Excluded from the bargaining unit are the superintendent, assistant superintendent, principals, assistant principals, substitutes, tutors, non-certified personnel and any other personnel hired to perform managerial or supervisory duties.

1.2 **EQUAL RIGHTS CLAUSE AND NON-DISCRIMINATION**

The parties to this agreement jointly pledge that provisions of this agreement shall be applied uniformly to all teaching employees without regard to race, color, age, disability, religious creed, sex (including sexual orientation, gender identify and gender expression), national origin, ancestry, military status, veteran status, political or union affiliation and genetic information.

ARTICLE 2
DOCUMENT GOVERNING COLLECTIVE BARGAINING

2.1 **NEGOTIATIONS MEETINGS**

- A. **Request for Negotiation Meetings** - Request for negotiations by the NYEA will be submitted in writing by the president of the NYEA directly to the Superintendent. Requests for negotiations by the Board will be submitted in writing to the President of the NYEA. The initial request calling for negotiations shall be made by either at least sixty (60) days prior to the expiration of the current agreement. The first negotiations session shall be arranged by mutual agreement but shall take place within fifteen (15) days of the mutual request. Such meetings shall not be conducted during the regular school day unless an emergency occurs. Both parties must agree to declare such an emergency.
- B. **Scope** - The Board and the NYEA shall negotiate on issues pertaining to salaries, hours, and working conditions.
- C. **Submission of Items for Negotiations** - Items proposed for negotiations shall be submitted by either the Board of Education or Nelsonville-York Education Association negotiating teams at their first negotiation session. These items shall then be used to make the agenda for the current round of negotiations. No proposals may be submitted after that date unless mutually agreed.

2.2 NEGOTIATIONS TIME LIMITS

- A. Caucus - Upon the request of either party, the negotiation meeting shall be recessed to permit the requesting party a reasonable period mutually agreed upon to caucus.
- B. Length - Negotiations meetings shall not exceed two (2) hours in length, unless extended by mutual agreement.

2.3 REPRESENTATION

The Board and the NYEA shall be represented by no more than five (5) negotiators each. In addition, either side may make use of consultants as deemed necessary. A recorder may be mutually appointed by both teams. The recorder shall present the minutes of each session to both parties for their approval at the subsequent session.

2.4 INFORMATION

The Board of Education and the Union agree to supply available public information that is specifically requested and routinely prepared in a timely fashion. All reasonable costs of reproduction shall be assumed by the Board.

2.5 WHILE NEGOTIATIONS ARE IN PROCESS

- B. Reporting - During the period of consideration interim reports of the progress may be made to the Association by its representatives and to the Board by its representatives. Any information derived from such reports shall not be disclosed to the general public.
- C. Good Faith Negotiations - "Good Faith" requires that the Education Association and the Board of Education be willing to react to each other's proposals. If a proposal is unacceptable to one of the parties that party is obligated to give its reasons. "Good Faith" means the obligation of the representatives of the Board and the Association to meet at times to deal with each other openly and fairly in an effort to reach an agreement on those matters being negotiated. The obligation to meet for the purpose of professional negotiations does not compel either party to agree on a proposal or make a concession.

No tape recorder or mechanical devices shall be used to record any negotiation session.

2.6 AGREEMENT

- A. All tentative agreements reached by the parties pertaining to articles or sections shall be reduced to writing and initialed by both parties. Once a tentative agreement is reached, no further discussions shall take place on the issue.
- B. Agreement - When consensus is reached on those matters being negotiated, the understanding of the parties shall be reduced to writing and submitted as a complete package agreement to the NYEA for ratification, and to the Board for approval. When approved, in accordance with the provisions of this section, this agreement shall be signed by both parties and shall become a part of the official minutes of the Board.
- C. Further Terms of Agreement - Any agreement reached and accepted by the NYEA and the Board shall supersede any contrary or inconsistent terms contained in any individual teacher contracts hereinafter in effect. All future individual teacher contracts shall be made expressly subject to terms of this agreement.
- D. Conflict with Law - If any provision of an agreement between the Board and NYEA shall be found contrary to law, then such provision or application shall not be deemed to be valid and subsisting except in the extent permitted by law, but all other provisions or applications shall continue in full force and effect. If it is mutually agreed that changes are to be made in the negotiations agreement while it is in force, such changes will be made by the negotiation process.
- E. The Board shall be responsible for the typing of the final negotiated agreement. After typing, two members of each party shall meet to review the material prior to printing and distribution. The agreement shall be printed at a mutually acceptable location in a small booklet form and the parties shall share equally the cost of the same.
- F. Upon tentative agreement, both bargaining teams shall give their full recommendation to their respective parties for acceptance and/or ratification.
- G. The NYEA shall consider the contract for ratification within three (3) workdays following tentative agreement on all items. The Board shall consider the contract for ratification within two (2) workdays following the NYEA ratification.
- H. All present language unless deleted or modified will be incorporated into a successor agreement at such time a successor agreement is ratified and approved.

2.7 DISAGREEMENT

Within fourteen (14) days of the expiration date of the contract, either party may call for the services of the F.M.C.S. to assist in negotiations. If a party calls for F.M.C.S. involvement, the other party shall join.

2.8 APPLICABLE STATE LAW

- A. In the event there is a conflict between a provision of this Agreement and any applicable state law, all other provisions of the Agreement which are not in conflict with any applicable state law, shall continue in full force and effect in accordance with their terms.
- B. If, during the terms of this Agreement, there is a change in any application of State law, which would invalidate any provision of this Agreement, the parties will meet to negotiate any necessary change in the agreement relative to the affected provision only.

The Board shall not give preference to any teacher based on seniority, except when making a decision between teachers who have comparable evaluations.

On a case-by-case basis, in lieu of suspending a contract in whole, the Board may suspend a contract in part, so that an individual is required to work a percentage of the time the teacher otherwise is required to work under the contract and receives a commensurate percentage of the full compensation the teacher otherwise would receive under the contract.

3. No new teachers shall be employed by the Board while there are teachers on the recall list who are certified for the vacancy.

A teacher whose continuing contract is suspended by the Board shall have the right of restoration to continuing service status by the Board if and when teaching positions become vacant or are created for which the teacher is or becomes qualified. Seniority shall not be the basis for rehiring a teacher, except when making a decision between teachers who have comparable evaluations.
 2. Notice of recall will be given by certified mail to the last address given to the Board by a teacher. A copy of the notice of recall will be given to the Association. If a teacher fails to respond within ten (10) days after receipt of the above notice of recall, he/she will be deemed to have refused the position offered.

If a teacher has secured temporary employment elsewhere, he/she will be allowed fifteen (15) calendar days additional time before being required to report to work.
 4. While on layoff, a teacher will have the option to remain an active participant in fringe benefit programs by contributing thereto the amount necessary to maintain such fringe benefits, pursuant to COBRA requirements and limitations.
- G. All benefits to which a teacher was entitled at the time of his/her layoff, including unused accumulated sick leave and credits toward sabbatical eligibility will be restored to him/her upon return to active employment, and he/she will be placed on the proper step of the salary schedule for his/her experience and education. A teacher will not receive increment credits for time spent on layoff nor will such time count toward the fulfillment of time requirements for acquiring tenure.

E. OBSERVATIONS

A minimum of two (2) formal observations shall be conducted in a year in which the teacher is on an evaluation cycle. The event that the scheduled observation day is missed due to inclement weather, utility failure, or any other unforeseen circumstances, the observation will commence on the day returned to school or at the earliest convenience of the evaluator. In the event that 2 or more of these days are missed consecutively, and an observation is missed, the teacher and evaluator will agree on a makeup day for the previously scheduled observation upon returning to school.

1. All formal observations may be preceded by a pre-observation conference between the evaluator and the teacher. The preconference may be scheduled within three (3) working days of the observation. At the pre-observation conference teachers shall provide evidence for the work situation to be observed on the pre-observation form. A post observation conference may be held following the observation.
2. A post-observation conference may be held after each formal observation. At a post-observation conference, if held, the discussion will focus on area(s) of reinforcement and area(s) of refinement. Teachers shall be given the opportunity to provide evidence, which must be utilized to inform the evaluator's rating of all areas of the observation and shall include a discussion of the progress being made of the teacher's professional growth or improvement plan.

This document shall be filed with the completed walkthrough form and may be referenced in the future by the teacher in the event the walkthrough is brought as evidence for or against said teacher.

5. The evaluation report shall be signed by the evaluator; and the evaluation report shall be signed by the teacher to verify notification to the teacher that the evaluation will be placed on file. The teacher's signature shall not be

construed as evidence that the teacher agrees with the contents of the evaluation report.

6. The evaluation report shall be completed by May 10 and signed by both parties.
7. The teacher shall have the right to make a written response and to have it attached prior to it being placed in the teacher's personnel file. A copy, signed by both parties, shall be provided to the teacher.

H. SUMMATIVE RATING

The summative rating of a teacher shall be based upon student growth measures, which shall account for fifty percent (50%), and performance that is assessed through evidence gathered during the walkthroughs and formal observations, which shall account for fifty percent (50%).

The third party panel will consist of one licensed educator selected by the LPDC; one licensed educator selected by the educator making the appeal; and one licensed educator agreed upon by the two selected members.
