ARTICLE I

RECOGNITION AND NEGOTIATIONS PROCEDURE

1.01 Recognition

- A. This agreement is hereby entered into by and between the Board of Education of the Columbiana County Vocational School District, hereinafter referred to as the "Employer" or "Board," and the Columbiana County Career and Technical Center Education Association, hereinafter referred to as the "Association." The Employer recognizes the Association as the sole and exclusive bargaining agent with respect to wages, hours, and other terms and conditions of employment for all full-time and regular part-time certified teaching employees teaching high school students. Other members of this bargaining unit include the school nurse, the media specialists, and the special education coordinator.
- B. Positions excluded from the bargaining unit include the Superintendent, Assistant Superintendent, Director, Principal, Assistant Principal, Supervisors or any other certificated/licensed administrative/supervisory position defined as having the authority to hire, assign or discipline employees of the Board. Other positions excluded include all teaching employees employed in the Adult Education Division, Guidance Counselor, Placement Officer, substitute teachers, home instruction tutors and all classified employees.
- C. The recognition granted herein shall be for a term as provided by law.

1.02 Nondiscrimination Clause

The Employer and the Association agree not to discriminate against the employee(s) on the basis of race, color, creed, national origin, age, sex or handicap.

1.03 Negotiations Procedure and Scope of Negotiations

- A. This recognition constitutes an agreement between the Board and the Association to bargain collectively on matters related to wages, hours, or terms and other conditions of employment and the continuation, modification, or deletion of any existing provision of this collective bargaining agreement.
- B. Negotiations may be initiated by either party upon proper notice no later than April 30 immediately prior to the expiration of this agreement. The request for a meeting shall be made in writing, with the time and place for said meeting to be mutually agreed upon, and held within ten (10) days of the request. The parties may mutually agree to defer meetings to a later date.

- C. Good faith requires that the Board and Association be willing to react to each other's proposals. If a proposal is unacceptable, the other side is obligated to give reasons why. Nothing in this agreement shall compel either party to agree to a proposal or to make a concession. Confidentiality of negotiations proposals and proceedings shall be maintained by both the Board and Association. Prior to declaration of impasse, no news release shall be submitted to the media without the written consent of both parties. Summary reports on negotiations may be made to the Board and the Association by their respective negotiators.
- D. The ground rules for negotiations will be determined at the first meeting of the negotiating teams. Such ground rules will address times and places for meetings, caucus provisions, news media involvement, progress reports to the Board and the Association, and protocol.
- E. The meetings shall be no longer than two (2) hours in length, but the period may be extended with the mutual consent of both parties. The time, place, and date of the next meeting shall be agreed upon prior to adjournment.
- F. Negotiations shall be completed within sixty (60) calendar days, but the period may be extended with the mutual consent of both parties.
- G. All negotiations shall be conducted by designated negotiating teams, each of which shall not exceed six (6) members. The Board's negotiating team shall be designated by the Board, and the Association's negotiating team shall be designated by the Association. Neither negotiating team shall be authorized to admit more than three (3) observers recognized by the team spokesperson.
- H. Each party may call upon professional or lay consultants to assist in negotiations. The expenses of such consultants shall be borne by the party requesting them.
- I. The Board and Association agree to furnish each other, upon timely request, available public information pertaining to issues under discussion at no cost to the requesting group.
- J. No tape recorders or other mechanical devices shall be used to record any negotiations sessions.
- K. As negotiated items are agreed upon, they shall be reduced to writing and initialed at the time of agreement. Such initials indicate tentative agreement of the negotiators, and are subject to final ratification of the entire agreement by the Board and Association.
- L. When final agreement is reached through negotiations, the outcome shall be reduced to writing and printed by the Board of Education. Both parties shall review the agreement to determine the accuracy of the document. If in proper form, the agreement will be submitted to the full membership of the Association

within ten (10) working days for ratification, and to the Board for ratification and adoption within ten (10) working days after Association ratification. Said agreement shall then be signed by the Board's and Association's representatives following ratification.

1.04 Dispute Resolution Procedure

- A. In the event that agreement has not been reached by the forty-fifth (45th) day of the negotiations period, either party may call for the services of a mediator to assist in negotiations by making a written request to the Federal Mediation and Conciliation Service (FMCS) with a copy to the other party.
- B. The parties agree that the use of mediation, as set forth above, constitutes the parties' mutually agreed upon dispute resolution procedure and shall take precedence over any inconsistency with or alternative procedure set forth in O.R.C. 4117.14.

1.05 Management Rights

Board rights, powers, duties, discretions, authority, and prerogatives are retained by, and shall remain exclusively vested in the Board, except as limited by this agreement. The Board, in the exercise of these rights, powers, authorities, duties, and responsibilities, shall be consistent with United States and the State of Ohio Constitutions and Ohio Revised Code Chapter 4117.08c. The Board shall have the right to make and enforce rules and regulations not inconsistent with the provision of this agreement.

1.06 Association Rights

- A. The Association shall have the rights listed below. All other teacher organizations shall be excluded from these rights for the duration of the recognition period.
- B. The Employer shall allow the Association to use designated space on one (1) bulletin board which will be located in the employee lounge. The Association shall be responsible for the care and maintenance of the bulletin board space. The Employer shall have the right to remove any material not in conformance with paragraph "D" below.
- C. The Association may use certificated/licensed employee mailboxes for distribution of notices to all employees covered by this agreement.
- D. No notices, memorandums, posters, or other forms of communication will be posted on the bulletin boards that contain any defamatory, political (except union election notices), controversial materials, or any material critical of the Employer or any employee of the Employer.

- E. The Association may address new employees to explain the role and purpose of the Association. If said meeting is to be a group meeting during school hours on any contract day, the Association President shall schedule the meeting with the Superintendent or his designee at least five (5) days in advance of the meeting.
- F. The President of the Association shall receive an agenda and complete minutes of any regular or special Board of Education meeting at the same time they are distributed to Board members.
- G. The Association will be permitted to announce membership meetings and make other pertinent announcements at faculty meetings, providing the Association President has requested placement on the agenda in advance of the meeting.
- H. The Association shall be permitted to express its views prior to any change in the school calendar necessitated by using more than the state-approved calamity days.
- I. The Association may use school equipment, with prior notice to the Building Director, providing the District is reimbursed for any consumable supplies used by the Association. An Association representative may be trained to operate the photocopier, and the Association may be required to pay for its use, but not more than charged other users.
- J. The Association may use the school building for meetings provided the meetings are not held within the identified school day, and providing the Board adopted procedure for use of the school is adhered to for all after-hour meetings.
- K. Duly authorized representatives of the Association and its affiliates may, upon notification to the Employer, transact Association business on school property at any time before, after, or during the regular school day, provided that no such business shall be transacted during any class time, nor in any way interferes with scheduled student/teacher, parent/teacher or administrator/teacher conferences or other school function or activity. Association representatives must report to the building office, when open, and sign in before transacting such business.

1.07 No Strike

- A. The Association hereby agrees that it will not call or encourage a strike or partial strike, nor will any employee strike or partially strike for the duration of this agreement. For the purposes of this article, a strike means a concerted action in failing to report to duty, willful absence from one's position, stoppage of work, slowdown, or abstinence, in whole, from the full, faithful, and proper performance of the duties of employment for wages, hours, terms and other conditions of employment. Stoppage of work by employees (in good faith) because of dangerous or unhealthful working conditions, at the place of employment shall not be deemed a strike.

B. The Employer agrees that it shall not lock out any employee for the duration of this agreement.

1.08 Contrary to Law Provision

If any provision of this agreement, or the application of any provision, shall be rendered or declared invalid, unlawful, or not enforceable by court action or by reasons of any subsequently enacted legislation, then such provision shall not be applicable, performed, or enforced; but all remaining parts of this agreement shall remain in full force and effect for the term of this agreement. If changes to the agreement are necessary to comply with the law, the parties agree to meet within sixty (60) days to negotiate the matter.

ARTICLE II

GRIEVANCE PROCEDURE

2.01 Definitions

- A. "Administration" shall mean the Superintendent, Assistant Superintendent, Treasurer, Directors, Principals, Assistant Principals, Supervisors and Guidance Counselors.
- B. During the adopted school year, "days" shall mean school days. During the summer vacation, such "days" shall mean days the office is scheduled to be open for business excluding legal holidays. The time limits set forth in this policy may be extended by mutual agreement of the Board and the Association.
- C. "Grievance" shall mean a complaint involving the alleged violation, misrepresentation or misapplication of the written provisions of this negotiated agreement between the Association and the Board.
- D. "Grievant" shall mean a teacher, group of teachers, or the Association, initiating a claim as defined in paragraph "c" above. All affected employees will be duly informed by the Association and identified on the grievance form.
- E. "Immediate Supervisor", for grievance purposes, shall mean Director.
- F. "Teacher" shall mean a member of the bargaining unit.

2.02 General Provisions

- A. The primary purpose of this procedure is to secure an equitable solution to a grievance, at the lowest administrative level, in an expeditious manner.
- B. Nothing contained in this procedure shall be construed as limiting the individual right of a teacher, having a complaint or problem, to discuss the matter informally with members of the administration through normal channels of communication.
- C. Copies of all written decisions of grievances shall be sent to all parties involved: the Association President, the aggrieved, the Treasurer, the Superintendent, and the appropriate administrator.
- D. If a decision on a grievance is not appealed within the time limits specified at any step of the procedure, the grievance shall be deemed settled on the basis of the disposition at that step and further appeal shall be barred.
- E. Failure, at any step of these procedures, to communicate the decision on a

grievance, within the specified time limits, shall automatically entitle the grievant to move to the next level.

- F. Hearings held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all individuals providing testimony to attend.
- G. The failure of the members, or the Association to challenge any action, or inaction, of the District within fifteen (15) working days from the date the action, or inaction, is known or should have been known, shall make such action or inaction incontestable.
- H. An employee or the Association must exhaust all steps of the grievance procedure before filing any legal action in the state or federal courts alleging a violation of this agreement or their rights.
- I. Throughout the grievance procedure, the grievant will receive fair and prompt treatment without fear of reprisal; shall not be denied his legal rights under the law; and shall not be denied the right to Association representation or legal advice or counsel at any or all levels.
- J. No grievance settlement may be inconsistent with the terms of this agreement.

2.03 Informal Level

An employee, group of employees, or CCCTCEA representative who feel there is a grievance shall first meet informally with the Director in an effort to resolve the problem. At this informal meeting, the employee, group of employees, or CCCTCEA representative must indicate that the meeting is to be considered activation of the informal level of the grievance procedure.

2.04 Formal Level: Step 1

- A. If the grievance is not resolved at the informal level, the grievant may within ten (10) days of the informal discussion submit a formal grievance, in writing, on the appropriate form, to the Director. See Appendix 1.
- B. Within five (5) days after receipt of the formal grievance, the Director shall meet with the grievant at a mutually agreed upon date, time and place. The employee and the Association shall be notified in writing of the time, place, and date of said meeting.
- C. The Director shall write a disposition of the grievance within five (5) days after

- D. the conclusion of the meeting. A copy of this disposition shall be forwarded to the grievant and Association.

2.05 Formal Level: Step 2

- A. If the grievant is not satisfied with the disposition of the grievance in Step 1, the grievant may submit the grievance in writing, on the appropriate form, to the Superintendent within five (5) days of receipt of the disposition at Step 1. See Appendix 2.
- B. Within five (5) days after receipt of the grievance form, the Superintendent shall meet with the grievant at a mutually agreed upon day, time and place.
- C. The Superintendent shall write a disposition of the grievance within five (5) days after the conclusion of the meeting. A copy of this disposition shall be forwarded to the grievant and Association.

2.06 Formal Level: Step 3

- A. If the grievant is not satisfied with the disposition made by the Superintendent, the grievant may submit the grievance in writing, on the appropriate form, to the Treasurer of the Board within five (5) days after receiving the written disposition of the Superintendent. See Appendix 3.
- B. The Board shall meet with the grievant to discuss the grievance at its next regular Board of Education meeting following receipt of the grievance by the Treasurer. This discussion shall be held in executive session unless otherwise required by law.
- C. Following the meeting with the grievant, the Board shall render a written decision at its next regular or special meeting. This disposition will be provided to the grievant and Association not more than seven (7) working days following that meeting.

2.07 Formal Level: Step 4

- A. If the grievant is not satisfied with the disposition of the grievance made by the Board, the grievant, through the Association, may request a hearing before an arbitrator within ten (10) working days after receipt of the disposition of the grievance in Step 3. The notification of the grievant's intent to move to arbitration shall be in letter form to the Superintendent.
- B. The arbitrator shall be selected mutually by petitioning the Federal Mediation and Conciliation Service to provide a list of seven (7) arbitrators in accordance with the rules of FMCS. Either party has the right to request a second list. The Board and Association shall alternately strike names from the list until one (1) name

remains. The first party to strike a name shall be decided by the toss of a coin.

- C. Once the arbitrator has been selected, he/she shall proceed with the arbitration on the grievance with the Procedures of the FMCS. The arbitrator shall have authority to consider only a single grievance involving a common question of interpretation or application unless mutually agreed otherwise by the parties.
- D. The arbitrator shall hold the necessary hearings and issue the decision within such time as may be agreed upon. The decision shall be in writing, and a copy shall be sent to all parties. The decision of the arbitrator shall be binding on the Board, the Association, and the grievant.
 - 1. If an issue of arbitrability is raised, the arbitrator shall first consider and determine whether the grievance is arbitrable before conducting a hearing on the merits of the case. The arbitrator's decision on the issue of arbitrability shall be rendered from the bench at the hearing unless otherwise mutually agreed by the parties.
 - a. If the arbitrator determines the issue is not arbitrable, he/she shall indicate such verbally to the parties and render a written decision within such time as may be agreed upon. A copy of the decision shall be sent to all parties. The decision of the arbitrator shall be binding on the Board, the Association, and the grievant. It is understood that the instant grievance cannot be refiled.
 - b. If the arbitrator determines that the issue is arbitrable, he/she will hear the merits of the case at the same hearing.
- E. The arbitrator shall not have the authority to add to, subtract from, disregard, modify, change, or alter any of the provisions of this negotiated agreement, nor add to, detract from, or modify the language therein in arriving at a determination of any issue. The arbitrator shall not make any decisions contrary to law.
- F. The costs for the arbitrator and the administrative fees of the FMCS, if any, shall be paid by the losing party.

ARTICLE III

SENIORITY, REDUCTION IN FORCE, RECALL

3.01 Seniority Provisions

- A. Seniority shall be defined as the length of continuous full-time service, as a teacher under a limited or continuing contract in the District. Seniority of teachers who resign and are subsequently re-employed shall begin at the date of re-employment.
- B. Every teacher's name will appear on a list in order of seniority according to his/her area of certification/licensure. (The notation of an asterisk * will be used to identify those teachers who have attained continuing contract status.) Teachers who are certified in more than one area shall have their names listed in each area for which they hold certification/licensure. Areas of certification/licensure shall be those areas in which the teacher is certified by the Ohio Department of Education, and for which a current certificate/license is on file in the Treasurer's office.
- C. If two (2) or more teachers have the same length of continuous service, or if conflicts over seniority develop, seniority will be determined in the following manner: first, by date of Board hiring as stated in the Board minutes book; secondly, by date of valid District employment application as date stamped in the Superintendent's office and signed by the employee; and thirdly, any remaining ties will be broken by lot. These procedures will apply to both limited and continuing contract seniority.
- D. The seniority list shall be prepared by the Superintendent no later than November 15 of each school year and posted on the Association bulletin board with a copy given to the Association President. PLEASE NOTE: It is the absolute responsibility of each union member to check the posted seniority list for errors or omissions and report such to the office of the Superintendent. Personnel records will be reviewed and, if applicable, corrections or additions will be made and the seniority list will be revised. The Board shall be held harmless for any errors or omissions not reported to the Superintendent by November 30 of each year this contract is in place.
- E. No later than November 15 of each school year, the Superintendent shall prepare a certification/licensure list which includes the expiration date of all certificates/licenses on file in the Treasurer's office. This certification/licensure list will be based upon information found in the permanent record file of each teacher employed at the time the document is created. A copy of this certification/licensure list shall be given to the Association President. PLEASE NOTE: Maintaining a "current" certificate/license is the sole responsibility of the employee. Instructors shall also be responsible for notifying the Superintendent's

office of any changes relative to their certification/licensure status...i.e. upgrading or adding eligible teaching areas.

- F. In the event of the expansion of the Career Technical Planning District (CTPD) and the subsequent absorption of vocational units of said district(s) to the Columbiana County Career and Technical Center, the Board of Education will be under no obligation to employ the teacher(s) of said district(s).
- G. Should the Board of Education choose to employ a teacher from said district, that teacher will be treated as a "new" hire and be subject to the same contract provisions as any other new employee.

3.02 Reduction in Force

- A. If the Board determines it necessary to reduce the number of employee positions under Section 3319.17 of the Ohio Revised Code, or for financial reasons, consolidation or abolishment of programs, or curtailment of activities, the reduction shall first be made through attrition resulting from resignations, retirement, and transfers. The Board may then suspend contracts to complete the reduction. If the Board determines that a Reduction in Force (RIF) is necessary, the Board shall notify the President of the Columbiana County Career and Technical Center Education Association prior to notifying the teacher(s).
- B. Nothing herein shall preclude the lawful nonrenewal or termination of a teacher's contract. Non-renewal, however, will not be used where reduction in force applies.
- C. Seniority may not be the sole basis for teacher retention or other employment decisions, except when deciding between teachers who have comparable evaluations, this refers to teachers within the categories of "Ineffective", "Developing," "Skilled," and "Accomplished." For the purpose of Section 3.02 of the agreement, the categories of "Skilled" and "Accomplished" will be considered comparable evaluations.
- D. A teacher affected by reduction in force may elect to displace a teacher who holds a lower position on a seniority list in another area of certification/licensure for which he/she holds the program/subject area certification/licensure required by the Ohio Department of Education, provided the criteria outlined in Section 3.02 C of the agreement is met. In addition, if required by course content, or outlined in the job description, the more senior teacher electing to displace a less senior teacher must currently hold any "specialized" certificate/license (or be able to obtain such "specialized" certification/licensure prior to the opening day of the school year or an alternative deadline established by the Board) which is needed or required to teach the program/subject area of the lower seniority teacher being displaced. Any such election must be made in writing to the Superintendent within ten (10) work days following the date the teacher is notified of the RIF.

3.03 Recall

- A. The names of teachers whose contracts are suspended in a reduction in force will be placed on a recall list, developed by the Treasurer, for twelve (12) months from September 1 to September 1 or until recalled, whichever occurs first. The list shall be available to the Association.
- B. No new teacher will be employed by the Board while there is a teacher on the recall list who currently holds the program/subject area certificate/license required by the Ohio Department of Education and, if required by course content or outlined in the job description, currently holds any “specialized” certificate/license (or is able to obtain such “specialized” certification/licensure prior to the opening day of the school year or an alternative deadline established by the Board) which is needed or required to teach the program/subject area.
- C. Teachers on the recall list will be recalled in order of seniority for vacancies in areas for which they meet all requirements as outlined above in Section 3.03 B.
- D. If a vacancy occurs, the Board will send to the last known address a certified, restricted delivery letter to all teachers on the recall list who are certified for the position as outlined above in Section 3.03 B. It is the teacher's responsibility to keep the Board informed of his/her current address. If the post office returns the letter as undeliverable to the Board office, the Board is considered to have met its obligation to notify the employee.
- E. All teachers are required to indicate in writing, to the Superintendent, their availability for the position. The response must be within seven (7) calendar days of receipt of the certified, restricted delivery letter. Any teacher who fails to respond within seven (7) calendar days, who declines to accept the position, or if the post office returns the letter as undeliverable to the Board office, will forfeit all recall rights.
- F. A teacher on the recall list will, upon acceptance of the notification to resume active employment status, return to active employment status with the same accumulation of sick leave, seniority and salary schedule placement as he/she enjoyed at the time of layoff. If a teacher on the recall list accepts full-time employment with another school district in a position requiring a certificate/license, the teacher shall so notify the Superintendent in writing immediately and will be removed from the recall list.
- G. In the event that a laid-off teacher is to be offered a substitute contract, the contract will not be offered to the teacher prior to September 1 following the layoff.

- H. A teacher who has had his/her contract suspended due to layoff has the option to pay for Board-approved insurance while on lay-off as per COBRA guidelines according to current federal and state law. The employee shall forward, to the District insurance representative, a check in the amount of the premiums one (1) month prior to the payment date. Employees who fail to meet the payment schedule will be terminated from the Board-approved insurance plans.

**ARTICLE IV
VACANCIES AND TRANSFERS**

4.01 New and Vacant Positions

- A. All hiring of certificated/licensed employees for the District shall be by the Board upon the recommendation of the Superintendent. An attempt will be made to hire the most qualified individuals available.
- B. A new and/or vacant position exists when the Board determines it is necessary to create a new position and/or elects to fill a vacant position. The filling of such position will be consistent with Article III, Section 3.03 (Recall) of this agreement.
- C. Newly created certificated/licensed positions which fall under the terms of this agreement, or vacancies in existing positions which fall under the terms of this agreement, shall be posted for seven (7) school days prior to filling the position. Said postings shall be in the form of "Notices of Vacancy" and shall be posted on the bulletin board in the faculty lounge. During the summer months, the Association President shall receive a copy of the notice on or before the date of posting.
- D. Notices of Vacancies will set forth the department, grade level, building, subject(s) to be taught, certification/licensure required, job descriptions, qualifications, conditions of employment, and procedure for making application for the new or vacant position.
- E. Notices of Vacancies which occur in the summer months (end of school through start of next school year), shall be emailed to all members of the bargaining unit who have email service and direct mailed to all others.
- F. In the event a vacancy occurs during the summer recess, said position may be filled ten (10) days from the date of posting, excluding Saturdays, Sundays and legal holidays. In the event a position becomes vacant less than twenty (20) days prior to the first day of school, the posting period shall be five (5) days. The purpose of this provision is to provide members of the Association the opportunity to apply for vacancies.
- G. Candidates from within the District, who meet the certification/licensure requirements and express an interest in a new or vacant position, will be interviewed by the administration and then considered on an equal basis with other applicants.
- H. Unit members shall not be transferred involuntarily to a new or vacant position, nor will there be any involuntary transfers from one building to another.

4.02 Hiring of Retired Personnel

A teacher retired under State Teachers Retirement System (STRS) service retirement may be re-employed only under the following conditions:

- A. The re-employed teacher will start with salary schedule placement for his/her highest level of certification/licensure for all years of experience under the State Teachers' Retirement System to a maximum of 5 years; thereafter such teacher shall receive salary in accordance with movement for years and certification/licensure of the salary schedule. A retired teacher may be hired to fill a new or vacant position.

The re-employed teacher will begin with zero years of seniority.

A teacher who wishes to retire and return to the position he/she currently holds must discuss his/her plans with the Superintendent. If the Superintendent agrees, a written contract for the ensuing school year, in compliance with these provisions, shall be signed by the teacher and approved by official action of the Board.

- B. Retirees hired under this provision shall receive a non-renewable one-year contract. The contract shall automatically expire at the end of its started term without notice of non-renewal.
- C. Subject to these provisions, re-employed teachers are part of the bargaining unit. In the event of a reduction in force, the retired/re-employed teacher has no bumping rights and no seniority.
- D. Re-employed teachers are eligible for sick leave as provided under a one-year contract.
- E. Re-employed teachers are not eligible to participate in any retirement incentive program nor are they eligible for severance pay.

4.03 Switching of Assignments

Whenever two or more teachers wish to change assignments, such change may be accomplished by the teachers involved presenting a written request to the Superintendent. The Superintendent shall have the final authority to accept or reject the request.

**ARTICLE V
EMPLOYEE BENEFITS**

5.01 FMLA Leave

Employees of the district shall be entitled to leave as provided in the Family & Medical Leave Act (FMLA) and its associated regulations.

5.02 Sick Leave

- A. Each person who is employed full time by the Board shall be entitled to fifteen (15) days sick leave, with pay, for each year under contract. Sick leave shall be credited at the rate of one and one-fourth (1-1/4) days per month with the total accumulation of no more than two hundred eighty (280).
