This Agreement is entered into by and between the City of Sylvania, an Ohio municipal corporation (hereinafter referred to as the "City") and the Fraternal Order of Police, Ohio Labor Council, Inc. (hereinafter referred to as the "Union"), as representative of the Sylvania Police Command Officer's Association (hereinafter referred to as the "SPCOA").

It is the purpose of this Agreement and it is the intent of the parties hereto to establish and promote mutual harmonious understanding and relationships between the City and the SPCOA, to promote division efficiency and effectiveness, to establish wages, hours and other terms and conditions of employment of employees covered by this Agreement, and to provide for the equitable and peaceful adjustment and resolution of differences which may arise from time to time over the negotiations, interpretation, and application of this Agreement.

In consideration of the mutual promises, covenants, and agreements contained herein, the parties hereto, by their duly authorized representatives and/or agents, do mutually covenant and agree as follows:

ARTICLE 3
NON-DISCRIMINATION

Section 1. The City will continue to provide equal employment opportunity for all Employees and develop and apply equal employment practices.

Section 2. The City and the Union agree that this Agreement will apply equally to all Employees regardless of race, creed, color, national origin, age, sex, religion, or membership in the Union. The use of the male gender throughout this Agreement shall be considered to mean both male and female.

Section 3. The City and the Union agree to abide by the provisions of all applicable Federal, State and City laws and regulations regarding non-discrimination in employment.

Section 2. The City will pay not more than two (2) Union committee members for time spent in collective bargaining sessions with the City when such sessions occur during the Employee's regularly scheduled work period. However, if the City reasonably believes that the Union has failed to comply with the provisions of this section or has abused the provision regarding payment of wages for time spent bargaining, the City may withhold wages for bargaining time as appropriate. Negotiating sessions will be held at reasonable times and for reasonable durations and will not interfere with Division operations.

Section 3. The Union shall provide the Director of Personnel and Chief of Police, in writing, with the names of its committeemen and all changes thereto and the City shall be entitled to rely on the accuracy of any such list or any revisions thereof.

Section 4. Section 1. Prior to an internal interview concerning allegations of violations of administrative matters relating to the official business of the Sylvania Police Division, the Employee shall be advised as follows:

- (a) The Employee is required to answer all questions fully and truthfully.
- (b) Refusal to comply with an order is a violation of department rules which will subject the Employee to disciplinary action.

- (a) The Employee representative is limited to acting as an observer of the interview, except that where the interview focuses on, or leads to, evidence of potential

criminal activity by the Employee. An Employee's representative may advise and confer with the Employee during the interview.

Section 3. Interviews will be conducted by an officer employed by the City, of equal rank or above the Employee being interviewed, or by a member of the City Law Department.

Section 4. Interviews will be conducted at a reasonable hour, preferably at a time that the Employee is on duty, and shall take place at the office of the investigator or another location of mutual convenience.

(Miranda Warning) and given the opportunity to seek legal counsel. The interview will continue only with agreement of the Employee.

Section 11. No public statement will be made prior to a final decision being rendered by the Chief of Police in any investigation and no public statement will be made if the Employee is innocent unless requested by the Employee.

EMPLOYEE RECORDS AND DISCIPLINE PROCEDURES

Section 1. In the event that the City finds it necessary to issue a counseling/coaching to an Employee, the Employee shall be made aware that a record of such counseling/coaching is being maintained in the supervisor's files or records with a copy to the Employee and the Chief. A counseling/coaching shall not be considered discipline and shall cease to have force and effect after one year.

Section 2. Discipline shall be imposed for just cause. Employees who have been charged with violations of Division Rules and Regulations shall, upon request, be provided the opportunity to inspect and copy transcripts, recordings, written statements and other relevant

material. The City shall not insert any adverse material into an Employee personnel file unless the Employee has an opportunity to review and copy said material.

Section 3. In the event that a reprimand is issued that is to be made part of the official personnel record of the Employee, then the Employee shall have five (5) calendar days in which to request, in writing, a hearing before the Chief of Police if he/she so desires. If the matter cannot be resolved at such hearing he/she shall have the opportunity to appeal the reprimand in accordance with the Grievance Procedure provided for herein.

Section 4. When it becomes necessary for a supervisor to reprimand an Employee, it shall be done in a manner as to not cause undue public embarrassment to the Employee. However, this does not preclude supervisors from taking immediate action to resolve an ongoing situation.

Section 5. The Union will be provided a copy of all personnel rules and regulations or special orders, notices and bulletins relating to Employee rules and regulations not less than three (3) days prior to implementation of such rules and regulations.

Section 6. Disciplinary action shall cease to have force and effect in accordance with the following schedule:

- (1) Oral and written reprimands -- one (1) year from the date of the reprimand;
- (2) Suspensions, if for less than thirty (30) days -- two (2) years from the date of the suspension; if for thirty (30) days or more -- five (5) years from the date of the suspension;

Any such removal shall be subject to the following criteria:

1. There has been no occurrence of a similar or more serious type incident within the respective time periods;
2. The Director of Law has given written approval after determination that such removal will not adversely impact upon the City's legal position in any pending or reasonably foreseeable subsequent court action.
3. If request of such removal is denied, the City shall provide written explanation of the denial.

Section 7. An Employee may resign at any time prior to final discharge decision of the Mayor and his/her personnel file shall show voluntary resignation.

Section 8. An Employee may inspect and copy his/her personnel records at any reasonable time and place. Upon written authorization from the Employee, a Union representative may review the employee's personnel file.

ARTICLE 7
GRIEVANCE PROCEDURE

Section 1. Should any dispute arise as to the interpretation or application of any provision of this Agreement between the City and the Union, it shall be processed in accordance with the following procedures:

Section 2. Steps.

STEP ONE: The Employee and/or Union, within ten (10) calendar days after the date on which the incident giving rise to the grievance occurred, may take up the grievance with the supervisor involved. The Employee may request a Union Representative to be present. The supervisor shall then attempt to adjust the matter and shall respond within ten (10) calendar days after such decision.

STEP TWO: If not adjusted in Step One, the grievance shall be reduced to writing and presented by the employee or the Union to the Chief of Police within ten (10) calendar days following receipt of the supervisor's answer in Step One. The written grievance must be signed by the employee and must state all the basic facts giving rise to the grievance and the provisions of this Agreement believed to have been violated. The Chief of Police shall attempt to adjust the grievance as soon as possible and therefore will schedule a meeting with the employee or the Union within ten (10) calendar days after receipt of the grievance from the employee or Union. The Chief, or his/her designee, shall then render a decision within ten (10) calendar days after the meeting.

STEP THREE: If the grievance is not resolved at Step Two, a written appeal to the Mayor or the Mayor's designee may be filed by the employee or the Union within ten (10) calendar days following the City's Step Two response. The appeal shall be filed in person, during regular City business hours, with one of the following persons (in the order in which they appear), as designee of the Mayor. The Union will be given a copy of the grievance signed and dated by the designee of the Mayor, as evidence of filing. The designees of the Mayor are as follows:

1. Mayor's Administrative Assistant
2. Director of Public Safety
3. Director of Finance
4. Director of Law

The City shall issue a written response within fifteen (15) calendar days after the grievance is filed with the Mayor.

STEP FOUR: If the grievance is not settled in Step Three, the City or the Union may submit the grievance to arbitration. Any dispute arising out of the discharge, demotion or discipline shall be subject to arbitration.

Section 3. The time limits provided herein shall be strictly adhered to and any grievance not filed initially or appealed within the specified time limits will be deemed waived and void. If the Employer fails to reply within the specified time limit, the grievance shall automatically move to the next step. The time limits specified for either party may be extended only by written mutual agreement.

ARTICLE 8

ARBITRATION

Section 1. Any grievance which is not settled in Step Three of the Grievance Procedure may be submitted to an impartial arbitrator by either party. Notice of intent to appeal the

grievance to an impartial arbitrator shall be filed, in writing, with the other party within fifteen (15) calendar days after a final answer has been given by the other party in Step Three unless the time is extended by mutual agreement of the parties, in writing.

Section 2. The City and the Union shall each appoint a representative to select an impartial arbitrator. If the City and the Union representatives cannot agree on an arbitrator within ten (10) calendar days, the arbitrator shall be selected from a panel supplied by Federal Mediation and Conciliation Service by each party alternately striking names from the list, the party requesting arbitration striking first. The remaining individual on the panel shall be the sole arbitrator designated to hear and decide the dispute.

Section 3. The arbitrator so selected shall hold a hearing at the earliest date agreeable to the parties to hear evidence concerning the dispute. The arbitrator shall issue his/her decision, in writing, no later than thirty (30) calendar days from the date of closing of any hearing. The arbitrator shall have no power to add to, subtract from, or modify any of the express terms of this Agreement, or any supplemental agreement. The decision of the arbitrator shall be final and binding on all parties concerned in the grievance.

Section 4. The City and the Union shall share equally the arbitrator's fee and other expenses of arbitration. The cost of any witnesses or transcript of proceedings shall be paid for by the party requesting same unless the parties mutually agree to the contrary. No more than one (1) grievance shall be submitted to an arbitrator for a determination at one time unless agreed otherwise by the City and the Union.

ARTICLE 9

SENIORITY

Section 1. As used in this Agreement, the term "division seniority" shall be defined as continuous service from initial date of hire in the Police Division; the term "rank seniority" shall be defined as continuous service within the respective rank.

As used in this Agreement, the term "qualification" shall be defined as prior work record, acquired skill, physical fitness, dependability and availability to perform the work involved in an efficient manner.

The City shall maintain and post a current list of all Employees within each of the bargaining units showing the initial date of hire and the date of most recent promotion and rank for each Employee in the respective bargaining units.

Section 2. An Employee shall cease to have seniority and employment shall be terminated for any of the following reasons:

- (a) Voluntary quit;
- (b) Discharge for cause;
- (c) Failure to report within fourteen (14) working days after receipt of notice of recall from layoff;
- (d) Acceptance of other employment when on leave of absence without written approval of the City, overstaying a leave of absence without prior written approval of the City or obtaining leave of absence under false pretenses;
- (e) Failure to perform service on active employment due to layoff or leave of absence for a period up to his/her length of continuous service or three (3) years, whichever is less; however, seniority for vacation or compensation time shall accrue up to a maximum of two (2) years;
- (f) Failure to perform services on active employment due to disability from an on-duty injury for a period up to five (5) years; however, seniority for vacation or compensation time shall accrue up to a maximum of two (2) years.

Section 3. Layoff and Recall. Should it become necessary to reduce the working force within any bargaining unit, the City will determine which job or jobs, by rank and department, are to be affected. Layoffs shall be by rank seniority if qualifications are equal. An employee in the sergeant rank may exercise division-wide seniority to displace the least senior officer in the officer rank.

Recall from layoff shall be in reverse order of layoff. Recall to a position previously filled by virtue of promotional examination and appointment shall not require another Promotional examination.

Section 4. Probation. A promoted Employee shall be in a promotional probationary period for the first one thousand (1000) working hours of service in the rank. Working hours shall not be deemed to include FMLA time off or Military leave; or any other type of leave, whether paid or unpaid, during which the employee is not actually performing the duties of a

supervisor, where such time exceeds 120 hours of the 1000 hours of the promotional probationary period. In the event that the Employee is found to be unsuited for the work of the new rank or desires to return to his/her former rank during this period, he/she shall be reinstated to his/her former rank. Such return to prior rank shall not be subject to the Grievance Procedure but, at the Employee's request, shall be subject to Civil Service Commission review.

Section 5. Promotion by Examination. When a promotional list has been certified to the Division, the Chief shall afford the Employees on the list an interview. If the Chief utilizing the rule of three (3) does not intend to appoint the Employee who is first on the list, then he/she shall inform him, in writing, of the reason he/she has not been selected. The Employee who is not selected shall have the right to appeal the decision of the Police Chief only to the Mayor or his/her designee within five (5) calendar days after having been informed of the fact that he/she is to be bypassed. During this appeal, no Employee shall be permanently appointed to the position until a final ruling on all appeals has been made. The Chief shall make the appointment within sixty (60) days after the interviews unless the action is subject to appeal.

The City will add five-tenths (.5) point for every year of service in rank to the grade of an Employee on the promotional test which shall be added to a passing score up to a maximum of ten (10) points.

An Employee must have three (3) continuous full-time years of service as a Sergeant with the City before he/she shall be eligible to take the promotional examination for Lieutenant and for promotion to the rank of Lieutenant.

Section 6. Assignment With No Examination. When a job not requiring a promotional examination becomes vacant, or is created, an announcement of same shall be posted, in writing, on Division bulletin boards for five (5) calendar days. Interested Employees within the bargaining unit shall submit resumes and a request for assignment to the position. Assignments to fill such vacancies shall be made from the most qualified applicant. Should qualifications be relatively equal, in the discretion of the Chief of Police, then the most senior qualified applicant would fill the vacancy. The employee who is not selected shall have the right to appeal the decision of the Chief only to the Mayor or his/her designee within five (5) calendar days after having been informed of the fact that he/she is to be bypassed.

When a vacancy occurs to which no Employee requests assignment, or those requesting the assignment do not have the required qualifications, the Chief of Police shall assign an officer

with the least rank seniority with the necessary qualifications in the affected rank to the position. If the Chief of Police certifies the vacancy as a "special need" situation, requiring the assignment of an officer with specific job skills, or no Employees are found eligible by virtue of qualifications to fill the vacancy, he/she may select the most qualified appropriate Employee for the position irrespective of seniority, or hire a new Employee to fill the vacancy. A "special need" situation shall not be created or an assignment made as a substitute for discipline.

ARTICLE 10

TEMPORARY ASSIGNMENT TIME

Section 1. Whenever a higher-ranking position within the bargaining unit is vacated for reasons other than regular days off (e.g. scheduled vacation, leaves of absence, etc.), the position may be filled by temporary appointment by the Chief of Police if he/she determines a need for a substitute for the duration of the vacancy. If the Chief determines to fill the temporary vacancy by temporary appointment of a lower ranking and/or rated Employee, the acting Employee shall receive compensation for the period of the temporary assignment at the rate of pay of the position assigned, including his/her longevity rate.

Section 2. Patrol shifts will normally maintain a Sergeant as Shift Commander. In the absence of a Sergeant, the Police Officer designated by the Chief of Police or his/her designee, or if none is so designated or on duty, then the Police Officer with the highest rank seniority working on that shift, shall serve as Acting Shift Commander.

ARTICLE 11

WAGES

Section 1. The matter of wages and the minimum rates of pay for job classifications and labor grades are attached to this Agreement as "Appendix A" which is a part of this Agreement. Such job classifications are merely for the purpose of identification and general description and shall not be deemed to control or limit job content. The appropriate labor grade for an Employee will be determined based on the Employee's anniversary date of hire, transfer, or promotion into

each classification. Upon promotion to the rank of Sergeant, an Employee shall be compensated at the Step 1 rate; upon completion of one (1) year of continuous service as a Sergeant, an Employee shall advance to Step 2; upon the completion of two (2) years of continuous service as a Sergeant, an Employee shall advance to Step 3. An Employee in the Step 1 rate may, however, on approval of the Chief of Police be advanced to the Step 2 rate.

Section 2. The wage rates for all Employees as set forth in "Appendix A" will remain in effect for the duration of this Agreement.

Section 3. All Employees covered by this Agreement shall be paid by direct deposit every other Thursday unless a holiday falls on Thursday in which case direct deposit will be made on the Wednesday before the holiday unless the City is unable to do so because of circumstances beyond its reasonable control. All employees shall be required to provide the City with a "voided" blank check for the City to utilize in setting up the direct deposit procedure.

Section 4. In the event that any error occurs which results in a substantial shortage in an Employee's pay and the amount of shortage is not in dispute, then a special check shall be prepared by the City as soon as practicable. If an error occurs resulting in an overpayment, the City will deduct the overpayment from the next payroll check. Any minor error of less than eight and one-half (8 ½) hours pay in an Employee's pay will be corrected within the next pay period following discovery of the error.

Section 5. Longevity.

(A) All full-time Employees hired prior to January 1, 2000, with five (5) or more years of continuous service with the City, shall received longevity pay in addition to their regular salary in accordance with the following schedule:

Section 1. No Employee shall accept outside employment that is adverse to, or in conflict with, his/her employment with the City. The Chief of Police shall determine compatibility. When said employment is determined to be incompatible, the Employee shall immediately cease such outside employment. Any dispute as to compatibility shall be subject to the Grievance Procedure.

ARTICLE 13

LEAVES OF ABSENCE

Section 1. Medical Leave of Absence. An employee will be granted medical leave of absence whenever he/she is unable to perform his/her job because of sickness, illness, or disability for a period of time equal to twelve (12) weeks, up to a maximum of one (1) year, or accumulated sick days, whichever is greatest. Employees requesting sick leave must furnish a physician's certificate specifying the nature of the illness or disability and the estimated length of time that the Employee will be unable to perform the essential functions of his/her job. Except, as expressly provided otherwise in the Agreement, the Employee will use accrued sick days and benefits shall continue to accrue to the extent of the period of sick days. The City will continue to provide health care, life, and disability insurance for a period of twelve (12) weeks, or five (5) months after an Employee has used up all of his/her accumulated vacation and sick leave, whichever is greater, provided the Employee makes his/her contribution each month in advance.

The Employee may also be required to obtain the opinion of a second health care provider designated or approved by the City for medical leave of absence.

An Employee returning to work from medical leave is required to present the City with a medical certificate from his/her treating physician, indicating any restrictions on his/her ability to perform the essential functions of the job to which he/she is returning. The City may also require a physical examination at its expense if necessary to determine fitness for duty.

An Employee absent from the payroll after using up all accrued sick leave and vacation leave shall remain on the rolls of the City for a period of up to a minimum of twelve (12) weeks, or a maximum of one (1) year, or the total accumulated sick days and vacation days, whichever is greatest.

Section 2. Family Leave of Absence. An Employee will be granted a maximum of twelve (12) weeks of unpaid leave in a twelve (12) month period for the birth of a child, in order to care for a newborn child, and/or because of the placement of a child with the Employee for adoption or foster care, in order to care for a spouse, child, or parent of the Employee who has a serious health condition, provided the Employee provides a certification to verify the serious health condition. The Employee may be required to obtain the opinion of a second care provider designated or approved by the City. The City will continue to pay the Employee's health care, life, and disability insurance for up to twelve (12) weeks provided the Employee makes his/her contribution each month in advance. An employee must exhaust all accrued, but unused, vacation leave, compensatory time, and sick leave (if qualified, pursuant to Article 14, Sick Days), in this order, before utilizing Family Leave set forth herein. However, an employee may hold back up to sixty (60) hours of accrued vacation leave.

1. The annual twelve (12) month period shall commence and be measured forward from the date the Employee first uses the twelve (12) week leave set forth herein.
2. Eligible Employees will be required to certify their request for FMLA leave thirty (30) days in advance by use of the Department of Labor Form WH380 when possible.
3. Sick leave events, which continue two (2) weeks or more, will require completion of the WH380 form.
4. Eligible Employees shall be required to recertify their request for FMLA leave every thirty (30) days.

5. Leave for the birth or adoption of a child or for the placement of a child in foster care may not be taken on an intermittent or reduced schedule.

Section 3. Reduced Schedule Leave. An Employee requesting intermittent or reduced schedule leave for a personal serious health condition or serious health condition of a family member as described in Sections 1 and 2 may be required to temporarily transfer to an available alternative position of equivalent pay and benefits which better accommodates recurring periods of leave. Such a leave shall require certification indicating that there is a medical need for the leave on the basis requested, the expected duration and schedule of intermittent or reduced schedule leave, and in the case of a family member, that the leave on the basis requested is necessary to care for or assist the family member.

Section 4. Personal Leave of Absence. A leave of absence, without pay, for compelling personal reasons acceptable to the City, may be granted for a period up to two (2) weeks if Division staffing requirements permit. Upon application and for good cause shown, such leave may be extended for a period of time up to a maximum of six (6) additional consecutive weeks without pay or benefits. A request for personal leave of absence or extension thereof must be made, in writing, by the Employee and granted, in writing, by the Chief of Police, in duplicate, signed by the Employee stating the reason for said leave. One copy shall be retained by the Employee and one copy by the Chief of Police. During such personal leave of absence, the Employee may continue in effect insurance programs by payment to the City the full monthly premiums in advance of each month.

Section 6. Military Leave of Absence. Any employee who is a member of the National Guard or any reserve component of the Armed Forces of the United States will be entitled to a military leave in pay status during which time the employee is engaged in the performance of official duty or training under competent orders. While on such leave, such employee shall be paid the employee's regular rate of pay, not to exceed a total of twenty-two (22) eight (8) hour work days or one hundred seventy six (176) paid hours in any one payroll year; provided however, to receive payment of salary an employee must, prior to leave, file with Chief of Police a copy of official orders and upon return a certification from the Commanding Officer of performance of duty in accordance with terms of the orders.

Where such annual military leave exceeds twenty-two (22) eight (8) hour work days annually and is pursuant to Executive Order or other legislative action of the Congress, such

employee shall be entitled only to the difference between his/her regular wage and his/her military pay, as set forth in ORC 5923.05.

Section 6. Fatal Force Leave of Absence. An Employee who is required to administer fatal force or its equivalent as determined by the Chief of Police shall receive the necessary time off to relieve the stress which has resulted from the use of such force. The duration of time shall be set by the Chief of Police; however, he/she shall take into account the recommendation, if any, of the Employee's physician.

The Employee shall continue to receive his/her pay and benefits for the duration of time as set by the Chief of Police. If the Employee requests additional time off, it shall be charged to vacation, accrued sick time or personal leave of absence.

The City shall require an Employee who is subject to time off to relieve stress and undergo social or psychological counseling at the City's expense in a program of the City's choosing.

Section 7. Physical Examinations. If an Employee who is on approved leave of absence for which sick days have been used is released for duty by his/her personal physician, the City may require the Employee to submit to a physical or mental examination, including drug testing, blood testing, and urinalysis, by a doctor of the City's choosing before returning to work. The City will make every effort to utilize one (1) physician for each such case and no additional sick time will be charged against the Employee after the date the Employee is released to return to duty unless the City's physician determines that the Employee is not capable of returning to full duty. In the event that the Employee's physician and the doctor chosen by the City are unable to agree that the Employee is capable of returning to full duty, the two doctors shall select the third impartial doctor to examine the Employee. The decision of the third doctor concerning capability of returning to full duty will be binding on the City, the Union, and the Employee.

In the event the impartial doctor determines that the Employee was capable of returning to full duty and the Employee was not on a compensated leave, the Employee shall be paid for the period of time commencing with the release of such Employee to full duty by such Employee's personal physician and ending with the determination by the impartial physician, and such compensation shall be paid retroactively. In the event that such Employee was being compensated under vacation or sick leave, such Employee shall be reimbursed that vacation or sick leave used for such period of time.

Section 8. On-Duty Injury Leave of Absence. When an Employee is injured or disabled while in the performance of his/her duties, and the injury is found to be compensable under the worker's compensation laws of the State of Ohio, the Employee may utilize accrued sick days for the first seven (7) days of disability leave of absence. Thereafter, the Employee shall be carried on the payroll of the City for the period of the disability provided the extent of the injury or disability prevents such person from performing those duties as may be assigned and, provided further, such periods shall not exceed sixty (60), eight hour work days with the first seven (7) days of sick or vacation leave being reimbursed.

In order to be eligible, the Employee must submit a City Employee Injury Report and a written statement from the attending physician or medical authority which:

- (1) verifies the disability;
- (2) indicates the cause of the injury;
- (3) indicates that the Employee is unable to perform the assigned duties; and
- (4) states the Employee's expected date of return to work.

If the Employee returns to work prior to the expiration of the original sixty (60) day period and then is disabled at a later date due to the same injury, he/she may use the unused portion of the sixty (60) day period and follow the following outlined procedure of submitting a new City Employee Injury Report and written statement from the attending physician or medical authority providing the same information required above.

An Employee, only on approved injury leave as set forth above, may, at the City's discretion and subject to departmental policy, be required to work or be assigned other duties or limited duty during the period of disability at the Employee's regular rate of compensation provided, in the opinion of a physician or medical authority, the Employee is sufficiently recovered from such injury to perform the duties assigned.

Should the disability exceed sixty (60) work days, the Mayor or his/her designated representative, upon application thereto and submission of proof of continued disability from the physician or medical authority may extend the period during which the person is carried on the regular payroll. If the above requirements are not fulfilled, the request for injury pay extension will not be considered. Monthly statements from the physician or medical authority will be required to extend the use of leave and must be submitted within seven (7) calendar days of the expiration date of the extension. In the event the Bureau of Worker's Compensation should deny

any claim as not being sustained in the course of and arising out of employment, disability pay charged to injury leave shall be charged to sick leave or vacation leave. In the event an Employee has an insufficient number of accumulated sick leave or vacation leave, a claim for which having been denied by the Bureau of Worker's Compensation, said Employee's next regular pay check shall be reduced by an amount equal to the hours not covered by sick leave or vacation leave, not to exceed twenty percent (20%) of gross pay or another arrangement approved by the Director of Personnel which may include repayment of sick leave or vacation leave to be accrued until the City is repaid for time utilized and advanced by the City.

An Employee who has exhausted paid injury leave hereunder, and elects to receive temporary total disability benefits directly from the Bureau of Worker's Compensation, shall be placed on medical leave of absence covered under Article 13, Section 1: Medical Leave of Absence.

ARTICLE 14

SICK DAYS

Section 1. All full-time Employees shall be entitled to sick days with pay. Paid sick day credit shall accrue as follows:

(a) All Employees shall be entitled to .0577 paid sick days for each hour worked up to a maximum of fifteen (15) eight (8) hour days of paid sick days per year.

(b) All hours actually worked and all hours paid but not worked, including holidays, vacation, medical leave of absence, disability on-duty leave of absence, personal leave of absence up to ten (10) days in any one (1) calendar year, shall be included as hours worked for purpose of calculating accrued paid sick days. No credit for premium or overtime pay shall be given consideration in calculating accrual of paid sick days.

Section 2. There will be no limit on the amount of unused paid sick days that may be accumulated.

Section 3. Paid sick days may be taken, and payment for sick days made, only in accordance with the provisions of this Agreement. Except as expressly provided herein,

Employees shall forfeit all rights to paid sick days upon leaving the service of the City for any reason, except as expressly provided in Article 14, Section 7.

Section 4. An Employee may use accrued sick days for personal illness, and in the case of illness, injury, or death in Employee's immediate family reasonably requiring the Employee's personal attention. To qualify for use of paid sick leave, an Employee must inform his/her immediate supervisor of the fact and the reason for his/her absence at least one (1) hour prior to his/her shift and failure to do so, unless unable to do so or excused by the Chief of Police, may be cause for denial of pay for the period of absence. The Chief of Police may, in his/her discretion, require a doctor's certificate or other acceptable proof of illness, injury, or death before approving sick pay if the absence is in excess of two (2) consecutive working days or five (5) occurrences per calendar year. Any excused absence with a doctor's slip does not count as an occurrence. An occurrence can be one (1) day or any amount of consecutive days, as long as the absence pertains to the same illness or injury.

Section 5. Full paid sick days shall be charged against Employees at the rate of eight (8) hours per day regardless of the length of the Employee's regularly scheduled shift. Partial paid sick days shall be charged at the rate of one (1) hour for each hour or part thereof used.

Section 6. All sick day payments shall be based on the Employee's regular straight-time hourly rate at the time of payment.

Section 7. Upon death, or retirement from the City of Sylvania through the Police and Firemen's Disability and Pension Fund and with twenty-one (21) calendar days' notice, an Employee or his/her estate shall be entitled to cash payments for accrued, unused paid sick days as follows:

(b) All Employees hired on or after January 1, 2000 shall receive payment for one-third (1/3) of all such accrued sick days up to a maximum of ninety (90) days.

Rights to payment for accrued sick days shall terminate the later of thirty (30) days after the employee's last day of employment with the City of Sylvania, or when payment is actually made by the City.

Section 8. Newly hired Employees of the City may transfer sick leave hours earned and unused while employed with another State, County, Township, or Municipal Agency of the State

of Ohio not to exceed one thousand four hundred forty (1440) hours. Upon death or retirement, only those sick leave hours earned while employed with the City of Sylvania will be used in the calculation of the cash payment as referred to in Article 14, Section 7.

Section 9. In the event of death to the aunt, uncle, niece, or nephew of a full-time Employee in the City's service, such Employee shall be entitled to use one (1) day of sick leave. To qualify for this one (1) day of sick leave, the Employee must use it on the day of the funeral and must attend the funeral. This sick day used to attend the funeral will not qualify as an occurrence.

Section 10. Any abuse, patterned use, falsification of, or failure to provide a doctor's certificate or other acceptable proof of illness, injury, or death for the use of sick leave, shall be just and sufficient cause for disciplinary action or dismissal.

Section 11. No payment of salaries or wages shall be made to an employee for any period of absence, or sick leave, unless and until approved by the Chief of Police. In addition, thereto, the Chief of Police may demand verification of the nature of the illness, injury, or absence before granting approval, but in any case, verification must be provided after two (2) consecutive days absence. Failure of an employee to provide verification shall result in pay loss for the period in question, and may result in further disciplinary action, in the discretion of the Chief of Police.

percent (5%) not to exceed fifty-five cents (\$.55) per hour in addition to the regular pay for hours actually worked on that shift as well as all hours worked on temporary reassignment which would not otherwise qualify for shift differential premium pay (e.g. training time).

Compensatory time used during second and/or third shift shall be paid out with the applicable shift differential.

Section 3. Shifts shall be assigned on a permanent basis on the second Monday in January of each year by rank seniority preference. In the event that additional Employees are needed on a shift or a vacancy occurs on a shift, the position shall be posted for bid in accordance with job posting and bid procedures.

Section 4. In any event of shift change the Employee accepts the work schedule of the position filled by the shift change. The City is not responsible to pay for any overtime hours, on either a daily or weekly basis, which results from a shift and/or schedule change.

ARTICLE 18

ARTICLE 19

Section 1. The Union on behalf of all Employees covered by this Agreement agree that they will not engage in, initiate, authorize, sanction, ratify or support any strike, slowdown, stay-in, sick-out (Blue Flu) or other curtailment or restriction of City Police services or interfere with other City work, including any sympathy strike or the honoring of any picket line, including that of the Union, whether or not authorized by the Union or any other Local or the State or National Police Command Officer's Association during the life of this agreement. Section 3. Travel Allowance. The City shall compensate Employees authorized to use their private motor vehicles on City business at the rate approved by the Internal Revenue Service for the use of private motor vehicles for business use. Once ad-hoc hours are repaid, in lieu of the employee choosing to have his/her schedule changed, the employee shall be granted a minimum of three (3) hours pay or compensatory time at time and one-half.

The City will provide transportation to and from the training programs that are held outside the local area for those Employees selected for attendance. Any Employee selected to attend a training program outside the local area that is required to use his/her private vehicle for

Section 1. Employees shall be permitted to trade up to two (2) work days or shifts in a pay period with another qualified employee provided that such trade does not interfere with the appropriate staffing levels, result in the payment of overtime, or interfere with the orderly operation of the Police Division as determined by the Chief of Police or his/her designee;

provided further, that such trade is paid back and completed by the Employees involved within the same or next pay period. The Employees requesting this type of trade shall submit the trade, in writing, to their immediate supervisor indicating the day each Employee will work for the other Employee. If approved, the supervisor shall immediately make the appropriate changes to the work schedule. If more than one (1) supervisor is involved, both must approve the trade. Employees shall be limited to being part of no more than two (2) trades of any type during any pay period. Paid bonus days shall be taken on the same basis as vacation days in the year following the calendar year which was the basis for allowance thereof or they shall be forfeited.

Instead of taking bonus days as time off, eligible Employees may elect to receive part or all of such bonus days in cash. Such election must be made in writing, in accordance with procedures established by the City, and filed with the City no later than January 20 following the year in which such bonus days were earned. Bonus days so elected to be taken in cash will be paid by the City to such electing Employees, at the employee's rate of pay in effect on the December 31st immediately preceding such election, no later January 31 following such election.

ARTICLE 27

Section 1. The City shall have the right to employ part-time, temporary, and casual Employees to perform services for the City in the Police Division. Part-time, temporary, and casual Employees shall not be covered by the terms of this Agreement. The City shall not employ any part-time, temporary or casual employees for the purpose of eliminating any full-time position or where the effect will be to deprive full-time Employees of a full-time position.

Section 2. A part-time Employee is an Employee who is hired to regularly work less than twenty-four (24) hours per week. A temporary Employee is one who is hired to work six (6) months or less per year. A casual Employee is an Employee who is on call to work erratic schedules not estimated to reach eighteen hundred (1800) hours per year. A full-time Employee is an Employee who is hired to work a regular schedule estimated to exceed eighteen hundred (1800) hours per year.

ARTICLE 28
HOURS OF WORK

Section 1. The purpose of this Article is to define normal work schedules, workday, and full-time employment under this contract. Nothing contained in this Article shall be construed as a guarantee of hours of work per day, per week or per year.

Section 2. The City Police Division currently schedules Employees according to two (2) separate work schedules:

- (a) Five (5), eight (8) hour days, forty (40) hour week;
- (b) Continuous four (4), eight and one-half (8 ½) hour days followed by two (2) days off.

Work schedule (a) results in a regularly scheduled two thousand eighty (2080) hours per year schedule.

Employees of the Sylvania Police Division on work schedule (b) are compensated for 2080 hours of scheduled duty annually regardless of number of actual scheduled hours (the 2080 hours includes paid time off: i.e. vacation, sick, compensatory time, bereavement leave, etc.). If an Employee is scheduled for less than 2080 hours, the Employee owes the city for those work hours (normally this would constitute fourteen and one-half hours of work) to bring the hours of work to 2080, the amount for which they are paid. This time shall be known as Ad-Hoc time. If the Employee on schedule (b) is scheduled for more than 2080 hours, the Employee shall be compensated at time and a half (1 ½) the regular hourly rate or receive compensatory time for the scheduled hours.

Ad-Hoc hours shall be paid back at an Employee's straight time hourly rate by attending training or seminars off duty, applying overtime, working during scheduled time-off, or deducting from an Employee's compensatory bank providing it is paid back at straight time hours at the end of the year.

Section 3. Overtime. In the case of work schedule Section 2(a) above, all work in excess of eight (8) hours in any one (1) day or forty (40) hours in any one (1) week shall be paid for at time and one-half (1 ½) the regular hourly rate. In the case of work schedule Section 2(b) above, all work in excess of eight and one-half (8 ½) hours in a workday or for all hours worked on a regularly scheduled work day off shall be paid for at time and one-half (1 ½) the regular hourly

rate. Overtime shall not be paid for Employees working work schedule 2(b) for the fourteen and one-half (14 ½) hours of ad hoc training or any other training or seminar hours regardless of when such hours are worked.

When it is necessary to schedule overtime to maintain the uniform patrol minimum manpower levels, and the need for overtime is caused by the regularly scheduled sergeant calling off causing the manpower level to fall below the minimum level, this overtime shall first be offered to available sergeants, following established overtime procedures.

Section 4. Passed-Over Overtime. When it is necessary to schedule overtime for uniform patrol or dispatching to maintain minimum manpower levels, established division procedures shall be followed. The highest rank seniority Employee that was eligible to work the overtime that should have been notified through established procedures, but was not, shall be entitled to work overtime for the number of hours he/she would have worked. To receive the passed-over overtime the Employee shall notify the Chief of Police, in writing, within five (5) calendar days of the day in question, detailing the reason he feels the procedure was not followed. The five (5) day restriction may be waived by the Chief of Police if the Employee can show reasons beyond his/her control for not being able to comply.
