ARTICLE 107 – LOCAL PROFESSIONAL DEVELOPMENT COMMITTEE (LPDC)

- 107.01 The purpose of the Local Professional Development Committee (LPDC) is to give educators greater professional autonomy and responsibility for professional development and to shift control to individual educators to allow for more self-directed freedom in making decisions about their educational training. The role of the LPDC is to evaluate the "individual professional development plan" (IPDP) submitted by each educator wishing to fulfill license renewal requirements.
- A. An Individual Professional Development Plan (IPDP) is based on the needs of the educator, the students, the school, and the school district and must be submitted for approval to the LPDC for conversion to a license.

107.02 Scope of the Committee: The scope of the LPDC shall be district wide.

107.03 There shall be at least five (5) total members of the LPDC. There shall be a majority of teacher members of the LPDC when evaluating a teacher's IPDP or voting on a teacher's licensure. There shall be a majority of administrator members of the LPDC when evaluating an administrator's IPDP or voting on an administrator's licensure.

107.05 Decision making: All decisions made by the LPDC shall be made by the majority of those present.

107.06 Committee release time: All members of the LPDC will be given four (4) days of Professional Leave to conduct committee business. Any additional release time must be approved in advance by the Superintendent. Committee members shall be reimbursed for all approved expenses incurred in pursuit of their LPDC duties.

- A. Service on an LPDC may be approved as one of the equivalent activities for license renewal.

107.07 Training: The Board of Education shall provide and pay for training for LPDC members.

107.08 The decisions of the LPDC may not contravene the language of the collective bargaining agreement and no waivers of contractual provision shall be made other than the area of state certification requirements. (This would allow the LPDC to approve hours, CEU's and other appropriate activities for licensure.) This waiver shall not be used to place teachers in areas outside their present certification.

107.09 The LPDC shall choose and hire an evaluator to conduct a case study of the establishment and operation of the committee, identifying areas of difficulty and success and provide periodic reports during the funding period. The committee shall draft and adopt written procedures to execute their work. A copy of such procedures shall be given to every employee at the beginning of each school year.

107.10 The LPDC shall draft written procedures for an appeals procedure in the event the LPDC's decision on certification/licensure is protested by an individual.

107.11 The LPDC may enter into a collaborative county wide group for the purpose of training LPDC members, circulating criteria, procedures, workshops/coordinating discussions, managing records of CEU's and providing acceptance programs and course work for licensure.

- A. The LPDC is not limited to such collaborative county programs, but may authorize and accept any other provider or program accredited to provide teacher training, certification/licensure, work experience or CEU's.
- B. Participation in such a collaborative may not contravene any portion of the collective bargaining agreement except as expressed herein and only the LPDC can approve programs for the employee's covered herein.

ARTICLE 108 – ASSIGNMENT AND TRANSFER

108.01 Transfer shall be defined as the involuntary assignment of classroom teachers within their respective building, from one subject area to another outside of their current grade level, or from a regular teaching position to an educational service personnel position that includes guidance counselor, librarian, school psychologist, or educational specialist. - High School (9-12)

A vacancy shall be defined as any regular teaching position, which the Board determines to fill resulting from the creation of a new position, an involuntary transfer, a non-renewal, a termination, a resignation or the death of an employee.

Teachers shall be assigned to perform duties in an area where, in the opinion of the Superintendent, their services will be of greatest value to the educational program and in areas where proper certification is held.

108.02 Involuntary Transfers

- F. Involuntary transfer within a certified area shall apply to the teacher with the least seniority or next least senior in the District and will be documented in writing and placed in the employee's file.

108.03 During the school year, in addition to seeking candidates from outside the district, teachers will be notified of vacancies including newly created positions in both the regular and extra duty areas through periodic notices issued by the Superintendent. The Superintendent shall post such vacancy for five (5) working days and set forth the qualifications, general responsibilities, and procedures for obtaining the position, and the deadline for applying for the position. During the summer recess vacancies including newly created positions will be posted for five (5) working days in a staff email.

108.04 It shall be the practice of the Board to fill vacancies by voluntary transfer based on educational background, seniority, and the best interests of the students. Properly certified teachers who wish to be considered for such assignments shall express their interest in writing to the Superintendent, and will be granted an interview, if requested, for that position. Teachers who have notified the Superintendent in writing of their desire to transfer will be notified by email when a position they have requested becomes available. If a transfer is denied the certified staff member involved will be given the opportunity to meet with the Superintendent to discuss the reasons for the denial. Such a transferred teacher will not lose or change his/her seniority employment status.

108.05 The administration will notify teachers of their ensuing tentative assignment (subject, grade level and tentative class size(s)) on or before the first day of July proceeding the next school year.

Any change in assignment (subject or grade level) made after July 1st will be discussed with the person involved.

108.06 A teacher may withdraw a request for transfer any time prior to the teacher's receipt of written notification authorizing the requested transfer.

108.07 Any certified staff to be affected by an administrative initiated involuntary transfer or reassignment for the next school year shall be informed of the intended action. Such notification shall be given throughout the summer as a needed change is identified. In emergency situations such notification shall be on or before August 1st, the second month of the current school year.

- C. A transfer/reassignment shall not be used to contravene other terms or conditions of employment found in this contract.
- D. After one (1) year of service in the transferred position, the transferred teacher will be given preference to any job openings for which he/she is certified. The preference expires two (2) years after the involuntary transfer was assigned.

ARTICLE 109 – TERMINATION OF CONTRACT AND NONRENEWAL

109.01 Termination of contract –

- A. The Board may terminate a teacher's contract for good and just cause unless otherwise enumerated in the Ohio Revised Code.
- B. All proceedings for the termination of a teacher's contract by the Board shall be in compliance with ORC Sections 3319.16 and 3319.161.
- C. A teacher who wishes to appeal an order for termination of contract shall have the right to do so under the provision of ORC Sections 3319.16 and 3319.161.

109.02 Non-renewal of limited contracts -

- A. Nonrenewal of Limited Teaching Contracts for Probationary Employees who have been Employed for Two (2) Years or Less.

Prior to Board action on their contract, such teachers shall have the right to meet with the Board in executive session, with representation. Teachers whose contracts are nonrenewed shall receive written notice from the Board not later than June 1.
 - 2. This nonrenewal procedure for teachers who have been employed for two (2) or fewer years supersedes all provisions of R.C. 3319.11 and R.C.

ARTICLE 111 – ACADEMIC FREEDOM

111.01 The Board and Association believe that academic and professional freedom is essential to the teaching profession. The presentation and discussion of controversial issues in the classroom should be on an informative basis and relevant to classroom goals and objectives. Teachers should guard against giving their personal opinions on sectarian or political questions or any other controversial issues until the students have had the opportunity to find, collect, and assemble factual material on the subject; to interpret the data without prejudice; and to reconsider assumptions and claims and to reach their own conclusions. By refraining from expressing personal views before and during the period of research and study, the teacher is encouraging their students to search after truth and to think for themselves. The development of the ability to meet issues without prejudice and to withhold judgments while facts are being collected, assembled, weighted, and relationships seen before drawing inferences or conclusions, is among the most valuable outcomes of a free educational system.

111.02 This belief can best be described by listing three (3) basic rights of the student:

- A. The right to study controversial issues, which have political, economic, or social significance on which, at his/her level, he/she should begin to have an opinion.

- B. The right to study under competent instruction in an atmosphere free from bias and prejudice.
- C. The right of access to all relevant information freely available in the school or public libraries.

Emotional criticism and promotion of a cause within the classroom are inappropriate and unscholarly. The teacher's attitude should be that of the scholar which is truth seeking, open-minded, and tolerant.

111.03 In the event that any citizen has a complaint or question concerning material used or discussed within a class, the following practice shall be followed:

- A. If a citizen calls the Superintendent or the building principal with a concern about material used or discussed, the individual responding to the citizen shall get the name, address and phone number of the citizen and inform the citizen of the following:
 - 1. The teacher of the class.
 - 2. That there exists a formal policy for reconsideration of the material.
- B. The teacher shall be informed of any initial inquiries and/or complaints.
- C. The teacher shall contact the citizen and shall attempt to answer any questions the citizen may have.
- D.
 - 1. A review committee may be established by the principal that shall include the following persons:
 - a. Superintendent
 - b. Principal
 - c. The department chairperson (if applicable)
 - d. An additional teacher designated by the MEA President
 - 2. All members of the review committee shall familiarize themselves with the material in question.
 - 3. The principal shall call a meeting of the members of the review committee, the teacher, and the citizen. During this meeting, the citizen shall inform the committee of any and all objections to the material used or discussed. The teacher will tell how it was received by the class, why it

was chosen, whether a choice of materials was given to the students, and any other information requested by the review committee pertinent to the situation.

- E. After hearing all of the information, the review committee shall render a decision concerning the material in question and supply copies of their decision to the citizen, the teacher, and to the Board. A copy of this shall also be available for public information and filed in the Superintendent's office.
- F. If the citizen or the teacher is not satisfied with the review committee's decision; either party may request a meeting with the Board in an attempt to resolve the situation. The Board shall invite both parties to such a meeting.
- G. The Board reserves the right to a final decision in any such matter. Said decision shall be communicated to all parties involved.
- H. No parent or group of parents has the right to determine the instructional matter for students other than their own children.
- I. The Board and Association do, however, recognize the right of an individual parent to request that his child not have to participate in a given instructional experience, provided a written request is made to the building principal and he/she determines it to be reasonable. Alternative materials shall be provided and no penalty in grading shall be imposed.

111.04 In teaching controversial issues teachers are responsible for exercising judgment in selecting for discussion those relevant issues, which are deemed to be of value to the maturity and understanding of the students involved.

ARTICLE 112 – PARENT CONFERENCES AND OBSERVATIONS

Although cooperation and communications between parents and teachers is an important facet of teaching and shall be encouraged at all levels, the normal discharge of a teacher's daily responsibilities must be given first consideration. Therefore, any parent conferences or classroom observations by parents will be scheduled in cooperation with the teacher.

ARTICLE 113 – PUBLIC COMPLAINTS ABOUT SCHOOL PERSONNEL

113.01 Constructive criticism of the school and/or its personnel is welcome through whatever medium when it is motivated by a sincere desire to improve the quality of the educational program of the school district.

113.02 The Board places trust in its employees and desires to support their actions in such a manner that employees are freed from unnecessary criticism and complaints.

113.03 Whenever a formal complaint is made to the Board as a whole or to a Board member as an individual, it shall be referred to the school administration for study and possible solution. The individual employee involved shall be advised of the nature of the complaint and shall be given an opportunity to explain, to comment, and to present all facts as he or she sees them.

113.04 Any complaint regarding a teacher, except those involving alleged criminal acts, directed to any member of the school administration team shall be processed in the following manner:

Step 1: The complaint will be directed to the teacher most immediately involved. All efforts will be made to reach a satisfactory solution through a conference or other means at this level.

Step 2: Any complaint unresolved at Step 1 may be submitted at the request of the teacher or complainant, orally or in writing, to the building principal who shall attempt to resolve the matter to the satisfaction for all parties concerned.

Step 3: Any complaint unresolved at Step 2 shall be forwarded by the building principal to the Superintendent.

Step 4: Upon receipt of the complaint, the Superintendent shall confer with all parties. The teacher shall have the right to be present and accompanied by one or more of the following: a representative of the teachers' organization recognized by the Board as the exclusive representative of the teachers, or by a representative of his/her own choosing, excluding legal counsel, at all meetings with the Superintendent and the complainant.

Step 5: If the Superintendent is unable to resolve the complaint to the satisfaction of all parties concerned, at the request of the complainant or the teacher, the Superintendent shall forward the results of discussion at Step 4 along with recommendations, in writing, to the Board and a copy to all parties involved.

Step 6: After receipt of the findings and recommendations of the Superintendent and before action thereon, the Board shall afford the parties an opportunity to meet with the Board. Copies of any action taken by the Board shall be forwarded to all parties. The teacher may be represented by legal counsel or other representation.

- a. Licensure/Certification
 - b. Competency as determined by formal evaluation

- C. The employee shall be notified in writing by certified mail of an offer of recall and given ten (10) days to accept such offer in writing and shall be granted a minimum of five (5) days from date of acceptance to report to work. ARTICLE 131 – GRIEVANCE PROCEDURE/BINDING ARBITRATION

131.01 Grievance Defined - A “grievance” is defined as any question or controversy between any professional staff member or the Association with the Board and/or administration concerning the interpretation, application of, compliance with, or non-compliance with the provisions of this Agreement.

131.02 Informal Procedures - If grievant believes there is a basis for a grievance, the grievant shall first discuss the matter with his/her principal or immediate supervisor and/or evaluator in an effort to resolve the problem informally. The grievant may be accompanied by an Association representative or any other member of the bargaining unit of his/her choosing.

Grievances may be adjusted informally at any step provided the adjustment is not inconsistent with the policies and rules of the Board and if the representative of Association has been given the opportunity to be present at the meeting and/or to state the views of the grievance.

Grievances shall be submitted on the standard grievance forms available from the MEA President and shall be incorporated into this Agreement.

131.03 Formal Procedures - Step I - In the event the teacher does not desire to utilize the Informal Procedures or in the event the teacher is not satisfied with the disposition of the grievance at the Informal Procedure level, or if no decision has been rendered by the principal within ten (10) days after the discussion of the grievance referred to in the Informal Procedures, the teacher may file the grievance in writing with the principal

using the prescribed form. The written grievance must be submitted to the principal or immediate supervisor within twenty-five (25) days of the occurrence of the grievance. Within ten (10) days of the filing of the grievance with the principal or immediate supervisor, the principal or immediate supervisor will meet with the grievant in an effort to resolve it. Meetings and hearings held under this procedure shall be conducted at a time and place, which will afford a fair, and reasonable opportunity for all persons entitled to be present to attend. The grievant may be accompanied at this meeting by another member of the bargaining unit of his/her choosing. A written answer shall be given to the grievant within ten (10) days after such meeting.

131.04 Step II - If within ten (10) days the grievant is not satisfied with the disposition of the grievance in Step I, or if no disposition had been made within five (5) days, the grievant and the Association shall complete Grievance Report Form, Step II, and submit the grievance to the Superintendent. Within ten (10) days of receipt, the Superintendent and/or his/her designated representative shall meet with the grievant and the Association representative. Within ten (10) days of this meeting, the Superintendent shall indicate in writing the disposition of the grievance by completing his/her portion of Step II and forwarding it to the teacher. The Association and the principal shall be notified in writing of said disposition.

131.05 Step III - If the grievant and the Association are not satisfied with the disposition of the grievance by the Superintendent, or if the disposition has not been received within the time period above in Step II, the Association may refer such dispute to the Board of Education. The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board of Education. The Board or a committee thereof shall review the grievance, hold a hearing with the grievant, if requested in executive session and render a decision in writing within twenty (20) days.

131.06 Step IV - If the grievant and the Association are not satisfied with the disposition of the grievance by the Board, or if the disposition has not been received within the time period in Step III, the Association may refer such dispute or difference to arbitration by completion of the Grievance Report Form, and filing same with the Superintendent within ten (10) days of the receipt of the disposition of the Board or the end of the time period in Step III. Binding arbitration shall be employed. No grievance may proceed to arbitration unless the Executive Committee approves the arbitration and confirms such fact to the Board in writing. The parties shall be allowed ten (10) days from the filing of the request for arbitration to mutually select an arbitrator. If an arbitrator is not selected by mutual agreement within the allowed time, the parties shall utilize the procedures of the American Arbitration Association (AAA) to select an arbitrator who will provide a list of seven (7) names to the parties to be selected using the alternate strike procedure. Either party shall have a right to request a second list.

131.07 The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any terms of this Agreement, nor shall he/she make any decision contrary to law.

- 131.08 Neither party shall be compelled to arbitrate any issue, which it believes in good faith to be non-arbitrable under the terms of the Agreement. The parties may agree that any dispute relating to the arbitrability will be resolved by the arbitrator.
- 131.09 The recommendations and/or award made by the arbitrator shall be submitted in writing and sent to the Board, the Association, and the grievant not later than thirty (30) calendar days after the close of the hearing.
- 131.10 Each party shall be responsible for its own share of any administrative fees charged by the FMCS and for the costs and expenses of its own consultants, attorneys, and witnesses. The parties shall share equally in the fees and expenses charged by the arbitrator.
- 131.11 The Board, at the next regularly scheduled meeting following receipt of the arbitrator's recommendation, shall meet with the grievant, an Association representative, and the Superintendent to review the recommendation in executive session or give other consideration as it shall deem appropriate. The Board and the MEA President shall implement a plan to carry out the arbitrator's award during this meeting.
- 131.12 The term "grievant" or aggrieved" shall include all members of the bargaining unit, any group of members acting as a class, the bargaining unit itself acting on behalf of itself or for any member or group of members at the option of the grievant.
- 131.13 "Days" as used in the procedure shall be school work week days, Monday through Friday, excluding holidays, spring break, winter break and calamity days.
- 131.14 "Representative or representation" as provided for in this section shall be: any member of the bargaining agent chosen by the aggrieved, legal counsel of the aggrieved or any other person of the aggrieved's choosing.
- 131.15 A grievant may appear on his/her own behalf or may be represented at any and all steps of the Grievance Procedure by the bargaining agent, or by counsel, or by any other person of the aggrieved's choice, except that the aggrieved may not be represented by an officer or employee of any teacher's organization other than the recognized bargaining agent.
- 131.16 A grievant shall have the right to present a claim in accordance with the procedure described herein, free from interference, coercion, restraint, discrimination or reprisal.
- 131.17 Nothing contained herein shall limit or otherwise exclude any grievant from seeking redress from any governmental agency, regulatory body, or any court of law with jurisdiction to this school district.
- 131.18 If a grievance appears to arise from the actions of an authority higher than the immediate supervisor and/or affects a group of members of the bargaining agent, it may be submitted at Step II described herein.

131.19 If, in the judgment of the MEA Executive Committee, a grievance affects a group or class of teachers, the Executive Committee may initiate and submit such grievance in writing to the Superintendent directly, and the processing of such grievance will be commenced at Step II. The Executive Committee may process such a grievance through all steps of the Grievance Procedure even though there is no individual aggrieved person who wishes to do so.

131.20 Any grievance not settled at an informal level shall be reduced to writing and shall state which relief is sought.

131.21 Any grievance may be dealt with by the grievant seeking redress with the immediate supervisor; however, this informal procedure does not preclude the filing of any grievance at any appropriate formal step.

131.22 The fact that a grievant files a grievance shall not be recorded in the grievant's personal file or any file used in the transfer, assignment, or promotion process; nor shall such fact be used in any recommendation for re-employment or recommendation for other employment; nor shall the grievant be placed in jeopardy or be the subject for reprisal or discrimination for having followed or utilized this Grievance Procedure.

131.23 Time limits specified herein are considered maximum; however, they may be extended by written agreement of the parties. In the event a grievance is filed just prior to, or at the end of the school year, the time limits set forth herein may be reduced so that the Grievance Procedure may be exhausted prior to the end of the school term or as soon thereafter as is possible. If the grievance is not initiated within twenty-five (25) days after the aggrieved party is affected by the event or condition upon which it is based, the grievance shall be waived. Failure at any step of this procedure by the administration to communicate the disposition of the grievance within the time limits provided shall advance the grievance to the next step of the Grievance Procedure. The grievant or the Association must file after each step within five (5) days after the receipt of a decision from the previous step or the grievance will be considered waived.

131.24 The actual filing of a formal grievance shall be at the date and time when the employee or Association presents the written grievance form to the appropriate principal, Superintendent, or the Superintendent's secretary.

ARTICLE 132 – PROGRESSIVE DISCIPLINE

132.01 The administration may take progressive disciplinary action against any professional employee (101.03 A) for good and just cause resulting from violations of, or failure to comply with any professions of this contract, reasonable rules and regulations adopted by the Board and implemented by the Administration, and for conviction of a felony or major misdemeanor. It shall be the Administrator's decision at which step to begin, depending upon the nature and the conduct bringing about the reprimand. Association

representation shall be allowed at any step. Progressive discipline must begin within thirty (30) school days of the alleged improper act.

Progressive Discipline includes the following steps:

STEP I

A verbal warning will be given to the teacher during a private conference with the principal. It is expected that most cases will be disposed of at this step. Such verbal warning shall not be recorded in the employee personnel files.

STEP II

Should the same or similar problem occur a second time or the severity of the violation warrant, a written warning signed and dated by the principal shall be given to the teacher with a copy forwarded to the superintendent. The written warning shall be signed and dated by the teacher; the teacher's signature does not indicate agreement with the content of the warning, but indicates the warning has been inspected by the employee. The teacher may attach a written response to the written warning, if it is to be placed in the teacher's personnel file. The teacher or administrator may request a conference to discuss the written warning.

STEP III

Should the same or similar problem occur a third time or the severity of the violation warrant, a Letter of Official reprimand signed and dated by the administrator must be placed in the teacher's file. Within five (5) school days of issuance of a letter of reprimand, a conference shall be held with the teacher, principal, association representative and the Superintendent. The discussion can center on fact-finding, conflict resolution, and/or a plan to resolve the situation. The teacher shall have the right to attach a response to the reprimand.

STEP IV

Should the severity of the violation warrant the Superintendent for good and just cause may suspend a member with pay for a period not to exceed three (3) school days after a meeting with the teacher, principal, superintendent and employee's representative(s).

STEP V

Upon the initiative of the Superintendent for good and just cause, a teacher can be brought directly before the Superintendent for appropriate disciplinary action. The Superintendent may suspend an employee without pay for a period not to exceed three (3) school days.

STEP VI

Nothing herein shall preclude the Board of Education from instituting contract termination proceedings pursuant to ORC Sections 3319.16 and 3319.161 at any time when in the sole and exclusive discretion of said Board, it is determined such action is warranted.

- A. If a member feels he/she has been unjustly reprimanded, he/she may file a grievance. Should the member be supported in his/her positions, all records of such reprimand shall be removed from all personnel and anecdotal records and the teacher will be restored to their previous position, retain, seniority rights, and recover forfeited pay.
- B. Disciplinary action is subject to the grievance procedure as set forth in this contract. No teacher shall be reprimanded or disciplined without just cause. A suspension shall be held in abeyance until the grievance, if any has been resolved. To expedite the grievance, the grievance shall be initiated a third step (131.05) of the grievance procedure.
- C. If the infractions set forth in the introductory paragraph 132.01 are of a serious nature, the teacher may be suspended immediately by the Superintendent without adhering to the provisions of Steps I-III, however, paragraphs A and B shall apply.

132.02 Except confidential personnel recommendations, no material shall be placed in his/her personnel file unless the teacher has been given a copy, has been notified that it is to be placed in his/her personnel file and has had an opportunity to review the material. The teacher will acknowledge that he/she has had the opportunity to review the material by affixing his/her signature to the copy to be filed, with the expressed understanding that such signature in no way indicates agreement with the contents thereof. The teacher shall have the right to submit a written response to such material, and his/her written response will be attached to the copy.

ARTICLE 133 – REIMBURSEMENT FOR COLLEGE COURSE WORK

133.01 The Board will provide twenty thousand dollars (\$20,000) for teacher education professional growth. These funds will be replenished at the beginning of each school year. If all the funds are not used in a year then the funds will carry over into the next year.

133.02 Any teacher, who has taught in the Mechanicsburg School System for at least one (1) year and returns to work in the district the year following their course work, is eligible for college tuition reimbursement. The Board will reimburse eighty percent (80%) of the tuition for college work that meets the requirements of this article up to a maximum of fifteen (15) quarter hours or ten (10) semester hours per year. Differences of opinion as to what courses qualify shall be resolved by a committee comprised of two (2) teachers, neither of whom is an applicant for reimbursement, appointed by the MEA President and chaired by the Superintendent. If a course application is disapproved, the employee will be given reasons in writing for the disapproval.

133.04 This reimbursement is only available to members of the bargaining unit. Tutors and substitute teachers are not eligible for reimbursement. If on an approved leave of absence, the employee will be reimbursed upon returning to work following the leave of absence. If a teacher has had his/her contract suspended under a reduction in force, the teacher shall be eligible for reimbursement.

133.05 For those who have a bachelor's degree but are not fully certified, payment will only be made if the hours are applicable toward full certification.

133.06 In the event that the requests for reimbursement exceed the fund total, then the total amount of requests for full credit courses will be prorated (divided evenly) into the amount available and payment made correspondingly. In any case reimbursement will not exceed the amounts set here in this Agreement.

ARTICLE 134 – CURRICULUM STUDY COMMITTEE

134.01 The Board recognizes that teachers and other certified staff have much to offer in relation to instructional policies. To that end teachers shall be included in the planning stages of curricular related activities. This shall include membership on curriculum study committees chaired by the Director of Teaching and Learning; the Superintendent's Curriculum Committee, and other committees that might be formed as the need arises.

134.02 Membership on curriculum related committees shall be first through volunteers and then through appointments. When the second method is used all efforts to equitably distribute the assignments shall be used.

134.03 The purpose of these curriculum related committees is to recommend to the Board additions, deletions, and/or revisions in courses of study, instructional policies, instructional practices and other areas affecting the district's educational program.

A. If the State Department of Education guidelines permit school districts to hold inservice meetings to fulfill requirements for continuing education units (CEU's), the Board may provide inservice programs designed to help fulfill the requirements. Attendance at said meetings shall be at the member's discretion without fear of reprisal or negative evaluation.

ARTICLE 136 – MENTORING PROGRAM

- 136.01 An employee mentor shall assist new teachers to the profession or those re-entering the profession to understand the workings of the school district in regard to their contractual responsibilities. - 136.05 Mentors shall provide regular feedback to the employee and shall not be used to evaluate the employee or to be a part of the evaluation process or to be used in place of regular evaluation procedures. Mentors cannot be used as a witness for a teacher that is involved in nonrenewal or termination procedures. All mentoring positions shall be voluntary, with no prejudice for a refusal to assume additional duties.

ARTICLE 137 – COVERING CLASSES OTHER THAN ASSIGNED

- 137.01 Substitute teachers shall be assigned to take the place of regular teachers who are absent.
- 137.02 In all cases of teacher absence of one-half (½) day or more, principals shall make a reasonable effort to secure necessary substitute teachers.
