The parties do hereby agree as follows:

ARTICLE 1 - RECOGNITION

1.1 The Board of Education of the Willard City Schools (“the Board”) hereby recognizes the Ohio Association of Public School Employees on behalf of Local #291 (“OAPSE”) as the sole and exclusive bargaining representatives for all employees now employed or to be employed in the following described unit.

- E. Treasurer’s Secretary

1.4 Labor Management Committee – There shall be established a committee of six (6) members which shall meet at mutually agreed upon times to discuss problems of mutual concern between the parties hereto and problems which may occur from time to time in the administration of this contract. Five (5) days prior to the established meeting date, each party shall submit an agenda unless the parties mutually agree otherwise. Three (3) members of the committee shall be appointed by the Board and three (3) shall be appointed by the OAPSE President.

1.5 Civil Service Opt-Out – The Board and OAPSE desire to opt out of the Civil Service provisions of Ohio law. Therefore, the Board and OAPSE intend, to the fullest extent allowed by law, for this Agreement to supersede and take the place of the Ohio Civil Service laws and rules in all provisions addressed by this Agreement. The Board and its employees shall not be subject to the jurisdiction

of the City of Willard Civil Service Commission. The provisions of Chapter 3319 of the Ohio Revised Code shall be applicable to the employees in the bargaining unit as if the District were not a city school district; however, the provisions in this Agreement shall prevail over any conflicting provisions in Chapter 3319 to the extent permitted by law.

ARTICLE 2 - DUES CHECK OFF

- 2.1 The Board agrees to deduct from the pay of the school employees, dues for the Ohio Association of Public School Employees and the local union when so authorized, in writing, and to remit the dues to the State Association Treasurer monthly together with a list showing the names of the employees and the amount deducted. Deductions shall be in sixteen (16) consecutive payroll deductions beginning in the first pay period in October. Enrollments for dues deductions shall be made upon submission of a signed authorization form to the Treasurer. Revocations shall be per the employee's Membership Application/Dues Deduction authorization card.
- 2.2 If, for any reason, the Board fails to make a deduction for any employee as above provided, it shall make that deduction from the employee's next pay in which such deduction is normally deducted after the error has been called to its attention (in writing) by the employee. OAPSE agrees to hold the Board and its designees harmless for any and all errors arising out of the dues deduction procedure. OAPSE agrees to assume full responsibility for correcting any and all errors arising out of the dues deduction process.
- 2.3 The Board agrees not to honor any dues deduction authorization executed in favor of any other labor organization.
- 2.4 The Board agrees to deduct from the wages of any employee who is a member of OAPSE, a PEOPLE deduction as provided for in a written authorization. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving written notice to both the Board and OAPSE. The Treasurer agrees to remit any deduction made pursuant to this provision promptly to the local OAPSE representative together with an itemized statement showing the name of each employee from whose pay such deductions have been made and the amount deducted during the period covered by the remittance.

ARTICLE 3 - CONTRARY TO LAW PROVISION

- 3.1 If any provision of this Agreement, or any application of the provisions of this document, or any agreement reached under its terms, conflicts with any state or federal law, regulation, ruling or order, now or hereafter enacted or issued, such provisions, application or agreement shall be inoperative, but the remaining provisions hereof shall remain in effect. If during the term of this Agreement, any provision is determined invalid or inoperable due to its conflict with applicable

state or federal law, or valid rule or regulation adopted or repealed by a state or federal agency, the parties agree to meet to negotiate a lawful alternate provision, if possible, under the law relative to the affected provision. Such meeting shall take place within ninety (90) days following a written request by either party in an attempt to develop a memorandum of understanding between both parties. All provisions of this Agreement that are not affected by the conflict shall remain in full force and effect.

ARTICLE 4 - PROCEDURES

4.1 Scope of Representation

The scope of representation shall be limited to matters relating to wages, hours of employment, and all other terms and conditions of employment. Nothing herein may be construed to limit the right of the Board to consult with OAPSE on any matter outside the scope of representation. To the extent that any agreement arrived at through consultation is reduced to writing and embodied in this Agreement or any addendum to this Agreement the provisions shall be binding on all parties.

4.2 Procedures for Conducting Negotiations

A. Negotiation Teams

The Board, or the designated representative of the Board, will meet with six (6) representatives designated by OAPSE for the purpose of discussing and reaching agreement. All negotiations shall be conducted exclusively between said teams. The Board's negotiating team and OAPSE's negotiating team will be limited to six (6) members each. Neither party shall have control over the selection of the other party's team members. While no final agreement shall be executed without ratification by OAPSE's membership and adoption by the Board, the negotiating team will have the authority to make proposals, consider proposals and determine items acceptable to both parties involved in negotiations. Field representatives of OAPSE shall be included in the local's negotiating team.

B. Consultants may be used by each of the parties in any of the negotiation meetings in an advisory capacity. Consultants will not be permitted to enter into discussions unless both parties agree to permit them to address the teams.

C. The expense of such consultants shall be borne by the party requesting or hiring them.

D. Clerical assistance may be provided by either party. Such cost shall be borne by the respective party.

4.3 Exchange of Information

Prior to and during the period of negotiations, or impasse provision, the Board and OAPSE agree to provide to each other, upon request, all regularly and routinely prepared information concerning the issue(s) under consideration.

4.4 Request for Meeting

Upon receipt of a written request for a meeting either party will have five (5) days to reply to the request. A meeting date shall be agreed to within fifteen (15) days of such request. Such request shall be made by March 1 in the year the contract expires. All days referred to in this section shall be work days.

4.5 Submission of Issues

All issues for negotiations by OAPSE shall be submitted, in writing, at the first meeting and the Board shall submit, in writing, to OAPSE all of its issues for negotiations no later than the second meeting. No additional issues shall be submitted by either party following the designated meeting, unless agreed by both parties.

4.6 Negotiations Procedures

The parties shall meet at places and times agreed upon before the end of the prior meeting. Length of meetings as well as times and places of the meeting shall be agreed upon at the onset of the beginning of each session. All meetings shall be held in executive session.

4.7 Caucus

Upon the request of either party, the negotiation meeting shall be recessed to permit the requesting party a period of time within which to caucus in privacy.

4.8 Progress Reports

During negotiations interim reports may be made to OAPSE by its representatives and to the Board by its representatives. Each party will be responsible for requesting that information from such reports be regarded as only proposals and shall be confidential information within the organization concerned.

4.9 News Releases

News releases either during the negotiations or at the conclusion of negotiations shall be made only by mutual agreement as to when and the content of the release.

4.10 Protocol

No action to coerce, censor, or penalize any participant in negotiations shall be made or implied by any other negotiator or member of either party so represented. Both sides agree to conduct themselves in a professional and non-personal manner.

4.11 Item Agreement

As negotiated items are agreed upon, they shall be reduced to writing and initialed by the chief negotiator of each party. Such initialing shall be construed as tentative agreement by both parties on that item, or issue, subject to finalization by ratification of the entire tentative agreement by the membership of OAPSE and adoption by the Board.

4.12 Agreement

When an agreement is reached through negotiations, the outcome shall be reduced to writing. Both parties shall review the Agreement together to determine the accuracy of the transcript. If the Agreement is then in proper form, it shall be submitted to OAPSE and the Board for ratification and adoption. When adopted by the Board, the Agreement shall become part of the official Board minutes and binding on both parties. Said Agreement shall be signed by the Board's representative and by OAPSE's representative.

4.13 Intent to Recommend

Prior to the negotiated agreement being presented to OAPSE's membership and to the Board, each member of both negotiation teams shall pledge to recommend the adoption of the tentative agreement.

4.14 Federal Mediation

- A.** In the event an agreement is not reached by negotiations after full consideration of proposals and counter proposals, either of the parties shall have the option of declaring impasse.
- B.** Impasse is whenever the parties have stopped talking to each other at the negotiating table or after many bargaining sessions have been held and

the position of the parties have solidified and the parties have become intransigent pertaining to unresolved negotiation issues.

- C. If impasse is declared by either party, it is with the understanding that impasse proceedings are declared on all the issues where agreement has not been reached by either party.
- D. The parties shall jointly prepare a request for a mediator and direct such request to the Federal Mediation and Conciliation Service.

The assigned mediator shall have the authority to call meetings for the purpose of promoting an agreement between the parties.

- E. The mediator has no authority to recommend or to bind either party to any agreements.

4.15 Savings Clause

Any articles and/or sections not addressed or modified shall remain as is and incorporated into the newly negotiated agreement.

ARTICLE 5 - SAFETY

- 5.1 The Board shall conform to and comply with all health, safety and sanitation requirements of federal or state law.
- 5.2 Maintenance, Mechanics, and custodial personnel shall be supplied gloves and safety glasses as required by their job, by the Board of Education. The Board shall purchase winter gear for Maintenance, Mechanics, and Custodial personnel for use with snow removal. The purchase will be made one (1) time during the employee's career. The winter gear will be selected by the Board and will remain the property of the Board.

ARTICLE 6 - GRIEVANCE PROCEDURES

6.1 Definition

A grievance is defined as any complaint of an employee, employees, or OAPSE involving the interpretation, application, or alleged violation of this Agreement. It is the intent of the parties to equitably resolve grievances at the lowest possible administrative level. It is the intention of the parties to encourage as informal and confidential an atmosphere as is possible in the resolution of grievances.

6.2 Procedure

Grievances shall be handled in the following manner:

- A. **Step One:** An aggrieved employee may present directly or through his/her building representative, his/her grievance to his/her immediate supervisor. The grievance shall be discussed with the supervisor within ten (10) working days from date of knowledge. The Supervisor shall respond in writing within ten (10) working days of the informal meeting. If the grievance is not satisfactorily adjusted informally, the grievance may proceed to Step Two.
- B. **Step Two:** An aggrieved employee may present directly or through his/her representative his/her grievance to his/her immediate supervisor, in writing, within ten (10) working days of the response to Step One. If the grievance is not satisfactorily adjusted within ten (10) working days after the submission of the grievance, the immediate supervisor shall reduce to writing his/her response to the grievance. A written response to the grievance shall be submitted to the aggrieved party and the building representative within ten (10) working days of the submission of the grievance.

At Step Two of the grievance procedure, the grievant may elect, in writing, to represent himself/herself rather than have OAPSE representation. If the grievant elects to represent himself/herself at this step, or at any later step, OAPSE shall be relieved of any further obligation to share in any further expense of the grievance procedure including the costs of arbitration.

- C. **Step Three:** If the grievance is not satisfactorily adjusted by the immediate supervisor or if the immediate supervisor fails to respond in accordance with Step Two, OAPSE may submit the grievance, in writing, to the next level of supervision within five (5) working days of the response from the immediate supervisor or within five (5) working days after the immediate supervisor fails to respond in accordance with Step Two. Within five (5) working days after the receipt of the grievance at Step Three, the next level of supervision shall hold a special meeting at which the grievant shall be present to discuss and seek to resolve the grievance. The grievant and the building representative shall be notified, in writing, of the response at Step Three within five (5) working days after the meeting.
- D. **Step Four - Arbitration:**
In the event that the grievance is not satisfactorily adjusted at Step three, OAPSE may submit a request, in writing, that the grievance be submitted to arbitration. The request shall be made within five (5) working days of the receipt of the response at Step Three or the failure of the Board to timely respond. The parties shall immediately attempt to select a mutually acceptable arbitrator either from lists to be developed by the parties or developed by the F.M.C.S. If the parties are unable to agree upon an arbitrator, the grievance may be submitted for arbitration to the F.M.C.S.

The conduct for arbitration shall be governed by the voluntary labor arbitration rules of the F.M.C.S.

The arbitrator shall not have the authority to add to, subtract from, modify, change or alter any of the provisions of this collective bargaining contract, nor add to, detract from or modify the language therein in arriving at his/her decision concerning any issue presented that is proper within the limitations expressed herein. The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to decide any other issue(s) submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching his/her decision.

The arbitrator shall in no way interfere with management prerogatives involving the Board's discretion, nor limit or interfere in any way with the powers, duties, and responsibilities of the Board under its policies, applicable law, and rules and regulations having the force and effect of law.

The costs of arbitration shall be borne by the losing party.

An individual representing himself/herself may elect to take his/her case to arbitration. In such instances, he/she shall follow the procedures of this section.

- E. Failure of the Board to respond within the time limits set forth at any Step will cause the grievance to automatically advance to the next Step. Failure to initiate a grievance or advance it to the next Step within the time limits set forth in this procedure shall render the grievance resolved.

6.3 Discipline Suspension

Discharges and suspensions may be subject to the grievance procedure.

ARTICLE 7 - SENIORITY

7.1 The principle of seniority as hereinafter defined shall prevail in the Willard School District.

- A. System seniority shall be defined as the uninterrupted, continuous length of employment with the Board as computed from the employee's most recent date of hire. Date of hire shall be interpreted as the Board meeting date to employ the individual. Position start date shall be the effective date the individual begins work in the classification for which he/she was employed. If an employee is reinstated from layoff during a recall period, it will not be considered a break in employment and the employee will retain all previously earned seniority.

- B. Job classification seniority shall be defined as the uninterrupted, continuous length of employment by an employee in a particular job classification as computed from the employee's position start date into such job classification.
- C. There shall be a probationary period of sixty (60) actual working days to allow the Board to determine the fitness and adaptability of any new employee it may hire to do the work required. During such time the new employee shall have no seniority rights in that position and his qualifications to do the work required or his discharge or lay off for any reason shall not be subject to the grievance procedure set forth in this agreement. Employees retained beyond the sixty (60) actual working day period shall have their system seniority computed as of their date of hire and their job classification seniority computed as of their latest position start date into the job classification.
- D. Employees with system seniority who change job classification shall not accumulate job classification seniority in their new classification during the first thirty (30) actual working days of employment in such new job classification. Upon completion of thirty (30) actual working days of employment in their new classification, such employees shall acquire seniority in the new job classification dating from their most recent position start date into such job classification.
- E. For the purposes of this section, seniority shall end with the employee's last date of employment with the Board.

ARTICLE 8 - POSTING OF JOB OPENINGS AND HIRING OF NEW EMPLOYEES

- 8.1 When as determined by the Board, a vacancy occurs in a classification, that the Board determines to fill, it shall be filled by a contracted employee, within 90 days of the vacancy occurring, using the following process. The Board will determine whether to fill the position within thirty-five (35) days and will fill such position within fifty-five (55) days of such determination. It shall be posted and appear in the NEWSLETTER or other publication from the Superintendent. There will be a grace period of five (5) working days during which time any employee within the job classification in which the vacancy occurs shall have the opportunity to apply, in writing, for the job to the Superintendent of Schools or his/her designated representative.

Present employees shall be given the opportunity and preference to apply for the vacancy based upon their experience, seniority and qualifications as determined by the job description of the classification and by the administration. Any employee candidate not receiving the position may request a conference with the Superintendent of Schools or his/her designated representative along with the OAPSE representative for an explanation of why they were not selected. This

Article shall not preclude the Board from hiring employees new to the District. Openings will be posted first to present employees within the affected classification, then to those employees on the recall list who are eligible before the posting to non-employees.

For those employees receiving the requested transfer there shall be a probationary period of thirty (30) working days to allow the Board to determine the fitness and the adaptability of the new transfer to complete the work required. In the event the employee does not qualify or desires to return to his/her previous position upon an acceptable reason, a transfer may be approved by the Superintendent for the employee to return to his or her previous position.

- 8.2** If a supervisor transfers (involuntarily) an employee to another job in the classification, it will be done so with the input of the OAPSE President.

ARTICLE 8A - JOB DESCRIPTIONS

8A.1 This description should include the qualifications desired for employment, as well as the duties of the classification. OAPSE shall be afforded an opportunity to provide input on job descriptions. When job descriptions have become formally approved by the Board of Education, each employee shall be provided a copy of their classification. Job descriptions may be revised as required. The local OAPSE President shall be provided a complete set of job descriptions and shall be notified of any changes or proposed changes before implementation or adoption.

8A.2 OAPSE shall be furnished a copy of the job description of each classification covered under the terms of this Agreement.

ARTICLE 8B - JOB CHANGES

8B.1 In the event there is a title change of any job in the bargaining unit or if a position in the bargaining unit is reallocated bringing about a new job classification, or in the event a new job classification is otherwise established, it is agreed between the parties that OAPSE and the Board shall discuss whether or not a job classification shall be included in the appropriate bargaining unit. If an agreement cannot be reached between the parties as to whether a new job classification is to be in the bargaining unit, the dispute may be submitted directly to the third step of the grievance procedure.

ARTICLE 9 - EMPLOYEE RIGHTS

9.1 Personnel Files

- A.** The personnel file of each employee shall be maintained at the Board's central administration office. Any files kept by any supervisor of any employee shall not contain any material that is not in the main personnel

file. No adverse action of any kind shall be taken against an employee based upon materials which are not in the personnel file.

- B.** Employees shall be provided with copies of any derogatory written material ten (10) work days before it is placed in the employee's personnel file. The employee shall be given the opportunity, during normal work hours and without loss of pay, to initial and date the materials. All written responses shall be attached to the material.
- C.** An employee shall have the right to examine and/or obtain copies (at no cost) of any materials from the employee's personnel file.
- D.** All personnel files shall be kept in confidence, to the extent permitted by law, and shall be available for inspection only to other employees of the Board of Education when actually necessary in the proper administration of the Board's affairs or the supervision of the employee. It is understood that the Board must comply with the public records law. Employees will be notified of a request to review their personnel file.
- E.** Any person who places written material or drafts written material for placement in an employee's file shall sign the material and signify the date on which such material was drafted. Any written materials placed in a personnel file shall indicate the date of such placement.
- F.** Documentation of disciplinary actions/material shall be maintained in the employee's personnel file, but shall cease to have effect and shall not be considered for purposes of progressive discipline after three (3) years from the date of the discipline, provided that there has been no intervening discipline.

9.2 Evaluation

- A.** Formal evaluation forms shall be developed for use in the evaluation of all classified employees. The purpose of said evaluation is to improve job performance. Two (2) formal evaluations shall be completed within the first six (6) months of employment or transfer. At least one (1) formal evaluation shall be completed yearly for all classified employees.
- B.** No evaluation of an employee shall be placed in any personnel file without an opportunity for discussion between the employee and the evaluator. No evaluation shall be made based upon hearsay statements. Any evaluation indicating a need for improvement shall include specific recommendations for improvements and provisions for assisting the employee in implementing any recommendations made. The employee shall have the right to review and respond to any evaluation indicating a need for improvement in accordance with Section 9.1B above.

9.3 Work Rules

- A.** Work rules, policies, or directives shall not conflict with or violate any provision of this Agreement. Such work rules, policies, and directives shall be applied consistently when applicable.
- B.** The Board's drug and alcohol testing policy and procedures for all employees holding a commercial driver's license or providing a safety sensitive function within the School District shall not be in conflict with the Federal Highway Administration's final rule as amended in 59 Federal Register 7484 issued February 15, 1994 (49 CFR Part 382).

These employees shall be subject to all relevant federal, state and local laws and regulations including the driver disqualification and penalties (49 CFR Parts 383 and 391).

All alcohol and controlled substance testing procedures will be conducted in accordance with the Department of Transportation's rules as amended in 59 Federal Register 7340, issued February 15, 1994 (49 CFR Part 40).

- C.** As a result of implementation of the drug and alcohol testing policy for employees selected for random testing in compliance with the program, the Board will pay a minimum of one (1) hour time at their hourly rate. If time exceeds one (1) hour for such employee, he/she will be paid for the duration of time spent to complete the required process at his/her hourly rate. However, all associated costs of the following time and tests shall be the responsibility of the employee:
 - 1) Return to Duty Test
 - 2) Follow-Up Tests
 - 3) Secondary Split Sample Test
 - 4) Testing Refusal
- D.** Disciplinary procedures as a result of prohibited conduct under the drug and alcohol testing policy shall be imposed under Article 9.4 of this Agreement.
- E.** The Board shall provide mechanics and maintenance employees with uniforms at the same level as the mechanics were receiving on 6-30-98.

9.4 Discipline, Suspension, and Termination

- A.** Every employee shall be characterized by good behavior and efficient service, but any employee may be disciplined, suspended, or terminated for incompetency, inefficiency, dishonesty, drunkenness on the job,

immoral conduct, insubordination, discourteous treatment of the public, neglect of duty, or violation of the policy of the Board of Education.

- B. All formal discipline (i.e. suspensions, with/without pay, termination of employee, and demotions) shall be subject to the grievance procedure.
- C. The following are guidelines for progressive disciplinary action required to improve employee job performance, deficiencies and/or unacceptable conduct, standards or practices:

STEP 1 - WARNING Written notification to the immediate supervisor's file, a copy to the employee and employee's personnel file.

STEP 2 - REPRIMAND: Written reprimand to the immediate supervisor's file, a copy to the employee and employee's personnel file.

STEP 3 - SUSPENSION: A penalty of up to one (1) day suspension, with appropriate loss of pay, may be given with the approval of the Superintendent. Written suspension to the employee, a copy to the employee's personnel file, immediate supervisor's file, and the Treasurer.

STEP 4 - THREE (3) DAY SUSPENSION: A penalty up to (3) days suspension, with appropriate loss of pay, may be given with the approval of the Superintendent. Written copy of three (3) day suspension to the employee, immediate supervisor, employee's personnel file, and the Treasurer.

STEP 5 - TERMINATION OF CONTRACT: As provided by law, written copy of termination from the Superintendent to the employee, immediate supervisor, employee's personnel file, Treasurer, and the Board.

Depending on the severity of the offense and/or violation for which discipline is deemed necessary, disciplinary action may be initiated at any step. The employee may request representation during any portion of the disciplinary procedure. The Board of Education shall have the authority to "dock the pay" equal to the appropriate days of the discipline procedure. The misuse, falsification, and/or abuse of any leave provision under this agreement may subject the employee to dock of pay, suspension, termination and/or possible criminal prosecution.

9.5 Dress Code

Dress should reflect a level of professionalism. It is important that an employee's dress sets a tone and helps to establish the employee as a role model for students. Thus, overly casual dress will be prohibited.

Some employee positions may dictate the style of dress. For example, bus drivers are permitted to wear shorts. Exceptions can be made for "dress down days," fundraising activities, and special events as deemed by the Principal/Supervisor. All employees may wear professional looking shorts (no cut-offs or athletic shorts) during the summer when school is not in session.

9.6 Drug and Alcohol Testing

All employees are subject to pre-employment drug and alcohol testing.

ARTICLE 10 - LAY-OFF AND RECALL

- 10.1** All bargaining unit members shall be employees of the Willard City Board of Education.
- 10.2** If it becomes necessary to reduce the number of employees in a job classification due to the return to duty of an employee from an approved leave of absence, the suspension of schools, territorial changes affecting the District, decreased enrollment of pupils, or financial reasons, the following procedure shall govern such lay-off. Any employee affected by this action shall have the ability to bump an employee with less seniority within the same classification.
- 10.3** The number of people affected by reduction in the force will be kept to a minimum by not employing replacements in so far as practical when employees resign, retire, or otherwise vacate a position.
- 10.4** Whenever it becomes necessary to lay off employees for reasons as stated above, affected employees shall be laid off according to seniority within the job classification, with the least senior employee laid off first. Seniority shall be defined as the uninterrupted length of continuous service with the Board of Education in the particular job classification computed from the latest date of hire or appointment to their present classification. Authorized leaves of absences shall not constitute an interruption in continuous service, but time spent on such leaves shall not be computed for seniority purposes. In the case of identical seniority the date and time of the original application will be used to determine which employee shall be laid off first.

10.5 The following classifications shall be used for the purpose of defining classification seniority in the event of a lay-off:

- | | |
|---|--------------------------------|
| A. Bus Drivers | G. Bus Mechanic |
| B. Custodians | H. Bus Mechanic Helper |
| C. Cooks | I. Building Maintenance |
| D. Secretaries | J. Building Maintenance Helper |
| E. Library Aides,
Study Hall Supervisors | K. Food Service Driver |
| F. Educational Aides | L. Attendance Officer |
| | M. EMIS Coordinator |

10.6 The Board of Education shall determine in which classification the lay-off should occur and the number of employees to be laid off. In the classifications of lay-off, employees on probation shall be laid off before any employee in that classification employed under a continuing contract is laid off.

10.7 Twenty (20) days prior to the effective date of layoffs, the Board shall prepare and post for inspection in a conspicuous place a list containing the names, seniority dates, and classifications, and indicate which employees are to be laid off. Each employee to be laid off shall be given advance notice of the lay-off. Each notice of lay-off shall state the following:

- A.** Reasons for the lay-off or reduction.
- B.** The effective date of lay-off.
- C.** A statement advising the employee of their rights of reinstatement from the lay-off.

10.8 For the classifications in which the lay-off occurs, the Board shall prepare a reinstatement list. Employees, including probationary employees, shall be placed on the reinstatement list in the reverse order of lay-off. Reinstatement shall be made from this list before any new employees are hired in that classification.

10.9 Vacancies which occur in the classification of lay-off shall be offered to and declined in writing, by certified mail to the employees within that classification who stand highest on the reinstatement list before the next person on the list may be considered. It is the responsibility of the employee to keep the Board informed of his/her most current address. Any employee who declines reinstatement or does not respond within five (5) days of receipt shall be removed from the reinstatement name list and lose all rights of recall.

ARTICLE 20 - FAMILY AND MEDICAL LEAVE

The parties agree to abide by the terms and provisions of the federal Family and Medical Leave Act of 1993. All benefits guaranteed by the act will be provided to employees covered by this Agreement and shall be in addition to any other benefits provided herein. Furthermore, the benefits of the FMLA are not intended to supersede or diminish any other leave provisions contained in this Agreement.

- 1) Birth of a child
- 2) Adoption of a child or placement of a foster child

Providing the employee has worked twelve (12) months and at least 1,250 hours of compensated time in the prior year, hospitalization, prescription, dental, and life insurance benefits will be continued at the employee's current level. At least thirty (30) days notice, in the event of a "foreseeable" leave (example: childbirth) shall be submitted, in writing, to the Superintendent. If due to a family member or the employee's own serious health condition and "foreseeable" based on planned medical treatment, the employee shall give (30) days notice or as soon as practical. The employee shall make all reasonable efforts to schedule treatment so as not to unduly disrupt operations of the District.

Leave may be taken "intermittently" or "reduced time" except for Number 1 and 2 above, when medically necessary. The employee may, however, be temporarily transferred to an available alternate position with equivalent pay or benefits which may better serve the District during the recurring periods of leave.

When a husband and a wife are employed by the Willard City Schools, an aggregate level of leave shall commence and be limited to twelve (12) weeks in any continuous twelve (12) month period if leave is taken for childbirth, adoption of a child, or placement of a foster child. - 21.1** Bus drivers are required to report to work fifteen (15) minutes before the respective route begins, and all drivers shall be in the line-up for their afternoon routes at least five (5) minutes prior to student dismissal (this five (5) minutes will not result in any additional paid time). Each driver shall conduct a bus pre-trip inspection before beginning each route. Each driver shall be paid an additional fifteen (15) minutes each day for cleaning, fueling, etc.
- 21.2** The Board shall pay all out-of-pocket costs associated with School Bus Driver Recertification effective January 1, 1999.
- 21.3** The certificate to operate a school bus shall be revoked for any driver convicted of DUI/DWI or reckless operation, and any other driver declared uninsurable by the Board's insurance carrier. Furthermore, the certificate to drive a school bus shall be revoked for violations of conditions and other qualifications established by current law or administrative code.

ARTICLE 22 - ROUTE CHANGES AND BUMPING RIGHTS

- 22.1** Should a route be abolished, reduced by the elimination of a school or a school related center from the route or increased by the addition of a school or school related center from the original bid route, the route shall be posted for a bid within three (3) working days of the change.
- 22.2** The bus driver of the route shall have written notification of the route abolishment or change and shall have twenty-four (24) hours to exercise bumping rights.
- 22.3** OAPSE shall be provided a copy of this notice.

The employee affected by this action shall have the right to bump any employee with less seniority. Should route changes be made during the non-school year, any individual bumped shall be granted the same right. However, should route changes be made during the school year, such bumping rights shall be limited to the first two (2) drivers affected until the end of the school year. Any further bumping rights under this Article must be exercised by June 15th of the year in which the route was abolished or reduced as per Section 22.1 above.

- 22.5** All drivers who desire changes shall notify the Superintendent or designated representative, in writing, on the "Intention Form" each year in May.
- 22.6** All regular drivers assigned a mid-day route shall be paid a minimum of one (1) hour.
- 22.7** The timing of bus routes will be completed one time annually, prior to December 1st at the Board's discretion. The actual rate or times of the route established through the timing process shall be determined by the Director of Transportation

and the Superintendent using the time as a basis for the decision. Major discrepancies between the route times and the actual times may cause the route to be re-timed and re-calibrated. The bus driver will have input into the process through the initial timing of the routes.

ARTICLE 23 - FIELD TRIPS

- 23.1** A “field trip” shall be defined as any transportation assignment specifically assigning a bus driver to take students by bus to a school sponsored event - by a school bus travel certificate issued by the Assistant Superintendent/ Director of Buildings & Operations/Transportation Director or designee.
- 23.2** Beginning each school year, field trips assigned to regular drivers shall be based on seniority. After each bargaining unit member has received a trip in rotation, additional field trips will be awarded to the individual with the least amount of hours worked for the appropriate availability list.
- 23.3** School bus travel certificates will be consecutively numbered according to date and departure time, when possible. The driver with the least amount of hours worked will select the next available numbered travel certificate.
- 23.4** Following completion of a field trip, the driver will enter the appropriate amount of time to the nearest quarter (1/4) hour on the travel certificate and the correct availability list provided in the driver’s lounge.
- 23.5** All field trips that are assigned to regular drivers shall be in seniority from the list indicating the date the driver has signed as to his/her availability. Assignment will be made each Monday at 9:15 A.M. unless otherwise notified.
- 23.6** Availability time shall be:
- A. School Day (Approximately 9:00 A.M. - 2:15 P.M.)
 - B. After-Afternoon Route (Approx. 4:00 P.M. & Later)
 - C. Weekends and Holiday Vacations
- 23.7** A bus driver’s name may be on one or more of these availability lists. Field trip requests shall be placed in one of the above categories, and the drivers will be selected from this list for that trip. If a driver refuses a field trip, he/she shall not be eligible again until the entire seniority list has been asked once. This same procedure shall be followed each time a field trip is refused.
- 23.8** Field trips will usually be assigned for the week or longer, if possible. The assignments will be as follows:
- A. School Day Trip
 - B. After-Afternoon Route Trips
 - C. Weekends and Holiday Vacations

- 23.9** If a driver wishes to have his/her name removed from any of the field trip lists, it must be for the remainder of the semester.
- 23.10** Any field trip accepted or refused with less than twenty-four (24) hours' notice shall not count as a turn. A field trip cancellation by the driver with less than twenty-four (24) hours' notice shall result in that driver forfeiting appropriate hours equal to double the amount of hours refused in the rotation on the same list that the trip was canceled, except in an extreme emergency.
- 23.11** Trading of field trips is permissible if approved by the Assistant Superintendent/ Director of Buildings & Operations/Transportation Director or his designee.
- 23.12** All regular drivers shall take their regular assigned routes before field trips unless approved and/or requested by the Superintendent or designated representative. Drivers who give up their regular route for a field trip will not receive pay for both the regular route and the field trip, but will receive the regular route pay for the established time for the route and extra time worked at the trip rate.
- 23.13** Drivers not showing up at the time of the field trip shall be given a written warning by the supervisor for the first offense and have their name deleted from the field trip list for thirty (30) school days for the second offense. A third incident will result in the deletion of the driver's name from the field trip list for a period of sixty (60) school days (exception to this regulation shall be in the event of a bus breakdown on said driver's regular route and for other justifiable reasons as determined by the Superintendent or his designated representative). If a driver completes twelve (12) months without missing a field trip, his/her number of offenses will be reset to zero (0) for purposes of this section. No driver shall have two (2) trips in the same day unless an emergency situation exists.
- 23.14** If an emergency field trip (less than twenty-four (24) hours' notice) becomes available, it shall be offered directly to the next driver in rotation. If the attempt to fill the trip with that driver is unsuccessful (i.e., driver refused trip or cannot be reached), the trip will then be offered to the second driver in rotation. If the trip is still not filled, any driver may be offered the trip until it is filled.
- 23.15** If a field trip assignment is canceled and the bus driver(s) is/are notified prior to reporting to the sending school, the driver(s) shall be placed at the top of the appropriate field trip list. If a field trip is canceled and the bus driver(s) is/are not notified and reports to the sending school, the driver(s) shall receive one (1) hour minimum. If more than one (1) bus is dispatched on a field trip assignment and less than the number dispatched is used, the least senior bus driver(s) shall drive the field trip assignment. The most senior driver(s) shall return to the garage and shall be paid the same as the bus driver driving the field trip assignment. Drivers will be reimbursed the actual cost of a ticket for admission to the field trip event, up to ten dollars (\$10.00), if one is purchased.

23.16 If a field trip is determined to be for an extended period of time, a driver may be assigned to transport students to the site and return the bus to a designated area. The same driver may then be requested to return to the site at a specific time to transport the students back to the school. Elapsed time occurring between the two (2) portions of the above-mentioned trip shall not be included in the duration of a trip. Any driver accepting both portions of a “split-trip” shall be paid a minimum of four (4) hours.

If this assigned trip is refused, the next driver on the rotation (seniority) list will be offered the trip as assigned. In the event the trip, as originally scheduled, is shortened, an attempt will be made to contact the assigned driver for an early return. In the event the scheduled driver cannot be reached, the next driver in rotation will be called and offered the trip. This driver will receive a minimum of two (2) hours’ pay. The original driver assigned will receive one (1) hour at the field trip rate (even though this driver did not drive).

All drivers who accept a field trip shall be paid for the duration of the trip at the field trip rate of pay with a minimum of one (1) hour of pay. F.F.A. and physical education local trips shall be exempted.

23.17 When a long distance trip (overnight) is taken, a driver may request another driver to accompany him/her on the trip provided that the accompanying driver has no routes scheduled for the time spent on the field trip. The accompanying driver may do so, however, he/she shall not receive pay.
