technicians should be arranged to accommodate certified/licensed staff's work schedules.

#### 6.22 Vacancies

##### 6.221 Vacancy Defined

- A. A vacancy shall be defined as any open or newly created position (administrative and/or instructional) which the Board determines to fill for which a member of the bargaining unit may be eligible.
- B. The Superintendent shall determine whether or not to recommend filling the vacancy to the Board within sixty (60) days following any action that causes a previously-held position to be vacated. Notwithstanding the above, positions vacated after the beginning of the school year may be filled by the employment of long-term substitutes.

Positions vacated for a full school year by reason of a leave of absence of a bargaining unit member may be filled by the employment of long-term substitutes. No more than three (3) such long-term substitutes may be utilized in any school year without the approval of the Association.

- C. At the primary and intermediate (K-8) levels, postings shall begin no later than April 30 when class sizes dictate that a new grade level position is necessary due to fluctuations in class size as students progress through the system.

#### 6.222 Posting of Vacancies

- A. When it has been determined by the Superintendent that a vacated position shall become a vacancy or that a new position shall be created, the Superintendent or his/her designee shall post notice of such vacancy within three (3) days of said determination on the faculty bulletin board in each school building. The Association President shall be given a copy of each notice of vacancy on or before the date of its posting, and, upon request, a list of all applicants at the closing of each posting. During the summer recess, such notice shall be electronically transmitted via staff and personal E-mail accounts.
- B. Each notice of vacancy shall include the building(s) in which the vacancy exists, the grade level of the students to be supervised, and the qualifications required of each applicant. The qualifications required of any employee bidding on a vacant position shall be determined by the Superintendent and shall be consistent with the duties and responsibilities of the vacant position. In the case of a newly-created position(s) or a position(s) outside of the Bargaining Unit, said notice shall also stipulate the compensation for the position.

#### 6.223 Filling of Vacancies

- A. Employees shall have five (5) work days to bid on the initial posting of a vacancy. Employees may submit their bids via email and the Board will also post vacancies through hard-copy paper postings. Day shall be defined as a day that the Board office is open.

When the qualifications of two or more employees who have made a timely bid on a vacancy are deemed equal, preference shall be given to the one with the greatest seniority.

A bargaining unit member shall not apply for a transfer for the remainder of the school year once s/he has filled a vacancy.

## 6.23 Transfer

### 6.231 Definition

A transfer shall be defined as the movement of an employee from a teaching assignment:

- A. In one (1) building to another building.
- B. In one (1) area of certification/licensure to another area of certification/licensure

A transfer will be initiated after classroom teaching positions have been filled using seniority within the building.

### 6.232 Types of Transfer

Transfers shall be of two (2) types: voluntary and involuntary.

#### A. Voluntary Transfer

1. A voluntary transfer is a transfer that is initiated by the employee.
2. Voluntary transfers shall be based on the posted qualifications. If all advertised qualifications are equal, then seniority shall be the determining factor with the most senior employee being awarded the transfer. All voluntary transfers shall be awarded in accordance with the provisions of Section 6.223.
3. All unsuccessful applicants seeking a voluntary transfer to a vacant position shall receive written notice of the name of the successful applicant within two (2) school days after Board action to fill the position.
4. A new employee to the district in the resident educator program cannot request a voluntary transfer for three (3) years. A new employee who has already completed the resident educator program cannot request a voluntary transfer for two (2) years. This provision can be waived by the building administrator.

#### B. Involuntary Transfer

1. An involuntary transfer is a transfer that is initiated by the administration.

Transfer shall never be used as a means of discipline.

2. When it becomes necessary to implement an involuntary transfer, said transfers shall be based on the posted qualifications and, if all advertised qualifications are equal, then seniority shall be the determining factor with the least senior employee subject to transfer.
3. Prior to the implementation of an involuntary transfer, the employee's immediate supervisor shall confer with the employee explaining the reason(s) for the transfer and lending assistance to the employee in making a smooth transition to the new assignment.

6.233 Assignment and transfer of certified/licensed staff within the school system is the responsibility of the Superintendent of Schools.

The LMC shall meet at least four (4) times per school year.

6.242 The Federal Mediation and Conciliation Service (FMCS) or other agreed upon consultants shall provide consultation and training for all LMC members as needed.

6.243 Released time shall be provided during the workday for training and four (4) meetings of the LMC.

## 6.25 Inclusion

### 6.251 Definitions

#### A. Inclusion

Inclusion, or inclusive education, is the provision of education and supplemental services to all special education students in the regular classroom setting for all or a substantial part of the school day.

#### B. IEP

An IEP is an "Individualized Education Program." It is a written document which establishes an individual plan for a specific student

who is identified as having needs which qualify the student as a person entitled to special assistance under the Individuals with Disabilities Education Act. An IEP is put together by a committee of specialists familiar with the student, which may include a school psychologist, counselor, teacher, nurse, physician, or administrator. Parents have the right to participate and to attend meetings held to develop the IEP. The IEP drives the services to be provided and the placement of the child in regular and/or special education programs. The IEP is reported on an IEP form and includes a statement of the educational level of the child, the annual goals (including short-term instructional objectives), a statement of the specific education and all supplemental services to be provided to the child, the personnel who should provide those services, and the extent to which the child will be able to participate in regular education programs, date of initiation of services and expected duration, and evaluation procedures.

C. Least Restrictive Environment

Least Restrictive Environment means that, to the maximum extent appropriate, children with a disability, including children in public or private institutions or other care facilities, are educated with children who do not have a disability, and that special classes, separate schooling, or other removal of children with a disability from the regular educational environment occurs only when the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. Mainstreaming is the practice of including students assigned to a special education program in some regular classroom activities. Inclusion is a method of achieving the least restrictive environment, and may include mainstreaming in some models.

- 6.252 Classroom teachers who have assigned to their class a student who has been identified as disabled under the Individuals with Disabilities Act (IDEA) for that specific subject area may be part of the student's team which develops the student's Individualized Educational Plan (IEP) and will have direct input into the development of the student's IEP. This provision shall not be applicable for students with an IEP solely for speech. Regular education teachers shall receive a copy of the IEP.

Teachers who feel that a student has been misplaced may request a meeting of the IEP Team to review the student's placement after first consulting with the Special Education staff involved and the Supervisor of Special Education.

#### 6.253 Staff Training

The Board will cooperate with the teachers in accessing training, inservice programs, materials, and professional assistance to enable the teacher to implement the student's IEP.

If said training takes place during the regular workday, the teachers involved will be released from their regular duties without loss of pay. If said training takes place outside the regular workday, the teachers involved will be compensated in accordance with Article VII (Compensation) of the Collective Bargaining Agreement.

6.254 To the extent required by law, the Board will make every effort to meet the students' special needs as defined in the IEP.

6.255 If more than five (5) students with an IEP are included in any regular classroom, that classroom shall be comprised of one (1) certified/licensed regular education teacher and the services of either one (1) certified/licensed special education teacher or a qualified licensed paraprofessional to the extent necessary and as determined by the administration in consultation with the regular education teacher. The numeric limitations of this provision shall not be applicable for students with an IEP who are identified solely for speech, orthopedically handicapped, or occupational therapy/physical therapy. The Administration and the Association will work together to provide and maintain heterogeneous classrooms within buildings and throughout the District, allowing for an equitable placement of students with disabilities in the regular education classroom. This provision shall not apply to physical education, music, or art classes unless specified on the IEP. Nothing herein shall preclude any other teachers with classrooms containing students with an IEP who do not otherwise qualify for this provision from receiving services as determined by the IEP team. A maximum of ten (10) students with IEPs for other than speech, orthopedically handicapped, or occupational therapy/physical therapy, will be included in any regular classroom unless otherwise approved by the teacher.

Where two (2) professionals are assigned to instruct in an inclusion classroom, they shall collaborate on instructional planning and reports.

The Board shall make every effort to provide additional collaborative planning time during the instructional day. Such planning time shall not replace individual planning time.

6.256 Teachers shall not be required to perform any medical procedures with the exception of first aid or be required to perform custodial care (i.e. diapering, toileting, lifting).

6.257 Consistent with the provisions of law, the assignment of identified students to classrooms will be made on an appropriate basis.

## **ARTICLE VIII                      FRINGE BENEFITS**

### **8.01    Insurance**

- A. The Board of Education will fully meet its obligations to provide health care benefits and services under this collective bargaining agreement by participating in the health benefits program of the Mahoning County Schools School Employees Insurance Consortium. The Board shall provide health, prescription, dental and vision coverage through MCSEIC and such coverage shall be the standardized MCSEIC specifications. Changes to and/or renewals of the MCSEIC Plan shall be implemented upon the Plan's effective date and a written copy of the Plan shall be provided to the Association President within sixty (60) days of said change or renewal.

The Board shall pay the following percentages of the premium for all full-time employees, eligible spouses and eligible dependents per applicable state and/or federal law.

90%	2021-2024
-----	-----------

Premium Holiday: When the Board receives a premium holiday from their insurance carrier or provider, all employees required to pay a premium percentage (%) will not have to make such payment at that time.

Prescriptions are mandatory mail starting with the third refill and mandatory generic under both retail and mail order drugs.

- B.
  - 1. An employee's spouse who is enrolled for coverage with the district who has retired and has access to continuous group health care

coverage pursuant to his/her retirement, must enroll in the retirement health insurance plan for at least single coverage.

2. An employee's spouse who is enrolled for coverage in the district and who is employed for a minimum of twenty (20) hours per week by a school district covered by the Mahoning County Insurance Consortium must enroll in his/her employer's health insurance for at least single coverage.
3. If an employee's spouse is eligible to receive benefits where he/she works that cost the MCSEIC rate or less for single coverage, he/she must take that coverage. If the spouse is eligible for benefits that cost more than MCSEIC rate for single coverage, the spouse can be covered under the employee's benefit package. If the spouse is unemployed or self-employed with no benefits, he/she is eligible under the employee's benefit package as a dependent.

C. An employee's spouse is deemed to have "access to continuous group health insurance" coverage when:

1. The spouse can enroll in his/her employer's health insurance plan, or;
2. The spouse elects not to enroll in his/her employer's plan but receives a stipend or higher salary, or the spouse could have taken the health plan and not taken the stipend; or
3. The spouse receives a "cafeteria" or similar plan benefit from the spouse's employer that allows the spouse the choice of health insurance, life insurance, annuity premium, or other benefits, or;
4. The spouse is the owner, partner, or has a form of proprietary interest in an enterprise that provides no cost health benefits to its employees.

D. Employees whose spouses cannot enroll for coverage with the district and who do not elect spousal secondary coverage shall be reimbursed one thousand-seven hundred dollars (\$1700) annually. Such reimbursement shall be paid as a lump sum no later than the second pay in October of each year.

Employees who choose spousal secondary coverage do not qualify for this contribution/reimbursement.

An annual enrollment period for this provision will be set by the Treasurer. Any employee whose spouse becomes eligible under the employee's benefit package as a dependent will be permitted to enroll his/her spouse

for coverage with the district. In such a case, the one thousand-seven hundred dollars (\$1700) annual reimbursement will be pro-rated to reflect the number of months the employee's spouse was not enrolled for coverage (either primary or secondary coverage). Such reimbursement shall be paid as a lump sum no later than the second pay in October of each year.

- E. Dental insurance shall cover the employee and dependent spouse and children.
- F. Optical insurance shall cover the employee and dependent spouse and children.
- G. Life insurance is provided in the amount from a minimum of twenty thousand dollars (\$20,000) to a maximum of fifty thousand dollars (\$50,000) or an amount equal to the member's salary rounded to the nearest one thousand dollars (\$1,000), whichever is the lesser. Life insurance benefits reduced to sixty-five percent (65%) of the amount of annual salary on the first day of the policy month which coincides with or follows the day of the member's sixty-fifth (65<sup>th</sup>) birthday and further reduces to fifty (50%) of the amount shown as annual salary on the first day of the policy month which coincides with or follows the member's seventieth (70<sup>th</sup>) birthday. The same provision applies if the member is sixty-five (65) years or older prior to the date of becoming insured.

The Board will purchase a five thousand dollars (\$5,000) paid-up life insurance policy for each retiree. The employee will have the option to purchase additional amounts at the same rate.

- H. Employees on an approved leave of absence or on a RIF recall list will be continued on insurance coverage under the following conditions:
  - 1. Personnel on approved leave of absences may continue coverage if arrangements are made with the Treasurer at the time the leave of absence is approved by the Board or two (2) months before the leave of absence begins.
  - 2. Hospitalization coverage can be continued with the carrier with whom the Board is under contract, consistent with COBRA, if the prevailing current premiums are paid.
  - 3. Life insurance, prescriptive drugs and dental coverage can be continued for only two (2) months starting with the first day of the leave of absence.
  - 4. Individuals must pay two (2) months' premiums on all insurance coverage to the Treasurer before the first month in which the leave

of absence begins. Thereafter, individuals will maintain payments one (1) month in advance of premium due dates.

- (a) Failure to pay premiums on time will result in the individual being dropped from group coverage and converted to direct pay for hospitalization.
- (b) Because there is no system for an individual to revert to a direct pay system for life insurance, optical, prescriptive drugs and dental, it will be the individual's sole responsibility for making arrangements for said coverage.

5. No refund of premiums will be made if the subscriber cancels coverage within the first two months.

I. Section 125 Plan

Any bargaining unit member who elected to opt-out of the Board-approved insurance program and who involuntarily loses other insurance coverage will be permitted to re-enroll in the Board-approved insurance program subject to the provisions of the contract with the carrier. Notice of intent to enroll will be provided the Treasurer as soon as possible after the involuntary loss of coverage and will become effective subject to the provisions of the contract with the carrier. A bargaining unit member returning to the insurance program will be paid the prorated amount earned prior to opting back in minus the cost of COBRA coverage (if any). Additional COBRA costs (if any) will be paid by the Board.

Any bargaining unit member who elected to opt-out of the Board approved insurance program may enroll in the program beginning with September of each year. For enrollment in September, a request for enrollment must be made in a timely fashion subject to the provisions of the contract with the carrier.

A bargaining unit member who opted-out of the insurance program and wishes to re-enroll due to the involuntary loss of insurance coverage shall only receive the insurance incentive monies on a prorated basis for the period of time that s/he had opted-out for that opted-out year on a pro-rata basis.

The administrative fee for the Section 125 Plan will be paid by the Board.

#### Part III - Medical and Dependent Care Reimbursement Programs

Each participating employee may contribute up to the maximum allowable by law per program per calendar year through payroll deduction.

In those cases where both spouses are employed by the district, the Board shall contribute one thousand dollars (\$1000) to the reimbursement program.

Unused funds shall be annually contributed to The Struthers Foundation for Education Excellence.

Management reserves the right to select the carrier for these programs subject to consultation with the Struthers Education Association.

- J. The Association President or his/her designee will be provided release time to attend two (2) Mahoning County Consortium assembly meetings.

## 8.02 Severance Pay

The Board agrees to pay employees for unused sick leave as severance pay upon retirement under the following rules:

- A. Employees will be paid their daily rate according to the following formula based on unused sick-leave accumulation:

25% X 290 days (or less) (up to 72.5)

30% X 290.25- 325 days (87-97.5)

33% X 325.25 – 355 (107.5-117)

35% X 355.25+ days (min 125)

- B. Daily rate is to be determined by dividing the employee's final salary by one hundred eighty-four (184).

- C. For employees who shall be age fifty-five (55) or older during the calendar year of retirement, payment shall be made in two (2) installments, one (1) in the second pay of January in the year after the employee retires and one (1) in the second pay of January in the following year. An employee demonstrates that s/he is retired by cashing his/her first retirement check from STRS. Employees who are age fifty-five (55) and older during the calendar year of retirement shall have their severance pay deposited into a 403(b) special pay plan as set forth in the attached document 1.

Employees who shall not reach age fifty-five (55) during the calendar year of retirement shall receive severance pay in a lump sum cash payment by a date selected by the Treasurer that is not later than seventy (70) days after the last day of employment. An employee demonstrates that s/he is retired by cashing his/her first retirement check from STRS. Such employees shall have options for the payment of their severance pay in cash or into a voluntary 403(b) plan or a 457(b) qualified deferred compensation plan as set forth in the attached document 1.

- D. If an eligible employee should die while actively employed by the Board, the severance pay shall be paid as a death benefit to his/her beneficiary (as designated for the group life insurance policy).
- E. To be eligible for severance pay, an employee must meet STRS criteria for retirement and have ten (10) years of service to the Struthers City Schools.

- F. If an employee participates in the "Limited Retirement Bonus" set forth in Article 8.05, below, payment of the limited retirement bonus shall be in accordance with that provision.
- G. In order to qualify for severance pay, employees will initiate retirement proceedings no later than three (3) months after separation from the school district.

#### 8.03 Faculty Pass

#### 8.04 Insurance Study Committee

The Parties agree that providing appropriate health care coverage while containing and controlling health care costs is in the long-term best interest of the Board and the Association. Therefore, there will be established an Insurance Study Committee which shall be comprised of three (3) members of the SEA and three (3) members of the administration and/or Board. This Committee will review the District's present insurance coverages in addition to obtaining available information regarding alternative insurance concepts, products, plans, carriers, etc.

This Insurance Study Committee may elect to combine its efforts with other similar committees, including the LMC, and to involve classified employees. The Committee will report findings to the Board and the SEA as requested by either party.

#### 8.05 Limited Retirement Bonus

Eligibility will occur at the earliest of the STRS criteria for actuarially reduced benefits in effect during the school year of the retirement.

Members wishing to participate must agree to retire on or before June 30<sup>th</sup> of the school year in which they attain their first service retirement date defined above to obtain the maximum amount of fifteen thousand dollars (\$15,000). Members who were otherwise eligible but who do not agree to

retire in the first year of eligibility as set forth above, may participate for the lesser amount of twelve thousand dollars (\$12,000) if they retire on or before the next succeeding June 30. Members who were otherwise eligible but who do not agree to retire in their second year of eligibility may participate for a lesser amount of nine thousand dollars (\$9,000) if they retire on or before the following June 30 of their third year of eligibility (as set forth below in 8.052).

Bargaining unit members who are eligible for service retirement before the effective date of this Agreement who did not choose to participate in prior limited retirement bonus opportunities may participate in the amount of fifteen thousand dollars (\$15,000) if they agree to retire on or before June 30, 2022 (as set forth below in 8.052). Members who are eligible under the conditions of this paragraph, and who do not choose to participate in this limited retirement bonus opportunity will not be offered another opportunity.

#### **8.052 Conditions for Participation**

## **Document 1**

### **403(b) SPECIAL PAY PLAN and 457(b) PLAN** referenced in Articles 8.02 and 8.05

**A. The terms of the 403(b) Special Pay Plan shall include the following:**

1. Participation in the 403(b) Special Pay Plan shall be mandatory for any member who meets both of the following requirements:
  - a. The member is 55 years of age or older in the calendar year in which he/she retires.
  - b. The member is entitled to \$1,000 or more severance pay.
2. If a retiring member is a participant in the 403(b) Special Pay Plan, an employer contribution shall be made on his or her behalf under the 403(b) Special Pay Plan in an amount equal to the lesser of:
  - a. The total amount of the participant's severance pay, or
  - b. The maximum contribution amount allowable under the terms of the 403(b) Special Pay Plan.

To the extent that an employee's severance pay exceeds the maximum amount allowable under the 403(b) Plan in the calendar year of payment, the excess amount shall be payable to the 403(b) Special Pay Plan in January of the following calendar year; and if the amount to be paid to the 403(b) Special Pay Plan in January of the following year exceeds the maximum amount that is permitted under the 403(b) Special Pay Plan for such calendar year, the excess shall be paid to the member in cash.
3. The TSA that shall be used for the 403(b) Special Pay Plan shall be the group annuity contract of AIG VALIC. An employee who is a participant in the 403(b) Special Pay Plan shall complete the AIG VALIC enrollment package prior to retirement; and unless and until an employee does so, no contribution of severance pay shall be made to the 403(b) Special Pay Plan on behalf of the member.
4. If an employee is entitled to have a contribution paid to the 403(b) Special Pay Plan and dies prior to such contribution being paid to the 403(b) Special Pay Plan, the contribution shall nevertheless be paid to the AIG VALIC TSA and shall be paid to a Beneficiary of the member in accordance with the terms of that TSA.

**B. If an employee shall not reach age 55 during the calendar year of retirement, the employee's severance pay shall be payable to the employee in a lump sum cash payment by a date selected by the Treasurer that is not later than seventy (70) days after the last day of the employee's employment. However, in accordance with the**

requirements of applicable federal income tax law, an employee may elect to have all or a portion of the member's severance pay deferred into a TSA or into a trust, custodial account or annuity that is intended to be part of a deferred compensation plan that is tax-qualified under IRC Section 457(b) (a "Section 457 Plan").

Now, therefore, subject to the applicable federal income tax law, the SEA and the Board further mutually agree that any such election may be made only if the following requirements are met:

1. The member's election is made prior to:
  - a. In regard to deferrals to a TSA, the date of payment, or
  - b. In regard to deferrals to a Section 457 Plan, the first day of the calendar month in which the payment will be made to the employee.
2. The amount to be deferred to a TSA for any calendar year shall not exceed the contribution limitations that apply under IRC Sections 402(g) and 415, or other applicable federal tax law. The amount to be deferred under a Section 457 Plan for any calendar year shall not exceed the contribution limitations that apply under IRC Section 457(b), 415, or other applicable federal tax law.
3. The Treasurer shall have authority to establish rules relating to the elective deferral of severance pay as shall be necessary to assure compliance with the applicable federal income tax law.
4. If an employee is entitled to a cash payment of severance pay, has elected to defer some or all of it to a TSA or a Section 457 Plan, and dies prior to the date such amount is paid to a TSA or Section 457 Plan, the amount that the employee had elected to be paid to a TSA or Section 457 Plan shall nevertheless be paid to the TSA or Section 457 Plan. If the member had not designated a specific TSA or Section 457 Plan, it shall be paid to the last TSA or Section 457 Plan which had received contributions on behalf of the deceased member; provided, however, that if the member had no TSA or Section 457 Plan, the deferred amount shall instead be paid to the deceased member's estate.

If an employee is entitled to a cash payment of severance pay, to the extent that the member has not elected to defer such amount to a TSA or Section 457 Plan and dies prior to the date of such payment, the amount payable in cash shall be paid to the estate of the member.

- C. All contributions to the 403(b) Special Pay Plan, all deferrals to a TSA or a Section 457 Plan, and all cash payments to members, shall be subject to reduction for any tax withholding or other withholding required by law. Neither the Board, nor the Association, guarantee any tax results associated with the 403(b) Special Pay Plan, deferrals to a TSA or Section 457 Plan, or cash payments made to members.

(Family and Medical Leave Act)

U.S. Department of Labor  
Wage and Hour Division

OMB Control Number: 1235-0003  
Expires: 2/28/2015

**SECTION I: For Completion by the EMPLOYER**

**INSTRUCTIONS to the EMPLOYER:** The Family and Medical Leave Act (FMLA) provides that an employer may require an employee seeking FMLA protections because of a need for leave due to a serious health condition to submit a medical certification issued by the employee's health care provider. Please complete Section I before giving this form to your employee. Your response is voluntary. While you are not required to use this form, you may not ask the employee to provide more information than allowed under the FMLA regulations, 29 C.F.R. §§ 825.306-825.308. Employers must generally maintain records and documents relating to medical certifications, recertifications, or medical histories of employees created for FMLA purposes as confidential medical records in separate files/records from the usual personnel files and in accordance with 29 C.F.R. § 1630.14(c)(1), if the Americans with Disabilities Act applies.

If requested by your employer, your response is required to obtain or retain the benefit of FMLA protections. 29 U.S.C. §§ 2613, 2614(c)(3). Failure to provide a complete and sufficient medical certification may result in a denial of your FMLA request. 20 C.F.R. § 825.313. Your employer must give you at least 15 calendar days to return this form. 29 C.F.R. § 825.305(b).

Be as specific as you can; terms such as "lifetime," "unknown," or "indeterminate" may not be sufficient to determine FMLA coverage. Limit your responses to the condition for which the employee is seeking leave. Please be sure to sign the form on the last page.

If your leave does qualify as FMLA leave you will have the following responsibilities while on FMLA leave (only checked blanks apply):

You have a minimum 30-day (or, indicate longer period, if applicable) grace period in which to make premium payments. If payment is not made timely, your group health insurance may be cancelled, provided we notify you in writing at least 15 days before the date that your health coverage will lapse, or, at our option, we may pay your share of the premiums during FMLA leave, and recover these payments from you upon your return to work.
- \_\_\_\_\_ You will be required to use your available paid \_\_\_\_\_ sick, \_\_\_\_\_ vacation, and/or \_\_\_\_\_ other leave during your FMLA absence. This means that you will receive your paid leave and the leave will also be considered protected FMLA leave and counted against your FMLA leave entitlement.
- \_\_\_\_\_ Due to your status within the company, you are considered a "key employee" as defined in the FMLA. As a "key employee," restoration to employment may be denied following FMLA leave on the grounds that such restoration will cause substantial and grievous economic injury to us. We \_\_\_\_\_ have/\_\_\_\_\_ have not determined that restoring you to employment at the conclusion of FMLA leave will cause substantial and grievous economic harm to us.
- \_\_\_\_\_ While on leave you will be required to furnish us with periodic reports of your status and intent to return to work every \_\_\_\_\_. (Indicate interval of periodic reports, as appropriate for the particular leave situation).

If the circumstances of your leave change, and you are able to return to work earlier than the date indicated on the this form, you will be required to notify us at least two workdays prior to the date you intend to report for work.

If your leave does qualify as FMLA leave you will have the following rights while on FMLA leave:

  - \_\_\_\_\_ the 12-month period measured forward from the date of your first FMLA leave usage.
  - \_\_\_\_\_ a "rolling" 12-month period measured backward from the date of any FMLA leave usage.
- You have a right under the FMLA for up to 26 weeks of unpaid leave in a single 12-month period to care for a covered servicemember with a serious injury or illness. This single 12-month period commenced on \_\_\_\_\_.
- Your health benefits must be maintained during any period of unpaid leave under the same conditions as if you continued to work.
- You must be reinstated to the same or an equivalent job with the same pay, benefits, and terms and conditions of employment on your return from FMLA-protected leave. (If your leave extends beyond the end of your FMLA entitlement, you do not have return rights under FMLA.)
- If you do not return to work following FMLA leave for a reason other than: 1) the continuation, recurrence, or onset of a serious health condition which would entitle you to FMLA leave; 2) the continuation, recurrence, or onset of a covered servicemember's serious injury or illness which would entitle you to FMLA leave; or 3) other circumstances beyond your control, you may be required to reimburse us for our share of health insurance premiums paid on your behalf during your FMLA leave.
- If we have not informed you above that you must use accrued paid leave while taking your unpaid FMLA leave entitlement, you have the right to have \_\_\_\_\_ sick, \_\_\_\_\_ vacation, and/or \_\_\_\_\_ other leave run concurrently with your unpaid leave entitlement, provided you meet any applicable requirements of the leave policy. Applicable conditions related to the substitution of paid leave are referenced or set forth below. ## Notice to the EMPLOYER

**INSTRUCTIONS to the EMPLOYER:** The Family and Medical Leave Act (FMLA) provides that an employer may require an employee seeking FMLA leave due to a serious injury or illness of a current servicemember to submit a certification providing sufficient facts to support the request for leave. Your response is voluntary. While you are not required to use this form, you may not ask the employee to provide more information than allowed under the FMLA regulations, 29 CFR 825.310. Employers must generally maintain records and documents relating to medical certifications, recertifications, or medical histories of employees or employees' family members created for FMLA purposes as confidential medical records in separate files/records from the usual personnel files and in accordance with 29 CFR 1630.14(c)(1), if the Americans with Disabilities Act applies.

## SECTION I: For Completion by the EMPLOYEE and/or the CURRENT SERVICEMEMBER for whom the Employee Is Requesting Leave

**INSTRUCTIONS to the EMPLOYEE or CURRENT SERVICEMEMBER:** Please complete Section I before having Section II completed. The FMLA permits an employer to require that an employee submit a timely, complete, and sufficient certification to support a request for FMLA leave due to a serious injury or illness of a servicemember. If requested by the employer, your response is required to obtain or retain the benefit of FMLA-protected leave. 29 U.S.C. 2613, 2614(c)(3). Failure to do so may result in a denial of an employee's FMLA request. 29 CFR 825.310(f). The employer must give an employee at least 15 calendar days to return this form to the employer.

## SECTION II: For Completion by a UNITED STATES DEPARTMENT OF DEFENSE ("DOD") HEALTH CARE PROVIDER or a HEALTH CARE PROVIDER who is either: (1) a United States Department of Veterans Affairs ("VA") health care provider; (2) a DOD TRICARE network authorized private health care provider; (3) a DOD non-network TRICARE authorized private health care provider; or (4) a health care provider as defined in 29 CFR 825.125

For purposes of FMLA leave, a serious injury or illness is one that was incurred in the line of duty on active duty in the Armed Forces or that existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces that may render the servicemember medically unfit to perform the duties of his or her office, grade, rank, or rating.

A complete and sufficient certification to support a request for FMLA leave due to a current servicemember's serious injury or illness includes written documentation confirming that the servicemember's injury or illness was incurred in the line of duty on active duty or if not, that the current servicemember's injury or illness existed before the beginning of the servicemember's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces, and that the current servicemember is undergoing treatment for such injury or illness by a health care provider listed above. Answer, fully and completely, all applicable parts. Several questions seek a response as to the frequency or duration of a condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as "lifetime," "unknown," or "indeterminate" may not be sufficient to determine FMLA coverage. Limit your responses to the servicemember's condition for which the employee is seeking leave.

### Ohio Teacher Evaluation System (OTES 2.0) Framework\*

The State Board of Education values the importance of promoting educator professional growth that leads to improved instructional performance and student learning. OTES 2.0 is a professional growth model and is intended to be used to continually assist educators in enhancing teacher performance. An effective professional growth model considers a teacher's instructional strengths, while supporting identified areas for improvement according to the profile of each educator. This process is to be collaborative, ongoing and supportive of the professional growth of the teacher.

Each teacher will be evaluated according to Ohio Revised Code and the **Ohio Teacher Evaluation Framework**, which is aligned with the **Ohio Standards for the Teaching Profession** adopted under state law. Using multiple factors set forth in the Framework, the teacher's Final Holistic Rating will be based upon a combination of informal and formal observations and supporting evidence using the **Teacher Performance Evaluation Rubric**.

### Essential Components

Essential components of the full evaluation consist of a Professional Growth Plan or Improvement Plan, two required conferences, two formal observations of at least 30 minutes each and at least two classroom walkthroughs. See details below:

- One Formal Holistic Observation, followed by a conference;
- Walkthroughs – *with an emphasis on identified focus area(s) when applicable*; • One Formal Focused Observation – *with an emphasis on identified focus area(s)*; and • One Summative Conference.

### Professional Growth and Improvement Plans

Either a Professional Growth Plan or an Improvement Plan will be developed annually. Each plan will be:

- Based upon the results of the evaluation; and
- Aligned to any existing school district or building improvement plan.

The local board of education may elect to evaluate less frequently each teacher rated **Accomplished** on the teacher's most recent evaluation once every three years, provided the teacher submits a self-directed Professional Growth Plan\*\* to the evaluator, and the evaluator determines the teacher is making progress on that plan. The Professional Growth Plan shall focus on the most recent evaluation and observations. Less frequent evaluations must include one observation and one conference. Teachers with ratings of **Accomplished** may choose their credentialed evaluator for the evaluation cycle.

The local board of education may evaluate less frequently each teacher rated **Skilled** on the teacher's most recent evaluation once every two years, provided the teacher and evaluator jointly develop a Professional Growth Plan\*\* for the teacher, and the evaluator determines the teacher is making progress on that plan. The Professional Growth Plan shall focus on the most recent evaluation and observations. Less frequent evaluations must include one observation and one conference. Teachers with ratings of **Skilled** may have input on the selection of their credentialed evaluator for the evaluation cycle.

A teacher with a Final Holistic Rating of **Developing** will develop a Professional Growth Plan\*\* that is guided by the assigned credentialed evaluator.

A teacher with a Final Holistic Rating of **Ineffective** will be placed on an Improvement Plan developed by the assigned credentialed evaluator.

### High-Quality Student Data to Inform Instruction and Enhance Practice

Choosing and using high-quality student data (HQSD) to guide instructional decisions and meet student learning needs is key in making sound instructional decisions for students. The teacher evaluation will use at least two measures of district-determined high-quality student data to **provide evidence of student learning attributable to the teacher** being evaluated. When applicable to the grade level or subject area taught by a teacher, HQSD shall include the value-added progress dimension and the teacher shall use at least one other measure of HQSD to demonstrate student learning. HQSD may be used as evidence in any component of the evaluation where applicable.

It is recognized there are many types of data that can be used to support student learning, and the data include much more than just test scores. *These types of data and their uses are important and should continue to be used to guide instruction and address the needs of the whole child but may not meet the definition of high-quality student data for the purpose of teacher evaluation.*

**The high-quality student data instrument used must be rigorously reviewed by locally determined experts in the field of education to meet all of the following criteria:**

- Align to learning standards
- Measure what is intended to be measured

Be attributable to a specific teacher for course(s) and grade level(s) taught  
Demonstrate evidence of student learning (achievement and/or growth)  
Follow protocols for administration and scoring  
Provide trustworthy results  
Not offend or be driven by bias

**AND the teacher must use the data generated from the high-quality student data instrument by:**

Critically reflecting upon and analyzing available data, using the information as part of an ongoing cycle of support for student learning  
Considering student learning needs and styles, identifying the strengths and weaknesses of an entire class, as well as individual students  
Informing instruction and adapting instruction to meet student need based upon the information gained from the data analysis  
Measuring student learning (achievement and/or growth) and progress towards achieving state and local standards

### **Additional Requirements**

Teachers must be provided with a written report of the results of their evaluation. Additionally, at the local level, the board of education will include in its evaluation policy procedures for using the evaluation results for retention and promotion decisions and removal of poorly performing teachers. Seniority will not be the basis for teacher retention decisions, except when deciding between teachers who have comparable evaluations.

The local board of education will provide for the allocation of financial resources to support professional development for all teachers. The local board of education will also ensure that poorly performing teachers are provided with professional development to accelerate and continue teacher growth.

## Ohio Teacher Evaluation System

## Assessment of Teacher Performance

## Teacher Performance Evaluation Rubric

The *Teacher Performance Evaluation Rubric* is to be scored holistically. This means evaluators will assess which level provides the best overall description of the teacher. The rating process is to occur on completion of each 30-minute observation and post-conference. To determine the rating for each 30-minute observation, the evaluator is to consider evidence gathered during the pre-conference, observation, post-conference and classroom walkthroughs, if applicable. Note that when completing the performance rubric, evaluators are not expected to gather evidence on all *indicators* for each observation cycle. Likewise, teachers may, but are not required to, bring additional pieces of evidence to address all *indicators*. The professionalism section of the rubric may use evidence collected during the pre-conferences and post-conferences as well as information from the Professional Growth and/or Improvement Plan, if applicable.

## Using High-Quality Student Data to Inform Instruction and Enhance Practice

Choosing and using high-quality student data (HQSD) to guide instructional decisions and meet student learning needs is key in making sound instructional decisions for students. The teacher evaluation will use at least two measures of district-determined high-quality student data to **provide evidence of student learning attributable to the teacher** being evaluated. When applicable to the grade level or subject area taught by a teacher, HQSD shall include the value-added progress dimension and the teacher shall use at least one other measure of HQSD to demonstrate student learning. HQSD may be used as evidence in any component of the evaluation where applicable.\*

It is recognized there are many types of data that can be used to support student learning, and the data include much more than just test scores. *These types of data and their uses are important and should continue to be used to guide instruction and address the needs of the whole child but may not meet the definition of high-quality student data for the purpose of teacher evaluation.*

**The high-quality student data instrument used must be rigorously reviewed by locally determined experts in the field of education to meet all of the following criteria:**

- ☐ Align to learning standards
- ☐ Measure what is intended to be measured
- ☐ Be attributable to a specific teacher for course(s) and grade level(s) taught
- ☐ Demonstrate evidence of student learning (achievement and/or growth)
- ☐ Follow protocols for administration and scoring
- ☐ Provide trustworthy results
- ☐ Not offend or be driven by bias

### AND

**The teacher must use the data generated from the high-quality student data instrument by:**

- ☐ Critically reflecting upon and analyzing available data, using the information as part of an ongoing cycle of support for student learning
- ☐ Considering student learning needs and styles, identifying the strengths and weaknesses of an entire class, as well as individual students
- ☐ Informing instruction and adapting instruction to meet student need based upon the information gained from the data analysis
- ☐ Measuring student learning (achievement and/or growth) and progress towards achieving state and local standards

## Walkthroughs/Informal Observations: Overview and Resources

### Ohio Teacher Evaluation System 2.0

#### Overview: Walkthroughs/Informal Observations:

Observations of teaching provide important evidence when assessing a teacher's performance and effectiveness. As an evaluator observes a teacher engaging students in learning, valuable evidence may be collected on multiple levels. While many of these interactions may take place in the classroom, a more formal instructional setting, it should be noted that evidence of teacher practice is visible in many settings. Some teacher behaviors are observable in the classroom while other evidence may be obtained from formal conferences, informal conversations, and evidence of practice, as well as input from colleagues, parents/guardians and students.

As part of the observation process, ongoing communication and collaboration between evaluator and teacher help foster a productive professional relationship that is supportive and enhances a teacher's professional growth and development.

A walkthrough/informal observation is a

- Tool to inform evaluation that provides the opportunity to gather evidence of instruction over a series of short classroom visits;
- Method to allow evaluators opportunity to gather additional evidence on identified focus area(s) to enhance teacher practice;
- Process for giving targeted evidence-based feedback to teachers; and
- Means for evaluators to visit classrooms more frequently and more purposefully.

As part of the teacher evaluation system, walkthroughs/informal observations should, whenever possible, be focused on gathering evidence related to the teacher's identified focus area(s). However, evaluators are not limited to only collecting evidence on the identified focus area(s). Evaluators must ensure they have sufficient evidence to provide a Final Holistic Rating at the end of the evaluation cycle.

#### Guidelines for Walkthroughs/Informal Observations

##### Informally Observe Teachers

Teachers who are fully evaluated will have a minimum of two walkthroughs. Walkthroughs are informal observations less than 30 minutes; these may be announced or unannounced.

##### Informally Observe Often

The evaluator's presence in the classroom should send a positive message to teachers. Conducting walkthroughs consistently and frequently can have a positive impact on teacher practice and student learning. Find time to observe teachers at varying times of the day because what occurs in the morning can be different from what occurs in the afternoon.

### **Focusing on Identified Areas for Support**

Focus area(s) may be determined during the required conference following the first Formal Holistic Observation or during the previous year's Final Summative Conference. The focus may be area(s) of relative strength and/or area(s) for improvement. Determination of focus area(s) should mirror the level of autonomy used to develop Professional Growth Plans:

- Teachers rated Accomplished - Self-Directed by teacher
- Teachers rated Skilled – Jointly determined by teacher and evaluator
- Teachers rated Developing – Guided by evaluator
- Teachers rated Ineffective – Determined by evaluator

Evidence gathered during walkthroughs that occur after the Formal Holistic Observation should be focused on the teacher's identified area(s) for support when applicable. Evaluators are not limited to collecting evidence on the identified focus area(s). Evaluators must ensure they have sufficient evidence to provide a Final Holistic Rating at the end of the evaluation cycle.

### **Make Time to Follow Up**

Follow-up communication to walkthroughs is a critical component. Follow-up will often be in writing, but the evaluator should extend to the teacher an invitation to discuss any comments provided face-to-face. The evaluator may also offer resources to support teachers in enhancing their practice. If possible, evaluators should follow up with the teacher on either the same day or the next day. To impact practice, teachers should receive feedback in a timely manner.

### **Teacher-Driven Observations**

While it is recognized that evaluators have many demands on their time, encouraging teachers to identify instructional periods for the evaluator to observe can be a means for the evaluator to collect evidence related to the teacher's identified focus area(s).

### **Types of Data**

Data collected as evidence of teacher practice may be quantitative, qualitative, or a combination of both. Quantitative data includes measures of values or counts expressed as numbers. For example, the evaluator could use a checklist to tally the types of questions asked (higher versus lower levels). The evaluator might also chart the number and types of assessments used. Qualitative data can include scripted notes detailing patterns of activities, feedback shared and events observed. In both cases, accuracy is essential to ensure the credibility of the process and the evaluator.

## Planning for the Post-Conference Ohio Teacher Evaluation System 2.0

### Post-Conference Planning

The goal for the conference leader is to cognitively coach the teacher through the use of reflective questions.

#### Considerations

Before deciding which reflective questions are best matched to the educator's performance and goals, consider the following:

- What focus area(s) might be/were identified after the Formal Holistic Observation? What evidence has been demonstrated to support growth in the focus area(s)?
- What are the teacher's goals on the Professional Growth Plan (PGP)? Do the measurable indicators identified on the PGP demonstrate progress on the plan?
- What does the teacher's high-quality student data (HQSD) demonstrate about instruction and student learning?
- How has the teacher provided evidence of *use* of the HQSD to impact student learning and teacher practice?
- What further supports might this teacher need to enhance practice and demonstrate growth?

#### Reflective Questions

The number and type of focus area(s) (strength and/or area of growth) are determined locally.

- Record 3 to 5 reflective questions aligned to the identified focus area(s) that would enhance a strength and/or support an area of growth.
  - 1.
  - 2.
  - 3.
  - 4.
  - 5.

### Three Key Elements of the Instructional Post-Conference

#### Conducting the Post-Conference

1. Introduction/Greeting/Establish Length
  - Review Conference Process
  - General Impression Question: "How do you think the lesson went?"
2. Focus area(s)
  - Discuss identified focus area(s)
  - Ask self-reflection question/s
  - Provide evidence from notes
  - Share resources and supports

3. Present evidence and rating connected to the rubric.

## Professional Growth Plan

The Professional Growth Plan helps the teacher identify areas of professional development that will enable the teacher to enhance practice. The teacher is accountable for implementing and completing the plan. The plan must align to any district and/or building improvement plan(s). The Professional Growth Plan is developed annually. It is to be reviewed regularly and updated as necessary based on collaborative conversations between the evaluator and the teacher.

The Professional Growth Plan should reflect the evidence available and focus on the most recent evaluation and observations. The Professional Growth Plan should be individualized to the needs of the teacher. The school or district should provide for professional development opportunities and support the teacher by providing resources (e.g., time, financial). The Professional Growth Plan must be clear and comprehensive. It is aligned to the most recent evaluation results and proposes a sequence of appropriate activities leading to progress toward the goals.

A written Improvement Plan is to be developed when an educator has a Final Holistic Rating of **Ineffective**. However, districts have discretion to place any teacher on an Improvement Plan at any time based on deficiencies in any individual component of the evaluation system. The notice requirements for being placed on an Improvement Plan, the components of the plan and the implementation process for the plan may be subject to the terms of a collective bargaining agreement.

The purpose of the Improvement Plan is to identify specific deficiencies in performance and foster growth through professional development and targeted support. If the teacher does not take corrective actions in the timeline specified in the Improvement Plan, the evaluator may recommend the teacher be dismissed or continue working under the plan.
