Upon the successful completion of the special probationary period for a transfer or lateral classification change, the anniversary date shall remain the same.

If the special probationary employee fails to demonstrate that he/she can completely and satisfactorily perform the job within the special probationary period, the County shall return the employee to his/her former position classification, without any loss in seniority. Any other employees who were transferred, promoted or received a lateral classification change following and as a result of this employee's transfer, promotion, or lateral classification change shall also be returned to their former positions, and unless there is a lay-off involved, the bumping procedure shall not apply.

- C. It is agreed that all persons in an initial probationary status are excluded from coverage of this Agreement.

The manager/supervisor shall reply to the employee within seven (7) actual working days from the termination of the meeting. If an employee does not agree with the response or does not receive a reply to his/her written grievance within seven (7) working days, unless the time limits are mutually waived, his/her grievance may be taken to Step 2 of the grievance procedure. A Step 2 grievance must be filed within seven (7) working days after the employee receives his/her reply or should have received his/her reply.

Group grievances, in this Step, shall be presented in the first instance to the lowest ranking supervisor common to all employees in the group. If a group grievance is not

satisfactorily settled in this Step, the procedure defined in Step 2 shall be used.

Step 2. An employee or group of employees whose grievance has not been answered under Step 1 of this procedure or has been answered, but not settled under Step

1 of this procedure may refer the grievance to the department head or the designated representative within the department, within seven (7) working days following receipt of the answer from the first step or seven (7) working days from the date the answer should have been received and no answer was filed by the manager/ supervisor. The distribution by the employee of the copies of the written grievance shall be as follows: one (1) copy to the manager and/or immediate supervisor, one (1) copy to the department head, one (1) copy to the employee representative, and a fourth copy shall be retained by the employee. The department head or his/her designee will investigate, make inquiries, and hold a hearing on the grievance within seven (7) working days of receipt of the grievance. The Union may request that a representative from a neutral division or department serve as the hearing officer. Management will determine the neutral division or department. The hearing officer shall reply to the employee within seven (7) actual working days from the termination of the meeting. If the employee does not receive a satisfactory reply to his/her written grievance within seven (7) working days, or if the employee receives no reply to his/her written grievance at the end of the seven (7) working days, his/her grievance may be taken to Step 3 of the grievance procedure within seven (7) working days after the date the reply was or should have been received.

Step 3. If a grievance is not settled at Step 2, files relating to the grievance shall be forwarded to the County Human Resources Director or his/her nominee, for the resolution of the grievance. The Union shall forward the grievance and copies of the reply thereto, if any. The County Human Resources Director, or his/her nominee, shall hold a meeting with regard to the grievance within seven (7) working days following receipt of the grievance. The grievance meeting shall include no more than four (4) representatives of the employee (example staff representative and/or steward and/or employee), and no more than four (4) representatives of County Management. Both the employee and the County Management representatives shall have the right to have available such witnesses as are necessary for the explanation and investigation of the grievance. The Human Resources Director, or his/her nominee, shall reply to the employee in writing within ten (10) actual working days from the termination of the meeting.

Step 4. If the grievance is not settled at Step 3, either party may request an additional meeting including the parties' legal counsel in an effort to reach resolution within fifteen (15) working days after receipt of the County Human Resources Director or their nominee's answer in Step 3 or the use of FMCS or SERB at no cost to either party.

Section 5. Step 5. Arbitration.

A. If the Step 4 meeting is rejected by either party or the results of the meeting prove unsuccessful, the Union may refer the grievance to binding arbitration by notice in writing the American Arbitration Association (AAA) requesting a panel of five (5) arbitrators with a copy to the Human Resources Director, postmarked within thirty (30) working days following receipt of the Human Resources Director's answer in Step 3. Either party may reject one (1) entire panel. Both the County and the Union shall have the right to strike two (2) names from the panel. The party requesting arbitration shall strike the first name, the other party shall then strike a second name, the first party a third name, and other party a fourth name, and the remaining person shall be the arbitrator. Except as otherwise specified by this Agreement, the rules of the American Arbitration Association shall apply. All arbitration hearings shall be held in Dayton, Ohio (unless the parties mutually agree otherwise).

B. Selection of the arbitrator and scheduling of the arbitration hearing shall be completed within forty-five (45) calendar days after the request for the arbitration panel is sent unless an extension is mutually agreed upon. Either party may reject one (1) calendar submitted

to the parties by AAA. The parties will schedule cases involving discharge as soon as possible.

- C. The arbitrator shall act in a judicial, not legislative capacity and shall have no right to recommend to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. He/she shall only consider and make a decision with respect to the specific issue submitted, and shall have no authority to make a decision on any other issue not so submitted to him/her. In the event the arbitrator finds a violation of the terms of this Agreement, he/she shall fashion an appropriate remedy. The arbitrator shall submit in writing his/her decision within thirty (30) calendar days following close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to a written extension thereof. The decision shall be based solely upon his/her interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. A decision rendered consistent with the terms of this Agreement shall be final and binding. In cases involving removal for abuse, if the Arbitrator finds that there has been serious abuse of residents at Stillwater Center, the Arbitrator does not have the authority to modify the removal of the employee committing such abuse.
- D. The fee and expenses of the arbitrator shall be divided equally between the County and the Union provided, however, that each party shall be responsible for compensating its own representatives and non-employee witnesses.
- E. Two or more grievances may not be joined or consolidated for hearing by an arbitrator except upon agreement of both parties.

Section 6. The parties agree that it is in the best interest of the employees and the County to resolve grievances at the lowest possible step. Where there is mutual agreement to seek informal resolution and external assistance is desired, the parties agree to seek assistance from the Greater Dayton Mediation Center or Federal Mediation and Conciliation Services (FMCS).

Section 7. The parties may, by mutual agreement, waive any steps or any of the time limits of this Article. The waiver must be in writing and signed by both parties. For purposes of administering this Article, working day means a day Monday through Friday that is not a County holiday.

Section 8. If an arbitrator's decision awards the payment of back wages covering the period of the employee's separation from the Employer's payroll, the amount so awarded shall be less any unemployment compensation (unless the employee is required to return unemployment compensation payments) or earned wages from any other state, county, or municipal agency.

It is further agreed that disciplinary action will be initiated within thirty-five (35) days, after the date of the pre-disciplinary meeting. The parties agree that the timeline may be extended by written notice of either party. No later than thirty (30) days following the service of the notice of investigation, the employee shall receive notification of a pre-disciplinary meeting or letter closing the investigation. HOLIDAYS AND HOLIDAY PAY

- Section 1. Each regular full-time County employee is entitled to eight (8) hours of holiday pay for New Year's Day, Martin Luther King Day, Presidents' Day, Memorial Day, Juneteenth, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, Day after Thanksgiving, and Christmas Day of each year. Except as specified herein, the listed holidays shall occur on the days specified in the Ohio Revised Code and on the Day following Thanksgiving. In the event that any of the aforesaid holidays fall on Saturday, the Friday immediately preceding shall be observed as the holiday. In the event that any of the aforesaid holidays fall on Sunday, the Monday immediately succeeding shall be observed as the holiday. Employees working a schedule other than Monday through Friday shall be eligible for holiday pay on the actual date of the holiday for Independence Day, Christmas Day, New Year's Day and Veterans' Day. Either the actual date of the holiday or the day specified in the Ohio Revised Code shall be observed, but not both. If an employee's work schedule is other than Monday through Friday, he/she is entitled to holiday pay for holidays observed on his/her day off regardless of the day of the week on which they are observed.

Part-time regularly scheduled employees are eligible for holiday pay at the straight time hourly rate to a maximum of eight (8) hours for that portion of holiday for which they would normally have worked.

- Section 2. Employees shall be entitled to holiday pay if they work the last scheduled work day prior to the holiday and the next scheduled work day following the holiday or are on paid leave. Paid leave shall be defined as approved long-term sick leave for an occasion of forty (40) hours or more, except in cases of proven hospitalization (to include in-patient/out-patient, admission into a surgery center, hospital, or hospice or residential care facility), and for approved bereavement leave, vacation, paid personal leave (PPL), or compensatory time, for the purposes of this Article.

Employees who are scheduled to work on a holiday and are mandated to work beyond their scheduled hours, will be compensated at two (2) times their hourly rate (instead of overtime) for every hour worked beyond their scheduled hours.

Employees who volunteer for or are assigned to work a holiday and are unable to report shall follow the appropriate call-in procedure. Failure to do so may result in progressive disciplinary action.

- Section 4. Employees who are scheduled to work on a holiday shall be compensated in pay at time and one-half the regular straight time hourly rate (including shift differential) for hours worked. In addition, they will receive straight time compensation for the holiday. Time actually worked on a holiday is not considered time in active pay status for overtime calculation because separate compensation (holiday premium pay) is already paid.
- Section 5. Employees who regularly work a ten (10) hour shift shall receive ten (10) hours of holiday pay.

ARTICLE 25

VACATION LEAVE

Section 1. Vacation leave shall accrue to the employee upon each successive annual recurrence of the anniversary date of his/her employment. Days specified as holidays in this Agreement shall not be charged to an employee's vacation leave. Vacation leave shall be taken by the employee during the year in which it accrued and prior to the next recurrence of the anniversary date of his/her employment; provided the appointing authority may, in special and meritorious cases, permit such employee to accumulate and carry over his/her accrued vacation leave to the following year. No accrued vacation leave shall be carried over for more than three (3) years. An employee is entitled to compensation at his/her current rate of pay for the prorated portion of any earned but unused vacation leave for the current year to his/her credit at time of separation; and in addition, shall be compensated for any unused vacation leave accrued to his/her credit, with the permission of the appointing authority, for the three (3) years immediately preceding the last anniversary date.

One (1) year of service shall be computed on the basis of twenty-six (26) bi-weekly pay periods. All regular full-time employees shall be granted the following vacation leave with full pay each year based upon their length of service with the County and other political subdivision of the State:

- 1 yr. but less than 6 yrs. 80 working hours
- 6 yrs. but less than 12 yrs. 120 working hours
- 12 yrs. but less than 18 yrs. 160 working hours
- 18 yrs. or more 200 working hours

Part-time employees do not accumulate vacation leave. However, part-time employees may request leave without pay for up to forty (40) hours in any calendar year. The request for leave without pay must be requested and approved in advance of the date requested. Paid Personal Leave (PPL) shall be exhausted prior to the granting of leave without pay. Requests for leave without pay will not be unreasonably denied.

Section 2. In the case of a death of a County employee, the unused vacation leave and unpaid overtime to the credit of any such employee shall be paid in accordance with Section 2113.04 of the Ohio Revised Code or to his/her estate.

Section 3. Employees shall be allowed time off for vacation at such time as Management determines. However, the wishes of the employee will be taken into consideration when the efficient operation of the department permits. Management and the Union will discuss the scheduling of vacation time in each department on an annual basis. Employees' vacation requests shall not be unreasonably denied.

Management must answer an employee's vacation request within seven (7) working days after the request is submitted or the request is automatically approved. Once approved, a

vacation request shall only be cancelled in case of emergency and notification of such shall be given in writing to the employee. If an employee transfers, at his/her request, to a different supervisor or shift after the approval of the vacation request, such request must be resubmitted for reconsideration prior to the transfer. Such requests shall not be unreasonably denied.

- Section 4. Employees may take vacation in increments of 1/10th of an hour. All vacations shall be taken with the prior approval of Management.
- Section 5. When a holiday is observed by the County on a day during the Monday through Friday work week, during a scheduled vacation, the vacation will be extended one (1) day continuous with the vacation at the request of the employee and the concurrence of Management.
- Section 6. Vacation Leave shall be considered as time worked for the purpose of computing entitlement to time and one-half overtime pay.

ARTICLE 26

PAID PERSONAL LEAVE (PPL) AND LONG TERM SICK LEAVE (LTSL) AND PAID PARENTAL LEAVE

- Section 1. Earnings of Paid Personal Leave (PPL) and Long Term Sick Leave (LTSL)

- A. Paid Personal Leave (PPL) earnings:

For 2022, each employee in active full-time pay status, ten (10) days (80 hours) shall be credited to a yearly PPL account on January 2. Employees returning from a no pay status or hired after the January PPL credit period will receive prorated PPL credit based prospectively on the percentage of the year remaining in the PPL credit period in active employment.

For each Stillwater employee in active full-time pay status, five (5) days (40 hours) shall be credited on January 2, and five (5) days (40 hours) shall be credited on July 1, to a PPL account. Employees returning from a no pay status or hired after the January PPL credit period will receive prorated PPL credit based prospectively on the percentage of the year remaining in the PPL credit period in active employment.

Newly hired employees may use no more than 50% of their credited PPL during their initial probationary period. Employees may use PPL in minimum increments of one tenth (1/10) of an hour.

For 2023, each employee in active full-time pay status, forty (40) hours shall be credited on January 2, and forty (40) hours shall be credited on July 1, to a PPL account. Employees returning from a no pay status or hired after the January PPL credit period will receive prorated PPL credit based prospectively on the percentage of the year remaining in the PPL credit period in active employment. Newly hired employees may use no more than 50% of their credited PPL during their initial probationary period.

Part-time employees shall be credited with PPL on a prorated basis according to their actual hours worked and in accordance with their appointment designated position hours.

Example: A part-time employee actively at work on January 2, with appointment designated hours of forty (40) hours per bi-weekly pay period, would be credited with twenty (20) hours of PPL. An employee with appointment designated hours of forty-eight (48) hours per bi-

weekly pay period would be credited with twenty-four (24) hours of PPL.

Employees may use PPL in minimum increments of one tenth (1/10) of an hour.

B. Long Term Sick Leave (LTSL) earnings:

Employees in active full time status accrue 2.77 hours of paid LTSL for each completed eighty (80) hours of service per biweekly pay period to be credited to a cumulative LTSL account. Credit is given for all time in active pay status, but not for time on leave of absence without pay. Unused LTSL shall be cumulative without limit.

Employees are required to comply with the LTSL rules and policies instituted by Management. It is understood between the parties that employees failing to comply with such rules and policies shall not be paid for such leave. Application for LTSL with intent to defraud, falsification of a LTSL request and/or falsification of medical certification and/or documentation may result in dismissal as well as refund of any salary or wages paid therefore.

Management may request a medical certification from an employee where there is indication of abuse of LTSL. If Management requires a second opinion from a physician of its choosing, the cost of such examination shall be paid for by the County.

Section 2. Usage

A. Paid Personal Leave (PPL) usage:

PPL is “no fault” leave, meaning it may be used for any purpose. Employees should monitor and manage the use of PPL in order to cover their unplanned absences throughout the calendar year, including illness absences that do not qualify for Long Term Sick Leave. Employees must use PPL for any unplanned absence of one (1) day duration, including personal illnesses/injuries and unscheduled intermittent FMLA qualifying health events, so long as a balance remains in their PPL account.

Use of PPL for half or more of an employee’s scheduled shift shall qualify as the “first day of absence” as it pertains to subsequent LTSL usage.

PPL cash incentives provide an end-of-year reward for those who conserve PPL, with the goal of reducing unplanned absences across the County. If no balance remains in the employee’s PPL account, the first (1st) day of absence shall be without pay.

When the use of PPL is necessary, the employee or some member of his/her immediate family shall notify his/her immediate supervisor or department office by telephone or messenger not later than the normal starting time, except twenty-four (24) hour or seven day a week operations where the following shall apply:

- Employees on the first shift Monday through Friday shall notify their department one (1) hour before the normal starting time of the shift.
- On Saturday, Sunday, Holidays and for second and third shift employees a two (2) hour notice time before the normal starting time of the shift, will be required. Where the parties have agreed upon flextime/tardiness policies, the employee or some member of his/her immediate family shall notify his/her immediate supervisor according to the department’s notification protocol.
- At Stillwater, where residents require continuous direct care, direct care employees on the first shift Monday through Friday shall notify their department at least two (2) hours before the normal starting time of the shift.
- On Saturday, Sunday, holidays and for second and third shift, direct care employees shall notify their department at least four (4) hours before the normal starting time of

the shift. Stillwater employees who work all of their scheduled hours/use no PPL during survey periods will receive a yearly incentive.

Unless notification is given, no PPL will be approved and the absence will be without pay, except in unusual cases and then only after approval of the immediate supervisor.

B. Long Term Sick Leave (LTSL) usage:

Employees may use LTSL from their LTSL account, upon approval by Management, for absence:

1. on the second day and thereafter due to a non-FMLA personal illness/injury, an unplanned intermittent FMLA qualifying health event and/or exposure to contagious disease which could be communicated to other employees;
2. on the second day and thereafter due to an immediate family member's non-FMLA personal illness/injury, or an unplanned intermittent FMLA qualifying health event. A physician's certification stating that the employee's presence is necessary to provide care for the ill or injured person is required;
3. on the first day and thereafter for pre-scheduled appointments, treatments and/or procedures related to an authorized FMLA qualifying health condition (e.g. physical therapy, chemotherapy);
4. on the first day and thereafter for hospitalization of the employee, or an immediate family member. "Hospitalization" (inpatient/outpatient) is defined as admission into a surgery center, hospital, hospice or residential medical care facility.
5. up to five days for a parent upon the birth or adoption of a child when not qualified for Paid Parental Leave or Unpaid Parental Leave;
6. up to five days due to the death of an immediate family member; and
7. up to two days due to the death of an extended family member.

Unused long term sick leave shall be cumulative without limit.

When the use of LTSL becomes necessary, the employee or some member of his/her immediate family shall notify his/her immediate supervisor or department office by telephone or messenger not later than the normal starting time, except twenty-four (24) hour or seven day a week operations where the following shall apply:

- Employees on the first shift Monday through Friday shall notify their department one (1) hour before the normal starting time of the shift.
- On Saturday, Sunday, Holidays and for second and third shift employees a two (2) hour notice time before the normal starting time of the shift, will be required.
- At Stillwater, where residents require continuous direct care, direct care employees on the first shift Monday through Friday shall notify their department at least two (2) hours before the normal starting time of the shift.
- On Saturday, Sunday, Holidays and for second and third shift, direct care employees shall notify their department at least four (4) hours before the normal starting time of the shift.

Unless notification is given, no LTSL will be approved and the absence will be without pay, except in unusual cases and then only after approval of the immediate supervisor. Where the parties have agreed upon flextime/tardiness policies, the employee or some member of his/her immediate family shall notify his/her immediate supervisor according

to the department's notification protocol.

Employees are required to comply with the LTSL rules and policies instituted by Management. It is understood between the parties that employees failing to comply with such rules and policies shall not be paid for such leave. Application for LTSL with intent to defraud, falsification of a LTSL request and/or falsification of medical certification and/or documentation may result in dismissal as well as refund of any salary or wages paid.

Management may request a medical certification from an employee where there is indication of abuse of LTSL. If Management requires a second opinion from a physician of its choosing, the cost of such examination shall be paid for by the County.

Section 3. Conversion/Transfer of Paid Personal Leave and Long Term Sick Leave

A. Conversion or transfer of Paid Personal Leave (PPL) at year's end:

For 2022, any balance of PPL credit that was earned in a year and remains in the account at the end of the PPL credit year may either be a) transferred at 100% value to the employee's Long Term Sick Leave account or (b) converted to cash payment at the rate of one (1) hour of pay at the base rate for each one (1) hour of unused PPL credit. PPL may also be donated in accordance with the policies instituted by Management. Employees may cash out a maximum of five days (40 hours) of the PPL credit balance each year. The cash out option is only available in the year in which the credit is given. The PPL cash out shall be paid no later than the pay period that includes January 15 of the year following the year in which PPL was earned. Any balance of PPL that remains after cash out will be transferred automatically to the employee's LTSL account. It is permissible for employees to designate any combination (in whole days) of cash out and transfer of PPL so long as the requested cash out does not exceed the maximum of five days.

For 2022, Stillwater employees who have a balance of PPL credit that was earned in the first six (6) months of the year and remains in the account at the end of June, and any balance of PPL credit that was earned in the second six (6) months of the year and remains in the account at the end of December may either be a) transferred at 100% value to the employee's LTSL account or b) converted to cash payment at the rate of one (1) hour of pay at the base rate for each one (1) hour of unused PPL. Employees may cash out a maximum of twenty (20) hours of the PPL balance from the January - June six (6) month period. Employees may cash out up to forty (40) hours of the PPL balance from the July – December six (6) month period, minus any hours that were paid out in July. The cash outs shall be paid no later than the pay period that includes July 15 of the year the PPL was earned and January 15 of the year following the year in which the PPL was earned. Any balance of PPL that remains after cash out will be transferred automatically to the employee's LTSL account. It is permissible for employees to designate any combination (in whole days) of cash out and transfer of PPL as long as the requested cash out does not exceed the maximum of forty (40) hours per year.

Beginning 2023, employees who have a balance of PPL credit that remains in the account at the end of December may:

- Transfer one hundred percent (100%) of the value to LTSL, or
- Convert to cash payment at the rate of one (1) hour of pay at the base rate for each one (1) hour of unused PPL to a maximum of forty (40) hours.

The cash outs shall be paid no later than the pay period that includes January 15 of the year following the year in which the PPL was earned. It is permissible for employees to designate any combination (in whole days) of cash out and transfer of PPL as long as the requested cash out does not exceed the maximum of forty (40) hours.

All PPL credit balances that are cashed out or transferred are excluded from further conversion. No PPL balance shall be carried forward to a new leave year. Employees eligible to convert PPL credit at year's end must indicate their desire to convert their PPL credit balance, using the conversion form provided for this purpose. If the PPL credit conversion form is not received in the County Human Resources Department by the specified date, any PPL credit balance remaining at the end of the year will be transferred automatically to the employee's LTSL account.

Any employee who separates from service during the year (except in instances of death or retirement with at least ten (10) years OPERS service credit) shall not be eligible for cash conversion of his or her unused PPL credit balance. In such case, unused PPL hours will be transferred to the employee's LTSL and held on account. In the event of retirement with 10 years of service or death, the employee's balance of PPL is transferred to LTSL and paid out according to LTSL provisions below.

B. Long Term Sick Leave (LTSL) Conversion at Retirement or Death

Employees taking retirement at age fifty-five (55) or over with at least ten (10) years of service credit under the Ohio Public Employees Retirement System; employees with at least thirty (30) years of service credit under the Ohio Public Employees Retirement System; and the estate of employees who die while employed full-time with the County shall receive cash payment for accumulated LTSL at the employee's base rate of pay at the time of separation.

Employees hired before July 1, 2007 receive cash payment for accumulated LTSL at the employees base rate of pay at the time of separation at the rate of one (1) hour's pay for every two (2) hours of accumulated balance. The maximum amount of LTSL hours which is convertible to cash is 3,000 hours. Maximum cash conversion is not to exceed 1,500 hours.

Employees hired July 1, 2007 and thereafter receive cash payment for accumulated LTSL at the employee's base rate of pay at the time of separation at the rate of one (1) hour of pay for every two (2) hours of accumulated balance for the first 2,000 hours up to a maximum cash conversion of 1,000 hours total.

An employee may convert his or her LTSL credit balance to cash under the provisions of this Article only once.

Section 4. Transferring Sick Leave Credit

The total unpaid leave of absence days shall not exceed one hundred eighty (180) calendar days. Upon return from such leave, the employee will be reinstated in his/her old classification, or one of equal grade.

However, the purpose of his/her failure to return shall be considered.
- D. If an employee requests leave of absence without pay for medical reasons, he/she shall submit a doctor's certificate stating the nature of the illness or injury and the estimated time required for recovery. If an employee requests an extension of a leave of absence without pay for medical reasons, an additional doctor's certificate will be required, which shall likewise contain the information listed above.

It is the responsibility of the injured employee to inform Management of the estimated length of his/her absence, as determined by the treating physician. This notification shall be made in a timely manner, and in any event shall not exceed two (2) weeks following said injury. If an estimation of such absence cannot be made by the treating physician, then the employee is required to report to his/her immediate supervisor, either by phone or by letter, on a bi-weekly basis until an estimated time of absence can be ascertained.

- C. If an employee misses work because of a work-related injury, he/she shall

receive wage continuation during the twelve (12) weeks immediately following the injury or until he/she is physically able to return to work, whichever is earlier. Wage continuation will only be paid for any time period for which the employee would be eligible for worker's compensation benefits. An injured employee will reimburse the County for any wage continuation payments which are later determined to have been improperly made, for any reason. Payment of wage continuation under this section will be computed on the basis of the employee's base rate of pay. If the employee has not returned to work at the end of the twelve (12) week period, wage continuation will cease and the employee will receive temporary total compensation from the Bureau of Workers' Compensation. The employee may elect to use accrued sick leave in accordance with Montgomery County's sick leave provisions for any time period for which he/she is not currently eligible for wage continuation or workers' compensation benefits.

Additionally, the injured employee may elect to use accrued sick leave after wage continuation ceases. In no event, however, will the employee be permitted to buy back sick leave. If requested by Management for the purpose of investigating or processing a Worker's Compensation claim, the employee shall provide a written release to the County to obtain medical information.

E. The County may require an employee to perform other duties within the limitations of the injury during the period of compensable injury.

Section 4. Management may require a second opinion from a physician of its choosing if leave without pay for medical reasons is requested. Additionally, Management may require an employee to take an examination conducted by a licensed physician of Management's selection to determine an employee's capacity to perform the duties of his/her position. The cost of such examinations shall be paid for by the County.

Section 5. Educational Leave

Employees who participate in the tuition assistance program must remain in active employment status for one year following receipt of reimbursement for tuition. Employees leaving active employment status within one year following receipt of reimbursement for tuition are required to repay the County for the cost of the reimbursement. This repayment amount may be prorated based on the total months of employment following the reimbursement.

To be eligible to apply for reimbursement, the courses must directly improve the employee's value to the County in his/her present position or enhance an employee's chances for advancement to another position within the County.

Additional information for guidance and counseling about the program can be acquired through the County's Human Resources Department, and Department Directors.

Section 6. Military Leave

Service in the armed forces of the United States is a privilege and a duty that all citizens should participate in when called upon. Therefore, the Montgomery County Board of County Commissioners shall not refuse to employ nor discharge an employee because of military membership. Employees "in service" will not be prevented from performing duties when called upon. The Employer will follow Ohio Revised Code 5923.05 and the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA 38 U.S.C. 4301-4335) regarding paid military leave for permanent public employees, unless outlined below.

An employee who is a member of the Ohio National Guard, the Ohio Defense Corps, the Ohio Naval militia, or is a member of another reserve unit of the armed forces, or is serving in the United States Air Force, Army, Navy, or Marines should be aware of the following:

1. A leave of absence to receive a physical examination or be inducted into the military can be granted if the employee submits a written request for such leave and notification to report to the supervisor before departing for duty. If sick leave time is available, an employee may use up to three (3) days of paid leave for this purpose.
2. Military personnel are entitled to a short-term leave of absence with pay for periods not to exceed 31 calendar and/or 22 working days each calendar year plus up to three (3) travel days if necessary.

3. During this period of thirty-one (31) calendar days and/or twenty-two (22) working days or less of service, the employee may also receive pay for military service with no effect on pay from the County. The employee is required to submit a copy of military orders or other statements in writing from the appropriate military authority as evidence of a call to service.

The time an employee serves on short-term leave of absence for military service will be counted as full service time when computing vacation or sick leave credits.

4. If an employee serves in an "active duty" status for more than 22 working days or 31 calendar days, he/she will be considered to be long-term military leave of absence without pay. Employees must have been working for Montgomery County for at least 90 calendar days to be granted this status. The employee on long-term military leave will receive the difference between his/her gross monthly wage or salary as a County employee and the sum of his/her gross uniformed pay and allowances received that month, for a period not to exceed three hundred and sixty-five (365) calendar days, including the short-term leave period. Vacation and sick leave hours benefits will not be accrued during a long-term military leave of absence without pay. However, for purposes of retirement and seniority, time in active duty will be accredited to the employee's service record in accordance with Paragraph 5.
5. If an employee has been on long-term military leave of absence and is then separated or discharged under honorable conditions from the service, he/she may, through the Human Resources Director, request reemployment with Montgomery County. This request must be in writing and must be submitted within 90 calendar days of release from active duty. The County will then return him/her to either his/her former position or one of like responsibility with full seniority rights, wage adjustments, step increases or other benefits that would have been due as though he/she had been actively employed at the County.

An employee shall not be compensated for time spent on leave granted to pursue legal action either as a plaintiff or a defendant.

- Section 8. When employees take any of the above-mentioned leaves of absence, they shall receive from Management, in writing, notice of all requirements for returning from leave. A copy of said notice shall be signed by the employee and placed in the employee's personnel record.

- Section 3. Management shall endeavor to distribute authorized overtime among all employees in each classification within a department on a non-preferential and equal basis. The County shall establish a rotating seniority list by job classifications, within each division, for overtime assignments when overtime work is necessary. The list shall begin with the most senior person in the job classification. Management shall request the employee's name who appears first on the list to work overtime when overtime is available. When the employee is unable to work the overtime which has been offered to him/her, the employee shall not be offered overtime until his/her name again appears at the top of the list. If a department changes the number of hours worked in a day, it shall be with a majority of the affected employees' and the Union's mutual consent. The number of hours scheduled for the day (such as ten (10) hours) shall be the regular work day and all hours in excess of the regular work day shall be paid at time and one-half. All flextime schedules will have a forty (40) hour week, except in twenty-four (24) hour a day operations, seven (7) day a week operations where there shall be an eighty (80) hour bi-weekly pay period.

- Employees will receive a retention incentive of one thousand dollars (\$1,000.00) by the second pay in December 2023.

Section 2. Temporary Rates

Employees required to work and substantially perform the job duties in a higher classification on a temporary basis will receive a 4% increase over the employee's present wages. Temporary rates shall apply to any member at any time he/she is required to work and substantially perform the job duties of a higher classification for two (2) hours or more in a work day, except those duties which are incidental to the duties set forth in the description of duties of his/her regular classification assignment. This section shall not apply to training programs.

Section 3. Stand-by pay

Members will be paid for their continuous availability during weekends in the event they are needed for emergency repair work.

- A. Employees on stand-by for a twenty-four (24) hour period will be paid a minimum of four (4) hours pay.
- B. Employees on stand-by for a forty-eight (48) hour period will be paid a minimum of eight (8) hours pay.

- C. An employee who is called to work, having been on stand-by, shall be paid time and one-half for all hours worked, but no less than the applicable minimum as stated in "A" or "B" above.

Section 4. Shift Differential

When a bargaining unit member works fifty percent (50%) or more of his/her shift between the hours of 3:00 p.m. and 7:00 a.m., that employee is entitled to fifty-five cents (55¢) an hour shift differential for all hours worked in addition to his/her base rate of pay.

ARTICLE 32

EVALUATIONS AND MERIT INCREASES

Section 1. All employees in the County will be evaluated at least once annually, approximately ninety (90) days prior to December 31.

Section 2. Both the employee and the supervisor shall participate in the evaluations. The employee shall be given an opportunity to examine all evaluations and discuss the evaluation with his/her immediate supervisor and to sign the evaluation form to indicate that he/she has done so, although his/her signature on the form does not necessarily indicate his/her agreement with the evaluation. In the event an employee refuses to sign an evaluation form, the supervisor and the employee may each call another employee as a witness to the refusal to sign and shall sign as a witness to the employee's refusal to sign the form. Any additional comments, statements, or objections by the employee to the evaluation may be submitted on an attached memorandum, and the presence of such attachment must be noted on the evaluation form itself by the employee, and become a permanent part of the employee's record. The employee shall receive a copy of the evaluation at that time and the evaluation shall be placed in the employee's personnel file. Once an employee has signed the evaluation form, Management shall not make any further changes.

Section 3. Less than satisfactory evaluations must be preceded by at least a written notice given when the employee's performance falls below acceptable standards. The notice will specify the areas in which the performance is not satisfactory.

Section 4. The Union and Management will meet no later than July 31, 2022 to explore the creation of a merit incentive program.

ARTICLE 33

DURATION OF CONTRACT

Section 1. The parties acknowledge that during the negotiations which resulted in this agreement, each had the unlimited right to make demands and proposals on any subject matter not removed by law from the area of collective bargaining and that the understanding and agreement arrived at by the parties after the exercise of that right and opportunity are set forth in this agreement. The parties each voluntarily and unqualifiedly waive the right and each agree that the other shall not be obligated to bargain collectively or individually with respect to any subject or matter not specifically referred to or covered in this agreement even though such subjects or matters may not have been within the knowledge of either or both parties at the time they negotiated or signed this agreement. All other agreements either written or verbal are hereby terminated.

Section 2. If either party desires to modify, amend, or terminate this Agreement, it shall give written notice of such intent no earlier than ninety (90) calendar days prior to the expiration date

and no later than eighty (80) calendar days prior to the expiration date of this Agreement. Such notice shall be mailed to the party by certified mail with return receipt requested. The parties shall set the date to commence negotiations within fourteen (14) days upon receiving notice above unless the parties mutually agree otherwise.

Section 3. This Agreement shall become effective as of ratification by both parties with the signatures of both parties, and shall remain in full force and effect for the covered employees until December 31, 2024.
