“Days” means calendar days except when otherwise indicated in this Agreement.

“District” means the employer known as the Ridgemont Local School District.

“Employee” means a person who is a member of the bargaining unit as defined in Article I of this Agreement.

“Employer” means the same as “District.”

“Immediate Supervisor” means the supervisor to whom the employee (teacher) directly reports.

“NEA” means the National Education Association.

“REA” means the Ridgemont Education Association.

“OEA” means the Ohio Education Association.

“Teacher” means the same as Employee, i.e., a member of the bargaining unit.

“Full-time” - A teacher who is employed to perform a full day’s work as defined by this contract for a minimum of 120 days or more in a work year.

“Part-time” - A teacher who works less than a full day as defined by this contract and/or less than the minimal standard of 120 work days per work year.

ARTICLE II - MANAGEMENT RIGHTS

- A. The Association recognizes that the Board and the Superintendent are the bodies of authority solely vested with the right to run and fund the Ridgmont Local Schools, that the Board and Superintendent shall have the right to take any action they consider necessary and proper to effectuate management policy express or implied, and that there is no duty to bargain over such decisions. The Board recognizes that it is obligated to bargain about the effect(s) of management decisions that affect the wages, hours, terms and conditions of employment, and the continuation, modification, or deletion of an existing provision of this Agreement.

- B. Except as modified by a specific and express term of this Agreement, the Board hereby retains and reserves to itself and the Superintendent all powers, rights, authority, duties and responsibilities conferred upon and vested in them by the laws and the Constitution of the State of Ohio, and of the United States, including but not limited to the right to: determine matters of inherent managerial policy which include, but are not limited to, areas of discretion or policy such as the functions and programs of the Board, standards of services, including the conduct and performance expected of a teacher in emergency situations; its overall budget, utilization of technology, and organizational structure; manage and direct teachers, including the right to select, hire, supervise, evaluate, retain, promote, transfer, assign, schedule, or layoff teachers; maintain and improve the efficiency and effectiveness of school operations; determine the overall methods, process, means, or personnel by which school operations are to be conducted including the management and determination of the location, type and number of facilities, the type of equipment, programs and work to be performed; suspend, discipline, demote, or terminate teachers for just cause; determine the adequacy of and effectively manage the workforce; determine and carry out the overall mission, goals, programs and services of the school district and to utilize personnel in a matter determined by the Board to effectively and efficiently meet these purposes; promulgate and enforce work rules, orders, policies and procedures; determine the hours of work and work schedules; direct, assign, and schedule pupils and determine grading periods. The exercise of any of the foregoing management rights requires neither prior negotiation with nor agreement of the Association, except as provided in Section A of this Article.

ARTICLE III - NEGOTIATION PROCEDURE

A. Directing Requests

Requests in writing for negotiation meetings from the Association will be made directly to the Superintendent or his/her designee. Requests from the Board will be made in writing to the President of the Association. Requests for negotiations shall be submitted between 60 and 90 days prior to the expiration of the contract term.

B. Negotiation Meetings

The first bargaining session shall be held at a mutually agreed time and date within fourteen (14) days of the request. All proposals by the parties shall be written and submitted to the representative(s) of both teams at the first meeting. No additional items shall be submitted by either party following the first meeting, unless mutually agreed by the parties. Additional ground rules, if any, will be established at the first meeting. Bargaining sessions shall not be scheduled during the regular teacher workday. Time and dates as used in this Article may be changed by mutual agreement.

C. Representation

Negotiating teams consisting of up to five representatives of the Board and up to five representatives of the Association shall meet at mutually agreed times to bargain in good faith. The Board and the Association may engage a professional consultant at their own expense who may serve as a member of the negotiating team; however, nothing in this Article shall prohibit the Board and the Association from mutually agreeing that such professional consultants shall not be members of the bargaining teams. Other than what is specifically expressed in this Article neither party in any negotiations shall have any control over the negotiating or bargaining representatives of the other party. While no final agreement shall be executed without ratification by the Association and approval of the Board, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations. There shall be two signed copies of any final agreement. One copy shall be retained by the Board and one by the Association.

D. Information

Upon reasonable written request, the Board and the Association shall provide the other, within a reasonable time, with available information and data which reasonably would assist the requesting party in formulating proposals and counter-proposals or in assessing the other party's proposals and counter-proposals. This

obligation does not require the production of information protected by federal and state privacy laws or student records laws.

E. While Negotiations Are In Progress

1. Caucus - The Chairman of either group may recess his/her group for independent caucus of reasonable duration at any time.
2. Protocol - No action to coerce or censor or penalize any negotiation participant shall be made or implied by any other member as a result of participation in the negotiation process.
3. Item Agreement - As negotiation items receive tentative agreement, they shall be reduced to writing, dated and initialed by each party.
4. Schedule of Meetings - Until all negotiation meetings are completed, each meeting shall include a decision on an agreed time and place for the next subsequent meeting.

F. Agreement

When and if a successor agreement is reached by the representatives of the parties, it shall be reduced to writing and submitted to the Association for ratification and to the Board for approval.

G. Disagreement

In the event the parties are unable to reach agreement, at any time prior to 45 days before the expiration date of this Agreement, either may call for mediation. A joint letter shall be written by the parties to this Agreement and sent to the Federal Mediation and Conciliation Service (FMCS) requesting the appointment of a mediator.

The mediator shall have the right to hold meetings with the negotiating parties in seeking to effect a resolution to the disagreement(s) in accordance with the rules and regulations of the FMCS.

In the event the members of the negotiation committees are unable to reach agreement within ten (10) days of the expiration of the existing Agreement, then the Association shall have the right to proceed in accordance with Section 4117.14D(2) of the Ohio Revised Code, which states:

“Public employees other than those listed in division (D)(1) of 4117.14 have the right to strike under Chapter 4117, of the Revised Code provided that the employee organization representing the employees has given a ten-day prior written notice of an intent to strike to the public employer and the

SERB; however, the SERB, at its discretion, may attempt mediation at any time,”

and Section 4117.18(C) of the Ohio Revised Code, which states:

“No public employee shall strike during the term or extended term of a collective bargaining agreement or during the pendency of the settlement procedures set forth in Section 4117.14 of the Revised Code.”

H. Good Faith Bargaining

The duty to bargain is the mutual obligation of the parties through representatives to negotiate in good faith at reasonable times and places with respect to wages, hours, terms and other conditions of employment and the continuation, modification, or deletion of an existing provision of a collective bargaining agreement, with the intention of reaching an agreement, or to resolve questions arising under the agreement. The obligation to bargain does not mean that either party is compelled to agree to a proposal nor does it require the making of a concession. In the event of interim bargaining over the effects of change in wages, hours, terms or other conditions of employment or the continuation, modification, or deletion of an existing provision of this Agreement and a disagreement occurs, the Federal Mediation and Conciliation Services (FMCS) will be contacted to provide a mediator to help settle such a dispute.

I. Dispute Settlement Procedure

The Negotiations Procedure set forth in this Article constitutes the entire dispute settlement procedure mutually agreed to by the parties.

ARTICLE IV - SEVERABILITY

Consistent with Chapter 4117 of the Ohio Revised Code, this Agreement governs the wages, hours, terms and conditions of employment of teachers and terms of this Agreement prevail over any state statute to the contrary. If any specific provision of this Agreement is invalidated by court ruling or subsequent change in the law, the parties shall, upon timely written request of the other, negotiate in good faith regarding any necessary change in this Agreement as to the specific provision that was invalidated. If a dispute arises in these negotiations and an agreement cannot be reached within thirty (30) days, FMCS will be contacted by both parties to aid in reaching agreement. Any other provisions that have not been invalidated shall continue in full force and effect in accordance with their terms.

ARTICLE V - REGULAR TEACHERS' CONTRACTS

A. There are three types of contracts for regular teaching duties:

1. Limited contracts, not to exceed five school years in duration.
 2. Continuing contracts, which shall remain in effect until the teacher retires, resigns, is laid off (suspended), or is terminated.
 3. Extended limited contract for teachers who are eligible for a continuing contract.
- B. Contract progression renewal will be one-year, one-year, one-year, one year, three-year, four-year (1-1-1-1-3-4). This progression shall be followed if the employee has received satisfactory evaluations by the building administrator/evaluator. Unsatisfactory evaluations may lead to a reduced limited contract or non-renewal.
- C. Section 3319.11 of the Ohio Revised Code shall apply except for the following:
1. The Board shall by resolution declare its intention not to reemploy the bargaining unit member at the expiration of his/her limited contract and shall give the employee written notice of the action on or before June 1 of the year his/her contract expires. Notice shall be given to the employee by an administrator or the Treasurer delivering it personally to the employee or by sending it by certified mail to the employee's last address on file with the Board.
 2. An employee may challenge procedural noncompliance with the requirements above through the grievance procedure but may not contest the substance of or reasons for the Board's nonrenewal action or the Superintendent's recommendation of such action. A non-renewed teacher may only challenge the non-renewal through the grievance procedure, and ORC 3319.11(G)(1-7) shall not apply.
 3. This Article shall not apply to supplemental, extended service and substitute contracts. Such contracts shall expire automatically at the conclusion of their terms. Notice of nonrenewal shall not be required for these contracts.
 4. When a teacher is eligible for a continuing contract, the Superintendent shall make one of three recommendations: (1) that the teacher be reemployed under a continuing contract, (2) that the teacher not be reemployed, or (3) that the teacher be reemployed under an extended limited contract. If the Superintendent recommends an extended limited contract, the Board, upon a majority vote, shall reemploy that teacher under an extended-limited contract.
 5. No teacher shall be deemed eligible for a continuing contract nor be deemed employed on a continuing contract by operation of law unless the Ohio Department of Education issues a professional or permanent

certificate to that teacher. The teacher must file a copy of such certificate with the Ridgemont Superintendent or prove that the certificate has been applied for by April 1.

6. A teacher may waive his/her multi-year limited contract in any year before January 1 if he or she becomes eligible for a continuing contract. The Superintendent must receive a letter with proof of eligibility for a continuing contract by January 1. Thereafter, during the month of January, the teacher must be available for evaluation before this provision may be used for waiver of the limited contract.
7. An employee shall file the required teaching certificate for his/her position by July 1 of that school year. However, if the teacher fails to file the required certificate by September 1, it will be considered grounds for termination within the meaning of Ohio Rev. Code §3319.16 upon which the Board may proceed, if it so chooses.

ARTICLE VI - SUPPLEMENTAL TEACHERS' CONTRACTS

- A. Teachers who are employed and are to be compensated by the Board for approved supplemental duties in addition to regular teaching duties, shall be employed on "supplemental contracts." A supplemental contract shall automatically expire at the end of its term without further action or notice by the Board. A supplemental contract shall be separate from and in addition to the regular teaching contract.
- B. Teachers shall be compensated for supplemental duties for which they are employed in accordance with the Supplemental Salary Schedule attached hereto as Appendix B. The Board need not fill any or all positions listed on the schedule in any particular school year. The Superintendent shall determine whether a vacancy exists in a supplemental position and when to fill the vacancy. The elimination of a supplemental position or the failure to fill a position shall not be subject to bargaining with the Association. If a supplemental position listed on the schedule is filled, the compensation for it shall be in accordance with the Supplemental Salary Schedule. The Board may create a new supplemental position without bargaining, but the salary for the position will be subject to bargaining.
- C. The Board may determine the amount of service credit for placement on the supplemental schedule, but no teacher may get less than the actual service credit he or she has had.
- D. Pay will be issued, with the condition that all duties have been completed, the first regular scheduled pay in December, April and June.

- E. A supplemental contract shall include:
 - 1. Year contract will be in force.
 - 2. Specific assignment (i.e., Freshman Football, H.S. Marching Band, etc.).
 - 3. Signature of the employee and date of signing.
- F. One supplemental contract may be divided between no more than two (2) persons with each receiving one-half (1/2) of the total contract salary.
- G. Two coaching supplemental contracts may not be filled by one person in the same athletic season.

ARTICLE VII - ASSOCIATION RIGHTS

- A. The Association shall have the right to use email to post informational notices and may make use of school district intra-school mail.
- B. Authorized representatives of the Association may transact Association business on school property. Upon advance request to the appropriate administrator in accordance with the standard procedure for the use of school facilities, the Association may use school district buildings for meetings outside the regular teacher workday.
- C. The Association shall be the exclusive representative of teachers in the bargaining unit.
- D. Each fall the Board shall provide the Association president with the staff directory at no cost to the Association.
- E. The Superintendent shall email a copy of the Board meeting agenda to staff prior to any Board of Education meeting, except in case of emergency.
- F. The Association shall be allowed to hold a meeting for reports and announcements on Association activities immediately after the conclusion of any faculty meetings or teacher orientation program.
- G. A labor management committee shall be formed which shall consist of one teacher representative from each building, each building principal, the Association President or his/her designee and the Superintendent. The labor management committee shall meet once a month if requested by either party to discuss matters of concern.
- H. The Board shall make payroll deduction of Association dues on the following basis:
 - 1. Payroll deduction of Association dues shall be made upon the written authorization of a teacher. The authorization shall be submitted to the

Treasurer between August 1 and September 30 of each school year. In order to effectuate a removal from authorized payroll deductions, the teacher must notify the Association president before notifying the Treasurer.

2. The amount of dues to be deducted shall be in accordance with the terms of the authorization. If the authorization so provides, the amount of dues to be deducted may be increased or decreased from school year to school year upon receipt by the Treasurer of written notice of such change on or before September 30. Dues shall be deducted in approximately equal installments from teacher paychecks, beginning in October. The dues of a teacher who does not work a full work year shall be prorated accordingly and any balance of dues owed shall be deducted from the teacher's last paycheck to the extent funds are available in that check or spread over the remaining pays, as may be the case.
 3. With respect to all sums deducted by the Board pursuant to authorization of the teacher for membership dues, the Board agrees promptly to remit such monies on a monthly basis to the Ohio Education Association along with an alphabetical list of teachers for whom such deductions have been made.
- I. The Board shall also deduct Fund for Children and Public Education donations from the paycheck upon authorization being given to the Treasurer.

ARTICLE VIII - GRIEVANCE PROCEDURE

A. Definitions Concerning Grievances

1. A "grievance" is a claim by the Association or by one or more teachers that there has been a violation, misinterpretation or misapplication of a provision of the Agreement.
2. "Grievant" shall mean any person(s) in the bargaining unit making the complaint or the Association. In the event more than one person files the same complaint, each shall sign the grievance. Such person or group may be represented by a representative of the Association's choosing at any formal level of this procedure.
3. "Bargaining Unit" shall consist of persons included in the bargaining unit in the Recognition language (Article I) of this Agreement.
4. The time limits contained in this Section shall serve as a maximum. Failure to file a grievance or failure to process a grievance to the next step of the procedure in accordance with the time limits contained herein shall result in a waiver of the grievance. Failure of school officials to respond to a grievance in accordance with the time limits contained herein shall entitle the grievant to advance to the next step of the procedure. If a grievant or school official is unable to comply with a time limit of the procedure by

reason of personal or family illness or absence from the district due to vacation, professional leave or emergency business, the appeal period shall be extended to accommodate such absence.

5. "Day" means school day during the regular school year and Monday-Friday (other than holidays) during summer.

B. Purpose of Grievance Procedure

The purpose of this procedure is to secure, at the lowest possible administrative level, in the quickest possible time, equitable solutions to the grievances of all members in the bargaining unit. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Informal Procedure

1. Level One

The grievant shall first discuss it with his/her principal, within ten (10) days of the date of the incident giving rise to the grievance, for the purpose of resolving the matter informally.

A grievant must present his/her complaint to the REA Executive Committee for review prior to entering into the Formal Grievance Procedure. The Executive Committee shall determine the merit of the complaint and either allow the grievant to move forward with the Formal Grievance Procedure or inform the grievant that the complaint is without merit and will not be permitted to move forward.

D. Formal Grievance Procedure

1. Level Two

If the grievant is not satisfied with the outcome of the informal procedures, he or she may present his/her claim within five (5) days of the date of the informal meeting as a formal grievance in writing to his/her principal and to the Association. Forms for this purpose shall be available in each school office and are included in this Contract as Appendix C.

The principal shall, within five (5) days after receipt of the written grievance, render his/her decision and the reasons therefore in writing to the grievant with a copy to the Association and to the Superintendent.

2. Level Three

If the grievant is not satisfied with the disposition of his/her grievance at Level Two, he or she may file a written grievance with the Superintendent or his/her authorized representative (hereafter "Superintendent") with a copy to the principal within five (5) days.

The Superintendent shall, within five (5) days after receipt of the written grievance, meet with the grievant, an association representative, and all parties involved, for the purpose of resolving the grievance.

The Superintendent shall, within five (5) days after this hearing, render his/her decision and the reasons therefore, in writing to the aggrieved person with copies to the principal and the Association.

3. Level Four

If the grievant is not satisfied with the disposition of his/her grievance at Level Three on a grievance alleging a violation, misinterpretation or misapplication of this Agreement, he or she may, within five (5) days, request in writing that the Association submit his/her grievance to binding arbitration by an outside arbitrator in accordance with the Rules of the American Arbitration Association.

The Association reserves the right to deny the request to move to binding arbitration if the REA Executive Committee believes the grievance is without merit.

The Association shall, within five (5) days after receipt, review the grievance and the answer and, if it desires, advise in writing the Superintendent of its desire to proceed to arbitration.

Within five (5) days after the Superintendent's receipt of the request for arbitration, the parties shall jointly petition the American Arbitration Association for a list of names from which the arbitrator shall be selected by the alternate strike method. Either party shall be entitled to request a second list. Once the arbitrator has been selected, he or she shall conduct a hearing on the grievance in accordance with the rules and regulations of the American Arbitration Association.

The arbitrator shall have authority to consider only a single grievance or several grievances involving a common question of interpretation or application.

The arbitrator shall hold the necessary hearing promptly and issue the decision within thirty (30) days or such time as may be agreed upon.

Decisions shall be in writing and a copy sent to all parties present at the hearing. The decision of the arbitrator shall be binding on the Board, the Administration, and the Association and the grievant(s).

The arbitrator shall not have the authority to add to, subtract from, modify, change or alter any of the provisions of this Collective Bargaining Agreement, nor add to, detract from or modify the language therein in arriving at a determination of any issues presented that is proper within the limitations expressed herein. The arbitrator shall confine him/herself to the precise issue(s) submitted for arbitration and shall have no authority to determine any other issue(s) not so submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching the determination.

The arbitrator shall in no way interfere with management prerogatives involving the Board's discretion, nor limit or interfere in any way with the powers, duties and responsibilities of the Board under its policies, applicable law, and rules and regulations having the force and effect of law.

Costs for services of the arbitrator, including per diem expenses, if any, and necessary travel and subsistence expenses, shall be borne by the losing party.

E. Scope of Grievance Application

This grievance procedure governs all members of the bargaining unit of the school district.

F. Professional Rights Provision

No reprisals of any kind will be taken by either party or by any member of the administration against any party in interest, any school representative, any Association representative or any participant in the grievance procedure by reason of such participation.

G. Miscellaneous Grievance Procedure

1. So that the grievance can be processed as rapidly as possible, time limits at each level should be considered as a maximum and every effort should be made to expedite the process. Time limits may be extended or reduced by mutual consent.
2. If the Association decides at any level of the grievance procedure that a grievance is without merit or that an equitable answer has been given to the aggrieved person, it may withdraw its support. The aggrieved person may always seek, individually, further satisfaction of his/her grievance through

normal administrative channels. He or she may not be represented by any other organization or group at any time.

3. Every effort will be made to avoid interruption of classroom activities unless the school administration so authorizes, and to avoid the involvement of students in all phases of the grievance procedure.

H. Exclusivity of the Grievance Procedure

The procedures contained in this Article constitute the sole and exclusive method of considering the redressing of grievances arising during the life of this Agreement and any extensions thereof. It is expressly understood and agreed that neither the Association nor any teacher shall engage in actions which are not expressly provided for in the grievance procedure such as the initiation of litigation or charges with a state or federal agency in connection with any dispute which is or could have been a matter presented as a grievance and which has or could have been taken to arbitration (Level Four -B) within this grievance procedure.

It is further understood and agreed that a decision at any level of the grievance procedure that is mutually acceptable to the Association and the Board's representative shall be final and binding upon the grievant, the Association, the Administration and the Board.

It is further understood that the parties individually and collectively agree that there will be no interruption or cessation of work in connection with a dispute arising under this Agreement.

ARTICLE IX - LEAVES

A. Sick Leave

1. Each teacher shall be entitled, for each completed month of service, to sick leave of 1-1/4 days with pay, accumulating to fifteen (15) days for each twelve (12) months under contract. A maximum of fifteen (15) days of sick leave, which has not yet actually been earned, shall be advanced in each school year to all new teachers and to returning teachers who have exhausted all the sick leave they have earned. The Treasurer shall automatically advance such days as required for the absence of a teacher, which qualifies as sick leave. Such advanced days are to be earned through service during the same school year or deducted from the teacher's final paycheck.
2. Sick leave may be accumulated up to a total of two hundred-sixty (260).
3. Sick leave, upon approval of the appropriate administrator, may be used for:

- a. Personal illness or injury.
 - b. Exposure to contagious disease, which could be communicable to other employees.
 - c. Illness, injury, or death in the teacher's "immediate family."
"Immediate family" is defined as:
 - (1) the teacher's spouse, children, parents, brother, sister, grandchild or anyone who has virtually held the position of parent or child, in the case of illness or injury; and
 - (2) in the case of death, the teacher's immediate family is defined as spouse, child, parent, step-parent, step-child, grandchild, parent of spouse, brother, sister, brother-in-law, sister-in-law, aunts, uncles, nieces, nephews, cousins, or grandparent, or other blood relation not included above.
 - d. The teacher's pregnancy.
4. In the case of death of a member of the teacher's immediate family, the teacher may not use more than five days of sick leave and only when absence from duty is required because of personal responsibilities or personal bereavement. The Superintendent may extend the number of sick leave days available for illness, injury or death in the immediate family, upon satisfactory evidence of justifying circumstances.
 5. All absences, which qualify for sick leave, will be deducted from sick leave.
 6. A teacher will, whenever possible, notify his/her principal or designee of any absences by at least one and one-half hours before the teacher work day begins on the day of absence so that appropriate arrangements can be made to secure a substitute. Adequate lesson plans from the teacher must be available to the substitute.
 7. Requests for sick leave shall be submitted through the HR online kiosk. If absent for five consecutive days or more, a signed physician's statement may be required.
 8. Falsification of the sick leave statement or dishonesty in the use of sick leave is grounds for suspension or termination of employment.

9. Sick Leave Bank

A catastrophic sick leave donation program is established to assist employees who suffer a catastrophic accident or long-term illness or injury not job related or whose spouse or son or daughter or mother and/or father living with a single employee suffers a catastrophic accident or long-term illness or injury necessitating the employee to be absent from work, when the employee will exhaust all other available paid leave. This program neither supersedes nor replaces other disability programs.

If an employee desires to make use of the catastrophic sick leave donation program and conditions below are met, then the employee may request through the Association that sick leave days be transferred from other bargaining unit members' accumulated sick leave to the employee. The Association shall notify the Treasurer of the Board and the Superintendent in writing of the number of days to be deducted, from whom, for what dates and the person receiving the transferred days. Included in the notice shall be a signed statement by the teachers(s) involved authorizing the Board Treasurer to transfer the days.

The catastrophic sick leave donation program can be utilized by an employee only if the following conditions are met:

- a. The Superintendent must agree for sick leave bank days to be awarded.
- b. The Superintendent will determine if the long-term injury or illness of the employee or the employee's spouse or son or daughter or a mother and/or father living with a single employee is catastrophic. Examples of catastrophic long-term injury or illness include cancer, heart, stroke, AIDS, or a disease which is life threatening. A paralyzing accident would also be included. Examples of injuries or illnesses that would not be considered catastrophic include normal pregnancy, broken bones, and elective surgery.
- c. A physician's written statement supporting that a long-term catastrophic medical injury or illness exists.
- d. The employee must exhaust his/her own sick leave and personal leave first.
- e. The injury or long-term illness must require that the employee be absent at least twenty (20) workdays.
- f. The employee must have worked for the Board for at least one school year.
- g. All sick leave donations must be voluntary.
- h. Donations from a teacher must be in units of one (1) day.

- i. Unless otherwise approved by the Superintendent, no more than two (2) days total sick leave per catastrophe can be donated by an individual bargaining unit member, and no bargaining unit member may donate sick leave if the donation will reduce his/her accumulated sick leave balance to thirty (30) days or less.
- j. Unless otherwise approved by the Superintendent and the Board of Education, no more than thirty (30) days total sick leave per catastrophe can be donated.
- k. The teacher who is using donated sick leave will not earn additional sick leave while receiving the donated leave days.
- l. Donated sick leave may not result in an increase in severance pay.
- m. If the number of sick days donated exceed the number of sick leave days used by the donee, the extra days will be returned to the donors.
- n. If the employee is eligible for Family Medical Leave, such donated leave will count toward their Family Medical Leave.
- o. Donations of sick leave will be accepted in the units of up to thirty (30) days per catastrophic occurrence.

B. Professional Leave

1. Request for Leave

- a. Teachers may attend, upon administrative approval, professional meetings, conferences, or visitations outside the district, which provide the opportunity to advance professionally. This shall not include athletic contests or athletic clinics in which the teacher is not directly involved.
- b. Teachers who attend such meetings or conferences shall be considered assigned to duty with full payment of salary and benefits. Such approved leave will not be deducted from accrued or earned sick leave or personal leave.
- c. Request for professional leave shall be submitted through the HR online kiosk. The principal will forward the request to the Superintendent.
- d. Requests on the HR online kiosk must be filled out in detail and be complete.

2. Reimbursement Requests

Reimbursement will be paid for the actual, necessary and reasonable expenses of:

- a. Commercial carrier fare, as supported by receipts, or 50 cents per mile for use of personal vehicle.
- b. Conference registration as supported by receipts.

Reimbursement forms must be submitted to the Superintendent within thirty (30) days following the leave.

C. Personal Leave

1. The Superintendent shall have the discretionary authority to grant each teacher personal leave not to exceed a total of three (3) days for reasons not covered by sick leave. The Superintendent may limit, in his/her discretion, personal leave to not more than 10% of the total teachers in a building. The Superintendent shall not make any decision in an arbitrary and capricious manner. If leave is requested and denied, the reason shall be given to the teacher upon request.
2. All absences for personal leave must be requested through the HR online kiosk. Where possible, the request for personal leave must be submitted at least three (3) days prior to any intended absence except in case of emergency.
3. Personal leave to be taken after May 1 must be requested through the Superintendent by May 1, unless in case of emergency.

This shall be paid in the first payroll issued in July.

D. Family and Medical Leave

The parties agree to adhere to the federal law as it applies to the Family and Medical Leave Act. The parties further agree to adhere to any changes in the law and its regulations for the duration of this contract.

E. Assault Leave

1. "Assault" means the causing of or attempt to cause physical harm to a teacher by any person when the teacher charges such person with an offense prohibited by Title 29 of the Ohio Revised Code.
2. Pursuant to and in accordance with Section 3319.143 of the Ohio Revised Code, assault leave shall be granted to a teacher who: (a) is unable to work and, therefore, is absent from his/her assigned duties because of physical injury resulting from an assault and battery which is clearly unprovoked, and (b) files criminal charges against his/her assailant as soon as he or she is physically able. Assault leave shall not be charged against sick leave earned under Section 3319.141 of the Ohio Revised Code. The teacher shall be granted the aforementioned assault leave and shall be maintained on full pay status during such absence, up to a maximum of thirty (30) working days.
3. A teacher shall be granted assault leave according to the following rules:
 - a. The incident resulting in the absence of the teacher must have occurred during the course of employment with the Board while on the Board premises or at a Board approved or sponsored activity/event or in the course of transporting pupils or material to or from said premises, activity or event; provided, however, that a teacher may also qualify in the case of an off-premises assault by clearly establishing that the assault had a direct and immediate connection with an occurrence in the teacher's performance of his or her job duties.
 - b. Upon notice to the principal or Superintendent that an assault upon a teacher has been committed, a teacher having information relating to such assault shall, as soon as possible, prepare a written statement embracing all facts within the teacher's knowledge regarding said assault, sign said statement, and present it to the building principal or Superintendent.
 - c. To qualify for assault leave the teacher shall furnish a certificate from a medical doctor, stating the nature of the disability and its likely duration, if requested by the Superintendent. The Superintendent may require a medical doctor's statement justifying the continuation

of the leave. The Board may require an exam by a physician of its choice, at Board expense.

- d. A teacher shall not qualify for payment of assault leave until the Assault Leave Form and any requested physician's statement have been submitted to the Superintendent.
- e. Teachers shall not be permitted to accrue assault leave.
- f. Payment for assault leave shall be at the assaulted teacher's rate of pay in effect at the time of the assault.
- g. Payment under this Article shall constitute the teacher's entire compensation from the Board during the period of physical disability and shall be in lieu of any payments under Chapter 4123 (Worker's Compensation) of the Ohio Revised Code, except to the extent the assault disability exceeds the days allowable under Section (E)(2) above.

F. Sabbatical Leave

- 1. The Board, in its discretion, may grant a leave of absence to a teacher who has completed five years of service for the Board in accordance with this Article for purposes of professional improvement. Teachers requesting such leave must submit with their application a detailed plan for professional growth, including the proposed course of study and its value to the applicant, pupils of the teacher, and the District generally. The application and plan must be submitted by February 1 for the next school year. The Board shall act on the application and notify the teacher of its action by April 30 or as soon thereafter as possible. The Board may not exercise its discretion in an arbitrary or capricious way.
- 2. The Board may not approve sabbatical leaves for more than five percent (5%) of the bargaining unit for the same semester or school year. Applications shall be approved for one school year or one semester only.
- 3. A teacher on sabbatical leave may continue to participate in group insurance by paying the insurance premiums to the Treasurer on a timely basis. The Board shall pay a partial salary to a teacher on an approved sabbatical leave, equal to but not to exceed the difference, if any, between the teacher's regular contract salary and the replacement teacher's salary. This amount, if any, will be evenly prorated throughout the first year of teaching after the teacher's return to the School District from the leave of absence. The teacher must return to teach in the District at least one school year to be eligible for the partial salary.

4. The Board shall not grant a sabbatical leave to the same teacher more often than once in five years of service to the District.
5. Within sixty (60) days after the expiration of the leave, the teacher must make a written report to the Superintendent detailing the use and accomplishments of the leave. If the leave was for graduate study, the teacher must also present to the Superintendent a copy of the college or university transcript.

G. Jury Duty/Court Leave

The Board of Education shall pay teachers the difference between their regular compensation and the remuneration received for serving as a juror.

1. All absences for jury duty / court leave must be requested via the KIOSK.
2. The Board shall pay a teacher the difference between the teacher's regular salary and any remuneration received by the teacher for jury duty service. Alternatively, the teacher may endorse his or her check for jury duty service over to the Treasurer of the Board and simply receive the normal salary amount to which the teacher otherwise would be entitled under his or her contract(s).
3. Teachers shall be released from duty, without loss of pay or benefits, for absence due to the teacher's compliance with a subpoena to appear in a court of law, provided that: (a) neither the teacher nor the Association is a party in the litigation adverse to the Board of Education or adverse to any individual Board member or administrator; and (b) the court appearance is somehow connected with the teacher's employment or school activities (for example, where the teacher is required to appear as a witness in a lawsuit by a student for personal injuries which occurred in a school activity or where the teacher is subpoenaed to be a witness in child custody litigation).
4. Such leave shall not be deducted from the teacher's sick leave or personal leave, except that a teacher may use his or her personal leave for an absence required by court subpoena that does not come within the terms of paragraph (2). Personal leave in such circumstances may be used before or after a holiday or vacation period.

H. Military Leave

Military leave shall be granted in accordance with state and federal law.

I. Return from Leave

A teacher shall not earn sick leave, personal leave or service credit on the salary schedule (increment) while on sabbatical leave or any approved unpaid leave. The leave shall not constitute a break in service, however, and the teacher shall resume the sick leave and service credit, which he or she had accumulated immediately before beginning the leave. Upon return from any approved leave, a teacher shall be placed in a position for which the teacher is properly certified.

J. Association Leave

Annually the REA's duly elected delegate to the OEA Representative Assembly shall be granted two day's leave to attend the Assembly provided two week's advance notice is given. All expenses for such leave, except for a substitute teacher, shall be borne by the delegate and/or the REA. This leave shall be in addition to any other leave to which the employee is entitled.

K. Physical Examinations

The Board may require any employee to be examined by a physician to determine his/her fitness to perform the duties of the position. A doctor shall be selected by alternate strike from the list of doctors available as compiled by the Ridgemont Board of Education, or any physician upon which the parties mutually agree. The Board agrees that if any employee is required by the Board to have a physical examination or x-ray, the Board of Education shall pay the cost of such x-ray or examination as long as the examination includes only those items on a prescribed physical form.

ARTICLE X - INSURANCE & HEALTH BENEFITS

A. Health Insurance

1. The Board shall provide health insurance coverage and the Board shall have the authority to select and change carriers upon notification to the Association. If the Board desires to change coverage, the Board shall meet with the Association and explain the changes prior to implementation.

The Board will continue to follow the Spousal Coverage Agreement of the Hardin County Schools Employee’s Health and Welfare Benefit Plan.

Any employee who waives the health insurance package shall receive a cash payment of \$1,000 per year for the life of the contract. The cash payment of \$500 will be payable on or before the second Friday of December of each year and \$500 the second Friday in June. An employee who does not finish the contract year will be required to reimburse the district the \$1,000.00 cash payment.

The District will provide an optional Minimum Value Plan (MVP) and the Board Shall pay eighty-five percent (85%) of the cost of insurance.

The Board shall have the authority to select and change carriers and shall determine the insurance benefits plan provided that the Association is notified of the contemplated change before any final decision.

D. Vision Insurance

The Board will offer Vision Insurance through the Hardin County Health Insurance Consortium. The Board will pay fifty (50%) percent of the premium cost for each full-time certificated employee. The Board shall have the authority to select and change carriers and shall determine the insurance benefits plan provided that the Association is notified of the contemplated change before any final decision.

E. Eligibility for Insurance

If the teacher has enrolled in and is eligible for such coverage, group insurance coverage shall become effective on the teacher's first day on the active payroll and shall continue to the end of the month in which the teacher's separation from employment is effective; provided, however, that teachers whose limited contracts are non-renewed shall continue with group insurance coverage so long as they are on the active payroll. Insurance coverage shall continue in effect while a teacher is on paid leave. When a teacher is on an unpaid leave, the teacher may participate in group insurance coverage by paying the monthly premiums to the Treasurer in advance. A teacher who is separated from employment may participate in the insurance plan in accordance with federal law.

F. Although a teacher must initially enroll for insurance during the open enrollment period during the month of October, if a teacher's status is changed or a spouse becomes laid-off or unemployed, the teacher may enroll at any time, so long as it is permitted by the effective carrier.

G. The benefits provided to employees by Section 125 of the Revenue Act of 1978 shall be made available to any bargaining unit member. This plan shall be administered by the employer with American Fidelity Assurance as the enroller and recorder of the Plan. American Fidelity shall provide the School District a hold harmless and a record keeping agreement that will further hold the employer risk free under the IRS provisions regulating non-reimbursed medical payments.

Neither the employer nor the employee shall incur any fees for the setup, enrollment and administrative services provided. If any fees are charged to the Board, the benefit shall be discontinued and discussed by the Labor Management Committee.

ARTICLE XI - COMPENSATION

A. (1) Teachers shall be paid in accordance with their training and experience as set forth on the salary schedule attached hereto as Appendix A. Calculations for increased payment shall be made twice annually when proof of additional coursework is provided to the Ridgemont Superintendent. (Beginning of the school year and February 1).

- (3) Effective July 1, 2021, the base salary shall be \$35,105. Effective July 1, 2022, the base salary will be \$35,807 and effective July 1, 2023, the base salary will be \$36,523, based upon the index in Appendix A.

When certified teachers serve as substitutes, they will be paid \$25 per class period. Teachers will complete a timesheet for approval by the building principal prior to receiving payment. Intervention Specialists shall not be required to provide substitute coverage for more than a half day.

The Board of Education will make every effort to fill teacher absences with approved substitutes instead of relying on current teaching staff to pick up additional responsibilities. However, when that is not possible, the Board and REA agree this payment structure is sufficient to implement substitute coverage from within the current teaching staff.

D. Tuition Reimbursement

Teachers shall be reimbursed for tuition fees paid to any accredited institution of higher learning upon receipt of notice that courses have been completed and passed. A tuition fund of twelve thousand dollars (\$12,000.00) will be available. Payment will be made on the basis of 50% per credit hour. All courses taken and completed between September 1 and August 31 of each year will be considered eligible for payment by the following December 1.

Unused tuition reimbursement funds will not be carried over to the following year.

If the number of requests for tuition reimbursement exceeds the allocation in the tuition fund, the amount per semester hour or quarter hour will be prorated for payment.

Transcripts, certification or an official grade sheet with final passing grades must be submitted to the Treasurer of the Association by November 1, to be eligible for reimbursement. Tabulated credit hours will be submitted to the Treasurer of the Board for confirmation by November 10 and payment by December 1. When final grades are submitted in lieu of an official transcript, reimbursement will not be made until the official transcript is submitted to the District Treasurer.

Reimbursement will be made under the following conditions:

1. Courses taken are in the areas of the teacher's certification.
2. Courses taken outside the areas of the teacher's certification must receive prior written approval by the Superintendent.
3. A teacher must submit the designated tuition reimbursement form (Appendix F) for approval of the superintendent prior to reimbursement.
4. Reimbursement will be made only if the teacher was a Ridgemont employee on November 1 in the year of payment.

E. College Credit Plus

Board will pay 100% of tuition cost for up to 18 hours of graduate level work to obtain College Credit Plus teaching eligibility to one teacher in each of the core academic areas where there is no College Credit Plus eligible teacher in grades 9-12. Teachers must submit their interest to the superintendent via the approved form in Appendix G and a selection will be made on which teacher is the best fit for College Credit Plus instruction and who is most likely to teach upper level course work within the Ridgemont High School Master Schedule, as determined by the Curriculum Principal. The Superintendent must approve the institution of higher learning prior to any enrollment on the part of the selected teacher. If tuition costs exceed the IRS regulations for dollars that must be counted as income for the employee, the Board of Education will include tuition cost amounts on the employee's W-2. The current IRS amount is any tuition cost which exceeds \$5,250. This is subject to change throughout the life of this contract.

-If a teacher who received this benefit leaves during the first year after eligibility is obtained, he/she will repay 100% of the cost of the tuition.

- If a teacher who has received this benefit leaves during the second year after eligibility is obtained, he/she will repay 75% of the cost of tuition.
- If a teacher who has received this benefit leaves during the third year after eligibility is obtained, he/she will repay 50% of the cost of tuition.
- If a teacher who has received this benefit leaves during the fourth year after eligibility is obtained, he/she will repay 25% of the cost of tuition.
- If a teacher who has received this benefit leaves during the fifth year after eligibility is obtained, he/she will repay 10% of the cost of tuition.

- o The payment amount awarded by the Board of Education is decided upon by the final rating assigned by the District Leadership Team on the High Quality Implementation Rubric. The rating from the DLT, and the payment amount, is final and cannot be appealed.

ARTICLE XII - SEVERANCE PAY

- A. A teacher with ten or more years of service to the Board shall, at the time of retirement, be paid for one-fourth the value of his/her accrued sick leave credit, such payment not to exceed the value of sixty (60) days.
- B. The payment shall be based on the teacher’s per diem rate at the time of retirement, if during the school year, or at the per diem rate for the prior school year. Such payment will eliminate all sick leave credit accrued but unused by the teacher at the time payment is made. “Per diem rate” shall be defined as the daily rate paid a teacher exclusive of any extended service, extracurricular pay, overtime, or other pay in excess of the actual salary scheduled amount payable to the teacher.
- C. A teacher shall be deemed to have “retired” under this Article when he or she has been approved for service retirement by the Board of State Teachers’ Retirement System (“STRS”) or has been determined to be qualified for disability retirement by a physician or physicians appointed by the STRS.

At least three teachers must request deduction for the same annuity plan before the Treasurer will make deductions for annuities.
- E. STRS Paper Pick-Up
 - 1. Consistent with the provisions of the Internal Revenue Service Ruling 77-462, 81-36, effective earnings after July 1, 1987, the Board shall pick up each teacher's mandatory contributions to the State Teachers Retirement System of Ohio (STRS), provided that no teacher's total salary is increased by such pick-up nor is the Board's total contribution to STRS increased thereby.

Teacher work time is converted from 183 contract days to 1372.50 contract hours which is the equivalent of 183 work days at 7.5 hours each. This conversion gives administration the flexibility to schedule work days which are shorter or longer than 7.5 hour in order to meet the needs of the district. In terms of STRS, sick leave, and personal days, teacher work time will still be recorded as 183 days.

B. Considerations for Calendar

Teachers will arrive 15 minutes before students arrive and stay 15 minutes after school ends inclusive of a 30 minute duty free lunch. Administrators can build common planning time into the daily schedule outside of scheduled student hours at school as part of the annual school calendar, however the 15 minutes before and after school cannot be used as part of a daily 40 minute planning period. Teachers may be required to attend other school functions, such as open house, parent-teacher conferences, and teachers' meetings. The Building Principals will determine specific times.
- D. Schedules for each full-time classroom teacher for the regular on-duty work day shall include planning time of forty (40) minutes each day.
- E. The Administration shall make every effort to equitably distribute work among teachers with the same certification currently assigned to the same building.
- F. Health/Safety
- Professional staff members may bring to the attention of their building principal, in writing, the existence, in their opinion, of any dirty, unhealthy, unsafe or abnormal conditions in the building that adversely affect the teaching environment. The LPDC shall determine its own appeals procedure.

The LPDC appeals procedure is not subject to the grievance/arbitration procedure outlined in the collective bargaining agreement.

The posting period may be waived by the Superintendent if no member of the bargaining unit is certificated for the position. Except in the event of unusual circumstances outside the Board's control and a delay in filling the position could be expected to have a detrimental effect on the District, vacancies generally will not be filled during the posting period. The Board will attempt to notify the Association President before filling the position prior to the expiration of the posting period.
3. The administration, with Board action where necessary, shall make the final decision on the filling of vacancies, giving consideration to applicants' experience, seniority, and qualifications. Where two or more applicants are deemed equally qualified (as determined by the administration), the most senior shall be granted the position. This paragraph is not subject to grievance or other challenge with respect to the filling of supplemental positions.
4. An applicant not placed in the position may request a conference with the Superintendent to discuss the decision.
5. The filing of supplemental positions will follow the same guidelines as set forth in (A) (1-4).

B. Involuntary Transfers

1. A teacher will be notified in writing of any involuntary transfer or change in assignment for the next school year by August 1. The administration may transfer or change the assignment of a teacher after August 1 as circumstances warrant.

Upon the teacher's request, the Superintendent shall meet with the teacher to discuss the transfer or reassignment.

2. No teacher shall be arbitrarily or capriciously transferred.

ARTICLE XVII - REDUCTION IN FORCE

The Board shall suspend teachers' contracts in accordance with R.C. 3319.17

ARTICLE XVIII - PERSONNEL FILES

- A. A personnel file for each teacher will be maintained by the Superintendent. File(s) shall be considered the only official file(s) of recorded information on a teacher and shall be considered confidential to the extent permitted by law. If the Building Administrator thinks a matter should become a matter of official record, he or she may transfer any documentation to the official file(s) after notifying the member.

Upon written authorization by the teacher, a representative of the teacher may review his or her file under the same conditions.
- D. Each negative or critical document placed in the personnel file(s) shall be dated and signed by the teacher and the person who created the document or caused it to be placed in the file(s), except where the teacher refuses to sign the document. The fact that material in the file bears the teacher's signature does not indicate his/her agreement or disagreement with the contents of the material, but only that he or she is aware of the document.
- E. Teachers shall have the right to submit a written commentary to any material placed in the personnel file(s) and such written comments shall be attached to the item in the file(s).
- F. To the extent allowed by law, examination of a teacher's file(s) shall be limited to the Board and its employees, representatives, or agents who have a legitimate reason for the examination. If someone other than the Board or one of its employees, representatives or agents requests inspection of a teacher's file, the teacher will be given 24-hour notice of the request before the inspection occurs. A log will be maintained on the inside cover of each personnel file to record the date and identity of each person who examines a teacher's file or any item in it (other than building principals and the Superintendent).
- G. A teacher may request that written material be expunged from the personnel file(s) if the teacher establishes that its content is false or has no basis in fact.
- H. No anonymous materials shall be placed in a teacher's personnel file(s).

- I. Teachers shall be informed of any complaint by a parent, student, or any other person which is directed toward them if such will become a matter of record. The teacher shall have the right for inspection, rebuttal, and a conference with the Superintendent.

This committee will establish the procedures and processes, including the evaluation instrument and determination of HQSD, for the evaluation of teachers and school counselors in the District and to regularly review the effectiveness of the aforementioned items.
- C. The committee shall be comprised of Association members appointed by the Association President and administrative representatives appointed by the Superintendent.
- D. The committee will meet for an annual review. If the records check on such a person discloses a conviction or guilty plea which disqualifies the person from employment in a position in this bargaining unit, the following procedure shall be followed:
 1. Upon receipt of the report from the Bureau of Criminal Identification and Investigation, the Superintendent or designee shall give the person a copy of the report and written notice of the Superintendent's intention to release the employee from employment pursuant to R.C. §3319.39.
 2. The Superintendent shall hold a conference promptly with the person who is subject to an adverse criminal records check and provide that person with an opportunity to challenge, explain, or rebut the criminal record report as the basis for required release from employment under the law.
 3. The Superintendent then shall determine whether the statute requires release of the employee and shall notify him or her and the REA President of the Superintendent's decision in writing within five (5) calendar days. The

Superintendent's notice shall contain the effective date of the release, and the release shall become effective at the time specified by the Superintendent. A copy of the Superintendent's determination shall be given to the Association President.
